and is a key figure in a contain
world crisis, it is not surprising that
feelings about its policies will bring
groups into tension with one another.

Such is the case with Israel, which in recent months has been both praised and criticized for the way it has dealt with Christian and Muslim minorities since the Six-day War ended four years ago.

Christians have spoken out on various sides of a number of touchy issues involving Israeli policies — issues with both religious and political ramifications that have long puzzled churchmen and diplomats alike.

A 'first' for minister

Tricia Nixon composed her own wedding rites

WASHINGTON, D.C. — Tricia Nixon, a "birthing Quaker," and Edward Finch Cox, an Episcopalian, were married before a Methodist clergyman who led a service that borrowed from several religious traditions.

It was a "first" in many respects for Dr. Edward G. Latch, who is chaplain for the House of Representatives.

He has "married" some 2,000 couples over the years but the ceremony in the White House Rose Garden was the first he had experienced in which the bride had composed the entire 12-minute ceremony.

Dr. Latch, a clergyman for 46 years, was minister of Metropolitan Memorial United Methodist church, in northwest Washington, where the then Vice President Richard M. Nixon and his family attended services during the eight-year Eisenhower Administration.

Tricia and her younger sister Julie (Mrs. David Eisenhower), who was matron of honor at the wedding, belonged to the church's Brownie troop, although they did not attend Sunday school there.

The Nixon family attended services at Metropolitan church "quite regularly and when Mr. Nixon and his wife were traveling the Nixon girls came to church by themselves," Dr. Latch said.

Dr. Latch, 70, retired from Metropolitan church in 1967 after 26 years there. He was elected House chaplain that year.

a divided city prior to the
ar, now fully under Israeli control.

An article in a March issue of L'Osservatore Romano, the Vatican City daily, criticized Israel for some of its activities in the former Jordanian section of Jerusalem. The paper charged that Israel was carrying out a deliberate program of expulsion of Christians and Muslims from the Old City under the guise of urban development.

Three Jordanian Christian prelates wrote Pope Paul to complain that the new housing in the Old City would confine non-Jews in a "suffocating ghetto." Bishop Nemeah Simaan of the Catholic

"Once in a while" he said, "a bride will ask for a little change, but the basic Methodist wedding service (which lasts about 10 minutes) has remained intact."

In this wedding, he said, Tricia had done "quite a lot of research" in composing the service which the White House called an "ecumenical service" comprised mostly of "traditional prayers chosen by the couple from the Episcopal, Methodist and Catholic marriage services."

Dr. Latch made one suggestion which Tricia "went along with." The couple knelt after he pronounced them "husband and wife" and as he gave the benediction. When asked if he made other suggestions, the minister replied, "just say I went along with everything."

He also said "Ed and Tricia wanted no sense of hurry, just slowly and deliberately, but that is my style so there was no problem."

One of the most noticeable changes in the ceremony was the substitution of the traditional words "until death do us part" by "to love and to cherish from this day forth."

And, instead of "I do" the couple said together "it is," answering the question, "Is it in this spirit and for this purpose that you have come hither to be joined together?" The question was based on a 241-word "address to the bride and groom" (written by philosopher Kahil Gibran).

VI — REPORTS**PROGRAM COUNCIL****Report No. 1****(Adopted June 7, 1971)**

We have now come three years in a quadrennium of new structure. We said at the beginning, "form follow missions." We now believe it. Ours has been a sometimes grasping, groping, always seeking, searching journey. We have sometimes faltered, made mistakes, ran into blockades, but only to start again. The ubiquitous desire for agencies and boards to work together as a team in ministry for our Lord has led to rewarding experiences. We are still at the task of coordinating Conference Program—weeding out duplication, avoiding overlapping, establishing priorities, and focusing united aim. Our over-arching purpose has been, and is, to serve the living Lord of the church by serving the "least of His brethren." We are increasingly discovering that we joined a church and conference bigger than we knew—one which haunts us with desperate needs of persons; which tantalizes us with mission in inner-city; urban affluence; changing rural scene.

To this future we steadfastly set our faces and pray for the leadership and empowerment of the Holy Spirit for a new dimension of depth in personal experience and widening of horizons in Social Action.

Far bringing us to the point we now are, we thank Bishop Pope for dynamic and creative leadership; the Conference Staff for faithful servanthood; the Cabinet for dedicated direction; the Clerical and Lay Membership of the conference for fidelity in mission. And God be praised.

Committee on Research and Planning

(Adopted June 7, 1971)

The Committee on Research and Planning, in a meeting at First United Methodist Church on February 27, 1971, voted to recommend a consultation on the Mission and Structure of the Central Texas Conference to be held on October 1-2, 1971 at Glen Lake Camp. The purpose of this consultation is to study and project the mission of the Church in the decade of the 70's and to explore the appropriate programs and structure necessary to make a vital and effective witness for Jesus Christ in our day.

The committee will take appropriate action to seek counsel and response from a broad cross-section of the Conference concerning the above. In addition, information from representative Conferences across the nation will be assembled to aid in reaching the best conclusions possible.

In a time of rapid social and institutional change, the Church must be ever ready to devise new programs and new structures to more effectively re-present the Gospel in our day. To this end we shall work. We ask for the prayers and cooperation from all Laity and Clergy in the Central Texas Conference.

Report No. 8

Department of Youth Ministry

(Adopted June 8, 1971)

Operating under the structure and functions outlined in the Program Council Report No. 7, p. 89, 1970 **Journal**, the Department of Youth Ministry has emphasized action through its two task groups: **Social Concern** and **Literature and Settings**. In these task groups the Department of Youth Ministry has carried out training for Department members in Arkansas, two weekends at Glen Lake Camp and several "Bang Up" training events across the Conference. In these events the Department sought to cover all aspects of our Youth Ministry Curriculum. On April 23-25, the Department hopes to have its Annual Youth Conference which will be on the theme of "Social Concerns" and will involve cooperation with the Board of Social Concerns, the Board of Health and Welfare, the Ad Hoc Committee on Drug Abuse, National Youth Service Fund representatives and national Legislative Affairs representatives.

During the coming year the Department of Youth Ministry hopes to establish at least one youth/adult team working in youth ministry in each District. These teams will be set up in cooperation with the District Superintendent, the District Coordinator of Youth Ministry and the District Program Council. How these teams are established, the structure of their work and the nature of their responsibilities will be worked out with the District Superintendent, the District Coordinator and the District Program Council. The Department of Youth Ministry will provide training and funds (up to 20% of that District's Youth Service Fund offering) for these teams and their District youth ministry work. It is the Department's hope that through this work with the Districts **in each District** there may be established a youth ministry in each District which will meet the unique needs in that District for youth ministry.

This Summer the Department will sponsor youth who want to attend a Youth Service Fund training event in Nashville. We hope these youth will help in promoting the Youth Service Fund in our Conference.

Other areas of concern for the coming year will be the Department's working out its relation to the Sex Education Laboratories, Confirmation Laboratories and Camping. In the camping area the Department hopes to outline areas of policy for youth camping, goals and purposes for youth camping and possible settings for youth camping.

Specific Recommendations to Annual Conference

1. The Department of Youth Ministry recommends the passage of the proposed Constitutional Amendment No. 5 that Paragraph 36, Article I be amended by deleting from the last sentence the words "shall be at least twenty-one (21) years of age" and by adding the following words at the end of the Paragraph: "and for one year next preceding their election as a member of the charge they are to represent."
2. The Department of Youth Ministry recommends the passage of the proposed Constitutional Amendment No. 6 that Paragraph 36, Article I be amended by adding at the end of the first sentence the words "and two young persons under twenty-five (25) years of age from each district to be selected in such manner as may be determined by the Annual Conference."
3. The Department of Youth Ministry recommends that at least one of these two young persons under twenty-five (25) years of age be a high school student.
4. The Department of Youth Ministry recommends that if these Constitutional Amendments Nos. 5 & 6 are finalized and passed by General Conference, then the District Program Council of each District be empowered to select these two young persons in order that these young persons may be seated at the Annual Conference of the Central Texas Annual Conference in 1972.
5. The Department of Youth Ministry recommends that the District Program Council select these two young persons from nominations presented to it by the District Superintendent and District Coordinator of Youth Ministry. Where sub-district, cluster or district youth organizations exist, these organizations shall be allowed to make nominations for these two young persons to the District Program Council.
6. The Department of Youth Ministry recommends that each District Program Council have at least two youth members. These youth members may be youth from the district team(s) or other youths which are selected by the District Program Council by the existing District, cluster and/or sub-district youth organizations.

TIM RUSSELL, Chairman

PROGRAM COUNCIL**Report No. 9****Department of Adult Ministries**

(Adopted June 8, 1971)

The department has held two meetings since the last session of the Annual Conference. The chairman has shared in joint meetings with other age-level chairmen and with the committee on leadership development of the Board of Education which has helped to clarify the role which the adult department is taking in its efforts to serve the Conference.

Young Adults

A planning session of single young adults will be held in May of 1971 to refine plans for a Single Young Adult Retreat for the between-the-semesters break in January, 1972. The purpose of this retreat is to find out what concerns

are uppermost in the lives of single young adults, and to receive suggestions as to how the Church can effectively minister to these needs.

A pilot project was held in February of 1971 in two churches of the Conference dealing with the married young adult. Rev. DeForrest Wiksten provided guidance for this project which will be evaluated and shared with the department at a later date.

Middle Adults

Methods of accumulating data on the needs of this adult grouping, working through the district program staff and/or councils are being examined.

Older Adults

A continuing ministry to the senior citizen in each local church is the long range goal of this committee. The Adult Assembly has been planned for May 31-June 3, 1971. Evaluations from this assembly will hopefully provide the directions of ministry to older adults.

Leadership Development

In cooperation with the Board of Education, this committee is emphasizing the need of training for teachers of adults in the local church school program. Indications from the local church identify the teaching need as a prime target for ministry with adults. A Coaching Conference for leaders of leaders of adults will be held in the spring of 1972. Leadership development in other areas of the adult Christian life will be explored further with the cooperation of and consultation with other boards and agencies of the Conference.

Specific Recommendation to Annual Conference

The name of John B. Richardson be added to the membership of the department for the remainder of the quadrennium.

Report No. 11

Ad Hoc Committee on Drug Abuse

(Adopted June 8, 1971)

OUR FINDINGS

The main thing we found was an inter-weaving of personal and cultural problems with that of drug abuse. The use of hallucinogenic drugs, such as marijuana and LSD cannot be understood apart from the deep disillusionment the youth feel toward our society. Alienation, loneliness, anxiety, despair are words often heard connected with drug abuse. It is interesting that in Arlington, the name the youth gave to their drug crisis center was "The Motherless Child." This is not to say that a "good" parent won't have his child smoke marijuana, but that the causes of drug abuse often grow out of other problems.

It is in this area of inter-personal and inter-cultural relations that we see the minister and the church playing their most significant role. The pastor can be a

significant person in bringing parents and youth into a meaningful conversation. Many parents are extremely anxious about drugs and can become very upset when they fear their child may be experimenting with drugs in some way. A knowledgeable pastor can do a great deal to bring the situation into focus so it can be dealt with properly.

Our Recommendations::

First, we do not recommend that the annual conference establish any specific ministry to those suffering from drug abuse. Most towns develop community programs which we feel are best supported by churches rather than churches offering a competitive type program.

Secondly, we hope pastors will take certain steps to prepare themselves for a time when called upon in some drug crisis. He should have established contacts with medical and legal sources. He should be familiar with the symptoms of drug use and language used by youth to talk about it. He should be knowledgeable enough about drugs so as to be able to give practical help when called upon.

We hope churches will study drugs in our society so their responses will not be to a preconceived image of drug users but informed and creative. We recommend the use of the "Drug Puzzle," a study sent out by our General Board of Social Concern which is available from our conference office. The one point we disagree with the "Drug Puzzle" is over the use of outsiders in the study. We feel in order to get an adequate understanding of drugs and their place in our society, it is absolutely imperative to talk with drug users. As stated earlier, when a climate of trust and respect is established, youth are quite willing to talk about their use of drugs. Also, when a group talks with youth about their use of drugs, they must always keep it in the context of our drug culture where adult lives are often regulated by drugs. Housewives have been taking speed in the form of diet pills long before our youth started using it. The corner "drug store" has long been a cherished American institution.

We also recommend that the conference Board on Social Concern assume the responsibility for keeping the annual conference abreast of continuing development in the drug scene.

Our basic recommendation is that individual churches, laymen and pastors approach the abuse as openly as possible. This is not to be confused with a casual attitude that is unaware of the great hurt that drugs have caused in many cases. It is to say that no one has the answer that can prevent this hurt, and that the churches must listen to and work with people in various medical and legal professions as well as the youth themselves if they are to have a hearing for their word of reconciliation.

Agencies Personnel.

(Adopted June 8, 1971)

The Program Agencies office was moved from 116 N. Caddo, Cleburne, to space in the Arlington Heights United Methodist Church in Fort Worth on August 17, 1970. Offices previously occupied by the Arlington Heights pastor and staff are now being used; the space is approximately double of that used in Cleburne. Arrangements are satisfactory both to the local church and that of the agencies staff. All round use of facilities has increased appreciably.

The sale of the two parsonages in Cleburne was completed. Sale price of the 905 Surry Place property was \$20,500 and sale price of the 1318 Southern property was \$16,500. A total of \$23,452.78 was realized after debts and payments were satisfied.

Staff personnel of the office are now provided a housing allowance in lieu of a parsonage and furnishings.

The above work was supervised by a special committee appointed by Bishop Pope to carry through on conference action to move the offices and personnel to Fort Worth.

Stewardship Emphasis for year of 1972

(Adopted June 8, 1971)

Reason for the Emphasis: There is need, expressed in the local church, for a better understanding of stewardship as it is to be practiced by a Christian in light of the present day.

To that end it is recommended that the calendar year of 1972 be a "Year of Stewardship Emphasis in the Central Texas Conference."

That the local church be the direct place of concern.

Report No. 17

Camps and Conferences Committee

(Adopted June 7, 1971)

The Central Texas Conference has been in the camping business since 1940. It was one of the first Methodist conferences in Texas to own its own facility purchasing the area, now known as Glen Lake, for \$6,000 in that year. Eighteen

years later an additional area, several miles away, was purchased by the conference, and Rainbow Camp was established for rustic type camping. Today these two investments are worth many times their initial cost and their ministry to thousands of lives is a grand reality.

The conference has come to a crossroad in its operation of Glen Lake and Rainbow. Through the years the operation of the camps has been met by fees from campers and profits from sales. The maintenance and improvement of the facilities had to depend on gifts or special allocations. The picture is not good. Where once the camp was an inviting provision, it now is second in accommodations to practically all others in the area and every Methodist conference camp in Texas. Funds to improve have been non-existent except an occasional new building. Cost of maintenance has increased with the age of plumbing, lighting and the like.

The Camps and Conferences Committee has been studying the matter for several years. Utilizing the Conference Program Agency staff, the Camp Administrator and information gained from other such facilities in the state, it is apparent that we must go to an annual subsidy operation. We became the last conference in the state to move to this method!

The sum of \$20,000 is requested for immediate non-recurring needs of the two camps. Included at Glen Lake are items of repair on the dining hall, repairs and improvements of the ladies lounge, cabin repair, curb and draining improvement. At Rainbow this money will provide a shower-toilet building, repair the lodge, construct a roadway to the river and open four campsites with mobile connections.

The annual sum of \$10,000 is anticipated for recurring items, but a sum of \$5,000 is anticipated for the first year if the \$20,000 is provided. **Therefore, \$5,000 is requested.** Included in this is a fund for replacement of trucks, van and other equipment, subsidy for some operational costs, maintenance and repair, and the unforeseen. The request does not include money for any major building projects.

The Camps and Conferences Committee, working with the Trustees, believe it is proper to maintain good civic relations with the community in which the facilities are located. They have entered into an agreement with the City of Glen Rose that a small area of the camp known as "The Rocks" be utilized as a public park and maintained by the city. A paper giving them this right, without changing the deed and without exchange of money, has been delivered to the Mayor of Glen Rose. This tract of approximately five acres has long been an area difficult to police and maintain. It is mutually beneficial that the city improve and maintain it for benefit of all.

Glen Lake Camp has caught the imagination of some, and on its beautiful acreage are found evidence of this as various individuals and groups have provided buildings and equipment. This year, Rev. and Mrs. William Lee Hankla, long friends of the camping program, provided a trust fund which will endow several campships for needy youth each year.

The operation of camping facilities is a year-round task, especially at Glen Lake. During 1970, sixty-three registered groups involved a total of 4,243 persons in their camping program there. Already in 1971, more than 1,600 persons have been involved with twenty-three groups using the camp between January and May. With improved facilities, Rainbow is expected to get much heavier use also.

Mr. and Mrs. Carrall Gann and the camp staff are doing a good job. While rising costs of food and other items make things more difficult, the Committee feels the camping program will see great improvement in the year ahead.

COMMISSION ON ARCHIVES AND HISTORY**(Adopted June 9, 1971)**

The Commission on Archives and History calls your attention to the formation of the Central Texas Conference **United Methodist Historical Society** during this year. This society will be an arm of the Commission to help United Methodists to appreciate and understand our historical background. This can be accomplished by:

- (1) Assisting churches in preserving their valuable historical records.
- (2) Encouraging greater utilization of our Conference Historical Room at Glen Lake Camp.
- (3) Creating interest in historical sites which relate to our E.U.B. and Methodist origins and growth.

An active membership has been provided without cost to every minister, church lay leader and annual conference lay member for the current year.

The Historical Society is sponsoring a United Methodist Heritage Tour to England during the fall. This tour will visit Epworth, Oxford, Bristol, London, Stratford-on-Avon, Stonehedge, with special emphasis on places of significant Methodist interest.

We have continued to receive pamphlets and booklets of the histories of various local churches this year. If your church history has not been written or updated recently we hope it can be done this year. We especially need histories of former Central Jurisdiction churches. We would also like to receive copies of brief histories, bulletins, programs, or other materials prepared for special events, such as anniversaries, consecration services, or dedications.

We again urge those who have books, pamphlets, pictures, letters, documents, personal items or other materials of historical interest to consider presenting these to the Conference Historical Room at Glen Lake. We especially need old journals from the former West Texas Conference.

AREA COUNSELING PROGRAM**(Adopted June 8, 1971)**

This ministry of counseling and continuing education in pastoral counseling is completing its fifth year of operation in the North and Central Texas Conferences. The work of this office continues to provide personal counseling for the members of the Conferences and their families through the office located at the Methodist Hospital in Dallas. The requests for personal counseling service have slightly increased during this past year, but continue to maintain a level of demand which may be adequately met with the existing resources of this office.

The continuing education in pastoral counseling work during this past year has expanded primarily in the area of marriage preparation through the execution of six pre-marriage counseling workshops which were offered throughout the Episcopal Area. These workshops were well attended with a total participation of nearly 100 pastors who studied together the new Pastor's Manual, "To Love and To Cherish."

There is an obvious and intensified interest in local churches in the Christian ministry of marriage and family life. An increase in the number of requests for consultative and advisory help from this office has been noted, with an increase of involvement in helping local churches plan for the strengthening and relevance of the church's ministry to contemporary family life.

In 1969, this office began an effort to utilize the resources of industrial psychology in an effort to assist local pastors in their own personal and professional growth in seeking a sharper self-identity as a pastor and understanding more effectively their own method and style of functioning as a professional person. It was proposed at last Annual Conference that there be at least two Birkmon Seminars offered for personal and professional growth, and these two were offered and completed, in addition to another seminar offered for late Spring, 1971. It is expected that the continued use of this methodology will prevail, as well as utilization of other modern methods of management, methods, personnel, and mental health resources.

It is anticipated that the ministry of this office will continue as a one-man office, with a part time secretary, without at present the necessity of expanding personnel. However, increased costs and greater variety of resources, will require slight budgetary increases.

BOARD OF CHRISTIAN SOCIAL CONCERNS**Report No. 1****(Adopted June 9, 1971)**

Since Christian people find it impossible to respond to Jesus Christ without also responding to the needs of their fellow men, and since the Church as the Body of Christ exists to be his minister among men, we commend the following opportunities for service to the congregations of the Central Texas Conference:

A seminar to be held in the Fall of 1971 which will give current information on draft laws and which will assist those who are called upon to counsel young men of draft age;

Each local congregation is encouraged to receive an offering for the support of the work of the Chaplain of the Gatesville State School for Boys on any Sunday during the year which the local church might choose;

Labor Sunday should be observed on September 5;

World Order Sunday should be observed October 17, and the following week used to familiarize the local congregation with the work of the United Nations;

Drug and Alcohol Concerns Sunday should be observed November 14, and a special offering for Texas Alcohol Narcotic Education, Inc. is recommended as an appropriate way for the congregation to express tangible concern for the problem of drug abuse;

Local churches of differing ethnic makeup are encouraged to join together, two-by-two, in **Christian Venture Projects** where they work together for a definite period of time (e.g., six months) on a mutually agreed upon problem in the parish of one of the churches, and then on a mutually agreed upon problem in the parish of the other; or in the case of a small community, that the two congregations work on a problem common to the community as a whole;

Local congregations are urged to sponsor awareness programs in environmental stewardship featuring such activities as: a group which notes and reports to local district attorneys any companies or industries which violate anti-pollution laws; or a can and battle and trash pick-up day in the community.

BOARD OF CHRISTIAN SOCIAL CONCERN

Report No. 3

(Adopted June 9, 1971)

The Board of Trustees of S.M.U. having made the following statement, the Board of Christian Social Concerns makes some recommendations.

Policy Statement on Alcohol Made by the Board of Trustees of S.M.U.

"The University prohibits the consumption of alcoholic beverages in public places on campus. The Board of Trustees affirms its conviction in conscience that alcoholic beverages and their effect on the person constitutes one of the most serious problems in our nation. We, therefore, urge the community members to abstain from the use of alcoholic beverages at all times. It also recognizes that responsible individuals make their own decisions. Community members are expected to maintain self-control and to uphold the dignity of the University at all times and in all places.¹ The burden of proof will be upon the user to show

that his actions are consistent with the ideals of excellence of mind, purity of body, and responsible social behavior,² including recognition of the rights of others. The University will initiate disciplinary action when persons neglect or abdicate their own responsibility.

"Students in particular should at all times be cognizant of state and local liquor laws. It is unlawful for any person under 21 years of age to possess, purchase, or consume alcoholic beverages except when said person is with either parent or an adult spouse. It is also unlawful for any person to sell, furnish, give or cause to be sold, furnished, or given away to any person under the age of 21 years any alcoholic beverage in Texas. Moreover, it is unlawful for anyone to buy or sell alcoholic beverages in the City of University Park. The University expects that each individual and group within the University community will uphold these laws.

"This policy is based on the University's concern for the mental and physical health and well-being of the members of the University community."

First: We believe the Board of Trustees of Southern Methodist University acted in good faith in accordance with the policy statement on alcohol of the General Conference of the United Methodist Church and in keeping with the laws of the State of Texas.

Second: We encourage any of those entities within the Central Texas Annual Conference whose opinions concerning the use of beverage alcohol are different from those stated in the 1968 Discipline of the United Methodist Church to express their opinions and sentiments by resolution directly to the General Conference.

b. 1972 is the year for preparing and publishing the final form of the plan at national level.

c. Early in 1973 a plenary session of COCU will vote on the plan. Official voting by denominations will also begin in 1973.

d. The 1976 General Conference of The United Methodist Church is expected to vote on the plan.

Specific Recommendations to Annual Conference

Report No. 3

Committee on Higher Education and Campus Ministry

(Adopted June 9, 1971)

The campus ministry is the extension of the mission of each congregation within the bounds of our conference. Wesley Foundations give evidence of our traditional Methodist commitment to the unification of knowledge and vital piety, and we seek to serve the academic communities with the same vigor that John Wesley demonstrated so long ago.

A part of our task is to provide the funds for the administration of our ministry on the campus. Each church in our conference is asked to pay 60c for each member reported, and the sum derived from the Wesley Foundation account is divided among several campuses. Our conference has never reached its goal for giving to Wesley Foundations; however, we are happy to report that we received more money for this cause in 1970 than in 1969. And we believe that with continued effort the congregations within our conference will meet the need for this challenging ministry to the campus.

During 1970 we received \$57,228.98 for our Wesley Foundations and the money was expended as follows:

Baylor University	\$ 8,893.37
Navarro Junior College	4,950.32
North Texas State	1,648.19
State Office, TMSM	7,828.93
Tarleton State College	8,229.54
Texas Christian University	9,900.60
University of Texas at Arlington	11,102.44
University of Texas at Austin	1,648.19
Emergency Reserve Fund	3,027.40

The Committee on Higher Education was asked to cooperate with the Texas Methodist Student Movement through participation in an evaluation of the effective work of Wesley Foundations. In accordance with that request, a large number of skilled persons were recruited to visit the schools where we are represented. The evaluators were divided into teams, and they were given instructions by the State Director. Each team will report its findings to the Conference committee and our report will be added to those evaluations being conducted by the other conferences in Texas. The goal of this study is to com-

plement our strengths and to discover ways and means of overcoming any weakness in our mission to the colleges and universities of Texas. Because such a study is time consuming, it is appropriate to express our appreciation to those who gave of themselves so that all of us can share in the rewards of an increasingly effective ministry.

The Committee on Higher Education was asked to assist the churches of the conference in giving greater support to Huston-Tillotson College. The year 1970 saw a substantial increase in money given to Race Relations Day. In 1969 we gave \$5,099.79 and in 1970 we gave \$8,815.99. But even this remarkable increase is challenged by the goal for 1971. During 1971 each church is asked to support Negro Higher Education by giving 25c for each member reported, and if we respond to the challenge we will produce \$29,400. Because of the size of the task and the importance of the project, the Committee on Higher Education has developed a task force to give broad publicity to this program.

The Committee on Higher Education is a servant of many causes, and we are particularly interested in our Texas Methodist Colleges. We are glad to report that the people who support our churches provided \$131,068.79 for our denomination's schools during 1970. And we are certain that every church and every pastor will seek to give \$1.50 per member to this cause during the year 1971.

Report No. 4

Campus Ministry Budget

(Adopted June 9, 1971)

Purpose: to determine allocations, from conference funds designated for Wesley Foundation work, 1972, to campus ministries at Baylor, Navarro County Jr. College, UT Arlington, Tarleton State, T.C.U., UT Austin, the state office, and the emergency funds.

Recommended, 1972

	Goal	Distribution Scale
Baylor	\$10,200	.1557
Navarra	6,125	.0935
Tarleton	9,300	.1419
T.C.U. (metra)	11,000	.1678
UT Arlington	16,500	.2518
UT Austin	3,000	.0458
State Office	6,400	.0977
Emergency Fund	3,000	.0458
Total	\$65,525	1.0000

It is recommended that the conference treasurer send one twelfth of the proportional amount, each month of 1972, until the last month, and that payment be held and adjustments be made on the basis of total receipts for the year. It is recommended that proportional distribution of funds be made in 1972 on the basis of 1971 receipts and that this be the guide to the conference treasurer as he makes payments.

It is recommended that caution be used in allocations until financial obligations are determined on the Central Texas Conference in relation to property and debt matters. UT Austin is of particular concern since it is outside the bounds of the conference.

We emphasize that adequate money can be raised when conference giving averages 60c per member. Approximately \$72,000 would be realized on this basis. We strongly urge campus ministers to become more aware of and concerned about local church attitudes and involvement. We recommend that—

Campus ministers begin now (February 1971) to contact district superintendents about effective relationships with pastors and local churches.

teams of Wesley Foundation participants make plans to appear in district and local church meetings.

a minimum of two contacts be made before June 1, 1971 by campus ministers with district pastors who are related to their particular ministry.

We recommend, to the Conference Program Council and the Commission on World Service and Finance, that Wesley Foundation work be given priority consideration for the calendar year 1972, this in relation to both program and money.

Let it be noted that changes in the 1972 allocations are made on the assumption that the North Texas Conference will assume full support of campus ministries in Denton and that the Central Texas Conference will assume full support of campus ministries at UT Arlington.

If funds are realized above the stated allocations for 1972, the Committee on Higher Education and Campus Ministries will determine proper disposition.

Emergency Fund allocations will continue to be used for emergency needs only. The chairman of the Committee on Higher Education and Campus Ministries and the director of the conference Board of Education are to determine when a request is valid.

of

The Texas Commission on Campus Ministry

of

The United Methodist Church

(Adopted June 9, 1971)

Article I. Name

The name of this corporation shall be The Texas Commission on Campus Ministry of The United Methodist Church Incorporated, hereinafter referred to as The Texas Commission. The Texas Commission shall be the successor to and shall function in place of The Board of Trustees of The Methodist Student Movement of Texas, Inc.

Article II. Authority and Purpose

The governing body of this corporation shall be the assembled Texas Commission, which shall derive its authority from The United Methodist Annual Conferences in Texas, namely Central Texas, North Texas, Northwest Texas, Rio Grande, Southwest Texas, and Texas, and which shall serve said Conferences in the personification, interpretation, promotion, coordination, evaluation, and innovation of United Methodist ministry on other than United Methodist college and university campuses in Texas and other areas that later might be included.

Article III. Membership

The Texas Commission shall be composed of the following members:

(1) Ex Officio:

The Presiding Bishops

The six Chairmen of the Annual Conference Commissions (or Committees) on Higher Education and Campus Ministry.

(2) Elected by the Annual Conferences:

One person from each Annual Conference, lay or clerical, whichever is opposite the order of the Chairman of the Conference Commission, and nominated by that Commission.

Five campus ministers, one each from those Conferences which campus ministers are responsible, to be nominated by the campus ministers of each Annual Conference.

Five students, one selected by each of the member campus ministers with reference to maturity and continuity, and in consultation with other campus ministers from that Conference.

(3) Note on Membership:

If at any time the number of Conferences is adjusted, or the number to which campus ministers are accountable, then the number of representatives to the Texas Commission will be automatically adjusted to agree thereto.

Article IV. Duties

The Texas Commission is directed by the Annual Conferences to perform the following functions with respect to campus ministry:

A. Relationships with Conference Commissions:

1. Assist each Conference Commission to understand higher education and Christian mission to it.

2. Assist each Conference Commission with monetary concerns: public relations relative to raising funds for campus ministry through Annual Conference appropriation and other efforts; the development of priorities and strategies for allocation of Conference funds; and responsible procedures for accounting to the fiscal structures of the Conference for all funds.

3. Assist each Conference Commission in the development of priorities and standards of initiating, evaluating, or restructuring units of campus ministry, including the establishment of Boards of Directors or Campus-Church Relations Committees.

4. Assist each Conference Commission in training, guiding, and evaluating Boards of Directors as they supervise the specific ministry in their charge.

5. Assist each Conference Commission in keeping abreast of change in higher education, and the innovations in ministry thereto continually required.

B. Relationships with personnel:

1. Texas Commission Staff:

The Texas Commission is authorized to employ a State Executive and such other staff as may be needed to carry out its duties, and to provide adequate funds for this office.

2. Campus Ministry Staff:

a. United Methodist Clergymen appointed to campus ministry shall be appointed by the Presiding Bishop to the Annual Conference in which he holds membership and with the consent of the Presiding Bishop of the Conference in whose bounds a campus unit is located. Such appointments should be made after consultation with the Personnel Committee of the Board of Directors concerned on the needs of the local ministry, the qualifications of ministers being considered, and remuneration available. However, if an Annual Conference thinks of campus ministry as a special appointment, staff will be selected according to the requirements of the 1968 **Book of Discipline**, par. 352.

b. If the prospective campus minister is a lay person or non-Methodist clergyman, employment should follow similar procedures for coordinating needs, qualifications and salary, with employment concluded by the Board of Directors after clearing with the Presiding Bishop.

c. If the Texas Commission employs a State Executive, he should serve as consultant to the process of selection, appointment, or moving.

C. Relationship to property:

The Texas Commission shall seek acceptable and agreeable terms for transferring campus ministry properties (both centers and personages) to Annual Conference ownership or determination thereof, and to execute transfers of those that prove feasible. The Texas Commission shall provide assistance and consultation to Boards of Directors and Conference Commissions on the design, financing and construction of new facilities for campus ministry. Approval by The Texas Commission shall be required of plans for major alteration or new construction of properties to which The Texas Commission continues to hold title.

D. Ecumenical Relationships:

The Texas Commission shall seek to cooperate with other denominational and interdenominational groups and agencies whenever feasible.

Article V. Organization

At the first meeting of each quadrennium the Texas Commission shall elect the following officers: Chairman, Vice-Chairman, Secretary, and Treasurer, whose duties shall follow classic functions of such officers.

An Executive Committee shall be formed of the elected officers. It shall be empowered to meet between sessions of the Texas Commission and perform such functions as may be delegated to it. It shall meet on call of the Chairman or written request of 2 members. Written notices of all meetings shall be given at least ten days in advance.

The Texas Commission shall meet at least once each year on a date determined by the Executive Committee.

Article VI. Adoption and Amendment

This Constitution shall become fully effective upon adoption by a majority of the Annual Conferences concerned. Amendments shall become effective when adopted by a majority of all Annual Conferences represented on The Texas Commission after proposal by three-fourths vote of the Commission, a 30 day notice of any proposed revision being required for members of this commission.

By-Laws

I. The Texas Commission is authorized to establish Standing Committees or task groups as it deems necessary.

II. The Texas Commission shall have such authority and responsibility as shall be consonant with the **Discipline** of The United Methodist Church.

III. Mail Ballots

A mail ballot may be submitted to the Commission after approval by the Executive Committee. Two thirds vote of the Commission is required for approval, and must be returned within 30 days.

IV. Amendments

These By-Laws may be amended at any regular session of The Texas Commission by a majority vote of those present, provided that the subject of the proposed amendment is included in the order of business adopted at the opening of the session, and at any called session of the Texas Commission, provided the proposed amendment is indicated in the call for the special session.

Report No. 7

Partial Report: Committee on Alternate Structure

The Texas Methodist Student Movement

(Revised 1-4-71)

(Adopted June 9, 1971)

1. That some form of Statewide structure for campus ministry be retained.

Rationale: We believe a state-wide structure is needed for several reasons. First, campus constituencies are state-wide in almost all institutions, calling for some structure with state-wide overview. Second, a changing situation with respect to funding of campus ministry. Third, increasing numbers of campuses and students. Fourth, the constantly evolving needs of students calling for altered styles and content of ministry. Fifth, the continued fluidity of denominational emphases. These call for a special structure addressing itself specifically and **creatively to ministry thereto.** In such a time especially, some such structure seems particularly critical. Last, in word of modern organizations, including the church in its organizational aspects, causes and programs will command attention and support only when some one or some group sees that it does. "Everybody's business is nobody's business."

2. That we ask those Annual Conferences which have not already done so to reorganize, according to the provision of **The Book of Discipline**, Par. 1114.2, shifting to The Commission on Campus Ministry and Higher Education, responsible directly to the Conference Program Council, and that its membership be broadly representative of Conference leadership, lay and clerical, campus and non-campus.

Rationale: We believe that ministry in higher education needs an effective lobby within each Annual Conference, and do at this time recommend that this responsibility shift from the state level to the Annual Conference level. Therefore, establish the Conference Commission on Higher Education and Campus Ministry, and cut it free of the Conference Board of Education, reporting directly to the Program Council, and constitute it from a broad cross-section of Conference leadership. The shortcoming of the former Committee approach is that higher education is often lost behind maintenance of camping facilities and leadership development, both very important. Further, a shift to a Conference Commission on Higher Education and Campus Ministry enables a totally different membership on the State Board, which can become smaller, and function more directly to supervise the work of the State Executive.

5. That a full-time State Executive be continued for the time being.

Rationale: We believe that the concerns of campus ministry need personification; that someone needs to keep coming up with information on creative developments; that someone needs to work with local boards, Conference Commissions, Bishops, and Cabinets as interpreter, trainer, and consultant; that someone needs a statewide overview; that some **one** needs to see the whole state picture for higher education; that for the present someone needs to give this work full time; that Conference Program Staff is already overburdened with responsibility.

It is assumed that the State Office will be a minimum expense: salary and upkeep, travel, part-time secretary, minimum mailings, etc., as needed.

Report No. 8

Special Report on Evaluation of Wesley Foundation

(Adopted June 9, 1971)

Introduction:

This evaluation study was undertaken at the request of the Reverend Wallace Chappell, Director, The Texas State Office, The Texas Methodist Student Movement.

The Reverend Jahn Rentfro, Committee Chairman, appointed an evaluation committee which planned the study, prepared a study guide, and assigned an evaluation team to visit each campus. Membership on the evaluation teams include clergy and laymen, and there was one campus minister on each team.

The colleges in the geographic bounds of the Central Texas Conference which have Wesley Foundations and were evaluated are classified and listed below:

Private Senior Colleges:

Baylar University

Texas Christian University

Public senior colleges:

Tarleton State College

The University of Texas at Arlington

Public junior colleges:

Cisco Junior College

Navarro Junior College

Ranger Junior College

In addition, the Central Texas Conference appropriates funds for the Wesley Foundation at the University of Texas at Austin. The Central Texas Conference participated in a visitation to the University of Texas at Austin in cooperation with other Texas conferences.

Findings:

There is considerable diversity in extent of the campus ministry and in the character of the colleges. Each of the senior colleges has a full-time campus minister. None of the junior colleges has a full-time minister, and only one (Navarro) has a part-time campus minister. Diversity of institutional character, as viewed from the Wesley Foundation concern, includes difference in student sectarian preference, social and cultural attitudes and interests, and religious values. Participation in Wesley Foundation programs vary, but is not in large numbers at any campus.

Generally, there is high commendation and respect for the campus ministers. There is appreciation and praise from students, faculty, and administration for the "open" attitude of the Wesley Foundations toward persons and issues.

While teaching of credit courses of a religious or religious related nature occurs at most of the Wesley Foundations, teaching is not generally considered the primary mission.

Worship services are held at most centers, but these may or may not be in traditional format. It is found that worship services, particularly on Sunday, are not practical. Consequently, campus ministers encourage the students to attend local churches.

Several centers have moved substantially into ecumenical (and economical) relations with the campus ministry programs of other denominations of the Christian faith. In each case, there was not only pride in this undertaking but also recommendation for deeper relations and further ecumenical endeavors.

Although not a specific subject of the evaluation, note must be made of the substantial number of junior colleges within the Central Texas Conference which have no campus ministry program. The unique character of junior colleges should be considered in future determination of policy for Wesley Foundations.

There are some negative images of the Wesley Foundations and these criticisms are valid, serious and deserve attention. Among these are the lack of traditional and regular worship services, the lack or small enrollment in religious courses, and identification with nontraditional persons and ideas. Even so, there was little indication of serious differences between Wesley Foundations and the college administration or local churches.

Counseling of students with personal and philosophical problems was found, universally, to be an extensive mission and activity at each center. The professional validity of the campus minister should be measured in terms of his person to person contacts, his emphasis on human values, and it should be understood that this cannot always be statistically reported.

The financial status at each center was strained. Budgets over the past decade have not kept pace with the rising costs of operations. Generally, programs have trended toward austerity in the face of increased enrollments. The prospects of the immediate future are not optimistic. Nevertheless, finance is not the paramount problem of our Wesley Foundations.

Recommendations

1. It is recommended that the primary mission of the Wesley Foundations be recognized as a personal mission to students, with personal counseling as the most important activity of the campus minister. Our ministry in the future will be less building oriented and we will have less need for real estate. Teaching and worship should be continued as activities, but as secondary. The mission of the Wesley Foundations has changed, largely due to changes in the student population, and

this will necessitate a new understanding of the work of campus ministry by the supporting congregations. Therefore, it is recommended that a program be organized to acquaint our local churches with the reasons for this changing mission.

2. It is recommended that the campus ministry be recognized as a specialized ministry requiring certain skills and definite training. We believe these special talents should be rewarded with career opportunities in the fields of higher education and campus ministry.

3. It is recommended that the Central Texas Conference encourage the continuance of the ecumenical relations between its campus ministries and those of other denominations of the Christian faith.

4. It is recommended that the Central Texas Conference make more adequate provisions for its program of campus ministry. This is a rather complex subject and will be covered in other and future recommendations.

CONFERENCE FEDERAL CREDIT UNION**(Adopted June 9, 1971)**

The Central Texas Conference Federal Credit Union paid a 5% dividend totaling \$3,138 on deposits for 1970. A 5% rebate was paid on the interest paid on loans in 1970 by credit union members. The amount was \$281. These were firsts for your credit union.

Membership in your credit union increased to 245, a gain of 67. At the same time, shares had a net increase of \$8,926 raising the total to \$73,553. Loans increased from 58 in 1969 to 95 in 1970. The dollar value of the loans had a corresponding increase from \$34,075 in 1969 to \$78,859 in 1970.

For the first time, all deposits in credit unions are insured by the federal government. In addition, your credit union has added double indemnity insurance on the life savings plan. This means that if one has \$500 in shares and is killed in an accident, his widow would receive the \$500 plus \$1,000 in insurance. The first \$2,000 in each member's account is covered 100% by insurance if deposited before the member's 55th birthday, 75% on deposits made between the 55th and 60th birthday, 50% on deposits made between the 60th and the 65th birthday, and 25% on deposits made between the 65th and the 70th birthday.

All loans (with certain exceptions) made by the credit union automatically carry loan insurance which pays off the unpaid portion of loan in case of the member's death.

All of these insurance benefits are at no cost to the credit union member. This is one of the values in saving and borrowing from your own cooperative credit union.

BOARD OF HEALTH AND WELFARE MINISTRIES**Report No. 1****(Adopted June 9, 1971)**

In carrying out the assignment of our Board by the Conference Program Council to encourage new ministers in the local churches, our Board has conducted a conference-wide survey of existing ministries and outreach in the local churches, and has conducted eight district workshops and sharing sessions. The scope of our survey was to ascertain:

- (1) Existing ministries and local outreach;
- (2) Budgeted items for such expenditures;
- (3) Whether or not surveys of local needs had been made.

Slightly less than 1/3 of the churches in the conference answered the survey questionnaire furnished to them. Of those responding, less than 1/4 had made such a survey and fewer than 1/2 reported any programs or projects of local outreach by their churches.

In January, 1971, workshops and sharing sessions for all pastors, Health and Welfare representatives and Council of Ministries chairmen were held throughout the conference. The enthusiasm reflected in these sessions was extremely high and we are encouraged by the many possibilities for new ministries which were developed. As a follow-up, an additional survey will be made in six months to determine the new ministries which have begun. The results of this survey will be furnished to each local church for consideration by the Council on Ministries as a resource of possible ministries.

Under the mandate of the gospel our Board will continue to seek new and significant ways to express Christian concern to the sick, the needy, the outcast, and the disadvantaged. To this end, we recommend to the Program Council:

(1) To strengthen our existing institutional ministries by publication and promotion to the local churches in order to:

(a) Better educate local congregations to the most urgent needs of our institutions.

(b) Better inform the local churches to the services and facilities offered by the institutions.

(c) Encourage local churches and districts to organize visitation and field trips to the institutions.

(2) To develop and distribute information addressed to the problems of:

(a) The mentally ill and mentally retarded.

(d) Drug use, drug abuse, dropouts, and delinquents.

(3) To set up a conference wide job bank or employment service for the jobless and unemployed.

We further recommend:

(1) Two conference tours by charter bus to designated institutions and other program areas . . . July 7, 8 and 9, 1971; August 4, 5 and 6, 1971.

(2) Two workshops on child care for the mentally retarded and current problems of young people, for pastors and Council of Ministries chairmen, to be conducted by qualified people in related problem areas, to be held in Temple — September 10, 1971; Fort Worth — September 11, 1971.

BOARD OF HEALTH AND WELFARE MINISTRIES**Report No. 2****Harris Hospital****(Adopted June 9, 1971)****In Memoriam:**

Preceding any formal report to the Central Texas Conference of The United Methodist Church, we must regretfully advise the Conference of the death of Trustee, O. C. Armstrong, of Fort Worth, Texas on September 26, 1970. The loss of this staunch supporter of Harris Hospital will be felt throughout the Conference, for his life was devoted to the many avenues of service provided by the Church.

Patient Care Factors:

During the Fiscal Year 1969-1970, 171,703 days of adult care were given; this was an increase of 7,456 days over the previous year. In addition, 26,470 days of newborn care were given — an increase of 1,668 over the previous year.

The nursing shortage in Texas, in general, has not improved greatly this year; however, Harris Hospital has continued its recruitment of nurses from abroad; currently, 79 foreign nurses are employed here.

Purchase of Equipment and Property:

During the year, the Board of Trustees of the Hospital authorized the purchase of equipment and property in the amount of \$205,707.10.

Modernization Program — Phase IIIA:

Construction on our modernization of Floors 8, 7, 6, 5, as well as the Progressive Care Area on Second Floor in the Main Building, was begun in June 1970. The cost of this Phase IIIA is \$5,196,253.51. Of this amount, \$1,000,000 will be received as a grant from Hill-Burton; \$1,700,000 has been negotiated in long-term financing; the balance will come from Hospital reserve funds and a donation of \$200,000 from the Sid W. Richardson Foundation.

Completion of this program is scheduled for December 1971.

Medicare:

The number of patients covered by Medicare to our total patient load for the past Fiscal Year was 18.23% as compared to 19.36% the previous year. The average length of stay of the Medicare patient was 11.4 days compared to 8.9 days for the non-Medicare patient. The Medicare Law is so constructed that the hospital is forced to discount the Medicare patient's bill 18% below normal billings; this enforced discount must be made up by the non-Medicare patient; these regulations are totally unfair to the non-Medicare patient.

Nominations and Appointments:

The Board of Trustees place in nomination, as Trustees of Harris Hospital, for a three-year term, the names of the following individuals: Reverend W. V.

Bane, D.D., Sol Brachman, R. E. Cox, Jr., Reverend Ira Gallaway, D.D., William S. Montgomery, I. C. Parker, Dr. Law Sone, Alvin E. Soniat, L. N. Wilemon.

The Board of Trustees request the Bishop and his Cabinet to appoint the Reverend James B. Ansley, D.D., as Commissioner-Chaplain of the Hospital for the coming Conference Year; and, further, to appoint Reverend Jahn W. Schaub as Associate Chaplain for the coming Conference Year.

Report of Commissioner-Chaplain, Harris Hospital

The Chaplaincy

(Adapted June 9, 1971)

There is no limit to the challenge of our work as chaplain at Harris Hospital. When "we hear Him call" and dare to follow, we become a representation of Christ and therefore a representation of God in the midst of human suffering and need. When "we hear Him call," we suddenly become motivated by an overwhelming power of love. We then become aware of the needs of others and become partners with God in meeting these needs. Such is the privilege of our ministry at Harris Hospital.

Harris Hospital continues to grow and improve its quality of service.

Chaplain John W. Schaub is completing his second year with us and has given superior guidance to our several training programs. He is uniquely qualified, both by personality and training, for his work at Harris and has won for himself an outstanding place on our Hospital Staff.

Golden Cross Service

Our Golden Cross Service at Harris Hospital represents your faith in action. It is love ministering to human need. There has never been a time when it was more important that our faith and our action be synonymous. Medicare and Medicaid have been wonderful for many people — yet many of our people do not qualify for either of these. Our Golden Cross must bridge this gap.

This report covers the period of January 1, 1970 through December 31, 1970.

At the close of December 31, 1970, the cost of 37 church referred patients amounted to \$24,696.22. The total amount received from the churches of our Conference for the same period of time amounted to \$9,009.39.

Charity Service rendered January 1970 - December 1970. — \$24,696.22

Receipts:

Offerings from Churches	\$ 9,009.39
Personal Gifts	1,863.00
Insurance	8,104.69

Total	\$18,977.08

Harris Hospital — Clinical Pastoral Education

(Adopted June 9, 1971)

Harris Hospital continues to provide a learning opportunity whereby pastors and theological students may grow in sensitivity to the needs of persons and appreciation for adequate pastoral skills rendered in an environment of illness and crisis. Brite Divinity School, T.C.U., and Southwestern Baptist Theological Seminary have provided a total of thirteen students this past academic year for clinical training on Mondays of each week. In addition, six students from Southwestern Seminary fulfilled their field education requirements by being clinically trained on Tuesday afternoons throughout the past year. Seminary credit was received by these students.

On August 14, 1970, six men were certified as having completed Unit I of Clinical Pastoral Education. These certifications concluded an outstanding summer program in C.P.E.

Plans are being completed for this summer's program. Another Unit I will be offered from May 31 through August 13, 1971. Interestingly, three times as many applications have been received as can be accepted. This indicates the popularity of this program as well as its importance.

Report No. 5

Methodist Home

(Adopted June 9, 1971)

Today's children in institutional care are effectually "homeless" as in the past, but homeless in a different way — usually with one or both parents alive. This makes it harder for the child to accept comfortably his own need to be in an institution. Emotionally, he is constantly searching his heart for the reasons for his being here hoping the situation will change so he can be back with his family. Some children are haunted by fear that their own unloveableness caused parents' rejection and they react with despondency, withdrawal or acting out behavior. Some cannot accept love of other adults because every kindness shown points up the contrast of their own homes.

Children today are more disturbed; some are mildly so and can be adequately served by patient and kind homeparents and staff, while others have greater problems needing constant casework services of a trained social worker. Many are so "emotionally disturbed" that intensive therapy given by trained psychologists and social workers is needed and even diagnosis, therapy and medication must be administered by a psychiatrist if the child is to have a chance to right his emotional instability. Methodist Home is being called upon constantly by the Methodist churches in Texas and New Mexico to receive and administer to children who are in dire need of this level of service. A conservative estimate would be that **seventy per cent of all children for whom admission is being sought to Methodist Home have emotional problems so great that there is a constant need for professional case work, psychological or psychiatric services to meet their needs.**

Methodist Home Guidance Center

In 1965 plans were begun for the development of a Treatment Center facility to meet the needs of the emotionally disturbed child and Mrs. V. R. Hurst of Langview, Texas, pledged the needed funds for the building of such a center. The funds from the Estates of Miss Georgia Tennison of Mt. Pleasant and Mrs. Annie Maude Settoon of Plainview were pledged by the Board for the living units of the Center, altogether making sufficient funds to provide a facility to meet present needs. However, upon study and consultation with many authorities in this area of professional child care, and seeing the apparent need for service not only to the children of Methodist Home itself to those children in need in the community, it was determined by the Board that the Guidance Center project would be offered to the community as a part of the Community Mental Health program, and Federal Funds would be sought for the building and staffing of this facility. These proposals were eagerly accepted and the schedule calls for the completion of the three buildings in the Methodist Home Guidance Center by May 1, 1971. It was felt by the Board that the expanded services which could be provided because of the affiliation with the Community Mental Health program and the funds from the Federal Government, would give the children of Methodist Home superior care to meet their needs. The Center will provide the five basic Mental Health Services to the children of Methodist Home and the community at large as follows:

1. Emergency treatment for children in crisis periods;
2. In-patient treatment — children admitted for evaluation and intensive treatment;
3. Partial care — children would spend days, nights, or weekends at the Center;
4. Out-patient and/or family counseling;
5. Education and consultation with other community groups and services.

The Guidance Center will be headed by a Child Psychiatrist as Medical Director and his staff will include a Child Psychologist, social workers, nurses, and teachers with appropriate training for this type of work.

There are some very important implications "public relations" wise to this extended and improved service of Methodist Home.

First and foremost, it establishes the fact, once and for all, that Methodist Home has gone from a custodial type agency caring for orphaned or dependent and neglected children to one which is geared to meet the needs of children in this complex and changing society. This will not be easy for some Methodist

people to accept. The child who has had the misfortune to lose his parents has always found a soft spot in the heart of most people. The same is true of the bright-faced neglected child who has few problems beyond the need for food, clothing and shelter; but the child who is torn apart emotionally by the treatment he has received from the adult world and reacts accordingly and his actions are not acceptable in the graces of our society — this child is not always the object of interest, care, and concern of those around him. However, this is the typical child Methodist Home is called upon to receive; and in most cases these children have great potential in life if their emotional scars can be healed and they can receive some direction in their lives. But this service to children is a very expensive one. Food, clothing, shelter, school and the other services once offered to dependent and neglected children are not nearly enough to meet the needs of the child. There must be very much one-to-one relationship between the Psychiatrist, Psychologist, social worker or other trained staff member and the individual child. Many hours of a professionally trained staff will be spent with an individual child. This makes it necessary for the ratio of trained workers to number of children to be much lower than in former times. Salaries are necessarily high for this highly trained worker; but it has been proved over and over that what appeared to be very costly care for a child turned out to be a nominal amount when the child finally was able to take his place in society and be a responsible, constructive member of his community and not end up in institutional care for the rest of his life. We believe the Methodist people in Texas and New Mexico will understand and accept the added financial responsibilities which will come with this extended service to children.

Methodist Home Boys' Ranch

Even with the Guidance Center, some delinquent and pre-delinquent boys have patterns of behavior which make it apparent that they could not profit from the service of Methodist Home. The Home has no locked doors or gates and the older child, who has had the liberty of coming and going as he pleased and has become involved in "brushes" with the law, finds it most difficult to accept and adjust to the structured program of group living at Methodist Home. It is sad that there are few agencies in the State geared to serve his type child and the State Training School is usually the final resource available to him. In many instances, the Training School is not the proper place for him, but it is the only one available.

The Board of Directors has approved the establishing of Boys' Ranch facilities in the near future to help meet the needs of this type boy. We have a natural and an excellent setting for this in our 1500 acre Valley Mills Ranch only fifteen miles from our campus. A beginning can be made at a very nominal cost by building one ranch house to house 12 to 16 boys, barn and shop facilities. The ranch is close enough that the campus services of food, clothing, and medical attention can be given there at a very small cost. The boys in residence then will attend the rural school in the area and receive great benefit from it. This type program can be developed slowly with a good supervisor almost by the boys themselves and at a very nominal cost. It will be a tremendous program and meet a need with teen-aged pre-delinquent boys which we are not now able to meet. No children's home in America has a brighter future than does Methodist Home. Backed with the support of over a million Methodists and countless other friends, a sound financial base in the Methodist Home Foundation, a farsighted Board of Directors and a capable and dedicated staff, there is no reason why this institution cannot meet its goals in the future and be the agency of excellence in child care in the Seventies. In accomplishing this, it will be one of the greatest redemptive programs of the Church. In receiving the services of the Home, a child will know that the arm of the Lord is reaching through His people to give love and comfort to His children.

As of February 1, 1971, we had enrolled the following number of children:
Campus 327, Foster Homes 93, Mother's Aid 3, College 18, Tentative Adoptions 1, Total 442.

As of February 1, 1971, the total offering from the Central Texas Conference amounted to \$68,268.00.

We submit the following name as member of the Board of Directors to the At Large position to serve a three year period: Judge Tom Reovley of Austin, Texas.

We submit the following names to represent the Central Texas Conference on the Board of Directors for a three year period: Dr. Judge Lyle of Fort Worth, Texas, and Dr. Stanley Williams of Fort Worth, Texas.

Report No. 6

Methodist Mission Home of Texas

(Adopted June 9, 1971)

General: Your Home in San Antonio is one of the outstanding agencies of its kind in the United States. It provides a well balanced, realistic, and effective ministry to unwed mothers and their families. These young women come from every social and economic background and a large majority of these in the Home come from church-related homes. They need our understanding, acceptance and love — in spite of their serious moral mistakes, they need a place where they can obtain confidential and expert help on their medical, psychological, and social problems; and they need the help of sensitive counselors to re-think life's meaning, find a more mature way to manage their lives, to accept God's forgiveness and to make realistic decisions about their babies. Your support of this program makes all this possible in larger measure each year.

Counseling: This phase of our work with the residents continues to be a basic factor in our healing and redemptive ministry. Our girls are being seen individually by experienced caseworkers and also are involved in group work sessions. Each resident is provided basic psychological testing under the direction of a Clinical Psychologist and, when needed, the services of a Consulting Psychiatrist are used. All girls are given specific and detailed understanding of their prenatal problems under the direction of a Registered Nurse and are seen weekly in our Clinic at the Home.

The new Home on Whitby Road has been in use for slightly over three years and we are beginning to realize more fully the cost of operating this larger Home. We have been officially licensed by the State Department of Public Welfare to care for 120 — as of Sept. 1, 1969.

Adoption: The placement of beautiful little babies in fine Christian homes continues to be an important part of our ministry and the Home is a fully accredited adoption agency. Our policies on adoption are much more flexible than in former years and we are using homes of many different denominational backgrounds. However, a high preference is still given Methodist families and over 65% of our babies go into Methodist homes. We serve girls of all nationality backgrounds and place babies in Anglo, Latin-American and Negro homes. We are always glad to have couples write to us about adoption possibilities, and **are in special need of Negro and Latin-American homes.**

Building and Endowment Programs: The Building Program should be well underwritten. A balance of \$150,000.00 indebtedness remains. Outstanding pledges and scheduled gifts and bequests on record now should remove this

indebtedness entirely within less than two years. The Endowment Fund now exceeds \$42,000.00 with \$32,000.00 of this amount designated to assist promising young people with their education. The other \$10,000.00 plus has been raised recently in an effort to build some reserve. Other bequests and designated insurance policies of record should assist in the growth of the endowment fund in years ahead. The Methodist Foundation in Austin is the primary depository for Endowment Funds.

Wesleyan Homes, Inc.

(Adopted June 9, 1971)

The Wesleyan Home celebrated its eighth year of ministry to senior citizens on September 10th with an Open House. The public was invited.

One hundred twenty-five residents reside in the Home. Our staff consists

of fifty-five employees, with nurses round the clock on third and fourth floors.

The Wesleyan greatly appreciated the items received from the Harris Hospital. Income from the Lovitt Estate netted the Home approximately \$4,000.00. Individual gifts and pledges, the annual Mother's Day offering, our Foster One Program, and income from Oil & Gas Royalties from the Highnote Estate greatly helped our continued services.

We were favored with \$1,500.00 from the Lola Wright Foundation for the fourth year.

General repairs have been made throughout the building. A parlor on first floor was converted into a temporary Prayer Room until a chapel can be built. Other needs include a recreation center and a rehabilitation center.

Our outstanding loan of \$7,582.97 to Temple National Bank was paid in December. However, although the Home's financial condition continues to improve, there remains a great need for financial assistance to reduce the debt on the building. Our note with the Central Texas Conference of \$30,000 had the final payment of \$10,000 made this past January, thus paying the loan in full.

February 11th, a committee from Health and Welfare Ministries of Evanston, Illinois, will inspect the building for church certification. We have been designated as the Model Home in the State of Texas by the federal, state and city government, and also by the State Department of Health and Welfare.

We extend our appreciation to every individual for the continued interest and support in the Wesleyan Home. Please accept our invitation to visit your Home to see what services are rendered to all residents living here.

Report No. 8

Committee on Brotherhood and Ministerial Insurance

(Adopted June 9, 1971)

The revised program of the Brotherhood was put into effect after the adjournment of the 1970 Annual Conference. Ninety-four retired ministers and their wives, or widows of ministers, became participants in the revised Brotherhood plan by paying the \$10.00 annual fee.

There was transferred from the Old Brotherhood, \$2,273.60, and from this was paid \$700.00 in death benefits to survivors on deaths which had occurred prior to the 1970 annual conference session.

Death benefits under the new plan have been paid during the conference year 1970-71 in the amounts of \$200.00 each for the following members: Rev. J. T. Gardner, Rev. A. G. Hulme, Rev. E. R. Stanford, and Mrs. W. D. Thompson. This is a total of \$800.00. The balance in the fund stands at \$4,605.60.

There remain in the Brotherhood membership 90 participating members. The call for payment of the 1971-72 fees will be sent out in July. The new plan seems to be functioning satisfactorily.

The new Ministerial Insurance Program began functioning as of January 1, 1971. There are still problems to be worked out, such as eligibility for participation, correction of applicable rates, etc. While sufficient funds have been received to pay the conference's share of the premiums for the first two quarters, it has required considerable advancement of funds from the Operating Reserve to do so. Churches have been slow to start payment on their apportionments for this insurance. At last count 112 churches have not paid anything on their apportionments. This is 30% of the total.

We urge payment of the apportionment each quarter in advance.

BOARD OF HEALTH AND WELFARE MINISTRIES**Report No. 9****Homes for Retired Ministers****(Adopted June 9, 1971)**

Since 1906 we have been providing homes for retired ministers and wives when there is a need. We have gained three additional homes this year, yet we are not able to meet the current request for homes. There are three requests that must be deferred until later.

Our churches should be aware of the increasing cost of maintenance including materials, labor, insurance and taxes. If our contributions remain about the same as a few years ago it makes it increasingly difficult to carry our increasing load.

July 11 is the date set aside this year for our offering and we hope that every church will observe this day with the materials we have provided and with a generous offering.

Visit some of the homes—they are yours. We want you to be proud of them. And with your help we will be happy to say these are our homes.

Some of our best gifts in recent years have been homes left in Wills and Legacies. We hope that more people will remember our work in this way.

We submit the following names for nomination to the Board of Trustees of Retired Ministers Homes for terms to expire in 1973.

BOARD OF LAITY**Report No. 1****(Adopted June 8, 1971)**

The Board was organized according to the Discipline with all nominated members elected by annual conference May 26, 1970.

The Central Texas Men's Rally for 1970 was held at Tarleton State College in Stephenville, July 24, 25, and 26. The theme for this 22nd. annual Rally was "Be Thau My Vision."

Dr. W. J. A. Power made vivid interpretations from the Bible in our Bible Study sessions. The men present were inspired and challenged by messages from Bishop W. Kenneth Pape, Rev. Warren Olliff, and Dr. Jahn King. Music was under the direction of Mr. Herb Teat. Special presentation in song and entertainment was by the Tarleton Traubadars.

Under the leadership of the Stewardship section, a task force, appointed by the Program Council set up and arranged for four Bi-District sessions on Christian Stewardship. Cleburne — Waxahachie was in Grandview September 21, Brownwood-Cisca was in De Leon September 22, Waco-Temple was in McGregor September 23 and Fort Worth East and West was at Palytechnic, September 24, 1970. Dr. Clifford Lott, Associate Secretary over the Stewardship section of the General Board of the Laity, conducted these Bi-District sessions.

By adoption by conference program council and in consultation with program directors and district superintendents, five district and Bi-District training sessions in Lay-Leadership were conducted in October and November.

Temple-Waco session was in McGregor October 1, Brownwood-Cisco was in Comanche October 6, Cleburne was at Cleburne November 10, Waxahachie was in Corsicana November 16, Fort Worth East and West was at First United November 21.

These sessions were under the direction of Associate Conference Lay Leader of Lay Life and Work, Carl McIntosh and a team of special trainers. The areas covered by these training sessions were pastor-parish relations committee, Nominating committee, Church Lay Leader, Lay Speaking, Council of Ministries and Methodist men organizations.

Attendance to these and to the Stewardship sessions was most gratifying. Comments and discussion from those attending the Lay-Leadership sessions and the Stewardship sessions expressed sincere gratitude for these opportunities.

There were other training sessions on district level and in local churches on the above subject areas, as well as for Administrative Board Members, Finance Committee members, stewardship education, adequate support of the ministry and Bible study.

All districts are planning training sessions for delegates to the annual conference during May, prior to conference.

Over 94% of the churches in our conference observed Layman's Day in October.

The Conference Board met in Cleburne, First United Methodist Church, January 30, 1971 for our mid-winter meeting, to exchange thoughts, ideas and plan for the future.

District banquets or rallies have been held in some districts. Attendance has been great, showing a keen interest and desire for christian fellowship on the part of laymen and ministers. Other district banquets are planned for April and May.

The program council has set September 18, 1971 at Glen Lake as the time and place for the training of district directors in the various areas of our concerns.

We are indebted to Bishop Kenneth Pope, to our district Superintendents, to the ministers of our conference, and to the many, many dedicated christian lay people who individually and together seek to make our church really effective for "God's Way" in our world of today for the people of today.

COMMITTEE ON LAY WORKER

(Adopted June 8, 1971)

The Committee seeks to encourage professional lay employees to become Lay Workers, to provide recognition for such workers, to maintain high standards of performance, and personnel benefits. The extension of Lay Worker eligibility to the group plan of hospitalization insurance by the 1970 Annual Conference is an example of such a benefit.

The following persons meet the requirements of the office of Lay Worker in their chosen field of service and their conference relationship is recognized:

John Brelsford, Business Administrator, First United Methodist Church, Fort Worth.

Miss Oma Gee, Deaconess, Navajo Methodist Mission, Farmington, New Mexico.

Miss Beatrice Hernandez, Deaconess, Houchen Settlement, El Paso.

Miss Beulah Morton, Program Director, Wesley Community Center, Fort Worth.

Miss Kathryn Clark, Director of Children's Ministries, First United Methodist Church, Fort Worth.

Jim Flynn, Director Christian Education, First United Methodist Church, Arlington.

Mrs. Ernal Greenwaldt, Director Christian Education, First United Methodist Church, Jashua.

Louis Sommermeyer, Director Adult Ministries, First Methodist Church, Fort Worth.

William H. Miller, Director of Music, First United Methodist Church, Arlington.

Rodney Haedge, Director of Music, First United Methodist Church, Corsicana.

Miss Marjorie Williams, Director of Christian Education, First United Methodist Church, Temple, Texas.

Mrs. Herbert Halwes (Pat), Associate Director, Conference Program Agencies, Fort Worth.

Mrs. Nan Wright, Church Community Worker, Brown County, Texas.

Miss Marjorie Williams has assumed duties as Director of Christian Education at First United Methodist Church in Temple, Texas, and has been previously consecrated as a Lay Worker in the Florida Conference.

Mrs. Herbert Halwes, to be consecrated at the 1971 Annual Central Texas Conference Consecration Ceremony, is currently employed as an Associate Director of Conference Program Agencies in Fort Worth.

COMMITTEE ON MERGER

Recommendation

(Adopted June 8, 1971)

With the merger of the West Texas and Central Texas Annual Conference a Continuation Committee on Merger was appointed by Bishop Pope in June 1970. Since the two former conferences are now merged into one conference it is thought that we are now ready to take the next step in the "merger process" to insure real union.

In consultation with Bishop Pope we recommend that the work heretofore done by the Continuation Committee on Merger become a part of the work of the Conference Board of Social Concerns and that a special Committee be set up within the Board to guarantee continuing authentic merger.

COMMISSION ON MINIMUM PASTORAL SUPPORT

Report No. 1

(Adopted June 8, 1971)

Recommendations for a revision of the program on Minimum Pastoral Support are presented in an attempt to give more adequate support for our ministers.

We recommend the salary supplements shall be computed according to the following classifications:

5. (a) For a conference member in the effective relationship, the salary supplement shall be the amount necessary to make the salary \$6,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(b) For an associate member or probationary member in the effective relationship and not enrolled as a student during the year, the salary supplement shall be the amount necessary to make the salary \$5,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(c) For a full-time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full-time approved supply pastor within the Central Texas Annual Conference, the salary supplement shall be the amount necessary to make the salary \$4,500.00 per year, but in no case shall the amount required be more than \$2,000.00.

(d) For a full-time approved lay pastor, who does not meet all the qualifications of section (c) above, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(e) For the married student pastor, either a student pastor on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(f) For the unmarried student pastor, either on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$3,500.00 per year, but in no case shall the amount required be more than \$2,000.00, and

(g) In addition to the above schedule and above the limitation of aid, seminary students who are serving pastoral charges and receiving Minimum Pastoral salary supplements, may receive \$1.00 per mile, one way, one time, per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor serving the charge at the end of the third quarter of the conference year.

We recommend the following changes to conform with the work of the Commission:

In the section "Duties and Responsibilities," paragraph three (3), eliminate the sentence "The Secretary-Treasurer of the Annual Conference shall be the Executive Secretary-Treasurer of the Commission."

In the section "Administrative Procedures," section three (3), eliminate the words "Executive Secretary-Treasurer of the," and the sentence shall read as follows:

"3. A prerequisite for consideration for salary supplements from this Fund shall be the filing with the Commission a written application by the District Superintendent."

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

ERNEST D. PIOTT, Secretary

COMMISSION ON MINIMUM PASTORAL SUPPORT

Plan of Operation

(Adopted June 8, 1971)

There shall be a program of minimum pastoral support in the Central Texas Conference, under the management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called the Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. The term of service shall be for three years, so arranged that three shall be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all of the interests of the Minimum Pastoral Support Program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by the nomination of the Bishop and Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, and a Recording Secretary. These officers shall constitute the Executive Committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the meeting of the Central Texas Annual Conference.

Administrative Procedures

1. The following conditions shall be met by a pastoral charge to become eligible for consideration by the Commission for its pastor to receive salary supplements from the Fund:

(a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.

(b) The apportionment for World Service and Conference Benevolences shall have been accepted and paid in full for the previous conference year.

(c) The charge must pay a minimum of \$1800 for pastor's salary and must have at least 100 members.

2. The following conditions shall be met by a pastor to become eligible for consideration by the Commission for receiving salary supplements from this Fund:

(a) He shall be a pastor in effective relation, a probationary member or associate member, an approved full-time lay pastor, an approved student lay pastor, or a lay pastor who has not previously served a pastoral charge. He shall not be eligible for consideration for salary supplements from this Fund if his appointment is other than pastor of a charge within the Central Texas Conference, if he receives salary aid from the General or Conference Board of Missions, if he is classified as a part-time lay pastor, if he is a retired minister, or if he receives income from any other employment than the regular work of the pastoral ministry. Receiving a scholarship for college or seminary work shall not restrict his eligibility.

(b) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in his present appointment.

(c) The District Superintendent shall combine the salary, travel expense, and utility expense allowed as total salary when making a supplement request.

3. A prerequisite for consideration for salary supplements from this Fund shall be the filing with the Commission a written application by the District Superintendent. This application shall indicate the classification of the pastor, the salary set by the charge, and shall contain the certifications by the District Superintendent whether or not the pastoral charge has met each of the requirements set forth above in Section 1.

4. In cases of appointments, or changes of appointments, between the sessions of the Annual Conference, all the above requirements are applicable and the District Superintendent shall file a new application for each charge concerned. Such salary supplements, if approved, shall be paid on a pro rata basis for the part of the year actually served.

5. The salary supplements shall be computed according to the following classifications:

(a) For a conference member in the effective relationship, the salary supplement shall be the amount necessary to make the salary \$6,000 per year, but in no case shall the sum required be more than \$2,000.00.

(b) For an associate member or probationary member in the effective re-

relationship and not enrolled as a student during the year, the salary supplement shall be the amount necessary to make the salary \$5,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(c) For a full-time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full-time approved supply pastor within the Central Texas Annual Conference, the salary supplement shall be the amount necessary to make the salary \$4,500.00 per year, but in no case shall the amount required be more than \$2,000.00.

(d) For a full-time approved lay pastor, who does not meet all the qualifications of section (c) above, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(e) For the married student pastor, either a student pastor on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(f) For the unmarried student pastor, either on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$3,500.00 per year, but in no case shall the amount required be more than \$2,000.00, and

(g) In addition to the above schedule and above the limitation of aid, seminary students who are serving pastoral charges and receiving Minimum Pastoral salary supplements, may receive \$1.00 per mile, one way, one time, per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor serving the charge at the end of the third quarter of the conference year.

6. The District Superintendents shall be responsible for making the program effective in their respective districts, as in all other causes of the Church, and for the collection of the amounts apportioned to the churches in their respective districts, and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges be not less than \$1,800.00 per year.

7. Payment on the apportionment of the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payment to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payment for the fourth quarter of the year ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

8. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, all payments of those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the

traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission except such as are held while the Annual Conference is in session shall be allowed. Traveling expenses shall be paid in accordance with the Standing Rules of the Annual Conference.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

BOARD OF THE MINISTRY**Report No. 1****(Adopted June 7, 1971)**

The Board of the Ministry has adopted the following policies for the distribution of grants from Ministerial Education Fund monies:

1. All students receiving grants-in-aid from the Ministerial Education Fund must be in Full Connection, on Probation, or certified ministerial students of the Central Texas Conference. Those students not having a conference relationship must get certification from their District Committee on Ministry of which the District Superintendent is the Chairman. All degree work must be done in an accredited Seminary.

2. Seminary Students: Any student fulfilling the qualifications in #1 above, who is seeking a B.D., Th.M. or equivalent degree, may apply for a grant to assist in covering the cost of his Seminary education. Grants will be made on individual requests on the basis of need. The need will be certified by the applicant's District Superintendent and the Financial Aid Officer of the Seminary.

3. Course of Study Students: Students enrolled in the Course of Study School will receive grants based upon need. The need will be certified by the District Superintendent and by the Director of the Course of Study School. Books listed as texts by the Director will be paid for by agreement with the Seminary.

4. Continuing Education Students: Any member of the Central Texas Conference who is serving on appointment and participating as a part-time student in a Continuing Education program on a Seminary Campus, or in a profession-related course in an accredited college, will be eligible to receive a grant based on need. The need will be certified by the applicant's District Superintendent and the Financial Aid Officer of the Seminary or College where the continuing education program is being offered.

When the Conference Cabinet or Board of Ministry nominate men to participate in special Continuing Education programs, they will be granted assistance along with some consideration on room, food, and travel. These grants will be made on an individual basis, on receipt of requests from the men involved, certified by the nominating group.

Note: These policies are contingent upon the availability of funds based on receipts from local churches to the Ministerial Education Fund.

Continuing Education

Several first rate opportunities for Continuing Education are available for local pastors today. These opportunities begin with the Group Guided Study Program of Perkins School of Theology and move all the way to Fellowships for a full sabbatical year of study.

The Board of the Ministry has limited funds to assist individual ministers in a program of continuing education. Grants will be made on the basis of individual request and need.

Scholarships for the Management for the Ministry Seminar, conducted at the University of Texas in cooperation with Perkins School of Theology, will become available prior to the fall session.

In addition to this week-long seminar, a one-day session of the seminar is planned to be conducted in the bounds of the conference.

These two Management for the Ministry experiences will afford pastors the opportunity to improve skills in forecasting community growth, budgeting, controlling the accounting practices, plus many more contemporary management procedures.

For additional information on study opportunities, contact the Office of Continuing Education, Perkins School of Theology, SMU, Dallas 75222, or write for Study Opportunities for Professional Church Workers, Department of Ministry Information Center, 475 Riverside Drive, Suite 760, New York, New York 10027, (\$1.00 each).

Report No. 3

Proposed Code of Conduct

(Adopted June 9, 1971)

The average Methodist Clergyman of today looks upon himself as a professional of equal stature with the other professionals of our society. This professional image is produced by the degree of educational attainment and the competency with which the clergyman fulfills his responsibilities both within the Church and the Community. However, the clergyman does not share with the other professionals of the community one very vital and imperative factor—a definite code of ethics relative to clerical freedoms and responsibilities. There exists certain presumed, but seldom verbalized rules and/or standards, but nothing which stands as the vanguard of ethical conduct. Either we must establish such a code or cease to consider ourselves as true professionals.

With this in mind, be it resolved that this Annual Conference hereby assign to a committee composed of the executive Committee of the Board of the Ministry and an equal number of persons from the Board of the Laity as designated by the chairman of that Board the responsibility of formulating a Code of Conduct for the Ministerial members of the Central Texas Conference of the United Methodist Church. This Code of Conduct should be presented to the Conference Board of the Laity and the Ministry for their consideration, and be ready for presentation to the next regular session of this Annual Conference.

DON PIKE, Chairman
 Committee on Conference Relations

MORRIS WALKER,
 Conference Lay Leader

BOARD OF MISSIONS**Report No. 1****(Adopted June 8, 1971)**

Your Central Texas Conference Board of Missions takes pride in its achievements in total Mission during the past Conference year. The credit, of course goes to the local church and the local pastor and the District Superintendent. In this report we propose to put before you as best we can the total picture of Mission giving during the year 1970. We urge each church to read this report carefully and if you are not in mission report, then implement plans to get in.

Committee on Education and Cultivation

The Committee on Education and Cultivation reminds the churches of the Conference of certain priorities and recommendations—

1. World Service and Conference Benevolences are considered "life line" concerns, and should be accepted and paid monthly as a priority. To fail here is to endanger the very life of the church's ministry.

2. After establishing these "life line" commitments, the Local Church Work Area on Missions should inform and encourage the people that extra "second mile" mission support is almost a must. Under the General Advance Specials churches, classes, organizations, and individuals can choose national and world projects to support.

3. It is recommended that each District Director of Missions become informed about the Advance Specials within his District and that he give proper guidance in informing the Work Area on Missions in each local church. Each District Director of Missions and each Chairman of local Church Work Area in Missions should correspond with missionaries on the field. For further information write: Advance Office, United Methodist Board of Missions, 475 Riverside Drive, New York, N.Y. 10027.

4. All items recommended by the Conference Board should be given prior consideration. When any need is met, or when a project is completed, all will be informed so that Advance Funds can be redirected.

5. Each church is asked to forward Advance Special gifts without delay. Send them through the Conference Treasurer, clearly designating the projects for which they are intended.

6. We recommend the following goals be continued by the churches of the Conference:

Churches paying less than \$5,000 salary	\$1.00 per capita
Churches paying \$5,000-6,499 salary	1.75 per capita
Churches paying \$6,500-7,999 salary	2.25 per capita
Churches paying \$8,000-9,600 salary	2.75 per capita
Churches paying \$9,600-up salary	3.25 per capita

7. We recommend the following goals be continued:

Holding Institute	\$ 5,000.00
Lydia Patterson Institute	\$ 8,000.00
Rio Grande Conference Salaries	\$20,000.00

Indian Missions	\$ 8,000.00
Alaska Methodist University	\$ 1,000.00
Radio Center, Kenya	\$ 2,250.00
Mindolo Ecumenical Foundation, Kitwe, Zambia	\$ 5,000.00
Urban Ministries	
Fort Worth Urban Ministry	\$10,000.00
Bethlehem Center	\$12,000.00
Wesley Center	\$ 5,000.00

Church Extension Committee

Salary Supplementation: Diamond Hill-Calvary, June through December 1970, \$525; January through May 1971, \$375; June 1971 through May 1972, \$1,200.

Southside Mission: January through May 1971, \$625.

Boulevard: June through December 1970, \$350; January through May 1971, \$208, June through December 1971, \$292; January through May 1972, \$208.

Your Church Extension Committee also handles the location of our Mobil Church units. We are now in the process of re-locating one sanctuary unit and 3 class room units. Anyone interested in being put on a future list should get in touch with the Church extension committee.

Loans Approved by the Board of Missions for consideration by the Central Texas Conference Methodist Foundation: Acton, \$18,000, for sanctuary; Colleyville, \$25,000, for parsonage; St. Poul, Cleburne, \$20,000, for parsonage; Cleburne District Board of Missions, \$7,000, for building site in Burleson; Gropevine, \$12,000, for land acquisition.

Donations to Morningside, \$237, for emergency assistance; to Cleburne District Board of Missions, \$1,000, for land acquisition. To St. Andrews, Woxohochie, \$2,000, for Church Building.

Committee on Town and Country Work

Every year thousands of dollars are raised in churches in every district of the Conference through the Lord's Acre-Lord's Hour program. In the Central Texas Conference this includes not only rural and small town churches but congregations in urban areas as well.

The wise use of extended ministry and larger parish plans has been highly beneficial in providing pastoral leadership for all congregations especially in the rural areas of the Conference.

For the Conference 1971-1972 we recommend:

1. That the current pamphlet on the Lord's Acre-Lord's Hour program be re-issued and made available to all pastors and churches desiring guidance or information concerning such a program.

2. The continued use of District Directors of Town and Country Work for training and assisting local churches in Lord's Acre-Lord's Hour programs.

3. That the Committee with the District Directors meet to set goals, and adopt a plan of action to help pastors and lay leadership in extended ministries or larger parishes to serve the needs of congregations, people, and communities more effectively.

Committee on Urban Ministry

The Committee on Urban Ministry has been active during 1970-71 in helping the Board become increasingly involved in undergirding urban ministry projects in the districts of the Conference. Already in 1971 we have provided funds for projects in the Waco District, the Brownwood District and the two Fort Worth Districts:

Through a grant to the Inner City Ministry of Waco, they have begun programming at "The People Place." This new community center, located in the abandoned Christ Church facilities in Bellmead, will minister to the lower socio-economic population in that vicinity. Their program will include "meals on wheels," creative play and educational program for low income children and a training center for Inner City Ministry volunteers.

A grant to the Diamond Hill-Calvary-Wesley Community Center of Fort Worth will help them begin a day care facility in Calvary Church. This program will be in cooperation with the Wesley Community Center and was listed as the "number one" need by area residents.

Emanuel Chapel Church in Brownwood has received a grant to help them complete construction of a community center-educational building which will serve the black residents of Brownwood.

Community Centers Council of Fort Worth has received a grant to help them out of financial emergency which could have caused them to lose United Fund support.

Salary supplements have been provided two charges to help churches in changing neighborhoods have adequate ministerial leadership to minister to their communities.

We are fortunate in having the leadership of Gilbert Ferrell and Bill Patteson in Fort Worth and Waco to direct our efforts to become more and more a "church in mission."

Our greatest needs are Advance Special contributions to Urban Ministry projects to enable us to do a better job of our work.

BOARD OF PENSIONS

Report No. 1

(Adopted June 8, 1971)

With the new conference year the Board of Pension will recommend that the annuity rate for our conference claimants be increased from \$70.00 to \$72.00 per service year.

The pension responsibility of the Central Texas Conference, according to the latest report from the General Board of Pensions, is a total of 5,377.07 net years of service. This is an extremely heavy pension load compared to many other annual conferences. This is a slight increase over last year, due primarily to the merger with West Texas Conference.

For the year 1970 the Board of Pensions of this conference paid pensions for those now related to our annual conference to 99 ministers, 96 widows, and 10 dependent children, and also disability leave payments to 5 other ministers. Pensions were also paid for service rendered within the Central Texas Conference boundaries by those who retired elsewhere to 125 ministers, 142 widows, and 26 dependent children. This means that 503 persons received pension or disability leave payments from the Central Texas Conference in 1970. This is a total of more than \$350,000 for pensions paid in 1970.

During the Conference year 1970-71 the following names have been removed by death from our roll of Conference Claimants: Mrs. J. M. Wynne, the Reverend A. G. Hulme, the Reverend E. R. Stanford, Mrs. J. B. Phcenix, Mrs. W. D. Thompson, the Reverend J. T. Gardner, Mrs. D. A. McGuire, Mrs. J. H. Baldrige, Reverend J. M. Hays.

Emergency aid was granted during the conference year to Mrs. J. J. Creed

in the amount of \$100.00, to Mrs. E. M. Daily, \$100.00, and to Mrs. W. J. Cloud \$100.00.

Disability leave is being paid to the Reverend Hamer Cox, who was released from his charge as of December 1, 1970.

Annuity Credit for Full-Time Lay Pastors

Answering Conference Business Question No. 23, "What lay pastors are granted pension credit an account of full-time service during the past year?" the following report is given.

No pension credit can be given for part-time service (service with other employment during the year), for service as a student lay pastor, for service by retired ministers, nor to those who serve less than a full conference year, nor to those whose salary paid by the pastoral charge is less than the minimum set by the annual conference for full-time lay pastors. It is also a requirement established by the annual conference that a prerequisite for consideration by the Annual Conference Board of Pensions for pension credit for full-time lay pastors shall be the inclusion of the name of that lay pastor as a full-time lay pastor in the printed report of the Board of the Ministry at the preceeding annual conference session.

Annuity Credit for Special Appointees

Attention is called again to the action of the Annual Conference in 1963, which is still in effect, that the Central Texas Conference assumes no pension responsibility for service outside the boundaries of this annual conference unless special authorization is recommended by the Board of Pensions and granted by vote of the Annual Conference. It is presumed that all chaplains in the armed services and in educational and institutional services are participating in the pension program available to them. No responsibility for such service is assumed by this annual conference unless authorized by recommendation of the Conference Board of Pensions and granted by vote of the Annual Conference.

Proportional Payments

Because of the confusion resulting in the overlapping fiscal year of the former West Texas Conference and the Central Texas Conference, it has been most difficult to accurately determine the status of proportional payment on ministerial support for the churches of the former West Texas Conference. The Committee on Proportional Payments will make no report on these churches.

The following churches are short proportionally on their payments to the Connectional Ministry Fund for 1970 by the amount indicated.

Cisco District: Scranton Church \$38.00

Fort Worth East District: Euless — W. C. Martin Church, \$330.00; St. Matthews Church was short \$1,296.00, but payment has reduced this to \$696.00.

Temple District: Ireland Church, \$127.00; Levito Church, \$127.00.

Waco District: Prairie Hill Church, \$42.00; Waco, Braakview Church, \$844.00.

Recommendation for Approval by Annual Conference

1. That the annuity rate for the conference year 1971-72 be set at \$72.00 per service year, increasing the rate from \$70.00, and that this new rate become effective as of July 1st, 1971, and that the rate be the same for conference members and for full-time lay pastors.

2. That pension credit for 1970-71 be granted to the following full-time lay pastors, who have met all the requirements: Sidney F. Bunn, Dan Jahnsen, Leray Reaves, B. E. Collie, H. D. Hamilton, Milland Rucker, Lloyd Ferrell.

3. That the apportionment to the district, and churches for the Conference Claimants Fund (included in Connectional Ministry Fund) be continued at an amount equal of 21% of the salary set for pastors and associates.

BOARD OF PENSIONS**Report No. 6****(Adopted June 8, 1971)**

Subject: Petition on General Board of Pensions

To: 1972 General Conference

From: Central Texas Annual Conference

Whereas, The General Board of Pensions holds a unique position unlike that of any other board or agency in The United Methodist Church, in that it is not a program Board or Agency, and in that its function does not overlap that of any other Board or Agency, either in its historical position or in its present service to all Annual Conferences of the Church; and

Whereas, the experience of the General Board of Pensions, all other major denominational pension programs, and leading industrial pension programs, as confirmed by the nations leading actuarial counseling firms, support the conclusion that the pension functions should be separate from and independent of other boards, and agencies in organizational structure; and

Whereas, The Central Texas Conference Board of Pensions met in Fort Worth, Texas, on June 7, 1971, to hear and discuss the report of the Structure Study Commission; and

Whereas, this group of persons charged with the responsibility for the administration of The Central Texas Conference pension program is keenly aware of the necessity for the continuation of the established disciplinary relationship between the General Board of Pensions and the annual conference; and

Whereas, this body understands and is in sympathy with the need for improving the functional structure of the United Methodist Church; and

Whereas, The Central Texas Annual Conference in its annual session in Fort Worth, Texas, on June 7-9, 1971, heard and discussed a report from the Structure Study Commission and The Central Texas Annual Conference Board of Pensions;

Therefore be it resolved, that the Central Texas Conference add its support to other similar petitions urging that the present relationship of the General Board of Pensions to the General and Annual Conferences be continued and not combined with any other Board or Agency.

WOMEN'S SOCIETY OF CHRISTIAN SERVICE**(Adopted June 8, 1971)**

The women of the Women's Society of Christian Service and Wesleyan Service Guild through Central Texas Conference continue to be a vital part of the Church's outreach, both at home and in fifty countries around the world.

This past year we contributed \$145,000.00 to Missions through the Women's Division and twice that amount was spent in local churches by the Women's Society.

Miss Opal Meier of Lima, Peru, and Miss Frances Burns of Brazil, have been here on furlough this year. They have stimulated and informed our women as they have spoken at Annual Meeting and in many local churches.

An itineration program is underway at this time. The purpose of this visitation by the Conference Executive Members is to give help in leadership training and program projection to each local society.

The needs of the world are constantly brought to the attention of the women, through their well-planned programs and studies. As they respond to these needs with service and money, we give thanks and take courage that the **Good News** will not only be told, but that it will be lived in the flesh by women across our Conference.

COMMISSION ON WORLD SERVICE AND FINANCE**Report No. 1****Separation of Apportioned Funds****(Adopted June 9, 1971)**

Whereas, the Council on World Service and Finance of the United Methodist Church has strongly recommended that the strictly administrative funds of the Church on the general, jurisdictional and annual conference levels be separated from the apportionments for World Service and Conference Benevolences, and

Whereas, the apportionments to the district and churches for World Service and Conference Benevolences are subject to final acceptance by each Charge Conference, but the apportionment for the administration funds must be fully underwritten by the Annual Conference,

Your Commission on World Service and Finance makes the following recommendations to the Annual Conference.

1. In keeping with the requirements of the Discipline, the apportionments for World Service and for Conference Benevolences be constituted and apportioned as one Fund, namely, World Service and Conference Benevolences. That this Fund be apportioned to the districts in accordance with Standing Rule 12, and the district apportionments shall be distributed to the churches by the district superintendent and the district stewards, subject to the final acceptance of the charge conferences.

2. The funds formerly included in the apportionments with World Service and Conference Benevolences, namely, Annual Conference Administration, Jurisdictional Administration, General Administration, Interdenominational Cooperation, and Temporary General Aid, be constituted as a separate and new Fund, to be

called Administration Fund. The Annual Conference Administration portion of this new Fund shall be composed of the items in the Annual Conference budget which are strictly administrative and not related to the Conference Program Council. The Administration Fund shall be distributed to the districts and to the churches on the same basis as the apportionments for World Service and Conference Benevolences. But as these funds must be underwritten by the Annual Conference, the apportionments for the Administration Fund shall not be subject to the acceptance by the Charge Conferences.

3. The Commission on World Service and Finance shall then complete its various budgets and present its recommendations to the Annual Conference for its action.

The Conference Treasurer shall distribute funds received for Connectional Ministry for 1972 according to a scale based on the following percentages: District Superintendent Fund 7½% Episcopal Fund 2%, and Conference Claimants Fund 21%.

6. Apportionments to the districts for World Service and other apportioned funds will be assigned to the district soon after the adjournment of annual conference and these shall be distributed to the churches by the District Superintendents and District Stewards not later than August 1, 1971.

7. Because of the confusion which results from similarity of names, the fund called Conference Specials has been changed to "Conference Projects." It is further recommended that the apportionments for Conference Projects to the churches shall be printed in an additional column in the Statistical tables of the Journal, beginning in 1973.

COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 4

Policy on Temporary General Aid Funds

(Adopted June 9, 1971)

With the merger of the old Central Texas and West Texas Conferences, the new Central Texas Conference became a receiving conference of funds from Temporary General Aid Fund for pension and salary assistance for black ministers. The regulations concerning the use of the pension portion of these funds are specific, but the use of the salary assistance portion is not specified. A report approved by the General Conference states: "... allocate the funds available to each conference and let each conference decide its own rules as to how the salary aid is to be distributed and administered." It is understood that all such funds coming to this conference are restricted to salary assistance for black ministers.

The Annual Conference has received a total of \$6,589.80 for salary assistance, but the annual conference alone authority to direct the use of these funds, the money has been held intact until the conference could take action.

The Commission on World Service and Finance makes the following recommendations for the administration of the funds already received and for future funds for this purpose:

1. The Salary Assistance portion of the Temporary General Aid Fund, coming from the Council on World Service and Finance, shall be administered by a standing committee of the Commission on World Service and Finance. The committee shall be designated, "Committee of Temporary General Salary Aid Fund," and shall be composed of five members: The Chairman of the Commission on World Service and Finance, the Chairman of the Minimum Pastoral Support Commission, the Conference Treasurer and two black ministers to be selected annually by the Commission on World Service and Finance.

2. All money received for salary assistance from the Temporary General Aid Fund, coming from the Council on World Service and Finance shall be deposited in the central treasury in a fund to be known as Temporary General Salary Aid Fund.

3. Since the funds now on hand were designated for the year 1970, it is recommended that the amount now on hand shall be distributed as follows:

a) That \$416,66 shall be repaid into the Operating Reserve to replace the amount which the Commission on World Service and Finance advanced from the Operating Reserve to one of the ministers of the former West Texas Conference, whose missionary appropriation from the Board of Missions was discontinued without notice at the end of 1970.

b) That \$1,500 be retained in the Fund for emergency use for black ministers and their families, as approved by the Committee. When such funds are used, the emergency fund shall be maintained at the \$1,500.00 level from subsequent receipts.

c) No Temporary General Salary Aid funds shall be paid in any year to ministers who receive minimum salary supplements or whose salary was above the minimum for their classification according to the Minimum Salary regulations during that year.

d) That \$4,440.00 be distributed now equally among the 11 ministers who have qualified for salary assistance for 1970.

5. Future funds shall be distributed equally among the black ministers who qualify, according to section (c) above, after the funds for that year have been received, on the basis as determined by the Temporary General Salary Aid Committee.

COMMISSION ON WORLD SERVICE AND FINANCE**Report No. 8****Received June 9, 1971**

Members of the Commission on World Service and Finance in connection with representatives of the Metropolitan Board of Missions and the Conference Board of Missions met with representatives of the Black Methodists for Church Renewal.

We felt we had a good opportunity to explore the urgent needs as presented to the Annual Conference. It was the consensus of opinion that the needs presented were worthy of our sincere support and Methodists would do whatever could be done to see that the work of the Metropolitan Board of Missions was expanded to better serve the needs of the Black community. All funds secured from special gifts and increased giving shall be channeled into the Metropolitan Board of Missions and the Board will supervise the spending of the money for designated services in the ministry to the poor and the neglected regardless of their ethnic background.

Additional meetings will be held on the manner and expense of our participation in this area of need.

J. W. SPRINKLE, Chairman

COMMISSION ON WORSHIP**(Adopted June 8, 1971)**

Churches of the conference are encouraged to become more familiar with The Methodist Hymnal and the Book of Worship. Study and use of each will produce a more helpful service of worship.

Pastors and churches are asked to use the packet "Ventures in Warship" produced by the general Commission on Worship.

Each local church is asked to evaluate its worship services using the evaluation guide in the "Guidelines for Worship" as found in the Resource System for the Council on Ministries.

JOHN WESLEY FORD

John Wesley Ford, son of William Frank Ford and Mary Holly Ford, was born September 18, 1908 in Clay County, Texas. He spent his boyhood and youth on a farm near Holland, Texas. There he discovered in field and woods, streams and rolling countryside, the beauty and joy of God's creation—there he first heard God's "Call!" Until the very last day of his earthly pilgrimage, he spent whatever time was his for recreation, in the great outdoors, where he found renewal and release.

On May 18, 1930, he was married to Zenada Huckabee, for whom Holland was also home. There they both finished High School. John Wesley attended Southwestern University at Georgetown, and received the honorary Doctor of Divinity degree from Texas Wesleyan College, Fort Worth in 1963. He was licensed to preach in May, 1926 at the

Georgetown District Conference, which was held that year in the First Methodist Church, Temple. Thus it was that John Wesley Ford began and ended his ministry in the same Church! During the four months and eleven days of his pastorate at First Church, Temple, he referred many times, and with great joy to this fact. John Wesley was admitted on trial by the Arizona Annual Conference, September 28, 1928, and was admitted into Full Connection by the Texas Annual Conference; in which Conference he was ordained Deacon, November, 1931 and Elder on November 3, 1933 by Bishop H. A. Boaz. referred many times, and with great joy to this fact. John Wesley was admitted on trial by the Arizona Annual Conference, September 28, 1928, and was admitted into Full Connection by the Texas Annual Conference; in which Conference he was ordained Deacon, November, 1931 and Elder on November 3, 1933 by Bishop H. A. Boaz.

The itineracy of the Methodist Church carried John Wesley into three Conferences: the Arizona Conference, where he served Solomonville-Fort Thomas; the Texas Conference, where he served Cason, Winfield, Sealy-Wallis, Hughes Springs and Linden; and the Central Texas Conference, where he served Eastland, Stephenville, Corsicana-First, Meadowbrook-Fort Worth; District Superintendent on the Corsicana District; Handley-Fort Worth; and Temple-First. On October 11, 1970, during the fifth month of his pastorate at First Church, Temple, John Wesley Ford joined the Church Triumphant!

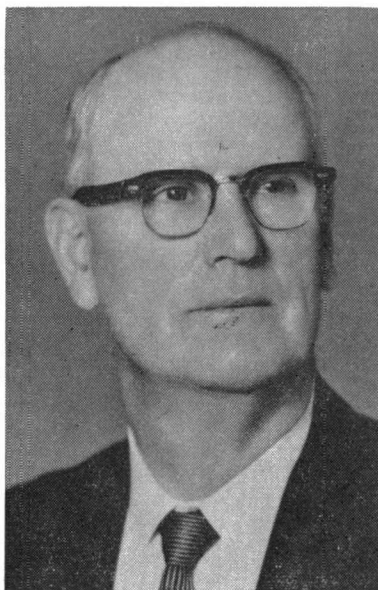

John Wesley believed with all of his heart, mind and soul that he was "Called of God" to be a minister of Jesus Christ. So fierce and strong was the sense of this "Call" upon his life, that when he preached, the "flesh was made Word" to the extent that all people were lifted into the presence of God the Father through Jesus Christ the Son. A part of him and his message was the quick and pointed flashes of humor that were distinctly his. He fervently believed what he preached — his was the victory in The Faith "that Christ did Rise."

Two children preceded John Wesley in death: John Wesley, Jr., and

Rebecca. Surviving are his wife, Zenada; two daughters Mary Claire Goodwin, and Barbara Ellen Mebus.

John Wesley Ford experienced the fulfillment of the last phrase of the great hymn, "Love Divine, All Loves Excelling:" " . . . 'til we cast our crowns before Thee, lost in wonder, love and praise!"

CARROLL H. THOMPSON

JAMES THOMAS GARDNER

James Thomas Gardner was born January 22, 1888 in Williamson County, Tennessee. He was the son of William Thomas and Nancy Jane Gardner. He was married to Minnie Marie Rogers, December 19, 1918. His wife and two children Vida Margaret Carson and James Thomas Gardner, Jr., survive him.

Brother Gardner was educated in the public schools of Tennessee and Ruskin Cave College from 1909 to 1912 and Arkansas Holiness College from 1912 to 1915. He was Licensed to Preach by the District Conference in Franklin, Tennessee in May, 1916. He was first approved as a Supply Pastor in the Central Texas Conference in December, 1918, and was admitted on trial in the Central Texas Conference in November of 1925 by Bishop James

E. Dickey and was ordained Elder in 1927 by Bishop John M. Moore

Brother Gardner served appointments in the Central Texas Conference beginning with the Cisco Mission in 1918, later going to the Harmony Circuit in 1925, Purdon Circuit 1926, Evant 1928, Carleton 1929, Hamilton Circuit 1931, Maypearl 1932, Abbott-Vaughan 1936, Joshua-Godley 1941, Cleburne St. Paul 1943, Italy 1945, Hubbard 1948, and Georgetown St. John 1952 until his retirement in June, 1956.

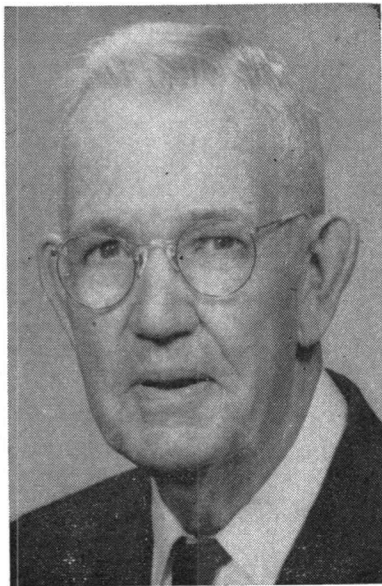

His death occurred December 30, 1970 and Memorial Services were held in Georgetown by James Sanders, Pastor, St. John's United Methodist Church in Georgetown, Charles J. McAfee, former pastor of St. John's Church and W. V. Bane, former District Superintendent of the Georgetown District. Interment was at Georgetown.

Brother Gardner was a dedicated Minister of the Church. His faith, his love, his understanding were all great assets to this Ministry. His dedication to his task might well be illustrated by the fact that before he secured any form of transportation, he walked to serve the Cisco Mission. On one occasion he walked eight miles to hold a funeral service, walked back to his home without being served any food during that time. He worked and studied hard to meet necessary goals to serve his people throughout his Ministry. He also was ever alert to what was going on. He was an avid reader. He also attended lectures at S.M.U. and Southwestern University each year and was ever interested in the welfare of his Church and of his fellow man.

Brother Gardner had a keen mind. He was a good mathematician and served as statistician of his Conference for many years. He also had a fine spirit. His faith in God, his faith in his fellow man, and his faith in the church were always evident from what he said and did. He was never critical of anyone. So far as this writer knows, he always spoke kindly of people. His was a positive faith, a positive action, a dedicated life. His philosophy of life was always in accord with the admonition of the Apostle Paul:

"Love in all sincerity, loathing evil and clinging to the good. Let love for our brotherhood breed warmth of mutual affection. Give pride of place to one another in esteem. With unflagging energy, in ardour of spirit, serve the Lord. Let hope keep you joyful; in trouble stand firm; persist in prayer. Contribute to the needs of God's people, and practice hospitality." Romans 12: 9-13

JONATHAN MONTROSE HAYS

Jonathan Montrose Hays, son of James Wyley Hays and Mattie Russell Hays, was born in Russellville, Arkansas on November 9, 1883. He moved to Central Texas with his Presbyterian family while he was a boy. He recalled with pride his father's suggestion that the family become active in the Methodist Church because there was no Presbyterian church in the community.

Monte answered the call to preach in 1907 and was licensed by the Georgetown District Conference in the spring of that year. After serving as a supply pastor and attending Southwestern University he was admitted on trial in the Central Texas Conference November 24, 1913, and appointed to Bardwell. It was in this church that he was joined in marriage to Miss Willie Barnes on April 15, 1914. J. M. Hays was ordained Deacon November 24, 1915 by Bishop McCoy; received into full connection November 11, 1916; and ordained Elder November 21, 1918 by Bishop Ainsworth. He retired in 1956.

During the 42½ years he was an effective minister in the Central Texas Conference he served 26 charges. This is more than any other person. 1913, Bardwell Mission; 1914, Millsap; 1915-16, Munger; 1917-18, Kirvin; 1919-21, Azle; 1922-24, Chatfield, 1925-26, Boyce; 1927, Forrester-Nash; 1928, Holland; 1929, Holland-Three Forks; 1930, Holland; 1931, Holland-Little River; 1932-33, Rogers; 1934, Springtown; 1935-36, Prairie Hill-Kirk; 1937-38, Mosheim; 1939-40, Carlton Circuit; 1941, Covington-Osceola; 1942-43, Glen Rose; 1944, Venus; 1945, Iredell-Walnut Springs; 1946-48, Caddo; 1949, Abbott-Vaughan; 1950-51, Sidney-Indian Creek; 1952-53, Rosenthal-Mooreville; 1954, Cranfills Gap; 1955, Gatesville Circuit. After his retirement in 1956 he served four more years as supply pastor; 1956-57, Gatesville Circuit; 1958,

Turnersville; and 1959, Fairy. He preached his last sermon to the nurses at Clifton Lutheran Sunset Home during Holy Week of 1971 and sang for them his favorite hymn, "Amazing Grace." Monte died on April 18, 1971.

Memorial services were held on April 20, 1971 at First United Methodist Church in Clifton with Rev. Cleon Flanagan, Dr. W. V. Bane, and Rev. Hubert Crain officiating. Burial was in Hillcrest Cemetery in Waxahachie. He is survived by his wife, Willie, and one brother, O. J. Hays of Avalon.

Monte was one of a vanishing breed of pioneer type preachers who served with great heart and little financial reward in the smaller churches of Methodism which have formed the backbone of the church. It has been said of him that he talked and preached with all earnestness and his messages were always straight forward. These traits were combined with a unique sense of humor that endeared him to people all over Central Texas. It would be impossible to say how many lives were touched by God through the ministry of this man. We give thanks to God for his life.

In failing health for many years, he died at Glenview Hospital in Fort Worth on February 11, 1971, leaving a legacy of Christian living and faithful disciple-

ship for his wife, his daughter, Mrs. Orville Wilson, a grandson, Reverend Arthell Wilson, and three great grandchildren.

Three ministers who have had the joys of serving with him cooperated in his memorial service: Clyde Zellers, who as a youth was baptized and received into the Munday Methodist Church under his ministry; B. L. McCord, who served as his pastor in the Englewood Church for four years; and Michael Patison, who was his pastor for the final three years of his life. Interment was at Mt. In all sincerity, I say that Pearl Fenton had the best disposition I have ever known. She was patient and kind to everyone. I have never encountered anyone who did not like her. The nurses at the hospital

referred to her as an "angel," and would do anything for her. They cried when we lost her. I think that was a tribute to her fine character. She enriched our lives.

District directors of Work Area and district coordinators of age level and family ministries are full members of their respective boards, commissions, committees, agencies and departments.

Members of general jurisdictional agencies will be ex officio members of the respective agencies in the Annual Conference.

All Quadrennial Boards, Commissions and Standing Committees shall meet within thirty days of adjournment of the Annual Conference at a time and place designated by the Bishop and the Cabinet for the purpose of organization and briefing. Notice of this meeting for organization and briefing shall be mailed to each member of each Board, Commission and Committee by the Conference Secretary at least ten days prior to the meeting.

All Program Council staff of the Annual Conference shall be limited to a term of eight years.

The above rule shall not apply to the office of Conference Secretary-Treasurer.

7. Eligibility

The period of eligibility of membership on the Boards, Committees, and Commissions of the Annual Conference shall not exceed two consecutive quadrenniums, a total of eight years, except as set out below. When a person is elected to fill an unexpired term, he shall be given an expiration date for the end of the quadrennium that is not less than six years nor more than nine years in the future.

A member who has served two full quadrenniums on any Board, Commission, or Committee shall not be eligible for membership on the same Board, Commission, or Committee until a full quadrennium has passed. If a member has served less than two full quadrenniums, he shall be eligible again for membership after one full Conference Year has passed.

In appointing new Quadrennial Boards, Commissions, and Committees, the Cabinet shall have the power to appoint new members for only four years, in order to equalize the number who are eligible to serve four years with those eligible to serve eight years.

Nevertheless, the above shall not apply to membership on the Board of Lay Activities as it relates to the nomination of a Conference lay leader. A Conference Lay Leader is eligible for a term of no more than eight consecutive years.

Employees and Trustees of institutions, or employees of Conference Boards and Commissions, shall not be eligible for membership on the Board, Commission, or Committee through which financial support is derived. This shall not apply to membership on the Commission on World Service and Finance, except in cases in which a Board receives direct appropriation of funds from Conference Benevolences budget or other funds allocated by the Commission.

The appointment of any member of the Conference to the District Superintendency shall automatically vacate his membership on any of the quadrennial Boards, Commissions, or Examining Committees to take effect at the time of his appointment, except where the Discipline makes them members of an Annual Conference Board, Commission, or Committee. The Bishop is asked to notify such group in time to fill the vacancy before the conference adjourns.

8. Vacancies

Vacancies on all Boards, Commissions, and Committees occurring during the quadrennium shall be filled by nominations of the Board, Commission, or Committee concerned, and elected by the Conference.

Retirement from the active itineracy shall vacate a minister's membership on any Conference Board or Commission and on all Institutional Boards, effective on the date such relationship is taken.

Boards, Commissions and Institutions related to the Annual Conference shall not take any action that in effect shall nullify this rule.

Any member of a Quadrennial Board absent without excuse from two consecutive meetings of the Board shall thereby forfeit membership on said Board.

III. Financial

9. Fiscal Year

The fiscal year of the Annual Conference shall be from January 1st to December 31st, and salaries of clerical members, appointed as pastors or District Superintendents, shall be paid accordingly.

10. Remittances

Remittances from a pastoral charge to the Conference Treasurer shall be accompanied by the remittance forms supplied by the Commission on World Service and Finance. These forms shall be in triplicate and indicate clearly the amounts to be credited to each cause for which remittance is made. The Conference Treasurer shall return one receipted form to the pastor and one to the District Superintendent for each remittance. The Pastor shall enclose the annual statement of receipts as issued by the Conference Treasurer, corrected if necessary, with the church's Annual Conference report as verification of items reported in Table II.

11. Requests for Appropriations

At the beginning of the paragraph in the report of any board, commission, committee or agency, which presents a proposed budget or asking as an appropriation from Conference Benevolences, or any other conference fund, there shall be printed the following statement: "The board (commission, committee, or agency) has presented to the Conference Commission on World Service and Finance for their consideration and recommendation to the Annual Conference, the following askings:"

12. Apportionments

The apportionments for World Service and Conference Benevolences shall be based on the total money raised (item 69 in Report to Annual Conference) less the amount paid on principal and interest on indebtedness (item 30 in Report to Annual Conference), less the amount paid for building and improvements (item 31 in the Report to Annual Conference.) and less the amount paid for General and Conference Advance Specials (item 53 and 62 in Report to Annual Conference.) It shall be the duty of the Commission on World Service and Finance to compute the appropriations annually, using the statistics of the last published journal (corrected, if necessary) and furnish the table of apportionments to the districts. The district apportionments shall be distributed to the local churches by the district superintendent and the district stewards.

13. Annual Audit

The Auditing Committee appointed by the Conference Commission on World Service and Finance shall audit all books of Treasurers of Boards whose auditing is not provided for in the Discipline, and report the results to the Commission on World Service and Finance, which Commission will send a statement of these audits to the Conference Secretary for inclusion in the minutes.

Annually, each Board or special interest, shall make request to the Commission on World Service and Finance, for any Special Day offering, except where set by the Discipline. No such day shall be recommended to the Annual Conference for any agency, cause or institution, nor shall such a day be listed on the printed Conference Calendar unless such agency, cause or institution has presented a full financial statement and audit including current annual income and expense together with its report, to the appropriate Board.

14. Special Days and Campaigns

Any request from a Board or institution or special interest of the Methodist Church asking for a special campaign for funds or a Special Day Offering shall first be presented to the Commission on World Service and Finance for study and recommendation. If such recommendation is made to the Annual Conference it must show that the detailed use of funds is reasonable; and that proper safeguards have been set up for the use of funds.

Any recommendation from a Board, Commission, or Committee, including the Commission on World Service and Finance, asking for an increase that will effect the Budget of the local church, if approved, shall become effective at the beginning of the next fiscal year, January 1st.

IV. Administrative**15. Conference Secretary-Treasurer**

The Conference Secretary-Treasurer shall be nominated by the Commission on World Service and Finance after consulting with the Bishop and his Cabinet.

The Conference Secretary-Treasurer shall be under the supervision of the Annual Conference Commission on World Service and Finance. He shall also serve as the Treasurer for the Board of Pensions and the Commission on Minimum Pastoral Support.

The term of office of the Secretary-Treasurer shall ordinarily be a quodrennium and a newly elected Secretary-Treasurer shall ordinarily assume his official duties at the session following the General Conference.

16. District Conference

The District Conference, where held, shall be composed of the ex-officio members as provided in the latest Discipline, and one delegate for every 100 members or two-thirds fraction thereof, provided that every Church shall have at least one delegate. District Conference records, where kept, are not to be reported to the Annual Conference session.

17. Reports

The reports of the pastors to Annual Conference (Tables I and II) and the annual statement of receipts as issued by the Conference Treasurer shall be presented at a district meeting to be held in January. The Conference Statistician shall set the time and place for the district meetings, and shall appoint a District Statistician for each district, who shall receive, edit and compile the churches' statistical reports into the district report. The District Statistician shall forward the district statistical tables to the Conference Statistician within one week after the district meeting. No change in the statistical tables will be made after the district meeting.

Each District Superintendent shall report to the Cabinet and to the Board of Pensions, any church in the district that has borrowed money to pay either the pastor's salary, percentage items, or World Service askings for the year closing. The amount borrowed must be made a part of the record.

He shall also indicate any such situations that occur the year previous that came to his attention during the year, and had not been reported.

18. Conference Procedure

Lay members and alternate lay members of the Annual Conference shall be elected at the Charge Conference and the term shall begin at the opening of the next regular session of the Annual Conference and continue until the opening of the next regular session of the Annual Conference.

All matters to be presented to the Annual Conference, which pertain to the work of one of the Conference Boards, Commissions, or Committees shall be referred to the proper Board, Commission, or Committee for review, before action shall be taken by the Annual Conference.

All papers, resolutions, obituaries, and reports, not included in the Pending Report book, coming to the Conference, must be typewritten in triplicate, and two copies of said report must be in the hands of the Secretary before they are presented to the Conference. It is strongly recommended that any reports, requiring approval of the Annual Conference, not in the Pending Report Book, be mimeographed for members of the conference that they may follow the report as it is being read.

All bands required by the law of The Methodist Church or the Central Texas Conference, shall be filed with the Secretary of the Conference.

19. Conference Expense

The Committee on Conference Entertainment, appointed quadrennially, shall be charged with the details of expenses of holding the Annual Conference, and entertainment of retired ministers.

Each charge in the Annual Conference is expected to defray the expense of its minister and lay delegate while in attendance upon the Conference.

Per diem allowance will be granted pastors receiving a total salary of, or less than, the amount recommended year by year by the Committee on Conference Entertainment and approved by the Annual Conference.

20. Car Expense

For the quadrennium 1968-1972, all Boards, Commissions, and Committees of the Conference shall allow six cents per mile car expense, or eight cents when two or more members ride in the same car, for necessary travel within the Conference or adjacent territory. Five cents per mile shall be allowed for out of the state travel. Members of Conference Agencies are urged to use car pools wherever possible.

21. Memoirs

There shall be a permanent Committee on Memoirs composed of the Secretary of the Conference and the Secretary of the Board of Pensions to insure suitable memoirs of deceased ministers, and the wives or widows of ministers. The minister in charge of the funeral of such persons shall be responsible for preparing the memoir and filing with the committee immediately after the funeral.

22. Amendments

Any of the above rules may be amended or suspended by a two-thirds majority of those present and voting at a session of Annual Conference.

Members of the Commission on World Service and Finance
Central Texas Conference of the United Methodist Church
Fort Worth, Texas

Gentlemen:

We have examined the summary of cash receipts and disbursements of

REV. J. D. F. WILLIAMS, CONFERENCE TREASURER,

CENTRAL TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH,

for the year ended December 31, 1970. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Analysis of Investments included as Exhibit B of this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review of cash receipts and disbursements of the various funds, and we performed no auditing procedures with regard to investments except to confirm the balances of those shown on Exhibit B.

In our opinion, the accompanying summary of cash receipts and disbursements presents fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year ended December 31, 1970.
