VI — REPORTS

REPORT OF THE CABINET

(Adopted June 5, 1972)

In a survey of the program of the Annual Conference, it is still found that the District is one of the most effective levels of organization that we have. In reports from the District Superintendent it has been determined that there is a variety of programs in the Conference, but most of the events of the district are organized along the lines of the Program Council. A number of training events have taken place in the districts, such as district-wide training sessions for Council on Ministries Chairman and Pastors, Stewardship Seminars, District Emphasis on Missions, Fund for Reconciliation, Youth Ministries, Vacation Church School enterprises, workshops for pre-marital counseling, study of issues and concerns of the 1972 General Conference, Confirmation workshops, training sessions for lay speakers, workshops on "World Understanding" sponsored by the Women's Society of Christian Service, briefing sessions for Lay Members of Annual Conference, and many others. Sub-district Cluster Conferences have been held in an attempt to get closer to the local church and to unify the efforts in ministry and out-reach in the District. This has proven to be an effective channel of bringing churches together in program planning and, therefore, it is planned that other such conferences will be held for the new year.

In addition to the above-mentioned the Women's Society of Christian Service has continued with training programs in many fine ways and, as always, has been one of the outstanding groups in the training of its members.

Lay activity in the districts has been varied. Some districts have very little program in lay activities except in planning groups and training sessions, but most all districts have some kind of program district-wide or in clusters that are characterized by good participation. Reports show that the participation of local congregations in the Lay Bible Study Program has been fairly effective, though a great many local churches have not carried out this program of participation in Bible Study. The emphasis is continued into 1972, and it is felt that a greater participation will take place during the new Conference year. Many local laymen and the lay leadership of the Conference certainly have an intense interest in this type of participation, and it will continually be urged upon local churches and local lay leadership that they take the Bible and seek to find its message for their own life.

In Youth groups there seems to be a new interest in district and sub-district events where different types of programs are carried out and some projects that require financial assistance from the youth have been a part of these events. The District Youth teams have been organized and have offered their leadership to any local church that would desire their help and various ones have reached out into local churches to meet with local church groups in carrying on the work of youth in the Conference.

District Program Council activities show some variation of approach. In several of the districts the Program Council met early in the year and projected plans for the year's activities with emphasis on mission and church extension within the district, some with emphasis on other items such as training for Bible Study groups in each church. In one district in particular the Program Council has carried forth training sessions for eight pastor's meetings within the district, and it has been said that this probably has been one of the most helpful programs of the year.

Workshops for children's workers have been outstanding within the district this year. The Vacation Church school workers training sessions and other programs of the Children's Division have been a very outstanding part of the

program of the Districts, carried through with the Children's Co-ordinator of the District and the local Children's co-ordinator.

A special emphasis has been set forth in the Conference this year under the leadership of a Conference Task Force directed toward Stewardship Training. After a Conference-wide training session for district leaders, at least one district has already had an outstanding meeting with this activity. A stewardship Seminar was held in a five and half hour sessions with 110 participants from local churches. The District Superintendent pronounces this training event as excellent. Plans in the other districts are made for fall seminars that will not only prepare for an emphasis in stewardship in the local churches, but will also be a part of the Program and Budget building in the local church, and this is the place, of course, where all of these programs are seeking to go for if it does not reach the local church, then it will not amount to very much.

In the past year it seems there has been a trend away from using the facilities of Glen Lake Camp as they have been used in the past. There was expression from some of the district leaders that private facilities closer home have been used and that more and more members of our local churches are taking their camping programs either as local groups or as groups participating in other types of camping, such as Boy Scouts or Girl Scouts, etc. It is, however, felt that under the new set up at Glen Lake a greater emphasis will be placed on camping at Glen Lake Camp either as a district program or in cooperation with the Conference-wide program. Under new leadership, under new emphasis, both at Glen Lake Camp and Rainbow Camp, it is felt that more groups in local churches and on a district level will be using the camping facilities either for program planning or for actually carrying out the programs at Glen Lake and Rainbow. It is hoped that this new emphasis will continue to be as effective during the new Conference Year as it has been in the closing weeks of this year. This new emphasis will be a real training opportunity for all local churches, and it is hoped they will avail themselves of this challenge. With improved facilities and better programing in camping, this should bring back again an upward trend in Conference and local church participation at Glen Lake and Rainbow. It has been found through experimentation that the camp is a wonderful place in the training and culture of underprivileged children sponsored by the Inner City Ministry of Waco and other districts.

In a survey of members of the Cabinet in relation to the use of THE TEXAS METHODIST, the co-ordinated mailings, and Interpreter, a good positive response has been found in most cases. Most of the districts give good reports on the effectiveness of THE TEXAS METHODIST. Of course, with its increased circulation in the local churches of our Conference, there is a wider coverage and therefore, it has a far greater out-reach into the life of the local church. Especially the program of the Conference has been effectively outlined and published in the Central Texas Conference page. There is some feeling that possibly the coverage of Texas Methodism in other pages of THE TEXAS METHODIST should be a little more widely disbursed and that some of the general coverage could be sacrificed for this particular promotion. A good word is spoken for the co-ordinated mailings, though some of this material comes direct to the district superintendents from other sources. The co-ordinated mailings keep the Cabinet and the local pastors up-to-date on events as they are to happen with news of some of the programs that are to be most effectively used at a particular time.

The Interpreter is looked upon as a very fine program aid in the local church as well as in district programs. The Interpreter has been used most effectively in a great many of our local churches, and it is urgently requested that all local church leaders should take the opportunity that is theirs, of using the Interpreter as well as the other aids that come through THE TEXAS METHODIST and the co-ordinated mailings. One district superintendent rates the Interpreter as being the number one tool placed in the hands of the local

leadership of the church for their help and guidance. In all respects local pastors and local leaders should use every aid possible in covering the program of the church for their own particular charge.

District and sub-district workshops have been held in most of the districts for the newly elected officers of the Council on Ministries in the local church. These workshops have been rather effective in orienting these new leaders and some of the older leaders in effectively carrying out the program that is placed in their charge. Most of the reports on these workshops have indicated an interest on the part of the local church leaders by the fact that they were in attendance and in their questioning out-reach as to the carrying out of their function as a leader in the local church.

All in all, it seems that the Program Council working through the district, has brought about a better understanding and a better out-reach into local leadership and, therefore, it is hoped that a continuation of this through the district units will prove its effectiveness in the future.

Special accomplishments in the districts are listed as follows:

In Brownwood, Emanuel Chapel Church has been expanded in space and in service to the community, and the new facilities have been paid for and dedicated through the cooperation of other churches in the district.

In the Cisco District special outreach has gone to worthy projects throughout the Conference through the leadership of the District Board of Missions.

In the Cleburne District plans continue for the establishment of a new church in Burleson. A four acre site has been purchased at a cost of \$18,000.00, about two-thirds of which has been paid. A new parsonage has been purchased at Joshua, and the parsonage at Alvarado has been remodeled at a cost of more than \$8,000.00. The 1971 Statistical Report reveals a membership increase of 183, reversing the trend that began in 1965.

In the two Fort Worth Districts significant projects in church extension have been achieved through the purchase of new church sites, and in the operation of an out-reach program through the Metropolitan Board of Missions that is very significant.

Churches of the Temple District have cooperated in liquidating the indebtedness on the Latin American Church in Temple, and a new building has been erected for the St. Paul United Methodist Church, Georgetown, at a cost of \$24,000.00, and paid for through the cooperation of the local congregation, the Fund for Reconciliation, The Board of Missions, and the Urban Renewal Agency of Georgetown.

In Waco the Inner City Ministry continues as a shining example of outreach to the needy and underprivileged, and the cooperation of the churches of the district with the new churches in the district as a result of the dissolution of the West Texas Conference has been outstanding. Four churches in Waco have been united into two congregations and relocated.

In the Waxahachie District one congregation has purchased property for relocation, another has approved plans for a new church plant, and a third church has purchased a new parsonage.

In our statistical reports there seems to be an established trend in a number of items.

Total membership in the churches of the Annual Conference declined in 1971 by 270 members; however, three districts show an increase. The trend in

worship attendance is upward, and showing a gain of 252 average over the previous year. A continuing decline that has been going on for several years is shown both in Church School membership, with a decline of 753 over the previous year, and an average attendance decline of 297.

In reference to the Women's Society of Christian Service, including the Wesleyan Service Guild, there was a decline of 367 members and a decline of \$2,391.00 paid to local church work. However, there was an up-turn in the amount paid through the Conference Treasurer for mission work around the world of \$4,170.00.

Methodist Men organizations in the Conference show a decrease of 4.

In the financial statistics there is the revelation of a constant upward trend in payments for the different causes of the church, but a very recent downturn in meeting full obligations by some of the churches has been noted.

Pastor's salaries show an increase payment of \$41,391.00, but statistics reveal that three districts in the Conference did not pay pastor's salaries in full. The deficit in payment over against assessments in pastor's salaries reveal a minus of \$2,409.00

In World Service and Conference Benevolences there is an increased giving of \$37,717.00 over the previous year, but a deficit of \$24,457.00 is shown when payments are compared to apportionments. Late payments to the Conference Treasurer for 1971 show an additional amount of \$1,429.50 has been paid. Only two districts in the Conference met or exceeded the apportionments. One district overpaid its apportionment by \$473.00

In the Connectional Ministry payments, there is a plus factor over last year of \$8,913.00, but a deficit payment of \$5,960.00 as compared to the amount apportioned. Late payments reveal an additional \$1,873.32 has been received since December 31, 1971. Four districts met or exceeded the apportionment.

The Ministerial Education Fund shows an increase payment over last year of \$5,980.00, but again a \$10,700.00 deficit in payments this year as compared to the apportionment. The assessment was \$3,759.00 higher than the previous year. Four districts met or exceeded the apportionment. Four had a deficit.

Payment to all benevolences for 1971 show an increase over last year of \$92,083.00, and the grand total of all finances for the Annual Conference amounted to \$9,377,112.00, showing an increase over last year of \$282,337.00.

The over-all statistical picture seems to indicate a trend toward less involvement in actual membership in the Church and its organizations. In the case of worship service attendance, there is a slight increase in participation in the main worship service; and even though the trend in finances is upward in dollars being paid, when we take into consideration the purchase power of the dollar, it would show very little increase in actual participation in the program of the Church.

It is hoped by the Bishop and the Cabinet that an upward trend toward larger participation in all phases of the work of the Church could be established during the new Conference year.

W. V. BANE, Secretary to Cabinet

H. F. MEIER, JR., District Superintendent

COMPOSITE REPORT ON COMPLETED PROGRAM — PROGRAM COUNCIL**(Adopted June 5, 1972)**

Theological Base of our work.

Coordination of our Work.

The Local Church as the main emphasis.

Program happenings in 1971-72.

1) Serious question should arise about any activity we are engaged in unless it is called into being to meet an expressed need, and unless it has a sound biblical and theological base.

2) The very reason for the existence of the Conference Program Council is for the matter of coordinating and promoting all the program work of the Annual Conference. This relates to actual program and financial support. The

support of all the work of the Conference Program Council, and its related Agencies, comes from the Conference Benevolent Section of your giving.

It has not been easy for us to learn the matter of coordination. We have long been accustomed to individual action and individual agency action. We have learned, and are learning, the process which makes any program agency, and its many concerns, on a level with another agency. We are learning to stand up for the rights and concerns of a particular program matter, but we are learning this in relation to the rights and concerns of others. We are learning that increased emphasis in one program concern does not mean diminishing emphasis in another.

3) The Local Church as the main emphasis. It has been easy for us to say that the local church, the grass roots, is the place of emphasis, but it hasn't been easy to accomplish this, that is, to invert the funnel. Those in so-called higher levels of work have often heard a garbled message from the local level, and, more often than not the confusion has been more in the hearing than in the speaking. And then again, sometimes the unhealthy condition of the grass roots makes it impossible for a word to be said that can be properly understood. When asked if the local church is where the action is nowadays one of our bishops stated, "Yes indeed. It's not the only place where the action is, but it's the central place, the dominant place."

Significant things are happening on the local level. 1) One church in the Fort Worth East District entered into the risk of the real meaning of the Council on Ministries and came out with increased lay participation and awareness on all levels of program planning and execution. 2) A congregation in the Waco District was awakened to the need of spiritual health of its membership; this awakening led to a method which was workable in attaining personal spiritual growth. 3) A whole district took renewed interest in the problems of aging in the church and the community and developed ways of helping meet those needs. 4) A small town church refused to give up and found that you can do new and creative things for all age levels, even where there is diminishing membership. 5) Creative ways of helping children learn took the interest of a whole series of churches. 6) Refusing to despair in the face of youth needs led one church to dare to live with and among its youth and thus found new life for the entire congregation. 7) Meeting transportation needs for the aged. 8) Taking a serious look at new forms of worship. 9) Giving time to leadership development to those who teach. 10) Developing a ministry to shut-in and home-bound people through the use of the laity. 11) developing a sound base and theological outlook in the field of stewardship. 12) A day nursery school for pre-schoolers. 13) Helping the pastor in his needs of continuing education. 14) Becoming active in community decision making in political and social matters. 15) Developing a curriculum of learning for a particular learning need. 16) Involvement in methods of learning in the out of doors. 17) Inter-ethnic exposure to feelings of all persons led a church in the metropolitan area to come alive as human possibilities.

An emphasis is rising as to the role of the district and its relation to program needs of the local church. 1) District Youth Teams are becoming effective. 2) The United Methodist Women are at work on the district level. 3) Lay training Seminars have been held. 4) The District Program Council is being seen as a vitally needed program body for the local church.

4) What has happened in program in 1971 and 1972? Reports No. 1 and No. 2 of the Committee on Coordination give a sentence summary of varied activity. And let not brevity of the statement diminish the importance of the statement. They represent vast amounts of time on the part of individuals in action, local churches in action, and agencies in action. They represent an investment on your part of more than one million two hundred thousand dollars.

Changing concerns of Campus Ministries have found creative approaches necessary. Autonomous work of the conference with campus ministries has been established. You gave \$59,000 for work in this conference on seven campuses where we are engaged in ministry. You created a new Conference Commission on Campus Ministries.

You gave \$152,000 to the cause of Higher Education on United Methodist Campuses over the state: Texas Wesleyan College, Southwestern University, Southern Methodist University, McMurry College, Lan Marris Junior College, and Perkins School of Theology.

Huston-Tillotson College, our predominately black school in Austin, received direct emphasis and support in giving money; you gave \$18,900 for work on that campus.

The Board of the Laity continues to sponsor training programs, primarily on the district level, for persons involved in Lay Life and Work, Stewardship, Lay Speaking, and concerns related to the local church Council on Ministries.

Women of the conference never cease in their concern for the spiritual need of society as a whole. They have trained, they have prayed, they have worked and they have raised over \$420,000 in one year for local church, community, national, and overseas work.

The Fund for Reconciliation has not completed its work for the quadrennium. But you have given over \$176,000 over a three year period to support national projects and causes in our own conference: Outreach of the Urban Ministries of Fort Worth and Waco, Eastwood Center, The Geneva Overton Center in Cleburne, the North Side Inter-Church Agency in Fort Worth, Rio Grande Churches in the Temple District and in the Brownwood District.

You responded to the appeal in Advance Special giving in 1971 with \$165,845. You kept in personal touch with missionaries, mission stations both national and overseas. You invited overseas nationals into your churches and invited missionaries to give you first hand information. You are responding to appeals from the Conference Board of Missions and our conference missionary secretary.

World Service and Conference Benevolences received \$492,000 and apportioned \$522,000. You continued to use many methods to acquaint the 120,000 members of our conference as to the meaning of this fund and how it is being used.

Your conference program has been carried on through the Conference Departments, Children, Youth, Family, Adult. Increased training through these departments in laboratory schools for teachers in Christian Education, certified courses in Human Sexuality, certified courses in Confirmation, Marriage Seminars, and workshops in giving pastors help in counseling for marriage. You have taken some rather bold steps in youth ministry and have set up a department which is becoming increasingly sensitive in relation to the changing needs of youth. You have adopted new techniques in making available resources and training to workers with children.

Your conference program agencies have become increasingly aware of the overlapping of concerns which they share. They have made progress in the areas of cooperation and coordination and continue to interrelate concerns. Seminars and coaching conferences and training events have been successfully conducted in new approaches to evangelism, the Something Else program, Saturation Evangelism teams, Lay Witnessing, and Preaching Missions. You have given guidance in Selective Service Counseling, the concerns of merger within the conference, the issues of ethnic groups. The Metropolitan Board of Missions has kept you aware

through many media of their concerns. New site procurement, church and community ministries, meeting of emergency concerns, specialized ministries, and the like. The financial report tells you of what happened to your special \$25,000 appropriation to meet needs of Black Community Development. District workshops were held in the concerns of our hospitals, homes for senior people, homes for children, homes for the unwed mother, concerns for the mentally retarded and for the mentally ill, concerns for those with drug problems.

You have responded to the needs of the camping program of the conference. New leadership has given renewed interest both at Glen Lake and Rainbow Camps. New forms of program have been designed to meet the rapidly changing demands for the church in out of doors Christian education. You have responded with money for needed improvements and care. A drastic drop off in participation in the traditional forms of out door camping has sent us into a year round concern of how to meet the new needs being expressed by the local church. Our thirty-two year old facility at Glen Lake is receiving concern of updating and refurbishing.

You have planned and participated in a successful Heritage Tour to England.

You have responded favorably to assistance given through the media of The Texas Methodist Central Texas Conference page, the Coordinated Mailing, and the use of The Interpreter.

Failures have been along with our successes. We are benefiting from those experiences. You have made plans for ongoing work in 1972 and on through 1973; these will be presented this afternoon and tomorrow morning.

Conference program is learning to work from a base of constant change with the feeling of being on the cutting edge, working in areas where it really counts in the cause of the Christian faith. Conference staff is grateful for the privilege of sharing and responding to the needs and plans of the conferences agencies.

I would like to express particular appreciation for the guidance and help of Bishop Pope, of Dr. Floyd Johnson, chairman of the cabinet, of Dr. Maggart Howell, chairman of the Program Council, of Dr. Sidney Roberts our Area Program Director, and a great deal of appreciation and gratitude for the work and fellowship of Richard Sechrist, J. W. Elliott, Sr., and Mr. and Mrs. Bob Shultz and Mrs. Pat Halwes. Your conference staff and your conference office staff have been superb in their commitment and desire to be of value to the causes of program and coordination in the conference.

COMMITTEE ON CAMPS AND CONFERENCES**(Adopted June 5, 1972)**

In December, 1971, Mr. Robert Shultz was named Camp Manager, succeeding Mr. Carroll Gann, who resigned to enter business. Mr. Shultz brought to the position some new concepts and innovations that it is believed will be greatly beneficial to the program.

One of the immediate responsibilities he encountered was to make the camp self-supporting. Using cost-analysis methods and principles learned in his previous management responsibilities, the first four months at Glen Rose, he has helped to reposition the camping direction. His wife, as wives of previous managers, was engaged to care for the dietary and food management area. In addition, both of them have sought to involve themselves in the area of training and camping promotion.

The cost of operating the two facilities is great and some have given consideration to the possibility of selling Rainbow Camp and utilizing funds to enlarge and improve Glen Lake. A study committee charged with investigating this and other futures of the camping program advises against it. Not only is there the strong possibility of its becoming a popular camping facility, but high costs of expanding Glen Lake and the fact that value of the land at Rainbow will elevate rather than depreciate were also factors.

Money is needed to allow Glen Lake to catch up! Capital needs for Glen Lake alone for the year 1973 are estimated at slightly more than \$18,000. Operational needs add another \$5,000 at least.

To assure needed additional funds, **We propose that in addition to the financial support from conference funds, the conference authorize a GLEN LAKE SUNDAY as an annual emphasis.** In this appeal, each local church will be asked to lift up the needs of the camping program and take a special offering for it. It is requested that this begin in September, 1972, and that funds be used for both physical improvements and continuing needs.

COMMITTEE ON COMMUNICATIONS

(Adopted June 5, 1972)

The committee expressed its belief that the Key Official Plan for circulation of the Texas Methodist has proved to be a prime method of communications to church officials.

The committee voted to lay plans for a training session for District Directors of Communications either at annual conference or immediately thereafter. We feel that hands-on training sessions at newspapers and at television and radio stations should be scheduled for the directors, as well as sessions to increase the flow of information to the conference page of the Texas Methodist. The committee feels there are tremendous possibilities for utilizing mass communications if individual churches can be made aware of what the possibilities and what the limitations are.

Six persons were nominated to serve on the United Methodist Communications Council of Texas. For the division on informational services they were Jack Butler, Sidney Roberts and Maggart B. Howell. For the division of electronic services they were W. B. Slack, Jr., Ray Eaton and W. V. Bane.

The committee adapted a recommendation to the next Committee on Communications for a more efficient organizational plan. Under the plan the committee would be divided into three departments: The Department of Print Media, to be responsible for working with the Texas Methodist and the conference page editor; the Department of Electronic Media, to be responsible for working with Audio-Visual utilization, radio and television; and the Department of Publishing Interests, to be responsible for representing the Annual Conference to the Methodist Publishing House.

The Committee voted to work with the Committee on Coordination on a budget request for funding an area or state director of public relations.

COMMITTEE ON RESEARCH AND PLANNING

(Adopted June 5, 1972)

During the calendar year 1971 the Committee on Research and Planning focused its attention on two areas of concern. The major emphasis was placed on a Seminar held on October 1-2 at Glen Lake to discuss the effects of merger and to seek ways to promote a more inclusive Church. Dr. Reynell Parkins, the principal resource person, brought two stimulating addresses concerning relationships between the races and the barriers to true brotherhood and an inclusive Church. Discussion and dialogue in small groups followed with many breakthroughs in understanding the inter-personal relationships. This was only a start toward opening up the Church to real interracial brotherhood.

The second area of activity has been through the Committee on Structure, headed by Morris Walker. During the past year a sub-committee headed by Richard Freeman has been gathering much information from across the nation concerning the internal structure and operation of other conferences. This material is being assembled and will be available for study and resource material as we look at our own needs in structure for the 1970's.

As a part of our report, for information of the Annual Conference, the Committee on Mission of the Annual Conference suggests the following statement as a suggested foundation document for mission:

"The Church is a community of all true believers under the Lordship of Christ. It is the redeemed and redeeming fellowship in which the Word of God is preached by men divinely called, and the Sacraments are duly administered according to Christ's own appointment. Under the discipline of the Holy Spirit the Church seeks to provide for the maintenance of worship, the edification of believers, and the redemption of the world.

The Church of Jesus Christ exists in and for the world, and its very dividedness is a hindrance to its mission in that world." (**The Book of Discipline of the United Methodist Church**, p. 16)

To that end the mission of the Annual Conference is to serve as the medium in which the local congregation within its jurisdiction:

. . . may express their opinions and needs and receive motivation and direction as they meet the specific challenges they confront

. . . act in concert with one another to accomplish their Christian Mission more effectively and economically

. . . receive the specialized guidance, information and encouragement they require.

This is to be accomplished within the framework of the disciplinary provisions of the United Methodist Church and in relation to unique situations dictated by the geographical and cultural aspects of the conference.

DEPARTMENT OF YOUTH MINISTRY**(Adopted June 6, 1972)**

For 1972 our major goal is as follows: By December 31, 1972, the local church pastor, youth coordinator, teachers and counselors will be able to design and outline in detail the youth ministry that best fits that individual church, and be able to select and use applicable resources, settings and administrative procedures for that ministry. This goal will be implemented through the District Teams.

SPECIFIC GOALS FOR 1973:

Jan. 1973: Evaluation with District Training Teams in relation to goals set in 1971. Discuss where to go and suggest new areas for these persons who have been Team members to work in

Jan.-April, 1973: Discover five service areas for Youth Service Fund money.

By Feb. 14, 1973: Will have gathered new data to discover needs of local churches and Districts.

By March 15, 1973: Will have developed specific strategy for implementing program events for the year in response to the data gathered.

The Department meets monthly to work out plans for short term goals and projects as well as implementation of the major goals listed above. Some of this work includes the "Bang-Ups" training events; Annual Youth Conference; Mid-Winter; Summer Camping; Youth Ministry Workshops; Coaching Conferences; Laboratory Schools; Promotion of Youth Service Fund; etc.

TIM RUSSELL, Chairman

DEPARTMENT OF YOUTH MINISTRY

Report No. 2

(Adopted June 6, 1972)

Recommendations to the Central Texas Conference:

1. We affirm that the Department of Youth Ministries should assume a 50-50 ratio in membership. (50% White and 50% Minority). We also affirm that the membership of the New Department of Youth Ministries have representation from the Rio Grand Conference, A.M.E., and other bodies if desired by both bodies. Youth Ministry is for all youth in the bounds of the Central Texas Conference and our Oneness is in Christ.

2. When we speak of a 50-50 ratio, we mean a New Department of Youth Ministries. The people who are members now (1971-1972) cannot **assume** that they will be members of the New Department. They must be re-elected at Annual Youth Conference, April 1972. (Note: **New** is a noun, not a descriptive adjective).

3. This means that the membership of the New Department shall be made up as follows: six white youth and six minority youth selected at Annual Youth Conference; eight District Youth Coordinators; one youth representative from each District representing the District Teams in the Districts. The Chairman of the New Department and the Staff Representative are non-voting members. One of these two shall be a minority person. This section does not change the structure or function of the New Department of Youth Ministry as outlined on page 89 of the 1970 **Journal**. It does change the membership as outlined in that report.

4. We request that the New Department of Youth Ministries be given the privilege of outlining suggested criteria by which our chairman and staff representative are selected. We further request that the New Department be given the privilege to recommend persons for these two positions.

5. Each ethnic group will select its own representatives to the New Department of Youth Ministries to ensure 50-50 representation.

6. We affirm that trust should be the basis upon which the New Department should be founded, and that time **must** be provided in order to develop strong relationships and trust.

7. The New Department of Youth Ministries requests the privilege of suggesting its Cabinet representative subject to the confirmation of the Bishop.

8. We recommend that **Directions for Ministry** among youth in the Central Texas Conference be established at Annual Youth Conference each year and that the **function** of the Department (Gathering Data, Motivating, Developing Leadership, and Action) be used fully in fulfilling those directions set by the youth and adult leaders of the Conference.

9. Directions set by Annual Youth Conference this year:

Establish A Useful Youth Council (Overall goal)

1. Encourage active and inactive youth to participate in the total church program and committee activities using the person to person approach.

2. Establish direct line of communication from the conference and district levels to the local church by July '72, putting minutes of the DYM and materials directly in the hands of local church youth workers.

3. Collaborate with District teams to coordinate more conference youth activities by September '72, and set up summer programs of weekly varied activities.
4. Design program to train adults in use of available materials and upgrade their skills (Lab sessions).
5. Design a youth class study directed at basic fundamentals of Christ's teachings through written material, films, and group activities.
6. Establish a more equitable ministry to Junior high levels by May '73.
7. Establish mandatory district level meetings annually to help local church better understand the workings of the youth ministries program.
8. Administer the Youth Service Fund.
9. Revise the voting system for Department of Youth Ministry members.

PAUL W. WISEMAN, Chairman

AD HOC COMMITTEE ON MINISTERIAL CONDUCT

Report No. 1

(Adopted June 6, 1972)

The United Methodist clergyman of today considers himself a professional of equal stature with the other professionals of our society. This professional image is produced by the degree of educational attainment and the competency with which the clergyman fulfills his responsibilities both within the Church and the community. In view of this, the following GUIDELINES FOR MINISTERIAL RELATIONSHIPS are offered in an effort to provide the clergyman with a definable boundary of conduct, with the intent and purpose being the strengthening of the bonds within the ministerial community, in order that all involved might render a more meaningful service within this ministry of love.

1. It is to be understood that the minister designated as "Pastor-In-Charge" (hereinafter referred to simply as "Pastor" and referring to that individual who has the primary ministerial leadership responsibility while the term "minister" shall apply to any other clergyman) shall perform or shall be in

charge of all Sacraments, Acts of Worship and Rituals carried out within the parish unless circumstances prevent him from fulfilling this responsibility.

A. A minister shall not perform any **ministerial function** for a member of a congregation without the express permission and direct personal invitation of the Pastor.

1. If a family in a crisis situation desires the ministry of a minister other than the Pastor, said minister must be requested through the Pastor, who will arrange for his presence.

2. In the case of funerals, weddings or other ministerial functions, if members desire the ministry of a minister other than the Pastor, said minister is to be requested through the Pastor, who will contact the desired minister.

3. Visiting ministers will assist the Pastor in a manner mutually acceptable to the member family and Pastor. The Pastor will be in charge of the service, NOT THE VISITING MINISTER. However, the Pastor shall retain the right not to assume direct charge as a matter of personal preference, or if he deems such an action as pastorally unnecessary.

4. The Pastor shall assume the responsibility for the fulfillment of all disciplinary requirements listed in Paragraph 350 of **The Discipline** (1968, "Duties Of A Pastor"), in those instances where a visiting minister is involved.

5. When a family which is not a member of, or related to, a local Church in their city calls a distant minister to conduct some ministerial function in a facility other than the local church, the minister, out of loving care and concern, should contact the local Pastor before conducting the service.

B. If a family contacts a potential visiting minister prior to consulting with the Pastor, the family shall be instructed by the potential visiting minister to consult with the Pastor, and no commitment shall be made until such a time as the visiting minister is contacted by the Pastor.

C. If the Pastor is unavailable to minister to the needs of a family due to illness, vacation, or other extenuating circumstances, the visiting minister shall conduct himself on the highest level of ethical behavior so as not to impair or injure the future ministry of the Pastor.

D. The Pastor is to inform the Funeral Director regarding all arrangements for a service.

II. While realizing that ministers tend to build meaningful and lasting relationships with persons and families within a parish, visits in a previous pastorate should be held to a minimum especially during the first year. In turn, no minister should make suggestions as to what should or should not be done within the program or policy of a local church of which he is not the Pastor.

III. Retired ministers should abide by the same rules of conduct established for visiting ministers. They should accept the responsibility for the performance of **any ministerial function only** upon direct invitation of the Pastor.

IV. In the interest of assuring a smooth pastoral transition, the outgoing Pastor has the following obligations to his successor:

A. Introduce him in a positive manner, utilizing the church newsletter and other means which are at his disposal.

B. Arrange for responsible Lay Persons to meet with and acquaint the new minister with his new parish assignment.

C. The outgoing Pastor should make it clear that the newly assigned Pastor will have the responsibility of ministering to the congregation, and that he will no longer be available for such services.

D. The outgoing Pastor shall explain to the local congregation, in a tactful manner, the circumstances which produced his new assignment, i.e., if he had actively sought a new pastorate he should be honest enough to say so, or if he had agreed to a move which he had not sought this, too, should be explained.

E. In the area of finances:

1. All church finances should be current and fiscal data file available for the new Pastor.

2. A Pastor moving to a new appointment following Annual Conference shall not receive salary, from the local church for service after May 31.

3. It is the Pastor's responsibility to see that all funds are expended only for the purpose for which they were contributed (Paragraph 152.5, 1968 **The Discipline**).

F. All records should be in an orderly and up-to-date status.

G. The parsonage shall be vacated by noon on "moving day." The incoming Pastor should not arrive prior to noon. The outgoing Pastor shall work with the Parsonage Committee to see that the parsonage is thoroughly cleaned inside and out, and that needed repairs are called to the attention of the committee prior to his departure.

H. All utilities shall be paid through the departure date in those instances when the Pastor is directly responsible. In those instances where this creates a problem, the outgoing Pastor shall make arrangements with the incoming Pastor to pay his fair share.

V. If a Pastor is to be absent from his parish for an extended period of time, he should inform the congregation as to which minister(s) will be performing his pastoral duties. If no previous arrangements are possible due to sudden calamity, the District Superintendent should be consulted.

VI. The Pastor shall keep in confidence any privileged information which he should obtain.

VII. A minister shall have those rights and privileges of citizenship which are common to other citizens.

A. A Minister may hold elective or non-elective public offices or positions of honor and trust if there is no time conflict between the holding of such offices or positions and his relationship with his appointed ministry. The decision as to whether or not such a conflict does exist should be made by the minister in consultation with the Administrative Board (or equivalent governing body), the District Superintendent, and the Bishop.

B. A responsibility of the minister is to give leadership on moral and social issues; and his leadership should not be circumscribed by the congregation to which he is assigned except in those instances where there is a direct conflict with **The Discipline**. Because of this leadership role, the minister should familiarize himself with character-building institutions, social and professional service institutions and governmental resources in the community.

C. In exercising citizenship rights and privileges, the minister should follow these suggestions:

1. Be careful to identify personal positions taken on public issues as personal positions.
2. If he presumes to speak for his congregation, he should be certain that his position is supported by action of The Administrative Board.

VIII. Although it is recognized that a certain amount of competitiveness promotes a healthy spirit of effort between local congregations, no Pastor should make himself party to an activity or undertaking which injures or detracts from the efforts of the Pastor of a nearby local church. A Pastor's discreteness at this point should forbear his calling upon members of a nearby church who are actively involved, or scheduling programs or activities which tear down or hinder similar programs or activities of a nearby church. In short, local church Pastors serving in immediate proximities should seek to cooperate and complement each other, rather than hinder or interfere with each other's program.

AD HOC COMMITTEE ON MINISTERIAL CONDUCT

Report No. 2

(Adopted June 6, 1972)

1. A considerable burden of responsibility relative to the ability of ministers of the Central Texas Conference to fulfill the spirit and principle of the proposed GUIDELINES FOR MINISTERIAL RELATIONSHIPS must be assumed by the Board of the Laity of the Conference. Therefore, be it resolved that said Board will assume the responsibility of carrying out the following educational enterprise:

A. Upon adoption of these "guidelines" by the Conference, the Board of the Laity will hold training seminars for every local church Pastor-Parish Relations Committee to acquaint them with the "guidelines" and encourage them to assist the pastors in abiding by them.

B. The Board of the Laity shall recommend to each Pastor-Parish Relations Committee the distribution of these "guidelines" to each member family within the local church.

C. The Board of the Laity shall be responsible for a series of articles in the TEXAS METHODIST for the purpose of explaining the intent and purpose of each item in the "guidelines."

II. Additionally, the Board of the Laity is requested to disseminate to the lay membership of the Church the following ways in which they can be helpful to a newly assigned Pastor:

A. The Pastor-Parish Relations Committee should immediately have a meeting with the new Pastor to discuss the profile of the local church and allow the pastor to explain his style of ministry. Additionally, the pastor and the committee should meet regularly throughout the year.

B. An informal meeting of the Administrative Board will afford the new Pastor an excellent opportunity to become acquainted with his new leadership.

C. A reception is helpful in exposing the Pastor to a maximum number of people in a brief period of time.

D. A friendly and helpful face is most beneficial when the Pastor first arrives. It is equally helpful to have someone drive him through the area, explaining as much as possible about the community and its resources.

E. The laity can "minister" to the Pastor just as he can "minister" to them.

III. Furthermore, the Board of the Laity is requested to acquaint the lay membership of each local church with the fact that the United Methodist ministry is connectional in nature, and that the local Pastor has a responsibility to serve in District-Conference capacities which necessitate being away from the local church.

AD HOC COMMITTEE ON MINISTERIAL CONDUCT

Report No. 3

(Adopted June 6, 1972)

The committee respectfully requests that the responsibility for the following actions be assigned to The Board of The Ministry and it be charged to execute the same:

The **Guidelines for Ministerial Relationships** be published in the Annual Conference Journal once each quadrennium;

2. A copy of the **Guidelines for Ministerial Relationships** be placed in the hands of each minister who transfers into this Annual Conference and each minister who is received into Probationary Membership of this Annual Conference.

TASK FORCE ON CENTRAL TEXAS AND RIO GRANDE CONFERENCES

(Adopted June 5, 1972)

It is the policy of the Conference Program Council of the Central Texas Annual Conference to include representatives of the Rio Grande Conference in planning and participating in as many of its activities as possible, (e.g., camping programs at Glen Lake and Rainbow Camps.)

We request that groups within the Central Texas Conference include members of the Rio Grande Conference whenever feasible in planning and conducting such programs as district training enterprises, men's rallies, Women's Society of Christian Service activities, etc.

TASK FORCE ON CONFIRMATION

(Adopted June 5, 1972)

The report of the Task Force on Confirmation is given under three headings: (1) What has been done, (2) What is being done, and (3) What is being planned.

1. **What has been done:** The Task Force plus several resource persons met to study its responsibilities and to confer with those who had attended laboratory classes on confirmation. A special committee was appointed to bring back recommendations concerning training in understanding the concept of confirmation and in the conduct of confirmation classes. The committee consisted of Elden Traster, chairman, Richard Sechrist, Dennis Camp, J. Charles Shelley and Gordon Dennis.

The Committee felt that more immediate action was needed than had been originally contemplated. They therefore recommended that teams be trained and workshops held in each district to help the preachers think through the concept of confirmation and to provide ideas, guidance, and training in the conduct of confirmation classes. This plan was presented to Bishop W. Kenneth Pope, Dr. Maggart Howell and the Cabinet. It was approved.

2. **What is being done:** The Workshop teams have received training. Several districts have already conducted workshops. Others are soon to be held. All will have done so in 1972.

3. **What is being planned:** One purpose for which the Task Force was formed is yet to be achieved. That is to "determine where the training responsibility should be in relation to the Annual Conference and the district." (1971 Journal, p. 101) The special committee recommended that responsibility be lodged with the Program Council Staff and the Conference Children, Youth and Adult Co-ordinators.

ELDEN TRASTER,
Chairman Special Committee

TASK FORCE ON STEWARDSHIP

(Adopted June 6, 1972)

Members of the Task Force on Stewardship planned and conducted a Conference-wide Stewardship Seminar at Glen Lake Camp, March 10 & 11, 1972. Each district was represented by team members who are now responsible for training local church leaders, using the plan which seems most likely to meet their specific needs.

Resource persons for the two-day Seminar were Dr. Hilbert Berger and Mr. Dwight Newberg from the General Board of the Laity. They gave excellent leadership in these areas: Stewardship in the Old and New Testaments; Theology of Stewardship; Growth as Related to Stewardship; Money Management for the Christian Family; Stewardship for Pastors; and Stewardship and Commitment.

The Stewardship Emphasis for 1972 is now dependent on plans made and carried out by the District Teams. Fresh new concepts of stewardship, supported by innovative training events in each district, are expected to emerge as Central Texas churchmen seriously study the meaning and implications of being stewards for Christ in all of life. Exciting breakthroughs are possible; why not during 1972?

COMMISSION ON ARCHIVES AND HISTORY

(Adopted June 6, 1972)

On October 2-11, 1972 we hope to take some 200 Texas Methodists to England to visit sites of Methodist historical interest, including Epworth, Oxford, Bristol and London. Application blanks for the tour, open to members of the Central Texas Conference United Methodist Historical Society, are now available. Last fall sixty two members of the Society made a similar tour.

Our Conference Historical Room at Glen Lake is completely furnished and we are seeking additional books, pamphlets, pictures, letters and other materials of historical interest. We would like to complete our collection of Disciplines and Journals during this year.

If you have completed a written history of your church this year, please see that a copy is in our files. During this year we will give recognition to churches with 1,000 members up, 250-999 members and below 250 members, for written histories submitted.

A major project to be considered during this quadrenium is the possibility of writing a history of the Central Texas Conference.

All Methodists in Central Texas Conference are urged to become members in the Historical Society at \$2.00 per person or \$5.00 per family. Funds are used to underwrite programs of the Society.

COMMISSION ON CAMPUS MINISTRY

Report No. 1

A Statement on Campus Ministry

by the Campus Ministers of the Central Texas Conference

(Adopted June 5, 1972)

Who Are We

1. **The tradition of the Christian Church** is our primary source of identity. We are clear that we represent that tradition and our chief contribution to the campus is to bring the insights of that tradition to the life of the campus. In particular, we acknowledge we are members of the Central Texas Conference, appointed by the bishop and funded by the churches of the conference. This means we do not see ourselves primarily identifying with either the New Generation or the establishment but with the church. There is no need for a thirty year old hippy on campus or for someone representing middle class morality.

2. **The missionary image of ministry** is the model out of which we operate. We share the understanding that the college campus is fundamentally a mission field. The traditional language, symbols and piety of Christianity are not dominant in the life style of our campuses. Most mis-understanding of campus ministry seems to arise from not understanding the missionary character of it.

What Do We Do

Traditional forms of ministry characterize much of our work. In some centers, **teaching** for credit is an important part of ministry to students and as a way into the university structure. **Pastoral** duties are always high, generally centering around counseling for specific issues, e.g. vocation, the search for meaning, draft, drugs, problem pregnancy. **Prophetic** aspects, which played a major role during the day of the civil rights and peace movements, are not a minor role. **Liturgical** activities, which were few a year ago, are becoming very significant in these days of celebration.

Where We Are and Where We Tend to be Going

Experimental forms of ministry are a necessary part of any ministry related to the rapidly changing youth culture. There is an "ad Hocness" to much of our programming. It is here that we feel the imperative to know the tradition in which we have our roots so that in all the varied things we do, we are not just faddish but intentional regarding our mission.

Trends for the Future

Ministry with the New Generation seems to be the dimension that will be added to campus ministry. The traditional modes will all continue with varying degrees of emphasis. New structures will continue to emerge. Increasingly, however, as there is less distinction between college students and others of the youth culture, as college students live less on campus and more in residential areas, the need will be for local congregations to minister to these people. Because of our experience with this age group we feel we should share whatever skills and insights we have regarding ministry to these persons. We look for and ask the Conference Commission to explore ways we might be of use to the annual conference in ministry with the New Generation.

Report No. 3

(Adopted June 5, 1972)

The paper that was written by the Wesley Foundation directors the early part of this year ends with the statement:

"We look for and ask the conference commission to explore ways we might be of use to the Annual Conference in ministry to the New Generation. We would welcome a task force or any direction the commission wants to give at this point."

We, as a conference commission, have responded to this request. We have planned two conference-wide programs which will deal with "Ministry with the New Generation."

COMMISSION ON CAMPUS MINISTRY

Report No. 4

Special Requests

(Adopted June 6, 1972)

I. A request from the Board of Trustees and the Board of Directors of the Wesley Foundation, University of Texas at Arlington.

The Financial structure of the Wesley Foundation, UTA, is such that no funding has been made available nor is any forthcoming to meet a \$104,000 indebtedness on its new facility. This indebtedness has been upon the Wesley Foundation for more than four years. It faces the real situation, at present, of having to choose between ministry and use of program budget (at a minimum now), for building, and eventually closing its doors. We believe that the United Methodist Church should be in ministry on the campus of UTA. If ministry is to continue in any meaningful way, then immediate help is required on the part of the Annual Conference.

The request is that the Annual Conference assume the above obligation; in return for which, the Board of Directors offer to the Trustees of the Annual Conference — two acres of land, in Arlington, appraised currently at \$1.00 per square foot. Certain zoning and deed restrictions presently in force will be lifted within some two years. Sale of these properties, it is anticipated, will repay the conference in full for whatever costs are involved in the liquidation of the debt.

We suggest that the indebtedness be placed under "Conference Projects" and that the Commission on World Service and Finance handle the matter.

II. Request from the Austin Avenue United Methodist Church concerning The Wesley Foundation at Baylor University.

The situation concerning Austin Avenue United Methodist Church involves the offer on the part of that church to build the Student Center Building at the Baylor Wesley Foundation as its share of the United Capital Funds for Higher Education in Texas. It being understood by this action, that members of that church would not be solicited otherwise for United Capital Fund pledges. The building was constructed, and on October 4, 1964 at 3:00 p.m., it was formally dedicated. There is a balance in the amount of \$19,267, plus interest, remaining on that pledge.

There are two residential lots, in the Tanglewood Addition of Waco, which will be deeded to the Conference Trustees. These can be sold and whatever the return may be applied against this indebtedness.

We suggest that the indebtedness be placed under "Conference Projects" and that the Commission on World Service and Finance handle the matter.

COMMISSION ON ECUMENICAL AFFAIRS

Report No. 1

(Adopted June 6, 1972)

The principal effective activity in the area of ecumenical affairs during the past year has been in relationship to the Texas Conference of Churches. Many worthy projects are now underway, and many more are planned, awaiting only the necessary financial undergirding. With this in mind this commission proposes two things.

1. An increased financial support of the work of the Texas Conference of Churches in 1973 and succeeding years.

2. An increased involvement in the planning and decision-making activities of the Texas Conference of Churches in keeping with United Methodist financial support. United Methodists of other conferences are determined to share in this effort to correct the deficiency that has existed.

BOARD OF CHRISTIAN SOCIAL CONCERNS**Report No. 1****(Adopted June 5, 1972)**

We commend the present administration of the United States for its recent change in policy toward the People's Republic of China. While some have condemned our President for his journey to China, Russia and Poland, feeling that it cast the United States in the role of a servant, we believe that it is fitting, for Jesus said, "If one of you wants to be greater, he must be the servant of the rest." We pray that this is the beginning of a new stance by our government whereby we will discard a rigid stance against things and assume a flexible attitude toward people.

We encourage industries and businesses of the United States investing in foreign nations to seek out, train, and place indigenous leadership into top positions of responsibility. This practice, now standard procedure in the foreign mission work of the United Methodist Church, will create trust and credibility for the corporation and for the United States, while at the same time it will make the business more responsive to, and knowledgeable of, the people of the country where they do business.

Committee on Black United Methodist Concerns

(Adopted June 6, 1972)

The Committee on Continuing Merger of the Board of Christian Social Concerns recommends that a new committee of the annual conference be organized.

Name: The committee shall be called the Committee on Black United Methodist Concerns.

Structure:

a. Membership

1. Each black minister under episcopal appointment.
2. A layman from each local black charge to be recommended by the Charge and nominated by the Cabinet.

b. Status

1. It shall be a committee responsible first to the Annual Conference Committee on Continuing Merger until the Annual Conference of 1973, then The Commission on Religion and Race, which will replace the Committee on Continuing Merger.
2. The chairman and vice chairman shall be members of the Committee on Continuing Merger, until the Annual Conference of 1973, then of the Commission on Religion and Race, which will replace the Committee on Continuing Merger.

RESOLUTION AFFIRMING THE SEPARATION OF CHURCH AND STATE

(Referred to Board of Christian Social Concerns June 6, 1972)

WHERE AS We as a group of interested and concerned individuals being members of the Central Texas United Methodist Church affirm the dignity of man living in love and charity with his neighbor, and the support of the quest for peace throughout the world. We recognize the inhumanity in war and the suffering it brings. We are for ending all wars and freedom for all mankind. We do not condone aggression by any nation against another. It is the right and privilege of every Christian to be concerned and to speak out and to inform his Senator, Representative or Legislator of his feelings on any political matter.

AND WHEREAS All of the foregoing are dear to us, we hold also in great endearment the right of individual freedom of worship; which was so wisely put into the Constitution of the United States of America by the founders of this great and free nation. Our forefathers clearly provided for the separation of Church and State. We fear the loss of this freedom of worship by the action of the Bishop's Call to Peace; which dictates to the Federal Government in a political and not a religious matter.

THEREFORE BE IT RESOLVED That the Central Texas Annual Conference of the United Methodist Church goes on record as being opposed to the Bishop's Call to Peace; which is not representative of all of the members of the United Methodist Church, and which is a direct violation of the doctrine of separation of Church and State. In that it is an attempt to dictate to the Federal Government in political matters. Let this conference inform the appropriate bodies of the United Methodist Church that we oppose the action taken in Atlanta, Georgia on April 28, 1972.

The Resolution Affirming The Separation of Church and State submitted to the Board of Christian Social Concerns was considered in the presence of and with the assistance of those who originated the Resolution. The Board recommends that since accurate copies of "Resolution on Indochina" by the 1972 General Conference on which the submitted resolution is based have not yet been seen by most of those involved, and since there has been so little time available for serious consideration of the issues raised by the Resolution Affirming The Separation of Church and State, the Board study the matter and make a report to the Annual Conference Session in September, 1972; with the understanding that those who presented the Resolution are to be invited to attend.

BOARD OF EDUCATION**Report No. 2****Recommendation****(Adopted June 6, 1972)**

As voted by the General Conference, it is recommended that the Central Texas Conference apportion \$67,322 for 1973 as its share of the national apportionment of \$6,000,000 annually for the twelve Black Colleges of the United Methodist Church. It is also recommended, as permitted by the vote of the General Conference, that 75% of the funds received on this apportionment be designated for Huston-Tillotson College at Austin, Texas.

This apportionment is to be a substitute for and not in addition to the present 25c per member Huston-Tillotson Day apportionment in the Central Texas Conference.

BOARD OF HEALTH AND WELFARE MINISTRIES**Report No. 1****(Adopted June 6, 1972)**

Every hour of every day, 365 days a year, thousands of persons are being served by the United Methodist Health and Welfare Agencies of the Central Texas Conference, persons in need, in crisis, in pain. They are the patients at Harris Methodist Hospital in Fort Worth; children in our Methodist Home in Waco; or in foster homes selected by our child care agency, retired persons in our senior citizens home in Georgetown. Through these Health and Welfare Agencies, a ministry is provided in the name of Christ to more people annually than any other program in the Central Texas Conference beyond the local church.

To further continued support of these institutions our Board is recommending that each district sponsor and promote tours by bus, car or caravan of our Health and Welfare institutions during the Conference year 1972-73; to see first hand the redemptive love performed in these institutions in the name of Christ. We especially encourage the participation of youth and young people in these tours.

The church of Jesus Christ has traditionally been in the business of ministering to people **where they are**. At this point in the life of the church the "fields are white unto the harvest." We continue to encourage the local church to develop new ministries and outreach to people where they are; to be the church to the shut-in, the indigent, to children, the aging. To this end we recommend: a community survey by every local church to determine needed ministries and further that each local church budget include provisions for funding local ministries. As a guide we recommend 10% of the local church budget be set aside for local ministries.

During the year 1972-73, our Board will sponsor a training workshop for pastors, council on ministries chairmen, and the local church representatives of Health and Welfare. The workshop will be held at the new mental health center at the Methodist Home in Waco. It will deal with the care of the emotionally disturbed child.

ROY J. GROGAN, Chairman

GAITHER L. DAY, Secretary

BOARD OF HEALTH AND WELFARE MINISTRIES**Report No. 2****The Methodist Home****(Adopted June 6, 1972)**

The long-range planning in the development of an umbrella of service for children at Methodist Home is now coming into full fruition. We are now serving a far greater number of children than have ever been served before by Methodist Home. This is being done by a multiple service approach including residential care, foster family care, adoption, residential treatment for the emotionally disturbed and mother's aid services for the child in his own family. Plans are rapidly developing for the Boy's Ranch and it is hoped that this program will be in operation by the beginning of school in the fall.

1. The residential care program on the campus of Methodist Home has been upgraded in the last few years to assure a high level of professional child care, under the direction of the Child Welfare League of America, the campus is divided into five administrative divisions, with each division having its own team of workers. In this way, we have the assurance that every child is going to have the care and attention he needs and the quiet, withdrawn child is not going to be lost in the midst of the large number of children on the campus. Each division has about 60 to 75 children in its care and the total number of children served on the campus is usually about 335 at one time.

2. We now have about 130 children in foster family care. This is by far the largest number of children we have ever had receiving this kind of child care. All pre-school children are in foster homes, but now a majority of our foster home children are of school age. This year we have two children graduating from high school while living in foster homes. In order to provide adequate supervision for our foster home children, we limit our program to a radius of about forty miles from Waco and our offices in Dallas, Houston and Amarillo where we have supervisory workers.

3. All children coming into care at Methodist Home are carefully screened to determine if they are legally eligible for adoption and if so, a good adoptive home is found for them. Because the parents of most of our children are still living and it is the aim of the Home to place the child back into his own family whenever that family is able to care for him, very few children coming to Methodist Home are subject to adoption.

4. Methodist Home Guidance Center for the treatment of emotionally disturbed children began operation July 1 and has exceeded our expectation in the care of Methodist Home children and those of the community. Headed by a child psychiatrist and fully staffed with psychologists, social workers, therapists and professional child care workers, a program for the treatment of children with great emotional problems is being developed in a fine way.

Because of our affiliation with the community mental health program and the assistance of Federal Funds for the building and staffing of the Guidance Center, children are not received into the Center from outside McLennan County, the catchment area as designated by the State. However, all children of Methodist Home are served by the Center and it is proving to be of inestimable value in meeting the needs of children with great emotional problems.

5. Methodist Home Boy's Ranch is in the process of development and we are hopeful that interested donors will provide funds for the building of the first ranch house for boys before school begins in the fall.

All weather roads have been built in the main area of the ranch and fences are dividing the land into separate pastures where most of our cattle are already feeding. Also, pecan trees and fruit orchards have been planted. A large mechanic shop has been built and the resident director's home will soon be completed. Our full program will be in operation when the first boys' residence is built. The boys living there will attend Axtell school, located about six miles from the central area of the ranch.

Methodist Home is operating on a budget of \$1,856,961 for the present fiscal year July 1, 1971, to June 30, 1972. The major sources of our income are funds from the Federal Government in the amount of about \$300,000 for the staffing of the Guidance Center, and nearly one million dollars from the Methodist Home Foundation. In order to meet our financial obligations for the year, we will need about \$420,000 from the six supporting annual Conferences. This is an increase in cash income of about \$30,000 from that received from the Conference last year. We can provide the basic needs of the children in our care, but if we continue to develop the quality program which we

feel our church expects us to do, the support from the Conferences will have to continue on a high level and increase enough to provide for the increased costs of services.

The greatest service which the leaders of a Conference can do for the children of Methodist Home is to interpret to the Methodist people in the Conference the correct concept of the needs and the services of the Home. No longer do we offer only custodial services to hurt and troubled children. That is far from enough. Tender Loving Care is the first ingredient in placing a troubled and mistreated child back on the right course, but it is not nearly enough. Professionally trained people, with a love for children and a desire to meet their needs, must be listed as the first priority in a child care agency today. A children's agency is like a hospital or university—if it is not properly staffed, all of the physical plant will be to no avail.

The Board of Directors of Methodist Home has nominated Dr. Connie Yerwood Conner of Austin as a Director at Large to fill the vacancy created by the resignation of Mr. Wilton Daniel of Tyler. This term expires in 1973.

KENNARD B. COPELAND, Administrator

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 3

Harris Hospital (Adopted June 6, 1972)

Patient Core Factor:

During the Fiscal Year 1970-1971, 169,106 days of adult care were given; this was a decrease of 2,597 days when compared to the previous year. In addition, 24,480 days of newborn care were given — also a decrease of 1,990 when compared to the previous year.

The nursing shortage in Texas, in general, has not improved greatly this year; however, Harris Hospital has continued its recruitment of nurses from abroad; currently, 205 overseas nurses are employed here.

Purchase of Equipment:

During the year, the Board of Trustees of the Hospital authorized the purchase of equipment and property in the amount of \$519,424.93.

Modernization Program — Phase III:

Construction of our modernization of Floors 8, 7, 6, and 5 was begun in June 1970. The cost of Phase III is \$5,351,002.91. Of this amount, \$1,000,000 will be received as a grant from Hill-Burton; \$1,700,000 has been negotiated in long-term financing; the balance will come from Hospital reserve funds and the donation received from the Sid W. Richardson Foundation in the amount of \$200,000.

Floors 8 and 7 were occupied during the first week of July 1971; Floors 6 and 5 were occupied April 1, 1972. It is anticipated that Phase III will be completed and fully accepted by April 15, 1972.

The opening of these floors for patient care will give the Hospital a capacity of 616 adult beds and 98 bassinets.

On the Second Floor of the Main Building, a new Intensive Care Unit of 12 beds was opened on September 18, 1971. A portion of the cost of this project was covered by the \$200,000 donation from the Sid W. Richardson Foundation, and it was memorialized by the Trustees in Mr. Richardson's name. In June 1971, the East half of the Second Floor was designated as an addition to the Special Care Area. In other words, the ratio of nurses to patients was increased to allow more intensive care to patients being transferred from ICU and CCU. Both the Medical Staff and the Hospital Staff feel this has been an important improvement in our ability to serve the patients.

Medicare:

The number of patients covered by Medicare to our total patient load for the past Fiscal Year was 17.79%. The average length of stay of the Medicare patient was 11.36 days compared to 7.2 days for the non-Medicare patient. The Medicare Law is so constructed that the Hospital is forced to discount the Medicare patient bill 16.47% below normal billings; this enforced discount must be made up by the non-Medicare patient; these regulations are totally unfair to the non-Medicare patients.

Wage and Price Freeze:

Hospitals, like all industry and business, are operating under Phase II of the Wage and Price Freeze promulgated by the President's decree on August 15, 1971. Compliance with the rules and regulations of the Freeze has been most complicated and most costly from the standpoint of obtaining expert interpretation of these rules by accountants and attorneys.

Nominations of Trustees:

The Board of Trustees places in nomination, as Trustees of Harris Hospital, for a three-year term, the names of the following individuals:

Clay J. Berry, Jerry L. Brownlee, Reverend W. M. Greenwaldt, D.D., Ted C. Peters, W. E. Borger, Charles F. Dominy, Reverend N. H. Kupferle, Jr., D.D., C. Brodie Hyde.

The Board of Trustees request the Bishop and his Cabinet to appoint the Reverend James B. Ansley, D.D., as Commissioner-Chaplain of the Hospital for the coming Conference Year; and, further, to appoint Reverend John W. Schaub as Associate Chaplain for the coming Conference Year.

In 1969, The Central Texas Conference of The United Methodist Church increased the long term financing latitude of the Hospital from \$3,500,000 to \$6,000,000.

The Board of Trustees of Harris Hospital requests the Conference to increase this long term financing latitude from \$6,000,000 to \$10,000,000. In this connection, it should be brought out that the physical assets of the Hospital, as of April 30, 1972, are \$25,482,868.90 — or a ratio of assets to liabilities of 5.31:1.

Phase IV Construction:

The Board of Trustees, at the Annual Meeting on April 26, 1972, approved

making application for Hill-Burton funds to finish the modernization program of the Hospital (floors 4, 3, and 2) at a cost of \$4,946,394; this will be known as Phase IV and upon its completion, the assets of Harris Hospital will be \$30,429,262.90.

The Chaplaincy

(Adopted June 6, 1972)

If a person really loves and cares for people, there is no finer place to serve our Christ than in Harris Hospital. We are called to minister where happiness and sorrow walk hand-in-hand. We share the happiness that comes with the announcement of the birth of a child. We share with those who have been told by their doctors that all we can do for their loved one is to "keep him comfortable." We are blessed with a common tie that binds us together in joy and in sorrow — the supreme example of this tie of love is seen in the healing power of Christ. We are called to share this love through Harris Hospital and for this privilege, we are indeed grateful.

Golden Cross Service

Sometimes the only criteria we have for evaluating our service as a church is through statistics. The following report covers the period from January 1, 1971, through December 31, 1971:

Number of Golden Cross patients	41
Total of accounts	\$76,201.92
Insurance payments	35,197.90
Total Golden Cross Service	41,004.02
Total gifts to Golden Cross for conference year 1971....	8,468.40
Total gifts to Golden Cross for conference year 1970....	9,009.22

The Golden Cross Service is Christ's healing hand at work through your church.

Clinical Pastoral Education

Harris Hospital continues to provide a learning opportunity whereby pastors and theological students may grow in sensitivity to the needs of persons and appreciation for adequate pastoral skills rendered in an environment of illness and crisis. Brite Divinity School and Southwestern Baptist Theological Seminary have provided a total of sixteen students this past academic year for orientation in clinical training, a program whereby the student spends Monday of each week in seminar and patient visitation under supervision. In addition, six students from Southwestern Seminary fulfilled their field education requirements by being clinically trained on Tuesday afternoons throughout the academic year. In both

programs seminary grades, hours of course credit, and degree requirements were granted.

On August 15, 1971, four men and one woman were certified as having completed Basic Clinical Pastoral Education (Unit 1). Our conclusion is that this Program is of the highest quality. With this confidence spurring us on, our plans are to provide Basic C.P.E. again this summer (1972) for four theological students. Interest in these programs of training are remaining extremely high in the seminary community.

Methodist Mission Home of Texas

Report No. 5

(Adopted June 6, 1972)

General: Your Home in San Antonio continues to be one of the outstanding agencies of its kind in the United States. It provides a well balanced, realistic and effective ministry to unwed mothers and their families. These young women come from every social and economic-background and a large majority of those in the Home came from church-related homes. They need our understanding, acceptance and love — in spite of their serious moral mistakes, they need a place where they can obtain confidential and expert help on their medical, psychological, and social problems; and they need the help of sensitive counselors to re-think life's meaning, find a more mature way to manage their lives, to accept God's forgiveness and to make realistic decisions about their babies. Your support of this program makes all this possible in larger measure each year.

Counseling: This phase of our work with the residents continue to be a basic factor in our healing and redemptive ministry. Our girls are being seen individually by experienced caseworkers and also are involved in group work sessions. Each resident is provided basic psychological testing under the direction of a Clinical Psychologist and when needed, the services of a Consulting Psychiatrist are used. All girls are given specific and detailed understanding of their prenatal problems under the direction of a Registered Nurse and are seen weekly in our Clinic at the Home. The new Home on Whitby Road has been in use for slightly over four years and we are beginning to realize more fully the cost of operating this larger Home. We have been officially licensed by the State Department of Public Welfare to care for 100 — as of September 1, 1971.

Adoptions: The placement of beautiful little babies in fine Christian homes continues to be an important part of our ministry and the Home is a fully accredited adoption agency. Our policies on adoption are much more flexible than in former years and we are using homes of many different denominational backgrounds. However, a high preference is still given Methodist families and over 65% of our babies go into Methodist homes. We serve girls of all nationality backgrounds and place babies in Anglo, Latin-American and Negro homes. We are always glad to have couples write to us about adoption possibilities, and **are in special need of Negro and Latin-American homes.**

Building Fund: The \$8,100.00 needed (Principal and Interest) to complete our obligation has been given by the Methodist Foundation of Wichita Falls, and a dedication service is planned for October, 1972.

Endowment Fund: This is slowly increasing and now exceeds \$41,000.00. The Education Loan Fund for use of staff and residents amounts to an additional \$35,000.00. Other bequests and designated insurance policies of record will add to the credit of the indicated fund. The Texas Methodist Foundation in Austin is the primary depository for Endowment Funds.

Admissions:

In HOME — June 1, 1971	42
Admissions — First 8 Months of Conference Year	146
Total Served	188

Days of resident care for this period were greater than for the same period last year when the admissions were somewhat higher; in other words residents have remained in the Home for longer periods of time this year than last. Of those admitted: Methodist 64; Non-Methodists/Protestant 47; Catholic 35. Caucasian 115; Latin-American 21; Negro 10. Age Range: 5 Under 15 yrs.; 126 — 15-24 yrs.; and 15 between 25 to 39. Residence: 20 from San Antonio; 111 from elsewhere in Texas; 2 from New Mexico; and 13 from other States.

Placement of Babies:

Total number of babies placed during the 8 months period, 98. Placements by Conference: Central — 5; North — 10; Northwest — 2; Southwest — 14; Rio Grande — 1; Texas — 29; New Mexico — 1; Non-Methodist — 23; Catholic — 11; and Out of State — 2. The nationality backgrounds of babies placed: 81 Anglo; 13 Latin or part-Latin; 4 Negro. Babies died — 5; Kept by mother — 17; residents who left before delivery — 16.

We are in great need of the nursing home as the Wesleyan is filled to capacity with one hundred forty residents; and we have a list of applicants needing the care rendered by a staff of sixty-five employees.

A gift has been donated to the Home specifically for this purpose and a pledge has been made for the continued support of it.

Income has been received from the Highnote Estate, the Mother's Day offering, our Foster One Program and individual gifts and pledges.

We were again favored with \$1,500.00 from Lola Wright Foundation for the maintenance and upkeep of our beautiful Garden.

Report No. 7

Homes for Retired Ministers

(Adopted June 6, 1972)

Since 1906 we have been providing homes for retired ministers and wives when there is a need. We have gained one additional home this year, yet we are not able to meet the current request for homes. There is one request that must be deferred until later.

Our churches should be aware of the increasing cost of maintenance including materials, labor, insurance and taxes. If our contributions remain about the same as a few years ago it makes it increasingly difficult to carry our increasing load.

July 9th is the date set aside this year for our offering and we hope that every church will observe this day with the materials we have provided and with a generous offering.

Visit some of the homes — they are yours. We want you to be proud of them. And with your help we will be happy to say these are our homes.

Many persons have homes and properties which they could leave through their wills which would be a great service to their church after they are gone and have no need for said property. This is one way of continuing Christian service after one is gone. Our greatest potential for gifts is in the area of wills and legacies. We hope that more people will remember our work in this way.

BOARD OF LAITY**Report No. 1****(Adopted June 6, 1972)**

The Board was organized according to the Discipline with all nominated members elected by annual conference June 8, 1971.

The Men's Rally for 1971 was held at Glen Lake United Methodist Camp, April 30, May 1 and 2, 1971. The theme of the 23rd annual Rally was "The Urgent Now" — You and Me.

Those present were motivated and challenged by messages from our own Bishop, W. Kenneth Pape, Mr. Robert L. Dillard, Rev. Richard Lord, Rev. Wilson Canafax, Dr. Joseph Yeakel, Rev. John Elliott, Dr. Carroll Thompson, Rev. H. F. Meier, Jr., and Dr. Eric C. Purnell. Rev. Robert L. Robertson along with Mr. Jack Butler, Mr. Roy Eaton and Mr. Woody Barron brought a most enlightening and informative presentation on communications. Mr. Oris Baldwin inspired the men of the Rally with song and music. Mr. Baldwin brought the Hurst Youth Singers from First United Methodist Church of Hurst for the Rally. This youth group was welcomed with enthusiasm.

According to reports from each district, over 95% of the churches in Central Texas Conference observed Layman's Day this year.

Most districts have had district banquets, rallies or retreats. Attendance has been good. The word is, "These have been invigorating to laymen and ministers alike." Others are planned for April and May.

There have been district and local church courses of study in: Church Lay leader, Lay Member to annual conference, administrative board member, pastor-parish relations committee, Commission on Missions, Commission on Worship, Lay Speaking and Bible Study. Also training for Commission on Stewardship, Committee on Finance, Time and Talent Emphasis, proportionate giving and tithing and every member commitment program.

All districts are planning training sessions for delegates to annual conference during May, prior to conference.

The 24th Men's Rally for ministers, laymen and youth will be at Glen Lake United Methodist Camp, Glen Rose, May 19, 20 and 21, 1972.

Associate Conference Lay Leader of Stewardship and Finance

A task force recommended by the Program Council and adopted by the annual conference June 8, 1971 (Refer to Report No. 16 of Program Council Page 110 and 111 of 1971 Journal) and co-ordinated by Rev. Wilson Canafax, our Conference Director of Stewardship, sponsored an In-Depth Seminar on Stewardship. The date of this Seminar for Central Texas Conference was March 10 and 11, 1972, and was conducted by Dwight E. Newberg and Dr. Hilbert J. Berger, both of the General Board of the Laity.

The plan and the hope is that the eight District Program Councils will continue the Biblical and Theological Study for Stewardship in this day in each District and into the local churches, thus making the calendar year of 1972 truly a "Year of Stewardship Emphasis in the Central Texas Conference."

Associate Conference Lay Leader for Lay Life and Work

The primary endeavor in Lay Life and Work has been the implementation

of a program of prayer and Bible study among the lay leadership of the member churches of the conference.

The response has been spotty. One inhibiting factor has been the lack of people willing or able to exercise leadership in such a group. In an attempt to remedy the situation a training session, including outstanding materials, to develop interest and leadership is being conducted in each district of the conference.

While the Bible study and prayer program has not been implemented on as broad a scale as hoped for, its success where implemented has surpassed all expectations. Those who have gone beyond three meetings are experiencing growth in numbers and more importantly in maturity.

Hopefully this program will be continued in the coming church year and if merited, a continuing program without end.

We are deeply grateful to Bishop W. Kenneth Pope, to each District Superintendent, to all of our ministers and to the great number of loyal and devoted Christian lay persons who have worked with diligence, faith and love seeking to make our church a living witness for God's Will — here and throughout the world — in this day.

Report No. 2

Report of Associate Conference Lay Leader for Lay Life and Work

(Adopted June 6, 1972)

During the forthcoming church year 1972-1973, it is proposed that a District Rally be held in each District of the Conference before the first of the year. The purpose of each Rally will be to inspire and motivate those lay persons holding positions of responsibility in the local church to better perform their responsibilities. It will be the responsibility of the District Lay Leader assisted by the Associate Conference Lay Leader for Lay Life and Work and the Conference Director for Lay Leaders to select the site and date far enough in advance so that each District Program Council and District Board of Laity can place it on the calendar and give plenty of advance notice to the pertinent individuals in the member churches of the District.

The Conference Director for Lay Ministries Training will develop, and with the assistance of his counterparts at the District level, inaugurate in each district of the Conference a training seminar for local church Pastor-Parish Relations Committee pursuant to the report of the Ad Hoc Committee on Ministerial Conduct expected to be adopted by the Conference.

The Lay Life and Work section of the Conference Board of the Laity under the leadership of the Conference Director of Methodist Men will undertake an exhaustive study of the Methodist Men's program still in existence in the Conference and delve fully into the entire concept of a men's organization within the United Methodist Church, and upon the conclusion of its work, make such recommendations as seem appropriate to strengthen this area of endeavor.

Conference Lay Leader for
Lay Life and Work

BOARD OF THE MINISTRY**Report No. 1****(Adopted June 5, 1972)**

At the 1971 Annual Conference, Mr. S. M. Love, lay delegate from Kennedale United Methodist Church, moved the conference pay a maximum of 75% of the moving expenses of each ministerial member assigned within the bounds of the Central Texas Conference.

A statement of referral to a committee for study and concrete proposal was made, but no specific committee or Board was assigned this responsibility. Since no committee was named, the Board of the Ministry moves that the Ad Hoc Committee on Ministerial Relations and Ethics be assigned the responsibility for making the study and proposal, possibly at the Fall Session, 1972.

BOARD OF THE MINISTRY

Report Number 4

Committee on Conference Relations

(Adopted June 6, 1972)

In paragraph 325 of THE DISCIPLINE of The United Methodist Church, we find these words: "A PROBATIONARY MEMBER is on trial in preparation for a membership in full connection with his Annual Conference. He is on probation as to his character, preaching, and effectiveness as a pastor." The period described is a very crucial one, not only for the individual probationer but for the Annual Conference.

But within the bounds of our Annual Conference the importance of this period has been somewhat dulled as we have slipped into an assumption which presumes that once a man or woman has been accepted into probationary membership that the move to Full Connection is more or less routine. This is a grievous mistake which subjects individuals to uncalled for misery and creates unneeded difficulties for the Conference.

THEREFORE, The membership of this Annual Conference is reminded of the importance of this period of close scrutiny and The Board of The Ministry of this Annual Conference hereby pledges itself to work more diligently to make Probationary Membership precisely what it was intended to be, i. e., a time when a person has the opportunity to prove by "his character, his preaching and his effectiveness as a pastor" that he belongs in the ministerial fellowship of The United Methodist Church.

DON PIKE, Chairman

BOARD OF MISSIONS**Report No. 1****(Adopted June 6, 1972)**

Your Conference Board of Missions advanced into 1971 with Advance Special giving as our number one priority. To this goal, \$160,845.00 was contributed, an increase of over \$5,000 above the previous year.

The MCOR giving of \$3,166.00 was a decrease of almost \$1,000 below the previous year which will be given more attention.

Grants and Salary Supplementations from our budget by Districts are as follows: Fort Worth \$12,875.00; Waco \$5,500.00. Waxohachie \$2,000.00; Cleburne \$1,600.00; Temple \$1,250.00. Additional to these, we made two grants from the Conference Foundation of \$25,000 to the Fort Worth Metropolitan Board of Missions to fund the beginning of BCDC (Black Community Development Committee) and \$5,000 to the Waco Inner City Ministry.

From the Foundation we made one loan of \$50,000 to St. Marks United Methodist in Fort Worth.

We especially commend the fine work of our new Conference Missionary Secretary and Associate Program Director, Reverend John Elliott for his first year of work. We urge the churches of the Conference to use this office for promotion of Missions, application blanks for loans and donations and other programs of Missions throughout the Conference.

The following goals are submitted for approval by the annual conference for the calendar year 1972, 1973, 1974, 1975 and 1976 (a five year program), or until the total has been paid.

WOMEN'S SOCIETY OF CHRISTIAN SERVICE

(Adopted June 6, 1972)

Over 12,000 members of The Women's Society of Christian Service and Wesleyan Service Guild of the Central Texas Conference continue to be a vital part of the church's outreach in work at home and in fifty countries around the world.

Info Update, leadership and program projection project was taken into each district for each local society and guild. It was conducted by Maryruth Nickels of the Staff of the Women's Division and members of the Conference Executive Committee. Over 800 women were reached. This stimulated and informed the women.

At this time more women are working as volunteers in community projects, such as "Meals on Wheels," visiting shut-ins and rest homes, and answering the call of welfare needs. Well planned programs and studies have kept the women informed of the needs of the world. Many of these needs have been met by the \$140,000 to Missions and more than twice this amount has been spent at home.

All of the Conference officers have attended seminars, workshops, and other leadership opportunities. Thus spin offs from "The Biblical Faith of Women in Today's World" are being held as well as other workshops and officer training ventures.

We look toward the change to "one new inclusive Women's organization." The best in program and practice of a great heritage will be retained and at the same time it will offer opportunity to attract and involve many more younger women and offer potential for greater flexibility in program and activities. Thus the organization should be stronger and do an even more effective service.

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

(Adopted June 6, 1972)

The Central Texas Conference Federal Credit Union paid a 5½% dividend of \$4,850 on deposits for 1971. This reflects a ½% raise in the dividend rate over 1970. In addition, a 5% rebate on the interest paid on loans in 1971 by credit union members was paid to those same members. The amount was \$468, an increase of 65.9% over 1970.

Membership in your credit union increased to 299 by the end of 1971, an increase of 54, or 22%. Total assets amounted to \$125,968, an increase of 58.3%, or \$46,432 over 1970. Loans increased from 95 new loans in 1970 to 126 in 1971. The dollar value of the loans had a corresponding increase from \$78,859 to \$118,941 in 1971. To date no loans have been charged off.

Your credit union has shown steady, healthy growth during the past year. The growth allowed the credit union for the first time to offer automobile loans. In addition to automobile loans, other features make the credit union a desirable place to do business. The interest rate on loans is 1% of the unpaid balance, or 12% per annum. Estate loans and loans fully secured by share deposits have an interest rate of ¾ of 1% on the unpaid balance, or 9% per annum. Plus, all loans carry free loan protection insurance which pays off the loan in the event of death or full disability. In addition to insurance on loans, share deposits carry life insurance on the member up to \$2,000.

These benefits are just some of the benefits of investing, saving, and borrowing from your cooperative credit union.

COMMISSION ON MINIMUM PASTORAL SUPPORT

Report No. 1

(Adopted June 6, 1972)

The program on Minimum Pastoral Support has operated most satisfactorily this conference year with the changes made at the 1971 Session of the Central Texas Conference. There was a draw on the reserve as had been anticipated, but the continued use of the extended ministry will adjust the finances.

The Commission recognizes the support is about average, but there needs to be a continuous awareness of this need as the cost of living continues to rise.

The Commission recommends no change in our present schedule plan of operation at this time.

GLENN C. BOWMAN, Chairman

ERNEST D. PIOTT, Secretary

COMMISSION ON MINIMUM PASTORAL SUPPORT

Plan of Operation

There shall be a program of minimum pastoral support in the Central Texas Conference, under the management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called the Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. The term of service shall be for three years, so arranged that three shall be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all of the interests of the Minimum Pastoral Support Program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by the nomination of the Bishop and Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, and a Recording Secretary. These officers shall constitute the Executive Committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the meeting of the Central Texas Annual Conference.

Administrative Procedures

1. The following conditions shall be met by a pastoral charge to become eligible for consideration by the Commission for its pastor to receive salary supplements from the Fund:

(a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.

(b) The apportionment for World Service and Conference Benevolences shall have been accepted and paid in full for the previous conference year.

(c) The charge must pay a minimum of \$1800 for pastor's salary and must have at least 100 members.

2. The following conditions shall be met by a pastor to become eligible for consideration by the Commission for receiving salary supplements from this Fund:

(a) He shall be a pastor in effective relation, a probationary member or associate member, an approved full-time lay pastor, an approved student lay pastor, or a lay pastor who has not previously served a pastoral charge. He shall not be eligible for consideration for salary supplements from this Fund if his appointment is other than pastor of a charge within the Central Texas Conference, if he receives salary aid from the General or Conference Board of

Missions, if he is classified as a part-time lay pastor, if he is a retired minister, or if he receives income from any other employment than the regular work of the pastoral ministry. Receiving a scholarship for college or seminary work shall not restrict his eligibility.

(b) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in his present appointment.

(c) The District Superintendent shall combine the salary, travel expense, and utility expense allowed as total salary when making a supplement request.

3. A prerequisite for consideration for salary supplements from this Fund shall be the filing with the Commission a written application by the District Superintendent. This application shall indicate the classification of the pastor, the salary set by the charge, and shall contain the certifications by the District Superintendent whether or not the pastoral charge has met each of the requirements set forth above in Section 1.

4. In cases of appointments, or changes of appointments, between the sessions of the Annual Conference, all the above requirements are applicable and the District Superintendent shall file a new application for each charge concerned. Such salary supplements, if approved, shall be paid on a pro rata basis for the part of the year actually served.

5. The salary supplements shall be computed according to the following classifications:

(a) For a conference member in the effective relationship, the salary supplement shall be the amount necessary to make the salary \$6,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(b) For an associate member or probationary member and not enrolled as a student during the year, the salary supplement shall be the amount necessary to make the salary \$5,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(c) For a full-time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full-time approved supply pastor within the Central Texas Annual Conference, the salary supplement shall be the amount necessary to make the salary \$4,500.00 per year, but in no case shall the amount required be more than \$2,000.00.

(d) For a full-time approved lay pastor, who does not meet all the qualifications of section (c) above, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(e) For the married student pastor, either a student pastor on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(f) For the unmarried student pastor, either on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$3,500.00 per year, but in no case shall the amount required be more than \$2,000.00, and

(g) In addition to the above schedule and above the limitation of aid seminary students who are serving pastoral charges and receiving Minimum Pastoral salary supplements, may receive \$1.00 per mile, one way, one time, per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor serving the charge at the end of the third quarter of the conference year.

6. The District Superintendents shall be responsible for making the program effective in their respective districts, as in all other causes of the Church, and for the collection of the amounts apportioned to the churches in their respective districts, and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges be not less than \$1,800.00 per year.

7. Payments on the apportionment of the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payments to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payments for the fourth quarter of the year ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

8. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, all payments of those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission except such as are held while the Annual Conference is in session shall be allowed. Traveling expenses shall be paid in accordance with the Standing Rules of the Annual Conference.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

BOARD OF PENSIONS**Report No. 1****(Adopted June 6, 1972)**

The Board of Pensions of the Central Texas Conference recommends that the annuity rate for our conference claimants be increased from \$72.00 to \$75.00 per service year, effective June 1, 1972, for those retiring at this session of the Annual Conference, and effective July 1, 1972, for those who have previously retired. After careful consideration of all factors involved, we know that our resources will warrant this increase to our claimants.

For the year 1971 the Board of Pensions of this conference paid pensions for those now related to our Annual Conference: to 91 ministers, 88 widows, and 10 dependent children. We also paid disability leave payments to 7 other ministers.

Pensions also for service rendered within the Central Texas Conference boundaries by those who retired elsewhere to 129 ministers, 139 widows, and 23 dependent children. This means that 487 persons received pension or disability payments from the Central Texas Conference in 1971. This is a total of \$389,610.08 paid in pensions or disability responsibility for 1971.

During the Conference year 1971-72 the following names have been removed by death from our roll of Conference Claimants: Elvis H. Carter, Donald A. Chisholm, A. W. Franklin, Gid J. Bryan, Roy A. Langston, J. C. Pace, Lloyd Sanders, Thomas Sterck, Mrs. J. W. Sharbutt, Mrs. Mabel Barnwell, Mrs. J. M. Bond, Mrs. M. M. Culpepper, Mrs. C. W. Irvin, and Mrs. A. W. Hall.

Emergency aid was granted during the conference year to Mrs. Duke R. Barron in the amount of \$75.00; Mrs. J. J. Creed, \$250.00; Mrs. E. M. Daily, \$50.00; and Mrs. W. J. Cloud, \$50.00.

Recommendations for Approval by the Annual Conference

1. That the annuity rate for the conference year 1972-73 be set at \$75.00 per service year, increasing the rate from \$72.00, and that this new rate become effective June 1, 1972, for those retiring at this session of the Annual Conference and July 1, 1972, for those previously retired.
2. That pension credit for 1971-72 be granted to the following full-time lay pastors who have met all the requirements: H. D. Hamilton and Dan Johnson.
3. That the apportionment to the districts and the churches for the Conference Claimants Fund (included in the Connectional Ministry Fund) be 21¼% of the salary set for pastors and associates.
4. We recommend that Mrs. Gayle Watkins be restored to the list of Conference Claimants as of June 1, 1972, as her second marriage has been terminated by legal process.
5. In keeping with the original plan for the Ministers Reserve Pension Fund which became effective in 1968, another actuarial study reveals that it is necessary to increase the annual payment into this fund from \$50,000 per year to \$70,000 per year. This is due to the rapid increase in the average annual salary of the Central Texas Conference (now third highest in the United Methodist Church) and increased number of ministers coming into our annual conference. This increased cost can be met by the recommended ¼% increase as approved by the Commission on World Service and Finance.

We recommend the approval of this action.

Report No. 3

Committee on Proportional Payments

(Adopted June 6, 1972)

The Board of Pensions is charged with the responsibility of checking and reporting to the annual conference any payments to the support of the ministry, which are not proportionally paid to the pastor and to the items in the connectional ministry fund.

Based upon the reports from the pastoral charges for the calendar year 1971 in the Statistical Tables, there are 25 local churches which indicate that payments for the ministry are not in the proper proportion. The Disciples does not require that all ministerial items of salary be paid in full, but it does require that they be paid proportionately.

Although the statistical tables will indicate a shortage in payments to Connectional Ministry for the following churches, since the close of the reports payments have been completed, and there is no claim against them: Englewood, Grapevine and Polytechnic in the Fort Worth East District; Arlington Heights and Wichita Avenue in Fort Worth West District; Temple, Grace and St. Paul in the Temple District; Valley Mills, West Point in Waco District; and Italy, First Penelope, Milford, First and Brandon in the Waxahachie District.

The following churches are still short proportionally on their payments to the Connectional Ministry Fund for 1971 by the amount indicated:

Fort Worth East District: Bedford, Wm. C. Martin Church, 925.00; Cowan-McMillan Church by \$315.00

Fort Worth West District: Cogswell Church, \$514.00; Morningside Church, \$1,723.00.

Temple District: Georgetown, St. Paul Church, \$225.00, Belton, Mt. Zion Church, \$82.00.

Waco District: Hubbard, Lawson Chapel, \$47.00; Fraza Church, \$11.00; Waco, Hillcrest Church, \$121.00.

Opportunity for these churches to make payments on these shortages for 1971 will remain open until May 31, 1971. After that time, the shortages will be adjusted to include only the shortage which is allocated to the Conference Claimants portion of the Connectional Ministry Fund and such claims will be recorded against the pension record of the ministers concerned.

SPECIAL BOARD OF TRUSTEES
FORMER WEST TEXAS ANNUAL CONFERENCE
(Adopted June 5, 1972)

To: Texas Annual Conference
 Southwest Texas Annual Conference
 Central Texas Annual Conference
 North Texas Annual Conference
 Northwest Texas Annual Conference
 New Mexico Annual Conference

We, the members of the Special Board of Trustees, of The former West Texas Annual Conference, obedient to the dictates of the final session of The West Texas Annual Conference and the adopted "Plan of Merger," have been busy locating and developing a list of abandoned properties belonging to the former West Texas Annual Conference of the United Methodist Church.

To date, we have located most of the properties and have formulated a list of same. Some of the properties have yet to be confirmed by Court House records as properties yet belonging to the former West Texas Annual Conference of The United Methodist Church. (Free of clause returning property to donor when property is no longer used as a place of worship.)

We are presently negotiating for the sale of two pieces of property. The proceeds from these sales as well as all other sales will be promptly sent to the annual conference from within whose geographical bounds the property is sold, as we have been directed, (see, **West Texas Conference Journal, 1969, p. 63.**)

We are finding our work to require far more time than we had expected, hence we request all annual conferences involved in our "Plan of Merger" to extend the time of the life and work of the Special Board of Trustees of the former West Texas Annual Conference two years (conference sessions 1974.)

SPECIAL COMMITTEE ON WORLD SERVICE REPORT

Report of Special Committee of Referral of a Portion of Report No. 1 of the Commission on World Service and Finance to the Annual Conference of 1971.

(Adopted June 6, 1972)

The annual conference of 1971 voted that items 3 and 4 of Report No. 1 (of the Commission of World Service and Finance) be referred to a committee to report to the next session of the Annual Conference.

Bishop W. Kenneth Pope appointed the following committee: J. D. F. Williams, chairman, Maggart B. Howell, Roy J. Grogan, J. W. Sprinkle, and Ira Gallaway.

Paragraph 3 of the report which was referred read:

3. After careful consideration of all financial responsibilities of the

Conference, the Commission on World Service and Finance will recommend an amount to be allocated to the Program Council for distribution to the program agencies. The distribution will be made in response to the requests of the program agencies. The final asking of the Program Council, decided on after a conference with the program agencies meeting together, will be sent to the World Service and Finance Commission for final approval and inclusion in the Conference Benevolences Budget for the fiscal year ahead.

Your committee recommends that the following paragraph be substituted for action by the annual conference:

3. After careful consideration of all financial responsibilities of the annual conference, the Commission on World Service and Finance (with three liaison representatives selected by the Program Council meeting with the Commission on World Service and Finance in all budget discussions) shall recommend an allocation for the major categories in the total conference financial program: ministerial support, administration, World Service, conference benevolences, and capital funding. The Program Council, being charged by the Discipline to study and coordinate the budget askings of the conference agencies as they relate to the conference program, shall formulate and present an itemized conference benevolence budget providing for the support of these agencies to the Commission on World Service and Finance. If, for any reason, the Commission on World Service and Finance decides that the total of the askings for the conference benevolences budget needs to be changed, it shall adjust the allocation and refer it back to the Program Council for adjustments of the itemized appropriations in the conference benevolences budget.

Paragraph 4, which was also referred, reads:

4. If any Program Agency feels its causes have been neglected, jeopardized, or excluded, it shall have the opportunity to represent its cause before the Commission on World Service and Finance, as provided in Paragraph 900 of the 1968 Discipline.

Your committee recommends that this paragraph be deleted, as it is already in the Discipline, and is not subject to the action of any annual conference.

COMMISSION ON WORLD SERVICE AND FINANCE

Report No. 1

Special Offerings and Financial Procedures

(Adopted June 6, 1972)

1. The Commission on World Service and Finance approves and recommends that the following offerings be taken in all local churches of the Central Texas Conference on or near the dates designated in the Discipline, or herein designated:

United Methodist Student Day, on the second Sunday in June.

Homes for Retired Ministers, on the second Sunday in July.

Christian Education Sunday, on the fourth Sunday in September.

The Fund for Reconciliation, In October, 1972. (Discontinued then after)

World Communion Sunday, on the first Sunday in October.

Methodist Mission Home of Texas, on the first Sunday in November.

Golden Cross Enrollment Sunday, in the month of November.

The Methodist Home, during the month of December.

Human Relations Day on the last Sunday in January.

One Great Hour of Sharing, on the fourth Sunday in Lent.

Wesleyan Home Sunday, on Mother's Day, the second Sunday in May

Glen Lake Sunday, during the month of September.

While no special day is designated for an offering for the Texas Alcohol-Narcotic Education, Inc., we approve this special cause for either an appropriation from the budget in the local church, or a special offering taken at such time as the local church determines.

There is a distinct possibility that the State of Texas will attempt to legalize Pari-Mutuel betting at race tracks. In the event that an election is held the Commission on World Service and Finance gives authority of the Board of Christian Social Concerns to project a special offering to be taken in every local church under the leadership of the bishop and the district superintendents to help finance the campaign that will endeavor to defeat the proposal to legalize this social evil. The Commission on World Service and Finance stands ready to advance funds up to \$5,000 from the Conference Operating Reserve Fund if the matter of time is a vital factor in financing the campaign. Money received from the special offering will replace the money advanced from the Operating Reserve Fund. All monies over this amount can be used by the Board of Christian Social Concerns in this campaign.

2. In keeping with the requirements of the Discipline, the apportionments for World Service and for Conference Benevolences are combined into one fund, namely, World Service and Conference Benevolences. This fund shall be apportioned to the districts in accordance with Standing Rule 12, and the district apportionments shall be distributed to the churches by the district superintendent and the district stewards, subject to the final acceptance by the charge conference.

3. The Administrative Fund, which shall be composed of the items which are strictly administrative and not related to the Conference Program, shall be distributed to the districts and churches on the same basis as the apportionment for the World Service and Conference Benevolences Fund. However, as the Administrative Fund must be underwritten by the Annual Conference, the apportionments for the Administrative Fund shall not be subject to acceptance by the Charge Conference.

4. The Conference Treasurer once a month shall distribute the receipts from the local churches for World Service and Conference Benevolences among the funds included in the annual budget for the Annual Conference in proportion to their apportionments. Any overpayment at the end of the conference fiscal year for World Service shall be remitted by the Conference Treasurer to the Treasurer of the Council on World Service and Finance. Any overpayments in the Administrative Fund and Conference Benevolences shall be transferred into the Operating Reserve, subject to the direction of the Commission on World Service and Finance. Any deficit in remittances from the church for these funds shall be covered by payments from the Operating Reserve.

5. All boards, commissions, and other agencies shall have prepared in writing their detailed budget requests for the ensuing fiscal year by February 10th. The program agencies shall present their requests to the Coordinating Committee of the Program Council by February 10th, and the non-program agencies shall present their requests to the Commission on World Service and Finance by the same date.

6. No board, or agency of the Central Texas Conference shall expend any money for any purpose which has not been included in the original budget, as amended and approved by the Commission on World Service and Finance, as printed in the current Journal, without specific approval of the Executive Committee of the Commission on World Service and Finance.

7. The fiscal year of all boards, commissions, and other agencies operating through the Central Treasury shall begin January 1, and close December 31.

8. The Conference Treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempted by the Commission on World Service and Finance), making allowances for all outstanding checks. This procedure is recommended with the understanding that the Conference Treasurer will honor the requisitions for all necessary expenses of the new conference year within the limits of the appropriation.

9. The Conference Treasurer is authorized to pay from the Operating Reserve the following items:

(1) Expenses of printing the Journal, which may exceed the budget appropriation.

(2) Expense of the Conference Secretarial Staff.

(3) Expense of fidelity bonds for the Conference Treasurer, and others who handle conference funds, as determined by the Commission.

(4) Expense of auditing the books of the Conference Treasurer, and the treasurers of boards, commissions, and other agencies of the Conference, as may be ordered by the Commission on World Service and Finance. Such audits are to be made by the Conference Auditors, the firm of Leatherwood and Ward.

(5) Other expenditures as may be authorized by the Commission on World Service and Finance; expenditures not exceeding \$500.00 may be authorized by the Executive Committee of the Commission.

10. The Conference Treasurer is authorized:

(1) To consolidate the various funds of the Annual Conference and of its agencies into one or more bank accounts.

(2) To write all checks for the agencies of the Conference upon requisitions by authorized officers of the agency.

(3) To invest, at his discretion, such funds not needed for immediate disbursement, in the Texas Methodist Foundation, as may be approved by the Executive Committee of the Commission on World Service and Finance.

(4) To invest the funds of the Conference in federally insured depositories up to and not exceeding insurability, and to borrow on, and dispose, of these investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the Conference at his discretion.

(5) To deposit funds for specifically designated purposes in federally insured depositories under the joint control of the central treasury and the agency concerned, with the approval of the Executive Committee of the Commission on World Service and Finance.

Financial Recommendations

(Adopted June 6, 1972)

1. The Commission on World Service and Finance recommends that the apportionment for the support of the District Superintendents for 1973 be an amount equal to 7½% of the salaries paid the pastors and associate pastors, including lay pastors. District Superintendents shall be paid on the basis of \$13,000 per year for salary and \$2,500 per year for travel and other expenses, payable monthly.

The districts, at the discretion of the district stewards, may apportion to the churches expenses for a district office, up to \$5,000 per year. Such office expense, listed in proper categories in a budget request, must be approved by the Conference Commission on World Service and Finance, and annual renewal requests must be accompanied by an independent audit of the District Office Fund.

The District Superintendents' salaries shall include an annual housing allowance to the amount actually expended for utilities not to exceed \$1,000.

Authorized funds for the work of the districts to be apportioned to the churches shall be:

- (1) District Parsonage Fund
- (2) District Training Fund (for leadership training activities only)
- (3) District Office Fund
- (4) District Missions

2. At the option of the District Superintendent and District Stewards, the District Parsonage Fund, the District Training Fund, and the District Office Fund may be combined into one apportionment to the churches. But the division into the individual funds must be maintained. The District Parsonage Fund, the District Training Fund and the District Office Fund shall be sent direct to District Treasurer and not to the Conference Treasurer's office.

3. Half of the salary and office fund for the Area Program Director shall be paid by the Central Texas Conference. The Conference Treasurer is authorized to make these payments monthly to the Area Program Director.

4. The salaries and allowances authorized by the annual conference for the Director of Conference Program Agencies, and the Associate Directors of Conference Program Agencies shall be paid by the Conference Treasurer monthly.

5. Beginning January 1, 1972, there shall be transferred annually \$5,000

from the surplus in the District Superintendents Fund to the budget item for the Associate Director of Conference Program Agencies, and the balance necessary to provide for his salary and allowances shall come from Conference Benevolences. This provision shall be terminated January 1, 1974, and the responsibility for this \$5,000 shall be transferred to the Conference Benevolences budget, that it may reflect the full significance of this office.

6. The apportionment for the Connectional Ministry Fund for the fiscal year 1973 shall be an amount equal to 30½% of the salaries paid to pastors and associate pastors, including lay pastors. The Conference Treasurer shall distribute funds received for Connectional Ministry for 1973 according to a scale based on the following percentages: District Superintendent Fund 7½% Episcopal Fund 1¾%, and Conference Claimants Fund 21¼%.

7. Apportionments to the district for World Service and other apportioned funds will be assigned to the district soon after the adjournment of annual conference and these shall be distributed to the churches by the District Superintendents and District Stewards not later than August 1.

8. It is further recommended that the apportionments for Conference Projects of the churches shall be printed in an additional column in the Statistical tables of the Journal, beginning in 1973. Conference Projects shall be limited to capital fund projects as approved by the Commission on World Service and Finance. Any requests for inclusion in Conference Projects should be made to the Commission of World Service and Finance.

9. We recommend the appointment of J. D. F. Williams as Conference Secretary-Treasurer. The salary for 1973 shall be \$12,000, and housing allowance \$1,600.

COMMISSION ON ENLISTMENT FOR CHURCH OCCUPATIONS

(Adopted June 5, 1972)

The principle accomplishment of the Commission was a successful VIP program which involved seven youth in work in local churches and church-related agencies. This program continues to be of value in assisting youth in the making of vocational decisions.

Attempts have been made to disseminate materials to school guidance counselors to acquaint them with church occupations. This has only been partially successful, though we feel many valuable contacts have been made.

Program Plans

There is a need for flexibility in planning at this time to allow for new directions and emphases growing out of General Conference programing and re-structuring. Also, the Commission recognizes the changing picture in personnel needs of the Church. This is brought about by many factors including a reduced number of pastoral appointments, the growing number of extended ministries, the improving image of the parish minister, the changing role of the missionary, and the use of skilled lay persons in many positions by the Church.

This is not to say that the Church must not be deeply concerned about presenting the challenge of church occupations to youth and adults today. It will take the best talent we can enlist to meet the needs of the future church and it is to that end we must strive.

We further recognize that the principle arenas where occupational decisions are made are the family, school, and local church. Therefore, the overall goal of the Commission is to enable those who participate most intimately in those decisions — youth, parents, pastor, school counselor, and others to have skills and information necessary to do an adequate job.

Therefore, we see the following goals which we hold before us:

1. Assist District Secretaries in role as a member of the District Program Council.
2. Provide a center of information about church occupations within the Program Council Office where persons in local churches can have easy access to it.
3. Provide at Conference-District-Local Church level training for those who relate to persons making vocational decisions.
4. Where possible to provide opportunities for youth to learn more about church occupations through actual involvement in the work of the Church.

Thus, we propose the following program for 1973, hopefully allowing for flexibility for new quadrennium.

1. Continuation of VIP program.
2. Provide supply of materials for Program Council Office, with information made available to local churches.
3. Sessions in each District, if desired by District Program Council, to train local church secretaries of enlistment.
4. Training of persons to be skilled in use of new materials for youth concerning vocational decisions.

GID J. BRYAN

Gideon Johnson Bryan was born in Van Alstyne, Texas on July 31, 1877. He married Eva Monk on November 14, 1907. His university education was at Southwestern University, where he received the B.A. degree. Later, he did graduate work at the University of Chicago. Admitted on trial into the Northwest Texas Conference on November 16, 1905, he was then admitted into full connection by the Northwest Texas Conference on November 14, 1908. He was ordained Deacon in the Northwest Texas Conference on November 15, 1908, then Elder in the Central Texas Conference on November 20, 1910.

His first appointment in the Central Texas Conference, in 1907, was to Alvarado Station. Other appointments were: Groesbeck Station, 1911-1912; Blooming Grove, 1913; Grandview, 1914-1916; Cleburne, Anglin St., 1917; Chaplain, U. S. Army, 1918; Fort Worth, Missouri Avenue, 1919-1921; Mart, 1922-1923; Winters, 1924-1926; Olney, 1927-1928; Gatesville, 1929-1930; Ranger, 1931-1932; Waco, First, 1933; Fort Worth, Highland Park, 1934; Fort Worth, Trinity, 1935-1936; Hamilton, 1937-1938; Cleburne, St. Mark's, 1939; Waco, Clay Avenue, 1940-1941; Italy, 1942-1944; Waxahachie, Ferris Heights, 1944-1947; Wortham, 1947-1949; Coolidge, 1949-1950.

From the time of his retirement in 1950 until his death, he was on the staff of First United Methodist Church, Dallas. His funeral was in the sanctuary of First United Methodist Church, Dallas, on February 1, 1972. Ministers leading the service were Dr. R. E. Goodrich, Jr., Dr. Ira B. Loud, and Rev. Forest Dudley. Interment was at Sparkman-Hillcrest in Dallas.

Rev. Bryan is survived by his son, Dr. Alonzo Monk Bryan, pastor of Missouri United Methodist Church, Columbia, Missouri.

The measure of this man's effective ministry could never be summed up. Not only the years as a minister of annual conferences, but also his years of service beyond those years must be considered. At age 93, he was continuing his work of visiting the sick in hospitals and in rest homes in Dallas. His presence brought a sense of assurance and a visible reminder of spiritual strength to many. We could not hope to measure his influence for good. However, we can acknowledge, with thankfulness, that here was one whose dedication grew through the years; who never wavered in carrying out his calling; and whose memory remains to bless many who are better Christians today because it was their privilege to come into contact with this consecrated servant of Christ.

ROBERT E. GOODRICH, JR.

ELVIS HERBERT CARTER**Writer's
Personal
Epitaph
Colleague**

"Yes, I know this man, and I know him to be a Christian believer, ardent worker for all mankind, humble, sincere and concerned in his dealings with others." This would be my answer to anyone who asked, **Know Thee This Man?** However, these comments, I could not make of many men I know. ELVIS HERBERT CARTER was a special kind of man.

"Love is patient, love is kind, and is not jealous;
love does not brag and is not arrogant."

I Corinthians 13:4

. . . These characteristics of a true believer are brought out in the life of ELVIS HERBERT CARTER, who was converted to Christ at an early age.

**Date and
Place of Birth**

ELVIS HERBERT CARTER WAS BORN JANUARY 23, 1907, To Moses and Paralee Carter, their spocial gift from heaven.

**Education
Public School**

Shreveport, Louisiana was the place of his birth, But Waverly, Mississippi provided his public educational girth.

**Education
College**

Samuel Huston of Austin, Texas was his choice of a college, With extension courses — Baptist Seminary, Fort Worth, for further knowledge.

**A
Caricature**

So many of us, but not ELVIS HERBERT CARTER, have reduced our religion to sheer individualism, whim, and caprice. Too often we are hypercritical in actions and deeds.

So many of us are going through life, but not as ELVIS HERBERT CARTER went, at half or three quarter pressure. We are thought to be alive and are partly dead while still here on earth. We make religious affirmations, but are defective in religious conduct and service, but not ELVIS HERBERT CARTER.

**The
Matrimony**

Because he loved life and what it had to offer and because he was so full of love and had so much to give, he took unto himself a wife, a woman any man would have been proud of . . . Margaret B. Wright. The date of their vows was December 2, 1948. There were no children born to this union.

**Ministerially
Licensed**

It was at the Dallas District of West Texas Conference in the year 1932 that ELVIS HERBERT CARTER received his license to preach. However, it was not until 1954 that he was admitted on trial in the West Texas Conference, and it was in 1956 that he was admitted into full connection with the West Texas Conference.

Ordination

He received the following ordinations:

Deacon — October 34, 1937, after election by West Texas Conference by Bishop Alexander P. Shaw

Elder — April 15, 195 , after election by West Texas Conference by Bishop Edward W. Kelly

**Service Record
Full-time Lay
Pastor**

In modern life there are many people who claim that they cast their vote for Christian life and for Christian faith. However, ELVIS HERBERT CARTER practiced what he preached and he was definitely a fisherman among men. He did more than cast a reel into the sea of life. He gave service. His service as full-time lay pastar included the following:

Pilot Point1941-43

Cowan (Fort Worth)1943-45

Cogswell (Fort Worth)1945-46

Graham1946-47

Mount Calvary
(Wichita Falls)1947-49

Jones Chapel (Mexia)1949-52

**Service
As A Conference
Member**

This facet of his ministry included St. Andrew in Waxahachie, 1952-56; Mackey Chapel in Odessa, 1956-59; Plum Street in Abilene, 1959-63.

Retirement

Weary of body but not of spirit, ELVIS HERBERT CARTER retired in May, 1963. He was restored to effective list under disability leave, June 9, 1971.

**The Demise
(The Homegoing)**

Among Jesus' most penetrating parables are those in which he pointed out the failure of those who started well but were not able to keep it up to the end (Luke 14:25-33;

Matt. 13: 5-6, 20-21; 25: 8-10). It reminds us that we have pledged ourselves to Christ to whom we owe faithful allegiance.

ELVIS HERBERT CARTER, a faithful follower who fulfilled his promise to God, was engulfed by the holy spirit of love of Jesus Christ on September 12, 1971, and surely he is with him today in paradise.

The Last Rites

Funeral Services for ELVIS HERBERT CARTER were held at Cowan McMillan Methodist Church, Fort Worth, Texas with the Reverend L. L. Haynes officiating and assisted by The Reverend C. C. Metcalf, the church pastor.

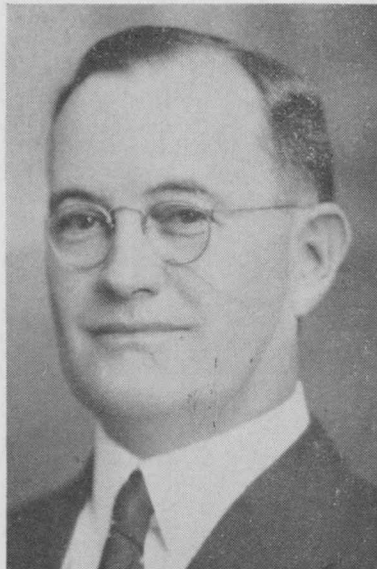

Survivors and Mourners

ELVIS HERBERT CARTER leaves to mourn his home-going a devoted wife, Margaret Wright Carter, a sister, Mozelle Carter, other relatives and a host of friends.

Writer's Final Comments

ELVIS HERBERT CARTER'S vindication and reward, like all other Christian's, belong to the future; the present life remains one of faith. Faith is not misplaced, however, for the Lord is a righteous judge. All Christians will receive their "due" when the time comes. The same imperishable wreath which will be awarded to ELVIS HERBERT CARTER will be given also to All Christians who devote themselves to the service of Christ with such intensity that they may be said to have loved his appearing, and their whole lives would be a looking toward and a yearning for the full and final manifestation.

JOHN B. RICHARDSON

D. A. CHISHOLM

Donald Alexander Chisholm was born at Proctor, Texas, March 26, 1891. He was admitted on trial into the Central Texas Conference at Waxahachie, November 15, 1916 and into full connection November 20, 1918.

He was married to Miss Dixie Friend at Hamlin, Texas in 1917. To this union were born three children. D. A. Chisholm, Jr. of Fort Worth, Mrs. Pat Boze of Waxahachie, and another son, James H. Chisholm who preceded him in death some years ago. He died May 1, 1972 at his home in Fort Worth, Texas.

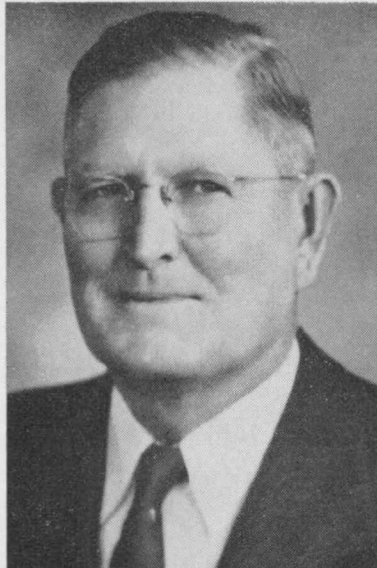

Memorial Services for Dr. Chisholm were conducted at First Methodist Church, Waxahachie, May 3rd with the pastor, Dr. Thomas P. Weaver assisted by Reverend Floyd Thrash and Dr. Frank L. Turner, who delivered the memorial message. Interment was in the Proctor Cemetery with Reverend Frank L. Turner, Jr., in charge of the graveside services.

While serving as pastor of the Central Methodist Church, Brownwood, he was awarded the honorary degree of Doctor of Divinity by Daniel Baker College, a degree he wore with honor and distinction.

Dr. Chisholm began his ministry at Huckabay, Texas and served pastorates at Gustine, Rising Star, Haynie Memorial in Rice, 11th Avenue in Corsicana, Hubbard, Groesbeck, Belton, Central in Brownwood, Waxahachie First, Mineral Wells First, District Superintendent in Corsicana, Herring Avenue in Waco, and Riverside in Fort Worth, from which he retired in 1957. He moved to his home in Brownwood where he resided until a few months before his passing.

Donald Chisholm was a tall son of Wesley who walked with a stride effective across the Central Texas Conference for more than 40 years. He was beloved by his fellow ministers and the congregations he served. He had an abiding faith in God and in the great evangelical truths, taught and preached by his church. He answered the call of his Heavenly Father, "Come ye blessed of my Father, inherit the kingdom prepared for you from the foundations of the world." His face is toward his Father's house.

He was ordained as a Deacon on November 16, 1916, and as an Elder in November 1922.

While in the ministry he served as a supply pastor to the Stephenville Circuit, Graham Circuit and DeLeon Circuit. His appointments included: Graham Mission, Loving Mission, Palo Pinto, Weatherford Circuit, Eliasville, Gorman, Grapevine, Handley, Cleburne: Anglin Street, Dublin, DeLeon, Trinity in Waco and Wichita Avenue in Fort Worth. Brother Franklin retired from the Wichita Avenue Church on January 1, 1957, and established his residence in Fort Worth.

Because of ill health Brother and Mrs. Franklin moved their residence to Cedar Oaks Retirement Home in Graham, Texas, where he passed away after a long illness on October 12, 1971. His memorial service was conducted in the First United Methodist Church in Graham, Texas, with the Reverend James W. Darnell and D. L. McCree officiating.

Survivors include his wife; one son, Charles; one daughter, Vera Grace

Boulware, Jr.; and three sisters, Misses Annie and Alice Franklin and Mrs. A. L. Glover, all of Graham.

"Here am I Lord, send me." The words of the prophet Isaiah held special meaning for Brother Arthur Franklin. He knelt in deep commitment of his life to Christ and the church. "Send me." With this commitment a fruitful ministry began.

No day was too long, no hill too steep, no task too difficult, no journey too lonely, for him to undertake, if it seemed to him to lie in the path of duty.

Faithfulness, love, devotion, dedication and patience were given real meaning by Brother Franklin.

THOMAS B. GRANGER

Thomas Buford Granger was born July 21, 1909, at Palmer, Texas, son of Thomas William and Sarah Beulah Granger. He was married June 4, 1934, to Elizabeth Shores.

Tom received his formal education in Waxahachie High School, Trinity University, Waxahachie, Simmons University, Abilene, and Sul Ross Teachers College, where he received his Bachelor of Science Degree in 1936.

He was licensed to preach in the Waxahachie District in May, 1942, was admitted on Trial to the Central Texas Conference, 1942, and became a full member of the Central Texas Conference, November, 1944. He was ordained Deacon November 2, 1944, by Bishop A. Frank Smith, after election by the Central Texas Conference, and was ordained Elder October 31, 1946, by Bishop Smith.

Tom's ministry covered a wide variety of concerns before he became a member of the Central Texas Conference. As a teacher, he was Director of Music at Ennis High School, and at Sul Ross College. He was a pastor in the Central Texas conference from 1942 to 1955, when he became Executive Secretary of the Conference Board of Education. He served in this office for seven years and much progress was noted in Christian Education. In 1966, he was transferred to the North Texas Conference, where he was pastor at Pleasant Mound Methodist Church in Dallas. In 1969, he was returned to the Central Texas Conference and the remainder of his ministry was spent in this Conference.

Appointments where he served included: 1942, Waxahachie Circuit; 1943-45, Hillsboro, Line Street; 1945-48, Bangs; 1948-51, Winters; 1951-55, Georgetown, First; 1955-62, Executive Secretary, Board of Ed.; 1962-66, Waco, Trinity; 1966-69, Dallas, Pleasant Mound; 1969-71, Graham, First; 1971-72 (until his death) Weatherford, Couts Memorial.

Tom finished his earthly ministry, January 19, 1972, and claimed his

reward for a job well-done. Beside his wife, he is survived by two children, Thomas Gary Granger and Judith Gayle Granger Hanson.

Brother Grainger was widely known for his musical ability, and continued his interest in music all his life. He ministered through this ability for many years in revival services, as Director of Music at the Texas Pastor's School and with his horn and voice had inspired hundreds of people with his ability to bring good music. Tom wrote the words and music to "The Spirit of Glen Lake." This song has been used for many years by hundreds of children and youth each year at Glen Lake Methodist Camp, Glen Rose. He also wrote the school song for Ennis High School, which is still being used.

He served as a consultant to the General Board of Education at Nashville, Tennessee, and served in similar capacities at the Methodist Publishing House while serving as Executive Secretary of the Conference Board of Education.

Brother Granger was in the service of his Lord almost to the end of his life. He was a dedicated pastor and preacher. He preached his last sermon in Couts Memorial Church, Weatherford, on Sunday before Christmas, 1971. His death came as a result of the removal of a massive tumor from his brain, and complications which followed. Memorial Services were held at Couts Memorial Church at Weatherford, conducted by his District Superintendent.

Tom Granger had a great capacity for friendship and fellowship. He loved people, and was always interested in them. He enjoyed working with them and serving them. He was a man of great compassion and his out-reach into the lives of others was a blessing to many. He was never satisfied with shoddiness — he always gave his best, whether in recreation, work, worship or in working individually with people. He wanted to be his best. He was a dedicated man. He was a man of faith. He humbled himself before God. He sought God's will. He had little patience with petty things. He did not like sham or hypocrisy. To him, man has one way — that is God's way. He was a man of hope. He looked to tomorrow and dedicated himself in planning and working for a better day. He was a man of love, as indicated in some of the things that have been said. Tom loved people. He loved Jesus, the Christ. He loved his Church. He loved God's great Creation. He was always at home with everyone and everywhere.

"He has fought a good fight; He has finished his course; He has kept the Faith." (2 Timothy 4:7) Henceforth, there is laid up for him a Crown of righteousness.

Wherever he served he was greatly loved and endeared himself not only to the people of his church but to every community where his work took him in the service of his Lord and Christ's Church.

Although Lloyd Sanders did not serve in large churches he served the churches to which he ministered in a large and effective manner. His ministry was abiding.

Brother Sanders died December 21, 1971 and was buried after memorial services in First United Methodist Church in Dublin conducted by his pastor, Brother Donald Osada, Brother W. L. Milner, a former beloved pastor, and his friend of all his Conference ministry, Dr. Floyd E. Johnson, in lower Green's Creek Cemetery near Dublin, Texas and only a stone's throw from his place of birth and where he lived throughout this boyhood and youth and some years of his adult life.

Brother Sanders was God's man and God led his life through forty years of influential ministry for the Kingdom of Christ whom he loved and served with great dedication. The world is a better place because Lloyd Sanders lived and gave.

FLOYD E. JOHNSON

THOMAS STERCK

Thomas Sterk, son of Charlie Weaver and Catherine Fife Sterck, was born on September 9, 1895 in Hereford, England. Tom's father died while Tom was still a baby, and in 1900 young Thomas, his mother, and his sisters migrated to the United States of America. Shortly after their arrival in America, it became necessary for the mother to place her children in an orphanage, a Methodist Home for Children in Philadelphia, Pa. Thomas remained in that home until he graduated from high school, and he never forgot either the country or the church that gave him a home when he was a child. Love for both his adopted country and the church that nurtured him burned brightly all the days of his life.

After graduating from West Philadelphia High School and Winona Military College, Tom enlisted in the Army and served in the Air Force. It was while serving in the Army that he was sent to Texas where he spent the rest of his life. After leaving the service, he worked for a number of years with the Studebaker Motor Company until 1925 when he responded to God's call. He later attended Southern Methodist University and received his B.A. Degree in 1931. He also did postgraduate work at Perkins, and he was honored with a Doctor of Divinity degree by Texas Wesleyan College in 1963.

Dr. Sterck was licensed to preach by the Dallas District of the North Texas Conference in 1925, and it was the same conference that admitted him on trial on November 2, 1927 and in full connection on October 22, 1933. He was ordained a Deacon in 1930 and an Elder in 1932. His entire ministry was served in the North Texas and Central Texas conferences. In North Texas, he served appointments at Kessler Park in Dallas, at Renner and Hawk's Chapel, at Anna, Allen, Irving, and Owenwood in Dallas. In 1940, he was transferred into the Central Texas Conference where he served at Matthews Memorial in Fort Worth for twenty-four years until his retirement in 1964. During his time in the Central Texas Conference, he was Chairman of the Conference Commission on World Service and Finance, Trustee of Harris Hospital, Trustee of Wesleyan Homes, and was Chairman of the Building Committee of both Harris Hospital and Wesleyan Homes.

Dr. Sterck's companion during his years in the ministry was Marie Trent, the young lady he took as his wife on July 1, 1927. To their union was born two children, David and Nancy, and they, along with Marie, were the recipient of his constant love and devotion.

Dr. Sterk died on December 3, 1971 in Harris Hospital after a long illness. Memorial services were held in Matthews Memorial United Methodist Church in Fort Worth; the Reverend Mr. Warren Olliff and the Reverend Dr. Richard Millsap officiated. His body was interred in Greenwood Memorial Park. He is survived by his wife, Marie, his son, Dr. David Sterck, and his daughter, Mrs. Nancy Vaughan.

"I am of the earth — earthy," and "I was called not to greatness but to a great work" are the two statements that symbolize Dr. Sterck's own understanding of himself and his ministry. His "earthiness," or more correctly, his "humbleness," enabled him to touch and influence the lives of people from all walks of life, and because he always understood himself as working for the glory of God and not himself, then he left a legacy of greatness that few men will ever achieve. Truly, heaven gained a mighty warrior and a great saint when Tom Sterck "crossed the bar."

WARREN OLLIFF

REV. AND MRS. ROY A. LANGSTON

A marriage of 63 years beginning with a courtship on the Southwestern University Campus back in 1908 was briefly interrupted by death, by a span of 26 days before they could be reunited after death. The love and devotion of Roy and Ray Langston toward each other and their total commitment to God's work throughout these 63 years has blessed and enriched innumerable lives, both inside and outside the ministry; and their spiritual and evangelistic leadership will live on in the lives they have touched.

Roy A. Langston began life on September 29th, 1883, as the oldest of three sons born to William Cahal and Ovie Jennings Langston, near Sidney, Comanche County, Texas. At eighteen years, after having attended the public school there, he attended a 30 day normal at Comanche for teachers and received a certificate to teach second grade and taught school a year for 40 pupils at Hick's Corner. At nineteen, he entered Southwestern University where he eventually met and became engaged to Miss Ray Thomson, whom he later married. In 1908 he was admitted on trial into the old Northwestern Texas Conference which met in Waco, and was assigned to Blackwell Circuit, during which time they were married (1909). Later they served Winchell Circuit, after which he received his Ordination in Fort Worth (1911). They left Texas for Vanderbilt

University, where they took a circuit of six churches in the Cumberland Mountains, then a four-church mission at Wartrace, Tennessee, while he attended school. They returned in 1914 to Hemphill Heights, Fort Worth (now Matthews Memorial) and during this assignment he received a degree from Southern Methodist University as a member of its first graduating class. He was later awarded an honorary Doctor of Divinity degree (1936) by McMurry College in Abilene.

Following Hemphill Heights, they served the following appointments: Dublin, Eastland, Taylor, Waco First, Hillsboro First, the Gatesville District, Fort Worth Arlington Heights, Corsicana First, the Cisco District, Temple First, Brownwood First, the Weatherford District, and finally, Ennis first, from which church Dr. Langston retired in 1956.

Dr. Langston was elected a delegate to the South Jurisdictional Conference of the Methodist Church and was made chairman of its first Jurisdictional Commission on Evangelism. He served as trustee of Texas Wesleyan College in Fort Worth and was a member of the Board of Publication of the Texas Christian Advocate, Conference Missionary Secretary, and Conference Committee on Pastors' Retreat. While at Weatherford, he had a book of his poems published, entitled *Vesper Bells*, which reflect his personal convictions and his faith.

After serving briefly, during his retirement, as Minister of Visitation at Central Methodist Church in Fort Worth, he and Mrs. Langston spent some time in their home in Glen Rose before moving to Gatesville where they have lived during the last nine years at their home at 1404 Bridge Street.

After an illness beginning in early January, Dr. Langston received his appointment with his Master at 4:45 a.m., June 4, 1972 — appointment Day at Annual Conference, following his beloved Ray who preceded him by 26 days. At the time of his death, he was the oldest living member (at least in seniority of service) in the Central Texas Conference, having been in active ministry for 48 years.

His memorial service was held June 5, 1972, at the First United Methodist Church of Gatesville, with its pastor, the Rev. Robert Richman in charge and assisted by the following ministers: Chaplain Walter Allen, Verne Fuqua, Gaither Day, R. A. Brooks, Jr., Gene Chamness, and Larry Lacy. Five of these ministers served their first appointment under Dr. Langston's fatherly guidance as their District Superintendent on the Weatherford District. Interment was in Gatesville City Cemetery.

Mrs. Langston, born Virginia Ray Thomsen, on December 15, 1884, in Old Runnels County, Texas, was the daughter of William Alexander and Clara Lincecum Thomsen. She was converted early in life, and later received her college education at Southwestern University in Georgetown, where she was assistant editor of the University's magazine and her future husband was a contributing poet and essayist. After her marriage, she devoted her time and talents to the work of the church and her family, serving wherever and however she was needed. After her children were grown, Mrs. Langston took four years of Bible study while living in Temple and later took courses in the Old and New Testament at Daniel Baker College while living in Brownwood. During their retirement years, she received the honor of being elected a member of the Order of the Golden Shield, having been a loyal member of Phi Mu Fraternity for 50 years. She taught an adult Bible Class until a short time before her death. She was a scholar of the Bible and a popular and revered teacher, even in her eighties. She passed away from this life on May 9, 1972, after an illness of three days. Funeral services were held May 10 in the Sanctuary of the First United Methodist Church with the Rev. Bob Richmond, the Rev. Carrall Thomsen, and Chaplain Walter Allen officiating. Burial was in Gatesville City Cemetery.

Dr. and Mrs. Langston are survived by a son, W. C. (Hal) Langston of Fort Worth; two daughters, Mrs. E. E. (Alene) Lowrey of Gatesville, and Mrs. Ralph (Kathryn) McCanlies of Fort Worth; five grand daughters, Mrs. David Hinson of Houston, Mrs. E. Rogers Gardner, Jr., of Arlington, Miss Kathy Lowrey of Dallas, Mrs. George Bamberg, Jr., and Mrs. Pat Gouch, both of Houston, and four great-grandsons. They were preceded in death by an infant son, Roy A. Jr., and a grandson, Robert Elworth Lowrey. Mrs. Langston is survived by one brother, L. K. Thomson of Callihan, and Dr. Langston is survived by two brothers, Lewis E. Langston, Sr., of Dallas, and A. W. Langston of St. Louis.

Excerpts from "My Pal . . . My Wife"

—**Vesper Bells**, by Dr. Roy A. Langston

"Could I but live ten thousand years,
I'd ask the angels let you stay;
And Paradise would be on earth,
My Darling, every day —

So hand in hand we'll walk along
Toward sunset in the West;
Or golden tints of endless dawn
O 'erspreading all the east.

And after while beyond the vale
That lies at Journey's End,
We'll trust and pray, He will not fail
To make us Pals again."

MRS. JAMES M. BOND

Mrs. Myrtle Augusta Bennett Bond was born October 24, 1899, in New York City, the daughter of Eugene Deles and Emma Brown Sprague Bennett. She was married to the Reverend Dr. James M. Bond, on October 21, 1929, and to this union one son was born, James M. Bond, Jr.

She was converted to the Christian faith at the age of 8 years and united with the Oak Lawn Methodist Church, Dallas, Texas, in 1908. She attended Weatherford Junior College, Weatherford, Texas.

Reared by deeply religious parents, Mrs. Bond was a devoted Christian from early childhood. She was a devoted member and president of the old Epworth League, active in Inter-Church youth work, a scholarly Sunday School teacher, and a faithful member of the Women's Society of Christian Service, in which she held a cherished Life Membership. After moving to Fort Worth from Dallas in 1918, she was church Pianist for the former Sagamore Hill (now a part of Meadowbrook) Methodist Church and in charge of youth work there.

Mrs. Bond was one of the most unselfish persons I have known. She was very patient, gentle, longsuffering, and kind. Generous to the point of sacrifice, she emulated her Lord in saintliness, unassuming goodness, fervent daily prayer and Bible Reading and incessant thoughtfulness of others. Words from a letter dated November 15, 1946, for her beloved son to read after her death beautifully epitomizes her philosophy: "Refresh your purpose to live the Christian life . . . Keep close contact with God . . . Don't judge, but love others . . . We shall be together in heaven."

Her optimism and quite charm made her an effective "help-mate" with her distinguished husband in the following appointments: Comanche, Bartlett, Ranger, First Church Weatherford, Presiding Elder of the Weatherford and Waxahachie Districts, Riverside in Fort Worth, Eastland, Trinity in Fort Worth. Dr. Bond retired in 1952 and she was with him in Associate work at First and Polytechnic Churches in Fort Worth, living at 3435 Avenue H.

Stricken with serious illness in 1962, she recovered until she became quite ill, six months prior to her death on July 20, 1971, in a Fort Worth Hospital. Funeral services were held July 22, 1971, in the Sanctuary of the Polytechnic United Methodist Church, Fort Worth, by her pastor, the Reverend Robert M. Turner, Mr. Mack Pickard, and Maggart B. Howell. Burial was in the East Greenwood Cemetery, Weatherford, Texas.

Mrs. Bond is survived by a son, James M. Bond, Jr.; a stepdaughter, Mrs. M. W. Martin; her mother, Mrs. E. D. Bennett; two sisters, Mrs. Jennie May Williams, and Miss Blossom Bennett; two brothers, Charles W. Bennett, and the Reverend Eugene D. Bennett.

MRS. R. W. CALL

Mrs. Richard Call was born Katie Harris, daughter of Lawrence and Lucy Mae Harris at Lott, Texas, March 21, 1899.

She was married to Richard W. Call on January 18, 1919. She and her husband served many churches faithfully over the Central Texas Conference. Some of these were: Gustine, Carlton, Bluffdale, Euless, and Aquilla.

She is survived by her husband, Rev. Richard W. Call of Whitney, four sons: Roy A. Call, San Diego, California; Richard B. Call, San Jacinto, California; C. C. Call, Whittier, California; and Culver Call, Balboa, Canal Zone; two daughters: Mrs. Margaret Nichols, Euless, Texas and Mrs. Virginia Dodds of Whitney, Texas.

Services were held October 14, 1971 in the King Memorial United Methodist Church, Whitney, Texas, Rev. Kenneth L. Boatman officiating.

Katie Call was a gracious and courageous woman of faith and a loyal servant of Christ and the Church.

KENNETH L. BOATMAN

MRS. MARVIN M. CULPEPPER

Mrs. Daisy Ross Culpepper, wife of Marvin M. Culpepper, deceased, passed away on January 4, 1972 in Cincinnati, Ohio, after a long illness. Services were conducted by her son, Rev. C. Ross Culpepper, a retired member of the West Virginia Annual Conference. Graveside rites were held in Flemingsburg, Kentucky. Mrs. Culpepper is survived by her son and daughter, Mrs. Sue Schaal. A daughter, Melvino Evons, passed away some years earlier. Six grandchildren and five great grandchildren survive this marriage.

Mrs. Culpepper was a minister's wife for twenty-five years and it was a happy experience and one never forgotten. She was one of the first women to be made a Local Preacher in the Methodist Episcopal Church. Her interests were more than church or family, and every parish found her active in community projects, such as study groups and library promotion.

The final half of Mrs. Culpepper's life was given to her family. She cared for her parents until their passing. Later she made her home with her daughter, Mrs. Schaal, but was on call to the needs of others through the years. Her final years were filled with disability, pain, and growing blindness. However, her mind was clear and her interest in life and others never failed. She longed to be with those that Christ had called and her going made her final moments a celebration of faith. Dr. and Mrs. Culpepper served Kansas Conference appointments at Topeka, Euclid; Junction City; Leavenworth; Olathe; St. Louis Conference: Stuttgart, Arkansas; Little Rock; Kansas City; Okley; Gulf Conference: San Antonio, Trinity.

MRS. A. W. HALL

We are here to thank God for Mrs. A. W. Hall and to entrust her spirit to God's everlasting care. Nannie Townsend Hall was born December 3, 1875, in Bell County, Texas.

Dr. J. O. Haymes and I appreciate the privilege of being with the family for the service after which the body of Mrs. Hall will be taken to the Hillcrest Cemetery, Temple, Texas for interment.

I am reminded that we are now between two events in the calendar of faith: Thanksgiving and Christmas. These two events have something to say to us now.

The event of Thanksgiving means gratitude. I am grateful for the faith of her life as demonstrated in the home and family, and with friends.

Dr. and Mrs. Hall were married on May 17, 1896 and observed their 50th wedding anniversary in 1946 at Lubbock where they had moved following Dr. Hall's retirement in 1942. Their children include Ruth (Mrs. L. M. Rice), Wade Townsend, Nannie, Helen (Mrs. J. M. Williams), Katharine (Mrs. Fred Mitchell), and Paul Ezra Hall. Wade Townsend and Nannie preceded both parents in death.

Mrs. Hall had a beautiful and tantalizing sense of humor. Out of love she would correct me and encourage me. The very day before her death when I called on her at the hospital she was able to point her finger to me and tell me what I should be doing. I never disagreed or took issue with her, for she was often right and second, I had too much respect for her compassionate chiding.

During the month of October when we had a series of four Open Houses at the parsonage for the total membership of First Methodist I remember that she made her plans to attend, which she did. I can still see her walking up to the door and how glad we were that she wanted to come.

I am grateful for the faith of her life as demonstrated in the purpose of her church. As the wife of a Methodist minister she had a vital part in the ministry of Dr. Hall. Because she outlived most of her peers and also, to better understand the magnitude of this work it is well to remember that together they served the following churches: Glen Rose; Seventh St., Temple; Taylor; Sweetwater; First Church, Abilene; Vernon; Presiding Elder of Clarendon District; Georgetown; First Church, Weatherford; Ranger; Presiding Elder of Corsicana District; First Church, Waco; Boulevard, Fort Worth; Weatherford District; Arlington; and Winters.

She was a member of the Builders Church School Class. At First Methodist, Lubbock, we have a special group for senior citizens we call the "On Goers." In planning for this service I talked with the family of how she was the person responsible for naming this group, suggesting the name "On-Goers." As she explained to a member of her family we are always going on. This was her faith and her approach to life.

She was the oldest living graduate of Sam Houston State at Huntsville.

Jesus said "others have labored and you have entered into their labor." Paul said, "What have you that you did not receive?" Thanksgiving is more than a day, it is a call to gratitude, a way of life.

The event of Christmas means God with us. Jesus Christ means God with us — "and his name shall be called Emmanuel, meaning God with us."

God is with our loved one — "Eye hath not seen nor ear heard the things which God hath prepared for them that love him,

God is with the family of our loved one — "I will not leave you, I will come to you."

In this chapel we are surrounded with the assurance of God's presence:

the Cross, symbol of Life's victory over death;
the candles, Christ is the light of the world;
the Bible, God's word through inspired men, and
the presence of Christian friends, God through human life.

In 1897 when Reverend Hall and his young wife visited the old home in West Virginia and the time came for them to start home, they found it necessary to leave about three o'clock in the morning. His mother walked ahead of the carriage to open the big gate and said, "Son, when you see me again, I'll be holding the gate open for you in heaven." Now, he is holding open the gate of heaven for Nan, his wife of 57 years. Thank you Mrs. Hall for your life, your faith, and your devotion to God.

MRS. DAVID IRVIN

Emma Sue Taylor was born to J. A. and Cindy Hazelwood Taylor in Nashville, Tennessee on February 8, 1886. The T aylor family moved to Texas while Emma was still a child and settled near Alvarado. On May 25, 1905 Emma Sue Taylor became Mrs. David Irvin in a ceremony at Alvarado; and to that union were born five children: Tilman, Oscar, Elton, Lillie Mae, and Richard.

Beginning their ministry in 1918, Mrs. Irvin served with her husband faithfully the following Central Texas Conference appointments: Diamond Hill, Fort Worth; Penelope Circuit; Line Street, Hillsboro; Weatherford Street, Fort Worth, Meridian; Brazos Avenue in Cleburne; Valley Mills; Coolidge; Eules-Smithfield; Troy; Covington-Osceola; and Aquilla Circuit. In 1942 the Irvins retired and moved to Hillsboro, but for four years continued to minister at Brandon-Midway and Malone-Midway.

Following retirement in 1946 the Irvins lived in Hillsboro and were active members of Line Street Church where they had served early in their ministry. Following Rev. Irvin's death in 1958 Mrs. Irvin continued to be active in the work of the Church. During the last few years of her life she was unable to attend services but continued to support the Church by her prayers, her gifts, and her service, which included making many items for the annual Lord's Acre Harvest Festival.

Following a brief illness Mrs. Irvin passed away on April 17, 1972 in a Hillsboro hospital. Services were held on April 18, in Hillsboro with her pastor, Rev. James L. Finley officiating. Following the services her body was laid to rest in Ridge Park Cemetery in Hillsboro.

Mrs. Irvin is survived by her children, Tilman Irvin of Hillsboro, Oscar Irvin of Abilene, and Mrs. Lillie Mae Seal of Fort Worth, and one grandson. She was preceded in death by two sons, Elton and Richard.

JAMES L. FINLEY

MRS. LLOYD H. OLSON

Mrs. Olson was born in Claire, Michigan, October 22, 1897, and was christened Ethel Irene Clark. She died in San Jose, California, December 12, 1971, after being hospitalized for 18 months.

She was still a small girl when her parents moved to Detroit, Michigan, where she attended the public schools and studied piano and voice at the Detroit Conservatory of Music. Music was a life-long interest of Mrs. Olson. At Asbury College she studied voice, sang in the Girls' Glee Club and traveled extensively with a featured Girls' Quartet. She sang in the choir of First United Methodist Church, Fort Worth, while her husband was on the church staff.

Mrs. Olson married Rev. Lloyd H. Olson, September 18, 1928, and has two sons: Ronald and Donald, and three grandchildren.

At the memorial service for her in First United Methodist Church, San Jose, California, Dr. Donald A. Getty said:

Today we celebrate the triumphant life of Ethel Olson, thinking God for all she was and all that she meant to so many persons. We are grateful for her dedication to the Christian Way, for her fortitude in adversity, her joy in achievement, her blythe spirit, unquenchable faith and her limitless love. We do not understand the trials of the past 18 months. We can only trust that God's purpose was somehow in it. But, we do understand her spiritual victory through it all — and we rejoice in her triumph!

MRS. JAMES W. SHARBUTT

Mrs. Maudie Lee Matlock Sharbutt was born April 4, 1886 at Mount Pleasant, Texas. Nineteen years later at Mount Enterprise, Texas she was married to the Reverend James W. After the Reverend Mr. Sharbutt retired in 1956, Mrs. Sharbutt lived in a retirement home located in DeLeon. Mrs. Sharbutt continued to live in DeLeon after the death of her husband in 1963. During the last two years of her life she was a resident of the DeLeon Nursing Home. Her times of confinement to the hospital became longer and more frequent until her death on Saturday, September 11, 1971.

Funeral services were held on Tuesday, September 14, 1971 at the First United Methodist Church in DeLeon with the pastor, W. L. Milner, officiating. The place of interment was DeLeon cemetery.

Mrs. Sharbutt is survived by one son, Delbert Eugene Sharbutt of New York City; one daughter, Mrs. Volva Mae King of El Paso, Texas; four grandchildren and four great grandchildren.

The happy memories which Mrs. Sharbutt shared with those who visited her during the last years of her life were a testimony to the joy she felt at having had the privilege of serving her Lord as the devoted wife of a Methodist minister.

This rule is not applicable to the District and Associate District Lay Leaders, nor Committee on Investigation. The District Superintendents shall also nominate at the end of any normal term members of any Board, Commission, or Committee.

District directors of Work Area and district coordinators of age level and family ministries are full members of their respective boards, commissions, committees, agencies and departments.

Members of general and jurisdictional agencies will be ex officio members of the respective agencies in the Annual Conference.

All Quadrennial Boards, Commissions and Standing Committees shall meet within thirty days of adjournment of the Annual Conference at a time and place designated by the Bishop and the Cabinet for the purpose of organization and briefing. Notice of this meeting for organization and briefing shall be mailed to each member of each Board, Commission and Committee by the Conference Secretary at least ten days prior to the meeting.

All Program Council staff of the Annual Conference shall be limited to a term of eight years.

The above rule shall not apply to the office of Conference Secretary-Treasurer.

7. Eligibility

The period of eligibility of membership on the Boards, Committees, and Commissions of the Annual Conference shall not exceed two consecutive quadrenniums, a total of eight years, except as set out below. When a person is elected to fill an unexpired term, he shall be given an expiration date for the end of the quadrennium that is not less than six years nor more than nine years in the future.

A member who has served two full quadrenniums on any Board, Commission, or Committee shall not be eligible for membership on the same Board, Commission, or Committee until a full quadrennium has passed. If a member has served less than two full quadrenniums, he shall be eligible again for membership after one full Conference year has passed.

In appointing new Quadrennial Boards, Commissions, and Committees, the Cabinet shall have the power to appoint new members for only four years, in order to equalize the number who are eligible to serve four years with those eligible to serve eight years.

Nevertheless, the above shall not apply to membership on the Board of Lay Activities as it relates to the nomination of a Conference lay leader. A Conference Lay Leader is eligible for a term of no more than eight consecutive years.

Employees and Trustees of institutions, or employees of Conference Boards and Commissions, shall not be eligible for membership on the Board, Commission, or Committee through which financial support is derived. This shall not apply to membership on the Commission on World Service and Finance, except in cases in which a Board receives direct appropriation of funds from Conference Benevolences budget or other funds allocated by the Commission.

The appointment of any member of the Conference to the District Superintendency shall automatically vacate his membership on any of the quadrennial Boards, Commissions, or Examining Committees to take effect at the time of his appointment, except where the Discipline makes them members of an Annual Conference Board, Commission, or Committee. The Bishop is asked to notify such group in time to fill the vacancy before the conference adjourns.

8. Vacancies

Vacancies on all Boards, Commissions, and Committees occurring during the quadrennium shall be filled by nominations of the Board, Commission, or Committee concerned, and elected by the Conference.

Retirement from the active itineracy shall vacate a minister's membership on any Conference Board or Commission and on all Institutional Boards, effective on the date such relationship is taken.

At the beginning of the paragraph in the report of any board, commission, committee or agency, which presents a proposed budget or asking as an appropriation from Conferent Benevolences, or any other conference fund, there shall be printed the following statement: "The board (commission, committee, or agency) has presented to the Conference Commission on World Service and Finance for their consideration and recommendation to the Annual Conference, the following askings:"

12. Apportionments

The apportionments for World Service and Conference Benevolences shall be based on the total money raised (item 69 in Report to Annual Conference) less the amount paid on principal and interest on indebtedness (item 30 in Report to Annual Conference), less the amount paid for building and improvements (item 31 in the Report to Annual Conference) and less the amount paid for General and Conference Advance Specials (item 53 and 62 in Report to Annual Conference.) It shall be the duty of the Commission on World Service and Finance to compute the apportionments annually, using the statistics of the last published journal (corrected, if necessary) and furnish the table of apportionments to the districts. The district apportionments shall be distributed to the local churches by the district superintendent and the district stewards.

The Administrative Fund shall be apportioned to the charges of the Central Texas Conference without being subject to acceptance by the Charge Conferences. The apportionments are to be done in accordance with Standing Rule 12. The items served by the Administrative Fund are as follows: Annual Conference Administration; Area Administrative items, Jurisdictional Administration; General Administration, Interdenominational Cooperation and Temporary General Aid Funds.

13. Annual Audit

The Auditing Committee appointed by the Conference Commission on World Service and Finance shall audit all books of Treasurers of Boards whose auditing is not provided for in the Discipline, and report the results to the Commission on World Service and Finance, which Commission will send a statement of these audits to the Conference Secretary for inclusion in the minutes.

Annually, each Board or special interest, shall make request to the Commission on World Service and Finance, for any Special Day offering, except where set by the Discipline. No such day shall be recommended to the Annual Conference for any agency, cause or institution, nor shall such a day be listed on the printed Conference Calendar unless such agency, cause or institution has presented a full financial statement and audit including current annual income and expense together with its report, to the appropriate Board.

14. Special Days and Campaigns

Any request from a Board or institution or special interest of the Methodist Church asking for a special campaign for funds or a Special Day Offering shall first be presented to the Commission on World Service and Finance for study and recommendation. If such recommendation is made to the Annual Conference it must show that the detailed use of funds is reasonable; and that proper safeguards have been set up for the use of funds.

Any recommendation from a Board, Commission or Committee, including the Commission on World Service and Finance, asking for an increase that will effect the Budget of the local church, if approved, shall become effective at the beginning of the next fiscal year, January 1st.

IV. Administrative**15. Conference Secretary-Treasurer**

The Conference Secretary-Treasurer shall be nominated by the Commission on World Service and Finance after consulting with the Bishop and his Cabinet.

The term of office of the Secretary-Treasurer shall ordinarily be a quadrennium and a newly elected Secretary-Treasurer shall ordinarily assume his official duties at the session following the General Conference.

16. District Conference

The District Conference, where held, shall be composed of the ex-officio members as provided in the latest Discipline, and one delegate for every 100 members or two-thirds fraction thereof, provided that every Church shall have at least one delegate. District Conference records, where kept, are not to be reported to the Annual Conference session.

17. Reports

The reports of the pastors to Annual Conference (Tables I and II) and

the annual statement of receipts as issued by the Conference Treasurer shall be presented at a district meeting to be held in January. The Conference Statistician shall set the time and place for the district meetings, and shall appoint a District Statistician for each district, who shall receive, edit and compile the churches' statistical reports into the district report. The District Statistician shall forward the district statistical tables to the Conference Statistician within one week after the district meeting. No change in the statistical tables will be made after the district meeting.

He shall also indicate any such situations that occur the year previous that came to his attention during the year, and had not been reported.

18. Conference Procedure

Lay members and alternate lay members of the Annual Conference shall be elected at the Charge Conference and the term shall begin at the opening of the next regular session of the Annual Conference and continue until the opening of the next regular session of the Annual Conference.

All matters to be presented to the Annual Conference, which pertain to the work of one of the Conference Boards, Commissions, or Committees shall be referred to the proper Board, Commission, or Committee for review, before action shall be taken by the Annual Conference.

All papers, resolutions, obituaries, and reports, not included in the Pending Report book, coming to the Conference, must be typewritten in triplicate, and two copies of said report must be in the hands of the Secretary before they are presented to the Conference. It is strongly recommended that any reports, requiring approval of the Annual Conference, not in the Pending Report Book, be mimeographed for members of the conference that they may follow the report as it is being read.

Members of the Commission on World Service and Finance
Central Texas Conference of the United Methodist Church
Fort Worth, Texas

Gentlemen:

We have examined the summary of cash receipts and disbursements
of

REV. J. D. F. WILLIAMS, CONFERENCE TREASURER,

CENTRAL TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH,

for the year ended December 31, 1971. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Analysis of Investments included as Exhibit B of this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review of cash receipts and disbursements of the various funds, and we performed no auditing procedures with regard to investments except to confirm the balances of those shown on Exhibit B.

In our opinion, the accompanying summary of cash receipts and disbursements presents fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year ended December 31, 1971.
