VI—REPORTS

DISTRICT SUPERINTENDENT'S COMPOSITE REPORT

Bishop Martin, Brother Ministers, Lay-Delegates, and Visitors of the Conference, it is a high privilege to present this Composite Report for the ten District Superintendents of this Conference for 1962.

Whatever success has been attained in any area of our work, we give credit to our loyal and courageous Pastors and their faithful wives, to our devoted Laymen and Laywomen who love the Church and desire to see her go forward, to our beloved Bishop and his Wife. It was a good day for the Central Texas Conference when Bishop and Mrs. William C. Martin were assigned to this area. Mrs. Martin has proven herself at all times to be a true friend of the parsonage families. Bishop Martin has endeared himself to every Pastor and Church, because we have always known that he is deeply aware of our needs, and kindly concerned about our personal welfare. Yet, above all of these, we know our greatest gratitude must go to our Heavenly Father, who has dealt with us in mercy and blessed us richly—"to Him be all the Praise and Glory"—for every worthy accomplishment.

As we proceed through this report, let us not become bored with so many figures and statistics. Rather, let us remember that everyone of these figures represent a host of things including love, sacrifice, consecration, work, prayer, thought, and a deep sense of devotion to duty and the finer and more abundant way of life.

The progress in the field of Christian Stewardship has been gratifying. Across the state, our Capital Funds Campaign for Higher Education has reached the eleven million dollar mark of our goal of thirty-two million. With great pride, I report to this conference, that the ministers of the Central Texas Conference lead all the other ministers of the other conferences across this state in giving or in pledging in this campaign. Also, we have given \$98,649.00 for the support of the Texas Methodist College Association, and \$33,381.00 for the support of Wesley Foundation Work. In our local churches, Stewardship has not been left without emphasis. 225 of our churches have had Every-Member Canvasses at the time of the writing of this report. I am sure others have been implemented since this report began to take shape.

During the year, in the field of Evangelism, while our theme has been "Our Business Is People," we have found reasons for gladness because there have been 3,837 received on Profession Of Faith; 5,131 have been received by Certificate; this makes a total of 8,968 received into the fellowship of Christ's Church. In addition to these, there have been 1,217 infants baptised at the altars of our churches. This year across our conference 28 young men have responded to this call to Preach and have been licensed. Thanks be to God when young men have witnessed and experienced the hand of God upon their hearts, calling them to the high and Holy Task of preaching the Gospel. We say thanks to our Conference Board of Evangelism and to our Bishop for leading us in this field.

We have in our Central Texas Conference: 360 Church Schools with an enrollment of 76,330 and an average attendance of 40,690; 330 M.Y.F.'s and M.I.F. organizations in the youth work of our conference with an enrollment of 9,497 youth and an average attendance of 5,026. 159 Training Schools were conducted this year with an enrollment of 3,687; 3,664 attended Camps, Retreats, and Assemblies; 161 youth made commitments to Christian Vocations; 239 Vacation Church Schools were conducted with an enrollment of 16,394 children. 11,135 of our people receive the "Texas Methodist," while 3,145 of them receive the "Together" Magazine. We have 145 Methodist Men's Clubs with an enrollment of 5,744 men; 311 of our Churches observed Laymen's Day. There are 240 Women's Societies of Christian Service with a total membership of 12,079; 110 Wesleyan Service Guilds with a membership 2,381. 114,775 is the present total membership of our Churches with an average Morning Worship Attendance of 38,046, and an average Evening Worship attendance of 17,444.

Many of our Churches have been faced with needs for expansion. As a result, 20 new Church Buildings have been constructed at a cost of \$410,211.00. 168 Church Buildings have been repaired at a cost of \$161,393.00. Many Churches have been paying on their indebtedness as is indicated by this figure of \$858,669.00 paid on indebtedness. Our Churches have shown concern for their Minister's Parsonages. 11 new Parsonages have been constructed at a cost of \$183,449.00; while 115 Parsonages have been repaired at a cost of \$174,332.00.

We have organized 3 new Churches during this Conference Year, while discontinuing 2; we have relocated 2 and merged 1.

Our people are always mindful of the needs of others around the world. The following figures will show their response to those needs: For World Service and Conference Benevolences—\$305,583.00; For Advance Specials—\$99,093.00; For World Wide Communion Offering—\$7,890.00; For M.C.O.R. work—\$3,865.00; For Alaska College—\$2,044.00; For Latin American Work in Texas—\$8,827.00; For The Week Of Dedication Offering—\$6,668.00; For The Methodist Mission Home Of Texas—\$10,745.00; For The Radio and T. V. Ministry—\$3,922.00; For Methodist Student Day Offering—\$3,496.00; For The Methodist Home of Waco—\$96,879.00; For Church School Rally Day Offering—\$3,910.00; For Retired Minister's Homes—\$15,640.00; For Race Relations Day Offering—\$4,655.00; For Texas Alcohol Narcotic Education—\$5,326.00; For Golden Cross Service—\$11,589.00; For Wesleyan Homes Inc.—\$18,006.00; For Conference Specials—\$57,534.00; For District Missions Work—\$31,537.00; For The Conference Builder's Club Work—\$15,470.00. The total of all finances raised for the work of the Kingdom, at home and around the world is \$6,126,961.00. This represents a substantial increase over a year ago.

The following infants have come to bless our Parsonage homes during the year. They are:

COMMITTEE ON "AN ANALYSIS OF BASIC FACTORS OF CHURCH GROWTH" In Churches of the CENTRAL TEXAS CONFERENCE of THE METHODIST CHURCH

by Richard A. Myers

Executive Director, Bureau of Research, The Church Federation of Greater Chicago and the Illinois Council of Churches.

Forty-two per cent of the churches of the Conference report part-time ministers and fifty-eight per cent full-time; a few of the full-time churches report more than one pastor. Twenty-one per cent of the part-time churches are being served by students, eighteen per cent by ordained ministers serving more than one church, and five per cent by laymen.

Among the full-time pastorates, fifty-four per cent report no secretarial staff, sixteen per cent have part-time secretarial help with thirty per cent reporting full-time secretarial help. Ninety per cent of the churches report no Director of Christian Education.

Since the great majority of churches report that only a few more classes can be added, other program factors must be examined that can produce expansion of membership and program in the immediate future.

While fifty-five per cent of the churches of the Conference report one full-time pastor, only one out of four report full-time secretarial help. If the other three-fourths of these churches were to add full-time secretaries, this could be the method for the most rapid increase of effectiveness for those churches. Such an expansion of church staffs would produce a dramatic increase of members across the Conference in a relatively short period of time (the length of time for the increase to take place depends upon the speed with which pastors can learn to make most efficient use of a secretary's services).

Studies by the writer have demonstrated that a full-time secretary increases the effectiveness of the pastor by relieving him of those mechanics of the church office that can most accurately be described as clerical or secretarial. Such secretarial help gives the pastor additional time for work on other parts of the church's program and results in an increase of two hundred to two hundred fifty more members than reported by churches that do not have secretaries, even though reporting the same number of church school classes. It has been discovered that without a full-time secretary, churches begin to "level-off" around 350 to 400 members even though additional programs are added; the pastor, in other words, has reached the limit of his ability to "odd" without at the same time "dropping" something else, therefore membership levels off.

With a secretary on the staff, the leveling off process does not begin until around 650 members, but by the time the membership has reached 750, the church again has lost its ability to grow. By that time, the church will have approximately twenty-five church school classes and will need to add more staff before regaining the ability to grow further.

The next big step for a large majority of the full-time churches of the Central Texas Conference will be to add a full-time secretary to make the work of the pastors more efficient and effective.

Since only thirty per cent of the churches have plans to increase their church school facilities, some other method of expansion must be found. Churches that are unable to add more church school classes should plan to add another church school session. While some churches in rural communities will find it difficult to add another Church School session to Worship Service, most of those churches will be able to add more classes since their buildings are not used to as near capacity as the churches in the urban communities.

Additional church school sessions must be accompanied by additional church **Worship Services** since Chart No. 11 revealed that one out of every two churches with full-time ministry already shows signs of crowding with more than sixty per cent of their seats used on an average Sunday morning with one out of three reporting over-crowded sanctuaries with more than seventy per cent of the seats full. This factor alone will impose a "ceiling" on the growth of Conference membership if it is not corrected. When sanctuary attendance is approximately seventy per cent of capacity, the number of non-members attending tends to be smaller. This, in turn, will cause the church growth-line to level-off since not

enough new people are brought into the church's program and service to continue its membership growth.

Another reason for adding worship services, when adding church school sessions, is to provide opportunity for every church school teacher to attend church. A number of churches that have added church school sessions without providing at least two church services, experienced great difficulty in maintaining a staff of teachers for the church school session held simultaneously with the worship service since those teachers had no opportunity to attend worship. It has been discovered that with **two** worship services, however, that two or more church school sessions can be maintained since the teachers will have an alternate worship service to attend.

In order to carry out the staffing of additional church school sessions, it will be necessary for most churches to lay the ground work for the expansion of its teaching staff. Most pastors, when asked if they can staff another fifty to one hundred per cent increase in classes, will exclaim, "Where in the world will we get enough teachers?" This reaction indicates that the church does not have a Young Adult class. Such a group is the source from which most teachers and church leaders come. When it is necessary to obtain more leaders, they must come from such a group. Most churches, therefore, will need to organize Young Adult classes in order to recruit persons to serve as teachers and leaders in the expanded church school program.

The organization of adult groups is a technical and specialized development of group work and should not be attempted without advice.

The long range plans for most of the churches should include an emphasis upon expansion of educational space and in most instances expansion of sanctuary space as well.

As churches look at their future, they should not begin with the assumption of "making do" by adding on to one or another part of their building, without taking into account their total Master Plan for the future. A number of churches should, as a temporary expedient, expand their number of sessions, rather than adding educational space immediately, while they plan for the total needs of the church for both educational and sanctuary space. Such total planning may indicate the need for a new building rather than an expansion of the present building.

It is recognized that such decisions will be extremely difficult to make, but we are now moving into a new era of history when seventy-five percent of the people will soon be living in urban communities. We dare not bring church structures into this kind of a community that are but a continuation of buildings, that while they may have been adequate for the earlier days of our history, can not provide the church with an adequate basis for service in the urban community when so many people are to be served.

We must measure ourselves, not by our strength, but by the needs that are yet to be served.

Recommendations

Recommendations for action were made throughout Dr. Myer's report as the various basic factors were discussed. The following list of recommendations is a summary and reminder of the more important ones. Every church of the Conference will be affected by one or more of the recommendations.

1. Each church shall appoint a special "Study and Planning Committee" to relate its own data to this report.

a. This Study and Planning Committee be composed of personnel of the Pastoral Relations Committee and additional Commission Chairmen.

b. That this Committee be implemented and oriented at the First Quarterly Conference.

c. That this Committee report in writing to the Fourth Quarterly Conference.

2. Churches with space for additional church school classes should add as many classes as space will permit. (Such churches should use the film-strip, "Let's Face It.")

3. Churches with more than fifty percent adult church school attendance should add classes in the children or youth department.

4. Churches that cannot add more **classes** should schedule another church school **session**.

5. Every church with fifteen or more **classes** and three hundred more members should add a **full-time** church secretary to the staff.

6. Every church with twenty to twenty-two classes and six hundred or more members should add a Director of Christian Education to the staff if not already present.

7. Every church should add a young adult class unless one has been organized during the last three years. It must be realized that the potential of leadership resident in the classes of young adults can best be effectively utilized only when these persons are properly challenged to accept responsibilities meeting the needs of the Church. By contacting the Conference Board of Education office, aid can be given in implementing these procedures. It is further urged that constant study be made in terms of more youths, adults, and retired people being placed in part time, and full time, salaried and unsalaried positions, in the churches of our Conference who need staff help.

8. Every church with Worship attendance averaging sixty per cent or more of seating capacity should schedule another church service.

9. Churches with less than sixty per cent of sanctuary capacity in use Sunday morning should organize more programs by starting more groups in the "Other" organizations which will result in more **members attending** church.

10. Building Master Plans should be developed for every church that will provide the required educational, worship and parking space for the future.

The above recommendations are made on the assumption that all the easy and traditional methods of evangelism have failed to bring about a dramatic "breakthrough" in Conference membership gains. This report has applied knowledge of the basic factors of individual church growth to the level of a Conference strategy to bring a collective strategy for Conference growth that will be comparable to results obtained in individual church growth.

It is recognized that not all the foregoing recommendations can be put into effect with in the next few months, but several can be implemented for the 1962-63 Conference year. No church will need to wait for a conference program in order to start implementing some of the recommendations within its own organization. Some of the recommendations will need to be developed into Conference Emphasis if they are to be implemented on a conference wide basis with an agreed upon time-table.

BOARD OF CHRISTIAN SOCIAL CONCERNS**Report No. 1**

In August 1961 the ten district directors of the Board of Christian Social Concerns, along with the vice-chairman, attended the Briefing Conference at Mt. Sequoyah, Fayetteville, Arkansas. This conference was conducted by the Jurisdictional Board of Christian Social Concerns.

Special Days were observed in local churches as the Board gave direction to the local Commissions on Christian Social Concern.

Recommendations

We urge the Legislature of Texas to amend the Driver's License Act to provide that an applicant for such license shall be required to agree to take a chemical test (breath), in any case in which he is suspected of driving under the influence of intoxicating liquor.

We recommend that the basis for support of Texas Alcohol-Narcotics Education, Inc., from the churches be twenty-five cents per resident member; two cents per month per resident member or $\frac{1}{2}$ of one percent of the operating budget, exclusive of building and repair funds.

We recommend the continuation of the amount of \$1,020.00 to T.A.N.E. for the building and equipment funds.

The Board expresses its continued opposition to the Carling Brewery building in Fort Worth.

It hardly seems necessary to call any pastor's attention to the evils of pari-mutuel betting and all the detrimental social factors incident thereto; however, the membership of our respective churches need to be aroused to defeat any such attempt.

Your Conference Board joins with the Boards of other Texas Conferences and the Texas Council of Churches in requesting that all pastors call this matter to the attention of their memberships and constituencies with an urgent request that they go to the polls on May the fifth and by their vote defeat any effort to legalize gambling in our state.

We express our appreciation to the office of the Attorney General for the stand taken on the litigation involving the use of the non-denominational prayer in public schools, that our Nation is created "Under God" and as such due recognition should be given to His Sovereignty.

BOARD OF CHRISTIAN SOCIAL CONCERNS**Report No. 2****Race Relations**

Precisely because Christ is Lord we have been called and set apart to seek for better Christian relations among the races of mankind. Therefore, be it resolved that we continue to give creative and redemptive support in the church and society towards the realization of a Christian community in our day.

We encourage our ministers and laymen to be familiar with the Methodist Affirmation on Race Relations and the Social Creed of our church, as presented in the Methodist Discipline. "That Methodists in their homes, in their work, in their church, and in their communities actively work to eliminate discrimination

and enforced segregation on the basis of race, color or national origin; that as a church we pursue a program of education and action to bring about Christian practices with respect to housing, open occupancy, schools, opportunity of employment, and community acceptance which, in the spirit of Christ, creates a sense of belonging." (Par. 2026 #2, page 707)

We encourage and support those who are in a position of leadership in our church related institutions to give positive leadership and interpretation of the Methodist position on race in order to bring about Christian practices in harmony with the Gospel of Christ.

We realize that this is a very difficult area of Christian concern and it would be easier and expedient to remain silent, however, God has not called us to a life of popularity and expediency, but to a ministry of all inclusive love.

Report No. 3

We re-affirm our support of the National Council of Churches and the World Council of Churches as agencies through which Methodists can best cooperate on the National and World levels.

"Christmas for Christ" stamps again were provided to help our pastors and people preserve the sacredness of this day in face of so much commercialization of this event.

We urge the observance of all special days called for in the Discipline and placed in the program of our conference.

We commend those people who promote good will and factual information rather than giving credence to biased and untruthful statements and accusations concerning groups of persons. We encourage Methodists to continue in the good traditions of our Christian social heritage.

Report No. 4

The menace of gambling has become the number one racket in this nation. More money is spent on this evil than on national defense. Estimates say that 47 billion dollars is being legally and illegally gambled away each year. Experts agree that gambling today is the most lucrative, most destructive, most widely tolerated form of crime in the country.

Few people realize, when a bet is placed with a bookmaker, that money is put in the treasure chest of the underworld and the better is taking part in one of the most corrupt influences in our society. The gambling habit is corrupting the moral, political, and social fabric of our nation. It is estimated that approximately 70 million addicts are gambling in America.

Seven million of these are compulsive gamblers, nearly two million more than alcoholics. Efforts are being made continuously to influence Congress to adopt a national lottery. Each year a congressman from New York seeks to introduce such a bill.

Steps recently taken in our state, and the overwhelming vote cast in its favor, on the pretext that the state must depend upon millions of dollars of revenue derived from pari-mutuels, is a weakening of the fiber of democratic society. Greed, selfishness, or the desire to get something for nothing at the cost of another seems to be the motivating force. We are aware that anything that harms or enslaves human personality is contrary to God's law. Gambling harms personality and seeks to corrupt it. The gambler hurts himself by fostering harmful attitudes and feelings within himself. For people who are spiritually and morally impoverished, gambling can become an addiction. It is a betrayal of Christian stewardship; it is the misuse of time, talent, and treasure.

Gambling is a parasite; it produces nothing, performs no useful service, and undermines the dignity of labor and destroys wholesome fellowship.

Gambling is invariably controlled by gangsters and the underworld. It harms legitimate business by draining off great sums of money which would have been used to buy useful goods and services. It violates the teachings of Jesus and the prophets concerning social justice and righteousness.

What can local churches and individuals do to solve the gambling menace?

1. Share with others and with your community the facts.
2. Be prepared to resist by public pressure any future legalization of gambling.
3. Set up a study committee in the church or county to investigate gambling and make the results publicly known.
4. Take an active part in state and local politics and use your influence to oppose all gambling.
5. If charity, civic or fraternal organizations engage in illegal raffles or bingo, report your opposition to law enforcement officials.

Here the churches have a special responsibility to develop higher standards of moral integrity. The pulpits must give more attention to basic Christian ethics. Youth must know why it's wrong to gamble. Local churches and annual conferences must be ready to mobilize their opposition to any attempts to legalize gambling effectively and quickly. The local church commission needs to have someone investigate and report on county or city gambling laws and on what political means could be used to see that they are enforced.

Where pari-mutuel betting has been allowed, communities will not soon forget that gamblers and unsavory underworld characters have infiltrated those communities. Crime rates have jumped. Delinquency has increased. Disrespect for law is evidenced everywhere. In those communities moral strength is ebbing away, for gambling, legal or illegal, spreads a poison throughout a community. It is insidious. It kills more business than it generates. Worst of all, it saps moral strength and character. Let us go on record in full opposition to this growing menace.

COMMISSION ON CHRISTIAN VOCATIONS

Report No. 1

Look briefly at a need and a response: 2400 ministers are required in this country annually by the Methodist Church; last year 857 were received into full connection in all annual conferences in the United States. Other full-time church-related vocations are facing similar personnel shortages. No wonder the 1960 General Conference included recruitment as one of the quadrennial emphasis! Those who will represent Jesus Christ as Methodist ministers and missionaries in future years are most likely a part of some local church now. They must be located, cultivated and activated if the number of Christian workers is sufficient to maintain effectiveness on the national and world scene. God's call to youth and young adults needs interpretation by dedicated Christians; otherwise it might go unheard and unheeded. We call upon pastors and laymen to keep before all church members the vast and varied need for dedicated Christian servants; your concerned, careful counsel at the critical moment of decision may be the determining factor in a life commitment.

Apparently only a very small percentage of churches in the Central Texas Conference have organized the Committee on Christian Vocations as authorized by the 1960 Discipline (P. 145.9). We recommend that every local church name such a committee and that it report at least once each year to the

Quarterly Conference. (Appropriate blanks will be available in the 1962-63 Conference Year.) The pastor or any ex-officio member may initiate organization of this committee. Responsibility for presenting the challenge in local churches rests with leaders in local congregations; a breakdown in communication at this point means that prospective workers never hear of the church's needs for life service volunteers. Usually the genuine interest of one person makes a vital difference in the entire membership of a church.

We suggest that every pastor fulfill his duty "To preach on the meaning of Christian vocation and the call and challenge of the ministry and other types of full-time church work . . ." and "To search out from among his membership and constituency young people for the ministry, to help them interpret the meaning of the call of God, to challenge them with the opportunities of the Christian ministry . . ." (P. 352.20, 1960 Discipline). Youth Week (the last week in January) or Ministry Sunday (the Sunday preceeding Aldersgate, May 24) are considered excellent times when sermons on Christian vocations might be preached before every Methodist congregations.

We recommend that each District Superintendent name a district representative to work with the Conference Commission on Christian Vocations. These representatives are asked to meet with the Conference Commission at its fall meeting, 27 September 1962, 10.a.m. at Texas Wesleyan College, Fort Worth. District Directors of Youth Work could help with recruitment by including Christian Vocations in all annual programs for youth beyond the local church.

The Church Careers Conference held each April continues to be one of the most important phases of our entire program. We appreciate the cooperation which laymen and ministers give to this meaningful two-day conference. It helps many young people clarify their thinking and plans concerning church-related vocations. This year we held our first seminar for college students. It was a very meager effort, being experimental, but it proved valuable to those who attended, so will be enlarged in the future. It is primarily an attempt to give university students an intelligent, appealing look at work which the Church considers to be essential.

Our plans include:

- (1) a Voluntary Vocational Venture for select young people.
- (2) a survey to determine definite needs in our conference.
- (3) an emphatic appeal to young adults through education, fellowship and discussion.
- (4) a channel by which scholarship needs may be more widely known and more adequately met by local church groups, especially for young people who are being trained as full-time church workers.
- (5) a more accurate follow-up on young people committed to church-related vocations, resulting in fewer losses and a better understanding of what such a decision means in terms of training and dedication.

" . . . Pray therefore the Lord of the harvest to send out laborers into his harvest." (Matthew 9:38).

Report No. 2

Budget

The Christian Vocations Commission requests \$850 for its 1963-64 budget. Since this is an increase from \$600, let me present some reasons why Commission members feel more funds are necessary.

(1) If recruitment is to be intensified as outlined by the 1960 General Conference and needed to secure ample full-time Christian workers, more basic promotional materials (such as leaflets, filmstrips, books, etc.) must be distributed. This will cost a minimum of \$100.

(2) It is quite clear that many ministers and missionaries are coming from among young adults who are usually married and have small children. At present there is no appeal or training "beamed" at this large group of potential full-time Christian workers. Of the additional amount requested, \$100 would be used to more directly challenge young adults with our immediate and long-range needs.

(3) Almost nothing is being done to train leaders in local churches how to enlist or guide youth and young adults in church-related vocations. More education in this area will cost a minimum of \$50.

Because of our plans for an expanded program, we request that \$850 will be allcated to the Christian Vocations Commission for 1963-64.

CONFERENCE BROTHERHOOD

Report of Secretary-Treasurer

A total of \$6,031.00 was received from the ministerial members, wives, and widows of our conference Brotherhood to be applied on the fourteen deaths originating this conference year. One of the calls has not been completed. The average amount paid to each of the beneficiaries of the other thirteen calls was \$438.00. Last year, with the help of an appropriation from the World Service and Finance Commission, we were able to pay an average of \$488.00 to each beneficiary. This year, without this appropriation, we were able to pay only \$50.00 less to each beneficiary.

Of the fourteen deceased members, thirteen participated in all calls of the Brotherhood for the past three years. One beneficiary did not receive the full amount sent in by the participants because of the Constitution rule which states "that in the payment of death benefits, an amount equivalent to the calls not paid shall be deducted and placed in the Reserve Fund." There were two deceased widows of our ministerial family who did not wish to participate in the Brotherhood either in paying the calls or in receiving any of the benefits; therefore, calls were not sent out for them.

This year, 331 persons or 39% participated in all the calls, 166 or 20% participated in some of the calls, but 350 or 41% did not participate in any of the calls of the Brotherhood. The constitution states that if a member makes no payment for two calendar years, the benefits of the beneficiary shall be only one half the amount received from the members. It costs very little to be a member of the Brotherhood and share in every call — the cost this year to the members who shared in every call was \$14.00 for the single person and \$28.00 for the married participant. It is hard to conceive that 350 members of this conference or their wives or widows found no friendship or any reason to participate in "the Sharing of Sorrow" through the Brotherhood method of contributing \$1.00 for each death for at least one of these fourteen deceased members of our parsonage family.

An audit of the Brotherhood shows \$1,458.47 to be in the Brotherhood Fund with \$1,154.47 in the Reserve Fund which is used to pay an advance upon notice of a death, \$38.00 in the Advance Credit Fund, and \$266.00 in pending calls.

When a Brotherhood Call comes in the mail, your mail, please think of it not as a bill to be paid, but as an opportunity to show sympathy and concern to the family of a fellow pilgrim who walked through the parsonage before you.

(3) That all the above persons required by Board or Commission to be present before the opening of Conference, be eligible to receive an extra day's pay as per the above scale.

(4) That the widow of any Minister shall be entitled to per diem payment on Retired scale above.

(5) That per diem payment of \$6.00 for actual days at Conference be granted retired Deaconesses and Missionaries within the bounds of our Conference (with Fort Worth District East and Fort Worth District West to receive one-half).

DEACONESS BOARD

We have at present one deaconess living and working within the bounds of our Conference. She is Miss Martha Horne, Executive Director, of the Wesley Community House, Fort Worth. However, she is not a member of our Annual Conference, being a member of the Rio Grande Conference.

She has been invaluable help to the Board in presenting the cause of the Deaconess relationship to the youth of our Conference. She has been most willing to speak to church, youth and Woman's Society of Christian Service groups. She was a chief resource leader at our Youth Church Careers Conference.

The Deaconess Board has supplied funds for the Central Texas Conference Youth Mission Tour. This tour will take nine girls and three boys to see the work of the Methodist Church and its related institutions in six states. Two previous tours have helped 30% of their number to decide to enter full-time church careers.

All members of the Deaconess Board have been participants in many of the conference-wide youth projects and conferences.

We know of several young women in our conference who are seriously considering the deaconess relationship for their lives. We shall strive to increase this number.

COMMITTEE TO STUDY DISTRICT ADMINISTRATION**Report No. 1**

The report of the Committee to Study District Administration consists of five parts: (1) The Findings which were acceptable to the Committee as a whole. There were some findings which were not included as being unacceptable to some members of the committee. (2) Recommendations to the Annual Conference from the Committee as a whole. (3) Recommendations to the Bishop and his cabinet from the Committee as a whole. (4) Recommendations to the Annual Conference from the majority of the Committee. (5) Recommendations to the Annual Conference from the minority of the committee.

(1) Findings

1. **Historical Review**—In 1910, when the Central Texas Conference was divided from the Northwest Texas Conference, there were constituted 12 districts, with an average of 17 charges to the district. When the Hillsboro District was eliminated in 1919, and the Dublin District in 1920, there were 225 charges with an average of 22 charges per district.

Since then the Central Texas Conference has had ten districts, with the exception of the year 1938-1939, when the Gatesville District was eliminated, giving an average of 25 charges to the district.

In 1939, the Uniting Conference gave to the annual conferences the responsibility of determining the number of districts within the annual conference. At its 1939 session, our annual conference voted to restore the number of districts to ten, at which number it has remained until this time.

In 1941 a resolution was adopted that the number of districts be reduced to eight, at such time as it could be done without injury to the normal appointments of the pastors, and in no case later than 1943. No reduction in the number of districts was made that year. The next year the annual conference by a majority vote laid the entire matter of redistricting upon the table for the duration of the war. No further discussion concerning the number of districts came before the annual conference until 1955. At this time, pending the adoption of a recommendation of the Commission on World Service and Finance for a rearrangement of districts, a substitute motion was made that the number of districts be reduced to nine. This motion was not adopted. The average number of pastoral charges per district at this time was 28.

2. **Jurisdiction Studies**—Studies based on the 1960 reports of the annual conference show that the size of the districts vary considerably throughout the church. The Northeastern Jurisdiction has the largest number of pastoral charges per district, the average being 56 charges. The Central Jurisdiction has the smallest number of pastoral charges per district, the average being 22. The average number of pastoral charges per district for the entire church is 42, while the average for the South Central Jurisdiction is 37 charges per district.

The average number of pastoral charges for the Central Texas Conference is the smallest in the Jurisdiction, the average being 27. It should be pointed out in this regard that our conference average of charges per district is 27% less than the average of the Jurisdiction and 36% less than the average throughout the Church. But it should also be pointed out that at this time there are within this annual conference 25 charges operating on the extended ministry or enlarged parish plan. This means that the pastor of a full-time church has responsibility also for one or more other churches. These other churches, as a rule, have their own quarterly conferences, thus increasing the work of district administration. Your committee feels that, in addition to the average number of charges per district, there are many other factors to be considered in arriving at a decision as to the number of districts our annual conference should have.

3. **Student Supply Pastors**—It has long been recognized that a most im-

portant part of the work of a district superintendent is the supervision, training and counselling of the younger ministers of the conference, and especially of those who have not yet had any seminary training. The higher the percentage of these student supply pastors that fill the appointments of the conference the greater the demands upon the energy and time of the district superintendents in this work, and the less he can devote to other aspects of his work. In the Central Texas Conference 22% of all the pastoral charges in the conference are served by student supply pastors. This percentage is the largest in the entire jurisdiction, and is nearly double the average throughout the Jurisdiction.

Within the districts of our annual conference, this aspect of our work varies enough to give the facts specifically by districts. The number of student and supply pastors in each district are as follows: Brownwood 14, Cisco 10, Cleburne 12, Corsicana 8, Fort Worth East 4, Fort Worth West 1, Gatesville 16, Georgetown 9, Waco 8, and Waxahachie 12. The average per district is 9.4. As has been pointed out, our conference average of charges per district is 27 percent less than the average of our Jurisdiction and 36 percent less than the average through the church.

4. Trends in Administrative Areas—While all but three of the annual conferences in this Jurisdiction have found it advisable since 1945 to re-arrange their districts, the total number of districts within the Jurisdiction remains the same for the past 16 years. Two annual conferences (Little Rock and North Arkansas) have each reduced the number of their districts by one. When the East Oklahoma and West Oklahoma Conferences were united into the Oklahoma Conference the total number of districts was reduced from 13 to 12. Three annual conferences (Indian Mission, Louisiana, and Texas) have each increased the number of their districts by one. So it can be seen that there is not evidenced any particular trend within the Jurisdiction for changing the number of districts.

However, in the episcopal areas, there is a definite trend toward increasing the number. In 1960 the Jurisdictional Conferences set up 7 additional episcopal areas. This is an increase of 11 (or 33%) since 1945. In the same period of time there was an increase of 19% in the number of pastoral charges.

5. Statistical Studies—It has been discovered that there are so many varying factors which influence results, statistical studies can not be solely relied upon to make a final decision in this matter.

6. Financial Aspects—The committee recognizes that if the annual conference should vote to eliminate two districts, there would be a reduction of the present amount appropriated for District Administration by 20%. This would not be realized until the process of redistricting is fully completed. We also recognize that this 20% reduction could be accomplished only by the remaining eight district superintendents bearing the increased expenses.

There are still other financial factors which should be considered in the readjustment following the reduction of the number of districts. Your committee, after considerable study, has found that the most satisfactory re-arrangement of the pastoral charges **on an equitable basis** would be an eight district plan. Such a plan calls for the elimination of two districts and the necessary changing of the place of residence of one district and the possibility of another. This would involve the moving expenses of three or four district superintendents, the selling of three (possibly four) district parsonages, and the securing of one (possibly two) new district parsonages.

There are still other financial factors that should be considered. If the number of districts were reduced to eight, which is the most feasible plan for the re-arrangement of the pastoral charges your committee could determine, the expense of the maintenance of two district parsonages would be eliminated. The three (possibly four) district parsonages effected could be sold and the proceeds could be applied to the purchase of one (possibly two) additional parsonages in the relocated district headquarters, pursuant to the Disciplinary provisions of

Paragraph 716.3. Since this adjustment would be due to the action of the annual conference, the expense, if any of relocating the district parsonages in excess of funds available should be borne by the annual conference, as well as the extra moving expense of the District Superintendents involved.

7. **Tentative Plan of Redistricting**—Your committee, before making any definite recommendations, felt it was its responsibility to see if there could be found a satisfactory plan of readjustment of charges into a nine or eight district plan. As stated previously, the most satisfactory that would distribute the pastoral charges on an equitable basis is an eight district plan. While complete details will be recommended to the Bishop and the Cabinet, the plan your Committee would present, if reduction of districts were to be ordered by the annual conference, would be this eight district plan, which, in brief, would be the elimination of the Gotesville and Waxohochie Districts and the changing of the Cisco District to the Mineral Wells District and granting the option to the Georgetown District of changing to the Temple District. To accomplish it at one time might be difficult. It would probably be advisable that the districts be reduced one at a time as openings in appointments are available. Yet in fairness to all persons, churches and districts involved, it seems imperative, that if the annual conference were to vote to reduce the number of districts and to make this reduction in two steps, that the full plan be voted at one time and the Bishop requested to make the necessary adjustments in appointments as soon as it is possible to do so, without further action by the annual conference.

8. **Intangible Factors**—Your committee further recognizes that there are many intangible factors, such as wider distribution of the appointing powers, sentimental attachments, local, district, and personal loyalties, etc., which can not be analyzed, but which influence the decision of both the ministerial and lay members of the annual conference. However, we believe that both lay and ministerial members of the Conference can lay aside local and personal loyalties as well as sentiment in order that which they consider to be the best interest of the Church may be served.

**(2) Recommendations to the Annual Conference
from the Committee as a whole**

1. We recommend that voting on any question relating to the adoption or rejection of the recommendations of the committee as a whole, or of the majority or minority reports, or of any other motions that would have the same effect, be by secret ballot.

2. In the event that the annual conference should vote to reduce the number of districts, we recommend that the extra moving expenses of the district superintendents involved be borne by the annual conference.

3. In the event the annual conference should vote to reduce the number of districts, we recommend that the surplus district parsonages be disposed of and the proceeds therefrom be applied to the new district parsonages, in keeping with the provisions of Paragraph 716.3. And if these funds so made available are not sufficient to provide new district parsonages commensurate with the other district parsonages that extra funds be provided by the annual conference in such method as may be decided by the Commission on World Service and Finance.

**(3) Recommendations to the Bishop and the Cabinet
from the Committee as a whole.**

The Committee as a whole is agreed upon the recommendations for the readjustment of the pastoral charges regardless of whether the annual conference adopts the report of the majority or of the report of the minority. We recognize that final authority for forming the districts, after the annual conference has determined the number, and after consultation with the district superintendents, is the responsibility of the Bishop. So with the advice of the Bishop that this Committee do so, the following recommendations for the adjust-

ments of the pastoral charges into districts are made to the Bishop and the Cabinet by the committee as a whole.

1. **If the Annual Conference votes to retain ten districts**, your Committee as a whole recommends the following adjustments:

Transfer the Haslet Charge from the Fort Worth East to the Fort Worth West District.

Transfer the Morningside (or Forest Hill) Charge from the Fort Worth East to the Fort Worth West District.

Transfer the Mansfield Charge from the Fort Worth East to the Waxahachie District.

Transfer the Mertens-Irene Charge from the Waxahachie to the Corsicana District.

Transfer the Carlton-Lamkin Charge from the Gatesville to the Brownwood District.

Transfer the Huckaby-Hannibal Charge from the Gatesville to the Cisco District.

Transfer the Covington Parish from the Cleburne to the Waxahachie District.

This re-arrangement will tend to equalize the number of pastoral charge per district, as follows: Brownwood 26, Cisco 26, Cleburne 26, Corsicana 24, Fort Worth East 31, Fort Worth West 28, Gatesville 26, Georgetown 27, Waco 28 and Waxahachie 26.

2. **If the Annual Conference votes to reduce the number of districts to eight**, your committee as a whole recommends that the reduction be made in two steps, the first step to be made at this session of the annual conference, and the second step to be made by the Bishop whenever there is an opening so the reduction can be made without injury to the normal appointments of the pastors. We recommend that this be done in the following manner, because in this manner no charge need be moved but one time from one district to another, and it will cause the minimum amount of moving on the part of the district superintendents. We recommend that in the first step the Waxahachie District be eliminated and the Cisco District be changed to the Mineral Wells District. In the second step, we recommend the elimination of the Gatesville District and granting the option to the Georgetown District to remain as such or to change to the Temple District.

We recommend the following specific arrangement of the pastoral charges into the districts on the first and second steps:

Brownwood District—Retain all present charges in the district. At the first step, add to this district these six charges: Carbon-Flatwood, Cisco First, Cisco Wesley, Cross Plains, Putnam-Scranton, Rising Star. This would assign 31 charges to this district. At the second step, add these three charges to the district: Carlton Circuit, Dublin, and Hamilton. This will assign 34 charges to the district.

Cisco District—This district will be eliminated at the first step by assigning all charges to other districts. The Mineral Wells District will be constituted as set forth later.

Cleburne District—The following 15 charges will remain in this district: Acton-Cresson, Alvarado, Blum-Rio Vista, Burleson, Cahill, Cleburne: Anglin Street, Main Street, St. Mark, and St. Paul, Covington Parish, Glen Rose, Godley, Granbury, Grandview, and Joshua. At the first step, add to this district these 11 charges: Britton, Bynum-Brandon, Hillsboro: First, Line Street and Matthews Memorial (Malone), Itasca, Maypearl (Oak Branch), Midlothian, Milford (Mid-

way), Venus, and Whitney. This will assign 26 charges to this district. At the second step, add to this district these eight charges: Clairette-Pleasant Hill, Hico, Meridian, Morgan-Kopperl, Iredell, Stephenville: First and Oak Dale (Bunyan), and Walnut Springs. This will assign 34 charges to this district.

Corsicana District—Retain in this district all present charges. At the first step, add to this district these 13 charges: Bardwell Circuit, Bethel, Ennis, Ferris, Itoly (Avalon), Mertens-Irene, Oak Grove Circuit, Ovilla, Palmer, Red Oak, Waxahachie: First, Ferris Heights, and Sardis. This will assign 35 charges to this district.

Fort Worth East District—Retain in this district all present charges, except Haslet. No other changes are recommended at either the first or second steps. This will assign 33 charges to this district.

Fort Worth West District—Retain all present charges in this district. At the first step, add to this district these three charges: Haslet, Silver Creek, and Springtown. No other changes are recommended for the second step. This will assign 29 charges to this district.

Gatesville District—Retain in this district all present charges for the first step. This will assign 28 charges to this district. At the second step, all charges will be transferred to other districts and this district eliminated.

Georgetown District—Retain in this district all present charges. At the first step, add to this district one charge: Mooreville. At the second step, add to this district these six charges: Evant Parish, Gatesville: First and Keener Chapel (Flat), McGregor, Oglesby, and Pidcoke Circuit. This will assign 34 charges to this district. After the second step, the district will be given the option of remaining the Georgetown District or of becoming the Temple District.

Mineral Wells District—The new district is to be constituted at the first step with the following charges: Bethel-Greenwood, Bethesda Circuit, Breckenridge: First and St. Paul (Eolian-Gunsight) Brock-Dennis, Caddo-Brad, Eastland (Olden), Gorman (Desdemona), Graham: Crestview, First, and Salem, Graham Circuit, Holders Chapel-Millsap, Lipan-Rock Church, Loving-Jean, Mineral Wells: Central (Brazos) and First, New Castle-True, Olney, Palo Pinto (Ward Mountain), Poolville, Ranger, Strawn, Temple Hall, Tolar, and Weatherford: Calvary, Coutts Memorial, and First. This will assign 30 charges to this district. At the second step, add to this district these four charges: Bluffdale, Green's Creek-Lingleville, Huckaby-Hannibal, and Morgan Mill. This will assign 34 charges to this district.

Waco District—Retain all the present charges in this district except Maareville. At the first step, add to this district this one charge: Abbott Parish. At the second step, add to this district these seven charges: Clifton, Cranfills Gap-Lanham, Crawford, Ireland Circuit, Jonesboro-Turnersville, Mosheim-Cayote, and Valley Mills Parish. This will assign 34 charges to this district.

Waxohachie District—All charges in this district will be assigned to other districts at the first step, and this district will be eliminated.

This arrangement of pastoral charges will assign pastoral charges to the districts as follows:

At first step	At second step
Brownwood31	Brownwood34
Cleburne26	Cleburne34
Carsicana35	Corsicana35
Fort Worth East33	Fort Worth East33

Fort Worth West	29	Fort Worth West	29
Gatesville	28		
Georgetown	28	Georgetown	34

COMMITTEE TO STUDY DISTRICT ADMINISTRATION

Report No. 2

Majority Report

We rejoice that in the report to the Committee to Study District Administration there were many findings and some recommendations on which there was general agreement. But the members were unable to agree as to the number of districts to be recommended to the annual conference.

Some of the findings originally presented to the committee were not included in the report of the Committee as a whole, because they were unacceptable to some members as not supporting their viewpoint. Therefore, in this majority report, there are included additional findings.

There were only three real factors presented to the committee as reasons for recommending a reduction in the number of districts for our annual conference: (1) our annual conference is below the average in the number of pastoral charges per district, (2) the high cost of district administration in our annual conference as compared with other annual conferences, and (3) the economy to be achieved by the reduction of the number of districts.

The majority of the committee, while recognizing whatever validity there may be to these three reasons, is convinced that their value is not as great as might first seem, and certainly are not of sufficient importance to offset the advantages of retaining our present number of districts. Let us look more closely at these three reasons.

(1) There is no question that our annual conference is below the average number of pastoral charges per district for the Jurisdiction and the Church, but we believe that there are sufficient reasons to justify this. The territory served by our annual conference contains, and is adjacent to, more Methodist and other denominational and state-supported colleges than any other annual conference in the Jurisdiction. Therefore, our annual conference is given the privilege and responsibility of guiding a very high percentage of young ministers in their initial pastoral experiences. Not only does our annual conference have more than double the usual percentage of pastoral charges served by student supply pastors, it has also a very heavy turn-over of transfers among young ministers. Many of these young ministers, because our annual conference offers such unusual education opportunities, serve churches as student supply pastors, are admitted on trial, and after a year or so of full-time service answer the call of "larger opportunities" and transfer to annual conferences much farther away from the source of supply. In the last ten years, while our annual conference has received by transfer 41 ministers, it has transferred out 91, more than double the number received. Our annual conference is peculiarly a training ground for young ministers, and to be effective in this important service to the church at large requires attention on the part of the district superintendents and this will be weakened by the many other increased responsibilities that will come with the reduction in the number of districts.

We are convinced that the larger number of districts makes possible closer supervision, and that closer supervision in the district does bring better results. If any one should ask, "Then, why hasn't it?" the answer will be, "It has." To study statistical tables without considering the many factors effecting the statistics will often be misleading. Let us be reminded that about half of the territory in the Central Texas Conference is in the "black-lands," and the other half is in the "hill-country" or "ranch-lands." The "black-land" has in recent years suffered such economic decline that it is now challenging the best studies of the leading agronomists. The "black-land" has suffered heavy loss of population and many a church in these areas has been sorely effected. The "ranch-land" in the past ten years has undergone several years of severe drought. In 14 of the 23 counties that lie wholly within the Central Texas Conference there has been in the last decade a loss of population of more than 50,000 people, or 15%. But in the five districts serving these areas of loss of population, instead of a net loss in church membership, as might have been expected, there has been a net gain of 7.5% in the same decade. There was a 10% gain in Church School enrollment in these five rural districts in the same decade. Is this not evidence that closer supervision has produced better results?

(2) In regard to the charge that our annual conference is paying an excessively high price for district administration, we agree that if one takes the percentages and amounts reported in the Journals of the annual conferences in Texas that this charge would seem to be true. But there is a vital difference that, without close study, is not revealed in these Journals. In the Central Texas Conference, the percentages and amounts apportioned for the support of the district superintendents include all the apportionments for district work, with the one exception of district parsonages. But in the other annual conferences the published percentages and amounts do not cover all the costs. In these other annual conferences, it is permitted and expected that the churches in the district shall appropriate additional funds for district work. A survey made in February of this year shows that in every annual conference in Texas, except Central Texas, there were additional apportionments from the churches for district work, and that these additional percentages and amount range from 2% to 4% and the amounts would be from \$1600.00 to \$15,414.00. When these "hidden," unpublished items in the other annual conferences are added to their published reports, then the "totally revealed" cost of district administration in the Central Texas Conference compares favorably with any other in the state.

(3) Let us take a look at the factor of economy to be gained by the reduction of the number of districts. None of us would argue against the simple arithmetic of cutting out two districts and paying the remaining eight district superintendents the same salary and the same traveling expense allowance would result in a 20% reduction on the churches for the support of the district superintendents. But is this economy an actual saving, and is it worth what follows with the savings?

It should be recognized that if the number of districts are reduced, the pastoral charges assigned to the new districts would be those farthest away from the seat of the district. This means it will cost the new district superintendent more money to serve these remote charges than it would cost to serve them from the previous closer centers. Some persons seem to think that a district superintendent's travel is limited to the holding of two quarterly conferences each year. But anyone really informed about the work of the district superintendent knows that it also involves travel for visiting the parsonage family, attendance upon meetings of the Methodist Men, visitation during revival meetings, visits for personal consultations, and "trouble-shooting" trips. In all fairness to the district superintendents who are assigned additional charges, there should be granted a compensating increase in travel expense allowance. Otherwise, part of the economy is achieved by making the district superintendents absorb the extra costs.

In this matter of economy, it should also be considered that if the number of districts are reduced, the expense of travel for pastors and lay members alike

will be increased in their attendance upon the various district meetings during the year. And this increase of expense will probably result in decreased attendance.

We further point out that the recommendation of the committee as a whole for the building of the new district parsonages required, if the number of districts are reduced, is based on the assumption that the sale of the old parsonages will provide sufficient funds to build new ones. There is some doubt that the proceeds of these older parsonages will provide sufficient funds and that this plan will require additional apportionments for building funds.

One further factor of economy should be noted. It has been observed in annual conferences with larger districts, there is an increased demand for additional administrative officers, such as Assistants to the Bishop, Executive Secretaries and staff members of the Conference Councils, at additional cost to the local churches.

(4) In addition to these three factors considered above, attention should be given to two other factors. We are just beginning to realize the tremendous importance of involving lay people in effective service of the church and that this is best accomplished by more and smaller groups. The reduction of the number of districts will bring with it a corresponding reduction of the number of district officers in the Methodist Youth Fellowship, in the Woman's Society of Christian Service, and in District Lay Leaders. This may save some expense money, but its major effect will not be economy but the loss of the service and promotional activities of these fine lay people now so effectively engaged in these various district responsibilities.

We know that district loyalties, organization and effectiveness are developments that come slowly. Although occasional adjustments in appointments from one district to another must be expected, we can not see anything other than long lasting disturbing influences in the proposed wide-spread district readjustments. Some parts of our annual conference have not yet recovered from the last major adjustment in the districts.

Therefore, we, the undersigned majority of the Committee to Study District Administration, recommend to the Central Texas Conference that the number of its districts remain at ten.

COMMITTEE TO STUDY DISTRICT ADMINISTRATION

Report No. 3

Minority Report

We, the undersigned members of the Study Committee on District Administration, do not concur in the report submitted by the majority.

This Committee was appointed to study closely the District Administration of our Conference, and the Committee has labored diligently to investigate every facet within the scope of its study. Suffice it to say there has been no change in the number of districts in our Conference since 1919 except for two years, although the matter has been before the Conference on several occasions since that time.

It is the consensus of opinion of all members of this Committee that we should not recommend a change merely for the purpose of change, and by the

same token, we should not recommend to the Conference to leave the number of districts at ten merely because it has been that number for the past 43 years.

Our study reflects the very startling fact that the Central Texas Conference has the smallest number of pastoral charges per district of any conference in the entire church except the Central Jurisdiction.

The average number of charges per district throughout our Jurisdiction is 37 and throughout the Church, 42. Yet in our Conference the average number of charges per district is only 27. This means, very simply, that our Conference average of charges per district is 27 per cent less than the average throughout our own Jurisdiction and 36 per cent less than the average throughout the Church.

Many who favor recommending to the Conference that the number of districts be left at ten would have you believe that the smaller of charges per district, as we have in our Conference, produces better results. Our studies do not reflect this to be accurate. Many conferences with much larger pastoral charge averages per district have produced better results in most areas of study than our Conference with its smaller number.

Still, there might be justification for this apparently outmoded plan of district administration if some other reason could be advanced to give strength to the argument to continue its use. Many who favor continuation of this plan will argue that the large number of student supply pastors in this Conference justify retaining ten districts. In this connection, it is interesting to note that our Conference is cited by those same proponents to have the largest number of such pastors in the entire Jurisdiction. This may be accurately stated, but our study reflects the average of pastoral charges per district in the Central Texas Conference served by student supply pastors to be 5.9 while the average throughout the Jurisdiction is 4.6.

It is the feeling of everyone on the entire Committee that the supervision and training of student supply pastors is an important part of the District Superintendent's work but those of us who concur in this minority report do not believe reducing the number of districts to eight will jeopardize this phase of district administration. We frankly feel the district superintendents of our Conference are as capable as those of other conferences throughout the Church, and certainly able to administer districts increased to a size still well below the Jurisdictional average. Their compensation is average or above, their work-load should be commensurate with their compensation.

There is little, if any, sound reason to continue ten districts in our Conference, while there is overwhelming evidence to justify reducing the number to eight. All of us should feel very keenly our individual obligation to be good stewards. Likewise, we have a responsibility as a Church to be good stewards of the finances entrusted to our care. The reduction in number of districts to eight would save our Conference the salary of two district superintendents (\$26,000.00 plus) and the maintenance of two district parsonages (approximately \$2,000.00) each year. Some have said this is so little to "fuss about," but ten years of operation of our Conference on the basis of eight districts and on the present pay scale would effect a saving of nearly \$300,000.00. This, we feel, is ample to "fuss about."

Others have said this is false economy; that in fact if we reduce to eight, new jobs will be created in the form of administrative assistants, assistants to the Bishop, etc. We would point out that such new jobs or positions could only be created by the Conference itself and not by any board, agency or group.

Still others who oppose reduction assert the grave danger of reducing the members of the Cabinet to eight. They feel this would concentrate too much power in the hands of the Bishop. We do not believe intelligent laymen or clergy will succumb to this line of argument. No Bishop or Cabinet can act for the Conference. The power of decision in the Central Texas Conference is still

entrusted to its duly elected delegates, lay and clerical. Without the approval of the Conference, no action can be taken by one person or group that could cause such grave concern of unwarranted power.

Many people have suggested that district loyalties should be considered; that redistricting incidental to reducing the number of districts to eight would create unhappiness and dissatisfaction on the part of those affected. The proposed plan of eight would enable every Church to be closer to its district headquarters than many are at present; it would remove the wide variance that presently exists in one district having 22 charges while another has 34. In the plan proposed, each district except the Fort Worth Districts would have 34 and 35 charges per district. The Fort Worth Districts would have 29 and 33. Our first loyalty is to the Church of Jesus Christ. Our prime responsibility is to operate His Church as efficiently and effectively, and not the least, as economically as we can.

We do not feel any loyalty to districts should take precedence over loyalty to His Church.

The Church has far years been accused of lagging behind the rest of society. We do not feel this is entirely accurate, but we do believe the Church has a responsibility to police itself internally; to become more efficient in its operation; to do away with plans, systems or programs which have become outmoded because of changing events and circumstances; to recognize the ease of transportation and communication today as compared to 43 years ago when the present plan of ten was created; to eliminate unnecessary spending for district administration; and for any other phase of Conference operation that becomes so apparently necessary.

Therefore, be it resolved that the number of districts in the Central Texas Conference be reduced to eight according to the plan contained in Paragraph Number Two-Section Three of the Report of the Entire Committee.

BOARD OF EDUCATION

Report No. 1

Camp Committee

Camping such as Glen Lake and Rainbow afford is a very vital part of Christian Education. We may well be proud of these two camp sites, and the facilities of each. They make possible many different camping experiences which enrich the lives of children, youth, and adults.

During this conference year some 6000 persons participated in some type of camping activity at Glen Lake Camp. Some 200 participated in the Rainbow Camping programs.

We recommend that more use be made of these camp sites, especially Rainbow Camp. This being a new type of camping, many have not come to

realize the benefits of such camping. We urge those who know the values of camping to sell camping to the churches of the conference, and make the camping program for this coming year one of the best.

Local Church Committee

A. Broadly Connectional:

In keeping with the Connectional Organization of Methodism, on the General, Jurisdictional, Annual Conference, District and Local levels, it is recommended that the Commission on Education of the local Church, the District Education Staff, and the Conference Board of Education, be constantly and continually informed of the general educational program, and the most up-to-date educational trends, and that these Commissions stimulated by this information shall encourage board and active participation of representatives from all connectional levels in the activities of all the areas of the Church.

B. District Connectional:

There shall be a District Staff on Christian Education in each District. This staff shall be responsible for the supervision, promotion, and direction of the total Christian Education program in the District. This Staff shall be composed of: (1) The District Superintendent, (2) A Director of General Church School Work, (3) A Director of Adult Work, (4) A Director of Youth Work, (5) A Director of Children's Work, (6) The District Secretaries of Children's and Youth Work from the Woman's Society of Christian Service, (7) The District President of the Methodist Youth Fellowship, (8) The Presidents of any other District age group organizations, (9) The District Representative of National Association of Methodist Musicians.

The District Staff in consultation with the Conference Staff, shall plan workshops, Training Schools, Bible Conferences, and the educational opportunities for their Districts.

C. The Local Congregation:

The Commission on Education is responsible for the program of Christian education in the local Church. Paragraph 231 of the Discipline gives complete direction as to the function and responsibilities of this Commission. It is recommended that the Commission on Education work closely with all the other Commissions.

Leadership and educational opportunities on the local level should include:

1. A Vacation Church School, 2. A Christian Adventure Week, 3. A Summer Seminar, 4. Day Camps, 5. Junior Missionary Units, 6. Membership Classes, 7. Methodist Youth Fellowships, 8. Young Adult Fellowships, 9. Bible Study groups, 10. Missionary Studies, 11. Choirs, 12. Family Life Studies.

As the Church School continues to be one of the most effective means of evangelism, this Committee on Church School work recommends full cooperation in the Quadrennial Program — "Jesus Christ is Lord."

D. New Actions of Board of Education on Recommendation of the Committee on Church School Work.

1. The Conference Director of Youth shall be authorized to implement the "Proposed Plan For Reorganization of the Methodist Youth Fellowship Beyond the Local Church," in two Districts within the Conference. One of these being a City District and the other a Rural District. This shall be done on an experimental basis in these two districts and progressive reports shall be made to the Committee on Church School Work. The Conference Director of Youth Work shall secure the permission of the District Superintendent and the District

Director of Youth in each of these districts before proceeding with this experiment. In line with the above action, the Waco District as an urban district, and the Cleburne District as a rural district, have been chosen and accepted as the two pilot Districts.

2. The Conference Director of Youth Work shall be authorized to take two offerings from the Youth of the Conference. (1) The offering for Conference Youth Work, (2) The offering for the M. Y. Fund. The pledges for these offerings shall be made on a dual purpose pledge card, stipulating that the pledge for the Conference Youth Work shall not exceed 25% of the total pledge, and the MYFund pledge shall be not less than 75% of the total pledge. These offerings shall be remitted by the local Church to the Conference Treasurer separately and listed in the column on the new Remittance Blanks for—1. Conference Youth Work, 2. The M. Y. Fund.

3. That the Conference Educational Staff give more assistance to the implementation of all leadership training schools and other leadership training opportunities on the Local Church and District levels.

Committee on Christian Higher Education

From its earliest beginnings, The Methodist Church has faced responsibility in the realm of Christian Higher Education. In this day when so much is being said and done with the thought of survival as the chief motivating force, let us be reminded that our survival depends not upon bombs and battalions, but upon the intelligence and character of people. The Methodist Church with its eight universities, twelve theological schools, ninety-seven junior and senior colleges, and one hundred eighty-one Wesley Foundations has a responsibility that must be accepted with reverential fear.

Within the bounds of the Central Texas Conference are situated the following: Texas Wesleyan College, Southwestern University and Wesley Foundations at Arlington State, Baylor, Navarro, Tarleton State and Texas Christian University. In addition to these there are two other four year institutions and five junior colleges where, at present, no Methodist Student work is being done other than in the nearby churches.

Other institutions stand almost on the borders of our Conference. Southern Methodist University, North Texas State, Texas Woman's University, McMurry College, Texas University, Texas A&M and the University of Texas Medical School are among the list of schools to which hundreds of Central Texas students go annually. This circle widens even further to demand our concern on other campuses throughout the Southwest. Each of these schools is now girding itself for the increasing wave of student population, the extent of which defies adequate calculation. Our Conference is rightfully expected to share in the support of student work through the one dollar per member for Methodist Schools, and through the 50c per member for the Texas Methodist Student Movement on non-Methodist campuses.

One thing is certain today; in these educational institutions are the students who will be our leaders in church, state, nation and world during the remaining decades of this century and the early ones of the next. Among these students are the persons who will be able to contribute toward the preservation of the spiritual, moral and intellectual values of Christian Culture.

These convictions have been the heritage given to each succeeding generation of Methodists by our founding fathers. They are none the less our marching orders today. We must convince ourselves that the only hope for a civilization, in which both mind and spirit can prosper, depends upon the vitality of the Christian faith. Christianity alone offers a way out of the misery of oppression so widespread in the world today.

The indication of the extent of this task is to be found among certain national statistics: **Four out of five young people** are graduating from high school; **two out of five are enrolling in college; present enrollments** are greater than at any time in history; **enrollments will double by 1970; eighteen per cent of all students on college campuses are Methodists** (between 500,000 and 600,000). **In Texas** there are in excess of one hundred and ninety-three thousand students on college campuses. (47,000 to 50,000 are Methodists).

These figures stagger the imagination. But more staggering is the temper of our times. Warning needs to be sounded at the point of the present aims of education. Dr. John B. Gross recently stated "The soulless, the impersonal 'get-ahead' philosophy found in many of our American schools stifles belief in intrinsic and positive values, weakens faith and creates intellectual and psychological confusion."

While school administrators and their faculties by necessity must face this problem head on, the local congregation from least to the largest parish must likewise carry its part of the load. The Church and the university are yoke-fellows in this vast enterprise. It is not enough to fix blame upon a given campus environment where so many youths are lost to the church. Let us be reminded that the seeming ease with which a student may lose his interest in his church

and his faith in God when he enters college may rightly be attributed to the inadequate preparation he was given both in his home and the church of his childhood. The most casual among us knows that too often the local M.Y.F. is more an expression of the gang psychology than it is of a Christian community.

In a world climate so clearly divided between those who view man as a machine and those who see his creative destiny as a person, the voice of the church must be heard. Indications are that tax supported schools will play an increasing, if not dominant role in the handling of the student life of this country. The church then has no alternative but to intensify its work on campuses other than Methodist related schools. Further, we are told that 30% of the student load in Texas is now on Junior college campuses. Six of these, municipally owned, are within the bounds of this Conference. There is not yet a clearly defined picture of the best approach to this latter responsibility. Early findings from this study indicate that in the main these are commuting students whose relationship to the home and the home church remain in tact. This would indicate that the best answers can be found on the local level by a careful planning in the area of older youth—young adult work in the local church. This is in reality a new field, where pioneering and experimentation must be employed of every level of responsibility and from these findings a program of action be taken.

It is the feeling of many that major concern must develop at the point of the training of adequate leaders in the field of student work. This is not meant to thrust at the present workers, nor at the students with whom they work. It is to say, however, that at the seminary level, or perhaps beyond it, there should be instituted a carefully planned training experience for those who seek to enter this field of our ministry. This would include those experiences that would equip the worker for his contact with administrators, faculty personnel, students at both the under-graduate and graduate levels, married and single, resident or commuter. Both experience and statistics indicate that a tremendous loss of people is sustained by the church during college years. This can only be solved as the church recognizes its responsibility here and moves to undergird it with our finest ministry, and with adequate financial resources to project a challenging program in an atmosphere of facilities established and maintained in the same spirit that we have been taught by our Board of Evangelism that **Our Business is People**. Our task is basically evangelistic, and here on the campus where so many voices clamor for the attention of the student, the voice of Christ must be made clear by a capable, carefully trained worker whose witness will be that both Christ and his Church are dependable and unchanging, and are adequate for the needs the student feels when all about him seems uncertain and strange.

The question of financial support of necessity enters. The crux of this matter is simple. Is the Christian faith strong enough to pay for the training of its leaders? Answers are being found to this question through the Texas Methodist College Association and the current Capital Funds Campaign. We commend this effort as a tremendous challenge to the finest response on the part of every Methodist of our Conference. The result of this effort will be far reaching and the record of this achievement will only be written by the achievements made by the lives whose vision, character and skill have been awakened and given direction by these magnificent institutions whose sole reason for being is to provide Christian Higher Education.

Still further answers to this question are being found in our response to the per-member askings, one dollar per member for the Methodist Colleges and fifty cents per member for the Texas Methodist Student Movement. We remind our people that these figures are minimums, and in many cases additional support will be necessary if an adequate job is to be done. The leadership of every local church is now being trained on some campus. Any local church, large or small, that fails to carry its share of this support is in that measure failing to pay for the training of its leaders. William Allen White once said: "Unless those who believe in Christian Civilization are willing to sacrifice of their good hard-earned cash to educate Christian leaders, they will find in a few generations that

their dream has vanished." It follows then that if the churches fail to support the kind of institutions that turn out Christian leaders, American life under another leadership soon will close the churches.

The following is the revised schedule of support of Wesley Foundations and M. S. M. groups for 1962-63:

The Committee on Christian Higher Education respectfully requests approval by the Annual Conference of the following resolution: "In light of the changing local situations we set the total asking from the churches of our Conference at 50c per member for 1963-64, based on the membership reports as of the 1962 Conference reports, without breaking down the apportionments to individual situations until the 1963 session of the Annual Conference."

Whereas, Dr. J. D. F. Williams has served as the Cabinet representative to the Board of Education during this and the preceding quadrennium, and in that office has been a member of the Committee on Christian Higher Education,

And since he has given to this Committee invaluable assistance in his wise counsel and his clear understanding of the total task of this Committee, he has brought to this committee his far sighted vision of the possibilities of the work of Methodism on the campuses of our institutions of higher learning,

And, whereas Dr. Williams will be leaving this relationship at the 1962 session of the Annual Conference, therefore be it resolved that the genuine appreciation of the Committee on Christian Higher Education to Dr. Williams be spread upon the report of this Committee to the Board of Education, and to the Central Texas Conference meeting June, 1962. Be it further resolved that this resolution be passed to the Central Texas Conference not only as a part of this report, but that it be proposed as action to be taken expressing the sentiment of that body to one whose leadership has, and we trust will continue, to be felt throughout the Conference.

Committee on Family Life

With the year 1962 has come the Quadrennial Emphasis on the Christian Family throughout the Methodist Church. During this year there has already been shown a vigorous interest in some districts and churches with seminars, workshops, and conferences. There has been a Seminar on Marriage Counseling for the Cleburne and Gatesville District ministers during the past year. Representatives from the Central Texas Conference attended a workshop for pastors in Topeka, Kansas. The theme of the workshop was "Stresses on the Modern Family."

We urge full participation in the Family Life Camp at Glen Lake over the Labor Day Week-End. The National Conference on Christian Family Life is to

be October 19-21 in Chicago, Ill. We suggest that each District Superintendent with his Education Staff select a pastor and wife and two lay couples to attend the National Conference, the expenses to be born by the district, the local church, or the individuals. Plans are under way for a Family Life Conference in our area as a follow-up of the National Conference.

We look upon the new children's T.V. Series, "**Breckthru**," to be highly significant. We urge all families and their churches to make the most effective use of the preparation, viewing and follow-up of these very fine films.

We strongly urge each district to have a director of Family Life and each local church to set up a Committee on Family Life organized under the Commission on Education. National Family Week will be May 5-12 and we recommend full participation on the part of all churches.

BOARD OF EDUCATION**Report No. 5**

The Board of Education recommends the approval of the following resolution:

Whereas at its annual meeting for 1960, the Central Texas Conference approved the Constitution for the Committee for Ecumenical Campus Christian Life in Texas, Inc. and

Whereas upon the experience of two years the following factors are apparent:

1. In view of the inter-denominational character of such effort, the more proper parent agency for such cooperation is the Texas Council of Churches.

2. Matters relating to finance and the assignment of personnel create problems that are beyond satisfactory solution.

3. The Committee on Ecumenical Relations of the State Board of Trustees of the Texas Methodist Student Movement unanimously recommended that the said Constitution be set aside as unworkable.

4. In making its recommendation in 1960, the Board of Education set aside its objections to said Constitution on the grounds that it was informed that all other Annual Conferences in Texas had approved. This information was in error.

Therefore be it resolved that the Central Texas Conference does hereby rescind its approval of the Constitution for the Committee for Ecumenical Campus Christian Life as recorded on page 36 and page 77 of the 1960 Journal, and

Be it further resolved that the Central Texas Conference encourage efforts of the Texas Council of Churches and other agencies of like character to discover ways and means of interdenominational cooperation at this level, wherever feasible.

BRUCE WEAVER, Chairman

SIDNEY ROBERTS, Secretary

BOARD OF EDUCATION

Report No. 6

The Board of Education recommends the approval of the following Amendment to Article 3, Section 2 of the By-Laws and Constitution of the Methodist Student Movement of Texas. The present section reads:

(2) Representing The Methodist Church in Texas at large there shall be: the presiding Bishop of each Annual Conference which has ratified this constitution and not more than **twelve** Trustees, who shall be elected by the Board of Trustees and confirmed by each of the Annual Conferences represented on the Board of Trustees, one of whom shall be the President of the state Methodist student organization.

The amendment is proposed to change the portion underlined which would then cause the section to read:

(2) Representing The Methodist Church in Texas at large there shall be: The presiding Bishop of each Annual Conference which has ratified this constitution and not more than twenty Trustees, who shall be elected by the Board of Trustees and confirmed by each of the Annual Conferences represented on the Board of Trustees, one of whom shall be the President of the state Methodist student organization.

BOARD OF EVANGELISM

Report No. 1

The Record Of This Year

This has been an active and productive year for evangelism in the Central Texas Annual Conference. The emphasis has been upon the local church and we have found excellent response to efforts of this board to serve as an assisting

agency to the District Superintendent in his organizing the local churches in his district for productive labor. The accent has definitely been away from conference directing and toward the conference assisting the district and local organization.

The Board first sought to learn more about its work and needs that it might do a better job in the conference. Representatives were present at the National Council on Evangelism meetings at Black Mountain, North Carolina, and Lake Texoma, Oklahoma, a Jurisdictional Meeting in Dallas and the Annual Jurisdiction Workshop on Evangelism at Mt. Sequoyah. At the latter meeting all our District Secretaries of Evangelism, but two, were present.

During this conference year this board has sponsored two conference-wide training opportunities, each of which proved most helpful to this work. At Glen Lake Camp last September more than 200 Central Texas ministers attended the "Conference on Evangelism for Ministers" where the basic fundamentals of evangelism were ably presented by local conference ministerial leaders as well as Dr. Denman of the General Board of Evangelism, Bishop Martin and other persons from beyond our conference. The "Our Business is People" plan of evangelism was presented to those present and guide books were distributed to all districts in sufficient quantity for wide distribution and study.

In November the second Conference-wide training event was sponsored by this Board. Forty-five selected ministerial leaders, including each District Superintendent and each district's representatives met in the Fort Worth West District for a three day Visitation Evangelism Workshop. Actually visitation of prospective members for the five sponsoring churches played an important part of the workshop. Again, we were indebted to the General Board of Evangelism for one of its personnel as our leader. He was Rev. Charles Whittle, a member of our conference.

On the District level, the program has been carried forth in varying degrees in direct proportion to the wishes and efforts of those in authority. We have received reports from several of the districts that indicate a real advance in evangelism has been scored. We commend the District Superintendent and the District Secretaries of Evangelism for their diligent efforts.

The Program For The Year Ahead: "Renewal of The Church"

In cooperation with the emphasis suggested by the General Board of Evangelism, the National Council of Evangelism and other leaders of our church, we plan to commemorate this 225th Anniversary of the Aldersgate Experience with a mighty emphasis upon its meaning to Methodism. We propose that this emphasis find implementation into every church in the Central Texas Conference, regardless of size. Suggestions for implementation will be provided to all ministers by this Board and each District Superintendent is requested to lead in bringing the program to a dynamic fulfillment in every church in his district.

We propose a six-point program for this Aldersgate Year:

1. Aldersgate Conference for Ministers at Glen Lake, Sept. 4-6, with Dr. William R. Cannon of Emory University as guest speaker.
2. November-December, a mid-week or Sunday evening study of the Book of Romans in every charge.
3. Special emphasis upon Methodist history and belief, including special sermon series, youth study and challenge to church related vocation.
4. A week of special Evangelistic services in every church sometime during the year.
5. A special service in every church either on Christmas Eve or New Year's Eve using Wesley's order of service for that occasion.

6. Special Aldersgate Week services May 19-26, 1963, emphasizing the experience of the warm heart that trusts in Christ and Christ alone, for salvation. Where this date is impractical, we suggest October or November of 1963.

Nothing of this Six-point Program for Aldersgate should be construed to replace the vigorous program of evangelism which ought to be carried forth throughout the year in the local church. The challenge to win persons for Christ and His church is never to be laid aside, even for such a program of deepening faith of the congregation as Aldersgate Year can afford. We implore every pastor to plan a year-round program of evangelism, including visitation of prospects, cultivation of indifferent members and the holding of an annual evangelistic meeting and revival.

We recommend Quay Parmer as Conference Evangelist—and also recommend Frank Turner, Sr., and W. B. Morton as supply evangelist, retired, for the Conference Year 1962-63.

There is no place to relax our evangelistic activities so long as there is one unredeemed person in the world.

HISTORICAL SOCIETY COMMITTEE

The Historical Society Committee has made significant progress in its work during this conference year. We have in hand histories of one-third of the churches in the Conference, and by 1965 we hope to have histories written of all churches in the Conference.

The Committee has explored the possibility of a cemetery for the ministers of the Central Texas Conference. Only about 55 of our ministers have made provisions for their cemetery lot.

Plans are in the making for a Centennial Celebration in 1966. This celebration is to be one of the high points of the Annual Conference in 1966. The Committee is thinking in terms of a dramatic presentation in the Will Rogers Coliseum. Doctor Alice Wanders of Texas Wesleyan College has consented to give us guidance in the production of a drama depicting the century of Methodism in this Conference that would be worthy of this occasion.

Our secretary, Mrs. Richard Smith III, made a most valuable find while going through some historical material in a vault at Southwestern University, Georgetown, the unpublished and unread autobiography of Frances Asbury Maad, the first President of Southwestern University.

The Historical Society Committee makes the following recommendations:

(1) That each local church committee make sure that a historical record of the church is completed and mailed to Mrs. Richard R. Smith III, 7½ E. Henderson, Cleburne, Texas, before the meeting of the Annual Conference in 1963.

(2) That every Methodist, layman and minister alike, be looking for historical material that could be used to tell the story of 100 years of Methodism in the Central Texas Conference.

(3) That we continue to explore the possibility of establishing a cemetery for the ministers of our Conference and a depository for our records.

(4) That the Commission on World Service and Finance include in its 1963-1964 budget an amount of \$500 to be used as supplies and secretarial help and other expenses related to the work of the Historical Committee.

(5) We recommend that the Bishop and Cabinet appoint a committee to be responsible for the planning and directing of the Centennial Celebration in 1966.

BOARD OF HOSPITALS AND HOMES

Report No. 1

Your Board of Hospitals and Homes of the Central Texas Conference feels that the reports from our Institutions which are to follow will in a very large way express to you the fine work that is being done in the field of Hospitals and Homes in our Conference and in the State. When one considers the countless hospitals and homes throughout America that were founded a generation or more ago, the majority of which have in their names a denomination, he quickly realizes that the concerns of the church for the health and welfare of our people are interwoven with our concerns for their souls.

We make the following nominations:

Trustees, Wesleyan Homes: Bishop William C. Martin 1965; Ancel Greer 1965; Dr. Judge M. Lyle, 1965; V. M. Monticue 1965; L. Stanley Williams 1965; Richard R. Smith III 1965; W. V. Bane 1963 in place of E. R. Gardan and Don Scarborough in place of M. Burton 1965.

Report No. 2

The Board of Hospitals and Homes of this Conference has been divided into Committees and as a result we find our work is much more effective in its efforts to co-ordinate its work with our institutions. We have a Committee on Public Relations; Promotion; Nominations, Audit and a Committee to study the needs of children and youth with in the bounds of our Conference.

As a result of actions of one of our Committees we come before this session of the Central Texas Conference with the following resolution. "Be it resolved that the Central Texas Conference of the Methodist Church grant authority to the Audit Committee of our Board to make annual inspections of the books, records and accounting procedures of the Institutions under the Jurisdiction of Hospitals and Homes. Those owned outright by our Conference to be inspected by the whole committee and those owned jointly to be inspected by one committee member from each of the owning Annual Conferences."

Report No. 3

Harris Hospital — Annual Report — 1962

The Board of Trustees and the Administrator respectfully submit a Report of the operations and activities of Harris Hospital for the Fiscal Year ended September 30, 1961. Since eight months have elapsed following the end of our Fiscal Year, the members of the Conference will realize that all of the statistics are based on the 1960-1961 Fiscal Year, but many of the other improvements and developments reported upon have occurred during the Hospital's 1961-1962 Fiscal Year, in order to give a current report.

Patient Care Factors:

During the Fiscal Year 1960-1961, 105,761 days of adult care were given. This represents an over-all occupancy of 72.8%. Our Obstetrical occupancy was 65.7%, and our Medical and Surgical occupancy was 80.3%.

On March 15, 1961, Harris Hospital discontinued its Pediatric service, which was occasioned by the opening of the new Fort Worth Children's Hospital.

The Fort Worth Children's Hospital is a separate corporation, but it is physically connected to Harris Hospital by tunnel, and utilizes many of the ancillary services of Harris Hospital, such as Operating Room, Dietary, Pharmacy, Laboratory, X-ray, etcetra, for which they pay the cost of providing the services requested plus a reasonable depreciation figure.

It is a pleasure to report that on a Community level, this association has been most valuable to us and to the Children's Hospital.

During this year, 7,875 surgical procedures were performed, 3,868 babies were delivered, and treatment was rendered to 6,852 emergency cases.

This continued relatively low occupancy has been experienced by most of the hospitals in the Community. As reported last year, although we say "continued relatively low occupancy," this occupancy is about that experienced on the average throughout the Country. It is much lower than the hospitals in Fort Worth have previously experienced, but in years past the occupancy was at a most critical level. The new beds that have been added to the Community have helped to ease this situation.

The purpose of all hospitals is three-fold:

1. Patient care.
2. Education.
3. Research.

During this last Fiscal Year, a Department of Medical Education was established with a full time Medical Director. The accomplishments of this Department to date have been many, and as this Department continues to grow, and to improve in the educational sphere, so will the direct care of the patients notice the impact of the activities of this Department.

New Improvements and Construction:

1. Elevators—

Last year, it was reported to the Conference that contracts had been let for the modernization of two passenger elevators and the addition of the third elevator.

This work is almost complete and it is estimated that we will have all elevators in operation by the middle of April, 1962.

2. New Equipment—

During the period under consideration, the Trustees have authorized the purchase of \$77,431.40 worth of Movable Equipment, and \$299,867.09 of Fixed Equipment.

Expansion of Ancillary Facilities and Construction of a Maternity Hospital Building:

For many years, the Hospital has asked the assistance of the Conference in making come true this program of the rounding out of our ancillary facilities and the construction of a new maternity hospital building.

It is a pleasure to be able to report at last that construction on these facilities, which will cost \$6,065,201.49, including architect's fees and equipment, was commenced on June 4, 1961.

The estimated completion date of these facilities is December, 1962; although delays to the present time indicate that it may well be the Spring of 1963 before these facilities can be occupied.

At present writing, most of the concrete work has been finished on the new building, and the newly created front wedge and the front entrance of the Hospital have taken shape.

Once all of these facilities are completed, Harris Hospital, on a replacement cost basis, will have an investment in land, equipment, and plant in excess of \$16,000,000.00.

Financing of Construction:

Interim and Long Range Financing—

The subject of interim and long range financing was covered in detail in the 1961 report to the Conference. Although the Conference has approved a

maximum of \$4,000,000.00 on interim financing and a maximum of \$2,500,000.00 in long range financing, it is a privilege to report that we do not expect our interim financing to exceed \$2,500,000.00 and that it is very possible, if all of our estimates prove to be accurate, that our long term financing will be substantially less than the \$2,500,000.00 limit.

Scholarships:

Last year the Board of Trustees requested the Conference to consider placing in the 1962-1963 Budget the sum of \$6,000.00 for scholarships for nurses and other paramedical personnel.

As the number of beds increase, there is a very obvious need for an increase in the number of nurses.

The Board of Trustees of Harris Hospital would like to urge again this year that this request be favorably received. Last year, we stated, and this year I should like to repeat: "Hospitals, as all of us know, are not just structures of mortar and stone, but rather they are structures in which well-trained and dedicated people minister to their fellowmen."

Nominations and Appointments:

Since the Board of Trustees does not have their Annual Meeting until April 25, 1962, it will be necessary to submit a Supplementary Report on nominations for Board membership for the coming year.

The Board of Trustees requests the Bishop and his Cabinet to appoint Reverend James B. Ansley as Commissioner-Chaplain of Harris Hospital for the ensuing year.

The Board of Trustees, the Medical Staff, the Personnel of Harris Hospital, and the patients whom they serve are continually appreciative of the interest and concrete support given to the Hospital by the Central Texas Conference.

Because of this interest and support, Harris Hospital is well on its way to becoming a medical center dedicated to the ministry of healing.

The dynamics of the Christian message has as its origin the miracle of love that was born revealed and released through Christ. His love gives us motive, it supplies insight linked with undaunted courage.

To follow Christ means to give life, to share. It means becoming participants in the divine act of love through which we give life and hope to those about us.

The Golden Cross Service at Harris Hospital, too, is a symbol of sharing. When you really love you share. When you share through Golden Cross you literally give life. We cannot separate the demands of love from the doings of our daily life. A gift to Golden Cross is a gift from heart to heart.

Clinical Training Program

The second year of our Clinical Training Program gives voice to the desire on the part of the staff at Harris Hospital to do its part in the field of community education. The men who have participated in our Clinical Training Program will be able to serve their communities much better because we dared to design a program to meet their needs. Ten students participated in our Clinical Training Program this year.

Golden Cross Service

This report covers the period of June 1, 1961 through May 31, 1962.

At the close of May 31st the cost of 37 church-referred patients amounted to \$22,896.61. The total amount received from the churches of our Conference for the same period of time amounted to \$12,822.99, leaving a new cost for church-referred patients to the Hospital \$10,073.63 beyond that which the churches have contributed.

Charity service rendered (June 1961 - May 1962) \$168,911.77.

Receipts:

Offerings from churches	\$12,822.99	
Personal Gifts	1,866.79	
Part-pay and insurance	32,505.37	
Total Receipts	\$47,159.15	\$ 47,195.15

The Methodist Home

Evidences of growth and development of the multi-service program at the Methodist Home continue to encourage those who have been a part of this service to the underprivileged and disturbed children of Texas and New Mexico during the past seventy-two years. At the same time, the calls which come to the Home each week for assistance and the multitude of needs which are faced each year at the Home in caring for the children who live here bring a realization of the urgency of pushing forward in equipping the Home with a program of services, manned by a trained staff, which will better meet the needs of the children. The Methodist Home is constantly seeking to rise to this opportunity to provide, on behalf of the Methodist Church, an effective leadership in this important work.

The appreciation of the Methodist Home is directed particularly to the members of the Central Texas Conference for their gift to the children this year in the amount of \$87,128.27 in cash, \$171.97 in supplies, and \$6,380.00 in designated gifts. To February 28, 1962, the offering is as follows:

District	Cash	Supplies	Designated Gifts
Brownwood District	\$ 6,407.65		\$5,000.00
Cisco District	12,964.63		
Cleburne District	5,782.99		350.00
Corsicana District	6,594.44		
Fort Worth-East District	9,890.33	171.97	
Fort Worth-West District	13,049.74		5.00
Gatesville District	6,660.41		
Georgetown District	6,607.08		1,005.00
Waco District	12,146.45		20.00
Waxahachie District	7,024.55		

Several areas of the work with the children deserve special mention this year:

Staff training has become increasingly important in the work of the Home, and a great deal of attention is being given to the preparation of the staff to work with the multiplicity of problems which have brought the children to the Home. Part of this training comes through individual instruction by the supervisory staff, while other training takes the form of regular weekly meetings which emphasize the team approach in helping the children. Of great benefit to this program is the annual Willson Lectures, made possible by Mr. and Mrs. J. M. Willson, Sr., of Floydada. For the Sixth Annual Willson Lectures, held the first week in March this year, Miss Eva Burmeister, internationally recognized leader in the field of child care, brought a series of lectures relating to the care of children in the institutional setting.

This year has seen steady progress being made in the development of the casework program, in providing the children with greater opportunities for vocational training, and in planning for the establishment of a treatment program for the more seriously disturbed children, as well as giving more and better services in psychological and psychiatric work to children needing this assistance.

We recommend the re-appointment to the Board of Directors of the Methodist Home for a term of three years Dr. A. S. Gafford and Honorable Jarrard Secrest.

We recommend the re-appointment of Mr. J. S. Bridwell as Director-at-Large on the Board of Directors for a term of three years.

In keeping with the tradition of the past seventy-two years, we ask the Conference to designate the month of December as "Methodist Home Month" and ask each pastor to advise his members about the work of the Home and request their support of the Christmas offering.

BOARD OF HOSPITALS AND HOMES

Report No. 6

Trustees of Homes for Retired Ministers

The Board of Trustees of Homes for Retired Ministers expresses appreciation to the Conference for the support it has received during the year just closed. Funds received through the Conference Special have been used in the securing of four splendid homes. One in Arlington, and another in the Arlington Heights section of Fort Worth, 4065 Benmar, Fort Worth, Texas; 201 N. E. 6th Ave., Mineral Wells, Texas; 478 W. Greene, Stephenville, Texas; Mrs. Donnell, Page 52, Trustees Report. In each of these instances local Churches, namely First Methodist in Arlington and Arlington Heights, Fort Worth, have given generous assistance in these accomplishments. These homes are a credit to Methodism, and represent what this Board believes that the Conference desires in providing adequate homes for retired men and their widows.

Again this year, as in the past, much attention has been given to the repair and re-conditioning of existing homes. The offerings received through the special day in July have largely been used in this effort. It is no small task, nor inexpensive operation to keep these homes in a good state of repair. We note that in many instances the preacher occupying the home has spent his own money to do certain repair or replacement jobs. For this we are grateful. We ask that continued support be given in the year to come through the special day observance of Veteran's Day on July 15 (third Sunday). It is the Board's conviction

that if this matter is adequately presented that Methodist people will respond and that their response will neither limit nor lessen their giving to local and other causes of the Church.

As we appraise the condition of certain homes, their condition and location, we clearly see that the work is really just beginning. Therefore we respectfully request that Homes for Retired Ministers be included in the Conference Special for 1962-1963 in the amount of \$15,000.00. Additional new homes are anticipated as the demand continues to come each year as others retire. With the lengthening life span, the occupancy of a given home necessarily is stretched over a longer period of years. Churches are offering to join this Board in the projection of new homes. This can only be taken advantage of as funds are available to make it possible to take up these offers when they are made. A current example of such is the new home in Mineral Wells, where First Methodist Church has provided a location and a cash consideration, thus joining the Board in the provision of another new home. Through such cooperation, again this year we are able to offer a home to each man who has asked for one. Four such requests have been received.

During the year a thorough study has been made concerning the insurance coverage of the homes. Upon the basis of these findings, the entire holdings of the Board are covered at 80% of valuation, with the insurance carried by the Germania Mutual Aid Association of Brenham, Texas.

We commend the excellent work of Reverend Hubert Crain, and respectfully request that he be re-appointed as Superintendent for 1962-63. We further request that the Homes for Retired Ministers be included in the World Service Budget for 1963-64 for \$6000.00.

We nominate for re-election as trustees, with terms expiring in 1965, the following: W. M. Greenwaldt, Carroll H. Thompson and Sidney Roberts.

A full statement of the financial operations will be presented to the Conference at its annual session.

BOARD OF HOSPITALS AND HOMES**Report No. 9****Methodist Mission Home of Texas**

This HOME—now completing its 67th year of service in an area of special social need—is indeed a "mission" of rehabilitation and renewed Christian living! Due to the forward looking action taken last June, our Board has been expanded, strengthened and made truly representative of the three Episcopal areas and six Annual Conferences which comprise its ownership and management. The new name, the enlarged committee set-up, and the enthusiasm of both the older and the new members of the Board has put new life into our program and has encouraged a more generous financial support. Another significant event this

year, in terms of our long range plans, was the selection of a Field Representative in the person of The Rev. Robert M. Pitzer.

As before, Conference Auxiliary groups, presently organized, have responded in a wonderful way to special needs as they arose this year, and we are indebted to them not only for the underwriting of special projects but for their enthusiastic support of the HOME in many local communities.

The details of our service are listed herewith in comparison with the same period of operation last year:

	1960-61	1961-62
In HOME beginning of year	54	45
New Admissions—first eleven months	148	139
Total Served	202	184
Days of Resident Core	16,577	16,578
Babies placed during eleven mos. period	109	116

Even though 18 fewer girls were served the days of resident care this year exceeded those of last year. This simply means that our residents came in earlier and stayed longer than last year. This enables us to provide more helpful counseling service to many of our residents. The HOME has operated at more than 90% of its capacity during this eleven months period. The average stay in the HOME is from three to four months but our policies are very flexible and keyed to the needs of the particular resident and her family.

The higher number of babies placed indicates two facts, first that a slightly higher percentage of our residents are releasing their babies and second we have had two or three babies given to us this year for placement. Whereas the number of admissions (see above) showed a 9.7% decrease for the 11 months, our placements had a 6.4% increase. Placements Conference-wise have been as follows:

CENTRAL TEXAS—13; North Texas—11; Northwest Texas—22; Rio Grande—2; Southwest Texas—27; and Texas—35. Only six non-Methodist homes have been used. This means that our placements during this eleven months period have been 94.8% Methodist. This high percentage of Methodist placements, however, is likely to change considerably within a few months if we do not get more Methodist couples interested in adoption, and there appears to be a definite need for us to publicize our need for more prospective adoptive couples through local Church channels.

Our total income for the first eleven months of this Conference Year is the highest it has been during the past five years, and represents a 27.2% increase over last year. The trend of decreasing Church contributions has been changed to one of increasing concern and support, and it is anticipated that the report for the twelve months will be equally encouraging. We do need to emphasize, however, that this HOME has no endowment fund and we are entirely dependent upon the year-to-year giving of our Methodist congregations to this "mission of redemption." Rising cost each year presents us with the necessity of securing more income or seriously limiting the services of the HOME. Our income for the first eleven months of this Conference Year has been \$172,147.31 and our expenses have been \$198,174.28, indicating a probable deficit of over \$26,000. This further underlines the need for larger and continuing support for the Methodist Mission Home from every local church.

The amount contributed from the CENTRAL TEXAS CONFERENCE during the first ten months of this year shows an encouraging increase and we are grateful for all the support received from this conference, but we also feel that the members of this conference will care to note the fact that a majority of the local churches in our conferences need to become larger supporters of the HOME.

Per Cent of Churches Giving to the HOME in First 10 Months of This Year

Southwest Texas Conference	67.9%	of local Churches.
Northwest Texas Conference	65.9%	of local Churches.
CENTRAL TEXAS CONFERENCE	63.8%	of local Churches.
North Texas Conference	51.5%	of local Churches.
Texas Conference	38.5%	of local Churches.

With the sincere effort of each local Church to reach the recommended goal of support, your Methodist Mission Home of Texas will be able to continue its efforts to rehabilitate and renew the Christian lives of those whom it serves in the Name of Christ.

Recommendations

We recommend:

1. That the following Trustees be re-elected from the CENTRAL TEXAS CONFERENCE:

Dr. Hayden Edwards
 Dr. D. L. McCree
 Dr. Martha Chapman
 (a fourth to be selected)

2. That the following Trustees-at-large be approved:

Dr. Ennis B. Hill, San Antonio	Lynn Spears, San Antonio
Lloyd Knowlton, San Antonio	Thalbert R. Thomas, Austin
Mrs. Jack Riger, San Antonio	Bryan J. Butts, San Augustine

3. That Sunday, September 23, 1962, be designated for each church in the CENTRAL TEXAS CONFERENCE to receive an offering for the Methodist Mission Home of Texas. If a church has placed the support of the HOME in its budget, we earnestly request that the Pastor make a statement to his congregation on the above date, explaining the services rendered by the HOME and also explain how the church supports the HOME.

4. We earnestly invite the attention of all pastors and laymen to the fact that the Texas Planning Commission has approved 50c per capita as the goal-in-giving for the Methodist Mission Home of Texas and we suggest that churches undertake to increase their giving by a third each year for three years until this goal is reached.

SPENCER L. STOCKWELL—Administrator

BOARD OF HOSPITALS AND HOMES**Report No. 10****Wesleyan Homes, Inc.**

Speaking for our entire Board of Trustees, I wish first of all to thank the Conference, the churches, the ministers, and individual church members whose concern for the church's responsibility to her older people has been expressed this past year by your increased support of the Wesleyan program. As this is being written early the first day of June, I am not able to quote here the amount received in Mother's Day Offerings. For this figure you will be especially interested in the Conference Treasurer's Report to be heard later in this session. It is, however, quite apparent that the Mother's Day Offering will be far in excess of previous years, and for this we are grateful not only because the funds are really needed, but also because it afforded a number of our constituents the opportunity to become better acquainted with the facilities, the functions, and the program of the Home.

There is widespread interest as to the opening date, and we expect to be able to announce this date very soon. The floor covering contractor is expected to finish his work by July 15th. Immediately following this will be the matter of final closing of the loan, installing furniture, and setting up housekeeping. Since the actual date for occupying the building is uncertain to this extent, it has been thought best to defer announcement of a formal opening with the date probably in the autumn after the Home has been in operation for several weeks. This will allow for ample publicity, invitations, etc.

When our remittance for June 10th is made, we will have paid the contractor \$894,805.00. Financing costs will have exceeded \$35,000.00, and our total building investment at that time will be just over a million dollars, with \$96,000.00-plus raised in cash and the remainder derived from mortgages. Furniture and equipment still to be purchased will cost slightly over \$80,000.00. Under operating conditions, the projected budget expense, including replacement fund and amortization of indebtedness, will be \$198,700.00 annually. Projected income is \$263,100.00.

Our rate of applications and residents is very satisfactory. This has accelerated decidedly within the past thirty days, and now applications are being received at a rather brisk rate from people whose decision has been in the making for as long as two or three years. It, therefore, now seems certain that by the time the Home is ready to open its doors, there will be enough occupants to justify operation.

A challenging program of activities is in the formative stage. It has been observed that in homes having an aggressive program general health and welfare is a high level. We are fortunate in that a great many of our residents will bring with them skills and talents to provide inspiration and stimulation to other members. While the board outlines of a program have been made, it is our hope that we will be able to tap the resources of our residents, and that through their ingenuity they will be invaluable in spelling out this program.

You may be assured that your Home for the Aging in Georgetown is second to none in the country. There are others larger, there are homes more elaborate and expensive, but none exceeds the Central Texas home in design, in consideration and comfort for the resident, and in attractive surroundings.

Finally, brethren, your prayerful consideration and attention to the needs of Wesleyan is earnestly sought. There are many needs for the present and for the future. There is not time to enumerate them here, but gifts large and small, directed or undirected, are needed to provide the tools to enable the Home to function. I have faith in the leadership of the Holy Spirit that He will guide some of you to help us reach this goal.

M. HOWARD KNOX, Executive Director

COMMITTEE ON HOSPITALIZATION INSURANCE

Our Group Hospitalization Insurance program with Ministers Life and Casualty Union, of Minneapolis, Minn., continues to serve the participating members of our conference in a splendid way.

The re-opening of the membership last fall to non-participants enables us to give this protection to many additional persons without any limitations and without providing certificates of insurability. We are now again above the 70% participation of eligible members and may now receive new members in the group plan without restrictions.

Our insurance agency has recently liberalized their policy concerning those who fail to join within the eligible period. Previously such persons could not afterwards become members, but now this privilege is granted to those who desire to join late by providing acceptable certificates of insurability. This may be of particular interest to some who failed to join our group earlier.

We call attention to three important factors in our group hospitalization plan: (1) New members of our annual conference who are in full-time church work within the bounds of our annual conference have just 90 days after becoming eligible to become a part of this group plan of hospitalization insurance without any limitation of previous health records and without providing certificates of insurability; (2) Members of the group who marry may enroll their wives in the program without any limitations provided they do so within sixty days after marriage; (3) Members who leave our group for any reason, and who continue in full-time religious work, need not lose their insurance protection. Upon application to the insuring company, they will be issued insurance on an individual basis.

We urge all new members, becoming eligible for participation at this session of the annual conference, to send in their applications without delay, that you and your families may have this protection in time of illness or accident.

COMMITTEE ON INTERDENOMINATIONAL COOPERATION

Report No. 1

Strong concern for both the unity and mission of the church in all Texas communities prevailed the delegates to the Ninth General Assembly of the Texas Council of Churches held March 12-14. Dr. D. L. Landrum, pastor of Trinity Methodist Church, Beaumont, and former superintendent of the Beaumont and Galveston districts, was elected president of the state church body.

Bishop William C. Martin preached the sermon in the annual Service of Ecumenical Worship which opened the assembly and Dr. W. Richey Hogg of Perkins School of Theology was principal speaker at a luncheon session.

"There is hardly a community in Texas which could not have more effective churches if we recognized that we are not competitors but fellow Christians with a common purpose," Bishop Martin declared. "This council movement is just trying to help churches to work together that Christ be exalted."

Channels of Cooperation

The spirit of understanding and cooperation between denominations is furthered and finds expression through such channels as the World Council of Churches, the National Council of Churches, the Texas Council of Churches, and local councils of churches.

Areas of cooperation with the National Council of Churches include: Christian education; mission study material; schools of missions; leadership training; evangelism; film; radio and TV ministry; United Church Women.

Areas of cooperation with the Texas Council of Churches include: CROP; migrant ministry; trick or treat; clothing drives; leadership training for camps and recreation; research and planning.

Many churches find avenues of cooperation available on the local council level which include: city or area council of churches; council of United Church Women; use of vacation church school material through the Texas Council of Churches; cooperation in local CROP program; cooperation in youth "trick or treat" emphasis; church planning and research committees; and work of the migrant ministry.

We encourage local churches to participate in cooperative endeavors of those projects which express our common Christian responsibility and our common faith in our Lord and Savior Jesus Christ.

Report No. 3

The Committee on Interdenominational Cooperation would like to ask for the following financial consideration:

- I. **Annual Committee Work and Expenses**\$ 350.00

This includes the \$100.00 which formerly had been set up for CROP. Last year CROP was made a part of our committee and their \$100.00 was added to our \$250.00, to make a total of \$350.00.

2. **Texas Council of Churches**\$3,390.00

This amount was approved as a part of the Conference Benevolence Budget for 1962-1963 and we would like to request that the amount remain the same for 1963-64.

3. **Church Planning Department of the Texas Council of Churches** \$1,100.00

This is a new request for our budget. The Church Planning Department, headed by Bishop William C. Martin, has requested a certain amount from each denomination in Texas to establish a Department of Church Planning. Our Share was \$1,100.00 a year.

BOARD OF LAY ACTIVITIES

Report No. 1

The Board of Lay Activities has been active throughout the year in training laymen in the field of stewardship, lay leadership, lay speaking and Methodist Men's work. Our primary objective has been to educate our leadership in these areas of our concern. We recognize that this is the greatest need of our Board at this time, and to this end we are making every effort to discharge our responsibility.

We have endeavored to recruit and train lay speakers from every Church and to establish lay speaker bureaus in each District in order that we might have a dedicated, well informed and active lay leader in each Church within the Conference. Many Districts have had workshops and training programs for their Charge Lay Leaders, Methodist Men's Officers, Stewardship Directors and Lay Speakers.

We recognize the necessity of continuing education of our District Lay Leaders and our Conference Lay Leaders that they may be more aware and informed as to their duties and responsibilities. Our representatives to the Jurisdictional Board of Lay Activities have discussed this matter with the representatives of other conferences who, likewise, feel the need of continuing education to be great for District and Conference Lay Leaders. To this end, the representatives of the Central Texas Conference have recommended, and the Jurisdictional Board has adopted, plans for a Jurisdictional Workshop at Mt. Sequoyah June 29-30 for District and Conference Lay Leaders from the entire South Central Jurisdiction. We believe that this workshop can add immeasurably to the effectiveness of our program of lay activities in this Conference. At the Mid-Winter Meeting of the Board of Lay Activities at Meridian January 18, 1962, the Board voted to send the Conference Lay Leader and the ten District Lay Leaders to the workshop at Mt. Sequoyah.

At the Mid-Winter Meeting considerable discussion was had regarding the organization of our Conference Board. The Chairman was empowered to appoint a committee to study our Board organization with the view in mind of attempting the plan of most conferences throughout the Church in having associate conference lay leaders.

The report of the Thirteenth Annual Laymen's Retreat held at Glen Lake in August was extremely encouraging. This Retreat was attended by approximately 1,000 Methodist laymen from our Conference. Our featured speakers were Bishop Wm. C. Martin and Dr. D. L. Dykes of Shreveport, Louisiana. Work-

shops under the able leadership of Dr. Eugene Jud, Dr. Roy Farrow, Don Sessions and Ed Otwell were well attended.

Reports of the District Boards indicate that all have been effectively organized, have met regularly and have generally carried out their responsibilities on District level.

Laymen's Day was observed throughout the Conference with approximately 100 per cent participation. We are grateful for the cooperation of laymen and clergy alike in making this day a significant one throughout the Conferences.

During our Annual Conference in June, 1961, a lay session of the Conference was called by the Chairman of the Board of Lay Activities for all lay delegates to the Conference. During this session many of the matters which were later presented on the Conference floor were presented in detail to the delegates in order that they might acquire a better understanding of matters which they would thereafter vote upon. This was the first time this has been done in our Conference but it has been practiced by our Conferences throughout the Church to great advantage. The session was well attended and favorably received by those present as being very informative and helpful in consideration of those matters which would come before them. The Conference Board voted to have the lay session again this year at the Annual Conference in June, 1962.

We wish to express our appreciation to our Bishop, District Superintendents, Ministers and Laymen for their loyal support. It is our fervent hope and prayer that through our combined efforts we can strengthen the position of our Church in this hour of greatest need.

Resolution

Whereas, at a meeting of the Central Texas Conference Board of Lay Activities, held in Meridian, Texas, on January 18, 1962, the chairman of the Board was instructed to appoint a committee to study the publications of the United Society of Methodist Laymen, Inc., and

Whereas, said committee was immediately thereafter appointed and diligently reviewed the published purposes and publications of the United Society of Methodist Laymen, Inc., and

Whereas, among other things, the United Society of Methodist Laymen, Inc., has published and is doing a number of things not consistent with accepted Methodist practice, doctrine, and beliefs, such as:

(1) Naming the organization a United Society of Methodist Laymen when in actuality it has been organized outside of the official **Discipline** of the Methodist Church and has no connection officially with the Methodist Church;

(2) Although it is named the United Society of Methodist Laymen, it does not restrict its membership to Methodist Laymen;

(3) It uses the same technique in its publications as other extreme rightist groups; viz., "guilt by association," "quoting out of a context," pointing the guilty finger by inuendoes and flimsy analogies, sowing doubt and suspicion between the clergy and the laymen by making false and irresponsible charges, and advocates a pseudo-super patriotism that makes Christianity subservient to the State rather than being its conscience and standing in moral judgment on its human frailties;

(4) Its publications recommend a reading list that is made up of authors exclusively from the extreme right and does not approve or recommend a single Methodist publication;

(5) Holds meetings and rallies in competition to the regularly constituted meetings of the Methodist Laymen in order to confuse and imply division among the laymen of Methodism;

(6) Its publication is sent to various parts of this country leaving the false impression that it speaks for a large section of Texas Methodism and requests funds to support its hate-filled purposes and diverts funds that should and could be used for spreading the Gospel;

Whereas, the activities of the United Society of Methodist Laymen, Inc., in the opinion of the Committee, is contrary to the best interest of the Central Texas Conference Board of Lay Activities in particular and contrary to the best interest of the Methodist Church;

Now, Therefore, be it Resolved:

(1) That the report of the Committee be and it is hereby approved and adopted and shall be released to the press and other news media; that copies of this resolution should be sent to Mr. Robert Knight, Box 417, Austin 22, Texas, the instigator of the society and the editor of its publications, and to the secretaries and Bishops of the other Texas Methodist Conferences, and to such other individuals or organizations the Board of Lay Activities of the Central Texas Conference may deem appropriate;

(2) That the United Society of Methodist Laymen, Inc., cease and desist in the use of the name "Methodist" in its name since it is not an official organization within the organization of the Methodist Church and its teachings are not in harmony with the Methodist doctrines and beliefs;

(3) That all Methodists are hereby put on notice of the extraneous nature of this organization to the Methodist Church, its false teachings and claims, and that no Methodist layman in good standing with his church should contribute to the cause of this society nor invite as a speaker to any functions of the Methodist or Methodist church service, the instigator or ardent supporters of of this society;

(4) That we hereby re-iterate our faith in our Methodist form of church government, our Methodist institutions and publications, and our legally elected and appointed officials and leaders;

(5) That we express our loyalty to the clergy of the Methodist Church as committed ministers of our Lord Jesus Christ and support them as they champion justice, mercy, freedom, brotherhood, and peace; or as they defend the underprivileged, oppressed, and forsaken; or as they challenge the status quo, calling for the repentance and change wherever the behavior of men falls short of the standards of Jesus Christ;

(6) That we look with stern disapproval on any one or any organization that would plant seeds of distrust and division between the clergy and the laymen of the Methodist Church;

(7) That since we hold that the Church is of God, yet, because it is made up of human beings, errors will be made, we re-iterate that all these errors should be corrected by means of the legally constituted **Discipline** of the Methodist Church and through love and understanding in keeping with our Christian teaching and not by the hate-filled and pseudo-patriotic methods of the extreme rightest and the super-patriot.

COMMISSION ON MINIMUM PASTORAL SUPPORT**Report No. 1**

In the 1961 Conference Journal, under Report No. 1, Administrative Procedure: change (d) to (e), insert the following paragraph as:

(d) For a full member of the conference serving full time, the sum necessary to make the salary \$3,600.00 per year shall be added.

FLOYD E. JOHNSON, Chairman

CHARLES CHADWICK, Secretary

COMMISSION ON MINIMUM PASTORAL SUPPORT**Plan of Operation**

There shall be a program of minimum pastoral support in the Central Texas Conference, under the management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called the Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. Five of this number shall be ministers, and four laymen. The term of service shall be for three years, so arranged that three shall be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all of the interests of the Minimum Pastoral Support Program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by the nomination of the Bishop and the Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, and a Secretary. These officers shall constitute the Executive Committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the meeting of the Central Texas Annual Conference.

Administrative Procedure

1. (a) The basic minimum basis for pastoral support shall be \$1,800.00 per year, exclusive of any parsonage provision that may be made by the Charge.

(b) For a single man rendering full time service or a Student Pastor receiving no other employment income, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$2,400.00 per year shall be added.

(c) For a married man rendering full time service, or a Student Pastor receiving no other employment income, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$3,000.00 per year shall be added.

(d) For a full member of the conference serving full time, the sum necessary to make the salary \$3,600.00 per year shall be added.

(e) The sum necessary to raise the salary to the established minimum salary to the Conference shall be computed on the basic minimum salary of \$1,800.00 per year, or on the salary apportioned by the pastoral charge, whichever is the higher figure, and in no case shall the sum so required be in excess of \$1,200.00.

The benefits of the Fund are not to be thought of as annual subsidies designed solely to enable a pastoral charge to pay the minimum salary of the Conference. The Fund should do that, and more. Basically, the purpose of the Fund is to aid a pastoral charge in its efforts to raise its own salary apportionment to the figure set as the established minimum salary of the conference.

2. The benefits of the Fund are available to ministers in the Central Texas Annual Conference who are rendering service as pastors, as follows: Preachers in full connection; preachers on trial appointed to pastoral charges; student pastors, and approved supply pastors who are recommended by their District Superintendents.

(a) The benefits of the Minimum Pastoral Support Fund are not available to any minister having any appointment other than that of preacher in charge within the bounds of the Central Texas Annual Conference.

(b) In cases of appointments between sessions of the Annual Conference, and after the appointments have been made by the Commission, no member of the Conference, preacher on trial, student pastor, or full time approved supply pastor, shall share in the benefits of the Fund, unless the Charge to which he may be appointed shall meet the conditions hereof, and then his sharing shall be on a pro rata basis for that part of the year served in the charge to which he may be appointed.

3. No Pastor shall share in the benefits of the Fund who receives income from other employment than the regular work of the ministry.

4. A pre-requisite for any pastor to receive the benefits of the Fund is the written application of his District Superintendent for the sum needed to bring the salary up to the established minimum, filed with the Secretary of the Commission. With this application the Superintendent shall furnish the information as to whether the Every Member Canvass for the local Church budget has been made, and the salary raised over that paid the previous year by not less than five (5) per cent.

5. No pastor shall receive the benefits of the Fund if the Charge he serves reduces the salary below that paid the previous year, unless this reduction is recognized by the Commission as justifiable, and approved by its unanimous vote.

6. Funds for the work of the Commission shall be secured in accordance with the provisions of Paragraph 826, Discipline 1960, and the apportionment of each pastoral charge shall be a sum equal to four per cent of the salary apportionment for pastoral support.

7. The District Superintendents shall be made responsible for making this program effective in their respective districts, as in all other causes of the Church, and the collection of the amounts from the churches listed in their respective districts.

General Provisions

8. Payment on the apportionment to the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payment to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1,

and payment for the fourth quarter of the year, ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

9. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, and all payments to those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission, except such as are held while the Annual Conference is in session, shall be allowed. Traveling expenses shall be computed on the basis of seven cents per mile each way.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid is limited to those who receive the benefits of the Fund, and not more than ten (10) per cent of the gross receipts of any one year shall be made available for such emergency appropriation. All unexpended portions of such available emergency funds, shall at the close of the year, remain in the general fund, subject to disbursement in accordance with the provisions of this Plan.

BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

Report No. 3

Recommendation:

To the Bishop and Members of the Annual Conference:

Phillip Lopes is seeking the on trial relationship in the Central Texas Conference under the provisions of paragraph #325.3 of the Discipline. Mr. Lopes, 49 years of age, has completed 61 hours of college credit, served six consecutive years as an accepted supply pastor, completed the four year conference course of study and has been recommended by three-fourth vote of the Board of Ministerial Training and Qualification and by a three-fourth vote of the cabinet.

Mr. Lopes has given himself completely to the work of the church. Since entering the ministry six years ago, Mr. Lopes has shown a fine spirit of cooperation with his fellow ministers and with the Board of Ministerial Training and Qualifications. He completed the four year course of study in 14 months, making all grades of A's and B's. He entered college at the age of 45 and completed his two years of work while serving as a full-time supply pastor. The reports which we have received concerning Mr. Lopes' work in the pastoral ministry have all been reports of good, stable pastoral work and a fine spirit of willing to do the work of Christ through the Methodist Church.

It is our privilege to recommend Mrs. Lopes for admission on trial under the provisions of paragraph #325.3 of the 1960 Discipline of the Methodist Church.

MINISTERS' WIVES' CLUB

The Ministers' Wives' Club of the Central Texas Conference met for the 22nd annual luncheon in Wesley Hall, First Methodist Church, Fort Worth, Texas, Wednesday, June 6, 1962 with 253 members, guests, and visitors present. Mrs. Ben Feemster, president, presided.

Mrs. W. J. Shelton gave the invocation. Mrs. Feemster introduced Mrs. William C. Martin, Mrs. G. Alfred Brown, Mrs. W. V. Bane, and Mrs. Gaston Foote.

The minutes were read. There was one correction, this being that Mr. Dave (not Dan) Naugle interviewed some ministers' wives.

Members were asked to stand by districts.

The treasurer reported a balance of \$53.50 at the beginning of the year and a balance of \$49.20 for the new year.

The brides and other special guests were recognized.

The club asked the secretary to send messages of greetings to Mrs. Stanley Williams, Mrs. Roy L. Crawford, Mrs. C. A. Sutton, Mrs. Frank Suddath, Mrs. Cyrus Barcus, Mrs. James Peppers, and Mrs. Norman Purvis.

The Nominating Committee, composed of Mrs. W. C. Taylor, Jr., Chairman, Mrs. J. W. Ford, and Mrs. Richard Millsap, made the following nominations:

President: Mrs. Leighton Farrell
 Vice-President: Mrs. Floyd Boulware
 Secretary: Mrs. Morgon Garrett
 Treasurer: Mrs. Robert L. Robertson

They were elected by acclamation.

Mrs. Leighton Farrell, Program Chairman, introduced the program entitled "Moon Bound." Mrs. Robert Young gave the poem "Methodist Preacher Assigned to the Moon," which was written by Paul Keinholtz and paraphrased by Mrs. Farrell. A trio composed of Mrs. James Cooper, Mrs. W. M. Greenwaldt, and Mrs. Len Layne, and accompanied by Mrs. Robert Young, sang a medley of "moon" songs. A skit, "Moon Bound," was presented by Rev. Michael Patison, Rev. and Mrs. Leighton Farrell, and Rev. Lamar Smith. The skit had been paraphrased by Mrs. James Dyer.

Mrs. R. A. Brooks gave the benediction.

BOARD OF MISSIONS

Report No. 1

There are four lanes in the "second mile" giving opportunities of Advance Specials, i.e., World Missions, National Missions, Methodist Committee for Overseas Relief (M.C.O.R.), and the Conference Builders' Club. Our conference has one or more special projects in each of these areas of concern.

In the Division of World Missions our Advance Special emphasis is upon building dormitories at Parker Intermediate College in India, and at Old Umtali in Southern Rhodesia. The special emphasis for the National Division Advance giving is to the building program of the Emerson Indian Mission in Oklahoma and Latin American work of the Rio Grande Conference, including Lydia Patterson Institute. M.C.O.R. special emphasis of the Multi-Purpose Food program, "Meals for Millions," deserves our continued and increased support. The fourth lane in "second mile" giving concerns Church Extension through our own Conference Builders' Club.

In addition to those emphasis named, there are many opportunities and challenges to "widen your world through the Advance." An Advance Guide has been prepared and distributed to local churches to provide detailed information of specific missionary needs. The Central Texas Advance Guide contains project suggestions for individuals, church school classes, women's groups, men's clubs, and youth organizations, as well as suggestions for district cooperative programs.

Every local church should be participating in each of the four lanes of "second mile" giving afforded through Advance Specials. Some are and others

are moving toward that achievement. A reasonable minimum goal for local Churches is suggested on a salary basis as follows:

Churches paying \$8,000 and above	\$2.00 per capita
Churches paying \$6,000 to 7,999	1.35 per capita
Churches paying \$4,000 to \$5,999	1.00 per capita
Churches paying \$2,700 to \$3,99975 per capita
Minimum Salary churches	40c to 50c per capita

Many churches are commended for exceeding this goal. The suggested goal is not intended to deter their generous support.

According to the statistics reported in the 1961 Annual Journal, the suggested minimum goal for local churches results in district goals as follows:

Brownwood District	\$ 8,697.00
Cisco District	10,063.00
Cleburne District	8,979.00
Corsicana District	8,473.00
Ft. Worth East District	34,647.00
Ft. Worth West District	32,206.00
Gatesville District	7,896.00
Georgetown District	10,724.00
Waco District	21,562.00
Waxahachie District	9,309.00
Total	\$152,556.00

Each local church is encouraged to make a true advance in "second mile" giving. Through an informed people this can be realized. The Central Texas Advance Guide for 1961-1964 is commended as the source of information, education, and cultivation for Advance Special giving.

Projects and their priority in the conference cooperative program for 1962-1963 are as follows:

Emerson Indian Mission	\$ 6,000.00
Latin American Work	13,300.00
Parker College, India	15,000.00
Old Umtali, Southern Rhodesia	15,000.00
M.C.O.R. (Multi-Purpose Food)	2,000.00

In addition to participating in the above cooperative program, direct missionary salary support and general missionary projects should be continued.

JAMES H. ELLISON, Missionary Secy.

Loan Funds

Acute needs continue to be felt for loan funds for projecting and building new churches within the bounds of our Central Texas Conference. Funds for donations in acquiring land for new situations are greatly needed. In order that the funds available through the World Service apportionment and the Con-

ference Builder's Club. may be supplemented the Board of Missions requests that the sum of \$50,000.00 be included in the Conference Special for 1962-63, and that 10% of these funds be allocated for donation purposes and that 90% of these funds be added to the loan funds of the Methodist Foundation of the Central Texas Conference.

Methodist Investment Fund

Your Conference Board of Missions desires to call to the attention of every Methodist individual and every Methodist Institution the recently created Methodist Investment Fund. The requests for capital funds for building Methodist Churches has become greater and greater. The Division of National Missions of The Methodist Church has worked out a plan with adequate safety to put individual investment money or institutional endowment funds to work for Methodist church extension. The plan pays 5% on money invested with the Fund; Methodist Churches which qualify to borrow under the standards of the Division of National Missions pay 5½% on their loan; the ½ of 1% net goes into the reserve which controls the maximum mortgaged loans; and all expenses of the Fund are paid by the Division of National Missions.

We quote from the information sheet published by our Methodist Editorial Department: "The Methodist Investment Fund is a non-profit corporation of the Commonwealth of Pennsylvania. The fifteen directors of the Fund are elected by the Division of National Missions of The Methodist Church. The Division of National Missions acts as agent for the fund in processing all mortgage papers, as custodian of all documents and legal papers, and as collector of all principal and interest payments."

Who May Invest? "Methodist institutions—conferences, hospital, homes, educational institutions, local churches, etc.—and individual Methodists. The minimum amount that may be invested is \$1,000.00."

What About Withdrawals? "Investments may be withdrawn upon six months' notice in writing. There is the further provision, however, that the Fund may repay the investment in equal annual payments over a period of five years after receipt of notice. This provision is for the protection of the Fund and would be invoked if there should be unusually large withdrawals at one time. Since the Fund is invested in mortgages, it is obvious that very large withdrawals at one time could not be met without great sacrifice. Amortization payments, however, will provide adequate funds to meet normal withdrawals."

You are invited and urged to get full information by writing to **The Methodist Investment Fund, 1701 Arch Street, Philadelphia 3, Pa.**

Explanation

The Conference Board of Missions Permanent Fund had its origin as an allocation from the Centenary mission fund of the Methodist Episcopal Church, South. (See Centenary Report, Jnl. 1919). The initial amount was \$20,000.00, approximately, which was invested in first lien mortgage loans unrelated to church uses. Interest income was appropriated annually by the Conference Board of Missions. During the depression of 1930-1935 there were losses, but later by investment of income and by transfer of balances in conference missions and church extension accounts the fund was restored. The 1957 Annual Conference adopted a recommendation of the Board of Missions that the Permanent Fund be liquidated in an orderly manner and transferred to a foundation for church extension purposes, and in 1958 The Methodist Foundation of the Central Texas Conference of The Methodist Church was created. At that time the Permanent Fund held assets of the value of \$24,184.11. (1958 Jnl., p. 131) All assets now have been liquidated, and their transfer as cash funds to The Methodist Foundation has been completed, as follows:

November 3, 1958	\$15,000.00
May 27, 1959	3,300.00
May 31, 1960	1,400.00

FORREST MARKWARD, Treasurer

BOARD OF PENSIONS**Report No. 1**

Your Board of Pensions is happy to report that we have paid to the Conference Claimants for the year 1961-62 \$47.00 per Service Year.

We recommend the payment of \$48.00 per service year for the year 1962-63, provided the Conference Board of Pensions will increase this amount if sufficient funds are available.

We recommend that payments be made monthly to the claimants.

We recommend that an amount equal to 17% of the pastor's salary be apportioned to Conference Claimants for the year 1962-63.

We request that the Commission on World Service and Finance allocate \$30,000.00 of the Conference Special for the reserve pension fund for the year 1962-63, which is the same amount as last year.

We nominate S. A. Baker as a member of the Board of Pensions to fill the vacancy left by the resignation of E. R. Gordon. Mr. Morris Walker has been elected Chairman of the Board of Pensions to replace E. R. Gordon.

E. R. GORDON, Chairman

S. A. BAKER, Executive Secretary

BOARD OF PENSIONS**Report No. 2****Proportionate Payments**

In keeping with paragraph 1624, section 1 of the Discipline we call attention to the fact that when the apportionment to the pastoral charges for the support of conference claimants and for the Ministers Reserve Pension Fund has been determined, payments made thereon by each pastoral charge shall be exactly proportionate to payments made on the salary or salaries of the minister or ministers serving it.

Attention is also called to paragraph 1624, section 3, which states that the pastor shall adjust his cash salary and payment to the conference claimants fund according to the proper ratio, before he enters the respective amounts in his statistical reports to the Annual Conference.

We recommend that each District Superintendent and Pastor beginning with the Annual Conference of 1962 see that the Conference Claimants Funds are paid proportionately. Your Conference Board of Pensions will be required to report any and all amounts in default to the clearing house of the General Board of Pensions to be recorded upon the service record of the individual ministers concerned.

BOARD OF PENSIONS**Report No. 3****Correction of Annuity Credit for Supply Service**

The Annual Conference of 1961 directed the Conference Board of Pensions, in keeping with the 1956 and 1960 pension legislation, which more

clearly defines the various classifications of supply pastors and grants annuity claim for only "full-time" supply service, to study and correct the previous records of annuity claims for supply service and to eliminate all previous authorizations for annuity claim for any other than "full-time" supply service, and to report its findings and recommendations to the 1962 session of the Annual Conference. "Full-time" supply service is now defined as those who devote their entire service to the church in the charge to which they are appointed. (Par. 317.2). This excludes annuity claim for "part-time" and "student" supply service.

A study has been made of the Personnel Records prepared by the ministers of the conference and transmitted to the Conference Secretary. It has been found that most of the previous annuity claims granted by this annual conference have been for student supply service, which is not now recognized for annuity claim.

Therefore, to correct our records, it is recommended that the annual conference rescind all action granting annuity claim for supply service prior to and including the conference year ending with the annual conference session of 1961, except for those already retired.

We further recommend the granting of annuity claim for "full-time" supply service to those whose records establish that their supply service was in accord with the present definition of "full-time" supply service. In the closing section of this report, there are listed the names of these "full-time" supply pastors, with the total number of years of annuity claim granted for "full-time" supply service, and the year of the annual conference at which this full-time supply service was completed.

We further recommend that the Conference Board of Pensions be granted the privilege of reviewing any other claims for annuity credit for full-time supply service rendered by any minister prior to 1961, and if errors are discovered, of submitting additional recommendations in such cases to future sessions of the annual conference for its consideration and action.

Herewith are our recommendations for annuity claim for "full-time" supply service prior to and including the annual conference of 1961:

BOARD OF PENSIONS**Report No. 6****Recognition of Retired Ministers**

Our ministers, who are retiring at the 1962 Annual Conference, have served a total of 227 years in the ministry. Instead of preaching a sermon for them, on this occasion, we shall let their thousands of sermons echo in our hearts and throng our minds.

Through days of difficulty, these men have brought courage and humor, wisdom and joy. The thousands who found Christ under their ministry bear testimony of how beautifully they linked heaven to earth.

The companions of their hearts, stand by them today as they have through all the years. They have added to the effectiveness of their witness for Christ and His church. They have carried their share of every burden and encouraged their husbands each step of the way.

Beloved, we recognize you today as faithful ministers of the Lord Jesus Christ. We hope the years ahead may be fruitful and joyous. Some of you are already planning for creative and noble work in new places of service. May God bless you with health, with delightful fellowship with His people and with His constant inspiration and presence.

Your General and Conference Boards of Pensions hereby express tangible appreciation and recognition by presenting each of you an appropriate pin for this lofty occasion of your ministry. Let the ministers and their wives please come to the chancel for this presentation.

COMMISSION ON PROMOTION AND CULTIVATION

World Service is the life blood of missions in Methodism. **Advance Specials** are genuinely "second mile" Christian sharing. Thus, we are grateful that our conference has accepted and is paying its greatly increased **World Service** askings for the quadrennium while also increasing **Advance Special** giving. We express gratitude to each local church, each pastor and each District Superintendent. **Parker Intermediate College, Moradabad, India** is an Advance Special for which we ask special consideration in each church.

Methodist T-V - Radio Ministry, Fellowship of Suffering and Service, One Great Hour of Sharing, and our Conference Builders' Club are vital causes which call for our loyal and generous support. **Methodist Story, World Outlook, Together Magazine** and **The Texas Methodist** are recommended as good tools for the promotion and cultivation of World Service and Conference Benevolences and Advance Specials and we solicit for each of these publications a wider circulation. We especially recommend the plan to send **The Texas Methodist** with a Central Texas Conference page to every official in each local church. The new filmstrip, **Fantastic Journey**, will aid the local church in the promotion of World Service giving. This filmstrip and other promotional materials for use by the local church may be secured from the District Superintendent or our office at 1310 Collard, Fort Worth.

Each pastor will receive the wall calendar for 1962-63 from the Evanston office of the Commission on Promotion and Cultivation.

We ask you to view our conference display in Wesley Hall.

We request \$400 from the Conference for the work of our Commission.

Our Commission is increasingly appreciative of the leadership of our own Bishop Wm. C. Martin as President of both the Commission on Promotion and Cultivation and the Division of World Missions of the entire church. Bishop Martin and his cabinet, our pastors and churches are writing a good record in missionary giving.

COMMITTEE ON PROPORTIONAL PAYMENTS

We, the Committee on Proportional Payments, are pleased to report, that out of **367** churches in our Conference, that only three churches failed to meet their full proportional obligations. We wish to emphasize to both laymen and ministers, that such deficits of proportionate payments based on ministerial items, are deducted from the minister's annuity claim at the time of his retirement.

We commend the District Superintendents for their fine supervision that has been given to every church concerning these proportionate items, but we also seek to emphasize that it is still the basic responsibility of each pastor to check his own church records.

The following churches revealed deficits in payment of proportional items:

District	Church	Minimum Salary	Bishop's Fund	District Supt.	Conference Claimants
Waco	Aquilla				\$ 35.00
Waco	St. Luke's	\$168.00	\$84.00	\$420.00	\$664.00
Waxahachie	Matthew's Memorial	\$ 76.00	\$38.00	\$189.00	\$321.00

JOINT BOARD OF PUBLICATIONS AND METHODIST INFORMATION

Report No. 1

In view of recent developments in the other annual conferences of Texas and with the firm belief that Texas Methodism needs a state-wide paper, we recommend that the Bishop and his Cabinet appoint a special committee to join with the already existing Central Texas Conference Committee, (composed of Maggart B. Howell, C. H. Sisserson, William A. Ward and Ed Harris) to study the whole matter of The Texas Methodist and the feasibility and possibility of a conference page as it relates to the other annual conferences of Texas, and that this committee report back to this annual conference one year hence.

We further recommend that this committee be composed of one person from each district (in addition to the presently existing committee of four) with ample lay representation.

JOINT BOARD OF PUBLICATIONS AND METHODIST INFORMATION

Report No. 2

While there has been great improvement recently in **The Texas Methodist**, The Joint Board of Publication with members from Conferences from Texas plans for further improvements. An experienced Journalist will be employed to assist in editing all pictures and copy, writing of headlines, make up and format of the newspaper.

The Joint Board of Publication is planning an accelerated program of dissemination of news throughout Texas through a greatly improved office of Texas Methodist Information.

We request that the Conference subsidy of The Texas Methodist and Methodist Information be the same as last year: \$3,517.00.

We wish to thank Bishop Wm. C. Martin, our District Superintendents and our District Secretaries of Methodist Information for their loyal support to **The Texas Methodist**.

COMMITTEE ON RESOLUTIONS

When one seeks renewal it means following the admonition of Isaiah to "look to the rock from whence we are hewn," and come to the altars of dedication in the name of one in whom Paul has said, "Behold, all things are become new." This is our challenge in the ninety seventh session of the Central Texas Conference to find our spiritual renewal and not simply the renewal of our selves individually but as the church of the living God. As Methodists we find strength in remembering that our ancient orders for reception of members into our fellowship states: "Beloved, the church is of God and shall be preserved unto the end of time." However, in coming to this conference, we have reminded ourselves that the gospel and the church is timeless, but unless we renew our love and loyalty to her, our lives become as sounding brass and tinkling cymbal in a time conscious generation.

Through our reports, our services of high and holy worship and through our fellowship, we stand where more than 115,000 Methodist of our conference stand. We reflect upon the work of the year just past, but with eager anticipation thrust into the days that are ahead.

BE IT THEREFORE RESOLVED that every minister, laymen, and visitor who comprised the body of this conference, commit ourselves again to the task of deeper renewal of faith so that we might have strengths equal to our task in this frightened, scientific and seeking culture. This gospel of spiritual renewal, we proclaim to all of our conference, to every church and to all men everywhere. To them—the living witnessing people of our churches, we express our gratitude to:

To Bishop William C. Martin, whose inspired leadership made the conference sessions challenging, enriching and meaningful to the task that was before us.

The Mrs. William C. Martin, our beloved first lady, who graced our conference with her presence.

To the Cabinet and their wives who so diligently strive to be Pastors to Pastors.

To the First Methodist Church, the ministry and staff, The Woman's Society of Christian Service, and all of the local volunteers who make us feel the warm heart of this great church during the Annual Conference.

To all of those who have brought to us the ministry of the WORD: Dr. Gaston Foote, who has not only been a gracious host, but has also so wonderfully reminded us of our true relationship to our God in many areas of life through his preaching. In his own inimitable way he has made the word of preaching the living WORD which will bear its fruit in our lives.

To our fellow workers in the Church of our Lord in other denominations who have shared with us their insights into the Gospel in the morning devotions: The Right Rev. Mr. Avery Mason, Bishop of the Protestant Episcopal Church, Dallas, Texas; Dr. Robert F. Jones, First Presbyterian Church, Fort Worth; Dr. Granville Walker, University Christian Church, Fort Worth. We are thankful not only for their messages, but also for this expression of ecumenical spirit.

To all who brought to us the ministry of MUSIC: Mr. Bill Mann, who has lead us in the great hymns of faith and has inspired our hearts with his soul-stirring solos. Mr. Robert R. Clark, who has again served us so well at the organ. It is difficult to put into words our gratitude to Mr. Clarke for his faithfulness and the excellence of his music ministry. To the choirs of the Arlington Heights Methodist Church, Mr. Emmett Smith, Director; Richland Hills Methodist Church, John T. Mason, Director and to the First Methodist Church Chancel Choir for the evening anthems and music.

To the Rev. Mr. Morgan Garrett who reminds us that, as our departed friends live in the eternity, so their memories continue to live in us.

To the Rev. Dr. D. L. McCree who reviewed the service of our forebears in the faith and who encouraged us all to keep our ministries alive.

To those who carried on the work of the conference: all of the Boards, Commission, Committees, Tellers, Statistical Staff and Conference Officers who, with the help of our Secretary, Dr. J. D. F. Williams, placed on permanent record the accomplishments of this conference year in the work of our Master.

To The Rev. Mr. Tom Granger, and to the Rev. Mr. Bob Robertson, our deepest appreciation for service above and beyond their assigned responsibilities in the Educational leadership. Nothing but the highest commendation can go to these men as they assume new positions of leadership in our Church.

To the Fort Worth Star Telegram, The Fort Worth Press, and the Rev. Mr. William Hankla and others for telling our story to the total community.

To Radio Station WBAP 820 for their gracious service of broadcasting our appointments to Central Texas.

To the Worth Hotel for graciously providing the room for the Cabinet and for providing for Bishop and Mrs. Martin in their traditional Western Hospitality.

To God our heavenly Father, who not only has called us to be committed but has provided a place of service for each of us in the Kingdom, into His hands we commend this annual conference in the name of Jesus Christ our Lord.

We resolve to remember that our future is timeless, that the weight of history is behind us, but the truth of tomorrow lies in test if we are God's renewed man as we go about His business. We now turn back to our fields of service, and as we go, we are sure that the great current of life flows for Thee and nothing can change it. Our world needs spiritual renewal, our church needs spiritual renewal, our church needs spiritual renewal, and our own personal lives need spiritual renewal—and may we find it again as we proclaim that Jesus Christ is Lord of life, yesterday, today, and forever.

COMMITTEE ON SUSTENTATION**Report No. 1**

We have functioned the last year under the Conference Plan adapted in 1955, amended in 1957, and printed below as Report No. 3.

We have received one request for aid this past year, but because of the lack of qualifications as stated in Report No. 3; Section 3; and paragraph 1. Therefore, we have spent no money during the past year.

URBAN A. SCHULZE, Chairman

H. DAN HITT, Secretary

COMMITTEE ON SUSTENTATION**Report No. 2**

We recommend that the Committee on Sustentation be continued under the same instructions as it has in the past.

URBAN A. SCHULZE, Chairman

COMMITTEE ON SUSTENTATION**Report No. 3**

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of a committee on sustentation, to be composed of six persons to be nominated by the Bishop and his Cabinet and elected by the Annual Conference. The members of the committee shall be selected for their fitness for service on this commission and may be members of other Annual Conference Boards and Commissions. Three members of this committee shall be ministers and three shall be laymen. These shall serve during the quadrennium.

This committee will have charge of and promote all the interests of the Committee on Sustentation and shall be the determining factor in the final approval of any candidate for participation in this program. Vacancies caused by death or removal from the Annual Conference in the membership of the committee shall be filled by nomination of the Bishop and his Cabinet and elected by the Conference. However, the committee is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointments are to apply only until the sessions of the Annual Conference following, and then the vacancy will be filled in the regular manner. The committee shall meet and organize by electing a Chairman, Vice-Chairman, and Secretary-Treasurer. These officers shall constitute the Executive Committee and shall serve for the quadrennium.

2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.

3. We recommend further that the following shall be eligible for participation:

(1) All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.

(2) An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.

(3) Any minister, meeting the above requirements, who is relieved of his pastoral duties and is granted a leave of absence from his charge by the Bishop and Cabinet during any Conference year for physical or psychological reasons shall be eligible for sustentation for that portion of the year that remains until the next meeting of the Annual Conference.

4. We recommend the following procedure:

(1) The applicant shall make his desire known, in writing, to the Committee On Sustentation.

(2) The applicant must submit to a complete examination at the Clinic of The Harris Hospital in Fort Worth, Texas, and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number (8) which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"

(3) In extreme emergencies, the Committee On Sustentation will consider the diagnosis and recommendation of a duly qualified physician, but not the claimant's personal physician.

(4) When the application is approved by the Committee On Sustentation, the name of the applicant shall be submitted to the Committee On Conference Relations with a request that a leave of absence be granted for a period of one

year. With this approval of the Committee On Conference Relations, and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.

(5) We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.

(6) All payments shall be made to the claimant quarterly at the first of each quarter of the Conference Year.

5. We recommend the following financial plan:

(1) The Committee On Sustentation shall be given authority to draw upon the Contingency Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.

(2) After the amount expended during a Conference Year has been determined, the Committee On Sustentation will make a request of the World Service and Finance Commission for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if this plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

TELEVISION, RADIO AND FILM COMMISSION

Report No. 1

The duties of the local church director, district director and the Conference TRAFCO Commission take almost the same course: (1) coordinating opportunities, (2) providing leadership, and (3) conducting training events.

Among the many opportunities now open to us are the many radio and TV outlets which do provide public service time to religious groups if the programs meet the required standards of such boardcasts. The Conference Commission is seeking to coordinate the programs of conference meetings such as the annual conference with such public service opportunities so that the radio-TV audience will have an opportunity to hear more and to see more of what the Methodist Church is doing. We are happy that WBAP Radio, Fort Worth, has consented to broadcast the reading of the Pastoral Appointments again this year for which we are grateful.

The Commission recommends that the District Directors and local church committees make greater use of broadcast and television opportunities within the market areas of the entire conference especially in the use of the new TV series "Breakthru."

We urge each District Superintendent in cooperation with the conference commission to have a District Workshop on Radio-TV; thus, providing leadership to the local church.

We hope that the local church would provide a twenty-five (\$25.00) dollar scholarship to send their representative to the annual Southwestern Audio-Visual Workshop in Georgetown, Texas.

For years people have been complaining about certain TV programs for children's consumption. We now have an answer to poor TV in the new children's series "Breakthru" which we believe is one of the finest contributions the

church has made. In support of this we urge every member to give ten cents a year to the TV Fund. Production of the second series of thirteen now awaits your contribution before it can begin.

Again we ask that the World Service Commission to increase our Commission's administrative fund from \$100 to \$300 in 1963-64 in order that we may conduct a more adequate TRAFCO program in this Conference.

We are continuing our efforts to make a complete list of existing libraries of all Audio-Visual resources whether local, District, or conference.

In a recent address by Edward R. Murrow to the National Convention of Radio and Television Broadcasters on the problems of communication in the space age, it was stated that ours is a serious responsibility of communicating the truth. Surely the Methodist Church shares this responsibility. We must use every means electronically and otherwise to proclaim Jesus Christ as Savior and Lord.

COMMISSION ON TOWN AND COUNTRY WORK

Report No. 1

Activities, Commendations and Recommendations

Part One—Activities

The Commission has laid great stress upon the promotion of rural church projects and program emphasis during the conference year. As a result, we are pleased with the progress made in every phase of our work. We recognize achievements in (1) Extended Ministers, (2) Enlarged Charges, (3) Group Ministries and (4) Lord's Acre-Lord's Hour Programs.

The Commission has served in advisory capacity when requested and has done research and surveys in areas of deepest need. We have sought to place greater emphasis upon improving the attitude and status of the small church and we can see an improving attitude toward the important work of these churches. Through workshops and institutes conducted on county, district, and conference levels, we are witnessing increased interest, on the part of pastors and laymen alike, in the goals of this Commission.

The Commission has adopted an evaluation program for our churches and plans have been made for the inauguration of this program at the beginning of the next conference year. It is a local church self improvement program in which the churches will enroll at the beginning of the year and set goals for achievement. Guidance will be given to these churches by the District Directors and the Executive Secretary of Town and Country Work.

The Commission has taken part in all Conference, Jurisdictional, and National Town and Country Seminars and Institutes this year.

Part Two—Commendations

The Commission recognizes that the results and progress made this year have come because of the response pastors and laymen are giving. We, therefore, commend the pastors, churches, and district superintendents who are cooperating in the development of charge arrangements, Lord's Acre-Lord's Hour programs, and local church improvements. At the time of this report, April 3, 1962, there are thirty town churches extending their ministry to thirty-three near-by smaller churches; three Group Ministers involving twenty-one churches; and eighty-three Lord's Acre-Lord's Hour Programs. Most of these advances have come within the past year.

We commend the Woman's Society of Christian Service for their continued interest and support in town and country work. It is through the ministry of the Woman's Society that we have two devoted, full-time Church and Community Workers, Mrs. Nan H. Wright and Mrs. H. B. Tondy.

We commend the Town and Country Departments of Southwestern University and Perkins School of Theology for their continued help in the educational aspects of our work.

Part Three—Recommendations

In order to continue to move forward the Commission recommends:

1. The inauguration of a local church self-improvement program which will seek to enroll at the beginning of each conference year as many town and country churches as possible in a program of self-study and achievement of goals on the basis of a church achievement and evaluation analysis. It is the plan that from churches enrolling in this program nominations for "Church and Pastor of the Year" awards will be made.
2. That the Board of Missions, Education, Evangelism, Lay Activities, and the Town and Country Commission work with the district superintendents in assisting the local church congregations and pastors in extending the service outreach of the church in city, town and country in an effort to reach all people as prospective members.
3. The continued effort to define the primary responsibility areas in the conference in order that no person in the entire geographical area of our conference will be without the spiritual aid of pastor and church.
4. That the Group Ministry and Extended Ministry be adopted as a practical policy of expediting the work of the local church in the district. As surveys and research studies are made by the Commission of natural geographical areas, and as recommendations are made by the District Superintendents, these Group Ministries and Extended Ministries would be set-up as a practical plan of making the ministry of Jesus Christ more effective in the area.
5. That District Directors of Town and Country Work be appointed by the District Superintendents at the annual conference session.
6. That all churches in the conference observe Rural Life and Soil Stewardship Sunday on the date, or as near the date, as stated in the conference calendar.
7. Cooperation with the Board of Lay Activities in promotion of stewardship, every member canvas, and other stewardship emphasis. In this connection the use of the Lord's Acre-Lord's Hour Program is highly recommended.
8. That Edward H. Otwell be appointed again as the Executive Secretary of the Commission.

COMMISSION ON TOWN AND COUNTRY WORK**Report No. 3****Report of the Executive Secretary**

It has been rewarding to study individual churches and ask why many have succeeded in spite of problems. These studies have revealed several sources of serious difficulty as well as several instances of triumph over these difficulties.

As a full-time worker in town and country, I have attempted to present to rural congregations a study of contrasts between successful rural churches and unsuccessful ones. As we have studied together the problems and attitudes existing in many small churches, we have learned some new techniques of progress. Several congregations have taken on new life and meaning as they have witnessed those means which bring results. In the three reports made by this Commission it is impossible to give the total results of our labors. If you will follow other reports before this Conference, you will note the evidence of a growing confidence and aggressiveness on the part of the small congregations. Some of them are nothing short of heroic in achievement.

A great amount of time has been given in creating stronger multiple church charges rather than station churches with small membership and weak potential. Several small churches that have never had a Vacation Church School, Youth Activities, Methodist Men, or a Woman's Society of Christian Service are having their first as two or more churches are combining leadership and efforts together.

The request for services of this Commission have been greater than could be filled. More than 39,000 miles have been driven to local churches as pastors and laymen have requested for help in Lord's Acre Programs, Co-operative efforts, programing, and building projects.

With our new program beginning this year in the "Attainment Standards for the Town and Country Church" and the increasing interest in all our church projects, I feel that the surface is beginning to be scratched and a new day is dawning for a more effective ministry in town and country.

WALTER B. RIDER, Conference Treasurer

CONFERENCE BOARD OF TRUSTEES

The Board of Trustees has received information through Dr. Hubert C. Smith and First Methodist Church, Stephenville, Texas concerning the following property willed to the Conference:

Mrs. Ollie Donnell, recently deceased and long time member of First Methodist Church, Stephenville, provided in her will that her home be left to the Central Texas Conference for use as a home for retired ministers. The will reads in part as follows: "I give and bequeath unto the Central Texas Conference of the Methodist Church, as a home for retired ministers, being Lot No. 1, Block No. 26, in the city of Stephenville, Erath County, Texas, and the improvements situated on such lot"

Since it obviously the intent of Mrs. Donnell that her home be used by the Central Texas Conference as a home for retired ministers, and since this Conference has its agency for such operation, namely, the Trustees of Homes for Retired Minister's, it seems only logical that the title of this property be transferred to that Board. Therefore, the following resolution is presented to the Central Texas Conference for action:

"Resolved that the Central Texas Conference meeting in June, 1962, do hereby instruct the Conference Board of Trustees to transfer title to the Donnell property, situated in Stephenville, Erath County, Texas, being Lot No. 1, Block No. 26, and all its improvements, to the Trustees of Homes for Retired Ministers Inc. of the Central Texas Conference of the Methodist Church for the purpose of maintaining it to be used as a home for retired ministers and to otherwise fulfill the conditions found in the will."

W. M. GREENWALDT, Chairman

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

As we look back on the past year the record reflects the joys of dreams fulfilled and the hurts of needs unmet, the satisfaction of new ventures and the disappointment of unrealized opportunities.

The work of the vice presidents reached far beyond the local church. It touched national and international life, with the purpose of establishing a World Christian Community. Our vice-presidents—local, district and conference—have accepted this challenge and are attempting to carry out its implications. There is an increased interest in the World Federation of Methodist Women and many worthwhile and varied programs are being presented.

Missionary Education remains one of the most popular areas of work. This is evidenced by the whole hearted participation in all educational opportunities. Twenty-three of our women attended the Jurisdiction School of Missions at Mt. Sequoyah, 220 were present at the Conference School of Missions at Southwestern University, Georgetown, and 1492 attended the District Educational Seminars.

Adult workers with Children, Youth and Students have led their respective groups to appreciate and understand other races, nations, classes and creeds, and to share with them. Youth have been helped to understand and live the Christian faith through participation in a program of missions. This year 373 young people participated in meetings—Christian Vocations Conferences, Mission Tours, Camps, Assemblies and/or Youth and Student Conferences.

Spiritual life cultivation is difficult to report, but an accounting of some of the outreach efforts can be recorded—Ministry to shut-ins, cooperation with Commissions on Membership and Evangelism, Stewardship, Prayer concerns and 'Days Apart' reported on local, district and conference levels.

While we are grateful for the 100% reporting of all Societies and Guilds, for the 4 new Societies and the 1336 new members, we are aware that many Methodist women in Central Texas do not belong to the Woman's Society or the Guild. A depth Study of the woman constituency of the local church, conducted from September to January, revealed that less than one-half of our women participate in women's organizations of the church. This untouched resource of woman power offers a great challenge.

There are two Church and Community Workers, Mrs. Nan H. Wright is assigned to the Navarro Group Ministry, and Mrs. H. B. Tandy, works with the North Georgetown District Group Ministry, working in the Conference Those Workers do excellent work and more and more their services are sought. Both Wesley Community House and Bethlehem Center do extension work, thus adding to the effectiveness of their services.

Each year our record of finance increases. The women gave more than \$114,000.00 on appropriations. Adding to this the Week-of-Prayer and Self-Denial offerings cash for Supply Work, and Supplementary giving such as to Crusade Scholarships, Wesley Community House Building Fund and other interests they gave more than \$138,000.00. With 99½ per cent of the societies giving to Supply Work Askings our conference led South Central Jurisdiction this last report period.

For all this we are truly grateful and give God the glory. "Our Mission Today," the quadrennial theme, is based on the assumption of **spiritual motivation** for all we do, ". . . as many as received him, to them gave he the power to become sons of God . . ."

THE COMMISSION ON WORSHIP

Recognizing "a deeper understanding of worship as the heart of the Christian life, not only for the Christian person but also for the Christian community," we urge every local church to create a functional Commission on Worship. The local church commission should avail itself of every significant aid to enhance the "beauty, dignity, and meaning" of the worship hour on Sunday and on all other occasions, such as The Book of Worship, The Methodist Hymnal, and the Manual for the Commission on Worship in the Local Church. "It should encourage good taste, and practice in the conduct of worship, church music, church architecture, and the use of the fine arts in the church." The National Fellowship of Methodist Musicians can be of vital help in this regard. The General Board of Missions and its Division on Church Architecture is at all times ready to assist with plans for worship in the local church. The Area Council of Churches and its Conference on Church Architecture can be of significant help to churches planning new facilities for worship.

"The 1960 General Conference adopted the report of the General Commission on Worship recommending an experimental use in the churches during the quadrennium of the Proposed Revisions for The Book of Worship." We encourage each local church to begin this experimental use.

Traditionally the sacraments of Baptism and The Lord's Supper have occupied a central place in the worship of the Christian Community and in the life of the Methodist Church. We encourage each pastor and local church Commission on Worship to make a new study of the Sacraments, their place in the worship of the church, and their meaning for the spiritual life of Methodists.

It can be expressed in no better way than by Bishop William C. Martin in the Episcopal Address of the 1960 General Conference when he said: "There will be no consistent advance toward spiritual renewal until increasing numbers of our people become unwaveringly committed to appropriate forms of corporate

worship as their accustomed, yet also supreme, opportunity to make their public evangelical witness to our faith in Jesus Christ, Ataning Saviaur, Risen and Redeeming Lord."

In keeping with the previous action of the annual conference, the apportionments for ministerial support to the local churches shall be on this basis: District Superintendents' Fund 10%, Episcopal Fund 2%, Conference Claimants' Fund 17%, and Minimum Salary Fund 4%. After making these individual apportionments to each local church, the district superintendents are instructed to give a total of these four items and designate this total as "Connectional Ministry." The local treasurers will remit any and all remittances on this combined "Connectional Ministry" apportionment. The Conference Treasurer at the proper intervals will divide the total of these Connectional Ministry remittances in the proper proportion and distribute accordingly.

BISHOP H. A. BOAZ
1866 - 1962

BISHOP HIRAM ABIFF BOAZ

Hiram Abiff Boaz, son of Peter Maddox Boaz and Louise Ann (Ryan) Boaz, was borne at Murray, Kentucky, on December 18, 1866. His parents brought him to Tarrant County, Texas, in March, 1873. He attended public schools of Tarrant County and of Fort Worth. In June, 1899, he was called to preach and was licensed by the quarterly conference of the First Methodist Church of Fort Worth. In November of that year, he was admitted on trial to the Northwest Texas Conference and was assigned to the Bartlett Circuit. In 1891 he entered Southwestern University and was graduated in 1893 with the degree of Bachelor of Science.

On October 2, 1894, he married Miss Odolee Browne of Luling, daughter of the Rev. and Mrs. J. W. Browne, whom he had met at the Som Houston Normal Institute, and who had waited for him to complete his academic preparation for the Methodist ministry. Soon after his graduation, he was appointed as acting pastor at First Methodist Church, Fort Worth, when Dr. W. F. Lloyd, pastor, was elected president of Polytechnic College. He was next sent to Mulkey Memorial Church in Ft. Worth and remained three years. He was then assigned as pastor of First Methodist Church in Abilene, Texas; after two years in Abilene he was appointed to Dublin.

In the spring of 1902 he was elected president of Polytechnic College in Ft. Worth, which later became Texas Woman's College and is now Texas Wesleyan College. While he was serving here, he conceived the idea which gave raise to Southern Methodist University. Working with parents and students, he became aware of the need for a great Methodist university west of the Mississippi. He also realized the latent support for such an institution among both the clergy and the laity. It was largely through the influence of Dr. Boaz that Dr. Robert Stewart Hyer, a great scholar and educator, was chosen as the President of the new university which was to be built in Dallas. Dr. Boaz became the Vice President and accepted the responsibility of raising \$500,000 to establish the university. With the help of four other dedicated men, he raised more than \$750,000. Bishop James Atkins, the Presiding Bishop of the Methodist Church of this area, wrote in 1922, "There are others who hold that Dr. Boaz is the real founder. I presume that if this honor were officially accorded he would not hesitate to decline it on the same ground that I have mentioned in connection with myself. Nevertheless, it is true that Boaz' reputation as an educator, and his abilities as a financial director were such as made his contribution to this enterprise indispensable."

In 1918 Dr. Boaz was elected to the position of Executive Secretary of the Board of Church Extension, then a two million dollar corporation with headquarters in Louisville, Kentucky. On Feb. 20, 1920, he was elected President of Southern Methodist University, which was then facing financial difficulties. He returned to Dallas and soon started a campaign to raise a million dollars to pay the debts of the university and to start an endowment fund. The campaign was successful and the university has prospered ever since. In 1956 Boaz Hall was named in honor of the Bishop and Mrs. Boaz. Bishop Atkins, in commenting on the contribution which Dr. Boaz made to the life of the university during his presidency, wrote, "If there is a question as to who founded the university, there can be none as to who saved it."

At the General Conference of 1922 at Hat Springs, Dr. Boaz was elected a bishop of the Methodist Church. His first assignment was to the Orient, where the mission work of the Church was under his supervision in China, Japan, Korea, Siberia and Manchuria. Over this tremendous area he traveled extensively, coming back to the United States only to raise money for the mission work of the Church. His second assignment as bishop, 1926-30, was the supervision of the work of the church in Arkansas and Oklahoma. During the quadrennium, 1930-34, his area included the Texas, North Texas and Northwest Texas Conferences. During his last four years as an active bishop, he presided over the West Texas,

Central Texas, and Northwest Texas Conferences, the New Mexico Conference, and the Mexican Mission.

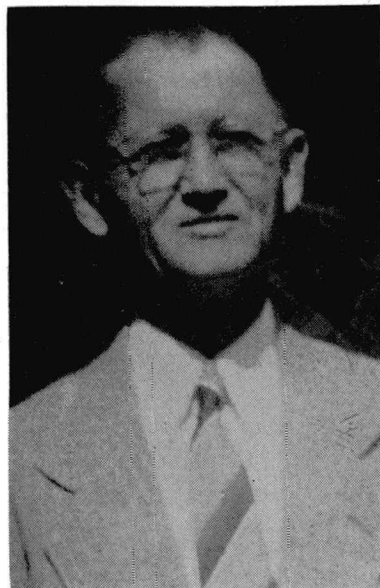

After his retirement in 1938, the trustees of Southern Methodist University elected him Financial Commissioner of the university and he established his residence in Dallas. As a one man effort he raised for current expenses of the university more than one million dollars and participated with others in raising an additional two million. He organized the SMU Sustentation Fund, which brings to the university annually approximately \$375,000. Four hundred leading citizens of Dallas are now active, working members of solicitation teams for the Sustentation Fund each year.

Bishop Boaz held the Degree of Doctor of Divinity from Kentucky Wesleyan College, and the degree of Doctor of Laws from Centenary College, Southwestern University, and Southern Methodist University. He became a Master Mason in 1890 and was elevated to the Thirty Third Degree in 1956. He was a life member of the Rotary Club, a charter member of the Bonehead Club, and a member of several patriotic societies.

After a period of gradual physical decline, Bishop Boaz entered into the life beyond on January 2, 1962, at his home in Dallas, Texas. Entombment was at Hillcrest Mausoleum with Dr. W. H. Dickerson, Bishop A. Frank Smith, Bishop William C. Martin and Bishop Paul E. Martin as officiating ministers. Survivors are his wife; three daughters, Mrs. Clarence A. Penniman of Dallas, Mrs. Prentiss M. Terry of Washington, and Mrs. Graham R. Hall of Little Rock; two granddaughters, Mrs. James F. Tate of Chicago, and Mrs. A. Davy Kneessy of San Francisco; two grandsons, Lee Boaz Hall of New York, and Donald R. Hall of Little Rock; and six great granddaughters.

No more fitting tribute could be written concerning this remarkable man, to whom so many of us now living owe a heavy debt. of personal gratitude, than Bishop Selecman's introductory word to the autobiography, "Eighty Four Golden Years." "The descriptive words that seem aptly to fit are: a rugged body, a good mind, a liberal education, upright habits, hard work, a wholesome sense of humor and a judicious love of outdoor recreation. Whether as a boy on the farm, college student making his way through college and university, a young teacher or preacher, a college or university president, a bishop in Korea or China or Japan, or on the home field, his life was led by a fixed star, love of God and his fellow man. No day was too long, no hill too steep, no task too difficult, no journey too lonely for him to undertake, if it seemed to him to lie in the path of duty. As you follow him across Texas in those early and difficult days, and later from coast to coast, across the seas and around the globe you will be charmed, if not amazed, at his resourcefulness, versatility and persistence."

WILLIAM C. MARTIN

CLAUDE YOUNG BUTLER

Claude Young Butler was born the son of Mr. and Mrs. Thomas Young Butler January 25, 1893 at Eastland, Texas. He was married to Mrs. Frankie Lena Quiett, of Eastland, Texas, on August 6, 1913.

Brother Butler united with the Methodist Church in 1901 at Pleasant Grove Methodist Church in Eastland County. Before entering the Methodist Ministry he was engaged in the grocery business for a number of years.

In 1920 a License to preach was granted and he served as a Local Preacher until he was admitted into Full Connection and Ordained Elder in 1933.

His appointments were as follows: New Mexico Conference, Kermit, Dexter, Jal and Iraan. In 1942 he transferred to the Central Texas Conference and served Ferris Heights Waxahachie, Rising Star, Meridian, Bartlett, Clifton, Mansfield, Granbury, Cross Plains, Hewitt. He took the honorable relation of Retired Methodist Minister in 1957.

Death came rather suddenly to this faithful servant of God on May 13, 1962 at his home in Midland, Texas.

Funeral Services were conducted in Midland by Rev. W. A. Applin, assisted by Rev. Carroll Jones and Rev. A. B. Cockrell. The graveside rites were at Waco conducted by his son the Rev. Weldon Butler and the writer.

Brother Cy as he was so affectionately known by his many friends is survived by two sons Mr. Howard Butler of Odessa, Texas, Rev. Weldon Butler of Lubbock, Texas, and three daughters Mrs. Mary Fernald of Dallas, Texas, Mrs. James Walters of Midland, Texas, and Mrs. Homer Watson of Andrews, Texas.

When such terms as Faithfulness-Devotion-Cooperation-Consistency-Dedication-Patience-Appreciation-Service and Love come to mind, one can well think of Rev. Claude Young Butler for he was the very essence of true Christian character.

May God rest the soul of one of His Choice Noblemen.

FLOYD E. JOHNSON

A. R. CORN

Archibald Robison Corn was born March 15, 1878, in Cornishville, Ky. His parents were John Corn and Mrs. Amanda Warner Corn. He was converted in his early 'teens. He was called to the ministry and was licensed to preach in 1900 in Indiana. Ordained in 1912, he joined the Methodist Protestant Conference in Indiana. He attended Adrian College in Michigan, Moody Bible Institute in Chicago, Westminster Seminary in Maryland and received his S.T.B. degree. In later years he attended Dallas Theological School in Dallas, receiving his Th. D. degree.

He came to Texas in 1929 and joined the Texas Conference of the Methodist Protestant Church. He was married to Miss Jewel Andrews in 1930. He served the Tehuacana Church and Cooper Church. In 1939 he became a member of the Central Texas Conference with church union. He served churches at Jonesboro, Bruceville Circuit, Holland, and Troy. Then he served in the West Texas Conference a few years. He served as Chaplain in World War I. He made five trips to the Holy Land and conducted parties on three of these trips. After his retirement in 1948 he served the Streetman and Kirvin churches. He also taught Bible in Westminster Bible Institute, Tehuacana, for two years. When they would pay him for his month's work, he would endorse the check and give it back to the college. He often remarked, "My best work was with the young people." He did this work for quite a while.

Dr. Corn never quit studying. He taught a Bible class in his home, and also he taught a Bible class in the church here where he attended regularly as long as he was physically able. He was his pastor's good friend and helper. One of his great delights was to place a Bible in some home where there was no Bible. Also, he and his wife would see to it that every child in the Sunday School had a Bible. He was continually on the go—visiting the shut-ins and reading the Bible and praying with them. His greatest concern was for the lost of the community. His greatest delight was in his church service and his Sunday School class. He was very liberal with his money for the Lord's work. He recently gave \$200 on a new parsonage which the church has recently completed. He was anxious for it to be one of the best we could afford.

Dr. Corn had been failing in health for the last two years. On Christmas Day his wife took him to the hospital in Marlin where the doctor found that he had a blood clot on the brain. He never knew anything more, and quietly went to sleep about 1:00 A.M., December 31, 1961.

The body was brought to the Riddle Funeral Parlor in Mexia, and to the church January 1, 1962 at 11:00 A.M. His service was held at 2:30 P.M. Serving in the service were Reverend C. A. Sutton, Reverend Lamar Cooper, and the pastor, L. W. Shivers.

His body was laid to rest in the Wortham Cemetery where he had bought a lot and had also had his monument placed. Truly it can be said, "One more of God's great servants has gone home, to receive his reward for a life well spent."

His survivors are his wife, Mrs. Jewel Corn; one brother, Dr. I. S. Corn; two sisters, Miss Dollie Corn and Mrs. Cecil Wykes; and a number of nephews and nieces.

"Upon thy word I rest,
So strong, so pure,
So full of comfort blest,
So sweet, so pure,
Thy word that changeth not—
That faileth never,
My God, I rest
Upon thy word forever."

CHARLES OZIER HIGHTOWER

A vivid call to the ministry and a life long dedication to this ministry were most evident in Charles Ozier Hightower. Being called from humble surroundings and gaining formal education under difficult circumstances made him well suited to dealing with people in all walks of life in his 40 years of effective service.

He was born November 21, 1890, in Granbury, son of a local Methodist preacher, E. C. Hightower. He married Gertrude Bridges in 1913. Three children were born to this union, all of whom have been faithful Christians and active workers in the Methodist Church. His wife and one daughter preceded him in death.

Following the death of his father in 1901 he worked hard to assist the family. At the age of 12 he was converted and joined the church in Granbury. He was employed as a mail carrier in 1911 and continued this work until his first appointment as a preacher in 1913. Formal schooling included work at Old Granbury College and Polytechnic College. As he was eager to learn, he collected an excellent library and was always an avid reader. He was licensed to preach on May 3, 1911, admitted on trial in 1915 and into full connection in 1917. He was ordained a deacon in Corsicana in 1915 at the hands of Bishop James H. McCoy.

In October of 1934 C. O. Hightower and Zora Grimes were married. This was a happy union for themselves, the children, and the churches they served. They labored in the ministry as a dedicated couple for the remaining 27 years of his life.

Few ministers spanned the conference more in places served; Stephenville Circuit, Eolian Circuit, Staff Circuit, Carbon Circuit, Irene, Bynum and Brandon, Emhouse, Forest Hill, Bronte, Gorman, Eliasville, Granbury, North Corsicana, Richland Circuit, Coolidge Circuit, Rice, Caddo, Evant, Copperas Cove, Diamond

Hill, and Graford. He served for 20 years as a statistical assistant to the conference.

Survivors include his wife, who lives in Weatherford; Maurice Hightower of Fort Worth, and Mrs. Cecil Johnson of Weatherford; a brother and a sister of Fort Worth.

WILSON CANAFAX

J. H. SANDSTROM

Reverend John Hjalmar Sandstrom was born September 23, 1886 at Ullonger, Sweden. Brother Sandstrom was converted as a youth and was baptized in the Lutheran Church in Sweden.

In 1900, he left Sweden as a seaman and served as a seaman for several years, two of which were on the Great Lakes. He came to Stamford, Texas in 1908 and worked on a ranch before settling in Taylor, Texas.

He joined the Methodist Church in 1910 and was called into the service of God while there. Sponsored by the Taylor Methodist Church, he attended college in Evanston, Illinois and received his B. D. degree there.

In January 1919, he was married to Edith Bragg. They served the Lord together through the years and she preceded Brother Sandstrom in death in July, 1945.

Brother Sandstrom was admitted to the South Swedish Conference in 1917, ordained deacon 1919, elder 1921 and came into the Central Texas Conference in 1939. During his ministry he served in Brady, Broadway Swedish Methodist of Fort Worth, Georgetown, Denison, Dido, Newark and Keller.

In 1948 he retired and made his home in Keller, Texas; and in 1951 he married Mary Elizabeth Nelson.

He passed away on August 4, 1961. The funeral services were conducted on August 5, at the Keller Methodist Church by Dr. G. Alfred Brown, District Superintendent of Fort Worth West District and Reverend Gene F. Allen. Burial was in Mount Olivet Cemetery, Fort Worth, Texas.

Brother Sandstrom is survived by his wife Mary of Keller, Texas, two sons J. Raymond Sandstrom and Paul B. Sandstrom both of Fort Worth, one brother Reverend O. G. Sandstrom of Chicago and one sister Hulda Hagglund of Sweden.

The writer of this memoir was Brother Sandstrom's pastor for only a short time; and during this time, Brother Sandstrom was in poor health. Throughout this period of illness, Brother Sandstrom's spiritual strength and faith in Christ Jesus was constant; it shone until the end.

The influence of this servant of the Lord has been seen on every hand, and his spirit is with the people of Keller at all times. On December 17, 1961 the Annual Christmas Cantata was dedicated to the memory of Brother Sandstrom. He was a constant source of encouragement to the choir, the members of the church, and the entire community. He loved to sing the great songs of the Church. Many are the people who will continue to hear in their hearts the gracious voice of this servant of God. He has taken his place now, as his Master promised, in the everlasting life with the Father.

GENE F. ALLEN

ERWIN WOLFORD HOLT

The last rays of the setting sun drifted through the trees of Wesley Chapel's Cemetery, about two miles from Bluff Dale, as we gathered to lay away the mortal remains of our friend and fellow minister, Erwin Wolford Holt. He was a gracious man and sincere; a man of limited educational advantages, but rich in the grace of God, in a love for the Ministry and the people he served.

He was born in Bluff Dale, June 26, 1886, the son of J. O. and Mary Deaver Holt. He grew up in that community and was a farmer by occupation. In May 1911, he was married to Leila Reeder. Of this union one son, Dempsey Levey Holt of San Antonio, survives.

After the death of his first wife, Brother Holt was married to Mrs. Norine Jay on July 6, 1940, who has shared in his ministry and who survives him.

During early manhood Brother Holt felt the call to preach but was not able to meet the educational requirements of the Methodist Church and so withdrew and joined the Baptist Church. He continued to cultivate his farm, preaching on Sundays to Methodist and Baptist congregations in the communities surrounding Bluff Dale. After unification, The Methodist Church made provision for Approved Supply Pastors, and with a great deal of joy, he returned to The Methodist Ministry.

He served in succession the Huckaby Circuit, 1944-46; Clairette Circuit, 1946-50; Bunyan Circuit, 1950-53; De Leon Circuit, 1953-54; Gustine, 1954-55; Comanche Circuit, 1956-57. Being in ill health he retired for one year, but came back to serve Huckaby Circuit, 1958-59; Bunyan Circuit, 1959-60; and the Greens Creek Circuit, 1960-61.

He had a home in Stephenville to which he moved when he retired. He placed his membership in the Quarterly Conference of First Church, was faithful in his attendance upon the services of the Church and his support of the Church program.

His health failed rapidly during the summer and fall, and on November 30, 1961, his soul was released from its body of clay and went home to God. Having served most of his ministry in Erath County, it was no surprise to see the Church

filled to overflowing with former parishioners, as we gathered for the service. Dr. C. H. Cole conducted the services assisted by the pastor. The District Superintendent's tribute of respect could be summed up in these words:

"Servant of God, well done,
Rest from thy loved employ;
The battle's fought, the victory won,
Enter Thy Master's joy."

MRS. GEORGE F. CAMPBELL

Mrs. George Fairleigh Campbell, formerly Gweneva Knight, was born May, 15, 1881 in Grandview, Texas. She was the daughter of Mr. William Luther Knight and Mrs. Margaret Ann (Hamilton) Knight. After attending public schools in Grandview, Texas, she studied voice in Fort Worth, a talent which she consecrated and used to the glory of God.

Mrs. Campbell became a minister's wife when she married the Rev. George F. Campbell during his pastorate at Grandview, Texas. The date of this union was March 10, 1904. The Rev. Campbell preceded her in death on August 28, 1917.

Mrs. Campbell served with her husband in churches in Fort Worth, Hubbard City, Meridian, Hamilton, McGregor, Eddy and Dublin. Also, serving with him as president of Meridian College. In faith and fact she served well as a companion and helpmate during these years.

For many years, since her husband's death, Mrs. Campbell had resided with her daughter, Mrs. Hartal C. Landry, in Seymour, Texas. She was a faithful and beloved member of the First Methodist Church of Seymour and, although failing health hindered her activities during her latter years, she loved her Christ and His church unflinchingly. She departed this life on February 14, 1962.

The funeral service was conducted at the First Methodist Church in Seymour, by the pastor, David W. Binkley. Interment was in the Masonic Cemetery in Seymour.

Mrs. Campbell is survived by her daughter, Mrs. Hartal C. Landry of Seymour, and a niece, Mrs. Robert Rankin of Seymour.

**MRS. LILLIE MAE
CRAWFORD COCKERELL**

Mrs. Lillie Mae Cockerell was born Nov. 13, 1909 in Heflin, Alabama, the daughter of Cleveland and Nora Crawford. She was married to the Reverend William Aaron Cockerell Oct. 29, 1932. To this union one son, William Curtis, was born. Lillie Mae and Aaron, as they were known by their many friends, met and married while attending Austin College in Sherman, Texas. After one year, they both attended the Austin Presbyterian Theological Seminary in Austin, Texas for three years. Mrs. Cockerell taught Bible in Clarendon Junior College in Clarendon, Texas for one year.

Mrs. Cockerell made her profession of faith at a very early age and became a member of a Baptist Church near Heflin, Alabama. After her marriage, she united with the Presbyterian Church, the Church in which her husband was a minister. In later years, her husband, she, and her son, all united with The Methodist Church. For the past six years her husband has been pastor of the Caddo-Brad Circuit, while she and her son, Curtis, were members of the First Methodist Church in Breckenridge, Texas. She has been both president and secretary of the Wesleyan Service Guild. She was an elected steward in that Church at the time of her death. She has always been active in her Church.

Mrs. Cockerell had surgery for cancer on Feb. 14, 1961 at Wichita Falls, Texas. On May 8, 1961 she was stricken with brain cancer from which she never recovered. She passed to her heavenly reward on Sept. 18, 1961 at 2:30 P.M. at Stephens Memorial Hospital in Breckenridge, Texas after 13 weeks of intense physical suffering. However, it was during the time of this suffering that she gave another good witness to her faith. Those who visited to comfort, came away feeling that they themselves had been comforted and strengthened.

Memorial Services were conducted in First Methodist Church of Breckenridge, Texas on Sept. 19, 1961 at 2:30 P.M. Dr. Cyrus Barcus, host pastor, was in charge. Dr. Tilden B. Armstrong, District Superintendent of the Pampa District of the Northwest Texas Conference, brought the memorial message. Dr. Armstrong's family and Reverend Cockerell's family have been very close and dear friends for many years.

Interment was in the cemetery at Breckenridge, Texas. She is survived by her husband, her son, her parents, two sisters, two brothers and a host of friends.

She was an obedient daughter, a faithful wife, a loving mother, a kind neighbor, and a good friend of all God's children. This world's loss is heaven's gain.

TILDEN B. ARMSTRONG

MRS. T. A. COVINGTON

Mrs. Margaret May Covington was born in Tennessee on August 20, 1880 to William Carrell Dickey and Mary Jane Radford Dickey. She married T. A. Covington on August 14, 1902. To their union was born one daughter and one son, both of whom preceded her in death. She was a loyal parsonage wife during all of the years of the active ministry of her husband, who died a number of years ago.

Mrs. Covington was a very sincere and devout Christian and the author of some excellent religious verse. One book of her poems, "Sun and Shadow," was published in 1937. She was a faithful member of Tyler St. Methodist Church through the years that she lived in Dallas.

The untimely death of her son in 1960 and her own failing health made her last months difficult but her faith did not waver. She died in Methodist Hospital in Dallas on October 4, 1961, following a heart attack.

Funeral services were conducted in the Chapel of the Tyler St. Methodist Church in Dallas on October 26, 1961 by the pastors, Stone Risinger and Wayne Dunson, and she was buried in the Laurel Land Cemetery in Dallas. She is survived by two grandsons and one great grandson.

Those who knew and appreciated her will find solace in these words which Margaret Covington once wrote to comfort others:

Now if there were no song of Hope
 To live eternal in the heart,
 No lamp of Faith to guide our feet
 No hand to draw Death's veil apart;
 No Power to lift our trembling souls
 To catch a glimpse of Paradise,
 Well might we yield ourselves to grief,
 And let the teardrops blind our eyes.
 But we, whose ears are turned to catch
 The music of celestial spheres,
 Whose eyes, touched by Love's hand divine
 Have power to triumph over tears;
 Whose souls have feasted at the board
 Where Heavenly manna has been spread,
 Grieve not as those who have no hope;
 Our loved ones live—They are not dead.

In such a Christian faith and hope Mrs. Covington lived and died and in such faith we believe she continues to live.

Mrs. Dodson was buried in the Sweetwater Cemetery with Patterson Funeral Home of Sweetwater in charge of the arrangements and with Rev. Marshall Rhow and Rev. Robert L. Butler officiating at the service.

It was my privilege to serve as the pastor of Mrs. Dodson in Stamford 1947-49 and as her District Superintendent from 1953 to 1959, and again as her pastor when she moved to Sweetwater a few months ago. When I was her pastor at Stamford she served as the Financial Secretary of the church. She held this job for many years. She was a baby-sitter for our children. She was one who loved the Lord and loved the Church. She always seemed to be the happiest when she could be in the Fellowship. We can rejoice knowing that she has been gathered with her family in the Father's House.

There shall be an Administrative Council of the Central Texas Conference, The Methodist Church, to initiate and promote the quadrennial program of the Conference.

2. Membership

The Administrative Council shall be composed as follows: the Cabinet, the Conference Commission on World Service and Finance, the Chairman and one other person of each Conference Board and Commission one of whom shall be a lay person and the other a minister except where there is no authorized lay person on the Board or Commission, the Conference Lay Leader and the District Lay Leaders, one pastor from each district to be nominated by the Cabinet, the Conference President and the Promotional Secretary of the Conference Woman's Society of Christian Service, the President of the Conference Youth Organization and one other young person, the Conference Secretary-Treasurer, Conference Statistician, the Conference Secretary of Evangelism, the Conference Secretary of Missions, the Chairmen of all Standing Committees, the Conference Chairman of the Texas Methodist College Association, all General and Jurisdictional Board members and General and Jurisdictional Conference delegates not otherwise holding membership on the Council, and such other members as may be nominated by the Executive Committee. All paid employees of the Conference, its agencies, and the chief officer of institutions shall have the privilege of the floor but without vote.

3. Officers

Officers of the Administrative Council shall be a Chairman, a Vice-Chairman, and a Secretary. They shall be elected at the first meeting of the Council in each quadrennium. The Chairman shall be elected by ballot without nomination. Other officers may be elected by show of hands. The officers shall serve throughout the quadrennium.

4. Executive Committee

There shall be an Executive Committee of the Administrative Council to be composed as follows: the three officers of the Council, the Chairman of the Cabinet, the Chairman of the Commission on World Service and Finance, the Conference Lay Leader, and the President of the Conference Woman's Society of Christian Service.

II. Boards, Commissions and Committees

5. Nominations

The District Superintendents at the beginning of the quadrennium shall nominate the members of the Boards, Commissions, Standing Committees and Tellers, and shall provide mimeographed copies of such nominations for distribution, provided that no person may be nominated on more than one Board, Commission, or Committee which must meet regularly during the session of the Annual Conference, except where the Discipline provides for membership because of an office held. This rule is not applicable to the Committee on Conference Relations, nor Committee on Investigation. The District Superintendents shall also nominate at the end of any normal term members of any Board, Commission, or Committee.

6. Eligibility

No member of any Board, Commission or Committee shall be eligible for

membership thereon longer than eight consecutive years and shall not become eligible again for such membership until one full conference year has passed. The membership of the quadrennial boards, and commissions shall be divided by the Board or Commission into two groups, one group whose eligibility for membership expires at the end of one quadrennium, and the second whose eligibility for membership expires at the end of the succeeding quadrennium. Members appointed to fill unexpired terms of less than two years shall be eligible for re-election for eight years.

Employees and Trustees of institutions, or employees of Conference Boards and Commissions, shall not be eligible for membership on the Board, Commission, or Committee through which financial support is derived.

The appointment of any member of the Conference to the District Superintendency shall automatically vacate his membership on any of the quadrennial Boards, Commission, or Examining Committees to take effect at the time of his appointment, except where the Discipline makes them members of an Annual Conference Board, Commission, or Committee. The Bishop is asked to notify such group in time to fill the vacancy before the Conference adjourns.

7. Vacancies

Vacancies on all Boards, Commissions, and Committees occurring during the quadrennium shall be filled by nominations of the Board, Commission, or Committee concerned, and elected by the Conference.

Retirement from active itineracy shall vacate a minister's membership on any Conference Board or Commission, effective at the end of the term or the quadrennium, whichever date is applicable.

Any member of a Quadrennial Board absent without excuse from two consecutive meetings of the Board shall thereby forfeit membership on said Board.

III. Financial

8. Fiscal Year

The fiscal year of the Annual Conference shall be from June 1st to May 31st, and salaries of clerical members, appointed as pastors or District Superintendents, shall be paid accordingly.

9. Remittances

Remittances from a pastoral charge to the Conference Treasurer shall be accompanied by the remittance forms supplied by the Commission on World Service and Finance. These forms shall be in triplicate and indicate clearly the amounts to be credited to each cause for which remittance is made. The Conference Treasurer shall return one receipted form to the pastor and one to the District Superintendent for each remittance. The Pastor shall enclose these voucher receipts with his Annual Conference report as verification of items reported in table II.

10. Apportionments

The apportionments for World Service and Conference Benevolences shall be based on the total money raised (item 75 in Report to Annual Conference) less the amount paid on principal and interest on indebtedness (item 42 in Report to Annual Conference) and less the amount paid for building and improvements (item 43 in the Report to Annual Conference.) It shall be the duty of the Commission on World Service and Finance to compute the apportionments annually, using the statistics of the last published journal (corrected, if necessary) and furnish the table of apportionments to the districts. District Superintendents will use the best possible approach in distributing the askings to the individual churches of the Districts.

11. Annual Audit

The Auditing Committee appointed by the Conference Commission on World Service and Finance shall audit all books of Treasurers of Boards whose auditing is not provided for in the Discipline, and report the results of the Commission on World Service and Finance, which Commission will send a statement of these audits to the Conference Secretary for inclusion in the minutes.

Annually, each Board or special interest, shall make request to the Commission on World Service and Finance, for any Special Day offering, except where set by the Discipline. No such day shall be recommended to the Annual Conference for any agency, cause or institution, nor shall such a day be listed on the printed Conference Calendar unless such agency, cause or institution has presented a full financial statement and audit including current annual income and expense together with its report, to the appropriate Board.

12. Special Days and Campaigns

Any request from a Board or institution or special interest of the Methodist Church asking for a special campaign for funds or a Special Day Offering shall first be presented to the Commission on World Service and Finance for study and recommendation. If such recommendation is made to the Annual Conference it must show that the object or enterprise is wholly owned by The Methodist Church; that the detailed use of funds is reasonable; and that proper safeguards have been set up for the use of funds.

Any recommendation from a Board, Commission, or Committee, including the Commission on World Service and Finance, asking for an increase that will effect the Budget of the local church, if approved, shall not become effective for one year from that date.

IV. Administrative**13. Conference Secretary-Treasurer**

The Conference Secretary-Treasurer shall be nominated by the Commission on World Service and Finance after consulting with the Bishop and his Cabinet, the Board of Pensions, and the Commission on Minimum Pastoral Support.

The Conference Secretary-Treasurer shall be under the supervision of the Annual Conference Commission on World Service and Finance. He shall also serve as the Treasurer for the Board of Pensions and the Commission on Minimum Pastoral Support.

The term of office of the Secretary-Treasurer shall ordinarily be a quadrennium and a newly elected Secretary-Treasurer shall ordinarily assume his official duties at the session following the General Conference.

14. District Conference

The District Conference shall be composed of the ex-officio members as provided in the latest Discipline, and one delegate for every 100 members or two-thirds fraction thereof, provided that every Church shall have at least one delegate.

15. Reports

The statistics of the Annual Conference shall be based upon the reports in the hands of the Statistician on the fourth day prior to the opening of the Annual Conference; provided further that if the Annual Conference meets prior to June 4 then the deadline shall be the earlier of the two dates, June 1 or the day before the opening session.

The Annual Report of the Conference Treasurer shall be based on the funds in the hands of the Conference Treasurer on June 1st.

Each District Superintendent shall report to the Cabinet and to the Committee on Proportional Payments any Church in the District that has borrowed money to pay either the pastor's salary, percentage items, or World Service askings for the year closing. The amount borrowed must be made a part of the record.

He shall also indicate any such situations that occur the year previous that came to his attention during the year, and had not been reported.

16. Conference Procedure

All matters to be presented to the Annual Conference, which pertain to the work of one of the Conference Boards, Commissions, or Committees shall be referred to the proper Board, Commission, or Committee for review, before action shall be taken by the Annual Conference.

All papers, resolutions, obituaries, and reports, except statistical reports, coming to the Conference, must be typewritten in triplicate, and two copies of said report must be in the hands of the Secretary before they are presented to the Conference.

All Bonds required by the law of The Methodist Church or the Central Texas Conference, shall be filed with the Secretary of the Conference.

17. Conference Expense

The Conference Committee on Entertainment, appointed quadrennially, shall be charged with the details of expenses of holding the Annual Conference, and entertainment of Retired Ministers.

Each charge in the Annual Conference is expected to defray the expense of its minister and lay delegate while in attendance upon the Conference.

Per diem allowances will be granted to ministers from minimum salary charges in an amount recommended by the Committee on Entertainment and voted by the Conference.

18. Memoirs

There shall be a permanent Committee on Memoirs composed of the Secretary of the Conference and the Secretary of the Board of Pensions to insure suitable memoirs of deceased ministers, and the wives or widows of ministers. The minister in charge of the funeral of such persons shall be responsible for preparing the memoir and filing with the committee immediately after the funeral.

19. Amendments

Any of the above rules may be amended or suspended by a two-thirds majority of those present and voting at a session of Annual Conference.
