The full report pertaining to ordained and licensed clergy was submitted to the annual conference and appears in this journal in section E, Business of the Annual Conference report in questions 17-75.

LAITY SESSION

The Laity Session was led by Darlene Alfred, the conference lay leader, in a virtual format.

FELLOWSHIP OF LOCAL PASTORS & ASSOCIATE MEMBERS SESSION

The session was led by Sharon Reid in a virtual format.

OPENING WORSHIP

SUNDAY EVENING, JUNE 20, 2021

The 2021 session of the annual conference opened with a memorial service remembering clergy and laity who had died since the last meeting of the annual conference. First Methodist Waco hosted the service and provided music. The service was organized under the leadership of Rev. Chris Mesa (Arborlawn), the quadrennial worship chair. Bishop L. Jonathan Holston of the Columbia Episcopal Area of South Carolina preached on a text from Micah 6:6-8. Bishop J. Michael Lowry offered words of reflection and remembrance.

MONDAY, JUNE 21, 2021

BUSINESS SESSION 1

CALL TO ORDER

Bishop Lowry called the annual conference to order at 9:07 AM. He offered some explanation and announcements pertaining to the hybrid format.

CENTERING WORSHIP AND BIBLE STUDY

The morning worship opened with music led by Paul Trejo, Taylor Buntin, and Elizabeth Franklin of First Methodist Waco. Bishop Holston then offered reflections on Micah 6:1-8 focusing on how we come before God.

ORGANIZATION OF THE CONFERENCE

Bishop Lowry offered instructions for navigating the hybrid format of the meeting. He instructed members participating virtually to use the Q&A function in Zoom to seek to be recognized by the chair to make a motion or ask a question. Bishop Lowry then offered voting instructions. Members participating virtually would vote via Zoom poll. Members participating in-person would vote by raising a pink voting card, which would then be tallied by the tellers.

Conference Secretary Clifton Howard welcomed the members and observers of the conference and announced that 709 members had preregistered. He moved that the bar of the conference be set to include the center floor area of the sanctuary as well as those properly registered and participating in the Zoom webinar. The motion passed.

Rev. Howard moved to suspend the rules to allow a hybrid annual conference with both in-person and virtual participation. Seconded. The motion passed.

Rev. Howard moved that those authorized to participate in the 155th Annual Conference Session of the Central Texas Conference of the United Methodist Church, by an affirmative vote, do consent to proceed in a hybrid annual conference session using remote technology; and that they further consent that all decisions made in this session have the same effect and authority as decisions made by an in-person session of the annual conference; and finally that they consent that all such decisions made in this session are and will be legal and binding actions of the 2021 Central Texas Annual Conference. Seconded by Russell Thomas (Ennis First). The motion passed.

Rev. Howard corrected the agenda published on page nine of the preliminary report by adding consideration of the consent agenda at 2:45 pm on Monday, June 21. Rev. Howard moved that the agenda be adopted as corrected. Second by Barb Farris (Good News). The motion passed.

Rev. Howard moved that all items provided in advance of annual conference in the preliminary report be regarded as “on the table” so that they may be considered in today’s conference session. Seconded by Stefanie Schutz (Wellspring). The motion passed.

Council of Finance and Administration Chair Gary Sult (Stephenville First) introduced the proposed 2022 budget, which would be discussed and voted on in a later business session. Rev. Howard also introduced two resolutions for later consideration that would amend the conference “Guiding

Principles and Best Practices”: a **Resolution to Allow Electronic Meetings** and a **Resolution to Govern Laying Items on the Table**. On behalf of the nominations committee, Rev. Howard then moved to nominate Greg Carey to serve as treasurer/statistician and Clifton Howard as secretary. Seconded from the floor. The motion passed.

For the next agenda item, Kim Simpson (St. Barnabas and chair of the 2020 conference delegation) was called upon via Zoom to offer a report regarding the Postponed 2020 General and Jurisdictional conferences. Due to a disruptive audio echo in the sanctuary, Bishop Lowry asked Ms. Simpson to pause and called for a fifteen-minute break to allow time to fix the technical issue. After the break, Matt Ybañez (First Hurst) opened with prayer. Audio issues with Ms. Simpson’s report continued, so Bishop Lowry postponed the report and moved to his episcopal address, “Way, Way Back to the Future: Envisioning a New Spring.”

Rev. Howard offered some announcements. Bishop Lowry adjourned the session for lunch at 11:56 AM.

BUSINESS SESSION 2

Bishop Lowry called the conference to order at 1:03 PM. Rev. Erin Sloan Jackson (New World) opened the session with prayer.

Kim Simpson offered her report on the postponed general and jurisdictional conferences.

Called on by Bishop Lowry, conference lay leader Darlene Alfred gave the laity address emphasizing the need to adjust to doing things differently and understanding faith as a call to action.

Rev. Dalco moved to adopt the report of the Board of Ordained Ministry. Motion passed.

Bishop Lowry thanked those who serve on district committees on ordained ministry and called for a break to prepare for the retirement service.

RETIREMENT SERVICE

The conference worshiped together as the retirees were honored and their work in ministry celebrated. The service also included the symbolic passing of the mantle to recognize those who have been called to continue the ministry of the church. The scripture reading was Philippians 1:1-6. Bishop Lowry offered a brief message, and First Methodist Waco provided music.

AWARDS

Following a break, Bishop Lowry called on Rev. Mike Ramsdell to announce those churches that received WIG Awards: Oak Park UMC, First Waco, Nolanville UMC, First Waxahachie, First Breckenridge, Cahill UMC, First Cross Plains, First Joshua, First Burleson, and First Kennedale. Next, Darlene Alfred announced that Scott Green of Ferris Heights UMC had received this year's Morris Walker Award. It was then announced that Rev. Meredith Bell was the Harry Denman Award recipient.

YOUTH ADDRESS

Bishop Lowry called on Conference Council on Youth Ministries (CCYM) President Emma Boyd (First Joshua) to offer the youth report and address. Ms. Boyd shared about how serving in CCYM has helped deepen her faith and develop as a leader. She reminded the conference that being the hands and feet of Jesus is rooted in the Great Commission.

CONSENT AGENDA

Rev. Howard noted that there had been no requests to remove any item from the consent agenda as published. He moved to adopt the consent agenda in its entirety as presented in the preliminary report. Seconded. Motion passed.

NOMINATIONS AND LEADERSHIP DEVELOPMENT TEAM REPORT

Rev. Howard drew the conference's attention to the nomination and leadership development team report. Rev. Howard responded to several questions and then moved that the conference adopt the report. Bishop Lowry called for a vote. Motion passed.

INCLUSIVENESS UMBRELLA TEAM REPORT

Bishop Lowry invited Rev. Janette Miller, chair of the team, to introduce the inclusiveness umbrella team report. Rev. Miller noted that the conference and the wider UMC have taken steps to end racism. To this end, the inclusiveness umbrella team (IUT) has developed a strategic plan for the conference to work toward ending racism through learning, acknowledging harm, repentance, and reconciliation. She noted that the team had worked with both the Core Team and the CF&A since the strategic plan would have financial implications. The anticipated impact on the annual budget would be \$225,000, which would include hiring a new diversity, equity, and inclusion (DEI) staff person. Rev. Miller moved that the report be adopted. Bishop Lowry opened the floor to questions and discussion. Rev. Darren Walker (Georgetown, St. John's) asked how we can afford to hire a new "critical race coordinator" staff person in this area when conference level staff positions for youth ministries were eliminated. Rev. Miller deferred to Gary Sult (CF&A chair) who responded that half of the cost would be taken from reserves and half the cost would be apportioned to local churches. Krista Ingram (New Riverside) spoke against the strategy outlined in the report, questioning measuring inequity in salaries only in terms of race. Rev. Mike Love (Epworth) asked how the IUT would function with a new staff person. Rev. Miller responded that the IUT would function similarly to the way it currently functions. Rev. Mary Gean Cope (First Clifton) asked for clarification on what item the members were being asked to vote on. Rev. Miller clarified that she moved for the body to vote on the report as printed in the preliminary report. Rev. Carol Grant Gibson (Arlington, St. Andrews) offered a point of correction in response to Rev. Walker's earlier question, noting the proposed position is not a "critical race coordinator", a term that was never stated by the presenters nor in the report. Rev. Robert Warden (Nolanville) asked if the IUT would be open to expanding the resource list to include alternative viewpoints. Rev. Miller responded that the IUT would consider other viewpoints. Matt Price (Cogdell Memorial) asked whether the members would be voting on the funding separately as part of the budget vote. Linda Rains (First Bedford) asked if the cost of equitable salaries would create an additional burden on congregations of color. Rev. Miller responded that the cost would be spread across the conference churches. Rev. Mary Spradlin (Arlington Heights) asked if the conference has a vision for finding a way - perhaps in addition to the IU Team - to meaningfully address all of the other areas that are listed under this umbrella. Rev. Howard responded that the IU team is the way the conference decided to proceed with the work. If the conference feels more coverage is necessary, conference members will need to choose how to do that. Rev. John Han (Ferris Heights) asked how the conference would measure improvements brought by the IUT's programs. Rev. Miller responded that this could be measured through observing salary equity. Individuals could also share stories on the website about how they are engaging in the work. Rev. Mary Gean Cope (First Clifton) asked if the written and verbal reports were different. Rev. Miller responded that they are not intended to be different. Rev. John Nader (Brock) asked what salary equity means. Rev. Miller responded that salaries would not all be the same, but they would be aligned with standards set by the conference regardless of race. Rev. Nader asked whose salary would this be based on, noting that a minimum salary already exists. Rev. Miller responded that this why we need a DEI staff person, so that these questions can be answered more effectively. Bishop Lowry responded that the *Discipline* and conference have established minimum salaries for pastors. Christine Pierce (Arlington Heights) asked if the IUT is working to include more members who are under the age of 25. Rev. Miller responded that a staff director would help do this work. Pastor Ben Huebner (Acton) moved to call the question to vote on all that is before us. Seconded. Motion passed. Bishop Lowry called for a vote on the inclusiveness umbrella team report. Motion passed. Bishop Lowry called for a break.

After the break, Bishop Lowry resumed the session by responding to questions that were posed during the break. He noted that he had misread the vote totals for the vote to call the question, but it did not change the outcome of the vote. He also noted that Rev. Chris Mesa (Arborlawn) had been waiting at a microphone to offer a speech in favor, but he was not given the opportunity.

COUNCIL ON FINANCE AND ADMINISTRATION REPORT AND PROPOSED 2022 BUDGET

Called on by Bishop Lowry, Council of Finance and Administration (CF&A) Chair Gary Sult (Stephenville First) offered the council's report including the proposed **2022 budget**. Mr. Sult noted the \$225,000 addition to the proposed budget necessitated by passing the IUT report. Mr. Sult moved the adoption of the 2022 budget as amended to include this addition. Bishop Lowry called for a vote. Motion passed.

RESOLUTIONS

Bishop Lowry called on Rev. Howard to present resolutions that were not included on the consent agenda. Two resolutions would amend the conference "Guiding Principles and Best Practices" and would, therefore, require a two-thirds majority. Rev. Howard moved the adoption of the **Resolution to Allow Electronic Meetings** on page 113 of the preliminary report. Bishop Lowry called for a vote. Motion passed. Rev. Howard then moved the adoption of the **Resolution to Govern Laying Items on the Table** on page 114. Bishop Lowry called for a vote. Motion passed.

Before ending the session, Bishop Lowry called on Rev. Mike Ramsdell to offer a prayer honoring the work of churches that closed in the last year. Rev. Howard made several announcements. Rev. Barbara Dunlap (First Hurst) led a closing prayer. Bishop Lowry adjourned the business session at 4:53 PM.

COMMISSIONING AND ORDINATION SERVICE

On Monday evening, conference members and guests gathered at First Methodist Waco for the commissioning and ordination service with music provided by the church. Members of the Board of Ordained Ministry contributed to the service. Following readings from Ezekiel and Revelations, Bishop Lowry preached a sermon titled "On a Quest for the Real Thing." Bishop Lowry commissioned Sarah Boyette and Sarah Garza as provisional deacons and Seung Ho Bang, Lauren Christenberry, Kevin Gregory, and Jacob Wade as provisional elders. He then ordained as elders Johnny Brower, Marianne Brown-Trigg, Gene Bryson, Nick Hamilton, Don Moore, Shea Reyenga, Sam Robbins, and Kristin Warthen.

Bishop Lowry called the session to order at 9:06 AM. Paul Trejo (First Waco) led opening music. Bishop Holston followed with a Bible study of Micah 6:6-8 on the theme of "what does God require of me."

AND ARE WE YET ALIVE?

Following a break, Rev. Joy Roberson (White's Chapel) regathered the members with a prayer. Bishop Lowry called on Rev. Chris Mesa (Arborlawn) to lead a series of celebrations centering on the

theme, "And are we yet Alive." The twenty-fifth anniversary of the Order of Deacons was recognized with a video celebrating the call and work of deacons. Next, a series of video testimonies demonstrated ways that people and churches have ministered and flourished despite the pandemic. Rev. Mesa then invited Dr. Socorro De Anda to speak about the work of the Lydia Patterson Institute in El Paso during the pandemic. Rev. Mesa then recognized Erick Hunter (Epworth) as a Global Mission Fellow who will be serving the next two years at Wesley Chapel in London. Next, Rev. Leah Hidde-Gregory thanked Bishop Holston for preaching and teaching at the annual conference. On behalf of the cabinet, Rev. Hidde-Gregory presented Bishop Lowry with a poster signed by all cabinet members who served with him during his time as bishop of the Fort Worth episcopal area. Finally, Bishop Lowry presented his annual preaching award to Rev. Chris Mesa of Arborlawn UMC.

SENDING FORTH AND CONFIRMATION OF APPOINTMENTS

After several announcements were shared, Bishop Lowry led the conference in closing worship. He based his sermon on Philippians 3:7-11. Paul Trejo and Taylor Buntin from First Waco provided music. Bishop Lowry then declared that the appointments had been confirmed as printed and distributed.

PART II PERTAINING TO ORDAINED AND LICENSED CLERGY

(Note: A (v) notation following a question in this section signifies that the action or election requires a majority vote of the clergy session of the annual conference. If an action requires more than a simple majority, the notation (v 2/3) or (v 3/4) signifies that a two-thirds or three-fourths majority vote is required. Indicate credential of persons in Part II: FD, FE, PD, PE, and AM when requested.)

17. Are all the clergy members of the conference blameless in their life and official administration (§§604.4, 605.7)?

Yes, to the best of our knowledge, except for those who are involved in supervisory correction and/or Judicial or Administrative complaint processes. We, the bishop, conference lay leader, and cabinet members, take very seriously the call to moral excellence in the lives of pastors and conference leaders.

We offer our signatures in answer to this question, knowing that only by the grace of God can any of us be blameless in our life and official administration.

CONFERENCE CORE TEAM

BISHOP MIKE LOWRY, CHAIRPERSON

The Conference Core Team is responsible to make sure that the work of the conference aligns with its mission, vision, values, and core strategies. The Core Team determines policy and direction, shapes the outcomes produced by the conference centers, ensures accountability in resource deployment and alignment, and reviews the Conference budget. In addition, the Core Team leads long-range planning and makes every effort to create a culture of accountability. The Core Team ensures that we are faithful to *The Book of Discipline* and the Guiding Principles of the Conference. It reviews and gives feedback to the bishop and executive directors concerning matters to be processed with the team.

The past year presented several challenges: uncertainty about the future of the denomination, the COVID-19 pandemic, and new realities that emerged as a result. All across the connection, many are concerned about what the denomination will be and how it will carry out its mission in light of the desire of some to disaffiliate. What will be the shape of the denomination after the dust settles? It was expected that these concerns would be addressed when General Conference gathered in May 2020.

Enter, COVID-19. What many hoped would be a quick and relatively easy response to the pandemic turned out to be a yearlong battle. Lockdowns. Masks. Social distancing. Zoom. This was unlike anything we ever experienced before. It baffled us and challenged us to learn new ways to live out our witness as disciples of Jesus Christ. What had worked well in the past was suddenly, no longer available to us. If we were going to continue to pursue our mission, we would need to learn how to do virtual evangelism.

And with the pandemic came financial insecurity. Many lost their jobs. More than a few businesses closed their doors—forever. The church was not immune. Like every part of the culture, the church felt the financial impact of the pandemic. We were faced with a choice of trying to do business as usual in the church or look for different strategies to accomplish our mission.

By endorsing the “Forward to a New Spring” strategy, the Core Team signaled to the rest of the conference that even in a time of chaos and trial and change, we must stay focused on and committed to our mission to make disciples of Jesus Christ for the transformation of the world. And while evaluating our effectiveness using the metrics of worship attendance and professions of faith was made more difficult, there are numerous reports of how CTC churches are reaching people they had never reached before because of their digital presence and ministries. In these ways, we experienced the power of God’s presence, for which we say, “Thanks be to God!!”

Other efforts of the Core Team this year:

- Affirmed the 2022 budget recommendation of the Council on Finance Administration.
- Received updates about General Conference 2020.
- Affirmed *Methodist Justice Ministry* and *Justice for Our Neighbors* as recipients of the 2021 Annual Conference Offering.
- Affirmed the Inclusiveness Umbrella Team’s application for the RacialEquity2030 grant.
- Voted concurrence with the Inclusiveness Umbrella Team’s proposed strategic plan to **End Racism in Our Lifetime**.

- Voted concurrence on resolutions recommending changes to CTC Best Practices and Guiding Principles.

In this year of challenge and change as always, the Core Team has made every effort to fulfill its duty to lead the Conference in energizing and equipping local churches to make disciples of Jesus Christ.

WILDLY IMPORTANT GOAL (WIG)

PROGRESS

WIG PROGRESS

Year	Conference Population	% Change	Conference AWA	% Change	Market share	Conference POF
2016	4,029,202	0.8%	42,670	-2.0%	1.06%	1,847
2017	4,115,604	2.1%	42,805	0.3%	1.04%	2,274
2018	4,197,609	2.0%	44,326	3.6%	1.06%	2,145
2019	4,289,587	2.2%	44,496	0.4%	1.04%	1,989
2020	4,309,502	0.5%	Not comparable			

Due to **COVID**, 2020 worship attendance metrics are not reflective of a normal year and, therefore, are not shown in the table above. For 2020, we asked the churches in the conference to report metrics as follows:

- In person worship attendance – report average weekly worship attendance “pre-COVID” or for the weeks up to mid-March 2020.
- Online worship attendance – report using the online worship guidelines posted on the Conference web site.
- Professions of Faith – continue to report as you have in the past.

We have been impressed and humbled by the ways that the churches and pastors in the conference have adapted during COVID. Creative online worship, cleaning protocols for the church, online community-building and more have become a new part of how we are the church in this new day. We are not “going back to normal” but going forward into a new day with Christ at our side.

BACKGROUND

In 2017, the Central Texas Annual Conference recommitted to focus intently on making disciples of Jesus Christ for the transformation of the world. We voted to establish a **ten-year Wildly Important Goal (WIG)** to keep us focused by measuring our progress. As church leaders, we need to bend everything that we and our congregations do toward making disciples. As we focus our efforts toward a common goal, we also build energy and excitement.

Measuring how well we are making disciples is difficult, but it’s important. We decided to focus on two indirect metrics and the narrative. We always look for the **narrative stories of lives transformed** first. We believe the narrative changes before the metrics, so we want to hear the stories of new people reached and lives impacted for Christ. **Then**, we selected **average worship attendance (AWA)** measured in terms of market share—that is, the percentage of people in our geographic region who attend worship services in one of our churches. Average worship attendance (AWA) is a way of tracking disciples’ active engagement with Christian community. Growing as a disciple isn’t a solitary activity. Showing up to worship doesn’t make a person a disciple, but disciples regularly seek to worship God together in community. In short, AWA reflects other good things going on. **Next**, we

chose to track **professions of faith (POF)**. When people profess their faith, they publicly declare their grace-empowered desire to turn away from sin and become disciples of Jesus Christ. If people aren't making professions of faith, then our churches aren't making new disciples.

Specifically, **we set a WIG to increase market share in the CTC from 1.10% in 2016 to 1.25% by 2026 and to increase professions of faith from 1,845 in 2016 to 3,500 by 2026.** For market share, this represents an increase of about 14% over ten years. For professions of faith, the increase would be about 90% from 2016 to 2026.

To find out more about our WIG, visit ctcumc.org/wig .

CONFERENCE NOMINATIONS & LEADERSHIP DEVELOPMENT TEAM

DR. CLIFTON HOWARD, SECRETARY

Preparations for Annual Conference this year has been much like last year. The COVID-19 pandemic has been a unique challenge for us. Because of the pandemic, the Postponed 2020 General Conference was further postponed until August 2022.

The effect of this on the work of the Nominations and Leadership Development Team was the same last year. Questions remain about the nomination and election of persons for certain offices, boards, or committees:

- Board of Ordained Ministry (§635)
- Conference Secretary and Statistician (§603.7)
- The Conference Chancellor (§603.8)
- Conference Committee on Episcopacy (§637)
- Conference Treasurer (§619)

The election of persons for each of these is tied to the meeting of General Conference and the end of the quadrennium, which as we understand it, will not occur until August 2022.

Therefore, based on the advice of our conference chancellor and the counsel for the Council of Bishops, Bishop Lowry has determined that the most prudent course of action once again is to invite those currently serving to continue to serve for one additional year until the close of Annual Conference 2022.

The one exception to this is the Board of Ordained Ministry, where term limits apply. Therefore, the following persons are nominated for the **Interim One Year Class** for the Board of Ordained Ministry (members of the Interim One Year Class may be nominated for the Class of 2024 where eligible):

Ryan Barnett (FE)
Harrell Braddock (FE)
Yvonne Coon (FE)
Tynna Dixon (PL)
Kyland Dobbins (FE)
Greg Feris (Lay)
Lance Marshall (FE)
Boyd McClure (Lay)
Alan McGrath (FE)
Katie Newkirk (FE)

Tom Robbins (FE)
Ramon Smith (FE)
Barbara Sullivan (Lay)
Patricia Warden (FE)
Elizabeth Watson-Martin (FE)
Gary White (FE)
Chair of Fellowship of Local Pastors (TBE)
Chair of Order of Deacons (TBE)
Chair of Order of Elders (TBE)

Since members of the Board of Ordained ministry must be elected “at the first session following the General Conference” (§635.1), this interim class will serve until the conference can elect persons following the meeting of the Postponed General Conference in 2022.

The Nominations and Leadership Development Team recommends the election of the Interim One Year Class for the Board of Ordained Ministry, the continuation of persons serving on all other boards, committees, councils, and teams, and the election of persons to fill vacancies that have occurred since the last annual conference.

Vacancies that occur will be filled by the usual process between sessions of the annual conference.

CONFERENCE LAY LEADER REPORT

DARLENE ALFRED, CONFERENCE LAY LEADER

In June 2020 I was honored to become the Conference Lay Leader for the Central Texas Conference. We were a few months into the pandemic, and I believe like me many hoped we would be coming out the other side by the end of the summer. There were plans and ideas discussed by the Conference Laity Team that we hoped to implement by late September. However, no one really thought that one year later we would still be looking out and not be able to clearly distinguish the light at the end of the tunnel. Words like uncertain, unprecedented and quarantine became common place in our daily conversations. Social distancing, the “new” normal, asymptomatic, PPE and Zoom are words and phrases that we never imagined would be household staples for young and old alike.

Our churches closed their doors along with the many ministries that helped those in need within the community. The hope was that it would be for just a short time and the sprint turned into a marathon. Across the conference and beyond many scrambled to find new ways to worship, to reach those in need and to find innovative ways to focus on the Wildly Important Goal (WIG) of making disciples of Jesus Christ for the transformation of the world. Steps were taken towards the implementation of the newly introduced initiative, “Forward to a New Spring” and we all quickly realized that we would have to do things differently....to go forward.

Earlier in the year I heard a sermon that reminded us that while the doors of the church may not be open, the church was not closed. The Conference Laity Team identified the importance of partnering with clergy now more than ever to “do church” differently. We put the wheels in motion to better share information between districts, to expand our communication vehicles and to enhance the use of our resources for fruitful ministry. As laity, especially those in lay leadership, it became imperative that we face the challenges ahead which will require us to Step Up, Step Out and Stand Firm. The first challenge made is to Step Up (James 1:22) and get out of our comfort zones. Which means getting more versed in online worship, active in social media and things that were once thought as being “only for the big church”. To expand our horizons beyond what church “should look like” and what church “can look like”. To get the doors of the church back open...safely and securely will require us to Step Out (Matthew 6:33) on the faith that has been overshadowed by the pandemic and all its sadness. Our faith is basically engrained in us and our expectation of good things ahead, however, we must remember that faith is an action word. The third and final challenge made is for us to Stand Firm (I Corinthians 15:58). This reminds us to stay in the Word, to stay in His presence and to remain ever vigilant as our work is not in vain.

Our Conference Laity Team strives to be a resource for all laity and together we hope our faith and imagination can help us to be the church, pre and post pandemic, that God would have it to be. Our team members bring multiple gifts and talents to the table, and they freely give of themselves to support the church and all those within.

Our goal is to provide the tools and resources to laity around the conference to help build the kingdom, to be the church our community needs and the shining light to help guide us Forward....to a new

spring! I am both proud and humbled to work alongside my brothers and sisters in Christ on this journey. The Conference Laity Team members include:

District Lay Leaders:

Jacqueline Carter – East District
Barbara Hunsberger – South District
Philip Kite – North District
Holly Koch – West District
Michael Miller – Central District
Rylee White – New Church Start

Chris Buse – Conference Director of Lay Servant Ministries

District Directors of Lay Servant Ministries:

Pat Broadstreet – South District
Karen Goodwin - East District
Bonita Horton – West District
Larry Ketcham – Central District
Mariney Shackelford – North District

Kevin Walters – CTC Director for Operations and Project Management

In the words of John Quincy Adams, “If your actions inspire people to dream more, learn more, do more, and become more, you are a leader.”

CABINET REPORT

DR. LEAH HIDDE-GREGORY, DEAN OF CTC CABINET

*Look at the nations, and see!
Be astonished! Be astounded!
For a work is being done in your days
that you would not believe if you were told. – Habakkuk 1:5*

Greetings in the name of Jesus Christ:

With churches starting to slowly return to in-person worship, the Central Texas Conference cabinet has sought to resource congregations living in the reality of the COVID-19 pandemic. Vaccinations are increasing across the conference. More and more people are returning to church buildings, longing for deep community and Christian fellowship. Hoping to address the ministry needs of the local church, the cabinet has provided grants, coaching, training, and support to help congregations regroup coming out of the pandemic.

COVID-19 has affected every aspect of life around the globe, from individual and community relationships to institutional realities. “Look at the nations, and see!” This past year has given us plenty of time to look and to see our realities. Some of our realities were good, but some were convicting. As we have done our appointive and missional strategy work, we have looked deep at our roles, our complicity, our actions, and our deep desires to do better in the future. For almost a year, the cabinet has been researching the needs of the African American Church and seeking ways to equip and empower ministry. We are actively committed to partnering with the inclusiveness umbrella team to “End Racism in our Lifetime.” We have invested in Hispanic ministry, with the start of the Alpha Community out of FUMC Waxahachie. We are committed to strengthening our outreach and ministries to all the people in our mission field.

Amid major societal change and the realities of the pandemic, our Wildly Important Goal to make disciples of Jesus Christ for the transformation of the world, has helped us focus on keeping the main thing the main thing. Creating opportunities to experience the life transforming power of Christ and introducing people to the means of grace as a way of deepening their discipleship journey. "Forward to the New Spring," brought about a new operating plan for the conference. This plan has pushed resources toward the local church where ministry occurs.

The Central Texas Cabinet is seeking to live in response to God's goodness in all situation and God's grace to make all things new. We know that God is at work in these days and someday we will look back, and as Habakkuk 1:5 states, we will be absolutely astonished at God's movement during this time.

INCLUSIVENESS UMBRELLA TEAM

JANNETTE MILLER, CHAIR

Moving from Awareness to Action

On behalf of the Central Texas Conference (CTC), the Inclusiveness Umbrella Team (IUT) seeks the full inclusion of all persons in the effort to energize and equip local churches to make disciples of Jesus Christ for the transformation of the world. Its purpose is to help the Annual Conference, in pursuit of its mission, give attention to the diversity, equity, and inclusion to which the church is called. While part of our work is to monitor the Annual Conference to determine how well it's doing so, the IUT works to help the Conference **move from awareness** (monitoring) **to action** (discipleship!).

The following areas are covered under the IUT's umbrella:

- **Commission on Religion & Race**
- **Ethnic Local Church Concerns**
- **Native American Concerns**
- **Commission on Status & Role of Women**
- **Church & Society**
- **Disability Concerns**
- **Criminal Justice**
- **Christian Unity & Interreligious Concerns**
- **Health & Welfare**

All of these areas of concern are important and will be addressed on a rotating basis.

The IUT's current top priority is the CTC's renewed focus to **END RACISM IN OUR LIFETIME**. We acknowledge that racism permeates not only the culture around us but the culture of the Church as well. Racism is part of our past, and it is part of our present. Our goal is to ensure that racism is not a permanent part of our future!

We have grown in awareness through Bishop Lowry's blogs, the bishop's online Bible study, the Be the Bridge event, and many local church studies that have been ongoing. We have implemented a webpage on the conference website, which provides resources and guidance for working to END RACISM. (<https://www.ctcumc.org/end-racism-in-our-lifetime>) **We must continue building awareness. But, we also must move beyond awareness by actively working to END RACISM.**

As part of its work, the IUT is developing a strategic plan to combat racism for and within the conference. While this plan the IUT offers is a work in progress, we expect it will equip and energize the conference to grow in awareness and action as we work together to END RACISM IN OUR LIFETIME. We urge the conference to adopt and implement this plan.

Strategic Plan
Ending Racism in our Lifetime: Moving from Awareness to Action

The plan includes specific action steps for **Learning** about racism, **Acknowledgement** of the reality of racism and its harmful impacts, **Repentance** for our complicity, intentional and unintentional, in the sin of racism, and engaging in the work of **Reconciliation** to be agents of healing, unity and love as Jesus calls us to do. The plan calls for steps to be taken as follows by

- Individual disciples,
- Local churches, and
- The conference.

INDIVIDUAL DISCIPLE:

Learning	Acknowledgement	Repentance	Reconciliation
<ul style="list-style-type: none"> • Individual Study 	<ul style="list-style-type: none"> • Racial Healing Handbook (My Racial History) 	<ul style="list-style-type: none"> • Create a personal anti-racism plan 	<ul style="list-style-type: none"> • Implement anti-racism plan

You can access the plan, including all links and resources at <https://www.ctcumc.org/end-racism-in-our-lifetime> . Individuals and local churches who need support in their work to END Racism in Our Lifetime, should contact the IUT at IUT@ctcumc.org.

We have applied for the RacialEquity2030 grant offered by the W.K. Kellogg Foundation (<https://www.racialequity2030.org>), which, if awarded, will provide significant funding to engage in the activities outlined in the strategic plan. This includes the creation of a conference staff position(s) to lead the work of Diversity, Equity, and Inclusion (DEI), which will enable the conference to effectively carry out this critical aspect of our discipleship. The IUT will actively and continually pursue other funding opportunities as well.

Some ways you can join the work to **END RACISM IN OUR LIFETIME:**

- Buy a t-shirt - and wear it! <https://www.simonsaysproplus.com/si/774327715/101284/end-racism-t-shirt>
- Invite a member of the IUT to speak to your church or small group; contact IUT@ctcumc.org.
- Complete the Intercultural Development Inventory (IDI) assessment. This inventory assesses intercultural competence, or how one experiences and relates to cultural difference. IDI facilitators will be trained to work within our conference. We'll keep you informed as we progress. In the meantime, you can find general information about the IDI here: <https://idiinventory.com/>

CONFERENCE CONNECTIONAL TABLE

DR. CLIFTON HOWARD, ASSISTANT TO THE BISHOP

The purpose of the Connectional Table (CT) is to provide a place for all voices around the table to engage in conversation about the mission, vision, and ministry of the conference. It is a place for listening, learning, and coordination of Central Texas Conference ministries in pursuit of our mission to make disciples of Jesus Christ for the transformation of the world. It is organized as a forum for understanding and communication between and among the general conference representatives, task forces, centers, annual conference, agencies, and other representational ministries. The CT is inclusive in nature, collaborative in style, and transparent, accessible, and accountable in all relationships.

G

Reports – Conference

A critical aspect of the work of the CT is to engage the various representatives in conversation around the conference mission to “energize and equip” Central Texas Conference local churches for the work of making disciples of Jesus Christ.

The Connectional Table continues to:

- Support the focus and emphasis on making disciples of Jesus Christ as our conference **W**ildly **I**mportant **G**oal,
- Celebrate the ways CTC congregations have responded with creativity and boldness in the face of the COVID-19 pandemic,
- Encourage our working for strong and vital congregations throughout the entire annual conference.

Connectional Table members are honored to serve and, through their participation, join in the work of making disciples of Jesus Christ.

COMMUNICATIONS & INFORMATION TECHNOLOGY

J. VANCE MORTON, DIRECTOR

Moving forward has been the name of the game for the Central Texas Conference Communications and Information Technology (IT) teams for a decade. The team, since reorganizing under the Exodus Project in 2011, has constantly undertaken its directive to energize and equip local churches by providing communications and technical support with an eye on incorporating the trends, tactics, and technology that we believe will be mainstream next year or even longer. While we had some success in the last decade in getting the local churches and district/conference offices to embrace the need to at least dip their toes in the digital waters of video and social media, the total disruption to existing paradigms brought on by a global pandemic exponentially accelerated the need for vital and vibrant online ministries. No longer could a local church who wanted to stay relevant and vital for its community and congregation consider online and other digital forms of communications something to consider for the future.

Of course, after the shock of the initial shutdown in early 2020 began to subside, it became clear that the only safe and responsible way to continue to offer Christ to our communities and world was through online worship services and other ministries. The Central Texas communications team provided pages of online resources, tips, and information on doing online worship – mostly aimed at small- to medium-sized churches that didn’t already have some sort of online presence. The team also engaged in several dozen meetings – mostly via Zoom – with local churches across the conference to help evaluate their existing IT and audio/visual (A/V) infrastructure and consult on what other equipment was needed (including a good, better, best list to best address as many budget variables as we could) and best practices for getting online and engaging with online audiences.

These evaluations and consultations have not abated in the first few months after the COVID vaccines were released and immunity began to rise. In fact, they have even increased a little as churches are beginning to open up to in-person worship but also realized that they cannot stop doing their online offerings if they wish to keep reaching new people – many of who they never would have had the opportunity to reach prior to “going digital.”

Beyond providing resources and sharing narratives of how some of our local churches have used technology in their efforts to make disciples of Jesus Christ for the transformation of the world, the Communications and IT teams also shared/produced a seven-part New Church for a New World webinar series focusing on myriad ideas and methods that local churches and local church leaders could employ as they “restarted” their services and ministries following the COVID-19 shutdowns. The webinars were accentuated by several webpages full of information on this topic. While the reason for Communications and IT is taking such a wide swath of the spotlight the last year is nothing for

which anyone on the teams would have ever wished, both the Communications and IT teams have embraced the challenges and have relished the opportunity to actively serve the Central Texas Conference local churches and district/conference leadership in new, innovative, and exciting ways.

Of course, COVID-19 was not the only plague on humanity that reared its ugly head in the last year. The sin of racism and racial injustice was thrust upon the consciousness of America in 2020-21. Amid heightened racial tensions, the Central Texas Conference took on the mantle of Ending Racism in Our Lifetime as a critical and inseparable part of our mission and Wildly Important Goal of making disciples of Jesus Christ for the transformation of the world. The Communications and IT teams supported and led these efforts by creating the End Racism in Our Lifetime webpage, launching the My Story site where members of the conference share their direct encounters with racism in their lives, designing t-shirts, producing a five-part webinar series with Bishop Lowry and Dr. Clifton Howard around Latasha Morrison's Be the Bridge book and ministry, and producing a conference-wide hybrid* event featuring Latasha Morrison and the Be the Bridge team. (*in-person and online) The goal of ending racism in our lifetime is lofty and the Communications and IT teams look forward to supporting these efforts in the short- and long-term.

Some of the other highlights of the past year for the Communications & IT team include...

- Moving all district web sites into the conference website and updating/standardizing the look and feel of the district pages;
- Increasing our social media posts by 300 percent and growing our average page views, shares and reach by an average of 85 percent;
- Producing more than 80 videos ranging from WIG and Forward to a New Spring narratives (including the introduction of the District Discipleship Team series) to replays of webinars and teaching series with Bishop Lowry;
- Providing the CTC and District teams with up-to-date and well-functioning technology and services – computers, software, web conferencing tools, Office 365, etc. – even under severe budget concerns;
- And, of course, producing the conference's first, all-online Annual Conference.

The Central Texas Communications team is made up of J. Vance Morton, director of Communications & IT (vancemorton@ctcumc.org); Bradley Alexander (bradleyalexander@ctcumc.org) Web Engagement and Social Media Strategist; and Dustin Kaps (dustinkaps@ctcumc.org) Videographer and Digital Media Specialist. The conference's IT team is comprised of J. Vance Morton, director of Communications & IT, and Calvin Scott, IT Coordinator (calvinscott@ctcumc.org); Please reach out to any or all of us at any time. We relish your suggestions, questions, comments, concerns and most importantly, prayers.

ARCHIVIST REPORT

CALVIN SCOTT

This year has been a year of tumult for many, and the archives is no exception. We had to close in-person requests for most of 2020. Another change was to bring materials to my home to work on during the beginning of the pandemic. The archives work and issues have thankfully stabilized through the early part of 2021. Even with the problems in 2020 we were able to complete over 40 archival requests. This next year I hope to focus on accessioning our closed church files. My goal is to shrink the closed churches backlog we currently have in the archives, as these and district charge conference files are some of our most requested items.

UNITED METHODIST WOMEN (UMW)

PAMELA PINKERTON-WHITLEY, CTC UMW PRESIDENT

“What does the Lord require of you but to do justice, and to love kindness and to walk wisely with your God?” Micah 6:8 NRSV

Greetings! This is my first year as CTCUMW President. As I transitioned into this new role, I was reminded that with all the challenges God has an opening which promises us new things. I look forward to new possibilities and hope for United Methodist Women. As we continue to work through major changes, emotionally, physically, and spiritually, God calls us to take on the tasks of growing, building, and sharing our legacy. United Methodist Women empower women to make a difference. Below are ways that we have put our faith, hope, and love into action.

Our Social Action Priorities for 2021-2024

- Criminalization of Communities of Color and Mass Incarceration campaign “Interrupt the School-to-Prison Pipeline”
- Climate Justice campaign “Just Energy for All”

United Methodist Women are resilient women. Since Annual Conference 2020, we’ve held the following events:

- 48th Annual Autumn Gathering and Leadership Development Day October 2020 (virtual event). Our UMW General Secretary, Harriet Jane Olson challenged us to remember, “We get to do this”. She encouraged us to do justice work by responding, showing up and speaking up. We conducted our annual business meeting, approved the budget for 2021, recognized the outgoing officers, elected, and installed officers and trained district and local unit officers.
- While we were unable to spend an evening with the teens in the Act III Program at UCC, we were able to celebrate the staff and teachers at Bethlehem UCC, Wesley UCC, Polytechnic, and Meadowbrook. December 2020, lunch was provided along with a gift card to each center to help with school supplies.
- January 2021 Texas United Methodist Women Legislative Event. Our 34th Annual event, “Breathe – a UMW virtual event”. This virtual event made it possible to include and engage over 500 participants. Virtual legislative events and a variety of speakers called UMW to Action on topics such as Economic Justice, Climate Justice, Anti-Discrimination and Systemic Racism, Voting and Human Rights.
- UMW Leadership Development Days, “Anchored, Adrift, Ashore”, Acts 27 - also a virtual event held in January 2021 was attended by Conference and District Leadership team members. Spiritual disciplines, social action engagement and ways to engage and enhance relationships with our District and Conference counterparts were among the topics discussed.
- Our Annual Sing A Rainbow – Charter for Racial Justice Event was held February 2021. This was also a virtual event. Information on the Charter and how to become members was the focus of this event. Next steps challenge us to engage in making change together for social justice.
- CTC UMW Spiritual Growth Retreat was held March 2021. The theme for this virtual event, “Seeing Christ Everywhere”, was based on the book *The Universal Christ - How a Forgotten Reality Can Change Everything We See, Hope For, and Believe* by Richard Rohr. Demi Prentiss led us through Seeing Christ in the World, Seeing Christ in Other People, Seeing Christ in Ourselves, and a Call to Action: Where do you see God showing up and how will we be the gift?

What’s next for the CTCUMW? Mission u, “There’s Far More Than Meets the Eye”. Plans are underway for this event, to be held July 30 – August 1, 2021 at Glen Lake Camp. This event is SPONSORED by UMW but open to all men, women, children, youth. Mission u is a great way to meet

new people, study important topics and renew old friendships in a beautiful camp setting, the comfort of your home or in a church.

2021 Mission u Study Themes:

- Finding Peace in an Anxious World
- Pushout: The Criminalization of Black Girls in Schools
- Bearing Witness in the Kin-dom: Living into the Church's Moral Witness through Radical Discipleship
- A Youth Study: Becoming Peacemakers in a Culture of Violence
- A Children's Study: Responding to Violence

We look forward to working, praying and being in service with you. Thank you for your continued support of United Methodist Women.

United Methodist Women shall be a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

Dr. Lamar Smith Center for Evangelism, Mission & Church Growth

EXECUTIVE DIRECTOR, REV. MIKE RAMSDALL
ASSOCIATE DIRECTOR, REV. MEG WITMER-FAILE

OUR PURPOSE

Our purpose is to assist, equip, resource, and encourage pastors and local congregations in “*making disciples of Jesus Christ for the transformation of the world.*” Our purpose is accomplished through a collaborative approach to providing tools that help churches grow, creating a culture of evangelism, hospitality, and growth, and by providing a strong platform for missions and discipleship in the Central Texas Conference.

For this year’s annual conference report, we emphasize the future rather than focus on the past COVID-19 season. We began communicating more than a year ago that most local churches would need to reimagine the church for a new season, many even finding it necessary to not only reimagine but relaunch their church. The Central Texas Annual Conference followed this model with “Forward to a New Spring”, a reimagining of the CTC. The Center for Evangelism, Mission, and Church Growth followed suit by reimagining our center with a refocused purpose, new grants, a revised GROW, and restructuring of our role in partnership with CTC churches. Our 2021 report speaks to this.

EVANGELISM & CHURCH GROWTH

2020-2023 RELAUNCH OF THE CENTER FOR EVANGELISM, MISSION AND CHURCH GROWTH

Centered in our mission of making disciples of Jesus Christ for the transformation of the world (Matt. 28:18-20), we equip, resource, and support the vibrant, vital, faithful, and fruitful congregations of the Central Texas Conference of the UMC. We are focused on our driving values of Christ at the Center, A Focus on the Local Church, and Lay and Clergy Leadership and Development. May our efforts be guided by the Holy Spirit.

In consideration of the proposed conference restructuring, A New Spring, the Center for Evangelism, Mission and Church Growth proposes the following areas of focus for September 2020-2023. These relaunch areas support our mission, the WIG, and are intentionally focused on church growth, coaching, discipleship, and mission.

- 1) New Faith Community Grant Initiative Relaunch
- 2) Coaching: Development & Leadership
- 3) GROW: Nurturing a Culture of Growth Relaunch
- 4) Resources: Discipleship, Mission/Disaster Response, Student Ministries, Property

1) NEW FAITH COMMUNITY GRANT INITIATIVE RELAUNCH

In 2018, the Center for Evangelism, Mission, and Church Growth launched a conference-wide three-year initiative providing grants and resources for the beginning of new faith communities throughout the CTC. Since the launch of the NFC Initiative, churches in our conference have enthusiastically and creatively promoted church growth through diverse New Faith Communities. The results of this initiative have yielded church growth by reaching people not previously connected with church, engaged fresh expressions of church, have been guided by the Holy Spirit, and led by pastors and congregations willing to try new things and take risks in the name of Jesus Christ.

As the first NFC grant initiative ends in December 2020, we have assessed and restructured the NFC process for 2021-2023, offering more grant options that will allow us to continue to fulfill our mission and reflect the CTC's Wildly Important Goal (the WIG) of making disciples of Jesus Christ. These new NFC grant options include:

\$1,000 MicroGrant

This grant is offered to assist churches improve the effectiveness of digital worship and small group discipleship building. Designed to assist with the costs of equipment to provide online worship, small group studies, and other outreach digitally through the internet. This is intended to help churches grow their online presence, reach new people, expand their ministry reach, and more effectively make disciples. This grant has been instrumental to remaining connected to existing church attendees and reaching new people who would not or could not worship in person. COVID-19 has brought to the forefront our need for digital worship and discipleship opportunities.

\$5,000 Relaunch Grant

The past three years have produced a variety of new faith communities. Many have succeeded, some have had marginal success, and others have failed. We also realize that many had to go on hiatus during the COVID-19 journey. Viewing this COVID-19 pause as an opportunity, churches that have an existing New Faith Community begun in the 2018-2020 initiative, may seek to relaunch, revitalize, or restart their NFC. After assessing their NFC initiative, churches are encouraged to apply for this relaunch grant with the goal of intentional growth, discipleship, and expanding their community reach.

\$10,000 New Faith Community Grant

This is for the first-time New Faith Community as launched by the CTC in the 2018-2020 3-year initiative. This grant supports a community that is designed to reach people we are not already reaching. It is launched on the church campus, another location, or online. This is designed to reach a larger number of people. The initial benchmark for this NFC attendance is 100. The proposal must include a pathway to this outcome and quarterly reports to the DS and CEMCG are required.

\$25,000-\$50,000 New Faith Community Grant

This grant has a unique purpose and is designed to help a church begin a significant, New Faith Community at a much higher level. The minimum goal is for a proposal to reach 200 or more new people, (people the church is not already reaching) in a distinct and new church style. This might be a new faith community meeting on the existing campus, another location that could be considered a second campus, or a new entity that is in relationship with the existing and parent church.

New Faith Community Cohorts

During the past three years the NFC grant initiative, and most recently the \$1000 MicroGrant for Online Worship, have sparked creativity, and infused energy and new life into our churches. Taking advantage of the individual and collective wisdom and experience, we invite our NFC pastors to participate in cohorts of NFC churches for the purpose of colleague support, relationship building, and collaborative idea sharing. These cohorts may be organized geographically, by congregational size, or in any way that supports the cohort purpose.

2) COACHING: DEVELOPMENT AND LEADERSHIP OVERVIEW

For the past several years, we have worked with Holmes Coaching Group to train and develop clergy coaches and to nurture a culture of coaching in our conference. This collaborative effort is designed to build relationships, support our mission, add biblical and theological depth to the underpinnings of coaching, and strengthen pastoral leadership that

- is less top-down and more come alongside
- listens more than instructs and recognizes church leaders as experts in their settings
- asks powerful, reflective questions, rather than giving okay answers
- honors individual creativity, wholeness, and resourcefulness, while expecting accountability

- co-creates a vision for the future
- mines a leader's experience, knowledge, and context in creating action plans

The answers to the way forward in ministry lie within each clergy leader working closely with lay leadership, in prayerful collaboration with God and the ever-present transformative work of the Holy Spirit in our lives. The focus of this coaching is not simply the person's doing, but the person's being—this is Holy Spirit work.

Directive Clergy Coaching: This model of coaching relies on the coach providing advice, wisdom, and direction to the clergy person based on personal experience or proficiency. This coaching skill is used in mentoring and is beneficial when the pastor is inexperienced, cannot find a solution, or needs corrective direction. The CEMCG is available to provide coach recommendations to the district superintendents, however the need for this type of coaching for clergy will be determined, directed, and funded by the district superintendents.

Coaching-Teaching Church Partnerships (CTCP): This coaching-teaching church model is a new offering of the Center for Evangelism, Mission and Church Growth. We have targeted a handful of churches of various sizes and contexts who have a positive track record of growth, effectiveness, intentional discipleship, and expanding the life and mission of the Church. The pastor/pastors, staff, and leadership will have consented to serve in a Coaching-Teaching Church Partnership and serve as a coaching-teaching church for other pastors and congregations looking to learn how to step up to the next level of life and mission. The intentional foci are in the areas of evangelism, mission, and church growth. These partnerships may develop out of the GROW process, successful new church starts, long-term sustained church health and growth, or new faith community development. The CEMCG will help connect and navigate the CTCP relationships between these churches to help strengthen the mission, presence, discipleship, community connection, and effectiveness of the church.

Coach Training (ICF): For the past two years we have offered Coach Approach Skill Training (CAST Fast Track) through Holmes Coaching Group. Providing 62 hours of International Coach Federation (ICF) training. These training hours may be applied toward individual ICF certification.

Community of Practice for Trained Coaches: The Coaching Community of Practice is designed to continue skill development for our clergy coaches working through an internal network of clergy and laity to provide on-going support through refresher teaching, problem solving, study and skill practice. These CoP sessions are available to our trained coaches by invitation of the CEMCG as ongoing investment in our clergy coach cohorts.

ICF Coaching: Over the past several years we have invested in our clergy by offering ICF coach training to two cohorts of CTC clergy (2019 and 2020). These ICF trained coaches are available to provide coach-approach coaching to our clergy and laity. A list of trained coaches will be available on our CTC website so that people desiring to work with a coach may establish coaching arrangements at their discretion.

Academy of Artful Leadership (AAL): Vitaly important in this season of the church, the AAL brings together gifted leaders who are steering congregational change. In cohorts of 10-12 participants, the AAL provides a series of facilitated peer conversations around major themes in ministry, followed by individual coaching. The outcome is greater clarity and intentional movement toward congregational transformation. The AAL uses a 'coach approach' process in which the coach helps to mine the collective expertise and internal wisdom of the participants, rather than relying on instruction or recommendations from a consultant. This approach helps gifted leaders discern the God-sized things that need to happen, develop a plan of action, and celebrate accomplishments. The Academy of Artful Leadership is offered in collaboration with Holmes Coaching Group and is facilitated by our CTC trained faculty coaches. Topics covered include:

- Developing Spiritual & Adaptive Leadership

- Disruption as Holy Opportunity
- Visioning & Development of Smart Goals
- Enhancing Small Group Ministry
- Empowering Lay Leadership
- Fresh Expressions of Worship and Church
- The Coach Approach to Ministry

3) GROW: NURTURING A CULTURE OF GROWTH RELAUNCH

Considering the learnings from the COVID-19 season of the church, the learnings from our early weekend experiences, and input from the churches who have processed through the GROW experience, we have adapted the GROW process to be more effective in our continuing effort of church growth, visioning, leadership, worship, hospitality, discipleship, and mission. We will work with and train the new district discipleship coaches as GROW facilitators, expanding our ability to equip our clergy and lay leaders.

The GROW coaching/consulting/teaching weekend and process will include a church-wide Saturday workshop, a Sunday worship for staff and leadership, the lead coach preaching all Sunday services, and three follow-up workshops. It also includes a personal envisioning process for the Lead or Senior Pastor and coaching for the pastor during the process. The workshop will be offered in a hybrid format, both in-person facilitation and virtual.

Coaching-Teaching Church Partnership (CTCP) Cohorts: In addition to training our district superintendents in the GROW process, we propose enlisting the pastors and churches that have successfully implemented GROW to participate in the (CTCP) cohorts to explore additional collaborative opportunities for church growth, mission, and discipleship.

4) RESOURCES: DISCIPLESHIP, DISASTER RESPONSE/MISSION, STUDENT MINISTRIES, PROPERTY

The CEMCG will continue to resource clergy, congregations, and communities in partnership with the district superintendents. This includes onsite visits, mentoring, workshops and updated ministry and church growth resources on the CTC website. We will continue to use valuable tools such as MissionInsite, Fresh Expressions, VitalSigns, Church Growth Shares and UMC discipleship and church growth resources.

With the restructuring of the CTC, mission, disaster response, discipleship and student ministry resources will be directed through proper channels and using denominational resources. Discipleship resources for student ministries will continue to be developed as resources available to the districts.

Property Management and Sales: We will continue to work with our partnership churches, new church starts and continue to manage existing properties. Proceeds from any property sales will support NFC's and existing new church starts, as well as other projects that advance our conference's ability to reach people we are not already reaching.

For more information, contact Rev. Meg Witmer-Faile, Associate Director, CEMCG.

PARTNERS IN GROWTH SHARES

For more than 38 years laity, clergy, Sunday school classes, youth groups and congregations across the Central Texas Conference have given "Shares" to partner with planting new churches and also supporting New Faith Communities, Anchor Churches and Mission Churches. The generosity shown through the SHAREHOLDER Program has helped the Central Texas Conference launch new churches, New Faith Communities, and sustain existing churches. While many have purchased one or more shares (one share = \$60), others have given a portion of a share. We want to thank everyone, every class, every group, every church that has and will so generously support our 38-year-old SHAREHOLDER program. If you have questions about the share program, would like to sign up to give, purchase a share directly, or just check up on your current share contribution, please contact Cindi Blackburn at the Conference Service Center.

MISSIONS & DISCIPLESHIP

CENTRAL TEXAS CONFERENCE YOUTH MINISTRY (CTCYM & CCYM)

2020-2021 has been an unprecedented year for our conference youth ministry. It has been a year in which we have had to cancel so many of our plans due to the COVID-19 pandemic, both in our personal lives, and our CTCYM and CCYM activities. In the face of these challenges, loss, and adversity, our youth and adult leaders have leaned into their faith and each other, using their creativity, brilliance, resilience, and an overall 'can-do' attitude to continue to serve their communities, build relationships, and deepen their faith.

In 2020, there were two CTCYM mission trips planned; to Arkansas (June) and to East Texas (July). The theme for this year was "Blueprint: Answering Christ's Call to Become His Hands and Feet to a World in Need". We also planned the annual Youth Worker Sabbath, as well as other opportunities for youth to gather across the conference to build relationships and grow as disciples of Jesus Christ. Following the guidance of health and local government officials and adhering to our mandate to "Do No Harm, Do Good, and Love God," the decision was made to cancel all our conference led CTCYM and CCYM summer activities. Although we were unable to meet in large groups, many of our church youth and adult leaders found creative ways to serve in mission and build relationships in their local communities. Our church youth groups used the developed Blueprint curriculum, t-shirts, and supplies.

2020 also marked the implementation of 'Forward to a New Spring', in the Central Texas Conference. Approved by the Annual Conference in September, this restructuring included an organizational shift from conference-led youth ministry to a district-led structure. The CTCYM Advisory Task Force Team, as well as clergy, laity, youth leaders and conference staff met several times prior to Annual Conference to offer recommendations on the youth ministry restructuring, mission opportunities, and continued youth leadership development. With the launch of the 'Forward to a New Spring' in January 2021, we look forward to how our district leadership teams will guide the organization of district councils on youth ministry, as well as myriad youth mission and youth leadership development opportunities.

Our conference youth ministry leadership teams had a very different experience in 2020, in large part due to the pandemic. They met adversity with creativity and resilience, leaning into their trust in God and the strong relationships and community they have developed. Below you will see the report from our Conference Council on Youth Ministry, Vice-President, Ethan Worsham. Ethan is a senior in high school and attends Couets United Methodist Church in Weatherford.

CONFERENCE COUNCIL ON YOUTH MINISTRIES

ETHAN WORSHAM, VICE PRESIDENT

The Conference Council on Youth Ministries (CCYM) is a group of youth from across the conference with a shared passion for sharing God's love and making new disciples within the Central Texas Conference. This group, consisting of 8-12th graders, is joined, and supported by our dedicated group of adult leaders.

Our 2020-2021 group this year had a total of 63 members, 50 youth and 13 adults, which is a new all-time high for CCYM. This group meets about once every three months to work on improving leadership skills, grow in our faith, connect with one another, and prepare and learn to lead and encourage others to do the same. We are all very focused on doing this and fulfilling the United Methodist Church's mission to make disciples of Jesus Christ for the transformation of the world, and one of the biggest ways we accomplish this is through the planning and execution of an annual weekend-long youth retreat called Mid-Winter. Usually, this retreat is held at the beautiful Glen Lake camp in Glen Rose, and while we were all hoping to return for the 2021 Mid-Winter when we started the planning for it back in March of 2020, but unfortunately this did not happen. So this year CCYM hosted the first ever virtual Mid-winter on February 19-21st, with 76 participants from 21 different churches.

The theme CCYM chose for Mid-Winter this year is called "Side by Side". When choosing this theme, we thought about all the ways that God works to be right by our side, even when we do not feel him moving in us, in ways that we may often overlook or brush off. So, we decided our curriculum should focus on all the different ways that God is with us, whether it be through friends, family, or the members of our local church. During each of the five sessions that our CCYMers help develop alongside our curriculum writer Rev. Marianne Brown-Trigg, small groups would look at a parable and discuss what it is teaching us about God's nature and where God may be working in each of our lives. Our guest speaker, Nucleus "Nuke" Johnson, Youth and Children's Director from St. Luke Community UMC, used his humor, wit, and energetic personality to connect with the participants, even through a computer screen, and convey how God is always present in your life. Our returning band, Evermore, did an amazing job of leading worship each night and getting everyone in the mood to worship and focus on fellowship after a long day of small group discussions.

In a year no one could have anticipated, our CCYM group did an outstanding job of adapting to many changes presented to them. Because the year was unlike any other, we were forced to do things we had never done before, like creating a different way to do Mid-Winter completely from scratch. Even though CCYM was presented with these daunting tasks, they never wavered or believed they couldn't

get the job done, they just got to work. CCYM thrives on pushing members to leave their comfort zones, whether it be encouraging them to talk and welcome people they don't know or help do things they have never done before. The youth in this group did not hesitate to put themselves outside of their comfort zone this year, and as a result we put together a Mid-Winter program that would have been impossible without such willingness. The dedication and passion for Christ that each person in CCYM has was on full display this year. This group has already changed lives across the conference, and they are all ready and excited to lead the church and spread the love of Christ.

Finally, CCYM would like to thank the Central Texas Conference. We thank you for your continued support throughout the years, blessing us with your time, prayers, and support. Thank you for the opportunities to develop leaders with a passion for Christ and a desire to serve, as well as a space to put those desires to work. Thank you.

UNITED METHODIST VOLUNTEERS IN MISSION (UMVIM)

While our 2020 local and global connectional mission involvement was curtailed by the pandemic, the Central Texas Conference looks forward to continuing our efforts in working with United Methodist Committee on Relief (UMCOR) and United Methodist Volunteers in Mission (UMVIM) in 2021.

We will continue to encourage UMVIM Leadership Team training, as this important training equips our trip leaders and prepares their teams to have the best experience possible. These trainings help our teams have greater cultural sensitivity, a heightened understanding of poverty and practical knowledge, including the importance and availability of trip insurance.

DISASTER RESPONSE

The world was not without many natural disasters in 2020, not to mention a pandemic. Fortunately for those of us in the Central Texas Conference and our surrounding conferences, there were not a lot of weather-related disasters. We did however respond to some disasters. A few local Early Response Teams (ERT's) responded to neighbors that had minor flooding and downed trees, but our largest response came in the fall with the devastating flooding in southeast Louisiana. We had twenty-seven ERT's from all over our conference travel to Louisiana to assist in volunteer management and disaster response. While we were forced to cancel all our training classes for 2020, we are beginning to gear back up for new classes and will continue to prepare to be a caring Christian presence during a time of need. We remain extremely grateful for those who serve as ERT's and for our Disaster Response Task Force.

For more information, contact Susan Luttrell, CTC Coordinator of Disaster Response.

MENTAL HEALTH FIRST AID

The Central Texas Conference is thankful to continue the partnership with Texas Health Resources and the Texas Health Foundation grant. In our shared mission of service, we are addressing brokenness in mind, body, and spirit so that God's healing and grace is undeniable. We are providing people with resources to better manage the mental health challenges our communities face daily.

CTC Adult Mental Health First Aid certified trainers have taught over 137 people in becoming certified in the 8-hour training. Prior to the Covid-19 pandemic the National Council for Behavior Health began implementing virtual online training for instructors to learn a new virtual teaching format. This new format is now available to help teach our churches and congregations MHFA in a safe and distant environment.

We look forward to establishing an on-going collaboration including grant-funded initiatives in sustaining MHFA implementation across the Central Texas area.

PROJECT TRANSFORMATION 2019-2020

LYNNE RHODES, EXECUTIVE DIRECTOR

The board and staff of Project Transformation Central Texas are grateful for the many churches and individuals in the Central Texas Conference that worked along-side us to create a safe space to share love, support, and resources with both the children we serve in our summer program, and the young adults interns we hire and train to implement our program. We are able to build vital relationships with college-age young adults, children, and the community through the tremendous gift of time and resources shared by a number of congregations in our conference. This last year presented unprecedented challenges due to the pandemic and the situation called for flexibility and creativity in the creation of a summer program that would benefit children and their families. Our college-age young adult interns, our families, our church partners, and our staff were able to come together and share a modified summer program that met immediate needs identified by our parents. Volunteers engaged in transformational relationship by filling grocery bags, putting together curriculum supplies and being present at our three sites to help distribute food, books and supplies each day of program. Volunteers provided 1,200 volunteer hours to help make distribution happen. 238 students registered for our summer program served by seven college-age interns at three host sites. Three churches in our conference opened their doors to partner with our program, create meaningful relationships with our families, and mentor our interns in transformational relationship.

In 2020 we hired seven college-age young adults who spent their mornings working at site to lead distribution and spent their afternoons making educational video content and hosting live online check-ins and literacy tutoring with our children. In addition to receiving training on how to implement our summer program, Project Transformation provides opportunities for interns to explore their vocational calling. On Fridays, interns attend workshops, tours, and interactive events through live virtual meetings with various local and national ministries and seminaries to help them discern how their faith may play a role in their future careers.

This last summer interns attended events with the following partners for that purpose:

- Perkins School of Theology
- Duke Divinity School
- Wesley Theological Seminary
- Garrett Evangelical Theological Seminary
- Candler Theological Seminary
- Methodist Hospital Dallas
- National Child Advocacy Panel
- Education & Leadership Panel
- Nonprofit Panel

- Interfaith Panel

Here is what we learned from our interns based on their experiences:

- 65% are more familiar with the local church as a resource in community transformation because of their experience with Project Transformation Central Texas.
- 61% are more confident in connecting their unique gifts, talents, and passions with the needs in their community after their experience with Project Transformation Central Texas.
- We also learned in a survey of our young adult interns that having a host church mentor through Project Transformation made their top 5 list of things that were meaningful to them during their summer of service.

This is what some of our interns have said about our summer program:

- “I believe Project Transformation helps kids understand how they can be leaders and it motivates interns to show kids why they matter to the world and that they have a huge purpose in life.”
- “Project Transformation has the amazing power to find the best in people. Whether it’s a college student, a child, or a church, PT can break down walls and build up community ten-fold.”
- “I believe this program holistically benefits families in communities served by building relationships in a short period of time.”

We are also extremely grateful for the transformational relationships that have grown between our reading volunteers and the children served by our program. Looking at 2019 summer outcomes we can see the impact relationships have on literacy outcomes. Because of the dedication of our volunteers and the strength of our curriculum, 98% of our regular attendees maintained or improved their reading level. This is no small feat. It requires that children feel safe and encouraged to succeed! Over the course of eight weeks, 3041 books were read over 1500 volunteers reading hours. Through the generosity of individual donors, 1644 books were sent home to build the home libraries of our families.

In the summer 2020 volunteers helped place over 1000 books into the hands of children during distribution so that children could build home libraries. Over 700 boxes of produce and 1400 bags of groceries were distributed. Eighteen Partner churches from the Central Texas Conference engaged in our modified summer program.

We are also grateful for the three churches who opened their doors and created space for site distribution for the children and their families, as well as the interns. Their efforts to mentor, host the interns during online worship, and walk with everyone involved in the program exemplifies what it means to make disciples for the transformation of the world. The following congregations hosted our program at their church.

- Meadowbrook-Poly UMC
- FUMC Bedford
- University UMC

By partnering with Read Fort Worth, Project Transformation Central Texas was also able to utilize the skills of two reading specialists and partner with Reading Partners to offer reading assessments and live online tutoring. By joining with Read Fort Worth, we are able to share data and join the goal of having 100% of 3rd graders reading on level by 2025. We know that it takes a very large and determined village to achieve this and our hope is that you will continue to join us in engaging in community with children so that they can live into their God given potential and to nurture the love of servant leadership in young adults for the transformation of the world.

Project Transformation continues to be a vital mission and ministry in the CTC, bringing young adults into the church whilst serving our resource challenged communities and connecting churches to them.

LEADERSHIP REPORTS

BOARD OF ORDAINED MINISTRY BRYAN K. DALCO, CHAIRPERSON

The Board of Ordained Ministry is tasked with recruiting, enlisting, mentoring, evaluating, and sustaining ministerial leadership for the current expressions of the United Methodist Church and for the future ways in which we can reach the world with Christ's love. While we have faced so much uncertainty in the last year, we are certain that God's mission for God's church remains alive. As the credentialing and sustaining body of the Central Texas Conference, we remain ever so faithful to God's work as God continues to choose new servants to fulfill the mission of the church.

My favorite scripture is Proverbs 16:9, which says, "In their hearts humans plan their course, but the Lord establishes their steps." (Proverbs 16:9 NIV)

Despite all the obstacles that we face as a denomination, we must plan for the future. I believe if we plan, God will direct us. Therefore, the Central Texas Conference Board of Ordained Ministry continues to plan for the future. This quadrennium we hope to focus on the following five areas: 1. Cultural competency and racial equity 2. Training and improving inclusion of local pastors. 3. Recruitment of diverse young clergy. 4. Coaching and mentoring for newly appointed clergy. 5. Training for executive committee and new board members.

The pandemic has caused us to think outside of the box as we continue to pursue our mission to make disciples of Jesus Christ for the transformation of the world. As a board, we continue to look for diverse and creative ways to support the work of the ministry in the Central Texas Conference. We want to walk alongside of our clergy as they develop exciting and creative ways to fulfill the mission of the church. Many continue to adapt ministry efforts by creating virtual church experiences through worship, bible studies, and prayer. Others have held parking lot worship services and hosted drive-thru prayer events. Clergy and lay are working vehemently to maintain connections with congregants and to create new ones within their communities. While the pandemic has placed some hardship on ministry, it has also opened new opportunities for ministry.

Rev. Estee Valendy, Chair of the Order of Elders, helped organize a webinar to assist churches in the development of providing in-person and online worship. These new experiences have stretched us to do ministry in new and exciting ways. As a board, we are committed to providing support as the Central Texas Conference moves "Forward to a New Spring."

These times call for us to be creative and innovative in every way possible. Therefore, we must identify, recruit, and credential clergy who bring diverse theological perspectives and experiences coupled with an entrepreneurial spirit who are able to make disciples of Jesus Christ and bring God's love to a world in desperate need of healing and hope.

The following paragraphs include a few highlights of our credentialing process and what we were able to accomplish as a board:

The 2020 Orientation to Ministry was held on Saturday, August 1, 2020 with 21 attendees at a virtual discernment event led by the outgoing (Rev. Chris Mesa) and incoming (Rev. Fred Bates) candidacy registrars of the board. The candidates saw presentations from deacons, elders and local pastors and learned about the different ways they could live out their calls as licensed or ordained clergy. For the next five (5) months the candidates participated in group mentoring in preparation for certification interviews in January 2021. Sixteen (16) candidates successfully completed the discernment process

and fifteen (15) were certified as candidates. We give thanks that in this time of uncertainty candidates are still saying yes to God!

Since we were unable to gather in person during the summer months, the dean of licensing school, Rev. Mike Kerzee, partnered with Candler School of Theology utilizing their online curriculum for Licensing School 2020. Assisted by Rev. Jon Farrer and Rev. Kim Long, Rev. Kerzee guided the eighteen (18) attendees, which included 4 out of conference participants, through five (5) weeks of video presentations, discussion boards, written papers, and quizzes. The culmination of the school was a preaching practicum which had the participants submit a sermon for evaluation prior to the completion of the school.

The online school was an answer to a prayer during the height of the pandemic and provided opportunities for flexibility that an in-person school does not. The plan for 2021 is to have a hybrid licensing school which will use parts of the Candler online curriculum along with an in person preaching intensive August 13-15, 2021 at Glen Lake Camp. It was discovered that both the deans and the students missed the sharing and camaraderie of an in-person licensing school and hope to use weekly Zoom meetings and the in-person weekend to capture some of what was missed. We are grateful to our denominational partners at Candler who made the online licensing school possible for students in the Central Texas Conference.

The board was hopeful that Spring 2021 credentialing interviews could be held in person, but after careful consideration it was decided that for the safety of our board members and candidates' interviews would be conducted via Zoom. The same format was followed, rotating candidates through three (3) interviews, each with a different focus area. After some minor technical difficulties on Monday, the interviews continued Tuesday and Wednesday and at the conclusion of the interviews the board approved six (6) candidates for commissioning (two (2) as Provisional Deacons and four (4) as Provisional Elders) and eight (8) candidates for ordination as Elder. The Board looks forward to celebrating the hard work and achievements of these candidates at the 2021 Annual Conference service of commissioning and ordination which will be held at First UMC Waco on Monday, June 21, 2021.

ORDER OF ELDERS REPORT ESTEE VALENDY, CHAIRPERSON

Elders in the United Methodist Church are ordained to a ministry of Word, Sacrament, Order and Service. This year, elders in the Central Texas Conference have given of themselves to speak a word of hope in a broken world, to offer the presence of God to those who are afraid, to order the life of the church in an extremely uncertain time and to model service to others amid deep divisions.

Elders need to be sustained as they continue to give of themselves to this calling. The Continuing Education and Spiritual Formation Policy of the Central Texas Conference states that "churches should ensure that every pastor has adequate time and financial support to participate [in spiritual formation and continuing education]. In addition to vacation time, a minimum of 10 days each year is considered essential for a full-time clergy person's study, retreat and renewal."

If you are a lay person reading this report, will you please ask your pastor if they have taken sufficient time for study, retreat, and renewal this year? If they have not, will you invite them to do so and give them your support? Often, clergy feel guilty taking time away, especially when there is so much to do, and the tasks of ministry seem endless. Your pastor needs to know that their church values their well-being and supports them in the work of self-care and growth.

If you are an elder reading these words, will you please pull out your calendar and schedule a sabbath day in the next month? Give yourself a day to experience solitude and rest. A day when you can be

with God and not be productive. This is not a day away to plan your next sermon series or outline a leadership initiative. Take time to be with the one who is the source of your being, our God who makes rivers in the wasteland.

The Board of Ordained Ministry has funds available to support clergy in continuing education and spiritual formation. Clergy may apply for \$300 per year or \$1200 per quadrennium. Application for these funds is available at www.ctcumc.org/continuing-education-funds.

Thank you to the elders who serve the Central Texas Conference. May God give you strength and endurance as you continue to share the good news of Christ.

ORDER OF DEACONS REPORT

ERIN JACKSON, CHAIRPERSON

This is the 25th anniversary of the Order of Deacons in The United Methodist Church, a separate but equal order of ordained clergy. At General Conference in 1996, The United Methodist Order of Deacons was established for individuals called to ordained, set apart ministries distinctively different from those of the ordained elder. As deacons, we are called to ministries of Word, Service, Compassion and Justice. Ordained deacons are described as a bridge between the church and the world. We are often called to ministry with people both inside and outside the local church context, especially with the poor and marginalized.

In the Central Texas Conference, members of the Order of Deacons serve both inside and outside the local church, in specialized ministries including missions, music, youth, young adult, older adult, Wesley Foundations, Project Transformation, education, online worship and much more. As our culture dramatically shifts and the church needs to shift to creative ways to reach people online and in person, the ministry of the ordained deacon is more vital than ever.

This is an extraordinary year to be a deacon. Instead of our usual breakfast meeting, the Central Texas Conference Order of Deacons commenced at annual conference with a Zoom meeting called to order by Bishop Lowry. Rev. Erin Sloan Jackson was elected chair, and we celebrated the years Rev. Kay Lancaster served in this capacity.

Instead of our usual monthly lunches, every month members of the Order of Deacons meet by Zoom for clergy accountability, idea sharing and connection. Recognizing the need for spiritually healthy leaders in our conference, the Order of Deacons has been encouraged to seek resources for spiritual and mental well-being as well as continuing education. The Board of Ordained Ministry Continuing Education Grant offers \$1200 per quadrennium for all full members, provisional members, associate members, and local pastors in the Central Texas Conference. (See <https://www.ctcumc.org/continuing-education-funds> for more information.)

As clergy called specifically to ministries of Justice and Compassion, we spend much of our time reflecting on how we can move the Church toward creating social justice and mercy. We draw inspiration not only from God's holy work in the church, but also from the groundwork of others pursuing social justice in the world.

In addition to celebrating the Silver Anniversary of the Order, we celebrate the commissioning of Rev. Sarah Boyette and Rev. Sarah Garza this year and look forward to welcoming more deacons currently in the ordination process.

To my fellow deacons: This is an extraordinary time to be in ordained ministry. You are not alone. Thank you for answering God's distinctive call on your life to ministries of Word, Service, Justice and Compassion.

FELLOWSHIP OF LOCAL PASTORS AND ASSOCIATE MEMBERS REPORT

SHARON REID, CHAIRPERSON

The local pastors and associate members of the Central Texas Conference have created meaningful connections and provided encouragement and support to one another, even as we have continued our ministry in this pandemic era of loss, disruption, and isolation.

Our membership of 65 pastors serves 81 churches in the Central Texas Conference with passion and excellence and the shared goal of making disciples of Jesus Christ for the transformation of the world.

I feel extremely honored and privileged to serve with this great Fellowship of Local Pastors and Associate Members of the Central Texas Conference of the United Methodist Church.

GLEN LAKE CAMP & RETREAT CENTER

NATALIE DAVIDSON, EXECUTIVE DIRECTOR

Glen Lake Camp & Retreat Center is completing its eighty-second year of ministry. What a legacy! Thanks to generations of campers, families, staff, and congregations, Glen Lake has continued to provide a Christian environment for authentic relationships to be formed.

In late 2018, Glen Lake Camp & Retreat Center began to explore and discover the continued and future ministry of Glen Lake. A group of staff members, board members, and friends of Glen Lake began thinking strategically about the future. Throughout the fourteen-month assessment, design, and mapping, insight for immediate course correction was gained. As we began to align our daily practices with the newly planned trails, we began seeing immediate response and growth in our ministry's impact.

Campers, guest groups, and donors joined us we started the adventure on new paths! We recognized and welcomed a season of incredible growth as guest groups and campers were registering for updated and exciting programs. Sometimes we face challenges on your planned course or path. Early this spring, and continuing into the summer, we faced enormous challenges as our gates had to remain closed to both guest groups and campers as the world faced a pandemic.

Thank you to our campers, guest groups, and donors for supporting Glen Lake. Campers and families donated their camp registrations and rolled their registrations to our future summer programs allowing us to be able to maintain financial stability. The donations we have received from friends of Glen Lake have also been able to carry us through the canceled summer season of 2020. With the conclusion of the Homes for Retired Ministers program, the board of directors of that program chose Glen Lake as a recipient of a portion of the liquidated assets. This gift carried Glen Lake through the closed seasons of summer, fall, and winter.

Difficult decisions were made in the fall of 2020 by Glen Lake Board of Directors to furlough many of our staff members and monitor the beginning of 2021 with a reduced first quarter. We were able to offer positions back to our furloughed staff in March 2021 and have had most return to Glen Lake. We are beginning to host groups for day events and short overnight retreats. It is bringing life back to our staff and to our mission. The Glen Lake staff have utilized the quieter seasons to update facilities, clean out storage, and focus on Summer 2021 planning and programming.

We are excited to have campers back for Summer 2021 and truly believe our updated program design will offer campers adventure, community, and life in Christ. Our plans are available to review online at glenlake.org/summer. We believe camp and retreat ministry will play a crucial role in restoring

children, youth, and adults as we all recover from the effects of this pandemic. Campers will gain confidence as we enjoy the outdoors, make new friendships, and take on new adventures.

We are excited to be tackling the first phase of our master plan in 2021 in designing a replacement for our waterpark. The current waterpark was designed and built in 1994 and has provided memories for thousands of campers and guests of Glen Lake. A recreational pool is critical for the spring, summer, and fall ministry of Glen Lake and serves as a physical location for incredible ministry opportunities through relationships with campers and guests.

Please be praying for Glen Lake as we take these next steps in order to provide a path for the future sustainable operation of Glen Lake Camp & Retreat Center. We are thankful for the prayers, presence, gifts, service, and witness of Glen Lake partners in fulfilling the mission of making disciples.

WESLEY FOUNDATIONS & CAMPUS MINISTRY

WESLEY FOUNDATION AT BAYLOR UNIVERSITY

WACO, TEXAS

In 2018, the conference, the Baylor Wesley Foundation and First United Methodist Church of Waco entered a partnership to grow our campus ministry in Waco. The conference provided funding and First Waco took over the operations of the Baylor Wesley building, while the Baylor Wesley Foundation retained ownership of the building. As part of the partnership, First Waco made extensive renovations to the building and expanded the ministry to reach more students for Christ. The agreement has produced much fruit, with more students engaged in campus ministry than ever and several students considering a call to ministry. As a result of the success, the parties agreed to terminate the agreement early, on December 31, 2021, and transfer the ownership of the building to First Waco. The conference trustees affirmed this decision. We are excited about all that God has done through this campus ministry and look forward to reaching students in the years ahead through the campus ministry of First Waco.

UCF: A WESLEY FOUNDATION AT NAVARRO COLLEGE

CORSICANA, TEXAS

DR. MEREDITH BELL, DIRECTOR OF CAMPUS MINISTRY

For decades, the United Christian Fellowship (UCF) Wesley Foundation of Navarro College has been guiding, supporting, and teaching students about Jesus Christ. Navarro College is a diverse two-year college located in Central Texas. The ethnically diverse student population includes roughly 3,500 individuals. Most students are African American. Most students on our campus come from low-income families and attend school through the Pell grant program. Our student ministry is a resource that helps them with their basic needs as well as their spiritual needs. Navarro College and the UCF Wesley Foundation are unique due to the positive support of the small community and churches that surrounds it and the pride they have in their town and school. Some highlights from this past year include:

UCF Wesley Sports Ministry

In summer 2020, the UCF Wesley entered its second year of sports ministry with athletes at Navarro College. In the summer, we partnered with the Navarro College football team and offered three workshops over three Sundays to discuss social justice. This was a powerful partnership between the college and the UCF Wesley during the time of intense racial awareness after the death of George Floyd and active protesting across the country. At the completion of the workshops, the team wrote a

statement about their stance on social justice. As the semester on campus began, our sports ministry program grew to include other athletic teams and staff. Our sports ministry director personally worked with the soccer, basketball, baseball, and softball teams. A total of 320 students are active in our sports ministry program. Egle Uljas (Director) is a former Olympian and professional pianist. She meets weekly with small groups of athletes at the UCF Wesley Foundation. Her sessions with students include spiritual health, mental health, psychology, competition and even yoga. She has made a huge difference in the lives of our students and coaching staff. Her thoughtful and attentive work offers athletes guidance for their professional athletic careers. In addition, athletes participated in our “Do Something” Fridays where they volunteered around the community. Some places included the food pantry, Purdon Grove Farm, Food for Fitness, and Christmas in Action. These days were beneficial to students because it gave them opportunities to serve during the midst of Covid-19 which postponed their competitive seasons.

UCF Wesley: Waxahachie Campus at Navarro College

The UCF Wesley continues to build a presence on the Navarro College Waxahachie Campus. Under the leadership of Antinaya Higgins (Director) and Will Washington (Intern), this ministry is active on campus. During the week, students enjoy breakfast and lunch once a week provided by the UCF Wesley. This is a need for the campus because the campus does not provide meals to students. Other programming includes Bible study on Saturday mornings at a local coffee shop and spiritually supporting NC Staff.

UCF Wesley: Corsicana Campus at Navarro College

In Corsicana, our ministry creatively reached students during Covid-19. At the beginning of the health crisis, the college partnership strengthened. The college needed assistance caring for their students. The UCF Wesley provided resources for utility bills, food insecurities, housing insecurities, car problems, tuition, books and more. In addition, we continued to provide meaningful Bible study weekly at the center of campus. With lawn blanks, a food truck, and dedicated interns, we hosted 60-70 students each Sunday night under the stars learning about God’s word during the fall.

Our Christian Leadership Center (CLC) completed five-and-a-half years. Over 400 students have completed parts or all the program. The CLC focuses on Christian leadership, Christian service, social justice, and spiritual practices over four college semesters. Navarro College launched Bulldog Life: Learning, Living, Launching in March 2020. This program is based on the Christian Leadership Center at the UCF Wesley Foundation. It brings our ministry great joy to know that our program will be used as the foundation for the college to provide comprehensive support and holistic education to future students. In addition, the Christian Leadership Center curriculum will be fully published by June 2021 for the benefit of other Wesley Foundations and youth groups to use.

With more joy, we welcome Paola Lemus Bustillos to the UCF Wesley family as the new executive director. Paola comes to us from Maryland and attended Wesley Seminary in Washington, DC. She has extensive experience in global missions. Her passion for sharing the love of Christ with students is a gift to Navarro College.

This report is humbly submitted to the Central Texas Conference. This ministry to Navarro College students by the UCF Wesley Foundation is only possible through the dedication the conference has to young adults. The financial support received from the Central Texas Conference, local churches, local grants, regional grants, and grants of the UMC all work together to support God’s active work on the campus of Navarro College in Corsicana, Texas.

WESLEY FOUNDATION AT TARLETON STATE UNIVERSITY

STEPHENVILLE, TEXAS

REV. COREY MOSES, DIRECTOR OF CAMPUS MINISTRY

The purpose of the Wesley Foundation is to create a community of faith to develop students of Tarleton State University as disciples of Jesus Christ. We are creating leaders that are desperately needed to transform the church and the world. We do this by providing a community for the students allowing them to determine their beliefs in a safe space and community so that they can be more like Christ as they love God, serve others, and live righteously.

Over the past year, we have been met with many of the same hurdles and opportunities for growth that all other churches have. How do we continue to be in ministry to our people when it's challenging to simply be in the same room as them due to COVID-19 restrictions? When people have asked me how the year was going at the Tarleton Wesley, typically my response was, "It's been better than anticipated, but has not gone as well as I had hoped." That being said, all things considered we have had a great year!

Through the fall semester, we averaged 18-25 in worship, and without fail, each week roughly 25% of the worship attendance was students we had never met. The encouraging thing about these numbers is that this was all without us being able to be on campus meeting new students. This means students are inviting students to worship and talking about what God is doing in their life, as well as students coming in on their own. Additionally, we have a growing online community of people that tune in to the Facebook Live broadcast of our worship each Tuesday. One student lives in Amarillo and is doing her degree completely online. During the spring 2020 shutdown, she began engaging with us virtually and has continued to join us for all our online worship events.

One of our big focal points through this past year has been self-care. This is a constant struggle for many university students that was only compounded with the advent of a global pandemic. Anxiety for my students was a much larger issue than in years passed for obvious reasons. We took a fall retreat at Glen Lake and allowed our students the opportunity to do just that, check your brain at the door and simply be, and practice some intentional self-care. I also took the opportunity to teach about self-care. It was an incredibly fruitful weekend for our students.

Our two biggest wins from the past year are baptisms and a student answering a call to ordained ministry! We had two baptisms, and one re-affirm their baptism. Dashon Mitchell, one of our baptisms had never heard the Christmas story before coming to the Wesley! Victoria Lindsey, my student intern has discerned a call to ordained ministry and will go before the District Committee on Ordained Ministry this spring to pursue deacon orders. It is humbling to see the great work that God is doing in the lives of these students and transforming them right before my eyes, even amid a global pandemic.

Currently, our big focus is preparing for the fall semester. I could not be prouder and more excited for the work of my student leadership team. Each of them possesses a contagious enthusiasm and passion for the Wesley and the work of God on campus. They have begun forming life groups, a prayer group, and are currently brainstorming how we might engage with first-year students in the most effective ways in the fall 2021 semester.

WESLEY FOUNDATION AT TEXAS CHRISTIAN UNIVERSITY

FORT WORTH, TEXAS

REV. EDDIE KAHLER, DIRECTOR OF CAMPUS MINISTRY

TCU Wesley successfully navigated a year full of transition and uncertainty. In the past 12 months we introduced a new pastor/director and a new ministry assistant, welcomed new students into our

existing faith community, reimagined weekly worship, began new relationships with individual donors and local churches, and managed to stay healthy and safe throughout the 2020-21 school year. We give glory to God for the Spirit's work in this ministry.

Upon arriving in August, students were highly anxious about how long they would make it into the semester before being sent home due to an outbreak on campus. The university put well-measured procedures into place to avoid this, and TCU Wesley was glad to be part of the solution that kept students on campus throughout the year. Although most students returned physically to campus, several classes and opportunities were held online. Wesley hosted online worship and activities, but quickly learned that students desired to be physically present to engage.

Our weekly worship this past year consisted of pre-recorded music, prayers, scripture reading, and preaching that was simultaneously played in several rooms to allow for appropriate physical distancing among our students. Even though worship was led by video, the bodily presence and shared voice that filled the room lifted our souls in a different way than a purely virtual option would provide.

One of the best things we did was to include a chance for small group reflection and discussion immediately following worship. This allowed for students to interact with one another and the message in a way that helped solidify both the teaching and new relationships. We quickly heard from incoming freshmen how vital Wesley had become for their well-being during a year in which isolation and loneliness rose to new heights.

We are hopeful for and look forward to the 2021-22 academic year. As TCU works toward a completely on-campus and in-person experience, our ministry will once again listen to the needs of students and adjust, create, and reimagine our work so that the gospel may reach the hearts of students as we continue to strive toward leading young men and women into a lifelong discipleship of Jesus Christ. Thank you for your support as a conference in this incredible opportunity for ministry.

WESLEY FOUNDATION AT UNIVERSITY OF MARY HARDIN-BAYLOR

BELTON, TEXAS

JON CARMAN, DIRECTOR OF CAMPUS MINISTRY

Our efforts in establishing a United Methodist college ministry at UMHB this past year were severely impacted by the presence of COVID. Because of COVID, the campus restricted visitors, First UMC, Belton with whom we partner was only partially open, and outreach ministries to college students were significantly reduced. That being said, we were able to make some headway in our efforts:

- UMHB students continued to form the core of our worship band and A/V team at Brunch Church (a New Faith Community (NFC)). There are anywhere from 4-8 students participating in this capacity on a given Sunday.
- We brought on a UMHB student to act as our Outreach Director.
- A recent UMHB graduate is currently volunteering as our Creative Director for Brunch Church.
- We launched a young adult small group last summer that averages between 5-10 students and will continue to meet over the summer.
- With the help of our Outreach Director, we started a Sunday afternoon UMHB fellowship ministry that included COVID-safe sports, online gaming, and tabletop gaming. This ministry saw anywhere from 5-15 UMHB students participating each week and lasted both semesters.
- With the help of our Outreach Director, we also hosted a COVID-safe Halloween party in the fall and a movie night in the spring. These events allowed us to offer fellowship opportunities for approximately 40 UMHB students.
- We launched a Brunch Church Discord server (a social media platform) that hosts biweekly online video-gaming fellowship.

- We obtained an NFC grant for \$10,000 that will help us fund college ministry positions in the fall semester as we attempt to move toward a more formalized structure. From this we have already hired one UMHB student who has pledged to help us through the year as a Wesley Associate.
- We are currently in talks with a student organization that interfaces with many of our UMHB contacts to partner with them in college ministry next year. We would provide a space for them at FUMC Belton and partner with them to establish a weekly Bible study and fellowship opportunities throughout the academic year. Conversations are ongoing through the summer.
- We have approximately \$1000 donated to your young adult ministry with the pledge of another \$1000.

All told, though the year has been challenging, I remain optimistic about our current prospects. Between our small group, fellowship opportunities, and Brunch Church, we have developed deep relationships with several UMHB students. In turn, they have reciprocated by making great strides in helping us craft ministries catered to students' needs. In particular, we are deeply invested in the "gaming" culture of UMHB, and our ministries are beginning to take shape around this particular aspect of student life. With the past year's work and material support from FUMC Belton and our conference, we are looking forward to a productive 2021-2022 school year.

WESLEY FOUNDATION AT UNIVERSITY OF TEXAS AT ARLINGTON
ARLINGTON, TEXAS
REV. THOMAS MITCHELL, DIRECTOR OF CAMPUS MINISTRY

The past year of ministry at UT Arlington began in conversation with campus on how to best respond to the COVID-19 pandemic. While campus moved to online-only courses, campus ministries received an invitation to lead as models of how to remain connected in community while gathering safely, responsibly, and primarily online. At Wesley, we committed to partnering with campus in this effort to protect our students and care for our community. While this meant drastic shifts in our ministry strategy over the past year, it has only further proven God's faithfulness and affirmed God's call to reach students on this campus with the Gospel.

Whereas we would typically be engaged in welcome-week activities in late summer and early fall, we were forced to move our recruitment and outreach efforts online. Through informational videos, student testimonies, and countless messages sent to incoming students via email and social media, we put our best foot forward in inviting incoming students into our community at Wesley. We pioneered a partnership with the Enrollment and Admissions Office at UTA, receiving contact information for hundreds of incoming freshmen who marked interest in religious organizations on campus. By the time the fall semester began, we had already welcomed a handful of new students into our weekly Bible study online and quickly settled into a new rhythm of weekly ministry.

On Tuesdays we gathered for worship. Each week, Wesley staff and students created a video including worship music led by students, a message from scripture, and time for prayer. Students were invited to join either on Zoom or in groups of 8-10 individuals who committed to meet on campus (called Watch Groups). After watching the week's service, students were invited into small group discussions to engage with scripture, apply it to their lives, and pray for one another. These groups also created safe, controlled spaces for fellowship and fun.

In addition to Tuesday nights, we gathered throughout the week on campus for times of pastoral care, discipleship, and fellowship through countless outdoor lunches and coffee meetings. We encouraged students to form Wesleyan bands of only 2-3 students and trained them in the practice of small group discipleship. We encouraged student creativity in establishing an engaging and welcoming environment for others to join both online and in-person. This focus led to a student-created and hosted podcast called Wesley Talks which has provided a space for students to hear the testimonies and perspectives of their peers each week.

On the anniversary of our last gathering in March 2020, we came together for Wesley Reunion to worship together again which marked the return of in-person worship for Wesley. Now, as things begin to slowly re-open, we are looking to the fall with great anticipation. We are thankful for the ways we have seen God move on campus and in the lives of our students this year. Yet, we cannot wait for the return of students to campus and what that will mean for our community as we seek to foster a community where students can learn to be and to make disciples of Jesus Christ.

We are continually grateful for the support of individuals, local churches, and the Central Texas Conference. We are humbled by the ongoing generosity as well as the countless prayers prayed on our behalf. Thank you for trusting us with this important ministry to the campus of UT Arlington!

WESLEY FOUNDATION AT WEATHERFORD COLLEGE

WEATHERFORD, TEXAS

REV. DAVE BROWER, BOARD CHAIR

This past year has been a year of change and transition for the Weatherford College Wesley Foundation. At the beginning of 2020, we entered a phased partnership with FUMC Weatherford and the conference in order to increase our effectiveness in disciple-making at Weatherford College. In September, we said goodbye to Greg Feris who had served faithfully as our director and welcomed Bo Smith to lead the discipleship efforts of the Weatherford College Wesley Foundation. Bo is on staff at FUMC Weatherford with duties that include engaging the campus at Weatherford College in partnership with the Wesley Foundation.

The current role of the Wesley Foundation board and leadership is to provide physical space near campus where discipleship opportunities can take place. We currently partner with the college to host a food pantry on Wednesdays and Thursdays for students in need at Weatherford College. Bo leads a weekly dinner and bible study on Wednesday evenings that averages seven students per week. There are three students engaged in regular personal discipleship as well. Coming into the position when he did, Bo has made great strides in connecting with a student population that experiences a great deal of turnover each year.

Budget Comments

The 2022 budget is a collaborative effort involving the cabinet, conference staff, CF&A and Core Team. The budget reflects the new conference structure initiated in 2021 as part of the “Forward to a New Spring” concept approved at the 2020 Annual Conference. We have made a few adjustments for the 2022 budget, including:

- Added funds in the Smith Center for the GROW program and church partnerships
- Added funds for higher expected property insurance
- Added Winds of the Spirit and consulting funds, as we expect to receive a new bishop and want that bishop to have some flexibility
- Provided for 2% salary increases for conference staff

- Reflected the full impact of the new district teams
- Reflected the closing of the West, South, and Central district offices in 2021, as we move to more remote working arrangements
- By vote of the conference, added funding to support diversity, equity, and inclusion (DEI)

General Conference and Jurisdictional Conference amounts will not be finalized until those conference meetings are held in 2022. The amounts shown are the best information available from GCFA and the South Central Jurisdiction.

GARY SULT, PRESIDENT

REPORT No. 1

The churches of the Central Texas Conference have a long history of strong payouts on Connectional Mission Giving (CMG) (a.k.a. apportionments)! We had a challenging year in 2020, with some churches facing financial challenges due to COVID and other issues about the denomination affecting CMG payment. The churches of the Central Texas Conference had the following total payout percentages:

2016	95.6%
2017	91.6%
2018	90.3%

In addition to the CMG, our churches also gave over \$261,867 to Special Day offerings, missionaries, advance special projects, and other ministries to help the hurting and the lost.

The CTC churches contributed a total of \$7,617,657 for CMG – 182 churches paid 100% of their share amounts in full. (For a full listing of each local church and their percentage paid visit ctcumc.org/cmgbreakdown).

We commend all pastors and churches in the CTC for your faithfulness! We know that churches have many worthy needs competing for funding and we are deeply grateful to all for ensuring that Connectional Mission Giving was a priority. We are also aware that behind each dollar is a story of faithfulness and generosity - a story of trust in God.

The offering you make empowers ministry within our conference, in response to the needs of our communities. It also helps support the work of ministries beyond the local church that shape leaders to be more effective instruments of God's love and reconciliation in their ministry settings. Through our connectional giving, we make possible the ministry of healing and wholeness that happens in settings of particular need. Thank you for your faithfulness to the mission of the United Methodist Church.

The CF&A continues to expect 100% payout of our connectional obligations and urges every church to take seriously the recommended ten-month payout plan in which 10% of the annual CMG amount is remitted monthly. Without doubt, making monthly payments beginning in January or February is an important step in paying your connectional mission opportunities in full.

¶622 of the 2016 *Book of Discipline* states that the board of pension and health benefits amounts, the episcopal fund, the district superintendents fund, and equitable compensation are apportioned funds

which are to be paid on the same schedule as the pastor's base compensation is paid. The cabinet joins the council in reminding each church to adhere to this mandate monthly.

The CF&A, the executive director of the Roberts Center for Leadership and Administration, and the conference treasurer are making special efforts to provide the information conference leaders and members expect in a more open and transparent way. The CF&A takes seriously its fiduciary responsibility and is working with conference leaders to insure the continued faithful and effective stewardship of all conference funds. For the most current information, visit ctcumc.org/cmgbreakdown.

1. Compensation for the district superintendents and executive center directors is determined by the following formulas:
 - a. Salary: The district superintendents and executive directors' salaries will be adjusted annually by the percentage change in the CTC Conference Average Compensation (CAC) formula calculated by the General Board of Pension and Health Benefits (GBOPHB). Given the challenges in our local churches and the focus on the WIG, the district superintendents and executive directors voted unanimously to decrease their salaries 10% effective June 1, 2020. This reduced salary of \$121,893 has been continued through December 31, 2021 in the 2021 budget approved at the 2020 Annual Conference. The 2022 budget reflects a 1.86% increase consistent with the formula noted above.
 - b. Housing Allowance: At the district superintendent and executive director level, the housing allowance for 2021 will remain at \$27,000.
2. There may be amounts set to provide for the district superintendents' and executive directors' expense for conference meetings and additional ministerial expenses in an accountable reimbursement plan, the district superintendent's portion of the conference health benefits plan premium, for an amount requested by each district superintendent or executive director to be excluded from salary and added to the district (or conference) contribution toward housing allowance, and each district superintendent and executive director's salary. The line-item amount for each of these is to be determined in consultation with and approved by the council on finance and administration. It is required that the accountable reimbursement plan for the district superintendent and executive director's expense for conference meetings and additional ministerial expenses be established in accordance with Sec. 62 of the Internal Revenue Code (IRC). Also, any Housing Expense Set-aside, as desired by each district superintendent or executive director shall be established in accordance with Sec. 107 of the IRC in like manner. Further, the cost of the Clergy Retirement Security Program, billed directly to the conference, will be charged to the districts or centers. An additional amount for voucher, reimbursed expenses related to each executive director's office is also a part of the respective center's budget.
3. The conference staff, working with the DS's, have prepared budgets for each district as part of the overall conference budget. An amount up to 10% of the support and compensation for the district superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition, an amount up to 10% of the support and compensation may be included in the district budget for the purpose of vouchered reimbursement of travel and business-related expenses. The district budgets shall be part of the overall conference budget submitted to the conference council on finance and administration for approval each year.
4. At the end of each fiscal year, unexpended unrestricted operation/budget funds, less the amount needed to cover deficits in conference budget accounts, shall be transferred into the operating reserve and an accounting of all operating reserve funds shall be made at each Annual Conference.
5. Each year the use of the unspent Contingency Fund shall be reviewed by the council on finance and administration and the bishop to decide if any amount should be used for

conference, jurisdictional and general church apportionments before going into the Operating Reserve.

6. In February 2021, CF&A voted to allocate \$1 million of the Conference Operating Reserves into a designated fund to invest in strengthening and growing the African American churches of the conference. This decision was based on a recommendation from the cabinet. The cabinet is committed to developing a process for assessing needs and making investments in African American churches. That assessment process is being developed and will be implemented later this year.

REPORT NO. 2

1. The Special Sundays of the United Methodist Church, celebrated annually, illustrate the nature and calling of the Church. These special Sundays approved by General Conference are the only Sundays of churchwide emphasis. Such special Sundays should never take precedence over the particular day of the Christian year. However, the special Sundays are placed on the calendar in the context of the Christian year, which is designed to make clear the calling of the Church as the people of God. “Be generous,” Ecclesiastes 11:1-2 (The Message) advises. “Invest in acts of charity. Charity yields high returns. . . Be a blessing to others.” God has blessed us, and through church-wide Special Sundays we can pass on those blessings to others. The conference council on finance and administration approves and recommends the following Special Sunday offerings be taken in all local churches of the Central Texas Conference on, near or at a date designated by the local church in 2021:

Human Relations Day	(Sunday prior to Dr. MLK observance)
UMCOR Sunday (formerly One Great Hour of Sharing)	(4th Sunday in Lent)
Native American Ministries Sunday	(3rd Sunday of Easter)
Peace with Justice Sunday	(1st Sunday after Pentecost)
Worldwide Communion	(1st Sunday in October)
United Methodist Student Day	(Last Sunday in November)

In addition, the ministries listed below are geographically in or are related to the Central Texas Conference for which an offering has been approved. The dates that are listed are suggestions for 2021.

Church Growth and Development	February
Golden Cross	First Sunday in May
Wesleyan Homes	Mother’s Day
Annual Conference Special Offering	First Sunday in June
Lydia Patterson Institute	July
Christian Education Sunday	Second Sunday in September
Thanksgiving Offering	November
Providence Place	First Sunday in November
The Methodist Children’s Home, Waco	December

For information on any of these special offerings, visit our website ctcumc.org/specialsundayofferings

2. The conference centers and district superintendents shall have prepared in writing and submitted to the council on finance and administration their budgets for the ensuing year by the date set by the council on finance and administration. Requests will not be considered if received after the due date unless an extension has been requested and approved.
3. An amount equal to 50% of the General/Jurisdictional Conference per diem or reimbursement for actual expenses above the per diem, whichever is less, shall be paid to each lay and clergy delegate. The first and second lay and first and second clergy alternate delegates to General Conference (first two lay and first two clergy elected as Jurisdictional Conference delegates) shall additionally be reimbursed up to an amount not to exceed 50% of the General

Conference per diem plus reasonable transportation reimbursement. The first reserve elected to Jurisdictional Conference shall receive a total reimbursement not to exceed 150% of the Jurisdictional Conference per diem plus reasonable transportation expenses. Other delegation expenses and the expenses of other elected delegates not previously specified may be paid based on the availability of funds in consultation between the head of the delegation and CF&A.

4. The executive director of the Roberts Center for Leadership and Administration is authorized to:
 - a. Consolidate the various funds of the annual conference and of the agencies into one or more bank accounts.
 - b. Write all checks for the agencies of the conference upon requisition by authorized officers of the agency and in keeping with approved conference budget. The treasurer is also authorized to transmit to the authorized treasurers all other funds that are raised by the local churches in response to general, jurisdictional, and annual conference askings that have been approved by the appropriate body.
 - c. The conference treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions, and other agencies of the conference into the operating reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempted by CF&A) making allowances for all outstanding checks. This procedure is recommended with the understanding that the executive director for the Roberts Center for Leadership and Administration will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.
 - d. Invest the funds of the conference in government securities and federally insured depositories, and/or with the Texas Methodist Foundation and to borrow on and dispose of investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the conference under the guidance of the council on finance and administration. Funds may also be managed and invested in accounts at Wespath.
 - e. Deposit funds for specifically designated purposes in federally insured depositories, and/or with the Texas Methodist Foundation under the joint control of the central treasury (conference council on finance and administration) and the agency concerned, with the approval of the executive committee of the conference council on finance and administration. Funds may also be managed and invested in accounts at Wespath.

REPORT NO. 3 RESERVE FUNDS

In order to establish a better system of accountability, the council on finance and administration, following action of the 1991 Annual Conference, implemented the following management procedures for reserve funds beginning 1/1/92:

1. The operating reserve is no longer treated as a contingency fund but as a cash flow fund.
2. A separate contingency fund has been set up to cover unbudgeted expenses with accounting of these expenditures to be made to the annual conference.
3. A contingency fund of \$50,000 has been established from the operating reserve.
4. The contingency fund will be replenished at the beginning of each year by the interest earnings on both the contingency fund and the operating reserve. Any interest earnings over and above that necessary to replenish the contingency fund to a balance of \$50,000 will go into the operating reserve.
5. The goal is a permanent operating reserve fund of 10% of the current budget to be used strictly for cash flow.
6. The operating reserve will be replenished by funds unused by the conference at the end of the year.

7. The authority for the administration of these funds rests with the council on finance and administration pursuant to the *Book of Discipline of The United Methodist Church* and the “Guiding Principles and Best Practices” of the Central Texas Conference.

CONTINGENCY FUND POLICY

1. Expenditures will be made from the contingency fund under one of two circumstances:
 - a. Unforeseen circumstances, unpredicted, unplanned for, emergency situations that could not have been foreseen by reasonable people and reasonable committees.
 - b. Failure of expected income to support a budgeted expenditure.
2. The conference treasurer may authorize up to \$250; the CF&A executive committee may authorize up to \$5,000 either in meeting or by phone; those over \$5,000 must be authorized by the full CF&A either in meeting (in person or email) or by phone.
3. No disbursement will be made without the authorization signature of either the conference treasurer or the chair of CF&A.

REPORT No. 4 MILEAGE REIMBURSEMENT

The accountable mileage reimbursement for conference staff shall be the rate set by the executive director of the Roberts Center for Leadership and Administration, which shall not exceed the IRS rate. All others shall be reimbursed at 25 cents per mile for one to six persons in a car, and 35 cents per mile when seven or more members ride in the same car for necessary travel on conference business. Due to the fluctuation of gasoline prices, the CF&A is authorized to change the mileage rate between sessions of the annual conference if deemed necessary. This reimbursement rate will be effective at the close of this annual conference.

REPORT No. 5 ACCOUNTABILITY

The council on finance and administration, through the executive director of the Roberts Center for Leadership and Administration, shall monitor monies received through the apportioned funds and keep those boards and agencies receiving funds from the conference advised of possible shortfalls to enable them to adjust their expenses where at all possible in order for expenditures not to exceed actual income for the year. CF&A will seek to work with boards and agencies to allow the maximum funding of ministries and programs without creating a deficit situation in the conference budget.

REPORT No. 6 NEXT YEAR BUDGET

At annual conference, CF&A will present a budget which is comprised of the major ministry components of the conference. When the conference approves the budget, it will be voting on the figures of those components and the composite total. If occasion arises to meet unforeseen and unusual expenses, or to provide for emerging ministries that could not be known at the time of budget preparation, a request may be made to CF&A for approval to shift monies from one major ministry component to another major ministry component of the budget. In faithfulness to the “Financial Best Practices”, this procedure will not be used simply because a ministry area anticipates some funds will not be spent.

**REPORT No. 7
CHURCH INCORPORATION RECOMMENDED**

It is imperative that each local church be incorporated to reduce the liability risk to members. Failing to be incorporated puts each of the members of the church in jeopardy. In addition to being incorporated, each church must review its property and liability insurance coverage with consideration for areas of liability not only between church staff and members or guests, and not only between the church as an entity and whomever might happen upon the premises but also for the area of liability of employer versus employee.

**REPORT No. 8
NEWLY CHARTERED CHURCH CONNECTIONAL MISSION GIVING**

Each newly chartered church shall be apportioned 25% of what would be its connectional mission giving, under annual conference "Financial Procedures" point C., for its first year after records are available, 50% its second year, 75% its third year and 100% its fourth year and thereafter.

**REPORT No. 9
CONFERENCE TREASURER**

We recommend Greg Carey for election as our conference treasurer.

**REPORT No. 10
AUDITOR FOR THE CONFERENCE TREASURY**

We recommend Ratliff and Associates as the auditing firm for the conference accounts.

**COMMISSION ON EQUITABLE COMPENSATION & CLERGY BENEFITS
LARA WHITLEY FRANKLIN, CHAIRPERSON**

REPORT No. 1

The Commission on Equitable Compensation & Clergy Benefits, hereby known as The Commission, has met as needed and has carried out its responsibilities of overseeing the minimum compensation program for the annual conference with its primary purpose focused on assisting local churches in moving from part-time to full-time pastoral positions. The equitable compensation funds are meant to be used as transitional funds and are not to be considered long-term subsidies. We intend to keep working with local churches, District Superintendents, and the Cabinet to set time frames and benchmarks to help a church move from part-time to full-time. This transition can usually be accomplished by a three-year commitment. To continue to receive equitable compensation funds, a transitional church shall pay 100% of their connectional mission giving (CMG) shares. The Commission is, therefore, willing to not only provide financial assistance, but also provide educational assistance to help all equitable compensation entities with the tools and help to rise above the minimum compensation levels for their clergy.

The Central Texas Conference (CTC) also has a history of supporting missional churches where full-time pastors may need to be appointed for special purposes for which the congregation is unable to pay a full-time salary. In these missional cases, continued effective communication is essential with the pastor, congregation, District Superintendent, and Center Executive Directors of the CTC to ensure these congregations continue to be effective in reaching others, transforming lives, and sharing the gospel of Jesus Christ in the identified mission field.

The Commission seeks to be responsible to the churches of the annual conference in not requesting more than is needed and at the same time to provide adequately for the program. We also realize the balancing act between the need to raise the minimum compensation for our clergy while at the same time respecting the financial constraints among our churches that produce the need for equitable compensation in the first place. Therefore, the past several years we have continued to research the correlation between higher minimum compensation and more effective pastorates. What our research continues to show is that there seemed to be no correlation between higher compensation and more effective pastorates. In fact, almost the opposite was true. The more effective pastorates were those who were placed in missional settings at less than full-time who were fully invested in the community and in effect many times coming from the community themselves. And, in an unexpected yet related finding, the higher the minimum compensation the lower the average conference compensation as more churches tend to migrate toward the minimum. We continue to monitor our minimum compensation recommendation annually.

We recommend that the equitable compensation levels for all categories of supplements be the amounts in the categories from the chart below for 2021 and 2022. Additionally, we recommend that the budget for equitable compensation be \$30,000.00 in 2021 and \$50,000 in 2022 for salary compensation/interim pastoral support and, and \$60,000 in the moving expense fund for 2021 and 2022.

The Commission will offer to participate with those churches receiving equitable compensation in obtaining workers' compensation insurance for lay and clergy employees up to \$250.00 per policy.

REPORT NO. 2 EQUITABLE COMPENSATION FUND

There shall be a program of equitable compensation support in the CTC under the management of The Commission. This program shall be patterned after ¶625 of the 2016 *Book of Discipline*. Based on these guidelines, the following paragraphs shall compose the operating procedure for the equitable compensation program for all the clergy members of the conference; Members in Full Connection, Associate Members and Provisional Members of the CTC serving full time for 2021-2022 conference year.

1. A prerequisite for consideration of salary supplements from the equitable compensation fund shall be the filing with The Commission of a written application (Form EQ1/2021) by the District Superintendent each January 1 or anytime an appointment change occurs in an equitable compensation appointment. The District Superintendent shall certify classification of the clergy and the compensation (using pastoral support & compensation worksheet figures) set by the charge.
2. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between annual conference sessions, the District Superintendent shall file a written request with The Commission. Approved supplements shall then be paid on a pro-rata basis for the part of the year actually served.
3. A church/charge is eligible to receive equitable compensation benefits for a maximum of three (3) years; a one-year extension may be granted by the Cabinet if the charge exhibits progress and potential.
4. The following conditions must be met by the pastoral charge before it can become eligible for consideration to receive supplements from the equitable compensation fund:
 - a. The pastoral charge shall have conducted a stewardship campaign for the local budget of each of its churches during the previous calendar year. This shall be an every member campaign. The Commission will assist in such a campaign upon written request from the charge pastor or District Superintendent.
 - b. All connectional mission giving (CMG) items shall have been paid in full by the local church for the previous calendar year.

c. The charge must have at least 100 members.

In unusual situations The Commission may waive any, or all, of these conditions.

5. The Commission will pay any amount up to 1/4 of the minimum compensation set by the annual conference for each applicant according to his/her ministerial classification. If any exception under paragraph 3 or 4 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by The Commission.
6. Recognizing the growing strain on our smaller churches in providing a full-time clergy that even at minimum equitable compensation the total cost to a local church can run up to \$65,000 annually (plus housing,) we recommend no change in the minimum equitable compensation for 2022.

BASE COMPENSATION AMOUNTS	2021	2022
Member in Full Connection	\$42,400	\$42,400
Provisional Member – non-student	\$36,990	\$36,990
Provisional Member – student	\$34,184	\$34,184
Associate Member	\$36,990	\$36,990
Full-time Local Pastor	\$34,184	\$34,184

7. Rates for adjustment will be considered annually by The Commission and reported to the annual conference. The amounts reflected include the following 6 items found on the pastor's support and compensation form (PSCF):
 - a. Base salary (Part 3.1)
 - b. Utilities (Part 2), which shall be provided with payments made by the local church directly to the utility company.
 - c. Accountable Reimbursement Policy (Part 4.a) with appropriate records and documentation provided to the church.
 - d. Vouchered Travel Reimbursement (Part 4.e) which shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church.
 - e. Additional health premium payments paid by the church above the required premium contribution (Part 4.b).
 - f. Other conference subsidies received but excluding any reimbursement for annual conference expenses or continuing education events.

Note that the amounts in the table above do not include the church's contributions for the pastor's pension, base health insurance or housing.

8. Because Deacons are not guaranteed appointments and must find their own employment within a church, they often negotiate their salary and agree to less than minimum compensation. If so, a signed agreement by the Deacon to accept less than minimum compensation is kept on file with their district office.
9. Housing shall be provided in a church-owned parsonage or provided for with a monthly allowance. In calculating equitable compensation, no more than 25% may be deducted from total compensation as a housing allowance. Exception to this rule may be made for missional considerations.
10. Pastors who are appointed to less than full-time service as addressed in the 2016 *Book of Discipline*, (§ 338.2) shall be eligible to receive salary supplements from the equitable compensation fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in serving the charge. For example, if the pastor is deemed as serving 1/4 of full time, his/her minimum compensation eligibility would be 1/4 of the minimum of his/her conference relationship classification. The

categories of 1/4, 1/2, and 3/4 will be followed in determining less than full-time eligibility for salary supplements from the equitable compensation fund.

11. Ministers who are not eligible for salary supplements are:
 - a. Those whose appointment is other than pastor of a charge.
 - b. Those classified as part-time local pastor.
 - c. Retired ministers.
 - d. No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with a higher compensation, but who persistently prefers, for personal reasons, to remain in a present appointment.
 - e. Associate pastors.
12. The Commission is studying ways in which equitable compensation funds may be used to supplement unusual situations beyond the conference minimum scale to provide assistance for pastors who remain in churches for missional purposes at the request of the Cabinet. We continue in dialogue with the Cabinet about such a policy.

**REPORT No. 2
2021 COMPREHENSIVE BENEFIT FUNDING PLAN SUMMARY**

INTRODUCTION

The 2016 *Book of Discipline* ¶1506.6 requires that each annual conference develop, adopt, and implement a formal comprehensive funding plan for funding its benefit obligations. The funding plan shall be submitted annually to Wespath Benefits and Investments (Wespath) for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from Wespath. This document is only a summary of the information contained in the actual signed funding plan and does not contain all the information required for a comprehensive view of the conference's benefit obligations. You may request the full contents of the 2021 comprehensive benefit funding plan from your conference benefit office.

**CLERGY RETIREMENT SECURITY PROGRAM (CRSP)
DEFINED BENEFIT (DB) & DEFINED CONTRIBUTION (DC)**

Program Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

CURRENT FUNDING PLAN INFORMATION

The Clergy Retirement Security Program (CRSP DB) annuities total liability as of January 1, 2019, is \$(2,075,403,337), while total plan assets are \$2,237,383,068, resulting in a current plan funded ratio of 108%. The Central Texas Conference portion of the liability is 1.31% and the 2022 contribution is \$1,249,177. The conference anticipates that the amount will be funded by CRSP Deposit and direct billing. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The

Central Texas Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2020.

Effective January 1, 2014, the CRSP DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy can earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3% to CRSP DC. The 2020 CRSP DC contribution is anticipated to be \$634,723 and will be funded by connectational mission giving and direct billing.

MINISTERIAL PENSION PLAN (MMP)

Plan Overview: Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when the funds are to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or it may be paid in a lump sum.

Current Funding Plan Information: The Ministerial Pension Plan (MPP) annuities' total liability as of January 1, 2019 is \$(3,721,464,249), while total plan assets are \$4,147,098,325, resulting in a current plan funded ratio of 111%. The required contribution for 2020 is \$0. The Central Texas Conference's percentage of the total liability is 1.0363%. Future MPP annuitants have a total account balance of \$3,373,198,931 and the Central Texas Conference's portion of that balance is \$42,028,645 or 1.25% of the total.

PRE-82 PLAN

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provided clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the conference (and does not terminate), the minimum benefit payable is based on two factors:

1. Years of service with pension credit—approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The Book of Discipline*.
2. The conference pension rate (past service rate)—the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year.)

The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-82 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit, and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated, but the DBSM-based benefit does not change.

Current Funding Plan Information: The 2022 PSR recommended to the Central Texas Conference will be \$710, a 1% increase from the 2021 rate. The contingent annuitant percentage is recommended to remain at the 75% level.

Redirecting funds: At the November 18, 2020 meeting of the Conference Board of Pension and Health Benefits, the Board voted unanimously to redirect \$1 million from the Pre-82 pension plan to the Clergy Retiree Healthcare Plan via the CRSP Plan. This Board action improved the funding status of the Clergy Retiree Healthcare Plan while maintaining the strong financial position of the Pre-82 pension plan.

ACTIVE HEALTH BENEFIT PROGRAM

Program Overview: The Central Texas Conference offers the following active health benefit to its active eligible participants: Self-Funded – HealthFlex.

Current Funding Plan Information: The total cost of the program for 2022 is anticipated to be \$3,367,642 and will be funded by direct billing. It is anticipated that increases for future years will average 7.00%.

Claims Incurred But Not Reported (IBNR) (if applicable): The Central Texas Conference provides the following health plan to its eligible participants: Self-Funded – HealthFlex. As of 12/31/2020, the estimated IBNR claims total is \$0. It is anticipated that increases for future years will average 5.00%. It is anticipated that the IBNR claims, if applicable, will be funded.

Additional Plan Sponsor Funded Coverage: The Central Texas Conference has elected to provide health benefits coverage to the following groups during periods where, without plan sponsor-funded premiums, the participants would not be provided coverage or benefits (all figures as of 12/31/2020):

1. Clergy or Lay on Disability (including Pending Disability); 3 participants at an estimated cost of \$244,692.
2. Surviving Spouses and Children of Deceased Active Participants; 2 participants at an estimated cost of \$26,800.
3. Clergy in The Voluntary Transition Program (VTP): 0 participants at an estimated cost of \$0.
4. Medical Leave: 1 participant at an estimated cost of \$52,434.

The projected annual cost for 2022 for additional plan sponsor funded coverage is \$35,880.

POST-RETIREMENT MEDICAL BENEFIT PROGRAM (PRM)

Program Overview: The Central Texas Conference currently offers a stipend for Post-Retirement Medical coverage for its eligible clergy.

Current Funding Plan Information: The Central Texas Conference intentions for 2022 are to increase the current plan benefit. PRM eligibility and benefits provided are found in the *CTC Journal* under the Conference Board of Pensions report #9 Retiree & Medicare Eligible Health Benefits.

Based on the most recent PRM valuation dated 01/01/2021, the following is the funded position of the PRM benefits:

1. Expected Post-Retirement Obligation (EPBO) net plan sponsor cost	\$10,107,709
2. Accumulated Post-Retirement Obligation (APBO) net plan sponsor cost	\$7,030,456
3. Assets (in-plan and outside) designated for PRM	\$5,392,407
4. Service cost (SC) net plan sponsor cost	\$273,880
5. Unfunded APBO, [3. – 2.]	\$(1,638,049)
6. Number of annual payments	20
7. Portion of unfunded APBO, [5. / 6.]	\$81,902
8. Ongoing funding contribution, [4. + 7.]	\$355,782

Future increases/decreases to the assets or APBO will be funded over the duration of the program as calculated in the PRM valuation report, or five years if not available.

These values are based on a 2.4% long term discount rate, a 4.0% long term expected rate of return on assets, and a valuation year medical trend (inflation rate) of 6.5% with an ultimate medical trend (inflation rate) of 5.0%, beginning in 2027.

In addition to the PRM funding contribution listed above the projected annual plan benefit cost for 2022 (subsidies, HRAs, claims or premiums) is \$125,000.

COMPREHENSIVE PROTECTION PLAN (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) “church plan” funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if they satisfy the eligibility requirements, including full-time appointment with plan compensation of at least 25% of the Denominational Average Compensation (DAC). Plan sponsors may elect to cover participants with three-quarter time appointments and/or to continue to cover clergy who, due to certain leaves or appointments, are not otherwise eligible to continue coverage.

The CPP adoption agreement executed by the Central Texas Conference contains its elections to cover the categories mentioned above.

Current Funding Plan Information: For 2022, the Central Texas Conference has an expected required contribution to the Comprehensive Protection Plan of \$585,000, which is anticipated to be funded by direct billing. The anticipated average increase in future years is expected to be 2.50% per year due to the increase in clergy compensation.

UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP) FOR LAY AND CLERGY

Plan Overview: The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of the United Methodist Church and affiliated organizations. Participants may make before-tax, Roth and/or after-tax contributions through payroll deductions. Participant contributions, various optional plan sponsor contributions and investment earnings comprise the individual’s retirement account balance.

Current Funding Plan Information: Conference office lay employees working an average of 30 hours per week or more are eligible for a plan sponsor-funded pension contribution of 3% of salary. In addition, each lay employee may earn an additional 3% with a 3% personal contribution. The conference’s estimated contribution for 2022 is \$70,000 and will be funded via an amount collected from the conference connectional mission giving shares.

OTHER DEFINED CONTRIBUTION (DC) OBLIGATIONS

Plan Overview: The Central Texas Conference currently offers the following DC benefit(s): Moving Expense Fund – DC Type. The estimated contribution for 2022 is \$60,000 funded via an amount collected from the conference connectional mission giving shares. The anticipated average increase in future years is expected to be 0.00% per year.

CONCLUSION

The 2021 Comprehensive Benefit Funding Plan and this summary document incorporated, to the best of our understanding, the Central Texas Conference’s obligations and funding requirements of the benefits provided to the clergy and laity of the Central Texas Conference.

**REPORT NO. 3
 PAST SERVICE RATE**

In accordance with the changes in the 2016 *Book of Discipline ¶1506*, which outlines the requirements for the Past Service Rate (PSR) for those clergy with pre-1982 service years who qualify for annuity, the conference board of pensions recommends that the PSR for 2022 be \$710, which is a 1% increase in the PSR from 2021. The board has been researching the PSR since 1982. In light of this research, the board is monitoring the annual PSR with the eventual goal of having the annual PSR change recommendation based on a rationale which will both honor our retirees and make the liability demands on the conference sustainable.

Pre-82 Cost of Living Adjustments (Past Service Rate (PSR))

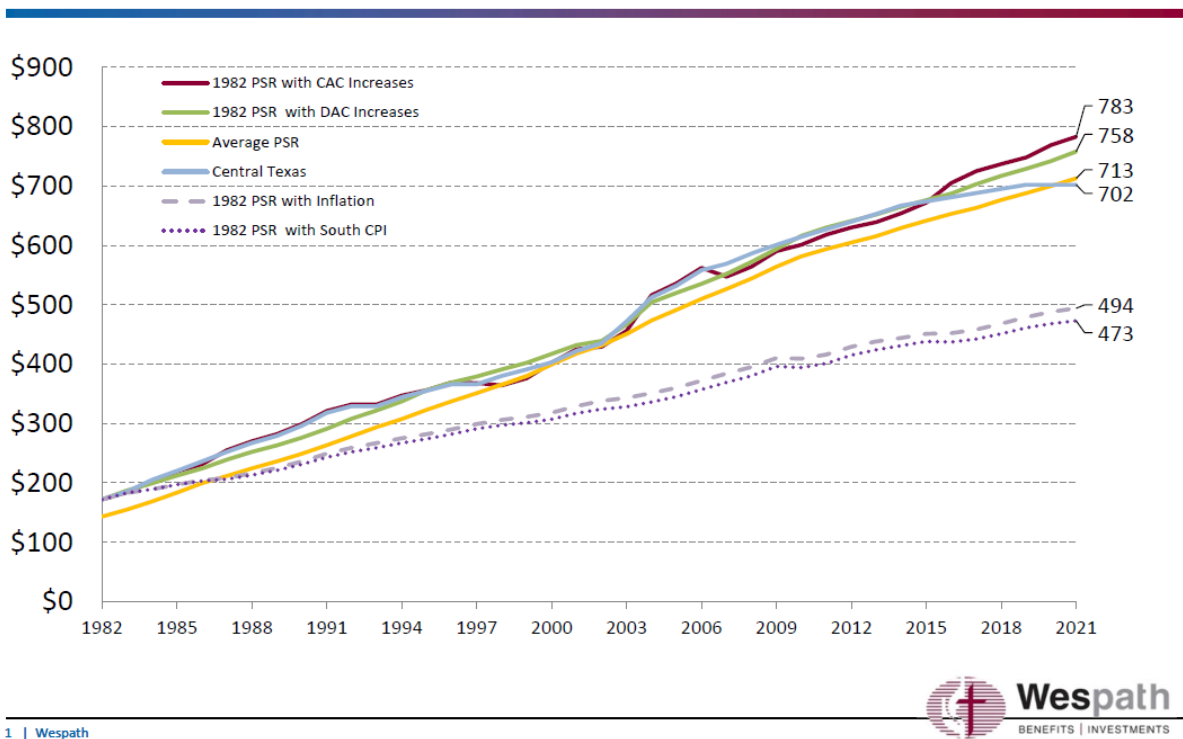

One way of calculating the United Methodist Pension Benefit for those clergy who have clergy years of service in the Central Texas Annual Conference prior to 1982 consists of a defined benefit based upon the number of years of annuity credit prior to 1982. This benefit is calculated by multiplying the number of years of annuity credit by the past service rate (PSR). The past service rate is set by the Central Texas Conference, upon recommendation by the Central Texas Conference Board of Pensions, hereafter referred to as "The Board" for the next year at its annual meeting.

Over the last several years "The Board" has spent extensive time in researching the effects of the PSR and its associated liability to the conference in determining how it should establish its recommendation of the past service rate each year. We want to be fair to those retired clergy with Pre-82 years of service and honor their service to the CTC and the Kingdom of God while at the same time being prudent with the current economic realities of our conference churches. And perhaps just as importantly we all want to have a plan to offer this benefit to our clergy that can be sustained. Some facts that "The Board" discovered are:

- The past service rate has increased faster than the Consumer Price Index, inflation, and the average of all conference PSR's since it was originally set in 1981 for the 1982 year.
- In addition, the past service rate has increased faster than the average salary of clergy in our conference (CAC) and the average of the clergy in our denomination (DAC).
- Our current PSR recommended for 2022 (\$710) is significantly higher than many conferences.
- In Texas government and educational entities and Social Security who are the primary utilizers of the defined benefit in the state, most often use the percentage change in the annual Consumer Price Index to set the amount of the Cost-of-Living Adjustment - COLA.
- In 2008 we were on track for our Pre-82 liability to be 100% funded before the stock market crash which reduced it to 82% funded.

- In 2011 we set a goal of funding at 120% in order to be able to weather potential future stock market storms.
- Currently the Central Texas Conference's Pre-82 benefit is 127% funded at Wespath.
- When the past service rate is increased, there is an increase in the liability associated with that benefit which could trigger an automatic requirement for additional funding. And if there is need for a funding increase that must be paid for prior to the increase.
- Recently the mortality tables to be used in the calculation of the cost of future PSR benefits have changed to utilize a table that recognizes an increase in longer life expectations which are more representative of our current population which in turn increases the liability.
- The following chart shows the correlation of the PSR as defined by the annual CTC increase in reality and the PSR amount had it been adjusted by other methods.

REPORT NO. 4 CLERGY RETIREMENT SECURITY PROGRAM (CRSP)

The Clergy Retirement Security Program (CRSP), effective January 1, 2007, is the pension program for all eligible United Methodist Clergy.

CRSP offers a two (2) component benefit design:

1. **Core Defined Contribution (DC)** – promises a defined amount that is deposited into an active clergyperson’s account with monthly deposits. This benefit distributed at retirement is the accumulated amount plus earnings (losses) in the individual’s account.
2. **Core Defined Benefit (DB)** – promises a specific dollar amount at retirement regardless of market conditions or investment performance. The amount is based on a formula that specifies a monthly retirement benefit to eligible clergy for the remainder of their lives.

Plan provisions effective January 1, 2016:

- Clergy who are appointed ¼ time are not eligible to earn CRSP benefits.
- Provides a monthly retirement benefit using 1.25% of the Denominational Average Compensation (DAC) at retirement multiplied by years of service from January 1, 2007 to December 31, 2013. The multiplier is reduced to 1% for years of service beginning January 1, 2014.
- The defined contribution (DC) component of CRSP is 2% of compensation with a match for participant contributions to the United Methodist Personal Investment Plan (UMPIP) – up to 1% of compensation. Therefore, if a participant contributes at least 1% of compensation to UMPIP, his or her CRSP DC contributions will be 3%.
- The initial dollar amount of the benefit paid to a married participant is reduced to offset the value of spousal benefits. Please note: This change only applies for benefits based on service on or after January 1, 2014. Benefits earned under CRSP prior to January 1, 2014 are not affected. Participants may designate a disabled adult child as a secondary contingent annuitant. After the participant and his or her spouse die, the disabled adult child would continue to receive DB benefits for life. The initial participant benefit would be reduced to pay for this extra benefit.

2022 FUNDING PLAN

By action of the 2012 General Conference, the percentage amount required for the plan was amended, and the following information is the result of implementing the “new” CRSP.

The 2022 financial obligation of CRSP required of the Central Texas Conference is:

- a. Core Defined Contribution – 2% of participant plan compensation plus a matching 1% for a total of 3%.
- b. Core Defined Benefit -- \$1,249,177

The cost of participation in CRSP will remain the same as in 2021 and will continue to be direct billed to the local church for the two (2) core components: (Defined Benefit & Defined Contribution).

- a. Defined Contribution – 3% of each eligible clergyperson’s plan compensation.
- b. Defined Benefit --

Full-time Clergy	\$6,100.00
¾ time Clergy	\$4,575.00
½ time Clergy	\$3,050.00

The Conference Board of Pension strongly recommends that churches with a clergy appointed ¼ time sponsor the United Methodist Personal Investment Plan (UMPIP) with a 12% contribution level for their clergy.

REPORT NO. 5 FUNDING FOR THE ACTIVE HEALTH CARE PLAN

We will continue to direct bill the total active health insurance/dental premium to the local church/conference sponsored agency for the entire year.

2022 Premium Credit Yearly Amounts:

Active Clergy/Lay	\$11,652
Pre-65 Retirees on Active Plan	\$ 1,000
Surviving Spouse	\$ 5,826
Medical Leave of Absence	\$ 5,826

- We will direct bill the total active health insurance/dental premium or the premium credit amount for active clergy/lay, whichever is greater, to the local church/conference sponsored agency for the entire year.

- The entire premium credit amount for clergy in mandated categories appointed to local churches within the conference is to be paid by the local church or the salary paying unit as a benefit (line item in the budget.) This includes all full elders, provisional elders and associate members appointed at least one-half time, full-time local pastors and full-time student local pastors appointed to local churches in the conference, as well as those for whom the conference is the plan sponsor for the pension program such as district superintendents, conference staff appointees, and campus ministers.
- The premium credit amount for full-time lay staff participating in the plan may be cost shared at the discretion of the local church or salary paying unit.
- Any amount above the premium credit amount is the responsibility of the appointee/staff person.
- An optional agreement may be made between the church or salary paying unit and the appointee/staff person for the church or salary paying unit to pay the amount or a portion of the amount over the premium credit.

The conference will pay the premium credit amount for the lay employees of the annual conference. Any amount above the premium credit is the responsibility of the employee.

We will continue to direct bill the total active health insurance, dental, vision and reimbursement account premiums to the local church/conference sponsored agency for the entire year.

REPORT No. 6 PENSION & BENEFIT ARREARAGE REPORT

The conference board of pensions recommends that it continue to actively pursue the issue of pension arrearage utilizing a very fair but stringent examination of each situation to determine what steps need to be taken to assure the integrity of the affected minister's future pension benefits. Each January we will review a report of the accounts showing arrearage for the past year. Each church which does not meet its obligation will report this fact to its charge conference and give an explanation. The district superintendent will keep a record of this action.

The local churches are reminded that pension benefits are, in reality, deferred ministerial compensation which should carry the same urgency in terms of payment as the monthly salary itself. Failure to pay this pension could result in reduced pension benefits. The board feels strongly that if a local church is not able to pay the pension dollars there is a serious question as to whether that church remains a financially viable congregation. In fact, we consider it irresponsible for a congregation to "use" a pastor but are unwilling to assure his or her retirement receipts. ¶639.4 of the 2016 Book of Discipline requires the conference board to keep a permanent record of defaults of the churches in the conference in paying their pension and benefit amounts in full. As of December 31, 2021, we are pleased to report that there were no churches/salary paying units in pension or health insurance arrears. This is notable during these difficult times, and we thank our churches for their efforts.

REPORT No. 7 COMPREHENSIVE PROTECTION PLAN (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability, and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include clergy serving at least $\frac{3}{4}$ time with plan compensation at least 25% of the denominational average compensation (DAC). In addition, there is continuation of CPP for full members, associate members and provisional members on voluntary leave or family leave for a period of one year.

CPP Premium Holiday/COVID-19 Relief Fund

As allowed by the plan, Wespath extended a CPP premium holiday to the annual conferences for May, June, and July of 2020. The CPP premium holiday was provided by Wespath to assist conferences during this time as they support the local churches. The Conference Board of Pensions determined that the best use of these CPP funds in the Central Texas Conference was to establish a COVID-19 relief fund to extend relief to our local churches who are struggling to cover compensation, benefits, and other expenses. However, the board also decided that, should any church feel that they wish to have their CPP contributions for May, June and July of 2020 returned to them, their request will be honored. Any church finding themselves in need of assistance from the COVID-19 relief fund should contact their district superintendent.

Death Benefit Amounts for the Plan Year 2021 & 2022

The following generally describes the death benefit amounts payable under the terms and conditions of the CPP to eligible participants and their beneficiaries. If you are not sure of your eligibility to receive these benefits, please call Wespath at 800-851-2201. In the event that there is a discrepancy between the information printed in this Journal and the CPP Plan Document, the plan document always governs.

The Conference Board of Pension recommends that every person update their designation of beneficiary form at least every five years, or upon a change of appointment for active clergypersons, or upon any life changing event (marriage, death of a spouse, divorce, etc.) This can be done online through Benefits Access for Participants.

**REPORT No. 8
CONFERENCE ACTIVE GROUP HEALTH INSURANCE PROGRAM**

The Central Texas Conference is now in our seventeenth year of providing medical and pharmacy benefits through HealthFlex, sponsored by Wespath and administered by BlueCross BlueShield of Illinois and Optum RX, and we continue to be very satisfied with the program. In 2016, to align with the changing health care landscape, we entered the HealthFlex Exchange. HealthFlex Exchange, a private exchange, gave participants greater choice across more HealthFlex plans with varying designs and premium costs. When combined with comprehensive online and telephonic support resources, HealthFlex Exchange gives flexibility to choose coverage that best fits the participant's health needs, financial needs, and financial situation. HealthFlex Exchange encourages greater accountability by

participants for health care costs and utilization, while retaining the valued HealthFlex benefits and wellness opportunities that participants have come to expect.

The Central Texas Conference Board of Pensions designated a non-taxable Premium Credit (PC)—a fixed dollar amount for each HealthFlex participant. Participants used the allocated PC amount to “shop” for a health plan and pay for some or all premiums for the HealthFlex plan of their choice. The PC appeared as a “credit toward purchase” when choosing a HealthFlex plan from all available HealthFlex plan designs. Participants who chose plans costing *less than* their Premium Credit amount are “banking” the overage. The unspent PC balance is credited by HealthFlex to the participant’s health reimbursement account (HRA) or health savings account (HSA), depending on the health plan selected. The annual overage amount (i.e., unspent PC balance) is not credited in a lump sum; rather, it is available on a *prorated, monthly basis* over the plan year. Internal Revenue Code (IRC) limits for annual HSA contributions apply. Participants who chose plans costing *more than* the Premium Credit amount are seeing a monthly cost, which may commit them to paycheck deductions from their salary-paying unit (SPU) to cover the cost difference between the PC amount they receive and their higher actual cost for monthly premiums (i.e., the participant’s share of the premium cost).

ACTIVE HEALTH PLAN ELIGIBILITY

Our health insurance plan will continue to be a mandatory program administered according to the HealthFlex rules for mandatory conference programs.

Those clergy for whom the program is mandatory are:

- Elders, provisional elders, and associate members (appointed at least ½ time).
- Full-time local pastors appointed to local churches in the conference.
- Full-time student local pastors appointed to local churches in the conference.
- Those in the above categories for whom the conference is the plan sponsor for the pension program such as district superintendents, conference staff appointees, and campus ministers.

Those clergy for whom the program is optional are:

- Deacons serving at least ½ time are eligible for coverage at the Salary-Paying Unit (local church) level under a Sub-Adoption Agreement but are not mandated.

Clergy not included in the plan (and thus not allowed insurance through the Conference):

- Elders, provisional elders, and associate members appointed less than ½ time.
- Those appointed to extension ministries other than those named above.
- Part-time local pastors.
- Part-time student local pastors.

The Conference Board of Pensions reserves the right each year to choose the optional categories of appointments to be selected to best serve the needs of the conference. Where a clergy person in a mandatory category chooses to waive the program, the church/charge served by that clergy person will be assessed a minimum contribution equal to the premium credit (PC) amount for the year to be paid monthly. This is to ensure the stability of the program so it will be in place for other clergy who will serve that church/charge.

Medical Reimbursement Accounts (MRA), Dependent Care Reimbursement Accounts (DCA) and Health Savings Accounts (HSA) are offered as a benefit through HealthFlex. Only those enrolled in the HealthFlex health plans may participate.

VOLUNTARY & INVOLUNTARY LEAVE

Those clergy on Voluntary Leave have the option to remain covered on the active health plan for a period of one year and then, upon termination, they can elect to stay on the Continuation Plan for 18

additional months. Those on Involuntary Leave lose eligibility for coverage immediately but may elect to stay on the Continuation Plan for 18 months. Both categories of leave will be direct billed to the participant at the full premium rate and payment will be made to the conference by automatic bank draft from the participant's personal account.

LAY EMPLOYEES

Lay employees normally scheduled to work 30 hours or more per week may be eligible for coverage at the Salary-Paying Unit (local church) level under a Sub-Adoption Agreement if risk pool requirements are met. The risk pool rules apply to lay employees on an employer-by-employer basis. Surviving spouses and dependents of covered lay employees deceased on or after January 1, 2009 may be eligible for coverage as long as they are a covered participant at the time of death and that option is elected by the Salary-Paying Unit and will be responsible for the entire premium. A new spouse acquired by a surviving spouse, lay or clergy, is not eligible for benefits through the conference.

Health Measures Rewards Opportunity: 140 Total Wellness Credits: Health measures are assessed by the 2021 Blueprint for Wellness screening **between January 1 and August 31, 2021**—completed at a local Quest Diagnostics lab, via a Self-Collection Kit or by submitting the *Physician Results Form*. In order to protect individual privacy, other means of reporting the health measures will not be accepted. Participants can earn up to 140 Wellness Credits for 2021 Blueprint for Wellness health measures that fall within the American Heart Association (AHA) recommended range or show improvement over their 2020 Blueprint for Wellness results. Earn 20 Wellness Credits each for recommended or improved results on each of the seven key health measures.

BLUEPRINT FOR WELLNESS SCREENING

The Blueprint for Wellness biometric screening by Quest Diagnostics involves a blood draw followed by lab analysis. HealthFlex will deposit \$100 Pulse Cash in your Virgin Pulse account when you complete the Blueprint for Wellness (BFW) screening. The screening must be completed between **January 1 and August 31**. The \$100 Pulse Cash incentive is only for participants and spouses in HealthFlex PPO, CDHP, and HDHP plans. Please allow up to 30 days for PulseCash to be credited to your Virgin Pulse account.

HEALTH CHECK

The Health Check is an online health assessment questionnaire taken from **January 1 – August 31**. It helps to evaluate your risk for common health concerns, such as heart disease, diabetes, depression, and high cholesterol. Identifying risk levels helps you prioritize your health goals and puts you in a better position to take steps that may lower your risk. Completing the Health Check takes 20 minutes or less, but its benefits—improved well-being, enhanced vitality, and prudent stewardship of Church resources—can be long-lasting. By taking the HQ in 2021, you will avoid a higher 2022 deductible— save \$250/\$500. If your spouse is also covered by HealthFlex, he or she also must complete the Health Check during this timeframe to avoid the higher deductible. Taking the Health Check by August 31, 2021 is the only way to avoid the higher medical plan deductible in 2022.

HEALTH & DENTAL BENEFITS/RATES 2022

ACTIVE HEALTH PLAN RATES

The conference health plan ended the 2020 plan year with a claims loss ratio of 85% which means that the cost of claims paid in 2020 was less than the premium dollars collected by 15%. Here is a look at the loss ratio for the last few years:

2020	85%
2019	120%
2018	130%
2017	109%

Rate setting is based upon a 25-month look back so, while our claim loss ratio was excellent in 2020, an unfavorable claims history resulting in a loss ratio that exceeds 100% affects rates for the next several years. As such, our rate increase for 2022 is 7% on average and so we are able keep the premium contribution amount in 2022 the same as it is in 2021.

2022 Local Church Waiver of Optional Family Coverage

As a further means of determining the impact of the Affordable Care Act (ACA) on our clergy, their families and their participation in the HealthFlex Exchange, we initiated a pilot program in 2017 (up to a maximum of 10 churches) to enable the local church (and our annual conference) to experience the use of alternative health coverage options for clergy families. Participation in the pilot program required the agreement of the Conference Board of Pension and Health Benefits (CBOPHB,) the cabinet, the local church pastor-parish relations committee (PPR) and the approval of the church council or equivalent church administrative body. This program will continue in 2022.

1. Beginning July 1, 2020, the administrative body of a local church may make a request of the CBOPHB, in the form of a waiver, to be exempt from offering family coverage for health care. The CBOPHB, at its discretion, will decide the appropriateness of each request. **Note to the**

local church: Exemption from offering family coverage would exempt **ALL** clergy and lay employees, of a church sponsored health plan, from family coverage, not just those in HealthFlex.

2. Any church interested in participating in the pilot program may request an application from the conference benefits officer (CBO). All completed applications requesting the waiver must be received no later than September 1, 2021.
3. Any church currently participating in the program will continue unless a termination request is received no later than September 1, 2021.
4. The decision of the CBOPHB will be made by September 15, 2021 in order to allow all those affected to make adequate plans prior to charge conference and annual enrollment in November.
5. All new waivers granted will become effective January 1, 2022.
6. Under no circumstances does this exempt those eligible clergy or a local church from being enrolled in the mandated conference health plan.

REPORT No. 9

RETIREE & MEDICARE ELIGIBLE HEALTH BENEFITS

The Conference shares the funding of the Retiree Health Benefit Program for eligible retired participants with the retired clergy and spouses. The Conference Retiree Health Benefit Program assumes participation in Medicare Parts A and B and is designed to extend certain benefits beyond what Medicare pays.

SERVICE REQUIREMENTS FOR CLERGY RETIREE HEALTH BENEFITS

The conference will provide access to coverage to the clergy retiree and his/her eligible spouse if the following service requirements have been met (these rules are in effect for any clergyperson who retires after Annual Conference June 2002).

At the time of retirement, the clergyperson must:

- Have been working in at least $\frac{3}{4}$ time appointment as a full member of the Central Texas Conference or as a full-time local pastor eligible for retirement per the *Discipline* and the rules of the annual conference.
- Be a member of the Central Texas Conference, serving in a local church or one of its "Conference Responsible" agencies.
- Have at least five (5) years of ministerial service in the Central Texas Conference and ten (10) years of service in the United Methodist Church. A waiver of the five (5) year requirement for service in the Central Texas Conference may be considered by the Central Texas Conference Board of Pensions upon recommendation of the cabinet.
- Be participating in the conference-sponsored health plan at the time of retirement (HealthFlex or Via Benefits.)

Surviving spouses of deceased, retired clergy are eligible as long as they are a covered participant at the time of death. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for retiree benefits through the conference.

RETIREE/MEDICARE ELIGIBLE HEALTH PLAN 2021 & 2022

Effective January 1, 2013, the Central Texas Annual Conference and Wespath began partnering with Via Benefits (formerly One Exchange) to provide plan advice and enrollment assistance in choosing Medicare supplemental health coverage and prescription drug plan in the open market. Through this arrangement the participant is responsible for paying premiums, but eligible participants are assisted with premium and out of pocket expenses by the Central Texas Annual Conference through a Health Reimbursement Account (HRA) funded specifically for the participant. Retirees and spouses must be a participant in the Conference health plan at retirement to continue with conference health benefits

after retirement. PLEASE NOTE: Participants must enroll, and remain enrolled, in a supplemental health plan through Via Benefits to have access to the HRA. **Enrolling directly with a health plan provider, outside of Via Benefits, will result in the loss of HRA eligibility. Once HRA eligibility is lost, the participant will not be allowed to regain this benefit.**

RETIREE/MEDICARE ELIGIBLE HEALTH PLAN FUNDING 2021 & 2022

For those eligible clergypersons and their eligible spouses, the conference will fund a Health Reimbursement Account (HRA) up to a maximum of \$1,000 per year/per person in 2021, and \$1,100 in 2022, for early and full retirees based on their years of ministerial service in the United Methodist Church. Surviving spouses of deceased clergy are eligible for the HRA as long as they are a covered participant at the time of death. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for retiree benefits through the conference.

Years of Service (full years)	2021 HRA Amount (per year per person)	2022 HRA Amount (per year per person)
0-9	\$ 0	\$ 0
10-19	\$ 400	\$ 440
20-29	\$ 700	\$ 770
30 or above	\$1,000	\$1,100

For those eligible clergypersons and their eligible spouses who retired before January 1, 2008, the conference will fund the HRA at the maximum amount per person.

PRE-65 RETIREE FUNDING – 2021 & 2022

If, at the time of early or full retirement, the eligible clergyperson or spouse is less than 65 years of age and has been covered under HealthFlex for the five consecutive years just prior to retirement, they are eligible to remain on the active plan. A Premium Contribution (PC) amount of \$1,000.00 per year in 2021, and \$1,100 per year in 2022, (pro-rated for a partial year) will be provided by the conference to offset the cost of the active health plan premium. The premium, less the PC amount, will be direct billed to the retiree who will make payment to the conference by automatic bank draft from their personal account.

A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for retiree benefits through the conference.

OPTING OUT AT RETIREMENT

If, at the time of retirement, a retiree has other employer-sponsored group health coverage (e.g., through a spouse’s employer), he/she may decline retiree coverage and retain the ability to receive retiree health benefits at a future date. If the retiree loses his or her coverage, it is the retiree’s responsibility to notify the conference within 30 calendar days of loss of other coverage. If this 30-day requirement is not met, the retiree will forfeit the ability to receive retiree health benefits through the conference at a future date. If an eligible retiree without other employer-sponsored group health coverage declines coverage at the time of retirement, the retiree will forfeit the ability to receive retiree health benefits through the conference at a future date. **PLEASE NOTE: Participants must enroll, and remain enrolled, in a supplemental health plan through Via Benefits to have access to the HRA. Enrolling directly with a health plan provider, outside of Via Benefits, will result in the loss of HRA eligibility. Once HRA eligibility is lost, the participant will not be allowed to regain this benefit.**

MEDICARE SECONDARY PAYER – SMALL EMPLOYER EXCEPTION

Beginning January 1, 2009, and affirmed again at the 2015 Annual Conference, the Central Texas Conference elected the exception that allows a multiple employer plan to exempt certain individuals from the Medicare secondary payer rules for the working aged. This election helps reduce costs incurred by the conference and the overall HealthFlex program. This exception applies to clergy, lay employees and spouses who are 65 years of age or older, entitled to Medicare due to their age, and have coverage under the HealthFlex program through an employer (local church or conference sponsored entity) who employs fewer than 20 employees. For those individuals affected by the exception, Medicare will be the primary payer of their claims beginning the first day of the month they attain age 65 (or the first of the month following approval from Medicare), even if still an active employee, and the participant will no longer be eligible for coverage under the active plan. Eligible clergy and spouses will be assisted in choosing their Medicare supplemental coverage through Via Benefits. Due to the Affordable Care Act limitations, the conference is unable to offer a Health Reimbursement Account (HRA) to accompany this plan effective January 1, 2015. Participation in the Medicare supplemental policies through Via Benefits satisfies the requirement of conference health plan participation for clergy retirement benefit purposes. Eligible lay employees and spouses, 65 years of age or older, will also be moved from the active plan to the open market. They also have access to Via Benefits to assist them if they choose.

LAY RETIREE/MEDICARE ELIGIBLE COVERAGE

Beginning with a retirement date of January 1, 2009 or later, a lay employee whose active service has ended and who has completed a minimum of five years of continuous and uninterrupted coverage in HealthFlex immediately preceding the date of retirement and is less than 65 years of age at the time of retirement, may continue on the active plan if so elected by their salary paying unit on the Sub-Adoption Agreement. This will also apply to any eligible family members covered at the time of retirement. The lay employee will be responsible for the entire premium which will be direct billed to the lay retiree who will make payment to the conference by automatic bank draft from their personal account.

Surviving spouses of retired, deceased lay employees are eligible for coverage as long as they are a covered participant at the time of death and are responsible for the entire premium. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for benefits through the conference.

Lay retirees/spouses who are 65 years of age or older will have access to Via Benefits to assist in the move out into the open market, but they will be responsible for their entire premium. Lay retirees are not eligible for an HRA.

OPTING OUT OF SOCIAL SECURITY

We continue to have a concern for clergy who may have opted out of the Social Security system. It is imperative that those persons be Medicare eligible when they turn 65, or they likely will not be able to obtain any medical insurance. Some who have opted out may have this eligibility through a spouse or through enough previous employment. However, it should also be noted that eligibility for Social Security disability payments differs from the requirements for retirement and Medicare benefits. If a pastor is considering this course, they should investigate these matters very carefully.

**REPORT No. 10
SUSTENTATION FUND**

By action of the 2007 Annual Conference a sustentation fund was established as part of the benefit program through the Annual Conference Board of Pensions and Health Benefits. The fund represents a tangible expression of a collegial relationship among clergy under appointment in the conference to provide transitional aid. The fund is to provide needed resources and temporary financial assistance to clergy and to assist local congregations in times of clergy transition.

In order to maintain confidentiality, resources from the sustentation fund may be used with the recommendation of the cabinet for:

- Vocational counseling for clergy exiting ordained ministry.
- Temporary salary and/or benefit support for clergy under suspension or exiting ministry.
- Special assessment and intervention strategies to restore clergy to effectiveness.
- Provision of interim ministry supply.
- Support of a crisis response team for congregation/church staffs in times of crisis.
- Other unique needs to support clergy effectiveness/clergy families.

In the case of clergy going on leave of absence, the cabinet, executive committee of the Board of Ordained Ministry and/or the clergy session of members in full connection in accordance with the *2016 Book of Discipline* ¶354.1 may approve resources from the sustentation fund for use.

In the case of clergy taking Honorable Location or Administrative Location, resources from the sustentation fund may be used upon recommendation of the Board of Ordained Ministry in accordance with the *2016 Book of Discipline* ¶359.1 and ¶363.3 (b)(4), respectively. The Board of Ordained Ministry or its executive committee may also make a request to the cabinet for the use of sustentation fund resources in other situations to provide resources or transitional support for clergy.

The sustentation fund is included in the 2021 budget presented to annual conference. As a point of information, the funds are underwritten with an amount of .25% of the total annual conference plan compensation collected from CTC churches through the connectional ministry budget of the conference.

Fund Balance 12/31/2020: \$35,451

**REPORT No. 11
GRANT SUPPORT FUND FOR CLERGY**

A support fund has been established to provide grant money to clergy and surviving spouses of clergy (including lay supply) to assist with catastrophic, unanticipated medical expenses.

1. Grant monies may be available to clergy and surviving spouses of clergy (including lay supply) from the Conference Board’s Consolidated Grant Fund, as well as other available resources. Clergy with unanticipated medical expenses may also qualify for assistance from the Farmers Fund with Wespath. Conference grant application forms can be obtained from the conference

benefits administrator and should be sent to the conference benefits officer at the conference service center.

2. Funds and earnings on deposit with Wespath shall be restricted for providing clergy benefits programs and funding retiree benefits.

Fund Balance 12/31/2020: \$127,130

GUIDELINES FOR THE CONFERENCE SUPPORT FUND GRANT APPLICATION

The following guidelines shall be used in reviewing and approving a support fund grant application:

- An individual may receive one grant in a calendar year.
- A grant will only be approved for a one-time emergency¹ situation due to catastrophic, unanticipated medical expenses.
- A grant will not be approved if a previous grant was made for the same emergency situation.
- Distressed clergy members of the Central Texas Annual Conference, their spouses or surviving spouses (including lay supply) are eligible to apply for a grant. The term “clergy member” is interpreted to mean both active and retired conference members. Lay supply and their spouses are eligible while serving a local church.
- A grant should only be requested to supplement health care insurance if all other resources have already been utilized. This also applies to requests to cover deductibles or co-payments.
- An application must be completed by the participant or a person authorized² to act on the participant’s behalf.
- The Central Texas Conference Board of Pension and Health Benefits shall review the application.
- The grant amount will be based on the need of the individual request. Each request will be reviewed on an individual basis based on need. The Board of Pensions will decide on the amount of the Grant to be awarded.

¹ An emergency is defined as an “unforeseen combination of circumstances or the resulting state that calls for immediate action; a pressing need.”

² Authorized: Power of attorney or agreement between participant and conference officer, or a court appointed guardian.

NOTE: Support fund grants received from the Central Texas Conference Board of Pension and Health Benefits may be considered taxable income due to the relationship between the clergy person and the annual conference.

REPORT NO. 12 VOLUNTARY TRANSITION PROGRAM (VTP) FOR CLERGY

The Voluntary Transition Program (VTP) authorized by the 2012 General Conference and offered by Wespath to provide eligible clergy with a financially supported method to withdraw from ministry was effective January 1, 2013 through December 31, 2020. The program is no longer available.

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation; and

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which includes all such payments from Wespath, during the period **January 1, 2022 through December 31, 2022**, by each active, retired, terminated, or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergyperson or former clergyperson is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

CONFERENCE RELATED STRUCTURES/ENTITIES INSURANCE

The board of trustees takes seriously its responsibility to verify that the conference insurance coverage is current. To that end, a review of all the conference insurance policies has been completed, and we are satisfied that the conference insurance coverages are adequate. The

conference insurance broker of choice continues to be Bart Tucker of Roach, Howard, Smith, and Barton in Fort Worth at 1-800-295-6607. We encourage all conference churches to annually review their insurance coverage to make sure that it meets their current needs and periodically to examine their local church coverage and get a review and rate quote.

CONFERENCE ELECTRIC AGGREGATE PLAN

Electric utilities in the state of Texas were deregulated effective January 1, 2002. Deregulation offered the opportunity for the churches of the Central Texas Conference to join together to purchase electricity. All the churches of the conference have been invited to participate in this effort. To date approximately 300 CTC entities have enrolled, and the program continues to be beneficial with the benefits of achieving scale, the ability to anticipate costs in budgeting, and protection against the volatility of natural gas prices and future cost increases. Since our first contract that began in 2008, our price of electricity per kilowatt hour (kWh) has decreased with each new contract. You can see by the following chart how our group program has benefitted our churches with each successive contract implementing decreases in electrical costs.

<u>Contract Term</u>	<u>Per kWh Hour</u>
2008 - 2013	0.0749
2013 - 2015	0.0588
2015 - 2016	0.0566
2016 - 2018	0.0499
2018 - 2021	0.0408
2021 - 2027	0.03892

Remember there are two factors that determine your monthly billing:

1. Energy Charges. This charge is the deregulated part of your bill and was negotiated through a competitive bid process conducted by the CTC service center. This charge is noted on your bill as "ENERGY" and is calculated by multiplying your kWh usage for a particular month times the conference contract rate which is 0.0408.
2. Transmission, Distribution, Utility (TDU) charges. These charges are the regulated part of your bill. These are set by the Public Utility Commission of Texas (PUCT) and are non-negotiable. These charges are referred to as "pass through" charges and are the same no matter the name of your Retail Electric Provider (REP). The conference REP is Reliant Energy. However, they have no control over these regulated charges. Reliant simply passes along the bill that is sent to them by ONCOR, which is the TDU company.

There are many components that make up this TDU part of your bill. However, the one that is by far the largest is the "DEMAND" charge. Demand is defined as the total number of watts that hit your meter at any point in time. So, for instance, on Sunday morning to turn all your lights and air or electric heat at the same time that will be for most the highest demand. This could affect your bill for the next 12 months. Each month you will be billed the higher of your current month Demand reading or 80% of your highest demand reading over the past 12 months. For example, if you hit 150KW on the hottest Sunday in August and that was the highest Demand reading over the past 12 months then you will be billed \$5.00 times 150 = \$750.00. Now suppose that in Jan, Feb, Mar, and Apr you hit between 50 and 75 KW demand each month. For each of those months you will be billed 80% of the last twelve months peak which in our example would be 150 X 80% = 120. 120X\$5.00= \$600.00.

As you can see if you reduce your peak Demand permanently you can reduce your demand charges for all the remaining months. (For more detailed information please call the conference service center)

LANDMARK POLICY

Pursuant to the 2016 *Book of Discipline* ¶2512.7, the “Establishment of Annual Conference Policy with Regard to Government Landmark Efforts to Designate Church Owned Property as Landmarks”, policy was approved at the 2011 Annual Conference Session. It can be found in the 2012 Conference Journal beginning on page 274.

MINISTRYSAFE

As we make disciples of Jesus Christ, we must act very intentionally to protect children and youth from sexual abuse. To do so, the CTC adopted in 2014 the MinistrySafe abuse prevention system as the foundational policy for all CTC churches and ministries. In 2019, the CTC adopted a revised set of MinistrySafe policies, which were implemented in all CTC churches no later than January 1, 2020. This abuse prevention system requires screening of employees and volunteers including an application, interview, reference check, and criminal background check. In addition, the system requires online training to help people better understand how to prevent sexual abuse and provides tools to help churches monitor compliance.

The conference trustees and the conference MinistrySafe oversight committee are working to ensure that local churches are following their MinistrySafe policies.

To find information or ask questions:

- The CTC MinistrySafe oversight committee meets at least quarterly to answer questions, clarify policies, and plan training and support opportunities. Any church with a question for the MinistrySafe oversight committee should contact the conference service center.
- To find MinistrySafe policies, resources, and support visit: ctcumc.org/ministrysafe.

Together, we continue to grow into our vision that our churches are informed and prepared for ministry with the best safety practices available.

CHURCH INSURANCE COVERAGE

Conference policy requires that each church in the charge carry adequate property, liability, and Workers’ Compensation Insurance on pastors and other employees. If a pastor (or other worker) receives a work-related injury, health insurance will not pay on what should be a worker’s compensation claim. In addition, regular liability insurance will not pay or protect a church against such a gap in coverage. Please, if you do not have workers’ compensation coverage, check with our conference agent, Roach, Howard, Smith and Barton (1-800-295-6607) in Fort Worth, or any agent of your choosing.

We encourage churches to survey the insurance coverage that they now have and compare it to the minimum coverage standards (listed below) we feel are imperative for your church to minimize risk. Certainly, there may be good reasons for your church to carry a different amount than the minimum. As always consult with your local church insurance agent or call the Conference Service Center for more information. We also encourage you to routinely shop your insurance needs and compare it with new policies and new carriers. We remind churches that a required part of charge conference reporting is a report from the trustees, which lists insurance coverage and deed recordings.

For help in determining whether your local church insurance is adequate please use the following link to the General Conference Finance and Administration (GCFA) website for a worksheet.

**CENTRAL TEXAS ANNUAL CONFERENCE
LOCAL CHURCH MINIMUM INSURANCE RECOMMENDATIONS**

The 2016 *Book of Discipline* ¶2533.2 requires local church trustees to annually review and report to the charge conference on the existence and adequacy of local church property and liability insurance coverage “to ensure that the church, its properties, and its personnel are properly protected against risks.” Since 1797, the *Book of Discipline* has provided that the property and assets of local churches are held in trust for the benefit of the denomination. Inadequate insurance puts local church property and assets at risk, including the denomination’s trust interest therein. Therefore, trustees of the Central Texas Conference, representing the denomination’s trust interest, have adopted the following minimum insurance recommendations for local churches **:

COMMERCIAL PROPERTY & LIABILITY PACKAGE POLICY, to include the following minimum limits:

PROPERTY

- Buildings, organs & contents insured to replacement value, “special risk” coverage.
- All church buildings should have an updated replacement cost valuation every five (5) years.
- The replacement cost valuation must be dated within 180 days if additional square footage is added.

LIABILITY

• Commercial General Liability	Occurrence	\$1,000,000	Aggregate	\$3,000,000
• Pastoral Counseling Liability	Occurrence	\$1,000,000	Aggregate	\$3,000,000
• Hired and Non-Owned Auto Liability	Occurrence	\$1,000,000	Aggregate	\$3,000,000
• Employee Benefits Liability (EBL)	Occurrence	\$1,000,000	Aggregate	\$1,000,000
• Medical Payments		\$10,000		
• Sexual Misconduct Liability	Occurrence	\$1,000,000	Aggregate	\$1,000,000
• Crime / Employee Dishonesty	Occurrence	\$25,000		

DIRECTORS & OFFICERS (D&O) POLICY, including the following minimum liability limits:

- Directors & officers/employment practices liability (EPL) \$1,000,000 (including sexual harassment)

UMBRELLA POLICY (Excess Liability) – An Umbrella/Excess Liability policy is suggested for all churches, and should a congregation be over 500 members it is highly encouraged.

If applicable, this excess policy must extend over Commercial General Liability, Pastoral Counseling, Employee Benefits Liability, Owned Auto, Hired & Non-Owned Auto and Workers Compensation. A higher per occurrence limit may be appropriate based on specific risk characteristics such as church size and/or scope of operations and ministries.

WORKERS’ COMPENSATION/EMPLOYERS LIABILITY INSURANCE POLICY, as required by state law:

- | | |
|-----------------------------|---------------------------|
| • Bodily Injury by Accident | Each accident \$1,000,000 |
| • Bodily Injury by Disease | Policy limit \$1,000,000 |
| • Bodily Injury by Disease | Each Employee \$1,000,000 |

COMMERCIAL AUTOMOBILE LIABILITY, applicable only if the church owns an automobile; to include the following minimum limits:

- Limit of Liability \$1,000,000

There may be good reasons to have different amounts of coverage or even different coverages than those recommended. Please consult with your insurance agent or call the Conference Service Center 817-877-5222 with any questions.

THE TEXAS OPEN CARRY LAW FOR CONCEALED HANDGUN HOLDERS & CTC MINISTRY POLICY

The Open Carry Law for Concealed Handgun Holders (“Open Carry Law”) became effective January 1, 2016. This law authorizes an individual who possesses a concealed handgun license issued by the state of Texas or by a state that Texas recognizes to carry the handgun in plain view in a public place as long as the handgun is carried in a shoulder or belt holster.

Property owners may prohibit the entrance onto their property by a person licensed to openly carry a handgun by providing verbal or written communication of the prohibition. The written communication may be a card, document or sign posted on the premises of the owner. The sign would be required to: (1) include in English and Spanish the statutory warning prescribed in the Texas Penal Code, (2) have contrasting colors with block letters at least one inch in height, and (3) be displayed in a conspicuous manner clearly visible to the public at each entrance to the property.

Examples of signs which meet the statutory requirements for prohibiting both concealed and openly carried handguns are in the 2016 CTC Journal, board of trustees report p. 324. Signs can be purchased online or can be “homemade” as long as they meet the statutory requirements. ¶3426.11 in the *Book of Resolutions* states, “reflecting the traditional role of The United Methodist Church that has been one of safety and sanctuary, every United Methodist Church is officially declared a weapon-free zone.” Believing that the open carry of handguns on church property is inconsistent with an atmosphere of prayer and worship, safety and sanctuary, it is the recommendation of the conference board of trustees that oral and/or written notice be given in accordance with the statute prohibiting the “Open Carry” of handguns in churches of the conference. We make no recommendation regarding the prohibition of concealed handguns on church property and suggest that this be left up to individual congregations. It is our further recommendation that, in addition to whatever normal security churches provide during worship services and other activities occurring on church campuses, trained personnel, whether ushers or others, be designated as persons to assist in the event of a disturbance or an apparent violation of the notices the churches have posted with regard to the presence of guns on the property.

In addition, recognizing that the church is not a building, the church is the people and the ministry that we undertake both within the church building and outside in the mission fields of our communities and world. We remind everyone that by vote of the 2016 CTC annual conference for all ministries sponsored by the Central Texas Conference, i.e. CTCYM and conference children and youth events, mission trips, disaster response and VIM events, etc., (these are not meant to be the exclusive/exhaustive list of ministries but are examples) are to be declared a weapon free zone.

AFFILIATED INSTITUTIONAL REPORTS

METHODIST CHILDREN’S HOME

TREY OAKLEY, PRESIDENT

Greetings from Methodist Children’s Home (MCH) and the children, youth, and families we serve. Thank you to all the churches of the Central Texas Conference for your ongoing prayers, gifts and actions that empower MCH to find effective and innovative ways to fulfill our mission and exceed best practice standards for childcare.

I invite each of you to visit our website at MCH.org. There you can download stories, identify resources, view a transparent listing of our financial resources and services delivered, find out how to refer a child for placement, or learn more about a call to join our ministry.

When MCH launched its new organizational strategic plan, no one could have imagined we would be dealing with a global pandemic threatening every aspect of our society. Thanks to God's care, the dedication of our staff, the resiliency of those we serve and the resources you have entrusted to us, MCH has done much more than endure the COVID-19 crisis – we have flourished. We have approached this challenging time as another opportunity to make innovative moves and develop strategies that empower services to continue uninterrupted.

The vision of MCH is to empower all we serve to experience life to the fullest; our mission is to equip children, youth, and families to flourish by offering hope through Christ-centered relationships, services, and support. We live these out by providing the care, programs and talented individuals needed to positively impact the lives of those we serve. This is happening every day in residential programs and through 13 MCH Family Outreach offices, including Waco, Killeen and DFW.

Here are some of the things you helped MCH accomplish for God's glory and those we serve:

- Launched the Staff on Standby (SOS) program, designed for employees who do not serve in direct childcare roles to lend their support by assisting with short-term projects and childcare needs. The goal is to alleviate additional burdens placed on childcare staff during COVID-19 and to provide employee engagement opportunities that support our mission.
- As shelter-at-home protocols were ordered, staff from MCH Family Outreach offices across Texas and New Mexico served families as they would in the event of a natural disaster. Case managers increased their visits to client families to provide essential supplies.
- Opened the fourth and fifth new homes on our Waco campus as part of the Building Hope capital campaign and began construction of four new homes, designed with trauma-informed research in mind.
- Achieved designations of the Platinum Seal of Transparency from Guidestar and a four-star charity rating from Charity Navigator. These designations recognize our commitment to excellence and efforts to conduct our work with the utmost integrity and transparency.
- Named as a TBRI® Ambassador Organization by the Karyn Purvis Institute of Child Development at Texas Christian University. TBRI® is an attachment-based, trauma-informed intervention designed to meet complex needs of vulnerable children. Ambassador Organizations are key partners with long-term relationships with the Purvis Institute.
- Entered a collaborative partnership with One Heart Project (OHP) to provide holistic, evidence-based mentoring for youth in the MCH residential and aftercare programs in Waco.
- Strengthened our collaboration with The Cove – Heart of Texas, Inc., who moved its operations to the first floor of the MCH Family Outreach Center in Waco. The Cove serves high school-aged youth without access to housing by providing access to resources they need to thrive. With a common focus to equip and empower youth, this collaboration will strengthen both nonprofits and the Waco community at large.

Our achievements in the past and those yet to come are directly related to the people who give their time, talents, and resources to bless our children. The following from the Central Texas Annual Conference serve on the MCH Board of Directors:

Dr. Jeffrey Clark, Temple
Dr. Clifton Howard, Ft. Worth
Mr. Les Leskoven, Corsicana

I am excited for what is next for MCH and trust the future for our ministry is bright. May God continue to bless MCH and the ministries of the Central Texas Conference.

LYDIA PATTERSON INSTITUTE
EL PASO, TEXAS
SOCORRO DE ANDA, PRESIDENT

It is my honor to submit a report of the only institution of the South Central Jurisdiction to your conference. It is my wish to thank the bishop and the members of the conference for the committed support to Lydia Patterson in the past year.

The year 2020, has been one unlike any other in my 36 years serving this ministry. We have endured many crises before such as drug wars, violence, peso devaluations, border and immigration issues, and other pandemics but none as terrifying as COVID-19. This time the lives of our students and staff were threatened. This time, we knew not how to attack it.

In early March, we closed our doors to keep our students and staff safe. By God's grace and not knowing that He had a hand in what was to come, we had computerized our classrooms about four years prior. Going from on-site to on-line was done within 24 hours. We encountered some glitches, like students without internet or computers at home. We moved fast to provide them with tablets and "hot spots" so that no student would be left behind. The plan, of course was to return to the classroom in a few weeks. The few weeks turned into months and months to a year. We did manage to celebrate the Class of 2020 with 69 graduating seniors. Of the 69 seniors, 69 are in college today.

We began the fall semester with a drop in enrollment. Parents were struggling to pay tuition. By then, many were unemployed and had lost loved ones to the pandemic. Our job was to see that our students returned and that we were there to make it possible. We moved swiftly to raising more scholarships. The uncertainty of the situation was alarming, and many parents opted to keep their children home.

Teachers and staff are heroes and heroines. They have done an amazing job of keeping the students focused and on course. A few students may be falling behind, but they will receive extra help during the summer to catch up. This administration will seek funds so that these students can attend tuition free and jump back on board.

The past twelve months have been a test to our faith. We, at Lydia Patterson, did not lose faith. While in the middle of the pandemic, we completed a soccer practice field with green grass and colorful pergolas to welcome the students when they return. We remodeled the music room so that the students would have something positive and with optimism to return to. The students, parents, teachers, have all endured such pain, that we moved to bring back hope. We have all lived through horrifying times, but it is our faith that will get us through. While we went to virtual learning, we maintained our weekly devotionals on Zoom. For the past year, the staff has gathered to pray every single day.

We look forward for when the students can return to some type of normalcy. We look forward for the students to enjoy sports again and participate in extracurricular activities. The lay ministry students anxiously await the time to go out and serve in the local churches. We look forward to a normal graduation when we can celebrate the amazing student body that Lydia Patterson has. We look forward to your visit to our campus, whether it be on a mission trip or simply to experience firsthand the sanctity of this ministry.

God is good all the time. We have received many good wishes and prayers from our supporters together with financial support for our students. We will survive. My most sincere appreciation to all those kind people that have thought about us while trying to keep their own house safe. My gratitude goes out to all our supporters on behalf of every student at "La Lydia".

TEXAS METHODIST FOUNDATION

TOM LOCKE, PRESIDENT

The pandemic brought great hardships to United Methodists in Texas and New Mexico in 2020, but it also provided great opportunities to be in mission with the most vulnerable among us. Since relationships have always been at the center of TMF's ministry, we were encouraged by all the ways churches and nonprofits creatively maintained, developed, and strengthened their relationships with their communities despite unprecedented and prolonged challenges. To support their work, TMF created a Microloan Program, offered special grants through the COVID-19 Response and Recovery Fund, moved Leadership Ministry opportunities online, and made a Loan Assistance Program available to loan clients. We were grateful to extend these resources and walk alongside so many agents of change in an unpredictable year.

John Mollett, TMF Senior Area Representative for the Central Texas Conference, is the primary contact and bridge between congregations (clergy and laity) and TMF. As a partner in ministry, he connects members of the Central Texas Conference to relevant resources unique to their goals for missional growth within congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches, and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

Within the Central Texas Conference:

- Loans to churches in the Central Texas Conference totaled \$49.1 million at the end of 2020.
- Four churches in the Central Texas Conference participated in the TMF Microloan Program, seeking \$70,000 in microloans.
- Churches and agencies, not including individuals, within the Central Texas Conference had \$28.9 million invested in the Methodist Loan Fund.

Throughout Texas and New Mexico:

- As of December 31, 2020, total assets under management by TMF were \$709.7 million.
- Methodist Loan Fund investments ended the year at \$334.9 million, and our loan portfolio at \$305 million.
- TMF's Undesignated Endowment ended the year at \$68 million.
- Highlighting a significant year of financial support for TMF was a grant of \$1 million from Lilly Endowment, Inc. The Lilly grant to TMF's Leadership Ministry will launch the Courageous Congregations Collaborative (C3).
- In response to the global pandemic, TMF established the COVID-19 Response & Recovery Fund. The COVID Fund received \$492K in donor support highlighted by two separate challenge grants of \$100K and \$125K.
- Gifts to TMF, including our Leadership and Grants Ministries and the undesignated endowment, totaled \$2.15M.
- TMF continued its planned giving work with individuals and families to support their family philanthropy. In 2020, donors directed \$1.445M in gifts (endowments, donor-advised funds, charitable gift annuities, and trusts) to support their most cherished churches and nonprofits.
- TMF distributed, or had available for distribution, approximately \$3,165,000 from 470 permanent endowments to named endowment beneficiaries. There was approximately \$1,363,000 available for grants from 93 endowments.
- During 2020, the TMF Grants Ministry funded approximately \$2.1 million in support of 124 grant awards to churches and nonprofits. Of that total, \$1.2 million came from restricted endowments and the remainder from TMF Operations, and funds raised for the newly established COVID-19 Fund. A new COVID-19 Committee was formed to determine grant awards related to the pandemic. Unlike any other year, all funds that could be awarded toward COVID-19 efforts were released without restrictions. This amount was estimated at \$825,000.

The Grants Committee of the TMF Board of Directors determines distribution decisions for the discretionary funds.

- TMF's Leadership Ministry works to equip leaders for deep change through facilitating conversations of courage, learning, and innovation. Some of these conversations take the form of on-going peer groups and others as stand-alone conversations around an adaptive issue. These peer relationships offer fresh perspectives, renew their sense of calling and embolden them for courageous leadership. During 2020, TMF's Leadership Ministry joined the rest of the world in pivoting to online gatherings. Our cohorts have continued meeting in the digital space, staying connected to each other for support, learning and encouragement. Remarkably, we also launched two new cohorts through the Courageous Leadership Imperative (CLI). As a complement to our CLI initiative that works with leaders, TMF received a grant from the Lilly Endowment for their Thriving Congregations initiative. In this project, which we are calling the Courageous Congregations Collaborative or C3, we will gather teams to exercise and flex five adaptive muscles needed for this post-pandemic season. Additionally, in July of 2020, TMF welcomed the Rev. Dr. Blair Thompson-White as the Director of Leadership Ministry and the Rev. John Thornburg as the Director of Learning.
- Though this year of COVID has brought substantial loss, it has also provided great opportunity for improvement and innovation. Fueled by the desire to encourage and support, the TMF team of area representatives has continued to remain steadfast and loyal to those they serve. As walk-beside partners in ministry, the team equips and empowers faith communities as they live into their God-appointed mission. Though grounded by the pandemic, the eight representatives, who normally travel Texas and New Mexico, making over 2500 visits, found a way to pivot. A pivot that led to the nurturing of deeper relationships and the provision of much needed services. All within the virtual space. By providing financial best practices, cultivating legacy generosity plans, and nurturing cultures of generosity the improvement work flourished. Churches who desired to nurture purpose and innovation leaned on the process of discernment guided by this question, "What difference is God calling us to make in this time and in this place?" Engaging both informal conversation and contracted services church leadership used Holy Conversations (4-6 months with a team of 7-9) and Holy Excavations (half-day workshop with 20-25 people). The TMF Area Representatives remain excited by the mission, inspired by God's call into the future and poised to walk the journey with you no matter where the path may lead.

THE WESLEYAN

MARK LENHARD, PRESIDENT AND CEO

While Wesleyan Homes' 58th year of ministry presented both challenges and opportunities that we could not have ever anticipated, we were prepared and able to navigate the uncharted and sometimes life-threatening circumstances because of the many gifts with which God has blessed this ministry, including the generous support that we receive from churches and individuals around the Central Texas Conference.

This is my fourth year serving as president of The Wesleyan and my 29th year working in the field of aging services. In my entire career, I've never been prouder to work alongside those who are called to serve the oldest among us. As 2020 was commencing, we had just modified our name to The Wesleyan to reflect our long history as a faith-based non-profit and an expanded array of residential and health services. With our board and partners, we were preparing to implement a strategic plan that included adding and growing several facets of our ministry. The future looked bright.

When the World Health Organization declared COVID-19 a pandemic on March 11, 2020, The Wesleyan's focus shifted to ensuring a safe and healthy environment for our residents and teammates, amid an unfolding health crisis. An already complex operation of approximately 400 teammates serving nearly 600 residents and clients through independent living, assisted living, memory care, long-term care, skilled nursing, rehabilitation, home health, caregiver services and hospice, faced myriad daily challenges attending to the needs of those we serve, while also fending off a disease that could be life-threatening for our vulnerable population. Supporting the physical, mental, social, and spiritual health of those we serve has always been a privilege, but perhaps never more than during the darkest moments of 2020.

When life as we knew it was constrained, it was more important than ever for The Wesleyan to help fulfill God's desire that all may have life and live abundantly. You may be familiar with our Benevolent Fund, which helps ensure that a person who has exhausted their financial resources does not have to move out of their home. That fundamental commitment to care for one another during difficult circumstances took on new meaning as we all had to look after our neighbors to keep one another from contracting COVID-19.

With a dedicated team tirelessly serving and supported by an incredible board, The Wesleyan is emerging from this difficult year still strong, still sound. As we look to the future, we are deeply committed to this ministry that was conceived decades ago and the ways we might be the hands and feet of Jesus Christ meeting the ever-changing needs of the elderly and those who are called to serve them. We want to strengthen our relationships with each of you and invite you to join us in our mission of supporting abundant life for all. Most of all, we give thanks to God and you for entrusting us with this important work.

PROVIDENCE PLACE

JUDITH BELL, PRESIDENT AND CEO

On behalf of our board of directors, staff, and the people that we serve in our many programs, I thank you, Bishop, and the members of the Central Texas Annual Conference for your dedication in partnership with the ministry of Providence Place. By God's grace, we celebrated our 125th anniversary in 2020 during a pandemic and have continued to provide and expand our services thanks to the committed support from individual donors and United Methodist Churches. We have been able to be a blessing to our community and to continue our important work despite these difficult times, and we couldn't have done it without you.

Providence Place started in 1895 as a refuge for women and children who were the neediest in our community, and back then the Methodist churches and conference joined with us to provide food, shelter, and adoption services to our most vulnerable women. After 125 years, we are still providing adoption services and have placed over 6000 babies in loving, forever homes. We have expanded our adoption services to include foster care and in 2020, we opened a residential program for young women who are aging out the foster care system.

Our Parenting with a Purpose outreach program has expanded to serve over 2000 women and young children each year in the San Antonio and surrounding rural areas. We provide free diapers, formula, counseling, case management and parenting classes to help families during difficult times and to strengthen them to face their many challenges.

Our residential program for women survivors of trafficking, sexual or domestic violence, My Mariposa Home, is going strong. We are celebrating our two-year anniversary offering this program, and our first group of survivors have graduated and are moving out into the community to live their lives as God intended, safe and feeling supported and loved.

And this year, 2021, we are opening a short-term shelter serving homeless youth, providing services to them to stabilize their lives and reintegrate them into our community. Our commitment to vulnerable women, children and families continues as does our partnership with our Methodist congregations and supporters...serving together to end trauma and to spread God's love. We are so lucky to have so many dedicated partners who support our work and want to see it thrive for future generations in need.

I encourage you to schedule a tour of our beautiful 25-acre campus, arrange a speaker for your congregation or church group, and request offering materials for an annual church offering. TEXAS HEALTH RESOURCES

BARCLAY E. BERDAN, CHIEF EXECUTIVE OFFICER

Building on our heritage in the United Methodist and Presbyterian churches, Texas Health Resources is driven by its Mission to improve the health of the people in the communities we serve. Being a faith-based, nonprofit health system, improving health means caring for the whole person—body, mind, and spirit.

Because of the COVID-19 pandemic, many pastoral activities were modified over the last year. These stories highlight Texas Health's innovative response to providing care for the whole person during the COVID-19 crisis.

Linking Patients with Loved Ones

Family members longing to see patients at Texas Health hospitals were able to connect with them virtually, with the help of chaplains and caregivers. Through video chat on tablets, patients were able to connect with loved ones restricted from visiting during the pandemic.

Elizabeth Watson-Martin, Vice President of Faith and Spirituality Integration, said despite the visitation restrictions, Texas Health made sure family members of dying patients were provided safe opportunity to be at the bedside of their loved one. "It took careful coordination with infection control, nursing, palliative care and other departments to make this happen, but we did it. It was the right, caring thing

to do. I'm proud to be part of a Texas Health team that lives out its values of compassionate care even in the most trying circumstances," she said.

Parking Lot Baptism

A man scheduled for major surgery at Texas Health Harris Methodist Hospital Hurst-Euless-Bedford called the hospital asking to be baptized before his procedure. Chaplain Jacquetta Chambers, a United Methodist Church elder, offered to perform his baptism.

Because COVID-19 precautions prevented the man from coming into the hospital until surgery, Chaplain Jacquetta and the patient met instead in the hospital parking lot.

There, Chaplain Jacquetta sprinkled water over the patient, saying, "I baptize you in the name of the Father, the Son and the Holy Spirit." The special moment had everyone crying and the experience, Jacquetta said, "shows me people are still seeking God in this turbulent time."

Clinical Pastoral Education Goes Virtual

Due to safety restrictions, Texas Health's Clinical Pastoral Education (CPE) programs pivoted from in-person to virtual seminars. Supported by certified CPE Educators, chaplain interns and residents learned to conduct virtual pastoral visitation with in-patients and their loved ones through electronic media. CPE students continued to be valuable members of the Pastoral Care teams.

Faith Community Nursing Gets Creative

Texas Health's Faith Community Nurses (FCN) adapted activities during the pandemic, but never stepped away from their intentional care of the spirit combined with traditional nursing practice.

Leaders developed informational materials about the virus including instructions for completing an advance directive. "We wanted to help people make their wishes about their care known in the event they couldn't speak for themselves," said Caryn Paulos, MSN, RN-BC, senior director, Faith/Community Health Improvement.

FCN collaborated with nursing schools to help student nurses get the clinical practice they needed when they were not permitted in hospitals due to safety precautions. At flu vaccine clinics, adapted to drive-through formats, students trained in vaccine administration and FCN received much-needed assistance. Of the 65 drive-thru locations, more than a dozen were hosted by Methodist churches.

In a year none of us will forget, Texas Health's spiritual roots helped anchor and keep us strong as we cared for 7 million residents in our North Texas service area.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

DR. DARRELL LOYLESS, PRESIDENT

This has been a year of distance. Those things that generally bring us together have been severely impacted by the spread of the COVID-19 pandemic. Life in our churches and on college campuses now requires that we maintain social distance, do distance learning, and otherwise call for the separation of our fellowship.

Yet, the support of young men and women in our universities through church-related scholarships continues. Not only does it provide an avenue for the next generation of United Methodist students to study at our institutions, it also provides hope that an education is still possible, even in the face of hard economic times brought on by the pandemic.

The total distribution to our Texas United Methodist College Association colleges this past year was

\$162,000. These funds that were granted to McMurray University, Southern Methodist University, Southwestern University, and Texas Wesleyan University are restricted to scholarships for deserving students from United Methodist congregations in Texas. As always, no funds are used for brick and mortar. Many of our students continue to be first-generation college students.

While the support from any one congregation may be small, the impact of those funds in combination with all the other Texas congregations is enormous. TUMCA scholars continue to receive hope, affirmation, encouragement, and the development of servant-leadership skills that will serve well the church-at-large while individual churches chart new ways to close the theological, social, and medical distances that challenge us today.

TUMCA continues to be an extension of our United Methodist congregations' mission, and we are grateful for their support. We are continually blessed to work with our scholars and the supporting congregations in the transformation of the world.

GENERAL BOARD OF HIGHER EDUCATION AND MINISTRY

REV. GREG BERGQUIST, GENERAL SECRETARY

The General Board of Higher Education and Ministry (GBHEM) announced its blueprint for the future, "Our Road Reimagined," in 2020. The plan details the realignment of GBHEM's culture and organizational structure to allow the agency to further its mission in a more effective, innovative, and sustainable way. The creation of the plan was the result of a months-long process to survey and remodel the agency to set a course that is more collaborative, diverse, and equitable at all levels.

While our approach is transforming, GBHEM's mission is not. We remain committed to helping United Methodist lay and clergy leaders discover, claim and flourish in God's call on their lives.

Over the last quadrennium, the world, The United Methodist Church and our constituents' needs have changed considerably. To address those shifting needs, we are adapting culturally, strategically, and operationally to successfully carry out our important mission and ministry well into the future. We are developing an innovation mindset we know will be important moving forward.

- Last fall, GBHEM began carefully redesigning our organization to transition to a more cross-functional culture with three primary areas of focus: **Constituent Relations and Services; Product Innovation and Implementation; and Administrative Relations and Services**. This structure is allowing us to be more effective, agile, and sustainable.
- Further, these changes are aligning our Ordained Ministry and Higher Education teams strategically, creating more intentional collaborations, and building greater connections between the Church's pastoral and academic ministries.
- The agency's realignment also includes initiatives to reinvigorate our commitment to diversity, equity, and inclusion, and further strengthen our global focus. Our new structure opens the door for fresh opportunities, collaborations and partnerships and becoming more entrepreneurial and creative in our approach.

GBHEM looks confidently to the future. We are taking bold steps to remain good stewards and evolve in service to Christian leaders in a significant way throughout the Church, the Academy, and the world.

Regardless of the shifts and changes we are all experiencing, the same spirit of service and leadership that first inspired John Wesley lives on in each of us. We have been called in new and transformative ways. GBHEM is excited to share more with you in the months ahead. We invite you to connect and collaborate.

COLLEGES & SEMINARIES

AFRICA UNIVERSITY

MUTARE, ZIMBABWE

JAMES H. SALLEY, ASSOCIATE VICE CHANCELLOR FOR INSTITUTIONAL ADVANCEMENT

Africa University is grateful to the Central Texas Conference for investing 68.95 percent of the asking to the Africa University Fund in 2020. Thank you for faithfully and generously supporting the ministry of Africa University. By sharing their blessings, especially in challenging times, Central Texas United Methodist congregations participate with the students, lecturers, and administrators of Africa University in disciple-making by example.

The multilayered impact of COVID-19 and the resulting public health crisis have brought about profound and lasting adjustments to how we live, work, serve and connect. For Africa University, these include:

- A shift to online-only teaching and learning from late March through December 2020. As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competency-based student assessment tools.
- Gifts totaling more than \$300,000 from across the United Methodist connection were designated for COVID-19 relief efforts. These second-mile gifts enabled Africa University to care for about 300 international students who were stranded on its campus and extend assistance to students whose families were experiencing financial hardships.
- Excellent student retention and modest enrollment growth, with a 99 percent uptake of online learning by students. More than 3,000 students enrolled for the 2020-2021 academic year—16 percent more than the previous year—with 2,395 studying full-time. Fifty-seven percent of full-time students were female, and 24 percent were international.
- Innovation, outreach, and service through:
 - The development and distribution of masks and hand sanitizer (of its own design/formulation), that have now been certified for commercial production.
 - The launch, via a web application, of farm to household delivery of fresh produce, meat, poultry, and milk products by the Africa University Dream Farm Trust.
 - Two student-led initiatives—"Feed a Family" and "Ben Hill UMC Women's Residence Girl Child Support Program"—provided medical care, food, and school fees assistance to vulnerable families in the wider community. Campus and home-based students gave up meals, raised additional resources, procured supplies, and organized safe distribution to families.
- The successful completion of two new buildings—the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women's dormitory.

Africa University's online campus is here to stay, thanks to infrastructure upgrades and the lessons learned in 2020. Africa University is working to grow its pan-African footprint and impact through new programs, partnerships, and a blend of in-person and online learning options.

Thank you, Central Texas United Methodists, for helping to prepare young leaders to be "an aroma that brings life" to a world that is crying out for justice, compassion, healing, and wholeness (2 Corinthians 2:14-16). In journeying alongside Africa University in ministry, Central Texas United Methodists are the church in the world—seeding hope and sharing the love of Christ. You affirm that when we are all in it together, God's grace is indeed sufficient. To God be the glory.

SOUTHWESTERN UNIVERSITY

Ratification of Trustees

As stated in the University By-Laws, "Conference trustees are nominated by the University's board of trustees, upon recommendation to the board's trusteeship committee, and elected by their respective conferences." Conference confirmation of "trustees at large" is no longer required by the By-Laws.

The following names are submitted to the Central Texas Conference for election or re-election:

- Dr. Dale T. Knobel, nominated by the Board of Trustees for re-election to a three-year term concluding 2024.

Conclusion

I would like to take this opportunity to personally invite you to visit Southwestern and experience, in person, our vibrant intellectual community.

CANDLER SCHOOL OF THEOLOGY

ATLANTA, GEORGIA

JAN LOVE, DEAN & PROFESSOR OF CHRISTIANITY & WORLD POLITICS

Since our founding in 1914, Candler School of Theology at Emory University has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ. We continued our work even through this most difficult year, with the coronavirus continuing its march around the world, a reckoning for racial injustice rolling across our nation, and a toxic, divisive political atmosphere challenging our civic life. Perhaps there has been no better year than this to underscore the importance of faithful and creative leaders for the church's ministries throughout the world—the type of leaders we form at Candler.

Though our mission remains unchanged, the pandemic has necessitated many changes in how we undertake that mission. Through these efforts, we and our students have gained deep experience in being flexible, adaptable, and creative as we respond to the demands of ever-changing contexts—experience that not only serves us well now but will continue to serve us and our ministries far into the future.

Candler is one of 13 official seminaries of The United Methodist Church, yet true to the Methodist tradition of ecumenical openness, we enthusiastically welcome students from 44 denominations, with 46% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 483 from 12 countries and 37 states, 44 percent persons of color (U.S.), and a median age of 27 among MDivs. This diversity is a rich blessing, and this year we created a new staff position of assistant director of student life for diversity, equity, and inclusion.

We offer six single degrees (MDiv, MTS, MRL MRPL, ThM, DMin) and ten dual degrees. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees.

Alleviating student debt through generous financial aid remains among our top priorities. In 2019-2020, we awarded nearly \$6.6 million in financial aid, with 100% of MDiv and 98% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, and master of religious leadership students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program.

The demands of the pandemic did not diminish Candler's robust schedule of events. Candler's Black Church Studies program celebrated its 30th anniversary with a yearlong slate of online lectures and panel discussions. We also launched The Candler Foundry to make theological education accessible to all, through short and semester-length courses taught by Candler faculty, videos, and discussion

guides to spark conversation in groups or one-on-one, and Facebook Live panel discussions connecting theology with current issues in the world.

Candler's ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

DREW UNIVERSITY THEOLOGICAL SCHOOL

MADISON, NEW JERSEY

MELANIE JOHNSON-DEBAUFRE, INTERIM DEAN

As with most other schools in the northeast of the U.S., Drew University evacuated its campus in early spring 2020 in response to the COVID-19 pandemic. Drew Theological School faculty and staff adapted to this challenge with resilience, compassion, and creativity. The Theological School faculty put their courses all online, led development workshops for faculty across the university, and, in order to accommodate our many international admits who would not be able to enter the United States for fall 2020, designed an asynchronous Master of Divinity program. As a result of this work, the Theological School welcomed 147 new students, its largest entering class in a decade, with an enrollment of 380 for the current academic year. Our chapel team has also led the way in creating online worship experiences that connect the Drew community now across the globe. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who go all over the world to take their place as the next generation of faith leaders and change agents.

DUKE UNIVERSITY DIVINITY SCHOOL

DURHAM, NORTH CAROLINA

L. GREGORY JONES, DEAN

Edgardo Colón-Emeric, the Irene and William McCutchen Associate Professor of Reconciliation and Theology, Associate Dean for Academic Affairs and Director of the Center for Reconciliation will become Dean of Duke Divinity School (DDS) July 1, 2021. Dean Gregory L. Jones will leave DDS to become president of Belmont University.

DDS announced a new hybrid version of its Master of Divinity (M.Div.) program that will give students the opportunity to earn the M.Div. degree without relocating to Durham, N.C. The first cohort will begin in fall 2021.

DDS welcomed the largest incoming class in school history with 257 new students from 35 different states and seven countries. Our Master of Arts in Christian Practice (28 students) and Doctor of Ministry (52 students) programs received record enrollments. The Master of Theology (13 students), Master of Theological Studies (34 students), and Doctor of Theology (6 students) had strong enrollment. Our new Certificate in Theology and Health Care will enroll 6 students. Across all degree

programs, 31 percent of the incoming class identified as a race/ethnicity other than white. The M.Div. degree program gained 113 new students.

2020 witnessed an expansion of DDS's partnerships, including the Kern Family Foundation partnership with the Office of Wesleyan Engagement to provide accelerated pathways for undergraduate students to pursue the M.Div. degree at Duke. DDS welcomed its first cohort at Martin Methodist College. The Americas Initiative, a fellowship of organizations, scholars and practitioners convened by the Center for Reconciliation, works on peacebuilding among Latin American and Latinx communities, particularly those of Indigenous and African descent. The five-year Black Pastoral Leadership Collaboration, begun in the fall of 2019, is working to harness the research and experiential wisdom of Black pastoral leaders through a leadership school and practical theology archiving project.

DDS sought to reckon in deeper ways with systemic racism and injustice and sought opportunities to strengthen its partnership work across Duke University. A Story Listening and Gathering project solicited alumni, students, faculty, and staff to share stories of how race and racial discrimination affects DDS to inform the school's broader anti-racism efforts. A new Race and the Professions Fellowship, in partnership with the Kenan Institute for Ethics, and the Churches Promoting Recovery Project, in partnership with the Theology, Medicine, and Culture Initiative, provided opportunities for students to deepen their vocational formation and reimagine community transformation beyond campus.

DDS hired eight new faculty members in 2020. Peter Casarella is a Professor of Theology. Sarah Barton is an Assistant Professor of Occupational Therapy and Theological Ethics. Quinton Dixie is an Associate Research Professor of Church History and Black Church Studies. Zebulon Highben is Associate Professor of the Practice of Church Music. Alma Tinoco Ruiz is a Lecturer in Homiletics and Evangelism and Director of the Hispanic House of Studies. Janet Martin Soskice is the William K. Warren Distinguished Research Professor of Catholic Theology. Norbert Wilson is Professor of Food, Economics, and Community. Wylin D. Wilson is an Assistant Professor of Theological Ethics.

Dr. Viera will also serve as professor of Education and Leadership. He succeeds Dr. Lallene Rector, who served as president for seven years, and after a year-long sabbatical she will return to her position on the seminary's faculty as a professor of psychology and religion.

Garrett-Evangelical continues to extend its service to the church through its centers and institutes which are focused on equipping leaders with the resources necessary to thrive in ministry and public leadership, and on influencing the moral, theological, and ethical conversations in the public square. This year we launched the Institute for Ecological Regeneration which seeks to help churches and local communities address the global climate crisis with theological and ethical integrity and creativity. It joins the Styberg Preaching Institute, the Center for the Black Church Experience, the Stead Center for Ethics and Values, the Ruben P. Job Institute for Spiritual Formation, the Hispanic-Latinx Center, and the Asian/Asian-American Ministry Center as vital hubs of spiritual innovation and theological renewal for the good of the Church and the world.

SAINT PAUL SCHOOL OF THEOLOGY

LEAWOOD, KANSAS & OKLAHOMA CITY, OKLAHOMA

NEIL BLAIR, PRESIDENT

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution, online and on-campus, in Kansas and Oklahoma.

This past year, we have all faced new challenges amid these unsettled times. Saint Paul School of Theology began the 2020-2021 academic year offering students an online option for all courses. With many students choosing to attend class solely online, our student council created a monthly "Chat & Chew" where students, faculty, and staff come together to eat lunch and talk about life, seminary, and ministry. In addition, Rev. Rod Newman, our Oklahoma Campus Chapel Coordinator, crafts a weekly community prayer to provide encouragement and faithfulness as the school seeks to provide spiritual formation in new ways.

In February, Saint Paul held the 2021 Slater-Willson Lecture online featuring Rev. Dr. Miguel A. De La Torre. His lecture, "Why Do They Come?" explored the political, economic, and social causes of our current immigration crisis. Before the lecture, Rev. Dr. De La Torre participated in a student-led forum, entering a conversation centering around the practical aspects of ministry and immigration. Later in April, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a lecture given by Dr. Sammy G. Alfaro, Associate Professor of Theology at Grand Canyon University and Pastor of Iglesia Nuevo Dia (New Day Church), on the "Pastoral Strategies for Ministering Among Latinx Immigrant Communities." And for the first time, on May 22, Saint Paul held a virtual commencement celebration with videos, cap and gown photos, online congratulatory messages from friends and family, and a commencement address by Rev. Chebon Kernell. The class of 2021 had 22 graduates, including 16 Master of Divinity and 1 Doctor of Ministry graduates. Due to the pandemic, for safety concerns, Saint Paul has postponed our 60th anniversary celebration. However, we have rescheduled the event for Friday, October 22 and look forward to coming together as a community for a safe, in-person gathering.

Through a board initiative related to diversity and inclusion, Saint Paul created a working group on Native American theology and ministries comprised of Native theologians and church leaders. Their efforts are focused on how the church and academy can work together toward healing generational trauma related to the spread of Christianity and the genocide of Indigenous North Americans.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking more to answer the call. We are a seminary that offers online and on-campus classes with a flexible schedule to help our students manage pastoral leadership demands in the 21st century. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

UNITED THEOLOGICAL SEMINARY
DAYTON, OHIO
KENT MILLARD, PRESIDENT

“I am about to do a new thing; now it springs forth, do you not perceive it?” — Isaiah 43:19

It appears God is doing some new things at United Theological Seminary, even in the midst of health, racial, and political crises.

God is doing a new thing at United financially. United continues to make progress toward its goal of becoming debt-free by the seminary’s 150th anniversary on October 11, 2021. Thanks to the faithfulness and generosity of alumni/ae and donors, less than \$1 million remains of the original \$4 million mortgage debt. After the mortgage is paid in full, the seminary plans to convert those mortgage payments into money for student scholarships.

God is doing a new thing in enrollment. Over the last five years, United’s Doctor of Ministry program has grown by 48%, from 170 students in the 2016-17 academic year to 251 in 2020-21. In Fall 2021, Dr. Elvin Sadler, General Secretary of the African Methodist Episcopal Zion Church, will become the Associate Dean for Doctoral Studies, upon the retirement of Dr. Harold Hudson who has been a vital leader at the Seminary for seventeen years.

God is doing a new thing with partners in church renewal. In the 2020-21 academic year, United has partnered with Fresh Expressions US and the Mosaix Global Network to introduce two new Houses of Study. These houses oversee specialized tracks in the Doctor of Ministry and Master of Divinity programs. Rev. Dr. Michael Beck is director of the Fresh Expressions House of Studies, and Dr. Harry Li is director of the Mosaix House of Studies.

In collaboration with the Northwest Texas Conference of The United Methodist Church, United also introduced Rooted/Enraizados, a certificate program for coaches and mentors of Hispanic/Latino church planters. In 2020-21, the program served students from more than five annual conferences.

God is doing a new thing with the establishment of The Bishop Bruce Ough Innovation Center. Beginning in 2021, the Innovation Center honors the ministry of Bishop Bruce Ough by providing a hub of learning for church leaders seeking the framework, support, and courage to introduce the Gospel of Jesus Christ in new and creative ways. Rev. Sue Nilson Kibbey joins United as the inaugural director of the Innovation Center.

United’s prayer is that United Methodists will perceive the new things that God is doing in our communities, congregations, and ministries as we strive to make disciples of Jesus Christ for the transformation of the world.

WESLEY THEOLOGICAL SEMINARY
WASHINGTON, DC
DAVID McALLISTER-WILSON, PRESIDENT

For the world, 2020 was a year like no other. Amid a global pandemic, resurgent racism, mass unemployment, and politically challenging times in the US, Wesley remained committed to fostering wisdom and courage, preparing graduates to lead innovative ministries while remaining grounded in our biblical and theological traditions for the sake of God's inbreaking kingdom. Here are some of the ways we are accomplishing that with our many partners in this mission.

Research projects support community engagement and envision future ministry

Wesley is pleased to announce new opportunities for UMC congregations to explore, clarify, and pursue thriving in their communities. The Source Collaborative is working with three cohorts of regional congregations in a two-year process of prayer, community engagement, congregational visioning, and coaching. The Religious Workforce Project studies religious work in congregations across several denominations to understand current and future needs and to adapt resources and training accordingly. The Wesley Innovation Hub has worked with 18 congregations in the greater D.C. area to connect with young adults outside the church.

Using research and partnerships to reach and equip the next generation of ministers

Wesley is ready to work with you as we make theological education more accessible and relevant to the realities of ministry today.

Wesley provides \$2 million annually in scholarships via regular merit awards, ranging from 25% to 100% tuition with stipends, including full-tuition scholarships for people recommended by WTS alumni, campus ministers, or Christian service ministries; Next Call in Ministry scholarships for students working in a non-ministry setting for at least 10 years; and Generación Latinx Scholarships for emerging Latinx leaders for ministries within and beyond the church. Our Community Engagement Fellows program prepares students to engage in entrepreneurial, community-based ministry, with a generous stipend available for each Fellow.

Take your ministry to the next level

The Certificate for Children and Youth Ministry and Advocacy (CYMA) is a non-residential certificate completed in 12 - 15 months via online classes and up to two residential sessions. The Certificate in Faith and Public Life explores the foundations of public theology, religious freedom, and civil discourse.

Wesley's premiere Doctor of Ministry programs include three new 2022 tracks: Ministry in a Digital Age; Justice, Compassion, and Witness in a Turbulent World (Cambridge, UK); and a program focused on Latinx ministry. We are also offering 2022 cohorts for popular DMin areas of focus: Military and CPE Chaplains, Global Church Leadership program, and "Church Leadership Excellence."

Enrich your congregational outreach and explore new dimensions of ministry

The Lewis Center for Church Leadership conducts leading edge research for the local church. The Lewis Center's Leading Ideas e-newsletter is the go-to source for over 20,000 people in ministry each week. The Community Engagement Institute embraces a vibrant vision to be the premier center for churches and faith-based organization engaging their communities. The innovative online Health Minister Certificate Program prepares congregations for public health work in their parishes. The Center for Public Theology equips pastors, seminarians, people of faith, and the media to create spaces for civil dialogue at the intersection of religion and politics. The Henry Luce III Center for the Arts and Religion works with students, religious communities, artists, and scholars exploring the intersection of the arts and theology.

RESOLUTIONS AMENDING “GUIDING PRINCIPLES AND BEST PRACTICES”

Require a two-thirds vote of the annual conference

RESOLUTION TO ALLOW ELECTRONIC MEETINGS

[Passed by vote of the Annual Conference on June 21, 2021]

WHEREAS the COVID-19 pandemic revealed the advantage of conducting electronic meetings to prevent the spread of disease; and

WHEREAS Texas law allows for meetings to be conducted electronically if permitted by the organization’s bylaws; and

WHEREAS the Central Texas Conference (CTC) “Annual Conference Best Practices” function as the CTC bylaws and are silent on the issue; and

WHEREAS the current edition of *Robert’s Rules of Order* provides for organizations to meet electronically,

THEREFORE, BE IT RESOLVED, that the Central Texas Conference “Annual Conference Best Practices” be amended as follows:

“Meetings and business of the annual conference and its subsidiary bodies may be conducted electronically as outlined in the policy and procedures section.”

Clifton Howard
Central Texas Conference Secretary

Rationale: This change would make it possible for the annual conference to gather and conduct its business by virtual means, should another pandemic or other unforeseen event occur that would make it impossible to meet and conduct business in-person.¹

The following section will be added to the conference “Policies and Procedures.”

PROCEDURE FOR ELECTRONIC MEETINGS

1. Under extraordinary circumstances, the bishop and cabinet in consultation with the Core Team may call for the annual conference to meet electronically. Electronic meetings shall be in harmony with all rules adopted by the body to govern in-person meetings and ensure that all members retain voice and vote.
2. Subsidiary bodies may meet electronically as called by the president/chair in consultation with committee officers or the executive committee so long as such meetings allow for voice and vote of all eligible members.

¹ *The Core Team voted concurrence with this resolution.*

RESOLUTION TO GOVERN LAYING ITEMS ON THE TABLE

[Passed by vote of the Annual Conference on June 21, 2021]

WHEREAS it has been the custom of the Central Texas Annual Conference to lay on the table for one day any items not published in the preliminary report;

THEREFORE, BE IT RESOLVED, that the Central Texas Conference “Annual Conference Best Practices” be amended by adding this text following “The procedures for handling matters to be presented to Annual Conference that were not in the Preliminary Report can be found in the Policy and Procedures Manual of the Annual Conference.”:

“Any resolution or business not published in the preliminary report must be laid on the table at least one day before consideration by the conference.”

Rationale: With items which are not included in the preliminary report, it has been our practice have them lay on the table for twenty-four hours before they can be considered. Adding the language of this resolution would bring our custom in line with our “Annual Conference Best Practices”.²

ROLAND QUINTON HUMPHREY

OCTOBER 10, 1936 – AUGUST 28, 2020

Chaplain Major Roland Quinton Humphrey passed away Friday, August 28, 2020. He was 83 years old. He was born in Muskogee Oklahoma on October 10, 1936 to Katherine Verona Rogers and Quinton Humphrey, and had one younger brother, Roger. He was the first in his family to go to college, attending seminary in Kansas City and eventually obtaining two master's degrees. He met Vera Anne Hampton, his wife of over 50 years, at the Methodist Single Adult Club – they were both Baptist at the time! He served in the Army Reserves and eventually enlisted and served as an United Methodist Chaplain in the US Army for over twenty years.

Roland loved people and never met a stranger. He was heavily influenced by the writings of Bill Glasser, and as a hospital and family-life chaplain one of his goals in life was to help people live in peace and love one another. He loved preaching and writing sermons. He found inspiration for them everywhere he went. One favorite sermon was called "Walk on the Water." In it he encouraged us all to get out of the safety of our boats and walk on the water of life. He loved the movie *Lonesome Dove* and crafted a sermon around the sayings of Augustus McCrae and was fond of quoting the character throughout his life.

Outside of his professional life Roland had many hobbies – he ran multiple marathons and loved to bike. While stationed in Germany, he bought a Cannondale bike and rode it all over Germany. In retirement he rode across Oklahoma multiple times with large groups of cyclists, and his wife was the "Sag". He loved to play chess and that was the first app he would install on any new computer. His father-in-law – Bill Hampton – introduced him to the game of golf and he played it throughout his life. He was always disappointed that he couldn't drive the ball further.

He was always a jokester and loved to tell bad jokes – the worse, the better. Some of his last words were "when is the funeral?" Like a lot of comedians, he battled depression but still enjoyed his family

and friends, if not the state of the world. A daughter, Katherine Humphrey, died young, and afterwards there was a new sadness in his eyes, and he was never the same afterwards. The two of them were made of the same cloth – Katherine and he never had to be encouraged to leave the safety of the boat, but rather willingly jumped over the side!

Roland loved his grandsons, Nikolai (13) and Julian (11), whom he was immeasurably proud of. He was always impressed by their computer skills, and he loved making jokes with them and asking them about their lives.

Roland was preceded in death by his parents, his brother Roger Humphrey, his nephew Bill Covington, his brother-in-law Jack Wade, and his beloved daughter Katherine Humphrey. He leaves behind his devoted wife Vera Anne Humphrey of Lenexa, Kansas; sister-in-law Camille Humphrey of Dallas, Texas; sister-in-law Margaret Wade of Paris, Arkansas; son-in-law Jack Omelak of Alaska; nephew Jay Covington of Paris, Arkansas; and niece Dianne Fraser and her husband Greg Fraser, and their children Ben, Sara, and Megan, of Louisville, Colorado. He also leaves behind son Colin Humphrey and his wife Sarah Humphrey, and grandsons Nikolai and Julian Humphrey, of Overland Park, Kansas. Roland was laid to rest near his parents and his daughter in Muskogee, Oklahoma.

JOSEPH ANDREW FOWLER

MARCH 27, 1935 – JANUARY 5, 2021

Rev. Dr. Andy Fowler, 85, passed away on January 5, 2021. He was born in Temple, TX to Dr Joe and Mrs. Thelma Fowler on March 27, 1935. He graduated from Southwestern University in Georgetown, TX with a BA (1957) double major in English and History. He received his BD (1963), STM (1964) and DMin (1976) from Perkins School of Theology, SMU.

Andy was a spiritual inspiration for countless peers, friends, and his family. His missionary appointments over thirty years in Malaysia, primarily with the Iban Methodist Church, were driven by love and dedication in tribute to the intentions of his own parents who were thwarted from their plans for missionary work in Africa by the depression.

He believed he was called by the Christ to serve and so he did not view his career as a series of jobs or “work” but as appointments of service: Teacher - Methodist Secondary School, Sibul, Sarawak (1957); Principal - Methodist Primary School, Kapit, Sarawak; Supply Pastor – Batang Rejang Circuit of the Sarawak Annual Conference (1959); Associate Pastor – Grace Methodist Church, Dallas (1960); District Missionary – Lower Rejang District; Terusan/Semah Circuit of the Sarawak Iban Provisional Annual Conference (1964), Associate Pastor – Sibul Iban Church (1965); Dorm Supervisor – Methodist Boys’ Hostel, Kapit; Chaplain – Christ Hospital, Kapit; Pastor – Kapit Iban Methodist Church (1972); Principal – Methodist Theological School, Sibul (1976); Lecturer – Seminari Theoloji Malaysia, Kuala Lumpur, Malaysia (1979); Vice-Principal – Seminari Theoloji Malaysia, Kuala Lumpur, Malaysia (1982); Mission Interpreter in Residence, World Division missionary (1985); Peace with Justice Educator, North Texas & Central Texas Annual Conferences (1987); Acting Executive Secretary, Church Development and Renewal, World Division, General Board of Global Ministries (1988); Pastor – Rising Star (1989), Moody/Moody Leon (1991), Lakeshore Waco (1995); Secretary, Board of Global Ministries Central Texas Conference (1992)

Calm amidst all storms, constant in love, kind in communication and so caring all the time. He was a true servant leader, a peacemaker yet a warrior for social justice; an academician with a deep belief that education can take you anywhere. He loved to write even though he was not that great at spelling (so he said), he had a beautiful voice you only heard when he sang hymns, and he told lots of eye-rolling dad jokes. He served God all his life and he and his beloved wife Monina Fowler had the sweetest love for each other. Having celebrated 60 years of marriage, he is survived by Monina and their children Marianina (Scott) and Joseph (Monica), grandchildren Mercedes (Jon), Alexandria, Enrique, Samuel and Jane and great-grandchildren Aiden, Immanuel, and Theodore.

HUBERT LEE AUSTIN

APRIL 27, 1929 – FEBRUARY 17, 2021

Rev. Hubert Lee Austin went to be with family members, friends and a new congregation on February 17, 2021. Rev. Austin was a retired elder in the United Methodist Church. He devoted his life to helping others by bringing them understanding, compassion, hope, inspiration and just someone to talk to about life’s challenges.

Hubert was born to Lola Ellis Austin and Gilbert Wayne Austin in New Hope, Texas on April 27, 1929. He was preceded in death by his parents, his wife of nearly 72 years, Virginia Ann (Jan) Austin, brothers Wayne and Bill, sister Peggy, his oldest son Larry and one grandson, Jake Neale Campbell. Survivors include two children, Mickey Austin and wife, Nancy of Denver, Colorado and Renee Campbell and husband, Jim of Boerne, his daughter-in-law and Larry’s beloved wife, Susan Austin of Colleyville, Texas, six grandchildren, Katie Irwin, Michelle Austin, Blake Austin, Blair Austin, Jared Campbell, and Nicolas Campbell and six great-grandchildren, Jackson Austin, Charlie Austin, Lucia Austin, Kennedy Campbell, Grayson Campbell and Collins Campbell.

Hubert grew up in Abilene and Anson, Texas. He joined the army at an early age and spent most of his active duty overseas. When he returned to the US his mother introduced him to Jan at a church social event. It was love at first sight and they soon married. They attended Hardin Simmons University in Abilene together. Larry was born before they graduated, and the family was officially started.

Rev. Austin soon became pastor and his life of serving the Lord began. Mickey was born in Abilene and Renee came later in Stephenville. Larry, Mickey and Renee loved being ‘Preacher’s Kids’ along with the attention they got and the pride they had in their parents. The family was blessed to live in

many great communities around west Texas where Hubert led the church and Jan always sang in the choir. He later attended and graduated from Southwestern Theological Baptist Seminary in Fort Worth, Texas.

Hubert put his full-time ministry on hold when he accepted a counselor position at the Mexia State School in Mexia, Texas. His primary responsibility was to work with students that attended the school to help them work off campus and eventually join society outside the school when possible. In approximately 1977, Hubert and Jan decided together for him to rejoin the ministry on a full-time basis. He decided to return as a United Methodist minister and pastored several churches in Central Texas. His work eventually took him to First United Methodist Church in Temple, Texas where he finished his career and officially retired at 88 years old.

His passion was his wife, three children, seven grandchildren, six great-grandchildren and all the church families in all of the communities he served in. He made a tremendous difference in many thousands of lives. He preached an untold number of sermons, baptized too many children to count, married couples across the State of Texas, and consoled grieving families and friends at funerals to celebrate the lives of their loved ones.

Hubert's life on earth has ended but his work and legacy will live on forever. Finally, he has joined his love and life partner Jan only three weeks after her passing where they will now be together eternally.

LARRY NILES LYDICK

JANUARY 11, 1939 – MAY 30, 2020

Larry Niles Lydick, 81, departed this life to explore and enjoy the great beyond on Saturday, May 30, 2020, at home, due to complications from Parkinson's disease. Larry was born Jan. 11, 1939, in Manhattan, Kan., to parents, Lawrence and Esther Lydick, and big sister, Jo Ann. Larry graduated from Kansas State University in 1961 with a BS in Aeronautical Engineering. He entered the U.S. Air Force in 1961 and served as an instructor pilot. He obtained a MS in Aerospace Engineering from Purdue University in 1966. Larry joined General Dynamics in 1969 and served as Chief Engineering Project Manager on the Advanced Fighter Technology Integration (AFTI) 16 Big Wing Program called Falcon Eye. Here, he was not only instrumental in developing, but also promoting utilization of helmet-mounted display night-vision goggles, digital terrain display, and head-steerable FLIR for the F16. The helmet mounted display allowed pilots to fly 200 feet above ground and see everything as if it were daylight. Larry was promoted to Manager of Advanced Design, where he mentored a team of young engineers, and he successfully advocated their promotion to senior positions. In 1989, Larry was the only person in the history of GD/Lockheed to win the prestigious Laurel Award, given to him by *Aviation Week and Space Technology* magazine. He was so proud to be invited to present his work to NATO conferences in Den Haag, Edinburgh, and Toulouse. Giving new meaning to the expression, "take your work home with you," Larry even built a functioning wind tunnel in his garage! In his retirement, he worked and wrote about the question, "What is an Electron?" Given more time, we believe he would've won the Nobel Prize in Physics. Larry loved making model airplanes in his youth, working on and flying his Mooney, hiking in the nature center with his loving wife of 39 years, Sandra, flying many trips to favorite destinations, helping his kids, working on physics, enjoying a margarita with some g-salad on the patio at Joe T's, listening to opera (only the arias!), the tenors, singing along, whistling, making charts and graphs, and snacking his way through the day. He loved his cold beverages cold, and his food piping hot, giving safety tips, supporting his family's ambitions, and he enjoyed being a generous tipper. He loved to joke and make people laugh. Larry was a deeply ethical person and carried that principle in all areas of his life. He ran out of time too soon. He was a kind soul, a genius, and a gentleman. Larry is deeply loved and missed. Larry was preceded in death by a son, Stephen Lydick. He is survived by his wife of 39 years, Sandra Jean Williams Lydick; son, Lincoln and wife, Joyce; daughters, Robyn Lydick, Kamala Fritzler, Robin Fritzler; sister, Jo Ann Janney; grandchildren, Roslyn

Lydick, Karen Lydick, Arlo Smith; sisters-in-law, Anita McCrary, Sherry French, and many cousins, loving nieces, nephews, grand-nieces and nephews, great-grandnephew, family, and friends.

RUTH EVELYN DANIELS

JULY 12, 1932 – JANUARY 23, 2021

Ruth Evelyn (née Edwards) was born on July 12, 1932 and raised in Grand Saline, Texas. She graduated high school at age fifteen after which she worked for a large local retail business for four years. She enrolled and subsequently graduated from Baylor University where she met her husband Jack Kyle Daniels, who became a United Methodist minister and childcare professional.

Evelyn's career began as a secretary and schoolteacher, but she found her true calling as a gracious hostess in conjunction with her husband's career in childcare, most notably during his final 25 years where he served as President of the Methodist Children's Home in Waco, Texas. A highlight of these experiences was entertaining Mrs. Barbara Bush at the 100th Anniversary of MCH. During this time, she was also an active leader in the Methodist Ministers' Wives on both the district and conference level.

Evelyn was an enthusiastic and supportive mother to her children and facilitated their involvement in many educational and extracurricular activities that greatly contributed to their personal development and professional careers. She was well known for her attention to impeccable grooming and manners, and she insisted on that for her children, as well.

A hallmark of her life was the abundance of friendships she nurtured together with Jack throughout their marriage. One special group consisted of twenty-six United Methodist clergy and their wives who met regularly for 58 years. In retirement, a great source of joy has been their relationship with the Searchers Class at Bethany United Methodist Church in Austin.

Throughout her life, Evelyn was famous for carefully avoiding any semblance of cooking but widely recognized for her ability to find a Luby's Cafeteria.

She was preceded in death by her parents, C.M. Edwards and Nancy Katherine ("Cate") Edwards of Grand Saline, TX.

Evelyn is survived by her husband of 64 years, Dr. Jack Kyle Daniels of Austin, TX; two children, Lyn Koenning of Austin and Kyle ("Stig") Daniels of Houston; four grandchildren, Stephen White of Miami, FL, Lisa Atkins Matz of Friendswood, TX, Kimberly Atkins Berger of Austin, and Cole Koenning of Austin; and three great-grandchildren, Kylie and Samantha White of Miami, FL and Vincent Matz of Friendswood, TX.

VIRGINIA ANN AUSTIN

JUNE 25, 1930 – JANUARY 28, 2021

Virginia Ann (Jan) Austin went home to be with the Lord on January 28, 2021. Mrs. Austin was born June 25, 1930 to Walter and Mable Winters Cook. Jan was born and grew up in West Texas in the little cotton farm community of Hodges where her favorite thing to do was jump on her horse, grab her book, and ride the farm.

She was preceded in death by her parents, brother, Lanier Cook and one grandson, Jake Neale Campbell. Survivors include her husband of 71 years, coming up on 72 years, Hubert Lee Austin, three children, Larry Austin and wife, Susan of Colleyville, Texas, Mickey Austin and wife, Nancy of Denver, Colorado and Renee Campbell and husband, Jim of Boerne, Texas, six grandchildren, Katie Irwin, Michelle Austin, Blake Austin, Blair Austin, Jared Campbell and Nicolas Campbell and six great-grandchildren, Jackson Austin, Charlie Austin, Lucia Austin, Kennedy Campbell, Grayson Campbell and Collins Campbell.

Jan's true passion revolved around the love she had for her family. She married her soulmate Hubert Lee Austin on February 5, 1949 and was always at his side. Hubert was a retired minister from First United Methodist Church in Temple, and she was always his inspiration and strength in whatever journey God led them to do. Jan and Hubert raised their children Larry, Mickey and Renee in Mexia, Texas.

A kind compassionate woman that was always thinking of others and God's love shined brightly for all to see her radiant beauty. She will be missed, and her grandson Jake welcomed home his beloved MawMaw to heavens' gate.

K. Guiding Principles & Best Practices

INTRODUCTION

In order to make our organization more nimble and adaptive, the 2011 Annual Conference session adopted the following three reports: “Guiding Principles and Best Practices,” Annual Conference Organization and a Policy and Procedures manual.

The “Guiding Principles and Best Practices” are foundational to the understanding of our mission and ministry. They represent our new understanding and way of doing ministry as flexible and adaptive. We must continually be on the move, initiating, facing, and adapting quickly to changing realities. The “Guiding Principles and Best Practices” require a two-thirds vote of the annual conference to amend or suspend.

The “Annual Conference Organization” document and the “Policy and Procedures” manual are administrative in nature, and changes are to be handled at the appropriate organizational level.

The intent is that each document continues to be more organic and less institutional. They are living and breathing organisms that adapt and change as necessary to do the work of God in the world.

GUIDING PRINCIPLES OF THE CENTRAL TEXAS ANNUAL CONFERENCE

1. We embrace and celebrate the mission of the United Methodist Church of “making disciples of Jesus Christ for the transformation of the world.”
2. We believe that the churches of our conference are “mission stations,” outposts for the work of God in the world.
3. We believe that mission at all levels of the church should be well-defined, laser-focused, with measurable outcomes.
4. We believe that the conference and its local congregations are called to be good stewards of the resources God provides for our work.
5. We believe that we are called to be faithful to the five core values of evangelism, the Wesleyan tradition, spiritual growth, mission, and inclusiveness.
6. We embrace the four focus areas of The United Methodist Church: 1) Developing principled Christian leaders for the church and the world, 2) Creating new places for new people by starting new congregations and renewing existing ones, 3) Engaging in ministry with the poor, and 4) Stamping out killer diseases by improving health globally.
7. We believe that each local church can become a “Fruitful Congregation” by practicing radical hospitality, passionate worship, intentional faith development, risk-taking mission, and extravagant generosity.
8. We believe in the inevitability of change, that it’s God’s gift, and it is our task to manage change in efficient and creative ways.

ANNUAL CONFERENCE BEST PRACTICES

1. The Central Texas Conference shall be organized according to the current *Book of Discipline of the United Methodist Church*. In accordance with the *Discipline*, it shall meet annually at a time appointed by the bishop at the location chosen by the Annual Conference. Adjourned or special sessions shall be called in a manner set forth by the *Discipline*.
2. The business of the annual conference shall be conducted by the current edition of *Robert’s Rules of Order*.

3. Meetings and business of the annual conference and its subsidiary bodies may be conducted electronically as outlined in the policy and procedures section (page 253).
4. A preliminary report of matters for consideration by a session of the annual conference shall be made available to the members of the annual conference at least one month prior to the session of the annual conference.
5. Lay members and alternate lay members of the annual conference shall be elected at their local church charge conference for a one-year term following their election, subject to the provisions of the *Book of Discipline*.
6. There shall be an equal number of lay and clergy members of the annual conference. The procedure for the equalization of lay and clergy members in the next annual conference will be presented as part of the report of the conference secretary.
7. The procedures for handling matters to be presented to annual conference that were not in the preliminary report can be found in the "Policy and Procedures" manual of the annual conference (page 251).
8. Any resolution or business not published in the preliminary report must be laid on the table at least one day before consideration by the conference.
9. Any of the "Guiding Principles and Best Practices" of the annual conference may be amended or suspended by a two-thirds vote of those present and voting at a session of the annual conference provided that any such motion to amend the "Guiding Principles and Best Practices" must be laid on the table at least one day before the conference can vote to amend.
10. Vacancies in membership on annual conference bodies that occur between sessions of the annual conference shall be filled by the appropriate bodies following the procedures outlined in the "Policy and Procedures" manual of the annual conference (page 252).
11. General church and annual conference apportionments shall be apportioned to each local church on a conference wide basis. The details of the formula shall be part of the report of the conference council on finance and administration. (§615.1-6)
12. There shall be a "Policy and Procedures" manual of the annual conference that outlines policies and procedures related to financial matters, clergy benefits, change of appointment and other issues related to the functions of the church.
13. There will be a team to record, read and approve the proceedings of the annual conference after the final session. The team will be nominated by the conference secretary and approved by the Conference Core Team.
14. The districts of the annual conference will organize in such a way to reflect the offices/tasks required by the *Book of Discipline* and the annual conference. Beyond the basic Disciplinary and conference requirements, districts may organize in the best way to accomplish the mission of the annual conference and support the mission of their local churches.

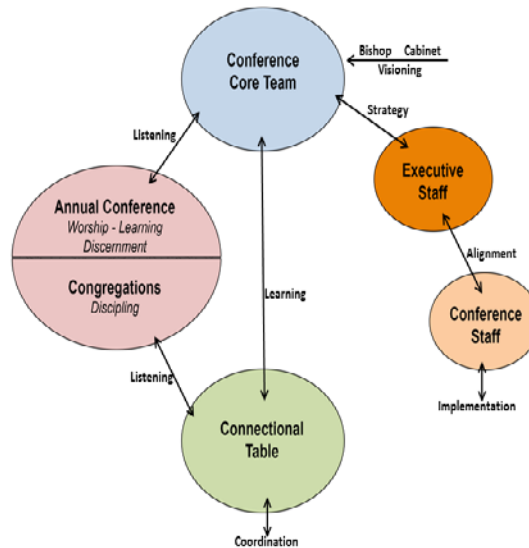

FINANCIAL BEST PRACTICES

1. The fiscal year of the annual conference shall be from January 1 to December 31, and the salaries of clergy members (appointed as pastors, district superintendents, conference staff) and lay employees shall be paid accordingly.
2. The conference council on finance and administration (CFA) shall present the proposed budget for the purpose of clarification and correction only at the first business session of the annual conference each year. Changes in the proposed budget shall be reported by the committee, board and/or Center making the request at the time they report to the annual conference. Approval or disapproval of the financial request shall be voted as an amendment to the proposed budget at the final presentation of the budget by CFA at the last session of the annual conference.
3. Any proposal to create a new apportionment or to change the purpose for an existing apportionment shall be presented during a regular or called session of the annual conference and shall not be voted on until the next session of the annual conference.

4. Any proposed change of the decimal formula shall first be studied by the conference council on finance and administration. CFA shall then report its recommendation to the annual conference (2016 *Book of Discipline* ¶615).
5. The auditing firm approved by the conference council on finance and administration shall audit all books of treasurers of boards whose auditing is not provided in the *Book of Discipline* and report the results to the CFA. A statement of these accounts will be sent to the conference secretary for inclusion in the minutes.

7. The Conference Treasurer, after the close of the fiscal year, shall transfer into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempted by the conference council on finance and administration). The Conference Treasurer will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.

ANNUAL CONFERENCE FINANCIAL PROCEDURES

1. Remittance Procedure

Apportionment payments, askings, special day offerings, advance specials, and any missional gifts from a pastoral charge to the conference treasurer should be submitted either online or by check with accompanying current year remittance form. The conference treasurer will in turn post, in a timely fashion, remittances received. The conference treasurer will also report monthly to the bishop, cabinet, and churches the status of funds remitted.

2. Conference Budget Preparation Procedure

After careful consideration of all financial responsibilities of the annual conference, the council on finance and administration (CFA) and the executive center directors shall recommend all funding levels for the major categories in the total conference program. If for any reason the conference benevolence budget needs to be changed, CFA shall adjust the allocation and refer it back to the conference centers for adjustments of the itemized appropriations in the conference benevolence budget. Should any conference center agency feel its cause has been neglected or excluded, it shall have the opportunity to represent its cause before the council on finance and administration (*the Book of Discipline* ¶614).

3. Conference Budget based on Local Church Decimal

All conference items allocated to the local churches of the conference shall be based on the decimal arrived at by the following formula: determine conference total expenditure by adding the total of the following Table II statistical items:

- a. 46 – Total amount paid by the local church for all direct-billed clergy non-health benefits (pension payment and CRSP)
- b. 48 – Total amount paid in base compensation to pastor

- c. 49 – Total amount paid in base compensation to all associate pastors assigned by the bishop
- d. 50 – Total amount paid to/for pastor and associate(s) for housing and utilities and/or related allowances
- e. 52 – Total amount paid to pastor and associate(s) for any other cash allowances (non-accountable)
- f. 53 – Total amount paid in salary and benefits for deacons
- g. 54 – Total amount paid in salary and benefits for diaconal ministers
- h. 55 – Total amount paid in salary and benefits for all other church staff
- i. 56 – Total amount spent for local church program expenses
- j. 57 – Total amount spent for other local church operating expenses

Add the above ten (10) expenditures for each local church to get the “local church total expenditure.” Divide each “local church expenditure” by the “Conference total expenditure” to arrive at the local church decimal. (Each decimal is rounded to five decimal places.) Multiply the local church decimal by Conference Apportionment allocation to get the Local Church Apportionment. (Each apportionment is rounded to the nearest dollar, with each church being apportioned at least one dollar for each apportionment.)

4. Council on Finance and Administration Duty

It shall be the duty of the council on finance and administration to compute the decimal annually using the latest statistics (corrected, if necessary), and furnish the table of apportionments to the districts for distribution.

5. Items for Distribution

All items to be distributed under the formula are included in the conference budget: all general church apportionments, all jurisdictional church apportionments, and annual conference administration and ministries. Others can only be added by action of the annual conference.

6. Special Day Offering

Any Special Day Offering, except where set by *the Book of Discipline*, must first be annually presented and approved by the council on finance and administration. No such day shall be recommended to the annual conference for any agency, cause, or institution, nor shall such a day be listed or printed on the conference calendar, unless such agency, cause, or institution has presented a full financial statement and audit, including current annual income and expense, together with its report to the appropriate conference center.

ANNUAL CONFERENCE POLICIES ON ETHICS

OUR LIFE TOGETHER: LIVING INTO GOD’S HIGHEST IDEALS THE CENTRAL TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH

Adopted by the Executive Committee of the Board of Ordained Ministry
& Cabinet March 19, 2013

To be set apart for ministry and appointed or assigned to serve as clergy and church leaders in the Central Texas Annual Conference of the United Methodist Church is to be given a sacred trust, which requires the highest standard of ethical behavior in all relationships.

I Timothy 4:8-16 CEB – Train yourself for a holy life! While physical training has some value, training in holy living is useful for everything. It has promise for this life now and the life to come. This saying is reliable and deserves complete acceptance. We work and struggle for this: “Our hope is set on the living God, who is the savior of all people, especially those who believe.” Command these things. Teach them. Don’t let anyone look down on you because you are young. Instead, set an example for the believers through your speech, behavior, love, faith, and by being sexually pure. Until I arrive, pay attention to public reading, preaching, and teaching. Don’t neglect the spiritual gift in you that was given through prophecy when the elders laid hands on you. Practice these things and live by them so that your progress will be visible to all. Focus on working on your own development and on what you teach. If you do this, you will save yourself and those who hear you.

Ordination and membership in an annual conference in The United Methodist Church is a sacred trust. Sexual harassment, sexual misconduct and/or sexual abuse are incompatible with biblical teachings, prohibited by *the Book of Discipline* and a violation of this sacred trust. The conference is committed to the eradication of this conduct if it should occur and to the creation of an environment of hospitality for all persons. When such conduct is alleged, the conference is under obligation to investigate, to protect all parties, to discover the truth, and to respond in ways that are consistent with our “highest ideals.”

The following policy is offered to the conference with the prayer that it will contribute to the goal of bringing our practice and accountability into conformity with our “highest God given ideals.”

We give thanks to the West Ohio, Louisiana, Texas and Virginia Annual Conferences for their discussions and models, which have helped us to focus and develop our policy.

As clergy and church leaders within the Central Texas Conference we will be guided by the following:

1. In our personal and professional relationships, we will:

- a. Be above reproach in all that we do.
- b. Practice habits that encourage and promote the physical, emotional, and spiritual health of our families and ourselves.
- c. Serve the members and constituents in our current appointment and mission field. We do not provide ministerial services in other UM churches unless a consultation between the former pastor/retired pastor and pastor under appointment determine that it is for the health and in the best interest of the congregation.
- d. Nurture a healthy relationship between active and retired ministers; retired ministers accepting responsibility for the performance of any ministerial function only upon direct invitation of the appointed pastor.
- e. Keep appropriate confidences and privileged information.
- f. Avoid communicating (verbal, written and electronic) negatively about a colleague, especially our predecessor or successor.
- g. Avoid the appearance of impropriety in visitation and counseling sessions.
- h. Maintain a healthy emotional and social balance and maintain boundaries between pastoral identity and self-identity, private and community life, self, and others.
- i. Take care that attire and grooming do not detract from ministry effectiveness.
- j. Keep faith with loved ones, giving to them the time and attention needed for a healthy marriage and family.
- k. Separate our ministerial role from our personal lives by not dating those directly served by our ministry.
- l. Encourage the congregation in the care and upkeep of the parsonage, leave the church and parsonage clean and in good condition and accept financial responsibility for damage to the parsonage beyond normal wear and tear (see conference parsonage policies).

2. In issues of integrity, we will:

- a. Be fiscally responsible;
- b. Be honest;
- c. Properly represent the polity, doctrine, and history of The United Methodist Church;
- d. Properly represent the mission, vision, values, and core strategies of the Central Texas Annual Conference (can be found on conference website);
- e. Diligently care for our souls and minds through spiritual formation in retreats, prayer, Biblical study, small groups and educational opportunities;
- f. Acknowledge sources for preaching and in written material; we will not plagiarize another's work;
- g. As clergy and church leaders we will complete/attend the BOM approved training, addressing clergy sexual ethics and other boundary issues each quadrennial period in the designated time. Failure to complete this mandatory training will result in (a) referral to executive committee BOM for possible administrative complaint and (b) may have consequences affecting future appointments;
- h. As full-time clergy, we will not accept employment outside of the appointed charge. Any deviation from this must be brought to the district superintendent, BOM and cabinet approval prior to acceptance (§338.1).
- i. Maintain the highest ethical standards regarding the use of any modern technology, avoiding even the perception of inappropriate use of the internet and understanding that e-mail and text messaging are not a private domain and should not be treated as such;
- j. Provide pastoral services for weddings, baptisms, and funerals to church members without charge; the receipt of honoraria is acceptable;
- k. Seek no gifts, bequests or material benefits for self or family members from any organization or individual;

- l. As an act of faith and concern, refrain from gambling and the use of pornography (the UMC is opposed to all forms of pornography) and strive to minister to those victimized by those practices;
 - m. We commit ourselves and our churches to engage in continued dialogue and reflection on the UMC Social Principles in order to shape our personal and community life.
- 3. In regard to power issues, we will:**
- a. Be aware of the power that is inherent in our various roles and use that power to maximize ministry opportunities that communicate worth, mutuality and collegiality;
 - b. Provide ministerial services in order to build up the body of Christ;
 - c. Welcome regular feedback and evaluation in order to enhance pastor's fruitfulness; being responsive to constructive feedback and humbly committed to improvements;
 - d. Nurture loyalty and trust among paid staff and volunteers;
 - e. Establish clear, appropriate boundaries with anyone with whom we have a ministerial, business, professional or social relationship;
 - f. Not use our ministerial status, position, relationship, our authority to abuse, misguide, negatively influence, manipulate or take advantage of anyone.
- 4. In areas where there might be a conflict of interest we will:**
- a. Advise and refer persons to other clergy or other professionals such as: lawyers, doctors, counselors, etc. when appropriate; being aware that our judgment can be impaired by prior dealings, by becoming personally involved, or by becoming an advocate for one party against another;
 - b. Absent ourselves at an appropriate time from discussion and decision when there is an actual or potential conflict of interest in matters affecting ourselves, our family or our financial interests;
 - c. Never take advantage of anyone to whom we are providing services in order to further our personal, religious, political, financial or business interests or those of our family;
 - d. Use discretion concerning the acceptance of or return of gifts for ourselves or our family;
 - e. Avoid using the congregation as a captive audience for products or services created or provided in a non-clergy role;
 - f. Make a commitment that the more important the conversation, or the more personal the matters, we will communicate with the person(s) directly;
 - g. Not accept or confer an office, position, assignment or receive compensation, which may present the appearance of favoritism or a conflict of interest.
- 5. The Book of Discipline**
- a. The *Discipline* is the instrument for setting forth the laws, plan, polity, and process by which United Methodists govern themselves. In all matters pertaining to church law, it is the decisive word.

If more detailed interpretation is needed you may contact your district superintendent, a member of the executive committee of the Board of Ministry or a cabinet member. Contact information can be found on the conference website.

SEXUAL ETHICS POLICY FOR PROFESSING MEMBERS OF THE CENTRAL TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH

*Updated policy regarding harassment of clergy by
a professing member of a local church*

Adopted by Executive Committee Board of Ordained Ministry March 19, 2013

STATEMENT OF POLICY

A Professing Member of the Central Texas Conference of The United Methodist Church shall not engage in harassment, including but not limited to sexual and/or gender harassment of clergy (§§605.9 and 2702.3 in the 2016 *the Book of Discipline*).

THEOLOGICAL FOUNDATION

All persons are created by God. God intends all persons to have worth and dignity in their relationships. We are one connected body, and when one part of the body is injured physically, emotionally, or spiritually, the entire body is rendered less than God intended. Misconduct of a sexual nature of any kind violates a person's wholeness and is an unjust use of status and power and a sinful behavior against God and one another. The Scripture witnesses to a God who brings about justice, mercy, and grace. The Church is called to express God's love in concrete actions of compassion and healing for all people.

DEFINITIONS

1. **Sexual Harassment:** Sexual harassment is a form of sexual misconduct and is defined in the *Social Principles* as "any unwanted sexual advance or demand, verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment destroys community. "Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue" (2016 *the Book of Discipline*, ¶161.J). Sexual harassment of clergy includes, but is not limited to, the creation of a hostile or abusive environment, which undermines the ministry of the clergy person serving within the appointment (2016 *the Book of Discipline*, ¶2702.3). Behaviors considered sexual harassment can include "unwanted sexual jokes, repeated advances, touching, displays or comments that insult, degrade, or sexually exploit women, men, elders, children or youth" (2012 *Book of Resolutions*, page 136). Sexually harassing behaviors may be in person, by phone, e-mail, texting and/or social networking sites.
2. **Power:** Clergy are generally considered to be in positions of power due to their professional role as spiritual leaders within a church. There are, however, situations in which professing members of a church have the power to create a hostile or abusive environment which undermines the ministry of the clergy person serving within the appointment to the local church. Some of those situations are related to gender, race, age, wealth, education, and status within the community.
3. **Sexual Abuse:** Sexual abuse means unwanted physical conduct of a sexual nature, sexual contact or sexualized behavior and may include, by example, touching, fondling, other physical contact, and sexual relations.
4. **Sexual Misconduct:** The 2016 *the Book of Discipline* identifies sexual misconduct as a chargeable offense for clergy (§2702.1) and for lay (§2702.3).

MAKING A COMPLAINT

Clergy and other persons who have knowledge of a possible violation of this policy by a professing member may report the same to the chairperson of staff/pastor parish relations committee and the district superintendent. Upon receipt of any complaint, the staff/pastor parish relations committee with the guidance of the conference consultant and district superintendent will investigate, consider any response, and take action to seek a just resolution.

REPORTING, INVESTIGATING AND RESOLVING VIOLATIONS OF THE CTC SEXUAL ETHICS POLICY FOR PROFESSING MEMBERS

The clergy person who feels harassed by a lay person is encouraged to use the following procedures. If the offending behavior and complaint is sexual abuse or sexual misconduct, then the immediate procedure is a formal complaint as outlined in the 2016 *Book of Discipline* ¶2703.3. Identifying sexual

or gender harassment depends on a determination of what a reasonable person would perceive as unacceptable. It is important to resolve complaints confidentially and, if possible, informally.

INITIAL RESOLUTION PROCESS

1. Clergy are responsible for establishing and maintaining clear boundaries of professional conduct.
2. Therefore, a clergy person should respond immediately and clearly to the harasser that such behavior is unwelcome and uncomfortable.
3. If the behavior continues:
 - a. Avoid being alone with the harasser.
 - b. Keep accurate records of the harassing behavior.
 - c. May contact the chair of the staff parish relations committee (if the chair of SPRC is the harasser then contact the district superintendent directly).
 - d. Notify the district superintendent.

INFORMAL RESOLUTION PROCESS

1. In all cases, the pastor or district superintendent should take pastoral steps to resolve any complaints.
 - a. The purpose is to determine if the complaint is valid or a miscommunication and a misunderstanding exist.
 - b. Ask the accused to make an appropriate written statement to the clergy person. The written response may include explanation of the behavior resulting in a misperception of intent, an apology, and a promise not to repeat the behavior.
 - c. If the clergy person finds the response satisfactory, then the complaint will be considered as resolved.
 - d. If the response of the accused is not satisfactory or the accused refuses to respond, then the complaint will move to the formal process.

FORMAL RESOLUTION PROCESS

1. If the district superintendent determines that the process outlined above has been followed and the complaint is not resolved, then the district superintendent and district lay leader may appoint a committee on investigation according to ¶2703.3 in the *2016 the Book of Discipline*.
2. The final decision of the committee will be communicated in writing to the clergy person and the accused. Should this not be resolved, it then moves to ¶2704.4 in the *2016 Book of Discipline*.

CLERGY CONTINUING EDUCATION & SPIRITUAL FORMATION POLICY

Adopted by Executive Committee Board of Ordained Ministry & Cabinet March 19, 2013

The Central Texas Conference is committed to being a learning community and so we believe the life of the clergyperson is a journey of renewal and excellence in Jesus Christ. The apostle Paul gives us the essence of this journey in Philippians when he invites us to focus on spiritual disciplines and to focus on the things of excellence as we journey. Through this focus we can live out our calling in the balance God desires for us called “shalom.” This policy is designed for every clergyperson under episcopal appointment.

Spiritual Formation is the intentional lifelong pursuit of the nourishment and renewal of the soul through the Holy Spirit in the use of the spiritual disciplines in order to center their lives in Christ.

Continuing Education is the intentional development of the professional identity of the clergyperson through education and instruction that enhances the effectiveness and excellence of the

clergy person's methods of work and self-awareness so that the clergy person can better equip congregations to make disciples of Jesus Christ for the transformation of the world.

Each year, effective clergy persons work collaboratively with S/PPR committees and district superintendents to select and participate in 20 continuing education contact hours (2.0 units) and 10 spiritual formation contact hours (1.0 units), which help them stay centered in Jesus Christ and hone skills needed to continue equipping congregations. Clergy persons are expected to report continuing education and spiritual formation contact hours annually by Dec. 1. These are reported in three places: as part of the charge conference process, to their district superintendent and to the administrative assistant of the CTC Board of Ordained Ministry (BOM). Their district superintendent/supervisor will use the information as part of their supervisory interview. The BOM will use as part of their faithfulness to the covenant of our life together and for consideration if a person is in process towards commissioning or ordination. Churches should ensure that every pastor has adequate time and financial support to participate. In addition to vacation time, a minimum of 10 days each year is considered essential for a full-time clergy person's study, retreat, and renewal.

BENEFITS OF CONTINUING EDUCATION AND SPIRITUAL FORMATION

- Improvement of some specific ministry skill, such as preaching, administration, time management, conflict management
- Increased spiritual maturity and commitment to Christ
- Life increasingly centered in Christ
- Increased self-awareness
- Calmer spirit
- Increased understanding of the scriptures, Christian history, theology
- Development of new innovative programs, missions, or other ministry forms

TYPES OF CONTINUING EDUCATION AND SPIRITUAL FORMATION

1. Professional skills/knowledge development.
2. Personal assessment and life planning.
3. Self-care and personal growth.
4. Increasing faith and commitment through spiritual formation.

APPROVED EVENTS AND "CONTACT HOURS"

There is no approved list of continuing education and spiritual formation events. Instead of naming an "approved list" of events, each clergy person is responsible for choosing growth-producing, transforming and formative events in collaboration with the S/PPRC and district superintendent and for determining the appropriate number of "contact hours" to report for each event. A "contact hour" is the actual time of learning or transformation – usually the actual hours of lecture, instruction, group discussion or individual study. Hours for travel, meals, sleep, fellowship, and group discussion of issues outside the study topic are not considered contact hours.

If the event does not offer a CEU, a letter identifying the number of contact hours will be sufficient.

For online continuing education, the sponsoring agency shall offer an official CEU.

Forms of Continuing Education and Spiritual Formation

Actual contact hours (hours of lecture, instruction, group discussion or individual study) during the following activities are forms of continuing education and spiritual formation:

1. Supervised activities such as degree programs, credit courses, pastor's schools, clinical training, etc.
2. Short term events such as seminars and workshops
3. Peer study
4. Short study leaves
5. Sabbatical leaves

6. Carefully chosen travel and work experiences
7. Provisional and Board of Ordained Ministry work
8. Continuing education and spiritual formation retreats or events

Some Examples of Continuing Educations and Spiritual Formation events

1. Minister's Week, SMU and Brite
2. UMW School of Christian Missions
3. District/Conference workshops, retreats, seminars
4. Spirit Streams (Three Day Academy of Spiritual Formation)
5. Five Day Academy of Spiritual Formation
6. Upper Room Two-Year Academy for Spiritual Formation
7. Clinical Pastoral Education
8. Elder's, Deacon's or Local Pastor's Retreat
9. Doctor of Ministry Programs or other degree programs that instruct ministry
10. Silent or guided retreat

What is not considered Continuing Education or Spiritual Formation?

1. List of books read for sermon preparation
2. Classes taught by the clergyperson
3. Study trips without contact hours
4. Mission trips

Self-Directed Continuing Education

Spiritual Formation may be self-directed each year, but the clergyperson must be willing to produce evidence of the work, such as:

- A selection from a journal of what is learned
- A schedule for the spiritual or silent retreat

PART-TIME CLERGY

Clergypersons in less than full-time appointments should participate in continuing education and spiritual formation in accordance with the percentage of their status. (For example, a half-time pastor should complete half of the full-time requirements or 10 continuing education hours and 5 spiritual formation hours).

Accountability and Reporting (See the *2016 Book of Discipline*, ¶350.2, ¶350.5, ¶258.2.g.8)

The clergyperson is responsible for devising a plan for continuing education and spiritual formation in collaboration with the S/PPRC and district superintendent, implementing the plan and reporting the plan's completion by Dec. 1 of each calendar year.

The plan will be used as part of your supervisory meeting with the district superintendent, meeting charge conference requirements, and disciplinary requirements monitored by the CTC Board of Ordained Ministry, specifically through the Orders and Fellowship of Local Pastors. When necessary, the Orders and Fellowship of Local Pastors chairs may bring a recommendation for action (regarding a clergy) to the executive committee of BOM.

A continuing education unit (CEU) certificate is not required. If an event is not fully attended, a portion of the event may be counted if the attendance is enough to receive the benefit of the event. For example, if a clergy gathering includes 10 continuing education contact hours and a clergyperson leaves after 5 hours of attendance, he/she should report 5 hours of CEU or .5 credits.

Clergy in extension ministries and beyond the local church report continuing education and spiritual formation on their annual report form.

Pastors who have completed the Course of Study or seminary are still required to undertake continuing education, which benefits the disciple-making ministry of the local congregation.

FUNDING

Each church should ensure their pastor(s) have adequate funds for all required continuing education and spiritual formation contact hours. We recommend a minimum of \$1,000 be available for those in full-time appointments.

There are also Ministerial Education Funds available for those who are full members, associate members, or permanent local pastors. Currently \$800 per quadrennial period is available through an application process with BOM (found on the BOM website). Often the event itself will have some scholarship funds, which might be awarded. Each clergy person is responsible for continuing education and spiritual formation funds.

Our appreciation goes out to the Texas Annual Conference, the Virginia Annual Conference and others for their discussions and contributions to this document.

POLICY FOR DISCONTINUED OR ABANDONED CHURCH PROPERTY

Any property abandoned in the past or that shall be abandoned in the future and the property disposed of as directed by the 2016 *Book of Discipline* in accordance with ¶2549, the proceeds derived there from, if any, shall be first applied to the retirement of pension deficits, and the satisfaction of any claims against ministerial pension annuities which may have arisen out of failure of that church to make proportionate payment for support. The remaining proceeds are to be transferred to The Center for Evangelism and Church Growth, Inc.

In the event of a church closure or abandonment, the official and historical records of the closed or abandoned church will be transferred directly to the Archives Depository of the Central Texas Conference by the district superintendent of the district in which the closed or abandoned church is located.

In the event of two or more churches merging, the official and historical records of the churches being merged shall be transferred to the Archives Depository of the Central Texas Conference by the district superintendent of the district in which the churches are located. The records shall be transferred to the Archives Depository no later than three months following the merger.

RESOLUTION RELATING TO REAL & PERSONAL PROPERTIES

The Central Texas Annual Conference (the “Conference”) adopts the following resolution relating to the real and personal properties as they relate to the uniting of various Methodist bodies:

WHEREAS, in 1939, the Methodist Episcopal Church (M.E.C), the Methodist Episcopal Church, South (M.E.C.S), and the Methodist Protestant Church (M.P.C.) united to form the Methodist Church, and the properties of the uniting churches, both real and personal became the properties of the Methodist Church; and

WHEREAS, in 1968 the Methodist Church and the Evangelical United Brethren Church united to form The United Methodist Church and the properties of the uniting churches, both real and personal became the properties of the United Methodist Church; and

WHEREAS, the properties of The United Methodist Church that lay within the bounds of the Central Texas Annual Conference are held in trust by the Central Texas Annual Conference of the United Methodist Church (Conference); and

WHEREAS, it has been the established policy of the Conference to use the proceeds from the sale of closed and/or abandoned properties for the funding of new churches and faith communities under the direction of the Center for Evangelism and Church Growth, Inc.; now therefore be it

RESOLVED, that the Central Texas Conference hereby designates the executive director of the Center for Evangelism and Church Growth, Inc., as its property manager, trustee, and agent for the sale of closed and/or abandoned church properties.

POLICIES FOR LOCAL CHURCHES REGARDING PASTORAL VACATIONS, HOUSING, UTILITIES & MOVES

Each congregation shall annually give attention to the housing policy, using as the guideline for its discussion the policy found in this manual.

Parsonage utilities should be in the name of the church, i.e., the deposit paid by the church. If the parsonage utilities are not paid by the church, the departing pastor must have arranged in advance of his/her departure to have the meters read on moving day, or on the day of departing the parsonage.

The departing pastor is responsible for the bills up to that time.

In the event of death of a clergy or diaconal minister residing in a church owned residence, the family of the deceased clergy or diaconal minister will be allowed ninety days to find other housing and vacate the church owned residence, or such other time as deemed appropriate by the cabinet and by the local church pastor-parish relations committee.

The effective date for annual conference moves and clergy retirements will be July 1. The official move day will be the Wednesday after the last Sunday in June, with the first Sunday at the new appointment being the first Sunday in July.

Salaries of clergy moving at annual conference shall be paid through June 30 by the former charge and from July 1 by the receiving charge.

No pastor is allowed to claim reimbursement for more than ½ of the pastor's accountable reimbursement plan between January and June without recommendation of the pastor-parish relations committee and approval by the administrative board.

VACATION POLICY

United Methodist ministers are in a unique position in their role as pastors of a local church. Their membership and relationship are primarily to the annual conference as they serve under the appointment of the bishop. At the same time, their salary-paying unit is the local church. They are called to accountability for effective ministry both by the bishop through the appointive system and by the local church through the Pastor-Parish Relations Committee (PPR). In vacation policy and similar matters, it should be remembered by all that a pastor is not the employee of the local church. On the other hand, the 2016 *Book of Discipline* ¶258.2 gives to the PPR committee a consultative role in such matters. Ministers are also asked to serve in various conference responsibilities and camps. These duties should not be considered as vacation. However, pastors and PPR committees should

work out a satisfactory balance of time rendered between conference and district duties, local church needs, and personal outside activities by the pastor. In all matters, there must be an on-going dialogue between the needs of the pastor and his/her family and the PPR committee and the needs of the church so there is no misunderstanding. This vacation policy for clergy is to standardize clergy vacations across the conference and is for clergy appointed within the bounds of the CTC. Vacation time is calculated on a conference year basis (7/1 – 6/30). Vacation time not used in one year cannot be carried over into the next year. There will be no pay in lieu of unused vacation time. For every week’s vacation, a paid Sunday off is included.

Conference Relationship	Years of Service **	Vacation Time
Provisional Members serving student appointments, OR Full-time Local Pastors in process of four-week Course of Study	Minimum six months (after consultation with District Superintendent and PPR committee)	Two Weeks Paid
Full-time Local Pastors having completed Course of Study, OR Associate Members, OR Provisional Members serving full-time appointments, OR Full Conference Members	Less than five years	Two Weeks Paid
	5-9 years	Three Weeks Paid
	10 or more years	Four Weeks Paid

** Years of service refer to years served as a full-time United Methodist commissioned minister, Provisional Member, Diaconal Minister, Local Pastor, Associate Member, Deacon in Full Connection, or Elder in Full Connection under appointment in an annual conference, not to years of service in the local church to which a pastor is appointed. In computing a person’s “years of service,” time spent in all categories shall be cumulated and all shall count toward the person’s total “years of service.”

NOTE: In addition to the above guidelines, the PPR committee should be sensitive to a pastor’s need for time off from the pastoral duties and should encourage the pastor to take regular days off each week.

NOTE: Our *Book of Discipline* states that, “a clergy member’s continuing education and spiritual growth program should include such leaves at least one week each year and at least one month during one year of every quadrennium. Such leaves shall not be considered as part of the minister’s vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, District Superintendent, and annual conference continuing education committee.” ¶350.2 *2016 Book of Discipline*.

POLICY REGARDING CLERGY HOUSING AND PARSONAGE STANDARDS

The church today demands the clergy to be not only a preacher, as was the early circuit rider, but a resident pastor and responsible citizen in the community. In order to meet these needs, and to call men and women to a dedicated ministry, the church must provide living conditions that will establish an adequate base from which to operate. It is the privilege and responsibility of the members of each congregation to provide the physical setting which will give the parsonage family the maximum comfort and convenience in order that the energies of the pastor may be more concentrated on his/her task and willing service in the church of God. Because the parsonage, like the church building, reflects upon the congregation and the pastor, it should be in such condition that all concerned can be justifiably proud of it. Likewise, pastors should exercise the same diligence in caring for the parsonage as they would if it were their own property; mindful that they are stewards for those who will live in the parsonage after them.

In this section on housing standards for Elders in Full Connection, including housing allowances and parsonage standards, the word “clergy” means “Elders in Full Connection.” The standards on housing

allowances and parsonages apply to those churches that have Elders in Full Connection and that are not receiving any equitable salary support.

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy. Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

Death of or Unexpected Circumstances of a Clergy Member While Living in a Parsonage

In the event of the death of a clergy person or a set of unexpected circumstances involving a clergy person which results in an immediate need of a change in pastoral appointment, and which involves a clergy family occupying a parsonage, a grace-filled arrangement should be determined through a conversation with the clergy family, the local church Pastor-Parish Relations Committee, the District Superintendent, and the Cabinet. In each case the intent is to allow a period of time (recommended not to exceed sixty days) for a spouse and family to make new living arrangements.

Housing Allowances

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families. However, it must be understood that if a house is purchased by a clergy family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made. It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

- 1) If a housing allowance is provided by a local church, the amount shall be enough to allow for the rental/lease/purchase of housing that meets the parsonage standards of the annual conference. (The conference uses a figure of 20% of salary while the parsonage allowance used by Wespath is in its pension computation is 25% of salary.)
- 2) A utility allowance may be paid in addition to the housing allowance if the utilities are billed to and paid directly by the church.
- 3) The amount of the housing allowance and/or of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.
- 4) The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations Committee, shall be responsible for ensuring that these standards are met.

Unused Parsonages

Whenever, by choice, a clergy chooses not to reside in a parsonage provided by a local congregation for their residence, no clergy member shall have any claim on the "fair market value" or the rental proceeds from the unused parsonage. The use or non-use of the parsonage may be considered in the setting of the compensation of the pastor in conversation with the District Superintendent and the Pastor-Parish Relations Committee.

Clergy Couples

General conference action provides housing is not compensation for pastors appointed to churches in The United Methodist Church. When two pastors who are married to each other are appointed to neighboring charges where it is reasonable for them to live in the same parsonage, neither pastor is entitled to a housing allowance or rent from the unused parsonage. However, this situation may be considered during the setting of compensation of the pastor, in a conversation between the District Superintendent and the appropriate Pastor-Parish Relations Committee(s). The District Superintendent can negotiate cost sharing between the two charges, assuming one parsonage is utilized by the clergy couple and the other is not.

Parsonage Standards for Local Churches

The following parsonage standards were put in place and approved at the 1973 Central Texas Annual Conference and have appeared in our *Journals* since that time. Therefore, parsonages built or purchased prior to December 31, 1973 may not meet all the recommendations in Sections I and II, but are subject to requirements in Sections III – V. Parsonages built/purchased after January 1, 1974 are subject to all recommendations and requirements listed below in Sections I – V.

Section I: Location

The location of a new parsonage is a matter of extreme importance. It should provide for the safety, convenience, and privacy of the parsonage family. For this reason, we recommend that a new parsonage not be located adjacent to the church facilities.

Section II: Size of Building and Living Areas

The new or remodeled parsonage should be large enough to accommodate the pastor's family. It should provide adequate space for the entertainment of guests. It should be remembered in selecting a parsonage that the present parsonage family is not the only one who will live in that parsonage and that the house should be adaptable for a variety of family sizes and situations. Also, care should be given that facilities should be fully accessible for those with handicapping conditions meeting standards of the 2016 *Book of Discipline* ¶2544.4.b.

Recommendations:

1. 1,800 square feet minimum living space.
2. At least 3 bedrooms, preferably 4.
3. At least 2 bath, preferable 2 ½ with adequate linen closet.
4. Family and dining areas adequate for entertaining.
5. Preferably a separate area (living, sitting or office) that could be used for visiting or study.
6. Adequate closet and storage space. Closet space in each bedroom and other storage space well distributed throughout the house.
7. Laundry area (see Section III.B.7)
8. Adequate garage or carport space (preferably 2-car attached garage)
9. Adequate outside living area with fenced yard.

Section III: Required Equipment

A. Health & Safety

1. Adequate supply of hot and cold water in bathrooms, kitchen, and laundry.
2. Proper sewage disposal according to the standards of local and/or state department of health.
3. Fire extinguisher in kitchen with yearly inspection.
4. Automatic central heating and air conditioning.
5. Bathroom heating and hot water heaters should be protected and, if not electric, should be properly vented.
6. Provide smoke detectors for kitchen, living, laundry, and bedroom areas.
7. Provide carbon monoxide detectors unless parsonage is completely electric.
8. Recommend that a lead paint disclosure be provided for parsonages built before 1978.

B. Kitchen with Well-Planned Work Area

1. Cooking area complete with range or built-in cooking units, counter space, hood, and exhaust fan.
2. Sink area complete with modern double bowl sink with disposal and drain space.
3. Large automatic refrigerator with freezer unit.
4. Required code electrical outlets for every room.
5. A well-equipped kitchen with adequate storage for dishes, utensils, and food pantry.
6. Built-in dishwasher.
7. Laundry room with properly vented washer/dryer.

C. Furnishings

1. Effective January 1, 2011, all living, family, dining, and bedroom furnishings become the responsibility of the resident parsonage family.
2. Window coverings, drapes, curtains, and blinds, adequate for privacy, is the responsibility of the church.
3. Internet/cable ready.
4. If the parsonage family is expected to maintain the lawn, the church will supply lawn tools, weed eater, mower (self-propelled or riding) as appropriate for size of yard. In addition, the church will provide water hoses, ladder, and garbage receptacles.

Section IV: Maintenance

1. **Decoration** - Both the interior and exterior of the parsonage should be kept in such a state of decoration as to preserve not only its physical condition but its aesthetic value as well. Decorating and/or any remodeling should be done in consultation with the parsonage family.
2. **Repair and replacement** - An annual budget item will enable the trustees and parsonage committee to have a consistent, rather than haphazard program of maintenance and improvement that will be less costly in the long run. There should be an annual budget item for repair and replacement of appliances and equipment.

Section V: Miscellaneous

1. **Parsonage Book** - It is recommended that the parsonage committee prepare and keep up to date a record in which are placed all guarantees, repair parts lists, and the instructions for use of equipment belonging in the parsonage. The record should also indicate when and from whom purchased and whom to call for service. Also, this book may well contain a list of whom to call for various reasons, where to find various items, when and by whom various improvements were made, and other information helpful to an incoming minister.
2. **Insurance** - The trustees should be certain that the church-owned house and contents are insured for at least 80% of replacement cost against fire, wind, and other hazards. Public liability insurance should be carried on parsonage property. Tenant homeowner's insurance is available for all ministers who desire to cover personal possessions and liability. IT IS THE RESPONSIBILITY OF THE PASTOR TO INSURE PERSONAL PROPERTY BELONGING TO THE PASTOR AND FAMILY.
3. **Utility Deposits** - Should be made in the name of the church.
4. **Gifts to Parsonage** - Before a gift is received, care should be given to consult with the parsonage family, trustees and/or parsonage committee regarding the needs of the gift. If received, the gift should be designated specifically if it is to remain in the parsonage or is to be the personal gift for the parsonage family. In the event it is to remain in the parsonage, the trustees and/or parsonage committee must approve it. A Gift/Donation Policy by the Trustees and/or parsonage committee of the church should be in place to insure clearly understood policies of acceptance, receipt, and acknowledgement of any gifts.
5. **Pastor's Office/Study** - The office/study should be located in the church building and adequately furnished and equipped. Some pastors may choose to also maintain an office in the parsonage and be responsible for its furnishings in addition to the official church office/study.
6. **Parsonage Furnishings** - Since we have transitioned to parsonage families being responsible to have their own furnishings, when furniture still exists in the parsonage, we encourage an open dialogue between the parsonage family, Pastor-Parish Relations Committee, and board of trustees and/or parsonage committee concerning the issue of whose furnishings are to be used. We highly recommend, when in the doubt, that the parsonage family furnishings be used to furnish the parsonage.

Adequate parsonage facilities, based on the above minimum standards ensure that a pastoral appointment can be made based on the needs of the charge, rather than the ability of the parsonage to receive the family assigned. An annual review of the church-owned parsonage, to ensure proper

maintenance, will be conducted by the chair of the board of trustees or the chair of the parsonage committee, if one exists, the chair of the Pastor-Parish Relations Committee, and the pastor (§2533.4, 2016 *Book of Discipline*).

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED, DISABLED, MINISTERS ON INCAPACITY LEAVE OR FORMER CLERGY PERSONS OF THE CENTRAL TEXAS CONFERENCE

The Central Texas Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation; and

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED: that an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the period January 1, 2021 through December 31, 2021, by each active, retired, terminated, or disabled clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergyperson; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergyperson’s pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by

the Clergy person to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergy person or former clergy person is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

- Moves that do not involve change of appointment.
- Those eligible clergy who change appointments, but who do not change houses, will not be eligible for any moving funds, with the exception of a maximum of \$500 for moving office supplies upon the presentation of proper documentation.

Moving Allowance

Our conference moving policy has two options: (a) self-move and (b) commercial move. The total expense of either choice will not exceed \$2,900 to the conference. All documentation must be submitted to the Conference Treasurer within **sixty (60) days** of the effective date of the appointment.

- **Self-Move** - The self-move plan will normally consist of the clergy paying the initial bill and being reimbursed the actual expenses up to a maximum of \$2,900. Proper documentation of receipts for the cost of van rental, gasoline, boxes, tape, and packaging material and \$2.00 per mile must be submitted to the Conference Treasurer before receiving reimbursement.
- **Commercial Move** - Whether the commercial moving company bills the conference directly or you pay the bill and turn in receipts for reimbursement makes no difference. Upon receiving the invoice from the moving company or receiving the receipts from you, the conference will pay for the commercial move up to a maximum of \$2,900 of actual moving expense. The commercial move includes the cost of the movers and cost for boxes, tape and packaging material not to exceed the total of \$2,900.

In either case any expense above the maximum of \$2,900 will be the responsibility of the pastor.

In no case will the conference pay more than the actual expenses incurred, up to a maximum of \$2,900 for a move.

Moving Reimbursement Taxable Income

The Tax Cuts and Jobs Act suspended the application of US Tax Code Sections 217 and 132(g) from January 1, 2018 through December 31, 2025. The end result of this suspension is that (1) moving expenses incurred during that time period will not be a deductible expense (except for certain members of the armed forces) and (2) any reimbursement by, or payment of, these expenses by an employer during the same time period will need to be reported as taxable income to the employee. All (near and far, large and small) moving expenses reimbursed to clergy, or paid on behalf of clergy, will now be taxable income and the amount reported as wages on the W-2 or 1099 forms.

Moving Company Selection and Contracting

Our conference moving policy allows flexibility in contracting with any moving company and no longer provides a list of movers. Clergy can select a local company or a national company to provide the moving services. We recommend the following in approach and contracting with a moving company:

- Plan the move services and scope (packing, furniture, unique items, fragile items, date of move.)
- Identify and research the move company (customer reviews, experience, years in service, bonding, move transportation method and capability.)
- Obtain move bids, if possible, from at least two move companies.
- Secure a written and signed move bid from moving company and confirmed date for the move.
- Ensure the move company will provide an invoice for move completion and payment.
- Do not provide any move deposit or monies up front prior to the move.
- Inquire if move company can bill the conference (not to exceed the move maximum of \$2,900.)

The conference remains a resource to assist in contracting with a move company, feel free to contact the Conference Service Center should you have any questions or concerns in securing a moving company.

Method of Payment

If a moving company is used that will not bill the annual conference directly or the clergy chooses a self-move, then the moving clergy/family is responsible for the bill and will be reimbursed by the annual conference for all documented expenses that are within the annual conference allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the Conference Treasurer with a completed moving expense form within sixty (60) days of the appointment. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

Exceptions

1. Exceptions to any of the above may be approved or denied by the Conference Treasurer in consultation with the previous and receiving District Superintendents.
2. Appeals of any decision by the Conference Treasurer may be directed to The Commission on Equitable Compensation and Clergy Benefits. The Commission on Equitable Compensation and Clergy Benefits shall have final authority to interpret the moving policy and make decisions.

Moving Procedures

1. **Receiving DS** gives the Moving Packet to the clergy, which includes pertinent moving information.
2. **The Pastor/Staff Parish Relations Committee of each charge which is receiving a new pastor** will appoint one of its members to serve as Moving Coordinator who will coordinate the move with the incoming pastor and work to facilitate the easiest and most pleasant move possible. At the introductory meeting between the Pastor/Staff Parish Relations Committee and the new pastor, the Moving Coordinator will be present so to be introduced to the pastor.
3. **If using a commercial mover**, the clergy should get estimates from at least two moving companies of his/her choice and choose the one he/she wishes to use. The clergy contracts with the company of choice to move them and sends the bill to the Conference Treasurer. If the moving company will direct bill the conference, and the estimate is over \$2,900, the clergy will send a check to the Conference Treasurer for the amount over the \$2,900 limit with a copy of the final moving company invoice and the completed reimbursement form. If the company is one that will not send a bill to the Conference for payment, he/she can work out payment with the annual conference by having the mover call the Conference Treasurer at 817-877-5222 or pay the moving company and submit the completed reimbursement form and documentation of expenses for reimbursement.
4. **If choosing a self-move**, the clergy keeps all their receipts for the cost of van rental, gasoline, boxes, tape, packaging material and \$2.00 per mile and turns in the completed reimbursement form and required documentation to the office of the Conference Treasurer within **sixty (60) days** of the effective date of the appointment for reimbursement.
5. **Commercial Moves Billed Directly to the Conference Service Center:** The Moving Notification and Expense Reimbursement Form must be completed and returned to the Conference Treasurer **before** the moving company invoices the Conference Service Center.
6. **Non-reimbursable moving expenses** include the following: meals, lodging, round-trip or multiple-trip mileage, temporary storage, furniture/fixture repair/replacement, or any moving equipment such as dollies, ramps, trailer hitches, chains, ropes, tie-downs, locks, tape dispensers, or any other moving hardware that have lasting tangible value.

INTERIM PASTORAL SUPPORT POLICY

The purpose of this policy is to assist member churches in the event a clergy person appointed to 50%, 75% or 100% service to a local church of the Central Texas Conference is unable to perform the duties of their appointment due to a documented medical disability when the duration of the disability exceeds 30 days but is anticipated to be less than 180 days.

1. The duration of the disability is not the date reported, but the date the clergy person became unable to perform his or her duties because of the disabling condition. This provision is applied in order to coordinate with the provisions of the long-term disability plan under the Comprehensive Protection Plan (CPP). Under no conditions will this policy apply to a clergy person whose disability qualifies for a benefit under the provisions of the CPP.
2. Disability in this context is defined as being under a doctor's care and unable to perform one or more essential duties for more than thirty days as certified by a physician.
3. When a disability within the above definition occurs, a request for assistance can be initiated by the clergyperson, the District Superintendent, or the Pastor-Parish Relations Committee. There must be immediate notification to the Central Texas Conference Benefits Officer (CBO) and to the District Superintendent. The request should provide a description of the situation and appropriate documentation. Before any benefit is paid, there must be a physician's certification that the clergy person's condition meets the parameters of this policy.
4. The Joint Committee on Medical Leave will be the body that approves the grant request. The approval will be on the basis that 2 criteria have been met: (1) there is a certification by a physician and (2) the District Superintendent has verified the need for interim clergy service funding and has consulted with the Pastor-Parish Relations Committee concerning its provision. No further medical evidence will be evaluated beyond the physician's certification.
5. The benefit provided consists of reimbursement of part or all costs of providing interim clergy services during the period of the pastor's disability covered under this policy (30 days to 180 days). The pastor continues under appointment to the charge and the charge continues to provide full compensation to the appointed clergy person.
6. The provision of interim clergy services will be arranged by the District Superintendent and the Cabinet in consultation with the charge's Pastor-Parish Relations Committee.
7. If the member church, in consultation with the District Superintendent, elects to obtain interim clergy services for clergy disability past 30 days, the Central Texas Conference will reimburse the district for the actual expense of the interim clergy up to an amount equal to one half of the total of the last approved clergy compensation package of the disabled clergy person (which includes salary, housing, pension and health).
8. When a clergyperson is expected to be unable to perform the duties of their job due to illness or injury for a disabling condition that has an expected duration of more than 180 days, this policy is not applicable.
9. In order to obtain reimbursement for interim clergy services approved under this policy, the local church must provide documentation of expenses for the interim clergy services to the Central Texas Conference director of pension and benefits.

This policy does not address maternity or paternity leave which is covered under the 2016 *Book of Discipline* ¶355. If a medical condition related to pregnancy or childbirth is determined, then this short-term disability policy could apply.
