REPORT #1

(Adopted October 2, 1972)

DOES THE "WALL OF SEPARATION" RENDER THE STATE IMMUNE TO CHURCH CRITICISM OR SUPPORT?

The recognized purpose of the Bill of Rights

The First Amendment to the United States Constitution was introduced by James Madison in the first Congress under the new Constitution. Ratification by the required number of state legislatures followed in 1791. The First Amendment was a part of the group proposals submitted to the Congress as the Bill of Rights. The recognized purpose of the Bill of Rights as then proposed was to strengthen the Constitution as a shield against arbitrary action by the national government. No prohibition against state action was originally embodied in the Bill of Rights. Subsequent to the Civil War and the ratification of the Fourteenth Amendment much of the Bill of Rights has been applied to state and local action through judicial interpretation.

The language of the First Amendment.

In the language of the First Amendment Madison drew heavily on the Virginia Bill of Rights. The full text is as follows:

"Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or of the people peaceably to assemble, and to petition the Government for a redress of grievances."

"Establishment" and "Free Exercise"

The first clause includes the "establishment" and "free exercise" provisions which have served as the bulwark of religious freedom in this country. Not explicitly mentioned is the "wall of separation" between church and state. The terminology and the concept had been presented by James Madison during the debate over state support for an established church in Virginia during the period from 1783 to 1785. A definition of the concept accompanied by a historical analysis can be found in Justice Black's majority opinion in **Everson v. Board of Education, 330 U. S. 1 (1947)**.

A concept to prevent governmental intervention.

The "wall of separation" dividing church and state is the product of judicial interpretation of the First Amendment of the Constitution of the United States and of comparable provisions found in the various state constitutions and bills of right. Virtually all the cases serving as the basis for judicial elaboration of the concept of "separation" are concerned with governmental action designed to either assist or restrict the programs and activities of religious bodies. In a great number of situations at all levels of government prevailing church doctrines have inspired controversial public policies. Among the classic examples are the state and local laws regulating and restraining certain types of human behavior in the name of public morality. Sunday closing laws; laws prohibiting the use of alcoholic beverages; laws against gambling; and laws prohibiting polygamy are clear examples of religiously motivated governmental action. In other types of action church groups have sought federal, state, and local financial assistance in the operation of parochial schools and other church-related agencies.

Political process is utilized to achieve what is viewed as religious objectives.

Whether religious bodies or religious leaders seek favorable treatment from government or propose legal restraint on types of human behavior their involvement is "political" in that the political process is utilized to achieve what is viewed as a religious objective. Those who disagree with the positions taken by the church or particular religious leaders generally recognize the right of petitioning agency or person to propose governmental action. They can strongly disagree with the proposed action and present their views through political counter-measures and resort to judicial attack should the proposal be enacted into law. It is at this latter point that the courts have hammered out the meaning of the "free exercise" and "establishment" clause of the First Amendment. It is through successful judicial challenge to governmental action that the "free exercise" and the "wall of separation" doctrines have been defined and given substance.

Petitions by church bodies draw criticism.

Church bodies and leaders have recently drawn strong criticism from those who object to certain petitions directed to the executive and legislative branches of the national government. Specifically, some object to the proposals made by church leaders in the realm of national foreign policy. Others are equally concerned with

positions taken relative to national policy in regard to social and economic problems. Petitions presented to the responsible national leaders are viewed as unwarranted breaches in the "wall of separation" dividing church and state.

Right of petition not a breach of "wall of separation"

It is difficult to see how an exercise of the right of petition protected under the First Amendment along with the freedom of religion can be viewed as a breach of the "wall of separation." Since the passage of the first Sunday laws religious groups and their leaders have sought governmental actions embodying what are conceived to be religious and moral objectives. Very often the proposed action has not been uniformly supported even by the members of the petitioning religious body.

No restraint on churches in expression of opinions.

American Presidents, Congresses, state governors, state legislators and local governments have been presented with petitions by church agencies, church leaders and individual church members since the beginning of our history as a nation. The claim that such a procedure constitutes a breach in the "wall of separation" is indeed a novel approach. James Madison credited with the earliest exposition of the concept of the "wall of separation" in his "Memorial and Remonstrance" in 1785 based his argument for separation on the necessity for leaving churches free from state interference and control. Nothing appears in the discussion of the Bill of Rights in the early 1790's which indicates that churches were to be restrained in the expression of opinion in areas of moral concern. Certainly it is clear that church leaders spoke their convictions in matters of foreign policy as early as the 1790's when the French Revolution and the Napoleonic Wars created sharp divisions among the American people.

To silence the church is a clear violation of the First Amendment.

To silence the voice of the church and church leaders in matters where political and moral issues intermingle would be a clear violation of the spirit of the "free exercise" clause of the First Amendment. For government to impose such restraints would clearly violate the letter of the same provision.

The mandate.

The separation doctrine remains in readiness to be invoked should governmental action tend to produce an established church or to place either the church or the state in a subservient role to the other. But the exercise of sovereign power by the state is not to be confused with the exercise of the right of petition in the form of individual or group expression. An open door rather than a wall symbolizes the relationship between the state and those who seek to influence policy where questions of moral leadership are involved. The church would indeed be derelict if it did not speak in matters that affect world peace and the condition of men everywhere. It is not necessary to agree with every policy position expressed by every leader or agency of the church to support their right to communicate their convictions to responsible governmental agencies.

BOARD OF CHRISTIAN SOCIAL CONCERNS

AN AFFIRMATION OF THE FIRST AMENDMENT:

We of the Central Texas Conference affirm the right and responsibility of the United Methodist Church to speak to any and all governmental entities in support or in criticism of their conduct of affairs. To abridge such a right would imperil both the government and the church.

World Service and Finance Report

Whereas, Dr. J. D. F. Williams was received on trial in the Central Texas Annual Conference in 1925 and for many years has served The Kingdom of God and the United Methodist Church in capacities ranging from Secretary of the Epworth League, Extension Secretary of the Board of Education, as a faithful pastor, as a member of Boards and agencies of the Church and as District Superintendent;

And whereas Dr. Williams served for many years as the Secretary of the Annual Conference and in more recent years as the editor of the Conference Journal and as full time Conference Secretary-Treasurer; in which capacity he has

given particular guidance to the Conference Pension program as it has been vastly improved; and in which copacity he has guided the revision and amendment of the auditing and accounting system of the Conference;

And whereas under Dr. Williams' keen perception, the record keeping system of the Conference has been brought forward to become the pattern for many other Annual Conferences; and the Historical Society of said Conference has been vastly upgraded and its depository at Glen Lake Camp now contains and houses records that could be otherwise lost.

And whereas under Dr. William's careful guidance the financial and statistical records of the Annual Conference have been continually updated as new innovations and methods have appeared, until now through his tireless efforts and skill we have been brought into step with the computer age;

And whereas Dr. Williams' interest in the work of Christ has moved him to be a youth leader, a camping enthusiast, an evangelist, a teacher, a preacher, a counselor, a husband, a father and in every way a Christian brother beloved;

And whereas Dr. Williams through the procedures of the United Methodist system has asked for retirement from the active service as of January 1, 1973;

Now therefore be it resolved that this session of the Central Texas Annual Conference of the United Methodist Church, now in session on this second day of October, 1972, do hereby spread upon its minutes this resolution of appreciation for the faithful service of this Christian Statesman, whose churchmanship has been a blessing, an inspiration, an example and a mark of excellence that will endure throughout the ages;

And be it further resolved that copies of this resolution be provided for Dr. Williams, the Conference Historical Society, and such other copies for persons and Conference Agencies so that the recollection of our debt of gratitude to this great man will be forever remembered;

And be it further resolved that the membership of this Annual Conference here assembled give to Dr. Williams a standing ovation and express to him by so doing our obiding and sincere appreciation, our best wishes and our prayers for his continued good ministry into which we are confident he will go.

AD HOC COMMITTEE ON MINISTERIAL RELATIONSHIPS**(Adopted October 2, 1972)**

On page one hundred thirty-five of the 1972 Central Texas Journal, a motion is reported which refers to the Ad Hoc Committee on Ministerial Relationships a motion which appears on the 1971 Journal as follows: "S. M. Love, Lay Delegate from Kennedale, made a motion that the Conference pay a minimum of 75% of the moving expenses for each minister that is reappointed within the bounds of this Conference by the presiding Bishop . . . "

In response to this charge, the committee ascertained these pertinent facts:

1. The situation as it presently exists has an historical background of which most people are unaware. Prior to the merger of 1939 the Methodist Episcopal Church decided that ministers would provide their own furniture and the receiving church would pay the moving expense of the pastor. On the other hand, the Methodist Episcopal Church, South decided it was better to provide the furniture for the parsonage and ask the minister to pay his own moving expenses. The ensuing merger resulted in both systems being employed within Methodism, often within the same Annual Conference.

2. A survey of forty-three ministers who moved during the 1971 Annual Conference year revealed the following statistics:

a. Nine utilized commercial movers with the cost ranging from a low of one hundred twelve dollars to a high of four hundred fifty dollars. Two local churches paid the full cost;

b. Twenty-six used rental van/trailers with the cost ranging from nine to two hundred dollars;

c. Eight utilized pick-up trucks and helpful members with a cost factor ranging from five to sixty dollars;

d. The weight of the furnishings varied from three hundred to eleven thousand pounds;

e. Twenty-one of the forty-three respondents indicated they would rely on a conference subsidy if same were made available for moving expenses.

3. The members of the former West Texas Conference are accustomed to being paid their moving expenses by the receiving church per the tradition received via the Methodist Episcopal Church.

4. A survey was made of seventy-one Annual Conferences in the United States. Forty-eight responded and of that number forty-seven reported a plan to cover the moving expense of the minister. The plans reported were very diverse in their procedure.

5. Many businesses pay the moving expenses of their employees who are reassigned to new areas for the convenience and preference of the employing entity.

6. There is a rising resistance within local churches to the expanding administrative costs.

7. If each local church is required to pay the expenses of the minister they receive, the smaller churches who are less able to do so will be hit the hardest. since their pastors move more often, while the larger churches who are more capable of meeting the cost will pay very little since their pastors generally

serve longer tenures. At the same time, if this is established on an apportioned basis, the larger churches, whose ministers move the least, will have to pay the majority of the total expenditures.

8. Likewise, it was noted that the minister who is located at the lower end of the pay scale is the one who moves most often and is in the poorest position to meet such an expense. This point was raised in conversation with Mr. Love, originator of the motion, and was noted as being his primary concern.

In the light of these discernable facts, it is the conclusion of the Ad Hoc Committee that the task of developing a policy pertaining to the costs of moving ministers would be irresponsible, considered alone. It is the further conclusions of the committee that there should be a study of the total ministerial remunerative procedure of the churches of the Annual Conference with close attention given to the feelings and thoughts of the Administrative Board of each local church within the conference. This study of the ministerial remuneration should take into consideration salaries, housing allowances, parsonage standards, travel stipends, continuing education, vacations, days off, moving expenses, and any other area which the study may deem vitally interwoven with the remunerative process.

Therefore we recommend that a committee be appointed by the bishop to effect this study and report to the 1973 regular session of the Central Texas Annual Conference.

COUNCIL ON MINISTRIES**Nominations****(Adopted October 2, 1972)**

Pat Stroman, representative to the Jurisdictional Council on Finance and Administration of the South Central Jurisdiction.

Mrs. Ruby G. Jones and Maggart B. Howell, representatives to the Jurisdictional Council on Ministries of the South Central Jurisdiction.

Ben Feemster to be Chairman of the Committee on Research and Planning of the Conference Council on Ministries.

MAGGART B. HOWELL, Chairman

COUNCIL ON MINISTRIES**Committee on Annual Conference Structure****(Adopted October 2, 1972)**

The June 4-6, 1972 Central Texas Annual Conference adopted the following items relative to structure (Report #2, Executive Committee):

1. That the Annual Conference session of September 24, 25, 1972, First United Methodist Church, Fort Worth, be an adjourned session of the June 4-6, 1972 Annual Conference and that the Boards and Agencies be elected and organized at that time.
2. That the cabinet begin its work on nominating members of conference boards and agencies after the Jurisdictional Conference (July 14). These nominations are to be given to the adjourned session and that the board and agency nominations be distributed 30 days prior to the time of election.
3. That the Executive Committee of the Conference Program Council be the Nominating Committee for persons on the General Council on Ministries and

other General and Jurisdictional agencies to be elected at the Jurisdictional Conference.

4. That the Structure of the Annual Conference continue as it is for the coming conference year. The Committee on Research and Planning is to report its recommendations for the structure and organization of the Annual Conference to the Annual Conference of 1973.

5. That conference agencies be given the opportunity to make suggestions for membership of those agencies on the conference level. These suggestions are to go to the cabinet as the committee on nominations.

In th light of this Annual Conference action and pursuant to fulfilling Item 4, the Executive Committee of the Committee on Research and Planning, meeting June 28, 1972, makes the following recommendations (quoted from their minutes):

"Motion by Morris Walker with second by Richard Freeman.

That personnel of the Annual Conference Boards and Agencies and of the Conference Program Council remain the same till June, 1973, with the exception of the filling of vacancies. Necessary rules exceptions requested. Motion passed."

For our Annual Conference to accept this recommendation will require suspension of the Conference rules limiting service on a Conference Board or Agency to 8 years, so that any 8 year term persons on present Boards or Agencies would be allowed to serve until June of 1973.

The rationale for this recommendation by the Executive Committee of the Committee on Research and Planning is that since the Conference is to adopt its structure at the 1973 session (according to Item 4), it would be unwise to elect new personnel for Boards and Agencies at the adjourned Conference session this Fall, and then have to do all over again in June 1973 to fit whatever structure the Conference adopts.

We therefore recommend that Rule 7 be suspended; that the new structure be adopted and the elections to the Boards and Agencies of the Annual Conference be conducted at the regular session of the Central Texas Annual Conference in 1973. It is further recommended that the Committee on Research and Planning come up with a proposed model of Annual Conference structure no later than January 5, 1973 to insure ample time for proper study of such proposal prior to the 1973 Annual Conference session.

Resident Bishop — Dallas-Fort Worth Area

THE STATE OF THE CHURCH — 1973

I greet you in the name of Jesus Christ to whom we belong — the Christ who loved the Church and gave his life for it.

We, too, love the Church and are seeking to give our lives to Him for it.

Today I want to do two things. First, I want to interpret some of "the signs of the times" as I see them as related to the church. Some are good and some are not.

Second, I want to share with you my dreams and goals for the conference, and for the churches and ministers of the Central Texas Conference.

So I turn now to speak of the Church as I see it at this time in the year of our Lord 1973.

1. The Church has lost her authority.

Having sometime since lost a clear understanding of her identity, being uncertain therefore about her purpose, she now wonders what she believes or what she should believe. She lacks the voice of certainty which always arises out of strong convictions and deep commitment. So the ancient question is heard anew: "If the trumpet sounds an uncertain note, who will prepare for battle?"

There seems to be no captain on the ship, no compass, and even though "the mutiny on the Bounty" has quieted down, there is a growing need for purpose, conviction and authority.

2. There is a deep spiritual hunger throughout the world.

When at the end of World War II Japan was defeated, the emperor's divinity was proven false and was rejected. Japan sought a new god and found it in the successful God of America, the worship of gadgets and gold; and still the Japanese, with fascination and fanaticism, are flinging their lives upon the altar of thingism. But in America there is a growing disenchantment with living by bread alone. Many souls are getting terribly hungry in America.

In Africa tribal animism no longer suffices; Christianity is growing twice as fast as the population. In Cambodia, in a revival, there was an outbreak of Christianity like an epidemic. In Indonesia persons are wanting to join the Christian Church faster than they can be trained and received. So in many places around the world people are running to the Christian faith like a bunch of hungry kittens hurrying to a bowl of milk.

3. There is a neo-Pentecostalism, a charismatic movement on the upswing in America among Christians.

This is most obvious in the Roman Catholic Church where there are at least 200,000 charismatic adherents. In Dallas this spring 300 priests of the Episcopal Church met to discuss how they might remain in the mainstream of their church in the light of their charismatic emphasis of speaking in tongues, healing, and "the baptism of the Holy Spirit."

With gratitude for the deep desire of being filled with the Spirit we need to remember that speaking in tongues can never be the test of Christianity, for according to the records Jesus was filled with the Spirit but never spoke in tongues. And as Bishop Earl Hunt has written:

"The test of whether or not a person has the Holy Spirit is in the quality and depth of his Christian love, and not in his ability to speak in an unknown tongue."

4. There is a rising tide of conscience on great social issues, and a weakening of conscience in personal morality.

This can be seen in some of the youth culture's opposition to war and racism (to which I give endorsement), but at the same time it has embraced sexual permissiveness that has erupted in an epidemic of venereal disease plus multiplied broken hearts, broken homes, broken lives, and broken children.

The most obvious example may be the President's call for the care of the poor, the sick and the needy, while Watergate runs like a dirty sewer throughout the White House.

We revolt against pollution without, while through such media as "The Last Tango" and "Deep Throat" we cultivate pollution within. We have not developed a full grown conscience against evil, be it out in society or within a person.

5. There is a growing pluralism in the Church which offers fine potential for new and more adequate ministries.

The expectation of and demand for agreement of thought and doctrine is passing. A member of this area, Dr. Albert Outler, gave brilliant leadership to our church as at the General Conference last year he led us into accepting this position officially of theological pluralism.

This acceptance of our differences is seen in the expectation of white churches to do their own thing in worship and the black churches to do their own thing and neither be expected to copy the other. We are grateful that the blacks have brought "soul" back to worship. Young people can sing with guitars and dance, and we adults can have our organs and Bach. Each is valid.

In planning for our Church School literature two weeks ago the first time our church-wide curriculum committee established a committee to

"Research, define and report on the major groups of our constituency, the characteristics of their theological viewpoints, education life styles, and cultural environments to purpose designs and then guide and review future curriculum development and programming."

It should be noted also that our churches which are most creative in a variety of ministries are the churches that are meeting the needs of the largest number of people and are prospering.

6. There is wider participation of more persons and more types of persons in the leadership and decision making in the church.

We have more women in leadership roles in the Church, more in theological school and we still and should have more in the pulpits of our churches as pastors. Can you give me any valid reason why God should not call a woman to preach, and why she should not be the pastor of a church?

We have more minority and young people in our decision making, and they are adding a rich dimension.

Laymen are assuming positions of leadership and are providing leadership

on every level of the church's life, and we need to recognize that the empowerment of the laity is one of the finest things happening in Christendom.

7. There is a growing demand that the Church stop standing around with our hands in our pockets and get on with the business of being the Church.

We know that the Church should be bringing Christ to individuals; speaking out on certain issues; standing up for certain ideals; leading the nation in a recovery of her soul, and the world into a new kind of world; and helping to create the future that it may become the Kingdom of God on earth.

There is, and there is a growing demand that the Church be the Church.

Having suggested some of the conditions of the state of the Church as I conceive it to be, let me now as your chosen and assigned leader tell you some goals that I have set for us to strive for together.

1. I want us to make Jesus Christ the focal point and the center of every church; of the life of every minister; and every leader in every church.

History shows that when the Jesus of history and the Christ of personal experience have met in a life, or in a church, or in a movement, there has been life, vitality, authority, and achievement. It has resulted in personal and societal transformation. When Christ has been peripheral the Church has been ineffective.

Until we put Christ at the center, our churches will lack dynamism and our lives will be dogged by recurring frustration and defeat.

This is no narrow pietism to which I call you. It begins with personal experience and commitment to Christ; it moves out into every facet of life and every inch of the universe, and every action of any person or any nation throughout the world.

We belong to Him. He stands in the center, or we have the wrong center. We look toward Him or we are looking the wrong way.

When on Mt. Hermon Moses and Elijah disappeared, Peter and James and John saw Jesus only. So may we see Him. But Jesus would not allow them to remain in awe and adoration on the mountain top. He led them down into the valley where a boy foamed at the mouth and twisted in the agony of his illness; a father was distraught in helplessness; and where His followers had failed because they tried to do it in their own strength.

If Jesus had not known the mountain top, He could not have been the Saviour; if He had not gone down into the valley He would not have been the Saviour.

If He is center we shall know Him in the adoration of the mountain top and shall follow Him in ministry to the agony of the world.

My hope, my prayer, my goal is that each of us, and each church, shall make the living Christ the center of all things.

2. My goal is that we shall be led by God's Holy Spirit into new knowledge, new vision, and new ministry.

a. If we have new knowledge it means that we must study. For ministers, my goal is that each of us shall participate in continuing education. No minister can provide adequate leadership in this day who does not continually sharpen his tools and secure new ones. This begins with me and with the District

Superintendents. I plan each year for us to be in a continuing education experience together.

The churches are made up of members who need to be taught by their pastor. I suggest:

A Bible Study every year,

A study of the doctrinal statement of our church,

A study of the social principles of our church,

A study growing out of the "Bishops' Call for Self Development."

In our world more harm is done by sincere people who are blind and stupid or ignorant than by evil people who consciously do wrong.

"When the blind lead the blind they both fall in the ditch."

b. My goal is that we shall be led not only into new knowledge but also new vision. We must study the needs of our conference and create a blueprint for the future.

Our potential is unbelievable, almost unlimited. We have the finest opportunity of any area in America, therefore in the world, to create the future in church and society. We have all the ingredients. We have strong leadership — theological, pastoral, lay. We have a society where the church is still recognized as vitally important. We have adequate potential financial resources available. We are in the midst of a rapidly growing section of America. We have the guidance of God if we are wise enough and committed enough to obey and follow.

We must develop a plan to influence the decisions and guide the future of our community.

We must consciously bring to our cities and towns the morality, the Christian ethic of love, and the Christian value system.

For instance, in America as cities have grown big, the inner city has decayed. Poverty, crime, and riots have moved in. The most significant question Fort Worth faces is how can Fort Worth with the great growth of the metroplex avoid spreading decay in the inner city and the evil, the suffering and the misery that would accompany this. This may be Fort Worth's number one problem and we, the Church, should help find the answer, for it is people who will suffer. An answer can be found and we should demand it and help find it.

We need to plan for parish development in both urban and rural sections, using as our criteria not economy, nor efficiency, but effectiveness, reaching and serving the largest number of people.

My goal is that each segment of our Conference draw up a blue print for the future and together this shall be the projection of our potentials, our plan to help create the future as God wants it to be.

c. Out of our study and our blueprint I want us to create new ministries both on the mountain top and in the valley — as broad and inclusive as the ministry of Jesus.

3. My third goal is that out of our centering on Jesus Christ and out of our study and our blueprint for the future I want every minister to set specific goals for himself. I want every congregation to set specific goals.

Probably the most significant advance in management skills that has come out of this new field is the concept of "Management by Objectives." Business and industry have discovered that when specific objectives are set and when they set out to reach those objectives the productivity increases greatly.

Many of our lives are falling far short of their potential because they are not directed toward specific objectives. Churches are sitting still, achieving little, because they do not have mutually agreed upon, clearly defined and articulated goals.

For the Conference, one goal must be to make successfully functional the new organizational structure of the Conference; to make effective the district councils to focus on and help make much more productive the work and ministry of local churches; to involve lay leadership in new and meaningful responsibilities.

A second goal of the conference must be to recognize and accept the tremendous opportunity we have to minister to the large black segment of our society. One of our black leaders has said: "The United Methodist Church is the most integrated of all the major predominately white denominations. It, therefore, is in a unique position to minister realistically and effectively to the total needs of all people — especially those who have been dispossessed by society and the church."

From 1950 to 1970 the black population in Texas has increased almost 50% in urban areas.

The United Methodist Church has not kept pace with this urban growth. We must focus on this great area of opportunity, must help develop lay leadership, encourage, educate, and support black ministers, and provide opportunity for them to serve in any place where their abilities can take them.

"We must receive the contribution of the black church, out of its experience of suffering and the yearning for freedom, of that quality of faith, hope and love which can help activate, empower, renew, and unite the whole church of Christ." (Dr. Zan Holmes)

A third goal for this Conference is that we reverse the trend of the last few years. Our church schools have been decreasing in spite of growing population in most places. This can be and must be reversed. Our church membership is falling off and this is a time when people are desperately hungry for God. This can be and this must be reversed. We are slipping in keeping abreast with our giving to God and His Church. We must pay everything in full including the Black College and Ministerial Education Fund. We can do this. I insist we must do it. I expect it of churches unless the church is in terribly distressed circumstances. I feel confident we can meet 100% of our opportunities and obligations to minister to the whole world.

These are my goals. These are my hopes. These are my commitments. I believe these are God's goals. I invite you to make them yours.

As I look at the road that is being built into the future it is incomplete but intriguing. I see a sign. It reads:

"God At Work"

And as I look I see a second sign. It reads:

"Help Wanted"

REPORTS

COMMITTEE ON FIXED FUNDING, 1974

The committee was appointed by Vice Chairman of the Conference Council on Ministries, E. C. Purnell, on January 29, for the specific purpose of looking into conference benevolent money needs for the calendar year 1974.

Persons appointed were W. M. Greenwaldt, Mrs. Rubye Jones, H. B. Loyd, and Wilson Canafax. Greenwaldt was appointed as the convener.

The committee selected Greenwaldt as Chairman and Canafax to take notes on official action.

Considerable discussion took place as to the 1972 and 1973 benevolent budget of the Central Texas Conference and the various agencies and boards responsible for both program and money.

The committee sends this recommendation to the March 31 meeting of the Conference Council: "We recommend that at the close of May 31, 1973, all unexpended funds in the Annual Conference Benevolent Budget be returned to a common pool and that the expenses of all Boards, Agencies, and Concerns of the Annual Conference having interest in the adopted budget for 1973 be paid out of this common pool for the balance of the calendar year 1973; and that each Board, Agency, or Interest of the new conference structure present its recommended budget for 1974 to the Council on Ministries, thence to the Council on Finance and Administration, and to a "special session" of the Annual Conference in the Fall of 1973. Said recommendation is to reflect the new emphasis from the Annual Conference to the District level. It is further recommended that all enabling legislation, including Conference Rules relative to District Program Promotion and Training be revised according to the purpose of the new structure."

The committee further recommends to the Conference Council on Finance and Administration that a study be made of all budgetary items of an administrative nature in the Annual Conference including those found in the Conference Benevolent Budget, the Administrative Fund, and the District Superintendents' Fund. The report is to be made to the Annual Conference for their consideration.

STRUCTURE STUDY

(Adopted June 4, 1973)

Charged by the Annual Conference to present a structural model for consideration by the conference session June 3-6, 1973, the Committee on Research and Planning gives the following recommendations for consideration.

CENTRAL TEXAS ANNUAL CONFERENCE STRUCTURE AND ORGANIZATION

I Statement of Purpose

The United Methodist Church is a connectional structure maintained through its chain of Annual Conferences. The Central Texas Annual Conference

is a part of the connectional structure and is maintained through its connection with local churches situated within its geographical area.

The primary purpose of the Annual Conference is to strengthen and support the local church and its members who seek to serve God under the Lordship of Christ. The Annual Conference is the connecting link between the local church and the general church.

Function

There are three primary functions of the Annual Conference as it relates to its ministry: 1) Program Concerns, 2) Special Ministries, and 3) Ministerial and Financial Concerns.

The District Council on Ministries is the primary structure to study needs of the local church, design ministries, and implement these programs.

The Annual Conference Council on Ministries is to coordinate district programming, evaluate the work of the district council and conference staff, implement general church level programs, and offer specialized help to sub-district, district, and local church councils on ministries. Task Forces are to be established by any structure of the local church, district or annual conference involving people in ministry where needed.

To that end the mission of the Central Texas Conference is to serve as the medium in which the local congregations within its jurisdiction:

- 1) May express their opinions and needs and receive motivation and direction as they meet the specific challenges they confront.
- 2) Act in concert with one another to accomplish their Christian Mission more effectively and economically.
- 3) Receive the specialized guidance, information, and encouragement they require .

REPORT OF THE COMMITTEE ON COMMUNICATIONS

(Adopted June 4, 1973)

The editorship of the conference page of the Texas Methodist was moved into the office of Wilson Conofax, and is now being produced under the news editorship of Mrs. Joyce Brown.

The committee voted to change the thrust of the priorities of the page to fit more loosely the restructuring of the United Methodist Church.

Previously priorities on the page were:

1. Publicity and promotion of the conference program.
2. News of upcoming events in the following order of conference, district, local church.
3. News of past events in the some order.

The changed priorities were:

1. News and features about programs of the local churches and about people in the local churches.
2. News and features about district and conference.
3. Promotion of the conference program.

Our rationale was that the rapid pace of life demands correct information for decision making, that people have a right to know and that the church has a story to tell.

In order to make this program possible, the committee representative appeared before the cabinet and asked support in the form of financing for:

1. Expenses for photography, travel and telephone for district directors of communication to feed material to the news editor.
2. Training grants for directors to attend a news-writing seminar at the University of Missouri in late 1973 or early 1974.
3. A grant to plan a seminar in a college in this area, which would include both newsgathering and writing and photography.
4. A training school for church personnel in newsletter writing.

Our budget request for the ensuing year is:

Expenses for district directors at \$200 each	\$1,600
Expenses for locally based seminar	500
Expenses for Missouri University Seminar, 8 directors	1,200
Operational budget for committee	400

*Estimated. Plans for seminar are not final.

The cabinet endorsed the program as it was presented to them.

In the radio field, five radio stations within the bounds of the conference broadcast the Methodist Series of the Protestant Hour weekly. They are KBWD-Brownwood; KFJZ-Fort Worth; KYLE-FM-Temple; KWTX-Waco and KBEC-Waxahatchie.

A second weekly United Methodist thirty minute radio program is available for placement by local churches. The Reverend Roy Bassett, pastor of Smithfield, is producing the Word and Music program.

The KEY '73 TV Launch Special was aired four times on television stations within the Central Texas Conference. The second KSY '73 special, "Come Together," is expected to be placed on as many stations within the conference when it becomes available.

The annual conference had representation at both the Cable TV Workshops in Galveston and the Program Instruction Seminar in Dallas.

BOARD OF MISSIONS

Report No. 1

(Adopted June 5, 1973)

Your Central Texas Conference Board of Missions ends its historic tenure as "The Conference of Missions," with its head high and its heart with a strong, positive beat.

Many long years of aggressiveness and faithful leadership has given the cause of Christ in Missions a good boost. This is not to say we are completely satisfied with every project undertaken. Yet this is a salute to the thousands of laymen and ministers who through the years have felt that Mission is one of the life giving products of the Church of Jesus Christ.

During the year of 1972 your Conference Board has truly been involved in every nick and cranny of the Conference Work of Missions. Our Conference Missionary Secretary, The Reverend John W. Elliott, Sr., is especially to be commended for his efforts to raise the standard of giving for Missions and his good representation of our Conference at work shops and at the National and Jurisdictional level.

While we proudly speak of involvement we also take cognizance that our churches contributed \$144,666.37 to General Advance Specials in 1972, which is some less than the year prior. We urge our ministers and laymen to keep this ever before our people as one of the true signs of being alive and about our Father's business.

Our projection for the future is an even greater involvement because of the new structure and the excitement brought on by a new wave of emphasis.

We present this report showing some of the pertinent facts of our Board's involvement in monetary matters for 1972-1973 and our commitments for 1974.

BOARD OF MISSIONS**(Approved June 5, 1973)****Advance Special Giving for 1973**

The Central Texas Conference paid \$147,645.79 to Advance causes in 1973. This is a \$13,199.38 decrease compared to 1972.

These are the causes to which we contributed. All causes which had less than \$40 did not reach its destination. It takes \$40 to process an application. Small amounts are lost in administrative costs.

If all the projects that had small amounts paid to them, and all of the missionaries that had small amounts paid to them had been put in our major goals, all of our designated goals would have been met in full.

BOARD OF MISSIONS**(Approved June 5, 1973)****Advance Specials — Goals****(March 31, 1973)**

The Central Texas Conference paid \$147,645.79 during 1972 to General Advance Specials. We ranked 22 in the General Church in 1972 in spite of our decreased giving and fourth in the Jurisdiction.

A word of caution. Old models and patterns may be good, but newer models are supposedly more effective. I would believe that too many of our churches have not been exposed to the missionary needs of the peoples of the world.

We have supported fairly well the concerns that claimed our attention years ago. Our Conference Board of Missions is not trying to promote its own thing. Working with the General Board of Global Ministries, the Regional Director of the Advance and persons from this conference you have goals based on needs for every continent except Europe.

If we put our resources together we can give adequate financial support to several projects and persons instead of spreading ourselves too thinly.

By Annual Conference the Mindola, Maclin and Chorrillos Project would have been met as Advance goals. All monies sent as work funds need to be diverted to other goals. The needs of people are too critical to be taken lightly. Serious study and reflection will enable us to put our financial resources where they are needed most.

Read the list of Projects that received our support. Anyone that received \$40.00 or less did not receive your support. It costs \$40.00 to process an application for a project at the General Board of Global Ministries.

Our conference goals for 1973-1974 are as follows:

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 1

Homes for Retired Ministers

Since 1906 we have been providing homes for retired ministers and wives when there is a need. We have gained one additional home this year. We presently have 37 units.

Our churches should be aware of the increasing cost of maintenance including materials, labor, insurance and taxes. If our contributions remain about the same as the current year, it becomes increasingly difficult to carry our increasing load.

July 8 is the date set aside this year for our offering and we hope that every church will observe this day with the materials we have provided and with a generous offering.

Due to rising costs of maintenance and increasing requests for homes, it has become obvious that our present approach to structure and funding operations are no longer adequate. Therefore, after serious consideration and consultation the trustees are recommending a year for study of the Retired Ministers Homes. The results of the study and recommendations as to the status and new directions of such homes, be presented to the Annual Conference in 1974.

Visit some of the homes — they are yours. We want you to be proud of them. And with your help we will be happy to say these are our homes.

Many persons have homes and properties which they could leave through their wills which would be a great service to their church after they are gone and have no need for said property. This is one way of continuing Christian service after one is gone. Our greatest potential for gifts is in the area of wills and legacies. We hope that more people will remember our work in this way.

The Trustees are: Robert L. Robertson (1974); James H. Campbell (1974); Frank L. Turner, Jr., (1974); Edward H. Ottwell (1975); Glen C. Bowman (1975); Charles L. Hearn (1975); E. J. Hughes (1976); Warren Fuller (1976); and Ben Feemster (1976).

REPORT OF COMMISSIONER-CHAPLAIN, HARRIS HOSPITAL**REPORT NO. 3****(Adopted June 4, 1973)****THE CHAPLAINCY**

When a person becomes a hospital patient, he or she and the rest of the family may experience many disturbing feelings and ask sobering questions. Such feelings as pain or discomfort, fear, anger and depression are often experienced. Frequently, the person asks: "Doctor, what is making me sick?" "What is the future going to be like, now that I'm physically limited?" "Chaplain, why did this happen to me? How is my family going to get along?"

These disturbing feelings and questions are enough for anyone to face. Yet, many people have their stress intensified greatly, because they know they have no way to pay for hospitalization. Their financial resources are exhausted. They have no hospitalization insurance, or if they do, it is woefully inadequate. This kind of stress actually serves as a roadblock to health.

The Golden Cross Program of Harris Hospital is designed to meet this kind of need. Without your financial assistance, however, Harris Hospital is less able to minister to people who need this kind of help. Therefore, we urgently request that you offer yourself, through your Golden Cross offering, as an instrument of compassion to your fellowman.

GOLDEN CROSS SERVICE — LAST YEAR

CLINICAL PASTORAL EDUCATION

During the past conference year a total of nineteen (19) theological students received clinical training under the supervision of both Chaplains. Twelve (12) students were trained in our Monday program, which is an orientation to hospital ministry. The remaining seven (7) students were certified as having completed the Basic Unit of Clinical Pastoral Education. Plans are under way to train four more Basic Unit students of Clinical Pastoral Education during the summer of 1973.

Harris Hospital, as can be seen, continues to be an important, innovative setting in which Christian ministry can be learned and matured. Thus, the hospital continues to serve theological education as well as offer excellent patient care.

WESLEYAN HOMES, INC.**Georgetown, Texas****(Adopted June 4, 1973)**

September marked a decade for extending service to persons needing the care provided at the Wesleyan Home in Georgetown, Texas.

We are proud that the Wesleyan is a Methodist institution because the Home is considered to be the nicest Home for the Aged in Texas. With continued and additional support, we can begin the projects of a recreational center and a rehabilitation center, within the Home and the construction of a nursing home an adjacent property.

The Wesleyan remains filled to capacity with many applicants awaiting a

vacancy. We are pleased to report that we have not increased the resident's monthly rate since 1969.

We hope we can reduce the huge debt on the building in the near future

Much attention needs to be given in repairs and immediate replacement of carpet in some of the living units is necessary.

We are increasingly grateful for individual gifts, donations from churches, income from Mather's Day offering and income from the Highnote Estate. We also received \$8,815.32 from the Alma L. Greer estate.

This is the sixth year the Lola Wright Foundation has favored us with a grant of \$1,500.00 to be used for the maintenance and upkeep of the Lola Wright Garden.

We extend our appreciation for your interest and concern in the Wesleyan Home and invite you to visit us often.

REPORTS OF THE CAMPS AND CONFERENCE COMMITTEE

Report No. 1

(Adopted June 4, 1973)

Glen Lake and Rainbow Camps entered a new era of "assembly" activities in 1972. These facilities were open eleven and one-half months serving family groups, adult couples, youth and elementary children in the form of laboratories, seminars, worship retreats, enrichment and recreational week-ends.

As a result of this and other concepts, Glen Lake experienced a 105% increase in people ministered to from 1971 (3,975 people) to 1972 (8,149 people). A factor influencing the increase in conference use of these facilities was the following improvements made possible because of increased financial support by the Conference:

1. Introduced Small Group Hall concept whereby groups of 15-25 people can meet, prepare their own meals and enjoy the other facilities of Glen Lake.
2. Remodeling cabins including installation of curtains and exterior painting.
3. Completed Canoe Launch Facility and Storage Rack allowing year-round use of the Lower Lake for canoeing and playing.
4. Built a five - lane Archery Range.
5. Constructed roadbed at Rainbow with future development in mind including access to river.
6. Renovated Swimming Pool by adding a new diving board, benches and corrugated siding around pool
7. Started remodeling of Assembly Hall by preparing for installation of central heat and air conditioning units, suspended ceilings and recessed lights.

A diverse and continual public relations program proved to be another reason for increased use of the facilities by churches in the conference in 1972. Significant work in this area included:

1. "Glen Lake United Methodist Camp in Focus" brochure which concisely presented the diversified facilities.
2. Numerous articles in the **Texas Methodist** which presented past and future activities.
3. Glen Lake Day Offering which presented projected needs and outline of the mission of Glen Lane and Rainbow.
4. Presentation of camp program and needs at Annual Conference.
5. Cultivated service groups.
6. Implemented concept of the management "facilitating programs." Worked with leaders in advance of an event to maximize programming possibilities and spiritual experiences.
7. Actively participated in the Youth and Children's Ministry Departments.
8. Made numerous personal presentations in individual churches, district meetings and to the Bishop.

A different form of managing the Central Texas Conference assembly facilities was employed in 1972. The goals of this management concept were:

1. Increased year-round utilization.
2. Booked multiple groups simultaneously.
3. Initiated cooperative purchasing with all other camps in the Glen Rose area.
4. Developed a three-year facility plan which is sensitive to the programming needs of the local church, district and conference.

Through many years, Glen Lake and Rainbow Camps have been generally left without adequate funding, except for special capital improvement projects. Because of this, it was necessary to meet maintenance and improvement costs from income from campers. The resultant condition has been that our once splendid facility has depreciated.

In 1972 the Central Texas Conference really began to offer some financial support in the sum of \$23,280.59 for Capital Improvements and repairs of existing facilities. Our Conference, for 1974, is being asked to increase its financial support to our camps in order to provide a contemporary facility to meet our current local church, district and Conference needs. Therefore, the Central Texas Conference is asked to:

1. Approve a \$200,000 loan for 1973 through 1975 Capital Improvements.
2. Allow the Camps and Conference Committee the privilege of laying before the churches annually the needs of their camp support in a Special Glen Lake-Rainbow Day Offering.

The management of those responsible for the camping program are dedicated to making these camps a vital part of the local church activities. To that end, we encourage local pastors and laymen as the leadership of the Conference, to make maximum use of their facilities.

COMMISSION ON CAMPUS MINISTRY**Report No. 1****(Adopted June 4, 1973)****Funding of the Wesley Foundation**

The funding of the Wesley Foundation comes from the sixty cents per member from the local churches.

Let it be emphasized that this amount is not meeting the needs of the ministry to higher education on our university campuses in the Central Texas Conference. The breakdown for funding for 1974 is based upon the money collected for 1972. The receipts for 1972 were \$2,118 less than 1971!

ANALYSIS OF GIVING FOR WESLEY FOUNDATIONS**Report No. 2****(Adopted June 4, 1973)****Sixty Cents Per Member**

The Commission has made a Study/Analysis of Wesley Foundation giving in the Central Texas Conference over the past two years

The sixty cents per member assessment to the Churches of the Central Texas Conference is the backbone of financial support for the five Campus Ministry units within the Conference.

The last decade has seen a steady growth of these funds. While not keeping pace with inflationary costs, nevertheless each year has seen a slight increase over the previous year, until 1972. For the first time there was a decrease, dropping from \$58,638 in 1971 to \$56,520 in 1972. This meant that each unit, already operating on a tight budget, failed to receive almost a half-month's budget income in the close of the year!

In an attempt to understand the reasons for the decline the following analysis was made:

1. Forty-four churches paid nothing at all to the sixty cents per member assessment in 1972.

2. Thirty-seven churches showed a significant decrease in the amount paid, as compared with what they had paid the previous year.

3. The decrease was not a localized matter, with six districts showing a drop from their 1971 figure, one showing a slight increase, and the Waxahachie District having a dramatic increase of almost 20%.

4. Decrease (among 37 churches) generally ranged from \$50.00 to \$150.00 with only four being more than \$200.

SOME CONCLUSIONS

There appears to be two contributing factors in the decline in giving to the sixty cents per member support of Campus Ministry in 1972.

1. In the case of several large churches which showed significant decreases, the problem may be assumed to be one of budget difficulties not encountered as severely the previous year.

2. The last two years has seen both a tightening national economy and ecclesiastical budgets. Coinciding with this it appears that Campus Ministry may have slipped a notch or two in terms of priority in the minds of some pastors, District Superintendents, and Administrative Boards.

A WEEK OF STUDY

(Adopted June 4, 1973)

Report No. 3

Each year the campus ministers of Texas take part in a "Week of Study" and this past year was especially significant since we spent the time with Ivan Illich at his Center for Inter-culture Documentation. Illich lifted up for us the image of the minister as a spiritual guide; as one who has no power in the world but who has undertaken the inward journey. He has no plans for a just society, he has no influence for one program or another. He is primarily a resource for the inner life of those persons who are concerned with problems of power and justice.

Most of us had just recently been on the campuses during the activist years and this model of ministry confronted us very forcefully. Indeed, haven't we all tried to be influential men who can get things done. I was reminded of Jesus' temptation where he was offered the rule of all kingdoms of the world, and turned it down.

MINISTRY WITH YOUNG ADULTS

Report No. 4

(Adopted June 4, 1973)

In September, a Lab School was held on the campus of Texas Wesleyan College. The purpose of the Lab School was to enable us to do ministry with the young adults in the Central Texas Conference. It is hoped that those who

participated will use their new skills and knowledge to strengthen and stimulate the ministry to young adults in the local church.

Participants in the Lab School were the Campus Ministers, the State Director, and selected people from different churches across the Conference.

TASK FORCE ON RIO GRANDE AND CENTRAL TEXAS CONFERENCE

This task force has met a number of times following the passing of the resolution of the Central Texas Annual Conference in 1972. Its major work has come in an intangible rather than a tangible manner, however, nonetheless real. It has discovered that in the relationships of Anglo and Mexican-American congregations two requisites must take place:

1. A congregation must have a problem, desire or need which has reached a critical point.
2. Channels of communication must be open which allow one to trust himself to another in that period of crisis.

On October 18, 1972 the task force met with members and pastor of the Spanish and English speaking congregations of Ballinger. During the course of the meeting a variety of possible cooperative ventures were explained by members of our task force. Six months later none of these possibilities have been acted on. What resulted of positive value has been the opening of communication lines plus a new and/or increased sensitivity to awareness of the sister congregation. There are, at least, new concepts of awareness, trust, sensitivity to one another. We hope to continue to be able to help sister congregations experience similar feelings during the course of this year.

One other suggestion is that the task force is available to Central Texas Conference Churches in communities that have significant Mexican-American population but have no Rio Grande Conference church. We hope to conduct some workshops where a need is felt to help the Anglo church minister to the Mexican-American and conversely help the Mexican-American minister to the Anglo Church.

On February 16-17, 1973, Pablo Calderon, and Don Kelly attended the State-wide Task Force in San Antonio made up of the Inter-Conference Task Force in Texas and New Mexico. One activity of the Task Force in 1973 will be to plan the Meeting of the State-wide Task Forces which will be held in Fort Worth on February 15-16, 1974.

DEPARTMENT OF FAMILY MINISTRY

Report No. 2

(Approved June 4, 1973)

Projections For 1973-74

In looking to the 1973-74 year, under the new conference organization the Department of Family Ministry recommends to the Board of Discipleship that one of the areas of concern under their jurisdiction be a ministry to the family. In this connection, this department recommends to the Board of Discipleship the following areas of concern in ministry for the 1973-74 year:

1. A seminar on Christian marriage for the members of the Department of Family Life.
2. Explore the possibility of providing family counseling services in various parts of the conference that will provide a ministry to single family parents, young parents, and helping parents of disturbed children.
3. Provide workshops for single family parents, young parents and helping parents of disturbed children.
4. We recommend to the Board of Discipleship that they continue their concern in the area of education in human sexuality and continue the Committee on Human Sexuality as recommended in Report No. 5, and

appropriate money to train certified lab leaders in Senior High Human Sexuality.

5. We recommend to the Board of Discipleship that the concern for rustic family camping be kept in their list of priorities and that the Committee on Rustic Family Camping be continued.
6. We recommend to the Board of Discipleship that the Annual Labor Day weekend Family Camp at Glen Lake be a concern of each District Council and a part of a district program wherever deemed beneficial instead of a conference sponsored program.

COMMITTEE ON HUMAN SEXUALITY

Report No. 3

(Approved June 4, 1973)

This committee has sponsored three events in the past year, i.e., three labs on the meaning of human sexuality with Junior High Youth and their parents. Involved in these three events were 107 Junior High Youth, 176 parents, 9 Leaders in Training, and 6 Certified Leaders.

There are now six Certified Leaders in the Central Texas Conference: Reverend Homer Kluck, Reverend Billy Mack Patteson, Mrs. Kathy Patteson, Reverend Richard Sechrist, Beverly Coon and Michael T. Curd.

We recommend that the Committee on Human Sexuality be continued and that monies be appropriated to train certified leaders for the course in Senior High Human Sexuality.

We recommend that the committee membership for 1973-74 be composed of the following personnel:

Four Certified leaders: Reverend Homer Kluck, Chairman; Reverend Billy Mack Patteson, Reverend Richard Sechrist, Mrs. Kathy Patteson

Program Staff Representative: Mrs. Pat Halwes

One At-Large Member: Reverend Tim Russell

One Parent who has participated in a lab course:

Chairperson, or designate of the Board of Discipleship

THE BOARD OF EDUCATION

Report No. 1

(Approved June 4, 1973)

The Board of Education of the Central Texas Conference would like to recognize and express its appreciation to all those who have served on the Board during the last quadrennium. The annual meeting of the Board of Education met on February 17, 1973 and with the adjournment thereof brought to an end many years of dedicated effort in and for the educational enterprises of our Conference. To all those who have had a part in this productive and joyous ministry we say "thank you." We pass on these responsibilities to the Board of

Discipleship and are confident that education will continue as a primary concern of our Church.

Committee on Certification

The Board recommends that the work of this Committee be assumed by the Board of Higher Education and Ministry. The rationale for this recommendation is:

1. The work of this Committee has been two-fold. It has been responsible for records of those persons within the limits of our Conference who have been certified by the General Board of Education in educational enterprises, including laboratory and seminar instructors and teachers in Christian Workers School. This Committee recruits and encourages persons, both lay and clerical, to become certified in all areas of leadership training. We recommend that this responsibility be assumed within the structure of the Board of Discipleship.

The annual offering for Christian Education Sunday has, in the past, been designated for use in leadership development. We recommend that the Committee on Finance and Administration approve this offering for 1974 (fourth Sunday in September) and that in the future the Board of Discipleship be responsible for the promotion and expenditures of this fund.

2. It has been responsible for the supervision of the certification of the Lay Worker. Since this responsibility is vested within the Committee on the Lay Worker and since the Board of Education's only relationship with this area of work has been through its assigned staff personnel, we recommend that responsibility be assumed within the structure of the Board of Higher Education and Ministry, giving to the designation of the laity the professional status it deserves.

As a matter of record, the Board commends to the Committee on the Lay Worker, Miss Barbara Breedlove for consideration for the office of Director of Christian Education. Barbara has completed her masters degree in education at Scarritt College for Christian Workers and has completed one year internship at Matthews Memorial United Methodist Church in Fort Worth, Texas, as Director of Christian Education. Miss Breedlove has requested to be consecrated as a Lay Worker. We recommend to the Committee on Agenda that this service be scheduled during this Conference session.

Committee on the Local Church

One of the responsibilities of this Committee has been to develop leadership in whatever area of the Church's ministry is needed, such as consultants for training of the Council on Ministries, the Administrative Board, commissions, and/or councils within the local church, etc. We recommend that this area of leadership development be assumed within the structure of the Board of Discipleship.

Committee on Methodist Curriculum Materials

Curriculum is a vital part of the educational enterprise. The responsibility for acquainting teachers and pupils alike with the wide range of resources designed for education, keeping them in touch with and encouraging their use of these materials is a task the Board of Discipleship will need to assume.

We call attention to the new adult series, OUR LIVING BIBLE SERIES, which will be available in September of 1973. We recommend that Districts provide for Workshops to acquaint teachers and educators with this series during the Spring and Summer months. Advance pockets can be obtained through the Methodist Publishing House during the latter part of April.

Committee on Higher Education

The Board of Education is committed to the task of providing excellence in higher education. Through the Texas Methodist College Association, our institutions of higher learning are attempting to keep in step with the ever-increasing enrollment of students and the accompanying rise in costs. The Board of Education recommends that the churches of the Central Texas Conference continue their support of Methodist colleges and universities in Texas in the amount of \$1.50 per member, and that our efforts be marshalled to encourage fuller participation by local churches.

The work of the Wesley Foundation on our Methodist-related colleges and universities in Texas is another of the Church's ministries of providing Christian witness on the college campuses. Although campus ministry is now related to a Conference Commission, the Board of Education would like to go on record as commending the work of our campus ministers, and strongly urge the churches to undergird this ministry with their budgets for 1974.

The support of our black Methodist colleges is top priority in the field of Christian education. The United Methodist Church's quadrennial program of \$6,000,000 annually for the twelve black colleges in the United States (\$5,000,000 for operational expenses and \$1,000,000 for capital improvements) will mean the difference in providing quality education for those blacks wishing to attend these institutions which are steeped in the heritage and tradition of black history and development of our nation. The best in education for these neglected institutions will benefit not only our black youth but will make for a strong spirit of brotherhood within the Church for all Methodists. The Board of Education recommends that the Central Texas Conference continue its support of the black colleges through the apportionment of \$67,322 for 1974 as its share of the quadrennial program.

The following are nominated for the Board of Trustees of Texas Wesleyan College for the term indicated:

Mr. R. E. Cox, Jr. — Fort Worth — 1973-1976

Mr. Ernest E. Sanders — Fort Worth 1973-1976

Dr. Walter L. Underwood — Fort Worth — 1973-1976

AD HOC COMMITTEE ON MINISTERIAL REMUNERATIONS

Report No. 1

(Approved June 5, 1973)

The United Methodist Church and all precedent bodies have traditionally sought to provide a Remunerative standard for its ministerial members commensurate with the demands placed upon them. The Ad Hoc Committee on Ministerial Remuneration understands that the task assigned it was to assure that this historical responsibility was maintained. As a consequence, the committee submits the following:

Operational

I. Salary

A. Procedure: Our research reveals a need for information on the procedure for adopting the pastor's salary.

1. The procedure, briefly stated, is as follows:

a. Annually, prior to adaption of the budget for the new fiscal year, the Committee on Pastor-Parish Relations is to confer with the pastor(s) about salary provisions. This review will include cash salary and all fringe benefits which are often paid a minister, such as parsonage utilities, or rental allowance, if a parsonage is not provided.

b. The committee, after conferring with the minister(s), will recommend to the Committee on Finance the establishment of an adequate salary.

- c. The Committee on Finance will present its recommendation(s) to the Administrative Board for inclusion in the church budget.
 - d. The matter will then go to the Charge Conference for final action.
2. In the cases of smaller churches, parishes, and extended ministries, where a Committee on Pastor-Parish Relations, or a Budget Committee, does not exist, an alternate procedure can be used.
 3. We encourage the Committee on Pastoral-Parish Relations, the Committee on Finance, the Administrative Board, and the Charge Conference to be familiar with Paragraph 145.9 and 151.3b of the 1972 DISCIPLINE and the Manual for the Committee on Pastoral-Parish Relations Committee.
- B. Factors to Consider in Setting Minister's Salary
1. Primary Factors: These factors should have the most influence in determining the minister's salary:
 - a. Job expectation — All people involved in setting the minister's salary should be sufficiently informed about the work of the minister so as to deal responsibly with such factors as:
 - (1) What are our minister's responsibilities?
 - (2) What would be adequate compensation for fulfilling these responsibilities?
 - (3) What salary base is required to assure the appointment of a minister with the professional competence to do the job well?
 - b. Minister's salary as compared with other professionals of the community with similar education, experience, and qualifications.
 - c. Per capita giving and membership, i.e., the church's financial strength in terms of per capita giving and the number of members.
 - d. **Travel expense — the minister(s) shall provide the Committee on Pastor-Parish Relations with a validated annual statement of travel expenses to be considered in setting minister's salary and/or travel allowances for the ensuing year.**
 2. Other considerations: While the above factors are primary, there are other factors which should be carefully weighed while setting the minister's salary.
 - a. Salary in ratio to increase or decrease in church membership and/or participation.
 - b. Fringe benefits — some churches provide fringe benefits in the form of cash outlay for services which otherwise would be a personal expense of the minister, e.g., **parsonage utilities, personal insurance premiums, etc.**
 3. Cost of Living — The cost of living shall be considered ANNUALLY.

II Pensions

We have been advised that the Conference Committee on Pensions is giving serious study to a new program that would bring all conference members into a full annuity pension program.

We favor the concept of full annuity pension program, but reserve our judgement of recommendation about any specific program until such time as it is before us.

III. Recommendations for Future Investigation

A. The committee has studied minister's salary in our conference as they relate to per capita giving and total budget in the individual churches. We have discovered that the smaller churches pay a very high percentage of their total budget and per capita giving to minister's salary, while the large and average size churches pay a much smaller percentage.

Conference apportionments based on percentages of the minister's salary broadens this inequality and creates hardship for the smaller church. We recommend that an Ad Hoc Committee be appointed by this Annual Conference to consider the possibility of a more equitable method for setting salary, paying salary, and relating apportionments to salary, as applicable to the dilemma previously described.

B. We further recommend that an Ad Hoc Committee be appointed to work out a standardized procedure for the conference relative to travel expense, utility expense, and housing allowance, and that it report to the 1974 Annual Conference session.

HOUSING

I. Parsonage Standards

A. The church today demands a minister to be not only a preacher, as was the early circuit rider, but a resident pastor and responsible citizen in the community. In order to meet these felt needs, and to call men and women to a dedicated ministry, the church must provide living conditions which will establish an adequate base from which to operate. It is the privilege and responsibility of the members of the congregation to make every effort to provide the physical setting which will give the parsonage family the maximum comfort and convenience, that the energies of the minister may be more concentrated on his task and his willing service in the church of God. Because the parsonage, like the church building, reflects upon the congregation and the minister, it should be in such condition that all concerned can be justifiably proud of it. In view of this, we make the following recommendations regarding Parsonage Standards for this Annual Conference:

1. **Location** — The location of the parsonage is a matter of extreme importance. It should provide for the safety, convenience and privacy of the parsonage family (preferably not next to the church).
2. **Size of building and living areas** — The parsonage should be large enough to accommodate the minister's family. It should provide for the special entertainment of guests who are related to his position as minister. This would involve:
 - a. At least 3 bedrooms, preferably 4
 - b. At least 1 — ½ baths with adequate linen closet
 - c. Living and dining areas adequate for entertaining
 - d. A well equipped kitchen (see #4)
 - e. A family room
 - f. Adequate closet and storage space. Closet space in each bedroom and other storage space well distributed throughout the house.

- g. Laundry area (see #4, B3)
 - h. Adequate garage or carport space
 - i. Adequate outside living area with fenced yard
3. **Ownership of Parsonage —**
- a. May be owned by a local church
 - b. May be owned by the pastoral charge
 - c. Must include a trust clause for the United Methodist Church
4. **Required Equipment**
- a. **Health**
 - 1. Adequate supply of hot and cold water in bathrooms, kitchen and laundry.
 - 2. Proper sewage disposal according to the standards of local and/or State Department of Health.
 - c. **Safety**
 - 1. Fire extinguishers, in kitchen, with yearly inspection
 - 2. Automatic central heating
 - 3. Laundry area with automatic equipment, including washer and dryer
 - 4. Protected heating in bath rooms
 - c. **Kitchen with well-planned work area**
 - 1. Cooking area complete with range or built-in cooking units, counter space, hood and exhaust fan
 - 2. Sink area complete with modern sink, drain space (double bowl sink)
 - 3. Large automatic refrigerator with freezer unit
 - 4. Freezer space (provided in garage if not in kitchen)
 - 5. Adequate electrical outlets for every work area
 - 6. Storage for dishes and utensils
 - 7. Dishwasher is highly desirable.
 - d. **Adequate floor coverings for all room**
 - e. **Refrigerated Air Conditioning, or evaporative cooling where effective**
 - f. **Furnishings**
 - 1. House adequately furnished with main items in living room, family room, dining room, bedroom (including mattresses) and kitchen.

2. Window coverings, drapes, curtains
3. TV antenna or cable service
4. Lawn tools, mower, hoses, ladder, garbage receptacles
5. Permanent clothesline and posts
6. Discarded (worn out) furnishings should not be used to furnish the parsonage.

5. **Maintenance**

A. **Decoration** — Both the interior and exterior of the parsonage should be kept in such a state of decoration as to preserve not only its physical condition but its aesthetic value as well. Decorating should be done in consultation with the parsonage family.

B. **Repair and replacement** —

1. An annual budget item will enable the Trustees and Parsonage Committee to have a consistent, rather than haphazard, program of maintenance and improvement which will be less costly in the long run.
2. An annual budget item for repair and replacement of furniture and equipment.

C. **Discovering needs** — The parsonage committee and/or trustees should inspect the parsonage at least twice a year to discover needed repairs, improvements and decorations. The initiative should be assumed by the committee or trustees since it is their responsibility to maintain the parsonage in good condition, and since prompt repair lessens total cost of maintenance. Special attention should be given to health and safety factors.

The parsonage, however, IS THE MINISTER'S HOME and inspection should be scheduled in plenty of time to meet with the convenience of his family. Needs reported by the minister between inspections should be taken care of promptly in order to reduce costs.

D. **Parsonage Book** — It is recommended that the parsonage committee prepare and keep up-to-date a record in which are placed all guarantees, repair parts lists, and the instructions for use of equipment belonging in the parsonage. The record should also indicate when and from whom purchased, and whom to call for service. Also, this book may well contain a list of whom to call for various reasons, where to find various items, when and by whom various improvements were made, and other information helpful to an incoming minister.

E. **Insurance** — The trustees should be certain that the church-owned house and contents are insured for at least 80% of replacement cost against fire, wind, and other hazards. Public liability insurance should be carried on parsonage property. Tenant Homeowners insurance is available for all ministers who desire to cover personal possessions and liability. IT IS THE MINISTER'S RESPONSIBILITY TO INSURE HIS OWN PERSONAL PROPERTY.

6. All utility deposits should be made in the name of the church. (See

page 112, 1972 Central Texas Conference Journal, IV, Report No. 1).

7. When a gift of furniture or furnishings is presented, it should be designated specifically if it is to remain in the parsonage or is to be a personal gift for the minister's family. In the event it is to remain in the parsonage, it should be first approved by the Parsonage Committee.
8. The parsonage is the home of the minister and his family, and their rights and privacy should always be observed by members of the congregation. However, the congregation likes to see the parsonage; therefore, it is suggested that an "open house" be observed from time to time, initiated by the parsonage family.
9. The minister's STUDY-OFFICE is preferably located in the church building, but where it is in the parsonage, it should be equipped with adequate bookshelves, desk files, storage closet for supplies, typewriter, telephone and an outside entrance.
10. When a pastoral change takes place, the parsonage committee should work with the outgoing minister to insure that the parsonage is as clean and livable as possible for the new minister. The committee should meet and assist the new arrivals. (See GUIDELINES FOR MINISTERIAL RELATIONSHIP, 1972 Central Texas Conference Journal, Page 112, IV, Report #1.
10. When a pastoral change takes place, the parsonage committee should care of the parsonage property. Any abusive damage is the responsibility of the minister. Failure to make financial adjustments for damage will be referred to the cabinet by the Committee on Pastor-Parish Relations. It is expected that parsonage families will use discretion in the keeping of pets. Pets should be kept in their proper places so that no damage is done to the property. Any damage is the responsibility of the minister.
12. Adequate parsonage facilities insure that pastoral appointments can be made on the basis of the needs of the charge rather than the ability of the parsonage to receive the family assigned.

OR

- B. The church may provide for an adequate housing allowance in consultation with the parsonage family whenever deemed mutually desirable.

II. Conference Moving Plan

- A. There shall be an Annual Conference Moving Fund from which the following payments shall be made: The actual cost of moving, not to exceed \$50.00, shall be paid to every minister eligible to receive allowance from the fund. In addition, a mileage allowance of \$1.00 per mile shall be paid, provided that the total allowance for moving expenses to be paid shall not exceed \$150.00.
The following shall be eligible to receive the moving allowance:
 1. All ministers appointed as pastors or associate pastors of churches or as district superintendents within the bounds of the Central Texas Conference.
 2. All ministers receiving appointment to boards, agencies and institutions (except those appointed to attend school) who have no annuity claim upon the conference.

3. All ministers transferring into the conference, whose mileage allowance will be only for miles within the boundaries of the Central Texas Conference.
 4. Retiring ministers and the widows of ministers who have died during the conference year will be eligible for moving allowance for the initial move only.
 5. Ministers receiving Disability Leave shall be eligible for moving allowance for the initial move only.
- B. The following provisions shall be observed:
1. Only actual expense of moving is to be paid on moves that cost less than the conference allowance.
 2. Moving expenses that are paid by other sources (agencies, boards, institutions) shall not be duplicated by the annual conference.
 3. Payment shall be made by the conference treasurer on receipt of an itemized statement of moving costs.
 4. It is suggested that the receiving church pay the difference between the conference allowance and the actual moving expenses.
- C. The Board of Higher Education and Ministry shall be responsible for administration of the Moving Expense Plan and shall be empowered to make the final decision in any dispute or for any exception to the rules.
- D. Adequate funds for the Annual Conference Moving Fund shall be provided by all churches of the annual conference according to an apportionment to be determined by the Council on Finance administration.

III. Recommendation for Future Investigation

It is recommended that the annual conference establish a study committee to engage in a study of the present retirement housing program and to likewise give its attention to the fact that the majority of lay persons and clergymen surveyed indicated the feeling that the annual conference should provide retirement housing but at the same time there is insufficient fiscal support of the present program.

ADDITIONAL BENEFITS

I. Continuing Education

- A. The Board of Higher Education and Ministry shall be directed to appoint a Committee on Continuing Education and assign it the following responsibilities:
1. Evaluate the needs of the conference relative to the continuing education of ministers.
 2. Plan, recommend, promote and evaluate continuing education opportunities which are available, with particular emphasis upon opportunities at the conference and district level. Also, a wide diversity of opportunities should be offered and made known.
 3. Provide information available funding, administer the funds utilized

in the provision of continuing education opportunities within the annual conference.

We have no recommendations to make in this area and commend the committee in charge of this form of ministerial remuneration for the manner in which they have dealt with this area.

III. **Vacations and Days Off**

- A. The Standing Rules of this conference **shall** include a statement relative to vacations and days off as recommended in the Committee on Pastor-Parish Relations manual of the United Methodist Church. This manual states that the minister shall have at least one day a week off plus one or two days every two or three weeks and a four week vacation. In turn, in the latter case, it shall be the responsibility of the Committee on Pastoral-Parish Relations to arrange for a suitable substitute and the local church pay for the pulpit replacement.
- B. The Charge Conference **shall** declare its policy relative to vacation policy, time away from the office each week and the pastor's participation in work beyond the local church.

It is respectfully requested that the Board of Laity (or its successor, United Methodist Laity) assume the responsibility for educating the Committees on Pastor-Parish Relations throughout the Annual Conference regarding the information reported by the Ad Hoc Committee on Ministerial Remuneration and approved by the Annual Conference, and this be accomplished prior to the 1974 Annual Conference session.

BOARD OF EVANGELISM**Report No. 1****(Approved June 5, 1972)****I. REVIEW OF 1972**

- A. Saturation Evangelism Teams continued to serve the local churches.
 - 1. Training of new teams and reorganization for ministry in Fall of 1972.
 - 2. Requests for teams continue to out number teams available.
- B. Aid given for KEY 73 emphasis given to local churches and committees upon request. All such requests met.
- C. MARRIAGE ENRICHMENT PROGRAM is being expended into new areas.
 - 1. Marriage Enrichment Weekend (Stagecoach Inn) set another record for the United States. Most successful with registrations being turned away.
 - 2. Conference personnel trained at national level for two new ministries in this area:
 - a. Local Church Marriage Enrichment Weekends, and Family Enrichment weekends.
 - b. Marriage Enrichment VII for local churches.

II. RECOMMENDED FOR BALANCE OF 1973 AND CONTINUED IN 1974

- A. Continuation of promotion and assistance in KEY 73.
- B. Continuation of Saturation Evangelism team ministries. Training opportunities for teams and possible new approaches should be explored, especially the New Life Mission concept of the Division on Evangelism of the General Board of Discipleship.
- C. Restudy of the needs of the Districts and Local Churches as they compare to possible new and innovative evangelism ministries available for presentation in a setting similar to "Evangelism Cafeteria Style" and

"Something Else." If needs and ministries warrant, an early fall date in 1973 is suggested for such training.

- D. Continue participation in the support of National Council on Evangelism.
 - 1. Participation by at least two representatives of the National Council on Evangelism from the Central Texas Conference.
 - 2. Support the National Council on Evangelism with a pledge and payment of at least \$100.00 per year.
- E. Continue the present "Marriage Enrichment" program and the two new related ministries.
 - 1. Recommend that careful study be made to the strong possibility for another conference — with Marriage Enrichment Weekend in the fall of 1973. Requests for registration continue to outnumber available space and leadership personnel. This ministry is recommended as an excellent District Wide possibility.
 - 2. "Family Enrichment" is now available as is "Marriage Enrichment" as weekend ministries in the local Church.
 - 3. "Marriage Enrichment VII" is the newest approach for local churches. We recommend its continued development and use as personnel becomes available through preparation of lead couples within the Annual Conference. A program of training for such leadership is vital.

BOARD OF EVANGELISM

Report No. 2

(Approved June 5, 1973)

We recommend that Reverend Quoy Palmer be continued as a Conference Evangelist in the Central Texas Conference. With this recommendation, we express our appreciation to him for his effective preaching and leadership in evangelism.

We recommend the Reverend Gary Fitzberald for the relationship of Conference Evangelist in the Central Texas Conference.

PROPOSAL TO SEVERAL OF THE ANNUAL CONFERENCES

(Approved June 5, 1973)

FROM: The Board of Managers, Texas Laypersons' and Ministers' Conference
 RE: Sponsorship of annual summer conference in an informal setting to provide opportunities for in-depth study by lay persons and ministers of vital theological issues facing the Church.

BACKGROUND

For many years there has been a summer "Pastors' School" at Southwestern University at Georgetown that started as a spiritual enrichment, domino and forty-two playing fellowship. In an era of pre-World War stability, this met a general need. However, as this need began to disappear, the attendance and

enthusiasm for the "Pastors' School" also declined. The sponsors from the beginning have been a board of managers with representatives from the respective Boards of Ministry of Central Texas, North Texas, Rio Grande, Southwest Texas and Texas Annual Conference.

In 1968, under the able leadership of the Reverend Neal, Chaplain at Southwestern, the summer event underwent a major transformation to become a more intentional form for outstanding speakers on timely issues facing the Church, and in 1970, the laity of the church were included. At the time, the name of the event was changed from Texas Pastors' School to Texas Ministers' and Laymen's Conference.

RECOMMENDATION TO SEVERAL OF THE ANNUAL CONFERENCE IN TEXAS

Because the nature of the summer event has so drastically changed from that of a "Pastors' School" to become a forum for the whole church leadership;

And because the primary focus is no longer the required course of study "approved supply pastors," and thus not directly related to the Board of Ministry;

And because the present Board of Managers wishes for this vital forum to have a broader and more influential basis for planning;

Therefore, the Board of Managers of the Texas Laypersons' and Ministers' Conference recommend that each of the several Annual Conferences in the State of Texas:

1. Vote its approval of a state-wide summer event that will provide in an informal setting, opportunities for in-depth study by lay-persons and ministers of vital theological issues facing the Church;
2. Name three representatives to the Board of Managers: one from the Board of Laity (or its equivalent); one from United Methodist Women; and one from the Board of Ministry.

Resolved:

1. The Central Texas Conference endorses the Texas Lay Persons and Ministers Conference at Southwestern University.
2. The United Methodist Women, the Board of Laity and the Board of Ministry shall elect one representative each to serve on the above Board of Managers.
3. The three Central Texas Conference representatives are instructed to raise with the Board of Managers the question of the need for cooperative evaluation, planning and execution of continuing educational events among the three United Methodist Institutions now engaged in continuing education . . . Perkins School of Theology, Southwestern University, McMurry College, and the seven annual conferences in the Dallas-Fort Worth Area, Houston Area, the Northwest-New Mexico Area, and San Antonio Area.

UNITED METHODIST WOMEN

(Approved June 5, 1973)

The members of The Women's Society of Christian Service and The Wesleyan Service Guild have been working hard far more than a year now to

become the new all inclusive organization — United Methodist Women. Workshops, seminars, and training experiences have been attended to learn the "how to" — how to build a "living bridge in mission" of the two groups emerging as a single new all inclusive group which will meet the needs of all women and continue with the central aim as mission and support of missions — financially as well as in other ways. Celebrations have now been held on all levels which signal the move into the new United Methodist Women — preserving and building upon the best of our heritage but moving out of the old into the full possibilities of the new.

While plans for the new have been in the making, program and missions have been cared for to the extent that \$141,000 has been paid in pledges to mission at home and around the world. Much has been spent on the local level as well as volunteering for work in community projects — Meals on Wheels, visiting shut-ins in rest homes, and wherever a need exists.

Spiritual Growth Retreats have reached approximately 500 plus women, A joint financial workshop was held which was sponsored by the joint Commission on Education and Cultivation and The Women's Division. One enlarged executive committee for new officer training was held.

Conference officers attended a week end enrichment program and Regional School of Christian Mission at Mt. Sequoyah as well as Conference School of Christian Mission. Well planned programs and studies have kept the women informed of the needs of the world.

Many exciting things are in store for all women of the church as they become a part of United Methodist Women as we plan to:

1. Meet our pledge of \$145,000 as well as other askings and opportunities.
2. Try to meet the needs of all Methodist women in the new flexible organization.
3. Be a real part of Global ministries at home as well as around the world.
4. Take part in Christian personhood retreats, School of Christian Mission, Assembly, and other training opportunities.
5. Hold financial workshops as well as other creative ministries.
6. Help women realize that they are a strong arm of the church and alert them to their responsibilities and opportunities as well as being supportive of one another.

MRS. WINSLOW DAHNKE, President

BOARD OF LAITY

Report. No 1

(Approved June 5, 1973

The Board was organized according to the **Discipline** with all nominated members elected by annual conference June 6, 1972.

The Twenty-fourth Annual Men's Rally 1972 was held at Glen Lake United Methodist Camp, May 19, 20, and 21, 1972. The theme was "Doing the Gospel." Those who came went away more enthused and determined to "Do the Gospel."

District Lay Rallies or banquets have been held in nearly all districts. In several both rallies for enthusiasm and banquets for fellowship have been held. They have done much to weld the laymen into working units. Laymen's Day was, according to reports, held in almost all churches and conferences.

In cooperation with district boards, the Board has held training sessions for Pastor-Parish Relations Committees. These have involved the report of the Committee on Ministerial Relations to the 1972 Annual Conference. (1972 Journal pages 110-114). The response has been favorable and positive to this report from those attending.

There has been continuing interest in the Bible Study groups started in 1971 and reports of its success continue to come in. This emphasis will be a continuing concern of the Board.

The area of Stewardship continues to give rise to calls for new emphasis and study is being given that area at this time. Benefits of the seminar in March of 1972 continue to be evident and two districts have had a bi-district seminar since that time with much enthusiasm stirred.

BOARD OF LAITY

Report No. 2

(Approved June 5, 1973)

We were all saddened at the death of our past Conference Lay Leader, Morris Walker. His seven years service is certainly a period of great richness for the United Methodist Church. It is significant that from his death came a concern for continuing education of the parish minister. As monies begin to accumulate in several locations for a memorial, the Board felt it appropriate, in view of Morris' long association, that it be the body to give shape to that memorial. The Morris D. Walker Endowment Scholarship Fund evolved from that concern.

MORRIS D. WALKER ENDOWED SCHOLARSHIP FUND

The Fund

Under the leadership of the Central Texas Conference Board of Laity an Endowment Educational Fund is being established to be used in the training of Christian leadership. There will be no stated minimum or maximum principal amount to be raised, but only the interest earned from whatever principal is raised will be used to accomplish the objects of the Educational Fund.

Administration and Directions of the Fund

Perkins School of Theology has consented to receive the Fund and to administer it along with its other investments, thereby insuring a greater return on the principal because of the expertise of the School in administering such funds and because of the larger amount of capital which the School has invested along with the Fund. The recipients of the Scholarship will be determined by a committee nominated by the Central Texas Conference Nominating Committee and elected annually by the Central Texas Conference Conference. The Committee will be carried each year in the Annual Journal of the Central Texas Conference under the style "Morris D. Walker Endowment Scholarship Award Committee." Its membership will consist of one representative from each District in the Conference. The Committee will be divided equally between the laity and the ministry. Each representative from a district elected to the Committee will serve for a term of four years. In determining the makeup of the initial committee, the Nominations

Committee will draw lots to determine which four districts of the Conference will initially be represented by the ministry and which four districts of the Conference will be represented by the laity. At the first meeting of the Morris D. Walker Endowment Scholarship Award Committee, the elected members will draw lots to determine which ministers and laymen will serve for a one-year period, a two-year period, a three-year period and a four-year period, respectively. Thereafter, each minister and layman elected to the Committee will serve a full four-year term. The representatives from each district at the conclusion of the term for which the representative was elected will rotate between the ministry and the laity so that in a given district the laity will never succeed the laity nor the ministry succeed the ministry, and the Board will always remain equally divided between the ministry and the laity. The Committee will be chaired by the Conference Lay Leader, who will be an ex-officio member of the Committee with a vote only in case of a tie. Additionally, the Committee will have an ex-officio member without vote a representative selected by Perkins School of Theology, a representative selected by the cabinet of the Central Texas Conference, and a representative selected by the Board of Ministry of the Central Texas Conference. Annually, the Journal will reflect all of the names of the members of the Morris D. Walker Endowed Scholarship Award Committee, and beside the names of the elected members, their respective term of office.

The Work of the Committee

The Morris D. Walker Endowed Scholarship Award Committee has two primary purposes: First, to select the individual or individuals to receive annually at Conference the financial benefits of the Endowed Scholarship. Second, the Committee has the responsibility of annually naming at Conference the lay individual to be honored for his or her outstanding churchmanship of the calibre of the late Morris D. Walker as exemplified at the local church, district or conference level. The individual selected will be honored by presenting the Morris D. Walker Endowed Scholarship or Scholarships to the recipients in the name of the late Morris D. Walker and in the name of the honoree. Since the late Morris D. Walker so ably demonstrated to this Conference that a lay individual living in the present day can be fully committed to the work of the Lord through the Church and its programs, and at the same time be loyal to his family and an extremely valued employee in a highly competitive occupation, it is beneficial to the work of the Lord that similar individuals in our Conference be recognized for this quality of life as a source of encouragement to all of us on what a person can do if he will only draw near and commit himself fully to the Lord.

The Committee is seeking to accomplish its two basic purposes will annually solicit recommendations for the recipient of recipients of the Educational Fund and to determine the lay person to be honored annually by having the Scholarship Award of Scholarship Awards given jointly in name of the honoree and the late Morris D. Walker.

Any member of the Annual Conference may place in nomination before the Committee the name of any person within the Conference to either receive the assistance of the Scholarship or the honor of the Award being given partly in his name. The persons to receive the benefits of the Scholarship or the honor of the Award do not have to be members of the Annual Conference, but at least the person to receive the honor of the Award must be a member of a Church within the Conference. The Committee will set its own procedures and deadlines for the receipt of nominations in order that it may discharge its responsibilities annually at Conference.

COMMISSION ON ENLISTMENT FOR CHURCH OCCUPATIONS

(Approved June 5, 1973)

The context of Enlistment has been radically altered in the past two or three years. No longer is the task to recruit heavily on the faces of serious personnel shortage. With gains having been made in this area, along with some decrease in personnel needs, the emphasis must now be on publicizing those talents and skills that will be needed by the Church to perform its ministry, and sensitizing people to God's call as it comes in the midst of vocational decisions.

In 1972-73 we report the following program:

1. Sponsorship of the Central Texas Conference Vocational Intern Program in conjunction with Texas Wesleyan College. This program affords youth presently in college the opportunity to spend the Summer working in a Church or related institution in order both to gain practical experience and to assist them in understanding their vocational decision.
2. Participation in the planning for the Bishop's Conference on the Ministry.

For the remainder of 1973 and for 1974 we recommend the following:

1. Continued sponsorship of Vocational Intern Program. Since much of the administrative responsibility has now been assumed by Texas Wesleyan College, our role has become that of co-ordinating publicity and plans, assisting in locating positions for VIP's, and providing funds to help in the administration of the program. Toward this end we recommend that there be a Conference Co-ordinator for the Vocational Intern Program who will work under and with the Board of Higher Education and Ministry, and serve as a liaison with Texas Wesleyan College.
2. We further recommend that materials relating to Enlistment for Church Occupations be purchased and distributed through the Conference Council Office.
3. In light of the above, we make the following financial recommendations for 1974. (These figures represent a continuation of 1973 budget on these items).

Vocational Intern Program Brochures and Mailings	\$ 50.00
Educational materials (for use in training VIP's)	100.00
Supervision (reimbursement of travel for VIP Directors)	100.00
Conf. VIP Co-ordinator Expense	50.00
Total	300.00
Enlistment materials	50.00
Total of recommendations for program	\$350.00

2. After careful consideration of all financial responsibilities of the Annual Conference, the Conference Council on Finance and Administration (with three liaison representatives selected by the Council on Ministries meeting with the Conference Council on Finance and Administration in all budget discussions) shall recommend an allocation for the major categories in the total conference financial program: Ministerial support, Administration, World Service, Conference Benevolences, and Capital Funding. The Council on Ministries, being charged by the Discipline to study and coordinate the budget askings of the conference agencies as they relate to the conference program, shall formulate and present an itemized conference benevolence budget providing for the support of these agencies to the Conference Council on Finance and Administration. If for any reason, the Conference Council on Finance and Administration decides that the total of the askings for the conference benevolences budget needs to be changed, it shall adjust the allocation and refer it back to the Council on Ministries for adjustments of the itemized appropriations in the conference benevolences budget.

3. In keeping with the requirements of the Discipline, the apportionments for World Service and for Conference Benevolences are combined into one fund, namely, World Service and Conference Benevolences. This fund shall be apportioned to the districts in accordance with Standing Rule 12, and the district apportionments shall be distributed to the churches by the District Superintendent and the District Stewards, subject to the final acceptance by the charge conference.

4. The Administrative Fund, which shall be composed of the items which are strictly administrative and not related to the Conference Program, shall be distributed to the districts and churches on the same basis as the apportionment for the World Service and Conference Benevolences Fund. However, as the Administrative Fund must be underwritten by the Annual Conference, the Apportionments for the Administrative Fund shall not be subject to acceptance by the Charge Conference.

5. The Conference Treasurer is authorized to distribute each month the receipts from the local church for World Service and Conference Benevolences among the funds included in the annual budget for the Annual Conference in

proportion to their apportionments. Any overpayment at the end of the conference fiscal year for World Service shall be remitted by the Conference Treasurer to the Treasurer of the Council on World Service and Finance. Any overpayments in the Administrative Fund and Conference Benevolences shall be transferred into the Operating Reserve, subject to the direction of the Conference Council on Finance and Administration. Any deficit in remittances from the church for these funds shall be covered by payments from the Operating Reserve.

The conference treasurer is authorized to pay from the general fund all legitimate vouchers submitted that are in keeping with the conference approved budget and to transmit to the authorized treasurers all other funds that are raised by the local churches in response to general, jurisdictional, and annual conference askings that have been approved by the church.

6. All boards, commissions, and other agencies shall have prepared in writing their detailed budget requests for the ensuing fiscal year by July 15. The program agencies shall present their requests to the Coordination Committee of the Council on Ministries by July 15th, and the non-program agencies shall present their requests to the Conference Council on Finance and Administration by the same date.

7. No board, or agency of the Central Texas Conference shall expend any money for any purpose which has not been included in the original budget, as amended and approved by the Conference Council on Finance and Administration, as printed in the current Journal, without specific approval of the Executive Committee or the Conference Council on Finance and Administration.

The Conference Treasurer is authorized to issue checks only on vouchers signed by both the Director of Conference Council on Ministries and the Chairman of the Board from whose budget money is expended.

8. The fiscal year of all boards, commissions, and other agencies operating through the Central Treasury shall begin January 1, and close December 31.

9. The Conference Treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempted by the Conference Council on Finance and Administration) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Conference Treasurer will honor the requisitions for all necessary expenses of the new conference year within the limits of the appropriation.

10. The Conference Treasurer is authorized to pay from the Operating Reserve the following items:

1. Expenses of printing the Journal, which may exceed the budget appropriation
2. Expense of the Conference Secretarial Staff.
3. Expense of Fidelity Bonds for the Conference Treasurer and others who handle conference funds, as determined by the Commission.
4. Expense of auditing the books of the Conference Treasurer, and the Treasurers of Boards, Commissions, and other agencies of the Conference as may be ordered by the Conference Council on Finance and Administration. Such audits are to be made by the Conference Auditors, the firm of Leatherwood and Ward.
5. Other expenditures as may be authorized by the Conference Council on

Finance and Administration; expenditures not exceeding \$500.00 may be authorized by the Executive Committee of the Council.

11. The Conference Treasurer is authorized:
 1. To consolidate the various funds of the Annual Conference and of its agencies into one or more bank accounts.
 2. To write all checks for the agencies of the Conference upon requisitions by authorized officers of the agency.
 3. To invest, at his discretion, such funds not needed for immediate disbursement, in the Texas Methodist Foundation, as may be approved by the Executive Committee of the Conference Council on Finance and Administration.
 4. To invest the funds of the Conference in Federally insured depositories up to and not exceeding insurability, and to borrow on, and dispose, of investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the Conference at his discretion.
 5. To deposit funds for specifically designated purposes in federally insured depositories under the joint control of the central treasury and the agency concerned, with the approval of the Executive Committee of the Conference Council on Finance and Administration.

CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION

Report No. 2

(Approved June 6, 1973)

During this year the Conference Council on Finance and Administration received a request from the Cabinet to make a study of our system of apportioning funds to the districts and subsequently to the local churches. This was in the light of intensifying difficulty in providing funds for pensions paid to our conference claimants. In reporting this study the CFA would like to point out some factors with which this Annual Conference should deal:

1. At the present time, almost a quarter of a million dollars are being paid by churches to pastors in this conference as 'travel expense' and as 'utilities'. These funds are not subject to the percentage claim required under our present method of raising Connectional Ministry funds.
2. Under our present system, special appointees, with annuity claim on the Conference, serve through the years with no provision for funding pensions. There are at the present time twenty-six men under special appointment (including the District Superintendents) with a total of 141 years of service as 'Special Appointees,' for which years no pension funds have been generated. (1972 Journal).
3. If the Conference placed the funds for years of service for special appointees annually into the apportionments, the proceeds would be sufficient to lift the current pension rate from \$75.00 to \$80.00 per service year.
4. Regretfully, we learn that under our present system and because of the inequities that have developed within it, there will be no raise possible for our Conference Claimants in 1974.

5. There are certain other inequities and ambiguities in the present system of apportionments of other funds to the districts and churches under our present system.

With these factors alone, the CFA feels that the time has come for the Central Texas Conference to take a look at its entire system of apportionments of funds. We therefore have put together a proposal that will solve some of the difficulties that presently are troubling us.

The proposal is, in simple terms, the removal of the percentage claim on the pastor's salary as the method of generating funds for Connectional Ministry. That there be instituted a decimal system in the distribution of the following six funds that are involved as apportionments to the districts:

1. World Service and Conference Benevolences
2. Connectional Ministry
3. Ministerial Education
4. Ministerial Insurance
5. Conference Projects
6. Administrative Fund

The figuring of the percentage decimal is provided for under the terms of Standing Rule No. 5. From item 69 in the Statistical Table will be deducted Item 30 (Paid for Principal and Interest on Indebtedness); Item 31 (Paid for Buildings and Improvements); and Item 53 (General Advance Specials), and Item 62, (Conference Advance Specials). When these deductions have been made at the conference and district levels, the percentage raised in a given district of the conference total will be come the decimal for the district. That decimal applied to the conference total for each of the above funds will give that district its share. The decimal will be figured for each of the districts on each of the funds.

In view of standing Rule #5, it will continue to be the prerogative of the district superintendent and his district stewards to receive the apportionments from the Annual Conference and then to make final distribution to the local churches. It is, however, the opinion and recommendation of the CFA that each district move to the use of the same percentage decimal system from the district level to the local church level in distributing apportionments.

We have checked this procedure with the General Secretary of the Council on Finance and Administration and have a ruling from his office that as long as the identity of the World Service and Conference Benevolence Funds is maintained, that this proposed system is within the guidelines of the Discipline of the United Methodist Church.

The CFA also takes into account in the computing of the Connectional Ministry Fund that the Discipline requires that an amount equal to 1 $\frac{3}{4}$ % of the salaries paid to the pastors be designated for the Episcopal Fund. This can be handled in the Conference Treasurer's office and included in the apportioning process for Connectional Ministry.

The CFA has spent many hours in developing this procedure. We have studied the procedures in use in every Annual Conference in the South Central Jurisdiction in search of guidelines and helpful experience. There is one person on our Council who has done yeoman service in the details that are myriad. Dr. Robert Chapman, an eminent physician of this city, who has, at his own expense in time and money, had the computer work done so that the total effect of this new procedure could be known prior to the making of this report and its recommended action.

This new plan has the unanimous approval of your Conference Council on Finance and Administration and the endorsement of the Cabinet. We commend it to the Annual Conference as a step in the right direction and move its adoption to become effective with the apportionment of funds for 1974.

BOARD OF PENSIONS

Report No. 1

(Approved June 6, 1973)

The Board of Pensions of the Central Texas Conference recommends that the annuity rate for our conference claimants remain at \$75.00 per service year. This will be effective for those retiring at this session of the Annual Conference, June 1, 1973, and remain constant for those who have previously retired.

For the year 1972 the Board of Pensions of this conference paid pensions to those now related to our Annual Conference to 102 ministers, 94 widows, and 8 dependent children. We also paid disability leave payments to 2 other ministers.

Pensions for service rendered within the Central Texas Conference boundaries by those who retired elsewhere to 128 ministers, 136 widows, and 29 dependent children. This means that 499 persons received pension disability payments from the Central Texas Conference for 1972. This is a total of \$388,152.80 paid in pensions or disability responsibility for 1972.

During the Conference year 1972-1973 the following names have been removed by death from our roll of Conference Claimants: S. A. Baker, W. T. Boulware, Victor D. Dow, Chet C. Henson, D. R. McCauley, Charles E. Wilkins, Mrs. W. H. Coleman, Mrs. A. J. Helms, Mrs. J. G. Pollard, Mrs. Frank L. Turner, Sr., and Mrs. J. T. Wilson.

Emergency aid was granted during the conference year to:

Mrs. J. J. Creed	\$150
Mrs. E. M. Dailey	\$100
Mrs. W. J. Cloud	\$150

RECOMMENDATIONS FOR APPROVAL BY THE ANNUAL CONFERENCE

1. That the annuity rate for the Conference Year 1973-74 be set at \$75.00 per service year. This is the same rate as for 1972-73.
2. That the apportionment to the districts and the churches for the Conference Claimants Fund (included in the Connectional Ministry Fund) be 22% of the salary set for pastors and associates.
3. That a Study Committee of the Executive Committee of the Conference Board of Pensions and of not more than seven nor less than five other persons be appointed to do a detailed study on the full funding of Retired Ministers Pensions and that this committee be ready to report to the 1974 session of the Central Texas Annual Conference.

4. That the Central Texas Annual Conference approve the resolution on Housing and Utilities Allowance for Retired Ministers as follows:

WHEREAS, The United States Government has recognized in its income tax regulations monies designated as "Allowance for the rental of a parsonage or home" for a minister to be exempt from taxation, and WHEREAS The United

States Government has also recognized in its income tax regulations monies paid by a minister for utilities of such "parsonage or home" for a minister to be exempt from taxation; therefore, be it Resolved, By the Central Texas Conference of the United Methodist Church in annual session June 3-6, 1973 that Twelve Hundred Dollars (\$1,200.00) of the total annuity paid to each retired minister shall constitute a rental allowance paid as a part of the retired minister's compensation for past service, except that such allowance not exceed one third ($\frac{1}{3}$) of the total annuity received as pensions funds from the United Methodist agencies, and be it further Resolved, that an additional allowance of Five Hundred Dollars (\$500.00) shall constitute a utility allowance for the minister's said "Parsonage or home." (This is in accord with paragraph 860; code section 107, regulation paragraph 1:107-1 of the Internal Revenue Code, 1954 as amended.)

BOARD OF PENSIONS

Committee on Proportional Payments

The Board of Pensions is charged with the responsibility of checking and reporting to the annual conference any payments to the support of the ministry, which are not proportionally paid to the pastor and to the items in the connectional ministry fund.

Based upon the reports from the pastoral charges for the calendar year 1972, the following churches are still short proportionally on their payments to the Connectional Ministry Fund for 1972 by the amount indicated:

Brawnwood District: Blanket, \$15.00; Rockwood, \$27.00.

Fort Worth East District: Wm. C. Martin, 464.00

Fort Worth West District: Bethel \$670.00; Cogswell, \$587.00;
Morningside, \$1,178.00.

Temple: Belton, Mt. Zion, \$392.00; Whitehall-Kell Branch \$115.00.

Waco: Mart, St. James, \$141.00; Fraza, \$61.00; Robinson Dr., \$91.00.

Opportunity for these churches to make payments on shortages for 1972 will remain open until December 31, 1973. After that time, the shortages will be adjusted to include only the shortage which is allocated to the Conference Claimants portion of the Connectional Ministry Fund and such claims will be recorded against the pension record of the ministers concerned.

COMMISSION ON MINIMUM PASTORAL SUPPORT**Report No. 1****(Approved June 6, 1973)**

The program on Minimum Pastoral Support has assisted 16 charges during the conference year 1972-1973. There was a draw on the reserve again this year, but the continued use of the extended ministry and concerned District Superintendents will adjust the finances over a period of time.

The Commission recognizes the support needs to be considered each year in the light of the rising cost of living, and this has been before us.

The Commission recommends no change in our present schedule plan of operation at this time. See plan in the 1973 Journal, Page 153.

COMMISSION ON MINIMUM PASTORAL SUPPORT

Plan of Operation

There shall be a program of minimum pastoral support in the Central Texas Conference, under the management of a Commission on Minimum Pastoral Support, hereinafter, for the sake of brevity, called the Commission, to be composed of nine persons to be nominated by the Bishop and his Cabinet, and elected by the Annual Conference, and who shall be chosen for their fitness for service on this Commission, and who may be members of other Annual Conference Boards and Commissions. The term of service shall be for three years, so arranged that three shall be elected each year.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all of the interests of the Minimum Pastoral Support Program.

Vacancies in the membership of the Commission, caused by death or removal from the Annual Conference, shall be filled by the nomination of the Bishop and Cabinet, and elected by the Annual Conference. However, the Commission is authorized to fill vacancies between sessions of the Annual Conference when it is deemed advisable. Such appointment is to apply only until the ensuing session of the Annual Conference, when the vacancy is to be filled in the regular way.

The Commission shall organize at that session of the Central Texas Annual Conference held at the beginning of each quadrennium, by electing a Chairman, a Vice-Chairman, and a Recording Secretary. These officers shall constitute the Executive Committee of the Commission, and shall serve for one year, or until their successors are elected. All subsequent elections of officers and executive committee during the quadrennium shall be held at the last regular meeting of the Commission held prior to the meeting of the Central Texas Annual Conference.

Administrative Procedures

1. The following conditions shall be met by a pastoral charge to become

eligible for consideration by the Commission for its pastor to receive salary supplements from the Fund:

(a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.

(b) The apportionment for World Service and Conference Benevolences shall have been accepted and paid in full for the previous conference year.

(c) The charge must pay a minimum of \$1800 for pastor's salary and must have at least 100 members.

2. The following conditions shall be met by a pastor to become eligible for consideration by the Commission for receiving salary supplements from this Fund:

(a) He shall be a pastor in effective relation, a probationary member or associate member, an approved full-time lay pastor, an approved student lay pastor, or a lay pastor who has not previously served a pastoral charge. He shall not be eligible for consideration for salary supplements from this Fund if his appointment is other than pastor of a charge within the Central Texas Conference, if he receives salary aid from the General or Conference Board of Missions, if he is classified as a part-time lay pastor, if he is a retired minister, or if he receives income from any other employment than the regular work of the pastoral ministry. Receiving a scholarship for college or seminary work shall not restrict his eligibility.

(b) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in his present appointment.

(c) The District Superintendent shall combine the salary, travel expense, and utility expense allowed as total salary when making a supplement request.

3. A prerequisite for consideration for salary supplements from this Fund shall be the filing with the Commission a written application by the District Superintendent. This application shall indicate the classification of the pastor, the salary set by the charge, and shall contain the certifications by the District Superintendent whether or not the pastoral charge has met each of the requirements set forth above in Section 1.

4. In cases of appointments, or changes of appointments, between the sessions of the Annual Conference, all the above requirements are applicable and the District Superintendent shall file a new application for each charge concerned. Such salary supplements, if approved, shall be paid on a pro rata basis for the part of the year actually served.

5. The salary supplements shall be computed according to the following classifications:

(a) For a conference member in the effective relationship, the salary supplement shall be the amount necessary to make the salary \$6,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(b) For an associate member or probationary member and not enrolled as a student during the year, the salary supplement shall be the amount necessary to make the salary \$5,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(c) For a full-time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full-time approved supply pastor within the Central Texas Annual Conference, the salary supplement shall

be the amount necessary to make the salary \$4,500.00 per year, but in no case shall the amount required be more than \$2,000.00.

(d) For a full-time approved lay pastor, who does not meet all the qualifications of section (c) above, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(e) For the married student pastor, either a student pastor on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$4,200.00 per year, but in no case shall the amount required be more than \$2,000.00.

(f) For the unmarried student pastor, either on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$3,500.00 per year, but in no case shall the amount required be more than \$2,000.00, and

(g) In addition to the above schedule and above the limitation of aid seminary students who are serving pastoral charges and receiving Minimum Pastoral salary supplements, may receive \$1.00 per mile, one way, one time, per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor serving the charge at the end of the third quarter of the conference year.

6. The District Superintendents shall be responsible for making the program effective in their respective districts, as in all other causes of the Church, and for the collection of the amounts apportioned to the churches in their respective districts, and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges be not less than \$1,800.00 per year.

7. Payments on the apportionment of the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payments to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payments for the fourth quarter of the year ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, then final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

8. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, all payments of those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission except such as are held while the Annual Conference is in session shall be allowed. Traveling expenses shall be paid in accordance with the Standing Rules of the Annual Conference.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the

session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payment for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

COMMITTEE ON SUSTENTATION**Report No. 1****Operational Procedure for Sustentation****Plan of Operation**

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.

This committee will have charge of and promote all the interests of the Sustentation Program and shall be the determining factor in the final approval of any candidate for participation in this program.

2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.

3. We recommend further that the following shall be eligible for participation:

1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and is granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for that portion of the year that remains until the next meeting of the Annual Conference.

4. We recommend the following procedure:

1. The applicant shall make his desire known, in writing, to the Committee on Sustentation
2. The applicant must submit to a complete examination at the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
3. In extreme emergencies, the Committee will consider the diagnosis and recommendation of a duly qualified physician, but not the claimant's personal physician.
4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With this approval of the Committee on Conference Relations, and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.

5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
 1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.
 2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if this plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

(Approved June 6, 1973)

Your Central Texas Conference Federal Credit Union had another successful year in 1972. For the first time your Credit Union paid the legal maximum dividend of 6%, or a dollar figure of \$8,034.

Membership increased to 337, an increase of 12.7%. Total assets reached \$175,525, an increase over 1971 of \$50,539. Share deposits reached \$160,778, up \$54,278 over 1971. Loans totaled 181 with unpoind balances of \$152,783, an increase of 44 loans and \$47,200 in unpaid balances over 1971. Total income was \$13,643, reflecting an increase in income of \$4,237 over 1971. Expenses totaled \$3,090, leaving a net gain income of \$9,734, an increase of \$3,507 over 1971.

Delinquent loans also increased in 1972. At the end of the year, 11 loans totaling \$8,549 were delinquent. However, as of December 31, 1972 no loans have been written off as losses.

In the five-year history of the Credit Union, 477 loans totaling \$417,091 have been made. Total loans should surpass the half-million mark before 1973 ends.

Steady growth marked the progress of your Central Texas Conference Federal Credit Union in 1972. Such growth reflects sound business practices and able management. You the shareholders benefit from both.

COMMISSION ON ARCHIVES AND HISTORY

(Approved June 6, 1973)

The Commission on Archives and History is proud of our Historical Room at Glen Lake Camp and hope that you will visit it as you have opportunity in

the months ahead. An additional fireproof filing cabinet, captain's chair and an additional book case have been added during this year.

If you have completed a written history of your church this year or plan to do so during this year, please see that a copy is in our files.

A major project to be considered this quadrennium is the possibility of writing a history of the Central Texas Conference.

We again urge that those who have books, pamphlets, pictures, letters, documents, personal items or other material of historical interest to consider presenting these to the Conference Historical Room at Glen Lake. We are especially in need of items from the former West Texas Conference.

Guidelines for preserving the records of boards, agencies and organizations in the church have been released from the Association of Methodist Historical Society, and are as follows:

Records of Key Officers: 1. Correspondence (omit routing matters such as correspondence calling meetings of the agency or its committees, thank you notes, acknowledgements, etc. 2. Memoranda, minutes of conferences, and staff meetings. 3. Directives and various other evidence of official action. 4. Inter-denominational correspondence, reports, and minutes.

Research and Investigation Records. 1. Staff studies, 2. Regular reports. 3. Special reports analyzing policies, developing plans, etc.

Legal: 1. Opinions and interpretations. 2. Memoranda of law. 3. Delegations of authority. 4. Documents providing background information of a legal nature.

Budgetary and Fiscal: 1. Books of final entry (ledgers especially). 2. Some intermediary entry (journals). 3. Auditor's reports. 4. Investments, payrolls. 5. Bequests, annuities and endowments. 6. Budgets (supporting papers).

Public Relations: 1. One record set of all publications, bulletins, pamphlets, circulars. 2. Press and radio releases. 3. Charts, posters, etc. 4. Film recordings, copies of speeches, etc. (Items in this category provide documentation of programs undertaken as interpreted to the public.)

Committees: 1. Minutes and reports. 2. Lists of chairmen and members, terms served. 3. Correspondence (not routine).

Agency Secretary: 1. Constitution and by-laws in original and revised forms, copy of charter. 2. Agency seal of incorporated, corporate charter. 3. Minutes of all meetings with working papers attached. 4. Annual reports. 5. Lists of officers and terms of office. 6. Deeds, bequests, annuities, endowments (unless with treasurer's records).

Recommendations for the future:

That each church in the conference complete an up-to-date history of their local church.

That consideration be given to the writing of a history of the Central Texas Conference.

COLLECTION OF BIOGRAPHICAL DATA OF BISHOP WILLIAM C. MARTIN**(Approved June 6, 1973)**

1. The Central Texas Conference joins with the other conferences in Texas in the creation of a statewide Committee on Martin Biographical Data which shall set up plans for collecting such data.

2. The Committee shall consist of a Steering Committee composed of:

- a. The Bishop of the Dallas-Fort Worth Area, who shall be Chairman.
- b. The Secretary of the North Texas Conference.
- c. The Secretary of the Central Texas Conference; plus one advisor from each of the other Texas Conferences, these to be appointed by the Bishop of the Conference, and one advisor from Perkins School of Theology, to be named by the Dean.

3. The fund amounting to \$436.28 in the Ennis State Bank (residue of statewide funds used for **The History of Texas Methodism, 1900-1960** published in 1960) shall be transferred to the care of the Reverend Bill Morgan Smith, Secretary of the North Texas Conference, who with the council of the Committee on Martin Biographical Data shall administer the use of the funds for collecting such data.

CHARLES EDWARD WILKINS

The Reverend Charles Edward Wilkins was born in Elington, Missouri, September 17, 1885, the son of Edward Neal and Nancy Ann Wilkins. In 1908 he was married and also admitted on trial by the old Northwest Texas Conference of the Methodist Episcopal Church, South. He was ordained deacon in 1910 and an elder in 1912. The Central Texas Conference admitted him into full connection in 1910. While in the Northwest Texas Conference he served appointments at Britton and Azle. Upon becoming a member of the Central Texas Conference he served the following churches: Kennedale, Pioneer, Strawn, Eastland, Army Y.M.C.A., Ranger City Mission, Cisco Twelfth Street, Park and Bolian, Clegurne Brazos Avenue, Englewood in Fort Worth, Moody, Kerens, Whitney, and Red Oak.

He attended Southern Methodist University and took the BA degree in 1936.

In 1942 he took a Sabbatical Leave and served five years with the Department of Public Welfare in Texas. At his own request in 1948 he located. In 1956 he was readmitted and granted the retired relation; he had served in the Lord's work for more than forty years.

He married Ethel Ophelia Seamans January 12, 1953, and they made their retirement home in Chester, Texas. He continued to serve in the ministry as supply to churches at Chester, Mt. Hope, Camden, Leggett, and Moscow. When he was not in the pulpit he taught Bible classes in the church school. Failing health finally curbed his active work in the Church he loved but one hardly would have know it from his glorious spirit and helpfulness.

He passed this life on June 4, 1972, while a patient in Tyler County Hospital, Woodville, Texas. His survivors include a son, Charles Edward, Jr., and his faithful wife, Ethel. A son, Wayne A., preceded his father in death.

MRS. JOHN GLOVER POLLARD

Mrs. Laura Lucille Marler Pollard was born January 27, 1880 in Terrell, Texas, the daughter of Oscar and Sarah Marler. She was married to Reverend John Glover Pollard on June 15, 1899. Later she was a student at the Moody Bible Institute in 1912.

Three children were born into their home — two daughters, Minnie Estelle and Mildred Constance and a son, John Glover, Jr.

Rev. and Mrs. Pollard served in the Central Texas Conference for many years, but later transferred to the West Texas Conference.

After ministering to the people in Los Angeles Hts. Methodist Church in San Antonio, upon retirement, they entered the field of serving the needy in the vice district of the city. Their efforts centered in purchasing property for a recreation center for the Latin American children. Their objectives were evangelistic, rescue, educational and welfare.

The Whosoever Mission was founded in 1933 by Laura and her husband and proved a guiding light to thousands who came under the influence of its work. Down in the heart of San Antonio's West Side Slum District — where more than 500 Latin American families lived with their little children under the shadow of vice and crime day and night — the Whosoever Mission stood as a beacon for the rights and the salvation of those helpless children.

The service of the Mission included welfare work for needy families and persons, preventative work with young girls and religious work for families living within and near the vice district.

In 1934 the name of the mission was changed to the Whosoever Community House. San Saba Street became a land mark for underprivileged Latin American families living in this area by providing — 1-a kindergarten; 2-daily after school work; 3-a playground open each week day and 4-four clinics weekly — Well-baby, Sick, Prenatal and Immunization.

The staff had six full time workers. There were two buildings. One was used for clinics, and there were rooms for groups of all ages — also a home for the deaconesses. Another building was used as a library and a room for arts and crafts, knitting, quilting and sewing.

Bro. Pollard passed away in 1939, but his wife continued with the magnificent challenge of work. In 1944 the Pollard Memorial Chapel was built serving several hundred people. Laura Pollard, with her dynamic Christian love for humanity, wielded a powerful influence in the lives of these people. Her snappy brown eyes and beautiful white hair added to her ethereal beauty, which affected many lives — with her purity of mind and an overwhelming vision for things unforeseen by man, but created of God.

Urban renewal entered this area and buildings were replaced by freeways and moved to another location. In 1964 the Pollard Memorial Methodist Church

located on Panam Expressway was dedicated to the Glory of God by Bishop Paul E. Martin, Bishop Paul V. Galloway, Bishop Hwan Shin Lee of Korea, Dr. Alfredo Nanez and Rev. Vincente Franco.

Beside a beautiful sanctuary, the church provides for every need of this rapidly growing congregation of Christian families. The "Evaluation of a Barn," Whosoever, Pontiac the hot tamale dinners, the shoe-shine boy who became a lawyer-minister, other youths who became ministers in many fields, the Pollard Memorial Chapel and Church are all chapters of great significance in the life of this servant of God, Lura Marler Pollard.

On June 18th, 1972, Lura suffered a stroke at the age of 92 years. However, she attended church that morning, but afterwards was taken to the hospital for three days, then to her home where on June 28th, she left for her heavenly home. The next evening there was a beautiful memorial service (an old fashioned testimonial meeting), and the following day an uplifting service was conducted in the Pollard Memorial United Methodist Church by the pastor, Rev. Jose G. Mendiola and other close minister friends, Rev. Abel Gomez and Rev. Fortunato A. Ramirez — also a teacher friend, Mrs. Charles K. Leslie, Jr. The hymn "How Great Thou Art" began the service and on her marker the words are so fitting — "And all the children shall rise up and call her blessed."

Lura Pollard is survived by her two daughters, Mrs. Henry (Estelle) Pollard of San Antonio, Texas; and Mrs. Ralph (Mildred) Todd of Mt. Plymouth, Florida — three granddaughters, Mrs. Huron (Beverly) Marmon of El Paso, Texas; Mrs. Louis (Stella Lou) Cotton of Sorento, Illinois and Mrs. David (Diana) Duff of Winter Park, Florida; and eight great granddaughters — Sharon, Robin Shaun and Dirce Marmon; Lori and Lindo Cotton and Debbie and April Terry.

Following the Polytechnic pastorate he became Presiding Elder of the Brownwood District and then Presiding Elder of the El Paso District of the New Mexico Conference. Following that to the pastorate of Central Methodist Church, Phoenix, Arizona. Returning later to the Central Texas Conference to organize Asbury United Methodist Church of Fort Worth.

Dr. Coleman died October 30, 1956. Mrs. Coleman continued her ministry as an active member of Central United Methodist of Fort Worth. She was a teacher of a ladies' Bible Class until only a few years before her death. She was truly a servant of the Lord and was loved and respected by the members of the Church and the citizens of Fort Worth.

Mrs. Coleman died August 22, at the age of 95, in a Memphis, Tennessee hospital and was buried August 24 alongside Dr. Coleman in Forts Hill Cemetery,

Memphis, Tennessee. She is survived by five sons, C. W. of Orlando, Florida; W. H. of Lake Hamilton, Arkansas; Paul of Phoenix, Arizona; Henry K. of Nashville, Tennessee, and J. Known as a hard working pastor and a zealous organizer, he was possibly best remembered for his work in organizing new churches while serving as Superintendent of the Waco District. His stated goal was to organize "o church a year while on the districe," and during his tenure the St. Luke, Hillsboro, Aldersgate, Asbury and Brookview churches were organized outright, and Service Memorial was moved into town and put on the road to a significant ministry to that section of Waco.

He married Bertie Matthews, July 16, 1914. They had two children, Mrs. Clark Seagraves (Flora Beth) now living in Santa Monica, Calif. and Chet, Jr. who was killed March 31, 1944 in an air crash while serving with the United States Air Force. Death came quietly on Tuesday, September 19, 1972. The funeral service was held at Dr. Henson's beloved Brookview Church, where he had been active in retirement, on Thursday Morning, September 21, 1972, with the pastor, Roy Bassett in charge, assisted by the Henson's long-time friend, Dr. Maaqart Howell. I have known Brother McCouley since 1935 and always considered him the kind of man I would like to pattern my ministry after. No finer tribute could be said than he was always kind, interested in the well being of his fellow man and especially offering words of encouragement to younger ministers.

MRS. FRANK L. TURNER, RS.

Mrs. Frank L. Turner, Sr., was born September 19, 1898, in Brownwood, Texas, to Mr. and Mrs. C. G. Howard, an outstanding and widely known Baptist family. Ruth Howard married Frank L. Turner, Sr., in 1919 and became a Methodist, and since that day has been a staunch worker in the Methodist Church. Members of the Commission on World Service and Finance
Central Texas Conference of the United Methodist Church
Fort Worth, Texas

Gentlemen:

We have examined the summary of cash receipts and disbursements of

REV. J. D. F. WILLIAMS, CONFERENCE TREASURER,

CENTRAL TEXAS CONFERENCE OF THE UNITED METHODIST CHURCH,

for the year ended December 31, 1972. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Analysis of Investments included as Exhibit B of this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review of cash receipts and disbursements of the various funds, and we performed no auditing procedures with regard to investments except to confirm the balances of those shown on Exhibit B.

In our opinion, the accompanying summary of cash receipts and disbursements presents fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year ended December 31, 1972.
