HISTORY OF THE CENTRAL TEXAS CONFERENCE

The old Northwest Texas Conference, originating in 1866, was divided in 1910, the resulting Conferences being the present Northwest Texas and the Central Texas, the former Conference taking the old name, but the latter retaining the historical "succession" and the archives, as it occupies the original historic ground of the old Conference.

Prior to the setting up of the old Northwest Texas Conference in 1866. the work of the Church, under the jurisdiction of the old Texas Conference, had extended into this part of the State. Just twenty years before, or in had extended into this part of the State. Just twenty years before, or in 1846, the first appointment was made within the bounds of the present Central Texas Conference, this being Springfield Mission. Springfield was an early day town in Limestone County, and the appointment was in-cluded in the Austin District of the Texas Conference. In 1847 Richland, in Navarro County, was added, with James E. Ferguson and J. G. Hardin in charge. Red Oak Mission, Red Oak being in Ellis County, appears in 1848, with George Tittle in charge. In 1849 the Springfield District was created, supplanting that year the Austin District Mordecei Vall was an created, supplating that year the Austin District. Mordecai Yell was ap-pointed presiding elder. Only two points now in the Central Texas Con-ference appear listed in the Springfield District that year—Springfield Circuit and Red Oak Mission. But in the same year Georgetown Mission appears in the appointments for the first time, this being in the San An-In the decade of the 50's the northwestern frontier of the Texas Con-

ference had extended to include Fort Worth and Weatherford, and three districts covered this territory—the Springfield, Waco, and Fort Worth; although the Fort Worth District was the only one now contained entirely in the Central Texas Conference, as several appointments in the other districts are now in other Conferences.

The largest class on record for this Conference thus far were admitted, numbering 14, as follows: J. M. Lewis, W. A. Gilliland, R. M. Morris, W. F. Packard, J. W. Montgomery, J. D. Crockett, D. D. Strange, G. S. Wyatt, B. J. H. Thomas, J. D. Scoggins, W. H. Carr, W. R. Bond, S. J. Vaughan, Joel S. Graves. S. D. Akin had died. A period of great expansion in the work is reflected in the new districts and new charges formed this year. The districts with their elders are as follows: Waco District, Thomas Stanford, P. E.; George-town, G. W. Graves; Corsicana, James Mackey; Waxahachie, Charles E. Brown; Fort Worth, Horace Bishop; Weatherford, William Price; Stephen-ville, Andrew Davis; Comanche, W. R. D. During the fitfeen years the Conference had been operat-Runnels counties. During the fifteen years the Conference had been operat-ing the number of traveling preachers had increased from 38 to 109; church membership from 4,035 to 28,206; Sunday schools from 10 to 221; churches from 4 or 5 to 155, and parsonages from none to 48.

Space will not permit of further detailed account of the Conference ses-sions. The ground of the present Central Texas Conference was very well covered by 1880, although, of course, there was continued growth and im-provement. The old Northwest Texas Conference went on as an undivided body until 1909, when it assembled together for the last time at Stamford, under the presidency of Bishop Joseph S. Key. The General Conference of May, 1910, made the division into the present Northwest Texas and Central Texas Conferences, and each of these met and organized as a separate body in 1910, Bishop James Atkins presiding in both Conferences. The Central Texas met in historic Waxahachie, where the original Northwest Texas had

Texas met in historic Waxahachie, where the original Northwest Texas had first assembled. John M. Barcus was secretary, a place he had filled in the undivided Conference for 20 years. The Central Texas Conference enrolled 228 traveling preachers, and took account of 76,980 church members. There were 497 Sunday schools, 467 church buildings, and 193 parsonages. The history of the Conference since the division has been one of steady growth, not so much of outward expansion, as there has been practically no frontier work and but little missionary territory to develop, but internal development has been very marked. Values of church buildings and equip-ment have risen from a total of \$1,383,551 in 1910 to \$6,235,141 in 1933, an advance in average value of church buildings from \$2,960 each in 1910 to \$13,794 in 1933. During the same period parsonage values have risen from \$13,794 in 1933. During the same period parsonage values have risen from an average of \$1,850 each in 1910 to \$3,250 in 1933. During the same time Sunday school enrollment has increased about 10,000, and church membership about 15,000.

ABE MULKEY'S PRAYER

This prayer was given at the Texas Conference in 1917 following an address by Drs. T. N. Ivey of the Nashville Christian Advocate and W. D. Bradfield of the Texas Christian Advocate, on Christian literature, by the Rev. Abe Mulkey, one of the best known and best loved ministers in Texas.

"Heavenly Father, this is the first meeting of this kind I ever was inservice devoted to the Advocate. We are glad to look into the face of Dr. Ivey. We have been subscribing for forty years to the Christian Advocate. We have looked forward to its appearance every week. We read its pages carefully and we are helped in every way. Lord, continue to bless the paper. We are glad to hear Dr. Bradfield talk on our Texas Advocate. We are paralyzed, Lord, to hear the report made by the publisher, Brother Blaylock. The idea of a man's buying a Bible and not paying for it, and it is just as bad to buy an Advocate and not pay for it. God have mercy on these rascals who have defrauded this man out of his just dues! Lord, we do not know what is to become of a man who will read religious papers and not pay for them. We can't imagine where he expects to go. Have mercy on these abominable rascals."

-From the Texas Christian Advocate of Nov. 29, 1917.

HOSPITAL BOARD, NO. 1

The Central Texas Conference has more money invested in the Methodist Hospital, Fort Worth, Texas, than any other single enterprise within its bounds. Almost exactly one million dollars in cash has been paid in on this investment. There is due the hospital on signed pledges \$267,928, of which \$91,265 is due by people who live in Fort Worth, and \$176,663 by people who live outside of Fort Worth. There is also due on old accounts for hospital service prior to October 15, 1932, approximately \$30,000, from which can be realized probably not more than \$1,000. Not counting the bonded indebtedness, the hospital owes \$69,500, due largely to the banks and people of Fort Worth. It is readily seen that if the pledges due were paid, the hospital could pay all of its local debts and have left \$198,428 to apply on the bonded indebtedness.

In November, 1932, you confirmed a contract entered into between the Trustees and Dr. Truman C. Terrell, in which he guaranteed the operating expenses of the hospital, so that there is no accruing indebtedness, except interest on the bonded indebtedness.

The hospital was opened at 7:30 a. m. on March 3, 1930. Since that time 8,822 bed patients have been admitted. There have been a total of 4,408 surgical cases; 1,562 babies have been born in the hospital. There are now 31 students in the School of Nursing, and 29 have been graduated from the school. The hospital maintains the very highest rating. It is fully approved by the American College of Surgeons and the American Medical Society. There are 200 doctors on the medical staff. The School of Nursing is fully affiliated with the League of Nursing Education.

Society. There are 200 doctors on the medical staff. The School of Nursing is fully affiliated with the League of Nursing Education. Dr. C. R. Wright, hospital commissioner, has presented an accurate account of all receipts and disbursements, showing careful handling of all funds that have come into his hands. The most outstanding statement shown by this report is, that practically three times as much money was received during this year on the Golden Cross Enrollment as was received last year, he having received on this account between \$800 and \$900. The Trustees passed a resolution, asking that an earnest appeal be made to the Conference concerning the Golden Cross, stating that it was the con-

fident belief of the Board that in the Golden Cross lies a very great opportunity for good. We, therefore, recommend that the Disciplinary Golden Cross program be vigorously prosecuted, and to that end we recommend the month of May as Golden Cross enrollment period.

We wish to call special attention to the almost phenomenal growth of the hospital during this year. It has been necessary to move the nurses' quarters from rooms which they had occupied, and they are now cared for in a very fine way on the ground floor and first floor, and yet, even today, practically every finished room in the hospital has one or more patients there for treatment. The Board, upon behalf of the Conference, extends thanks to Dr. Terrell for his splendid work as director, and requests that he be elected as director for the ensuing Conference year.

Your Board believes that the time has come when some sort of a settlement should be made with every person who has made a pledge to the hospital, and if through unfortunate circumstances, they cannot pay the same in full, whatever they are willing to pay should be accepted in full settlement, so that the pledge cards may be returned, and the books closed as to these pledges. We are informed that because of their friendship to the hospital practically all of the people to whom the hospital owes money, for the local indebtedness referred to above, would be glad to make settlement, some of them having offered most liberal terms of settlement. We, therefore, recommend that the Hospital Commissioner be given full authority to settle all claims due by the hospital and all pledges due to the hospital on such terms as may be agreed upon between him and the parties interested, and authorize him and the Executive Committee of the Board of Trustees to secure such assistance as he may deem wise, to adjust these settlements.

We further recommend and direct the Board of Trustees at the earliest practical time to undertake to refinance the bonded indebtedness, with the end in view, that the same shall be ultimately paid.

We consider it absolutely essential that the Church shall have a representative, whose duty it shall be to constantly keep before the people of the Conference the necessity for maintenance of our great institution, and in order for this to be done, it will be necessary to have an appropriation, and we request the Budget Committee to be as liberal as possible. If we do not have a commissioner, we will not long have a hospital. We commend highly the work of Dr. C. R. Wright. He has done a splendid service. He needs twice as many Sundays as there are in a year to meet the requests for him to come and speak in our pulpits. He will not take collections, but we request the pastors to give him the names of persons who would likely be willing to assist in this work, and believe that if this is done, considerable voluntary money will be paid over to him. We request the Bishop to appoint him as commissioner for the ensuing Conference year.

We nominate H. N. Peters, F. P. Culver, T. B. Yarbrough, L. L. Felder, P. E. Riley, P. L. Downs and W. E. Austin to succeed themselves as Trustees. We nominate E. H. Lightfoot to succeed J. W. Johnson; J. R. Edwards to succeed H. H. Simmons; Ben M. Terrell to succeed J. H. Barwise, and C. R. Wright to succeed C. O. Shugart, as Trustees, to be elected for the balance of the terms of the former trustees, respectively.

Brown spoke of the pastor's place in the new plan. Bishop Boaz urged the Conference to carry on toward the 100 per cent raising of the monies in the coming year. On motion of J. R. Edwards the report was adopted.

REPORT NUMBER ONE OF THE BOARD OF LAY ACTIVITIES

We would call attention to the legislation of the last General Conference affecting our objectives and organization. The objectives have been ence anecting our objectives and organization. The objectives have been clarified, the organization simplified, and additional responsibilities placed upon us, as indicated in Chapter XIII of the new Discipline. We desire to direct particular attention to the fact that the Board of Stewards has full responsibility for the entire program of Lay Activities in the local charge. The chairman of the Board of Stewards is the Charge Lay Leader. The development of a well-organized, wide-awake, active, broad-visioned, loyal

development of a well-organized, while-awake, active, broad-visioned, loyal Board of Stewards in every charge in the Conference is our goal. We are facing one of the most crucial periods in the history of our Church—the transition from the old to the New Financial Plan. This offers wonderful possibilities of developing in our membership a new vision, a new zeal, a new loyalty, and a new consecration. The wrong attitude would

we would urge every Steward and Church file urong attraction when the would urge every Steward and Church Official to read Chapter VII of the new book, "Financial Recovery for the Local Church," on the responsibility of a Church for work beyond its own community, before the first Quarterly Conference is held, and also the pamphlets, "The New Financial Plan," by G. L. Morelock, and "Southern Methodism Serving the World," by J. E. Crawford.

We recommend:

496

1. That the Presiding Elders and District Lay Leaders arrange for District mass meetings of Stewards, to be held as soon after the Annual Conference as possible, and that these meetings be used to promote in-formation about the New Plan, and to develop inspiration and more loyalty

in the great body of our Stewards in regard to our Benevolent Causes. 2. That one-half of all Benevolences be paid by Easter, or the session

3. That proper emphasis on the Benevolences and the New Financial Plan be given at the District Conference.

Finally, under the New Financial Plan, we stand unequivocally for "no retreat but an advance," and we urge that as a Conference we pledge and commit ourselves to the task of bringing to the local congregations a sense of the new responsibility that now rests on them.

CONFERENCE COLLECTIONS—W. W. Ward read a resolution bearing on the askings another year. Judge Williams offered an amendment to accept the askings 100 per cent. J. I. Patterson spoke against the amendment. M. A. Turner urged the adoption of the report without amendment. Judge Williams' amendment was lost and the resolution was adopted and follows:

BUDGET REPORT NO. 2 Resolution

We, the undersigned, recommend that the Central Texas Conference set as its apportionment for 1934-35 for General Work \$49,000.00 and for Conference Work \$62,000.00, making a total of \$111,000.00, which is, in effect, a 30 per cent cut of the full assessments of last year.

ORPHANAGE-The report of the Committee on Orphanage was read by J. Fred Patterson. Hubert T. Johnson, superintendent, spoke to the report and it was then adopted as follows:

ORPHANAGE REPORT

During the year from September 1, 1933, to September 1, 1934, the Home has operated within the income received from the Church which amounted to \$\$5,527.86. Of this amount, our Conference gave \$12,295.08.

In view of the fact that the Home is in the bounds of our Conference and that more children are taken into the Home from the bounds of our Conference than from any of the other supporting Conferences, your board is earnestly pleading that we increase our gifts to that institution until we shall lead the other Conferences in amount given.

Due to the drouth, canned goods and feed are more needed than ever before.

The General Board, at its last meeting, placed the needs of the Home for next year at \$100,000.00. This is the same amount as was asked for last year. Let us remember that the month of December is "Orphanage" Month.

Let every church take an offering at some time during this month. Brethren, give your people an opportunity to contribute to this worthy institution and we have no fear as to the response.

The general health in the Home is excellent and a healthier, happier

group of youngsters cannot be found anywhere. Under the able leadership of our new superintendent, Bro. Hubert Johnson, four new vocational units have been added. These new units are fully accredited by the State Board of Education and the State Board is

paying half the salaries of the instructors. We feel that in Bro. Johnson we have a superintendent that is in every way worthy of our support and that the work that he is doing is not excelled in any orphanage anywhere.

QUESTION 21-The name of Presiding Elder R. O. Sory was called and he reported for the Brownwod District. Following his report the names of all preachers in the district were called and their characters passed.

C. Q. SMITH-The name of C. Q. Smith was called, his character passed. He addressed the Conference and his transfer was announced by the chair.

TREASURER-Leaker Ayres, Conference treasurer, made his report which was accepted and he was elected treasurer for the quadrennium.

QUESTION 21-Question 21 was resumed and Dr. O. F. Sensabaugh reported for the Cisco District. The names of all preachers in his district were called and their characters passed.

FULL CONNECTION-Who are admitted into full connection? The following were called to the altar and after the Bishop's address they gave satisfactory answers to the Disciplinary questions and were admitted into full connection by unanimous vote of the Conference: Robert Clark Calvert, George M. Greebon, Watts P. Cunningham, John R. Carruth, and Ray F. Johnson.

QUESTION 21-Again question 21 was resumed. D. K. Porter reported for the Cleburne District, followed by the characters being passed of all men in his district. Casper S. Wright reported for the Corsicana District and all preachers' characters passed in his district.

ADMITTED-William E. Howell, coming duly recommended, was admitted on trial, immediately transferred to North Texas where he is already assigned.

MINISTERIAL SUPPLY-T. Wesley Hook was recognized and G. Alfred Brown read the report on Ministerial Supply and Training. T. Edgar Neal read an amendment to the report which amended Section 4. T. Wesley Hook spoke, as did Dr. E. B. Hawk and the amended report was adopted and reads:

COMMISSION ON MINISTERIAL SUPPLY AND SUPPORT

Your Commission on Ministerial Supply and Support begs leave to submit its third annual report, as follows: Since the creation of this Commission in November, 1931, several other

Annual Conferences of our Church, including West Texas, Missouri, North Mississippi, South Georgia, and Florida have inaugurated similar movements. In our sister denomination, the Methodist Episcopal Church, the movement for better ministerial support is more than ten years old. Fel-lowship Fund in the Annual Conference as a supplemental source of support for its underpaid ministers is duly authorized in the Discipline of this Church, and approximately thirty Annual Conferences in this denomina-tion are raising and administering such a fund.

General Conference Action

In our last report we called attention to the fact that the problems of ministerial efficiency and adequate ministerial support are inseparably linked together, that no stimulus can permanently maintain a ministry that is not itself effective. In response to memorials from our own and other Annual Conferences the General Conference at Jackson took the following action concerning these inseparable problems:

1. It raised the requirements for admission on trial into the traveling connection to four years of work satisfactorily completed in a standard college, with the possible exception that under conditions clearly recognized

conege, with the possible exception that under conditions clearly recognized as unusual a candidate who has satisfactorily completed two years of work in a standard four-year college may be admitted by a two-thirds vote. 2. It made provision for a Joint Committee on Ministerial Training in each Annual Conference to co-operate with the Annual and General Con-ference Boards of Christian Education in arranging for "a thorough study by the undergraduates of the several courses keeping in close touch during by the undergraduates of the several courses, keeping in close touch during

by the undergraduates of the several courses, keeping in close touch during the year with each undergraduate and furnishing him such counsel and financial aid as may be deemed advisable." 3. It created a Commission to make a careful study of the problem of ministerial support and report its findings and recommendations to the General Conference in 1938. This Commission is composed of five members selected by the Home Department of the General Board of Missions. 4. It charged the General Board of Law Activities with the memory

4. It charged the General Board of Lay Activities with the responsi-

bility for promoting "an adequate support for the ministry." This is the first time that any general agency of our Church has been charged with this important responsibility

The Fellowship Fund

The Commission has held two meetings this year, its members attending at their own expense, and has faithfully endeavored to carry out the recommendations adopted by the General Conference at its last annual session. We have encouraged voluntary contributions to the Fellowship Fund according to the percentage scale approved by the Conference. Communications have been sent through the mails to the potential contributors and the columns of the Southwestern Christian Advocate have been used. We the columns of the Southwestern Christian Advocate have been used. We have received contributions from thirty-three persons. Some have contri-buted monthly, some quarterly, and some annually. The smallest amount contributed by any one is \$1.00, and the largest \$72.00. As these funds have come in, disbursements have been made monthly to the most necessitous cases. We wish to express our appreciation of the co-operation of the pre-siding elders in furnishing us information concerning the needs of the brethren in their districts most entitled to share in this fund. A total of One Hundred One relief checks of \$5.00 each have been sent during the year to persons whose names have been submitted by their presiding elders. to persons whose names have been submitted by their presiding elders. The total received up to date is \$705.00 with a balance of \$200.00 on hand for relief to the most necessitous cases to be reported by the presiding

elders. A careful record of all receipts and disbursements has been kept by the Secretary-Treasurer, and his books have been audited. In addition to the above amounts which have gone through the regular channels of your Commission, and which have been enhanced thereby 10 per cent, we have been added of other witter and concessions made within the Districts to their learned of other gifts and concessions made within the Districts to their groups of sacrificing preachers. These amount to \$480.00. We do not report this by district, as we have no definite figures for two districts; and their omission would be noticeable and not quite fair.

Recommendations

1. We note with pleasure that a chapter has been devoted to the dis-cussion of "The Support of the Ministry" in our official handbook of church finance for the quadrennium:-Financial Recovery for the Local Church; and we recommend that all church officers read and study this chapter. We urge our ministers to preach and our leading laymen to speak on this

Wr recommend that T. Wesley Hock be elected a lay member of the Commission to fill the vacancy occasioned by the death of H. H. Simmons. 3

We recommend that the Commission be enlarged by the addition of two members from the Cabinet appointed by the Bishop, and two members each from the Boards of Missions and Christian Education selected by their

TEMPERANCE-F. E. Singleton read a resolution regarding Temperance which was adopted as follows:

STATE-WIDE TEMPERANCE AND PROHIBITION SUNDAY

We approve the suggestion for a universally observed State-wide Sunday on Temperance and Prohibition in the early part of 1935, and commend it to all of our churches and their departments of service when passed down to them for their adoption and observance.

F. E. Singleton read report of the retiring Commission on Benevolences and it was accepted:

REPORT OF THE CONFERENCE COMMISSION ON BENEVOLENCE

Your commission has sought faithfully to do the work assigned. It has co-operated in every way possible with other agencies in raising the benevolences.

The books of the treasurer have been audited and the remaining funds have been turned over to the Conference treasurer.

CHAS. PICKENS-D. K. Porter reported the loss of the car of Chas. Pickens, supply on the Lipan circuit. An offering of \$34.72 was turned over to his presiding elder, D. K. Porter.

STATISTICS-J. D. F. Williams read a resolution calling for the reports of statistics to be by churches and with totals for each charge in the statistical tables beginning another year and it was so ordered.

JOINT RESOLUTION

Boards of Missions and Christian Education

Whereas, the present method of reporting our annual statistics by charges only fails in many respects to show the true situation of the in-dividual churches on these charges, and

Whereas, the Boards of Missions and of Christian Education are, during this coming quadrennium, giving special consideration and study to the very small church, especially those with membership with less than 100 members (and over one-half of the churches in this Conference come in that classification), and

Whereas, the efforts in striving to pay all salaries and benevolent askings are stimulated when such churches know their individual record will be published;

Therefore, be it resolved, that this Annual Conference order that the statistical reports for the coming years (starting with the Annual Con-ference of 1935) be by individual churches with totals for the charges, and that such reports be published in the Conference Journal, and that the Conference treasurer be instructed to set aside from the receipts on Conference

Benevolences such additional amount as will be necessary to defray the additional cost of publication. For the Board of Missions,

F. E. SINGLETON, President.

For the Board of Christian Education, LESLE W. SEYMOUR, Secretary.

AFTERNOON-A motion was made that when we adjourn we do so to meet at 3 p. m. and it was so ordered. Bishop Boaz appointed E. B. Hawk to preside in the afternoon.

APPOINTMENTS—E. R. Stanford made a motion that the appointments be read in the afternoon following the Memorial Session of the Conference and it was so ordered.

ELDERS—The chair announced that the elders would be ordained during the afternoon.

ADJOURNMENT—Announcements were made, the doxology was sung and the benediction pronounced by J. W. W. Shuler.

SATURDAY AFTERNOON

OPENING—With Dr. E. B. Hawk in the chair the Conference was called to order at 3 p. m. Hymn 548, "Blessed Assurance," was sung, followed by a prayer led by Dr. King Vivian of Southwestern University.

TEMPERANCE—Report No. 2 of Lay Activities on Temperance and Social Service was read by J. A. Crosswhite and adopted as follows:

REPORT NUMBER TWO OF THE BOARD OF LAY ACTIVITIES

We feel keenly the responsibility the General Conference has given our Board in charging it with the great task of quickening our people with a deeper consciousness of the social gospel of Jesus. The Social Creed of the Churches, approved by the General Conference and found in the 1934 Discipline in the Chapter on Lay Activities, sets forth sixteen principles which every pastor and layman in our Conference should think through prayerfully until they have become thoroughly imbued with their import and charged with a greater passion for social justice. We recommend that our pastors, as opportunity may offer, instruct the members of their churches in these principles and lead them to realize that the highest human welfare and adjustment depend on their acceptance and practice. As items of immediate and urgent interest, we call your attention to the following:

Motion Pictures

In view of the immoral and degrading effects of a large number of motion pictures on American citizens, especially our youth, we recommend that our Church co-operate with all other like-minded Christians in an effort to eliminate salacious and other objectionable motion pictures by refraining from attendance on such pictures, and that our people be encouraged to join the League of Decency. We recommend that our pastors in their preacher's meetings call in a group of interested laymen and take such steps as they deem wise in their local communities to achieve this end.

The Family

The deplorable prevalence of divorce and the trend toward a looser sexual relationship among the married and the unmarried, as well as other tendencies toward family disintegration, call for thoughtful and courageous efforts to undergird family life with the unmistakable teachings of history and of Jesus concerning the necessity, if Christian civilization is to exist, of the practice of the fundamental virtues of family adjustment and individual chastity.

War

There is a growing consciousness against war, of which our Church should take advantage by employing the teachings of Jesus as weapons of education. We recommend a militant campaign of instruction concerning the horrors of war, the appeal to false and cheap patriotism, the exposure of the munition manufacturers' propaganda, and other obvious factors

Gambling

Our Church is unalterably opposed to all forms of gambling. We urge that the conscience of our people be reawakened to the sin of playing loosely with uncontrollable chance, and that our churches everywhere take an unalterable stand against legaliged gambling in all forms.

Race Relations

The only adequate solution of the problem of race relation is along the lines that Jesus taught, and in the approach of this problem we must lay aside all passion and prejudice and think and counsel and deal as the followers of Jesus. Sociologists are authority for the statement that in America the Negro problem is our greatest social problem. We recommend that our Methodist churches show sympathy and give encouragement to the churches of the Negro race.

Temperance

Another problem of immediate and perilous concern is that of the traffic and consumption of alcoholic liquors. This is an old problem with new aspects. Its solution invites the most intelligent study and constructive action. Our lines of battle must be rearranged and our plan of attack must be more carefully restudied. We must be unafraid and militant, but clear-visioned, Christ-like. We must arouse our people concerning the evils of the liquor traffic. We recommend that the forces of our Church support heartily all active efforts of any promise in the contest against alcohol

Economic Life

People everywhere are seeking a readjustment of our economic life in which, in the midst of plenty, priva-tion, want, and destitution will not exist. The adequate solution can be found only in the teachings of Losus found only in the teachings of Jesus.

Report No. 3 of Lay Activity was read by J. A. Crosswhite and adopted:

Lay Speaking

We urge that every Board of Stewards have a Committee on Lay We urge that every Board of Stewards have a Committee on Lay Speaking, and that this committee, in co-operation with the pastor, formu-late and carry forward a systematic program of Lay Speaking on the objectives the General Conference has outlined for us to promote. Preach-ing services, mid-week services, and adult class sessions offer weekly oppor-tunity for three-minute speeches, and occasional opportunity for full pro-grams

We recommend the continuance of "Laymen's Day" and designate the second Sunday in June, or the Sunday as near thereto as practicable for the observance of the day. For 1935 we recommend the theme, "WE'RE' IN THE FIGHT" for:

1. The Christian Home.

The Onissian Home.
 A Christian Industrial Order.
 A Sober Nation.
 A Warless World.

5. We'll Fight this Fight to the End.

The Church Press

We commend the merging of the Methodist Layman with the Christian Advocate. We accept the full responsibility of promoting the circulation of this our new organ, as the Discipline directs. We suggest as our goal: "Every member of the Board of Stewards a reader of the Christian Ad-vocate."

We commend the World Outlook as the missionary organ of our Church, for men and women alike, and we wish to encourage a much wider circulation of this excellent magazine.

Men's Work and Evangelism

We suggest the continued organization of Brotherhoods under the direc-tion of the pastor, wherever it is practicable, for fellowship, study and personal evangelism.

Our Bishops have suggested as a goal for this quadrennial 750,000 new members. A group of twelve persons to win only one in twelve months would achieve this goal. Certainly we could not expect the Church to do less. As members and officials let us give ourselves to this primary task of winning recruits for our Lord.

Training Official Boards

We urge the organization of the Official Board in every charge in the

We urge the organization of the Official Board in every charge in the beginning of the new Conference year according to the Discipline, and em-bodying as far as practicable the suggestions of the general secretary relative to committees as follows: Executive, Finance, Property and Grounds, Music, Social Welfare, Evangelism, Stewardship, Fellowship, Lay Speaking, Courses of Study. We direct attention to the necessity for the training of Official Boards. We ask the full co-operation of the presiding elders, pastors, and lay leaders in the holding of training classes for Official Boards in every charge, under the direction of the pastor, or some other approved leader. For these classes we recommend the following books: "The Board of Stewards," by G. L. Morelock, and "Financial Recovery for the Local Church," by J. E. Craw-ford. ford.

Christian Stewardship

We concur heartily in the Church-wide plan for setting aside a definite period in the first quarter of the calendar year for the cultivation and promotion of Christian stewardship.

Church Finance

The General Conference has directed the Board of Lay Activities to promote "a sound financial system in every local church." When we recall that many local churches have a very poor financial system or none at all, we recognize the need and possibilities for real service in this field. Fortunately we have an effective tool at hand. Dr. J. E. Crawford, at the instance of our General Board, has written a book on Church Finance. This splendid volume, "Financial Recovery for the Local Church," is now available and will be the official guide-book of our Church on finance for this quadrennium. It is indispensable to presiding elders, pastors, lay leaders, church treasurers, and stewards.

Support of the Ministry

We recognize the fact that a large number of our preachers do not receive an adequate support. They and their families have been forced to bear excessive hardships and to deny themselves many things that would have contributed to their efficiency, usefulness and happiness. Before cast-ing his vote to fix the salary of his pastor, we urge each steward to read Chapter V of "Financial Recovery for the Local Church" on "The Support of the Ministry." We would insist that every Board of Stewards, after consultation with the pastor as to what is necessary for his support, shall regard the amount fixed as a moral obligation not to be loosely abrogated. We insist, also, that every Board of Stewards, as far as possible, provide for the needs of the pastor on the basis of monthly payments of his salary.

SOCIAL SERVICE-Report No. 4 was read by J. A. Crosswhite and adopted as read:

REPORT NO. 4 OF THE BOARD OF LAY ACTIVITIES

Your Board of Lay Activities recommends the continuance of the regular maintenance assessment for the San Antonio Mission House and Training School. And in view of the great need of a new building in which to carry on the work of this institution we further recommend that the Central Texas Conference join the West Texas Conference in authorizing the pasters and churches of the Conference to present the work and need the pastors and churches of the Conference to present the work and needs of this Home and to take a general free-will offering on Mother's Day or as soon thereafter as practicable, to be used as a building fund for the new Home.

J. B. Curry read report on Temperance and Social Service which was adopted as read:

TEMPERANCE AND SOCIAL SERVICE

We have lived a year under the reign of the brewers. Every promise made by the wets regarding bootlegging, the return of the saloon, and better conditions has proven false. Every prophesy made by the drys re-garding the demoralized conditions resulting from the repeal of the Eighteenth Amendment has been amply fulfilled. The record of this year is amazing and amalling The Travelage Insurance Compared that the is amazing and appalling. The Travelers Insurance Company of Hartford, Connecticut states that for the first six months of 1934 as compared with the first six months of 1933 there was a 20 per cent increase of deaths from drunken driving, 42 per cent increase in drunken drivers, 60 per cent increase in hit pedestrians, and 100 per cent increase in ratio of drunken increase in hit pedestrians, and 100 per cent increase in ratio of drunken driving to the total number of accidents and car wrecks.

An article of May 10th in the New York Times states that drunken-ness among women had increased forty per cent. The president of the National Distillers Corporation complains that the federal government is losing 400 million dollars per year through bootlegging and smuggling. The amount of legalized drinking is perhaps equal to that before the enactment of the Eighteenth Amendment.

The increase of crime has kept step with that of increased drunkenness. Mr. Earle W. Evans, president of the American Bar Association, said on April 27, that crime threatens not only the prosperity and happiness of our people but the very life of the nation itself. In one Texas city for the first ten months of 1933 there were 41 murders, for the first ten months of 1934 in that same city the number was 72. Under the new gambling regime, the results are equally as disastrous.

Under the new gambling regime, the results are equally as disastrous. \$13,000 in checks were cashed at one race track in Houston. 100 C. W. A. checks were cashed in one day in one saloon in White Plains, N. Y. In Texas for 1935 our citizenship faces the conflict with the liquor forces. Will we meekly surrender to the millionaire brewers and their ruinous rule? Their propaganda is destroying the last vestige of protection about our homes, our youth, and our civilization. If civilization survives, the liquor traffic with its inherent evils must be abolished. We must unite our forces, the Anti-Saloon League, the W. C. T. U., and all the agencies under the Texas Drys. The full strength of our churches must be rallied behind this great cause. We call on our citizens to pay their poll tax and arm themselves with effective instruments against the

their poll tax and arm themselves with effective instruments against the conscienceless power of the liquor traffic.

We urge our people in every community to join the League of Decency for the cleansing of the corrupt movies. The time is ripe for this needed reform.

We rejoice at the rising tide in the realm of purer morals, greater respect for law, and order, and an increasing regard for human life and human welfare.

We declare again the moral obligation of our ministers both to preach

į.,

and to live high ethical standards. The freedom of the pulpit is vital at this point. Every pastor ought to be protected in his fearless preaching against the tides of evil that threaten the whole of our lives. Along with freedom of speech, freedom of the press, there must be the freedom of the prophet to declare the Mind of God on the great issues involving everything vital and of supreme value in human life.

We endorse the splendid work of the San Antonio Rescue Home under the guidance of Mrs. R. L. Culberson and pledge our support to this Christlike cause.

We recommend the appointment of Dr. Atticus Webb as superintendent of the Anti-Saloon League for the ensuing year.

DAILY PRESS-M. W. Clark moved that the report just adopted be released to the press and it was so ordered.

CHRISTIAN EDUCATION-L. W. Seymour read the report on Christian Education and pending the report Dr. Vivian spoke. W. W. Ward spoke to the report and it was then adopted:

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

We had before us representatives of educational institutions as follows: Dr. C. C. Selecman and Dr. E. B. Hawk, of Southern Methodist University; Dr. King Vivion and Dr. R. W. Tinsley, of Southwestern University; R. G. Boger, of Weatherford College; Rev. Tom W. Brabham, of Texas Woman's College; Dr. Glenn Flynn, Dr. C. W. Hall and Rev. R. L. Jackson, of the Wesley Foundation.

Texas Woman's College made the following request: "We are requesting the Annual Conferences of Texas to grant authority to the Board of Trustees of Texas Woman's College to admit young men as day students, and to empower the Executive Committee of the Board to negotiate with an individual, or a group of individuals, with the view of paying the indebtedness, said individual or individuals, to be permitted to name the the institution upon approval of the Executive Committee and the Board of Trustees." Your Board of Christian Education recommends that the matter be referred to the Texas Methodist Educational Commission for consideration.

Commission for consideration. The Wesley Foundation has a debt of \$25,000.00 on the Wesley Bible Chair at Austin. The managers plan a personal solicitation among the alumnae of the University of Texas to liquidate this debt, and we endorse

We recommend that the Central Texas Conference adopt the Home and Foreign Missionary Enterprise as our Church School Mission Special, and call attention to the fact that beginning January 1, the Board of Christian Education and the Woman's Missionary Society assume joint re-sponsibility of training children in missionary education. We urge the co-operation of our church leaders in this matter.

We urge every presiding elder and pastor to secure the observance of Missionary Sunday (fourth Sunday) in every church in the Conference. We commend the churches of America in their recent efforts to bring about the release of cleaner motion pictures and recommend that all of our pastors secure materials on this subject from the General Board of Christian Education or the Federal Council of Churches and that they preach one sermon in regard to it. We also commend the enrollment of the church members in the Legion of Decency.

We call attention to the fact that the purpose and goal of Christian Education is that of helping men and women, boys and girls into a vital relationship to Jesus Christ. To that end our emphasis should be upon the foundation of right attitudes and good habits rather than mere or-ganization and mechanics of a program. We therefore commend the plans of evangelism in the local church as recommended by the General Board of Christian Education as a vital part of our emphasis and program of

CHRISTIAN LITERATURE-J. M. Wynne moved the report of Christian Literature read at the evening service the day previous be adopted. and it was so ordered and reads:

REPORT NO. 1 OF THE BOARD OF CHRISTIAN LITERATURE

Your Board of Christian Literature respectfully presents the following report and makes the following recommendations:

We are glad of the fact that our publishing house made profits of \$66,098.47 during tht past year, as contrasted with slight losses the two preceding years. From the profits of the business our publishing agents have appropriated \$60,000.00 for the superannuates, of which our Conference receives its pro rata share. With regret do we call attention to the failure of the constituent Con-

ferences to meet their pledges to obtain a minimum of 25,000 subscribers to the Southwestern Advocate, the result of which failure was the omission of several issues of the Southwestern Advocate and the reduction to half size, of several other issues. Without these omissions and reductions the publishers would have suffered material losses.

Our Publishing House is a great service institution, its primary purpose being the supplying of all needed literature to our Church in all its various departments and organizations, and our Church is to be congratulated upon the second and organizations, and our church is to be congratulated upon the success of our agents in so successfully carrying out this purpose, as well as, incidentally making a small pecuniary profit which is solely for the benefit of our superannuates. Any needed literature and any worthwhile book-at least from our point of view-may be obtained from our Publish-

We recommend: That all our pastors urge more earnestly the larger We recommend: That all our pastors urge more earnestly the Southcirculation and reading of our Church periodicals, particularly the South-western Advocate, the World Outlook, and the Nashville Christian Ad-vocate; and we set the second Sunday, the 9th day of December, as South-western Advocate Day and shall undertake to obtain as many subscriptions to the Southwestern Advocate as possible during the week of December 9 to December 16.

We renew our endorsement of the editorial policies of Dr. A. J. Weeks,

editor of the Southwestern Advocate. We recommend the more general use of all our own Church and Sunday school literature, both because it is our own and because it certainly has no superior, and we also recommend and most earnestly advise the extensive distribution and use of the tracts and leaflets issued by our Publishing House either free, or at very small cost, affording valuable information about many phases and questions of Methodist teachings and practices.

We confirm the nomination of W. B. Andrews, P. E. Riley and J. M. Wynne to be members of the Joint Board of Publication.

LOCATION-D. K. Porter submitted the name of T. Wesley Hook who, at his own request, desired an honorable location and the request was granted.

ORDINATION-Bishop Boaz, taking the chair, the names of those elected to elders orders were called and they were presented to the altar for ordination, assisted by the laying on of their hands by M. K. Little, J. J. Creed and F. P. Culver.

SPIRITUAL STATE-R. P. James read the report on the Spiritual State of the Church. M. W. Clark spoke to the report and it was then adopted:

COMMITTEE ON THE SPIRITUAL STATE OF THE CHURCH

We think an increase of 14 per cent received on profession of faith over last year and increased giving among our people are indications of a vigorous spiritual emphasis in our Conference.

We respectfully recommend that:

1. All our pastors do their best in improving their own devotional life since they are the spiritual leaders of their flocks.

2. That pastors and local church leaders definitely train candidates for Church membership so that new members may realize living faith in Christ and appreciate the meaning and mission of the Church.

3. That early in the year our pastors read to their congregations the General Rules and also the Bishops' Address on Worldliness found in the Discipline.

4. That we teach all of our people to regard all of God's creation and gifts as sacred; that material gifts are designed by the Great Giver to minister to the culture of man's immortal spirit.

5. That our pastors and churches provide and make effective every possible activity that has special value in leading persons to Christ and guiding them in Christian growth as: consecrated church school teachers; prayer meetings; classes in personal evangelism; the prudent distribution of apt evangelistic tracts; purposeful pastoral visiting intent on winning the lost to Christ and reclaiming the back-slidden; well planned revival meetings in all of our churches and in all other places possible.

SABBATH OBSERVANCE-D. E. McVey read the report on Sabbath Observance and it was adopted:

COMMITTEE ON SABBATH OBSERVANCE

Seeing the general trend of letting down standards of morality, by many of our people and realizing the evil influences and effects of many of the worldly amusements being conducted on the Sabbath Day, such as Sunday picture shows, commercialized base ball, racing of different kinds, and many other forms of amusements, as well as the unnecessary transaction of business that could easily be avoided all tend toward the cheapening and undermining of the Christian Sabbath, which is the hope and foundation of Christianity.

We, therefore, urge our laymen to abstain from all these appearances of evil, and further urge our ministers to not only preach and labor against all those things that detract from the greatest enjoyment and fellowship of the Holy Spirit, but also to hold up before our people the power of God that is able to save to the uttermost, and take away the desire for the contaminating things of the world, that their hearts may be so filled with the pure love of God that we will find happiness in keeping the Sabbath day holy.

We further urge our preachers to present in as effective way as pos-sible the great doctrines of our Church, its general rules, and Church vows, that they may help us in observing the Sabbath day, and thereby memorialize the event that took place at the beginning of our dispensation that through these observances the Church may perform her office work,

and bring salvation to man. W. A. PUTMAN—Hubert C. Smith, of Hubbard, announced the death of the honored W. A. Putman, many times member of the Conference.

MISSIONS-P. E. Riley read the report of the Board of Missions and it was received and reads:

BOARD OF MISSIONS

At our Mid-Year Meeting we had fine reports of the results obtained in the Conferences on Rural Church Life which were held under the super-vision of Rev. John A. Siceloff. We feel that this board, through that com-mittee, is making a real contribution to the solution of the Rural Church problem.

We come to the end of the quadrennial feeling that though we have labored under difficulties, and have been distressed because our funds were

so low that we could not make the appropriations that were sorely needed, and that we earnestly desired to make, that nevertheless we have made some progress, and that the plans and program for the future are full

of promise. We have profited by the visit of Dr. Elmer T. Clark to our Board and We have profited by the visit of Dr. Elmer T. Clark to our Board and Conference, and have been inspired and encouraged by his addresses, and by his outlining of the program for the new quadrennium.

We commend most heartily the work of our Conference Missionary Secretary, Rev. S. A. Ashburn, and request his appointment to that work for the ensuing year.

We recommend the appointment of Rev. J. D. Smoot and Z. R. Fee, Conference Evangelists, and Rev. John M. Neal, as General Evangelist.

FINAL MEETING—A. D. Porter made a motion ordering that when we adjourn we do so to meet in Memorial Session, Sunday at 2 p. m., and it was so ordered.

RESOLUTION

Realizing as we must, that the mainspring of all true progress of the Kingdom of God, lies in the Spiritual life of the people; and also realizing that world conditions today, that social, economic and national conditions, make imperative as never before in our time, the saving influence of a great spiritual awakening; resulting in a new exaltation of Christ in the life of the Church, in a new-born passion for lost souls, and in the winning of multitudes of them to Him as their personal Saviour; in the promotion of a new allegiance to the Church, and the building of a new spiritual order. We, therefore, the members of this Conference, ask that the closing feature of our session be a specially-prepared paper that shall voice a ringing challenge to the Church to make the next quadrennium the time for a great spiritual awakening; that we ask our Bishop to appoint a special committee to prepare this paper, and that following the presentation of this paper, the Conference shall pause for five minutes of silent and audible prayer, for the out-pouring of the Holy Spirit to prepare, empower and guide the Church in such anawakening.

It is our belief that this matter is so urgent as to merit this special attention at the hands of our Conference.

AID-W. W. Ward moved that \$15.00 be drawn from the "fellowship fund" and given to Chas. Pickens who had lost his car and it was done.

AMERICAN BIBLE SOCIETY-The American Bible Society report was filed and read:

AMERICAN BIBLE SOCIETY

In spite of a greatly reduced income during 1933, the American Bible Society was able to carry on all of its activities, and at certain points to make some advances.

Statistics recently compiled show that the entire Bible has been translated into 173 languages, and that Scripture translation has occurred in a grand total of 940 languages and dialects.

grand total of 340 languages and dialects. During 1933 the Society, through its Home and Foreign agencies, issued more than 8,400,000 volumes of Bibles, Testaments and Portions. While these figures are lower than the circulation of pre-depression years, certain achievements in the distribution of the Bible occurred that are worthy of notice. The Society distributed more complete Bibles in Japan than in any preceding year. In China more complete Bibles were put into circulation than in any year of evangelical effort. Similar advances were made in Mexico, the Upper Andes and in Brazil. The completion and dediccation of two new modern Bible houses in Toyko and Rio de Janerio during 1933 augur well for increased interest and efficiency in Scripture distribution in these two important countries.

tion in these two important countries. For the Southwestern Agency, which includes, Texas, Arkansas, Oklahoma and Louisiana, we report Bible work this year well in advance of last year, which amounted to about 300,000 volumes of Scripture distributed in thirty-four languages. As best we could with limited means we have supplied mission churches and Sunday Schools. We have also made a point of supplying Daily Vacation Bible Schools, as well as the homes of the poor. Prisons, reform schools and rescue homes also have been cared for, and the blind have had especial attention.

Universal Bible Sunday, occurring this year on December 9th, will commemorate the 400th anniversary of the publication of Martin Luther's translation of the Bible. Attractive material suitable for pastors to prepare for this celebration will be mailed from the Bible House in New York early in November. Bible Sunday affords an opportunity for exalting the Holy Scriptures and the great need in this day of more interest in Bible reading. We beg that all pastors observe the day in some suitable manner.

PUBLIC WORSHIP—The announcements of preachers and their pulpits to be occupied Sunday were read by J. D. F. Williams.

LEAVE—Hubert C. Smith was granted leave of absence to attend the funeral of W. A. Putman.

ADJOURNMENT—The doxology was sung and Dr. O. F. Sensabaugh pronounced the benediction.

SUNDAY AFTERNOON

Sunday afternoon at 2 p. m. the Conference was called to order by Rev. M. K. Little, chairman of the Committee on Memoirs, who had been appointed by Bishop Boaz.

Rev. S. A. Ashburn conducted the devotional at the request of M. K. Little. "Faith of Our Fathers" was sung, the congregation standing, and S. A. Ashburn led in prayer. "Blest Be the Tie" was sung and the question, "Who have died during the year? was answered as follows: T. A. Covington, G. W. Kincheloe, N. J. Peeples, W. H. Vaughan, J. H. Walker, J. J. Rape, J. E. Walker.

The names of the following wives of preachers who had died during the year followed: Mrs. C. H. Booth, Mrs. E. P. Williams, Mrs. J. Fred Cox, Mrs. J. J. Davis, Mrs. R. V. Galloway, Mrs. M. S. Hotchkiss, Mrs. W. H. Kennedy, Mrs. G. D. Wilson, Mrs. W. J. Hearon, Mrs. P. L. Shuler.

Due to the long list, the memoirs were not read but many joined in eulogies of tender tributes to these faithful servants who had fallen from the front line during the year.

Suitable hymns were sung at proper intervals and following the service J. J. Creed moved the memoirs be accepted.

OFFERING-S. H. C. Burgin took a collection for Ben S. Crow, conference postmaster, which amounted to \$47.72.

CHAIR-Bishop Boaz now resumed the chair.

THANKS-Geo. W. Shearer offered verbal resolution of thanks for the hospitality of all organizations and interests that had made the Conference session so delightful and the motion was accepted by unanimous vote of the vast audience.

BOARD OF FINANCE-Paxton Smith, secretary of the Board of Finance, made some comments and the report was accepted without reading.

BOARD OF FINANCE

Your Conference Board of Finance submits its annual report as follows: Seven superannuate preachers and nine wives of preachers, claimants Seven superannuate preachers and nine wives of preachers, claimants on our Board, died during the Conference years, as follows: Preachers: T. ending. We now have 45 superannuates and 68 widows on our list of claim-ants. This reduction in the number of claimants and the increase in the amount realized from the Conference Apportionments, we are happy to report enabled us to increase the amount appropriated to preachers from \$4.00 to \$5.50 per year of service, and increase from \$2.66 to \$3.65 per year of service of widow. The increase in the amount received from the Publishing House this year more than covers the loss through the reduction of the amount of the check received from the General Board of Finance.

J. W. W. Shuler spoke brief words concerning the Board of Finance.

APPRECIATION-Rev. S. A. Ashburn moved a vote of thanks to Bishop Boaz for his gracious and tender courtesies in every consideration as he has presided over this session of his home Conference.

A. D. Porter put the motion and it was unanimously adopted.

EVANGELISM-Roy A. Langston read the resolution regarding our expected Spiritual Awakening and pending the adoption the audience rose and remained in silent prayer, concluded by a fervent prayer led by Dr. C. C. Selecman.

REPORT OF COMMITTEE ON SPIRITUAL AWAKENING

The world today is in the grip of sinister forces that are working for ruin and destruction. Nothing but the saving power of the Gospel is adequate for the conditions about us. We have fallen upon peculiar times. The church as never before in our day must awaken to its first mission of winning men to Christ, or else see society paganized, and civilization thrreatened or destructed. or destroyed.

Methodism was born and has prospered as a Revival Church. When she ceases to be fired by an evangelistic passion she loses the very spirit that made her. When any other institution or agency obscures this first mission, to that extent our church will be made to flounder among the breakers, and

to that extent our church will be made to hounder among the breakers, and toss upon the rocks. "Awake, awake; put on thy strength, O Zion; put on thy beautiful garments O, Jerusalem!" We come to call you to an AWAKENING! Oh, sons of the immortal Wesley, Oh, followers of the living, conquering Christ, shall we not in His name advance? name, advance?

Objectives

The one objective of this hour is a spiritual awakening. May it grow into a movement, increasingly deep and strong, until its high tides shall lift the world to a new level of righteousness in all human relationships. There is no justification for this committee or for taking the time of this Con-

ference, except to sound the clarion call to let's go out and become "fishers of men."

- 1. May our AIM be to deepen the spiritual life of our people, with special emphasis upon personal experience of regeneration.
- 2. That the church may become "witnesses" of the saving grace of Christ, 3. Surveys of fields should be made, with a view to reclaiming the backslidden, and winning every lost soul possible to a personal Savior.
- Let family altars be established, prayer leagues formed, personal workers' groups selected and trained, all for the one supreme end of 4. making known the riches of God's saving grace

Agencies

- 1. Since no great revival movement of great consequence has ever come without Bible preaching on the great fundamentals of salvation-Sin, Repentance, Regeneration through faith in Christ-let us as ministers study and proclaim these mighty truths of the Word.
- We also urge upon ourselves as pastors special study of sermons and 2. methods of great men God has signally used in bringing thousands of souls into the Kingdom.
- Tremendous emphasis must be put upon prayer. It's the "upper room Church" that is the church of power. Upon the Holy Spirit, who alone convicts of sin, and mediates God's saving grace; upon the Bible, its revelations of warnings and its wooings of Infinite Love; upon Christ as "the only name under heaven given among men whereby we must be saved."
- The whole church machinery must be vitalized with a saving passion, The whole church machinery must be vitalized with a saving passion, if we would advance. The Sunday school, the Epworth Leagues, the Woman's Missionary Society, church boards and brotherhoods—all must become Divinely-appointed agencies, and divinely-empowered and used, to reach every home and every individual in every community, with Christ's saving Gospel.
- This enterprise is worthy of much diligent and special preparation. We 5. must prepare the soil and sow the seed if we would bring forth the expected harvest. Let plans be prayerfully formed by every pastor and every church early in the year.

Organization

Your committee does not want the sound of this challenge to die away with this Annual Conference. Nor does it recommend machinery in place of guidance from God and the power of the Spirit. But it does recommend:

- 1. That the Presiding Elders of this Conference constitute a Committee on Evangelism, with our Bishop as General Superintendent.
- That each Presiding Elder's District organize in such a manner as is best suited to the needs of that district, for the promotion of a deep. spiritual awakening in every charge, and in every community center.
- That quarterly reports be made by each Presiding Elder, to our Bishop or his secretary, of the number of conversions in each charge, and the number of additions to the church on profession of faith. That these reports be tabulated and copies sent out to every pastor in the Con-
- We recommend further, that this revival movement be launched in every 4. district at the first district meeting. That time be given for a special season of prayer and waiting upon God. That some member of this committee, or of the Conference, if necessary, be used to stir the pastors and laymen at this meeting with a mighty, gripping passion to go out and win the lost to Christ.

We are facing a new quadrennium. Let us go out and joint with the hosts of Methodism throughout the earth, to set the revival fires burning in every land. Surely God is calling us! Shall we not hear? Our Christ is wholly

PRIVILEGE—W. W. Ward moved that the name of J. G. Putman be added to those who had died during the year, due to his long service in the old undivided Northwest Texas Conference and it was ordered.

THOMAS ASBURY COVINGTON

Thomas Asbury Covington, son of Lee and Rebecca Covington, of Union City, Tennessee, was born February 14, 1868. He spent his early youth teaching in Middle Tennessee. He was a devout Christian and an earnest worker in the Church from childhood, always giving his help to his pastor wherever he taught. Because of his talent in music and his ability as a singer he was always in demand in community church work. He felt the call to the ministry early in life but did not surrender until he was thirty-six years of age. He gave himself fully to this call and went quietly and uncomplaingly wherever he was sent.

A few days before the end he was carried to the Dallas Methodist Hospital in order that he might have the benefit of the best possible care during his last hours. All those who came in contact with him in the hospital found his last hours. All those who came in contact with him in the hospital found him to be the same beautiful spirit that he had been in the days of his health. He was heard to whisper softly the words of the Twenty-third Psalm, and repeated to himself frequently many of the most precious promises of the Bible. In sickness as in health he was child-like in his faith, beautiful in the simplicity of his devotion to friends and loved ones. He had no fear of death, but in the very hour of it he called his family around his bedside and bid them a loving farewell. He placed his hands on the head of his younger son and pronounced upon him a parting blessing, "Our people die well."

His funeral services were conducted in the Tyler Street Methodist Church on May 14, in charge of his devoted friend, Bishop Paul B. Kern, as-sisted by the Pastor, Reverend George C. French, and a number of other

He is survived by his wife, Mrs. Margaret M. Covington, his two sons, James B. of Phoenix, Arizona; Faries M. of Dallas; a daughter, Mrs. Carter White of Dallas; and a foster daughter, Mrs. W. H. Blanks, Mc-Camey, Texas. Three brothers also survived him: J. G., William and A. B. of Union City, Tennessee.

Owing to the condition of his health and the health of his family, his ministry covered a wide area of his Church. He served his Church in Ten-hessee, Missouri, Central Texas and New Mexico Conferences.

REV. GEORGE W. KINCHELOE

Rev. Geo. W. Kincheloe was born near Belleville, Wood County, Virginia, Nov. 23, 1855. He was converted in the Cedar Ridge Church near Bruce-ville, McLennon, County, Texas, at the age of 15 years. He was licensed to preach by the Waco District Conference on June 29th, 1898, and was admitted into the old Northwest Texas Conference, November 16, 1898, the Conference meeting in Brownwood, with Bishop Galloway presiding. He was ordained a deacon by Bishop Candler in November, 1900, and an elder by Bishop Hendrix in 1902. by Bishop Hendrix in 1902.

by Bishop Hendrix in 1902. When the Conference divided in 1910 he remained with the Central Texas. Brother Kincheloe served the following charges: Peoria Circuit, 1898; Loveless Circuit, 1899; Red Oak Circuit, 1900-1; Comanche Circuit, 1902-3; Florence Circuit, 1904; Irene Circuit, 1905-6; Brandon Circuit, 1907; Kerens Circuit, 1908-10; Corsicana Circuit, 1911-12; Britton Circuit, 1907; Bardwell Circuit, 1914-15-16; Holland-Bell Plain Circuit, 1917-18; Purdon-Harmony, 1919-20-21; Mexia Circuit, 1922-23; Assistant Centenary Secre-tary, 1924; and took the superannuate relation in 1925. This represents 27 years of hard work. He was a painstaking pastor, earnestness and devotion. He brought up the Conference assessments in full for twenty-two years and the surpluses during that time was greater than the deficit for the other four years. Brother Kincheloe always looked well after every interest of the Church.

Brother Kincheloe always looked well after every interest of the Church.

He was one of the very best Advocate agents in the entire Conference. He was an incessant reader. He both knew and loved the doctrine and discipline of the Methodist Church.

He built several churches and parsonages. There were more than a thousand conversions and additions to the church in the years of his pastorate

Those who knew brother Kincheloe best will never forget his buggy-Those who knew brother Kincheloe best will never forget his buggy-horse that he called "Colonel Jim." He had this to say about his faithful horse, in a note to the writer, "I do not think the record would be complete without some mention of "Old Jim," who traveled over 10,000 miles to carry the Gospel to lost sinners, who pulled through the deep mud of Hill, Ellis and Navarro Counties, through sand beds of Comanche and over the rocks of Williamson without complaining, who was superannuated in 1917, and died a few months later, full of years and faithful until death." On December 17, 1885, Bro. Kincheloe was married to Miss Lucy Mor-rise to whom were horn two children George who died in infancy and

On the 12th day of January, 1934, in his own bed in his own home, in Corsicana, Texas, with his wife and daughter by his bedside, this faithful, noble and consecrated minister of the Gospel of God's Dear Son, heard the call of the Bishop of his soul, saying, "It is enough, come up higher," and he went to join the blood-bought and blood-washed in the land of eternal day.

NEWTON JASPER PEEPLES

Newton Jasper Peeples, son of Alfred and Selesta Peeples, was born December 8, 1872 in the state of Tennessee, near Fulton, Kentucky. He re-ceived his school education in Fulton, Ky., afterward attending college at Martin, Tenn. Brother Peeples joined the Memphis Conference on trial in 1900, and was sent to Dyersburg Circuit where he married Miss Bertie Mae Hollowingsworth of Dyersburg, Tenn., in 1901. He went from there to Milan Circuit and served one year, and from there to Brighton Mission. In the fall of 1902 he transferred to St. Louis Conference and was sent to Advance, Mo., and then to Bell City, and here he lost his health and was moved to the mountain charge of Lesterville. He then transferred to the Northwest Texas Mountain charge of Lesterville. He then transferred to the Northwest Texas Conference and served the following charges: Nugent, Hermleigh, Nolan-ville, Evans, Farie, Meredian, Munger, Peoria, Corsicana Circuit. He took the supernumerary relation in 1919 and in 1923 was superannuated. Brother Peeples left to mourn his going, besides his wife, four sons:
Guy, Leonard, Louis, Warren; and two daughters, Ruth and Allie Mae. No church ever had a truer pastor, no wife a better husband, no children a more loving father. He pewer cases de to prener to preset by precent and

No church ever had a ther paster, no the a born have by precept and a more loving father. He never ceased to prepare to preach by precept and example. He was one of the best posted men on the Bible and the relationship of its teaching to the present day. Because the church is penurious, this dear man was forced to work constantly to keep a roof over the heads of his loved ones, and to leave some life insurance for them after he was gone. He attended church regularly. He took sick on the 22nd day of April after assisting his pastor in the sacrament service, developing into sleep-ing sickness and without ever regaining full consciousness, he passed from this state to the place Jesus prepared for the faithful May 10. We pray that the sweet spirit of husband and father may linger as a hallow of light to comfort and cheer you dear loved ones until you shall meet again.

Charges. Because of ill health he was given at his own request the super-annuate relation in Nov. 1906. Thereafter he made his home at Gorman, from which place he was called to the heavenly home on May 5, 1934. Bro. Walker was married to Miss Mary William Jamison November 14, 1877, at Clarksville, Texas, to whom he gave large credit for whatever success he had as a minister. Four children came to bless their home: May Ola (Mrs. J. S. Bryan) died at Hico in 1910. David Marion died at 22 months of

age. J. E. Walker, Jr., Bettie Fears (Mrs. M. H. Smith), and Bro. Walker's widow survive, to whom our prayers are extended. The following merited tribute is paid Bro. Walker by his son: "No minister was happier than our father in presenting the Gospel, under whose ministry scores of souls were saved. He preached a high type of Christian living. He had the tenderest compassion and sympathy for the masses and those who knew not Christ. He led a clean prayerful life and one full of faith and hope that death had no power over the redeemed and bloodwashed spirit. He was a strong believer in sanctification and holiness." He scrupulously endeavored to keep our ministerial vows, earnestly sought the experience of perfect love, preached and exemplified the same for many years before crossing the Jordan.

It was the writer's privilege to be associated with Bro. Walker for a long time-in the home and social circles, in revival meetings and the sphere of personal friendship, and I have never known a truer type of Christian manhood.

He passed away suddenly May 5, 1934. The funeral services were held at the Gorman Methodist Church, Rev. C. O. Hightower officiating, assisted by Revs. D. Conway, F. L. Turner, J. L. Roden and C. C. Chaney. His body was laid to rest in the Gorman Cemetery.

Two years before his death he made out a plan for his funeral service. He designated the songs he wished sung and requested the writer of this Memoir preach the sermon. He had written out in full the song, "I Saw a Wayward Traveler In Tattered Garments Clad," etc., and the hymn was sung according to his request, as also were the three other songs.

Those participating in the services were the writer, and Reverends Frank E. Singleton, F. L. McGehee, Roy A. Langston, A. W. Hall, R. G. Boyd, J. W. Mayne, while several other preachers present stood and repeated together the pastoral psalm.

The funeral was conducted on the 23rd day of February in the First Methodist Church of Weatherford, Texas, and the interment took place in the cemetery of that goodly city. His body sleeps in the "tongueless dust" but his soul lives on in the land "with the spirits of just men made perfect."
