VI—REPORTS

COMPOSITE REPORT OF DISTRICT SUPERINTENDENTS

Bishop Martin and members of the conference, it gives me great pleasure to present this Composite Report to you from the ten districts of the Central Texas Conference, for 1958.

This report is alive with statistics, which represent men, women, boys, and girls. In fact, it represents love, sacrifice, consecration, and devotion to duty and to a finer and more abundant way of life. It represents the work and prayer and thought of one hundred fifteen thousand laymen and lay-women along with three hundred pastors.

The other nine district superintendents and you laymen and lay-women and the pastors of this conference would want to say with me that we are proud of our consecrated and dedicated leader, Bishop William C. Martin, without whose untiring leadership this report would not be near so meaningful.

Bishop Martin asks nothing of his cabinet or of anyone that he as a leader has not already set as an example for us to follow. He is a leader that we are proud of at home, and abroad, one who never says no to any call of duty; and seems never to grow weary in well doing. And to know his gracious companion he so fondly speaks of as, Sally, is to know one of the friendliest and most gracious ladies our conference has ever known.

If you could have lived with these reports and studied them for several days as I have done, they would not be long and tedious, but rather, they would be inspiring and helpful and living memorials to a great united effort.

The progress that has been made in carrying out the emphasis of the General Conference in the Local Church, in Higher Education, and in Wesley Foundation, reads like an interesting novel. Last year our churches raised **\$53,590.00** for higher education while this year we have raised **\$82,210.00** for higher education. Last year we had **133%** increase and this year we have had a **55%** increase over last. This year we raised for the operating expenses of our Wesley Foundations **\$27,155**; this represents an increase of **23%** over last. In addition to the above, we have raised **\$53,185.00** for The Wesley Foundation and Glen Lake Expansion Fund. Truly, our conference is following the leaders of our great church in helping to fulfill the needs of our youth in the field of better educational opportunities. Surely, every Pastor and layman is thinking now that one dollar and thirty cents per member is the minimum goal rather than the maximum.

As we look at what is happening on the local church level we find that more and more churches are giving attention to their every member canvasses. This year **210** churches had an every member canvass. Many others are in the process, and many others will wish they had planned one before this year is finished. An every member canvass and the teaching of Stewardship and tithing is one of the most efficient ways of stopping the loss of people by the back door of the church as fast as they enter the front. People attend church when they pay, and they pay when they attend. Reminding people once each year that they belong to the church and they have an obligation to the church is the finest way to keep people coming. Last week one Pastor told me had the largest crowd he had had this year, including Easter, because his church was reaching what looked like an impossible task in their budget; they paid up and then came up to the House of The Lord to worship. We have in our conference forty-six hundred and fifty-five tithers that are not ashamed to let it be known. We will not be ashamed to let our right hand know what our left hand is doing if our left hand is being generous with the blessings our Heavenly Father has blessed us with.

In this year of evangelism when our slogan has been "Tell Texas About Christ" we have gained grounds for rejoicing in that we have changed our report from a decrease to a fine increase. This year **3601** members were received

by baptism; **6843** were received from other denominations and by transfer, making a total received of **10,355**, which means for every eleventh member of the church we added one. **1,387** infants were baptized and added to preparatory rolls. We have lost **8637** by letter, death, and quarterly conference action. We have a net gain of 1718 members, whereas last year we had a loss of 805. Surely, we can say the Lord is in this work. This should be a challenge to every Pastor and layman to make the rest of this calendar year the greatest time of ingathering this conference has ever known. We say thanks to you, Bishop Martin, and to Brother Quay Parmer, and to the Board of Evangelism for the challenge you have given us this year. Thanks to the wonderful response of so many men and women to the call of duty in "Telling Texas About Christ." May we recover the message and witness of the burning heart to witness for Christ until the last and least in every parish has been won to Christ. With the inspiration, that will come to many of us in the great convocation on Evangelism in Washington, D. C. July 3-6, we expect to accomplish even greater things in 1958-59 than we have in 1957-58.

We have in our conference:

374 Church Schools with an enrollment of **76,881** and an average attendance of **40,507**.

323 M. Y. F.'s and M. I. F. organizations in the work of our youth, with an enrollment of **8963** and an average attendance of **5002**.

4639 attended leadership schools this past year.

3132 attended camps and assemblies.

253 youth made commitments to Christian Vocations.

29 young men surrendered to the ministry and were licensed to preach.

242 vacation church schools were held with an enrollment of **17,212**.

We say thanks to Rev. Tom Granger and his staff for their fine leadership in the field of education. Our conference appreciates each of you and the fine service you are rendering to give us a well rounded program.

14,570 "Texas Advocates" are going to the homes of our people along with **5,754** of our church magazine, "Together." These fine papers are serving our churches in a wonderful way and keeping our people better informed about their church.

The laymen of our church under the leadership of Dr. Eugene Jud as Conference Lay Leader, and his fine staff of district lay leaders and associates and thousands of other laymen in our churches have truly been our fellow workers in helping to accomplish so many tasks in our churches. These men have led us in Stewardship, in Tithing, in every member canvasses, in "Tell Texas About Christ," and in every field of service in the local churches. We have **157** Men's Clubs with a membership of **6336**. **354** of our churches observed Layman's Day. The laymen of our conference are ready to fill any pulpit, anytime, anywhere there is a need. The future of our churches is bright and progress is inevitable with so many wonderful laymen to work with and for in the work of the Kingdom Of God.

Mrs. Joel Hooper, the Conference President of the Woman's Society of Christian Service and the staff of women who assist her in the women's work have much to be proud of in the **243** Societies with a total membership of **12,279**, and also, with **99** Wesleyan Service Guilds with a total membership of **2276**. The Woman's Society of Christian Service is making many contributions in every area of our church life. They work with the Children's groups, and in the area of missions at home and around the world. They have their study groups enlightening the minds and warming the hearts of their members. They furnish and decorate

many of our parsonage homes. The total program of missions in the church is made easier because of their activities in our local churches. They fill a place and a need in the church that no other organization can fill. Every church should have a Woman's Society of Christian Service.

We find many of our churches are facing needs for expansion in their church schools and these needs are being met in many churches. **20** new church buildings have been erected at a cost of **\$1,401,477.00**. **126** church buildings have been repaired at a cost of **\$562,639.00**. Many churches have been paying on their indebtedness as shown by this figure, **\$780,910.00**.

Churches have not been unmindful of their minister's homes. **13** new parsonages have been built at a cost of **\$209,863.00** while **82** parsonages have been repaired at a cost of **\$33,317.00**.

Our churches have not been unmindful of the great and growing needs of others, outside of our own local churches. The following statistics will show the response to such needs.

For World Service and Conference Benevolences — **\$222,271.00**, which is an increase of **\$19,000.00** over last year.

For World and National Missions — **\$92,560.00**.

For Alaska College — **\$7,531.00**.

For Latin American Work — **\$9,741.00**, a **7%** increase.

For District Missions — **\$28,013.00**, a **5%** increase.

For Golden Cross — **\$11,262.00**, a **37½%** increase.

For Wesleyan Homes — **\$3,183.00**.

"Ta Tell Texas About Christ" — **\$4000.00**.

The total of all finances raised for the Kingdom's work at home and around the world **\$5,697,131.00** or an increase over last year of **\$434,765.00** or **15½%** increase in total money raised.

To those who have lost a loved one we would speak words of comfort; to those who are discouraged we would speak words of hope and faith; to those who have sinned we would point to the Lamb of God, that taketh away the sins of the world.

This past year has been filled with successes and dissappointments. There have been times when we have not measured up to our best, and times when we could not say we have finished the work that God gave us to do. What we have written, we have written; we cannot pass again this way. Soon we will begin a new conference year. Let us begin the writing of our composite report for next year with the words of William Cowper in our minds:

"Oh for a closer walk with God, a calm and heavenly frame
A light to shine upon the road, that leads me to the Lamb.
The dearest idol I have known what'er that idol be
Help me to tear it from thy throne and worship only Thee.
So shall my walk be close with God
Calm and serene my frame
So purer light shall mark the road
That leads me to the Lamb."

ALVIN S. GAFFORD, For the Cabinet

ADMINISTRATIVE COUNCIL

Since the function of the Administrative Council is to plan, promote, and give general administrative guidance to the total program of our church, the detailed record of its work is unfolded in the reports of the various boards, commissions, and committees of the conference. The Council rejoices in the continued record of growth and achievement reflected through these reports. The Council and the Conference is most fortunate in the fine leadership given by the chairmen and personnel of the many boards, commissions, and committees.

The Council would give a special word of thanks to our Board of Lay Activities in leading the forward step in the field of stewardship; to the Board of Evangelism for its leadership in the "Tell Texas About Christ" program; the

Commission on Higher Education for its leadership in giving our colleges and universities a degree of financial support from our churches hitherto unknown; the Board of Hospitals and Homes for its leadership in the field of care for the aged; the Board of Missions for its forward step in Church Extension through the establishment of a Foundation for that specific work.

We would urge each church and pastor to adhere to the time schedule for the promotion of the various interests of the church as finally adapted by the Annual Conference.

H. BROWN LOYD, Chairman

W. V. BANE, Secretary

COMMISSION ON CHRISTIAN HIGHER EDUCATION

The Commission wishes to express again its sincere appreciation to Bishop Martin and the Cabinet for their active support of the Church's college and the Wesley Foundation programs.

We have been informed by the Texas Methodist College Association that the Central Texas Conference stands at the forefront in its role as the leader among the annual conferences of Texas in its financial support of our colleges.

Dr. Roy Farrow's Office reports that as of April 24, 1958, a total of \$55,472 has come from churches in this conference, compared with \$51,920 for the entire conference year of 1956-57. Last year our Conference averaged fifty cents per member in giving to our five Methodist colleges in Texas. The Texas Methodist College Association predicts that our Conference will average seventy-five cents per member or more this year. We genuinely hope that our entire Conference will reach the goal of \$1.00 per member per year (\$1.30 for Methodist Colleges and Wesley Foundation work) within the near future. It is expected that some of our Districts in this Conference will reach this minimum goal by the end of this conference year.

All of our District Superintendents are to be commended for their excellent cooperation and aggressive leadership in keeping the cause of Christian Higher Education continually before our Methodist people throughout the Conference.

The Commission recommends that the film, "Campus Parish," produced by the General Board of Education, be shown in as many churches as possible throughout the Conference.

The Commission concurs with the recommendations of the General Conference Commission on Christian Higher Education and the Texas Commission on Christian Higher Education that District Conventions on Christian Higher Education be held in each District during the 1958-59 Conference year, under the leadership of the Bishop and the District Superintendent. This Commission pledges its complete cooperation, and urges that machinery be set in motion at the earliest possible date for these District Conventions to be held in every district of the Central Texas Conference.

LAW SONE, Chairman

COMMITTEE ON THE LOCAL CHURCH EMPHASIS

The Kingdom Advances. The months since the General Conference have been thrilling. In all areas and through every facet of the church we have advanced. The continuing emphasis of each program in our local churches is evi-

dent. All the interests are being emphasized all the time. We are telling Texas about Christ and His Church; our program of Christian education is growing. The lands of decision have become our next door neighbors and the missionary vision of the people has broadened. The standard of giving and a sense of Christian stewardship are emerging into larger proportions. We have a deeper social concern through our meetings, studies and communications between the races, and our worship of God is deepening.

We now face a new and challenging emphasis which will manifest itself through district workshops called the Inter-Board Program. In these gatherings every church will advance in proportion to its participation in these workshops, recommended to be held in each district and with outstanding leadership.

We challenge the Conference and its local churches to the continuing program of the church in all its phases. And, we challenge all to a loyal support of the proposed Inter-Board Workshops.

HAYDEN EDWARDS, Chairman

COMMITTEE ON PROMOTION AND CULTIVATION

With an increasing conviction that the very life of the church is dependent upon our sharing our Christ with all men it is imperative that we become "All things to all men that by all means" of Cultivation and Promotion each church in our Conference will fully support World Service and the total benevolence program of Methodism.

The Methodist Story, promotional-program Journal of the General Conference is one of the best tools in our hands for cultivating the local church in behalf of benevolences and related opportunities. Available free to nine persons in each local church (Pastor, Lay Leader, Church School Superintendent, Chairmen of the five commissions, and Christian Education Director), we urge every pastor to make certain that these persons receive it.

Another very valuable instrument of Cultivation is the **World Service Fourth Sunday Leaflets**, issued monthly. These are sent to churches only on order of the pastor and since 12,000 pastors in Methodism do not order them (although 12,000 did order 2½ million monthly in 1958) we ask every Central Texas Conference Pastor to distribute these leaflets each month. Pastors who do so have told of miraculous results in the cultivation of their people in missionary giving.

We commend the distribution and wise use of the vast amount of good free promotional literature provided by the Commission on Promotion and Cultivation of the General Conference. Samples of the wide variety of available literature and materials are on display at this conference session. Please view these materials and place your orders as needed. We call special attention to a set of two 30x40 charts showing the World Service Dollar and the total Benevolence Program; a filmstrip of eight frames outlining the General Benevolence Program and culminating in a frame that shows \$4.12 (8c per week) as the total asked from each Methodist annually; the sound, color filmstrip, "The Church Beyond Our Window" which is a Methodist Church acting through nearly a score of agencies supported by World Service and other general benevolences. We solicit a large attendance from our conference to the South Central Jurisdictional Quadrennial Convocation in Kansas City April 7-9, 1959, at which techniques and inspiration for cultivation and promotion of our benevolence program will be shared.

We suggest the following techniques as very practical and helpful methods of promotion and cultivation in missions: Mission Study Courses; Schools of Missions; Methodist Youth Fellowship Mission Studies; Use of undated Units of

Study; a vast reservoir of Audio-Visual Resources; Publicity through local church and parish papers; the wide distribution of **Together, World Outlook** and other church publications; use of the pulpit in teaching and preaching Missions; wide use of Missionaries home on furlough. The Interboard Schools planned in each district for this fall will be most helpful.

The Benevolence Program of the Methodist Church in our conference is primarily advanced by these most worthy causes: World Service; General Advance Specials, World, National and M.C.O.R., with special emphasis upon the four lands of decision, Sarawak, Korea, Bolivia, Belgian Congo and with continued emphasis upon Brazil, Argentina and Uruguay; The Alaska Methodist College in Anchorage; Conference Advance Specials including our \$150,000 Glen Lake and Student Center Campaign; The Fellowship of Suffering and Service; The Week of Dedication; The Television Ministry; Interdenominational Cooperation Fund; the Conference Builders Club; Texas Methodist Colleges and Wesley Foundations. Each of these causes represent a crying need and real service to our Lord and Master. We earnestly request the continued full support of them by every local church.

The following record reveals that the Central Texas Conference is writing a thrilling chapter in giving to these causes.

CAUSE	June-March 1956-57	June-March 1957-58	Conference Year 1956-57
World Service and Benevolences	\$148,084.88	\$149,763.73	\$213,459.80
General Advance Specials	54,911.99	43,462.18	66,291.37
Conference Advance Special.....	32,084.24		
(Nurses' Home)	2,284.60	25,883.36	48,945.07
Week of Dedication	4,719.09	3,005.28	8,362.91
World Communion (FSS)	7,845.52	7,412.22	7,764.70
Radio and T.V.	2,530.11	1,951.61	2,715.96
Wesley Foundation	16,990.82	17,106.36	23,589.14
Colleges	50,765.09	32,552.91	54,964.58
Alaska College	4,022.97	3,431.12	7,464.95
Interdenominational Cooperation	3,431.12	3,431.12	5,882.00
India Famine Relief	133.24		
Conference Builders Club	3,044.50		

We are especially proud of the wholehearted support being given the special \$150,000 Campaign for Glen Lake and Student Centers, the \$32,084.24 already paid this year indicating that we will complete the campaign on schedule (within this quadrennium). We commend our Churches for the excellent payments to our Methodist Colleges and Wesley Foundations. We lead the Conferences of the State in giving to our Institutions of higher learning, paying fifty cents per member last year. All our districts except one are above the state level. We are on our way to reaching the goal of \$1.00 per member. According to the General Conference standard we, as a conference, have already reached thirty cents per member in Wesley Foundation giving, but we ask each church to increase its giving until every church is paying the full thirty cents per member. Mr. Roy Farrow deserves much credit for this enviable record due to services rendered local churches in financial campaigns with the corresponding good will created between the local church and our colleges.

Our benevolence needs are great, and since our own Bishop Martin is President of the General Commission on Promotion and Cultivation, each church has added incentive to observe each Cause at the appointed time—keeping an schedule. Let every church practice Christian Stewardship with the Tithe as the minimum standard of giving, using the Every Member Canvass as the method of implementation and all our benevolent programs will have adequate funds to do our Father's Work and Will.

COMMISSION ON CHRISTIAN VOCATIONS

In the field of church-related Christian Vocations, much more is being said than is being done. Your Annual Conference Commission realizes something of the vastness of the possibilities involved here and proposes to do something about it.

Leaders tell us that annual recruitment needs of our Church are:

Ministers	
For Replacement	1200
For Advance	1600
Deaconesses	100
Directors of Christian Education	250
Christian Campus Leaders	245
Nurses	3000
Other Medical and Social Workers	1000
Missionaries	350

A survey of 2000 Life Service Volunteers shows, and we think correctly, that 73% had taken this step because of the influence of the local church and their homes.

We are also aware that interested youth need guidance and counseling, not one time, but continually. We ask that every local church set up a Committee on Christian Vocations. No more important task confronts the pastor and local church than interpreting the call of God to eager Christian youth.

Your commission made a beginning, in what we consider, our sphere of responsibility by holding a Conference on Christian Vocations at Texas Wesleyan College on April 25-26 this year. We contemplate a similar conference next year that shall be better planned and executed. The date is April 10-11.

We stand ready to assist any youth preparing for a church-related vocation with any help at our disposal. It is a privilege for our commission to cooperate with any and all Boards who have a recruitment responsibility.

CONFERENCE BROTHERHOOD

At the last session of the Central Texas Conference in 1957 a committee was appointed to study and set up a new plan for our Brotherhood and present this plan at the next session of the Annual Conference. A new plan became necessary because of the action taken by our members in their vote to withdraw from the North Texas Division and the Southwest Texas Division of The Methodist Ministers United Brotherhood. The following are members of this committee: S. A. Baker, W. V. Bane, E. F. Bohmfalk, R. H. Boyd, R. A. Brooks, Jr., James M. Cooper, Hayden Edwards, A. S. Gafford, Floyd Johnson, H. B. Loyd, D. L. McCree, J. C. Oglesby, P. E. Riley, J. W. Sprinkle, Oran Stephens, Bruce Weaver, J. D. F. Williams, J. W. Whitefield, and C. D. Wooten.

This committee met in First Methodist Church, Hillsboro, Texas, on November 18, 1957, and several plans were presented, discussed, and committee appointed to go into each of the plans presented. At three other meetings of this committee each of these plans were thoroughly discussed but none received a majority vote of the committee.

The following compromise program was agreed upon and is hereby recommended to the conference:

(1) In order to emphasize the spirit of brotherhood rather than insurance, be it recommended that at the death of any ministerial member of our annual conference or approved supply pastor or their wives or widow or any other participating member of the former brotherhood in good standing as of June 1, 1958, a Brotherhood call shall be issued.

(2) The amount of the call will be one dollar for single men and two dollars for married men.

(3) That 30 days shall be allowed for remittance of this call after which the secretary shall make the proper distribution of the funds received.

(4) The expense of mailing and processing the call, as determined by the executive committee, will be deducted from the total amount received.

(5) Non-payment of the call does not eliminate any person from participation in the Brotherhood either from receiving notices of the call or from death benefits. Provided, further, that in the payment of death benefits, an amount equivalent to the calls not paid, shall be deducted and placed in the Reserve Fund.

If this recommendation is approved, a revision of our constitution in keeping thereby will be presented for approval.

METHODIST MINISTERS UNITED BROTHERHOOD

(Central Texas Division)

Report of Secretary-Treasurer

June 1, 1958

To The Members,
Central Texas Division
Methodist Ministers United Brotherhood

Dear Fellow Members:

There were fifteen deaths in the Brotherhood this year, the number being divided among the divisions as follows: Central Texas Division, nine; North Texas Division, two; and, Southwest Texas Division, four. No deaths have been reported thus far for the coming year.

There are now 269 members in the Central Texas Division of the Brotherhood, 212 members in the Southwest Texas Division, and 91 in the North Texas Division.

At the last session of our annual conference the members of this division voted to withdraw from the other divisions of the Methodist Ministers United Brotherhood effective June 1, 1958. A new plan for our own division will be presented at this annual conference for your approval.

It is hoped that this new plan will bring greater participation from the members of our conference in showing a true spirit of Brotherhood when bereavement comes to our parsonage homes. The Brotherhood is an organized way of showing our fellow ministers and their families that we care and are concerned when death comes to their homes. We urge every ministerial member of this conference and their wives to become participating members of this Brotherhood.

The average benefit paid to beneficiaries of the Central Texas Division this year was \$566.50.

The committee appointed to audit the books of Rev. R. A. Brooks, Jr., Secretary-Treasurer of the Methodist Brotherhood, reports that the books, checks, and bank statements were examined by the committee on June 3, 1958, and were found to be in excellent order. DEACONESS BOARD

The Deaconess Board of the Central Texas Conference has shared this year in the holding of a Christian Vocation Conference at Texas Wesleyan College by providing funds and leadership as necessary. This has proved to be a fine precedent to awaken a concern in the minds of Methodists for encouraging more youth to enter this field of service. The program for the immediate future provides for the cultivation of all chairmen of Christian Vocations Committees in

local churches so that the program of Service in all areas can be presented to the youth of every church.

Other plans being considered include participation in the Mission Tour for youth, directed by Mrs. Roy Johnson, and the possibility of a summer work camp in our conference as a part of the church's mission education program. Churches are encouraged to use representatives of other countries who are visiting this nation on scholarship or under the auspices of the various agencies of the Methodist Church.

BOARD OF EDUCATION

Report No. 1

The Board of Education accomplishes the major portion of its work through its functional committees. The reports of these committees for 1957-58 follow:

Camp Committee Report

In keeping with the action of the 1957 session of the Annual Conference a tract of 171 acres of land some six miles from Glen Rose along the Brazos River has been purchased for a camp site to supplement and give variety to the camping program now being done at Glen Lake. The cost of the property was \$12,000.00. It is near the small community of Rainbow, and the camp committee has suggested it be named "Rainbow Methodist Camp." Dr. L. B. Shorpe of Columbia University, a specialist in outdoor education, spent four days recently with our camp committee surveying and studying the site and making recommendations as to how best to use and develop it for Christian education through real camping. Selected adult leaders are being trained in various camping institutes, and in June we are to have a camp at the new site for some 25 chosen adults under the direction of Miss Elizabeth Brown of Nashville. In July it is planned to have a pilot camp for young people. The committee expects to provide equipment and permanent buildings gradually and according to plan as the outdoor camping program is developed.

At the Glen Lake Camp total attendance has been some 700 more than for the previous year. Junior camps especially have had to be limited in enrollment. Not only have we had our regular Methodist camps during the summer season but more and more other responsible groups have been asking for our facilities when there are open dates in the fall and winter. An additional room and bath have been added to the superintendent's home. Improvements have been made in dining room and kitchen facilities largely through a generous gift of valuable equipment from T.W.C. estimated to be worth at least \$1700.00. Steps are now being taken to control seepage and silt in the swimming pool and to develop a method of draining and cleaning the pool. This has been a difficult problem for several years.

We are grateful to Mr. and Mrs. Tom Voss for the effective leadership and service they are giving. Their responsibilities have been increasing with the acquisition and development of the new Rainbow Camp site. In all things they manifest a joyful consecration to their tasks.

Financial records are audited regularly by the conference auditors.

The name of D. L. McCree and Clyde Weatherby are submitted as nominees for reelection as trustees with terms expiring in 1961.

Schools and Colleges Committee Report

We have received the audit reports from Southern Methodist University, Southwestern University and Texas Wesleyan College, and are gratified by the progress of each institution. Southern Methodist University has just completed Shettles Hall for women and the Electronics Computing Center. The \$600,000 Bishops Memorial Union at Southwestern University was dedicated on April 26, 1958. It will add greatly to the recreational and social facilities of the campus. Texas Wesleyan College is enjoying the use of the new Armstrong Library opened in the summer of 1957, as well as the new Men's Dormitory, cafeteria and the Elizabeth Meons Armstrong Hall for women opened in October, 1957.

Southern Methodist University has an enrollment of 6763 students with 439 in the Perkins School of Theology. Southwestern University has a total enrollment of 590 students with 66 indicating their purpose to be ministerial students and 58 to be life service students. Texas Wesleyan College has an enrollment of 1200 students of which 90 are ministerial students, 53 of which are studying for the Methodist ministry.

The nominations for the Board of Trustees are as follows:

Texas Wesleyan College, for the three-year term of 1958-61: Dr. R. C. Edwards, Stephenville, Texas; Mr. A. O. Evons, Fort Worth, Texas; Dr. Gaston Foote, Fort Worth, Texas.

Southern Methodist University: Dr. W. W. Word, Fort Worth, Texas; Mr. Tommy Vondergriff, Arlington, Texas.

Southwestern University: W. W. Dees, Brownwood, Texas.

Interconference Board of Trustees, Texas Methodist Student Movement: Annual Conference Representatives: Mr. J. Lamar Stuckert, Fort Worth, Texas; Rev. Leslie Seymour, Waco, Texas. Members-at-large, elected by the Board of Trustees, but approved by the Annual Conference: Rev. Jackson Oglesby, Rev. W. H. Cole.

We are gratified to report that through the able leadership of the Texas Methodist College Association an increasing number of churches, according to Conference action, are paying \$1 per member to our institutions of learning. We are also gratified by the increasing number of churches which pay 30c per member to the Wesley Foundation. We believe these financial obligations should be placed in the budget of the local church, since the causes represented are so vital to the church's future.

It is with a deep sense of appreciation that we observe the splendid manner in which the churches of the conference are meeting the needs for improvements of the various facilities on the college campuses. Through the funds realized from the special campaign authorized by the 1957 session of the Conference, these needs will ultimately be met.

The Local Church Committee Report

So far as time is concerned, we have reached the half-way mark in the quadrennial emphasis on (1) The Work of the Local Church, and (2) Christian education. As a matter of practical procedure, however, this emphasis must never be lessened, and this effort must never slack.

The local church is progressively encompassing the earth, and Christian education must progressively encompass the total life of the local church. To this end we offer the following helpful guiding principles.

A. The Local Congregation

1. Each Local Church should have an active Commission on Education which should meet monthly. Workers Conferences should be held quarterly.

There should be a Council of Children's Workers, a Council of Youth Workers, and a Council of Adult Workers except in the very smallest of churches. These should meet regularly to plan and promote the work of their respective divisions.

For this quadrennium, there are special "Self-Study" materials available for the Commission on Education, and for Adult Work and Youth Work. These should be helpful when used again and again.

2. Summer activities in the local church may well include:

- (a) A two weeks' Vacation Church School in every church.
- (b) A Christian Adventure Week for Intermediates.
- (c) A Youth Activities Week.
- (d) Perhaps a program of Day Camps, and certainly participation in the district and conference camping and assembly program.

3. We are glad to see the increasing emphasis on leadership education on the local church level.

These training periods may be held at the Sunday School hour, at the Evening Fellowship Hour, on a series of nights in a week, or perhaps one night a week for a series of weeks.

Some find it helpful to vary the time or approach. For instance, one church found that the "Toastmaster Club" technique may be adapted to Christian leadership education, with good results.

The district and conference education staffs will be glad to assist with suggestions and materials, including visual aids.

4. Courses in the Doctrine and Organization of The Methodist Church may well be conducted in each local church.

5. All church school teachers are urged to work with their pastors in striving to lead all pupils into a meaningful Christian experience, and those above Primary Department, into vital church membership.

Every pastor is called upon to make the most of preparatory classes, providing membership training for juniors, youth, and adults, using the membership manuals provided by The Methodist Church. A class with one teacher and one pupil is much better than no class at all.

6. We recommend that every church considering building or remodeling of Christian Education facilities consult the Conference Board or General Board of Education for suggestions and guidance.

7. We urge all churches to be represented at all age levels in the various connectional meetings of the church both within and beyond the Conference level. These are growing experiences for the individual, and are vital to the church.

8. We urge a thorough observance of Rally Day the third Sunday in September, and Promotion Day the fourth Sunday in September, or on days appropriately chosen by the church.

We further recommend that 5c per church member be set as the minimum for the Rally Day offering, on which our district and conference leadership training must rely for support. We further urge that this be placed in the local church budget.

B. District Connectional

1. In each District there shall be a staff of Christian Education which should include the District Superintendent, a Director of General Church School Work, a Director of Adult Work, a Director of Youth Work, a Director of Children's Work, the District Youth Secretary of the W. S. C. S., the District Secretary of Children's Work of the W.S.C.S., the District and Sub-District Presidents of the M. Y. F., and any corresponding officers of other age groups.

2. We recommend that soon after Annual Conference the Conference Staff and all District Staffs meet together, at the same time and place, at which time the staffs will be oriented and given guidance. District and Sub-District Training Schools and Camps may be set up at this time.

3. We would stress the important opportunities afforded in Leadership Training through Local, Sub-District and District Schools, through Assemblies, Conference Camps and Workshops. We urge all Pastors and Local Commissions on Education to do everything possible to get workers and prospective workers to take full advantage of Leadership Training.

4. We recommend that each District Staff consider the advisability of a distinct "Bible Conference" or conference, separate from the Training Schools. This may be on a District or Sub-District basis. Some financial assistance and leadership assistance is available from the General Board of Education for such conferences.

5. We urge at least one Workshop in each District or Sub-District each year, which may include workers in all age groups. These would be under the District Staff, assisted by the Conference Staff.

6. We suggest that, during the year, an Adult Fellowship Meeting be held in each District, particularly for leaders of adults in the Church School.

C. Broadly Connectional

1. May we also unite solidly as an Annual Conference, under the leadership of our Conference Board of Education and its staff, in furthering an effective program of Christian education and leadership training within the Conference, for the benefit of the local churches and their people.

2. Let us take full advantage of the services, opportunities, and materials constantly provided by the General and Jurisdictional Boards of Education and the Methodist Publishing House. Effective, informed Methodists should be making the best possible use of the Methodist Church School literature and other Methodist materials.

BOARD OF EVANGELISM

Report No. 1

The Board of Evangelism of the Central Texas Conference reports the following projects accomplished during the past conference year. In cooperation with the other annual conferences of Texas we joined in a "Tell Texas About Christ" crusade under the direction of Bishops William C. Martin and A. Frank Smith. We feel highly honored that one of our own conference men, Rev. Quay Parmer, was chosen as Director of this endeavor. At this time we are approaching the mid point of this crusade and feel the accomplishments have been many. It is always realized that statistics can never reveal the entire achievements in the field of evangelism. For in an undertaking of this nature seeds have been planted that can only be reaped at a later harvest time. But statistics do tell a portion of the accomplishments which have been made.

The months of October and November saw the completion of District Workshops on Evangelism in each of the ten districts of our conference. There was good attendance in each workshop with the purpose to train each preacher and his laymen and laywomen in the **Manual For The Local Church Commission on Membership and Evangelism.**

December was the month that Christ in Christmas was magnified. The closing day of the year saw 205 churches of our conference participate in a twelve hour prayer vigil. 264 churches with a total of 13,674 people observed New Year's Eve with a Watch Night Service. The central part of the service was a message by Bishops Martin and Smith followed by Holy Communion.

January saw the beginning of the Church Attendance Crusade and throughout our great state a census was completed which showed thousands of prospects that needed to be won for Christ. The month of February was the month of Bible reading and preparation for the Great Day of Witnessing which started the Nation Wide Week of Evangelism March 2-9. On this day thousands of Methodist men knocked on doors, winning people to Christ and His church. The remainder of this conference year saw the reception of these individuals into the fellowship of the church.

With the completion of these events we find our Crusade nearly half completed. Conference this year is designed to magnify our major emphasis for 1958—Evangelism. Tuesday afternoon and evening, June 3rd, have been devoted to this work. Our afternoon schedule is as follows:

2:00 - 2:30 Brief Reports from "Tell Texas About Christ" crusade.

	Group A	Group B	Group C
2:30 - 2:55	Berlyn Farris	Lawrence Lacour	Eugene Golay
2:55 - 3:15	Discussion	Discussion	Discussion
3:20 - 3:45	Eugene Golay	Berlyn Farris	Lawrence Lacour
3:45 - 4:05	Discussion	Discussion	Discussion
Break			
4:10 - 4:35	Lawrence Lacour	Eugene Golay	Berlyn Farris
4:35 - 5:00	Discussion	Discussion	Discussion

Berlyn Farris—The District As A Unit of Evangelism.

Eugene Golay—The Local Church and Evangelism.

Lawrence Lacour—Pulpit Evangelism.

Then on Tuesday evening, June 3rd, there will be conducted a great evangelistic rally with as many members of the local church Commission on Membership and Evangelism present as possible.

July 3, 4, 5 and 6 is the time that the National Convocation on Evangelism in the Local Church will be held in Washington, D. C. The Board of Evangelism is sending its Executive Committee to be trained in this aspect and is asking each district to send its District Secretary of Evangelism and share in his expenses to the extent of \$125.00. We most heartily recommend that each local church send its pastor and one lay person to this convocation and share in their expenses.

Our conference board feels that for a thorough program of evangelism to be accomplished in the local church our conference and district leaders in this field must continually be trained. We are recommending the continuance of the scholarship program to send our Chairman, Secretary of the Board, and the ten District Secretaries of Evangelism to the Jurisdictional Workshop at Mt. Sequoyah. To implement the program in our own conference we are recommending that in the month of September a conference wide school of evangelism be combined with the Spiritual Life Retreat or an Inter-Board Workshop be held with evangelism as one of the major subjects.

During the months of October and November we suggest District Workshops on Evangelism to train our laymen and women in the great work of winning people to Christ. This will be conducted under the guidance of the District Superintendent and the District Secretary of Evangelism.

To enlarge the work of Promotional Activities at conference and to provide a seasonal newsletter of interest which is so vital to the evangelistic cause we are recommending Charles Whittle, Vice Chairman of the Conference Board. To assist him in this work we are nominating H. F. Meier, to be in charge of personnel, W. A. Flynn, materials and Raymond Burton, finance.

We are submitting to the annual conference the suggestions of the Texas Planning Commission with the following action taken. Each section of this recommendation was considered separately.

1. We recommend a Texas Council on Evangelism, similar to the Executive Committee which has operated this year, which has provided an effective means of concerted thinking and unified action. The council may well be constituted of the Bishops and the following representatives from each conference:

The Chairman of the Conference Board of Evangelism.

The Conference Secretary of Evangelism.

A District Superintendent from each Cabinet.

The Conference Executive Secretary (Ex-officio).

2. There has been a tremendous advantage and potential in the matter of having a Central Texas budget on evangelistic publicity, program and State-wide projects. This we suggest as of high worth and recommend for continuance.
3. There is an urgent need for accelerated and intensified conference programs of evangelism, directed by the Conference Board together with the District Secretaries and local church commissions on Membership and Evangelism.

These previous three sections are given to the Annual Conference with a recommendation of "concurrence."

4. "In the absence of an opportunity to consider an Area-wide plan of evangelism, we recommend that our Conference Board of Evangelism be authorized to confer with the other two Conference Boards of Evangelism to provide such a program, with the understanding that it will not involve a conference financial appropriation.

It is further recommended that the State Convocation which has been recommended by the Texas Planning Commission be handled in the same fashion."

Our Budget

Publicity and Promotion	\$ 550.00
Texas Council of Evangelism	200.00
Travel and incidental expenses of Conference Secretary and Board Officers	280.00
National Council of Evangelism	20.00
12 Scholarships to Jurisdictional Workshop on Evangelism, Mt. Sequoyah	600.00

4 Scholarships to National Convocation on Evangelism, Washington, D. C., July 3-6, 1958.....	250.00
Total.....	<u>\$1,900.00</u>

We are requesting the General Board of Evangelism send to each of our pastors the "Glad Tidings" leaflet.

We cannot express too highly our appreciation for the splendid leadership given in this great year of evangelism by our beloved Bishop Martin and the Reverend Quay Parmer, Director.

We recommend to the cabinet the appointment of J. Lester Davenport, as Conference Secretary of Evangelism.

HISTORICAL COMMITTEE

Some years ago the five Annual Conferences of Texas authorized the writing and publication of a "History of Texas Methodism" covering the years of 1900 to 1950. The manuscript is now being written and will go to the printer January 1, 1959 for publication. The special committee assigned the duty of preparing the material and publication of such a History now plan to have the book distributed at the Annual Conferences of 1959.

COMMITTEE ON HOSPITALIZATION INSURANCE

Your Special Committee appointed at the last session of the Annual Conference to study two suggested plans of hospitalization insurance for the ministerial members of the conference and through the District Superintendents to determine the choice between two agencies makes this report.

A special meeting with the representatives of Blue Cross and Ministers Life and Casualty Union was held in Cleburne, and after thorough consideration, the plan offered by the Ministers Life and Casualty Union, of Minneapolis, Minn., was favored. This recommendation was then presented to a meeting of the District Superintendents, and was unanimously adopted.

In the meantime, as a result of this study, Blue Cross waived the requirement of a certain percentage of ministers to be enrolled in order the group to be continued. So a number of ministers were allowed to continue in Blue Cross, if they so elected to do so.

Letters were sent to all ministerial members of the annual conference, including approved supply pastors, and 162 members elected to participate in Group Plan of the Ministers Life and Casualty Union. No members have dropped out during the year. There have been paid on claims to our group since last October a total of \$6,141.03. These claims have ranged from \$10.00 to \$490.49.

The membership closed on October 15th but new members of the conference (including approved supply pastors) have ninety days after coming into such connection in which they are eligible to become a part of the group insurance plan with Ministers Life and Casualty Union. Such persons interested

may contact the members of this Committee, or the MLCU representative, Roy Kilgore, 5720 Lenore St., Fort Worth, Texas.

We also call attention that members of the group who marry after becoming a participant in the group plan may enroll their wives in the group policy without any limitations provided they make application for the extension within sixty days after marriage.

BOARD OF HOSPITALS AND HOMES

Report No. 1

We are moving into an era of expansion in the area of Hospitals and Homes in the Central Texas Conference. A growing number of representatives of our institutions are attending the national convention of Methodist Hospitals and Homes where the latest and best developments in hospitals and home operations are presented. Howard Patterson, a lay member of our conference board, attended the last national convention at his own expense.

A closer relation between our conference board and our hospital and homes is being developed. We have elected members of the conference board to attend board meetings of our respective institutions at their invitation as follows: Harris Hospital, Morton Gauze Ware; Retired Ministers Homes, Wesley Williams; Texas Mission Home and Training School, Tim Williams; Methodist Home at Waco, Richard Millsap; Wesleyan Homes for Older People, Howard Patterson.

We have elected the following Study Committee to become better acquainted with the successful operation of Hospitals and Homes in other areas as well as in our own conference: C. D. Wooten, Clyde Hayes and Dr. E. E. Addy. For Publicity and Promotion in our conference we have elected: R. H. Price, W. A. Browder and Robert Walker.

We sense a trend toward a united approach of our hospitals and homes to our local churches such as has occurred in the united front now presented by our colleges and Wesley Foundations, and as indicated by the Discipline for Golden Cross promotion. We do not believe the time has arrived for such an approach in our conference, but we see the possibility of such a future development.

We appreciate the progress made by the Trustees of Wesleyan Homes, Inc. toward the establishment of a home for the aged. We recommend a debt ceiling of \$750,000.00 be allowed Wesleyan Homes, Inc. and a continuation of \$1,500.00 in our conference budget toward their operating expense.

We nominate the following to the Board of Trustees of Wesleyan Homes, Inc.: Maggart Howell in place of Howard Knox, 1959; J. W. (Bill) Moore, 1960, in place of Lawrence J. Moore; J. Lester Davenport, R. C. Edwards, Carroll H. Thompson, Richard R. Smith III, O. C. Armstrong, C. T. James, Dr. Judge Lyle and R. W. Fuller, 1961.

We nominate Wesley Williams, 1960, in place of C. Y. Butler, retired, and Gaither Day 1964, in place of E. H. Lightfoot, retiring at this session of the annual conference, and Morton Gauze Ware, 1964 on the Conference Board of Hospitals and Homes.

We are honored to have Dr. Olin E. Oeschger, General Secretary of the Board of Hospitals and Homes of the Methodist Church, with us today to address the conference in connection with our report.

BOARD OF HOSPITALS AND HOMES**Report No. 2****Harris Hospital**

In Memoriam

Preceding any formal report to the Central Texas Conference of The Methodist Church, we must regretfully advise the Conference of the passing of Charles Houston Harris, M.D.

Dr. Harris has been a friend to this Hospital and to Methodism throughout his long life. His contributions, both in time and money, have been generous. He has endowed our Horris College of Nursing for the future education of young women.

His wise counsel will always be missed.

The Board of Trustees and the Administrator respectfully submit a report of the operations and activities of Harris Hospital for the Fiscal Year ended September 30, 1957.

Patient Care Factors:

The continuing population growth of Fort Worth and Tarrant County has directly influenced the amount of service rendered to patients during this last Fiscal Year.

The **adult** patient-days increased 8,992 over the previous year, reflecting a total of 128,191 days of patient care. The **newborn** patient-days of care increased by 3,325 to a new high of 23,368. These increased days reflected an increase of 824 deliveries over the previous year, making the total the highest in the history of Horris Hospital—5,076 deliveries, during the Fiscal Year ended September 30, 1957.

Major and minor surgical procedures increased by 839. This is a larger increase than was observed in last year's Report. However, the number of minor procedures, as related to major, increased more significantly.

The average length of stay was 6.0 days per patient, or exactly the same as that of last year.

During the last Fiscal Year, we admitted 25,931 patients for an increase of 3,054 over the past Fiscal Year. These admissions resulted in 151,559 days of care to adults and newborn. This was an increase of 12,317 over the previous year.

Generally, it can be pointed out that the increased population of this area has resulted in an occupancy figure 6 percentage points higher than the previous year's.

In view of the present construction programs of the local hospitals, it appears that no additional beds will be made available to the public for a period of at least 12 months. Realizing that there is an expected increase in population growth in this area during the coming 12 months, we can only look forward to much more crowded conditions this coming year than in the past.

New Improvements:

1. **The Fort Worth Foundation for Medical Education and Research:** (formerly Fort Worth Laboratory for Surgical Research).

The Fort Worth Laboratory for Medical Education and Research was placed into operation during this last Fiscal Year. The formal dedication of this building is expected to be accomplished in the near future.

The Foundation has been established in order to supervise the operation of this Laboratory, and certain negotiations are now under way with the Southwestern Medical School of the University of Texas concerning the affiliation of this Foundation and the Medical Staff.

2. **Acquisition of Land:** During the last Fiscal Year, the Board of Trustees purchased 7,000 square feet of property at 1407 Pruitt Street (Lots 15 and 16, Block 2, Grandview Addition) at a cost of \$21,000. This property, formerly known as the Oxsheer property, was considered essential by the Board for the future expansion of the Hospital.

3. **New Equipment:** During the period of consideration, the Trustees authorized the purchase of \$178,217.55 worth of Movable Equipment, and \$29,964.72 of Fixed Equipment.

Golden Cross Service:

The Golden Cross program of our Church is one which concretely assists many of our less fortunate citizens. Although the statistics following show many persons were given assistance, this facility is very much in need of expansion.

During the last Fiscal Year, the Golden Cross program included 599 adult patients for 4,927 hospital days of care, and 165 newborn for 680 hospital days of care. The overall total is 764 adult and newborn patients, for 5,607 hospital days of care.

The Out-Patient visits totaled 3,863, with 2,591 patients registered.

The Board of Trustees has tentatively approved and scheduled additional out-patient physical facilities in the overall expansion program. The monetary support of this operation must be taken into consideration, not only by the Hospital but also by the Conference which supports the program.

During the past year, the gross cost of this program to the Hospital was \$159,523.03. We received from part-pay patients \$29,563.27 and contributions from individuals and the Central Texas Conference of \$10,392.98. This resulted in a net cost of \$119,566.78, chargeable to the Operating Fund of the Hospital.

The Trustees of the Hospital sincerely appreciate the support of the Conference, and trust that the Conference will find it possible during this coming year to increase its support of the Golden Cross Program.

Immediate Construction and Future Planning:

1. **Power Plant:** During the month of December, 1957, the Texas State Board of Health in Austin announced the allocation of \$300,000 to Harris Hospital for the construction of a Power Plant, which is estimated to cost \$600,000.

Plans and specifications have been prepared, and were submitted for bids during the month of May, 1958. It is anticipated that it will take 10 months to complete this next phase of our expansion program. All the funds for this phase are presently on hand.

2. **Expansion of Ancillary Facilities:** The Hospital now is reviewing completely its plans for the expansion of ancillary facilities, which must be the next step in the overall expansion program; for, before we can service additional hospital beds, per se, we must have the supporting facilities.

This addition of facilities presently is estimated to cost \$1,500,000, and funds for this phase must be secured.

3. **Maternity Hospital Building:** The steadily-increasing number of maternity cases admitted each year further serves to emphasize the need for additional maternity facilities. Although the highest birth rate predicted is to occur in about 1960, it is only prudent that planning for this increased demand be done now.

This Maternity Hospital Building, as reported last year, is to be constructed directly South of the main Hospital building and will be connected to the Hospital by means of a tunnel.

This Building is presently estimated to cost \$2,200,000 and funds are not immediately available.

These new facilities will utilize the expanded service facilities mentioned earlier in this Report.

Financing of Construction:

In order to proceed with the planning and construction of the overall program, the Board of Trustees is considering a fund-raising campaign in January of 1959. It is apparent, however, that sufficient interim financing must be made possible.

Request to the Annual Conference:

In 1956 the Conference approved the request of the Board of Trustees to encumber the Hospital property in an amount not to exceed \$500,000.

The Board of Trustees of Harris Hospital would like to request the Annual Conference to extend this permission to encumber the Hospital property to an amount not to exceed \$1,000,000.

This change is necessary, as the Conference will immediately recognize, because of the cost of the programs projected, the need for interim financing, and the inevitable lag in receiving funds from any general solicitation.

Request to the Annual Conference:

The Board of Trustees would like the Annual Conference to recognize the long and faithful service of the Honorable J. R. Edwards, who recently was elected the first Trustee Emeritus of the Hospital.

The Board of Trustees has long been aware of the very valuable services of its members who are not affiliated with The Methodist Church. The Board of Trustees has officially recognized the valuable contributions of time and energy of these non-Methodist members.

In order to give the recognition of these services, the Trustees respectfully request that the Conference officially recognize and formally acknowledge the valuable Trusteeship of the following individuals:

- Mr. Sol Brachman, Jewish.
- Mr. E. B. Ingram, Baptist.
- Mr. Melvin Miller, Presbyterian.
- Mr. I. C. Parker, Baptist.

Nominations and Appointments:

The Board of Trustees of Harris Hospital respectfully nominates, for Conference election, the following-named individuals for Board Membership, their terms to expire in 1961:

1. Mr. O. C. Armstrong, Fort Worth, Texas.
2. Mr. C. A. Blanton, Fort Worth, Texas.
3. Mr. Raymond Gee, Fort Worth, Texas.
4. Mr. W. O. Jones, Fort Worth, Texas.
5. Mr. Marvin Leonord, Fort Worth, Texas.
6. Dr. H. Brown Loyd, Fort Worth, Texas.
7. Mr. J. Robert Morsholl, Hillsboro, Texas.
8. Mr. George Scaling, Fort Worth, Texas.
9. Dr. Hubert C. Smith, Cleburne, Texas.

The Board of Trustees requests the Bishop and his Cabinet to appoint Rev. W. W. Ward as Commissioner-Chaplain for another year, and Rev. James B. Ansley as Associate Chaplain for the coming year.

Since the operation and the constant improvement of the operation of an endeavor of this magnitude is a source of concern to the Trustees, the Medical Staff, and the personnel of the Hospital, the continued moral and concrete expression of support from the Ministers and Laymen of the Central Texas Conference is deeply appreciated.

BOARD OF HOSPITALS AND HOMES**Report No. 3****Report of Hospital Commissioner—Chaplain****Golden Cross**

Through Golden Cross Service, the churches of our Conference have served in the capacity of the Good Samaritan, helping the unfortunate who need medical assistance. This Service offers an extensive program of diagnostic and medical treatment through the Hospital's Out Patient Clinic. During the last fiscal year the Clinic provided medical assistance to 3,863 people, 599 of whom were admitted to the Hospital.

A great majority of these people came from the Greater Fort Worth area because of the congested population. Many, however, were referred by our Methodist pastors from over the Conference. It is most gratifying to see such people rehabilitated and return to normal and active life as the result of Golden Cross Service.

At this time there is an unusually heavy demand for medical assistance through Golden Cross Service because of the present unemployment situation. Many people who, under normal conditions, could finance their medical needs are now without an income and find themselves in a distressing situation. There are those who are seriously ill or who need emergency surgery but cannot arrange for extended credit. Such cases are placing a great financial strain upon the administration of the Hospital and the Golden Cross Service.

Last year the gross cost of Golden Cross was \$159,834.12 and it looks as if the amount will go even higher this year. Therefore, the need for a more

generous offering from our churches is imperative to meet the requirements of our Church's Hospital.

Recently an appeal was made to our pastors and their Official Boards to include Golden Cross in their Budget for the year ahead, a minimum of 25 cents per member or take an offering in November of an amount equal to 25 cents per member.

Chaplains Report

The duties of the Commissioner-Chaplain have grown during the past eight years, thus necessitating the need for an Associate Chaplain. Reverend James B. Ansley came to the Hospital October 1, 1957 to fill this need and as Associate Chaplain is rendering a very fine service to patients, employees and the Medical Staff. He brings to this field of service a rich experience in counselling as former Associate Pastor of First Methodist Church, Fort Worth. Both of us who serve as Chaplains are available to fill the pulpits of our pastors when an emergency arises on the basis of actual travel expense.

Recommendations

1. That each church include in its budget for the new year, a minimum amount equal to 25 cents per member.
2. That the month of November be designated as Golden Cross Month and the pastors distribute to his people the literature furnished by the Hospital as a means of information concerning their Hospital and Golden Cross Service.
3. Where Golden Cross is not included in the budget, each church observe a Sunday in November and take an offering for Golden Cross equal to a minimum of 25 cents per member.
4. That all Golden Cross funds be sent to the Conference Treasurer.

Nurses Home

We rejoice to announce that the campaign for funds with which to construct a new dormitory for student nurses has been completed. The Trustees, Administrator and the Commissioner wish to register their profound gratitude to the pastors and members of our churches throughout the Conference for the splendid cooperation and the response to our appeal for funds.

Originally the plans for constructing the dormitory called for \$500,000.00 distributed as follows. \$100,000.00 from the eight districts outside of Fort Worth, \$100,000.00 from the two Fort Worth districts, and \$300,000.00 to be raised from other sources. To date the eight districts outside of Fort Worth have contributed \$104,858.93, whereas the two Fort Worth districts as yet have not reached their goal.

The \$300,000.00 to be raised from other sources has not been secured as of this date. At the outset it was proposed to raise this amount in Fort Worth. However, when plans were being formulated for such a campaign, it was discovered that the Hospital had a five-year agreement with the business men of the City that no campaign for funds would be projected for five years, a period agreed upon when the major campaign was projected to assist all of the hospitals in Fort Worth in the amount of \$4,000,000.00. The privilege of a campaign by special permission, we thought, had been granted the Hospital, but a request was made it was stated that a gift from a single donor could be accepted but a general campaign could not be conducted.

Permission has been requested to project a campaign for expanding facilities and providing additional beds for Harris Hospital sometime in the near future. At that time the \$300,000.00 may be included for the New Nurses Dormitory.

The Hospital has been granted a loan of \$500,000.00 from the Federal Government to be re-paid over a long period of time. This will enable immediate construction of the dormitory with the privilege of repaying the loan out of any funds received from the campaign. Thus, we hope to have the new dormitory ready for occupancy by September 1959.

Field Representative

Reverend Chet C. Henson continues to serve as Field Representative of the Hospital. He has filled many pulpits of our churches and we appreciate the cooperation of our pastors in making possible his presence and pulpit ministry. Dr. Henson is giving his time to securing scholarships for student nurses, acquainting our Methodist people with their Hospital and its wide services and urging our people to place the Hospital in their Will.

Scholarships

The College of Nursing is enrolling more fine young women to study nursing. However, so many of these young women lack sufficient funds to pay for the entire cost. Through scholarships, provided by many of our churches, Sunday School classes and individuals, we have been able to give assistance to some thirty-four young women. We urge our pastors to bring this matter to the attention of their several groups and help us secure more \$50.00, \$100.00 and \$200.00 scholarships. The gifts may be distributed in quarterly payments or agreement made to satisfy the donor.

All money for scholarships should be sent to Rev. W. W. Ward, Harris Hospital, Fort Worth, Texas.

Prior to annual Conference, pastors from whose churches scholarships have been received, will be furnished a report of money received for scholarships that he may include this in his report to the Conference.

W. W. WARD, Commissioner-Chaplain

BOARD OF HOSPITALS AND HOMES

Report No. 4

Texas Mission Home and Training School

Your Texas Mission Home continues to render an enlarging service on the problems of unwed motherhood and adoption services. With our expanded facilities we have been able to serve 129 young women from 61 counties of Texas and 9 other states during the first ten and one-half months of the 1957-58 Conference Year. During this same period a total of 87 babies have been placed throughout Texas in choice Christian homes; 98% of these homes have been Methodist.

We want to call special attention to the detailed report from our HOME as it applies to this Conference because it contains full information concerning how your Conference shared in this vital program.

We recommend:

First: That Sunday, September 28th, 1958, be designated as the **Special Day** for each church to receive an offering for the support of the Texas Mission Home. If a church has placed the support of the HOME in its budget, we earnestly request that the pastor make a statement to his congregation on the above date, explaining the services rendered by the HOME and also explain how the Church supports the HOME.

Second: Because the unmarried mother is a frightened, confused and emotionally upset young woman, seeking desperately for an answer to her problems of medical care, secrecy and a good plan for her baby, she often turns to unscrupulous persons. A careful understanding of the policies of this HOME will enable any pastor to be of great help to such girls and their families in such emergencies. The Local Church Key Woman of the Conference Women's Auxiliary of the HOME can be of invaluable aid to her pastor in helping to create concern and understanding of this vital program of Christian restoration.

Third: We request that the Central Texas Conference re-elect Rev. Hayden Edwards and Mr. "Mel" Faulk as trustees of the HOME for the next two years, and that you approve the following persons as Trustees at Large as provided by the Charter of the HOME: Rev. H. H. Hollowell, Mr. Clarke Core, Mrs. S. J. Rieger, Mrs. O. P. Schnabel and Mr. S. E. Knowlton.

We further request that Rev. Ervin M. Gathings be elected as the Conference Commissioner for the Texas Mission Home and Training School for the ensuing Conference Year.

SPENCER L. STOCKWELL, Administrator

BOARD OF HOSPITALS AND HOMES**Report No. 5****Wesleyan Homes, Inc.**

We are happy to report progress along several related lines during the year. Our Board of Trustees is now organized with a full slate of Committees; the Executive Committee being composed of the Officers of the Board, and the Chairmen of Standing Committees. The final draft of By-Laws has been adopted, and thus far the work of the Board has been largely under the category of study headed by the Committee on Planning and Development; the Committee on Personnel and Policy, the Committee on Building and Grounds, and the Committee on Finance and Investment.

The Committee on Planning and Development proceeded early in the year to investigate several proposals that were placed in their hands. After careful investigation they recommended that the proposal of the Georgetown Chamber of Commerce, on behalf of the community of Georgetown, be accepted by the Board. Briefly, this proposal is that; the community of Georgetown will furnish suitable site for the location of a home for aged people, and will in addition underwrite the first four years of such operation at the rate of \$15,000.00 per year, beginning when the home is ready to open. The Board saw the site, and studied the proposed legal instrument implementing such agreement, and approved the project. Subsequently, the Georgetown committee has been able to place most of the real estate of the proposal under option, and some property, not now available, but desirable, is in process of option agreement.

The Committee on Buildings and Grounds has been in touch with nine architectural firms, and are now in the process of making personal contact with firm officials in order to screen the field for the most effective service possible. At the same time they are keeping informed on the operation of the recently enacted amendment to Section, 207 of the National Housing Act, a law which is designed specifically to assist under FHA a non-profit organization proposing to erect multiple-family housing for the elderly.

The Committee on Personnel and Policy has recommended that M. Howard Knox be elected Executive Director of Wesleyan Homes, Inc., and you are requested to convey this nomination to the Cabinet for appointment.

We call attention to the following Board members whose terms of office expire in 1958: O. C. Armstrong, C. T. James, R. W. Fuller, W. V. Bane, J. Lester Davenport, R. C. Edwards and Carroll H. Thompson. In addition, Lawrence J. Maare (1960) has moved out of the Conference, and M. Howard Knox (1959) as an employee, will not be eligible to serve on the Board.

We concur in the action of the Executive Committee, setting the fiscal year January 1. to December 31, inclusive, of each year, which will give us opportunity to annually furnish the Board of Hospitals and Homes with a recent audit. Since currently all finances are passing through the Conference Treasurer, no audit is offered unless requested.

We request that Mother's Day be kept and designated by the Conference as a day of special offering for Wesleyan Homes, Inc.

We request the Commission on World Service and Finance to continue the annual appropriation of \$1,500 for Board of Trustees' expense.

We request that you recommend to the Annual Conference extension of the debt ceiling for Wesleyan Homes, Inc. to the amount of \$600,000.00 (six hundred thousand dollars) While it is not now apparent that this authority will

be urgent before the next meeting of Annual Conference, it is possible that we should need to be prepared to make preliminary contractual agreements with financing authorities before the 1959 meeting of Annual Conference.

The following amendments are submitted to the preliminary report of Wesleyan Homes, Inc.:

That the total operational budget for the office of Executive Director be approved as \$15,000 for the current year, it being noted that this amount has been underwritten by the Trustees, and almost all secured. The budget thus amended will stand:

Executive Secretary Salary	\$ 6,720.00
House Allowance	1,200.00
Travel Expense	2,500.00
Office Secretary	2,400.00
Office Equipment and Furniture	380.00
Postage, Printing, Office Supplies, Etc.	1,800.00
	\$15,000.00

Second; that the debt limit of Wesleyan Homes, Inc. be set at \$750,000.00.

Third; that the project of Wesleyan Homes, Inc. be accepted as a Conference Special, and special emphasis be placed on the Mother's Day offering for this purpose.

V. M. MONTICUE, Secretary
Wesleyan Homes, Inc.

L. C. YOUNG, President
Wesleyan Homes, Inc.

BOARD OF HOSPITALS AND HOMES

Report No. 6

Trustees of Homes for Retired Ministers

The Board of Trustees for Homes For Retired Ministers has held two meetings during the year to review the progress made and to make plans for future work. After carefully considering the needs for the year 1958-1959, insurance, taxes, repairs and upkeep, and other items incident to the operation of the homes we think that approximately \$18,500.00 will be needed.

The Board voted to ask the Bishop and Cabinet to designate one minister and one layman in each district to work with the District Superintendent to set up the Veteran's Day observance in each local church to be observed on July 13th. It is suggested that a layman in each church assist the pastor in publicity of this program and the taking of the offering. The proceeds of this day to go into the Fund for Retired Minister's Homes.

We recommend the appointment of Hubert Crain as Superintendent of Homes For Retired Ministers for the year 1958-1959.

The Board recommends for election by the conference the following trustees; James Ellison to fill the unexpired term of E. C. Carter; terms to expire in 1961, Thomas W. Holmstrom, Cecil H. Pemberton, Mineral Wells, T. Wesley Hook, Alvarado.

BOARD OF HOSPITALS AND HOMES**Report No. 7****Superintendent of Homes For Retired Ministers**

I want to express my appreciation and that of the Board of Trustees for the fine response to the observance of Veterans Day in the churches of the Conference. The Methodist Home

The Need

The needs of children today have changed vastly since the Home was established in 1890. Then, and up until about twenty-five years ago, the typical child who came to the attention of the Home was left uncared for either because of parental death or economic want. Today, economic want and death are no longer major factors. Children in need today are driven from their homes more frequently because of divorce, desertion or mental illness. Attempting to provide help, attempting to restore to normalcy a child who has twisted emotions, twisted abilities to love and be loved, is a difficult thing.

Divorce, desertion and mental illness are family tragedies haunting one out of every ten American children. From this background emerge the emotionally disturbed and the potentially delinquent children. Five times more children are in legal detention today than ten years ago. State correctional institutions are overcrowded with youngsters who have been guilty of delinquency or crime. The nation's twenty billion dollar annual crime bill, its five hundred forty-four million dollar budget for mental hospitals, are a part of the price we pay for the suffering these children experienced.

The United States Census Bureau estimates that the population of Texas and New Mexico will increase by 1960 to a total of ten million five hundred eight thousand. By the most conservative estimate, the number of children from these two states needing the services of the Methodist Home will be in the thousands.

The program at the Methodist Home is still far from perfect, and it has not been applied on a scale nearly broad enough to meet the growing demands, but through the loyal support of the church, steady progress is being made in extending services for abandoned, neglected and dependent children.

What Your Home Is Doing to Meet These Needs

A frightened thirteen-year-old girl, deserted by her divorced parents, was admitted recently to the Methodist Home. She is typical of one of the most important problems now claiming the attention of your Home — the problem of a new generation of children deprived of their homes by separation, desertion and mental illness. What is to be done with this little girl? The Methodist Home exists to see that she finds a home and an environment suited to her needs for healthy growth.

Many of the homeless children of today are far along the road to mental illness. These children require special care before they can hope to live a normal life. The expanded program of the Home includes clinical facilities for helping these children.

The group care program is recognized the world over as one of the important therapeutic methods of child care. It is especially effective with children who have had little home training, children who have suffered extreme rejection, children who have definite patterns of misbehavior, and children who have recently lost their parents.

Foster Homes: In order to best serve the variety of children's needs, foster home placement is included in the expanded program. Very young children, and children who have a special need for this kind of relationship are placed in foster homes under the supervision and care of the Home.

Adoptions: Through the expanded services to children, the Home is placing children for adoption when it is determined that this is the best plan for the child's future. This particular part of the new program is developing slowly, but the best scientific knowledge is being brought into this phase of the work so that children can be placed, when available, in the most suitable homes.

Family Rehabilitation is an important service when it results in keeping children in their own homes. Wherever possible, the caseworker investigating a call for assistance looks for ways to help the parents and child remain together in their own home. If this is not possible, foster home or group care placement may be made, and the planning for the child continued until his eventual return home.

Since children are not all alike, the multiple service program provides more flexibility in meeting their various needs and helping them back to healthy growth. Definitely, a greater number of children will be helped in this manner than was possible before.

Methodist Home Foundation

Traditionally, the Methodist Home is supported by many small gifts from a large group of friends. It was founded "out of the sacrificial gifts of pioneers who worked and toiled for their money, what little they had."

That tradition marches on today.

Out of this sacrificial support has evolved one of the best programs for homeless children — a program that must not be interrupted. Past experience teaches that economic depressions can and will depress and curtail the Home's activities, and sadly enough, during such times the calls for assistance to children are always greater than at any other time.

The Board of Directors created the Methodist Foundation for the purpose of providing the mechanics for administering an endowment fund, the income from which to be used to maintain the physical plant consisting of one hundred nine acres and twenty-five buildings, and to provide such special services as may be needed for the care of the children which would not be possible by other means.

The funds on hand have accumulated from gifts specified for this purpose, wills and bequests, and the income derived from the investment and re-investment of the funds.

This long range planning was necessary to make possible the uninterrupted services of the Methodist Home for the children who need its care, to safeguard the gifts which have been made through the interest of those who believe in its program, and to anticipate the future so the program can be kept current with the best thinking in the field of child care through the succeeding generations.

COMMITTEE ON INTERDENOMINATIONAL COOPERATION

Report No. 1

Interdenominational cooperation means, first of all, that the membership of each denomination should be working effectively at the great Christian task in which we all share. It should further mean that each denomination should pull its part of the load.

We believe that the cause of Christ is furthered by such means as membership and evangelism, Christian education, Christian stewardship of time, talents and means, Christian family relationships, Christian social and economic relationships, and the outreach of missions to the uttermost part of the earth.

We need to be reminded that the cooperative effort of Christians in **Local Congregations** around the world forms the real basis of interdenominational cooperation. It takes a world of Christians to make a Christian world.

Working Together

It should also be helpful for these Christians of the world to achieve a working measure of cooperation one with another. This should be true both within denominational lines and across denominational lines.

It is natural, of course, that the more alike people are, the more they have in common. We find that the Methodists of the world are so much alike that the **World Methodist Conference** uses the slogan: "The Methodists of the World are One People." We must admit that it is in a somewhat lesser degree that "The Christians of the World are One People." However, there appears a growing understanding and cooperation among a very large portion of the Christians of the world.

Channels of Cooperation

This spirit of understanding and cooperation is furthered and finds expression through such channels as the World Council of Churches, the World Methodist Council, the National Council of Churches, the Texas Council of Churches, etc.

The Local Level

It may find local expression through a local council of churches, interdenominational ministerial association, a council of church women, etc. These may sponsor such joint projects as a school of missions to help train leaders for local church schools of missions; a school of evangelism and joint religious survey; united relief efforts; and through union services such as Good Friday, Easter Sunrise, and Thanksgiving.

There may also be joint sponsorship of local projects such as day nurseries for children of working mothers, kindergartens for the less privileged or minority groups to help prepare them for public school, the operation of migrant centers, and other local projects.

Special Emphasis

Your committee wishes to give special emphasis to the following areas of sharing on the local level.

- (1) Continued support of the world-wide prayer movement, including the joint World Day of Prayer emphasis.
- (2) Continued support of Church World Service, both through our Methodist Committee for Overseas Relief, and through clothing, supplies, etc.

(3) Continued support of CROP, including the young people's Halloween house-to-house collection project.

Working together, we may accomplish that which we could not accomplish alone.

BOARD OF LAY ACTIVITIES

Report No. 1

The Board of Lay Activities carried on a full program in the area of its responsibility and attempted through its program to train laymen to be better churchmen and to stimulate the men of the church to assume their responsibility in making The Methodist Church a powerful influence in our society.

Specifically, the following items are evidence of accomplishments in the field of Lay Activities:

1. All ten of the District Boards of Lay Activity were effectively organized; met quarterly as required by the **Discipline**; and carried out a well organized program on the district level.
2. Each District Board of Lay Activities divided the duties of the Associate Lay Leaders into sub-district areas of responsibility. This has made possible the goal of having each Associate District Lay Leader to know by first name the church lay leader, local stewardship director, president of Methodist Men, and lay speaker or speakers of each church assigned to him.
3. Each of the ten District Boards of Lay Activities has sponsored district-wide meetings at which from 200-600 men have come to for inspiration, information, and fellowship. Many of the districts have had two and three district-wide meetings and many more sub-district meetings.

4. For the third successive year we have had almost 100% participation in Laymen's Sunday. Only **four** of our local churches did not participate. No other conference in the nation can boast of an equal record.

5. Each district has an organized Lay Speakers Bureau. A number of churches without pastors were served by these lay speakers for the major part of the conference year.

6. For the first time this year a Laymen's Revival was sponsored by the Corsicana District Board of Lay Activities. Laymen conducted the entire week's services. The local church served was enthusiastic concerning this type of evangelism.

7. No Methodist Church has an adequate program without a chartered Methodist Men's Club. There are now a total of 173 Methodist Men's Clubs in our conference, divided as follows by district: Brownwood, 12; Cisco, 13; Cleburne, 16; Corsicana, 13; Ft. Worth East, 29; Ft. Worth West 25; Gatesville, 16; Georgetown, 17; Waco, 19; and Waxahachie, 13.

8. One of the extra bright spots of the Lay Activities program is the **Stewardship** program. Each district has an organized program of Stewardship, each local church has a local stewardship director; each local stewardship director is on the mailing list of the Texas Stewardship Movement and receives suggestions and materials for carrying out his duties; and each district has had a training session for the directors of stewardship. The Central Texas Conference ranks 8th out of the 102 conferences in per capita giving. This is proof of the effectiveness of the program.

9. Progress is being made towards 100% participation in the Every Member Canvass Program. The Ft. Worth East District Board of Lay Activities sponsored a district-wide simultaneous EMC which was a noble illustration of what can be done by adequate planning and preparation. Efforts were made this year to extend the EMC to the smaller churches.

10. The Ninth Annual Laymen's Retreat was held at Glen Lake, August 23, 24, and 25. There were over 800 laymen present to make this the largest Retreat yet held.

We were honored this year by the leadership of Mr. Robert Mayfield, Executive Secretary of the General Board of Lay Activities. In addition to Mr. Mayfield, we had Dr. C. C. Sessions and Dr. Floyd Johnson of our own conference to lead us in the fields of World Service and Finance of the Methodist Church and in the program of "Tell Texas About Christ," respectively. Mr. Melvin Munn's presentation of the "Sermon on the Mount" was one of the highlights of inspiration.

Our own District Superintendents and District Lay Leaders added their excellent inspiration and leadership to all the meetings which made the Retreat the finest yet held.

Some other pertinent facts of the Retreat were: an offering of \$467.74 was given to Tom Voss, Camp Superintendent, for purchase of needed items about the camp; (2) a total of \$506.90 worth of books and supplies was sold; (3) several large boxes of free materials were distributed; and (4) approximately 100 pastors visited the Retreat.

11. For the second successive year, the District Superintendents and District Lay Leaders met with the Conference Lay Leader for a week-end meeting, June 21 and 22, at Lakeside Village, to discuss the program for the conference year.

12. The Mid-Year Meeting of the Board was held in Waco, January 17, at which time in addition to the regular business of the Board, additional programs in the relation to the Lord's Acre program, Methodist Foundation program, "Tell Texas About Christ" evangelistic program, and support of the Older Adult Camp program were adopted.

13. Our conference was well represented at the Second National Conference of Methodist Men at Purdue with 32 laymen and ministers present.

14. Your Conference Lay Leader attended the Second National Conference of Methodist Men at Purdue; he served as one of the leaders for the Northwest Texas Conference Laymen's Retreat of Cita Canyon and for the North Texas Conference Laymen's Retreat at S. M. U.; he attended the Area Conference on Human Relations in Austin; he attended the South Central Jurisdictional Board of Lay Activities Meeting in Kansas City; he attended various district and sub-district meetings of the various Boards of Lay Activities of the Conference; he taught a course on the "Local Church" in a district training school; he spoke at numerous morning and evening worship services, Men's Meetings, and EMC Campaigns; and otherwise attempted to give such leadership to the Board so as to make the Board of Lay Activities an effective channel for the strengthening of the church by the utilization of a dedicated and well-trained laity.

COMMISSION ON MINIMUM PASTORAL SUPPORT**Report No. 1**

There shall be a program of minimum pastoral support in the Central Texas Annual Conference, under the direction and management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called The Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. Five of this number shall be ministers, and four, laymen, and three of the total number of nine shall be clerical or lay members of the Conference Board of Missions. These three shall serve during the quadrennium. The remaining six members shall serve for three year terms, two to be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all the interests of the Minimum Pastoral Program, in the closest cooperation with the Conference Board of Missions. Members of the Commission, in addition to the one-third who shall be members of the Conference Board of Missions, may be chosen from the membership of that Board, and if they are not so chosen, they shall be expected to attend the meetings of that Board, but shall not have a vote except on matters directly affecting the Minimum Pastoral Support Program. The Minimum Pastoral Support Program, and that part of the Board of Missions that has to do with appropriations for pastoral support in the Annual Conference, shall be considered one general program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by nomination of the Bishop and the Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, a Secretary, and a Treasurer. These officers shall constitute the executive committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the date of the meeting of the Central Texas Annual Conference.

Administrative Procedure

1. (a) The basic minimum basis for pastoral support shall be \$1,500.00 per year, exclusive of any parsonage provision that may be made by the Charge.

(b) For a single man rendering full time service, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$2,200.00 per year shall be added.

(c) For a married man rendering full time service, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$2,600.00 per year shall be added.

(d) The benefits of the Fund are not to be thought of as annual subsidies designed solely to enable a pastoral charge to pay the minimum salary of the conference. The Fund should do that, and more. Basically, the purpose of the Fund is to aid a pastoral charge in its efforts to raise its own salary apportionment to the figure set as the established minimum salary of the conference.

(e) All missionary appropriations shall be considered a part of the basic salary received in making the computation for the amount of the benefit to be given from the Fund, and in determining the apportionment to the Charge.

2. The benefits of the Fund are available to ministers in the Central Texas Annual Conference who are rendering full time service as pastors, as follows: Preachers in Full Connection; Preachers on Trial appointed to pastoral charges; student pastors who are on trial; and approved supply pastors who are recommended by their District Superintendents.

(a) The benefits of the Minimum Pastoral Support Fund are not available to any minister having any appointment other than that of preacher in charge within the bounds of the Central Texas Annual Conference.

(b) In cases of appointments between sessions of the Annual Conference, and after the apportionments have been made by the Commission, no member of the conference, preacher on trial, or full time approved supply pastor, shall share in the benefits of the Fund, unless the Charge to which he may be appointed shall meet the conditions hereof, and then his sharing shall be on a prorata basis for that part of the year served in the Charge to which he may be appointed.

(c) The Board of Missions shall continue its cooperation in this program.

3. No pastor shall share in the benefits of the Fund who receives income from other employment than the regular work of the ministry.

4. A pre-requisite for any pastor to receive the benefits of the Fund is the agreement, by vote of the Quarterly Conference of the Charge he serves, to pay to the Commission an amount equal to twenty-five (25) per cent of the amount necessary to bring the salary up to the computed minimum; provided, however, that this requirement, and the five (5) per cent increase in salary over that paid the previous year, as set forth in Paragraph 1, sections (b) and (c) above, may be waived upon unanimous vote of the Commission. The twenty-five (25) per cent paid to the Commission shall not be considered a part of the salary apportioned and paid.

5. No pastor shall receive the benefits of the Fund if the Charge he serves reduces the salary below that paid the previous year, unless this reduction is recognized by the Commission as justifiable, and approved by its unanimous vote, and unless the charge made during the previous year an Every-Member canvass for local church budget support, (Effective 1959-60.)

6. In accordance with Paragraph 826, Discipline 1956, when a preacher in full connection, on trial, or an approved supply pastor, is appointed to a Charge apportioning less than a salary of \$1,500.00 per year, such appointee shall not receive the benefits of the Fund except on the basis of the basic minimum basis of a \$1,500.00 per year salary apportionment, and the usual participation of the Charge in the Minimum Pastoral Support Plan.

However, to aid and encourage Pastoral Charges in the \$1,200.00 to the \$1,499.00 salary brackets to move toward the \$1,500.00 basic minimum, the benefits of the Fund, on the basis of the salary apportioned will be granted annually, provided the salary has been increased over that paid the previous year by not less than five (5) per cent. All Charges that have not reached the basic minimum basis salary should indicate their purpose of doing so.

7. Funds for the work of the Commission shall be secured in accordance with the provisions of paragraph 826, Discipline 1956, and the apportionments shall be made to the Charges as hereinafter set forth, and payments by the Churches on such apportionments are to be made regularly to the Conference Treasurer.

(a) No apportionments shall be made to Charges apportioning less salary than the basic minimum basis, including missionary appropriation, nor to any Charge whose pastor is receiving the benefits of the Fund—it being understood that the twenty-five (25) per cent payment to the Commission by the Charge in accordance with the provisions of this Plan, is and shall be in lieu of any other apportionment against the Charge for this work; except in those cases where the twenty-five (25) per cent requirement is less than the apportionment required by the regular scale. In all such cases the Commission shall make the proper adjustment.

(b) The total apportionment of a Charge determines the percentage scale that is applicable. In all cases, however, \$800.00 of the salary paid is exempt. The apportionments shall be figured on a percentage scale, as follows:

(c) Three (3) per cent shall be apportioned to all Charges apportioning salaries of \$2,000.00, or less;

(d) Three and one-half (3½) per cent shall be apportioned to all Charges apportioning salaries of \$2,001.00 to \$2,500.00;

(e) Four (4) per cent shall be apportioned to all Charges apportioning salaries of \$2,501.00 to \$3,000.00;

(f) Four and one-half (4½) per cent shall be apportioned to all Charges apportioning salaries of \$3,001.00 to \$4,000.00;

9. Payment on the apportionment to the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payment to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payment for the fourth quarter of the year, ending May 31, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that on which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

10. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, and all payments to those receiving benefits of the Fund, and for all

other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for the work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund; and the traveling expenses of the members of the Commission, together with the cost of meals en route, to all meetings of the Commission, except such meetings as are held while the Annual Conference is in session, shall be allowed. Traveling expenses shall be computed on the basis of seven (7) cents per mile each way.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid is limited to those who receive the benefits of the Fund, and not more than Ten (10) per cent of the gross receipts of any one year shall be made available for such emergency appropriation. All unexpended portions of such available emergency funds, shall at the close of the year remain in the general fund, subject to disbursement in accordance with the provisions of this Plan.

BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS**Report No. 1**

With the necessity of filling vacancies created by retirements, deaths, and the organization of new churches, one of the foremost matters of vital concern in The Methodist Church is the recruitment of candidates for the Christian ministry. At this time reports indicate that The Methodist Church is receiving only one-third the number of ministers who are needed each year. Therefore, the Board of Ministerial Training and Qualifications urges every minister and every layman to assist in the encouragement of appropriate young men for the ministry.

We want to commend the Conference Committee on Christian Vocations for its efforts toward this end.

At each meeting of the Annual Conference it is our custom to provide a banquet for undergraduates and approved supplies. Every effort is being made to acquaint the men with the responsibilities and privileges of the Christian ministry through The Methodist Church.

We express our appreciation to Harris Hospital for the courteous manner in which it always handles the physical examinations for the men entering the Conference on trial.

THE MINISTERS' WIVES' CLUB

The 18th Annual Luncheon of the Ministers' Wives' Club of the Central Texas Conference was held in Wesley Hall, First Methodist Church, Thursday, June 5, 1958, with an attendance of 207 members and 12 guests.

Mrs. J. C. Oglesby, President, introduced Mrs. W. C. Martin who gave the invocation. Greetings were extended to the group by Mrs. Oglesby who then presented the wives of the District Superintendents and the members of the Club from their districts. Members present for the first time and wives of retired ministers were recognized.

After the luncheon Mrs. W. V. Bane, Program Chairman, was presented and she in turn introduced Jerry Bane, who was the master of ceremonies for a "This Is Your Life" program honoring Mrs. W. C. Martin. Those taking part in the introduction of the program were children of parsonage homes or ministers' wives. Telegrams, written notes, and guests from out of town, friends of Mrs. Martin, added to the surprise and enjoyment of the occasion. The presence of Bishop Martin particularly gave an added note of interest for all. In keeping with a "This Is Your Life" program, Mrs. Martin was given a gold bracelet with a charm of the map of Texas engraved with the date and the inscription, "Central Texas, M.W.C." Flowers and decorations carried out the theme, with arrangements depicting ages and events from babyhood to golden age.

During the business session Mrs. Garland Lavender, Treasurer, reported a balance of \$20.37 at the beginning of the year with one of \$30.36 on hand at the end. Mrs. E. F. Bohmfalk was asked to read the minutes of the previous year in the absence of the secretary, Mrs. Cecil Ellis, who was absent because of illness.

The nominating committee composed of Mrs. Carroll Thompson, Mrs. L. W. Seymour, and Mrs. J. W. Whitefield made the following nominations for the officers of 1958-1959: President, Mrs. W. V. Bane; Vice-President, Mrs. Wilson Canafax; Secretary, Mrs. Gilbert Ferrell; Treasurer, Mrs. C. D. Wooten. They were elected by acclamation.

It was suggested that the secretary send messages of friendly interest to Mrs. H. A. Boaz and to those who were ill, including two members who had new babies during the week.

The meeting was dismissed by Mrs. Bohmfalk giving the closing prayer.

MRS. CECIL ELLIS, Secretary

BOARD OF MISSIONS

Report No. 1

While commending the churches of our conference for the progress made in recent years in the matter of support for our World Service and Benevolent program, we would continue to urge each church to make a careful analysis of its giving to this phase of our work. Every church should establish its minimum standard of giving in this field to conform to our adopted program of an amount equal to one-fourth the total expended for pastoral support. We feel it to be the responsibility of both the pastor and the district superintendent to lead the local church in the expansion of its World Service and benevolent budget commensurate with the expansion of the items representing expenditures for the program of the local church.

We continue to emphasize the importance of each church accepting an Advance Special encompassing the interests of World, National, Conference, and District projects. Such participation being vital to the spiritual life of the local congregation and the extension of the Kingdom around the earth.

That our people may be better informed concerning the total mission program of our church, we urge conference, district, and local church administrators to be diligent in interpreting this program to our laity, and to use every available avenue for the dissemination of such information.

H. BROWN LOYD, Chairman

JOHN ALLEN, Secretary

BOARD OF MISSIONS

Report No. 2

The divine imperative to witness boldly "by declaration and deed, to the Lordship and power of Jesus Christ over all life," is a continual reminder of the Church's mission. Opportunities and challenges of the missionary enterprise are recognized in the following areas:

Local Church Commission on Missions

We recommend: (1) That an effective program of missionary education be projected in the local church through the Commission on Missions. (2) That each pastor lead the Commission in the organization and study its responsibility and opportunities. (3) That the available audio-visual materials, pamphlets, mission study course, World Outlook, Christian World Facts, and the Conference "Advance Specials" Brochures be employed to create a vital interest in the mission opportunities of the church. (4) That the membership of the Mission Commission be encouraged to attend the Coaching Conference which will be conducted in each district. (5) That World Service leaflets be distributed each fourth Sunday.

World Service

Increased World Service giving enables the seventeen Boards and Agencies of the Methodist Church to more effectively perpetuate the Gospel message. While the response has been gratifying, increased needs necessitate increased financial support.

Advance Specials

The need for "Advance Specials" continues. Every church is urged to maintain or accept a missionary "Advance Special" in both the National and World fields. The Continuing Advance is especially urgent in areas where people are confronted by rival and militant faiths which demand the total loyalty of men.

The area of Brazil continues to need our financial support. In this field which is fertile for the minds of men, The Methodist Church must maintain its pace with the frontier. This is the Church must maintain its pace with the frontier. This is the center of the strongest and most rapidly growing Protestant area in any Latin country in the world.

Help is urgently needed in the Argentina and Uruguay Conferences. Christian Methodists of these Conferences have been very courageous. They need help to complete new buildings and enlarge facilities in rapidly growing areas. Small congregations have expressed their Christian faith in attempting great things for God. The young people are making every effort to provide their conference with a camp site and necessary buildings. These courageous Christian adventures demand our prayerful and financial support.

Specific needs of these conferences include the Methodist Church at Posta De San Martin, Argentina, \$1,000.00; Methodist Youth Camp project in Western Uruguay, \$2,500.00; and the Methodist Church of Villa Ballester, Argentina, \$2,400.00. All are approved Advance Special Projects.

In the area of National Missions, the Indians of our country continue in their efforts to provide an adequate native ministry. Their endeavors demand our continued financial support.

Almost one half of the missionary support for National Latin American work comes from Advance Specials. A most effective service can be rendered to the Rio Grande Conference through Advance Specials. Our ministry to our Spanish-speaking neighbors is urgent and we suggest that the goals set for Advance Specials support for this work by the Jurisdictional Conference be accepted, and that every effort be made to enlist support in that amount.

Need for Missionary Personnel

At the present time there is an urgent need for 662 mission workers; 547 in overseas fields and 115 in home fields. A minimum need of 235 missionaries for overseas fields and 115 for home fields is the initial goal for enlisting and supporting young people who would respond to this Christian call. The churches of our Annual Conference must share in the responsibility of furnishing some new missionaries to meet these needs.

Week of Dedication and World Wide Communion

The spiritual value of these two observances continues to unite Christian people throughout the world. The financial support associated with these observances undergirds our initial missionary interests and helps to meet emergency needs. The response to these special occasions continues to be significant in spreading the spirit of Christ.

Methodist Committee for Overseas Relief

The Methodist Committee for Overseas Relief is part of the general Advance program of the church, initiated to provide the church with a means of "second-mile" giving in support of special missionary projects and world relief. It is on open invitation to the benediction of sharing as Christ shared.

It functions entirely on voluntary contributions. In the past it has meant money for 15,000 chest operations for tuberculars in India, the daily care for 6,250 Korean orphans during a four-year period, 30,000,000 cups of milk for starving children, resettlement aid for 5,000 refugees, plus food and medical care for thousands of dislocated peoples in the Near East, Hong King, and Europe. World conditions, in terms of human life, demand that "second-mile" giving through the Methodist Committee for Overseas Relief be continued.

Lands of Decision

The Mission Study Course, "A Call to Witness and Decision," offered insight into the needs of our brothers in the Belgian Congo, Bolivia, Sarawak of Borneo, and Korea. Informed of the needs of the people of the Lands of Decision, many congregations have made a gratifying response. Additional help is needed if these Lands of Decision are to decide for Christ.

District Missionary Institutes

During the months of October and November, District Missionary Institutes will be conducted throughout the Conference. Dr. Takuo Matsumoto, the Dean of the Department of Religion, Aoyama Gakuin, in Tokyo will be the missionary speaker for these institutes. Members of Local Church Commissions on Missions are urged to attend their District Missionary Institute.

Conference-wide Mission Festival

It is requested that November 2, be designated as Mission Festival Sunday. It is urged that Mission Festival Sunday be observed in each local church. It is suggested that the total missionary enterprise, world, national, district, and conference church extension needs be presented to each congregation. The opportunity to join and to make an offering to the Conference Builders Foundation should be part of the observance of Mission Festival Sunday.

The Jurisdictional Missionary Conference

The Jurisdictional Missionary Conference will be conducted at Mt. Sequoyah, August 19-22. Each District Missionary Secretary is urged to attend this conference. We suggest that each District enlist a young person and provide the necessary money to attend this conference.

H. BROWN LOYD, Chairman

JAMES H. ELLISON, Missionary Secretary

**THE METHODIST FOUNDATION
OF THE CENTRAL TEXAS CONFERENCE**

By-Laws

SECTION ONE

Name. The name of this corporation shall be THE METHODIST FOUNDATION OF THE CENTRAL TEXAS CONFERENCE OF THE METHODIST CHURCH. (Source: Charter, Art. 1.)

SECTION TWO

Purpose. The purpose for which the Foundation is formed is to support the work of missions and church extension and other benevolent causes within the bounds of the Central Texas Conference and in accordance with the directives of the Annual Conference. (Charter, Art. 2.)

SECTION THREE

Authority. The Foundation shall have authority to raise funds for its work, and to collect, receive, hold, and administer such funds and other property which may be given, transferred, conveyed or entrusted to it; to accept gifts designated for any of the interests of the church and to administer the same; to establish a revolving loan fund and to use the same for the making of loans in aid of the work of missions and church extension and other benevolent causes of the church,

and to charge and receive interest therefor; to accumulate income and to make the same a part of its permanent fund, or to make gifts and grants from such accumulated income, or from other proper funds not a part of its permanent fund, in aid of the work of the church; and to invest, re-invest, buy, sell, lease, transfer, and convey any and all funds and property which it may hold, and to execute the duties of trustee thereof, all as may be proper or incidental to its purpose, and subject always to the directives of the Central Texas Conference. (Charter, Art. 3.)

SECTION FOUR

Membership. This Foundation is an agency of the Central Texas Conference and is amenable to it through its Board of Missions.

SECTION FIVE

Directors. a. The management of the affairs of the corporation is vested in its directors, to be nine in number, who shall be divided in three classes of three members each, and who shall serve for a term of three years, except for the initial term of Classes One and Two, or until their successors are elected. (Charter, Art. 6.)

b. The directors shall be elected by the Central Texas Conference upon nomination of the Board of Missions, except that in the case of a vacancy occurring before the normal expiration of any term the same may be filled for the unexpired portion of such term by the remaining directors. (Charter, Art. 6.)

c. At least five of the directors shall be members of the Board of Missions.

d. No more than five of the directors may be either clergy or laymen.

e. When a director who is a member of the Board of Missions shall cease to serve as such member, his office as a director of the Foundation shall not terminate, unless there then remain as directors of the Foundation fewer than five who are also members of the Board of Missions, in which case his place as a director of the Foundation shall become vacant.

f. Absence of a director without excuse from three regular meetings in succession shall terminate his membership on the Board.

SECTION SIX

Powers of Directors. The directors are authorized to carry on the work of the Foundation and to transact its business by and through its duly constituted officers, committees, and agents. They are further authorized to use the facilities and services of any other agency of the church, as for example the Division of National Missions of the Board of Missions of The Methodist Church, and to enter into working agreements and contracts with such agencies concerning the handling and administration of the funds of the Foundation, subject, however, to ratification by the Central Texas Conference after report and recommendation by its Board of Missions.

SECTION SEVEN

Regular Meetings. The annual meeting of the Board of Directors shall be held immediately preceding the meeting of the Board of Missions next preceding the Annual Conference. The Board of Directors may provide by resolution the time and place for the holding of other regular meetings of the Board.

SECTION EIGHT

Special Meetings. Special meetings of the Board of Directors may be called by the president. A special meeting shall be called by the president upon the request in writing of any three of the directors.

SECTION NINE

Notice. Notice of each meeting of the Board of Directors shall be given in writing at least ten days prior to the time fixed. Any director may waive notice of any meeting, and the attendance of a director in a meeting shall constitute a waiver of notice of such meeting, except where he attends for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. In the case of a special meeting, the notice shall state the purpose for which such meeting is called.

SECTION TEN

Quorum. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board. If less than a majority should be present, the majority of those present may adjourn the meeting from time to time without further notice.

SECTION ELEVEN

Manner of Acting. The act of a majority of the directors present at a meeting in which a quorum is present shall be the act of the Board of Directors.

SECTION TWELVE

Voting by Proxy or Mail Prohibited. Voting by proxy or by mail is prohibited.

SECTION THIRTEEN

Report. The Board of Directors shall cause an annual report in writing showing the activities, plans, and financial condition of the Foundation to be made to the Board of Missions at the meeting next preceding the Annual Conference, and shall cause such other reports to be made as may be called for by the Board of Missions or by the Central Texas Conference.

SECTION FOURTEEN

Officers. a. The officers of the Foundation shall be a president, vice president, secretary and treasurer. The offices of secretary and treasurer may be held by the same person. The Board of Directors may elect or appoint such other officers and agents as it may deem desirable with such authority and duties as it may prescribe.

b. The officers shall be elected by the Board of Directors from its own membership at its annual meeting. If the election of officers is not held at such meeting, it may be held as soon thereafter as may be convenient. Each officer shall hold office until the next annual meeting of the Board of Directors and until his successor shall have been duly elected.

c. Any officer may be removed by the Board of Directors when in the judgment of said Board the best interest of the Foundation would be served thereby.

d. A vacancy in an office may be filled by the Board of Directors for the unexpired portion of the term.

e. The president shall be the principal executive officer of the Foundation and shall supervise and control all of its business and affairs. He shall preside at all meetings of the Board of Directors. One person shall not serve as president for more than four years in succession.

f. In the absence of the president or in case of his inability or refusal to act, the vice president shall perform the duties of that office, and when so acting shall have all the powers and all the responsibilities of the president.

g. The secretary shall keep the minutes of the meetings of the Board of Directors in a book provided for that purpose. He shall see that all notices are duly given, and he shall be custodian of the corporate records.

h. The treasurer shall have charge and custody of and be responsible for all funds and securities of the Foundation. Except when otherwise directed, all funds shall be kept in the designated depository of the Central Texas Conference, and shall be deposited and withdrawn in the manner and form prescribed by the treasurer of the Conference. He shall give a bond for the faithful discharge of his duties in such sum and with such surety as the Board of Directors shall determine.

SECTION FIFTEEN

Committees. a. There shall be a loan committee of seven members composed of three directors elected by the directors of the Foundation and of the president, vice president, secretary and treasurer of the Board of Missions of the Central Texas Conference; provided, however, that no more than four of such committee shall be either clergy or laymen. The loan committee shall receive applications for loans upon such form as may be approved by the directors of the Foundation, and the committee shall have authority to make loans to such applicants and upon such terms as it may determine, subject, however, to the authority of the directors of the Foundation to limit the size of individual loans which may be made by the committees and to such limitations otherwise as the directors of the Foundation shall impose. All loans shall be secured, but it shall not be required that such security be a first lien; provided, however, that the loan committee in making any loan shall determine to its own satisfaction that the security offered is sufficient to cover both the amount of the loan to be made and any prior indebtedness, in which case the loan will be considered properly secured, notwithstanding that the reasonable fair value of the security in relation to the total indebtedness may not be as great as that customarily required by other lending institutions. In making loans the loan committee and the directors of the Foundation are authorized to consider the benefits to accrue in the work of the church at large from a loan service which will supplement existing sources of funds to local churches and institutions lacking in capital assets but having, in the judgment of the committee, a sound prospect of success in meeting their financial commitments; however, the loan committee and the directors of the Foundation in the exercise of their discretion shall also consider that the timely repayment of loans in every case should be assured to the fund in order to preserve its permanence and best use.

b. The Board of Directors, by resolution adopted by a majority of the directors in office, may designate one or more committees, each of which shall consist of two or more directors, to have and exercise the authority of the Board of Directors in the management of the corporation; but the designation of such committees and the delegation thereto of authority shall not operate to relieve the Board of Directors of any responsibility belonging to it.

c. Other committees not having and exercising the authority of the Board of Directors in the management of the corporation shall be designated pursuant to resolution of the directors.

d. Except as otherwise provided by resolution, members of each committee shall be members of the Board of Directors of the Foundation or of the Board of Missions of the Central Texas Conference, and shall be appointed by the president.

e. Any committee member may be removed by the appointing authority.

f. Unless otherwise provided in the resolution calling for the creation of a committee, a majority of the whole committee shall constitute a quorum, and the act of a majority of the members present at a meeting at which a quorum is present shall be the act of the committee.

SECTION SIXTEEN

Fiscal Matters. a. The fiscal year of the corporation shall begin on May 1 of each year and end on the last day of April of the following year.

b. At the close of each fiscal year there shall be an audit of the Foundation's accounts by the auditor of the Central Texas Conference, and copies of the report of the audit shall be distributed by the secretary as in the case of other funds of the Central Texas Conference.

c. The income of the Foundation remaining after all proper expenses of operation and promotion have been paid, and as confirmed by the annual audit of its records, shall be reported to the Board of Missions, and shall be subject to its order. After twelve months, if such income is unclaimed, or if it is released by the Board of Missions, the directors of the Foundation may order the disposition to be made of it; that is, whether it shall be accumulated in a fund for the making of donations and unsecured loans, or added to the permanent fund, or placed in a reserve for contingencies and losses, or disbursed directly to the work of missions and church extension and other benevolent causes.

SECTION SEVENTEEN

Seal. The Foundation shall have a seal, circular in form, bearing the name of the Foundation and the word "Seal."

SECTION EIGHTEEN

Amendment. These by-laws may be altered, changed, or amended by the Board of Missions of the Central Texas Conference, subject to ratification by the Annual Conference.

BOARD OF PENSIONS**Report No. 1**

Your board is grateful to the cabinet for the one half per cent increase for the Conference Year 1957-1958, enabling your board to raise the annuity rate from \$42.00 to \$43.00 per service year for the current Conference Year. We are asking for an increase of one half per cent, or an amount equal to seventeen per cent of pastor's salaries.

We have set the annuity rate for 1958-1959 at \$44.00 per service year with the understanding that if sufficient funds are available after Conference in June, the rate will be increased proportionately.

The Disciplinary Rate for our Conference now is \$57.00 per service year. The maximum goal of the Board during the present quadrenium is an annuity rate of \$50.00 per service year, and the maximum goal is the disciplinary rate.

A. K. MARNEY, Chairman
A. W. FRANKLIN, Secretary

BOARD OF PENSIONS**Report No. 2****Reserve Pensions**

The reserve pension program of the Central Texas Conference has been in operation for six years, but the report for the sixth year will not be available until the close of the fiscal year of the General Board of Pensions.

The attention of active members of the conference is directed to the advantages provided in both the full and partial reserve systems. Paragraphs 1647 through 1656 set forth clearly the benefits offered in the way of options, widows and children's pensions, and disability and death benefits. On pages 106 and 107, Journal of the Central Texas Conference of 1954, there appears an explicit statement of the "additional benefits and options" available to members of the fund.

There are 82 Full Year Members in the Full Reserve System for 1956-57, and three Part Year Members for 1956-1957. The average salary of the Conference is \$2300.00. The rate of contribution is 9%. The annual contribution at the above rate is \$207.00. Deposited to the credit of the Central Texas Conference by the General Board of Pensions—\$17,381.76.

In the Partial Reserve System there are 66 members for the full year 1956-1957. The average salary is the same as in the full Reserve. The rate of contribution is 2%. The annual allocation to members at the above rate is \$46.00.

Set aside for the Central Texas Conference to be allocated to the service annuity credit of qualified members of the fund is \$3,036.00.

COMMITTEE ON PROPORTIONAL PAYMENTS

The Committee has met and examined the Statistician's Records to ascertain the reports of the various churches in the four items contingent upon ministerial support. We find that a total of \$334.00 of apportioned amounts mailed to be paid by the various churches at fault.

While steady improvement in this area has been maintained in the last six years we note that this year there has been an increase in the number of churches which have failed to report all items paid. We feel, in large measure, this is due to a failure on the part of the pastor to properly check the payments made by the local church treasurer. We feel if the District Superintendent and the pastor will be more diligent prior to Conference in this matter, there will be no need for any church deficiency.

We report the following churches' statistical records indicate deficiencies:

JOINT BOARD OF PUBLICATION

Major achievement for Texas Methodist Information office in 1957 was the distribution of a handbook, "How to Tell Your Story," for persons responsible for public relations in any part of the church's program. More than a third of the 25,000 printed copies have been distributed.

The office sent 120 releases averaging some 200 copies, on a conference or state-wide basis to some 880 news media in Texas, with many going to 28 church papers across the nation.

Local Slanted stories and complete press relations were provided in 30 or more conference, area or jurisdictional meetings. Three press relation seminars were held in the Texas Conference with our office, Dr. Ralph Stoady, director of Methodist Information, New York City, and All-Church Press, cooperating. Five other seminars were held.

The program is being conducted by three full-time persons and includes responsibility for Texas Christian Advocate.

Circulation of the Advocate is over 60,000, with more than 100 churches having the paper going to every family. Cultivation of circulation is a major endeavor. All Texas postors now receive the paper. We have the full cooperation of All-Church Press, printers of the Advocate, as well os of Bishop A. Fronk Smith and Bishop William C. Martin.

In the Texas Conference all local church officials and conference claimants receive the Texas Conference edition of the paper. About half of the circulation is in that conference.

Because of the importance of the Advocate to ministers as a means of information the board is asking that the small amount indicated be added to the subsidy for the office osked of this conference last year.

The amount requested of the Central Texas Conference for the support of the Conference office, \$375.00, and for the Texas Advocate office, \$2,705.00, the same os last year. Total for 1958-59, \$3,080.00.

RADIO, FILM, TELEVISION COMMISSION

The Television, Radio, and Film (TRAFECO) Commission of your Conference calls attention to the vast opportunity afforded the Church through radio and television. Our national board is now in the process of producing a thirteen-week series of TV programs colled "Talk Back." This production will require the close attention of this Conference to the value of placing the message of Christ within the homes of our oreo.

Eighty per cent of American homes now have television sets. Ninety-nine per cent of the American population is within reach of a TV station. Never in the history of the Church has it been as possible to go before as many people at one time with the Gospel of Christ as it is today.

The effect of television on the minds and lives of our Church people is meosureless. If this influence is to be good or bod depends entirely upon the Church. The Broadcasting industry is onxious and waiting for good religious programming.

To do this takes work, faith, and money. It costs \$475,000 to produce one network one and one-half hour show for Ford Motor Company. The total budget for our national board for one year to present the message of Christ for the Methodist Church is \$200,000. The cost is high, however the Church must become as aware of the big returns of such efforts as is the world of industry and business.

We therefore call for the support of this Conference as this Commission seeks to produce, within this Conference, the "Talk Back" series from our two major sending areas.

We also urge the pastors to go before the local radio stations and study the possibilities of this medium for a portion of the ministry of the Church. In particular do we point out the value of the small "county-seat" type of sending station serving the rural areas. Many stations of this type are anxious to receive "good" religious programs for public service time. The Methodist Church has a great message to bring to the world; it is our responsibility to see that the world has an opportunity to hear the same.

We ask the continued support of the churches to the TV Ministry Fund. For the operational expenses of this Commission we request a budgetary appropriation of \$100.00.

COMMITTEE ON RESOLUTIONS

In these closing moments of the ninety-third session of the Central Texas Annual Conference of The Methodist Church, your Committee on Resolutions directs your attention to the abiding experience of the spirit of God that has been present throughout the Conference, the personal awareness of our individual and collective responsibility to the Kingdom of our Lord, and the deep sense of grati-

tude for the thoughtful considerations and expressions inspired by His Spirit and personally felt and expressed by all.

Inasmuch, as the Conference has been so richly blessed by the guiding presence of our Lord, and, whereas, an obligation to our Christian faith a responsibility to the Kingdom of God has been a sense of deep awareness, and since an inner gratitude exists out of so great an inspiration, we acknowledge our appreciation.

Therefore, be it resolved that we express deep appreciation:

To our beloved Bishop William C. Martin, whose morning messages, humble spirit, inspired leadership, spiritual discernment and perception made both the Conference business sessions and worship services challenging, enriching and meaningful to the task which is before us and the call forever within us.

To Mrs. William C. Martin, whose pleasing Christian personality, gracious manner, lovely spirit and faithfulness always merits her a special place in the hearts of each of us and in the life of the Conference.

To Dr. Erwin F. Bohmfalk, whose presence was missed because of illness, but whose heart was felt in respect to his overall planning as host District Superintendent.

To Dr. Gaston Foote, the host pastor for this session of the Annual Conference, the church staff and the membership of the First Methodist Church extending hospitality, providing various Conference needs and so graciously receiving us from time to time. The informal fellowship hour on the first evening so wonderfully planned and sponsored by your local Woman's Society of Christian Service and your Snack Bar in Wesley Hall are examples of the many things you have done in thoughtfulness and readiness for our Conference enjoyment.

To Dr. Kermit Lang, our Conference preacher and pastor of Central Methodist Church, Phoenix, Arizona, whose friendly personality, district communication, warm Gospel presentation, and challenging preaching has brought God closer to each of us and instilled a conviction, compassion, and consecration within all of us.

To the choirs of Cauts Memorial Methodist Church, Weatherford, Matthew Memorial Methodist Church, Fort Worth, and First Methodist Church, Fort Worth, for their fine ministry of music. Also to the choir of the ministers and their wives of the Fort Worth District.

To John Ed Francis, of our own Conference, who led the Conference with such fine congregational singing.

To Robert R. Clarke for his promptness and faithful service rendered at the organ and to Mrs. Louise Doyle who assisted him.

To Rev. Quay Parmer, a member of this Conference, who has led our great church in the state wide field of evangelism. In this great year of evangelism we are thrilled by the victories of the "Tell Texas About Christ" program. In furtherance of evangelism we are grateful to the Conference Program Committee and the Board of Evangelism for presenting the splendid Workshop Seminar on Evangelism and making possible the coming of these evangelists to be a blessing to our Conference and a challenge to our ministry.

To Dr. Eugene Golay, Minister of Evangelism and Preaching Associate of Central Methodist Church, Phoenix, Arizona, who instructed and challenged us in our Workshop-Seminar on Evangelism on the subject, "The Four Essential Things to Evangelism."

To Dr. Berlyn V. Farris, Director of District Evangelism of the General Board of Evangelism of the Methodist Church, who in the workshop instructed and

challenged the Conference on the subject, "The Mechanical Process of Evangelism."

To Dr. Laurence Lacour, Director of Department of Evangelistic Missions of the General Board of Evangelism of the Methodist Church, who instructed the workshop on the subject, "Pulpit Evangelism."

To Dr. Floyd Johnson, who so splendidly and compassionately delivered the memorial message on behalf of and in respect to our own loved ones in Christ who have entered into perfect peace and glory in the beautiful City of God.

To Rev. James Shuler who delivered so ably the message to the retiring ministers of this Session of the Annual Conference.

To Rev. Tom Granger, Executive Secretary of our Conference Board of Education, and his staff for leadership planning in Christian education for the life of the local church.

To Dr. Brown Loyd and Polytechnic Methodist Church for extended hospitality in entering a portion of this Conference session.

To Dr. Low Sone and The Texas Wesleyan College for an extended privilege to tour the campus and enjoy the new library and new dining hall and especially for the lovely prepared evening meal for all attending the Conference.

To Dr. Roy L. Farrow, our own layman, who has brought a most distinctive contribution in the life of Methodism in Texas by his untiring efforts to strengthen the financial welfare of local churches and thus aiding our Texas Methodist Colleges.

To the several boards and committees who have presented to the Conference the program of Methodism at work both at home and abroad.

To the Rev. William Lee Hanklo, Dr. J. Fisher Simpson and the press for the news coverage of the Conference. We appreciate the news carried in our own Texas Advocate, the Fort Worth Star-Telegram and the Fort Worth Press.

To the City of Fort Worth and agencies for extended hospitality in making our stay here pleasant.

To the Worth Hotel for providing rooms and special privileges to our guests.

To the efficient and untiring Conference secretarial and statistical staff whose efforts provide us with a recorded history.

Be it resolved further that above all we offer everlasting thanks to our Lord who has been our providence and in whose power and love has made these blessings possible.

17. Each District Superintendent shall report to the Cabinet and to the Committee on Proportionate Payments any Church in the District that has borrowed money to pay either the pastor's salary, percentage items, or World Service askings for the year closing. The amount borrowed must be made a part of the record.

He shall also indicate any such situations that occurred the year previous that came to his attention during the year, and had not been reported.

18. All matters to be presented to the Annual Conference, which pertain to the work of one of the Conference Boards, Commissions, or Committees shall be referred to the proper Board, Commission, or Committee for review, before action shall be taken by the Annual Conference.

19. All papers, resolutions, obituaries, and reports, except statistical reports, coming to the Conference, must be typewritten in triplicate, and two copies of said report must be in the hands of the Secretary **before** they are presented to the Conference.

20. **All bonds** required by the law of The Methodist Church or the Central Texas Conference, shall be filed with the Secretary of the Conference.

21. **The Conference Committee on Entertainment**, appointed quadrennially, shall be charged with the details of expenses of holding the Annual Conference, and entertainment of Retired Ministers.

Each charge in the Annual Conference is expected to defray the expense of its minister and lay delegate while in attendance upon the Conference.

Per diem allowances will be granted to ministers and lay delegates from minimum salary charges in an amount recommended by the Committee on Entertainment and voted by the Conference.

22. There shall be a permanent **Committee on Memoirs** composed of the Secretary of the Conference and the Secretary of the Board of Pensions to insure suitable memoirs of deceased ministers, and the wives or widows of ministers. The Minister in charge of the funeral of such persons shall be responsible for preparing the memoir and filing with the committee immediately after the funeral.

23. It shall require a two-thirds vote to suspend or amend any of these rules.

BOARD OF SOCIAL AND ECONOMIC RELATIONS

Report No. 1

We deplore the efforts of some interests in our state to make horse racing legal again. We shall continually raise our voices in protest from pulpit and pew, and exert every ounce of influence we have to keep this form of evil from our state.

We stand for the rights of all citizens of our United States to enjoy all the rights and privileges of citizenship. Because some of our people, living in the territories of Hawaii and Alaska, do not have such rights and privileges, and because they are taxed without fair and equal representation, we favor statehood for each.

We favor a closer working arrangement between this Board, the Board of Temperance, and the Board of World Peace. We suggest that a district director be appointed by the cabinet for this unified group, and that a course be taught in every District Leadership Training School for the chairmen of the Commission on Christian Social Relations of every local church.

Report No. 2

We believe it to be the duty of every Methodist to exert to the full his personal influence for the abolition of race discrimination in reference to employment, housing, public facilities, hospital and medical care, recreation, justice in the courts, and all other relevant aspects of our common life.

We therefore appeal to Methodists in authoritative positions in our hospitals, recreational facilities and courts to exert outwardly and positively their influence to abolish existing practices of discrimination because of race.

We stand for the raising of the intellectual level of all people within the bounds of this Conference and appeal to the leaders of our Methodist educational institutions in our Conference to admit on the graduate level, public school teachers of all races who seek to further their education and become more effective co-laborers in their chosen work.

We unanimously vote to concur with recommendation of the Texas Methodist Planning Commission which is as follows:

We take a firm stand against the lewd and pornographic literature that is increasingly appearing on our magazine racks.

We implore every pastor in this Conference to take the following steps to give feet to our thoughts and action to our resolutions: First, to encourage and plan with your Commission on Christian Social Relations to encourage magazine distributors to sell only those publications that are mentally and emotionally wholesome; and secondly, to cooperate with local P. T. A.'s, civic groups and other interested persons in removing this evil from our stores and communities; and finally, to quicken to conscience of our parents to intelligently supervise the reading matter of their children and to challenge our young people to read and to encourage their friends to read literature that is within the bounds of moral decency.

Report No. 5

The historic position and continued action of Methodism has placed it in a position of leadership both in giving aid to the needy around the world and in urging others to do so. Millions of dollars have been sent to help individuals and causes over the earth.

Since this very day the continuation of Reciprocal Aid and Mutual Assistance Measures which have helped our nation assume and maintain a position of Chris-

tian leadership and love in the world are under debate in the House of Representatives, we believe we should express ourselves to that body as recommending a 5 year extension of these measures. This is in keeping with the action of our General Conference, The National Council of Churches, and other Christian bodies interested in seeing Christlike practices in world affairs.

COMMITTEE ON SPIRITUAL LIFE RETREAT

Report No. 1

The Central Texas Conference held its Spiritual Life Retreat at Glen Lake Camp at Glen Rose, Texas, February 21 and 22, 1958.

We were fortunate to have our own Bishop William C. Martin to bring us a message of inspiration on "Motives in Evangelism." We had the able leadership of Dr. Lloyd C. Daugherty of the General Board of Evangelism to lead our thinking and discussion on the other areas of evangelism.

From our own Conference Board of Evangelism we had Lively Brown, Chairman, and J. Lester Davenport, Conference Executive Secretary, to direct us in our plans to Tell Texas About Christ in 1958.

Gordon Dennis was at the piano and Tom Granger led us in our inspirational singing. Some 200 pastors were inspired to go back to their churches and do a better job for Christ and His Church.

COMMITTEE ON SUSTENTATION

The Committee on Sustentation has functioned this year under the Conference Plan and instructions adopted and printed on pages 123 and 124 of the Conference Journal of 1955, and amended in 1957 to establish the amount to be paid to approved applicants for assistance at the amount of the current Minimum Solary.

By special action last year in adopting the report we voted to grant to Rev. Stanley Goad assistance in the amount of \$800.00 which has been granted him during the year. The Conference Treasurer has been paying back to the Contingency Fund the Amount of \$2,400.00 which was borrowed during the year 1957. We are asking him to return in like manner the \$800.00 advanced to Brother Goad in 1958.

We recommend the continuation of the Committee under the plan and instructions found on pages 123 and 124 of the 1955 Journal and amended as of page 140 of the 1957 Journal.

BOARD OF TEMPERANCE

Report No. 1

It is with deep conviction that your Conference Board of Temperance approaches its task in the Central Texas Conference. Many of us have witnessed the fruits of the alcohol traffic as it has taken its toll in human life and character, and we become more firmly convinced each day that a solution must be worked out for this deadly evil or face the consequences wrought by an alcohol saturated society.

It is our firm conviction that the liquor traffic can be stopped. We hold that the disposition of men to drink beverage alcohol can be changed. We still believe with Frances Willard that "the liquor traffic would destroy the church if it could, but that the church could destroy the liquor traffic if it would."

We pay tribute to the General Board of Temperance for a constructive program which, with prayers and applied wisdom, cannot fail. The Church can lead America to victory over this entrenched evil. Nothing is impossible for God's people when they unite their faith and organize their forces in the power and spirit of a divine Leader who never lets us down. "They always win who side with God, to them no cause is lost."

Too long has the Church depended upon mere laws and moral pronouncements for meeting obligations imposed upon society by alcohol. These are good, but inadequate. We must now combat an amazing public health plague, a terrifying economic scourge, and a baffling complexity of moral and economic problems that have rapidly increased in America under Repeal. Alcohol can and must be overcome. No amount of cynicism about "hongovers" can overshadow the obvious necessity of doing something drastic to prevent alcohol from destroying American society.

Your Board of Temperance has several reports and recommendations that it would like to bring before you today:

1. The Conference School on Alcohol Studies held at Glen Lake last September was a very informative and constructive workshop. Over 100 delegates were in attendance and much fine information was carried back by those in attendance. We predict that results of this school will be felt many years in our Conference.

2. It has come to our attention that the Bishop and Cabinet are planning a series of Interboard Workshops in the Commission Fields for next year. We respectfully request that the field of Temperance be considered in this endeavor, so that the field of Temperance might be adequately presented to the different Districts.

3. One result of the Conference Alcohol School has been plans for District Institutes on Alcohol. One such school in the East Fort Worth District has already been completed and others will follow in the near future. It is our intention to assist in setting up such schools within every District in our Conference during the coming year.

4. The Board of Temperance in a regular meeting went on record as opposing the idea of placing an amount in World Service apportionments for the Building Fund of TANE. It is the feeling of the Board that this is not in accordance with the standing rules of our Conference. The Board recognizes the need and is in sympathy with the program of TANE but does not feel that this item should be allowed to go through our World Service apportionment. We recommend that the support of TANE and its program come through special offerings in each local church. In this manner our Conference would be supporting the work but each local church would have a "choice" in how their money is spent—whereas, if it were to go into World Service, it would lose its "choice" identity and would actually be an apportionment upon each local church.

5. We are pleased to report that the Commitment Day observance in our Conference showed marked improvement during the past Conference year. Each district of the nine districts reporting showed an increase in number of cards signed and number of sermons preached on abstinence. Your Board of Temperance strongly recommends that this program be used in every church on the day allocated and that each person be given the opportunity to commit himself to total abstinence.

6. Several members of our Board are getting specialized training in the General Board fields of study. Coming up soon is a specialized seminar on Re-

habilitation and a Briefing Conference on Christian Social Relations at which our Conference will be represented.

7. Finally your Board suggests that you keep abreast of the growing developments in the legislative aspect of the work of Temperance. Write your congressman and representatives about the important bills coming up that would aid the abstinence program. Only **you** can keep yourself informed . . . and only **you** can do something about alcohol.

As was stated so well in a recent Episcopal Address: "We are stewards of our bodies; we are stewards of our ability to think straight; we are stewards of our time; we are stewards of our money; we are stewards of our influence upon others. All this drives us to one inescapable conclusion; for a Christian, drinking intoxicating liquor is a fundamental moral question and must be faced in the light of conscience and the law of God. We call our people to the high doctrine of total abstinence and ask them to face their Christian duty and their social dilemma in the light of the Gospel of Jesus Christ."

COMMISSION ON TOWN AND COUNTRY WORK

Report No. 1

In reporting the progress of work for the year, we feel it appropriate to remind the Conference that the work of this Commission is geared into every agency of the church which deals with the smaller community. We are not set apart to promote independently any given program or project, but seek to offer cooperative assistance wherever possible. To this end, the objectives of the Conference may best be achieved by considering the Commission on Town and Country Work as liaison and advisory in nature. This is the reason all major Boards, and Commissions are represented on the Commission on Town and Country Work.

There is a growing interest in the Town and Country churches throughout the Conference in the Lord's Acre Projects. There have been variations of the program whereby every member of the church is given an opportunity to dedicate some unit of productivity to the Lord. While the immediate result of such a project is financial, its ultimate objective is spiritual. It focuses attention on the basic Christian concept that man is a steward and accountable to God for his use of possessions and produce. It emphasizes the Biblical principal of devoting "first fruits" to the Lord's work, and unifies the church in a common purpose with the end result of spiritual, financial and social gain.

Our Conference is joining with other Conferences and agencies in providing more training and sharing opportunities for pastors and laymen in smaller churches. Three members of the Commission attended the National Convocation in Green Lake, Wisconsin last fall. A number of our pastors, a layman and one District Superintendent served on panels in the seminar at Southwestern University this Winter. This project is sponsored by the Central Texas, Texas, and Southwest Texas Conferences annually. The Texas Planning Commission has recommended that Town and Country pastors and District Superintendents be encouraged to attend the Rural Church Conference at Texas A. & M. College June 23-25 of this year. The Commission has named a Methodist Representative to the Council of the Rural Church Conference. Perkins School of Theology has been invited to give leadership in the development of a state-wide program of Rural Church achievement and recognition.

The Commission is gradually building a library of books, brochures, pamphlets, film strips and slides which are available to anyone wishing to use them. We have recently purchased a 30 minute film, **None Goes His Way Alone**, which is a challenging account of what actually happened in one small church and what can happen in any church, for that matter. We should like to see this film used by every church in our Conference.

The Executive Secretary has done an outstanding work in his own church. He has also responded to many calls for help in the Lord's Acre Projects throughout the Conference. He has served the interests of the Commission and the Church with untiring devotion.

We are continuing to cooperate with the Conference Woman's Society of Christian Service by placing a Rural Worker in the Conference.

We nominate Robert Haynes for the office of Executive Secretary, without salary.

We request the following appropriations:

Commission Expense	\$ 650.00
Executive Secretary Expense	600.00
Rural Worker, to Apply on Salary	420.00
Rural Worker, Travel and Office Expense	950.00
Car Sinking Fund for Rural Worker	250.00
	\$2,870.00

COMMISSION ON TOWN AND COUNTRY WORK

Report No. 2

For outstanding work in the station church and circuit churches of the year 1957-58 the Commission cites the following:

1. Eureka, Jimmie Mobley, Jr., Pastor for six months. We give special recognition to Ted Spencer for 1½ years of outstanding service.
2. Acton-Cresson Circuit, Ed Otwell, Pastor. Both churches have done outstanding work during the last year.

Following are the requests which we feel necessary for an effective work for the year 1959-60:

Rural Worker's Salary	\$ 420.00
Rural Worker's Expense Account	950.00
Rural Worker's Car Sinking Fund	500.00
Commission Operational Fund	650.00
Executive Secretary's Expense	600.00
National Convocation Expense	1,000.00

COMMISSION ON TOWN AND COUNTRY WORK

Report No. 3

We of the Town & Country Commission have, fully realizing the adverse conditions under which our small town and rural churches are working, emphasized the importance of a "working program" in each and every church. We have seen some of the results of this as we honor these who have made outstanding progress, for which we claim no credit, we only rejoice with them.

I have driven a good many miles and have spoken to a good many of our rural preachers and lay people, explaining the simple procedure and pointing out the possibilities of The Lord's Acre program, of what it has done for other churches in and toward the total program of the church. Several have been worked with amazing results.

We would urge the pastors and laymen of the small and rural churches to realize with us the importance of these churches, the great role they have had in Methodism in America bows only to the future role we can have, and in

the light of this, look upon every church with the realization that it is a charge with opportunity.

ROBERT HAYNES, Executive Secretary,
Town & Country Commission

COMMITTEE ON URBAN LIFE

Report No. 1

Can the Methodists in the United States stand pat in the face of the decline of city churches? That question is no doubt being asked by the ten delegates from the Central Texas Conference as well as the more than 1,000 others from over the U. S. who attended the recent Urban Life Convocation.

Meeting in Washington, D. C. in February of this year, delegates got a startling look at future prospects for churches in metropolitan America.

. . . The U. S. is growing at the rate of a city the size of Omaha, Neb., or Richmond, Va., each month. By 1975, its population will number at least 220 million; by the year 2000, close to 300 million.

. . . About 85 per cent of this growth is in urban area, with 50% of urban growth in outlying sections.

. . . By 1975 only one of every 15 will live on a farm.

. . . Within 10-15 years most cities will be doubling their land space under development.

. . . One out of five Americans moves each year.

These and other facts were brought out as we sought the answer to two fundamental questions: "What does the city do **to** people?" and "What can the church do **for** people?"

Can we relate this 85% growth by 1975 in urban areas to the two Metropolitan Areas in this Conference, Fort Worth and Waco, in the 100,000 to 500,000 population bracket and begin to see the problems and needs that will arise in the next 15 years? Can we expect the cities in our Conference which fall in the 10,000 to 100,000 population bracket to grow proportionately—and if so, can we anticipate some of the needs and problems which will beggar for solution?

Your Committee on Urban Life has had its eyes opened to the tremendous implications in the growing and shifting populations in the United States. A number of ideas that emerged from the Washington Urban Convocation to lift the hopes of men will be useful to city church workers everywhere:

The city ministry will assume increasing importance as the number of urban residents continues to grow.

It is time to take another look at our past withdrawals from city situations and, especially, to make new withdrawals only after careful study.

A city contains many different types of communities and each church's program must be tailored to community needs. The prominent pupil in the city center, the apartment-district church, the institutional church, the church in the industrial district and the church in the suburb **ust** each have its own personality and an appropriate ministry.

It must be recognized that many downtown churches, once well-to-do, cannot continue to be self-supporting. There must be more attention directed to servicing needs rather than to financial independence.

The larger parish and yoked field, familiar in rural work, can be adapted to the city.

Inclusive churches, as to both race and class, are necessary.

Laymen, as volunteers and as paid staff, can carry much of the load of the city church work. They can be used in administrative, program operation, calling, and in specialized services such as counseling when they are qualified.

Better training for city ministers must be developed. Additional specialized seminary work was recommended, as were more workshops to help men already in the field.

Taking these observations (made by THE METHODIST STORY, May, 1958, p. 29) into account and alongside the situations close at hand, it is the feeling of this committee that the scope of their responsibility can be defined as follows:

1. To use every available means in surveying the current urban situation and the church's relation to it and making as clear an analysis as possible.
2. To provide adequate guidance and help in meeting the current problems and needs.
3. To project into the future and anticipate needs and problems and attempt to obviate the problems and prepare in advance to meet the needs.

Though we have set ourselves a task of great magnitude, still we are convinced that it is in the city that the church will win or lose America for Christ. The farmlands, the suburbs, the fine residential areas are not enough. The church must follow the example of Jesus and set its face to go to the city.

COMMITTEE ON URBAN LIFE

Report No. 2

Since the original constituency of the Committee on Urban Life was felt to be inadequate in number and experience to approach the great challenge hurled at it at the Washington Urban Convocation, this Committee, composed of James M. Cooper, John Allen, Ervin M. Gathings and H. Brown Loyd, met and voted to submit the following names in nomination to be added to this Committee:

Leighton Farrell, C. H. Sisserson, C. C. Sessions, Gilbert Ferrell, A. B. McCown, Guy E. Perdue.

In order to carry out the goals that this Committee has set for itself, and in order to cooperate with the Committee on Urban Life of the four other Conferences in Texas in an effort to have a State-Wide Convocation on Urban Life within the next year, this Committee has appealed through the Board of Missions for an appropriation of \$500.00 for the ensuing conference year.

We wish to express our grateful appreciation to Bishop Martin for his encouragement to this Committee in aiding us in securing a large delegation from our Conference to the Washington Urban Convocation. We wish to express gratitude to the following men whose expenses to the Convocation were largely assumed by themselves or by their generous congregation: H. Brown Loyd, James M. Cooper, Robert E. Young, Leighton K. Farrell, H. F. Meier, Alton Ferrill, C. H. Sisserson, C. C. Session, Gaston Foote, Maggart Howell. Bishop Martin also attended the Convocation.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Methodist women around the world have been challenged to action by the program theme for this year, "The March of Missions." As we thoughtfully reflect upon this theme, and upon the advance of Christian missions throughout the world, we find mixed with our gratitude, an awareness of the great unfinished task: to take to every person the knowledge of the abundant life Christ came to bring to all mankind.

In preparation for assuming our responsibility in this great unfinished task the women of this conference felt called to a deeper personal dedication. Therefore, the first conference-wide meeting of the year was a Spiritual Life Retreat which was held at Glen Lake on May 4 and 5. Mrs. Milton Randolph of Nashville, Tennessee, and Rev. John Wesley Ford of Corsicana were the featured speakers. This meeting inspired similar District meetings and many local societies had a Day Apart observance.

In July the Conference Woman's Society of Christian Service and the Conference Methodist Youth Fellowship sponsored a new venture—a mission tour. The purpose of the tour was to give our youth first-hand information on the work of the church, and a vision of the many opportunities for service which are open for Christian Youth, with the hope that they would face anew their own responsibility to Christ and His Church. Thirty of our finest young people went on this tour which covered a distance of more than 3,000 miles. Many different types of work, such as, educational, medical, and social welfare service in urban and rural areas among many different kinds of people, were observed by the group. These young people came back with a new vision of the needs of the world and a deep desire to help meet these needs. Three from this group have dedicated themselves to full time Christian service; one as a minister and two in the field of nursing. After returning home the entire group pooled their resources and sent \$300.00 to one of the institutions which they had visited. Since the tour, there has been a marked increase in giving to the MY Fund, the number of World Friendship Groups has almost doubled, and nine youth have indicated an interest in full-time Christian service to the extent that their names are listed with the Secretary of Missionary Personnel.

During the year one new worker has been recruited. Miss Jane Marie Boyle of Fort Worth, who is a graduate of Texas Christian University and has had special training at Scarritt College, has been accepted as a worker under the U. S. 2 plan and has been assigned to Bethlehem Center, Fort Worth.

Our Rural Worker, Mrs. Jasper Wright continues to do outstanding work in many areas of service. She works with the children, youth, and adults in the Hood County project. Continuously she is seeking out and training potential leaders. She meets and counsels with youth groups, organizes new societies, circles, and guilds, plans and help conduct Vacation Bible Schools, in addition to various other responsibilities.

Workshops on Promotion—which is a new approach to the total program of the Woman's Society of Christian Service—have been conducted on all levels: Conference, district, and local. We hope that before June 1st the results of the workshops will reach every local society and that the work will take on new depth, fresh meaning, and a clearer and more far reaching sense of purpose.

Missionary education continues to be the most popular phase of our work. Last summer 25 attended the Jurisdiction School of Missions, 241 attended the Conference School of Missions, 130 were present for the Guild week-end, 1347 attended the District Educational Seminars, making a total of 1743 who took advantage of educational opportunities on the district, conference, and jurisdiction level. In addition, there were thousands who attended classes in the local

societies and guilds. We are anticipating an even greater attendance during the coming months.

During the year, progress has been made in every line of the work. Five new Societies, one new Guild, and many new circles have been organized. The Woman's Society has gained 1017 new members and the Guild 205, making a total of 1222 new members, which means that the total giving should show a marked increase.

Last year the 14,440 members of the 245 Societies and the 103 Guilds contributed \$121,603.63 to the support of the work in 32 countries around the world. For this year, to date, \$93,825.67 has been given, which indicates that by the end of the fourth quarter the total given will far exceed that of last year. Because of the compelling need, the ripe opportunities, and the inescapable responsibilities, we are hoping that the women of Central Texas Conference will continue to respond generously to this great cause.

The task before us is great, but there is no task too great for Christian women if they are **united, informed, and committed**. We shall continue to strive to go "Forward With Christ" in "The March of Missions."

MRS. JOEL W. HOOPER, Conference President

COMMISSION ON WORLD PEACE

The Methodist Church as is true of all Christians is committed to World Peace as a goal devoutly to be desired and diligently to be sought. There is no disagreement among us on this basic principle.

Our almost insurmountable difficulty is in finding an approach and a method that will inspire a united front and hold promise of effective progress toward the goal. While the church may not presume to propose a specific pattern for peace we have grave responsibility in leading our people into an understanding of and appreciation for those things that make for peace. The bewildering complications and the enormous problems of world relationships discourage the average person from making an effort.

We propose that in every available way and through every appropriate agency of the church we seek to lead our people to some fair knowledge of such factors as disarmament possibilities, dangers of atomic radiation, tariff barriers to free world trade, foreign aid in money and skills, the interplay of racial frictions in international understandings, the place and responsibility of the United States as the champion of freedom, liberty and dignity for all people.

We urge our ministers and lay members to be alert and informed as to the purposes and achievements of the United Nations in matters relating to world peace. We recommend that our people encourage legislators, congressmen and other government officials in their honest efforts toward better understanding between the peoples and nations of the earth.

We call attention to certain special days and occasions when the church can more effectively exert its influence for peace, such as United Nations Day October 24, World Order Sunday, November 9, Halloween as the time for the "Trick or Treats" program of support for CROP, and the Christmas season for particular emphasis on brotherhood and peace.

We remind all our people that there is abundance of helpful literature available through our General Board of World Peace. Through local committees and study groups this could be channeled to the various congregations as a

valuable supplement to the general program of emphasis on brotherhood, peace and the Kingdom of God.

We believe that our God is ready to bless every consecrated and intelligent effort of the followers of the Prince of Peace as we seek to understand and follow his way.

EDWARD R. BARCUS

"How oft have I,
A Little child, hearkened my father's
voice
Presenting the Word . . .
Again I see these circling, eager faces;
I hear once more the seldom-urging
words
That tell the things of God in simple
phrase;
Again the deep-voiced, reverent prayer
ascends,
Bringing to the still summer afternoon
A sense of the eternal. As he preached
He lived; unselfish, famelessly heroic."

As one of the sons of Dr. Edward R. Barcus informed this writer of the death of his father, on the morning of March 5, 1958, these words of Richard Watson Gilder's poem seemed to stand forth from the glistening eyes of the man who said, "Dad's gone to heaven."

Dr. Edward R. Barcus was born in Camden, Ark., February 22, 1873, the son of the Rev. and Mrs. Edward Reaman Barcus. On Jan. 1, 1900 he was united in marriage to Miss Susie Cyrus of Cleburne, Texas. To this union were born four children, twin boys and two daughters. The twin sons have followed the footsteps of their father and grandfather; they are Methodist preachers: The Rev. Ed. R. Barcus, III, and Dr. Volney Cyrus Barcus. The two daughters, Mrs. Otis Jernigan, (Roberta) and Mrs. C. B. McEachern (Annie Stratton), continue as loyal members and workers in The Methodist Church. Their mother preceded their father to the eternal home, in the year 1945. Several years after the death of Mrs. Barcus, Dr. Barcus married a girlhood friend of his wife, Mrs. Fannie Mitchell.

Dr. Ed. R. Barcus attended Southwestern University in Georgetown, Texas, receiving the B. A. degree; he attended Vanderbilt University in Nashville, Tenn., receiving the M. A. degree. His Alma Mater, Southwestern University, for his outstanding work as a Methodist Preacher and Administrator, conferred upon him the Honorary Degree of Doctor of Divinity.

No more apt designation is at hand than just that; as a Methodist Preacher he was indeed a Doctor of Divinity. The persuasive force of his preaching of the unsearchable riches of Christ made his hearers rich in deed, and lives on in the vigorous life of some of the most notable Churches in the several Conference of Methodism in Texas. In the North Texas Conference, he served Oak Cliff, Oak Lawn, and Grace Churches, in Dallas; together with Pastorates at Floral Heights (Wichita Falls) Travis Street (Sherman) and First Church, Denton.

In the Texas Conference, he served as the Presiding Elder of the Huntsville and the Jacksonville Districts, and as Pastor of the Marvin Methodist Church in Tyler.

In the Central Texas Conference, the First Churches of Temple and Mineral Wells received the benefit of his masterful preaching and pastoring; and he also served as the Presiding Elder of the Georgetown District.

In the Southwest Texas Conference, the First Methodist Church of Austin stands across from the State House of Texas, its very location a lasting tribute to this man's singularly far-sighted gift for Church administration. It was the

disciplined genius of Dr. Ed. R. Barcus' vision which initiated the purchase of this commanding property west of the Capitol grounds, and moved the Church from 10th St. to the present location and building.

The above recital of the successful Pastorates of this most remarkable servant in the Church which he so ably loved is but the faintest reflection of the man himself. He was enabled to do what he did for the glory of God in the Church because he was a man who (as James 1:25 says) "continued to look steadfastly into the perfect law of liberty, not as a forgetful hearer, but as doer of the work . . ." Small wonder that he sturdily stands today "blessed in his deed."

Dr. Barcus was in all things the gentleman. In him the "holiness" enjoined by Wesley and a masculine dimension of "beauty" of cultured ruggedness were not only met together in the life of the man, but also ever attired as such. This handsome unity was obvious to the most casual observer, and he was the kind of a man that passers-by along the street turn to see again, and go their way rejoicing that they, too, are of the same human race as their exceptional man. Here was the true gentleman of God, a Methodist Preacher, no less such throughout the week than when, of a Sunday morning, he stood in the pulpit, and through the sheer wizardry of his words employed to lift aloft the Living Word, caused men and women to be lifted up, too, bigger and better persons.

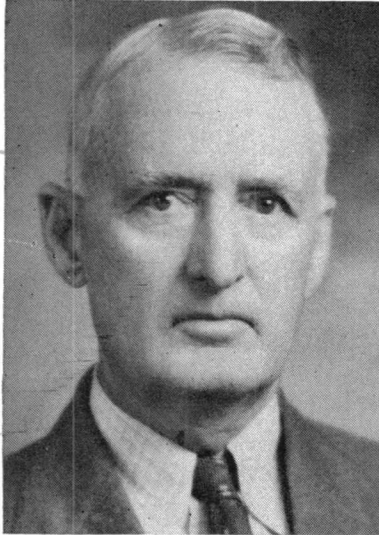

He was a man of unusually penetrating wit—which is to say, also, wisdom. Judged by the standards of the Judge of all the earth, Dr. Barcus was a good man and great. He was born with a bent toward the best. He inherited the saintliness of a good mother and the integrity of a great father. At the end of his eighty-six years he could have issued Samuel's challenge, "Behold I have walked before you from my childhood. Whom have I defrauded? Whom have I oppressed? Of whom have I received any bribe to blind mine eyes therewith?" All who knew him would reply. "Ed Barcus you are not guilty."

On March 5, 1958, the day of his death, a friend of the twin sons of this good man and great, wrote them, "I believe that our Father in heaven must have wiped tears of joy from His eyes when your father entered there. Dr. Barcus was truly one of God's chosen noblemen, and I am confident he entered heaven with his flags flying, his wit and intelligence sparkling, his kindness and generosity adding even to that glory world." Even so.

And that added glory beckons to us, too, as we are reminded of Matthew Arnold's tribute to his own father in RUGBY CHAPEL:

"But thou would'st not ALONE
Be saved, my father! ALONE
Conquer and come to thy goal,
Leaving the rest in the wild.
.....
Still thou turnedst, and still
Beckonedst the trembler, and still
Gavest the weary thy hand!
. . . to thee it was given
Many to save with thyself;
And, at the end of they day,
O faithful shepherd! to come,
Bringing thy sheep in thy hand.
.....
On, to the bound of the waste,
On, to the City of God."

FRED BENKLEY

WESLEY H. KEENER

Wesley Henry Keener was born in Hope, Arkansas July 19, 1877. Both parents died when he was a small boy, and he made his home with an uncle, coming to Texas at an early age, settling in Ellis County.

On August 14, 1900 he was married to Miss Nannie Evans. Eight children of this union survive, four sons and four daughters.

His second marriage was to Mrs. Cora Bell Woodlan on November 5, 1942.

Brother Keener was converted in an old-fashioned Methodist revival at Garrett, near Ennis, in the summer of 1904. At that time he became a member of The Methodist Church.

He engaged in farming in Ellis County until feeling the call to the ministry. He attended Polytechnic College in Fort Worth where he prepared for the ministry.

Brother Keener was admitted an trial into the old Northwest Texas Conference meeting at Amarillo, Texas, November 6-12, 1907. He was admitted into full connection and ordained Deacon by Bishop Key at Stamford during the conference meeting there November 10-18, 1909. He was ordained Elder by Bishop Atkins during the conference meeting at Palytechnic Navember 8-12, 1911. Brother Keener spent his entire ministry within the bounds of the Central Texas Conference following division. During twenty years of service he served the following appointments: Peoria Circuit (1907-1909); Bosqueville Circuit (1909-1910); China Springs (1910-1911); Aquilla Circuit (1911-1914); Conference evangelist (1914-1915); Midway Circuit (1915-1917); Hamilton Circuit (1917-1919); Commanche Circuit (1919-1921); Talpa Circuit (1921-1922); Blanket Circuit (1922-1924); Munger Circuit (1924-1925); and Thornton Circuit (1925-1926). After retirement in 1927 he engaged in farming near Ennis until moving to Fort Worth in 1941.

Brather Keener was a veteran of the Spanish American War and had been in and out of hospitals many times since being wounded in that war. He passed away in the Veterans Hspital at Dallas on Monday marning, March 31, 1958.

Funeral services were held from Saint Mark Methodist Church in Fort Worth where he had been a faithful worker for the past seventeen years, conducted by the undersigned and the Reverend W. A. Flynn, on Wednesday, April 2, at 10:00 o'clock. His body was laid to rest in Laurel Land Cemetery in Fort Worth.

Brother Keener is survived by his widow, Mrs. Cora B. Keener of Fort Warth; a brother, Jahn of Paris; four sons and four daughters as follows: Ernest E. Keener of Washington, D. C.; Vaughn Keener of Dallas; Solon Keener of Englewood, Calif.; and John Keener of Ortec, Oregon; Mrs. A. B. O'Banion of Kirbyville; Mrs. Mildred Latino of Bellflaur, Calif.; Mrs. J. D. Gray of Ennis, Texas and Miss Dorothy Keener of Mexia.

Brother Keener was active in every phase of the wark at Saint Mark. He organized the Fellowship of Prayer in that church in 1941 and was active in the Men's Bible Class. He never missed a service at his church, including the Wednesday evening prayer meeting, unless he was ill. A layman of his church, Mr. Cecil Simonds, who writes poetry as a hobby, spoke these wards of Brother Keener a few months before his passing, and they express so much about him that I wanted to share them here:

Morning and night, year after year,
In the same old pew is he.
Retired you say? He's not retired
Nor will he ever be.

Not from the pulpit does he work,
Where once he firm did stand.
He daily lives his sermons out,
By deed and helping hand.

No spoken word could be more plain
No written word more true.
Than the silent message sent each week,
From Brother Keener's pew.

THEODORE MOBERG

Theodore Moberg, son of August and Matilda Moberg, was born in Sweden on November 28, 1884. He came to the United States about 1900 and settled in New York. Doctor Moberg worked in a bank prior to entering the ministry, and at one time planned to become a teacher. However, when the call came to him to become a minister, he laid aside all other plans and prepared himself for the ministry.

Doctor Moberg was converted early in life and united with the Lutheran Church in Sweden. After coming to the United States, he joined the Methodist Episcopal Church. He received his theological work at Garret Seminary graduating with a B.D. degree and persued further studies at Northwestern University.

As an itinerate preacher, Doctor Moberg had a varied and yet rich ministry. He was admitted to the Illinois Conference in 1908 and was stationed at Kewanee, Illinois. He was transferred to Falconer, New York in 1909, served twice in Andover, Illinois, 1910-1915 and 1917-1924. He was stationed at Humbolt Park, Chicago, 1915-1917. In 1924 he was appointed District Superintendent of Jamestown District, New York Conference. In 1928 he was appointed to the First Swedish Church, Minneapolis, Minn. In 1932 he was transferred to Texas and was appointed to Central Methodist Church, Austin, Texas from 1932-1937. It was in 1937 that Doctor Moberg came to Texas Wesleyan College as Endowment Secretary and later was appointed head of the Department of Philosophy and Religious Education. Upon retirement in 1957, he joined the staff of the Texas Alcohol and Narcotic Education and was in their employment at the time of his death.

Doctor Moberg's ministry was evangelical. He had a passion to help people. During his service at the College, he asked for a church where he might extend his ministry and was appointed to the Fostepco Heights Methodist Church in Fort Worth in 1944 where he led the congregation in constructing a beautiful sanctuary and educational unit. He doubled the membership and gave to the people a progressive program of Christian service. He was truly a choice spirit,

Doctor Moberg made friends wherever he went. He was held in high esteem by the business men of Fort Worth and was beloved by the faculty and student body of Texas Wesleyan College. His faith was deeply rooted in the scriptures and he loved his fellowmen. There was no question of his loyalty to Christ and his Church.

Doctor Moberg was married first to Miss Julia Peterson of Hobart, Indiana, whose death occurred soon after moving to Fort Worth. To this union were born two sons and one daughter: Russell Moberg, Prescott, Arkansas; Ellsworth Moberg, Austin, Texas; and Mrs. Vivien Wilkening, Dallas, Texas.

On September 2, 1939 he was married to Miss Astrid Ojerholm of Austin, Texas. To this union two children were born: Julie and Ted. He is survived by Mrs. Astrid Moberg, all of his children mentioned above and three sisters: Mrs. Anna Richardson, Burlington, Iowa; Mrs. Bertha Adolfson and Mrs. Edith Johnson both of Sweden, and four grandchildren.

Doctor Moberg died February 9, 1958. The funeral services were held in the Polytechnic Methodist Church conducted by H. Brown Loyd assisted by Hayden Edwards and W. W. Ward. Burial was in Rose Hill Cemetery.

MRS. HOMER KLUCK

Mrs. LeRuth Kluck, wife of the Rev. Homer Kluck, lived a brief but very full life during the 25 years she blessed the home of her parents and later her husband.

LeRuth was born on August 21, 1932 at Temple, Texas. She was the daughter of Mr. and Mrs. A. L. Bentley, Everman, Texas. During her childhood she moved with her parents to Tarrant County. She gave her life to Christ as a child, joining The Methodist Church at Bartlett, Texas where her father was the Superintendent of Schools at the time.

After graduation from High School, she attended Texas Wesleyan College, Fort Worth, Texas, and was awarded her degree as a graduate from that institution in 1953.

On July 31, 1953 she was married to the Rev. Homer Kluck, a member of the Central Texas Conference. With this marriage began several years of delightful service in the Methodist Parsonage which she graced beautifully. By personality and temperament she was well suited to be a preacher's wife. Because of her many talents and the winsomeness of her unselfish concern for others, she was much in demand as a speaker and leader in the work of the Woman's Society of Christian Society, becoming a Conference officer even despite of her youth.

LeRuth's death came very suddenly on February 12, 1958, after apparent recovery from an attack of influenza. The memorial service was held on February 14th at the Wichita Ave. Methodist Church, Fort Worth, Texas. She was a member of that church with her parents prior to her marriage. The service was conducted by Dr. Erwin F. Bohmfalk, assisted by Bishop W. C. Martin, Rev. Mike Patison and Rev. Martin Bledsoe.

Her survivors include besides her husband, a daughter, Marguerite Marie, (born July 31, 1957), and her parents, Mr. and Mrs. A. L. Bentley.

LeRuth and her husband had moved to the Bethel Charge, Fort Worth District West, only two weeks before her death. The church had taken them both into their hearts so completely and thoroughly that the shock of her sudden death saddened the entire membership. The affection with which she was held by hundreds in the Central Texas Conference was in evidence by the presence of scores of ministers and their wives, completely filling the sanctuary and all other rooms made available for the memorial service.

No, not cold beneath the grasses,
Not close-walled within the tomb;
But rather in my Father's mansions,
Living in the other room.

ERWIN F. BOHMFALK

MRS. P. W. LAYNE

Mrs. Edith Barbra Layne, wife of Rev. P. W. Layne, was born at Oglesby, Texas on August 12, 1892 to Mr. and Mrs. Will McKelvy. She married P. W. Layne in April, 1908. In 1900 she was converted and became a member of the Methodist Church and was very active in the church as long as her health would permit.

Mrs. Layne, an invalid for ten years as a result of a heart stroke, died on June 20, 1957 in her home at Oglesby. The funeral was held in the Oglesby Methodist Church with Dr. Roy Langston, and Rev. Tany Campbell, pastor officiating. The burial was at Davidsan cemetery, near Oglesby.

Her survivors are: her husband, Rev. P. W. Layne, and her son, W. C. Layne, both of Oglesby.

Mrs. Layne was a devout and faithful Christian wife and mother. She was loved and admired by people wherever she went. Especially was she dear to the hearts of the people of her home town, Oglesby.

MRS. J. C. MIMMS

Mrs. J. C. Mimms was born April 24, 1876 in Athens, Tennessee, and departed this earthly life on August 28, 1957.

It has not been possible to secure many details of her life, but the following facts have been gleaned from the records of the Conference. For sixteen years Mrs. Mimms went with her distinguished husband to appointments in our Conference. Brother Mimms transferred to the old Northwest Texas Conference in 1900 from the North Mississippi Conference, and served the following appointments: Rice, Kerens, Taylor, First Church in Weatherford, Mexia, Missouri Avenue in Fort Worth, Beltan, Ennis, and Midlothian. In 1917 he was granted at his own request an honorable location.

In 1951 Mrs. Mimms entered the "Hermitage" the Virginia Methodist Home for the Aged. The Rev. Bernard S. Via, the Administrator of the Hermitage, has written this statement concerning Mrs. Mimms:

"Mrs. Mimms was energetic, vitally interested in the Church and its program of activities. Constant reader of devotional, inspirational and informative printed matter. She was self-employed for some years though found it difficult to earn sufficiently for her needs. Her total income was insufficient to meet one-half the cost of her care in the Home. In the Home she proved to be a good member and was well liked by other members. Due to intense suffering in three years of illness there was natural change as was to be expected. Death came as indeed a friend to set her free from physical pain and mental anxiety. Her funeral services were held at the Woody Funeral Parlors, Richmond, Va., with Dr. A. Purnell Bailey, pastor of Centenary Methodist Church officiating. The body was cremated and the ashes are to be placed in the family plot at Emory, Va., at the pleasure of the family."

MRS. N. J. PEEPLES

Mrs. N. J. Peebles was born February 27, 1882, at Dyersburg, Tennessee, and was christened Birda Mae by her parents, Louis and Jackie Hollingsworth.

In early childhood she accepted Christ as her Saviour, and united with the Christian Church, in which fellowship she remained until her marriage to the Reverend N. J. Peebles on February 26, 1901. Following the ceremony performed

by the Reverend W. A. Acuff in Heloise, Tennessee, she took her place in the membership of The Methodist Church where she graced the parsonage and endeared herself to the people where her husband served.

In the finest traditions of motherhood and minister's wife she endeared herself to the congregation while setting an example in resourcefulness and industry in her own home.

When Brother Peeples answered Final Roll Call on May 10, 1934, Mrs. Peeples continued to live at Corsicana for a time, later moving to Texas City, Texas, her home at the time of her death November 26, 1957. Services were conducted in the Sanctuary of Eleventh Avenue Methodist Church, Corsicana, Texas, on November 29, 1957, with the pastor, M. Howard Knox, and the Reverend J. F. Adams in charge. Burial was in near-by Hamilton Cemetery.

Survivors include L. J. Peeples, L. H. Peeples, and W. C. Peeples, her sons; and two daughters, Mrs. O. M. Akers and Mrs. W. A. Reese. She leaves fifteen grandchildren, and eighteen great grandchildren.

Mrs. Porter died quietly at her home, 1819 Fifth Avenue in Fort Worth, after a short illness, March 3, 1958.
