REPORTS**BOARD OF EDUCATION**

Upon appointment of a new Conference Director of Youth as a member of the Conference Educational staff, it soon became evident that there is a serious need for a parsonage inasmuch as the past two directors have been ministers and are subject to assignment and appointment in the Annual Conference.

The Board of Education, having been asked by the Commission on World Service and Finance to make a study of the possibilities of purchasing a parsonage and to bring in a recommendation, has therefore made the study and has recommended that the parsonage be purchased. The findings of the Board have been presented to the Commission on World Service and its recommendation has been approved.

It is therefore on this basis that the Board of Education now comes before this special session of the Annual Conference with the following resolution:

"WHEREAS, it is to the interest of the Central Texas Conference of The Methodist Church to purchase a residence in the City of Cleburne, Johnson County, Texas, to be used for church purposes; and

"WHEREAS, it is to the interest of said Central Texas Conference of The Methodist Church to pay a portion of the purchase price of said property in cash and assume the indebtedness against said property, which indebtedness represents the balance of the purchase price;

"NOW, THEREFORE, BE IT RESOLVED that the Central Texas Conference of The Methodist Church purchase the following described property situated in the City of Cleburne, Johnson County, Texas, to wit:

"ALL that certain lot, tract or parcel of land situated in the City of Cleburne, Johnson County, Texas, and being Lot No. 9, Block No. 8, Sunset Terrace Subdivision, Section No. 1, to the City of Cleburne, Johnson County, Texas, according to the plat of said subdivision of record in Volume 407, page 640, Deed Records of Johnson County, Texas; and being the same property conveyed to Louie C. Gardner et ux by Ross E. Pipes et ux by deed of record in Volume 438, page 39, Deed Records of Johnson County, Texas;

for the consideration of \$13,500.00 to be paid as follows:

(1) \$2,700.00 in cash;

(2) The assumption by the Board of Trustees of the Central Texas Conference of The Methodist Church of the payment of the unpaid principal balance of \$10,800.00 and interest from January 9, 1963, on the note for \$10,800.00 made payable to the Cleburne Savings & Loan Association by Henry Radde, a single man, on January 9, 1963, said note being fully described in the deed of record in Volume 453, page 316, Deed Records of Johnson County, Texas, and in the deed of trust of record in Volume 212, page 131, Deed of Trust Records of Johnson County, Texas, to all of which reference is here made.

"Said conveyance shall be made to the Board of Trustees of the Central Texas Conference of The Methodist Church, a Texas corporation, and its successors and assigns, and the President and Secretary of the Board of Trustees of the Central Texas Conference of The Methodist Church are hereby authorized and directed to do any and all acts or things necessary in the premises to be done to fully carry out the intent and purposes of this resolution."

BOARD OF EVANGELISM

Plans For Area Evangelism In 1964

This year, 1963, is being recognized across Methodism as Aldersgate year. Important as Aldersgate was to John Wesley, it would more than likely have been just another prayer meeting had it not been for the soil from which Mr. Wesley sprang. His was a Christian home. It was Susannah Wesley, who said, "Religion is nothing else than doing the will of God and not our own." He was a child of the Christian church. Because the church is our teacher, it must always keep before men the question of faith and not just law. We are prone to keep the law before men more than the true nature of faith.

Therefore, we have been following the suggestions of our Conference Board of Evangelism in the study of the Letter to the Romans to clarify our own experience of God at Aldersgate time. We are likewise encouraged to study the history and emphasis of the Methodist movement from its beginning.

In order to conserve and share this "heart warming experience" which we are praying for God to give us, we cannot be satisfied with a commemoration. Aldersgate must be a dynamic year that will send us out to share it with the unenlisted of our day. Therefore the Area Committee of Evangelism suggests, what Harry Denman calls, two "swap out" weeks in evangelism, where the pastors of the two conferences help each other. Suggested dates for North Texas Conference is February 16-21, 1964, and the Central Texas, March 8-13, 1964. It is hoped that the plans will include (1) small group evangelism, (2) visitation evangelism, and (3) preaching evangelism. The details and scope of this proposal will be in the able hands of the Conference Boards of Evangelism.

Let me close with a statement from Bishop James K. Mathews. "The Christian today is called upon to be at the same time a contemporary of Jesus Christ and a contemporary of modern man. Jesus Christ is, indeed, our contemporary, as the writer of Hebrews long ago observed 'the same yesterday, today and forever.' He is an alien to no culture and a stranger to no age. The bringing together of Jesus Christ, our contemporary, with modern man, our contemporary—this is evangelism."

C. C. SESSIONS, Cabinet Representative

TRUSTEES OF WESLEYAN HOMES, INC.

I, the undersigned, recommend that the Central Texas Conference authorize and approve the amendment of Article V of the Charter of Wesleyan Homes, Inc. for the purpose of enlarging the membership of its Board of Trustees, as follows:

Article V, which now reads:

"The affairs of this corporation shall be under the direction of twenty-one Trustees to be elected by the Central Texas Conference, on nomination of the Board of Hospitals and Homes of the Central Texas Conference, which Board shall hold the property of the corporation in Trust. That such premises shall be used, kept, maintained and disposed of for charitable purposes exclusively as set forth in the Purpose clause of this Charter; subject to the Discipline of The Methodist Church as from time to time authorized and declared by the General Conference of said Church and to the Directives of the Annual Conference within whose bounds the said premises are situated. Ten of said Trustees shall be effective ministers of the Central Texas Conference of The Methodist Church, ten shall be lay members of the Methodist Church residing in the Central Texas Conference of The Methodist Church, and the other the resident bishop of the Central Texas Conference. The twenty members of the Board of Trustees shall be divided into three groups of three, three, and four members each, the terms of office of one group to expire each year and the normal term of each group to be three years."

shall be amended to read:

Article V

"The property of this corporation shall be held in trust by, and the affairs

of this corporation shall be under the direction of a Board of Trustees. Such premises shall be used, kept, and maintained and disposed of for charitable purposes exclusively, as set forth in the Purpose clause of this Charter; subject to the Discipline of The Methodist Church as from time to time authorized and declared by the General Conference of said Church and to the Directives of the Annual Conference within whose bounds the said premises are situated.

"The Board of Trustees shall be composed of elected and ex-officio Trustees hereinafter specified. Ex-officio Trustees shall exercise all the privileges of elected Trustees, including that of voting.

"There shall be 21 elected Trustees, who shall be elected by the Central Texas Annual Conference, on the nomination of the Board of Hospitals and Homes of the Central Texas Conference, two-thirds of whom shall be lay members of The Methodist Church residing in the Central Texas Conference of The Methodist Church, and one-third of whom shall be effective ministers, members of the Central Texas Conference of The Methodist Church. These elected members of the Board of Trustees shall be divided into three groups of seven each (four lay members and three ministers), the term of office of one group to expire each year and the normal term of office to be three years.

"The ex-officio Trustees shall be the resident bishop, the Conference Lay Leader, the President of the Conference Woman's Society of Christian Service, the Chairman of the Conference Board of Hospitals and Homes, and the district superintendents, all of the Central Texas Conference. The terms of office of the ex-officio Trustees shall begin upon assuming the responsibility of their office and expire when their successors have assumed the responsibility of the office."

To implement this amendment of the Charter, it is recommended that any persons who are now eligible for ex-officio Trustees assume their place as Ex-officio Trustees upon the approval of the amendment of this Charter, and their places as elected Trustees be declared vacant, and the vacancies among the elected Trustees be filled at the next session of the Annual Conference. The adjustment of the number of ministers and the number of lay members composing the 21 elected Trustees shall be made as the present terms of each group of Trustees are completed.

L. S. WILLIAMS, Chairman

WORLD SERVICE AND FINANCE COMMISSION

The World Service and Finance Commission of the Central Texas Conference met in a joint session with Bishop Martin and his Cabinet on January 11, 1963, at Austin Avenue Methodist Church in Waco. Bishop Martin gave a resume of the Wesleyan Homes situation and L. S. Williams, temporary administrator, gave a detailed report on the financial condition and needs of the home.

After several hours of careful study by all present, at the request of the Cabinet representing the trustees of Wesleyan Homes, the World Service Commission went into an executive session with all members present except one, and unanimously present the following proposals for your consideration and action.

1. That the Conference set a goal for Mother's Day offering, May 12, 1963, of \$25,000.00.
2. That the Conference Special of \$65,000.00 a year be allocated to Wesleyan Homes for the Conference years 1963-64 and 1963-65.
3. Due to the urgent need of immediate cash, we request the agencies now receiving the Conference Special to relinquish their claims as of January 1, 1963, and the balance of this special for the Conference year be allocated to Wesleyan Homes, with the exception of the Perkins Scholarship Fund.
4. We request the Conference make a loan of \$30,000.00 out of the Contingency fund. This loan to be made for a period of 4 years. This note to be executed by the proper authorities at the close of this Conference.

VI—REPORTS

DISTRICT SUPERINTENDENTS' COMPOSITE REPORT

When the Twelve returned from their labors, they came with glowing reports of accomplishments. But Jesus said: "Come ye yourselves apart into a desert place, and rest a while."

And so this morning in our opening service, fresh from our year's labors, we answered the call to Holy Communion with our Living Lord.

Truly the report that we make today is not our report alone. It is the report of God in Christ. It is the indication of the working of the Holy Spirit. But we also recognize that one of the ways in which God accomplishes His purpose, is through the heart and the mind and the hands of His people. It is only as we are what He wants us to be, and as we do what He wants us to do, that this part of God's purpose is accomplished.

God did not launch the Methodist movement until the Aldersgate experience of John Wesley. But when John and Charles Wesley felt their hearts strangely warmed, they began to share their experience with others, and the movement grew.

On this 225th Anniversary of the Aldersgate experience, we are thankful that God is still finding lives through which He can accomplish some of His purposes today. We are thankful that many of these lives through which He works, are in our midst.

This is the 15th year in which this Annual Conference has rejoiced in the capable, consecrated, Episcopal leadership of Bishop and Mrs. William C. Martin. The report I read today is the report of our TEN District Superintendents, some 438 ministers, active and retired, engaged in the various tasks of the Church, with a large number of others in various stages of preparation for the ministry. Nor would we overlook the ministers' wives and families and their vital place in the work of the Kingdom.

This is the report of some 267 pastoral charges, some 367 local churches, more than 115,000 members, and a large constituency including many thousands of children and others who are not yet full members, but who are moving in that direction.

This dedication and concern is manifest in each of our churches and communities of the Conference. It is also reflected in the things that we do together, —our Methodist Colleges, our Wesley Foundations, our Hospitals and Homes, our Camps and Assemblies, our Joint Missionary outreach toward the ends of the earth, and more.

The following statistics of the year's work are taken from the preliminary reports of all the churches of the Conference, and compiled by the ten District Superintendents.

I. We remember how Jesus said: "Let the little children come unto me," and how to older ones he said "Come and follow me."

Our reports show: Infants baptized 1,181; received on Profession of Faith 2,738; from Other Denominations 1,247; from Other Methodist Churches 4,786; total additions for the year 8,771. Present total membership 115,439; average morning attendance 40,995; average evening attendance 17,515.

II. We remember how Jesus said: "Teach them those things that I have taught you."

Number of Church Schools 357; enrollment 72,678; average attendance 38,193. Number of M.Y.F. and M.I.F. Evening Groups 345; members 8,538; average attendance 4,398; Vacation Church Schools 239; enrollment 15,230. Number of churches participating in Training Schools 254; total enrollment 4,271.

Number attending Camps and Assemblies 2,265. Number of youth commitments to Christian vocations 126. Licensed to Preach 17.

III. Jesus said "Ye shall be witnesses unto me."

Number of churches observing Layman's Day 347; Methodist Men's Clubs 142, members 5,231. Womans Societies of Christian Service, 246; members 11,524; Wesleyan Service Guilds, 112; members 2,401.

IV. We are in the midst of a shifting population. New churches organized 2; discontinued, 2; relocated, 4; merged, 6.

New church buildings, 18; cost \$939,932; new parsonages, 14; cost \$201,747. Churches repaired and improved, 130; cost \$161,726. Parsonages repaired, 113; cost, \$64,203. Paid debt retirement, \$945,598. This makes a total expenditure on buildings and debt retirement of \$2,313,206., which accounts for more than 36½ per cent of all money raised in the local churches. And yet, we must have suitable buildings if we would do the work of the Lord effectively.

In addition to all this, the year has shown continued progress in United Capital Funds for Methodist Higher Education, with the ultimate goal still unreached.

This year has seen the completion of our lovely Wesleyan Home in Georgetown, Texas, at a cost in excess of a million and a half. It is begining to fulfill its purpose of providing a congenial family atmosphere for its present and future residents.

This week all our people are urged to inspect the vastly expanded facilities of our Harris Methodist Hospital here in Fort Worth. This represents a current expenditure of some \$6,200,000 in new buildings, furnishings and equipment. This great hospital, with the Harris College of Nursing, and the adjacent Fort Worth Children's Hospital and the Fort Worth Foundation for Medical Research and Medical Education, form the central units for the newly named Fort Worth Medical Center. Truly "great oaks from little acorns grow."

V. Church people need to be an informed people. The number of subscribers to the **Texas Methodist** is 11,308. The bulk of these are in those relatively few churches that use the **All Church Press** and include the inserts to every family. A good many other churches send the **Texas Methodist** to all their officials as part of their information and cultivation program.

Subscribers to the **Together Magazine**, the family magazine, total 2,580.

The number of churches having the Every Member Canvass 265.

VI. Jesus also said "Go ye into all the world and preach the Gospel to every creature." The following report on missionary and benevolent giving reflects this concern:

For World Service and Conference Benevolences, \$302,067. Advance Specials, \$109,722. This includes Parker College, India, \$12,346. Southern Rhodesia, \$10,420.; Emerson Indian Mission, \$6,315.; Latin American Work in Texas, \$12,151., and scores of other special causes, including partial or total support of designated missionaries.

World Communion \$8,408, One Great Hour of Sharing \$6,400, Radio-T.V. Ministry \$4,763, Builders Club \$12,608, District Missions \$28,667, Higher Education (\$1.00 per member) \$94,743, Wesley Foundation (50c per member) \$46,346, Methodist Student Day \$3,722, Race Relations Day for Negro Higher Education \$5,030, Rally Day \$4,176, Methodist Home, Waco \$94,712, Methodist Mission Home, San Antonio \$14,523, Wesleyan Home (Mothers Day Offering) \$11,974, Retired Ministers' Homes \$10,201, Golden Cross \$11,980, TANE \$4,387, Conference Special \$59,666.

Total of all finances contributed through the churches \$6,300,701, a continued increase over previous years.

VII. And now for personal glimpses at our parsonage families.

We extend our best wishes to each of these.

We have many things for which to be thankful. Now, with the close of this 225th Anniversary Year of John Wesley's heartwarming experience at Aldersgate, and with the beginning of a new Conference year, we look to a continuation of OUR Renewal for Witness, to a continued share in the spread of the Gospel to the ends of the earth, and to a closer walk with our Lord.

G. ALFRED BROWN, For The Cabinet

ADMINISTRATIVE COUNCIL

"Renewal For Witness"

The "Renewal For Witness" program has been strengthened by a fresh study by our people of Paul's "Letter to the Romans." A greater understanding and appreciation of God's renewal of spirit and power has been felt in the re-examination of what happened to John Wesley on May 24th, 1738.

This "heart-worming experience" at Aldersgate happened because: **FIRST**, Mr. Wesley was not satisfied with himself nor with the service his church was rendering to humanity; **SECOND**, he was sure God had a greater experience for him than he had ever been willing to receive; **THIRD**, with a more complete surrender to God through Christ, he was the spark that brought "renewal" to the English speaking world of the 18th century.

We are a part of a great Christian tradition. Our Methodist people have met the challenge in other days. The big question before us is: Will we meet the challenge in this our day?

The Myer's Report presented at our last Annual Conference helped us see our need as a Conference. The Study and Planning Committee in each congregation has been able to pin-point the greatest need in each local church.

From the viewpoint of a superintendent I feel greatly encouraged about the serious way our ministers and laymen have been willing to look objectively at the kind of job we are doing for Christ and His Church. It is thrilling to see churches face realistically their failures and shortcomings and then to set in motion plans to remedy the deficiencies which are so apparent, whether it be building programs or additional staff members.

I am well aware that the evidence of a congregation's growth in most of the things referred to in the Myer's report are measured by budgets, buildings, programs and memberships. I am deeply concerned at the point of total commitment of our people to the true mission of the church. Underneath, where the spirit works quietly and sometimes unobserved, what is happening in the hearts and minds of its youth?

Do our young people see exemplified in the lives of the leaders of the congregation the image of Christ that compels them to dedicate their own lives to the church in some form of Christian service?

Until a congregation can begin to send a steady flow of its youth into church vocations, its mission is far from complete. Every parent, every teacher, every leader in the church should be seeking to encourage some boy or girl to make this important life's decision.

The Church is the Body of Christ and as such must deepen the spiritual life of its people and challenge its young people to dedicate their gifts and groces to church vocational opportunities in this critical 20th century.

We truthfully begin to fulfill our reason for being Christian congregations when our youth step forward to dedicate their lives to church vocations. This basically is "Renewal For Witness" at its highest and best.

We are well aware of the fact that this kind of responsiveness on the part of our youth does not just happen. It comes through: **First**—accepting Jesus Christ as Savior and Lord of life; **Second**—earnest study and conversation on the basic tenets of our faith; **Third**—the full commitment of one's self to a life of dedicated stewardship of time, personality and material possessions to the glory of God.

We have some very able representatives who will be speaking on what the "Renewal for Witness" emphasis has meant to these related areas of growth in our conference.

Jack Payne, our Executive Secretary for the Board of Evangelism, has led us this year in some pioneering in the field of Evangelism.

Bruce Weaver, as Chairman of the Conference Board of Education, continues to move ahead in his leadership of this important arm of our church.

Gene Jud, now State Director of Stewardship, is "Mr. Stewardship" to us and he will bring to us the developments of "renewal" in his area of work.

To climax this presentation of the "Renewal For Witness" development in our Conference, it is my privilege to present one who has worked closely with all the churches and one who knows the results best, Ed Otwell, Executive Secretary of Town and Country Commission.

We are grateful to Bishop Martin for helping us to discover this new awareness of our total responsibility on every human front of this 20th century. We are confident that each and every church, together with its pastor and people, will dare to move ahead with God in this life and death struggle in which we are engaged.

Christ is our Savior, the time is long over-due for us to allow him to be our Lord by a more complete commitment of will and way to his eternal plans and purposes for all people. God grant that this will be done in the new conference year ahead.

ABANDONED CHURCH

Since the Echo Methodist Church of the Burkett Circuit of the Brownwood District has ceased to be an organized Fellowship of The Methodist Church, be it resolved that said Church be declared abandoned by the action of the Central Texas Methodist Conference and placed under the jurisdiction of the Conference Board of Trustees, with the recommendation that said Echo Methodist Church building and equipment remain in said community so long as it serves the moral and spiritual needs of the people of that community.

CONFERENCE BROTHERHOOD

Report of Secretary-Treasurer

A total of \$6,865.00 was received from the ministerial members, wives, and widows of our Conference Brotherhood to be applied on the seventeen deaths originating this Conference year. Fifteen of these calls have been completed with an average amount of \$415.00 paid to each beneficiary.

Of the seventeen deceased members, fifteen participated in all calls of the Brotherhood for the past three years. Two beneficiaries did not receive the full amount sent in by participants in the calls because of the Constitutional rule which states "that in the payment of death benefits, an amount equivalent to the calls not paid shall be deducted and placed in the Reserve Fund," or the rule which states "that if a member makes no payment for two calendar years benefits shall be one half the amount . . . the other one-half shall be placed in the Reserve Fund."

Last year there were 847 possible participants in the Brotherhood as compared with 872 for this Conference year. A comparison of the last Conference year with this year follows:

1961-62	Participated in	1962-63
39% or 331	All Calls	39% or 342
20% or 166	Participated in Part	18% or 375
41% or 350	Participated in None	43% or 375

The figures speak for themselves. This year we have had a 2% decrease in participation in the Brotherhood over the previous year. There is an average of 50% participation by the members in each of the calls. The sad fact is that 43% or 375 members found no fellowship of loving concern with fifteen members of our ministerial family.

An audit of the Brotherhood shows \$1,357.38 to be in the Brotherhood Fund with \$1,218.38 in the Reserve Fund which is used to pay an advance upon notice of a death, \$57.00 in the Advance Credit Fund, and \$82.00 in pending calls.

May our response to the Brotherhood be much better this year. The Brotherhood is your opportunity to show sympathy and concern to the family of a fellow pilgrim who walked through the parsonage and labored for our Lord before you. The \$1.00 for each death is an easy way to say "Thank you!" to the family of the deceased in their sorrow.

SPECIAL COMMITTEE ON CENTENNIAL CELEBRATION

Your Special Committee, as ordered by the last session of the annual conference, with responsibility for planning and directing the Centennial celebration of our annual conference in 1966, has had several meetings. Many ideas have been suggested and investigated. Most of them will involve considerable work on the part of many people and financial underwriting by the annual Conference.

Among the ideas suggested are these:

(1) A Centennial history of the Central Texas Conference. An editor would have to be secured and the printing costs would have to be underwritten by the annual conference. It is estimated that 3,000 copies could be printed at a cost of approximately \$10,000.00. Proceeds from the sale of the books would be applied to the reduction of the appropriation.

(2) A Centennial pageant to be presented at the Will Rogers Memorial Auditorium or Coliseum on the opening night of the 1966 session of the annual conference. This would require compensation for the services of a professional writer and director and the cost of production. On the experience of such pageants in other places, it is estimated that the cost of such a pageant would be approximately \$5,000.00.

(3) A series of special events during the Centennial session of the annual conference, such as inviting outstanding speakers who have had previous connections with the Central Texas Conference, special night of music with historical significance, an "old-fashioned" love-feast as the opening devotional of the annual conference.

After consulting with the Commission on World Service and Finance, your committee makes the following recommendations to the annual conference:

(1) That the Conference Committee on Program be requested to begin now planning for on historical emphasis in the program for the 1966 session of the annual conference.

(2) That there be included in the 1966 Journal of the Central Texas Conference a special centennial historical section; that this section be under the general supervision of the Conference Secretary; that Dr. W. W. Ward be requested to edit this special historical section; and that the Commission on World Service and Finance be requested to appropriate an additional one thousand dollars for this historical section, payable \$500.00 each year during the annual conference years of 1964-65 and 1965-66.

(3) That the Historical Society of the conference be requested to open its membership to all interested persons in the conference, to continue gathering histories of the local churches of the conference, and to provide an historical exhibit during the 1966 session.

(4) That there may be no conflicting over lapping of planning and activities with the present Committee on Program and the Conference Historical Society; that the special committee on Centennial Celebration be now discharged.

Report No. 1

Cuban Refugee Program

The responsibility for the resettlement of Cuban Refugee families was placed upon the chairman of the Board of Christian Social Concerns. After several months of negotiations, sufficient sponsorships were secured in the Central Texas, North Texas and Texas Conferences to repatriate 30 families, which included 106 persons. Five families went to the North Texas Conference, 12 to the Texas Conference, and 13 to the Central Texas Conference.

Sponsoring churches provided job opportunities, housing, and food until the families could be on their own. This has been a most rewarding experience for all concerned. The testimonies from the sponsoring churches indicate that the churches have benefitted far greater than the families themselves.

This has been a continuing program, because additional families and in some cases single persons have been brought to the conference. This project has called for the expenditure of some funds in the budget of the Board of Christian Social Concerns. The Bishop's office has borne the major portion of this project.

Mount Sequoyah Briefing Conference

Nine members of the Conference Board, including several district directors, attended the briefing conference at Mount Sequoyah under the auspices of the General Board. Leadership was provided for the three major divisions, and helpful suggestions were made for conference and district programs.

United Nations Workshop

In collaboration with the Committee on Christian Social Relations of the Woman's Society of Christian Service, a conference-wide workshop was held at First Methodist Church, Fort Worth. This followed a workshop held on a national basis at the United Nations in New York City, attended by Reverend Walter G. Black, chairman, Division of Peace and World Order, for our conference board.

Seminars on Disarmament

Seminars on disarmament were held in 5 centers, grouping 2 districts together for each. Leadership was provided by the Conference Board and by the General Board. The Reverend Rodney Shaw spoke at each of these meetings and brought The Methodist Church up to date on its program of education for disarmament. These were well attended and helped Methodists in our conference to understand better the program the Division on Peace and World Order of the General Board is projecting in the field of disarmament.

National Conference on Religion and Race

The chairman of the Conference Board was appointed by the Council of Bishops to be the Methodist delegate from Texas to attend the National Conference on Religion and Race held in Chicago. This was an inter-faith meeting held under the auspices of the Department of Racial & Cultural Relations of the National Council of Churches, the Social Action Commission of the Synagogue

Council of America, and the Social Action Department of the National Catholic Welfare Conference. It was the first meeting of this kind ever held in America. Delegates were limited to 700, and observers were accredited to witness the proceedings.

This was a working conference in which all delegates were given an opportunity to participate. Top leadership in the three major faiths presented scholarly, masterful and illuminating messages, all of them humbly confessing for us our sins in dealing with race. The consensus of the conference seemed to be that racialism is our supreme social and moral problem in America.

The conference was careful not to make additional pronouncements but rather to project some practical working principles to help find a solution to race problems. The Jurisdictional system in The Methodist Church came in for its share of criticism for maintaining a segregated structure. It was your chairman's privilege to correct much misinformation concerning the Methodist program and also to apprise some of the delegates of significant progress that has been made by The Methodist Church. It is hoped that additional conferences of this kind will be held in the future. There was evidence that Catholics, Protestants and Jews can work together amicably and harmoniously.

The Arm of Compassion

The Conference Board cooperated with districts and local churches in helping to make available "The Arm of Compassion" as a text book for schools of missions. Many churches report that this text book proved very helpful in their missionary education.

Legislation

The Conference Board has been concerned about matters before the State Legislature that are directly related to social problems where The Methodist Church has a direct concern. Several members of the Board have appeared before legislative committees in an effort to prevent the future liberalization of the laws restricting the sale and use of beverage alcohol.

The Board still expresses a deep concern about pending bills dealing with gambling and the licensing of pool halls. The Church must continually be on the alert against the future encroachment of evil.

Report No. 2

Race Relations

We rejoice in the progress that has been made in race relations throughout the nation. When there is forced integration without careful preparation, the emotions of people may be so aroused that intelligent acceptance of the inevitability of integration is not possible.

The Methodist Church continues to be accused of maintaining a segregated structure by those outside of its membership. The facts are that progress has been made as rapidly toward the elimination and abolition of the Central Jurisdiction as the hearts of people have been led for its acceptance. We are aware that every symbol of segregation must be eliminated as rapidly as possible. The abolition of the Central Jurisdiction will be possible when Methodists in the very critical areas where segregation has been such a firm part of the social structure are led to grow in their Christian concept of the worth and dignity of

every individual and recognize the need for equality of opportunity in all areas of life.

We rejoice in the progress that has been made in school integration as was seen in Dallas about two years ago. We commend the citizens of Fort Worth for their willingness to accept partial integration. We heartily concur in a resolution prepared by Dr. Erwin F. Bohmfalk to a Workshop dealing with this question in the National Conference on Religion and Race, as follows:

"That inter-faith groups, Roman Catholic, Jewish and Protestant clergymen and laity be organized in every community where public school integration has not taken place, in order to prepare the Boards of Education and the memberships of our respective churches and non-church people in every community to an acceptance of public school integration, and that this be done as expeditiously as possible.

We humbly confess our sins for keeping the negro and other minority groups in a state of second class citizenship. As Christians, we must recognize that all human beings are potential children of our Heavenly Father, and as Christians we should recognize their dignity and worth.

Beverage Alcohol

The rising tide of alcoholism continues to cause distress among those who show a concern for curbing the spreading of this disease. The lethargy, the lack of concern, and often the deliberate attempt made by church people in order to convince everyone that the right to drink is inherent in our freedom, continues to be alarming. When church people give their approval to the manufacture, the distribution and the sale of alcoholic beverages which serve no purpose whatever except to poison the physical bodies of men and contribute to a rising crime rate and debauch the lives of youth, the church should take an aggressive stand against this social evil. By tradition, Methodism has been an outspoken antagonist to liquor in every form.

We deplore the effort that is being made by some Methodists to restrict a concern about this evil to sermons from the pulpit. Methodism has been a crusading church from its inception. It has led the nation in the effort to provide better controls and at times to eradicate the evil from society. We believe that Methodist people should recapture this crusading spirit and concern themselves with political action in order to provide more controls and vigorously oppose any effort to liberalize our present laws.

The "liquor by the drink" program that has been before our Legislature is an effort to revive the old saloon days.

The argument used by the liquor industry that this method would reduce the amount of liquor consumed is pure subterfuge. In states where it is permitted, there are thousands of additional outlets that dispense this product, and the total consumption rises proportionately; in fact, in states where many more outlets are the result of liquor by the drink, the rate of alcoholism is 68% higher and the quantity of pure alcohol consumed is 69% higher.

There is no limit to which the liquor industry will go to convince naive and gullible people that in this area of social living people should enjoy freedom without restriction, while in all other areas where narcotics are involved, stricter laws and more complete enforcement are provided. And alcohol is a narcotic, an addiction drug that will make of every consumer a narcotic addict if enough is consumed.

We call upon all Methodists to fight this growing evil with all energy and resources at their command.

We encourage the passage of a chemical test bill that will provide a minimum intoxication level and require every driver, in case of accident or drink-

ing while driving, to submit to a sobriety test with penalty of losing his driver's license and being fined or jailed or both upon conviction. Stricter regulations should be provided so that the laws governing and regulating beverage alcohol can be enforced.

Gambling

The protagonists for gambling will not cease their efforts even after referendums have been approved by the people of the state against pari-mutuel betting. Bills continue to be presented to the Legislature to break down the tradition in our state against gambling by calling for local option in communities where the majority may favor it. We urge the defeat of every bill that has been and will be proposed to recognize pari-mutuel betting in any farm and in any place in our state.

We rejoice in the leadership that is being provided nationally by our Board chairman, Dr. Bohmfalk, currently serving as president of the National Temperance League, Inc. of America. When he was elected to assume this office the League was deeply in debt and facing the possibility of dissolution. At the present moment all indebtedness has been paid, the structure has been changed to make it an interdenominational group on a national level along with state affiliates, and the organization has secured another Methodist, Dr. Caradine R. Hooton, to be executive director. Dr. Hooton begins his service on a full-time basis on August 1, 1963. We are glad that our Board chairman and another Texan, Dr. Hooton, will be in leadership on a national level.

An Appeal to the Conscience of the American People

Racism is our most serious domestic evil. We must eradicate it with all diligence and speed. For this purpose we appeal to the consciences of the American people.

Our appeal to the American people is this:

Seek a reign of justice in which voting rights and equal protection of the law will everywhere be enjoyed; public facilities will be accessible to all; equal education and cultural opportunities, hiring and promotion, medical and hospital care, open occupancy in housing will be available to all.

Seek a reign of love in which the wounds of past injustices will not be used as excuses for new ones; racial barriers will be eliminated; the stranger will be sought and welcomed; any man will be received as brother—his rights, your rights; his pain, your pain; his prison, your prison.

Seek a reign of courage in which the people of God will make their binding commitment; in which men willingly suffer for justice and love; in which churches and synagogues lead, not follow.

Seek a reign of prayer in which God is praised and worshipped as the Lord of the universe, before Whom all racial idols fall, Who makes us one family and to Whom we are all responsible.

In making this appeal we affirm our common religious commitment to the essential dignity and equality of all men under God. We dedicate ourselves to work together to make this commitment a vital factor in our total life.

We call upon all the American people to work, to pray and to act courageously in the cause of human equality while there is still time, to eliminate racism permanently and decisively, to seize the historic opportunity the Lord has given us for healing on ancient rupture in the human family, to do this for the glory of God.

We commend the Division of Peace and World Order of the General Board of Christian Social Concerns, and W. Rodney Show in particular for his forthright statements and for his leadership in the program of Education for Disarmament. The reading and study book, "None Shall Make Them Afraid," by Mr. Show, has been widely commended. Petitions supporting U. S. disarmament efforts have been signed by more than 30,000 Methodists, and more than 8000 have covenanted for peace.

Our Conference Board of Christian Social Concerns promoted the Race for Peace program in all ten districts. We urge that support of our General Board be continued in this effort. Prayer can go far in strengthening our leaders in their efforts to move toward total and complete disarmament.

Texas Alcohol-Narcotics Education, Inc.

The following items are recommended for the adoption by the Annual Conference:

1. Nominate TANE Board Members. The Constitution of Texas Alcohol-Narcotics Education (TANE) was changed in January, 1959 to include a provision whereby the denominations would nominate from their membership members to the Board of TANE. We urge all denominations or groups to cooperate by electing their representatives in their 1963 Annual Meetings.

2. Suggested Per Capita or Percentage Support of TANE: A Special Committee, working over a six-months period, presented to the Annual Board Meeting of TANE, the recommendation that supporting denominations adopt a percentage or per-capita annual goal for the support of Texas Alcohol-Narcotics Education. The per-capita suggested amount was 25c per member per year, or 2c per member per month, payable monthly. The recommended percentage support for churches choosing this formula was set at 1/2 of 1% of the church's budget, exclusive of building and improvement funds.

3. Special Earmarked "Building and Equipment" Funds: Your TANE Board is requesting of the major denominations of Texas a nominal amount to be earmarked and used as follows: (1) Pay off all indebtedness on TANE headquarters Building. (Approximately \$20,000—plus the current remodeling cost of \$10,000 which included year-round central air-conditioning and new roof; (2) Offset press 17x22, already secured and paid for out of these funds; (3) Secure adequate folding, gluing, and processing equipment to match printing press; (4) Purchase addressing system sufficient for needs, with selector features, storage cabinets, etc. The above comes to approximately 1c per member per year for the next four years. We respectfully request that this earmarked amount be continued.

These recommendations were passed by the Texas Planning Commission at Lakeview February 26 and 27 without a dissenting vote. Five out of six Methodist Conferences in the State are supporting TANE's program by adopting and following these suggestions.

Report No. 6

The Christian World has been saddened by the death of Pope John XXIII, the titular head of the Roman Catholic Church. His Pontificate of five years is probably the most productive of any five years in Christian history. From his opening sermon on "other sheep have I which are not of this fold" to his death, his Pontificate has been pastoral in nature. His Encyclicals spoke of the dignity and worth of all human beings, and of peace to all men of good will, of disarmament, and of racism as a curse of Christianity.

Not since the Middle Ages has a Pope played such a significant part in world affairs as Pope John XXIII. Not in four hundred years since the Reformation has there been such rapport between Christians as there is today. Leaders of the Anglican, the Orthodox, and other Christian denominations have been able to talk to and speak with a Pope, greeting each other as humble Christian friends without embarrassments. The fellowship of Christian friends is now a much better fellowship than we have known before in this century.

The first session of the Ecumenical Council made a start to the reunion of Christianity. For the first time, there has been created a Secretariat for the union of all Christians. Pope John XXIII is the first Pope to do so. His concern was not only for Roman Catholics but also for the separated brethren—those of us outside the structure of the Roman Catholic Church. He addressed himself to a Christian fellowship when he contended that brotherhood must precede doctrine. He has proven to be the main instrument to Ecumenical Unity of Christendom.

We sincerely believe that there was divine purpose behind the Call of the Ecumenical Council. His humaneness is beloved by both the simple and the wise. He called for unity between all persons professing faith in Jesus Christ as Lord and Savior.

Addressing himself to the observers, he spoke to them as "the beloved brethren of the observers." No previous Pope has won the affections of Protestants as Pope John. He did not call for institutional unity but rather for inner renewal of all Christians. He wanted to be a friend to Christian friends.

There exists now a "modus vivendi" with Protestants. Inter-Christian relationships have never been better since the Reformation than now. This was much in evidence at the National Conference on Religion and Race held in Chicago, January, 1963. There has been a complete revolution in inter-church relations. Christian churches can now talk together as Christian friends. For the first time, ministers and priests sit down together and can find ground for Christian fellowship. No part of the Church is any longer a great monolith—there is now monologue, dialogue, and even triologue. There has come a thaw in the religious life of America because of Pope John.

We join millions of Christians throughout the world in expressing sympathy to the Roman Catholic Church in the losing of their leader. Catholics have lost a Pope. We have lost a friend.

Report No. 7

Policy Regarding the Issuing of Public Statements

The involvement of Christians in all areas of human relations including economic affairs, peace and world order, temperance and race relations is faithful to both Biblical and Methodist traditions. The right and responsibility of individual Christians and churches to freely discuss, investigate, and/or suggest areas of concern is inherent in the nature of the Christian commitment.

The General Conference of 1960 in creating the General Board of Christian Social Concerns allocated twenty-nine specific areas of responsibility in which the General Board of Christian Social Concerns shall "conduct a program of research, education and action." In The Methodist Church, however, an official position on any matter may be determined only by the General Conference.

To the extent that the General Board of Christian Social Concerns has been faithful to its responsibilities as delegated by the General Conference, we commend it. Significant bodies of opinion within The Methodist Church, however, hold that acts and pronouncements of the Board of Christian Social Concerns and its professional staff occasionally seem to represent partisan viewpoints or personal bias.

Therefore, be it hereby resolved:

I Policies

1. That the General Board of Christian Social Concerns be commended for its adoption of the 1960 policy on the issuance of public statements. (See copy attached.) These safeguards and procedures have given greater weight and representation to the public statements that the Board has issued.
2. That the General Board restrict its public statements to principles that illuminate and clarify the Christian implications of any public issue; and endorse legislation as solution to an issue only when that legislation follows the policy previously established by the General Conference. Examples: Public statements specific legislation relating to: Temperance, Gambling, Capital Punishment, Desegregation, etc. (see the Social Creed of the Methodist Church and General Resolutions of the General Conference pertaining to social problems.)
3. That the General Board, while issuing public statements of principle on any public problems, refrain from endorsing by intent or implication any specific legislation which may be only one of several partisan solutions to a problem, in the awareness that Christians are all under the same imperative to be concerned for the welfare of the brother, but may readily disagree politically and economically as to how that welfare should be implemented and preserved.

Examples: (1) Medical care for the aged (a Christian concern)—alternative solutions: Medicare, Kerr-Mills Bill (endorsed by American Medical Association), or wider extension to private health insurance plans, etc.

(2) Extended Educational Opportunities (a Christian concern)—alternative solutions: Federal Aid to Education, or Private, State and local district support, etc.

(3) World Peace (a Christian concern)—alternative solutions to nuclear disarmament: Unilateral Disarmament, Phased-Multilateral Inspected Disarmament, or Multilateral Disarmament with On-Site Inspection, etc.

II Publications and Pronouncements

1. That in keeping with the above statements the General Board of Christian Social Concerns use its official publications for the presentation of any public issues and their Christian implications, endorsing legislation that is clearly the only Christian option to these issues, while offering fair and equitable discussions on legislative alternatives which represent two or more responsible solutions to a problem, about which Christians in good faith can readily disagree.
2. That nothing in this resolution shall limit the freedom of the General Board and its editors or any Board publications to express themselves in signed editorials on any issue; with all editorials clearly indicated as such; and that comparable freedom of expression be preserved for laymen in the local church, clergy in the pulpit, local church Commissions on Social Concerns, Annual Conference Boards, Bishops, and District Superintendents, in the hope that all of us will endeavor to make clear when we are speaking for ourselves and to the church, and when we are speaking for the church in the context of specific and official authorization.

A Resolution Presented for Consideration of The Conference Taxation and Church Colleges

We, the Board of Christian Social Concerns, believe that the First Amendment to the Constitution should be interpreted as preventing appropriations of federal tax funds to church-controlled colleges.

Without reference to publicity-controlled and tax-supported colleges and universities, we should speak out on the use of tax funds for private education on grounds of educational and public policy, as well as on constitutional grounds.

I, II, III

"Tax funds for higher education will invite widespread demand that tax funds be used for sectarian elementary and secondary schools exactly as for public schools. Such a policy would be detrimental to public education."

". . . federal grants for construction of academic facilities in private and sectarian colleges and universities . . . would conflict with the adopted policies of the National Congress of Parents and Teachers, which is an organization of more than twelve million members. These adopted policies reflect the belief of its members that these across-the-board grants would be unconstitutional and would disregard sound public policy in education."
June 14, 1962

- (IV) Mrs. Clifford N. Jenkins, President
National Congress of Parents and Teachers

"The National School Boards Association, which represents the 150 thousand school board members of the nation who are the legal trustees of our public elementary and secondary schools, is committed to the separation of church and state. The principle of using public tax funds to assist non-public schools conflicts with the adopted policies of the National School Boards Association. These reflect the belief of its members that such a provision would be unconstitutional and would disregard sound public policy in education."

"The Association's policies state in part 'The American tradition of the separation of church and state shall be vigorously safeguarded.' To this end the Association advocates that funds raised by general taxation for education purposes shall be administered by public officials and shall not be used to support any privately operated schools."

"The principle of separation of church and state should be observed in higher education as well as in elementary and secondary education. Therefore, the National School Boards Association advocates the funds raised by general taxation for educational purposes shall be administered by public officials and shall not be used to support any privately operated schools . . . The National School Boards Association respectfully requests that no higher education bill which includes such a provision be enacted."

On July 6, 1962, the National Education Association's Delegate Assembly agreed with the position of the other five organizations on the church-state issue in a statement that N. E. A. policy "specifically limits support of grants to publicly controlled and tax-supported institutions of higher education." The N. E. A. opposition was the result of a vote of more than 5 to 1 of 6672 official delegates from every state after one week of deliberation.

Bishop F. Gerald Ensley (Iowa), Chairman of the Division of Higher Education of the Methodist Church, years ago in TOGETHER: "We Methodists believe in a Methodist parochial school system just as we believe in a Methodist Post Office system."

We, the Board of Christian Social Concerns of the Central Texas Conference of The Methodist Church, stand to say that if federal grants to private colleges are voted by the House and Senate and not vetoed according to the President's promise to the Houston ministers, an opposite position to that upheld by the Supreme Court will have been initiated, and the public school system will be ultimately fractured.

As churchmen with vested interests in church colleges, we nevertheless resolve that the public school men and the Supreme Court shall not stand alone as guardians of the First Amendment.

A Proposal for a Memorial to the General Conference

Whereas the threat of nuclear wars is real, as expressed in the Episcopal address of 1960: ". . . the human race has within its hands for the first time the power of its own annihilation" and the General Conference, 1960, called upon the "United States and all other governments to declare complete, universal and enforceable disarmament to be their goal."

(Par. 2024.5, "The Discipline," 1960)

Whereas John F. Kennedy, President of the United States, in an address to the United Nations General Assembly of September, 1961, for a "Truce to Terra" and challenged the Soviet Union "not to an arms race but to a peace race."

Whereas we believe, that The Methodist Church can be the decisive influence in bringing peace to the world if we let God have His way with us;

Whereas we believe, that peace is the will of God and that as children of God we are called upon to fulfill that will, we declare that peace is possible;

Therefore, the Central Texas Annual Conference of The Methodist Church petitions the General Conference, 1964:

A. To challenge all Methodists to a massive effort for peace and world order under law with freedom and justice;

B. To develop a Master Plan for Peace commensurate with the challenge of the hour.

Such a plan to include:

1. A study of current legislation to provide us with factual information relative to issues pertinent to peace and world order;

2. Meeting with legislators to discuss the issue relative to peace and world order;

3. Developing a structure through Conferences, districts, etc., to facilitate education and action;

4. Making specific plans for financial undergirding of the "Road for Peace."

COMMISSION ON CHRISTIAN VOCATIONS

Each year the Interboard Committee on Christian Vocations publishes and distributes a booklet, **Methodist Church Related Vocations And Service Projects**. A copy is sent to each minister in our Conference with the hope that he will study the varied opportunities for young people and mature, professionally trained adults who are called to serve Jesus Christ through the Methodist Church. Local pastors can do more than any other group to help interpret such a divine call and lead the "called" to make a dedicated response. We invite ministers and laymen to a renewed interest in recruitment for church-related vocations. An active Christian Vocations Committee in each local church is the best way to keep qualified prospects aware of the great need during this time of world crisis (P. 145.9, 1960 Discipline).

This year (1963) is especially important, for the 1960 General Conference included Christian vocations as one of the quadrennial emphasis, and seventy-five (75) new deaconesses are sought as the 75th anniversary of deaconess work in the Methodist Church is observed. But the greatest incentive always is to help someone find a place of useful, God-directed service in keeping with one's personal commitment of Jesus Christ the Lord.

Our 1963 Church Careers Conference at Glen Lake brought together a most serious group of young people. They wanted to know how they could best serve the Christian cause. We depend upon local congregations to keep alive this genuine interest and resulting search for work with a divine imperative.

Last year's Vocational Intern Program (VIP) will be enlarged for operation this summer. Not only are more participants expected, but more vocations are open to those who want a short intern relationship with a possible future vocation. This work experience proved valuable to those who volunteered in 1962. Our thanks to Harris Hospital officials for their encouragement, guidance and assistance.

District representatives (ministers) were selected by the Commission last fall. Their primary responsibility was to keep the cause of Christian vocations before the pastors and laymen in their respective districts. This procedure will be followed again in 1963-64, and we expect increased effectiveness.

Since there is now a wealth of material that deals with church-related jobs and God's call, we have prepared a bibliography. It is hoped that its distribution will encourage study, conversation and action by laymen as well as ministers.

When pastors faithfully "preach on the meaning of Christian vocation and the call and challenge of the ministry and other types of full-time church work . . ." and "search out . . . young people for the ministry, to help them interpret the meaning of the call of God, to challenge them with the opportunities of the Christian ministry . . ." (P. 352.20, 1960 Discipline), there is an amazing response. This has been demonstrated again and again. Ministers, congregations and especially young people have testified to the rich blessings received. We suggest Youth Week (the last week in January) or Ministry Sunday (the Sunday preceding Aldersgate, May 24) as usually fitting times for sermons on Christian vocations in every Methodist church.

The 1963 Service Projects booklet includes this statement: "While recognizing the potential sacredness of all useful work, the church has a special responsibility for recruiting capable men and women for its service, and every Christian has a solemn obligation to face squarely the challenge of life work in a church-related vocation." It is our purpose to present this challenge to every Christian possible within the bounds of our Conference. Your prayers and help will bring such a goal within reach.

BOARD OF EDUCATION

Report No. 1

Church School Work

Recognizing the importance of the connectional aspects of Christian Education, it is recommended that each district have a District Staff on Christian Education. This staff shall be responsible for the Christian Education program in the district, and shall be composed of the district superintendent, a director of general church school work, a director of adult work, a director of youth work, a director of children's work, the district secretary of children's work and the district secretary of youth work of the Woman's Society of Christian Service, the district president of the Methodist Youth Fellowship, the district representative of the National Association of Methodist Musicians. In consultation with the Conference Staff, the District Staff shall implement the district program.

The function and responsibilities of the Commission on Education of the local church are given in Paragraph 231 of the Discipline. Leadership and educational opportunities on the local level should include: a Vacation Church School, a Christian Adventure Week, a Youth Activities Week, Day Camps, Junior Missionary Units, Membership Classes, Methodist Youth Fellowships, Bible Study Groups, Missionary Studies, Choirs, and Family Life Studies. As the Church School continues to be one of the most effective tools of evangelism, cooperation in the Renewal for Witness Program is urged.

It is recommended that the Conference Director of Youth Work be authorized to implement the "Proposed Plan for Reorganization of the M. Y. F. Beyond the Local Church" (the Cluster Group Plan) in any, or all, districts that shall choose to be so organized. This plan shall be continued for one year on an experimental basis. At the end of this year, definite recommendations for the future shall be made.

It is recommended that the Conference Youth Work Fund be combined

with the Rally Day Fund and be designated the Rally Day and Youth Fund. The asking for this offering shall be ten cents per member from each local church.

It is recommended that the District Staff in each district hold quarterly meetings, serve as an advisory group to the Conference Staff as to the use of their time in the district, and assist the Conference Staff in awarding scholarships for various educational opportunities.

Recommendations for Renewal of Certification of Directors or Ministers of Christian Education: Henry M. Johnson, Richard Hunt, Mrs. Genevo Chodwick, George D. Council, James Laurence Moddin, William Frank Brown, Kenneth D. Royer, Dr. Alice Wonders, Mrs. Earl Greenwaldt, Mrs. Uel D. Crosby (transferred from Northwest Texas Conference).

Family Life

The Central Texas Conference was well represented at the National Conference on Christian Family Life in Chicago in October, 1962. The emphasis on Christian Family Life throughout the church during the year 1962 will be reflected in the life of the church during the months and years to come. As a follow-up to the National Conference, a Conference on Family Life was held

in Mineral Wells in February with about 200 persons from over the Conference attending. The Conference Family Camp at Glen Lake over the Labor Day week-end was very successful with good attendance and interest. Plans are underway for another such camp in September, 1963. Each district is urged to have a Director of Family Life and each local church Commission on Education is urged to set up a Committee on Family Life. National Family Week, May 3-10, is recommended as an appropriate time to emphasize the program of Christian Family Life in each local church.

Camping

The 1963 inventory reveals that at Glen Lake and Rainbow Camps we have land, buildings and equipment valued at \$283,662. A total of 4,985 people were involved in the activities at the two camps during the conference year closing. Our Executive Secretary and his Staff are giving excellent leadership in the camping program.

We call upon the district superintendents, pastors and other local church leaders to publicize the excellent training opportunities provided at Glen Lake and Rainbow and encourage persons to attend.

There is the continuing necessity for property improvement and upkeep and equipment replacement at both of the camps. Therefore, there is the continuing need for funds. We suggest that local churches place in their budgets an amount of money each year for the maintenance of the property and for carrying on the program at the camps.

Christian Higher Education

As far as we can ascertain, no one of us would want to be a part of a decision to weaken or abandon our concern in Christian higher education. However, in a world like ours, this can come to pass without our ever having to face an actual decision of this kind. We can be out-distanced in the race. We can be out-manned in the struggle. None would want to maintain our institutions as second rate. As in other areas, our concern is to provide the best.

Through the years Methodism has sought to shoulder its share of the total load of higher education. The Methodist Church today has 136 schools of higher learning in the United States. Only a decade ago we saw for the first time more students on tax supported campuses than in private institutions. The prediction is that by 1970, 70% of our youth will be in colleges and universities operated by the government. Our contribution then, must be in terms of excellence.

In this regard we recognize and applaud the vision that conceived the United Capital Funds program, and the work of both laymen and ministers who have led our Conference to a place of prominence in the progress toward the \$32 million goal. Let us press on and upward toward this and even greater goals.

The continued support of the churches in the per member giving to colleges and Wesley Foundations has undergirded the operational costs of these institutions. The response of the churches towards achieving the goal of 50c per member for Wesley Foundations has been most encouraging. Let us remind the Conference that whereas in the past these student centers have received funds from several different sources both in the Conference and local churches, under the present arrangement the 50c per member funds represent the single line of support. No word of encouragement could be too insistent upon us to reach this goal. The ever increasing load on these campuses staggers the imagination. This committee understands its role at this point to be the listening ear of the churches of the Conference, and what we have heard would challenge the most casual observer. Every assurance has been given that the methods of evaluation are constantly being studied. This will provide better guidelines both to the local director and to his local board as the campus ministry is projected. These will

help those who supervise and appraise the effectiveness of this campus ministry and make provision for the improvement of this arm of the church.

The problem of new work on campuses not now served by Methodist Student work increases the demand upon us for funds. As reported to the Conference last year, there are four junior colleges and two senior colleges within the bounds of our conference where no contact is made with student life other than that done by local churches near by. In the main, we feel that this is an area that needs attention. We are quite sure that there is no atmosphere and fellowship like that of a local congregation. But let us be reminded too that few if any local congregations have all the insights and methods that are needed in the years spent in schools beyond the local public schools. We feel that funds used in this area are best used in program enrichment and opportunities rather than as salary supplements for pastors near by.

In order to do something about these needs there are two sources of funds. Increased achievement of the 50c per member goal by the local churches not having reached it. The release of student work funds by our church related schools, who would in turn assume full responsibility for Methodist Student Work on their respective campuses. If the release of these funds is effected they should be replaced otherwise.

After careful study of the situation, and in view of the action of the 1960 General Conference establishing a new goal of \$1.50 per member for this quadrennium, we respectfully request the Central Texas Conference to begin moving towards that goal by establishing \$1.25 per member for the goal of the conference year beginning in 1964.

BOARD OF EVANGELISM

Report No. 1

In recognition of 1963 as the 225th Anniversary of John Wesley's Aldersgate "heart warming experience," the Board of Evangelism sets forth the following challenge as preparation and implementation for the observance of this Anniversary with the earnest hope and prayer that every Methodist might find anew the secret of John Wesley's power—a "heart warming experience" that would lead every Minister and every Layman to witness: "I felt my heart strangely warmed. I felt I did trust in Christ, Christ alone for salvation; and an assurance was given me, that he had taken away my sins, even mine, and saved me from the law of sin and death." Seeking to make this observance a "Call To Renewed Discipleship" that would lead our Church to be a Redemptive Fellowship, we recommended the following:

1. September 4-6, 1962—Aldersgate Conference for Ministers at Glen Lake Camp.
2. November-December, 1962—a mid-week or Sunday Evening study of The Letter to the Romans in every charge.
3. Christmas or New Year's eve—a special service in each charge, using Wesley's Order of Worship for that day.
4. During Lent and past Easter, 1963—a Special Emphasis on "Methodist Belief and History." Should include sermon series and youth study with the challenge to Church related vocation.
5. During the Church year, a Week of Evangelistic Services in every Church.
6. Sunday May 19 or Sunday May 26, 1963—special Aldersgate Week Services in every Church.

Also as a most important implementation, each Local Church is reminded there are **six things that the Membership and Evangelism Commission will want to do** in seeking the Aldersgate experience:

- (1). **Find**—find people who should be reached for Christ and His Church. Find people, then visit, win, integrate them into the Church's life.
- (2). **Prepare**—prepare them for Christian Commitment and Church membership through training classes. Prepare them to be growing disciples in the life of the Church.
- (3). **Increase**—increase attendance through the use of registration of attendance, weekly—and from this record, organize visitation of inactive members.
- (4). **Conserve**—conserve membership by encouraging spiritual growth, and by assigning a "fellowship friend."
- (5). **Deepen**—deepen Prayer Life through prayer groups and units of "The Twelve," and by holding mid-week prayer services.
- (6). **Keep**—keep membership rolls, complete, accurate, and up to date. Keep membership rolls of preparatory, non-resident and constituent members.

As further preparation your Board carefully planned and carried through "A Conference on Evangelism" on May 3 and 4, 1963 at Glen Lake Camp for Supply Pastors and Ministers on Trial in the Conference.

Copies of the book "A Year of Evangelism In the Local Church" were made available through every District Superintendent to the pastors, for their use in better "evangelistic planning."

With the prayer that our great Church shall be a "force" rather than

a "field" for Evangelism, the Board reminds every Methodist minister and layman of the purpose for the observance of the 225th anniversary of John Wesley's "heart-warming Aldersgate experience."

To call Methodists, under the guidance of the Holy Spirit, to seek new life in Christ and the Church, and to witness out of a heart warming experience that Jesus Christ is Lord.

JACK PAYNE, Conference Secretary

BOARD OF EVANGELISM

Report No. 2

The Area Wide Methodist Mission to People

The Central Texas and North Texas Annual Conferences' Boards of Evangelism propose that during this Conference year the two conferences unite their efforts in promoting the **Dallas-Fort Worth Area Methodist Mission to People**.

An Area-Wide Evangelistic program has been proven successful in many other areas of our church. It is firmly believed that the program of implementation defined by the Area Wide Committee on Evangelism, composed of the Executive Committees of the Board of Evangelism of each of the two conferences, will be the most successful one of our area. Elements of it have previously been used in our state with overall success. Some plans are new and promising.

The Methodist Mission to People is the basic program of evangelism to be promoted by this Board during this year. It is composed of the following elements:

1. **A period of preparation of the ministers and leading laymen.** This will be done at the Ministers' Conference, Sept. 3-5, and the Laymen's Retreat on August 23-25.
2. **Sub-District and District Preparation.** A workshop with expert leadership is being planned in each district.
3. **Local Church Preparation.** Orientation and planning by local leaders and the taking of a survey of community prospects.
4. **Simultaneous week of preaching and evangelistic outreach throughout the Conference.** Central Texas Pastors assigned to North Texas—Feb. 16-21. North Texas Pastors assigned to Central Texas—March, 8-13.
5. **Assimilation and continued followup.** Local implementation of this much neglected element.

We believe every minister will cooperate wholeheartedly in this great effort. If in every charge in our conference we see the "Methodist Mission of People" carried out, we know there will be a great spiritual harvest.

HISTORICAL SOCIETY

The Historical Society makes the following recommendations:

(1) Since we now have in hand only a hundred written histories of our churches in the Central Texas Conference, we recommend that each local church committee make sure that a historical record of the church is complete and committed to Chaplain James B. Ansley, Harris Hospital, Fort Worth, Texas;

(2) Since the Committee responsible for the planning of our Centennial Celebration will need the cooperation of every church in securing adequate material, we recommend that every Methodist, layman and minister alike, be looking for historical material that could be used to tell the story of 100 years of Methodism in the Central Texas Conference;

(3) That the Commission on World Service and Finance include in its 1964-1965 budget an amount of \$500 to be used as supplies and secretarial help and other expenses related to the work of the Historical Society.

COMMITTEE ON HOSPITALIZATION INSURANCE

Your Group Hospitalization Insurance program with Ministers Life and Casualty Union, of Minneapolis, Minnesota, has now been functioning effectively for six years. With a small margin our participating membership continues above the 70% requirement of the number in our conference who were eligible for membership.

However we received only three new members out of the seven who became eligible for membership at the last annual conference. We must continue to enlist at least 70% of all new members of our conference, for their own protection, and for the maintenance of our 70% requirement.

Attention is called to ministers in full time religious service within the bounds of our annual conference who did not become participating members of our hospitalization insurance group in their period of eligibility, that they may yet become members by application and by furnishing acceptable certificates of insurability.

There have been several requests from participating members that our group transfer our classification from Plan C to Plan B that there may be larger benefits available. Your committee plans to correspond with the participating members during the new conference year to explain the differences of the two plans and to ascertain their desires in this regard as a guide for our recommendation to the next annual conference.

We again call attention to four particular features of our group hospitalization insurance program:

(1) Those who are appointed to full-time ministerial service within the bounds of our annual conference have a limit of 90 days after their appointment to apply for membership in this hospitalization program without the necessity of providing acceptable certificates of insurability and without any limitation of previous health records.

(2) Members of the group who marry may enroll their wives in the group without any limitation or restrictions, provided they make application within 60 days after marriage.

(3) Members, who lapse their policies through failure to pay premiums within one month after due date, may reinstate their policies by paying only the current quarterly premium and furnishing an acceptable certificate of insurability, provided they do so within one year since the policy lapsed.

(4) Members who leave our group for any reason and continue in full-time religious work need not lose their insurance protection. They will receive an individual policy upon application to the insuring company.

Experience still sustains our confidence in our present group hospitalization program. We believe it is as good, or better, than any other group policy available. We urge our new members to make application without delay.

BOARD OF HOSPITALS AND HOMES

Report No. 1

Your Board of Hospitals and Homes continues to serve as a liaison group between our Methodist Institutions and our people. It is our task to interpret the needs of our institutions to our people. It is also our task to interpret the needs of our people to our institutions. We believe that if these lines of communications are clear and relevant, the life of our institutions will remain vigorous and healthy.

We note with extreme interest that the Board of Directors of the Methodist Home at Waco is currently studying the program and possible reorganization of the Home. We request that a complete report of its findings, conclusions and results be made available to the Board of Hospitals and Homes at each owning Annual Conference prior to the 1964 spring meetings of the Boards.

We desire to make no nominations to Directors-at-large to the Methodist Home at this time.

Report No. 2

Harris Hospital—Annual Report—1963

The Board of Trustees and the Administrator respectfully submit a Report of the operations and activities of Harris Hospital for the Fiscal Year ended September 30, 1962. Since seven months have elapsed following the end of our Fiscal Year, the members of the Conference will realize that all of the statistics are based on the 1961-1962 Fiscal Year, but in order to give a current report

many of the improvements and developments reported upon have occurred during the 1962-1963 Fiscal Year.

Patient Care Factors:

During the Fiscal Year 1961-1962, 103,439 days of adult care were given. This represents an over-all occupancy of 73.7%.

The total number of patient days rendered by Harris Hospital in the Fiscal Year 1961-1962 were less than those rendered during the previous Fiscal Year. However, since most of our construction problems that have interfered with patient care have been resolved, the occupancy of the Hospital since the beginning of the Fiscal Year, October 1, 1962, has been heavier than experienced during the same months of the previous year.

Although there has been steady growth in population of the Community during the last Fiscal Year, the number of beds available to the Community have been such that the increased needs have been taken care of adequately.

Relationship with Fort Worth Children's Hospital:

At this writing, Harris Hospital and the Fort Worth Children's Hospital have a most satisfactory joint relationship in providing patient care for a period of over two years.

During this past year, a more direct physical connection between Fort Worth Children's Hospital and Harris Hospital was constructed. This new construction has enabled us to serve the pediatric patients more expeditiously and has enabled the Children's Hospital to handle our physical therapy needs on a much better basis.

This satisfactory relationship between hospitals is quite important from a Community standpoint for, through this relationship, a reduced overhead cost is presented to the Community. Although numerous problems have arisen in the operation of the two hospitals, every problem that has arisen has been solved to the mutual satisfaction of both hospitals.

Program of Medical Education:

The Department of Medical Education is in its second year with the services of a full time Medical Director.

During the last two years, the Department of Medical Education has undergone a complete reorganization. The intern program, which had been operable for many years, had ceased to be approved. However, with this reorganization, Harris Hospital now has available the first approved mixed internship educational opportunity offered in the State of Texas. This reorganization and change of program has borne fruit for, during the Fiscal Year 1962-1963, Harris Hospital will again have interns—this time four in number—plus residents in the major services.

This program of medical education indirectly provides an academic climate in the Hospital which can only result in improved patient care.

New Equipment:

During the period under consideration, the Trustees have authorized the purchase of \$45,318.75 worth of Movable Equipment, and \$316,989.85 of Fixed Equipment.

Expansion of Ancillary Facilities and Construction of a Maternity Hospital Building:

Annually, for the last several years, the Hospital has reported to the Con-

ference on the preliminary planning, the detailed planning, the interim and long-range financing, and finally the construction of new ancillary and maternity facilities. This year, 1962-1963, will see the completion of these facilities.

Since this is written well in advance of the Annual Conference, it is reasonably safe to predict that during this coming Annual Conference these new facilities will be sufficiently completed to afford the Conference a complete tour of the facilities before they become operational.

Late in 1962 and early in 1963, these new facilities, which are considered part of the overall program, have been put into operation:

1. Lobby
2. Business Office area.
3. Public Relations Office.
4. Chaplain's Office.
5. Volunteer Service Office.
6. Administrative Offices.
7. Emergency Rooms.
8. Outpatient Department
9. Fountain and Gift Shop.
10. Expanded Cafeteria.
11. House Staff Quarters.

Present estimates indicate that the completion of the entire expansion program will be accomplished by September 1, 1963.

As reported last year, upon completion of this expansion program, Horris Hospital, on a replacement cost basis, will have an investment in land, equipment, and plant in excess of \$16,000,000.00.

Financing of Construction:

Currently, \$4,747,345.62 has been expended toward the completion of the expansion program. The total cost of construction is estimated to be \$6,100,000.00. Of the amount paid to contractors and to the architect, \$1,011,000.00 represents interim financing. Our financing of this project has been made possible by the use of funds made available by the Horris Hospital Fund Raising Drive approximating Two Million Dollars, Hill-Burton grant of \$1,850,000.00, Hospital reserve funds of \$1,012,829.50 and long-range financing.

Additional payments to be received from Hill-Burton and from the Fund Raising Drive are estimated to be such that our long-range financing will be less than the \$2,500,000.00 limit which the Conference has approved.

Additional Construction Needs:

The Board of Trustees and its Committees have considered during the last year immediate further physical needs of the Hospital. This consideration has been such that studies are now being developed toward the eventual recommendation that the older areas of the Hospital be brought up-to-date with respect to modern plumbing facilities and modern nurse-patient communication facilities.

These changes are, in the opinion of the Board of Trustees, necessary in order for all of the facilities of Harris Hospital to meet the more critical present day standards.

Nominations and Appointments:

Since the Board of Trustees does not have their Annual Meeting until April 24, 1963, it will be necessary to submit a Supplementary Report on nominations for Board membership and recommendations for the appointment of a Commissioner-Chaplain for the coming year.

Members of the Central Texas Conference of The Methodist Church are to be commended for the continued interest and support which is given to Harris Hospital.

The Board of Trustees, the Medical Staff, the Personnel of Harris Hospital and the patients whom they serve are quite aware and appreciative of this interest which is centered in the ministry of healing.

BOARD OF HOSPITALS AND HOMES**Report No. 4****Report of Commissioner-Chaplain, Harris Hospital****The Chaplaincy**

Since its inception the genius of Methodism has been its compassion and concern for all of man's needs. It would be sheer pretense to be concerned about a man's soul and yet ignore the needs of his diseased body.

We are surely called to share in the **Ministry of Healing** as we are to preach and teach.

At the very beginning of John Wesley's ministry, he established two dispensaries to help provide for the medical needs of the poor. Evidently, his was Methodism's first **Golden Cross Clinic**.

Harris Hospital's Golden Cross Service is another arm of His Ministry. This work needs the support of every church in the Conference. Your enthusiasm and your concern, translated into a concrete gift, will in large measure determine the Hospital's ability to serve.

This year, the suggested contribution goal for every member is 25c.

"In as much as you have done it unto one of the least of these, my brethren, you have done it unto me."

Clinical Training Program

The third year of our Clinical Training Program reveals the sincere desire on the part of Harris Hospital to extend its teaching ministry. We have had ten students receiving credit through their respective institutions for the work they have done in our Clinical Program.

Pastoral Care Seminar

A Clinical Pastoral Care Seminar under the leadership of Doctor Granger Westberg from the University of Chicago, was held April 24-25. The program

was excellent both in content and scope. The purpose of the Seminar was to help the pastor more effectively carry out his sacred responsibility of being a good shepherd to his people. The average attendance for the several sessions was 147.

Six-week Case Seminar

A six week case seminar for the ministers of the Fort Worth East and West Districts under the guidance of Doctor Bruce Beard, M. D., one of our fine Methodist psychiatrists, and Doctor Edwin Troutman, Director of Medical Education at Harris Hospital, was held in Harris Hospital for six consecutive Wednesday mornings at 6:30 a.m., beginning February 20th. There were 18 of our ministers enrolled.

W. D. Smith Memorial Chapel

The completion of the new W. D. Smith Memorial Chapel was indeed a high point in our year. A twenty minute service is held in the Chapel at 10:50 a.m. each Sunday. This beautiful Chapel, adjacent to the busiest area in the Hospital, serves as an ever present reminder of God in the midst of our daily work. Thus, our footsteps are a little softer, our words a little kinder, and each deed a little more loving as we seek to carry out the Great Commission to "go preach, teach and heal" through Harris Hospital.

Golden Cross Service

This report covers the period of June 1, 1962 through May 31, 1963.

At the close of May 31st the cost of 37 church-referred patients amounted to \$12,886.90. The total amount received from the churches of our Conference for the same period of time amounted to \$12,002.53, leaving a new cost for church-referred patients to the Hospital \$884.37 beyond that which the churches have contributed.

Charity service rendered (June 1962-May 1963)	\$123,458.65
Receipts:	
Offerings from churches	\$12,002.53
Personal Gifts	1,719.62
Part-pay and insurance	26,473.86
Total Receipts	42,144.88
Net cost of Golden Cross	\$83,262.64

Report No. 5

Trustees of Homes for Retired Ministers

The Board of Trustees of Homes for Retired Ministers express appreciation to the Conference for the support it has received during the year just closed. Funds received through the Conference Special from June 1st-December 31st, have been used to pay off the indebtedness on our home at 4065 Benmar, Fort Worth, Texas. This clears our property of all indebtedness.

The question continues to be raised as to the need for continued expansion and maintenance of this program of service by the Conference to its elder members and their widows. (This being in light of the establishment of other means of meeting this need both in the church and in our society). A careful study has been made and these are the facts as they relate to our Conference members who look to us as the only source of help they have:

1. We now have 35 homes and one duplex, making a total of 37 units of housing.

2. Thirty-one of these units are occupied by 57 retired ministers or widows of Methodist ministers. These gave a combined total of 1833 service years.

3. These 57 residents of retired ministers' homes received last year an average of \$793.40, or \$66.12, per month.

4. Most of the residents of retired ministers' homes are without the benefit of Social Security. Few of these ever drew a salary equal to the minimum salary of today for a member of the Central Texas Conference. Indeed, during the year just closed, this Conference paid these retired men on the average of just 44 per cent of the minimum salary figure.

5. During the year just past, we have not been able to secure a single new home to replace any of the badly out-worn and otherwise inadequate buildings we now have.

Our Board has voted to cooperate with the Conference Program in releasing our part of the Conference Special from January 1st through May 31st so that these funds might be used for Wesleyan Homes. However, we are greatly disturbed by the fact that the special offering, for Homes for Retired Ministers taken last July was \$6,716.00 less than it was a year ago. This will seriously curtail the effectiveness of our work. Under the present situation, this work is totally dependent on the action of the churches. July 21st is the date for the Special Offering this year. We trust it will receive a just and adequate representation to the people of the churches of our Conference. We request the brochures which are made available to pastors by the Board be mailed to each family the week before this cause is presented.

Again this year, as in the past, much attention has been given to the repair and re-conditioning of existing homes. The offerings received through the special day in July have largely been used in this effort. It is no small task, nor inexpensive operation to keep these homes in a good state of repair. We note that in many instances the preacher occupying the home has spent his own money to do certain repair or replacement jobs. For this we are grateful.

We commend the excellent work of Reverend Hubert Crain, and respectfully request that he be re-appointed as Superintendent for 1963-64. We further request that the Homes for Retired Ministers be included in the World Service Budget for 1964-65 for \$6,000.00.

We nominate for re-election as trustees, with terms expiring in 1966 the following: C. H. Cole, James Ellison, Marvin C. Bledsae.

A full statement of the financial operations will be presented to the Conference at its annual session.

BOARD OF HOSPITALS AND HOMES

Report No. 6

Wesleyan Homes, Inc.

This time last year the Wesleyan Home in Georgetown was just a name, without much meaning to the average Methodist. This condition is changing. The Wesleyan now has full meaning and purpose. It is no longer a compilation of estimations, no longer a design on the architect's drawing board, no longer a sacred pursuit of the Board of Trustees and the initial director, M. Howard Knox, whose untimely death prevented his receiving the full benefits of his

efforts. Today, the Wesleyon is a reality—a retirement home for aging persons in need of every possible convenience and comfort in a Christian atmosphere.

The "Wesleyan Story" is being told in every corner of the Conference, from many pulpits, in newspapers, by direct mail, and through "missionaries" who have visited the Home. But like all stories, some of the content is often misinterpreted or misconstrued. The short life of the Wesleyon has had that experience.

To set the record straight, here are some facts: There is no entrance fee. (The founder's fee has been deferred indefinitely.) Monthly rates, including single room with private bath, meals, maid and linen service and infirmory care as needed, are only \$150.00—with special consideration given to persons needing financial assistance. All residents—at least 62 years of age—must be ambulatory when admitted to the Home. However, if a resident becomes non-ambulatory, he will continue to be "at home" in the Wesleyon's infirmory where around the clock nursing care and staff doctor will administer to his needs.

There are 90 living units, which if filled to capacity will accommodate 135 persons. In addition there is fourteen bed infirmory. At this writing 44 units are either occupied or reserved for occupancy in the near future. The Wesleyon, primarily for Methodists, accepts persons of all faiths. Contrary to some reports, the Wesleyon does not cater to a select or preferred group. The Wesleyon has wealthy residents; the Wesleyon has residents with meager means. The Wesleyon has residents whose only income is limited to Social Security and Old Age Assistance. The Wesleyon is a home for retired preachers. The Wesleyon's population is made up of persons from all walks of life—just people.

The financial condition is rapidly improving; the monthly deficit which was approximately \$12,000. In January, 1963 has been reduced around 50 percent. We feel confident that our "break-even" point will be reached during this calendar year. Our 1963 budget (calendar) is based on income and expenditures covering an average of 50 residents; total estimated income, \$175,600.00; total estimated expense (based on actual first quarter records), \$178,097.50; estimated deficit, \$2,497.50.

A financial statement, prepared on December 31, 1962 by an accounting firm in Georgetown, showed the Wesleyon's total assets as \$1,413,163.74; total liabilities, \$1,154,143.17, with a total surplus of \$259,020.57. In the succeeding five months there has been little change in this condition. At this time we have had no indication as to the amount of the Mother's Day offering. We are hopeful, however, to obtain enough funds to retire all delinquent accounts (\$7,000.), set up a debt service reserve (\$12,000.) and establish a contingency fund (\$6,000.) for charitable purposes. By this, we mean to set up a reserve from which we can draw in the event a resident's total monthly income is short a few dollars of the regular \$150.00 requirement. There is question from some sources that the Wesleyan is a charitable agency of the Church. We are proving by example that it is.

Speaking for the entire Board of Trustees, we gratefully acknowledge our appreciation to the Conference for its benevolence toward the Wesleyon at the special session in Georgetown on January 24. The action taken was momentous and will have a lasting influence in making the future of the Wesleyon one that will be solvent and successful; one that will serve those persons in need of Christian care and humane concern.

Lastly, we extend our utmost thanks to the churches, the ministers and laymen whose concern for the Church's responsibility to her aging people has been expressed this year by your continued support of the Wesleyon program.

Report No. 7

Methodist Mission Home of Texas 1962-63

The Methodist Mission Home of Texas, serving the needs of un-wed mothers, their babies, and hopeful young couples wanting children, with a ministry of redemption, compassion and concern as one of the great "Arms of Compassion" of our Church, has evidenced more real growth and maturation during this Conference Year than during any comparable period throughout its 68 year history.

Meeting the ever increasing demands for the services of the HOME, both on the part of the un-wed mothers and adoptive families, seeking to deepen the insights and understandings of the girls (and their families in many cases) into their emotional problems, strengthening the religious life of each girl, we see a program within our Church that is beginning to be recognized as one of the finest of its kind anywhere.

Although we wish such a ministry were not necessary, we find via every medium of communication that this problem is increasing in the over-all total across Texas and the nation. As a result of the population explosion, beginning with the "war-babies" of 1941-1945, there are more young people today than ever before. Consequently, there are more youth problems to be faced and solutions to be sought than have been encountered in the past.

As our people are confronted with this social problem of the un-wed mother, they rejoice to know that the Church is seeking to be a redemptive force in the lives of those who desperately need help, that they too may come to know that there is an abundant life rather than just a deprived life.

In an attempt to do a more specific and rehabilitative job of counseling with the girls, the HOME, through the financial support of the North Texas Conference Auxiliary and subsequently each of the other Conference Auxiliaries, have provided psychological testing for each of the girls who desire to avail themselves of this service. The results of these tests enable our social workers to gauge the kind of approach that is necessary to best meet a particular girl's needs and to help the individual girl arrive at a better self-understanding as well as to re-evaluate her own standards of moral and social conduct. This is one of the most helpful and constructive programs which the HOME has ever undertaken.

And what about the babies? Over the years there have been thousands of them. Think where they are today—in good homes with loving parents—and try to imagine where they might have been had it not been for the ministry of this Christlike arm of our church.

In an attempt to meet these growing demands, the Mission Home has operated at 99.6% capacity so far this year. A comparison of our services for this year as compared with the same period last year is found listed below:

	1961-62	1962-63	% of Increase
In HOME on June 1st	45	52	15.5%
New Admissions — 1st 10 months of the Conf.	125	164	31.2%
Total served	170	216	27.1%
*Babies placed during 1st 10 months	109	135	23.9%

* The difference between these two figures represents the number of girls in the HOME, plus the number of girls leaving before delivery or keeping their babies. In the first 10 months of the current Conference year only 7 girls have kept their babies as compared with 11 last year.

A study of our services rendered during this Conference Year is shown here by Conferences:

A TEN MONTH SUMMARY

(Conference Year 1962-63)

SERVICE to Young Women and Adoptive Parents:

Conference	In HOME June 1st	Admitted dur- ing 10 mas.	Total Served	Babies Placed During 10 Mas.
Central Texas	10	15	25	16
North Texas	8	24	32	14
Northwest Texas	9	21	30	26
Southwest Texas	15	48	63	36
Rio Grande	—	2	2	—
Texas	3	34	37	31
Out-of-State	7	20	27	12*
Totals	52	164	216	135

* These 12 babies were placed in Non-Methadist homes. No placements were made Out-of-State.

The income of the HOME has shown an encouraging increase during this year and indicates a growing concern on the part of Methodist people for the redemptive mission of this Agency. During the first 10 months of the year, our income totaled \$193,827.51, which is an increase of 23.7% over last year. Church giving through Special Day Offerings and Budget Allocations by Conferences are as follows:

10 Months Giving

	1961-62	1962-63
Central Texas Conference	\$10,595.17	\$ 13,218.12
North Texas Conference	14,548.83	16,494.89
Northwest Texas Conference	18,540.04	21,996.40
Rio Grande Conference	—0—	134.20
Southwest Texas Conference	26,344.41	28,153.50
Texas Conference	20,491.86	21,833.60
Totals	\$90,520.31	\$101,830.71

The amount contributed from each of the various Conferences shows an increase and the HOME is grateful for the concern which this represents on the part of Methodist people for this Mission of Mercy and Arm Compassion.

Each of The Conference Auxiliary groups presently organized, have responded in a wonderful way to the program of the HOME and have made significant contributions to the on-going of this ministry. Each has undertaken special projects during the year and we are indeed indebted to them, not only for these projects, but for their enthusiastic support and cooperation in many of the local communities across the state.

BUILDING FUND CAMPAIGN

At the February 1963 meeting of the Texas Methodist Planning Commission, a proposal was made by the Methodist Mission Home of Texas and was approved by the Commission, for a Building Fund Campaign on the part of the HOME in the coming Quadrennium (1964-68) in the amount of One Million Dollars, as a part

of the Quadrennial Program. The first year will be used for preparation and education. The actual campaign will be held during the last three years of the Quadrennium, starting with the 1965-66 Conference Year on the 70th Anniversary of the HOME.

It is essential that this Building Campaign be carried on if the Home is to continue meeting the growing demands for our services.

We would like to express our appreciation, as well as that of the girls whose lives have been blessed and redeemed, to this Conference, its pastors, and their people for their generous support and fine spirit of growing concern. It is only through the gifts that come from your churches and people that this ministry may be continued.

RECOMMENDATIONS:

1. That Sunday, September 22, 1963, be designated as METHODIST MISSION HOME of TEXAS Sunday in the Central Texas Conference and that each pastor be encouraged to use this Sunday to receive an offering for the support of this HOME. (If a church has placed the support of the HOME in its budget, we earnestly request that the Pastor make a statement to his congregation on this Sunday about the HOME, explaining its services and letting his people know that their Church is, through its budget, supporting this Arm of Compassion.)
2. We earnestly invite the attention of all pastors and laymen to the fact that the Texas Methodist Planning Commission has approved 50c per member as the Goal-in-Giving—for the Methodist Mission Home of Texas and we suggest that churches undertake to increase their giving by at least one-third each year over a three year period, or until this goal is reached.

BOARD OF HOSPITALS AND HOMES**Report No. 11****Memorial**

The Board of Hospitals and Homes of the Central Texas Conference, wishes to submit the following Memorial to the next General Conference and asks your approval:

"Whereas the relationship at the national and local level between the Board of Hospitals and Homes and the Board of Christian Social Concerns has become somewhat ambiguous and confused, and whereas administrative problems at the national level have developed at the point of health and welfare policy statements and institutional services, and whereas the coordinating council of the Methodist Church has determined that the Board of Hospitals and Homes must restrict their plans and concerns to institutional services,

Be it resolved that the General Conference of The Methodist Church take steps to clarify this relationship between the Board of Hospitals and Homes and the Board of Christian Social Concerns. May the General Conference further clarify this relationship by stating clearly that issues, controversies, and policy statements should come under the direction of the Board of Christian Social Concerns, but that direct services and all welfare ministries should be the responsibility of the Board of Hospitals and Homes."

Respectfully submitted,

RICHARD E. MILLSAP, Chairman

C. D. WOOTEN, Secretary.

BOARD OF HOSPITALS AND HOMES**Report No. 12****The Methodist Home**

On behalf of the Board of Directors, I am happy to have the privilege of expressing appreciation for the interest and cooperation received from the Bishop, the pastors and the members of the churches in the Central Texas Conference. This has been a pleasant relationship from the beginning, for which we are very grateful.

During the past year, 533 children have been served in the Home.

As of April 19, the Christmas Offering from the Conference amounted to \$86,019.33 in cash, and \$5,196.00 in designated gifts.

District	Cash	Designated Gifts
Brownwood	\$ 7,440.32	\$5,042.50
Cisco	12,614.48	25.00
Cleburne	5,924.47	
Corsicana	5,747.85	19.50
Fort Worth-East	10,455.49	
Fort Worth-West	14,512.27	
Gatesville	6,127.47	5.00
Gargetown	7,789.43	80.00
Waco	7,198.62	14.00
Waxahachie	8,208.93	10.00

The Directors and the staff of your Home are facing the problems of the homeless child of today with a determined effort to meet his needs. To do this, it is necessary to enlarge the scope of the program, which is being done as the need seems to demand. For example, a much greater training program is being used to prepare the staff for their responsibilities in working with the children through the cooperation of the Southwestern Medical School and the help received from the J. M. Willson Family through the Willson Lectureship.

The Board of Directors expresses sincere thanks to all of the members of the Conference for their help in providing this service to the troubled and confused children who, without the anchorage of home and adequate guidance, must have help to get through this period of their lives.

In keeping with the tradition of the Church for the past 73 years, we ask that the Conference designate the month of December as "Methodist Home Month" and ask each pastor to inform his members of the work of the Home and take a Christmas offering for the support of its work.

COMMITTEE ON INTERDENOMINATIONAL COOPERATION**Report No. 1**

The Texas Council of Churches is the major media of cooperation among denominations in Texas. This Council is an organization which seeks areas of common interest among denominations which might be furthered by working together.

In the field of Christian Education the Council is preparing to launch a new program thrust in the Christian education of handicapped children, in group techniques for adult work and in the field of the aging. A workshop on "The Church's Ministry To The Aging" will be held at the First Methodist Church at Fort Worth April, 1964. This will be a workshop open to the interested persons throughout the State and will involve some of the top leaders in the Southwest.

The Division of Christian Life and Work sponsored a Seminar on State Government which was held prior to the Annual Assembly and was well attended. The participants had an opportunity to speak with legislators, observe committee meetings and legislative sessions. The main speaker was Waggoner Carr, State Attorney General.

In the Division of Christian Mission we have had notable programs. The Church World Service Department mobilized state-wide support for

the emergency blanket appeal and clothing collections. Texas CROP relief commodities had the highest total in 1962 of any previous year. The Migrant Ministry now has a full time director who stresses recruiting and training of large numbers of volunteers in migrant areas. Community organization, literacy and citizenship classes and relating migrant people and other Latin Americans to the churches in their own communities are among the broadening aspects of the Migrant Ministry.

This is only a portion of the work of the Texas Council of Churches but it thus serves to illustrate the area of cooperation present on a state level. On the local level we find this same illustration available in every major city in Texas. As an example, the Fort Worth Area Council of Churches recently sponsored a Cooperative Leadership School. There were over one thousand persons in attendance with twenty-five outstanding teachers from several denominations. From all reports this was one of the most outstanding schools ever held in this area.

We encourage local churches to participate in cooperative endeavors in those projects which express our common Christian responsibilities and concern for our Lord and Saviour, Jesus Christ.

BOARD OF LAY ACTIVITIES

Report No. 1

This has been an active and, we feel, productive year for the Board of Lay Activities in the Central Texas Conference. We have keenly emphasized this year the training of key people within the area of our responsibility. The response to our program has been most gratifying, and we firmly believe rich dividends will be received.

We began our activities with a planning session at Lake Whitney on July 6 and 7 at Dr. C. C. Session's lake cottage. Every District but one was represented by the District Lay Leader and District Superintendent. Workshops were planned for each District for the training, informing and motivating of:

1. Church Lay Leader and pastor
2. Secretary of Stewardship
3. Methodist Men's Club Officers
4. Church School Superintendents
5. Lay Speakers
6. Church Treasurer and Staff
7. Chairmen of Commission on Stewardship and Finance

These workshops were subsequently held in each District of the Conference.

We further developed the following goals and pledged our united support to:

1. Promote adequate support of the ministry.
2. Emphasize world-service and other benevolent giving.
3. Projecting church loyalty through positive churchmanship among laity and clergy.
4. Initiate plans for a full church program to include a minimum of one service per week in each church within the Conference.
5. Give active support to the United Capital Fund.
6. Increase chartered Methodist Men's Clubs by 20 per cent; to activate all dormant and inactive clubs.
7. Give full support to the Board of Evangelism in its observance of the 225th Anniversary John Wesley's Aldersgate experience.
8. Develop positive plans to meet the challenge of "Our Mission Today."
9. Lift up the importance of the ministry and other phases of Christian education among young people.
10. Emphasize the stewardship of all of life, with the tithe as the minimum standard of giving.

To this end our fourteenth annual Laymen's Retreat was held at Glen Lake on August 24-26, with more than 1000 men in attendance. The theme of this Retreat was the "Ministry of Methodist Laymen." Bishop Eugene Frank of the St. Louis area and Howard E. Butt, Jr., outstanding Baptist layman, brought the major addresses. Bill Mann, one of America's great gospel singers, directed the music, with Oris Baldwin at the piano. Discussion groups were led by Dr. J. B. Holt of Dallas, Robert Lay of Shreveport, Louisiana, Reverend Gordon Casod of Greenville, Texas, Ed Curry of Dallas, Reverend Gilbert Ferrell, Reverend Ben Feemster and Ned Colvert, of our own Conference. It was the consensus of opinion that this Retreat experience was outstanding and that it has served a real need to bring us closer to the realization of the importance of our ministry as Methodist laymen.

At the Jurisdictional Workshop at Mt. Sequoyah, sponsored by the Jurisdictional Board of Lay Activities, every District in our Conference was represented. This Workshop was set up to aid and assist in planning the program of Lay Activities on a Conference and District Basis.

The Mid-Winter Board Meeting was held in Meridian at First Methodist Church on January 22, 1963. All Districts reported their Boards have been effectively organized and striving to carry out their responsibilities. The Board voted unanimously for continuation of the Texas Methodist Stewardship Movement.

The Board adopted a plan for having a Laymen's Banquet on the Monday night preceding Annual Conference. This banquet will be primarily for delegates to the Annual Conference and area laymen. An outstanding speaker will be presented for an inspirational address. This type meeting has enjoyed unusually good response in other conferences.

We particularly call attention to the wonderful spirit of cooperation and fellowship we have had with Bishop Martin and our District Superintendents. Through their efforts and encouragement and with the help of the local pastors, we are able to write this report. We pray that our labor in the Master's vineyard will bear rich fruit in the days ahead.

COMMISSION ON MINIMUM PASTORAL SUPPORT

Report No. 1

Your Commission on Minimum Pastoral Support recommends the following changes in its plan of operation. These are not changes in procedure, only changes for clarification of present policies.

1. In the third paragraph of the section on "Duties and Responsibilities" insert after the first sentence this new sentence: "The Secretary-Treasurer of the Annual Conference shall be the Executive Secretary-Treasurer of the commission." Change the third line of the first sentence by inserting the word, "Recording," ahead of the word "Secretary."

2. In the section entitled "Administrative Procedure" make the following changes: Eliminate paragraph (a) and substitute the present paragraph (e) as amended as follows: "(a) The sum necessary to raise the salary of the established minimum salary of the Conference shall be computed on the minimum salary of \$1,800.00 per year, or on the salary apportioned by the pastoral charge, whichever is the higher figure."

Amend paragraph (b) by adding this clause to the end of the paragraph, "and in no case shall the sum so required be in excess of \$600.00."

Amend paragraph (c) by adding this clause to the end of the paragraph, "and in no case shall the sum so required be in excess of \$1,200.00."

Amend paragraph (c) by eliminating the third word "full" and inserting after the word "member" these words, "in full connection with," and adding to the end of the paragraph this clause, "and in no case shall the sum so required be in excess of \$1,200.00."

Amend paragraph (d) by adding after the words, "annual conference," or a minister on trial (and not in school)."

3. Renumber the paragraphs in Section 2 making the first paragraph (a), and changing the present paragraphs (a) and (b) to (b) and (c).

4. Amend the new Paragraph 2 (b) by adding these words at the end of the paragraph, "nor to any pastor receiving salary aid from the General or Conference Board of Missions, nor to any retired minister serving as supply pastor."

4. Add to Paragraph 7 the following clause at the end of the paragraph, "and for the adjustment of pastoral charges, when necessary, to provide that the pastoral salary be set at not less than the minimum basis of \$1,800.00."

The plan of operation, with these amendments, is given below.

FLOYD E. JOHNSON, Chairman

CHARLES CHADWICK, Secretary

COMMISSION ON MINIMUM PASTORAL SUPPORT

Plan of Operation

There shall be a program of minimum pastoral support in the Central Texas Conference, under the management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called the Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. Five of this number shall be ministers, and four laymen. The term of service shall be for three years, so arranged that three shall be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all of the interests of the Minimum Pastoral Support Program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by the nomination of the Bishop and the Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, and a Recording Secretary. The Secretary-Treasurer of the Annual Conference shall be the Executive Secretary-Treasurer of the Commission. These officers shall constitute the Executive Committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the meeting of the Central Texas Annual Conference.

Administrative Procedure

1. (a) The sum necessary to raise the salary to the established minimum salary to the Conference shall be computed on the minimum salary of \$1,800.00 per year, or on the salary apportioned by the pastoral charge, whichever is the higher figure.

(b) For a single man rendering full time service or a Student Pastor receiving no other employment income, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$2,400.00 per year shall be added, and in no case shall the sum so required be in excess of \$600.00.

(c) For a married man rendering full time service, or a Student Pastor receiving no other employment income, provided the salary of his pastoral charge has been increased over that paid the previous year by not less than five (5) per cent, the sum necessary to make the salary \$3,000.00 per year shall be added, and in no case shall the sum so required be in excess of \$1,200.00.

(d) For a member in full connection or a minister on trial (and not in school), with the annual conference serving full time, the sum necessary to make the salary \$3,600.00 shall be added, and in no case shall the sum so required be in excess of \$1,200.00.

The benefits of the Fund are not to be thought of as annual subsidies designed solely to enable a pastoral charge to pay the minimum salary of the Conference. The Fund should do that, and more. Basically, the purpose of the Fund is to aid a pastoral charge in its efforts to raise its own salary apportionment to the figure set as the established minimum salary of the conference.

2. (a) The benefits of the Fund are available to ministers in the Central Texas Annual Conference who are rendering service as pastors, as follows: Preachers in full connection; preachers on trial appointed to pastoral charges; student pastors, and approved supply pastors who are recommended by their District Superintendents.

(b) The benefits of the Minimum Pastoral Support Fund are not available to any minister having any appointment other than that of preacher in charge within the bounds of the Central Texas Annual Conference, nor to any pastor receiving salary aid from the General or Conference Board of Missions, nor to any retired minister serving as a supply pastor.

(c) In cases of appointments between sessions of the Annual Conference and after apportionments have been made by the Commission, no member of the Conference, preacher on trial, student pastor, or full time approved supply pastor, shall share in the benefits of the Fund, unless the Charge to which he may be appointed shall meet the conditions hereof, and then his sharing shall be on a pro rata basis for that part of the year served in the charge to which he may be appointed.

3. No Pastor shall share in the benefits of the Fund who receives income from other employment than the regular work of the ministry.

4. A pre-requisite for any pastor to receive the benefits of the Fund is the written application of his District Superintendent for the sum needed to bring the salary up to the established minimum, filed with the Secretary of the Commission. With this application the Superintendent shall furnish the information as to whether the Every Member Canvass for the local Church budget has been made, and the salary raised over that paid the previous year by not less than five (5) per cent.

5. No pastor shall receive the benefits of the Fund if the Charge he serves reduces the salary below that paid the previous year, unless this reduction is recognized by the Commission as justifiable, and approved by its unanimous vote.

6. Funds for the work of the Commission shall be secured in accordance with the provisions of Paragraph 826, Discipline 1960, and the apportionment of each pastoral charge shall be a sum equal to four per cent of the salary apportionment for pastoral support.

7. The District Superintendents shall be made responsible for making this program effective in their respective districts, as in all other causes of the Church, and the collection of the amounts from the churches listed in their respective districts, and for the re-arrangement of pastoral charges, when necessary, to provide that the pastoral salary be set at not less than the minimum basis of \$1,800.00.

General Provisions

8. Payment on the apportionment to the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payment to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payment for the fourth quarter of the year, ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

9. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, and all payments to those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission, except such as are held while the Annual Conference is in session, shall be allowed. Traveling expenses shall be computed on the basis of seven cents per mile each way.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid is limited to those who receive the benefits of the Fund, and not more than ten (10) per cent of the gross receipts of any one year shall be made available for such emergency appropriation. All unexpended portions of such available emergency funds shall at the close of the year remain in the general fund, subject to disbursement in accordance with the provisions of this Plan.

BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS**Report No. 1**

The work of the Board of Ministerial Training is two fold; that of assisting candidates who are called of God into the ministry to be acceptable either in the traveling ministry or local ministry; and of taking steps to provide further training of all ministers.

We continue to work closely with our Seminaries, particularly Perkins School of Theology, in ministerial training. Every candidate for the Methodist Ministry is encouraged to seek entrance into a Methodist Seminary, noting that there are standards and qualifications for entrance and encouraging pre-theological students to exert every effort in this high attainment. We take special pleasure in commending Brite College of the Bible in Fort Worth for its openness in admitting candidates who do not find it possible to enroll in a Methodist seminary.

We are appreciative for every effort made in the field of Ministerial Recruitment. Noting the apparent drop in pre-theological students in the colleges and universities of Texas we would urge every pastor to be sensitive to persons in his congregation with whom God may be dealing in this call. College Career days, special counseling periods, the observance of Ministry Sunday, Church Careers

conferences, all are important; but the personal interest of a pastor may prove to be the most fruitful of all.

We note with gratitude the increased effectiveness of the Courses of Study School held at Perkins each summer. Nineteen persons from our conference were enrolled last year and we encourage every Approved Supply Candidate and others seeking to qualify themselves in channels other than through Seminary training to attend the school.

A most pressing need is rapidly becoming apparent in the Scholarship program for seminary students. While we are presently sending a sum of \$5,000 annually to Perkins we note that those who choose to attend other seminaries do not receive scholarship consideration. Perkins has granted the 32 candidates from our conference a total of \$14,750 this year. We will want to be ready for future recommendations on the broadening of financial assistance to ministers-in-training from our conference.

We have participated in the Perkins Outreach Program now for two years, urging pastors in the field to take time for study and discussion at frequent intervals. This has proved to be a most helpful program and will be continued and expanded in the coming year.

The Texas Pastor' School at Southwestern University continues to draw effective talent for pastoral training and inspiration. Every pastor has the opportunity of practical helps and inspiration for preaching, teaching, and counseling. The dates of the school this year are July 8-11; we are to have Bishop Paul Martin as the School Preacher and Dr. J. Edward Dirks of Yale as the lecturer. Southwestern University continues to make available the finest type of accommodations for this school.

BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

Report No. 2

Recruitment for the Ministry.

Your Board of Ministerial Training and Qualifications recommends a special program of ministerial recruitment. This recruitment would be focused on three areas. The first area would be the senior high school level. This would be an internship of from six weeks to two months with qualified, selected (Board of Ministerial Qualifications members) pastors. Also the interns would be carefully selected and screened. These men would probably be submitted by the Board of Ministerial Training.

The college level would be to visit and set up displays on our seminary, college and university campuses. Interviews and counselling sessions will be arranged through the college chaplains. As funds are available, then scholarships will be offered to those interested in changing their major or who have interest in this area of the ministry of full time Christian education.

The third area will touch those persons who are already successful as businessmen and executives. Downtown seminars in hotels and community rooms will be planned with outstanding luncheon speakers who can describe the work of the effective ministry, its responsibilities, challenges and privileges. Again, as funds are directed to this Board, scholarships and "living trusts" will make the transition from business field into the ministry possible.

BOARD OF MISSIONS

Report No. 1

Missionary Education and Cultivation

Each of the four lanes in the "second mile" giving opportunities of Advance Specials, i.e., World Missions, National Missions, Methodist Committee for Overseas Relief (M.C.O.R.), and the Conference Builders' Club have been extended to our churches in keeping with the Great Commission. Our conference has one or more special projects in each of these areas of concern.

In the Division of World Missions our Advance Special emphasis is upon building dormitories at Parker Intermediate College in India, and at Old Umtali in Southern Rhodesia. The special emphasis for the National Division Advance giving has been to build a church at the Emerson Indian Mission in Oklahoma. The building has been completed and now we are privileged to have the Lawton District of the Oklahoma Conference to aid us in building a parsonage for the native Indian who will serve as pastor of the Emerson Mission and the historic Hunting Horse Memorial Methodist Church. Latin American work of the Rio Grande Conference, including Lydia Patterson Institute, and M.C.O.R.'s special emphasis of the Multi-Purpose Food program, "Meals for Millions," deserves our continued and increased support. The fourth lane in "second mile" giving concerns Church Extension through our own Conference Builders' Club.

The churches are commended that have cooperated in the conference-adapted advance opportunity regarding Parker Intermediate College in India, the boys' dormitory at Old Umtali, Southern Rhodesia of the World Division and also the Emerson, Oklahoma, Indian work and the Latin American work in the National Division.

In addition to these emphases named, there are many opportunities and challenges to "widen your world through the Advance." An Advance Guide, prepared and distributed to local churches to provide detailed information of specific missionary needs, continues to provide suggestions for individuals, church school classes, women's groups, men's clubs, and youth organizations, as well as suggestions for district cooperative programs.

Each local church is encouraged to make a true advance in "second mile" giving. Through an informed people this can be realized. The Central Texas Advance Guide for 1961-1964 is commended as the source of information, education, and cultivation for Advance Special giving.

Every local church should be participating in each of the four lanes of "second mile" giving afforded through Advance Specials. Some are and others are moving toward that achievement. A reasonable minimum goal for local Churches is suggested on a salary basis as follows:

Churches paying \$8,000 and above	\$2.00 per capita
Churches paying \$6,000 to 07,999	1.35 per capita
Churches paying \$4,000 to \$5,999	1.00 per capita
Churches paying \$2,700 to \$3,99975 per capita
Minimum Salary churches40c to 50c per capita

Many churches are commended for exceeding this goal. The suggested goal is not intended to deter their generous support.

Projects and their priority in the conference program for 1963-64 are as follows:

Emerson Indian Mission	\$ 6,000.00
Latin American Work	13,300.00
Parker College, India	15,000.00
Old Umtali, Southern Rhodesia	15,000.00
M.C.O.R. (Multi-Purpose Food)	2,000.00

In addition to participating in the above cooperative program, direct missionary salary support and general missionary projects should be continued.

Our conference has been requested to raise, in three years, an amount of \$50,000.00 to be designated for Lydia Patterson Institute, which ministers to the Latin American students, 90% of whom come from south of the border. A dire emergency has come to exist for Lydia Patterson Institute. It is recommended that this necessity be considered the "Lydia Patterson Emergency Building Crusade" with the general suggestion that the goal of \$50,000.00 be distributed to the districts on a decimal basis.

We commend the mission study courses that are available for the several groups of our church. It is with gratitude that we note that many churches enjoyed two mission study courses, "The Arms of Compassion" and "The Chinese in Dispersion." It is suggested that every local church avail themselves for the opportunity to study **The Bible and God's Mission**, and **Our Mission Today**, in the forthcoming conference year.

BOARD OF MISSIONS**Report No. 3****Church Extension Needs**

Whereas the need for flexible funds for Church Extension exists presently in our Conference and may be even more acute the ensuing Conference year, and Whereas Church Extension Funds from the Conference Special have been altered during this year and for the foreseeable future; therefore,

Be it resolved that the Central Texas Conference grant the lifting of the restriction of 90% for Loan Funds and 10% for Donation Funds on the Conference Special Funds now on hand, said funds being \$10,743.30, that they may be used by the Conference Board of Missions in such a way as in its judgment will best promote the Methodist Cause of Church Extension within our Conference.

BOARD OF MISSIONS**Report No. 4****Conference Builder's Club**

One of the great fields for helping build churches and extending or helping hand in time of need is the Builder's Club of the Central Texas Conference. We call upon each member of this Conference to be informed and to lend encouragement for membership in the Builder's Club.

We recommend that the Builder's Club be continued under the provisions as set by the Annual Conference and sponsored through the Board of Missions. Attention is freshly called to the fact that twice each year (in the Fall and in the Spring) members are asked to contribute \$10.00 or more to the Builder's Club. The initial recruitment each conference year is focused on the First Sunday in November.

Report No. 6

Lydia Patterson Emergency Building Campaign

Lydia Patterson Institute of El Paso is the property of the South Central Jurisdiction. For fifty years it has been serving the Latin-American Youth, most of whom come from south of the border, and is the only institution of the Methodist Church preparing young men for the Ministry to Lotin American people.

The Institute has lost its dormitories to an El Paso housing project, and its present buildings hove been condemned by the City. They have been forced into o building program on an emergency basis. The emergency, which must be met now, colls for \$750,000 as a **minimum**, and is the first phase of a \$2,000,000 program.

The Conference Board of Missions has endorsed the recommendations of the Campaign Committee, which are as follows:

1. That the Central Texas Conference accept its quota of \$50,000.00 to be roised in three years, as a part of the \$750,000.00 Emergency Building Crusade.

2. That this money shall be roised under the name of "Lydia Patterson Emergency Building Crusade." It is not to be confused with Advance Specials for Lydio Patterson operoting expenses, or scholarships.

3. That our quoto be distributed to the Districts on the basis of the decimal, and would be as follows:

Brownwood	\$ 3,150.00
Cisco	4,055.00
Cleburne	3,230.00
Corsicana	3,095.00
Fort Worth East	10,270.00
Fort Worth West	10,365.00

Gatesville	3,050.00
Georgetown	3,720.00
Waco	5,860.00
Waxahachie	3,205.00

Since the Jurisdictional organization calls for a district committee with a minimum of three members, one layman, one pastor, and the district superintendent as chairman, we suggest that the redistribution to the churches of the district be done by this committee.

4. Individual churches shall pay at least one third of their quota by May 31, 1964; at least two-thirds by May 31, 1965; and the entire quota by May 31, 1966. This shall not be construed, however, to prevent a church from completing its payments sooner if it desires.

5. Remittances to the Conference Treasurer shall be designated on line 504; "Lydia Patterson Building Fund."

6. That the period of cultivation and education in each church be set between August 1 and September 15, 1963, to be climaxed with a Special Day on September 8th, or as near to as possible. Materials will be furnished.

We trust no church will consider its obligation to the Kingdom fulfilled if it merely transfers support from one other World or National Mission project in order to meet its quota for Lydia Patterson Institute.

We ask the Conference for a suspension of that part of Rule 12 which would require a delay of a year in putting this into operation, that we may join the other conferences of this Jurisdiction in this Crusade for Lydia Patterson Institute.

MOUNT SEQUOYAH TRUSTEES

Bishop Kenneth Pope, chairman of the Board of Trustees of Western Methodist Assembly, Fayetteville, Arkansas, has asked me to officially refer the request

of said Board for funds to be used in the building program of Mt. Sequoyah. The Board is asking each Annual Conference in the South Central Jurisdiction to contribute an amount equal to \$10.00 per charge per year for five years. These funds, along with funds solicited from certain individual friends of Mt. Sequoyah, are felt to be adequate for the construction of the master plan.

This matter was presented, I believe, to the district superintendents of the Jurisdiction last November, and likewise to the Texas Planning Commission in its recent meeting. Each Conference is left free to determine its own allocation of the task of raising these funds.

W. M. GREENWALDT, Trustee,
Western Methodist Assembly

BOARD OF PENSIONS

Report No. 1

Your Board of Pensions is happy to report that we have paid to the Conference Claimants for the year 1962-63 \$48.00 per Service Year.

We recommend the payment of \$52.00 per Service Year for the year 1963-64, provided the Conference Board of Pensions may increase this amount as sufficient funds are available.

May it be pointed out that the above amount is still the lowest rate paid by any Conference in Texas. May it be further pointed out that \$2.00 of the above increase in annuity rate is made possible with the interest received from new money recently placed on deposit with the General Board of Pensions.

We recommend that the same amount (equal to 17% of the pastor's salary) be apportioned for Conference Claimants for the year 1963-64.

Your Board of Pensions goes on record in complying with the action of the Called Session of the Annual Conference of January 24, 1963, in redirecting the funds of the Conference Special. We request the Conference and the Commission on World Service and Finance to allocate the same \$30,000.00 of the Conference Special to the Board of Pensions, beginning with the Annual Conference of 1965, if possible to do so.

MORRIS WALKER, Chairman
NOLAN M. FISHER, Secretary

BOARD OF PENSIONS

Report No. 2

In keeping with paragraph 1624, section 1, of the 1960 Discipline we call attention to the fact that when the apportionment to the pastoral charges for the support of Conference Claimants has been determined, payments made thereon by each pastoral charge shall be exactly proportionate to payments made on the salary or salaries of the minister or ministers serving it.

Attention is also called to paragraph 1624, section 3, which states that the pastor shall adjust his cash salary and payment to the Conference Claimants Fund according to the proper ratio, before he enters the respective amounts in his statistical reports to the Annual Conference. It is the responsibility of the Pastor and the District Superintendent to see that all items of ministerial support are paid proportionately.

Your Conference Board of Pensions is required by the Discipline to report any and all amounts in default in the Conference Claimants Fund to the clearing house of the General Board of Pensions to be recorded upon the service record of the individual minister concerned, and report published in the Journal each year as long as there is any amount in such default. Such default becomes a lien against the minister's future pension.

It is possible for ministers, district superintendents, and churches, working together, to clear such defaults before retirement.

In order that a minister's record of previous years may be corrected this report will carry the name of the minister whose record is in default, the amount, the church and the year, and any credit toward the dissolution of the delinquency, beginning with the record in the 1962 Journal.

Report No. 3

Report of Executive Secretary

This year is the first in which the Conference Board of Pensions has operated as a part of the combined program in which the Conference Secretary-Treasurer has also been the Executive Secretary of the Conference Board of Pensions. The transition seems to have worked satisfactorily for all concerned.

At the beginning of the conference year, the Board changed from the quarterly payment of paying pensions (which had been in effect for many years) to monthly payments. This has increased the expense of the board, but this increase has been more than justified by the satisfaction expressed by those on our pension rolls.

Roll of Conference Claimants

We began the conference year with 90 retired ministers, 82 widows, 5 children of deceased ministers, and 18 special claimants, a total of 195 persons on our pension rolls. This represents a total of 5367½ years (4,794 net years) of approved service in our annual conference rendered by these devoted persons. This is an average pension responsibility of 17½ service years for every pastoral charge in the annual conference.

During the conference year just closed, there were removed from the roll of conference claimants the following by their transfer to the roll in heaven: Rev. W. J. Cloud, Rev. W. L. Connell, Rev. E. M. Daily, Rev. F. O. Garner, Rev. J. W. Sharbutt, Mrs. E. B. Chenoweth, Mrs. Geo. W. Davis, Mrs. W. T. Kinslow, Mrs. Geo. F. Kornegay, Mrs. O. F. Sensabaugh, Mrs. F. E. Singleton, and Mrs. J. F. Tyson.

Mrs. W. J. Cloud, Mrs. W. L. Connell, Mrs. E. M. Daily, Mrs. J. W. Sharbutt, Mrs. F. O. Garner, and Mrs. M. Howard Knox have been added to the roll. Rev. Marvin V. Williams, a retired minister of the Missouri East Conference, was transferred into our conference on Jan. 1, 1963.

The only minister requesting the retired relation at this session of annual conference is Rev. Wm. L. Hankla, on the basis of 40 years of service to the church.

Emergency Aid

Emergency aid has been granted during this conference year as follows: Rev. W. J. Cloud \$50.00, Mrs. W. J. Cloud \$200.00, Rev. A. J. Helms \$100.00, Mrs. Pearl Simmons \$50.00, a total of \$400.00. The General Board of Pensions, from its Farmer Memorial Fund, also made emergency grants to Mrs. W. J. Cloud of \$50.00, and to Mrs. Pearl Simmons of \$50.00. We express appreciation to the General Board for this additional financial aid.

Conference Members in Other Pension Plans

It is presumed that all chaplains in the armed services and institutional service are participating in the pension program available to them. Our conference does not grant credit for annuity claim for this service. Effective this new year, we recommend to the annual conference that no credit for annuity service be granted for any service rendered beyond the boundaries of our annual conference, unless authorization is granted by the annual conference.

According to our records, the following ministers of our annual conference are participating in the retirement plans indicated.

James B. Ansley, Harris Hospital
 Frederick Burr Clifford, Southwestern University
 Paul K. Deats, Jr., Baston University
 J. B. Holt, Southern Methodist University
 B. F. Jackson, Jr., General Board of Education

BOARD OF PENSIONS**Report No. 6****Annuity Claim for Approved Supply Pastors**

Answering the Disciplinary Business Question No. 22, "What approved supply pastors are credited with annuity claim on account of full-time service during the year?" the following report is given.

No annuity claim can be credited to part-time supply pastors (those with any other employment during the year), to student supply pastors, to retired ministers serving as supplies, nor to those serving pastoral appointments for less than one full year.

We recommend that annuity claim be credited to the following full-time approved supply pastors for the annual conference year ending in 1963; J. B. Cole, Darwin Farquhar, James L. Helms, James (Jack) Hopkins, Dan Johnson, Harmon Keelin, G. M. Seipp, Edis Ray Sluder, Tom E. Smith, and A. J. Wormwood.

We further recommend that annuity claim be credited to Darwin Farquhar for full-time approved supply service on the Glen Rose Mission for the conference

year ending in 1941, on the Whitney Circuit for the conference year ending in 1942, and on the Aquilla Circuit for the conference year ending in 1944, a total of three years. We also recommend that annuity claim be credited to Claywood Bennett for full-time approved supply service on the Covington Charge for the two conference years ending in 1960 and 1961.

Report No. 7

Reallocation of Pension Responsibility by Clearinghouse

For some time there has been discussion between Dr. Calkins, of the General Board of Pensions, and representatives of the conference boards of pensions of the Central Texas, Northwest Texas and Oklahoma Conferences concerning the reallocation of certain pension responsibility now being paid by the Northwest Texas Conference which seem to be the responsibility of one of the other conferences. This has come about due to shifting of the annual conferences boundaries from time to time and to some misinterpretations of the records. Corrections in such cases can be made only with the approval of the annual conferences involved.

The General Board of Pensions has agreed to pay the expenses of one representative from each of the three conference boards of pensions to its office in Evanston, Illinois for two days to work out whatever adjustments seem correct, provided that such representatives be granted authority by the annual conference to make effective whatever reallocation may be agreed upon by the representatives of the three annual conferences.

Therefore, your Conference Board of Pensions, believing that such adjustments should be made, recommend to this annual conference that J. D. F. Williams, Conference Secretary-Treasurer and Executive Secretary of our conference Board of Pension, be elected our official representative in such a meeting and that the decisions agreed upon by the representatives of the three annual conferences concerned shall be made effective within our annual conference.

COMMISSION ON PROMOTION AND CULTIVATION

World Service, which enables The Methodist Church to fulfill our Lord's Great Commission, is being paid in full in the Central Texas Conference. Many churches are going the second mile in supporting one or more **Advance Specials**. We commend local pastors, churches and each District Superintendent for the promotion of these vital causes. Parker Intermediate College, Maradabad, India; Emerson Oklahoma Indian Mission; Latin American Work, Rio Grande Conference; Boy's Dormitory, Old Umtali, Southern Rhodesia are advance specials for which we ask special consideration in each church. The forthcoming campaign for Lydia Patterson Institute deserves our complete commitment.

The **Conference Builders Club** still affords one of the very best opportunities for individual Methodists to assist in Kingdom extension. The **One Great Hour of Sharing, Fellowship of Suffering and Service** (World-wide Communion offering),

the **Methodist T-V and Radio Ministry** are arms of service which each local church must whole-heartedly support.

To assist the pastor and local church in promotion and cultivation for missionary and benevolence giving we recommend wide circulation of **The Texas Methodist, Methodist Story, World Outlook** and **Together** magazines. The film "See All the People" is available for free use by all local churches. Send requests to Moggart B. Howell, 1310 Collard, Fort Worth, Texas.

Each pastor will again receive the wall calendar for 1963-64 from the Evanston office of the Commission on Promotion and Cultivation.

We invite you to see our conference display in Wesley Hall.

We request \$400 from the Conference for the work of this Commission.

Under the leadership of Bishop Wm. C. Martin and his cabinet, our pastors and local churches are doing an increasingly effective work in the area of World Service and benevolent giving, for which we are grateful.

COMMITTEE ON PROPORTIONAL PAYMENTS

The committee on Proportional Payments would like to encourage the pastors and laymen of the local churches to study the principles of proportional payments.

We feel that a few pastors and churches are not aware that a lien for the unpaid amount is placed against the pastor's pension at the time of his retirement.

The General Conference has made it clear that the bishops, district superintendents, retired ministers, and pastors shall share proportionally in the payment by the local church of the claim for ministerial support.

No one item should take precedence over another. Each asking should be paid in full. However, when this is impossible because of lack of funds, the amount for ministerial support shall be paid according to the principle of proportional payment.

Should the treasurer of the local church fail to observe this principle, it is the responsibility of the pastor to adjust his cash salary accordingly to the proper ratio. (1624. 3 Methodist Discipline, 1960)

The following churches reveal deficits in proportional payments for the ministerial support for the Conference year, 1962-63:

District	Church	Minimum Salary	Bishop's Fund	Dist. Supt. Fund	Conference Claimants
Fort Worth (East)	Colleyville	\$ 84.00	\$ 41.00	\$157.00	\$141.00
	Georgetown	4.00	3.00	10.00	18.00
(Paid in full 6/21/63)					
Waco	Hillcrest	40.00	20.00	100.00	175.00
	St. Lukes	115.00	58.00	289.00	487.00
	Woodwoy	43.00	22.00	109.00	114.00

JOINT BOARD OF PUBLICATION AND METHODIST INFORMATION

After several years of study we believe a plan is now ready which will enable the Texas Methodist to begin operating on a more solvent and serviceable basis. The paper will change to offset July 15th and begin annual conference editions.

1. We recommend that our annual conference join the conferences of Texas in publishing a weekly Central Texas Conference edition of the Texas Methodist. The Texas Methodist will collect the news through the districts. Local Church editions will continue to be available through All Church Press. The Texas Methodist will be in position to arrange for other local church editions in the future.

2. We ask that the conference subsidy of The Texas Methodist and Methodist Information be the same as last year: \$3,517.00.

3. The Central Texas Annual Conference is asked to guarantee 5000 subscriptions to the Texas Methodist, exclusive of All Church Press local church editions. This is the same number requested of the North Texas, Northwest Texas and Southwest Texas Conferences while the Texas Conference is asked to guarantee 10,000 subscriptions. The annual cost of the paper will be \$1.50 per subscription for first 5,000 subscriptions.

4. In keeping with the suggestion of Bishop Martin we recommend that an intensive subscription campaign be conducted in each local church from now until July 15th in an effort to get each local church to send The Texas Methodist to at least every official. The general leadership for this campaign will be given by Bishop Martin and his cabinet but, of course, its success will be dependent upon the local pastor and his people. We now have 2862 subscriptions of the 5000 needed. These came from 53 churches. If each of us will do his part, this goal can be reached. With the increased quality of the paper due to offset printing and with the greatly increased local and conference flavor provided by the weekly Central Texas Conference page, the paper will have much greater appeal to the local church and conference agencies. Bishop Martin plans in the very near future to mail sample copies of the new offset Conference edition with a letter to local church leaders asking them to provide an amount in their budget to send the paper to at least every official in the local church. The local church may remit money for its subscriptions to the Conference Treasurer on the regular remittance forms but all lists of subscribers and all details connected with subscriptions must be sent to The Texas Methodist, 1910 Main, Dallas, Texas.

Practically all of us see the value of a state-wide paper and your Board of Publication urges you to enthusiastically join in the support of this new plan which we sincerely believe will be the beginning of real success in giving us a state-wide paper with not only a new look but with new life and financial solvency and, what is more important, increased service to the local churches and districts in promoting the program of Methodism and the Kingdom of God.

COMMITTEE ON RESOLUTIONS

In the closing moments of this ninety-eighth session of the Central Texas Conference, we are called again to reaffirm our faith and dedication to the theme which has been upon our lips and within our hearts throughout this quadrennium. The resounding theme of the Christian heritage—Jesus Christ is Lord—has once again stirred us to self examination and genuine re-evaluation of our basic motivations and methods in the labors of the churches. We acknowledge the Lordship of Christ over all things, yet we confess that the revelation of this Lordship is often stifled through our own lethargy and that a renewal of the church for witness and service will come only in our abedience and our devotion to the one who declared, "I am the Resurrection and the Life." To Him and to the heritage of His love in which we stand, we commit ourselves anew, and recall the high moments of this conference which have served to judge our indifference, to reclaim our broken spirits, and to inspire us to new vigor and dedication to the cause of Christ. To each of those who have served to bring to pass, in these days of learning, fellowship, worship, and preparation, a new Aldersgate experience within us, we extend our hearty gratitude and our utmost appreciation.

BE IT THEREFORE RESOLVED that every person who has been a part of this great conference, and who has felt the touch of spiritual renewal which offers the strength equal to the task of proclaiming the Gospel in the midst of a secular, fearful culture, join in a resounding vote of gratitude to those who have been the channels of this renewal to us:

To our Bishop, William C., Martin, who, as always, led every conference session so ably, and who inspired ministers and laymen alike to the labors of each day by the early morning devotional messages;

To Mrs. William C. Martin, our lovely and gracious first lady, who honored us with her charm and presence;

To the District Superintendents and their wives, who invest themselves so wholeheartedly in the labors of the conference and interest themselves so deeply with the concerns of every church and pastor;

To the First Methodist church, its ministry and staff, the Woman's Society of Christian Service, and all of the local volunteers who have made us feel welcome and tended to our every need during this annual conference;

To Rev. James Ansley and the Morris Hospital for the breakfast and tour of the new facilities for the ministers and their wives;

To our conference preacher, Dr. Melvin S. Wheatley, who has broken to us the Bread of Life, and has reminded us of our authentic relationship to God as he has spoken with deep insight and profound perception into the verities of our faith;

To all who have brought to us the ministry of music: The Rev. Homer Kluck, who has led us in the great hymns of faith in a meaningful soul-stirring way; Mr. Robert R. Clark, who has again served so well at the organ, and to Mrs. Louise Doyle, his assistant organist who has been faithful to be present as we worshiped; the choirs of the Matthews Memorial, Aldersgate, and First Methodist Churches for their beautiful presentations of the evening anthems;

To Dr. Hubert C. Smith who delivered the memorial message in respect and honor of our loved ones in Christ who have entered into perfect peace and glory in the City of God, and to Rev. Homer Kluck and Mrs. Conrad Himmel and Rev. and Mrs. Louise Reed for their special musical presentation at the memorial service;

To Rev. Gordon Dennis, who delivered the address of recognition to those who have served long and well and now enter into a new conference relationship in the retired status;

To those who have carried on the work of the Conference Boards, Commissions, Committees, Tellers, Statistical Staff and Conference officers, who under the guidance of our secretary, Dr. J. D. F. Williams, have recorded permanently the accomplishments and the reflections of this conference year;

To the Fort Worth Star-Telegram, The Fort Worth Press, and the Rev. William Honklo for able and broad news coverage of our conference activities;

To Radio Station WBAP 820 for their generous contribution of broadcasting the appointments to the general public.

For every contribution to the adequacy and success of this conference each of its members deserves the highest and warmest praise, but let us not forget the source of all our inspiration, even God our Father through whose Holy Spirit we find new life, new purpose, new courage, new insight and new zeal. To Him always we register our humblest thanksgiving, and invoke His providential care upon us as we depart to our varied tasks. To this end we lift our hearts in prayer, and to the cause of Christ in the world, we humbly and obediently devote ourselves anew.

The Board of Hospitals and Homes of this Conference wishes to present the following resolution:

"Whereas our Conference has an established policy of limiting tenure on Conference Boards to eight years, and whereas most of our local Churches limit tenure on Official Boards, and whereas the General Boards seek to limit tenure on such Boards to twelve years, we therefore ask the Central Texas Conference to vote a limit of twelve years to Trustees of Institutions related to the Board of Hospitals and Homes."

Report No. 1

We have functioned the past year under the Conference Plan adopted in 1955, amended in 1957, and printed below as Report No. 3.

We have not received any requests for aid during the past year; therefore, we have spent no money for Sustentation purposes.

We recommend that the Committee on Sustentation be continued under the same instructions as it has in the past.

COMMITTEE ON SUSTENTATION

Report No. 3

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of a Committee on Sustentation, to be composed of six persons to be nominated by the Bishop and his Cabinet and elected by the Annual Conference. The members of the committee shall be selected for their fitness for service on this commission and may be members of other Annual Conference Boards and Commissions. Three members of this committee shall be ministers and three shall be laymen. These shall serve during the quadrennium.

This committee will have charge of and promote all the interests of the Committee on Sustentation and shall be the determining factor in the final approval of any candidate for participation in this program. Vacancies caused by death or removal from the Annual Conference in the membership of the com-

mittee shall be filled by nomination of the Bishop and his Cabinet and elected by the Conference. However, the Committee is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointments are to apply only until the session of the Annual Conference following, and then the vacancy will be filled by the regular manner. The committee shall meet and organize by electing a Chairman, Vice-Chairman, and Secretary-Treasurer. These officers shall constitute the Executive Committee and shall serve for the Quadrennium.

2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.

3. We recommend further that the following shall be eligible for participation:

(1) All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.

(2) An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.

(3) Any minister, meeting the above requirements, who is relieved of his pastoral duties and is granted a leave of absence from his charge by the Bishop and Cabinet during any Conference year for physical or psychological reasons shall be eligible for sustentation for that portion of the year that remains until the next meeting of Annual Conference.

4. We recommend the following procedure:

(1) The applicant shall make his desire known, in writing, to the Committee on Sustentation.

(2) The applicant must submit to a complete examination at the Clinic of The Horris Hospital in Fort Worth, Texas, and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the certificate of disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"

(3) In extreme emergencies, the Committee on Sustentation will consider the diagnosis and recommendation of a duly qualified physician, but not the claimant's personal physician.

(4) When the applicant is approved by the Committee on Sustentation, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With this approval of the Committee on Conference Relations, and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.

(5) We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.

(6) All payments shall be made to the claimant quarterly at the first of each quarter of the Conference Year.

5. We recommend the following financial plan:

(1) The Committee on Sustentation shall be given authority to draw upon the Contingency Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.

(2) After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the World Service and Finance Commission for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if this plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

TELEVISION, RADIO AND FILM COMMISSION

Report No. 1

We feel that for our Conference TRAFCO to become seriously involved in modern mass communication as a method for spreading the gospel is an idea whose time is come. This has so many facets that we mention here only a few.

The Children's Series of T.V. films, entitled Breakthru, is proving very effective throughout our conference. Every local church is urged to support the T.V. Ministry Fund equal to \$.10 per member. This is urgently needed for another series, Breakthru II.

On March 13, we held a T.V. Radio Seminar at First Methodist Church, Fort Worth. Dr. Bob Main of Oklahoma was the leader.

Our goals for 1963-64 include: an effort to place the Protestant Hour on more radio stations in our conference, to add to our ConTRAFCO membership capable people from the industry of radio and T.V., to hold at least one training enterprise and to obtain five people from representative conference agencies to attend the Jurisdictional Audio-Visual Seminar at Mt. Sequoyah.

We request an appropriation of \$500.00 for the conference year 1964-65, to care for the following budget: Mailings \$100.00, ConTRAFCO meetings \$100.00, Training Seminar \$200.00, and Scholarships to A-V Workshops \$100.00.

COMMISSION ON TOWN AND COUNTRY WORK

Report No. 1

Activities, Commendations, and Recommendations

Part One—Activities.

The Methodist Church in the Central Texas Conference is not deserting or abandoning the multitudes of people who are in the rural areas of town and country. We recognize that we are faced with many critical factors which create enormous obstacles and tremendous possibilities and opportunities. The Commission is continuously at work all across the Conference, sharing with local groups—not dictating to them, but helping them to achieve the ends toward which we are all working, that men may know Jesus Christ as Lord, and that they may grow in the nurture and service of that life through a strong and effective local church.

We are witnessing the fact that Methodism has a concern for the Church in town and country. For instance, what are some of the changes which give ground for a brighter future for Methodism in the town and country areas of our Conference?

—In some places, Methodism representing an entire county, or part of a County, have gotten together to study their needs and how they can be met.

—More than 70% of the town and country churches have reported significant gains in many phases of the work of the church as a result of the Local Church Improvement Program using the Attainment Standard booklets.

—The morale of town and country pastors is rising as salaries are becoming more adequate and area of service enlarged.

—There are significant experiments in various types of new ministries such as the Extended Ministry and the Group Ministry.

—More and more churches are adapting the Lord's Acre-Hour Plan as a supplement to help them have some things that otherwise they couldn't have.

—Old church buildings are being re-modeled, or re-built, to meet the needs of the future.

The above is just a summary of the results that have come from concentrated activities and is causing us to feel that gradually we are beginning to solve some of the problems in the rural areas. Even though the small church in town and country is limited in equipment, in leadership, and in the attitude of the people, yet we have witnessed in many places that a few people with vision, tact, and enthusiasm can make the small church big in purpose, spirit and achievement.

Though we have placed special emphasis upon the improvement of the small church, it should be pointed out that we deal with all churches in towns of less than 10,000 population and we are seeking to strengthen the ministry for Christ in all of them.

Part Two—Commendations

The Commission commends the following for their help in making our churches stronger this Conference Year. To these we say "THANKS:"

1. To Bishop Martin and District Superintendents for their continued guidance in everything we have attempted to do;
2. The Woman's Society of Christian Service for their continued support in the rural areas and for providing funds for two Church and Community workers;
3. To Mrs. Nan H. Wright and Mrs. Fae Tandy for their constant help and guidance in two Group Ministries;
4. To the 81 Churches who have reported more than \$180,000 in Lord's Acre-Hour proceeds this year and to the 103 Churches already organized to carry out o Lord's Acre Program in 1963;
5. To the town churches (30 of them) who are extending their ministry to 33 near-by small churches allowing them to have a more effective ministry. (This has been o tremendous help in allowing more charges to become self-supporting and allowing the Minimum Salary Commission to raise the salary of the rural ministers.);
6. To the 20 Churches working together in Group Ministry efforts to strengthen the ministry of Christ to more than 2000 Methodist members;
7. To the Pastors and Laymen of the small churches for vision to attempt some new things in bringing their churches up-to-date in their overall ministry. This has come about largely through the Renewal for Witness Emphasis;
8. To the Perkins School of Theology, A & M College, and Southwestern University for their continuous help in providing schools and workshops on the Town and Country Church;
9. To the District Secretaries of Town and Country Work and the Commission members for their help in promoting our work in each district of the Conference;
10. To Reverend John Wesley Ford, the Cabinet Representative on the Commission, for his wise counsel in all we have undertaken.

Part Three—Recommendations.

The Commission recommends the following emphasis in program to be promoted this coming year:

1. The continuation of the Local Church Improvement Program using the Attainment Standard Booklets and the Renewal for Witness Emphasis. Again we shall seek to enroll at the beginning of the Conference Year as many churches as possible in a program of self-study and achievement of goals;

2. The development of a more effective program for the small church, stressing the importance of the lay ministry, and the emphasis of the Board of Lay Activities;

3. The instituting of a more effective approach for In-service Training for the new student ministers. This would include helps in all phases of the work of the Church, especially in the areas of evangelism and education;

4. The further development of a Cooperative Program in the Group Ministry and Extended Ministry;

5. The instituting of CEP—Creative Experimental Projects. These would include such things as:

o. The forming of ministers serving in close geographical areas into Fellowship Groups (Ministerial Association) where needs and problems can be studied and plans made for more effective work;

b. Joint rural church Youth Activities and Vocation Church Schools, evangelistic crusades, and leadership training;

6. A more intensive program of Stewardship in all town and country churches using new methods and creative ways of Stewardship Education. (This will include Stewardship Education Turnover Charts, prepared through the help of this Commission, and designed for each local church with pictures of its ministry.);

7. The continuation of emphasis on the Lord's Acre-Hour Program as a means of providing extra income for the churches;

8. The Commission recommends a goal of Every Member Visitation as outlined by the Board of Lay Activities;

9. The continuation of promoting schools, workshops, and seminars on District and Conference levels;

10. Again we ask all churches, city, town and country, to observe Rural Life Sunday, May 19, 1963.

CONFERENCE BOARD OF TRUSTEES

Following the action of the 1962 session of the Central Texas Conference, the Board of Trustees has received title to the following properties declared abandoned by said action:

Beattie Methodist Church of DeLeon Circuit.

Matthew Memorial Methodist Church of Hillsboro, Texas.

Title to the above mentioned property in Hillsboro has been transferred in accordance to the recommendation of the Waxahachie District Board of Missions, which action was ordered by the 1962 session of the Conference. Proceeds from the sale will be available to the said Board of Missions.

Relative to the Beattie property, it may be noted here that the building has been moved to become a part of the church plant at the Gustine Charge in the Brownwood District. This action having been made by the Brownwood District Board of Trustees upon the authority given said board by the 1962 session of the Conference.

Insofar as can be determined no listing of properties held by the Board of Trustees of the Conference has ever been made. It is proposed therefore that in conjunction with the Conference Secretary and the cooperation of the District Superintendents that this be undertaken, to be completed as soon as an exhaustive searching of the records can be completed.

W. M. GREENWALDT, Chairman

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

"We may be living in one of the few really creative moments in the history of the Christian Church. Structures of the past are being shattered. We have the freedom to build. New patterns of Christian obedience develop on the frontier where God calls us to meet Him and Serve Him. **Given To Us Is the Now . . .**"

On this statement, Mrs. J. Fount Tillman, President of the Woman's Division, closed the Assembly of Methodist Women, Atlantic City, New Jersey, May 15-18, 1962. Since the broadening experience of those days, Methodist women are stirred anew to take seriously their call to commitment and witness; stirred anew to take seriously and conscientiously a program for lay women which provides opportunity for personal growth—spiritually, mentally, and socially; for the fulfillment of group potentialities and for service requiring the obedience of discipline and sacrifice. "Given to us is the now."

To make the most of the now, we need to look with great discernment on the few months just past. We would turn first, then, to our membership, for we are seeking to encourage Christ centered living among all the women of the church. We show a decrease in membership which concerns us very much. The many and varied changes in family patterns of living, the status of women and the mobility of families are not conducive to regular attendance nor deep seated interest in our organization and meetings. The Wesleyan Service Guild reports a gain in membership for which we are grateful. A depth study suggested by the Woman's Division a year ago revealed that one-third of our Methodist women are employed; that we have more members over 70 years of age than under 25; that the greatest group range in ages between 35 and 55.

The "follow through" for 1962-63 suggested a rescheduling of meeting hours, and has completely revised the Program Book. We continuously seek new techniques to train leadership, involve membership, and encourage the use of individual talents. For a second year Leadership Training and Development was directed by the Woman's Division in our Conference School of Missions and Christian Service. The emphasis placed on programs and recruitment was well received.

This past summer 23 women attended the Jurisdiction School of Missions; 1828 attended District Education Seminars and approximately 8,163 have been

enrolled in study classes. This represents only 6 months. This effort provides education on world-wide conditions, gives spiritual guidance, acquaints women with the needs of their fellowman and helps change attitudes regarding Christian service. Most of the districts report from 25 to 50% of the women attending Schools of Missions and Seminars are doing so for the first time.

Perhaps the greatest need in this area at the moment is the realization that missionary education must begin with our children and continue on through the youth and student groups. For the past several years we have sponsored a Youth Mission Tour. While the one last summer was small in numbers it was excellent in quality. Central Texas was among 12 conferences of the jurisdiction to send a student delegate to the Assembly. In addition we cooperate with all youth and student movements such as Christian Vocations Week-ends, Camping Programs and others, on conference and district levels in an effort to enlist the concern of young people for the needs of their fellowman. We are aware that all this effort is not sufficient, so Secretaries of Missionary Service and Personnel keep the need for workers before our women. We are cooperating in the 75th anniversary observance of the Deaconess Movement in this country and hope to help meet the goal of 75 new deaconesses.

If we are to continue to extend God's mission in the world we must not only double and redouble our recruitment program efforts, but we must also increase our giving. \$119,164.10 was sent in on appropriations in 1962-63. This represents a percapita giving of \$8.77 while the national percapita stands at \$6.51. Each district accepted an increase in pledge for the current year. This represents an increase in pledge of \$6,714.10. \$20,816.00 was added as second mile giving through Supply Work channels, Week of Prayer and other interests. Grand total sent to Woman's Division was \$139,980.92, we are humbly grateful for this and give God this praise.

Concrete evidence of spiritual growth cannot be measured but missionaries and others allude to a reserve of strength accountable through no other medium. An increase in number of prayer groups is noted. Spiritual Life Retreats and/or Times Apart have been held by the Woman's Societies and Guild at both the conference and district levels. Herein lies a potential resource which must be encouraged, for if the inner commitment is real and deep, it will surely seek outward expression.

The Christian Social Relations committee is cooperating with the Board of Christian Social Concerns in every area of work and emphasis for the quadrennium. The United Nations Workshop on World Understanding held in Fort Worth, Nov. 19-20, 1962 is an example of cooperative effort.

Experiences and study of the past few months have led Methodist women to realize anew that each of us is (so to speak) the church of God in the world, that in today walks tomorrow, and that this expresses the urgency confronting us as we work on and pray for today's grave issues and needs and face the challenge of the days ahead. Indeed, "Given to us is the Now . . ."

COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 1

1. No Board, Commission or Committee of the Central Texas Conference shall expend any money for any purpose that has not been authorized in the original budget request as shown in an itemized report to the Annual Conference.
2. As a part of the operational procedure, the Conference Treasurer shall transfer into Operating Reserve on June 15th all unexpended balances of the annual appropriation of the preceeding annual Conference year (excepting those items specifically exempted by the Commission on World Service and Finance) of all the conference boards, commissions, and committees, after making due allowance for all outstanding checks. This procedure is recommended with the

understanding that the Conference Treasurer, within the limits of the annual appropriation, will honor all necessary monthly expense.

3. We recommend that the Conference Treasurer be authorized to purchase from the funds of the Conference in its general and/or subsidiary accounts U. S. Treasury Bills, and to borrow on, or dispose of, these investments at or prior to maturity at his discretion. Proceeds from these investments shall be deposited to the accounts of the Conference at the direction of the Conference Treasurer.

4. We recommend that the apportionment of 10% of the salaries of ministers, associates and supply pastors serving churches in the Central Texas Conference be assessed for the support of the District Superintendency. This amount shall be divided equally between the ten (10) districts of the Conference and shall cover all costs of the office including salary, operational expenses, office expenses and District Parsonage housing allowance, to the extent expended for utilities. No other amount shall be levied against the churches of the District for the District Superintendent's office and expense except for the provision and maintenance of the District Parsonage.

5. In keeping with the previous action of the annual conference, the apportionments for ministerial support to the local churches shall be on this basis: District Superintendents' Fund 10%, Episcopal Fund 2%, Conference Claimants' Fund 17%, and Minimum Salary Fund 4%. After making these individual apportionments to each local church, the district superintendents are instructed to give a total of these four items and designate this total as "Connectional Ministry." The local treasurers will remit any and all remittances on this combined "Connectional Ministry" apportionment. The Conference Treasurer at the proper intervals will divide the total of these Connectional Ministry remittances in the proper proportion and distribute accordingly.

COMMISSION ON WORSHIP

All of the activities of the church, all of the programs and promotions about which we speak culminate as the Christian worships God individually or corporately. This worship experience takes on "beauty, dignity, and meaning" when it is assisted by the use of proper forms and other aids. We, therefore, make the following recommendations to the Annual Conference:

- 1) That each district have some form of training for pastors and local church Commissions on Worship to acquaint them with proper orders and forms of worship.
- 2) That each local church organize a Commission on Worship and that this commission be encouraged to constantly work with the pastor in improving the forms of worship in the local church.
- 3) That all available Methodist resources be used, such as The Methodist Hymnal, the Book of Worship, and the Manual for the Commission on Worship. We are looking forward to the publication of the new Hymnal and the new Book of Worship and we recommend that these be made available to the Methodist people as soon as possible after they are published.
- 4) That each pastor, district superintendent, and Commission on Worship take advantage of existing resources and conferences such as the Department of Church Architecture of the Board of Education, the National Fellowship of Methodist Musicians, and the conferences on Church Architecture sponsored by Area and State Councils of Churches.

WILLIAM JEREMIAH CLOUD

William Jeremiah Cloud was born in Montgomery, Alabama, February 22, 1894, son of John and Lucy Haden Cloud. Later moving to Texas, on April 27, 1917, he was married to Miss Lola Hitt, Blooming Grove, Texas. He felt an early call to the ministry and at the age of 18 received his license to preach. Prior to entering full time into the itinerant ministry, he followed the occupation of farming. He attended Weatherford College in further preparation for his future work and studied the Conference Course at S. M. U.

W. J., as he was affectionately known, entered the active ministry at the age of 20, enlisting in the Central Texas Conference in the Corsicana District, then under the leadership of the

late Dr. A. D. Porter. From that time he and his family enjoyed a number of very happy and useful pastorates in this order: Bazette Charge, Mexia Charge, Coleman, Millsap, Palo Pinto, Bunyan, Indian Creek and a few other churches. Due to ill health, he was forced to retire early in the year 1945. With his wife, Lola, and son, Dickie, they lived for eight years at Fort Worth, six years at Eastland, and then for the final two years of his life at Dublin.

Brother Cloud passed to his reward on October 26, 1962, and was buried from his last pastorate and church, Bunyan, with Dr. Philip Walker and Rev. A. W. Franklin conducting the service. Burial was in the Lower Green's Creek Cemetery near Dublin. He is survived by his wife and one son. Mrs. Cloud still resides at Dublin.

Taking away from the sting of death is the fact of the very earnest and useful life which W. J. Cloud wrought for himself. He was a thoughtful preacher, sincere in every work, deliberate both in preparation and in careful delivery. He studied the Bible and preached it; he was evangelistic, yearning to see another soul awakened. His success was marked, well known to all. He was a faithful pastor, loved by his people, in the same way he loved them. Friends became attached to him, but never failing to see in him the touch of the Master's hand. He leaves a goodly heritage; he wrought well, faithful and true to the close. Even his days of failing health found a spirit bright and hopeful. He felt secure in the faith, and comforted in the assurance that underneath were the Everlasting Arms.

His spirit lingers to encourage and give strength to all who shared in his love and his labors. There are many scriptures to comfort in the final hours; many passages and poems to turn the thoughts of victory and peace. Among them, I feel the livingness of the kind of life W. J. Cloud produced, something as these lines indicate:

"There is no death! The stars go down
 To rise upon some other shore,
 And bright in heaven's jeweled crown
 They shine forevermore.

"There is no death! The forest leaves
 Convert to life the viewless air;
 The rocks disorganize to feed
 The hungry moss they bear.

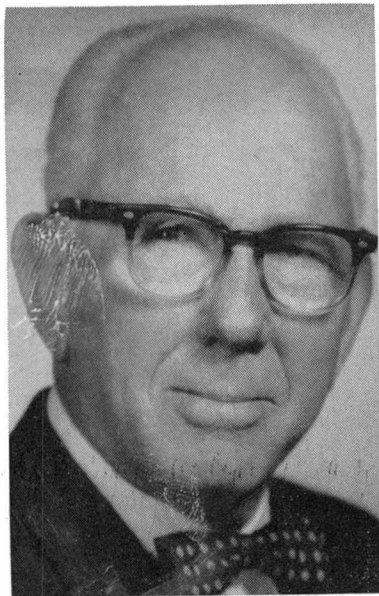

"There is no death! The dust we tread
 Shall change, beneath the summer showers
 To golden grain, or mellowed fruit,
 Or rainbow-tinted flowers.

"They are not dead! They have but passed
 Beyond the mists that blind us here
 Into the new and larger life
 Of that serener sphere.

"And ever near us, though unseen,
 The dear, immortal spirits tread—
 For all the boundless universe
 Is Life—there are no dead!"

PHILIP W. WALKER

WILLIAM LEE CONNELL

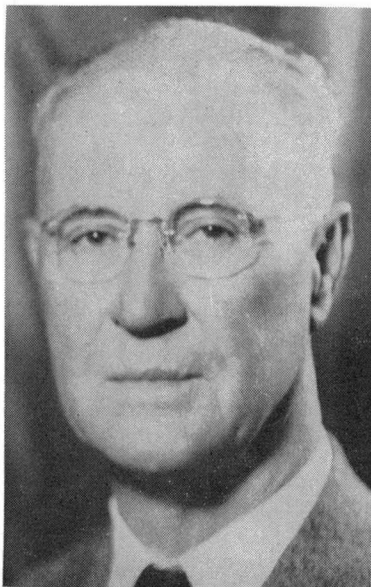

William Lee Connell, son of George P. and Annie Brooks Connell, was born at Starksville, Mississippi April 29, 1887. As a boy he moved with his family to Texas settling near Greenville. It was here that he was converted and joined the Methodist Church at the age of 15. Studies in preparation for the ministry included courses in Nazarene College near Greenville, Southwestern University at Georgetown and Southern Methodist University at Dallas. He spent some years of his life as a farmer before entering upon the active work of the ministry. He was licensed to preach at Celeste in the North Texas Conference April 29, 1911 and March 10, 1912 was married to Miss Mary Stella Warren. He was admitted on trial into the Central Texas Conference in 1914, ordained deacon and admitted into full connection in 1917 and ordained elder in 1921. His first appointment was to Gouldbusk, Texas and the second to China Springs. He served a total of 27 churches during his ministry including Alvarado, Forrester, Blum, and Rogers. Even after he

retired in 1952 he continued to serve pastoral charges in the Cisco district while he lived in the superannuate home in Cisco.

Death came fairly quickly May 3, 1963 following a stroke while he was visiting in the home of a daughter in Fort Worth. Funeral services were conducted May 6 in the Ray Crowder Funeral Chapel in Fort Worth by this writer and Dr. Leighton K. Ferrell. The body of Brother Connell was laid to rest in Fort Worth's Laurel Land Cemetery while the sorrowing family and host of friends near and far commended his spirit to the keeping of the Heavenly Father. A long ministry that touched and blessed the lives of many thousands was thus transferred from earthly labors to the immortal joys of the Heavenly Home.

Those who survive him in the immediate family, his widow, Mrs. Mary Stella Connell, a son, William Lee, Jr., two daughters, Mrs. E. H. Heitman and Mrs. Olin McClister, three brothers, Oscar, Audie and Belton Connell, three sisters, Mrs. Clyde Wilson, Mrs. Christine Joy and Mrs. Viola Harrison, can all smile through their tears and rejoice in the knowledge that their departed loved one "is more than a memory, he is a living presence."

LESLIE W. SEYMOUR

ENOCH M. DAILY

Enoch Marvin Daily, was born May 25, 1880 in Blunt County, Alabama to Neeley E. and Rebecca C. (Ellis) Daily. On October 27, 1909 he and Ethel C. Bagby were united in holy wedlock and through these many years they walked together as one.

At the age of six years he was converted and became a member of the Methodist Church in the community where his family resided, either walking or riding the farm wagon to attend services. His family moved to Texas, settling in Hill County at the age of fourteen. He attended Culbertson Private School in Hillsboro, Texas, Texas State Teacher's College of Denton, Texas, Southwestern University and Southern Methodist University.

Before entering the ministry he taught school in Hill County and in 1909 was licensed to preach at the Old Bell Springs Methodist Church. After serving one year as pastor he personally requested to be relieved from trial in order to resume his education. He was readmitted in 1920 and on November 22, 1925 was admitted into Full Connection, at Waxahachie, Texas. All of his numerous appointments were served in the Central Texas Conference only.

Brother Daily had a wide-spread ministry. His first appointment was to the Itasca Circuit, and his last appointment before retirement was to the Eddy Church. In the intervening twenty-seven years he served Britton, Eules, China Springs, Oenaville, Palo Pinto, Comanche, Gustine-Lamkin, Weatherford Circuit, Desdemona, Tolar, Valera-Voss, Crawford, Cranfill Gap, Chatfield, Troy-Pendleton, Granger, Hutto. After his retirement, his health improved and for five years

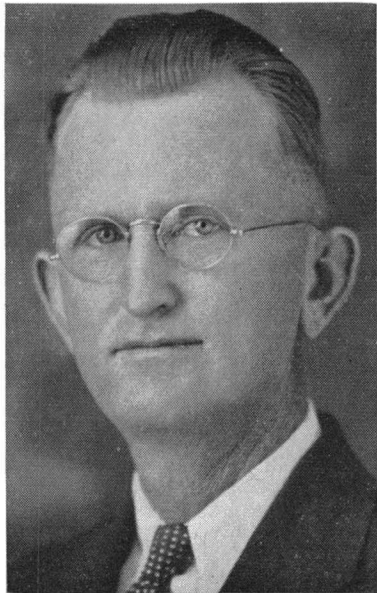

he was supply pastor to the Kirvin-Streetman Charge. Few men in the conference have ever served in every district of the conference, but this was the privilege of Brother Daily.

Due to failing health he retired from full time service in June, 1949 but continued serving as a supply pastor for seven years. Bro. and Mrs. Daily moved to Mexia, Texas and became actively related to the First Methodist Church. Because of his modest and kindly spirit he endeared himself to the membership of his church. God was his first thought. While visiting his eldest daughter in Waco, Texas, June 25, 1962, he suffered a fatal heart attack and God quickly, but very gently, took him to his heavenly home. Only a few days before his parting from his family and friends he quoted these words of the Apostle Paul, "I have fought the good fight, I have finished the race, I have kept the faith. Henceforth there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will award me on that day, and not only to me but to all who have loved his appearing." (II Tim. 4:6-8.) His beautiful prayers were an outstanding quality of his life.

Funeral services were conducted on June 28, 1962 at the First Methodist Church of Mexia, Texas and interment was at Waco Memorial Park, Waco, Texas. Officiating in the service were Dr. Erwin F. Bohmfalk, Reverends John W. Ford, H. F. Meier, Jr., and Hubert Crain.

He is survived by his wife Mrs. Ethel C. Daily, three daughters, Mrs. Clyde W. Gwin, Sr. of Waco, Texas, Miss Rebecca C. Daily of Hillsboro, Texas, and Mrs. Dan H. Hollingsworth, Sr., of Waco, Texas, four grand children and three great-grandchildren.

FONTAIN OLIVER GARNER

"A man of strong convictions and gentle persuasions, always motivated by a deep reverence for God and a sincere love for people" is an apt description of Rev. Fountain Oliver Garner who received his final appointment "to the Father's House" on November 24, 1962, in Cleburne, following a brief severe illness.

F. O. Garner was born September 27, 1897 in Franklin County, Texas, the son of Dave and Minnie Stinson Garner. He was converted at an early age and united with the Pleasant Hill Methodist Church in Franklin County. On March 21, 1923 he was married to Miss Mamie Pogue at Mt. Pleasant, Texas. This faithful companion became a vital part of his 38 years in the ministry of the Methodist Church. Mrs. Garner survives, with the four children: Mrs. Ed Sooter, whose husband is pastor of the Methodist Church at St. Jo, Texas; Mrs. Martin Blair and Mrs. Marvin Leach, both of Springfield, Missouri; and David, who resides in Cleburne with Mrs. Garner.

Brother Garner attended Wesley College at Clarendon College. For a few

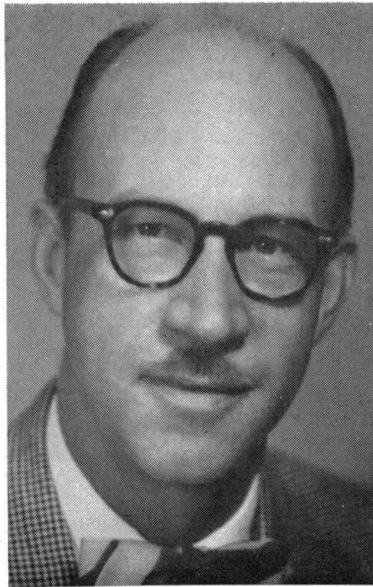

years he worked as a mechanic, until he answered the call of the Christian Ministry. He was licensed to preach on June 8, 1921 by the Clarendon District in the Northwest Texas Conference; being ordained a Deacon and received into Full Connection in November of 1928 and ordained an Elder on November 16, 1930. Among pastorates in the Northwest Texas Conference were: Petersburg, Avoca, Woodson and Tuscola. After one year in the New Mexico Conference he transferred into the Central Texas Conference in November of 1942 serving at Caddo, Diamond Hill, Whitney and Dawson. While at Dawson, in 1952 illness struck, forcing retirement from the active ministry. However, partial recovery permitted him to serve several years as a Supply Pastor in the Retired Relationship, at Eliasville, Thornton, and Bardwell. In 1959 he was returned to the effective relationship and served at Gordon, Riesel, and Talpa-Crews.

It was at Talpa-Crews that illness struck again in November of 1962. He and Mrs. Garner moved to Cleburne where Brother Garner joined Mrs. Garner and David in making a vital contribution to the life of the Main Street Methodist Church. Actual retirement came at the 1962 session of the Annual Conference

Following several strokes, the final illness came and on November 24, 1962 his life on earth was ended. To the very end Brother Garner kept his matchless sense of humor and his sparkling attitudes.

Joining the writer in memorial services at the Main Street Church were Rev. Roy Davis, a life long friend, and Rev. Morgan Garrett. Final interment was in Rose Hill Cemetery, Cleburne, Texas. In God's presence another dear one dwells.

RAYMOND M. BURTON

M. HOWARD KNOX

Marion Howard Knox was born January 21, 1903, in South Fork, Missouri, to Christian parents E. L. and Laura Knox. He grew up in a Christian home, was converted at 16 years of age and united with the Congregational Methodist Church. He served in various capacities in the local congregation, as a delegate to, and secretary of, District Conference and later Annual Conference. In his words it was "this work which brought me in touch with the needs of the church throughout its scope, and helped to crystallize my desire for the ministry." In his junior year in high school he confided this desire to his minister. The following year he was given an opportunity to teach in the public schools and while teaching was

licensed to preach. Four years after being licensed he was ordained elder. On June 3, 1924, he married Eva Odessa Renner, who shared with him the ministry of the church. He became president of District Conference, the Annual Conference and was elected delegate to the General Conference of the Congregational Methodist Church. In the spring of 1931 he transferred his membership to the Methodist Episcopal Church, South, being admitted to the St.

Louis Conference on trial and coming into full connection on October 21, 1934. In 1935 he transferred to the Central Texas Conference. In his preparation for the ministry the Reverend Mr. Knox studied at Will Mayfield College, Southwest Missouri College, and Southwestern University, Georgetown, Texas.

Appointments served by the Knox family were Hutto, Drasco, Eules, Grandview, Granbury, and 11th Avenue, Corsicana. He served as Director of Public Relations, Southwestern University in Georgetown; Minister of Christian Education, First Church, Fort Worth; and Minister of Christian Education at Austin Avenue in Waco. At the annual conference of 1958 the Reverend Mr. Knox was appointed Executive Director of the Wesleyan Home. During his ministry to this important task of making provision for the aged, the beautiful Wesleyan Home in Georgetown was constructed. This home with equipment is valued at approximately one million four hundred thousand dollars and will accommodate one hundred fifty people. Shortly after the opening of the home the Reverend Mr. Knox met an accidental death on November 16, 1962. Funeral services were held at First Methodist Church in Georgetown with interment at IOOF Cemetery in Georgetown with Bishop William C. Martin and the Reverend Lively Brown as officiating ministers. He is survived by his wife Eva of the Wesleyan Home and one daughter, Mrs. Roy E. Ross of Lawton, Oklahoma.

His life was filled with a witness of the faith. To him this also included the great music of the church which he rejoiced to sing. He leaves behind a host of friends and an institution that says the church is concerned about people in their days of retirement.

JAMES WILLIAM SHARBUTT

James W. Sharbutt was born January 17, 1884, in the state of Alabama. His parents were Hill Sharbutt and his wife, Molly Sharbutt.

He was married to Miss Maudie Lee Matlock at Mount Enterprise, Texas, on July 19, 1905.

His first appointment was at Thrall and Lawrence Chapel while he was a student at Southwestern University where he received his B. A. degree and only lacked his thesis for a Masters degree.

He grew up on a farm in Alabama, but after coming to Texas as a young man, he ran a cleaning and pressing shop. He continued to work in a cleaning and pressing shop in Georgetown while a student at Southwestern. This experience helped him appreciate the well dressed man and throughout his ministry and even after he was retired he was always neatly dressed even when at home.

He was admitted to the Central Texas Conference in 1920 and served the

following charges in order: Troy and Pendleton; Kerens; Glenwood, Fort Worth; Riverside, Fort Worth; Winters; Dublin; Olney; Highland Park, Fort Worth; Englewood, Fort Worth; DeLeon; and Gorman. He retired in 1956 and since that time he and Mrs. Sharbutt had lived in the Retired Minister's Home built for them at DeLeon where they were greatly loved by the people of the church and the community. Brother Jim Sharbutt was a good preacher and a wonderful pastor. He leaves many friends from the churches where he has served.

He had been in failing health for the last two years of life, but death came March 24, 1963, in the DeLeon hospital some two weeks after surgery in an Abilene hospital. Funeral services were held in the DeLeon Methodist Church on March 25, 1963, with the pastor, John H. Basham, conducting, assisted by Wallace J. Shelton, Hubert W. Crain, Michael Patison, Robert W. Sanders, and Roy F. Johnson. Burial was in the DeLeon cemetery.

Brother Sharbutt is survived by his wife, Mrs. Maud Sharbutt, of DeLeon, Texas; one daughter, Mrs. Volva King, of El Paso, Texas; one son, Delbert Eugene Sharbutt, of New York City; four grand children; one great-grandson; and one brother, John Sharbutt, of Luders, Texas. One son, Lovic James Sharbutt, passed away in infancy.

It was a privilege to have been associated with Brother Sharbutt and his life of service has been a blessing to this writer.

WALLACE J. SHELTON

MRS. HIRAM ABIFF BOAZ

Caroline Browne Boaz, the widow of Methodism's beloved Bishop Hiram Abiff Boaz, followed her husband to the glory world on January 25, 1963, to end their first long separation in sixty-eight years of married life. She was just fourteen days short of her ninety-fourth birthday. Like her illustrious mate, she was unusually active in her advanced years, but after his death in January, 1962, her will to live declined and her health failed rapidly.

Mrs. Boaz, the daughter of the first Methodist missionary to the Indians, was born in the parsonage at Lockhart, Texas, on February 9, 1869. Her parents, Rev. and Mrs. John Washington Browne, came to Texas from Georgia soon after the close of the Civil War and settled at the headwaters of the San Marcos River. From there Brother Browne rode alone into the wilderness to meet the Indians who lived in the surrounding territory and tell them the message of Christ. Often, on these long, solitary trips, he would become delirious from fever (he suffered from what was called "consumption" in those days), and his trusted horse would bring him home without direction from the rider. His family would be alerted to his return by songs in the distance. In his delirium he would be shouting the hymns he had translated into the language of the Indians he was trying to convert. After some years of this hazardous and exhausting life he joined the old West Texas Conference, and served as pastor of several churches before he died.

Mrs. Boaz' mother, Mary Elizabeth Slaton Browne, was the daughter of a wealthy plantation owner in Georgia and the descendant of a long line of distinguished ancestors. Among them was the founder of her maternal line, Colonel John Flood, who came to Virginia in 1619 and patented 2280 acres in Sussex County. He first served his country as official Indian interpreter. Later he was elected as a representative from his county of the Virginia House of Burgesses, where he attained the highest office, that of Speaker. He also was an eminent member of the Colonial Militia, entering as a young lieutenant soon after his arrival in Virginia and becoming Colonel of the Regiment.

Caroline Browne met her future husband when both were freshmen at the Sam Houston Normal Institute, now known as the Sam Houston State Teachers College, in Huntsville, Texas. They became engaged within the first year of their friendship. She was slim and graceful, with softly curling brown hair and eyes the color of bluebonnets. Winsome was the word her sweetheart always used to describe her. He was more than six feet tall, as straight as an arrow, with the strength of steel almost hidden by a manner mild as milk. They shared a lively sense of fun, and laughter was a vital part of their lives.

At that time, Hiram Boaz, or Biff, as his intimates called him, planned to be a United States Senator when he was sufficiently mature. He hoped to reach his goal through the study and practice of law. But each student attending the Normal Institute was pledged to teach for as many years as he attended school, so upon their graduation in 1887, Caroline went to teach in Luling, and Biff joined the faculty of a public school in Fort Worth.

His call to preach came to him while he was a teacher. Its validity was never doubted by his youthful sweetheart. She continued to work diligently at her profession and to wait patiently while he went back to school to fit himself for

the ministry. He spent three years at Southwestern University, being graduated at the end of that time with a Master of Arts Degree, with first honors. For a part of that time he was a circuit rider, having been admitted to the old Northwest Texas Conference in 1889.

The young couple were married on October 2, 1894, in Luling, and proceeded, after a brief honeymoon in San Antonio, to Fort Worth, where Biff had been appointed to fill the unexpired term of the pastor of First Church. The home which they established upon their marriage was in their hearts. It flourished for sixty-eight years, through good times and bad, in small Texas towns, in large cities in the United States and in Asia. For three brief periods before their retirement did the house they lived in belong to them. But no alien walls were too drab, no locality too strange to affect the love and trust and security they carried with them. "Home is where my wife is," Hiram Baaz said, simply.

The appointment of First Church was the first of several years in the pastorate. They served at the old Mulkey Memorial Methodist Church in Fort Worth, and in Abilene and Dublin. In 1902, when he was 36 years old, Hiram Baaz was elected the President of Polytechnic College in Fort Worth. Mrs. Baaz was delighted to be a part once more of an academic atmosphere. With their young daughters, they made their home in an apartment in the girls dormitory, where Mrs. Baaz enjoyed the role of housemother to the female students. In many other ways she helped her young husband to expand the small, struggling, insecure institution with an overwhelming debt into a thriving, recognized college of more than a thousand students, several hundred teachers, free of indebtedness, and with a small endowment.

It was during these years when he was President of Polytechnic that Dr. Baaz conceived the idea which was to become, after many years of continued, dedicated effort on his part especially, and with others vitally interested, the great Southern Methodist University. From his close, personal contact with Christian parents and young people, and with the leaders of Methodism, he realized that there was no limit to the support which would be given by the Church and the citizens of the growing Southwest to a dynamic Methodist University located in a large and expanding metropolitan area. Through the countless difficulties attending the development of this tremendous project, Caroline Baaz was her husband's staunchest ally; always encouraging, always cheerful, and always convinced of his eventual success.

Far parts of the years of 1915, 1916 and 1917 the Baaz family lived in New York City. Mrs. Baaz, for the first time since her marriage, had no responsibilities beyond those of wife and mother. The head of the family was attending classes at Union Theological Seminary and Columbia University. The children were busy with their schoolwork and music. Many women would have developed some frivolous pastime, or simply taken a well-earned rest. Caroline Baaz spent every spare minute pursuing her passion for learning. She audited courses at Columbia, she spent many happy hours in their great library, she haunted the museums and art galleries, and took advantage of every free concert. Each Saturday afternoon found the Baaz family in the "peanut gallery" at the Metropolitan Opera. They were too far from the stage to see very much, but Caruso and Farrar and Gigli and Martinelli were in full flower and in full power, and the Baazes heard enough to make all of them great music lovers for the rest of their lives.

In 1922, Dr. Baaz was elected a Bishop, and assigned to the work of the Methodist Church in Japan, Korea, China, Manchuria and Siberia. Four years of work and constant, arduous travel throughout this enormous area followed for the Baazes. Throughout these years of separation from her children, her relatives and friends, of privation, discomfort, and continuous adjustment to alien manners and customs, with no home of her own and little time for study, Caroline Baaz remained steady, true and cheerful. It was a time to try a woman's soul, but her spirit and her faithfulness never wavered.

In 1926 Bishop Baaz was assigned to the Conference of Arkansas and

Oklahoma, and the couple chose Little Rock for their home. Mrs. Boaz loved the clean, friendly little city and the comfortable home they built for themselves in the beautiful section called Edgehill. Her second and third grandchildren were born in Little Rock, and she enjoyed the long-delayed role of doting grandmother. It was a wrench to leave little Rack in 1930, but the new assignment to some of the Texas Conferences meant a home in Houston. This lovely city opened its heart to the Boazes, and some of their hoppiest years were spent there. The next General Conference sent them to Fort Worth to other Texas Conferences, where a host of friends and happy memories awaited them.

Upon his retirement in 1938, Bishop Boaz and his wife went to Dallas and began an affiliation with their beloved Southern Methodist University which lasted for the rest of the Bishop's life. Their elder daughter and her husband live in Dallas, and their devoted and tender care helped to make the Boazes latter years as happy and as fruitful as their earlier ones.

It is impossible to mourn the death of a woman whose ninety-four years have been as full of love and work as Caroline Boaz's have been. Everyone who knew her is glad that she and her beloved husband are reunited in heaven. But her physical presence is missed by countless numbers of her friends and her family who have found inspiration through the years in her dauntless devotion to her husband and his work.

Bishop William C. Martin, Bishop Eugene Slater and Dr. William H. Dickinson conducted a beautiful service for her in the Cox Chapel of Highland Park Methodist Church on January 26, 1963, and she was laid to rest in the Hillcrest Mausoleum. She is survived by three daughters, Mrs. Clarence A. Penniman of Dallas, Mrs. Prentiss M. Terry of Louisville, and Mrs. Graham R. Hall of Little Rock; four grandchildren and six great grandchildren.

WILLIAM H. DICKINSON

MRS. E. B. CHENOWETH

Susan Eleanor Irvine was born December 17, 1870 in Saline County, Missouri. In 1891 she became the bride of the Reverend Mr. Edgar Chenoweth, an outstanding Methodist pastor.

Upon the death of a truly devout servant of the Church, Charles Wesley penned the lines of a hymn which seems appropriate to this occasion.

Servant of God well done!
 Thy glorious warfare's past
 The battle's fought, the race is won,
 And thou art crowned at last.
 O happy, happy soul,
 In ecstasies of praise,
 Long as eternal ages roll,
 Thou seest thy Saviour's face.
 Redeemed from earth and pain,
 Alas! When shall we ascend,
 And all in Jesus' presence reign
 Through ages without end?

Susan Chenoweth belonged to a generation of religious pioneers. Together with her husband, she helped take the gospel to a people who looked upon Christianity as an unwarranted and unwanted intrusion.

Oblivious to danger and personal comfort, they became ministers to the

American Indians at a time when they functioned as independent nations, even making treaties with our own government. Early in their ministry they purchased a parcel of land from the Indians where the city of Tulsa, Oklahoma, now stands. This marked the beginning of Boston Avenue Methodist Church which today is one of the finest churches in the entire Southwest. The Indians later relented of their bargain and threatened to destroy the young couple if they constructed a building on the site. The members of the A. F. and A. M. lodge stood guard while the young pastor nailed the shingles on Tulsa's first church.

Still serving their master, these ardent Christians took their familiar message into the rough mining camps of Southern Colorado. Services were held in brush arbors, saloons, isolated homes or wherever the people of God would listen. Later, Mr. Chenoweth became presiding elder of the M. E. Church South in this part of the state. Many of our churches in this area owe their beginning to this faithful couple.

Their's was a life of devotion and heroism, which all of us admire but which few would care to emulate. Few people are privileged to see their dreams take form. These faithful servants saw a rough uncivilized land, inhabited by pagan Indians and only slightly less pagan whites. They saw this, but dreamed of a day when peaceful towns and cities would dot the country side, each boasting a strong Christian Church. They witnessed a seeming vision give away to reality and the dream became flesh.

Life is a temporary existence loaned to us by our Heavenly Father. Each of us comes to this life with two purposes. Our Lord summed up these purposes by saying, "Thou shall love the Lord thy God with all thy heart, with all thy mind, and with all thy soul," and "Thou shall love thy neighbor as thyself." This love is not an academic thing but rather a way of life and service. When these purposes have been accomplished, we have no further need of this life.

Mrs. Chenoweth departed this life and entered into the life triumphant on April 19, 1963. Memorial services were held in Pueblo, Colorado, by Reverend R. H. Windsor, pastor of the Wesley Methodist Church of that city. Burial was in Trinidad, Colorado. She is survived by three daughters, Mrs. J. C. Calloway of Pueblo, Mrs. A. H. Morris of Bailey, Colorado, and Miss Margaret Chenoweth of Janesville, Wisconsin.

All of us feel a bit saddened at saying farewell to a friend and loved one. We are comforted by the assurance that God loves and cares for her still. Into His hands we commit the soul of His servant. With Wesley we say "servant of God, well done."

MRS. GEORGE W. DAVIS

Mrs. George W. Davis was born January 5th, 1879, at Crockett, Texas. She was christened Anne, daughter of Mr. and Mrs. Charles Stokes of Crockett.

In September 1912, she was married to George Waverly Davis, a Methodist minister. She served with her husband, as parsonage queen, in the home of which she graciously deserved the name, the following appointments: First Church, Crockett; First Church, Texarkana; Dist. Supt., the Marlin District in the Texas Conference; First Church, Galveston in the Texas Conference; District Supt. of the Houston District in the Texas Conference; Oak Lawn Methodist Church, Dallas, the North Texas Conference; First Church, Ft. Smith, Arkansas; First Church, Ardmore, Oklahoma; First Church, Mexia; Meadowbrook Methodist Church, Ft. Worth; First Methodist Church, Olney; First Methodist Church, Taylor; and our church at Ferris and at Moody, where he retired in 1945.

Mrs. Davis and her husband were very happy at Moody, and were loved by all who knew them. Her husband preceded her in death in 1959, and in recent months, she had lived in Temple, with her daughter, Mary Stokes Davis, at

3101 Indian Trail. Mrs. Davis departed this life, November 27th, 1962. After a short illness, she slipped quietly away into her Father's house.

The Memorial services were conducted by the writer and his associate, Rev. Uel Crosby, at Moody, Texas, and she was laid to rest by the side of her husband. She is survived by the following loved ones: Mary Stokes Davis, daughter, of Temple; Mrs. Wm. E. Kutzschback, a daughter of Bryan; a son, George W. Davis, Jr.; one grand daughter, three grandsons, and three great grandsons.

It was my privilege to have been the pastor of both daughters, and of Mrs. George W. Davis. And more precious people and friends I have never had than this family. Mrs. Davis was always active in the work of the church, in the church school, and the Woman's Society of Christian Service. She was an able companion as is shown by the places she had opportunity to serve with her companion. She was a most devoted wife and mother. Mrs. Davis was generous and unselfish, to her home, her children and her companion, and to the church she so dearly loved. She was a radiantly happy person, always speaking good and never evil to anyone. She was gentle and kind and retiring yet with a personality that spoke of the depth of her love and understanding and devotion.

She will be remembered kindly by all who knew her, for to know her was to love her.

Not cold beneath the grasses
Not close walled within the tomb
But rather in her father's mansions
Living in the other room

ROY F. JOHNSON

MRS. GEORGE F. KORNEGAY

Mrs. Lula Turney Kornegay was born in Harrison, Arkansas, February 16, 1876. She was the daughter of Dr. Isaac H. (M. D.) and Arvazena Turney. Married George F. Kornegay, April 3, 1900. She joined First Methodist, Blanket, Texas, as a child, after having moved there from Arkansas with her parents,

Mrs. Kornegay was the first graduate of Blanket High School and was so honored a few years ago by the school. After graduation from high school, she attended Howard Payne College in Brownwood.

Eight years after their marriage, Brother Kornegay, then a newspaper editor, was converted, joined the church and surrendered to the ministry. Soon afterwards, he was admitted on trial into the old Northwest Texas Conference. Mrs. Kornegay was his constant inspiration during his entire ministry. Their pastorates included such charges as Gustine, Talpa, Britton, Milford, Grapevine, Troy, Pendleton, Clifton, Palmer, Big Hill, Ben Hur, Burleson, Riverside, Blooming Grove, Eleventh Ave., Corsicana, and Anglin Street, Cleburne. In 1932, they transferred to the North Texas Conference and served such charges as Trinity in Denison, Garland, Brandon Avenue in Dallas, and First Methodist in Bowie. She was laid to rest along side Brother Kornegay in Garden of Memories, Fort Worth.

Survivors are one daughter, Mrs. Isyl Cox of Fort Worth, two grandchildren and four great grandchildren. Mrs. Kornegay will be remembered as a wonderful Christian lady. She was quite and unassuming, but spoke with authority, love and depth. I was proud to say that I was her pastor.

RICHARD E. MILLSAP

MRS. O. A. MORTON

Mrs. Jimmie Eudora Gray Morton was born on January 2, 1879 near Marlin, Texas. Her father, James A. Gray, was killed before she was born, and her mother, Mrs. Mary Gilliam Gray, died when this child was only three months of age. In 1900 she came to live in the home of an aunt whose husband was the late Reverend K. S. Vanzandt, sainted member of this Annual Conference.

During Brother Vanzandt's pastorate on the old Green Creek Circuit, she met and married Oscar Morton in a double wedding, along with the late Reverend S. L. Culwell and his wife in the Green Creek Circuit parsonage. Later her husband made it known that he felt the call to preach, and although she had

formerly declared she would not marry a minister, she encouraged him in every way she could.

During the 58 years that were to follow she walked by his side, and to-

gether they provided spiritual leadership for the countless people their lives were to touch. Together they served the Sipe Springs Circuit, Carlton-Lampkin, Graford Circuit, Waxahachie Circuit, Bosqueville, Prairie Hill-Kirk, Gustine-Lampkin, Rockwood Circuit, 12th Street Cisco, Millsap-Brazos, Graford, Talpa-Crews, Troy-Pendleton, Graham Circuit, Aledo, Morgan-Kopperl, Bethel (Waxahachie District), Norton-Bethel and again at Gustine-Lampkin. Hard times and difficult tasks never served to cause their zeal to weaken or their courage and devotion to diminish.

Into their home came eight children, one of whom precedes his mother into the upper and better world. Others are Reverend J. E. Morton of Clifton, Paul Morton of Wichita Falls, Mrs. Leslie Daniel of De Leon, Mrs. O. B. Rose of Graham, Mrs. M. C. Huey of Gustine, Mrs. Paul Whitton of Cross Plains, Mrs. O. D. Carpenter of Snyder. Each of these and her husband, Reverend O. A. Morton of Graham, survive.

She was a wonderful Christian and as a wife and mother, she was the soul of devotion of her companion and her children. Even though the years had taken their toll, she never lost the bright outlook of life and encouraging word to those with whom she came into contact. Her life was a wellspring of gratitude. Her delight was her home and her family, and for the last five years she found great joy in the new Retired Minister's Home provided by the Conference in the city of Graham.

After a brief illness she went to her reward on March 13, 1963. The funeral services were held at First Methodist Church in Graham on March 14 with Reverend W. M. Greenwaldt and Reverend Hubert Crain officiating, with interment in the Pioneer Cemetery in that City.

W. M. GREENWALDT

MRS. O. F. SENSABAUGH

On September 7, 1865, in the town of Sparta, Georgia, a daughter was born to Reverend and Mrs. James Sterling Lane. That was the advent of a life that was to span a full century of time, lacking three years. In 1870, the family moved to Texas where the father served several important works. He organized the Methodist Church in Georgetown.

The daughter, Daisy, began her education in a private school in Georgetown, then some time was spent in Waco Female College, after which she returned to Southwestern, where she graduated on June 26, 1883. She began teaching immediately, and in 1888 she went to Las Vegas, New Mexico, where she taught in the Seminary. She then went to Santa Fe, New Mexico, and taught in the Ramona Indian School, a school for the Apache tribe.

On March 6, 1890, an epochal event occurred that gave a new direction to her life. It moved her from the school room to a Methodist Parsonage. From an instructor of the mind in earthly knowledge, she became a partner in the far nobler calling of instructing the heart in things Eternal. For, on that date of March 6th, she became a co-worker in the Methodist Ministry as a true yoke fellow of The Reverend Oscar Fitzgerald Sensabaugh, destined to become a great leader in the Methodist Church. The wedding ceremony was performed in the reception hall of the Ramona School in the presence of the faculty and students. This was the first white wedding the Indians had ever seen. Following the happy event, the couple went immediately to Dr. Sensabaugh's church in Durango, Colorado.

Mrs. Sensabaugh was an outstanding woman in many ways. Her physical strength was quite unusual. For seventy years she walked by the side of, and became a strong supporter of, her husband in all his labors which carried him into a number of Annual Conferences where he served important works. She represented the women of her church in the Missionary Council which met in Washington, District of Columbia, and in 1910 she was a delegate of the World's

Missionary Conference in Edinburg, Scotland. She had a clear memory of the day of her passing, and it was always interesting to hear her talk of events that happened in her long pilgrimage across the years.

This gracious woman rose to her highest glory in her consecrated service to our Lord Jesus Christ in His Holy Church. She joined the Methodist Church in early childhood, and across more than ninety golden years she gave her all to her divine Master. To have had fellowship with her leaves one better today. The Church of our Lord is stronger by reason of the life she gave.

One's life is one's opportunity to show forth the dignity and value of human personality. To fulfill that opportunity was the fixed purpose and the final achievement of this handmaid of the Lord. The nobility of her character, the strength of her faith, the constancy of her devotion and the beauty of holiness seen in her whole life all point to the ultimate value and dignity of all beings created in the image of God.

On the date of September 1, 1962, in quietness and peace, she fell asleep and passed on into the Great White Light forever to find her place in that "city that hath foundations, whose builder and maker is God."

But let us hear, now, these ancient words from the Holy Book, so applicable to her of whom we have been writing.

"Strength and dignity are her clothing, and she laughs at the time to come."

She opens her mouth with wisdom, and the teaching of kindness is on her tongue."

"She looks well to the ways of her household, and daes not eat the bread of idleness."

"Her children rise up and call her blessed; her husband also, and he praises her."

"Many women have done excellently, but you surpass them all."

"Charm is deceitful, and beauty is vain, but a woman who fears the Lord is to be praised."

In her passing, Mrs. Sensabough leaves behind a daughter, Mrs. Mai McCleskey, Denver, Colorado, a son, Oscar F. Sensabaugh, Ballinger, Texas, and two daughters-in-law, Mrs. L. F. Sensabaugh and Mrs. Gerald R. Sensabaugh, both of Dallas, eleven grandchildren, seventeen great grandchildren and two great, great grandchildren.

MRS. J. W. W. SHULER

Mrs. J. W. W. Shuler (Miss Retta Russell), the daughter of Harvey L. and Orlenda Russell, 86 years old, was a native of the state of Missouri. She was married to Dr. J. W. W. Shuler on November 15, 1931. Dr. and Mrs. Shuler moved to Hillsboro from Cleburne 22 years ago, soon after Dr. Shuler's retirement from the active ministry. After their marriage, the Shulers served the following appointments: Itasca, Midlothian and Valley Mills. Mrs. Shuler passed to her reward February 3, 1963, in a Hillsboro Hospital.

Survivors include her husband, Dr. J. W. W. Shuler; a daughter, Mrs. Ralph Davis of Alexandria, Virginia; one stepson, the Rev. R. P. (Bob) Shuler of Elmonte, California; three stepdaughters, Mrs. H. L. Kidd, Mrs. W. U. Pittman, and Miss Edna Shuler, all of Mexia, Texas; a brother, Will Russell of Oklohoma; two sisters, Mrs. J. W. Hardesty of Cresson, Texas, and Mrs. Victor Laude of Weatherford, Texas.

Funeral services were conducted from the First Methodist Church, Hillsboro, where she was a member, on Tuesday, February 5, 1963, at 2:30 P.M., with the Reverend W. T. Boulware and her pastor, the Reverend Guy E. Perdue, officiating. Burial was in Ridge Park Cemetery, Hillsboro.

The exact date when she made her profession of faith and united with the Methodist Church is not known, but it was in her early childhood. Mrs. Shuler was a modest, but devoted Christian woman. For sometime she had been, in a large measure, both eyes and ears to her husband who was 102 years old at the time of her passing. No one could have been a more devoted wife than she. Although she married into the Shuler family in middle life, she carried the responsibilities and pleasures of this great preacher family with dignity, poise and devotion. She loved the Church, but she loved her home and gave herself to making it a place of real pleasure to all who entered her doors. It was a place of rest and relaxation to her husband in his years of work and retirement.

Mrs. Shuler was truly one of God's great servants. She went out to meet her Master with open arms because of her faith in the reality of the Christ she loved and honored with a full and useful life.

MRS. FRANK E. SINGLETON

Mrs. Frank E. Singleton was the daughter of a Methodist minister and his wife, Reverend and Mrs. E. A. Smith. In 1907 she was married to Reverend Frank E. Singleton in Hillsboro, Texas.

She was an accomplished musician, having taught piano at Texas Wesleyan College at one time. With this talent she was always willing and quite able to be of great help in the churches she and her husband served.

Reverend and Mrs. Singleton served such churches as Glenwood in Fort Worth, Graham, Dublin, Missouri Avenue in Fort Worth, Mexia, Helena, Arkansas, Paragould, Arkansas, Brownwood, Polytechnic in Fort Worth, Eastland, Cisco, Stephenville, Taylor, and Weatherford.

Following an extended illness, Mrs. Singleton passed away at the home of her son in Irving, Texas, November 16, 1962. The funeral service was held November 21, 1962, at First Methodist Church, Weatherford, Texas. The officiating ministers were Reverend Ervin M. Gathings and Chaplain Randal Rogers of the U. S. Navy.

Those surviving her are four sons, F. E. Singleton, Jr., Menlo Park, California; H. L. Singleton, Dallas; Herman D. Singleton, U. S. Army; and Scott R. Singleton, Irving; three brothers, Herman Smith of Houston; the Reverend Hubert C. Smith of Stephenville; and E. L. Smith, Waxahachie; three sisters, Mrs. Vela

Marcia of Dallas; Mrs. Kate Self of Waxahachie; and Mrs. L. J. Gebbard of Monticello, Florida, and three grandchildren.

The interment was in the cemetery at Dublin.

ERVIN M. GATHINGS

MRS. J. F. TYSON

Mary Magnolia Griffin was born on August 15, 1885, on a farm two miles south of Oglesby, Coryell County, Texas. She was the daughter of William and Mollie Griffin. She was married to the Reverend John Forrest Tyson on February 19, 1909, at Oglesby, Texas, his first wife having died in 1907. She was very closely associated with the Methodist Church all her life as her father was an itinerant Methodist preacher. She served with Brother Tyson in the pastorate at several appointments until his retirement in 1926.

They lived in China Springs for a few years after retirement and then moved to Fort Worth, and made their home at 1815 Denver, where they were active in the Boulevard Methodist Church.

Brother Tyson died in 1936 and Mrs. Tyson continued to make her home at the same place until ill health forced her to go to a convalescent home.

She departed this life and went to the Heavenly Home on December 10, 1962. Funeral services were conducted in the Boulevard Methodist Church, Fort Worth, Texas, by the pastor. Interment was in Mount Olivet Cemetery, Fort Worth, Texas. She is survived by three children, Rankin McCoy Tyson, Woodrow Olin Tyson, and Mrs. Earle M. Mayfield, five grand children and four great, grand children, all of whom miss her unselfish love.

KENNETH R. REED

MRS. R. R. WILLINGHAM

Mrs. Fannie Belle Willingham, wife of Rev. R. R. Willingham, was born July 8, 1894 in Cisco, Texas. She was married to Rev. R. R. Willingham, December 14, 1913, in Stamford, Texas.

Mrs. Willingham, 68, passed away December 14, 1962, during their sixth year of retirement from an actively long and fruitful ministry for the Lord. She remained a member of the Wesley Methodist Church after she and Brother Willingham retired at the end of eight years as pastor. During those eight years, she was a great inspiration to me, as well as to many other young people whom she loved and encouraged to live and to serve the Christian faith. Her home was a haven of comfort and joy to all who entered. She is best remem-

bered for her radiant smile, unending humor, and unselfish devotion to her family and her Christian faith.

The Willinghams served the Church in the Alabama Conference from 1918 to 1921; then they received appointments in the New Mexico Conference until 1931, when they transferred to the Central Texas Conference. Within this conference they served Bardwell, Weatherford Circuit, Millsap, Palo Pinto, Riesel, Walnut Springs, Burleson, Crowley, Iredell, and Wesley in Fort Worth.

Survivors are her husband, Rev. R. R. Willingham, of Fort Worth; two sons R. E. (Bob) Willingham, of Fort Worth, and Rev. R. L. Willingham, of Clovis, New Mexico; a daughter, Mrs. Jones McConnell, of Richardson, Texas; three grandchildren, Jones and Jim McConnell and Hellen Willingham; and two sisters, Mrs. Ethel Hale and Mrs. Pearl Davis, of Stamford.

Memorial services were held on December 17, 1962, at 3 p.m. in Wesley Methodist Church of Fort Worth, with Dr. Erwin F. Bohmfalk, Rev. Dan H. Hitt, and Rev. B. Thomas Tribble officiating. Interment was in the Benbrook Cemetery.

There shall be an Administrative Council of the Central Texas Conference, The Methodist Church, to initiate and promote the quodrennial program of the Conference.

2. Membership

The Administrative Council shall be composed as follows: the Cabinet, the Conference Commission on World Service and Finance, the Chairman and one other person of each Conference Board and Commission one of whom shall be a lay person and the other a minister except where there is no authorized lay person on the Board or Commission, the Conference Lay Leader and the District Lay Leaders, one pastor from each district to be nominated by the Cabinet, the Conference President and the Promotional Secretary of the Conference Woman's Society of Christian Service, the President of the Conference Youth Organization and one other young person, the Conference Secretary-Treasurer, Conference Statistician, the Conference Secretary of Evangelism, the Conference Secretary of Missions, the Chairmen of all Standing Committees, the Conference Chairman of the Texas Methodist College Association, all General and Jurisdictional Board members and General and Jurisdictional Conference delegates not otherwise holding membership on the Council, and such other members as may be nominated by the Executive Committee. All paid employees of the Conference, its agencies, and the chief officer of institutions shall have the privilege of the floor but without vote.

3. Officers

Officers of the Administrative Council shall be a Chairman, a Vice-Chairman, and a Secretary. They shall be elected at the first meeting of the Council in each quodrennium. The Chairman shall be elected by ballot without nomination. Other officers may be elected by show of hands. The officers shall serve throughout the quodrennium.

4. Executive Committee

There shall be an Executive Committee of the Administrative Council to be composed as follows: the three officers of the Council, the Chairman of the Cabinet, the Chairman of the Commission on World Service and Finance, the Conference Lay Leader, and the President of the Conference Woman's Society of Christian Service.

II. Boards, Commissions and Committees

5. Nominations

The District Superintendents at the beginning of the quodrennium shall nominate the members of the Boards, Commissions, Standing Committees and Tellers, and shall provide mimeographed copies of such nominations for distribution, provided that no person may be nominated on more than one Board, Commission, or Committee which must meet regularly during the session of the Annual Conference, except where the Discipline provides for membership because of an office held. This rule is not applicable to the Committee on Conference Relations, nor Committee on Investigation. The District Superintendents shall also nominate at the end of any normal term members of any Board, Commission, or Committee.

6. Eligibility

No member of any Board, Commission or Committee shall be eligible for

membership thereon longer than eight consecutive years and shall not become eligible again for such membership until one full conference year has passed. The membership of the quadrennial boards, and commissions shall be divided by the Board or Commission into two groups, one group whose eligibility for membership expires at the end of one quadrennium, and the second whose eligibility for membership expires at the end of the succeeding quadrennium. Members appointed to fill unexpired terms of less than two years shall be eligible for re-election for eight years.

Employees and Trustees of institutions, or employees of Conference Boards and Commissions, shall not be eligible for membership on the Board, Commission, or Committee through which financial support is derived.

The appointment of any member of the Conference to the District Superintendency shall automatically vacate his membership on any of the quadrennial Boards, Commission, or Examining Committees to take effect at the time of his appointment, except where the Discipline makes them members of an Annual Conference Board, Commission, or Committee. The Bishop is asked to notify such group in time to fill the vacancy before the Conference adjourns.

7. Vacancies

Vacancies on all Boards, Commissions, and Committees occurring during the quadrennium shall be filled by nominations of the Board, Commission, or Committee concerned, and elected by the Conference.

Retirement from active itineracy shall vacate a minister's membership on any Conference Board or Commission, effective at the end of the term or the quadrennium, whichever date is applicable.

Any member of a Quadrennial Board absent without excuse from two consecutive meetings of the Board shall thereby forfeit membership on said Board.

III. Financial

8. Fiscal Year

The fiscal year of the Annual Conference shall be from June 1st to May 31st, and salaries of clerical members, appointed as pastors or District Superintendents, shall be paid accordingly.

9. Remittances

Remittances from a pastoral charge to the Conference Treasurer shall be accompanied by the remittance forms supplied by the Commission on World Service and Finance. These forms shall be in triplicate and indicate clearly the amounts to be credited to each cause for which remittance is made. The Conference Treasurer shall return one receipted form to the pastor and one to the District Superintendent for each remittance. The Pastor shall enclose these voucher receipts with his Annual Conference report as verification of items reported in table II.

10.

At the beginning of the report of any board, commission, committee or agency, which presents a proposed budget or asking as an appropriation from Conference Benevolences, or any other conference fund, there shall be printed the following statement: "The board (commission, committee, or agency) has presented to the Conference Commission on World Service and Finance for their consideration and recommendation to the Annual Conference, the following askings:"

11. Apportionments

The apportionments for World Service and Conference Benevolences shall be based on the total money raised (item 75 in Report to Annual Conference) less

the amount paid on principal and interest on indebtedness (item 42 in Report to Annual Conference) and less the amount paid for building and improvements (item 43 in the Report to Annual Conference.) It shall be the duty of the Commission on World Service and Finance to compute the apportionments annually, using the statistics of the last published journal (corrected, if necessary) and furnish the table of apportionments to the districts. District Superintendents will use the best possible approach in distributing the askings to the individual churches of the Districts.

12. Annual Audit

The Auditing Committee appointed by the Conference Commission on World Service and Finance shall audit all books of Treasurers of Boards whose auditing is not provided for in the Discipline, and report the results of the Commission on World Service and Finance, which Commission will send a statement of these audits to the Conference Secretary for inclusion in the minutes.

Annually, each Board or special interest, shall make request to the Commission on World Service and Finance, for any Special Day offering, except where set by the Discipline. No such day shall be recommended to the Annual Conference for any agency, cause or institution, nor shall such a day be listed on the printed Conference Calendar unless such agency, cause or institution has presented a full financial statement and audit including current annual income and expense together with its report, to the appropriate Board.

13. Special Days and Campaigns

Any request from a Board or institution or special interest of the Methodist Church asking for a special campaign for funds or a Special Day Offering shall first be presented to the Commission on World Service and Finance for study and recommendation. If such recommendation is made to the Annual Conference it must show that the object or enterprise is wholly owned by The Methodist Church; that the detailed use of funds is reasonable; and that proper safeguards have been set up for the use of funds.

Any recommendation from a Board, Commission, or Committee, including the Commission on World Service and Finance, asking for an increase that will effect the Budget of the local church, if approved, shall not become effective for one year from that date.

IV. Administrative

14. Conference Secretary-Treasurer

The Conference Secretary-Treasurer shall be nominated by the Commission on World Service and Finance after consulting with the Bishop and his Cabinet, the Board of Pensions, and the Commission on Minimum Pastoral Support.

The Conference Secretary-Treasurer shall be under the supervision of the Annual Conference Commission on World Service and Finance. He shall also serve as the Treasurer for the Board of Pensions and the Commission on Minimum Pastoral Support.

The term of office of the Secretary-Treasurer shall ordinarily be a quadrennium and a newly elected Secretary-Treasurer shall ordinarily assume his official duties at the session following the General Conference.

15. District Conference

The District Conference shall be composed of the ex-officio members as provided in the latest Discipline, and one delegate for every 100 members or two-thirds fraction thereof, provided that every Church shall have at least one delegate.

16. Reports

The statistics of the Annual Conference shall be based upon the reports in

the hands of the Statistician on the fourth day prior to the opening of the Annual Conference; provided further that if the Annual Conference meets prior to June 4 then the deadline shall be the earlier of the two dates, June 1 or the day before the opening session.

The Annual Report of the Conference Treasurer shall be based on the funds in the hands of the Conference Treasurer on June 1st.

Each District Superintendent shall report to the Cabinet and to the Committee on Proportional Payments any Church in the District that has borrowed money to pay either the pastor's salary, percentage items, or World Service askings for the year closing. The amount borrowed must be made a part of the record.

He shall also indicate any such situations that occur the year previous that came to his attention during the year, and had not been reported.

17. Conference Procedure

All matters to be presented to the Annual Conference, which pertain to the work of one of the Conference Boards, Commissions, or Committees shall be referred to the proper Board, Commission, or Committee for review, before action shall be taken by the Annual Conference.

All papers, resolutions, obituaries, and reports, except statistical reports, coming to the Conference, must be typewritten in triplicate, and two copies of said report must be in the hands of the Secretary before they are presented to the Conference.

All Bonds required by the law of The Methodist Church or the Central Texas Conference, shall be filed with the Secretary of the Conference.

18. Conference Expense

The Conference Committee on Entertainment, appointed quadrennially, shall be charged with the details of expenses of holding the Annual Conference, and entertainment of Retired Ministers.

Each charge in the Annual Conference is expected to defray the expense of its minister and lay delegate while in attendance upon the Conference.
