BOARD OF EDUCATION

The Board of Education, through its Executive Committee, recommends that this special session of the Central Texas Annual Conference give recognition to the urgency of the minimum need for additional Camping facilities and Wesley Foundation work, as represented by the Conference Board of Education—and the Board expresses the hope that a campaign for \$100,000.00, to be paid before June, 1960, providing for these interests, shall be authorized by the June, 1957 session of the Conference.

The distribution of this fund shall be determined by the Executive Committee of the Board of Education, in collaboration with the Cabinet and the Conference Commission on World Service and Finance.

In anticipation of this program, Districts which have free Conference Advance funds, be encouraged to allocate money to this program during the remainder of this Conference year.

CARROLL H. THOMPSON, President

W. M. GREENWALDT, Secretary

BOARD OF EVANGELISM

Our Area Council, under the leadership of Bishop William C. Martin, met in Dallas on July 23rd to recommend the means of winning to Christ the thousands of unsaved men, women and children in our area, and of reclaiming for Christ the multitudes who have forfeited their relationship with the church. The Council took careful note both of problems and of opportunities in this field. They recommend to us the following plans for the remaining months of the conference year. These we recommend to the Central Texas Conference:

1. Let the District be the unit of operation. Each District has its peculiar geographical situation, its population growth or recession, and other conditions requiring special planning and work.

2. One week of evangelism in each pastoral charge with the pastor doing his own preaching. If considered advisable in the various Districts, this period of evangelism may be simultaneous within the churches of a given district.

3. Each congregation, after careful self-analysis, to set its own goal of net gain in membership.

4. To enlist at least 10% of the membership of each pastoral charge in person-to-person evangelism under the "Tell Texas About Christ" Movement.

5. To enlist the Church School Superintendent and every teacher from the Junior Department on up in a concern to secure the commitment of their class members to Christ and the Church.

6. Let there be no barren church (one without persons won to Christ and added to the membership of the church on profession of faith) in the Central Texas Conference. The use of the Rural Revival Plan with careful religious surveys, visitation-evangelism and preaching is recommended.

7. We recommend that each pastoral charge make a door-to-door census of its territory so thorough that we shall be able to say that we have knocked on every door and that we have listed every person who is the rightful spiritual responsibility of The Methodist Church.

8. We further recommend that each District so allocate the territory within its bounds that each foot of ground may be within the area of responsibility of some Methodist Church in that District.

It is the desire of this Annual Conference that each pastoral charge use every type of evangelism and every appropriate technique that will help in the performance of our evangelistic task under God's leadership and for Christ's sake. To this objective, we pledge our time, our talent and such portion of our treasure as the task requires.

VI-REPORTS

DISTRICT SUPERINTENDENTS' COMPOSITE REPORT

I am glad to be the spokesman for 110,000 laymen and 300 pastors who join in saying that we are grateful to the South Central Jurisdictional Conference for granting our request to have Bishop William C. Martin continue as our chief pastor and leader. Because of his vision, courage and understanding our Conference continues to move forward in doing God's will among men. We all know and love Mrs. Martin for her gracious and understanding spirit upon all occasions.

The recent General Conference determined that the Quadrennial Program for 1956-60 shall be directed toward (1) the enrichment of the local church and (2) the strengthening of our institutions of learning. Our Conference made a good start in the local church emphasis, when 297 local churches took a good look at themselves with the use of the Self Study Guide recommended by the Council of Bishops. The second phase of the program has been given added emphasis by the churches of our Conference raising \$53,590 for our Methodist Colleges and \$22,962 for our Wesley Foundations or a 133% increase over last year. We are fast moving toward a 100% participation of a \$1.30 per member for the undergirding of higher education in our day.

With an average attendance of 40,000 a Sunday our Methodist people have seen 1,326 infants baptized at the altars of our churches this year. Some 5568 laymen have joined hands with their pastors in securing 4,496 new members by vows and baptism and another 5,339 by transfer from other Methodist Churches.

Methodist people across this conference provide 372 Church Schools with an enrollment of 77,000 and an average attendance of 42,000. Vacation Church Schools numbered 250 with 16,619 pupils enrolled. There were 136 Training Schools with 4,677 in attendance. Another 4,834 Methodists attended our camps, retreats, assemblies and workshops. Our people are reading the church periodicals with 14,241 subscribing to the Texas Christian Advocate, another 4,894 subscribe to the new Together Magazine, and the New Christian Advocate has 510 subscribers.

We have 327 wide awake Methodist Youth Fellowships with 7,290 members and 23 young men have been licensed to preach during the year.

Under the capable leadership of Mrs. Joel Hooper and a fine corps of conference and district leaders there are 244 Woman's Societies of Christian Service with a membership of 12,316. The 104 Wesleyan Service Guilds have 2,279 members enrolled.

Eugene F. Jud, our Conference Lay Leader, and his fine district lay leaders continue to give outstanding and able leadership to the lay activities of our Central Texas Conference. There are 155 active Methodist Men's Clubs with a membership of 5,857. Commitment to the total abstinence from the use of alcoholic liquors numbered 9,768 individuals. Some 338 churches observed Layman's Day and 4,519 have pledged a tithe of their income into the churches of the Conference. The Stewardship of Possessions Program continues to grow under the Leadership of the pastors and laymen working together with 208 churches having an Every Member Canvass.

Because of the teamwork between pastors and laymen 25 new church buildings have been built at a cost of \$831,861, and 18 new parsonages were secured at a cost of \$292,179. Repairs and improvements to churches have amounted to \$356,175 and another \$86,987 has been spent to make our parsonages more livable. The debt retirement on our church property amounted to \$778,683.

The growth, vitality and progress of The Methodist Church in this twentieth century will be measured by the number of new churches organized. Four have been organized this year as follows: Crestview Church, in Graham, Bedford Church

in Fort Worth, East District, The Church of the Good Shepherd at Arlington, Edgepark Church in Fort Worth, West District. There have been five mergers as follows: New Hope with Hubbard, Ames with Janesboro, Duffau with Hico, Fairview with Granbury, and Weatherford Street with St. John's Church, Fort Worth. The following churches have been discontinued; Bullack, Birome and Harne. Relocations have taken place as listed: Callege Heights to Eastwaad, Highland Park to East Seminary Drive and Matthew Street, Hillsboro to East Hillsboro, making a total of three relocations. There have been no churches transferred into this Conference from the Central Jurisdiction this year or previously.

While we have made our home churches stronger and better equipped, we have not been unmindful of the needs of others as the following investments will reveal. We have contributed to World Service and Conference Benevolences \$203,296, which is more than \$4,000 above the amount apportioned to the districts. Another \$118,810 was contributed to World and National Advance Specials. To Hungarian Relief we gave \$11,705, for the Alaska Callege \$8,000, Latin American Work \$9,000, American Indian Work \$1,318 and for District Missions \$26,759. Other special causes near to the heart of God, we have shared in also; Week of Dedication \$9,071, World Wide Communion Sunday \$7,545, Texas Mission Home and Training School \$9,823, Methodist Home, Waco \$76,193, Retired Minister's Homes \$6,876, Golden Cross \$8,198, Texas Alcoholic and Narcotic Education \$4,756, Race Relations \$3,448, Rally Day \$3,406, T.V. Fund \$3,122 and Student Day \$2,460. The amount raised on the Nurse's Home this year is \$34,924 or a total of \$171,500 for the three year period.

The total finances raised for all purposes amounted to \$5,272,366 for the work of the Kingdom of God here at home and around the world.

All of us have lived long enough to know that with sunshine and joy, there is a measure of sorrow to be experienced. The shadows have closed around many of us during the year in the loss of loved ones. We remember especially those whom we memorialized last night. They fought the good fight of faith and have won the crown of victory through Jesus Christ our Lord, and rest from their labors eternally.

This Cause to which we give ourselves as ministers and laymen continually is not the result of our own efforts, rather, in the words of Paul writing to the church at Corinth, "All this is God's doing, for he has reconciled us to Himself, through Jesus Christ; he has made us agents of the reconciliation." II Cor. 5:18 (Phillip's Translation). Let the faith we declare and the deeds we perform be a foundation strong enough for God to bless in the building a better world for mankind to live in. For these and other blessings, let us—

"Praise God from whom all blessings flow;
 Praise Him, all creatures here below;
 Praise Him above, ye heavenly host:
 Praise Father, Son, and Holy Ghost."

C. C. SESSIONS
 Chairman of the Cabinet

ADMINISTRATIVE COUNCIL

The Administrative Council is deeply appreciative of the fine spirit of cooperation that has enabled the conference to carry on the total program of our church with vigor and efficiency, while at the same time we have been able to lift up the special interests represented in our quadrennial program, giving to each in turn its proper promotion and cultivation. We commend the Bishop, his cabinet and the various boards and commissions for their splendid leadership.

We are deeply grateful for the thoroughness of the self-analysis study within the local church. We rejoice in the revelations that have come to us as a result of this study. As much good has come to us by way of intelligently facing the facts revealed, and remedial measures taken to bolster the weak points of the local church program, so we trust that we shall continue to make use of this vital information to the end that every local church shall take its rightful place as an effective unit of our conference.

We believe the results obtained have completely vindicated the plan to have each "preacher in charge" leading his own revival and evangelistic crusade culminating with Easter. All reports have indicated a new spiritual tone within the church membership and many converts have been added to the roll. We trust that this high evangelistic note will find continued place in the planning of each pastor and local church.

We are now in the midst of the special interests of our institutions of higher learning. The conference Board of Education and the Texas Methodist College Association are lending fine leadership to that of the bishop and his cabinet. We believe that our conference will take its place as a leader in Texas Methodism in reaching our goal of \$1.00 per member for the Texas Methodist Colleges and 30c per member for the support of the Wesley Foundation program.

October will find us lifting up the cause of missions. We urge the continued cooperation of our laymen and pastors to the end that our World Service and Conference Benevolences, the total program of Advance Specials, and our program of Church Extension shall be so greatly strengthened as to rightly deserve the commendation of our Father in Heaven. We dare to dream great dreams for the cause of Missions and Church Extension, and firmly believe that these dreams may become a reality as we translate our interest and love into action.

February of 1958 will find us following the leadership of our Board of Lay Activities in strengthening our total program of Christian Stewardship. Here again we need, and shall expect, full cooperation. With such a program of action we believe that the Annual Conference of 1958 will find us stronger spiritually, with greater love expressed in devotion and loyalty, greater service reflected in our record of gifts and achievements.

H. BROWN LOYD, Chairman
W. V. BANE, Secretary

COMMISSION ON CHRISTIAN HIGHER EDUCATION

The Commission expresses its deep appreciation to Bishop Martin and the Cabinet for their active support of our Methodist colleges and Wesley Foundation.

The Commission requests that the Annual Conference Program provide sufficient time for the special presentation of the Quadrennial Emphasis on Christian Higher Education, preferably at a time of maximum attendance at the Annual Conference.

The Commission requests that the film, "The Campus Parish" be shown at same time during the Annual Conference. It is also recommended that the film be shown in every church throughout the Conference, so that more Methodists will become better acquainted with the philosophy, problems, and contributions of their Methodist colleges.

The Commission encourages every district superintendent and every charge throughout the Conference to reach the minimum goal of \$1.30 per person per year for Methodist Colleges and Wesley Foundations, as recommended by the General Conference.

The Commission urges Methodist ministers and Methodist laymen to send their Methodist youth to Methodist colleges.

The Commission urges Methodists to place Methodist institutions in their wills, preferably leaving discretionary powers to Boards of Trustees of the institutions in order that funds can be used where they are most needed. Ministers and laymen who are in a position to advise individuals about the disposition of their material possessions can be of significant service to Methodist institutions by pointing out the needs and contributions of such institutions.

The Commission recommends that the Emphasis on Christian Higher Education be presented each year at the Annual Conference during this quadrennium.

The Commission pledges to strive for closer ties between Methodist colleges and the Church-at-large.

LAW SONE, Chairman

COMMITTEE ON LOCAL CHURCH EMPHASIS

1. We are encouraged by and give thanks for the thrilling reports being made as a result of "THE TELL TEXAS ABOUT CHRIST" emphasis which culminated an Easter, with local pastors playing a leading role, and under the direction of our Conference Board of Evangelism. This should become increasingly a continuing program.

2. Following the time table we are now in a period set aside for emphasizing Christian Education. The Conference Board of Education has prepared an ambitious and far reaching program for every local church, and stands ready, willing and able to lead us to a fulfillment of every objective. We urge every local church to take advantage of this opportunity.

3. When October arrives we will turn our emphasis toward our far reaching Missionary task. The Conference Board of Missions has prepared and stands ready to lead our Conference and Local Churches in a thrilling period of world wide witnessing.

4. Following this missionary emphasis we will then turn our attention to a continuing emphasis upon Christian Stewardship, under the direction of our Conference Board of Lay Activities. The many Tithing Clubs which have been formed throughout the Conference, together with the one hundred percent cooperation of every local church in carrying through with an EVER MEMBER CANVAS campaign has and will result in increased giving and new and deeper understanding of the gospel of Christian Stewardship in the total life of the church.

5. Under the leadership of a Conference Board of Christian Social Relations we recommend establishing the optional Commission on Social Relations in each local Church, and creatively face up to the many social concerns in all our communities.

6. The committee recommends that our Conference Boards prepare a challenging and far reaching course for us to follow, and we call upon each Local Church to take advantage of each and every opportunity for strengthening its program by following the course as outlined in each instance.

7. We express the sincere hope that each period of emphasis will greatly add to and enhance each emphasis to follow, and that all of the church program will be emphasized all of the time.

HAYDEN EDWARDS, Chairman

COMMITTEE ON PROMOTION AND CULTIVATION

When we really realize that Methodism can fulfill her Lord's Great Commission of World-Wide Missionary Endeavor only through giving to Mission Causes, our offerings for World Service, Advance Specials (both World and National and Conference), The Week of Dedication, Fellowship of Suffering and Service, the Television Ministry and other general financial causes take on increasing significance and offer to us a thrilling and glorious challenge. **Advance Specials** give us a chance to personally participate with Christ in the salvation of the entire world as we help churches in over forty nations maintain their vigorous growth (membership gain in last four years alone being over 10 percent) and service, with special concern that we grasp our "once in a lifetime" opportunity to win four "Lands of Decision": Sarawak, Korea, Bolivia and The Congo. Special support is asked for the Alaska Methodist College in Anchorage, and our conference will want to continue its special interest in Brazil as well as give some Advance Specials to Bishop Sante Uberto Barbieri's urgent need in Argentine, Uruguay Conferences as suggested by our own Bishop. Through MCOR we will continue to be the "Good Samaritan" in distress areas and to victims of natural disaster. Thus, the local church, in keeping and selecting new Advance Specials, is going the "Second Mile" in an adventure of personalized Missions which gives a special interest in a special person or cause.

The Week of Dedication, observed annually, emphasizing Ash Wednesday and culminating in first Sunday in Lent with Dedication Sunday, has as its primary aim the complete commitment of our people to Christ and His Church while offering another opportunity for "Second Mile" giving for Crusade Scholarships, relief and rehabilitation, and emergency missions situations. The Fellowship of Suffering and Service on World-Wide Communion Sunday each first Sunday in October enables us to assist the work of our Chaplains, camp activities and overseas relief, and thus The Methodist Church follows her sons and daughters into the service of our Country with the prayer that they will increasingly become "Missionaries in the Service."

In the drive to win men's minds and hearts for our Lord Christ television offers an almost unparalleled medium. The costs are high but the values and results are correspondingly high, and we should thoroughly commit ourselves to the support of **The Television Ministry** of The Methodist Church. \$1,000,000 per year is a bare minimum need and an absolute necessity if we are to grasp this glorious opportunity. Our just share in this ministry is \$6,583 while our brethren of the North Texas Conference are asked for \$8,083 and the Northwest Texas Conference is asked for \$10,333. We must not fail to "fulfill this ministry."

Your Committee on Promotion and Cultivation urges every church to accept with enthusiasm all askings made of us, with special emphasis on World Service increases, the Life Blood of our Church, considering them not only as obligations but as a glorious opportunity to serve "Him whom our souls loveth." We should fully utilize in our churches the promotional and cultivation materials provided by general and conference agencies in developing understanding of connectional causes among our people.

In view of the inseparable relationship between education in Stewardship and giving your Committee urges every church to cooperate in every way, during this quadrennium, with the Board of Education and the Board of Lay Activities in the overall program of Christian Stewardship with emphasis on the Stewardship of Possessions and lifting up the Tithe as the minimum standard of sharing for the people called Methodists. The Every Member Canvass should be implemented in every congregation. A successful emphasis on the Tithe with the Every Member Canvass serving as the method will undergird all our Mission Causes with sufficient funds to help God answer Christ's Prayer—and ours—"Thy Kingdom Come . . . in earth as it is in heaven."

METHODIST MINISTERS UNITED BROTHERHOOD

Report of Secretary-Treasurer

There were twenty deaths in the Brotherhood this year, the number being divided among the divisions as follows: Central Texas Division, eleven; North Texas Division, five; and, Southwest Texas Division, four. There are four deaths now pending from the Central Texas Division for June and July calls.

There are now 277 members in the Central Texas Division of the Brotherhood, 206 members in the Southwest Texas Division, and 93 in the North Texas Division.

The officers of our division meeting in Hillsboro early in May began making a study of our division to see how it could be improved, provide additional benefits for the members, and secure more participation by the members of our conference. At this meeting it was recommended that this division vote, at this conference, to serve notice on the other two divisions of the Brotherhood that we are withdrawing from them one year from this conference time and establishing our own Brotherhood program for the members of our conference. It has now been learned that the Southwest Texas Division has already taken steps to withdraw from our Brotherhood beginning next conference, June of 1958.

It now becomes necessary for us to change our plan of the Brotherhood. The President of the division, Rev. Bruce Weaver, has nominated the following men to serve as a committee to study and set up a new plan for our Brotherhood and present it at our next annual conference session in 1958. The men are: W. V. Bane, Floyd Johnson, James Cooper, P. E. Riley, R. Herman Boyd, C. D. Wooten, S. A. Baker, H. Brown Loyd, all cabinet members who are members of the Brotherhood, and the President, Vice-President, and Secretary-Treasurer of this division.

Again we stress that it is a privilege to be a member of the Brotherhood. It is not an insurance program. It is not just for your own personal benefit, but the Brotherhood is a way to show our love and appreciation to our fellow ministers and their families for the sacrificial service they have rendered to the Kingdom of God. We encourage the members of this conference who are not already members of the Brotherhood to use this organized method of sending flowers of appreciation to the homes of our bereaved parsonage families.

The average benefit paid to beneficiaries of the Central Texas Division this year was \$583.00.

The committee appointed to audit the books of Rev. R. A. Brooks, Jr., Secretary-Treasurer of the Methodist Brotherhood, reports that the books, checks, and bank statements were examined by the Committee on June 4, 1957, and were found to be in excellent order. The balances on hand were verified by the bank statements.

On examination, June 4th, we found the books, checks, and accounts of the Secretary-Treasurer, R. A. Brooks, Jr., to be in order. The balance on hand was verified by the bank statements.

The committee nominates the following officers for the year 1957-1958:

Vice President: Jack Oglesby

Secretary-Treasurer: R. A. Brooks, Jr.

COMMISSION ON CHRISTIAN VOCATIONS

We urge that every pastor turn to the Index of the 1956 Discipline of The Methodist Church. On page 841, under Interboard Commissions on Christian Vocations there are a number of paragraphs cited which point out the interrelationship of different boards and Commissions in this field, the philosophy of Christian Vocations, the need of this Commission, and the field and scope of the Commission on Christian Vocations from the General Conference level down to grass roots in the local Church.

It is relatively simple to pass needed legislation at General Conference or to adopt programs at an Annual Conference. The difficulty lies in making them effective in the local Church. The General Conference last year adopted two major emphases; First, an emphasis on Higher Education, and Second, an emphasis on Local Church. We have emphasized the work, duties, and responsibilities of the Commissions, Church School, Methodist Men, W.S.C.S., the Official Board, and other organizations. Let us look at our Discipline, Paragraph 145(9). This

is local Church Legislation. We maintain that it is a "necessary" Committee, (opening statement P. 145) and respectfully urge that said Commission be created in each local church and "report annually to the fall meeting of the Quarterly Conference, and to the Conference Commission on Christian Vocations." P. 145(9).

Much of the emphasis on Christian Vocations must of necessity, rest on the pastor and his congregation. Our major responsibility lies in recruitment, counsel and guidance to those committed to Church Vocations until such time as they become actually engaged in their chosen vocation or have otherwise removed themselves from our records. This is a large task but we propose to accomplish it. We pray for your cooperation.

We are planning a late summer Vocational Training Camp at Glen Lake for those who have volunteered for Church related Vocations. We shall have a meeting in Georgetown in order to set up a program for the remainder of the Quadrennium.

DEACONESS BOARD

The Conference Deaconess Board has been organized for over two years, with Dr. Erwin F. Bohmfalk serving as its first Chairman.

One of the principal purposes of this Board is to help recruit persons for full-time church careers. This is carried out in several ways, including:

1. Encouragement of local churches to organize a Committee on Christian Vocations.
2. Circulation of Methodist Service Project booklets, as well as other printed deaconess material.
3. Encouragement of camps for intermediate, senior high, and older youth using a deaconess and/or missionary and/or Crusade scholar to inform youth about the possibilities of church-related vocations.
 - (a) One deaconess spent several week-ends in camp at Lakeview in such a service. Through this effort, we can see that some very fine benefits can be derived from such contacts with youth.
4. Plans are under formulation for a Vocational Conference of Church-Related Careers.

At present, there are two deaconesses working within the bounds of the Central Conference. They are Miss Lucy Gist, Bethlehem Center, 970 E. Humbolt, Fort Worth, and Miss Ruth Fuessler, Wesley Community House, 2131 North Commerce, Fort Worth.

We wish to commend each District Superintendent and each Secretary of the ten Districts, and all who have had a part in the making and keeping of these Records.

BOARD OF EDUCATION**Report No. 1**

The Board of Education submits herewith our report of work accomplished during the year 1956-57:

Glen Lake Camp

Extensive use of the facilities at Glen Lake Camp has made possible the report one of the busiest and best years of camping during this year operation. Camp attendance has reached a new peak with 4,455 people having been registered in the various opportunities that have included all age groups from juniors through the golden agers. There is increasing demand by other groups for use of these facilities. There was the Faculty Retreat for the members of the Texas Wesleyan College faculty and the Jurisdictional Recreational Workshop. Both of these groups so enjoyed the use of the building and grounds and the beauty of the natural surroundings that already they have each filed requests for the privilege of returning during the coming year. Week-end retreats are becoming more and more common for local church groups, district, sub-district and conference wide sessions for training and inspiration.

There has been continued effort to keep the buildings and other facilities in good repair. Improvements include the replacement of old gas lines that had become dangerous because of leakage and the installation of additional heating equipment in the dining hall and the assembly hall. Further, showers have been added to the two remaining girls cabins without this convenience, and the remodeling of the boy's central shower. Three shelters for small groups have been built for study sessions. These are so designed that they can serve as additional housing for overflow crowds such as the Conference Laymen's Retreat, by adding duck draps. There are many other repairs and added equipment to replace war surplus items that have become inadequate that represent immediate needs if we are to continue normal operation of the camp.

Approximately 500 boys and girls were turned away for lack of facilities during the past season, and some camps were crowded well beyond accepted standards for most effective training procedures. Some rearrangement of schedule has been made for the current summer session in an effort to spread more evenly the total camping load. Thus we see that the initial step in camping made by the 1939 session of the Conference when the purchase of the Glen Lake property was authorized has proved to be a wise venture. Many thousands of children, youth and adults will ever hold experiences at this site as sacred memories because of the rich spiritual blessings and high Christian fellowship which they have enjoyed there.

The Board desires to express cordial appreciation to Mr. Tom Voss as Camp Superintendent and to Mrs. Voss as dietitian for the very gracious, faithful and effective Christian service they are rendering our conference in this area of Christian Education through camping.

The records of all funds of Camp Operation and Building Enterprise are audited regularly by the Conference auditing firm.

The following nominations are made for Trustees of Glen Lake Camp Inc. and are hereby submitted for action of the Conference. D. L. McCree (1958); Clyde Weatherby (1958); F. E. Johnson (1959) Mrs. Ned Lydick (1959). R. H. Boyd (1960); Mrs. E. L. Reid (1960); The Chairman of the Board of Education, the Chairman of the Camp Committee and Executive Secretary of the Board of Education are ex-officio Trustees.

The Local Church

With the work of the church beginning with the individual, the basic unit of cooperation is the local congregation. From the congregation it moves on to the District, the Annual Conference, the Jurisdiction, the General Conference and General Agencies. Thus our individual interest and effort is all tied in with a united interest and effort.

A major emphasis in all Methodism for this quadrennium is (1) The Work of the Local Church, and (2) Christian Education. In view of this, we offer the following suggestions and recommendations.

A. Broadly Connectional

1. Take full advantage of the services, opportunities, and materials constantly provided by the General and Jurisdictional Boards of Education and the Methodist Publishing House. Effective, informed Methodists should be making the best possible use of the Methodist Church School literature, and other Methodist materials.
2. Unite solidly as an Annual Conference, under the leadership of our Conference Board of Education and its staff, in furthering an effective program of Christian education and leadership training within the Conference, for the benefit of the local churches and their people.

B. District Connectional

1. In each District there shall be a staff of Christian Education which will include the District Superintendent, a Director of General Church School Work, a Director of Adult Work, a Director of Youth Work, a Director of Children's Work, the District Youth Secretary of the W. S. C. S., the District Secretary of Children's Work of the W. S. C. S., the District and Sub-District Presidents of the M. Y. F., and any corresponding officers of other age groups.
2. We urge that soon after Annual Conference the Conference Staff and all District Staffs meet together, at the same time and place, at which time the staffs will be oriented and given guidance. District and Sub-District Training Schools and Camps may be set up at this time.
3. We would stress the important opportunities afforded in Leadership Training through Local, Sub-District and District Schools, through Assemblies, Conference, Camps and Workshops. We urge all Pastors and Local Commissions on Education to do everything possible to get workers and prospective workers to take full advantage of Leadership Training.
4. We recommend that each District Staff consider the advisability of a distinct "Bible Conference" or conferences, separate from the Training Schools. This may be on a District or Sub-District basis. Some financial assistance and leadership assistance is available from the General Board of Education for such conferences.
5. We urge at least one Workshop in each District or Sub-District each year, which may include workers in all age groups. These would be under the District Staff, assisted by the Conference Staff.
6. We recommend that, during the year, an Adult Fellowship Meeting be held in each District, particularly for leaders of adults in the Church School.

C. The Local Congregation

1. Each Local Church should have an active Commission on Education, which should meet monthly. Workers Conferences should be held at least quarterly. It is also urged that in each local church, all adult workers with youth should meet at least quarterly. There are special "Self Study" Materials available for the Commission on Education, for Adults and for Youth.

2. Every local church shall endeavor to have a two-weeks Vacation Church School.
3. Each local church should have a vigorous "Local Church Teacher Training and Leadership Cultivation Program," suited to the needs of the particular situation.
4. We urge all pastors and local commissions on education to take the lead in setting up and guiding leadership education, calling upon the Conference Staff for assistance only in matters of guidance or work that they cannot do for themselves. Let the pastors and local commissions help more local workers become interested in accreditation as instructors for leadership schools. Interested persons should notify our Conference Board of Education Office, which will assist them in the process of becoming accredited instructors.
5. Courses in the Doctrine and Organization of The Methodist Church should be conducted in each local church.
6. All church school teachers are urged to work with their pastors in striving to lead all pupils into a meaningful Christian experience, and those above Primory Department into vital church membership. Every pastor is called upon to make the most of preparatory classes, providing membership training for youth and adults as well as juniors.
7. We recommend that every church considering building or remodeling of Christian Education facilities consult the Conference Board or General Board of Education for suggestions and guidance.
8. We request each pastor to urge the election of a youth delegate from his local church to the Annual M.Y.F. Conference, and that all youth in each local church be encouraged to attend the Youth Rally.
9. We urge a thorough observance of Rally Day and Promotion Day in each local church. We further recommend that 5c per member be set as the minimum for the Rally Day offering, on which our district and conference leadership training program must rely for support. We further urge that this be placed in the local church budget.

Observance of Special Days

For the enrichment of the entire program of our Church, we call the attention of the Conference to the observance of special days as directed in the Discipline and as authorized by the Annual Conference. These hold a distinct advantage in view of their educational possibilities and as an aid to our people in meeting the demands of these days of opportunity.

Methodist Student Day, second Sunday in June.

Methodist Higher Education Day, second Sunday in September. We urge that every Church place an amount equal to 30c per member in the budget.

Church School Rally Day, third Sunday in September. We urge that the goal of each Church be an amount equal to 5c per member.

Texas Methodist College Day, third Sunday in October. The goal, set by the General Conference, is \$1.00 per member from each Church.

Student Recognition Day, last Sunday in December.

Race Relations Day, Second Sunday in February, with the offering to go to Huston-Tillotson College, Austin, Texas.

National Family Week, from the first through the second Sunday in May.

World Service Sunday, on the fourth Sunday each month.

Christian Education Week, Sept. 29 to Oct. 5.

Religious Education Directors

We certify the following as Directors of Christian Education: Mrs. Ernal Smith Greenwaldt, Mrs. Claudia Burns Hinson, Mrs. Evelyn Daak Henry, Mrs. Geneva Marcelle Chadwick, Mrs. Alice Wanders, Reverend Don Barnes.

Services Offered By The Conference Board of Education

The Board Staff seeks to offer services in the field of any phase of planning, building, expanding, enriching, or carrying on the work of Christian Education. The offices of the Board are at 7½ East Henderson, Cleburne, Texas. Among the many free services that are offered is the use of a fine library of filmstrips. A listing of these will be sent on request. A wide assortment of pamphlets and other literature dealing with various phases of the program of Christian Education in the local church is available for free distribution. Listings of these is likewise available on request. The Staff offers service in setting up training schools and other leadership education enterprises in local churches or larger areas as another service. We recognize that in changing times, needs change, and the Board and its Staff seeks to be alert and sensitive to these as they occur.

Schools and Colleges

Reports have been received from Southwestern University, Southern Methodist University and Texas Wesleyan College with each institution indicating excellent progress. Each school reports steady increases in total enrollment, and a strong group of ministerial and life service students. Southwestern has dedicated the Kyle White Religious Activities Center during the year, and has completed the fund for the Bishop's Memorial Union with the contract for construction let at a cost of approximately a half million dollars. Texas Wesleyan College is completing four buildings including a Library, a Dormitory for Men, a Dormitory for Women and a Cafeteria. These will be ready for use at the beginning of the fall semester. Southern Methodist University has begun use of the Coliseum, the renovation of Hyer, Atkins, Virginia and Snider Halls and the remodeling of Joe Perkins Gym into a natatorium. Careful consideration is also being given to the construction of a Fine Arts Center and other class room and laboratory buildings.

The following nominations are made for trustees:

Texas Wesleyan College: Mr. Ed L. Baker, Fort Worth, Texas; Mr. Charlie Hilliard, Fort Worth, Texas; Mr. O. C. Armstrong, Fort Worth, Texas, with terms to expire in 1960.

Southwestern University: Reverend H. Brawn Layd, with term to expire in 1961.

We support the Budget Committee's recommendation that the Schools and Colleges Budget for the ensuing year remain the same.

We commend the excellent work being done by our workers among the Methodist students on the college and university campuses. We strongly urge local churches to include the askings of \$1.00 per member for the support of our Methodist Colleges; and 30c per member for the support of the rapidly increasing responsibility of Wesley Foundation and Methodist Student Movement groups. We believe that these amounts should be placed in the local church budgets wherever possible. We recognize that this Conference owes a debt of gratitude to Mr. Ray Farrow under whose leadership and wise counsel the per capita giving of

the people of the Central Texas Conference continues to increase. The proper observance of Wesley Foundation Day on the second Sunday in September and of College Day on the third Sunday of October will stimulate interest and generosity on the part of our people in this vital and necessary emphasis.

BOARD OF EVANGELISM**Report No. 1**

The Aim of Evangelism. "The aim of evangelism is to bring all men into living, active fellowship with God through Jesus Christ as divine Saviour and through the regenerating power of the Holy Spirit; to gather them into the fellowship of the Church; to lead them to express their Christian discipleship in every area of human life that the Kingdom of God may be realized." Par. 1664 (Discipline of The Methodist Church, 1956).

It is the desire of your Conference Board of Evangelism to recommend a program of work which will help to produce the results indicated in this statement.

The Central Texas Annual Conference in its autumn session in October 1956, adopted a plan of work for the current quadrennium. Following are this plan's essential features:

1. The District to be the unit of operation.
2. One week of simultaneous evangelism—simultaneous at least within the District, using every type of evangelism that is feasible within a given local church situation.

3. Each congregation, after careful self-analysis, to set its own goal of net gain in membership.
4. To enlist at least ten per-cent of each congregation in person-to-person evangelism.
5. To enlist the Church School Superintendent and every other officer and teacher from the Junior Department upward to secure the commitment to Christ and the Church of all members of their classes not already committed.
6. To take all necessary steps to prevent having "barren" charges in the Central Texas Conference.
7. All of these emphases to be continued throughout the quadrennium of 1956-1957.

Implementing the six-point program adapted last October, and supplementing of that program to the degree necessary for making it adequate involve three types of work:

1. Inspiration and training of leaders.
2. Continuous study of population trends, accompanied by continuous surveys, block-by-block and house-by-house in our local communities.
3. Making our workers familiar with the best literature, audio-visual aids, and other tools provided by TIDINGS, the agency of the General Board of Evangelism.

The National Council on Evangelism, organized some two years ago by the General Board of Evangelism, is the agency of The Methodist Church for devising policies and plans in evangelism. Its leadership is drawn from the staff of the General Board of Evangelism, from the Secretaries of Evangelism of the various Annual Conference and from other ministers of The Methodist Church. At the session at Purdue University, LaFayette, Indiana last November 29 to December 5, the Council adopted its constitution. Our Conference Secretary of Evangelism, John Wesley Ford, represented the South Central Jurisdiction on the committee appointed to prepare a constitution. Brother Ford warded much of the constitution as finally adapted. We recommend a complete, enthusiastic support of the work of the National Council of Evangelism. This Board has included in its budget an item of \$20.00 to be paid to the National Council for the support of its work. Further this Board recommends that District Superintendents, District Secretaries of Evangelism and other pastors, chairmen of local church Commissions on Membership and Evangelism and all other interested persons become "sustaining members" of the Council. This involves an annual membership fee of \$5.00 and entitles these members to attend the sessions of the Council and participate in its work. This Board has included in its budget request the sum of \$275.00 to defray the expenses of two of the officers of the Board to the next session of the National Council at Minneapolis, October 17-22, 1957.

Those members of our Annual Conference who attended the Jurisdictional Workshop at Mt. Sequoyah last summer recall the inspiration and the store of materials and methods which they brought to their home churches and put into practice. In view of the excellence of last summer's workshop, this Board recommends that each District Secretary of Evangelism attend the Jurisdictional Workshop on Evangelism. The Board has included in its budget request the sum of \$600.00 to be used to provide scholarships to this Jurisdictional workshop for the Chairman and Secretary of this Board and for the ten District Secretaries of Evangelism.

This Board recommends further that in each District of the Conference there shall be a Workshop in Evangelism for the training of local Commissions on Membership and Evangelism, and of other interested persons. It is further recommended that the twelve men who attend the Jurisdictional Workshop and other

competent persons shall be requested to prepare workshop courses in such subjects as "Conducting Religious Surveys," "Preparation for the Preaching Revival," "Four Nights for God," "One Great Day of Witnessing," "Assimilation of New Members," "Conducting Prayer Vigils," "Organization of the Church School Class for Evangelism," and other useful topics as may be needed.

In order to familiarize our pastors and other workers with the nature and quantity of evangelistic materials and other tools prepared by TIDINGS, 1908 Grand Avenue, Nashville, Tennessee, a committee of the Conference Board of Evangelism, with Rev. Charles Whittle as chairman, will prepare display table of these materials for use at the June session of our Annual Conference. Many of these are samples and are for free distribution. Others are for sale and come to this committee on consignment basis. Your Board of Evangelism plans the gift of Bishop Short's volume, EVANGELISTIC PREACHING, to each undergraduate minister of the Conference and to each accepted supply minister.

This Conference is reminded that this year is the 250th anniversary of the birth of the greatest hymn-writer of Methodism, Charles Wesley. The Charles Wesley Hymn Service, arranged by Glen Johnson, minister of music of the First Methodist Church of Dallas, is available for the use of the Annual Conference session. We recommend this observance.

Recognizing the growing scarcity of young men who prepare themselves for and give full time to the work of song evangelism, this Board has requested the Conference Program Committee to invite to the Annual Conference session Song Evangelist Howard Correll of Barnum, Minn. to direct its singing and to inspire likely young men to take up this important work. The Program Committee has consented and Mr. Correll will make an outstanding contribution to the worship and spiritual quality of our Annual Conference.

We recommend that our Conference cooperate with the Council on Evangelism in the observance of the week of March 2-9, 1958 as the National Week of Evangelism. With adaptations such as are necessary for local churches, we recommend that March 2 be observed as "One Great Day of Witnessing" and that the entire week be the time for a preaching revival. We recommend that preparation for the week include a diligent and thorough survey of the religious situation in the parish. We recommend that both adult and youth witness groups be used in census taking and in visitation evangelism.

It is recommended also that prayer cells be set up in local churches weeks ahead of the Week of Evangelism and that when possible, each church maintain a prayer vigil for the twenty-four hour period preceding the beginning of the Week of Evangelism.

Our leaders remind us constantly of the trends in population in this country. More than 4,000,000 babies are born annually in the United States. The influx of new people into our section, begun more than a decade ago, seems destined to continue. Methodist opportunities and Methodist responsibilities increase with the population. Our faithful response to this challenge is our most immediate concern.

We note with profound concern the alarming number lost from membership of the local churches of the Conference by Quarterly Conference action. This condition is due to a number of factors:

1. The necessity of revising the church roll so as to have as many actual people as there are names on the roll.
2. The fact that some financial askings, apportioned to the several churches, have been determined by the numbers of members on their rolls.
3. The habit that too many pastors and Commissions on Membership and Evangelism have of giving up too easily in the two-year effort to find and cultivate their "lost" members, and to restore them to activity in some Methodist Church.

We recommend to each Commission on Membership and Evangelism, a continuous study of the church's roll of membership, accompanied by a diligent cultivation of the inactive members, according to the direction of the 1956 Discipline, paragraph 125.

We recommend that the Central Texas Conference adopt the following paper, approved at its 1957 session by the North Texas Conference, and in substance by the Northwest Texas, the Southwest Texas and the Texas Conference:

State-Wide Emphasis

We believe the time has come for Methodism in Texas to make its greatest evangelistic effort. The population growth within the State and the constant population shift within Texas have created many new problems. There are thousands of "lost Methodists" within the borders of the State—and this situation is increasing each month.

In addition to these "lost Methodists," there are many thousands of persons who need to be won to Christ and His Church, including an army of teen-agers and young people.

Texas Methodism must rise to the challenge or have the burden of failure upon its conscience.

Therefore, the following recommendations:

1. That the calendar year of 1958 be designated as an All Texas Evangelistic Crusade.
2. That an effort be made to locate every Methodist who is not related actively to a church.
3. That an effort be made to find every person who is listed on the roll of Methodist churches.
4. To seek by every means to reach the unchurched families and individuals of the State.
5. To confront every "lost Methodist" and every unchurched person with a challenge to an active Christian faith within the membership of the church, this to be done by:
 - (a) Personal visitation evangelism.
 - (b) Preaching evangelism and public campaign.
 - (c) The facilities of mass communication media.

Toward the implementation of the above crusade, we make the following recommendations:

1. That a steering council be created with the following membership: The executive committee from each Conference Board of Evangelism, plus one District Superintendent, plus the presiding Bishops of the Conferences within the State. This council to meet not later than July 15, 1957, to begin plans on call of the two bishops.
2. That the steering council secure and employ an Executive Director who will study plans and methods used in other areas of the church, drawing upon their experience to outline a plan of procedure, a strategy and technique as well as the schedule for the All Texas Evangelistic Crusade.
3. That the steering council meet with all District Superintendents of the State in connection with the 1957 fall meeting of the Texas Planning Commission.
4. That the steering council be charged with the devising of a plan of financing the Crusade with participation by all churches.

5. That the General Board of Evangelism be requested to assist in all stages of the Crusade.

We further recommend that every Methodist Church within the State have a special preparation service of prayer and communion on either New Year's Eve, December 31, 1957, or New Year's Day, January 1, 1958.

HISTORICAL COMMITTEE

The Historical Records of the Central Texas Conference are the responsibility of the Conference Secretary, Rev. J. D. F. Williams. These records are in duplicate, so far as Journal-Minutes are concerned. The original records of the Northwest Texas Conference from 1866 to 1910, and the current original records of the Central Texas Conference from 1910 (date of origin) to the present are in a fire-proof steel safe within the large vault of the First Methodist Church in Fort Worth. The Secretary has in his personal possession a duplicate of these two original sets of minutes in a steel fire-proof cabinet. Thus the original data is handled with a minimum degree.

In addition to these records, there are a few magazines, etc., that have been filed by various Secretaries. Furthermore, volumes of the History of Texas Methodism by Rev. M. Phelan are also in the original safe.

A new volume of the History of Methodism in Texas is now in the process of being written, and will be published during the year 1959 for distribution.

Your Committee will seek to discover ways and means of collecting original writings, publications, pertaining to the history of our Methodism within our Conference area and report in the future. However, we would invite any person who possesses historical data of importance to present same to our Conference, and be kept in the archives of the Conference.

BOARD OF HOSPITALS AND HOMES**Report No. 2****Trustees of Homes for Retired Ministers**

The Board of Trustees of Homes for Retired Ministers has held two meetings during the year to review the progress made and to make plans for future work. After carefully considering the needs for the year 1957-1958 including salary of superintendent, travel expenses for superintendent, taxes, insurance, repairs on existing homes, and other items incident to the operation of the homes, we think that approximately \$17,833.00 will be needed.

The Board voted to ask the Bishop and Cabinet to designate one minister and one layman in each district to work with the District Superintendent to set up the Veteran's Day observance in each local church to be observed on July 14. In the local church a layman to assist the pastor in publicity of this program and taking the offering. The proceeds of this day to go into the Fund for Retired Minister's Homes.

We commend the work of Rev. Hubert Crain as Superintendent of our Homes, and respectfully request his re-appointment to this office for the year 1957-1958.

BOARD OF HOSPITALS AND HOMES**Report No. 4****Harris Hospital**

The Board of Trustees and the Administrator respectfully submit a report of the operations and activities of Harris Hospital for the Fiscal Year ended September 30, 1956, as well as accomplishments from that date to April 1, 1957.

Patient Care Factors:

The past Fiscal Year found the Hospital feeling the impact of the addition of 82 beds. The full impact had not been felt prior to this time, because beds had been removed from service to patients because of an air-conditioning program.

The adult admissions increased over the previous year by 2,284, and the newborn admissions increased by 478. These increases were evident in spite of the fact that they were compared with the previous year, which was the busiest in the history of Harris Hospital.

Major and minor surgical procedures increased by 790. As we did last year, it is interesting to note again that the number of major operative procedures is increasing at a higher rate than are minor procedures.

For the first time in several years, the average length of stay of adult patients increased 53/100 of one day. This can reflect only the care of more complicated surgical and medical cases, which obviously have required a more lengthy hospitalization.

In the care of adults and newborns, 139,242 days were recorded. This is an increase of 19,441 adult and newborn days over the previous year.

For the first time in recent years, the total number of deliveries exceeded 4,000; 4,301 babies were delivered during the Fiscal Year.

New Improvements:

1. **Children's Hospital:** Last year, it was reported that construction of the Fort Worth Children's Hospital would be started within the year. Although bids had been taken for the erection of this Hospital, problems arose immediately thereafter which necessitated the delaying of construction, although this is not to be construed as an abandonment of plans to build.

2. **Fort Worth Laboratory for Surgical Research:** Last year we reported that the Research building would be completed during 1956. Construction and financing problems have delayed this opening, and it is anticipated that it will be completed by the summer of 1957. This Research Laboratory will be devoted primarily to the studies of heart and cancer problems.

3. **Acquisition of Land:** During the last Fiscal Year, the Board of Trustees purchased 21,730 square feet of adjoining property (one-half of the block East of the Hospital) at a cost of \$115,000.00. This property, formerly known as the Furman Clinic, was considered essential by the Board for the future expansion of the Hospital.

4. **New Equipment:** During the period of consideration, the Trustees authorized the purchase of \$194,000.00 worth of Movable Equipment, and \$273,605.14 worth of Fixed Equipment.

The bulk of the Fixed and Movable Equipment purchased enabled us to completely re-equip all the patient rooms in the Hospital with new furniture, to install built-in dressers in each room, and to install fixed patient lighting in each room.

This work is now practically completed. However, an intense demand for patient beds has temporarily halted the installation of dressers on the lost floor to be done (Seventh). This consideration by the Board of Trustees has helped us to bring the standards of our patient accommodations to a much more modern level.

5. **Ford Foundation Grant:** It was reported last year that Morris Hospital had become eligible to receive from the Ford Foundation a Grant in the amount of \$190,800.00. In 1956, the Hospital received one-half of that Grant in cash, and in March of 1957, the second half in cash. This money has been invested and credited to the Plant Fund Account of the Hospital. The Ford Foundation has been advised that the Trustees intend to use this money toward the construction of a new Power Plant.

Report on Interim Financing:

The Conference was advised last year that we had borrowed \$268,125.00 for interim financing purposes, and that we had an outstanding debt and outstanding commitments on the first phase of construction amounting to \$122,535.00. The Trustees are pleased to report that there is no outstanding indebtedness as of this date, and that our outstanding commitments on the first phase of the building program are \$6,000.00, against which there is sufficient money in the Greater Fort Worth Hospital Fund, Incorporated to enable us to complete payment for the first phase in full.

Golden Cross Service:

The Golden Cross program of our Church is one which concretely assists many of our less fortunate citizens. Although this program reached 691 patients for 5,074 hospital days of care, and assisted 2,342 patients for 3,182 Out-Patient visits, it is in definite need of expansion. In order to enable us to expand the program, additional physical facilities have been tentatively approved by the Board of Trustees in the overall expansion program. The monetary wherewithal to support the operation of these expanded facilities must be taken into consideration not only by the Hospital, but also by the Conference which supports the program.

During the past year, the gross cost of this program to the Hospital was \$143,490.38. We received from out-patient patients \$25,507.22, and contributions from individuals and the Central Texas Conference of \$8,620.95, thereby making a net cost of \$109,362.21 chargeable to the Operating Fund of the Hospital.

The Trustees of the Hospital sincerely appreciate the support of the Conference, and it is hoped that the Conference will find it possible during this coming year to increase its support of the Golden Cross Program.

Future Planning:

In our last Report to the Conference, we stated, "In order to plan adequately for any organization, it is necessary to project such planning not only for immediate needs, but also for long-range needs."

These needs were defined; but, in the short space of twelve months, these needs have been revised by the Trustees so that some of the long-range plans have become immediate plans.

The Conference is familiar with the fact that the addition of 82 beds knowingly overloaded all the service facilities of the Hospital. The Trustees now envision an immediate program, and by immediate it is meant to be within a three-year period, to accomplish the following:

1. **Power Plant:** Before any additional square footage can be heated or cooled, it is necessary to build an expanded and modern Power Plant. This project is estimated at \$500,000.00. This Power Plant will be capable of furnishing steam and air conditioning to the expanded main Hospital building and to the

other buildings which might be constructed adjacent to Harris Hospital. This concept of centralized power will provide for a much more economical operation through the years.

2. **Expansion of Ancillary Facilities:** This program will provide for the expansion of service facilities, such as: Laboratory, X-Ray, Operating Rooms, Central Supply, Dietary, Pharmacy, Out-Patient Department, and Emergency Service.

This step is necessary in order to supply adequately the present beds that are in operation, and to provide capacity for the service of beds to be constructed.

3. **Maternity Hospital Building:** The high birth rate of the 1940's is having its effect now on the public school system, and will have its effect on the maternity sections of all hospitals, beginning in about 1960. Realizing these facts, the Trustees are in the process of planning a 100-bed Maternity Hospital building, capable of expansion in the future. This building will be constructed directly South of the main Hospital building, and will be connected to the Hospital by means of a tunnel, and thereby will be able to utilize the expanded service facilities mentioned in Phase II.

It was not mentioned in our future plans that the Student Nurse Dormitory is well into the working-drawing phase, for we hope this construction is not in the future, but in the immediate present.

In last year's report, we touched on long-range considerations which should be pointed out again to the Conference for the sake of emphasis. Those facilities are:

- a. Psychiatric.
- b. Convalescent.
- c. Chronic and Rehabilitation.

4. **Fund-Raising Campaign:** A year ago, the Trustees felt that the program presented to the Conference was ambitious, and it was. Since that time, the needs of the Community and the area which the Hospital serves have been such, through the rapid growth of population, that many long-range plans now have become areas for immediate consideration. The specific program which has been reported to you will cost in the neighborhood of five million dollars. In order to meet the needs, the Trustees are currently considering a fund-raising drive to enable the Hospital to begin the necessary expansion as soon as possible.

Nominations and Appointments:

The Board of Trustees of Harris Hospital respectfully nominates, for Conference election, the following-named individuals for Board Membership, their terms to expire in 1960:

1. Mr. Clay Berry, Fort Worth, Texas.
2. Dr. G. Alfred Brown, Waco, Texas.
3. Mr. Harold Dennis, Mineral Wells, Texas.
4. Mr. E. B. Ingram, Fort Worth, Texas.
5. Mr. Ned Lydick, Fort Worth, Texas.
6. Mr. Melvin Miller, Fort Worth, Texas.
7. Mr. John Scott, Fort Worth, Texas.
8. Rev. Thomas L. Sterck, Fort Worth, Texas.
9. Mr. W. L. Stewart, Fort Worth, Texas.

The Board of Trustees requests the Bishop and his Cabinet to appoint Rev. W. W. Ward as Commissioner-Chaplain for another year.

The Trustees of Harris Hospital, the Medical Staff, and the personnel are very appreciative of the continuing support of the ministers and laymen of the Central Texas Conference in helping them to provide a constantly-improving quality of hospital service to our patients.

BOARD OF HOSPITALS AND HOMES**Report No. 5****Nurses' Home Campaign**

The campaign to raise \$200,000.00 from the churches of the Central Texas Conference for the construction of a new Nurses' Home at Harris, draws to a close at this session of the Annual Conference. As of May 1st we have received \$170,332.69 of the \$200,000.00. When all reports are in and the Conference finishes its work, we believe that all of the Districts will have reached their goals with the exception of the two Fort Worth Districts which started one year later than the other eight Districts. These two Districts may require more time to complete their goals.

New drawings have been made for the Home which are much better than the first plan. The facility offices and class rooms for the College of Nursing will occupy the ground floor, while the first and upper floors will provide living quarters for 150 student nurses with the possibility of adding more floors later when the requirements demand such construction. The estimated cost of the Home is approximately \$800,000.00. The Trustees are now in the process of providing the additional funds for construction.

When the task of raising \$200,000.00 for the Home was started, it was recognized then that it would require the fullest cooperation of all the pastors and laymen of our churches. The response has been of such a fine nature that it indicates the fresh and enthusiastic appreciation our people have for their hospital and its needs. It has been more than thirty years since a call was made upon our people for financial assistance at the hospital, but their gifts this time means a beautiful and adequate Home for the student nurses. Furthermore, they have shared in strengthening the provisions for a great Medical Center here in Fort Worth to serve the ever growing needs of our people throughout the Conference area. We thank you for your gifts and your fine cooperation.

Dr. Chet C. Henson

Dr. Chet C. Henson has served as Field Representative of Harris Hospital during this Conference year. He has visited various group meetings of pastors, District Conferences and preached in many of our churches. He has rendered a most valuable service to the hospital, and has been able to enlist the interest of many of our people in their hospital in Fort Worth. Dr. Henson has placed special emphasis on the campaign for a new Nurses' Home. He has secured some personal gifts and also encouraged pastors and congregations in complying their campaign to secure their Askings in full.

Scholarships

Dr. Henson has secured many student scholarships for the Harris College of Nursing, thus making possible financial assistance to several student nurses who might otherwise have dropped out of training. These scholarships have come from adult Sunday School classes, W.S.C.S. circles and individuals. Assistance to some students as low as \$50.00 and others \$100.00, while a regular scholarship is \$200.00 per year. Any amount, though small, contributed to the Scholarship Fund of the College of Nursing means more young women can enter nursing training. During the years ahead, major emphasis will be given this project. We appeal to all churches and adult classes to channel some of their funds to the Scholarship Fund of Harris College of Nursing. Such funds should be sent to the Commissioner-Chaplain, in care of Harris Hospital, Fort Worth, Texas.

BOARD OF HOSPITALS AND HOMES

Report No. 6

Golden Cross Service

We are glad to report that during the past year Golden Cross Service at Harris Hospital has been able to provide services for some unusual surgery which has extended life for infants, children and adults. Operations have been performed on hearts, brains and lungs by skilled surgeons who gave of their services without cost to Golden Cross. Every church and individual who has shored in the offerings to Golden Cross should feel that they have had a part in such medical care. We have admitted 493 people to the hospital on the Golden Cross Service during the past fiscal year and their restored health is due in some measure to the assistance the offerings have provided. We need to increase the amount for the coming year and we appeal to every church to make an offering, either through the Budget or by free-will offering, of 25c per member as a minimum.

The Out Patient Clinic under Golden Cross Service provides medical care for the indigent people, largely of Fort Worth, on an out-patient basis. Our Social Worker screens every applicant that none but the needy receive this service. A small fee is charged for each visit, but in return they receive a physical examination, x-ray and laboratory tests when needed, and oftentimes necessary medicines.

Our pastors have the privilege of referring members of their church or community to the Clinic or for admission to the hospital. Such people, of course, should be those who, for some reason or circumstances, are left without funds to pay for needed medical care. However, pastors should **not** send any person to the hospital until they have first cleared with the Golden Cross Office. This is necessary because arrangement for beds and clinic-day examinations must be made prior to their arrival.

Chaplain

The Chaplain represents the Church as he visits patients in the hospital. Here is a golden opportunity to render a spiritual service to those who are oftentimes depressed, filled with anxiety as they face surgery, thinking of the family at home, or feel the need of spiritual guidance in such hours. It is a high privilege to serve as Chaplain at Harris, and we are seeking to render the best service possible while here.

Recently we have inaugurated a letter service to ministers outside of Greater Fort Worth, advising them of members in the hospital. Reports from pastors indicate it is an appreciated service.

I have not done much preaching the past year since Dr. Chet C. Henson has been over the Conference as Field Representative, and has served in this capacity in a very fine way.

BOARD OF HOSPITALS AND HOMES

Report No. 7

Texas Mission Home and Training School

The past conference year has been a significant one for the Texas Mission Home and Training School for two big reasons. First, this year has seen the completion and dedication (debt-free) of our new maternity wing known as Armor Hall and second, in the increased concern and support of this specialized Christian ministry throughout the Central Texas Conference and the other conferences of our great State.

The very fine management of this Home for the eleven years of Dr. Armor's administration has provided a solid foundation on which the present and future expanding program of Christian service and restoration is being built. I'm sure Brother Armor would join me and our Board of Trustees in expressing to all the ministers and laymen of the Central Texas Conference a very warm and generous word of thanks.

During this past year 9 young unwed mothers from the Central Texas Conference were served by this Home and 12 babies were placed in homes within this Conference.

The Trustees of the Home Requests:

First, that each minister of this Conference become familiar with the contents of the special file-folder provided them last November so that they can more helpfully counsel unwed mothers and their parents, and determine more accurately whether or not admission to the Texas Mission Home is the best plan for the girl's care. Careful consideration in the original planning should be given to the plans for the baby. If the girl expects to return to her home community and keep her baby there is little need for her using the protection of the Home.

Attention is also called to House Bill 15 of the Texas Civil Code which makes it illegal for any person, association or corporation, whether operating for profit or without profit, other than a natural parent, to place a child in an adoptive home unless such person, association or corporation has obtained a license for such purpose from the Department of Public Welfare.

Second, that Sunday, September 29th, 1957 (a fifth Sunday) be designated as the Special Day for each Church to receive an offering for the support of the Texas Mission Home. If a Church has placed the support of the Home in its budget we earnestly request that the pastor make a statement to his congregation on September 29th, explaining the services rendered by the Home and also explain how the Church supports the Home.

Third, because the unmarried mother is a frightened, confused and emotionally upset young woman seeking desperately for an answer to her problems of medical care, secrecy, and a good plan for her baby she often turns to unscrupulous persons. She needs the help and direction which Pastors and concerned laywomen can give her. The "key woman" in each church—a representative of the

Home Auxiliary—will help her Pastor see that every family in the church receives the literature which has been prepared to give these families information about the Home's services.

Fourth, we request that the Central Texas Conference re-elect Rev. Hayden Edwards and Mr. Mel Faulk as Trustees of the Home for the next three years, and that you approve the following persons as Trustees at large as provided by the Charter of the Home: Rev. H. H. Hollowell, Mr. Clark Core, Mrs. S. J. Rieger, Mrs. O. P. Schnabel, and Mr. S. E. Knowlton.

We further request that Rev. Ervin M. Gathings be elected as the Conference Commissioner for the Texas Mission Home and Training School for the ensuing conference year.

BOARD OF HOSPITALS AND HOMES

Report No. 8

Wesleyan Homes, Inc.

We respectfully call attention of the Board of Hospitals and Homes to the fact that one of our valued Trustees, Ed Curry, has moved out of the Conference, thereby creating a vacancy. Also, we shall ask that you make proper nominations to Annual Conference where Trustees' terms of office expire.

It is our feeling that better understanding of the program of care of the aged is in evidence across the Conference. Not only the need, as expressed by those seeking a Home, but the nature of care provided in new and existing Homes is a challenge.

We request that Mother's Day 1958 be observed with emphasis on the Church's care of aged people, and an offering taken for the benefit of Wesleyan Homes, Inc.

We request the Commission on World Service and Finance appropriate \$1500 for Board expense the coming year.

During the year our Trustees have gained a better knowledge of the Church's program of care of the aged, and feel that with the remarkable growth of this function within the Church we have been able to weigh and evaluate the program in a way that will enable us to present a proposal in due time that will prove useful, charitable and permanent in the Central Texas Conference.

Report No. 9

The Methodist Home

The program at the Methodist Home has taken the greatest step forward during the past year that has taken place during the sixty-seven year history of the Home. The Home is now offering a multiple service to children in need, which means that in addition to keeping the children in the Home as heretofore, foster homes are used for children too young to be admitted to the Home, and for other

children who are emotionally disturbed to the extent that this is a more desirable arrangement than group care. During this period of foster care, the children are still in the custody of the Home, and the Home pays for the foster home service. Children are also being offered for adoption. We are grateful to the friends of Methodism who have made this fine program possible for the children of our area.

Beginning in September, the program for the children at the Home will include vocational training on the junior high school level. The purpose is to give the children at this precarious age vocational opportunities which will help them find themselves. It will also help children who are not going to finish high school to learn how to take care of themselves and make a living when they have this responsibility.

Our greatest purpose is that a strong Christian atmosphere will pervade the entire Methodist Home campus. The chaplain, who is the pastor, is bringing this to bear on the lives of the children and the staff in a finer manner than it has ever been possible to do before.

We are grateful to the friends of the Central Texas Conference for helping to make possible this dynamic program for boys and girls who need help.

Only twenty-five years ago, the typical child who came to the attention of the Methodist Home was left uncared for either because of parental death or economic want. Today, economic want and death are no longer major factors. Children in need today are driven from their homes more frequently by divorce, desertion or mental illness. In an effort to provide the kind of help these children require, your Methodist Home has sought assistance and guidance from every available source in establishing the necessarily far-reaching program.

The services to children now available at the Methodist Home include an improved type of group care which has been provided for the past 67 years. Many of the new generation of homeless children are far along the road to mental illness. These children require special care before they can return to normal family living. Special treatment for these children is a very important part of present day institutional care. Foster home care is now provided for the children who are too young for institutional life, and for children too disturbed for group living. Children are now being placed for adoption by your Home.

Mr. and Mrs. J. M. Willson, Floydada, Texas, gave the Willson Lectures which will bring to the Methodist Home campus on June 24, for one week, the following: Bishop Lloyd C. Wicke, Vice President of the Board of Hospitals and Homes, Dr. Joseph H. Reid, Executive Director of the Child Welfare League of America, and Miss Helen R. Hagen, Assistant Executive Director of the Child Welfare League of America.

Students assisted beyond high school this year include: two at S.M.U., one at A. & M., one at Drew Theological Seminary, two in the School of Cosmetology, one in Business School and one in the State Medical School. Donald R. Craig, from the Northwest Texas Conference, will receive, on May 30, his M. D. degree from the State Medical School of Galveston.

We use this means to express thanks for the gift of \$78,481.12 in cash to the Christmos offering, \$759.50 in supplies and \$1,900.00 in designated gifts from the Central Texas Conference.

We recommend, for the approval of the conference, the following to serve as Directors-at-Large on the Board of Directors of the Methodist Home for a term of three years: Mr. J. C. DeShong, Mr. D. T. Hicks and Mr. Roy Furr.

As has been your custom in the past, we shall thank you for designating the month of December as METHODIST HOME MONTH, and request each pastor to tell the story of the work and need of the Methodist Home to his congregation, and take a free-will offering for its support.

COMMITTEE ON INTERDENOMINATIONAL COOPERATION**Report No. 1**

When Methodists unite with other Christians in saying, "I believe in the Holy Catholic Church," the Church Universal, we are also saying, I believe in interdenominational cooperation. Whether we like it or not, our "Church Universal" is a Church of many parts. "For as we have many members in one body, and all members have not the same office: So we, being many, are one body in Christ, and every one members one of another."

We do not claim that Methodism is the whole body, but we do claim that it is a very important part of the whole body of Christ. The Church Universal would be the poorer without it.

World Council

That which we believe, we put into practice. In the practical realm, Methodism is a very important part of the World Council of Churches, with its many branches, reaching into so many parts of the world. Being a world church in its own right, Methodism includes within its own membership people of many races, many nationalities, and many backgrounds, dwelling in many parts of the world. Its own unity in diversity has prepared its people to take a leading part in bridging the differences between other groups.

Our Central Texas Conference is supporting this work with its money and with its manpower. Our own Bishop William C. Martin is a member of the powerful Central Committee, which, between Assemblies, is the governing body of the World Council.

World Methodist Council

Our branch of Methodism is also a vital part of the World Methodist Council. Our own Annual Conference was well represented with a goodly number of representatives when the World Methodist Conference met at Lake Junaluska, North Carolina, the 1st through the 12th of last September.

It was a gathering of many branches of Methodism from all the continents. We were of many races and many nations, yet all one in Christ Jesus.

We were reminded of the words of John Wesley when he said: "The World is my Parish," and of the words of Jesus when he said, "Go ye into all the world and preach the gospel."

National Council

In the United States, through the National Council of Churches and other cooperative agencies, Methodist materials and manpower are making themselves felt. Our various General Boards work very closely with General Boards and agencies of other member churches in the field of Education, Evangelism, Radio and Television, in the production and distribution of Visual Aids, Study Materials, etc.

Texas Council

Our Conference was well represented at the Annual Meeting of the Texas Council of Churches at Houston, January 2-3 of this year. Bishop Martin was one of the featured speakers. The Texas Council is encouraging the organization of Councils on a city or county basis, and will be glad to assist in such organization.

We do find Methodists cooperating on all local levels, in Ministerial Associations, Councils of Churches, Councils of United Church Women, various union services and other cooperative undertakings.

Local

Your committee wishes to give special emphasis to the following areas of united sharing, on the local level.

- (1) Continued support of the World Wide Prayer Movement.
- (2) Continued support of Church World Service, both through our Methodist Committee for Overseas Relief, and through clothing, supplies, etc.
- (3) Continued support of CROP. Last year the young people in 235 communities of our state participated in the CROP Halloween project, collecting some \$54,000. for Overseas Relief.
- (4) Endorse the use of the Vacation Church School Packet (CROP). A film strip for use with this packet is available from our Conference Board of Education office.

The Scriptures say that "As a man thinketh in his own heart, so is he." We Methodists think that other Christians are our brothers and sisters. Therefore we not only believe in "Interdenominational Cooperation," we practice it.

BOARD OF ACTIVITIES

Report No. 1

It is of vital significance to any organization to have arrived at a time when its goals which a few years ago seemed visionary have now become routine ac-

tivities. This is the status of the Board of Lay Activities. A few years ago, our district boards of lay activities were merely names. Many people were puzzled at the term lay leader; our laymen's retreat was just beginning with a total attendance of 32. Laymen's Sunday was observed by a few scattered churches, and stewardship program was practically unknown as evidenced by our low Conference ranking in financial matters. The following report, therefore, although rather routinely the same as last year is a report of significant attainments.

Below is a brief summary of the activities of the Board:

1. The District Boards of Lay Activities had a total of 35 district meetings. Only three of our district boards failed to have the required quarterly meetings of the Board; however, over 100 additional sub-district meetings were held in which the duties and responsibilities of laymen were discussed. An estimated total of 8,000 men took part in these various meetings.

2. For the second year in succession, all but 3 churches of our Conference participated in Laymen's Sunday, October 21. This record is unequalled in the nation.

3. All ten of our District Boards of Lay Activities have a program of lay speaking. The lay speakers are ready and willing to speak anywhere and at any time at the call of the District Superintendent or the local pastor.

4. We have a total of 175 Methodist Men's Clubs divided as follows by districts: Brownwood 15, Cisco 13, Cleburne 17, Corsicana 13, Ft. Worth East 27, Ft. Worth West 25, Gatesville 17, Georgetown 17, Waco 16, and Waxahachie 15. These clubs vary in effectiveness from those clubs that have revitalized the whole church to those clubs that exist in name only; however, it is a matter of note that during the past seven years only **four** of our chartered Methodist Men's Clubs have been disbanded and removed from the rolls.

5. We feel that our Conference is ahead of the church at large in fulfilling the requirements of having a local stewardship director in each charge of our Conference. Through the fine cooperation of our District Boards of Lay Activities, every charge of our Conference has elected or at least designated a local Stewardship Director. We feel that the extensive work in this area of Lay Activities has made possible the change in per capita giving from \$19.00 in 1945-46 to \$58.00 per capita in 1955-56 and for making it possible for the Central Texas Conference to rank 6th in the nation in per capita giving.

6. Since the Every Member Canvass is still in progress in many of the churches at the writing of this report, it is impossible to get exact figures on the number of churches who have had an EMC this year, however, from tentative reports we can safely say that approximately 75% of our churches are now operating on a budget and are having a periodic EMC.

7. Our eighth annual Laymen's Retreat was held at Glen Lake, August 24, 25, and 26. The Laymen's Retreat continues to grow in number and interest. There was a total of 650 men in attendance which was the highest total yet reached. In addition to this all-time high total, we had a large number of men present for all the sessions than in previous years.

The leadership of our Retreat was excellent. Just to mention such names as Bishop Wm. C. Martin, Dr. Harry Denman, Dr. Pat Thompson, and Dr. Glen Johnson is to evaluate the excellent leadership that was experienced at the Retreat. Two exceptionally thrilling experiences at this Retreat were: (1) to hear some 500 men at the Saturday evening service sing "The Lord's Prayer" under the direction of Glen Johnson, and (2) to witness approximately 500 laymen re-dedicate themselves to the work of the church at the conclusion of the final service led by Bishop Wm. C. Martin.

Additional inspiration was added by the fine devotionals led by the various District Superintendents of our Conference and by the fine leadership of our Dis-

trict Loy Leaders as they presided over the various meetings and led the various discussion groups.

Some other pertinent facts of the Retreat are: (1) an offering of \$377.00 was given to Mr. Tom Voss, Camp Superintendent, for the purchase of items that were needed at the Camp; (2) book sales amounted to \$186.30; (3) several boxes of free literature were distributed; and, (4) a total of \$110.00 worth of Methodist Men's Club supplies were sold.

For the first time, the ten District Superintendents and ten District Loy Leaders met with the Conference Loy Leaders for a week-end meeting to discuss and plan the year's Loy Activities Program. This meeting proved beneficial and very worthwhile.

During the past year, your Conference Loy Leader has attempted by various ways and means to stimulate his fellow laymen in greater interest and activity in the work of the church. It is encouraging to observe the ever-increasing number of laymen who are now more familiar with their church's program and, therefore, a more interested worker. It is good to note more and more our pastors are giving the laymen the feeling that "this is our Cause, too," and that there is a fine spirit of cooperation between pastors and laymen and that the desire is there to do a better job in the interest of making our church more effective in our society.

COMMISSION ON MINIMUM PASTORAL SUPPORT**Report No. 1**

There shall be a program of minimum pastoral support in the Central Texas Annual Conference, under the direction and management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called the Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. Five of this number shall be ministers, and four, laymen, and three of the total number of nine shall be clerical or lay members of the Conference Board of Missions. These three shall serve during the quadrennium. The remaining six members shall serve for three year terms, two to be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all the interests of the Minimum Pastoral Support Program, in the closest cooperation with the Conference Board of Missions. Members of the Commission, in addition to the one-third who shall be members of the Conference Board of Missions, may be chosen from the membership of that Board, and if they are not so chosen, they shall be expected to attend the meetings of that Board, but shall not have a vote except on matters directly affecting the Minimum Pastoral Support Program. The Minimum Pastoral Support Program, and that part of the Conference Board of Missions that has to do with appropriations for pastoral support in the Annual Conference, shall be considered one general program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by nomination of the Bishop and the Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, a Secretary, and a Treasurer. These officers shall constitute the executive committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the date of the meeting of the Central Texas Annual Conference.

Administrative Procedure

1. (a) The basic minimum basis for pastoral support shall be \$1,500.00 per year, exclusive of any parsonage provision that may be made by the Charge.

(b) For a single man rendering full time service, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$2,000.00 per year shall be added.

(c) For a married man rendering full time service, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$2,400.00 per year shall be added.

(d) The benefits of the Fund are not to be thought of as annual subsidies designed solely to enable a pastoral charge to pay the minimum salary of the conference. The Fund should do that, and more. Basically, the purpose of the Fund is to aid a pastoral charge in its efforts to raise its own salary apportionment to the figure set as the established minimum salary of the Conference.

(e) All missionary appropriations shall be considered a part of the basic salary received in making the computation for the amount of the benefit to be given from the Fund, and in determining the apportionment to the Charge.

2. The benefits of the Fund are available to ministers in the Central Texas Annual Conference who are rendering full time service as pastors, as follows: Preachers in Full Connection; Preachers on Trial appointed to pastoral charges; student pastors who are on trial; and approved supply pastors who are recommended by their District Superintendents.

(a) The benefits of the Minimum Pastoral Support Fund are not available to any minister having any appointment other than that of preacher in charge within the bounds of the Central Texas Annual Conference.

(b) In cases of change of appointment between sessions of the Annual Conference, and after the apportionments have been made by the Commission, no member of the Conference, preacher on trial, or full time approved supply shall share in the benefits of the Fund, unless the Charge to which he may be appointed shall meet the conditions hereof, and then his sharing shall be on a pro rata basis for that part of the year served in the Charge to which he may be appointed.

(c) The Board of Missions shall continue its cooperation in this program.

3. No pastor shall share in the benefits of the Fund who receives income from other employment than the regular work of the ministry.

4. A pre-requisite for any pastor to receive the benefits of the Fund is the agreement, by vote of the Quarterly Conference of the Charge he serves, to pay to the Commission an amount equal to twenty-five (25) per cent of the amount necessary to bring the salary up to the computed minimum; provided, however, that this requirement, and the five (5) per cent increase in salary over that paid the previous year, as set forth in Paragraph 1, sections (b) and (c) above, may be waived upon unanimous vote of the Commission. The twenty-five (25) per cent paid to the Commission shall not be considered a part of the salary apportioned and paid.

5. No pastor shall receive the benefits of the Fund if the Charge he serves reduces the salary below that paid the previous year, unless this reduction is recognized by the Commission as justifiable, and approved by its unanimous vote.

6. In accordance with Paragraph 826, Discipline 1956, when a preacher in full connection, on trial, or on approved supply pastor, is appointed to a Charge apportioning less than a salary of \$1,500.00 per year, such appointee shall not receive the benefits of the Fund except on the basis of the basic minimum basis of a \$1,500.00 per year salary apportionment, and usual participation of the Charge in the Minimum Pastoral Support Plan.

However, to aid and encourage Pastoral Charges in the \$1,200.00 to the \$1,499.00 salary brackets to move toward the \$1,500.00 basic minimum, the benefits of the Fund, on the basis of the salary apportioned will be granted annually, provided the salary has been increased over that paid the previous year by not less than five (5) per cent. All Charges that have not reached the basic minimum basis salary should indicate their purpose of doing so.

7. Funds for the work of the Commission shall be secured in accordance with the provisions of Paragraph 826, Discipline 1956, and the apportionments shall be made to the Charges as hereinafter set forth, and payments by the Churches on such apportionments are to be made regularly to the Conference Treasurer.

Scale of Apportionments

(a) No apportionment shall be made to Charges apportioning less salary than the basic minimum basis, including missionary appropriation, nor to any Charge whose pastor is receiving the benefits of the Fund—it being understood that the twenty-five (25) per cent payment to the Commission by the Charge in accordance with the provisions of this Plan, is and shall be in lieu of any other apportionment against the Charge for this work; except, in those cases where the twenty-five (25) per cent requirement is less than the apportionment required by the regular scale. In all such cases the Commission shall make the proper adjustment.

(b) The total apportionment of a Charge determines the per centage scale that is applicable. In all cases, however, \$800.00 of the salary paid is exempt. The apportionments shall be figured on a per centage scale, as follows:

(c) Three (3) per cent shall be apportioned to all Charges apportioning salaries of \$2,000.00 or less;

(d) Three and one-half (3½) per cent shall be apportioned to all Charges apportioning salaries of \$2,001.00 to \$2,500.00;

(e) Four (4) per cent shall be apportioned to all Charges apportioning salaries of \$2,501.00 to \$3,000.00;

(f) Four and one-half (4½) per cent shall be apportioned to all Charges apportioning salaries of \$3,001.00 to \$4,000.00;

(g) Five (5) per cent shall be apportioned to all Charges apportioning salaries of \$4,001.00 and up.

8. The Commission shall gather necessary information throughout the Conference for the computation of the apportionments to the Charges, and the amounts to be paid to those receiving the benefits of the Fund, and that information will be given to the District Superintendents and Pastors, and by them to the Quarterly Conferences of the Charges. The District Superintendents shall be responsible for making the program effective in their respective Districts, as in all other causes of the Church, and the collection of the amounts from the Churches listed in their respective Districts.

General Provisions

9. Payment on the apportionment to the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payment to those receiving the benefits of the Fund, at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payment for the fourth quarter of the year, ending May 31, shall be made on May 15th. All of these quarterly payments shall be made on the same per centage basis as that on which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

10. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, and of all payments to those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for the work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund; and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission, except such meetings as are

held while the Annual Conference is in session, shall be allowed. Traveling expenses shall be computed on the basis of seven (7) cents per mile each way.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference at which time, if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid is limited to those who receive the benefits of the Fund, and not more than Ten (10) per cent of the gross receipts of any one year shall be made available for such emergency appropriation. All unexpended portions of such available emergency funds, shall at the close of the year, remain in the general fund, subject to disbursement in accordance with the provisions of this Plan.

BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

Report No. 1

With the necessity of filling vacancies created by retirements, deaths, and the organization of new churches, one of the foremost matters of vital concern in the Methodist Church is the recruitment of candidates for the Christian ministry. At this time reports indicate that the Methodist Church is receiving only one-third the number of ministers who are needed each year. Therefore, the Board of Ministerial Training and Qualifications urges every minister and every layman to assist in the encouragement of appropriate young men for the ministry.

To this end it is the program of the Board of Ministerial Training and Qualifications to provide an Older Boys Conference On The Ministry every other year. This Conference was provided during this year at Glen Lake Camp on April 27-28.

At each meeting of the Annual Conference it is our custom to provide a banquet for undergraduates and approved supplies. Every effort is being made to acquaint the men with the responsibilities and privileges of the Christian ministry through the Methodist Church.

The Board is making every effort to encourage each candidate for the ministry to comply promptly with every requirement. This is being done by providing sponsors for each class and for the approved supplies.

We express our appreciation to Horris Hospital for the courteous manner in which it always handles the physical examinations for the men entering the conference on trial and in full connection.

BOARD OF MISSIONS

Report No. 1

While we rejoice in the wonderful progress that has been made in the support of the benevolent program of the church we recognize the need for continued growth. We would call attention to the minimum standards of benevolent support as previously established by our conference:

1. The minimum support of every pastoral charge for World Service and Conference benevolences shall be an amount not less than one-fourth the total amount contributed for pastoral support.

2. That every church shall accept and support on Advance Special encompassing interests in World, National, and Conference projects.

3. That every charge shall follow the program of the conference as approved by its Annual Conference as it relates to special days, periods of special emphasis, and offerings.

We believe that it is obligatory on the part of pastors, district superintendents, and lay leaders to see that the general and connectional program of Methodism be strengthened in proper proportion to that of the local church annually as the budget needs are revised and cared for.

We urge the leaders of the church to diligence in carefully explaining and interpreting the various interests, causes, and programs of the church to the end that a more loyal and intelligent support may be developed.

H. BROWN LOYD, Chairman
JOHN ALLEN, Secretary

BOARD OF MISSIONS

Report No. 2

Subject to concurrence of the Division of Notional Missions, the Board recommends that there be created as a non-profit corporation under the laws of the State of Texas a foundation whose purpose shall be to receive, hold, administer, lend and grant funds for the work of missions and church extension within the bounds of the Central Texas Conference and within the State of Texas. Such foundation shall be an agency of the Central Texas Conference operated under the Board of Missions. To it shall be transferred the Permanent Fund of the Board of Missions, and there shall be added thereto gifts, legacies, and such other funds as may be allocated to it. The principal of the funds of the foundation shall be used as a revolving loan fund for the making of secured loans to local churches and to districts of the Central Texas Conference for the work of missions and church extension within the bounds of the Conference. Provision may be made for the subordination of liens held by the foundation to liens incident to other indebtedness, provided that the same shall be done in such manner as may be reasonably consistent with the preservation of the principal of the funds according to the discretion of a loan committee to be composed of the Executive Committee of the Board of Missions and two directors of the Foundation. Income from such funds may be reinvested as a part of the principal thereof or expended by grant or otherwise in the proper work of the Foundation as from time to time may be determined pursuant to its by-laws. We further recommend the active promotion of the cause of such Foundation within the Conference, and that our members be encouraged to make additions thereto by gift and legacy. It is proposed that the Board of Directors of the Foundation be composed of nine members, to be elected by the Conference upon nomination of the Board of Missions for three year terms, with the term of three places to expire and a new term to commence each year, with no more than five of such directors to be either laymen or clergy, and with at least five of such directors to be members of the Board of Missions, provided that if any director ceases to be a member of the Board of Missions, his office as a director of the Foundation shall not terminate, unless there then remain as directors of the Foundation fewer than five who are also members of the Board of Missions, in which case his place as a director of the Foundation shall become vacant. The charter and by-laws of such Foundation shall be formulated by the Board of Missions, subject to final action by the Annual Conference, and interim vacancies on the Board of Directors shall be filled by it.

H. B. LOYD, Chairman
JOHN ALLEN, Secretary

BOARD OF MISSIONS**Report No. 3**

The Board requests approval of its action in the following matters:

(1) **New Churches—Salary and Supplementation.** In the establishment of a new church, the aggregate amount of aid to be granted by this Board for salary or salary supplementation of the minister shall not exceed \$3,600.00. Such aid shall not be extended over a period in excess of three years in duration. In any twelve month period the amount of such aid to be paid shall not exceed \$2,400.00. Applications will be considered only when made in writing by the district superintendent upon a form prescribed by the Board upon which shall be set forth in detail the need for such funds. All grants shall be made on annual basis, and renewal applications shall be reviewed and decided as made, subject to the foregoing rules.

(2) As a general rule, aid to needy churches shall be extended in the form of loans, which shall bear the same rate of interest then in force for loans made by the Division of National Missions of the Board of Missions of The Methodist Church and upon such other terms as Board of Missions of the Central Texas Conference from time to time may determine or authorize to be made.

(3) Under the guidance of the Board of Missions, each local church shall be encouraged to hold Mission Festival Sunday on November 10, 1957, as a part of the Conference Mission Festival. In cooperation with the Conference Board of Lay Activities and Woman's Society of Christian Service the Board urges each pastor to promote enlistment in the Conference Builders' Club of persons who will agree to contribute \$10.00 semi-annually, upon call of the Board to be made on or before November 1 and March 1. Such funds to be paid to the Conference Treasurer for the use of the Methodist Foundation for church extensions under the Conference Board of Missions, provided, however, that all funds received from each district shall be allocated for the period of two annual conference years following their receipt to first use within the forwarding district for such loans as may be designated by the district board of missions or the district board of Church Location, as the case may be. Said loans to be on the usual terms and subject otherwise to such rules of the Foundation as then may be in effect.

(4) The Board recommends support for the evangelistic and material needs of the Argentine-Uruguay area as an approved world advance special.

H. B. LOYD, Chairman
JOHN ALLEN, Secretary

BOARD OF MISSIONS**Report No. 4**

Recognizing the divine imperative to witness boldly "by declaration and deed, to the Lordship and power of Jesus Christ over all life," your attention is directed to the following areas of the missionary enterprise:

Local Church Commission on Missions

We recommend: (1) That an effective program of missionary education be projected in the local church through the Commission on Missions. (2) That each pastor lead the Commission in a study of its responsibility and opportunities. (3) That the available audio-visual materials, pamphlets, mission study book, World Outlook, Christian World Facts, and the Conference "Advance Specials" Brochures be employed to create a vital interest in the mission opportunities of the

church. (4) That the membership of the Mission Commission be encouraged to attend the Coaching Conference which will be conducted in each district.

World Service

The response to the increased financial needs of World Service has been gratifying. This increased benevolent giving will enable the seventeen Baards and Agencies of the Methodist Church to more effectively perpetuate the Gospel message.

Advance Specials

The need for "Advance Specials" continues. We urge every church to maintain or accept a missionary "Advance Special" in both the National and World fields. The Continuing Advance is especially urgent in areas where people are confronted by rival and militant faiths which demand the total loyalty of men.

The area of Brazil continues to need our financial support. In this field which is fertile for the minds of men, the Methodist Church must maintain its pace with the frontier. This is the center of the strongest and most rapidly growing Protestant area in any Latin country in the world.

Through Bishop Martin, requests have been received from Bishop Barbieri for additional help in the Argentina and Uruguay Conferences. Evangelistic and Church Extension Specials have been authorized for these Conferences. Surely there are churches or districts that will accept the opportunities that these fields offer for the direction of Advance Specials. We recommend a goal of \$10,000 per year for the remaining three years of the Quadrennium be directed to these fields and urge the local church to consider these opportunities.

Almost one half of the missionary support for National Latin American work comes from Advance Specials. A most effective service can be rendered to the Rio Grande through Advance Specials. We call attention to the urgent need for our ministry to our Spanish-speaking neighbors and we suggest that the goals set for Advance Specials support for this work by the Jurisdictional Conference in session in New Orleans, be accepted in the amount of \$18,000 for this conference year, 1957-58, and that every effort be made to enlist support in that amount.

In the area of National Missions, the Indians of our country continue in their efforts to provide an adequate native ministry. Their endeavors demand our continued financial support.

Need For Missionary Personnel

At this present time there is an urgent need for 230 new missionaries for the National and World fields. This is an annual need. The churches of our Annual Conference must share in the responsibility of enlisting and supporting young people who would offer themselves to this definite call of Christian service.

Week of Dedication and World Wide Communion

The spiritual value of these two observances continues to unite Christian people throughout the world. The financial support associated with these observances undergirds our initial missionary interests and helps to meet emergency needs. The response to these special occasions has been significant in spreading the spirit of Christ.

Hungarian Relief

The genuine response to the needs of the oppressed peoples of Hungary was a convincing demonstration of the power of Christianity. In this positive manner the Christian faith responded to the challenge of the militant faith of International Communism.

Conference-wide Mission Festival

During the month of October the Mission Emphasis period will be introduced. Combined District and Sub-district Missionary Rallies will be conducted throughout the Conference. The Reverend Mr. Glen (Tex) Evans will be the missionary speaker for these rallies. It is urged that November 10 be designated as Mission Festival Day in each local church. On this day it is suggested that the total missionary enterprise, world, national, district, and church extension needs be presented to each congregation.

The Jurisdictional Missionary Conference

The Jurisdictional Missionary Conference will be conducted at Mt. Sequoyah, August 20-23. Each District Missionary Secretary is urged to attend this conference. We suggest that each District enlist a young person and provide the necessary money to attend this conference.

H. BROWN LOYD, Chairman

BOARD OF PENSIONS**Report No. 3****Resolution**

We recommend to The Annual Central Texas Conference in Waco June 1957, that Mrs. Laura Shipp be placed on the roll of claimants of the Conference, and be paid the Widows prorata share of the total annuity for such.

That she share only in that portion of funds paid in by the Churches of the Central Texas Conference — Namely 16½% of the salaries of Pastors and Churches of the Conference, and that payments become retroactive to Oct. 14, 1956, date of the death of Rev. Shipp.

The resolution was passed unanimously by the Board.

COMMITTEE ON PROPORTIONAL PAYMENTS

The Committee on Proportional Payments has examined the financial records of the various churches which are available in the Statistical Office and we are pleased to report a great decline in the number of churches failing to pay items contingent upon the Pastor's salary.

Five years ago when this committee was set to work, it was discovered that apportionments had not been paid that year on more than \$33,000 of salaries. Last year the amount had dropped to \$2,749.00. This money, of course, was kept from the very funds that were most needful of the money, Conference Claimants and Minimum Salary Support. Through these years there has been a growing awareness on the part of the church and the pastor concerning the seriousness of this oversight until now only a few churches fail to meet this obligation. This year the total has dropped to \$633.00.

Aside from the failure of the four funds which derive support proportionately from the salary to have this revenue for their intended purposes, the Discipline (par. 1611, 1624) expressly states that the pastor of any charge that fails to pay those items shall have deducted from his retirement benefits, the amount his charge is in deficit. While this rule seems harsh, we feel it has been instrumental in reducing the amount of such deficit.

We urge all pastors and superintendents to be especially diligent in seeing that each church realize the seriousness and the cost of failing to pay any proportional item.

The records reveal the following charges to be deficient in one or more items which are proportioned according to the salary of the minister:

Charge	Pastor	Fund	Deficit
Fort Worth, Weatherford St.	Floyd Thrash	Dist. Supt.	\$131.00
		Episcopal	22.00
		Minimum Salary	46.00
Hillsboro, Matthew St.	Carl Gilkerson	Dist. Supt.	155.00
		Episcopal	27.00
		Conf. Claimants	252.00
		Total	\$633.00

JOINT BOARD OF PUBLICATION

During the last calendar year Texas Methodist Information office has sent 138 releases on a conference or state-wide basis to the 880 Texas news media, with many going to the 35 church papers in the nation. It is estimated that some 27,600 stories about Methodist Church affairs were mailed in 1956.

The folder, How To Tell Your Story, is being well received. Cooperatively developed, it is intended for persons in local churches who have responsibility for helping in the area of public relations.

The program is being conducted by three full-time persons and includes responsibility for Texas Christian Advocate.

Circulation of the Advocate is over 67,000, with about 140 churches having the paper going to every family. Cultivation for circulation is a major emphasis. Informed Methodists should be better Methodists. We have the full cooperation of All Church Press, printers of the Advocate.

Bishops A. Frank Smith and William C. Martin have given full support to the program.

Each district has an Advocate agent-reporter, who supports circulation and serves as news reporter.

The Board is asking for the same amount in subsidy for the total program as requested in 1956. The amount asked for the Central Texas Conference is \$2,705, the same as last year.

COMMITTEE ON RESERVE PENSIONS

Report No. 1

The Reserve Pension Program of the Central Texas Annual Conference has now been in operation for five years but the report of the fifth year will not be available for publication until the close of the fiscal year of the General Board of Pensions.

The attention of the active members of the Conference is directed again to the distinct advantages provided in the Full and Partial Reserve Systems. Paragraphs 1647 thru 1656 set forth clearly the benefits offered in the way of options, widows and children's pension, disability and death benefits. On pages 106 and 107, Journal of the Central Texas Annual Conference 1954, there appears an explicit statement of the "additional benefits and options" available to members of the Fund.

Additional benefits have been extended to ministers through Social Security on a self-employment basis. These are not in any way intended to replace benefits made available through the Reserve Pension System. The Methodist program of Pensions supplemented by Social Security, where ministers elected to accept it, now cares more adequately for its retired men than ever before. In no case was it intended that Social Security should replace the Methodist Program, but rather to supplement it. The active members of the Conference are aware that withdrawals from either the Partial or Full Reserve Systems are not permitted. This is not a Conference action but the law of the church. When a minister joins the Annual Conference he automatically becomes a participant in the Full Reserve System and continues in that relationship for the duration of his conference membership.

COMMITTEE ON RESERVE PENSIONS**Report No. 2**

The Reserve Pension Program of the Central Texas Conference had, at the close of the conference year 1955-1956, been in operation for four years, and at the close of this conference year, it will have been in operation five years. The report for the fifth year, however, will not be available for publication until the close of the fiscal year of the General Board of Pensions. COMMITTEE ON RESOLUTIONS

As we come to the close of this the ninety-second session of the Central Texas Annual Conference of The Methodist Church, a new awareness of personal responsibility and a deep sense of warmth and gratitude characterizes the spirit of the Conference.

Inasmuch as the spirit of these days has been so wholly infused with the presence of our living Lord, and

Inasmuch as this spirit is the source of all blessing and the subject of pure gratitude, your Committee on Resolutions directs your attention to the following thoughtful considerations and expressions inspired by His spirit with a feeling that they may well be your own personal expressions.

Be it resolved, therefore, that we express deep appreciation:

To our beloved Bishop, Wm. C. Martin, whose inspired leadership and spiritual perception has made the sessions of the Conference, whether in conference business or in worship and devotion, intensely challenging and relevant to our task and calling.

To Mrs. Martin, whose charm and grace endears her to us, and whose presence at this conference is a joy to us.

To Dr. G. Alfred Brown, the host pastor for this session of the Annual Conference, each member of the church staff, and the membership of Austin Avenue Church for extending hospitality and graciously providing the various needs of the Conference.

To Dr. Paul Hardin, Jr., our conference preacher, whose captivating Christian personality and imaginative, challenging preaching has brought our Christ and our task nearer our hearts.

To Mr. Howard Correll, whose singing of the gospel through Wesleyan hymns and other songs of our faith has struck a responsive chord in our souls.

To the Conference Committee on Worship and the Board of Evangelism for making possible the coming of these evangelists into our midst.

To Mrs. Fred Smith, for her faithful and prompt service at the organ.

To the Reverend W. L. Hankla, Dr. J. Fisher Simpson and the press for the wise and complete news coverage of the Conference. Especially do we call to mind our own Texas Christian Advocate, the Waco News Tribune, Waco Times Herald, and the Fort Worth Star Telegram for carrying conference news to the people of our state.

To the City of Waco, the Chamber of Commerce and its agencies for extending courtesies such as free parking and courtesy windshield stickers for our automobiles, and for the hospitality and good will of Wacoans in making our stay pleasant.

To Dr. A. S. Gafford, the District Superintendent, and churches of the Waco District for kindnesses and provisions.

To the Roosevelt and Raleigh Hotels for furnishing rooms and special privileges to our guests.

To the choirs of First Methodist, Austin Avenue Methodist, and Herring Avenue Methodist Churches, and especially the Methodist Home Choir, for their ministry of music.

To the efficient and untiring Conference Secretarial and Statistical Staff who make the things we do and say here a part of the recorded history of our Conference.

To the several boards and committees who have ably presented to this Conference the program of Methodism here at home and abroad.

To our Methodist Home for a pleasant visit and the delicious Texas-style barbecue.

Be it resolved further that above all we offer thanks unending to the God and Father of our Lord Jesus Christ at whose hand each of these blessings is ours.

I, Alvin S. Gafford, District Superintendent of the Waco District, move that the Rosenthal Church Parsonage, and the Rosenthal Methodist Church, be declared abandoned and attached to the Waco District Board of Missions Inc.

This action is due to a vote By Official Board of Rosenthal Methodist Church, and by Church Conference of Rosenthal Methodist Church, and by the Fourth Quarterly Conference of the Rosenthal Methodist Church, by unanimous decision, meeting at Rosenthal, Sunday May 26th, 1957.

ALVIN S. GAFFORD, Dist. Supt.

COMMITTEE ON RULES

14. The apportionments for World Service and Conference Benevolences shall be based on the total money raised (item 75 in Report to Annual Conference) less the amount paid on principal and interest on indebtedness (item 42 in Report to Annual Conference) and less the amount paid for building and improvements (items 43 in the Report to Annual Conference.) It shall be the duty of the World Service and Finance Commission to compute the apportionment annually, using the statistics of the last published Journal (corrected, if necessary), and to furnish the table of apportionments to the Districts. District Superintendents will use the best possible approach in distributing the askings to the individual churches of the Districts.

BOARD OF SOCIAL AND ECONOMIC RELATIONS

Report No. 1

"We believe that it is our duty not only to bring Christ to the individual, but also to bring the society within which we live more nearly into conformity with the teachings of Christ." The end result of these teachings is evidenced in a man's attitude toward and relationship with every child of God. We detest those elements in our society that decrease a man's moral responsibility and spiritual sensitivity. We therefore commend such Church organizations as our Board of Temperance, and Board of World Peace that strenuously oppose these elements.

Liquor Traffic

We deplore the moral and economic blight that is the inevitable result of the liquor traffic. Let us all recognize that this vilest of evils not only degenerates the person, but destroys the home and degrades the community.

Economic Life

"We believe that all persons have supreme value in the sight of God, and ought to be so regarded by us. We test all institutions and practices by their effect upon persons."

We believe that every man ought to be paid a fair wage for the job he does and should in turn render his best service to the job for which he is paid.

We believe that all men should have the right and opportunity to develop and use their God-given talents in a vocation where they can experience full fruition of these talents.

Political Action

"We pledge ourselves to sustain and implement the teachings of Christ by devoting our Christian convictions in all elections, by participating in political action as party members or independents, and by offering and supporting candidates who will translate our social ideas into social reality."

We admonish all Methodists to take advantage of our rights to voice our Christian convictions to those who speak for us in the legislative bodies of our state and nation.

Race Relations

"We urge individual Christians and churches to make a serious and prayerful examination of their own attitudes and practices in regard to racial equality and fellowship with the determination to bring out practices into conformity with Christian ideals."

We reaffirm the stand of our General Conference to which we last year pledged ourselves. This stand includes:

"That the institutions of the church, local churches, colleges, universities, theological schools, publishing agencies, hospitals, and homes carefully restudy their policies and practices as they relate to race, making certain that these policies and practices are Christian."

"That Methodists in their homes, in their work, in their churches and in their communities actively work to eliminate discrimination on the basis of race, color, or national origin. That parents, teachers and others who work with children and youth help create attitudes which make it easy to live in harmony with those of other races."

"That Methodist churches in changing neighborhoods, rather than seeking new locations, early prepare their people to welcome into their fellowship all races as they become a part of their community."

"That our pastors, upon whom rests the responsibility of receiving individuals into church membership, discharge that responsibility without regard to race, color, or national origin."

"That bishops, district superintendents, pastors, and lay leaders seek ways for the implementation of better fraternal relations between the Central Jurisdiction and other jurisdictions where they are adjacent by closer cooperation at annual and district conferences and at local church levels."

"That the many racial and national groups which make up our Methodist world fellowship be afforded the opportunity without discrimination to enjoy full participation in all the activities of the church."

We urge every pastor to follow the admonition of the Discipline to read the Social Creed of the Methodist Church to his congregation or present to them in printed form at least once each year copies of this and other Social and Economic Relations materials which are available upon request to the Secretary or Chairman of the Board.

COMMITTEE ON SUSTENTATION

Report No. 1

The Committee On Sustentation has functioned this year under the Conference Plan adopted and printed on pages 123 and 124 of the 1955 Conference Journal. We have had requests for help from two men who were sick for two quarters each and we granted them help in the amount of \$1200.00 each. We have asked the Commission on World Service and Finance to grant the amount of \$2400.00 to re-imburse the Contingency Fund for this amount.

We recommend the continuation of the committee under the plan and instructions found on pages 123 and 124 of the 1955 Conference Journal.

J. DOYLE STALCUP, Secretary

COMMITTEE ON SUSTENTATION

Report No. 2

The committee recommends that the section setting up the amount to be granted found on page 123 of the 1955 Journal be made to read—"that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary".

On the recommendation of his District Superintendent and the Cabinet, the committee recommends that the rules for approved supply pastors be waived in the case of Stanley Goad, and that he be granted sustentation help as long as he is incapacitated.

We are nominating Rev. C. C. Sessions to membership on the committee to fill the vacancy created by the appointment of Rev. J. W. Sprinkle to the Cabinet.

BOARD OF TEMPERANCE**Report No. 1**

Your Central Texas Conference Board of Temperance has been busily laying the groundwork this year, for its program during the next three years. We feel that the program of Temperance in local churches has not had the emphasis in the past that it should have had, and it is our desire to supply the necessary help to get the temperance program into every local church.

Our position is well stated in the Temperance booklet, **Doing Something About Alcohol**. "It will little avail for us to pour out further our righteous censure of this abominable social curse. Since drinking has become so increasingly prevalent, and the saloon has exchanged its sawdust floor and its brass rail for the dim, carpeted luxury of the cocktail lounge and the burly aproned bartender has given place to the girlish figure of a young woman waitress, the whole matter of drinking has moved over into a new atmosphere of social responsibility." Now as never before we **must** have an answer to the alcohol problem.

As your Conference Board there are several things that we would like to stress:

1. **Attendance at the Conference School on Alcohol Studies.** We feel that this school will be one of the most far-reaching schools ever held in this Conference. The date has been set for **September 20 and 21**, at Glen Lake Camp. Fields of study are to be based on the General Board's four point program of: **Education, Commitment, Legislation, and Rehabilitation**. Some of the most prominent temperance leaders in America will be present to lead this school. Clear your dates now for this event. Those invited will include: Bishop, District Superintendents, Pastors, District Directors of Temperance, District Secretaries of Christian Social Relations of WSCS, District Lay Leaders, District Youth Directors, Conference Board Members, Presidents of District and Sub-District MYF, District Directors of Children's Work, and College Presidents.

2. We strongly urge cooperation on the part of every pastor and church in the growing concern of state and national legislation. This has been a crucial year legislative wise, and it is our feeling that much of the wet legislation that was enacted could have been prevented if the pastors and laymen of this Conference would have shown more interest through phone calls, letters, telegrams, and personal visits with their lawmakers.

3. We recommend every church cooperate with T.A.N.E., A.A., and with other forces dedicated to stamp out the evil of the alcohol traffic, and the rehabilitation of those who have been ruined by the alcohol evil.

4. Your Conference Board has become greatly concerned this year because of the utter disregard of the observance of Commitment Day throughout our Conference. The report for the entire Conference was alarming, and we stress the observance of this day in **every** church in the Conference, with the use of the Commitment Day Card.

5. Finally, we report several representatives sent by the Board of Temperance to the Youth and Adult School on Alcohol Studies held this past year at S.M.U. We commend the Conference Board Members, District Superintendents, District Directors, WSCS, and others for their cooperation and help in the Temperance Program this year.

COMMISSION ON TOWN AND COUNTRY WORK**Report No. 1**

Several factors have been favorable to our work this year. Of first importance is the fact that the Mission Study "High Hours of Methodism in Town and Country Communities" brought into focus the rural challenge for many urban areas that had not been in touch with recent movements. Also, generally there is a growing appreciation of the fact that the Commission seeks to serve as a cooperating agency within the Conference program where the smaller congregations are concerned.

The Chairman and Vice-Chairman attended the National Convocation in St. Louis last fall, and the Chairman and Executive Secretary attended the Jurisdictional Workshop in Stillwater, Oklahoma this Spring.

Evidences of a growing concept of the challenge before small churches, and the ingenuity employed to meet it might be sighted. No doubt a number of exceptionally fine rural work projects have escaped our notice, but the fact that churches in the larger towns are beginning to accept some responsibility for struggling near-by churches is a wholesome sign. The fact that county-wide cooperation in rural areas is being started indicates that progress is being made. The wise use of survey information has been of genuine help. Support furnished by the Town and Country Departments of Southwestern University and Perkins School of Theology is invaluable. We believe a new day has already dawned for the small church.

We request appropriations as of last year:

Commission expense	\$ 650
Executive Secretary expense	600
Rural Worker, to apply an salary	300
Rural Worker, travel and office expense.....	950
	\$2500

COMMITTEE ON URBAN LIFE

The task of keeping abreast of the swiftly changing conditions affecting the life of our churches in the great urban centers is a constant one. To properly minister to the varied needs of such complex situations demands that we share our experiences in study and fellowship with our brothers across the whole of our church.

We are pleased that the National Division of the Board of Missions has made adequate plans for such a sharing Conference in the Convocation on Urban Life in America, to be held in Washington, D. C., February 18-20, 1958.

We further recommend that the Board of Missions certify four official delegates from the Central Texas Conference on the nomination of the Committee on Urban Life, and provide \$300.00 to defray expenses.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The Spirit of Christ—For All of Life is the theme, well known by now, that will guide us in this new quadrennium. The beautiful symbol, showing the figure of Christ offering fullness of life to all the world, and the seven new goals present a tremendous challenge and a true adventure to Methodist women everywhere. In full recognition of the fact that "all action is local" this quadrennial program is directed to the local woman in the local society.

The following highlights of this year's work only indicate a small part of the significance of the task undertaken by the women of this conference.

At the beginning of the year there were 248 Societies and 100 Guild units with a combined membership of 14,911. Early in the year a membership crusade was launched, with the goal of one new member for each ten on the roll. A number of societies in each district have attained this goal. Fort Worth West leads with 16 societies, Waco, second, with 14, and Fort Worth East, third, with 12, making a total of 76 for the conference, and adding 980 new members. Fort Worth East has two new societies in newly organized churches, and one is 100 per cent organized. The Church of the Good Shepherd, Arlington. Fort Worth West has two 100 per cent societies; Dido and Edge Park, and is 100 per cent organized as a district. Although we only have this one district 100 per cent organized, excellent promotion is going on in many of the districts, and the goal for the quadrennium is 100 per cent organization for the entire conference.

One of the high points of the year, was the Time Apart held at Glen Lake on May 12th and 13th. Dr. Thomas A. Carruth, Field Secretary of the Methodist World-wide Prayer Movement, was the featured speaker. Almost 100 people attended, and because of the many requests for a similar meeting, there will be a Time Apart observance at Glen Lake on May 4th and 5th of this year.

Increased interest in the field of missionary education continues to be evidenced by the whole hearted participation in all educational opportunities. Twenty-two conference and district officers attended the Jurisdiction School of Missions which was held at Mt. Sequoyah in June. In July a record for attendance was set with 226 persons present at the Conference School of Missions which was held at Tarleton State College, Stephenville. One-hundred twenty-five were present for the Guild week-end which followed. In September, Educational Seminars were held in each district with an attendance of 1,447; making a total of 1,690 who took advantage of educational opportunities on the district, conference, and jurisdictional level. In addition, there were thousands who attended the study classes in the local Societies and Guilds.

This conference was represented at four national meetings during the year.

The Vice-President attended the Third Assembly of the World Federation of Methodist Women which was held at Lake Junaluska, N. C. in August. The Secretary of Christian Social Relations attended the United Nations Seminar in New York City in December. The President attended the Annual Meeting of the Woman's Division held at Buck Hill Falls, Pa. in January and the Secretary of Missionary Education attended the Conference on Missions held at this same place early in March.

Methodist women are seeking increasingly to understand our World in the spirit of Christ, and are assuming their Christian responsibility in State and National affairs by making their viewpoint known through a steady flow of letters and telegrams to their representatives, senators, and congressmen in regard to bills in which we are vitally interested.

Recruitment for missionary service continues to be our major concern. The Woman's Division has set as a minimum goal, 200 new workers per year for this quadrennium. In an effort to help meet this need, the missionary challenge is emphasized through the work of the Secretaries of Children, Youth, Student and

Missionary personnel. Every local church is urged to have an active committee on Christian Vocations, and requested to send the names of those who express an interest in missionary service to the Conference Secretary of Missionary Personnel.

A new venture for this conference is now being undertaken, that of a Mission Tour. The purpose of which is to give our youth first hand information on the work of the church and a vision of the many opportunities for service which are open for Christian Youth, with the hope that they will face anew their own responsibility to Christ and His Church.

We have a challenging task before us at this point—the beginning of a new quadrennium, one which should jolt the complacency of every Methodist woman. We are hearing much about the Lands of Decision. New and urgent opportunities for service are presented at home and abroad. Methodist women are called upon to work with renewed vigor in the membership crusade, for the organization of World Friendship Groups, for Missionary service recruits and far increased giving of service, money, and prayer.

Last year, the total amount given for the support of the work at home and abroad by the women of this conference was \$126,382.94. A budget of \$101,000.00 was approved for the current year. At the close of the third quarter \$69,051.91 had been paid on the pledge of \$92,000, cash for supply work \$6,767.64, Week of Prayer and Self-Denial offering \$7,089.50. To date \$16,760.00 has been given in Special Memberships and there is every indication that with the close of this quarter there will be a substantial increase in total giving for 1956-57.

The world-wide missionary effort of the Woman's Division must begin with the local woman in the local church. The new theme for this quadrennium moves us to personal and group rededication and increased effort. The new symbol expresses for us, that toward which we shall devote our effort—The Spirit of Christ—For All Of Life.

COMMITTEE ON WORLD PEACE

"The role of the Church in today's world situation is clear. Its task is to help mankind attain freedom, human rights, justice, adequate living standards, self-government, and the cooperation of all nations for the maintenance of peace.

"With the development of increasingly horrible weapons of mass destruction, mankind stands at the threshold of possible extinction. In the face of this situation, Christians everywhere are confronted with a definite challenge.

"Motivated and mobilized by the spirit of Christ and challenged by world conditions, Christians are in a strategic position to make the gospel articulate in world affairs to the end that peace may become real and dynamic." **Doctrine and Discipline of The Methodist Church, 1956:** paragraph 2024.

In the spirit of these words delivered at the 1956 General Conference of The Methodist Church your conference committee has labored this year. We believe that progress has been made and that there is a growing consciousness in our people concerning their vital role in the affairs of our world. No longer is the individual unheard. If he in the name of Christ will but raise his voice, his influence will be felt and effected.

This year the major accomplishment of our committee has been an all conference Youth Seminar to the United Nations, this past April 1-5, 1957. Thirty-one youth and adults spent a most significant week in the United Nations learning under the personal direction of Dr. Charles F. Boss how the nations are working for peace and getting an insight into what the individual can do about it.

The response to this has been most encouraging. The youth are asking that another such Seminar be sponsored this coming year. Participants in the Seminar have been making reports in the various churches and districts and our people are beginning to see a vision of the great opportunity that is being held out to all Christians to work for world peace.

Furthermore, it has been seen that the genuine peace-maker is working **for** democracy and freedom and **against** all totalitarian ideologies such as communism and facism. The Christian peacemaker's goal is to strengthen the world spiritually and to encourage Christian methods and attitudes in the settlement of all political, economic, and social issues. His method is education. His hope is that the informed Christian will become a power for righteousness.

As we approach another conference year there are some important considerations which we would like to bring to the attention of every Methodist in our conference:

1. This year should be a time of strengthening our Conference organization. Your conference committee has been reorganized and is the best prepared committee we have had in the field since its inception.

However, there is still a great need for district and local church organization. We urge you to use the Local Church Emphasis as a means of strengthening your whole church program, and in this connection to use the fifth booklet "Social Concerns" as a guide in the organization of your local church peace program.

There is a place for district-wide organization. We recommend that where it is feasible that there be "District Secretary on World Peace" who will direct a program of cooperative effort among the churches of the district in such a way as many local churches are not able. Under this direction workshops, seminars, and conferences can be held at a minimum expense with maximum efficiency.

2. There are many social, economic, and political issues which have a direct bearing on the peace of the world. Your committee suggests that careful attention and study be given this year to the following issues: world disarmament, atomic warfare and nuclear experimentation, the work of the United Nations, the United States' military budget, foreign aid, the problems of immigration and war refugees, and the role of the Christian in politics.

3. We suggest that the churches of our Conference observe World Order Sunday, October 20th, and World Peace Sunday, November 3rd. We urge that more people participate in local church and district leadership workshops, training schools, and seminars. We hope that there will continue to be a growing response to the United Nations and Washington Seminars sponsored by our conference committee. We urge a continued support of the Trick and Treat program of the MYF each Halloween for CROP.

4. In order to increase the effectiveness of our work the Committee on World Peace has asked the Commission on World Service and Finance to grant us an appropriation of \$425.00 for this Conference year. This money will be used wisely and will help further our national seminars and also allow us to distribute more effectively important publications and literature written to implement the program of World Peace.

5. We ask that at least once a year each pastor bring before his congregation and his official board the statements of our General Conference as outlined in paragraph 2024, 1536-44, 276 and 278, in the way that he deems most applicable to his particular program and that there be organized prayer services held in behalf of those who labor for peace in our time.

Our program is before you. As it is accepted may we accept our individual responsibility with a promise to God on our lips and a dedication in our hearts that for the sake of our Christ, the Prince of Peace, we will give our best.

C. T. BROCKETTE

Claude Tuttle Brockette, son of Merlin Luther and Francis Tabitha Brockette, was born January 18, 1876, near Willette, Tennessee, in Macon County. He moved to Texas in 1898, and in 1910 was united in marriage with Miss Stella Ann Crowley of Covington, Texas.

Brother Brockette was converted in early man-hood, and united with the Covington Methodist Church. His occupation before entering the Ministry was farming and clerking in a store. He was licensed to preach in Covington, Texas, in 1908, and the same year he entered Polytechnic College, attending it through 1910. He was admitted on trial by the Conference in Temple, Texas, November 5, 1913, and into full connection by the Conference held in Corsicana, Texas, November 24, 1915. His full and fruitful

ministry was given in the Central Texas Conference, where he served the following appointments: Huron Circuit 1910-1912, Delia Circuit 1912-1913, Novice Circuit 1913-1914, Killeen Circuit 1914-1916, Meridian Circuit 1916-1918, Coryell Circuit 1918-1920, Moody Circuit 1920-1924, Iredell Circuit 1924-1926, Morgan-Kopperl 1926-1928, Penelope Circuit 1928-1930, Copperas Cove 1930-1932, Florence Circuit 1932-1935, Holland and Little River 1935-1941.

Brother Brockette retired in 1941, and made his home in Holland, Texas, until 1943. But God had yet another pastorate for him to fill, and he was appointed to the Blooming Grove Church, where he served 1943-1944. Following this, his last pastorate, he lived in retirement in Blooming Grove until August 1945. He moved from Blooming Grove to Hillsboro where he was at home until October 25, 1956, when in answer to the call of his heavenly Father, he moved on up to live in 'an house not made with hands, eternal in the heavens.'

Brother Brockette was a beautiful Christian character who dared to live, and to preach the Gospel of His Lord. He was kind and gracious, and truly much loved by those who knew him. He 'Moved Up' even as he moved here, in the assurance of a triumphant faith. His funeral service was held from the Methodist Church, Blooming Grove, Texas, by Roy H. Davis, assisted by Bruce Weaver. His body was laid to rest in the Blooming Grove, Rose Hill Cemetery.

He is survived by his wife, Stella Ann Brockette, two sons, Marlin of Hillsboro, and Claude of Fort Worth, three daughters, Mrs. B. W. Barnett, Corsicana, Mrs. James Cowan, Killeen, Mrs. W. H. Cruise, Alexander, Va., seventeen grand children, one brother, and two sisters.

MRS. S. A. ASHBURN

Mrs. Alice Travis Ashburn began a 91-year life of dedication to The Methodist Church on April 12, 1865, when she was born in Alabama, the daughter of a Methodist minister, the late Reverend William Harwell Armstrong and Rebecca Armstrong. Mrs. Ashburn's father rode the circuit in Alabama and Mississippi. After his death, his wife and daughter moved to Gatesville, Texas.

On April 26, 1888, the daughter married a young Methodist minister, Reverend Mr. S. Ad Ashburn. Together they served the North and Central Texas

Methodist Conferences for fifty years. Rev. Mr. Ashburn died in 1937, two years after he retired as pastor of Mulkey Memorial Church, now St. Mark's, in Fort Worth.

Mrs. Ashburn passed away November 7, 1956 in Harris Hospital, Fort Worth. She had made her home at 2800 Scott in Fort Worth with her two daughters for the past several years.

The Ashburns reared four boys and two girls. The daughters are Misses Ruth and Kathryn Ashburn, both of Fort Worth. The sons are Karl, Lake Charles, Louisiana; Andrews, Denton, Texas; and John Foster, Fort Worth. Sam Ashburn, who died in 1937, resided in San Angelo, Texas.

Her funeral was conducted by the writer and Dr. Herbert Mingus on November 8, 1956 at Robertson-Mueller-Harper Chapel. Burial was in Rose Hill Cemetery, Fort Worth.

HAYDEN EDWARDS

JAMES LEE HARRIS

James Lee Harris, son of David Bascom and Cora B. Harris, was born October 20, 1883 at Lead Hill, Arkansas. He was married to Edna Earle Pasley June 6, 1920. Brother Harris was converted at the age of sixteen and united with the Methodist Church. He received his formal education in the University of Arkansas; Southwestern, Winfield, Kansas; and Southern Methodist University, Dallas, Texas. He received an A.B. Degree from Southwestern, Winfield, Kansas; and B.D. and M.A. Degrees from Southern Methodist University, Dallas.

Brother Harris taught school for twenty years; served Washington County, Arkansas, as tax assessor for four years, and as representative to the Legislature of Arkansas for one term. He was licensed to preach by a quarterly conference of the Highland Park Methodist Church, Dallas, Texas, in 1922. He was admitted on trial to the North Texas Conference in Gainesville, Texas, in 1923; and was ordained at Greenville, Texas in 1925. He transferred to the Central Texas Conference in 1944. During his active ministry he served the following charges: North Texas Conference: Crandall and Seagoville, Petty, Lone Oak, Pilot Point, Duncanville, Avery, Petrolia, Perrin, and Justin. Central Texas Conference: North Weatherford Circuit, Brock, and Santo.

Because of failing health, Brother Harris retired June, 1951; and lived the remainder of his life on his farm on the Ranger Highway, ten miles Southwest of Weatherford, Texas. He passed from this life on August 13, 1956 of a heart ailment at his home. His memorial service was held from the White Funeral Chapel, Weatherford, on August 15, with Rev. B. L. McCord, pastor of Coats Memorial Church of Weatherford in charge, assisted by Rev. Ernest Roper, and Dr. J. W. Sprinkle. His tired body was laid to rest in the East Greenwood Cemetery, Weatherford.

Those surviving Brother Harris are his wife; one son, James L. Harris; one brother, Al Harris, San Angelo, Texas; and five sisters, Mrs. Nettie Bookter, Mrs.

Ellen Harris, and Mrs. Oma Rosencrantz, all of Arkansas City, Kansas; Mrs. Fanny Johnson, Alva, Oklahoma; and Mrs. Grace Jackson, Bryan, Texas.

Those who knew Brother Harris miss him; but they grieve not "as those having no hope," for they know that they will see him again the "Glad Tomorrow of Eternity."

E. O. HEARN

Edgar Ottie Hearn, son of Charles and Nancy Hearn, was born November 28, 1881, in Blunt County, Alabama. He was married on December 17, 1899 to Miss Oney Lee Smith. Brother Hearn met and accepted Jesus as his Saviour and Lord at the age of 16, was baptized and joined the New Union Baptist Church, Blunt County, Alabama. He later united with the Methodist Protestant Church, and in 1900, in Blunt County, Alabama, was licensed in it to preach. He moved to Texas, and became a student in Westminster College, Tehuacana, from which College he received his A.B. Degree in 1910. He was admitted on trial by the Central Texas Methodist Protestant Annual Conference in 1910 and into full connection in 1912. He became a member of the Central Texas Methodist Con-

ference through the Union of 1939. He was pastor of the following pastoral charges: Campbell, Texas, Whitney, Texas, Mountain Circuit, Hamilton, Texas, Pike, Texas, Paris Circuit, Emhouse Circuit, and the Beechland Kentucky Circuit.

Brother Hearn retired in 1936, due to ill health. Following his retirement he lived in Dawson, Texas, twelve years. During those years he preached part time at Brushie Prairie and Dover Churches. In 1948 he moved to Dallas, Texas, next door to his daughter. From that time until he was called to his heavenly home he attended services and was actively engaged as a Sunday School Teacher at the Aldersgate Methodist Church.

Following a major cancer operation his health gradually declined for five years. His death came as a result of a heart attack, August 11, about 10:30 P.M. in his home with his devoted wife and daughter at his bed side. He was active in his church and community until a few hours before his death. His Sunday School Class was his main interest in life. He had prepared his lesson to teach the following day just before the fatal attack. His usual place was in his favorite chair with his Bible and Sunday School Book on his lap. When the attack came he expressed his desire that "this might be the end" just a few moments before the Lord took him home. There was no fear of death. For this one, who had suffered and endured so much for the sake of preaching the Gospel, longed to be "in HIS presence." He died as quietly and calmly as one who lives down to pleasant dreams to awaken "in His likeness." Truly, this was his "Home-Going."

His funeral services were held from the Aldersgate Methodist Church in Dallas, with Rev. Fred Adams, J. O. Hensley, Virgil Arnold participating, and Graveside Service at Tehuacana, Texas, with Rev. Roy H. Davis and Dr. A. R. Corn. His body is laid to rest in the Tehuacana Cemetery.

Brother Hearn is survived by his wife, Oney Lee Hearn, by three sons, A. W. Hearn, Lee Hearn, Lewis Hearn, and by an only daughter, Mrs. Curtis (Jewell) Stevens.

D. E. McVEY

David Ely McVey was born to L. S. and Martha Thomas McVey near Unionville, Putnam County, Missouri, December 26, 1888 and the end of his very fruitful earthly life came in Harris Hospital, Fort Worth, Texas, July 3, 1956 from a congestive heart condition.

He was married October 4, 1911 to Reba Ella Potter, who preceeded him in death in 1951. To this union was born two sons, V. L. and David T.; and two daughters, Arvilla (Mrs. David) Foster and Imogene (Mrs. E. F.) Story.

Dr. McVey's entry into the ministry followed a most unusual conversion experience and a God extended call. In 1909 he was punching cattle for the Green Cattle Company of Southwestern Kansas. His work took him to Westchester, Oklahoma and it was there on the street that he was asked by Rev. E. V. Potter to attend a camp meeting which was in progress. He made excuses and left to return to the ranch. However, his horse refused to cross a stream which was necessary to ford and he returned to the little town for the night. He decided to attend the meeting and it was there that night that he was born into the Kingdom of God and felt called to the ministry. Returning to the ranch the next day he announced his intention to give up the horse and saddle for a Bible and a pulpit. He started to college at Miltonvale, Kansas in September 1909, enrolling as its first student. Rev. Potter used to say concerning this case "the Lord had to use horse sense."

In addition to attending Miltonvale Wesleyan College, Dr. McVey graduated from Peoples College in Kansas City Missouri, where he earned both his Bachelor of Divinity and Doctor of Divinity degrees. The Doctor of Divinity was conferred in December of 1927.

He served as an evangelist for two years prior to taking his first pastorate as a member of the Oklahoma Conference, Methodist Episcopal Church in 1913. He was ordained an Elder in the Methodist Protestant Church of the Missouri Conference in 1918. It was at Hillsboro in 1929 that he transferred to the Central Texas Conference and received his first appointment, Burleson-Crowley. Other appointments in this Conference served by him were: Bruceville-Mooreville-Rosenthal, Bynum-Brandon, Palo Pinto, Springtown, Johnson Memorial (Brownwood), Perry and Rising Star.

He transferred to the North West Texas Conference and was married to Mrs. Elsie Gates in 1952, who along with his sons and daughters survive him. There he served at Texas St. Church in Vernon and as Associate Minister at Asbury in Lubbock and at Texline. He transferred back to the Central Texas Conference in June 1956 with residence in Arlington.

Dr. McVey was known and loved by multitudes of people and made a contribution to the ministry of Christ and to the Kingdom of God which shall stand forth in the hearts of God's people through the ages. He was a builder in the real sense and truly one of God's choice men.

Funeral services were conducted at Springtown Methodist Church by Dr. C. A. Sutton, Rev. Ernest DeWald and Rev. Charles Gates and he was laid to rest by the side of his first wife in the cemetery of Springtown.

FITZHUGH M. TALBOT

MRS. S. P. NEVILLE

On the night of January 15, 1957 Mrs. Lula Mae Neville, wife of the Reverend S. P. Neville, died at their home in Waco, Texas. This wonderful Christian life had its beginning 84 years, 1 month and 27 days earlier on November 18, 1872 in the home of the parents, Calvin and Harriet Brown, three miles from Bremond, Texas.

When Mrs. Neville was seven years of age her father died. An uncle came to live with the family and soon they moved to Hill County where she received

her education in the public schools. She made her profession of faith in Christ at the age of 14 and united with the Church. A bit later she was given the responsibility of teaching a class of children in the Sunday School. This marked the beginning of a very active and useful life in working with children and youth.

It was the year 1890 when the Nevilles met in Limestone County. This meeting led to marriage on December 11, 1892, which lasted slightly more than 64 years. At their marriage they established a family altar which lasted all these years.

About two and a half years later, on June 29, 1895, Brother Neville was licensed to preach and began preaching on July 6 of the same year. Mrs. Neville was a great help to her husband in his pastoral work and was beloved by the members of the churches they served and the citizens of the communities where they lived. She was a diligent student of the Scriptures. Mrs. Neville was a devoted mother, and reared her children in the fear and admonition of the Lord. Kindness and patience characterized her daily life, and the gracious influence of her life remains a beautiful memory to her family and to her friends.

Together these two served a great number of appointments in the Central Texas Conference for thirty-eight years until retirement in 1935. All of these churches were in the Corsicana, Cleburne and Waco Districts. They have lived in their home at 2401 McKenzie in Waco from retirement and had continued very active in the Austin Avenue Methodist Church and in the work of the district.

They celebrated their 64th wedding anniversary on December 11, 1956. As a climax to the day, they were honored that evening as special guests at a Christmas Dinner of the ministers and wives of the Waco District given by Dr. and Mrs. A. S. Gafford. Mrs. Neville made the statement then that her prayer was that she remain active until her death.

This prayer was answered because she had never been very ill in her lifetime. About a month later the Nevilles were seated in the bedroom before retiring for the night when she began praying a prayer in which she expressed concern for the family, friends and the continued spread of the genuine spirit of brotherhood; for the church at home and universally; for the leaders of our state, nation and of the nations of the world. It was the next day that the brief, fatal illness came upon her.

Funeral services were held Thursday afternoon, January 17, 1957 at 2:00 o'clock in the chapel of Wilkerson and Hatch Funeral Home in Waco. Dr. A. S. Gafford, Dr. Chet C. Henson, Rev. James M. Cooper, and Rev. Arnold D. Feller conducted the services. Burial was in Waco Memorial Park.

She is survived by her husband, the Reverend S. P. Neville; their two sons, Jess L. Neville of Waco, and Frank M. Neville of Hubbard; and one sister, Mrs. C. B. Kerzec of Caldwell, Texas.

Shortly after her death, the Woman's Society of Christian Service of the Austin Avenue Methodist Church gave an In Remembrance Gift in loving memory of Mrs. S. P. Neville.

ARNOLD D. FELLER

MRS. MACUM PHELAN

Mrs. Bonita Phelan was born December 12, 1878, at Thorpe Springs, Texas. She was the daughter of Mr. and Mrs. W. C. Robertson. She was a native Texan and spent a greater portion of her life in the State she so dearly loved. She first joined the Methodist Church in 1893 at Colorado City, Texas.

On April 18, 1905, she was married to the late Reverend Macum Phelan. Reverend Phelan was well known as an author having written numerous volumes

about our Texas Methodism. He served most of his time in the Northwest Texas Conference, coming to the Central Texas Conference in 1932. He was a member of this Conference until his death August 4, 1950.

For the past six years Mrs. Phelan has made her home in Fort Worth. She was an active member of the Handley Methodist Church. On June 12, 1956, Mrs. Phelan suffered a heart attack and was confined to the All Saints Hospital, Fort Worth, for ten days. On June 22, Mrs. Phelan passed to her eternal home. Services were held at the Handley Methodist Church with Reverends N. H. Kupferle, Jr. and Wilson Canafax officiating. Burial was at Rose Hill Cemetery, Fort Worth, Texas.

Her survivors are: Mrs. Virginia Lotspeich, Mrs. Etta Holt Brown, Mrs. Betty Ostrom, Walter G. Phelan, Charles M. Phelan and Charlotte Phelan.

Throughout the history of the Christian Church there have always been women who, by their devotion to God and their unfaltering faith in the spiritual verities of life, have been objects of amazement within the Christian fellowship. Mrs. Bonita Phelan belongs to this select group, as she was indeed an inspiration to all who knew her. She was deeply devoted to her family and to her church and gave herself completely and unselfishly for others. All who knew her are a bit better and more confident of life because of her influence.

MRS. E. M. WISDOM

Mrs. Adeline Goldie Wisdom, the wife of the late E. M. Wisdom, was born in Dallas, Texas, July 19, 1881. She was the daughter of Mr. and Mrs. William Henry Conkling. She was married to the Reverend E. M. Wisdom, April 7, 1906, by the Reverend A. A. Thorp in the Mallali'eu Methodist Church. She was converted in early childhood in the old Tabernacle Methodist Church and grew up in this church. From childhood, her life ever unfolded like the blossoming of a beautiful flower whose beauty radiated about her and whose spirit, like the sweet fragrance of a flower, sweetened life wherever she moved. Mrs. Wisdom departed this life November 5, 1956, at her home, 1202 Elmwood Boulevard, Dallas, after a brief illness. She went to glory to join her beloved husband who preceded her in death and with whom she walked in the bonds of love and devotion not only to him but to the ministry to which he had given his life. She is survived by her children: Lawrence McGee Wisdom, Dallas, William Pierce Wisdom, San Antonio, and Ruth Elizabeth Wisdom, Memphis, Tennessee.

Mrs. Wisdom was quite active in the Elmwood Methodist Church. She was president of the Woman's Society of Christian Service at one time. Her life blessed all whom she touched and her going has left a vacancy in the community and in the lives of many, but what a glorious reunion in the skies with the one whom she loved. Her funeral was held at the Elmwood Methodist Church by the Reverend Fitzhugh M. Talbot and her nephew, the Reverend James Higginbotham. She was laid to rest in the Grove Hill Cemetery, Dallas. Thus ended a sojourn of a wonderful pilgrimage here but the beginning of an eternal walk through the streets of glory beneath the shade of ever green trees.

CLAUDE FRANKLIN BELL

Claude Franklin Bell was born on November 9, 1878, at Greenwood, Scott County, Arkansas. His life could easily portray the circuit riding preacher for which Methodism is famous. He came to Texas at the age of 12, locating near Blum. His parents were Christopher Columbus Bell and Molly Bell, both of whom influenced his conversion at the age of fourteen. Brother Bell entered the Methodist Church at this age and was noted for his interest in the activities of the church. His eager mind sought knowledge through the scant number of books that usually come into reach of a farm boy. He attended the Blooming Grove Academy and later went on to the present Texas Wesleyan College, then known as Polytechnic College, Fort Worth.

On December 24, 1899, Claude Bell and Miss Mackie Horne were married in Childress, Texas. To this union were born two children, a daughter, Teddye, and a boy, who died three weeks after birth. After many years of blindness, Mrs. Bell passed away, December 14, 1952, after nearly fifty-three years of marriage.

Brother Bell later remarried, on October 2, 1954, to Mrs. E. T. Woodall, who survives him.

Before entering the ministry, Brother Bell established a successful candy making business in Hillsboro, Texas. At the age of 31 he entered the ministry from Line Street Church in Hillsboro, to serve as supply pastor for two years at Smithfield and Wayland. Mrs. Bell graciously accepted the call, also, to the new and challenging life of the Methodist ministry.

On November 12, 1912 the Central Texas Conference met in Cleburne and admitted Brother Bell on trial. Three years later, in Corsicana, he was ordained Deacon and admitted into full connection of the Conference. In 1917 at the Annual Meeting of Conference in Georgetown he was ordained an Elder. He served as pastor of various churches in the Central Texas Conference for some 37 years. These years in the ministry were served at the appointments of: Millsap, Loving, Springtown, Winchell, Forrester and Nash, Penelope, Jonesboro, Holland and Bell, Emhouse, Chatfield, Purdon and Harmony, Ireland and Jonesboro, Milford, Olney Circuit, Bunyan, Indian Creek, Haslett Circuit, Moshiem Circuit, and Bynum and Malone.

After these many years of service, Brother Bell retired to a farm in the Midway Community near Hillsboro in 1946. In 1950 he moved to a home in Milford, a past pastorate, and was living there at the time of his death. His past experiences and much sought after advice was very helpful and encouraging to the pastors who served the Milford Church. He attended services as often as failing health would permit.

On March 8, 1957, having parted this place of dwelling, he met God face to face. Funeral services were held on Sunday, March 10 in the Milford Methodist Church in the presence of a host of friends, the family and ministers. His pastor, this writer, and Rev. F. T. Fisher, pastor of Bosqueville church, near Waco, conducted the services. Burial was beside his first wife in the Milford Cemetery.

He is survived by his wife, Mrs. Lizzie Belle Bell; his daughter, Mrs. Teddye Williams of Wichita Falls; a granddaughter, Mrs. Fred Wakeman of Wichita

Falls; three great granddaughters and three brothers.

Brother Bell was an inspiration to all who knew him, an effective preacher, efficient pastor, and a true Christian gentleman. He was a man who served the church well wherever he was appointed, he loved the church. He was a constant source of inspiration to his family, friends and fellow pastors all of whom he loved with devotion.

ROBT. L. ROBERTSON

MRS. W. E. ANDERSON

Mrs. Etna Willis Anderson was born January 17, 1876 in Wise County, Texas and moved to Brown County, Texas when she was about three years of age. She grew to young womanhood in Cross Cut, Texas where she united with the Methodist Church.

Mrs. Anderson was first married to Mr. A. C. Willis, and to this union was born one son, Claude A. Willis, who now resides in Houston, Texas. They adopted a daughter, now Mrs. Ollie Belt, of Fort Worth, Texas. Several years after the death of her first husband, she married her former pastor (1942), the Reverend W. E. Anderson, now a retired minister of the Central Texas Conference.

Mrs. Anderson was a charming, competent and faithful wife and worker in the Methodist Church. She was a fine musician, able teacher of children, sought after as a teacher for adults, served as President of the Woman's Society of Christian Service and was loyal to every phase of the church's program and life.

Mrs. Anderson was possessed with a wonderful sense of humor. She made the parsonage-home a "haven of rest" and one of refinement and genuine Christian hospitality. Since her husband's retirement the Andersons have fit into the life and activities of Central Methodist Church, Brownwood, naturally and gracefully. They have been loyal in their attendance, liberal with their time, talents and means and have endeared themselves in a unique way to the life of our Church. She was president of the Wesley Philathea Class in our church at the time of her death and her going will leave a vacancy which cannot be filled. That which was said of Mrs. Elizabeth Barrett Browning might well be said of her: "'Twas her thinking of others, made you think of her."

Mrs. Anderson died in Houston, Texas in the home of her son, March 31, 1957. The funeral service was held in Central Methodist Church, Brownwood, and conducted by her pastor and Judge Winston Hooper, of Austin, a life-long friend.

V. CYRUS BARCUS

MRS. DAVID KNOX PORTER

All of us are influenced by both our inheritance and environment. Mrs. Claude Scott Porter was no exception to the rule. Her inheritance gave her much, her environment did a great deal for her, and she in turn honored her inheritance and improved her environment. She was born in Minden, Louisiana on November 4, 1876, the daughter of the Rev. and Mrs. Samuel Seaton Scott. He was a gentleman preacher. A gentleman preacher today would be a rare specimen, a rare specimen in the sense that preachers were gentlemen preachers back in the days of Samuel Seaton Scott. He was a gentleman preacher in the sense that he was a plantation owner and operator.

The Rev. Samuel Seaton Scott was the first presiding elder in Methodism in Louisiana. He, together with his family, on coming to Texas first went to Waxa-

hachie, Texas. From there he moved to Gatesville, Texas, to become the first presiding elder of the Gatesville District. On arriving in Gatesville, he found no living quarters. The jailer invited the Scott family to live with him in the jail until a home could be provided. While presiding elder of the Gatesville District, he bought and operated a farm, all in addition to taking care of his duties as the Presiding Elder. He was not only a landowner, but also a slaveholder, bringing several slaves with him from Louisiana to Texas.

Mrs. Porter's major interest was music. She taught music for a while in the Methodist college in Meridian, Texas. Later, while teaching music in Dublin, Texas, she met the young man who later became her husband, David Knox Porter. They were married in the year 1900. It would be difficult to think of the life of either of these without at the same time thinking of the life of the other. Their experiences and their achievements were shared experiences and achievements. As Mrs. Porter and her husband, Dr. D. K. Porter, went from appointment to appointment, they left always a trail of blessing behind. For four years they served the Hotchkiss Memorial Methodist Church in Austin, Texas, located on the corner of 24th and San Antonio Streets, and known also as 24th Street Methodist Church. It was during this pastorate that the congregation purchased the lot on the corner of 24th and Guadalupe Streets on which the University Methodist Church now stands. The Quarterly Conference of the church at first could not see the proposal as a wise proposal. Thereupon, Dr. Porter went to the bank and on his own note borrowed the money with which he bought a thirty-day option to buy said property, and before the expiration of the thirty days the Quarterly Conference of the church changed its position and bought this very choice property. The vision and the wisdom of Dr. and Mrs. Porter have had far-reaching consequences.

Mrs. Porter departed this life at her home in Austin, Texas, on April 7, 1957, leaving surviving five daughters: Mrs. Meade F. Griffin of Austin, Texas; Mrs. Sarah Porter Etter and Miss Florence Porter, both of New York City; Miss Martha Porter of Georgetown, Texas; Mrs. Claude L. White of Corsicana, Texas; one son, Mr. David K. Porter of Los Altos, California; five grandchildren; and one sister, Mrs. Carl Armstrong of San Angelo, Texas.

The funeral service in Austin for Mrs. Porter was conducted by the writer of this article in the Harris Memorial Chapel of the University Methodist Church, and participating in the graveside service in Georgetown were Rev. Carroll Thompson of the First Methodist Church of Georgetown and Rev. Jan Murray of the First Presbyterian Church of Georgetown.

The writer knew the Porter family intimately during the four years that Dr. Porter was the presiding elder of the Georgetown District and the writer the pastor of the First Methodist Church in Georgetown. Mrs. Porter made her home an unusual home. With guests present or not present, the evening meal was always formal, and was always an event. Here was to be found a battle of wits, and after the meal, music and the continuation of exciting conversation. It was something to have the privilege of being present when the Porters were at home.

All too many people, when the flesh begins to hurt, complain. But during Mrs. Porter's long illness there never came a word of complaint from her. With her, beauty always outweighed ugliness, health outweighed sickness, life outweighed death. To her, even this world was God's world, and even in this world she was at home.

"No, not cold beneath the grasses,
Not close-walled within the tomb;
Rather, in our Father's mansion,
Living in another room.

Living, like the one who loves me,
Like my child with cheeks abloom,
Out of sight, at desk or school-book,
Busy in another room.

Nearer than my son whom fortune
Beckons where the strange lands loom;
Just behind the hanging curtain,
Serving in another room.

Shall I doubt my Father's mercy?
Shall I think of death as doom,
Or the stepping o'er the threshold
To a bigger, brighter room?

Shall I blame my Father's wisdom?
Shall I sit enswathed in gloom,
When I know my loves are happy—
Waiting, in another room?"

Mrs. Porter, at home, in the Father's house.

EDMUND HEINSOHN

S. A. BARNES

Rev. S. A. Barnes, an active Methodist minister for fifty years, died May 5, 1957, in his home at 5101 Byers, Fort Worth, after an illness of six months.

Seaton Augustus Barnes, son of William Edward Barnes and Margaret Anderson Barnes, was born October 20, 1874, in Ozark, Franklin County, Arkansas. He was converted and joined the Methodist church when he was fourteen years old. He felt the call of God to preach the Gospel, and immediately started to prepare himself for the ministry. He farmed and attended public school. He taught school intermediate years while attending Hiram and Lydia College in Altus, Arkansas. He worked his way through Polytechnic College in Fort Worth. McMurray College, Abilene, conferred upon him in 1928 an honorary degree of Doctor of Divinity.

He was licensed to preach August 31, 1895 by the Bosqueville Circuit, Waco District, of the old Northwest Texas Conference. And by that Conference was admitted on trial in October, 1896. He was admitted into full connection November 19, 1899 when the Conference was in session at Cleburne, Texas. At the same time he was ordained a deacon by Bishop Robert K. Hargrove. He was ordained an elder at the annual conference meeting in Corsicana, November 17, 1901, by Bishop Alpheus W. Wilson.

On January 10, 1898 he was united in holy matrimony with Miss Berah Adnah Wyatt.

He served the following appointments in the Northwest Texas Conference: Georgias Creek (supply), Glenwood in Fort Worth, Graham, Peach Street in Fort Worth, Elm Street in Waco, Vernon, Presiding Elder of the Abilene District, and Plainview. Upon being transferred to the North Texas Conference, he served at Ervay Street in Dallas, First Church in Wichita Falls, Presiding Elder of the Paris District, Floral Heights in Wichita Falls, Oak Cliff in Dallas, the Sherman Dis-

trict, and Tyler Street in Dallas. He was transferred to the Fort Worth District in 1938, and served as District Superintendent of the Fort Worth District for six years and then as Arlington Heights Church in Fort Worth. He was granted the retired relation in June, 1946 and since that time had resided at his home in Fort Worth.

One of the greatest revivals ever held in the West was held in Vernon, Texas in 1907. Every business in the city including the railway and post office closed for the services. Farmers and ranchers for twenty miles around turned their cows and calves together and came to Vernon to attend the services. Several other denominational churches now great churches came out of this revival held by Brother Barnes.

From all records available he was the youngest man ever to be appointed Presiding Elder. That appointment was made in 1908 by Bishop Key to the Abilene District which at that time included more than four counties.

He served his church as a delegate to the General Conference from his early ministry and also the Uniting Conference in Kansas City. He had served on nearly every important Board in the connection and was a trustee of the Methodist Hospital in Dallas, Harris Memorial Hospital in Fort Worth, Southwestern University in Georgetown, and numerous other Boards.

On his retirement in June, 1946, Bishop A. Frank Smith said that Gus Barnes was truly one of the great evangelistic preachers of the century and that he doubted if any man in all Methodism could equal his record.

One of his greatest joys came in lending a helping hand to young men entering the ministry.

His funeral service was held May 7 in the Arlington Heights Methodist Church and was conducted by the Rev. C. A. Sutton and the Rev. George W. Shearer. Burial was in the Masonic section of Greenwood Cemetery in Fort Worth.

Survivors, in addition to his wife, are a son, Seaton A. Barnes, Jr. of Fort Worth, two daughters, Mmes. B. W. Miner of Fort Worth, and Cecil Putty, of San Antonio; three sisters, Mmes. Tom Bullock of Weatherford, and John Bolger and R. S. Barnes of Waco; a brother, Harry Barnes of Waco and four grandchildren.

W. H. COLEMAN

William H. Coleman was born at Yellow Creek, Dickson County, Tennessee, in 1872. He was licensed to preach from Dickson, Tennessee, in 1901, and joined the Louisiana Conference in 1902.

In this Conference, he served as pastor, First Methodist Church, New Orleans, Louisiana, and First Methodist Church, Alexandria, Louisiana. He was Presiding Elder of the Baton Rouge and Shreveport Districts.

After serving a term as pastor of St. John's Methodist Church, Memphis, Tennessee, he transferred to the Central Texas Conference, serving as pastor of Central and Polytechnic Methodist Churches, Fort Worth and as Presiding Elder of the Brownwood District. Following that, he was Presiding Elder of the El Paso District, New Mexico Conference, and then became pastor of Central Methodist Church, Phoenix, Arizona. He returned to the Central Texas Conference and served here with distinction until his retirement.

He was four times a delegate to the General Conference of the Methodist Episcopal Church, South, and served in the Uniting Conference of The Methodist Church in 1939.

Dr. Coleman was educated in several small Methodist colleges. He also attended Vanderbilt University and the University of Chicago. He served for a time as President of McEwen College, McEwen, Tennessee. Asbury College conferred the degree of Doctor of Divinity in 1922.

Dr. Coleman served as teacher, lecturer, and preacher for annual conferences and pastor schools. He also was a delegate to the Ecumenical Conference of Methodism in Atlanta, Georgia.

Few men have been privileged to serve their church and fellowman in such a variety of ways. His brethren in the ministry and memberships of churches he served were greatly enriched by fellowship with such a capable and genuine Christian leader.

In 1897, he was married to Donna Daniel. To this union, seven children were born, one dying in infancy and one daughter in early maturity. Five sons, eleven grandchildren, and fifteen great grandchildren survive.

He departed this life October 30, 1956. Funeral service was held in Central Methodist Church, Fort Worth where he was teacher of a large men's class. The service was conducted by the undersigned, assisted by Dr. G. Alfred Brown and Dr. Oran Stephens. Burial was in Forts Hill Cemetery, Memphis, Tennessee.

ERWIN F. BOHMFALK

J. O. GORE

Another of the few remaining "Circuit Riders" of early-day Methodism has gone from among us. James Oscar Gore went over the horizon to ride the Eternal Circuit on September 29, 1956, at the age of 87. He was born in Indian Territory (Oklahoma) January 12, 1860. He was admitted on trial in the old Northwest Texas Conference on November 13, 1902. Within a few weeks he was married and for these more than fifty years, with his wife, Mable, served with loyalty and devotion to the Church.

His first appointment was Graham, and then at Millsap, both of which he served for one year. In 1904, after being ordained a deacon and admitted into full connection, he moved to the South Plains, being appointed to the Tahoka Circuit, which covered all of the three counties of Lynn, Dawson and Garza. On this large circuit he rode a bicycle in meeting his appointments, and it was not until he moved to New Mexico did he use a horse for traveling his circuit. Brother Gore built the first church in Tahoka, and preached the first sermon to be heard in Lamesa. He was instrumental in getting the county seat located at Lamesa.

In 1908 Brother Gore served the San Jon, New Mexico, charge and during his ministry there built a church at San Jon. At the time of the division of the conference in 1910 he was assigned to the Central Texas section and in this conference he served with distinction the following appointments: Penelope, Kirvin, Springtown, Sipe Springs, and Desdemona.

He retired in 1917 and moved back to San Jon, New Mexico. But his retirement did not mean inactivity. He continued to ride his horse and preach in school houses and hold revival meetings. He moved to Littlefield in 1947.

The Reverend Roscoe Trostle, pastor of the Aldersgate Methodist Church, in Lubbock, and Brother Gore's pastor at San Jon in 1937; assisted by the Reverend W. H. Vanderpool, Jr., pastor of the Littlefield Methodist Church, conducted the funeral services for Brother Gore at the Hammons Funeral Chapel in Littlefield on October 2, 1956, and his body was laid to rest in the Littlefield Cemetery.

He is survived by his wife, two sons, Griswald, of Littlefield, and Horace, of Hondo, and one sister, Mrs. Pauline Thomas, of Sulphur Springs.

ROSCOE TROSTLE

WILLARD E. SHIPP

Willard Shipp was born July 23, 1896, in DeGrove, Texas. After serving in the U. S. Navy for four years, he had a definite conversion and call to preach in 1927, entered Southwestern University, and was graduated in 1931. He was admitted on trial in the Central Texas Conference in 1926, ordained Deacon in 1928 and Elder in 1930. He served Aquilla Circuit; Springtown; Hamilton; Ballinger; St. John's, Waco; First Church, Breckenridge; and St. Mark's, Fort Worth.

Because of ill health, he was granted Sabbatical Leave at the Annual Conference of 1956. His death came October 14, 1956.

Survivors, besides his wife, include two daughters, Mrs. Maurice Vereen, Cleburne; and Mrs. Bill Domm, McKinney; and six grandchildren.

The burning passion of Willard Shipp's life was to be a good man. He lived in constant awareness of God's goodness and complete faith in God. Besides his effective ministry in the pulpit, he influenced the lives of many people through personal contact.

Funeral service was held in Waco, Texas, on October 15, 1957 with the undersigned in charge, assisted by Dr. G. Alfred Brown. Burial was in Oakwood Cemetery, Waco, Texas.

MRS. O. B. TURNER

Mrs. O. B. Turner (nee Lora Grinstead), daughter of Andrew C. and Rhoda Elizabeth Grinstead, was born October 16, 1882 at Bartlett, Williamson County, Texas. At an early age she moved with her family to Hill County, settling east of Hillsboro. Here she received her formal education, and was united in marriage to Orlander Bertrand Turner on July 22, 1901.

Mrs. Turner entered into Our Father's House on Easter Sunday, April 21, from Memorial Hospital in San Angelo. Her husband preceded her by a good many years, having passed on in 1918. At the time of his death he was pastor of the Salado Methodist Church. Other Churches served by Rev. and Mrs. O. B. Turner were: Alma, Kirvin, Kirk, and Thornton. After her husband's death she moved her family of four children to a farm near Avoca, Texas, where she made her home until all of the children were married. The last several years she spent living alternately with her two daughters.

Funeral services were held at First Methodist Church in Hillsboro, Texas, with the pastor, Rev. Bruce Weaver officiating, assisted by Rev. Clayton Lewis of the Line Street Church. She was buried beside her husband in Ridge Park Cemetery in Hillsboro. The eldest son, Otho O. Turner, preceded her in death in 1937. She is survived by one son, Coy F. Turner of Big Spring, Texas; two daughters, Mrs. W. Alvin Eylvester of Avoca, Texas, and Mrs. Alvin R. Mauldin of Mertzon, Texas; thirteen grandchildren and four great grandchildren.

Mrs. Turner was a member of the Eastern Star, of the Woodmen Circle, and a faithful and lifelong member of the Methodist Church, converted about the age of twelve. She was a true Christian—living always for others and loved by all who knew her.

Funeral services were held at the Indian Creek Methodist Church near Comanche, on May 9, 1957, in the community where he was born and where he attended and worked in the church after retirement. Rev. Roy L. Crawford, Rev. J. W. Whitefield, and Rev. E. W. Holt conducted the services. A granddaughter sang the hymns and Mr. Joe Jones, a layman and lifelong friend, also spoke. Burial was in the cemetery near the church.

Surviving are his wife, who lives at 105 North Worth Street, Comanche, Texas, a son, Paul C. Bowman of Los Angeles, California, and a daughter, Mrs. Ann Pickrill of Comanche. Six brothers, Rev. R. L. Two sisters survive, Mrs. Frank Steele of Marble Falls and Mrs. Macon Haney of Santa Barbara, California.

Brother Bowman was an evangelistic pastor. He kept a record of his conversions which were more than 2,000. Of that number 22 became ministers and 2 foreign missionaries. He received 2,200 members into the church during his ministry.

He had a good voice and sang for revivals and in his own services. His acquaintance with the hymnal was wide, and he regularly read hymn-poems from it in his services. A man of prayers and great faith.

"He passed from death to life,
He still lives on;

While here we wait
The coming of the dawn."

Brother Bowman was the pastor of this writer during his boyhood and also of his wife when she was a girl. Later he was their pastor after they married, and he served a charge nearby when he became ill and had to retire. We have known him all our life and cherish his wise counsel and Christian spirit through the years.

A pastor faithful to his Church and his Lord through the years, his work will live in the thousands whom he knew and blest.

ROY L. CRAWFORD

W. W. MOSS

William Walter Moss was born October 16, 1865, in Byhalia, Miss., where most of his boyhood was spent. It was on October 11, 1893, that he was married to Josephine Fletcher Wynn at her home near Michigan City, Miss. To this union was born two sons and two daughters.

Brother Moss is survived by his wife, who resides with her daughter, Mrs. Earl Berry, of Hubbard, Texas, another daughter, Mrs. Sam B. McAlister of Denton, Texas, two sons, Robert L. Moss of Milwaukee, Wisconsin and Walter E. Moss, who lives in Ballinger, Texas.

After trying other occupations without success Brother Moss began his ministry by being admitted to the North Mississippi Conference, November 23, 1887 and into full connection in the same Conference on December 4, 1889. He was ordained Deacon November 1889 and Elder in the St. Louis Conference in 1893. His active ministry extended over a period of 48 years as he retired from the Central Texas Conference in 1935. For the past 22 years he has resided in Arlington, Texas. He was a Methodist minister for 70 years.

In the North Mississippi Conference Brother Moss served the following charges: Belzana, Ashland, Early Grove, Leland and Lake Lee and Stramville and Lake Lee. In 1892 he transferred to the St. Louis Conference and served Arlington Circuit, Immanuel, and Bridgetown. Then in 1898 he transferred to the Northwest Texas Conference where he served Arlington, Gordon and Strawn, Baird, Graesbeck, Central in Fort Worth, and in 1910 his service began in the Central Texas Conference, where he served Ennis, First Church in Weatherford, Mexia, Gatesville, Dublin, Hubbard, Herring Avenue in Waco, Hamilton, Whitney, Grandview and Rice. For four years he was Presiding Elder of the Cleburne District.

Brother Moss suffered a stroke and was ill for about one month and then on May 25, 1957 at 10 P. M. he slipped away to be with his Lord. One week before he died he suffered another stroke and when I called to see him he asked me how long it was until Conference. I told him it was only a few days now, to which he replied, "Tell the boys I love them." In his last hours his thoughts were for others. Certainly we can say with the Scripture, "He walked with God; and was not for God took him."

Rev. W. V. Bain assisted H. H. Barnett in the funeral which was held in the Hubbard Methodist Church and the body was laid to rest in the Hubbard cemetery.

X—MISCELLANEOUS**STANDING RULES**

1. There shall be an Administrative Council to formulate and promote the quadrennial program of the Conference. The Administrative Council shall be composed as follows: The Cabinet, the Conference Commission on World Service and Finance, the Chairman and one other member of each Conference board and commission, the Conference Lay Leader and the District Lay Leaders, one pastor from each district to be nominated by the Cabinet, the President of the Conference Woman's organization and the Conference Promotional Secretary, the President of the Conference Youth organization and one other young person, the Conference Secretary, the Conference Treasurer, the Conference Secretary of Evangelism, the Conference Secretary of Missions, the Chairmen of all standing Committees, the Conference Chairman of the Texas College Association, and such other members as may be nominated by the Executive Committee. All paid employees of the Conference and its agencies shall have the privilege of the floor but without vote.

There shall be an Executive Committee of the Administrative Council to be composed as follows: the three officers of the Council, the Chairman of the Cabinet, the Chairman of the Commission on World Service and Finance, the Conference Lay Leader, and the President of the Conference Woman's Society of Christian Service.

2. The fiscal year of the Annual Conference shall be from June 1st to May 31st, and all salaries of the clerical members, appointed as pastors or District Superintendents, shall be paid accordingly.

3. The Conference Treasurer, and other Treasurers of special funds, upon receipt of any money from a pastoral charge, shall mail promptly to the pastor of that charge a voucher-receipt, showing the date, amount received, account credited, and how to be reported to annual conference. The pastor shall enclose these voucher-receipts with his annual conference report, as verification for items reported in Table II. Duplicate voucher-receipts shall be mailed monthly to the District Superintendent.

4. The statistics of the Annual Conference shall be based upon the reports in the hands of the Statistician on the second day prior to the opening of the Annual Conference.

5. The annual report of the Conference Treasurer shall be based on the funds in the hands of the Conference Treasurer on the second day prior to the opening of the Annual Conference.

6. Each District Superintendent, in reporting upon the work of his District, shall indicate if any Church in the District has borrowed money to pay either the pastor's salary, or benevolences for the year just closing, stating the name of the Church and the amount borrowed.

7. No member of any Board, Commission, or Committee shall be eligible for membership thereon longer than eight consecutive years and shall not become eligible again for such membership until one full conference year has passed. The membership of quadrennial boards, and commissions shall be divided by the board or commission into two groups, one group whose eligibility for membership expires at the end of the present quadrennium, and the second group whose eligibility for membership expires at the end of the succeeding quadrennium.

8. The District Superintendents, at the beginning of the quadrennium, shall nominate the members of the Boards, Commissions, Standing Committees and Tellers, and shall provide mimeographed copies of such nominations for distribution, provided that no member of the Conference shall be nominated on more than one Board, Commission or Committee which must meet regularly during the

session of the Conference, except where otherwise provided by the Discipline. This rule is not applicable to the Committee on Conference Relations, nor Committee on Investigation.

Vacancies on all such Boards, Commissions and Committees occurring thereafter, shall be filled by nominations of the Board, Commission, or Committee concerned, and elected by the Conference. Nevertheless, no nominations shall be made which would allow a member to be on more than one Board, Commission or Committee which must meet during the session of the Conference.

9. No person shall be a member of a Conference Board, if he is in the salaried employ of that Board, or of an institution which derives financial support from said Board; or appointed a Trustee of such institution.

10. The appointment of any member of the Conference to the District Superintendency shall automatically vacate his membership on any of the quadrennial Boards, Commissions, or Examining Committees, to take effect at the opening of the ensuing session, except where the Discipline makes them members of an Annual Conference Board, Commission or Committee.

11. Any member of a Quadrennial Board absent without excuse from two successive meetings of the Board shall thereby forfeit membership on said Board.

12. All matters to be presented to the Annual Conference, which pertain to the work of one of the Conference Boards, Commissions, or Committees shall be referred to the proper Board, Commission, or Committee for review, before action shall be taken by the Annual Conference.

13. All papers, resolutions, obituaries, and reports, except statistical reports, coming to the Conference, must be typewritten in triplicate, and two copies of said report must be in the hands of the Secretary BEFORE they are presented to the Conference.

14. The apportionments for World Service and Conference Benevolences shall be based on the total money raised (item 75 in Report to Annual Conference) less the amount paid on principal and interest on indebtedness (item 42 in Report to Annual Conference) and less the amount paid for building and improvements (item 43 in the Report to Annual Conference.) It shall be the duty of the World Service and Finance Commission to compute the apportionment annually, using the statistics of the last published Journal (corrected, if necessary) and furnish the table of apportionments to the districts. District Superintendents will use the best possible approach in distributing the askings to the individual churches of the Districts.

15. Annually, each Board or special interest, shall make request to the Commission on World Service and Finance, for any Special Day offering, except where set by the Discipline.

16. The Conference Commission on World Service and Finance shall not be authorized to offer the Annual Conference any new or special apportionment to be levied upon the Churches, unless such new or special apportionment shall comply with the following requirements: First, it must be for an object or enterprise either owned by The Methodist Church or one over which this Conference has full and sole control. Second, it must provide for the perfect execution of the funds so entrusted to the Conference and for a report at the next Annual Conference showing in detail that the trust has been executed and how.

17. The Auditing Committee appointed by the Conference Commission on World Service and Finance shall audit all books of Treasurers of Boards whose auditing is not provided for in the Discipline, and report the results to the Commission on World Service and Finance, which Commission will send a statement of these audits to the Conference Secretary for inclusion in the minutes.

18. It shall be the duty of the Conference Treasurer to set aside out of the funds collected for Conference Work an amount sufficient to meet the ex-

pense of printing the Minutes, the Treasurer's bond, and the necessary expense of the Conference Secretary.

19. All bonds, required by the law of The Methodist Church or the Central Texas Conference, shall be filed with the Secretary of the Conference.

20. The Conference Committee on Entertainment, appointed quadrennially, shall be charged with the details of expenses of holding the Annual Conference, and entertainment of Retired Ministers. Per diem allowances shall be granted to ministers and lay delegates from charges assessing salaries of not over \$1,500, except where the committee shall recommend and the Conference approve, a higher figure.

21. All churches not coming under the above rule will be expected to defray the expenses of their minister and delegate while in attendance upon the Conference.

22. The District Conference shall be composed of the ex-officio members as provided in the latest Discipline, and one delegate for every 100 members or two-thirds fraction thereof, provided that every Church shall have at least one delegate.

23. The Bishop and his Cabinet shall nominate to the Annual Conference next preceeding the meeting of the General Conference a Conference Secretary to be elected by the Conference for the Quadrennium. Whenever there is to be a change in Secretary, the one newly elected shall assume his official duties at the session following General Conference.

24. There shall be a permanent Committee on Memoirs composed of the Secretary of the Conference and the Secretary of the Board of Conference Claimants to insure suitable memoirs of deceased ministers, and the wives or widows of ministers. The minister in charge of the funeral of such persons shall be responsible for preparing the memoir and filing with the committee immediately after the funeral.

25. It shall require a two-thirds vote to suspend any of these rules.
