CONFERENCE BOARD ON THE MINISTRY

Report No. 1

Approved June 2, 1975

The Conference Board of the Ministry has sought diligently to carry out its responsibilities in such a way that the quality of ministry of the conference would be improved in order to meet the more difficult challenges of the day.

In an attempt to accomplish this, we have worked intimately with those seeking ordination and new relationships to the conference. We have conducted interviews with each person being continued on probation and being recommended for lay pastor status. Shortly after the adjournment of conference, we will assign advisory elders to all on probation and request counseling elders for all lay pastors.

We are continuing to work hard in the area of continuing education in an effort to assist every pastor in the conference in the improvement of their skills and capacities. This September the Board of the Ministry will meet in a retreat setting with the Bishop, members of the Cabinet and Mark Rouch for the purpose of formulating more comprehensive plans in this area of endeavor.

We are attempting to utilize the best testing procedures available in an effort to be sure that each person entering the ministry of the conference is emotionally equipped to handle the stress which will be a part of his or her life.

We have distributed the Ministerial Education Funds to our seminary students on the basis of \$20 per semester hour, to our undergraduates on the basis of \$10 per semester hour, and to those participating in programs of continuing education on the basis of formula presented to the last session of this conference.

We express our gratitude to Bishop Stowe, the cabinet, and other persons and agencies of the conference for their assistance in carrying out the very crucial task to which we have been assigned. We are aware that our decisions have not always been popular ones but we can assure you they have been honest ones with the main purpose in mind being the production of men and women who can adequately carry out the tasks to which they are assigned.

REPORT OF AD HOC COMMITTEE ON MINISTERIAL EVALUATION

Approved June 2, 1975

In keeping with the action of the last conference session, the committee has carried out a Pilot Project of Ministerial Evaluation. Pastor-Parish Relations Committees of the participating churches in the following districts were trained for participation in the pilot effort: Fort Worth-East; Fort Worth-West; Temple; Waxahachie; and, Waco. Approximately forty-five churches have either completed the evaluation process or will have completed it within the next thirty days.

The response on the part of both churches and individuals has been very positive. Several ministers who agreed to participate somewhat reluctantly now have a very positive attitude toward the whole enterprise. The committee is in the process of seeking feed-back from as many people as possible in order to make needed changes in both process and instrument.

In the light of what has happened to date, the committee makes the following suggestions for the conference year 1975-1976:

1. That the program be continued on a strictly voluntary basis;
2. That an effort be made to carry out the evaluation in at least 50% of the churches in each district, the said 50% including those who have already carried out the procedure;
3. That the Chairperson of the Pastor-Parish Relations Committee be assigned the responsibility of compiling the executed instruments with

a strong emphasis on confidentiality (NOTE: This does not mean that the chairperson has to do the compiling — only that he or she is responsible for seeing that it is done);

4. That the District Superintendent's presence during the discussion of the compilation be upon invitation from either the pastor or the Pastor-Parish Relations Committee or both except in those situations or circumstances where the District Superintendents question the wisdom of his absence from the discussion;
5. That the District Representative of the Board of the Ministry be responsible for acquiring participation in the evaluative process in consultation with the District Superintendent;
6. And, that the committee submit to the next session of the conference an evaluative process for the local church as a consequence of working with representatives from Lay Concerns.

All across the church there is a great deal of interest in such an evaluative procedure. The Division of Ordained Ministry has indicated that in their opinion we have the best thing going and as a consequence we have been asked for copies of what we have done by a large number of annual conferences. This could only have been possible as a result of the many hours of hard work on the part of the committee and those who have supported our work and to all participants to date and those who have offered their encouragement, we extend our heartiest thanks.

COMMISSION ON STATUS AND ROLE OF WOMEN IN THE CHURCH

Approved June 2, 1975

The Commission's purpose is to foster awareness of problems and issues relating to the status and role of women, with special reference to full participation of women in the total life of the Annual Conference.

And encourage women of the Central Texas Annual Conference to participate fully in the life of the total church.

While Central Texas Annual Conference Boards and Agencies, Districts and local churches have women serving in many areas of the life of the church, the small percentage or absence of women serving in some places needs to be called to the attention of the leadership.

In order to encourage fuller participation of women in these and other aspects of the church's life, the commission is presenting at the 1975 annual conference a play indicating that the church is aware of various problems and issues facing women today and is concerned that the church's ministry reach out to deal with them. Further, in order to facilitate the participation of women themselves in this ministry to women, as well as in the whole ministry of the church, the commission plans in the coming year to explore ways of discovering and making available for church leadership women in our conference with special talents and skills.

The commission is also concerned that members of Annual Conference become cognizant of what is involved and what must be considered by persons elected to attend General and Jurisdictional conferences:

- The following are given as qualities for a good delegate:
1. A person willing to give the time (Gen. Conf. in session 10 days. Jurisdictional 3-4 days.)

2. A person willing to study all the documents that begin coming 2 or 3 months before Conference.
3. Someone who is familiar with and willing to become familiar with the process of General Conference.
4. Someone who is open to really listen to and study all sides of the issue.
5. A person who is willing to listen to people of the churches before going and interpreting to the people when they return from the sessions.
6. Persons nominated and elected because of ability.

The commission will be seeking ways to create awareness of the importance and responsibilities of Delegates to General Conference.

The commission is planning a workshop in September of this year with concern for several groups, such as single women, one parent families, minority women, older women, etc.

BOARD OF PENSIONS

Approved June 2, 1975

The Board of Pensions of the Central Texas Annual Conference proposes that the pension rate for the year 1976 to be \$85 per service year.

The Board of Pensions recommends a continuation of the Reserve Pension Plan as voted by the 1974 Central Texas Annual Conference and the Board has requested the Council on Finance and Administration to apportion the additional \$40,000 as voted in that plan.

The Board of Pensions recommends the establishment of a Conference Memorial Fund, the proceeds of which are to be applied to the Reserve Pension program.

The Board recommends a limited Capital Funds Campaign for pensions be instituted in the Annual Conference to be begun at a date mutually agreed upon by the CFA, the Bishop, and the Board of Pensions. A tentative goal of one-half million dollars to be raised over the next few years is recommended to the Annual Conference. No apportionments are to be given to any individual, local church or districts. Campaign will be directed towards individuals and foundations for present and future gifts.

The Board of Pensions has checked the payments of the Connectional Ministry Fund in relationship with the amount paid on pastor's salaries. **REPORT OF BOARD OF TRUSTEES
GLEN LAKE AND RAINBOW CAMPS**

Approved June 2, 1975

STATUS OF GLEN LAKE AND RAINBOW TAX SUIT

As of this present time the status of Glen Lake and Rainbow Camps tax suit, brought by Somervell County, remains relatively unchanged.

Last July our attorney, Mr. Doren R. Eskew of Austin, informed us that the attorneys representing Somervell County had inquired about compromising the suit by carving out those portions of the properties which we felt were clearly exempt from taxation and to agree to taxation of certain portions of the property that may not be entitled to exemption.

It was the opinion of Mr. Eskew and the Conference Camps and Assemblies Committee and of the Glen Lake and Rainbow Camps Board of Trustees that such a compromise would be unwise at this time. It is our opinion that all of said properties are essential to our program of worship and the threefold development of young persons (religious, educational and physical) and therefore is tax exempt.

The Board of Directors of the Texas Conference of Churches meeting in session on June 19-20, 1974, passed three resolutions concerning the Glen Lake and Rainbow Tax Suit:

- (1). "That the gratitude of the Board of Directors of the Texas Conference of Churches be expressed to Central Texas Conference of the United Methodist Church for its efforts thus far expended in defending the rights of all our constituent members; and
- (2). That the Executive Director be and he is hereby authorized and requested to expend not in excess of \$9,300.00 in assisting Central Texas Conference of the United Methodist Church from time to time as requested in defense of its right to maintain its church properties in Somervell County without taxation; and
- (3). That the Board of Directors of the Texas Conference of Churches hereby authorizes and requests William B. Hilgers to represent the Texas Conference of Churches as a friend of the Court at the appellate or other level deemed most effective and appropriate by him in defending the suit brought against Central Texas Conference of the United Methodist Church for taxation of its property in Somervell County.

The case may be brought to trial at anytime and we are waiting further developments.

REPORT NO. 2

ENCROACHMENT UPON GLEN LAKE PROPERTY

Approved June 2, 1975

Lost fall it was brought to our attention that someone had fenced in and was doing land improvement on a small portion of the Glen Lake property adjacent to the old Cleburne road. Upon investigation it was discovered that Mr. Roy

Parnell, a local real estate agent, had sold that portion of property, along with a parcel of his own land, to a third party who was planning to build a home there.

Mr. Recer of Childress and Recer Surveyors, of Cleburne was employed to examine our deeds and surveys and to run a new survey of that part of our property in order to determine just exactly where our property lines lay. The survey was made and it was determined that our suspicions were correct. By this time the party in question was in process of constructing the foundation of his home squarely on the property line.

Mr. Bill Anderson, of Anderson and Anderson, Attorneys at Law of Cleburne, was employed to look into the matter and make an attempt to get construction stopped until proper ownership could be determined. This was done. We now await further development.

The above action was concurred in by Bishop Stowe, the Camps and Assemblies Committee and the Glen Lake Board of Trustees.

COMMISSION FOR LAY CONCERNS

Approved June 2, 1975

The Central Texas Conference Commission for Lay Concerns has continued in the year, 1974-75 to seek its role and task in the mission and ministry of the United Methodist Church. It has functioned with a minimum of meetings on the Conference level. This has been possible because of the active participation on the district level, of the District Commissions for Lay Concerns. They have been about the work of training and inspiring the laity by training sessions on the responsibilities in the local church and by district lay rallies. The unsung heroes of these successes are the District and Sub-district lay leaders. District courses in lay speaking have enabled the laity to articulate their faith more effectively. In all of these efforts, success has come because of the support of the District Superintendent and not in spite of.

The Conference Commission has participated in various events this year through the presence of your Conference Lay Leader, Associate Conference Lay Leaders, Sub-Conference Lay Leaders and Conference Directors.

1. Area consultation on lay speaking, in Euless.
2. National work-shop and consultation on lay speaking, in Nashville.
3. United Methodist Women's School of Christian Missions in Georgetown.
4. Seminar on the revitalization of United Methodist Men at Glen Lake.
5. National committee to study the ministry to and for men through the United Methodist Men's organization.
6. Leadership training for the Department of Youth Ministries through funds to aid the participation of two students in the Mission Study Tour to Africa.

The Commission is attempting to aid in the selection of effective delegates to General and Jurisdictional Conference by the compilation of a list of church leaders from across the conference. The names are being submitted by each district with the District Lay Leader, President of U. M. W. and Superintendent acting as a

committee. The composite list will be put together by a conference committee and forwarded to each district for its district caucus meeting. We realize that this will not be a complete list, but will be better than no list. In this manner, it is the Commission's desire to prevent electioneering at the Annual Conference sessions. Bishop Stowe has concurred in this desire and effort.

Plans are being made for a "time apart" in the Fall for members of the executive committee to spend time in planning the course of the Commission so that it may respond readily to the concerns of the laity for the church and the concerns of the church for the laity. In this manner, we may come to a day of trained and effective lay ministers, so that, we can act intentionally to the needs of the world rather than react accidentally.

UNITED METHODIST WOMEN

Approved June 2, 1975

In THE FUTURE OF THE CHRISTIAN, Elton Trueblood recalls us to the fact that the characteristic call of the New Testament is a call to minister to one another. Such ministry has always been the heart of the women's organization of the church.

In this spirit, attempting to meet the challenge from the Women's Division to increase our giving by 5% to help meet rising costs, we paid \$142,319.51 on our pledge of \$141,000 for 1974. To this we added \$11,295.33 in designated giving, to make a total for the year of \$153,614.84 sent to missions.

Programming for 1975 is centered in expanding our concepts of mission. That we may move from an understanding of the scriptural foundation of mission into global consciousness for today, our year includes a Time Apart, April 18-19, 1975, at Glen Lake with Marjorie Power leading a study "The Bible: How To Use It Today," the participation of women from the conference in an ecumenical workshop with members of the AME, CME, and AME Zion groups, in training events sponsored by the Women's Division and the Commission on the Status and Role of Women, as a part of the conference team to the Why Global event, and in the National Seminar on Christian Social Involvement; and the cooperative School of Christian Mission, July 12-13 for the Week-end School and July 14-16 for the Weekday School. The School is in conjunction with the Council on Ministries and the Board of Global Ministries. Studies include: "A Nation Under God," "The Prophets," and "Southeast Asia: Christian Presence." The school gives opportunities for leadership development and new understandings of the ministries of the church. The Annual Meeting in Brownwood, October 6, 1975, will be a time of evaluation and planning.

In this International Women's Year, 1975, it is our goal to actively work for and encourage the involvement and participation of women of minority groups in leadership roles in United Methodist Women at all levels, and to seek to make visible to the church the leadership of women throughout the conference.

With all Christians, we share a deep concern for the persons who are the victims of the crises of World Hunger. Our concern commits us to increase our giving and to re-evaluate our life styles and consumerism in the light of the priorities of our faith. We are committed to mission. It is our prayer that daily God will enable to be in mission.

METHODIST HOME

Dr. Martin Gulo recently stated that Methodist Home, Waco, Texas, is among the three best child care agencies across the country. Gulo, the foremost Child Care Consultant of U. S. Department of Health, Education, and Welfare, was in Waco for the 1975 Willson-Johnson lectures. We thank God for the continuing wisdom and guidance of the Board of Directors as we are able to point with tremendous pride to the highly skilled and dedicated persons on our staff who give unstintingly of themselves in providing the best child care available. We pledge to you that we have met and will continue to meet the highest standards possible, as follows:

1. Licensed by Texas State Child Welfare Department.
2. Certification by the Health and Welfare Certification Council of the United Methodist Church.
3. Fully accredited by the Child Welfare League of America.

The Methodist Home program has been tested thoroughly this year as we continue to serve not only the orphan, but increasingly the neglected and abused child. A large percentage of our referrals to Methodist Home are teenage boys and girls who have emotional or behavioral problems and cannot remain in their own home. Methodist Home has progressed from a custodial type of care to one which is treatment - oriented. This year we have averaged serving the following number of children monthly in our umbrella of service:

1. Provided campus residential care	255
2. Provided Guidance Center care	182
3. Provided Boys Ranch care	15
4. Provided college student care	22
5. Provided foster home care	97
6. Provided intake studies	33
7. Provided information and consultation	81
CHILDREN SERVED MONTHLY	685
Admissions in 1974	169
Releases in 1974	157
Adoptions in 1974	19

We have operated with a \$2,789,702 budget and are most gratified with the \$100,934.45 raised this year by the Central Texas Conference. 127 children from the Central Texas Conference have been served this year in residential care. Additional children have been served through inquiries, intake studies and counseling.

The changing needs of child care present a constant challenge. We will be opening the San Antonio and Albuquerque Field Service offices this summer. The relationship between the Methodist Home child and family will be strengthened and provide for the rehabilitation of the family structure for the return of the child to his own home through this field work concept. A new Group Home for six older teenage girls in the transition to community life will be established. The capacity of Boys Ranch will be 36 this summer with the completion of the second ranch house. Let me lift up two needs for your consideration and prayers:

1. Our continuing need for homeparents. Please help us to find these persons. Please refer to the Methodist Home information file in your local church.
2. Adequate information and awareness of the Methodist Home program to warrant continuing support for the well-being of boys and girls. Our staff stands ready to provide you with brochures, slides, and staff presentations in your local church.

These are your children — therefore together may we enable the sunshine of God's love to encircle the boys and girls of Methodist Home.

WESLEYAN HOMES, INC.

GEORGETOWN, TEXAS

Report No. 1

Forty persons were admitted to Wesleyan Home during 1974, keeping it filled to capacity. Many applicants have paid room deposits and the waiting list continues to increase.

We have made many repairs in the building throughout the year including major repairs of air conditioning units, pipelines, and boilers. We are working at present to bring the facility in compliance with the Life Safety Code which

includes making every part of the building resistant to fire. The new elevator is complete and paid for by a gift from Miss Laura E. Hill, Wesleyan Home and we hope to have our dedication as soon as Bishop Stowe can be with us.

We have made many purchases for our health center such as hospital beds, tables, stethoscopes, blood pressure machines, and linens.

Open house was held Mother's Day with over 500 in attendance. Many families left gifts to the benevolent fund.

The third payment on our four year pledge to acquire land for the nursing home site was received. A special committee is working on plans and cost of the new facility and feel it will become a reality soon.

The home continues to receive a nice income each year from highnote estate and the annual Mother's Day offering and donations from churches and individuals. \$1,500.00 were received from Lola Wright, founder for Memorial Garden fund. We deeply express our appreciation to Bishop Stowe, the cabinet, Board of Trustees, Ministers, laymen and women, youth and children, for their visits, interest, prayers, and support of their Wesleyan Home.

THE CHAPLAINCY

If you had an instrument that would accurately measure a person's compassion and concern you could discern precisely how closely they were walking with Christ. At the heart of the "Great Physician" was his love and concern for those who were hurting in mind and body. When you are able to affirm and reflect God's love through your person as you stand at the bedside of a patient,

you release forces that make for health and wholeness. This is the inexpressible challenge of our ministry at Harris Hospital. We are, indeed, grateful for the privilege of serving.

CLINICAL PASTORAL EDUCATION

During the past year, Harris Hospital has been a training facility for theological students and pastors. Men and women, desiring to improve their pastoral skills in crisis situations, have submitted themselves for closer supervision and self-examination. The result has been a greater confidence in the power of their pastoral role as well as their own personal gifts and graces.

Each student has been granted recognition and credit from the Association For Clinical Pastoral Education, Incorporated. In addition, those seminarians enrolled have received grades and hours credit toward their degrees. Each student attests to the fact that the past year has been a time of learning and serving.

METHODIST MISSION HOME

Report No. 1

468 individuals were served directly in a time of great need by the Methodist Mission home in 1974. There were 134 maternity clients, 101 infants, and 184 adoptive parents, and 49 hearing impaired residents. This does not include those served indirectly, such as parents, and other family members.

The Maternity/Adaption service and the rehabilitation center for the Hearing Impaired, are both serving vital needs in Texas and New Mexico. This past year we have had 8253 resident days in maternity care, and 7379 in the Southwest Center for the Hearing Impaired.

Southwest Center for the Hearing Impaired

Significant growth has been made in the SCHI, and it is the only program in the Southwest for young adults with this particular need. In February 1975, the first student had a full time job, though he is still in the program and living on the campus. About 50% of the students have off-campus paying part-time jobs in the work adjustment program. The Center has 18 staff members, which of course must be especially skilled in working with these particular clients.

Maternity-Adoption Services

The Maternity-Adoption service continues to offer "more than shelter" to

young women in need, as well as to the infant and the adoptive parents. An out patient service is also provided for those who do not wish to come to the facility, to aid a client in her hospital and doctors' fees, and provide placement service for her child with one of our approved adoptive families in Texas and New Mexico.

Budgets

The budgets for the operational expenses of both programs now in effect at the Methodist Mission Home — maternity/adoption and young adults with hearing impairments — totals \$496,000.00. (\$354,000., maternity/adoption; and \$142,000., SCHI).

The churches gave only 26% of the budget need of the HOME in 1974. There is need for a more wide spread participation from the churches if we are to be able to maintain our standards, our physical plant, and provide benevolent service at the same time. The Board of Directors urges each congregation to consider a minimum goal of 30c per member; of course, many churches are doing much more, and we could not continue to serve without this second mile giving from these concerned congregations.

Central Texas Conference gave \$12,703.00 in 1974 to the Methodist Mission Home, and the total giving from all other Conferences amounted to \$119,216.00.

Each of the seven participating conferences has equal participation and representation on the Board of Trustees of the HOME which meets twice a year. Pastors and others knowing of those in need of either of the two services of the Methodist Mission Home are urged to contact the HOME office, at 6487 Whitby Road, San Antonio, Texas 78240.

ANNUAL CONFERENCE COUNCIL ON MINISTRY

Report No. 1

Approved June 3, 1975

1. It is recommended that the Camps and Assemblies committee write a paper detailing the mechanics of the move from a Camp Manager to a Camp Program Director for the new Camps and Assemblies Committee. The ACCOM supports this change. This means the Camp Director would serve as a resource person rather than be the initiator of programs. The ACCOM reserves the right to examine these arrangements and directions in the case of a change in personnel.
2. We also present the following resolutions, which was approved unanimously by the ACCOM, for the action of this annual Conference.

Be it resolved that the Central Texas ACCOM go on record opposing any effort or movement to permit known or practicing homosexuals becoming ordained ministers in the United Methodist Church.

Be it further resolved that known homosexuals not be employed by the Boards and Agencies of the United Methodist Church where educational, cultural and social processes effect the lives of our children, youth and adult membership.

Be it further resolved that there be no United Methodist funds granted to support homosexual causes."

When action has been taken by the Annual Conference this resolution should be given to the news media and copies sent to the General Council on Ministries and the Boards and Agencies of the United Methodist Church.

3. It is recommended that a Bi-Centennial Committee be appointed to work with the Agenda Committee to make plans for the Annual Conference of 1976.

THE BOARD OF GLOBAL MINISTRIES

Approved June 3, 1975

The Board of Global Ministries recommends:

(1) The use of the new booklet and materials titled **WHY GLOBAL?** by every local Church and every District Council on Ministries. It is so written and prepared that any Church can use it to great advantage in stimulating members to become involved in the total mission of the Church. Booklets and materials are available through the SERVICE CENTER, Board of Global Ministries, 7820 Reading Road, Cincinnati, Ohio 45237.

(2) The use of the newly prepared folders titled **"BASIN AND TOWEL"** in every local Church. The folder contains the theological basis, Models of Ministry, and Resources to help local churches get started on the Bishop's proposals concerning the "Expanding Church." Available through The Conference Council on Ministries, P. O. Box 9168, Fort Worth, Texas 76107.

(3) The involvement of every local church in the "FASTING FOR FAMINE" Program. This program urges every member of the United Methodist Church to fast one meal each week and give the proceeds (about \$1) to UMCOR to buy and distribute food to those who are starving.

COMMITTEE ON CHURCH EXTENSION

2. To consider loan and grant requests and, on approval, forward them to the National Division of the Board of Global Ministries or the Central Texas Conference Methodist Foundation for the purpose of enabling churches to improve their facilities and ministries.

3. To make an "on the site" visit and inspection of each church or situation receiving a loan or grant from the Conference.

4. To continue the salary supplementation program in relation to the total program under study, in relation to the total program of the situation, length or commitment, type of ministry, development, support, etc.

5. To continue placing the Mobile Units in strategic areas for developing, expanding, and specialized ministries.

COMMITTEE ON URBAN MINISTRIES**PROGRAM AND GOALS:**

1. The study and evaluation of existing Conference planning and programs affecting urban ministries.
2. The interpretation and study of requests from agencies and districts to the Board.

4. The hearing of what is needed and the initiation of action within the Board that serves the needs of the urban areas.
5. In keeping with the spirit of the "Expanding Church" we would note that the inner city and related urban areas are fields for expansion of ministry and program and this Committee will explore and promote the forthcoming proposals of the Conference.

COMMITTEE ON ECUMENICAL AFFAIRS**PROGRAM AND GOALS:**

1. It is recommended that local congregations be sensitized to their ecumenical involvement through worship, service and study, and that
2. Such experiences be shared throughout the Conference.
3. It is recommended that there be continued support of and participation in the Texas Conference of Churches.
4. It is recommended that the Central Texas Conference's entrance into a covenant agreement for cooperative new churches in South Arlington be approved.

A COVENANT FOR COOPERATIVE**NEW CHURCH DEVELOPMENT IN ARLINGTON**

In recognition of our common mission as disciples of Christ, the anticipated growth development of South Arlington and our own urgent need relate to one another as the People of God, we mutually agree to engage in New Church Development in South Arlington in the following manner:

1. Our strategy and development planning shall be done jointly.
2. The interests of the cooperating judicatories shall be served by a Committee on Cooperative Church Development in South Arlington consisting of two non-staff representatives and one staff representative from each of the cooperating judicatories.
3. Insofar as possible, new churches organized by the participating denominations will be "cooperative churches," with
 - a. In each new development, one of the cooperating denominations will be the administering denomination; the other will be designated as the participating denomination(s).

- b. Each new church will be related administratively and in form of government to only one of the cooperating denominations. The administering denomination will ordinarily provide the senior pastor. Resources for program and training for leadership may be secured from all participating denominations.
 - c. The members of each new church will be members of the administering denomination only. Each of the cooperating denominations will report its share of benevolences received from these churches.
 - d. The senior pastor of a "cooperative church" shall hold regular ministerial standing in his own communion and may be given corresponding membership in the judicatory or jurisdiction in the participating communion, in accord with that communion's policy.
 - e. Program subsidy for the new church shall normally be shared equally by the cooperating denominations on a formula determined by the Committee on Cooperative Church Development in South Arlington as may be required for a period up to three years. The need for such subsidy shall be reviewed annually.
 - f. The new congregation will give to benevolences at least one dollar out of every five raised locally for current expenses. For the life of this Covenant, benevolences received shall be divided on the basis of the formula agreed upon by the cooperating denominations for program and salary subsidy.
 - g. The capital costs of new sites, building, manses will be the primary responsibility of the administering denomination.
 - h. This "covenant" relationship may be dissolved by the action of a denomination and the filing of the action with each participating denomination, to take effect 180 days from notification.
 - i. Guidance and evaluation for each new church shall be the responsibility of the Committee on Cooperative Church Development in South Arlington acting on behalf of the administering and participating denominations in cooperation with that church's leadership.
4. New churches organized on the basis of this covenant shall be authorized and required to use the participating denominational names in any and all identifying instruments used by the new church.
5. By unanimous vote of the Committee, any judicatory not originally a part to this Agreement but willing to abide by its terms may become a full partner to this agreement.

POSSIBLE ADDITIONS TO THE COVENANT:

- a. The cooperating judicatories agree not to organize or locate a congregation unilaterally with a two (2) mile radius of a cooperative church.
- b. Conditions of this Covenant may be amended by the cooperating judicatories upon recommendation of the Committee on Cooperative Church Development.

COMMITTEE ON HEALTH AND WELFARE

PROGRAM AND GOALS

The unity of body and spirit has never been more thoroughly evidenced than by modern medicine which recognizes that, for many persons, illness begins, not

with body dysfunction, but with a troubled mind. In view of this fact, and knowing that the task of Health and Welfare concerns not only helping those who are ill, but preventing illness of body and spirit, this Committee proposes sponsoring a week-end Conference on the church's responsibility in the healing ministry. Such a setting would utilize nationally-known authorities and would include such sections as "The Worried Well," "Emotionally Disturbed Children," "Dealing With Bereavement" and others. We feel that such a program would be of great benefit to the ministers and laity of our conference.

We urge the purchase or preparation of suitable printed matter for the use of pastors and local Commissions on Missions. This material should be in their hands in plenty of time for inclusion in the new church budget.

We strongly urge all churches to involve themselves immediately and continually in the fight against human hunger. The Bishop's Appeal is worthy of our powerful support in fasting one meal each week and giving the amount saved (about \$1) to UMCOR for food and its distribution to the world's hungry people.

Conference Board of Global Ministries

REPORT OF SPECIAL COMMITTEE OF THE WESLEYAN BOARD**Approved June 3, 1975**

In 1962 The Central Texas Conference decided to enter the retirement home ministry. With that decision came the building of The Wesleyan Center in Georgetown. At the outset the center was designated and programmed for ambulatory retired persons who wished to be relieved of the problems and responsibilities of home-ownership. As the years have passed, The Wesleyan and its staff have done a beautiful job of this ministry. After a few years, the age level of the residents had risen to the point that now the infirmary on one half of the fourth floor was expanded to involve all of that floor in bed care patients. Within a short time, the third floor was also involved in caring for the Wesleyan residents who had need of nursing care. The ministry of the staff has remained satisfactory and thorough. At this point the State Department of Health enters the picture. They have responsibility for inspection and licensure of nursing care facilities which The Wesleyan has now become. Since the center was not constructed for this purpose, it does not conform in many areas from the standpoint of structural and safety equipment required under The Life and Safety Code for Nursing Homes. We have been able to qualify until recently when new and more stringent codes were adopted. Now we are faced with the loss of funds at the rate of \$7,868 per month until we come back into compliance. (This has been accomplished providing conditions are met) We must be in full compliance by December 6, 1975 or move all nursing care patients out.

We now stand at a decision making point in which we will determine the course of The Wesleyan's ministry for many years to come. We have faced as a committee the following options for the Wesleyan's future:

1. No longer offering nursing home facilities and inform the residents that when they reach the time that they will need that type of care, they must be prepared to move out.
2. Spend \$200,000 on The Wesleyan to bring it into compliance. (Without assurance that we will not be faced by more code changes in the not too distant future that will cause us further problems of compliance)
3. Build a nursing care facility that will adequately meet the requirements both of law and ministry.

After careful evaluation of the factors involved, your committee has chosen to recommend the last of the options as a **more** permanent solution to the situation. At our initial meeting, we looked at the cost of getting The Wesleyan into compliance if we chose this option. We had been told initially that \$50,000 would be required. Through the efforts of Dr. Reynolds and Mr. E. A. Bauhof (architect with Page, Sutherland and Page of Austin, Texas), in negotiations with The State Department of Health architects, found that satisfactory changes could be made for \$10,152. This amount would suffice if we opted for the nursing care facility construction. An additional \$200,000 expenditure on The Wesleyan would be required otherwise.

In reaching our decision, your committee considered many facets of the situation:

1. Options of ministry (already listed)
2. cost of building a new facility
3. cost of money for the new facility
4. income and operating cost of the nursing home
5. effect upon The Wesleyan's population — income

Land adjacent to the proposed new hospital in Georgetown was visually inspected by the committee and the "lay-of-the-land" was given them by Dr. Douglas Benold. We then requested Page, Sutherland and Page (the designers and builders of The Wesleyan) and Kirby Perry (designer of the proposed hospital) to look over the site and give an estimate of the cost to build a nursing care facility of 120 beds at that site. We had been informed by The State Department of Health that a cost of \$8,000 per bed would cover adequately a first rate facility. This would put the cost at about \$960,000 total. The two architectural firms offered estimates that later confirmed this. They both estimated costs of approximately \$1,000,000. Additionally Kirby Perry suggested better construction since we are not interested in "depreciating out." It could save us money on operating expense. His recommendations were aimed at lowering maintenance, utilities and staff cost. The cost under this type of construction would be \$1,080,000.

This brought us to the consideration of where the money for this type of facility might be secured and at what rate of interest. Mr. Ross Greenwood, of Temple National Bank, came to our assistance as a member of the committee by putting his staff at our disposal to research the question. He gave us the following possibilities:

1. FHA — 8% — 40 years
2. HUD — FHA — Possibility
3. Hill-Burton-Loan guarantee and 3% subsidy on a 9% loan — 22 year (Probable rate — 8½% loan)
4. Conventional — 10%

We would probably be able to secure an 8½% loan with one of the subsidy programs mentioned above. He is researching specifics and will offer those as they become available. A definite possibility of a Hill-Burton program exists.

At the present time money is in hand awarded by The Lola Wright Foundation for the building site in the amount of \$60,000, for the 5 acre tract (the architects have recommended not less than 4.5 acres). The site will cost between \$8,000 and \$10,000 depending upon the final amount and location. Other gifts are very likely. One of \$100,000 is a distinct probability once the program is begun. Residents and staff of The Wesleyan have already begun giving to the nursing care facility project.

At current rates of \$450 per month for single occupancy and \$350 per month for double occupancy, 90 residents would generate a maximum of \$40,500 per month and a minimum of \$31,500 per month. The monthly cost of principle, interest and insurance on the loan would be \$9,000. Our rates are at least \$200-\$300 below the other nursing care facilities in the state. We do not intend to become a profit making institution. However, at the present time, there are 98 patients in The Wesleyan that should be moved to the nursing care facility. We are told by the Health Department that a home is self-sustaining with 80% occupancy. We would be past that point if the facility were available today. The effect upon the population-income of The Wesleyan would be minimized by the fact that we will have approximately 18 months during the planning and construction of the nursing care facility to prepare enough of the 300 persons who are on The Wesleyan's waiting list to fill the vacancies at the time of the nursing care facility's opening. We do, however, recommend that the contingency of some loss in revenue be allowed for by adding 90 days operation income to the overall budget of the program in the amount of \$120,000. This will bring the total project to \$1,200,000.

The time-line as set forth by the State Department of Health for completion of the nursing care facility is as follows:

1. Preliminary plans submitted by August 15, 1975
2. Final plans submitted by December 15, 1975
3. Construction start before January 31, 1976
4. Construction completion by October 31, 1976

We are on a tight schedule, but not an impossible one with careful "shepherding."

BOARD OF CHURCH AND SOCIETY

Approved June 3, 1975

The Board of Church and Society is completing the second year as a Conference agency with an awareness of many unrealized objectives. This initial period of operation has featured programs designed to provide significant learning experiences for board members and local church social concerns chairmen. The seminar technique has not proven to be an adequate means for educating concerned persons across the conference to human needs. Activities of an experimental nature such as the Self-Image Analysis Conference held at Glen Rose in November of 1974 as a joint enterprise of the Commission on Religion and Race and the Board of Church and Society holds great promise as an effective means for equipping individuals to face their responsibilities.

The Human Need Priorities Task Force was established in 1974 as an agency of the board to search out specific areas of need within the Conference. This committee is charged with the development of models for local church action in the area of social concerns. One such model will be available for distribution at the 1975 Annual Conference in Fort Worth. Additional programs will be proposed as the task force continues to function through 1975 and 1976.

In 1976 the board should strengthen its internal organization through the activities of standing committees in the basic areas of responsibility — general welfare, world peace, human relations, and emerging social issues. Hopefully, new board members will quickly be assimilated into the committee structure so that the many concerns within the jurisdiction of the board can be given early consideration.

In 1975 the board was represented at the Washington, D. C., Conference of the National Impact Network, an interdenominational organization designed to encourage greater political awareness and participation by church members. The board will be represented at state-level meetings of this organization scheduled

for later in 1975. United Methodists are encouraged to join Impact and receive information made available to members.

In order to develop an effective operating relationship with the Inner-Conference Mexican-American Task Force, it is proposed that at least one representative of that organization function as a member of the Board of Church and Society to provide a meaningful link between the two agencies.

In 1974 a program to alert church members to the threat posed by the revival of the proposal to legalize pari-mutuel horserace betting in Texas was undertaken under the auspices of the board. The defeat of that proposal does not mean that further efforts to obtain approval for a similar proposal will not be undertaken. The board will be alert to this possibility.

Specific program objectives of the board of the remainder of 1975 and for 1976 include the following:

1. Programs will be made available to districts designed to explain techniques for political action and involvement by individual church members.

2. Activities of the Human Need Priorities Task Force will be continued.

3. Through its committees the board will develop new ministries to a great number of persons in varying categories of need — the handicapped, the poor, the aged, and the hungry. Every local church and church member will be encouraged to participate in at least one new ministry serving people in their community.

4. Along with other conference agencies, a coordinated attack will be launched against the problem of hunger in the world. As one first step, the board is recommending that the communion service at annual conference invite every local church to bring a monetary gift to support the world-wide program of UMCOR.

5. The board will seek to be more responsive to the programs of the General Board and particularly to the need to cooperate in the specific observances designed for the entire church, as follows:

Human Relations Day

Senior Citizens Manth

Rural Life Sunday

Labor Sunday

World Order Sunday

United Nations Week

Drug and Alcohol Concerns Sunday

Social Creed Sunday

6. Greater participation will be undertaken by the board in interdenominational organizations such as the Interfaith Commission on Human Priorities and the National Impact Network.

7. Joint programming with other agencies will be explored following the pattern of the 1974 joint conference with the Commission on Religion and Race.

The Conference is served by Ministers Life and Casualty Union, Minneapolis, Minnesota. Serving as Field Representative is Bob W. Click, 7977 Roundrock, Dallas, Texas 75240. Coverage for lay employees of local churches of the Conference is available from this company at rates commensurate to the Clergy Group.

It is anticipated that an annual premium increase of \$9,000 (approximately 15%) will occur in October 1975, to maintain the coverage of the present plan, due to a 1974 experience loss of \$3,319 and a \$5,285 experience loss in 1973.

EQUITABLE SALARY SUPPORT SUPPLEMENT

The recommendation is that the 1976 minimum salary for a full-time member of the Central Texas Conference (in effective relationship) be an amount of \$7,200 (to be raised from \$6,300), and that other related classifications receive additional proportionate consideration.

Fifteen ministers presently receive Equitable Salary Support, and should the proposed base be adopted, six additional ministers would be affected, for a total of twenty-one recipients. The annual cost of the current plan is \$19,910. The proposed cost for 1976 would be \$28,089.

The proposed change would amend the report on "Equitable Salary Support," **Central Texas Conference Journal, 1974**, pp. 176 and 177. Paragraphs of "Administrative Procedures" numbered 1-4 and 6-8 shall remain as stated. Let paragraph 5 read:

"The salary supplements shall be computed according to the following classifications:

- (A) For a conference member in effective relationship the salary supplement shall be the amount necessary to make the salary \$7,200 per year (from \$6,300), but in no case shall the sum required be more than \$2,000.
- (B) For an associate member or probationary member, and not enrolled as a student during the year, the supplement shall be the amount necessary to make the salary \$6,000 per year (from \$5,250), but in no case shall the sum required be more than \$2,000.

- (C) For a full time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full time approved supply pastor within the Central Texas Conference, the supplement shall be the amount necessary to make the salary \$5,400 per year (from \$4,725), but in no case shall the sum be more than \$2,000.
- (D) For a full time approved lay pastor, who does not meet all the qualifications of paragraph (c) above, the supplement shall be the amount necessary to make the salary \$5,050 per year (from \$4,410), but in no case shall the amount required be more than \$2,000.
- (E) For a student pastor, either a student pastor on probation, approved student lay pastor, or a lay pastor who has not previously served a pastoral charge, the supplement shall be the amount necessary to make the salary \$5,040 per year (from \$4,410), but in no case shall the amount required be more than \$2,000."

Paragraph (f) of the above "Administrative Procedures," which pertain to mileage remuneration for seminary students, shall remain as stated in the 1974 Conference Journal.

To fund the proposed 1976 Equitable Salary Schedule, which will require a total of \$28,089, let the accrued interest from the Permanent Equitable Salary Fund in approximate amounts of \$9,300 be applied, and let the Annual Conference provide the remaining \$19,000 of the needed amount.

HOMES FOR RETIRED MINISTERS

Report No. 1

Since 1906 we have been providing homes for retired ministers and wives when there is a need. We presently have 36 units.

July 6 is the date set aside this year for our offering, and we urge that every church observe this day by using the materials we have provided and by giving the congregation an opportunity to participate.

We suggest there be a committee, group, or individual in each local church where a retired home is located for the purpose of:

- A. Promoting the annual offering.

- B. Assisting the Superintendent in the care of the home.
- C. Keeping the Superintendent and the church informed as to the needs of the home and residents.

We are happy to report we have received full support and participation in the conference approved program for sharing in expenses from the residents and the churches.

Report No. 1

CONFERENCE CAMPS AND ASSEMBLIES COMMITTEE

The Central Texas Conference has been officially involved in Conference-wide camping since 1940 when the first site for camping, (Glen Lake) was purchased at Glen Rose, Texas. Many changes have taken place in both the concept of camping and the facilities of the conference program since that time, including the purchase of an additional site at Rainbow.

The most obvious change in camping has been in the use of the facilities as a year-round operation rather than just limited to the three summer months. Now our camp sites are being used every week by conference, district, or local church events. Multi-bookings have made it possible to utilize our total facilities to their fullest extent.

This past year just under 10,000 persons used either Glen Lake or Rainbow for a grand total of 23,873 camper days. This averages just under 64 persons using our camp facilities every single day last year. This is on average increase of 10 persons per day over last year, or a 20% increase in usage of our camps.

The operational costs for both sites totaled \$121,444.43 which would underscore the fact that camping in Central Texas is big business. The operational costs have increased due to increased utilization and the inflation trends in food costs, supplies, salaries, and utilities.

Some major capital improvements totaling \$19,575.00 have been completed this past year. This includes resurfacing the parking lot, new furnaces in all cabins, a new camp pick-up, remodeling the camp manager's home to give them an additional room, a new ice-maker, and hot water boiler for the Dining Hall, and other smaller items.

The committee wishes to express appreciation to Maurice Wise and his family for their first year's work here in Central Texas. We are indebted to Maurice for his expertise in camping as a professional that he brings to this position in our Conference. This expertise was demonstrated in the way he has managed our camping program this past year and the leadership he gave to

training for Camp Deans and Directors for the past Summer Schedule. We are looking forward to many years of growth in camping and working with him in moving in the direction of Camp Manager/Director concept in our conference.

Report No. 2

COMMITTEE ON HUMAN SEXUALITY

The Committee on Human Sexuality was established by the Central Texas Conference at its regular session in 1970, (**CTC Journal 1970, p. 91**). At that time the committee was related to the Department of Family Life by that same Annual Conference action. Since restructure of the Annual Conference in 1973, the committee has worked as a task force, not having committee status, but existing under the auspices of the Board of Discipleship. During that time it has continued its work in providing certified leadership to local churches which offered the human sexuality lab for Junior Highs and their parents, "The Meaning of Sex in Christian Living." It has also continued its training function moving toward certification of process leaders in the Senior High Human Sexuality Lab.

The task force has among its members the certified leaders for human sexuality labs, a representative from the Board of Discipleship, (**CTC Journal 1973, p. 119**), a Program Staff representative, one at-large member, and one parent who has participated in a lab course.

In order to accomplish its goals of providing certified leadership in human sexuality in response to requests from local congregations, **be it resolved that the Committee on Human Sexuality be established as a committee of the Board of Discipleship.**

GOALS FOR 1976

1. To move toward certification of the five process leaders (who participated in training at Meadowbrook UMC, Ft. Worth in September 1974), in the Senior High Lab in Human Sexuality by December 31, 1976.
2. To prepare and mail to each District Superintendent each District Family Ministries Coordinator and each District Youth Ministries Coordinator an information and promotion packet on human sexuality labs by January 31, 1976.
3. To conduct a one-day consultation and training conference for the purpose of updating materials and sharpening the skills of our certified leaders in Junior High Labs by May 1, 1976.
4. To move toward certification of at least one leader in Adult Human Sexuality Labs by December 31, 1976.
5. To meet as a conference committee at least twice (once in the spring and once in the fall) during 1976.

Report No. 3

COMMITTEE ON LEADERSHIP DEVELOPMENT DEFINITION OF COMMITTEE'S RESPONSIBILITIES

- (a) The expanding and maintaining of a Leadership Resource Inventory system covering the leadership needs of the entire structure of the church,

- (b) The evaluation of leadership capacities and needs of the Conference,
- (c) The seeking of persons and processes by which these persons might be equipped in respective areas of leadership and the funding of their development as leaders for the conference,
- (d) The assisting of Boards, Districts, Local Churches, Other entities or groups of the same in meeting their own determined leadership needs by:
 - (1) providing information regarding resource and models for accomplishing their goals,
 - (2) providing consultation in the development and financing of appropriate enterprises,
- (e) The promoting of the Christian Education Day Fund for Church School Leadership Development and administration of the same.
- (f) The promotion of Leadership Development among the Districts and Local Churches as a gross root responsibility.

COMMITTEE PROGRAM SUGGESTIONS

- (a) Hold Convocation for Certified Workers,
- (b) Identify a Second **Priority** Area for Special Training . . . Secure Persons and events to help meet this need,
- (c) Continually review Policy,
- (d) Continue Development of Resource Inventory (support and recommendation of the Executive Committee of the Board of Discipleship should be considered at this point),
- (e) Continue to attempt to help districts and local churches see responsible training opportunities,
- (f) Promote the on-going program of certification of Laboratory Leaders for all age-groups,
- (g) Help promote Christian Education Day Offering.

ENTERTAINMENT POLICY

In view of the fact that resource persons are frequently used in Conference, District and local church situations, the following guidelines are suggested:

A. Honorariums:

1. Single Events: The minimum, \$20.00 for 2-hour sessions or \$10.00 per hour for certified instructors, entertainment for those unable to commute.
2. Leadership Schools: \$6.00 per hour. For example: 1st series, 6 hours, \$36.00; 2nd series, 10 hours, \$60.00.
3. Laboratory Schools: Base \$7.00 per hour (for example: Type D, Minimum 16 hours, \$96.00, Type C: 22 hours, \$154.00).
4. Special Resource People
 - (a) General Board Staff: Usually no honorarium — General Board Policy. Travel expense from and to Nashville — or previous meeting outside our conference — is paid. Intermediate travel and entertainment within the Conference should be paid by those using their services.
 - (b) Persons with special expertise, such as college professors, pro-

fessionals, etc.: A minimum of \$40.00 per lecture is recommended with all other expenses paid. (A person in this category coming a long distance should be used more than once. Always ask if they have a set fee.)

5. Conference Staff: No honorarium or travel. Room and board to be paid by the event.
- B. Travel: In principle, all travel expense should be paid on the basis of Annual Conference rate policy and should be paid for all categories above. Advantage of Car Pools should be encouraged wherever possible. Due to other factors, such as time and distance involved, there should be a reasonable flexibility as to the mode of travel.
- C. Room and Board: In principle, these should be furnished locally. Hotels or motels with **private room** is recommended for resource persons. Homes and parsonages may be used where it is practical and does not place undue hardship upon either host or guest. Be sure that Resource Persons know what is being provided. They may have special needs.
- D. Where there is more than one church or district or Conference involved, such expenses as are indicated above should be allocated upon a share and share alike basis.
- E. All monetary matters should be made clear to all prospective leaders.

LEADERSHIP DEVELOPMENT POLICY

The Laboratory method of training teachers in the church continues to be one of the most effective ways. It is most helpful when it can be in the local church or a small cluster of churches where the teachers-in-training can deal with their own situations. To do this effectively and not overwork a few certified laboratory leaders, we need many certified laboratory instructors in all age levels in each district.

We are inviting you, or have invited you before, to consider becoming a Certified Laboratory Instructor in your area of experience. There are opportunities this year for you to do much of the requirements, if not all of them, here in Central Texas, without going to Mt. Sequayah, Arkansas, Sacramento, New Mexico or Houston, Texas unless you want to go to one of these places.

If you complete two labs before summer of any year, you can attend Lab and Seminar at one of the Jurisdictional events listed above, or we could plan one in Fort Worth if we have ten or fifteen persons who would rather participate that way. Either way, Lab and Seminar will require seven days. We have not scheduled a Seminar and Lab here in Fort Worth and will not until you and others make your desires known. You can take up to three years to complete all three labs, seminar and lesson plans, but your conference needs you now. Your geographical area and your local church need you now.

These are the requirements for you to become certified:

- have had local church experience with the age group
- have ability to be objective in problem-solving
- have worked with adults in leadership roles in workshops, clinics, classes, etc.
- attend two certified lab schools, at least one in the age level for which you plan to be certified
- attend a third lab school in that age level and also a seminar at the same time

- Complete the required reading
- write lesson plans and send them in to Nashville within **three months** after the last lab and seminar

The Conference Commitment to you:

- To encourage and enable you whenever possible
- To pay your registration fees wherever you go for all three labs and seminar
- If you must stay away from home as at Mt. Sequoyah or if you cannot commute to the other two labs, we pay your room and food assistance
- To maintain records of your certification and participation
- Consultation service to you at point of lesson plans
- There may be times when the district and/or local church could assist in financing

Your Commitment to the Conference

- be diligent in fulfilling all requirements
- Complete your three labs, seminar and lesson plans within a three-year period
- Complete your lesson plans and mail to Nashville as soon as possible within three months after your seminar
- When invited, be available as an Instructor in a lab school in your age level once or twice a year
- Feel free to say no whenever you cannot or do not want to participate as an instructor in a lab enterprise

OLDER ADULT MINISTRY

Since "Older Adults" was named as a separate Committee of the Board of Discipleship, my budget this year would not be included in the Life Enrichment Committee. Therefore, the several members of my committee have shared plans for things they would like to see happen next year.

1. A Conference-wide seminar, retreat, rally combination of Older Adults to inspire, educate, and amuse. To be held at some central location like Glen Lake for a whole day. Also, for exchange of ideas so we can learn what is going on in other churches.
2. It is hoped that each district will have its own special day for whatever the district coordinator and the older adults feel most helpful. This will need coordination with the Conference Chairman by mail and telephone. It was suggested that the Conference Chairman serve as an information center for the districts in obtaining helpful materials to be passed through district representatives to local churches to inspire more local church participation with older adults.

DR. ALICE W. WONDERS, Chairman

Report No. 5

THE LIFE ENRICHMENT COMMITTEE

1. This Committee has a wide range of responsibility, therefore, it should be set up with competent people responsible for the various areas coming under the jurisdiction of the Committee on Life Enrichment. Most likely this committee should not have fewer than ten persons on its membership.
2. One of the worthwhile things that we have been able to do thus far as a committee is to have a workshop for the district age level coordinators. This workshop was under the direction of Dr. Alice Wonders and all leaders of the workshop were local conference people. The using of local people kept the cost at a minimum and gave especially good leadership. These persons were not experts in their fields so research and preparation was necessary thus giving better presentations.
3. The one project undertaken by this committee which offers the greatest promise to the local churches of the Annual Conference is The Yellow Pages of Church Ideas. Collecting this information was not easy. Many of the pastors and churches were reluctant to give this information. We hope to be successful in having the Yellow Pages distributed to the local churches before the 1975 session of the Annual Conference. It is to be published in a three ring binder (one-half inch). It is also our hope that our successors would see fit to continue searching for program ideas that are successful in the Central Texas

churches and, through the coordinated mailing, distribute them to the local churches. The three ring binder is being used to allow the churches to add such programs to their Yellow Pages.

COMMITTEE ON STEWARDSHIP

In view of the present economical situation, this Committee in the days ahead, should concern itself with the Stewardship of all of life and the following guidelines may be considered for this important work.

1. Send a representative to the National seminar. There is much to be gained, and the person attending will have a foundation to build upon.
2. Design a Conference Workshop on Stewardship, for the purpose of educating the people on "The Commitment Plan." This Plan comes highly recommended and will work successfully in any church who follows the Plan step by step.
3. Set goals, and discuss with the District Superintendent in each district, what he wants for his district in the area of Stewardship, and follow through.
4. Emphasize the facets of Stewardship not related directly to money.
5. Build a strong Stewardship team that has caught the vision of Stewardship, Worship, and Discipleship and how they are all inter-related in our new world.
6. Set up a program that will be a "Celebration of the New-life Style" for the Bi-Centennial year 1976.
7. Encourage team members, and those participating in the local church, to read thoroughly the suggestions and ideas found in "The Interpreter" magazine each month.
8. Correspond with the National leaders and learn how others are doing Stewardship, Worship and Discipleship.
9. Plan your work early in the year in order to have a workable program on the Commitment Plan in the early fall.

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

Approved June 4, 1975

We are pleased to report that the Credit Union has had another successful year of service and growth. We are developing and maturing in an orderly fashion. Much of this is due to the effort of Dr. J. W. Sprinkle whose time and energy is only partially repaid. It is also due to the Board of Directors who serve without pay. They are: Dr. J. W. Sprinkle, Dr. B. Thomas Tribble, E. Frank Leach, Luther Henry, Dr. Carroll H. Thompson, Dr. J. D. F. Williams, John McKee, Mark Craig, Mrs. (Sidney) Bobbie Roberts.

Loan Delinquency	(10)7,342(4%)	(15)17,166(7%)	(8)8,325(3½%)

Approximately 25% of our membership of 425 is in name only. Many have made an initial share deposit of \$5.00 and have never used the Credit Union to save or borrow. This membership is of no value to either the Credit Union or them.

Our dividends of 6% per year are approximately $\frac{3}{4}$ % higher than paid by other institutions. The Life Insurance protection, worth another $\frac{1}{4}$ % of \$2,000.00 has a double indemnity clause in case of accidental death. Loans are insured at no extra cost to the borrower.

Loans fully covered by share accounts are available at $\frac{3}{4}$ % per month on the unpaid balance.

Dividends in 1975 will be paid semi-annually.

Higher interest rates have caused our members to shop around and they have found a bargain plus persons willing to work with them in their Credit Union.

Membership is open to clergy, their dependent families and employees of churches and church institutions and their families in the Central Texas Conference.

We encourage families to open accounts for their children and youth, and to teach them to save regularly and borrow realistically to create a sound financial foundation.

COMMISSION ON RELIGION AND RACE

Adopted June 4, 1975

The Commission on Religion and Race, commend the Committee on Equitable Salary for its fine work toward moving the minimum salary of the United Methodist ministers in the Central Texas Conference toward a more equitable level. We recommend that an educational process be developed for local churches for implementing in a responsible manner the recommendation of the Equitable Salary Committee.

We recommend more participation of Black in the summer camping program and Men's Rally.

We recommend Lay Training for Black congregations. We affirm the work of the Commission on Lay Concerns and others who are working in the area of continuing lay development especially with the Black congregations. Our hope is that this type of lay development would also be continued on a district level.

"We, the Commission on Religion and Race, are concerned with the future of Black congregational development. We see in this Conference, shifting centers of black population. Therefore, we recommend that each district be sensitive to the conditions and needs in their area. We support effective congregational development in United Methodism with a sensitivity and awareness to the needs for emerging minority neighborhood churches."

"We, the Commission on Religion and Race, feel that changing neighborhoods offers an opportunity for multi-ethnic staffs to make effective witnesses. We would support the development of such multi-ethnic staffs who would provide an openness to better meet the needs of the persons in those neighborhoods."

Furthermore, we support the concepts of (1) open itinerancy, and (2) multi-ethnic staffs in the Central Texas Conference. We encourage employing persons without regard to race, sex, and age, and that salaries and benefits be based upon abilities.

J. D. PHILLIPS, Chairperson

COMMISSION ON ARCHIVES AND HISTORY**Approved June 4, 1975**

The Commission on Archives and History continues to encourage local churches, various agencies and boards of the conference and individuals to: provide adequate location for church records; keep records in proper order; to be aware that the date, month and year, the name of the church, the town location, the staff members' names are printed on bulletins, church newsletters and directories; and that pictures are labeled with names, dates, and places.

During this year it is hoped that churches will update local church histories or that these will be written, if not previously written.

We welcome the gift of any journals, disciplines, records for the Conference Historical Room at Glen Lake. Several ministers have made excellent donations during recent years. We especially need journals from the West Texas Conference.

Two hundred, fifty-two area Methodists and their friends toured England, France, West Germany, and Holland as a part of United Methodist Heritage Tours during April. We look to the future as local churches plan for Bicentennial celebrations.

COUNCIL ON FINANCE AND ADMINISTRATION**Report No. 1****Adopted June 4, 1975**

The Conference Council on Finance and Administration commends the membership of the Central Texas Conference on the financial support they have given to the on going program of Methodism. We are pleased to report that our Conference is one of the top nineteen (19) Conferences of Methodism to meet its askings in full. We feel this is due in part to the cooperation the Council on Finance and Administration has received from all agencies of the Conference in our endeavor to keep our total budget in line with the economic conditions of our area. We have endeavored to meet the needs of the Conference but have also sought to eliminate all extravagant askings so that we can continue to merit your support. This year is no exception. We have prepared a budget to be presented that represents an increase of only 5% over the 1974 asking. We ask your wholehearted endeavor to meet the budget in full.

The salary allowances for district superintendents shall be an amount equal to 110% of the average of the salaries and allowances paid pastors of the top twenty (20) churches of the Conference. This compensation will include a housing allowance to the amount actually expended not to exceed \$1,500. The \$1,020.00 requested by the Board of Pensions for all members under appointment not appointed to the local church is added.

The districts, at the discretion of the District Stewards, may apportion to the churches of the district expenses for a district office up to \$5,000 per year. In some instances an additional amount up to \$1,500 can be apportioned, with the consent of the Council on Finance and Administration.

In view of the rapidly changing costs of travel, this council on Finance and Administration has approved and now recommends to the Conference for its approval a plan whereby the District Stewards may apportion to the churches an amount up to \$1,200 for car and travel expenses of the District Superintendent. This fund will be remitted by the local churches to the District Treasurer. This fund shall also be subject to an annual audit which will be sent to the Conference Secretary-Treasurer.

The following District Funds are then authorized for apportionment to the churches to be remitted to the District Treasurer and audited annually, with reports to be filed with the Conference Secretary-Treasurer:

1. District Parsonage Fund
2. District Council on Ministries Fund
3. District Superintendent's Travel Fund
4. District Mission Funds are authorized for apportionment but must be sent to the Conference Treasurer on regular remittance forms

We approve the Conference moving expense program for pastors. It is the recommendation of CFA that this fund, as described in the 1973 minutes of the Conference, be paid each year out of the Operating Reserve. The CFA would then be authorized to apportion to the Districts the total amount expended on the basis of the decimal, determined annually, as authorized in the Standing Rule of the Conference. Requisition should be sent to the Conference Treasurer with receipted vouchers attached.

The Connectional Ministry Fund will include the apportionment of \$150,640 for the District Superintendency and \$36,935 for the Episcopal Fund. The latter figure is an amount equal to 134% of the minister's salaries of the Conference. The Connectional Ministry Fund shall be apportioned to the districts on the basis of the decimal figure, determined annually, as authorized by the Standing Rules of the Conference.

The Conference Claimant's Fund, for retired ministers and their dependents, is set at \$520,000 which includes the amount of \$80,000 for the 1976 portion of the Reserve Pension Plan. This fund shall be a separate item and will be apportioned to the districts on the basis of the decimal figure, determined annually, as authorized by the Standing Rules of the Conference.

CFA recommends that the Texas Methodist College Association asking be reaffirmed at the \$1.50 per member in 1976. Recommendations also are given to the Campus Ministry program with its goal established at 75c per member.

The CFA is aware that Scarritt College has been removed from General Conference Financial Support. This institution has served in a meritorious way to train missionary personnel for service throughout the world and is now endeavoring to broaden its base to serve the Methodist Church in the United States with a program to train ministers of Music and educational directors. The CFA joins the Board of Global Ministry in encouraging every church to take Scarritt College as a National Advance Special as a part of your Advance giving.

In addition, the CFA recommends the following askings for the Central Texas Conference for 1976, to be apportioned to the districts on the basis of the decimal figure, in accordance with the Standing Rules of the Conference.

- | | |
|---------------------------------------|-----------|
| 1. Conference Projects Fund | \$ 52,000 |
| 2. Conference Insurance Program | \$ 71,000 |
| 3. Ministerial Education Fund | \$104,862 |
| 4. Black Methodist Colleges | \$ 66,608 |

The Council on Finance and Administration recommends the appointment of J. W. Sprinkle as Secretary-Treasurer of the Central Texas Conference for the ensuing year.

- (a) The pastoral charge shall have conducted on Every Member Convos for the local church budget of each of its churches during the previous conference year.

- (b) The apportionment for World Service and Conference Benevolences shall have been accepted and paid in full for the previous conference year.

- (c) The charge must pay a minimum of \$1,800 for pastor's salary and must have at least 100 members.

2. The following conditions shall be met by a pastor to become eligible for consideration by the Commission for receiving salary supplements from this Fund:

- (a) He shall be a pastor in effective relation, a probationary member or associate member, an approved full-time lay pastor, an approved student lay pastor, or a lay pastor who has not previously served a pastoral charge. He shall not be eligible for consideration for salary supplements from this Fund if his appointment is other than pastor of a charge within the Central Texas Conference, if he receives salary aid from the General or Conference Board of Missions, if he is classified as a part-time lay pastor, if he is a retired minister or if he receives income from any other employment other than the regular work of the pastoral ministry. Receiving a scholarship for college or seminary work shall not restrict his eligibility.

- (b) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in his present appointment.

- (c) The District Superintendent shall combine the salary, travel expense, and utility expense allowed as total salary when making a supplement request.

3. A prerequisite for consideration for salary supplements from this Fund shall be filing with the Commission a written application by the District Superinten-

dent. This application shall indicate the classification of the pastor, the salary set by the charge, and shall contain the certifications by the District Superintendent whether or not the pastoral charge has met each of the requirements set forth above in Section 1.

4. In cases of appointments, or changes of appointments, between the sessions of the Annual Conference, all above requirements are applicable and the District Superintendent shall file a new application for each charge concerned. Such salary supplements, if approved, shall be paid on a pro rata basis for the part of the year actually served.

5. The salary supplements shall be computed according to the following classifications:

(a) For a conference member in the effective relationship, the salary supplement shall be the amount necessary to make the salary \$7,200.00 per year, but in no case shall the sum required be more than \$2,000.00.

(b) For an associate member or probationary member and not enrolled as a student during the year, the salary supplement shall be the amount necessary to make the salary \$6,000.00 per year, but in no case shall the sum required be more than \$2,000.00.

(c) For a full-time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full-time approved supply pastor within the Central Texas Annual Conference, the salary supplement shall be the amount necessary to make the salary \$5,400.00 per year, but in no case shall the amount required be more than \$2,000.00.

(d) For a full time approved lay pastor, who does not meet all the qualifications of section (c) above, the salary supplement shall be the amount necessary to make the salary \$5,050.00 per year, but in no case shall the amount required be more than \$2,000.00.

(e) For the student pastor, either a student pastor on probation, approved student lay pastor, or lay pastor who has not previously served a pastoral charge, the salary supplement shall be the amount necessary to make the salary \$5,040.00 per year, but in no case shall the amount required be more than \$2,000.00.

(f) In addition to the above schedule and above limitation of aid, seminary students who are serving pastoral charges and receiving Equitable Salary supplements, may receive \$1.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor serving the charge at the end of the third quarter of the Conference year.

6. The District Superintendents shall be responsible for making the program effective in their respective districts, as in all other causes of the Church, and for the collection of the amounts apportioned to the churches in their respective districts and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges be not less than \$1,800.00 per year.

7. Payments on the apportionment of the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payments to those receiving the benefits of the Fund at the end of the first three quarters of the Conference Year, namely, September 1, December 1, March 1, and payments for the fourth quarter of the year ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not

sufficient to meet all commitments, the final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

8. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, all payments of those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Committee, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Committee, together with the cost of meals enroute, to all meetings of the Committee except such as are held while the Annual Conference is in session shall be allowed. Traveling expenses shall be paid in accordance with the Standing Rules of the Annual Conference.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Committee prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payments for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

COMMITTEE ON SUSTENTATION

Report No. 1

Operational Procedure for Sustentation

Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.

This committee will have charge of and promote all the interests of the Sustentation Program and shall be the determining factor in the final approval of any candidate for participation in this program.

2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.

3. We recommend further that the following shall be eligible for participation:

1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.

4. We recommend the following procedure:
 1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
 2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
 3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
 4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
 5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
 6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
 1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.
 2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

**ALTON WOODSON FERRILL**

Alton Woodson Ferrill was born August 20, 1906 at Elm Mott, McLennan County, Texas, the first born of Archie and Mabel Ferrill.

His parents, realizing the value of a good education, determined during his early school years that their son must have the scholastic advantage of being graduated from the nearby Waco High School so that he could pursue higher education without academic handicaps.

After high school graduation Alton studied economics at the University of California and the University of Arizona and was graduated from Baylor University in Waco, Texas with a B.S. degree. He was a public school teacher for several years and it was while teaching in Hill County, Texas that he became aware of the ever-present call to God's ministry of the church, and remembering that during a severe childhood illness

his mother, like Hannah of old, had truly given her young son to God, he answered this call with full commitment to his Lord and to His work.

During this time he became intensely interested in the struggle of country churches and through his commitment to the ministry he began seminary work at Perkins School of Theology. His call to the ministry was so strongly felt, and his commitment so complete, that he resigned from the field of education so that he could become a full time pastor preacher. He was admitted into the Central Texas Conference on trial in 1934, was admitted into full connection, and ordained deacon in 1936, and was ordained elder in 1938.

His student ministry included churches at Bosqueville and Rock Creek near Waco, and before serving in the Tarrant County area he served pastorates at Drasco, Valera, Caddo, Azle, and Gorman.

His pastorates in the Fort Worth area were Grace, where under his encouraging, consecrated leadership a number of men entered the ministry; Boulevard; Epworth in Arlington; Mansfield; Asbury in Fort Worth; and Crowley where he was serving when he became ill.

Alton was more interested in serving people — anyone who needed him — and in being a pastor to his members than in any form of personal gain. Wherever he was assigned to a church there was a growth in membership, attendance, dedication to the work of the church, and church beautification. Churches he served had no trouble with their finances because of his example of giving more than the tithe and also through pamphlets that he wrote and published. He was a gifted man with many interests: pastor, preacher, writer, publisher, printer, and an authority on transportation, whose opinion and advice was often sought by both business and legislative men. He was a Mason and a member of the Haltom Shriner's Lodge.

While serving the church at Bosqueville in 1937 he was married to Iva Ree Wilkerson of De Leon, Texas. After their marriage he encouraged her to continue her education. One of Alton's dearest dreams was that Iva Ree should have the academic advantage of a college education, and one of his greatest joys was in the realization of this dream when she was graduated from Texas Wesleyan College in 1954.

Death came to this Man of God on Nov. 30, 1974 in the Fort Worth Mediocenter after a long illness. He is survived by his wife, Iva Ree, 4621 Darla, Fort Worth; his only child, Jeanna Sue Scott and his grandson, John Paul Scott, Wichita Falls; and his brother, Marshall Ferrill of California.

The memorial service was held Dec. 2, 1974 in First United Methodist Church in De Leon with his pastor, the Rev. Edward H. Otwell officiating, assisted by the Rev. W. L. Milner. Burial was in De Leon Cemetery under the direction of the De Leon Funeral Home.

ALVIN GAFFORD

On the rainy afternoon of May 10, 1975, final rites for Alvin Gafford were conducted in the Indian Creek Church near Comanche. In that church he had made his decision at a revival long ago to become a minister of the gospel and from that pulpit his first sermon had been preached. How very appropriate that his body be there laid to rest, following the memorial service at Polytechnic Church in Fort Worth.

Having become a member of our conference in 1923, he faithfully served until 1964 when ill health required retirement. His appointments ranged from small circuits to prestigious pastorates, including Cranfill's Gap, Fairy, Valley Mills, Missouri Avenue, Taylor, Coleman, Brownwood and Temple. Both the Brownwood and Waco Districts were graced by his superintendency. During his retirement he has continued to serve the Church through his faithful attendance and support in the congrega-

tion of Polytechnic, where his wife, Lucille, and daughter Judy are active members. Two grandsons have also enriched his family.

Joy and happiness were grained into his basic character. His sense of humor and ability to evoke laughter have helped many to step more easily on life's highway. It was not just love that he preached, but also that he practiced, as a legacy of warm friendship will verify. One could be confident of a moment of pleasure when approached by Dr. Gafford.

Friends who were honored to share in leading his memorial service were Frank L. Turner, J. W. Whitefield, Maggart Howell and Robert Turner.

W. B. MORTON

William Bascom Morton was born January 2, 1884 in Red Bud, Alabama, the son of the late John T. and Samantha McClesky Morton.

He was married to Miss Leona Barker on February 24, 1907 in Ranger, Texas. She preceeded him in death on February 20, 1967, four days prior to their sixtieth wedding anniversary.

He attended Hankins Normal College and taught school in Eastland, County, Texas for eight years.

In 1916 Brother Morton surrendered to the call of our heavenly Father and began to make plans to enter the Methodist ministry. He was received on Trial into the Central Texas Annual Conference by Bishop James H. McCoy in November 1917 at First Church, Georgetown. He was received into full connection and ordained a Deacon by Bishop Wm. N. Ainsworth in November 1920 at First Church in Fort Worth. In November 1922, he was ordained an Elder

by Bishop James E. Dickey in First Church, Weatherford.

Brother Morton served as pastor at Scranton, Carbon, Millsap, the Barry Circuit, the Graham Circuit, and Talpa-Crews. He served for 13 years as a Conference Evangelist in both the Central Texas Conference and the Northwest Texas Conference. He retired from the active ministry in 1944, but continued to do the work of an evangelist. He held Revival Meetings and Camp Meetings throughout the state of Texas faithfully fulfilling his calling to do the work of an Evangelist. Brother Morton preached in 8 states during his ministry. Through his witness, literally thousands were reached and strengthened in the faith.

Brother Morton was called to his eternal home on February 8, 1975, following a long illness.

Funeral services were held in First United Methodist Church of Coleman on February 10, 1975, with burial in the Coleman City Cemetery. Dr. William Morton Greenwaldt, a distant relative, conducted the service and brought the message, assisted by the pastor, Leonard Radde.

Survivors include: his daughter, Mrs. C. A. (Freda) Moore of Fort Worth; eight sons: Grady of Coleman, Edwin of Fort Worth, the Rev. Dr. Weldon Morton

of Palestine, Texas, Warren of Palestine, Tommy of Winston Salem, N. C., Duke of Henderson, Texas, Glen of Raleigh, N. C., Baker of Kansas City, Mo. One sister, Mrs. C. W. McComb of Abilene, 25 grandchildren, 28 great grandchildren and 1 great great grandchild.

Brother and Mrs. Morton moved to Coleman in June 1947 and were faithful in attendance and support of First United Methodist Church through the years. Until Brother Morton became ill and unable to attend, he had missed but one Sunday being in morning services in over fifty years. He missed that snowy Sunday when someone stole his car just prior to time to leave to go to the church.

Perhaps the best summary of the life of this faithful servant of God can be found in the words of the Apostle Paul,

"I have fought the good fight, I have finished the race, I have kept the faith. Henceforth, there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will award to me on that day."

ERNEST O. DEWALD

PHILIP E. RILEY

The Rev. Philip Eugene Riley, 93, who retired in Fort Worth in 1953 after 45 years in the United Methodist Church ministry, died Sunday at a hospital in Ganado.

The Rev. Mr. Riley, a native of Tehuacana, received a bachelor's degree from Trinity University in 1906 when it was located at Waxahachie. He attended Vanderbilt Theological Seminary in Nashville, Tenn., and was awarded an honorary Doctor of Divinity degree by Southwestern University at Georgetown.

He held pastorates and church positions in Brownfield, Lockney, Rotan, Itasca, Belton, Mineral Wells and Corsicana.

In the 1966 issue of the "Annual Journal of the Central Texas Conference of the Methodist Church" the Rev. Mr. Riley was called "probably the most outstanding of the present retired ministers of this annual conference."

The journal stated, "Probably no man has had the confidence of the bishops and preachers as did Dr. Riley. Quiet and studious in his habits, he gave himself wholly to the work of the church. His judgment and counsel were always sought and well-accepted."

He was a delegate to eight General Conferences of the United Methodist Church. He was for many years a trustee of Harris Hospital, Texas Wesleyan College and Southwestern University. He was a Mason.

Survivors are a son, the Rev. Philip M. Riley, pastor of First United Methodist Church of Ganado; three daughters, Mrs. Elizabeth Lundblad of Georgetown, and Dr. Ruth R. Swords and Mrs. Josephine Ramey, both of Fort Worth; two sisters Mrs. Josephine R. Barnes of Dallas and Mrs. Estelle Price of Aiken, S. C., eight grandchildren and four great-grandchildren.

LLOYD H. OLSON

Rev. Lloyd H. Olson was born in Minneapolis, Minnesota, August 27, 1900, where he spent his boyhood days. Later he moved with his parents to a homestead in western North Dakota where he worked on ranches until he left for college.

Lloyd received his A.B. degree from Asbury College, Wilmore, Kentucky. He also attended Cornell University, Ithaca, New York; Union Theological Seminary, New York City; Columbia University, New York City, M. A., and the University of Michigan, Ann Arbor, Michigan.

He became an ordained Methodist Minister and served churches in New York, Ohio, and Texas. He served as Regional Director of the National Conference of Christians and Jews in Des Moines, Iowa for six years and the same position in Seattle, Washington for five years.

Lloyd wrote several articles on Christian education and articles on his work with the Christians and Jews which have appeared in national publications. He was honored by being appointed by the President of the United States to serve on his cabinet of National Christians and Jews Committee.

Beyond his major interests in religion and humanity, he maintained special interests in radio and TV where his weekly program was heard over WHO, Des Moines, Iowa for 6 years and over KOMO, Seattle for 5 years. His tolerant and dedicated spirit for the unity of Christians and Jews was felt within Jewish, Catholic and Protestant circles across our nation.

He was married to Ethel Clark in 1928. To this union two sons were born: Donald Olson, of Campbell and Ronald Olson, of Palo Alto. There are three grandchildren. Ethel died in 1971 after a long illness. There are 7 step-grandchildren.

Lloyd will long be remembered by all for his depth of religious convictions, tolerant attitudes, and unlimited compassion for everyone. "What he has been has left henceforth a seal and sign, engraved deeply within our hearts." His life can well be summarized by the statement of St. John, "Blessed are the dead who die in the Lord."

HUBERT C. SMITH

Dr. Hubert C. Smith was born in a Methodist parsonage in Ennis, Texas, September 1, 1899. His father was a pastor and presiding elder in the conference for 43 years.

Hubert joined the Central Texas Conference 50 years ago in 1925 and served 13 pastorates in the conference before his retirement in November of 1964. The two longest were 5 years each at First Church, Hillsboro and First Church, Waxahachie.

During those years as pastor he served the conference on the Board of Publication, the Board of Missions, as secretary of the World Service Commission, 12 years as chairman of the Board of Education, 4 years as chairman of the Board of Missions, and 16 years as a member of the Board of Trustees of Harris Hospital, 10 of which he was its secretary.

Hubert was a man of stalwart character, genuine integrity and an indomitable will. He possessed a tremendous faith in God and he loved the church and the people he served. In the light of his devotion to his church it is little wonder that he and Esther were active in the life of the First U.M.C. in Fort Worth since his retirement.

Hubert had written a poem "Christ is the Door." He asked that it be read as the interment. It is indicative of the courageous way he faced his future.

I looked one day down the path of life
To a door in a garden wall.
Then I thought of death as an old door
That must open to one and all.

A path leads from that old door
When the angel gives his nod
We step right through, and the journey begins
To the glorious city of God.

'Tis the faithful who find a light on the path
And a guide who knows all the way.
'Tis the Master of light, and life, and truth
Whom we walk with day after day.

So there is nothing to trouble a godly soul.
Nothing to hurt at all.
For Christ stands there by the quiet door
That is set in the garden wall.

REVEREND WALTER E. WILLIAMS

Walter E. Williams was born April 15, 1899 in Lakewood Illinois, the son of George Franklin Williams and Rachel Alverda Spring Williams. He died February 6, 1975 in Mexia, Texas.

He was licensed to preach in 1921. He graduated from Illinois Wesleyan University in Bloomington, Illinois and attended Garrett Theological Seminary in Evanston, Illinois.

He was married to Edna Silknitter on June 24, 1925, and to this union were born two daughters, both of whom are married to ordained ministers.

Rev. Williams was an evangelistic singer in his early years and was a soloist of renown. He taught music in High School, taught piano lessons and always organized and directed youth childrens' choirs in the churches where he served. He has composed several hymns. He was very artistic and designed and edited two different folios of designs for church use which were sold by the Methodist Publishing House for a number of years.

Rev. Williams was a perfectionist even though poor health caused him to carry on his ministry under great physical handicap. Because of his own sickness, he had an outstanding love and compassion for the sick, the "Shut-in," the elderly, the poor and the underprivileged, and he spent much of his time ministering to the needs of these groups. He was tactful, kind, meek, gentle, and friendly, and he was loved and admired by all who knew him.

He served several churches in Deer Creek — Atlanta, Lebanon, Murphysboro, and Edwardsville in Illinois. In Texas he served at Woodsboro, Louise and Moody-Leon. He retired in 1964 and moved to Mexia, Texas and served the Thornton and Tehuacana Churches.

He is survived by his wife, Edna Williams of Mexia; two daughters, Mrs. William W. (Elizabeth Ruth) Huffman of Fallon, Nevada; Mrs. Ralph L. (Alice Rachel) Smith of Irving, Texas; three grandsons and three granddaughters.

Funeral services were held in the sanctuary of the First United Methodist Church of Mexia on February 8, 1975 with burial in the Restland Memorial Park in Dallas, Texas. Rev. Henry Radde officiated at the service.

MRS. L. L. EVANS

Mrs. L. L. Evans was born in Lufkin, Texas July 31, 1886, the daughter of George and Emma Cochran Medford. She was given the name of Bird by which she was always known to her friends and family. She died in Fort Worth, Texas July 13, 1974 after a year of increasing weakness and illness. The last of the family to see her alive was her grandson, Ben F. Evans, who stopped by the hospital where she was in intensive care. He heard her say, "Oh God, Thine be the glory forever and ever."

Funeral services were held in First United Methodist Church of Lufkin with Dr. Wayne Reynolds bringing an inspiring message and Dr. William Hathaway conducting the service.

Bird Medford married L. L. Evans, who at that time was with the Lufkin Land and Lumber Company. Following his conversion and call to preach she

went with him to Southwestern University, Georgetown and later to Vanderbilt in Nashville, Tennessee.

BOB EVANS

MAUDIE MAE KIMBROW

Mrs. Maudie Mae Kimbrow, wife of the late Rev. Bertie E. Kimbrow who died June 15, 1951, was born June 30, 1886 at Alvarado, Texas. She died in San Antonio, Texas, August 26, 1974 at the age of 88 years.

Mrs. Kimbrow was the wife of an itinerant Methodist minister from 1907 until 1949 at which time he superannuated and they made their home in Cleburne, Texas. Since that time she supported her church in every way possible for the widow of a superannuated preacher.

She supported it with her prayers her presence, her talent, and her money. She practiced the tithe to the last week of her life. The Wesley Memorial United Methodist Church where she held her membership received her last check on the day before the word of her death. She was always active in the Women's Missionary Society. She took a real active part in the Lord's Acre Hour. She always had her project ready long in advance of the sale.

She was honored last Mother's Day by being named Mother of the Year; She lived long enough to see many changes take place, not only in the development of the country, and in means of travel, but has seen the church grow from the one room type to modern and large plants.

She stood by her preacher husband when he was a circuit rider, and took much of his promised salary in produce, and not all was paid even in that way. Those were days of hardship, and she never learned the art of spending on herself, of doing things for selfish interest, but thought in terms of her Lord and others!

She was so crippled the last several years of her life that she had every excuse for dropping out of the life of the church if there be excuses for such, but she came on her crutches and proved a blessing to every one she met. In spite of her handicap she was one of the best workers in the whole life of the church.

Her memorial service was held in the Wesley Memorial United Methodist Church by her pastor, Rev. Luther J. Helm, August 27, 1974.

Mrs. Kimbrow is survived by two daughters and one son. They are Mrs. Hilton Bean, San Antonio, Texas; Mrs. Ila M. Orr, El Paso, Texas; and Mr. H. C. Kimbrow, Midland, Texas.

There were so many who said, "Mrs. Kimbrow is one of the sweetest persons I ever knew." Surely the Lord must have reached out a tender hand to her and took into his bosom that she might find rest from her labors.

GRACE GIBSON LAVENDER

Grace Gibson Lavender, wife of the Reverend Garland T. Lavender, was born near Hillsboro, Texas, September 14, 1907. She "went home to God" after a brief illness in Fort Worth, October 24, 1974. Had she lived four days longer, she and Garland would have celebrated their forty-sixth Anniversary. They were united in marriage on Sunday morning October 28, 1928 in the Methodist Church at Brandon, Texas. The Reverend R. H. Boyd (retired) performed the ceremony.

The memorial service for Grace was held in the First Methodist Church at Hillsboro, Texas, after which her remains were laid to rest in the Brandon cemetery. The Reverends Robert Langley, Denison; Harvey Raines, Granbury; Robbie Corse, Petrolia; and Quay Parmer, Arlington; conducted her service.

Grace and Garland had no children by birth, but several years after their marriage, they adopted two children whom they loved with all their hearts.

They are: Mrs. Bobby Lott, Jr. (Nancy Marilyn), Petrolia, Texas, and James Garland Lavender of Dallas. One grand-daughter, Melissa, was the joy of Grace's heart and the pride of her eyes.

At the time Garland received his call into the ministry of the Methodist Church, Grace felt the call to be the best minister's wife possible, and she never for a moment forgot that call. She taught school while Garland did his college and seminary work. Their first appointment was to the Boyce Charge in the Waxahachie District, where they served for two years.

After these two years, she supported Garland and the church in the following pastorates: Red Oak, Whitney, U. S. Army Chaplaincy (W. W. II); Associate Austin Avenue, Waco; Englewood, Fort Worth; Ranger, Weatherford, River Oaks, Fort Worth; Associate First United Methodist, Springdale, Arkansas; Farmersville, St. Phillips,, Garland; Associate Glen Oaks Methodist, Dallas. Grace and Garland retired in June 1974, and were living in Indian Harbor, Lake Granbury, at the time of her death.

Grace was a loyal and faithful wife who supported her husband by her confidence, love and devotion. She rejoiced in victories won for her Lord and the church, and stood firm when the way was dark and difficult.

No mother could have been more devoted than she to her children. She watched over them, prayed for them, and counseled them from infancy to maturity. A part of the last chapter of Proverbs was read at her memorial service which was proper and fitting, since she was that kind of wife and mother.

She adorned the gospel that Garland preached. Being a Christian was the most important purpose of her life. Those who knew her realized that her faith was lived out in the home, the community, and in the church. She did not seek the limelight, but was always available at the proper time and place of need. If the worth of a person is measured by the place where he or she is missed, then she was by any and all standards a truly great Christian.

Our grateful thanks to God for giving her to us as a devoted friend and loved one. Her blessed memory will live always in the hearts of those who knew and loved her. May our Heavenly Father grant her peace and rest "in that house not made with hands, eternal in the heavens."

QUAY PARMER

MRS. L. M. LAWHON

Mrs. L. M. Lawhon (nee Bertie Keeney) was born January 10, 1889 in Sulphur Rock, Arkansas to John Dee and Louvicy Caroline Moore Keeney. She was married to Luther Monroe Lawhon November 23, 1910, who preceeded her in passing from this life to the Heavenly Home February 1, 1968. Brother and Sister Lawhon are survived by five devout christian children: Wallace Lawhon of Greenville, Texas, Ray Lawhon of Fort Worth, Texas, Mrs. Weldon Pugh of Greenville, Texas, Mrs. Eugene Jones of Lake Tawakoni, Texas, and Mrs. Gene Costello of Houston, Texas. They are also survived by nine grandchildren and three great-grandchildren.

The Lawhons became Christians early in life and united with the Methodist Protestant Church, in which Brother Lawhon felt the call to the Ministry. He began and served as a Local Preacher until 1928 when he was admitted to the North Arkansas Methodist Protestant Conference On Trial. It was thus that Brother and Sister Lawhon began their fine work in the Gospel Ministry — a "Good News" Ministry about the love and mercy of Jesus Christ, causing many souls to experience the joy of His salvation.

Sister Bertie Lawhon was well qualified in so many ways for the place and work of a ministers wife. Her preparation and work as a School Teacher and a Sunday School Teacher enabled her to know the ways and needs of young people and how to help them find and fulfill their needs as christians. Her beautiful personality, her friendliness and kindness to everyone won for her the respect and appreciation of both youth and adults enabling her to share very effectively in their christian ministry at all times and in all places. Hers was a life of Love and Faith in Action.

The Churches Pastored by the Lawhons included: Tehuacana Valley, Coolidge, Liberty, Smithfield, Alvarado Circuit, Eureka, Burket, Eules, Frost, Alvarado Station, Azle, Ash Crescent and Palo Pinto. In each of these places the touch of Love and Sacrificial Service by these servants of God will bring forth fruit until the end of time.

When early Friday Morning April 11, 1975 at the age of 86 years Sister Bertie Lawhon felt the touch of what we call death there was no fear for her, for Jesus was there to escort her to her Heavenly Home, and death was swallowed up in victory through Him. "Thanks Be To God Who Giveth Us The Victory Through Our Lord Jesus Christ.

Sister Lawhon was a member of the Greenville Westview United Methodist Church at the time of her passing. To the last moment she had kept the faith.

She had fought a good fight, and the time for her departure was at hand. And, henceforth there is laid up for her a Crown of Righteousness which the Lord the Righteous Judge will give to her."

Memorial Services were at 2 P.M. Saturday, April 12, in the Coker-Matthews-Peters Chapel. Committal service was in Memoryland Cemetery. Rev. Roy H. Davis and Rev. Douglas Hoke officiated.

"Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time."

MRS. HENRY L. MUNGER

On December 13, 1974, Mrs. H. L. Munger (Lyda White Munger) passed on to the Heavenly City just ten days after her 98th birthday. Death resulted from an embolism for which she was under treatment at the Chapel of Care Nursing Home in Sherman, Texas.

Interment was at Restland of Dallas on Monday, December 16, 1974 beside her husband Rev. Henry L. Munger, who preceded her by thirty years. Services were private for members of the family and were held by a nephew, Rev. Larry M. Stokes, pastor of St. Timothy Methodist Church, Houston.

Survivors are sons Henry L. Munger, Jr., Chapel of Care, Sherman, Robert S. Munger, Dallas; grandchildren John H. Munger, Slidell, La., and Mrs. Marilee M. Levy, Fresno, California; great-grandchildren John H. Munger, Norfolk, Virginia, Robert Ashley Munger, New York and Kathleen Munger, Slidell, La.

Rev. H. L. Munger will be remembered for his many pastorates in Texas including Cleburne, Lubbock, Waco, Houston and Marlin. Under his ministry Herring Avenue Methodist Church in Waco was organized and built (the Church Built in One Day); he was also one of twenty ministers whose joint efforts resulted in the founding of Southern Methodist University.

MRS. EDWARD ROSEMOND STANFORD

Elizabeth Gooch Wright, the daughter of Mr. and Mrs. Harry Lee Wright of Palestine, Texas, was born April 25, 1890. She graduated from the University of Texas in 1910. She taught school in San Antonio, Texas, before her marriage to Rev. E. R. Stanford on May 21, 1918.

In addition to serving as President of Westmoreland College, Rev. and Mrs. Stanford served many charges in the Central Texas Conference including Belton, Waco, Eastland, Waxahachie, Fort Worth, Breckenridge, Killeen and Cleburne. The Stanfords came to Cleburne in 1948 to serve Anglin Street Methodist Church and remained here after retirement.

Mrs. Stanford was a member of St. Mark United Methodist Church, United Methodist Women, Friendship Class, A.A.U.W., Retired Teachers, D.A.R., and Delta Kappa Gamma.

Mrs. Stanford slipped into the arms of her Lord January 28, 1975 at Johnson County Memorial Hospital in Cleburne. The memorial worship service for her was held in Saint Mark United Methodist Church — Cleburne, Texas, on January 31, 1975, with The Reverends Joseph R. Saylor, Jr., and Cyrus Barcus officiating. Interment was in Stanford Chapel Cemetery, near Waco, Texas.

Survivors include five children — E. R. Stanford of Silver Spring, Maryland; Harry W. Stanford of San Antonio, Texas; Earle G. Stanford of Fort Worth, Texas;

David M. Stanford of Dickensan, Texas; Mrs. T. R. Whiteside of Austin, Texas; seventeen grandchildren and three great-grandchildren.

Elizabeth Stanford's life was characterized by a deep love for people. Her dedication to Christ and His Church was an inspiration to those of us who knew her, and to this writer, who was fortunate enough to be her pastor.

Her sweet smile and cheerful countenance will enrich the kingdom of heaven. "Faith of our fathers, holy faith? We will be true to thee till death."

JOSEPH R. SAYLOR, JR.

MRS. M. L. STORY

Mrs. Story was born Ella Lee Pate, on October 4, 1883, at Ennis, Texas, the daughter of Mr. and Mrs. Robert Harrison Pate. She was converted and joined the church at Oran, Texas, when she was eight years old.

She met the Reverend Mattison Lonzo Story while he was assigned to the Graford Circuit and married him there in July, 1903. To them were born three sons, Bob Pate, Mattison Low, and Bascom Howard.

She served with her husband in appointments in the Northwest Texas Conference at Palo Pinto, Santo, Cresson, Aledo, Hawley, Rule, Rotan, and Hedley. They transferred to the Central Texas Conference in 1916 and served at Godley, Abbott, Whitney, and Italy. He took the superannuate relation in 1924 because of health problems but returned to the active ranks to serve thereafter at Jarrell and Glen Rose. His death came on February 2, 1929, while serving as pastor of the Glen Rose Station.

Mrs. Story spent most of her remaining years at Mineral Wells, working actively in various phases of church activity, holding many church offices. She died September 23, 1974. Funeral services were held at First United Methodist Church, Mineral Wells, by Rev. Len Layne. She was buried at Oran Cemetery. Her life was one of service and singleminded devotion to the church. She is survived by two sons, Mattison Low and Bascom Howard Story.

MATTISON L. STORY, JR.

Central Texas Conference of the United Methodist Church
Fort Worth, Texas

We have examined the summary of cash receipts and disbursements of Dr. J. W. Sprinkle, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1974. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Analysis of Investments included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review of cash receipts and disbursements of the various funds, and we performed no auditing procedures with regard to investments except to confirm the balances shown.

In our opinion, the accompanying summary of cash receipts and disbursements presents fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year ended December 31, 1974.
