BOARD OF ORDAINED MINISTRY

Report No. 2

Approved 6-8-76

A. CONTINUING EDUCATION

For some time now, the Board has been attempting to encourage a process of Continuing Education for the clergy of the Conference. In that regard, each minister is supposed to report his/her continuing education accomplishments and plans for the ensuing year at each Charge Conference. Funds from the Ministerial Education Fund have been made available to those choosing to attend continuing education events.

To this point, each minister has selected the programs in which he/she desired to participate plus encouragement given to attend certain events such as the Management for Ministry seminar which is presented by the University of Texas at Austin.

HOWEVER, the Board proposes to change directions slightly in order to make participation easier. In that regard, the Board desires to sponsor each year TWO CONTINUING EDUCATION EVENTS, one in the Spring and one in the Fall, one being general in nature and one being very specific in nature. Each retreat would be two to three days in duration and designed to meet the needs of the clergy of the conference as the Board is able to discern those needs.

Financing of the events would come from modest registration fees plus three-fourths of the monies which the Board designates as the Continuing Education budget out of the Ministerial Education Fund.

It is the strong feeling of the Board that this program will be instrumental in increasing the number of persons participating in Continuing Education and thus enhance the abilities and capacities of the ministers of the conference.

B. INTERNSHIP

The Intern Program at Perkins School of Theology is a serious attempt to move from the old concept of field work, which emphasized experience and work exposure, to a more substantial learning experience through contextual education. This model, which takes seriously the idea that learning takes place within the context of action, involves an adequate amount of supervision of theological students by several persons and at several levels. On a weekly basis it is understood that the pastor serving as a field instructor will provide a supervisory session for the intern. This supervisory session would consist of more than simple work supervision and would involve itself in the broader concept of "pastoral supervision." Training for pastors serving in this regard would happen in three ways. First, there would be a training experience held on the campus of Perkins School of Theology for field instructors. Second, there will be an ongoing monthly meeting conducted by the behavioral science consultant in the particular field unit or learning cluster in which the field instructor is working. Finally, there will be some occasions in the spring for follow-up experiences in learning in an intensive fashion about supervision.

Training will also take place at the local church level for an Intern Committee to serve the special function of adding a structure for lay supervision and reflection for the theological student in internship in a local church placement. This committee has in many instances proven to be a very significant part of the feedback and reflection process for the interns.

Another key element in this program involves supervision in the field unit or learning cluster level. One of the primary functions of the field unit will be a bi-weekly meeting of the interns with a consultant who is retained as a part of the Intern Program. This consultant will either be a clinical pastoral educator, a psychologist, or a psychiatrist. In each case two criteria are considered: first, the clinical skills; and second, the sense of commitment to the life of the Church and openness to working with ministers and ministerial students in personal growth. The major emphasis of working with students is in the development of personhood. Also in many instances in the field unit meeting with the growth group the area of spiritual development becomes a significant part of one's personal growth. The field unit is also a setting in which at least twice during the fall semester professors from Perkins will participate with students and pastors in seminars of theological integration. This is a serious attempt to communicate the importance of doing theology in the context of the practice of ministry. This coming year the case study method will be used in this portion of the program.

A final and major element in the Intern Program is the process of assessment. This will occur in two ways. First, there is an objective evaluation which involved written responses by laity, pastor, consultant, intern spouse, and the intern himself/herself. This material is now compatible with the computer and a rather extensive report is provided for each intern at the end of each semester. Secondly, there is a clinical evaluation which involves the intern, the field instructor, two lay persons,

a supervisor from the seminary, and the consultant. These persons have opportunity to respond to a subjective paper written by the intern concerning readiness for ministry. The assessment process very often provides new directions and goals for study in personal and professional development for a specific intern.

Specifically, the program as offered by Perkins School of Theology will offer the following services to the Central Texas Conference in supervision/training services.

1. It will be the responsibility of Perkins to provide the training for the field instructors, to be held on the campus. The room and board for participants will be provided by the School of Theology for this meeting.
2. Training at the local church where the intern will serve will be provided either by one of the intern staff or a duly designated consultant for the program, in preparation for the intern committee's work with an incoming student.
3. The field unit structure will be provided for the interns, including added use of the consultant for limited counseling and guidance for special problems. This service is available to both the field instructor and the intern.
4. Monthly supervision will be provided for the pastors, field instructors, in order to continue their training for the process of supervision.
5. Evaluation materials, the testing process, and the reporting of that material will be provided.
6. A specific final evaluation at the end of each semester will be structured, including use of the seminary supervisor and the consultant from the School of Theology.
7. Continuing an open and specific line of communication with the Board of Ordained Ministry of the Central Texas Conference and the intern staff will likewise be a part of the administrative expectation of the program.

The Board of the Ordained Ministry recommend to this conference that an internship become a requirement for admission into the Central Texas Conference.

The anticipated maximum cost would be as follows:

Salary for intern	\$5,000.00
Housing allowance	1,800.00
Travel Allowance	1,200.00
Utility Allowance	1,200.00
Fee to Perkins	<u>1,000.00</u>
Total	\$10,200.00

The Board proposes that the congregation receiving the intern pay the total cost, that figure representing a reasonable cost factor for a full-time person.

Students having student-appointments would be allowed to continue in

those appointments and would be assigned to Field Instructors in the immediate area, working three days a week in the Field Instructor's congregation and spending the balance of the week in the student appointment.

In those cases where financial burdens threaten the reality of the program, the Board would attempt to make funds available out of the Ministerial Education Fund.

The Board of the Ordained Ministry recommends that this program become required beginning with those students who became Probationary Members in 1977. Furthermore, the Board recommends that present students be encouraged to participate in the internship although they shall not be required to do so.

The current Board further recommends that the new Board of the Ordained Ministry which shall be formed during the 1976 session of the Central Texas Conference provide adequate supervisory structure that will make this new requirement function to the benefit of all concerned.

C. EVALUATION AND COUNSELING

Bishop W. McFerrin Stowe has asked the Board of Ordained Ministry to determine how "open or closed-minded" a person may be as a candidate for ministry. He has also pointed out to us that the Church wants sound people in the ranks of ministerial leadership, not unstable people.

In order to more effectively fulfill this charge from our Bishop, the Committee on Evaluation and Counseling of the Central Texas Conference Board of Ordained Ministry, proposes this model of psychological testing procedures for the 1976-80 quadrennium. We recognize that psychological instruments are tools among many to determine if a candidate is suitable for Christian ministry. Psychological tests and the report of the candidate's test results should be respected and taken seriously, but they should never be taken as the ultimate authority. We need to keep in mind, as well, that some psychological tests are not as useful with certain ethnic minority groups as might be helpful.

With these thoughts in mind, the following model is recommended:

1. **The Purpose of Psychological Instruments**

- a. not to nullify any individual
- b. to be used for the candidate's own personal information
- c. as a tool to build upon his or her own strengths

2. **Types of Instruments to be Used.**

- a. The Minnesota Multiphasic Personality Inventory
(This instrument is aimed at identifying personality disorders.)
- b. The Ratter Sentence Completion Test
(This instrument also identifies personality disorders. It can be used as a scored test, pointing to acceptable or not acceptable limits.)

3. **Test Results**

- a. The test results and personal data will stay in the file of the psychologist. This information will be only between him and the candidate.

- b. The psychologist will report to the Chairman of the Evaluation and Counseling Committee that:
 - 1) The tests have been taken.
 - 2) The candidate is clear to be interviewed by the Board.
 - 3) Or, the candidate needs further counseling.

A proposed sample form that the psychologist might want to utilize follows:

- 1. The candidate shows adequate personal strengths for ministry.
- 2. The candidate shows adequate personal strengths for ministry, but certain areas need to be addressed in further counseling.
- 3. Severe disturbance is indicated.

(The Committee on Evaluation and Counseling will stress to the psychologist that he has the freedom to use whatever form he desires. He may have his own rationale that he would like to use in this process.) The Committee would function as a liaison between the full Board and the psychologist.

4. **Timetable For Taking the Tests**

- a. The psychological instruments would be taken by December 15 of the year preceding the candidate's interview with the Board at the Spring Retreat. This would be at the probationary level.
- b. By March 15, the candidate will have been interviewed by the psychologist.
- c. By March 31, the written response of the psychologist concerning each probationary candidate will be turned in to the Committee Chairman.
- d. This procedure would apply to all probationary candidates starting in 1977.

(The Committee suggests that the Board recommend the following: Those who have been ordained Deacons this year would be required to go through the process next year.)

5. **Cost of the Program**

- a. The candidate will pay the entire bill for the cost of tests and interviews with the psychologist.
- b. The candidate will submit the total cost and receive a 100% reimbursement from the Board.
- c. Exceptional cases to be considered in case of financial difficulty.

6. **Recommendation of Psychologists to be Used**

(To be presented by the Committee)

D. MINISTERIAL EVALUATION

Three years ago a joint meeting was held by a special taskforce of the Board of the Ministry with the cabinet of the Central Texas Conference. At

that time the cabinet joined with the taskforce in a commitment to develop and implement a program of Ministerial Evaluation for the conference's ministerial members. It was also agreed that evaluation procedures would be developed for the District Superintendents and the Bishop.

After several months of study and investigation, the taskforce drew up an instrument which it felt incorporated the critical ingredients essential for a valid evaluative process. In turn, the taskforce was aware that evaluation is but the first step and that there must be included some process whereby the person evaluated can consider what to do with that evaluation. Therefore, a second document was drawn up which was to be used to record responses to the evaluation and lay plans for maintenance of high levels of competency and improvement of low level of competency.

Upon the approval of the annual conference session, one year was spent in a "voluntary program" of ministerial evaluation. Effort was made to obtain enough volunteers during that year so as to involve ten percent of the ministers of the conference. Although the results were good, they were not up to expectations due to two circumstances: (1) it was discovered that the expectation that the office of the District Superintendent be the compiling body was an unrealistic expectation; (2) a small segment of the cabinet did not work at getting volunteers.

In response to this experience, the taskforce suggested to the 1975 session of the conference that the chairperson of the Pastor-Parish Relations Committee become responsible for the compilations and that the District Superintendent not be required to be present during the Pastor and Pastor-Parish Relations Committee discussion of the completed evaluation forms. With these changes in procedure approved, there was likewise approval granted for another year of effort on a voluntary participation basis. As a result, a large number have now participated during the prior year's "pilot effort" and this year's "voluntary effort."

There still remains a degree of Resistance to evaluation on a more formal basis than just what a few people say in a casual conversation. However, there has been a tremendously high level of affirmation of the process by those who have participated in it.

As a result of the experience of the taskforce, it was recommended that this annual conference session officially make this an ongoing program of the Annual Conference and placed under the auspices of a SPECIAL COMMITTEE APPOINTED BY THE BISHOP for the purpose of continuing its refinement and usage among the ministers of the conference.

Please note that the General Conference just concluded, passed legislation which mandates an annual evaluation of each minister, to be carried out utilizing materials provided by the Division of the Ordained Ministry and the Conference Board of the Ordained Ministry.

Respectfully submitted,

Dan M. Pike

DISTRICT SUPERINTENDENT'S COMPOSITE REPORT**Received 6-7-76**

We come to this Annual Conference thanking God and taking courage in the ministry of our people called Methodist in the Central Texas Conference.

We have turned the corner in some of the most important involvements of our mission during the past year. Other corners must be turned to meet the challenge of the new day.

First, let us congratulate our people for turning the loss in Church School membership to a gain of 1486 for the year; however, our youth enrollment dropped another 343. Another plus for the year was an increase of 576 in short term study classes. There were 482 Church School members joining the Church in the Confirmation classes.

This leads us to the next indication of new life and progress in that we have broken the trend of membership loss in our Conference. Although only the Fort Worth, East; Fort Worth, West and Waxahachie Districts had membership gains, it was enough to give our Annual Conference an over-all gain of 331 members.

When the spirit of our people is right with God and each other, then anything can happen. So with an increase in Church School enrollment and an increase in membership has come an increase of financial support of our mission among people. We rejoice that every apportionment asked by United Methodism was paid in full by our Annual Conference with an additional \$306,781.00 contributed by second mile Advance giving.

The United Methodist Church of the Covenant, in Arlington, is the new congregation organized during the year, with several others on the drawing board.

Older congregations have built new facilities to meet the potential needs for future ministry as follows:

1. New Educational Building — First Church, Stephenville.
2. A complete new facility is on the way at Kingswood in Burleson.
3. New Educational Building at Little River.
4. New Sanctuary and Educational Building at Graham, First.
5. Re-location and new plant at Godley.
6. A complete new Church at Coolidge.
7. New Educational Building at Valley Mills.
8. Re-location and new Church facility at Ennis, Northside Church (Formerly St. Delight Church).
9. Complete new Church plant at Kerens, and paid for in cash.

Our laymen are the greatest, as they continue to make parsonages more attractive and liveable for the parsonage families. During the year the following new parsonages have been secured: Hico, Bedford, Watauga, Church of the Covenant, Arlington, and Associate parsonage at First Temple and Taylor, First.

Into our parsonage homes have come some new persons whom we are pleased to welcome and list as follows:

1. Ruby Elizabeth Sellers to J. W. and Gayla Sellers.
2. Elizabeth Pauline Cope to Robert and Marijean Cope.
3. Henry Lewis Masters, Jr. to Henry and Dianna Masters.
4. Robert Craig Russell, Jr., to Craig and Katie Russell.
5. Lindsay Michelle Penna to Richard and Amy Penna.
6. Stacey Michelle Whitbeck to Gary and Sue Whitbeck.
7. William James Allsup to Eddie and Janice Allsup.
8. Melinda Elizabeth Holloway to Robert and Judy Holloway.
9. Holly Lucretia Spinks to Don and Terri Spinks.

It is interesting to note the creative way by which our Districts go about their work of training and celebrating their faith together. Some use lab schools, others use retreats and the lay academy, some a Festival of Covenant, or a District Advent Celebration; two had the Basin and Towel Events, one had a Training Skills Event, one had a rally for Missions, others itinerated Missionaries throughout the District. Several had consecration and dedication services celebrating the building or paying off of an indebtedness.

In this Bi-Centennial year a very special event took place on April 4th, in the Waxahachie District.

The Waxahachie Chautauqua Auditorium, built in 1902, was the site of the Bi-Centennial Celebration of the 110th Anniversary of the founding of the Central Texas Conference in Waxahachie. The historical parade and dramatic presentation was climaxed by a message by Bishop W. McFerrin Stowe, who spoke to 1400 people in attendance. A special bronze medallion was struck depicting the original frame building where the Conference was organized on one side and the cross and flame emblem of United Methodism on the reverse side.

Yes, we are grateful for the past and all the good we have been a part of, but we thank God for the present period to be alive in. The potential is great and the future is bright for all who enter into that future with hope, confidence and commitment to God's leadership.

We feel our house is in order and our foundation is solid to take on the new challenge of the General Conference, which is really the expression of our own concerns for people around us and all across a world.

To prepare for the first priority, we must know where the minorities live, what their needs are and how we can best serve them in today's world. For the second place; for us to feed the hungry, we must discover who they are and why they are hungry and how we can best meet their need on a long time basis as well as a short time emergency plan. The third and great priority of evangelizing the lost, the neglected, the un-enlisted persons of our world calls on us to reach out to the neighbor across the street, down the road, and over the fence, as well as people in other lands.

Under the vigorous leadership of Bishop Stowe and the dedicated work done

by the Annual Conference Council on Ministries, we have in the making the greatest potential ministry this Conference has ever experienced.

Although four members of this Cabinet have finished their terms and three of them are retiring at this Session, we feel this Conference is in good hands — God's hands.

Through the grace of our Lord Jesus Christ and empowered by the Holy Spirit, we can and will meet God's challenge for the new day which is arriving.

ANNUAL CONFERENCE COUNCIL ON MINISTRY

Report No. 1

Approved 6-7-76

The Conference Year 1975-76 has been an exciting and challenging one for your Conference Staff. It all began with a complete change of program boards, committees and the Conference Council on Ministries itself.

Each of these agencies has struggled with its purpose and reason for being. New and innovative programs are the results of these struggles. Many of the reports this weekend will reflect some of the creative programs that have come as a result of the hard work by boards and committees. The Conference Staff is constantly seeking for new and better ways to serve. A brief reflection on the past year's work will indicate to you how your staff has spent its time.

Boards and Agencies:

Pat Halwes and I have functioned as resource persons, interpreters and consultants to boards, committees, districts and individuals. We have spent

a combined total of approximately 1900 hours between us in these areas. This does not include preparation and travel time involved.

District and local churches:

We have been involved in numerous training events at the conference, district and local church levels. It is our conclusion that training, and planning are the keys to successful Christian mission and ministry; therefore, we have provided many different training opportunities.

Training Opportunities: Training opportunities are available to districts, clusters of churches and individual churches in the areas of the Council on Ministries, the Administrative Board, program resource materials, process planning, leadership development and goal setting. Sessions with local churches have been held on weekends, nights and a few two-hour sessions on Saturdays.

Use of Packets: Packets for work area Chairpersons have been produced. These packets are simple 1, 2, 3 steps one should take if he is new to a particular work area.

Communication: It is very important for good communication to be established with districts and local churches. A special effort has been made in this area to provide better communication and understanding between the districts, local churches and the Conference Office. We discovered that many persons were not familiar with the Conference Office and its operation; therefore, we have experimented with a special one-day-office-in-each-district type event. District responses to these events have been very good.

The official news program of our Conference is the **Central Texas Conference Edition of the Texas Methodist**. The new Committee on Communications and Interpretation has undertaken a project to get more copies of the **Texas Methodist** into the homes of Central Texas families. As will be reflected in the Committee's report later, it has written a new statement of purpose for the Central Texas Conference page. It will read, "Based on the belief that the church has a story to tell, this newspaper is published to report the mission and work of the people called United Methodist in Central Texas. The work of the church is important whether that work be done on a conference, a district, or a local church level. The job of this newspaper is to report the story of that work wherever that work is done."

A special word of thanks to Mrs. Joyce Brown, our news editor, who has made our page one of the best.

Resource Center:

It is a constant task to keep up-graded the resources in the Resource Center. This year we have purchased many new resources, printed and visual. A new catalog supplement will be mailed very shortly. The resource center has been moved to a larger area within our office. The new arrangement allows for more display and better use by persons seeking to discover resources available.

Camping:

The camping program of our Conference has increased tremendously over the past two years. There is more use of the camp by local churches and districts. A special thanks to Maurice Wise for the excellent job he does as our Camp Manager.

In my supervisory role, I meet with Mr. Wise on a regular basis to discuss the camps and activities involved in camping. The Camps and Assem-

blies Committee will bring a special recommendation to the Council later concerning the future of the Camp Manager in the area of camping.

Finally I wish to express a special word of thanks to Mrs. H. H. Halwes (Pat) for the excellent job she has done as our Associate Director. Her skills, sensitivity and dedication to God and His work has been a tremendous asset to our Conference. I regret to announce that as of July 1, Pat will be resigning as Associate Director. She will be moving to Arkansas to join her husband whose job has transferred him. We will miss her, but pray that God will guide her as she undertakes new adventures.

Our work as Conference Staff would not be possible if it were not for a sincere, dedicated office support staff. We are deeply grateful to Rosemary Lee, office coordinator; Doris Cropper, general office secretary; Maxine Baze, bookkeeper and Lee Vance, resource librarian.

I have given you an overview of the areas of responsibilities that your Conference Staff has been involved with. Specifics will be coming from the reports of the various boards and committees.

LUTHER HENRY, SR.

CENTRAL TEXAS CONFERENCE BOARD OF CHURCH AND SOCIETY

REPORT NO. 1

Approved 6-7-76

On July 19, 1975 the "new" Conference Board of Church and Society convened for its initial organizational meeting in Fort Worth, Texas. The make-up of the Board consisted of persons with diverse backgrounds and professions with only one member having previously served on the Board. Due to the situation it was felt that the Board members should spend the remainder of 1975 studying and becoming more familiar with its "missions" so as to better determine future goals and objectives to be pursued.

In this regard the Board, in following one of its predecessor's recommendations, has elected to strengthen its internal structure by maintaining the four basic standing committees; i. e., general welfare, world peace, human relations and emerging social issues. Through these committees, the Board has developed several areas of concern which will be addressed during the remainder of 1976 and throughout 1977 and 1978. Among these areas of concern are the following:

- | | |
|------------------------------|---------------------------------------|
| (a) Abortion | (f) Developing Nations |
| (b) Coping with Change | (g) Mass Media, prime time TV |
| (c) Mental Health | (h) Hunger and Poverty |
| (d) Crime and Rehabilitation | (i) The Sociol Creed — its use in the |
| (e) Bishop's Call for Peace | local church |

Contrary to past notions that the "Seminar" approach to educating concerned persons across the conference is ineffective, the Board has elected to conduct a series of seminars establishing a "ministry to divorced persons" during 1976. The first sessions of these seminars are set for May 2, 1976 and May 16, 1976 to be held at Fort Worth and Waco respectively. The seminars, to be led by Dr. Floyd Jennings, Reverend Bernie Stein and Reverend Tony Campbell, will place a major emphasis on how the divorced person can "pick up the pieces" and resume a productive and useful life. Should these two seminars prove successful, it is contemplated that others will be held around the conference as demands dictate.

In addition to this major undertaking for 1976, the Board will be disseminating across the conference packets of resource materials geared for local churches so that "Programs of Peace" might be initiated in each and every church in the conference.

For 1977 the Board has elected to develop and implement activities designed to enable people to better "cope with change" in our ever-changing society. Being cognizant that our society is vastly becoming a "plastic" (credit card), "technological" (computerized) and "automated" (machine) world, the Board felt that some attention should be given to how these concerns have and will continue to affect people and their human needs. In this regard, a task force has been organized and empowered by the Board to study and select those pertinent and critical areas most worthy of attention.

The major emphasis of the Board in 1978 will be directed toward the problem of alleviating "hunger" in the world. This effort will be a follow-up to the proposals made by this Board's predecessors. It is tentatively contemplated that this area of concern will be initially dealt with on a local level, and subsequently expanded on a broader level. To this extent, the Board has empowered a Task Committee to study and develop effective means to accomplish the stated goal.

The Board of Church and Society is alive, well and amidst the business of carrying out its "missions." United Methodists are urged to join with us in our programs and activities to further facilitate the understanding and needs of mankind.

Make available a list of competent, appropriate counselors for districts and local churches.

Coordinate all activities in this area with the General Welfare Committee of the Board of Church and Society.

M. G. SMATHERS, Chairman

COMMITTEE ON EVANGELISM, WORSHIP, AND STEWARDSHIP

The following represents the programs and goals of this committee for the coming year:

1. Sponsor a presentation of the Methodist Commitment Plan materials to every district COM in the conference by June 1977, and enlist at least one church in each district to try the plan.

2. We will ask churches in the conference what they are doing in the field of Evangelism that is successful. We will do this through the Texas Methodist, Coordinated Mailing, and by personal presentation at each district COM. The method of reply or feedback will be the Yellow Pages format.

3. To encourage and help pastors and lay persons to attend the National Council on Evangelism in Des Moines, Iowa, in January 1977. Our goal is to have at least two people from each district at this meeting.

4. To ask each district to have a workshop on worship.

5. We propose that the conference sponsor an Institute on Church Growth under the leadership of Bishop Stowe and Dr. George Hunter from Perkins School of Theology, on October 18-19, 1976. This would be a general institute open to laity and clergy. We also recommend that other evangelism workshops be held during the next quadrennium.

BOB EVANS, Chairman

COMMITTEE ON LEADERSHIP DEVELOPMENT

The Committee on Human Sexuality, established in 1970 (CTC Journal 1970, p. 91), and related to The Board of Discipleship (CTC Journal 1975, p. 129), operates as a task force of the Committee on Leadership Development thus allowing qualified and **Certified** leadership to work in this area. The Chairperson of this task force is a member of the Board of Discipleship.

To provide certified leadership to local churches in the area of human sexuality, plans are being made to carry through with Senior High Lab No. 2 and No. 3, and Adult Lab No. 3 to certify process leaders. To enable the Church to continue to speak to the needs of persons, the Committee is planning a Seminar on Sexuality with Elementary 5-6 and research on senior citizens.

To continue providing certified leadership in other areas the Committee suggests the following programs: a) Convocation for persons working on certification to help these persons write lesson plans (and for support and reassurance); b) continuing education for Certified Lab Leaders to work on consultation skills and communication techniques — also to include local church leaders and teachers who are interested and who could use additional skills; c) Local Church training events, led by a Certified Lab Leader in a local Church, with its teachers and students on a given Sunday.

The Leadership Development Policy, The Committee feels, must be understood as a **Covenant** and should be called such and should be presented to prospective Certified Laboratory Instructors as a covenant to stress the importance of persons following through with their commitment to the Conference that has invested so much in them.

MARCUS N. CHILDRESS, Chairman

TASK FORCE ON HUMAN SEXUALITY

The Task Force on Human Sexuality of the Central Texas Annual Conference is created by the Leadership Development Committee of the Board of Discipleship. The members are: Chairperson and Board Representative: Jenna Shultz; Certified Leaders: Mrs. Harold A. Coan (Beverly), Gus Guthrie, Homer Kluck, Mr. Dick Lord; Member-at-Large: Robert Cope; Participating Parent: Mr. James Patterson; Program Staff Representative: Pat Halwes.

The Task Force certifies to the conference the following persons to lead the laboratory course "The Role of Sex in Christian Living" for Junior Highs and their parents: Mrs. Harold A. Coan (Beverly), Gus Guthrie, Homer Kluck, Mr. Dick Lord.

Five persons are working toward certification to lead the laboratory course: "Love and Sex in the Christian Faith" for Senior Highs and their parents.

The 1976 goals for training, for providing information and promotion packets and for meeting to review and set policies are being met.

The 1977 goals reflect the intent of the Task Force to expand the human sexuality concerns to include **every age group**.

1. To certify process leaders in Senior High by providing two conference training events and sending one leader to be certified outside the conference.
2. To provide financial resources for training leaders in Sex Education for Adults.
3. To conduct a one-day skills workshop for workers with older elementary children.
4. To explore the possibility for ministry with Senior Citizens in the area of Human Sexuality.
5. To prepare and mail to each District Superintendent and each age-level coordinator an information and promotion packet on Human Sexuality labs and training events.
6. To structure at least two work sessions of the Task Force, one in the spring and one in the fall.

CONFERENCE CAMPS AND ASSEMBLIES COMMITTEE

The year-round usage of Glen Lake and Rainbow Camps continues to grow as persons discover the many benefits of outdoor Christian Education. In 1975 8,692 persons used either Glen Lake or Rainbow for a total of 22,777 camper days. A wide range of educational, spiritual and physical needs for persons of all ages were met through conference, district, and local church events. The utilization of the camp facilities was further enhanced by the addition of several mobile units provided by the Board of Church Extension. These units provide greater flexibility in allowing more capacity for the camps to provide for small group meetings.

With the increasing interest in the outdoors and the ever rising volume of persons using Glen Lake and Rainbow, the Committee has become aware of the need for opportunities for off-site camping experiences and for long range plans for making wise choices concerning the maintenance and development of camp facilities and staff. Opportunities for off-site camping are planned for youth in the summer of 1976 that include a Central Texas Bike Hike, Colorado backpacking, and canoe trips on the Buffalo River in Arkansas and the Canadian boundary waters of Minnesota. The Glen Lake and Rainbow Trustees have formed a long range planning group to deal with the question of capital improvements and the Camps and Assemblies Committee has turned its attention to the consideration of program and personnel. It is felt that the concept of Camp Manager/Director, that has been under consideration for several years may provide a workable guideline for developing program and personnel policies for Central Texas Conference camping ministries. The committee has determined that a complete study of the concept, its feasibility plus any recommendations for its implementation, will be submitted to the Annual Conference Council on Ministries in the Spring of 1977.

BOARD OF HEALTH AND WELFARE MINISTRIES
HARRIS HOSPITAL — ANNUAL REPORT — NO. 1
1976

Patient Care Factors:

During the Fiscal Year 1974-1975, 178,449 days of adult care were given; this was a decrease of 7,428 days when compared to the previous year. In addition, 18,415 days of newborn care were given — a decrease of 467 when compared to the previous year.

The decrease of 7,428 adult patient days of care was occasioned by a decrease in beds available for patient care. The reduced bed complement necessitated by the construction and modernization program was in effect for all Fiscal Year 1974-1975. This reduction in total bed complement resulted in 26 fewer total beds and of equal significance resulted in the continued loss of the availability of 93 private accommodations.

The Hospital, like all individuals, businesses and service institutions, has been affected by inflation and substantially rising operating expenses so that our budget for the coming year amounts to \$27,516,465.

Purchase of Equipment:

During the year the Board of Trustees of the Hospital has authorized the purchase of capital equipment and plant improvements in the amount of \$1,162,386.

Phase IV-Construction:

Phase IV construction, which encompasses one-half of the fourth, third and second floors, began on August 2, 1974. During the month of February, 1975, 27 beds were opened on the south half of the fourth floor and 24 beds were opened on the south half of the third floor, totaling 626 beds. The second floor will contain a Cardiac Catheterization Laboratory, Respiratory Therapy Department area and additional Intensive Care treatment. The estimated completion date on the project is mid summer.

Phase V-Construction:

Phase V construction will begin this calendar year, and will encompass the north half of the fourth, third and second floors.

Medicare:

The number of patients covered by Medicare, compared to our total patient load for the past Fiscal Year, was 17.53% of admissions and 33.19 of patient days. The average length of stay of the Medicare patient was 11.75 days compared to 7.3 days for the non-Medicare patient. The Medicare Law is so constructed that the Hospital is forced to discount Medicare patient bill 13.4% (currently) below normal billings; this enforced discount must be made up by the non-Medicare patient; these regulations are totally unfair to the non-Medicare patient.

Golden Cross Program:

During the Fiscal Year 1974-1975 Harris Hospital received \$13,005.00 from the Conference for use in its Golden Cross program; the net amount of Golden Cross (charity services) given during the Fiscal Year was \$520,824.06.

Nominations and Appointments:

Since the Board of Trustees Annual meeting does not occur until April 29, 1976, it is recommended that the Nominations to the Conference for Trusteeship be reported immediately after that date.

We are most appreciative of the support of the members of the Central Texas Conference of the United Methodist Church.

HURST-EULESS-BEDFORD HOSPITAL — ANNUAL REPORT — NO. 2
1976

Patient Care Factors:

During the Fiscal Year 1974-1975, 27,079 days of Adult care and 2,071 days of newborn care were provided by Hurst-Euleless-Bedford Hospital. Inpatient admissions and deliveries for the same period were 4,603 and 467 respectively.

Financial Stability:

Hurst-Euleless-Bedford Hospital completed its first full audited Fiscal Year of operation under the auspices of Harris Hospital and the Central Texas Conference of The United Methodist Church on September 30, 1975. The audit report attests to a vastly improved financial picture over any other period of hospital history. Occupancy, working Capital, the current Ratio and the Hospital's net worth all showed substantial improvement over previous periods.

Purchase of Equipment:

During the year of October, 1974 to September 30, 1975, the Board of Trustees of the Hospital has authorized the purchase of capital equipment in the amount of \$84,442.

Medicare:

The number of patients covered by Medicare, compared to the total patient load for the period October 1974 to September 30, 1975 was 11.0% of admissions and 14.9% of patient days. The average length of stay of the Medicare patient was 9.5 days compared to 5.7 days for the non-Medicare patient. The Medicare Law is so constructed that the Hospital is forced to discount the Medicare patient bill 13.0% (currently) below normal billings.

We are most appreciative of the support of the members of the Central Texas Conference of the United Methodist Church.

Wherever people care and serve others, God is there. Our finest expression of faith is our compassion and concern. We like to feel that we are your faith.

In our Golden Cross Service we like to feel that we are the extended hand of your church as we serve others in His name. It is indeed great to be a part of an institution in which I can say concerning Golden Cross Service, "If your need is valid, don't worry about your hospital bill."

CLINICAL PASTORAL EDUCATION**HARRIS HOSPITAL****Report No. 4**

During the past year, Harris Hospital has been a training facility for theological students and pastors. Men and women, desiring to improve their pastoral skills in crisis situations, have submitted themselves for close supervision and self-examination. The result has been a greater confidence in the power of the pastoral role, the appreciation of their own "gifts and graces," and an increased competence in relating to emotional and spiritual struggles faced by hospitalized people and their families.

Each student has been granted recognition and credit from the Association for Clinical Pastoral Education, Inc. In addition, those seminarians enrolled have received grades and hours credit toward their degrees. Each student attests to the fact that the past year has been a time of learning and serving.

METHODIST MISSION HOME

Report No. 1

In 1975 four hundred forty two (442) individuals were served directly in a time of great need by the Methodist Mission Home. There were 124 maternity clients, 85 babies, and 162 adoptive parents, and 71 hearing impaired young adults. This does not include those served indirectly, such as parents, grandparents, other loved ones and friends whose lives were blessed because of the ministry at the HOME.

The maternity-adoption service and the rehabilitation center for the hearing impaired young adults, are both serving vital needs in Texas and New Mexico.

Maternity-Adoption Services

The maternity-adoption service continues to offer "more than shelter" to young women in need, as well as to the infant and the adoptive parents. The maternity program continues to improve, and broaden its scope. There were several planned meetings of group counseling with parents of the maternity residents during 1975, and the outpatient service has now expanded to the point where there were 16 such clients in 1975.

Southwest Center for the Hearing Impaired

Through the Southwest Center for the Hearing Impaired, 71 clients were served in 1975. Two clients were graduated in May, 1975, with another ten receiving their certificates in February, 1976. "Graduation" for these persons meant they had satisfactorily completed basic training and had been exposed to a variety of jobs and work situations which met their particular capabilities. Most go into full-time employment, while all are ready as soon as employers can be found.

Budgets

The budgets for the operational expenses of both programs now in effect at the Methodist Mission Home — maternity/adoption and young adults with hearing impairments — total \$810,000 (\$386,000 maternity/adoption, \$424,000 hearing impaired).

The Central Texas Conference gave \$13,318.36 to the Methodist Mission Home in 1975. The total giving from all conferences amounted to \$146,319.10. Each of the seven participating conferences has equal participation and representation on the Board of Trustees which meets twice a year — April and November.

Expanded services necessitates growing budgets. New sources for funds have been actively sought to offset the growth, with the present structure adequately covering plans. Church giving increased last year by over 10% through conference channels, and 14% through special appeals. Foundation and Endowment Fund support is being actively sought, with several responses very encouraging. All accounts for the HOME are carefully supervised to maintain the integrity of fund application to the purposes for which the gifts are given.

The Methodist Mission Home is currently exploring ways to further improve its services, with several specific areas under consideration: 1) physical fitness facilities, crucial to both segments of the service population; 2) additional men's housing to maintain balance among hearing clients; 3) development of sheltered workshop programs for hearing clients unable to achieve full independence.

Pastors and others knowing of those in need of either of the two services of the Methodist Mission Home are urged to contact the office, located at 6487 Whitby Road, San Antonio, Texas. 78240.

PROBLEMS TO BE RESOLVED:

A. INCREASING NEED FOR TEEN-AGE PLACEMENT:

47.6% of the applications received by Methodist Home were for adolescents between thirteen and fifteen years of age, with at least

one parent in the home, and the inability of the parent, school, or community to cope with the problem. This kind of treatment-oriented care is very expensive, comparable to hospital costs.

B. SHORT TERM TENURE:

63.4% of Methodist Home children have resided at the Home for three years or less. One factor is the ability in the treatment-oriented problem solving concept to reunite the child and the family in the span of three years.

The short term tenure problem, involving an increasing number of teenagers, is the tremendous stress placed on child care workers that results in too-frequent turn-over of staff.

C. THE NEED TO COMPLETE THE RANCH PROGRAM:

1. Helping the boy is always central to the working ranch concept. To date two of the five ranch houses have been built. The need to complete the facilities and develop the 2100 acres into a productive program including cattle, swine, poultry, sheep, and gardening is crucial to meeting the needs of the boy.

2. Some of our boys cannot compete in public school even with Special Resource assistance. We must develop an adequate work-education program in the ranch setting.

D. NEED FOR INCREASING FINANCIAL SUPPORT FROM THE CHURCHES AND Individuals in order to develop a higher level of competency, flexibility, professional toughness, and compassionate caring. The income from the Methodist Home Endowment provides for 60% of our budget. But the December Christmas Offering significantly enables the Home to provide the kind of Christian quality care that is required to meet the needs of today.

PROBLEM SOLVING:

1. **THE LONG-RANGE PLANNING COMMITTEE**, chaired by Honorable Tom Reavley, is studying six hundred surveys completed by conference lay persons and clergy, alumni, and professional care workers, from Texas and New Mexico. Following careful consideration, recommendations from this committee will be placed on the agenda of the Methodist Home Board. This committee has placed no restrictions on their area of concern as they consider child/youth care needs for the future.

2. **UPGRADING OF WORKING CONDITIONS AND BENEFITS:** The Board and Administration continues to improve salary benefits, continuing education/training, and team support systems for the child care worker.

3. **FIVE YEAR RANCH PLAN:**

The Atkisson Dining Hall, Jefferies Food Service Center, and the Gayle Greenhouse are under construction. The Ranch Committee has instituted a five-year plan to bring the Ranch to full productive capability. Three additional ranch houses, recreation building, and Chapel are projected for the future as donors respond to the needs.

4. **DEDICATION OF THE ABE AND LOUISA MULKEY RELIGIOUS EDUCATION CENTER** and **W. C. DEW LIBRARY** now enables the Chaplain and his staff to more effectively work with the children and

staff through spiritual enrichment and nurture toward self-fulfillment under God.

THE CENTRAL TEXAS CONFERENCE CAN HELP METHODIST HOME BY:

1. FULL UTILIZATION OF Miss Cindy Blanton, Methodist Home Services, P. O. Box 12038, Dallas, Texas; or Mrs. Peggy Wooten, Director of Foster Care, 1111 Herring Avenue, Waco, Texas for inquiries, referrals, applications, and intake studies.
2. INCREASED AWARENESS OF THE UMBRELLA OF SERVICES BY ON-CAMPUS TOURS IN ADDITION TO VISITS BY METHODIST HOME CHILDREN AND STAFF TO LOCAL CHURCHES AND DISTRICT MEETINGS.
3. INCREASED FINANCIAL SUPPORT FOR OUR EXPANDING CHILD CARE PROGRAM THROUGH THE DECEMBER CHRISTMAS OFFERING.
4. ASSISTANCE IN SECURING SPECIAL GIFTS, MEMORIALS, BEQUESTS, TRUSTS, equipment, and supplies.

WESLEYAN HOMES, INC.

Report No. 1

Forty-four persons were admitted to Wesleyan Homes, Inc. this Conference year, keeping it filled to capacity.

We have a long list of applicants who have made deposits, and are waiting to come into the Home.

Many repairs have been made on the building throughout the year, including the rooms, air conditioning, boilers, and many new hospital beds, hot carts, blood pressure machines and other necessities have been bought for the infirmary.

Our Building Committee meets faithfully to complete plans for the new nursing home. The Board of Trustees and the Building Committee is asking that the Conference grant them permission to spend, if need be, \$1,600,000.00 for the building and furnishing of the new nursing home. We have on hand in cash, stocks, and bonds, the amount of \$400,000.00, which is derived from will and legacies of Miss Laura E. Hill, Miss Nona Akord, and the McLemore Estate. With the permission that has already been granted to borrow \$1,200,000.00, plus the \$400,000.00 on hand, the Building Committee and Architects feel that the Nursing Home will be completed with building and furnishings.

We have an option of 7.8 acres of land from the Doctor's of Georgetown to build a new nursing home on.

Many people come daily knocking on our door wanting to come into our home, but because of lack of room, we are unable to help them at this time. But, with the new nursing home, we will be able to take care of 120 more people. Our present facility will be able to return back to a retirement home, as it was originally planned.

The residents and staff are making great plans for Mother's Day and plan to have the best attendance in the history of the home. Planned on this day, is the dedication of the awning that the residents, deceased and living have been giving in memorials for almost 13 years. On this Mother's Day, many will see their gifts in honor and in a living memorial to all who have died and are now living.

We are grateful for the gifts of money that are coming in to the Wesleyan Home and also to the new nursing home. We are also grateful to all who have made the Wesleyan Home truly a wonderful place to live for our Senior Citizens.

We want to thank Bishop McFerrin Stowe, the Cabinet, the Ministers, the Laymen and Laywomen, the youth and children of the churches in the Central Texas Conference who have helped us make the Wesleyan Home one of the best in the State of Texas, as has been stated by the Health Department of the State of Texas many, many times. We have a great staff, and a great group of residents. We invite every Methodist, and everyone to come visit their home at 1105 Church Street, Georgetown, Texas.

FOUNDATION FOR AGING

Approved 6-8-76

I. REQUEST FOR FUNDS

This is a request for \$10,000 for use as matching funds in seeking a grant to establish a FOUNDATION ON AGING to assist rural churches (including extended ministries) in developing special ministries to the aged. A portion of the funds will be granted to congregations seeking assistance from the FOUNDATION ON AGING.

II. OBJECTIVES OF THE FOUNDATION

The establishment of the FOUNDATION ON AGING is an effort on the part of the Central Texas Conference of the United Methodist Church to improve its effectiveness in providing social ministries to the aged by:

1. Working in concert with ten rural congregations or extended ministers to plan and implement social ministries to the elderly of their communities.
2. Providing two workshops for church staffs and lay-persons to develop social service skills in working with the elderly.
3. Providing leadership in securing facilities and money to initiate and sustain new aging ministries.
4. Providing leadership in coordinating and cooperating with others who serve the elderly.

5. Providing other assistance as requested by the annual conference or any of its churches.

III. RATIONALE FOR THE DEVELOPMENT OF THE FOUNDATION

Many elderly live in rural settings and they need the Church.

A high percentage of the elderly in rural communities and open space live in isolation with limited access to community services or social environments. Many small rural churches are accessible to the aged but lack the financial resources and social service skills to develop the setting in which the needs of older persons can be provided.

A look at 24 counties in the Central Texas Conference indicates that:

1. In fourteen counties at least 24 per cent of the total population are persons age sixty and over.
2. At least half of the elderly live in towns of less than 2,500 persons or in rural open space.
3. About 40 per cent of the elderly are poor.
4. More than one out of every four older persons live alone. (See attached table.)

While four to five per cent live in nursing and retirement homes, another 10 to 12 per cent are homebound.

Rural churches are strategically located for aging ministries.

The church with its buildings stands at the center of the community. It already has the advantages of long established community acceptance, accessibility to the aged, and a mandate to serve human need. Within the church an environment can be created in which the elderly can continue to live full lives, maintain independence and human worth, and discover opportunities to serve and befriend others. To those who are isolated and homebound, the church can extend its care and concern. Possible ministries include:

1. Shutin programs such as meals-on-wheels, escort services, telephone reassurance, grocery shopping assistance, emergency vigilance, and medical equipment loan programs (crutches, wheel chairs).
2. Activity center programs of religious, educational, and recreational nature.
3. Service opportunities for the active older person who wants to continue serving others. These volunteers provide the leadership and manpower for the activities described above.

The FOUNDATION is a focus for the needs of the aged.

The FOUNDATION would provide the focus on aging needs and assistance to churches in developing effective low-cost ministries. The FOUNDATION staff will assist the local minister and congregation in:

1. Exploring the needs the local church is capable of doing.
2. Finding and reaching the elderly.

3. Recruiting and training volunteers.
4. Planning and initiating ministries.

In addition, the FOUNDATION has these major ongoing functions:

1. Providing periodic training for church staff and lay-persons throughout the conference.
2. Seeking funds for aging ministries.
3. Conducting studies and submitting any reports on aging requested by the conference.
4. Coordinating with other churches and agencies who also serve the elderly.

IV. PROCEDURE AND GOVERNANCE

A Foundation on Aging Task Force, to be nominated by the Annual Conference Committee on Nominations and elected by the 1976 Session of the Annual Conference, and which shall be amenable to the Board of Global Ministries, shall give direction and oversight to the Foundation on Aging until its incorporation. In addition to operational direction and oversight, the Task Force, through the Board of Global Ministries, shall recommend an appropriate charter for incorporation and a set of by-laws to the Annual Conference for ratification.

The Task Force shall have eleven members of whom three shall be age sixty or over and at least four shall be lay persons.

Suggested Task Force Makeup: One shall represent the Bishop's Cabinet, being either a District Superintendent or the Annual Conference Treasurer, as the Cabinet shall designate. One shall be the Chairperson of the Board of Global Ministries. One shall be the Chairperson of the Committee on Parish Development of the Board of Global Ministries. Two shall be full time professional staff persons of the Foundation on Aging and shall be ex-officio members of the Task Force, but without vote.

The Task Force shall meet bi-monthly beginning January, 1977 and until the Foundation has been duly and legally chartered or becomes inoperative.

V. FOUNDATION STAFF

The staff will be composed of two full-time professionals (minister and/or layperson) and a secretary. The two professionals would be experienced in the program of the church, the development of services for the aged, community organization, program management, training and fund raising.

It shall receive applications for loans upon such form as may be approved by it and shall make loans upon such terms as it may determine. All loans shall be secured, but it shall not be required that the security be a first lien; provided, however, that in making any loan it shall be determined that the security offered is sufficient to cover both the amount of the loan to be made and any prior indebtedness, in which case the loan will be considered properly secured, notwithstanding that the reasonable fair value of the security in

relation to the total indebtedness may not be as great as that customarily required by other lending institutions. In making loans the directors are authorized to consider the benefits to accrue in the work of the church at large from a loan service which will supplement existing sources of funds to local churches and institutions lacking in capital assets by having a sound prospect of success in meeting their financial commitments; however, the directors in the exercise of their discretion also shall consider that timely re-payment of loans in every case should be assured to the fund in order to preserve its permanence and best use. (As amended, 1971.)

b. The Board of Directors, by resolution adopted by a majority of the directors in office, may designate one or more committees, each of which shall consist of two or more directors, to have and exercise the authority of the Board of Directors in the management of the corporation; but the designation of such committees and the delegation thereto of authority shall not operate to relieve the Board of Directors of any responsibility belonging to it.

c. Other committees not having and exercising the authority of the Board of Directors in the management of the corporation shall be designated pursuant to resolution of the directors.

d. Except as otherwise provided by resolution, members of each committee shall be members of the Board of Directors of the Foundation or of the Board of Global Ministries of the Central Texas Conference, and shall be appointed by the president.

e. Any committee member may be removed by the appointing authority.

f. Unless otherwise provided in the resolution calling for the creation of a committee, a majority of the members present at a meeting of which a quorum is present shall be the act of the committee.

SECTION SIXTEEN

Fiscal Matters. a. The fiscal year of the corporation shall coincide with the fiscal year of the Annual Conference. (As amended, 1971.)

b. At the close of each fiscal year there shall be an audit of the Foundation's accounts by the auditor of the Central Texas Conference, and copies of the report of the audit shall be distributed by the secretary as in the case of other funds of the Central Texas Conference.

c. The income of the Foundation remaining after all proper expenses of operation have been paid and continuing until the expiration of twelve months after the close of the fiscal year in which it is earned may be used for such gifts or grants as the Board of Global Ministries with the concurrence of the Board of Directors of the Foundation may direct. (As amended, 1972.)

SECTION SEVENTEEN

Seal. The Foundation shall have a seal, circular in form, bearing the name of the Foundation and the word, "Seal."

SECTION EIGHTEEN

Amendment. The by-laws may be altered, changed, or amended by the Board of Global Ministries of the Central Texas Conference, subject to ratification by the Annual Conference.

BOARD OF PENSIONS**Report No. 1****Approved 6-9-76**

The Board of Pensions recommends that the solicitation for the 1976 phase of the Limited Capital Funds Campaign for Pensions be conducted in the early part of September, 1976.

Mr. Sidney G. Terry has been selected as Executive Director of the Campaign and his office is Box 766, Meridian, Texas 76665.

Mr. Jud Cramer is the General Chairman of the campaign and Chairman of the Steering Committee.

All the district chairmen and co-chairmen have been secured and they are presently at work securing the solicitors in their districts.

The Board of Pensions recommends that the annuity rate be set at \$90.00 a service year beginning January 1, 1977. The increase of \$5.00 is made possible through the accumulation of interest monies. This increase, therefore, will be made with no additional cost to the Conference or to the churches.

We call attention once again to the law regarding rent and utility allowances for superannuated ministers as contained in the income tax manual, paragraph 860, code section 107, regulation paragraph 1-107-1 Internal Revenue Code 1954 as amended.

Respectfully submitted,

WALTER L. UNDERWOOD, Chairman
Board of Pensions

BOARD OF PENSIONS**Report No. 2****Proportioned Payments****Received 6-9-76**

For the first time in many years we are happy to report that no pastoral charge is delinquent on Conference Claimant payments for the Conference year 1975.

We also are pleased to report that we are receiving payments to clear past claims. This is a real help because unpaid claims are deducted from the ministers retirement benefits.

BOARD OF HIGHER EDUCATION AND MINISTRY**Report No. 1****Approved 6-8-76****Committee on Clergy Benefits****A. Committee Goals and Program for 1977**

1. To administer the Annual Conference's Programs and plans of Equitable Salaries, Clergy Group Insurance, and Clergy Moving Expense.
2. To evaluate the above areas and all areas pertaining to the clergy members of our conference so as to strengthen, supplement or add to the existing programs as needed in order to better serve our purpose.
3. To work in a cooperative and supportive manner with the Committee on Area Counseling, the Board of Pensions, The Trustees of Homes for Retired Ministers, and the Board of Ministry.
4. To enroll all ministers coming in on probation and those receiving Equitable Salary Payments who are eligible for insurance coverage in the Conference Insurance Program.

B. Equitable Salary Support Supplement

1. We recommend that the 1977 minimum salary support be increased by 5% over the 1976 level of support for all classifications. The proposed 1977 Equitable Salary Schedule Funding would come from the interest received from the Equitable Salary Reserve Funds and from the principal as needed to supply the balance of funds needed.
2. The proposed increase, and other proposed clerical changes in the administration of the fund would amend the Standing Rules (Central Texas Conference Journal 1975 pp. 167-169) Paragraphs of "Administrative procedures" numbered 1-4 would remain as stated. Let Paragraph 5 read:
 5. "The salary supplements shall be computed according to the following classifications:
 - (A) For a conference member in effective relationship the salary supplement shall be the amount necessary to make the salary \$7,560 per year (from \$7,200), but in no case shall the sum required be more than \$2,000.
 - (B) For an associate member or probationary member, and not enrolled as a student during the year, the supplement shall be in the amount necessary to make the salary \$6,300 (from \$6,000), but in no case shall the sum required be more than \$2,000.
 - (C) For a full time approved lay pastor, who is an ordained elder, and who for the previous five consecutive years has served as a full time approved supply pastor within The Central Texas Conference, the supplement shall be the amount necessary to make the salary \$5,670 (up from \$5,400) per year, but in no case shall the sum be more than \$2,000.

- (D) For a full time approved lay pastor, who does not meet all the qualifications of paragraph (C) above, the supplement shall be the amount necessary to make the salary \$5,300 per year (from \$5,050) but in no case shall the amount required be more than \$2,000.
- (E) For a student pastor, either a student pastor on probation, approved student lay pastor, or a lay pastor who has not previously served a pastoral charge, the supplement shall be the amount necessary to make the salary \$5,290 per year (from \$5,040), but in no case shall the amount be more than \$2,000.

Paragraph (f) of the "Administrative Procedures" which pertains to mileage remuneration for seminary students, shall remain as stated in the 1975 Conference Journal.

6. The District Superintendents shall be responsible for making the program effective in their respective districts, and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges not less than \$1,800 per year. It shall be the responsibility of the District Superintendents, upon notification by the Committee on Clergy Benefits, to apply for Equitable Salary support for all qualified ministers within their respective districts in January of each year. The application shall certify that the "Administrative Procedures" are met in full, give the salary support of the charge for the current calendar year, and the amount of funds needed to realize Equitable Salary for that minister.
7. Equitable Salary payments for those qualifying shall be made on August 31, December 31, February 28, and May 31.
8. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts and expenditures by the Conference Treasurer from the Equitable Salary fund, and this statement shall be published each year in the Conference Journal. Expenses for the administration of the Equitable Salary program shall be allowed from the Fund. Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10%) per cent of their classification.

C. Conference Hospitalization, Life, Accident, and Disability Group Insurance

The Conference is currently served by Ministers Life and Casualty Union, Minneapolis, Minnesota. Coverage for lay employees of local churches of the Conference is available from this company at rates commensurate to the Clergy Group.

We recommend that the Conference re-examine its current insurance coverage by this company. (The Clergy Benefits Committee is currently gathering information for study and will recommend one of three options for action by the 1976 Annual Conference.

- Option 1. Continue the same coverage with same company, granting authority to the ACCOM to approve for the Annual Conference any new program proposed by the Board before next Annual Conference.

We request an anticipated need of \$81,300 for the Insurance Program in 1977. This includes \$1,300 for administration of our Conference's responsibility for the program. (We recognize that we may have to change this request, depending upon the results of the current study and the recommendation that may be made by this Committee concerning insurance.)

We strongly recommend that all persons coming into the Probationary Membership of the Annual Conference, and those persons receiving Equitable Salary payments, where eligible, be enrolled in the insurance program.

- D. We recommend that the Insurance Representative or contact person for our Annual Conference be the Conference Secretary-Treasurer.

E. **Conference Clergy Moving Expense Plan.**

We recommend the continuation of the Clergy Moving Expense plan. In order that the plan be more fully understood, we reproduce the guidelines for its administration and operation.

We recommend the continuation of the Clergy Moving Expense Plan, and that the expenses of the plan be paid each year out of the Operating Reserve. The CFA will have the authority to apportion to the Districts the total amount expended on the basis of the decimal, determined annually, as authorized in the Standing Rules.

In order that the plan be more fully understood, we reproduce the guidelines for its administration and operation.

1. There shall be an Annual Conference Moving Fund from which the following payments shall be made: The actual cost of moving, not to exceed \$50.00, shall be paid to every minister eligible to receive allowance from the fund. In addition, a mileage allowance of \$1.00 per mile shall be paid, provided that the total allowance for moving expenses to be paid shall not exceed \$150.00.

The following shall be eligible to receive the moving allowance:

- a. All ministers appointed as pastors or associate pastors of churches or as District Superintendents within the bounds of the Central Texas Conference.
 - b. All ministers receiving appointment to boards, agencies, and institutions (except those appointed to attend school) who have an annuity claim upon the Conference.
 - c. All ministers transferring into the Conference, whose mileage allowance will be only for the miles within the boundaries of the Central Texas Conference.
 - d. Retiring ministers and the widows of ministers who have died during the Conference year will be eligible for moving allowance for the initial move only.
 - e. Ministers receiving Disability Leave shall be eligible for moving allowance for the initial move only.
2. The following provisions shall be observed:
 - a. Only actual expense of moving is to be paid on moves that

- cost less than the Conference allowance.
- b. Moving expenses that are paid by other sources (agencies, boards, institutions) shall not be duplicated by the Annual Conference.
 - c. Payment shall be made by the Conference Treasurer on receipt of an itemized statement of moving costs.
 - d. It is suggested that the receiving church pay the difference between the Conference allowance and the actual moving expense.
3. The Board of Higher Education and Ministry shall be responsible for administration of the Moving Expense Plan shall be provided by all churches of the Annual Conference according to an apportionment to be determined by the Council on Finance and Administration.

HENRY RADDE, Chairperson

T.C.U. WESLEY FOUNDATION

Report No. 1

Approved 6-8-76

The TCU Wesley Foundation Board of Directors, at a meeting duly held at 12:00 Noon, on May 17, 1976, at the Wesley Foundation Building, 2824 West Lowden, Fort Worth, Texas, unanimously adopted the following resolution:

"RESOLVED, that the TCU Wesley Foundation Board of Directors requests of the Central Texas Annual Conference, its appropriate boards and committees, approval for and all necessary authorization and action to accomplish the following:

"1. A non-cash exchange with Texas Christian University of the present Wesley Foundation Building property at 2824 West Lowden, Fort Worth, Texas— described as Lot 15, Block 4, University Place Addition — for the property at 2831 and 2837 Parmer, Fort Worth, Texas — described as Lot 9, Block 12, Frisco Heights Addition, and Lot 1, Block 1, Prospect Heights Addition — all being additions to the City of Fort Worth, Tarrant County, Texas; and

"2. Construction of a new Wesley Foundation Building at TCU on such new property — or on the present property if the land exchange fails for any reason — at a cost not to exceed \$100,000.00, with necessary funding and financing."

Texas Christian University has offered to exchange these properties without cash consideration, contingent on TCU at its expense first obtaining the needed CF zoning on the Parmer Street property and with stipulation that the TCU Wesley Foundation may use its present facilities until it can move into the planned new facility. This Board of Directors, after study, is certain that the exchange is advantageous to TCU Wesley Foundation. The Parmer Street lots adjoin each other and afford frontage on three streets. They will afford greater building and off-street parking area, easier accessibility, and are across the street from the TCU campus. The need for a new building is critical, and remodeling of the existing old residence is economically infeasible.

The Board of Directors proposes and believes that the financing and funding can be realistically accomplished in the following manner, for which Annual Conference permission and approval is requested:

1. \$45,000.00 over a 3 year period (\$15,000.00 per year) out of "Conference Projects" moneys, beginning January, 1977, as voted by the Conference Committee on Finance and Administration (CFA) at its meeting on April 20, 1976, subject to Conference approval.

2. \$3,700.00 cash in hand (consisting of gifts to TCU Wesley Foundation of \$2,500.00 by the Hesta Stuart Christian Charitable Trust and \$1,200.00 by Westcliff United Methodist Church).

3. \$26,300.00 to be raised through pledges and gifts over a 5 year period in the Fort Worth West District by a campaign to be conducted immediately upon Annual Conference approval. (Verbal commitments in the amount of \$15,000.00 have been given even without promotional campaign.)

4. Authority to the Trustees to mortgage the property of TCU Wesley Foundation in an amount not to exceed \$70,000.00, payable over not more than 10 years, with prepayment privilege, in order to provide immediate construction funds when needed.

REPORT OF

THE AREA COUNSELING COMMITTEE

Report No. 1

Approved 6-8-76

"The helpfulness Rev. Wiksten bestowed on me and my children will be respected the rest of our lives. We had no professional person to turn to in our time of great change. Rev. Wiksten listened to us with great compassion and understanding, allowing us to work out our problems in a way that would benefit us all."

"I have felt at ease and have grown personally because of our sessions. Everything has been kept in strict confidence and I do not feel I have hurt my ministry in the appointive system by visiting with De Forrest. In fact, my sessions have probably increased my chances for better appointments, because I am a better person and thus a better minister."

"I feel it has been the single most helpful experience in my life, enabling me to develop direction, a sense of personal worth and being able to enhance the lives of those with whom I live and work."

These are but three of a mountain of responses which the Area Counseling Committee could present as a means of affirming the very wholesome and helpful ministry which the Area Counselor provides the ministers and ministerial families of the Central/North Texas Conferences.

The ten years the office has been in existence has not been without frustration and error. It is the feeling of the present Area Counseling Committee that one error which we have committed has to do with the makeup of the committee itself. The most serious factor which we have had to seek to combat since the inception of the Area Counseling Office has been the suspicion that the Area Counselor is but an arm of the Bishop, Cabinet and/or Board of the Ministry. Although this is the farthest thing from the truth, nevertheless you have to deal with where people are rather than deal with

where you wish they were. Thus in response to this "suspicion," the Area Counseling Committee requests this conference, in tandem with our sister conference, to pass the following action in order to avoid having the committee made up of persons who are part of the "establishment:"

THE AREA COUNSELING COMMITTEE SHALL BE COMPRISED OF THE FOLLOWING MEMBERSHIP:

1. Four ministers in Full Connection, two of which shall have been in Full Connection for less than ten years, and none of which shall currently be members of the Board of the Ministry (or its counterpart) or members of the Cabinet; and two of which shall be from each participating conference;
2. The Chaplain of Methodist Hospital in Dallas and the Chaplain of Harris Hospital in Fort Worth;
3. Two members of the faculty of Perkins School of Theology (preferably one from each participating conference.)

THESE PERSONS SHALL BE NOMINATED BY THE NOMINATING COMMITTEE OF THE RESPECTIVE CONFERENCES. UPON THEIR ELECTION THEY SHALL ELECT THEIR OWN OFFICERS OF CHAIRPERSON, VICE CHAIRPERSON, SECRETARY AND TREASURER.

Also, the Area Counseling Committee, in response to the ever increasing amount of marital strife among parsonage families, has recommended to the respective conference organizations having to do with Family Life that

"The representatives of the Area Counseling Committee strive to work with the Board of the Ministry (or its counterpart) and the Conference Committee on Family Life (or its counterpart) for the purpose of providing an annual Marriage Enrichment workshop for ministers and their spouses. Consideration should be given to making this a total family enterprise by making available recreation and activities for the children.

The districts of the respective conferences be approached relative to the conducting of Marriage Enrichment sessions utilizing DeForrest Wiksten's leadership. Effort should be made to have at least one each year with the intention that the entire membership of the conference will have attended one of these small settings within a three year period and continued in three year cycles henceforth."

Furthermore, letters have been sent to the two seminaries in our bi-conference area requesting that they include "either a formal or informal curriculum having to do with Marriage to be made available to both single and married students on an annual basis." A specific request was made of Perkins School of Theology that "the Continuing Education section of (that school) make available a 'marriage unit' which can be used by both clergy and laity."

The committee sincerely hopes these areas of request will be honored and pursued with diligence.

Respectfully submitted,

Don M. Pike

RESEARCH AND PLANNING COMMITTEE**Report No. 1****Approved 6-8-76****Recommendations and Suggested Procedures for Implementation
of The Local Church Self-Study**

The following statistical tables and graphs are provided for each local church by the Research and Planning Committee of the ACCOM. It is the hope of the Research and Planning Committee and the ACCOM that these statistics and graphs will be used as a beginning step in each local church for self-study.

SUGGESTED PROCEDURES:

- 1) An analysis of statistical data at Annual Conference on Tuesday morning, June 8.
- 2) Each local church will select an appropriate body to study statistical tables and graphs following Annual Conference. (Local Church Council, Administrative Board.)
- 3) Each local church will submit by a written report to the District Research Team the results of its self-study. The instruments for making the report will be prepared by the Conference Committee on Research and Planning and sent to the district team. The District Research Team is responsible for designing the activities on report day. Each local church is to be represented on report day.
- 4) The district caucus will make a written composite report at the 1977 session of the Annual Conference. These reports are due in the ACCOM office on or before April 1, 1977.

SUGGESTED USE OF GRAPHS AND STATISTICS:

- 1) Statistical tables and graphs may be compared with demographical data that can be secured from local public libraries, Chambers of Commerce, City Halls and State Universities. (This information can be used to compare the age and sex distribution in a local church and community. See example enclosed.)
- 2) After a thorough analysis of local church statistical data has been completed, the church may choose the following procedures for diagnosis. A self-study should always involve the careful examination of the life of a local church; its program facilities and resources. The study will also look at the persons and problems in the community and the world to which Christians must address themselves. Out of this study, needs will be identified. By needs we mean those programs which should have high priorities as well as those programs we are doing which are no longer effective and need to be discontinued. The committee may deal with the following matters:
 - a. What is the church? (Discuss the future of your church as it relates to its past.)
 - b. How are we doing? (What are the things we do well and what are the things that need improvement?)
 - c. What things are we doing which no longer are effective and need to be discontinued?
 - d. Develop a list of priority needs as outlined by the congregation. (An instrument must be developed to secure needed data from members of the congregation.)

- 3) Establish priorities in light of data.
- 4) Report findings to District Research Team.

STEPS NECESSARY FOR IMPLEMENTATION:

- 1) The Committee on Research and Planning recommends that each district assign a District Research Team of no less than one leader for each two persons expected to be in the group to act as consultants for local churches following Annual Conference.
- 2) The teams will be trained on Sunday afternoon, June 6 at 3:30.
- 3) The District Research Teams will assist in the study on Tuesday morning.
- 4) Teams will be available to assist local churches and/or clusters of churches as they begin their preparation for self-study.
- 5) Each local church will be responsible for reporting on its self-study program. The teams will be expected to use the methods of process planning as they work with local churches.

COMMISSION FOR LAY CONCERNS

Central Texas Conference

Received 6-8-76

Since its inception almost four years ago this commission has maintained a low profile as far as programming events are concerned. Its primary function is one of support for conference and district programs created by other agencies. It has supported in the past year lay training events, lay rallies and banquets, The School of Christian Missions, The Conference Men's Rally, A Conference on the Holy Spirit and numerous other events across the conference. The concern is to maintain a group of dedicated and informed lay leadership organized for and committed to the task of helping the mission and ministry of God's Church to happen. It was felt at the time of the commission's organization that there was need for a means of maintaining the leadership from the Board of Laity; while expanding the scope of that leadership to include all groups of laity within the conference. It continues to be the goal of this commission to accomplish that purpose. With that in mind, the commission has decided to become participants in the Connection Convocation scheduled for September 11, 1976. Through the District Commissions and the Sub-district Lay-Leaders, The commission will be supporting the concept of all clergy being afforded time and funds by the local church for continuing education. We feel a responsibility for sensitizing the laity of the local church to this need.

The Commission is at present involved in helping the Board of Discipleship create interest in the use of "The Yellow Pages" among the laity of the local church and at the same time will be encouraging these local churches to contribute programs to "The Yellow Pages." The audio-visual catalog and program of the conference will also receive emphasis as the sub-district lay-leaders visit their churches.

An ongoing emphasis of the commission will be the continued support of the revitalization of the United Methodist Men program. The ministry to and for men will continue to be the responsibility of Dean Davis and his district directors. Deon is secretary of the National Association of United Methodist Men and as such gives leadership to the National efforts and added insight to the conference programs. This program has resulted in the Conference Men's Rally

doubling in attendance in 1975 over 1974 with 411 men registered. It has also resulted in more United Methodist Men organizations being chartered within the conference.

The Conference Commission for Lay Concerns has not met very often simply because The District Commissions, The United Methodist Women, The United Methodist Men, The United Methodist Youth Council and District Council on Ministries are doing their jobs well. We now see some need for training of our own leadership and will be moving in that direction to accomplish that role that we accepted for ourselves of being of help wherever there is need.

PAT STROMAN, Chairman

UNITED METHODIST WOMEN

Received 6-8-76

The guiding grace of God has brought the women's organizations of the church through many changes and differing structures over the years, but always we have been bound together in our common concern to be in mission, giving God's love to the world.

Seeking to expand our commitment, this year we have provided leadership training opportunities for groups and for individual members through participation in a jurisdiction legislative workshop, the annual meeting of the Women's Division, goal setting and programming events, and the South Central Jurisdiction Quadrennial Meeting of the United Methodist Women.

Open to all persons who wished to attend were personal growth and enrichment experiences including a conference legislative seminar and a Time Apart, called in Joy, the Journey, led by Mrs. R. W. Bickham.

In July, together with the Board of Global Ministries of the Annual Conference Council on Ministries, the United Methodist Women will sponsor two schools of Christian Mission at Southwestern University, in Georgetown, which will be open to everyone interested. The week-day school will be on July 7, 8, and 9, and the week-end school will be July 10-11. Mission studies taught during the schools will include: The Gospel of Mark, People and Systems, and The Nations of Southern Africa.

Our year's work will conclude with the Conference Annual Meeting which will be in Mexia at the First United Methodist Church on October 2.

The Central Texas Conference United Methodist Women has been selected as one of three conferences over the nation to receive funding from the Women's Division for a pilot project in designing models for Communications Workshops which may be used to improve channels for information from the conference, to district, to the local member. We look forward to this opportunity in the fall.

Since our organization as United Methodist Women, we have worked to meet the needs of the women of the church who find opportunities of mission through our channels. We struggle with structure, new concepts, meeting times and events, and yet, with God's leadership, we have remained true to our purpose . . . to be in mission. In our local churches and communities we have served with dedication, and to them, in 1975, we provided over \$100,000. At the same time we met our pledge to missions, and more, and have sent to the Board of Global Ministries over \$141,000 through the Women's Division.

We look to the future, leaning on God's grace to lead us into service.

COMMITTEE ON COMMUNICATIONS AND INTERPRETATION

Proposed 1977 Goals and Budget

Received 6-9-76

The Committee on Communications and Interpretation struggled with the purpose and policy of the CTC page of the Texas Methodist this whole year.

A study completed recently by the United Church of Christ shows that lay leaders and local congregations in that denomination depend more on newspapers for information than any other news media. This is contrary to the general population which ranks TV first.

88% of the laity and 92% of the clergy say that if news of the church is reported it will most likely be reported in the newspaper. While a majority of the members felt that the secular news reported (UCC) news accurately; only a small portion (16 and 18%) depend on their secular press for conference and national church news.

Where do they look for that news then? First they look to the minister and secondly to their state and conference newspapers for this information.

Therefore the CTC page of the Texas Methodist has an important job to do in the local churches.

Our Purpose:

Based on the belief that the church has a story to tell, this newspaper is published to report the mission and work of the people called United Methodists in Central Texas.

The work of the church is important, whether that work is being done on a Conference, a District, or a Local Church level. The job of this newspaper is to report the story of that work, wherever that work is done.

We will continue to encourage districts to present TM to its local church in an attempt to build subscriptions. The local pastor is vital in this attempt as noted above.

In other media, The United Methodist Communications Office, under Bob Robertson, reports a number of important programs helping the church tell its story.

CRS continues to grow as it helps local church use media.

CRS Communications Clinic, January 6-8, had a larger enrollment due to modular design.

Next years Comm. Clinic is April 12-14, 1977, Dallas. United Methodist news service feeds United Methodist news items to the news media. This year much time and energy was spent on covering the General Conference.

One CRS item due to move ahead this next year is Your Story (Bill Powers Video Cassettes) and Noah's Ark (Children's learning series).

We also have the responsibility of interpreting World Service. Most of this has been handled thru TM and the coordinated mailing.

COMMISSION ON RELIGION AND RACE

Report No. 1

Approved 6-7-76

The Commission on Religion and Race is concerned that the Central Texas Conference begin to feel and be supportive of the Bishop's interest for open itinerancy in our Conference becoming a reality.

With much interest being placed on strengthening Ethnic Minority Churches during this Quadrennium, The Commission on Religion and Race recommends:

That a continued and more comprehensive study of the "Black Church study in Fort Worth" be done hopefully for the Conference with recommended ways and methods for actions toward strengthening Black Churches.

That considerable consultation be given to areas where neighborhood change is taking place or opportunities for more effective witness and exemplification of inclusiveness in this conference. Along with consultation about the possibility of multi-ethnic staffs in areas of the conference where strong communities does and will continue to exist.

That a stronger effort be made by the Commission of Lay Concerns and others working with lay development for effective lay training of Black Congregations. It is important that the awareness understanding and acceptance of responsibility of lay persons be clear, and that the understanding of their part on lay persons toward the opportunities for strengthening and development of strong Black Congregations be accepted.

That the imperativeness of good working cooperation between all Black

Congregations of the Conference and Districts, or per the sharing of all Congregations be stressed.

Finally the Commission on Religion and Race is concerned that equal representation throughout the total church is an extremely important factor toward guiding our church toward inclusiveness and toward making an effective witness to our Lord, who guides and judges all of our efforts and more so judges our Now efforts.

CLIFF DOBBINS, Chairperson

**REPORT OF
THE CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION**

Received 6-8-76

Bishop Stowe, and members of the Central Texas Annual Conference eight years ago, a number of individuals in this conference had the vision of helping to meet some of the financial needs of the ministers, their families and other regularly employed persons of The United Methodist Church. That vision long ago became a reality with the establishment of the Credit Union.

Since organization 1045 loans have been processed for a total dollar amount of \$1,337,651.00. Today the Credit Union has loans made to two hundred and eleven members of this conference, their families and other employees of the Church totaling \$278,561.00. Total assets of the Credit Union are \$350,716.00.

The Credit Union has aided persons financially as a savings institution and a source for low cost loans. The Credit Union now has four hundred and forty-six members, but we will not be happy until we reach a goal of six hundred members.

The Credit Union stands ready to help you. Open a savings account! Dividends are paid twice a year and for the past few years have been six per cent. Loans are available at the maximum rate of one per cent per month on the unpaid balance. All loans include mortgage insurance at no cost. Temporary disability insurance is available at a very small cost if desired.

Your Board of Directors believes very strongly that a much needed service is being provided. We invite you to become a member if you are not already a member. We invite you to add regularly to your savings if you are now a member. We invite you to come by for a loan whenever you need additional funds. We invite you to compare the real cost and benefits of making a loan with your Credit Union. The Central Texas Conference Federal Credit Union is more than competitive. We will save you money. Compare and see.

Finally as Chairman of the Board of Directors, I want to thank the members of the Board who serve faithfully as well as voluntarily; and I want to express the Board's appreciation to Dr. J. W. Sprinkle and Mrs. Barbara Vaughn who serve the Credit Union so efficiently.

If you have any questions call me or Dr. J. W. Sprinkle.

J CHARLES SHELLEY, Chairman

COUNCIL ON FINANCE AND ADMINISTRATION**Report No. 1**

1. Once again we would commend the membership of the Central Texas Conference for the financial support they have given to the ongoing program of United Methodism. We are pleased to report that our Conference is one of the top ten (10) of United Methodism to meet general askings in full. We are confident that this is true, in part, to the cooperation we have received from the Boards and Agencies of the Conference in our endeavor to keep our financial askings in line with the general economic conditions of our area. We have tried to meet the programming needs of our Conference, but have also sought to eliminate those askings which were not absolutely necessary to a vital program so that we can continue to merit the confidence of the churches. This year is no exception. We have prepared a budget that represents an increase of only 11% over the 1976 asking. In our budget preparation we have included all askings from the 1976 General Conference for the new quadrennium.

Should some adjustment need be made when the final askings come from the General Council on Finance and Administration for the new quadrennium we would ask this conference to authorize the Council on Finance and Administration to make the adjustments necessary and thus save the Conference the great expense of a called session of Annual Conference.

2. The salary allowances for the District Superintendency shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by Charge Conferences which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. These figures will be compiled by the Administrative Assistant to the Bishop and transmitted to the Chairman of the Council on Finance and Administration and the Conference Secretary-Treasurer within five days.

The salary includes a housing allowance actually expended not to exceed \$1500.00. The \$1,020 requested by the Board of Pensions for all members under appointment with annuity is added to the above figure.

The Districts, at the discretion of the District Stewards, may apportion to the churches of the District expenses for the District office up to \$5,000 per year. In some instances an additional amount can be apportioned with the consent of the Conference Council on Finance and Administration. It is also acceptable, in view of the increasing cost of travel, for the District Stewards to apportion an amount up to \$1,200 for car and travel expense. All District funds will be sent to the District Treasurer and subject to an annual audit which must be sent to the Conference Secretary-Treasurer.

The following funds are authorized for apportionment to the churches of the District:

1. District Office Expenses
2. District Superintendents Travel Fund
3. District Parsonage Fund
4. District Council on Ministry
5. District Mission Funds. However the District Mission Funds must be sent to the Conference Secretary-Treasurer on regular remittance forms.

3. We wholeheartedly endorse the capital fund campaign to be conducted by the Conference Board of Pensions. The success of this endeavor will hasten the day when the Reserve Pension Program will be fully funded and release money for Conference Programming.

In 1977 the Conference Claimants Fund will be set at \$560,000. This covers all costs and expenses for the support of all obligations to Retired ministers, their widows and dependent children.

4. For 1977 the Connectional Ministry Fund will be \$203,733. \$37,777 will go to the Episcopal Fund of the United Methodist Church, which is an amount of 1.875% of the ministers salaries of the conference. \$165,956 will go to the District Superintendents Funds.

5. In addition the Council on Finance and Administration recommends the following askings for the Central Texas Conference for 1977.

1. Conference Projects Fund	\$ 35,000
2. Conference Insurance Program	81,300
3. Ministerial Education Fund	133,982
4. Black Methodist Colleges	67,428
5. Missional Priority Fund	46,200
6. Joint Council For Evangelism	6,720

6. All Funds shall be apportioned to the Districts on the basis of the decimal figure, determined annually, as authorized by the Standing Rules of the Conference.

7. We concur in the action of the 1976 General Conference lift up for consideration as Advance Specials in every church two very important ministries confronting United Methodism. There is a Conference goal of \$39,200 In Advance giving for the Ethnic Minority local church program and \$33,600 for the World Hunger Program.

8. CFA recommends that the Texas Methodist College Association asking be reaffirmed at an amount of \$1.50 per member for 1977 and that the Campus Ministry program be supported by an amount of .75c per member. We are approaching this goal and with a concerted effort we could secure these amounts and undergird these significant ministries.

2. While no special day is designated for an offering for the Texas Alcohol-Narcotics Education, Inc., we approve this special cause for either an appropriation from the budget in the local church, or a special offering taken at such time as the local church determines.

3. The Council on Finance and Administration concurs in the request of the Board of Higher Education and Ministry and approves the receiving of a special offering in the local church for the J. J. 5. The Conference Treasurer is authorized to distribute each month the receipts from the local churches for World Service and Conference Benevolences among the funds included in the annual budget of the conference in proportion to their apportionments. Any deficit in remittances from the churches will be covered by payments from the Operating Reserve, upon approval by CFA.

6. All boards, commissions and other agencies shall have prepared in writing their detailed budget requests for the ensuing fiscal year by a date mutually agreed upon and announced by CFA and ACCOM. The program agencies shall present their requests to the Committee on Coordination and Budget by said date. The non-program agencies shall present their requests to the CFA by the same date.

7. No board or agency of the Central Texas Conference shall expend any money for any purpose which has not been included in the original budget, as amended and approved by CFA and the Conference for printing in the current Journal. Exceptions to this rule can only be made by CFA or its executive committee.

8. The fiscal year of all boards, commissions and other agencies operating through the Central Treasury shall begin January 1 and close on December 31.

9. The Conference Treasurer is authorized to pay from the Operating Reserve the following items.

- a. Expenses of printing the Journal, which may exceed budget appropriation.
 - b. Expenses of the Conference Secretorial Staff.
 - c. Expense of Fidelity Bonds for the Conference Treasurer and others who handle Conference Funds, as determined by CFA.
 - d. Expense of auditing the books of the Conference Treasurer, the treasurers of boards, commissions and other agencies of the Conference, as may be ordered by CFA. Such audits are to be made by the Conference auditors, the firm of Cooper-Lybrand.
 - e. The moving expenses of ministers of the Conference as described in the 1973 minutes of the Conference Journal, Page 27. When the next Annual Budget is prepared the CFA is authorized to place the total amount in the budget to repay the Operating Reserve.
 - f. Other expenditures as may be authorized by CFA. Such expenditures not to exceed \$500 may be authorized by the Executive Committee of the Council.
10. The Conference Treasurer is authorized:
- a. To Consolidate the various funds of the Annual Conference and of the agencies into one or more bank accounts.
 - b. To write all checks for the agencies of the Conference upon requisitions by authorized officers of the agency and in keeping with the approved Conference Budget.  - c. The Conference Treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the Conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempt by CFA) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Conference Treasurer will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.
 - d. To invest the funds of the Conference in Government Securities and Federally insured depositories up to and not exceeding insurability, and to borrow on and dispose of investments at or prior to, maturity, and to deposit the proceeds from these investments in accounts of the Conference at his discretion and under the guidance of CFA.

Servant of God well done!
Rest from thy love employ;
The battle fought, the victory won,
Enter thy Master's joy.

The pains of death are past,
Labor and sorrow cease,
And life's long warfare closed at last,
Thy soul is found in peace. —James Montgomery

G. J. GOFF

H. D. HUDDLESTON

Rev. Harvey Dow Huddleston was born September 16, 1878 in Tennessee. He passed away Saturday evening August 16, 1975 at a Mansfield Nursing Home at the age of 96 years and 11 months.

He was licensed to preach in 1903 and came by transfer to the Central Texas Conference in 1906. He was in full connection in 1909. Some of the churches he served as pastor were: Azle, Blooming Grove, Coolidge, Copperas Cove, Bluffdale, Lipan, Valley Mills, Frost, Hico, Venus, Coutts Memorial, Weatherford, Eliasville, and Brazos Ave., Cleburne.

He retired in 1935 because of his health, after serving 32 years in the active service. He moved to Waxahachie with his wife, Julia, who preceded him in death in 1974. They attended the Ferris Heights Methodist Church there for some 20 years. At

the time of his death he had been retired 40 years.

Funeral Services were held in Cleburne at Crosier Pearson Funeral Chapel, August 18, 1975 with burial in Cleburne Rose Hill Cemetery. Rev. C. D. Wooten conducted the service and brought the message. He said, "In his long life of 96 years, he outlived most of those who knew him and appreciated him for the fine service he had rendered as a minister to the congregations he had served."

He is survived by two sons, Clovis Huddleston of Cleburne, and Carl Huddleston of Anahuac, Texas; 2 Grandsons, and 2 great-grandsons.

C. D. WOOTEN

FLOYD E. JOHNSON

Floyd Earnest Johnson was born in Alvarado, Texas, April 29, 1903. As a child he moved to Fort Worth where he attended public schools and Texas Christian University. He received an honorary doctor of divinity degree from Texas Wesleyan College of Fort Worth.

On August 14, 1924 he was united in marriage with Gladys Oberhoff.

He joined the Central Texas Conference in 1925 and retired in 1974 after a long and fruitful ministry; all within the boundaries of this Conference. He served churches in Fort Worth, Mount Calm, Grandview, Taylor, Coleman, Cleburne, Waxahachie, Corsicana and Waco. Twice he served as District Superintendent; the Gatesville District, 1945-1951; the Cisco District, 1968-1974. It was from the Cisco District that he retired and returned to Waco to live.

Death came rather unexpectedly as the result of a heart attack early in the morning of March 24, 1976.

Memorial services were conducted in the St. John's United Methodist Church of Waco on March 25. The ministers who shared in leading these services were Bishop W. McFerrin Stowe, Dr. H. Brown Loyd, Dr. Ervin Gathings and Reverend Ernest O. DeWald. Interment was at Mt. Olivet Cemetery in Fort Worth with Dr. Sidney Roberts, Dr. J. W. Sprinkle and Dr. J. D. F. Williams officiating.

He is survived by his wife, Gladys, his son Dr. J. Bond Johnson; his daughter Mrs. B. F. (Elaine) Carroll; his brother, E. E. Johnson; five grandchildren, and four nephews.

Floyd E. Johnson touched many a life across our Conference and beyond. His ministry was a blessing to multitudes of people. He was one whose love for his family, his friends, and his Lord was without question and whose loyalty to his ministry and his Church was undivided. His was a great capacity for seeing the good (some even accused him of wearing "rose-colored glasses"). He was a man who never knew defeat.

Those of us who knew him best loved him the most. We shall be eternally grateful for the fact that his life has touched and enriched ours.

ERNEST O. DEWALD

CLAUDE P. JONES

Claude Parke Jones was born November 17, 1888 at Lawrence, Mississippi, the only son of John Robert Jones and Agnes Rebecca Jones.

Being a native Mississippian, he received his formal education at Millsaps College, Jackson, Mississippi and Vanderbilt University, with the plan to become a Medical Doctor but forsook his chosen profession later for the stronger call of the Christian Ministry. He received his Ministerial Training through Candler's School of Religion, and four years of Conference Courses.

He was admitted on trial into the Mississippi Conference November 26, 1915 at Laurel, Mississippi under Bishop Adkins, and ordained a Deacon December 9, 1917 by Bishop Murrah, and ordained Elder November 30, 1919 by Bishop Kilgo at Meridian, Mississippi, and received in full connection in 1919.

He was united in marriage to Estelle M. Lazenby at Long Beach, Mississippi. To this union was born one son, Claude Parke Jones, Jr. This son, after reaching maturity was called to Military Service during World War II. He was a graduate of Allen Academy, Bryan, Texas, became a paratrooper in the famous 101st Airborne Division and was killed in the "Battle of the Bulge."

Due to health reasons, Claude left his native Mississippi where he had served 17 years as a Minister to transfer to the Central Texas Conference where he served the remainder of his life.

Some of the churches he served in Texas were Ballinger, St. Johns, Waco, First Church Cisco, St. Marks and Oakhurst, and others in Fort Worth.

The pulpit was Claude's first love. He will be remembered for his fine preaching of the Gospel. His message was God-centered and Evangelistic. He did constructive work everywhere he was sent and left each church better than when he came. He loved people, was endowed with a keen sense of humor and could mix with both high and low, always generating warmth, confidence and friendship.

Claude retired in 1954 and after several years of poor health he died in Harris Hosital September 12, 1975. Memorial Services were held in Greenwood Funeral Home in Fort Worth, and his body was flown back to his native Mississippi to be buried beside the graves of his father and mother in Hattiesburg, Mississippi.

His wife, Estelle, is his only survivor.

ROBERT FRANKLIN STONE

Robert Franklin Stone was born January 6, 1906 in Britton, Ellis County, Texas. Following his baptism and conversion, Brother Stone felt the call to the ministry and was appointed to his first church as a lay pastor in 1931 at Oenaville, Texas.

Another wonderful occurrence happened in the life of Reverend Stone for on the beautiful day of June 7, 1933 he united in marriage with Miss Bertha Jennette Morris, who preceded him in death on December 20, 1973 following over forty years of marriage and ministry together.

In the ongoing process of fulfilling his ministry, Reverend Stone was ordained a Deacon in 1934 by Bishop Boaz followed by his ordination as an Elder in 1946 by Bishop A. F. Smith.

Reverend and Mrs. Stone served many churches in the Central Texas Conference until their retirement in 1971 at which time Reverend and Mrs. Stone made their retirement home The Wesleyan Home of Georgetown, Texas, a Central Texas Conference home for retired persons.

On March 1, 1976, the Reverend Robert Franklin Stone departed this life to live eternally with his "brothers and sisters in Christ" and with his Lord whom he had served for so many years. Services were held at St. John's United Methodist Church of Georgetown on March 3 and interment was in the Restland Memorial Park at Gatesville, Texas. The memorial services were conducted by The Reverend Garrett C. Creppon, pastor of St. John's, The Reverend Dr. S. Wayne Reynolds, Administrator of the Wesleyan Home, and The Reverend Plez Todd, pastor of the First United Methodist Church of Gatesville, Texas.

Reverend Stone is survived by three sisters and two brothers: Mrs. Flora Gainer of Maybank, Miss Anna Stone of Dallas, Mrs. Lelia Sumerlin of Fort Worth, Mr. Arthur Stone of Hawkins, and Mr. T. Francis Stone of Maybank.

Perhaps the life of The Reverend R. Frank Stone may be best summed up by the words of a song by Charles Wesley:

"A charge to keep I have, a God to glorify,
 A never dying soul to save, and fit it for the sky.
 To serve the present age, my calling to fulfill;
 O may it all my powers engage to do my Master's will!
 Arm me with jealous care, as in thy sight to live,
 And O, thy servant, Lord, prepare a strict account to give!
 Help me to watch and pray, and on thyself rely,
 Assured, if I my trust betray, I shall forever die."

GARRETT C. CREPPON

Jr., pastor of Spring Lake United Methodist Church, Spring Lake, North Carolina; W. Park Smith, a retired minister who delivered the eulogy, Waycross, Georgia; M. W. Maness, associate pastor, Hay Street Church; and Kenneth Beane, former associate pastor, Hay Street Church.

He is survived by his wife; his daughter, Mary Louise Suddath, a son, John Frank Suddath, of Bryan, Texas; and a sister, Mrs. Carrie Ramsey, of Rockwood, Tennessee.

Frank Suddath was God's man and God led his life through sixty years of influential ministry for the Kingdom of Christ whom he loved and served with great dedication. Thanks be to God for his life and ministry.

GLOVER THOMAS

Glover Thomas was born February 8, 1907 in Rockdale, Texas, the son of William and Almete Steed Thomas. He was married to Miss Alberta Nichols in November 1931.

His early education was at Aycock High School in Rockdale. He moved to Dallas in 1925 and was a professional cook and an owner of a Maintenance Service. Happily converted in 1951 and baptized by Dr. I. B. Loud, he joined St. Paul's United Methodist Church.

Rev. Thomas was a member of the Official Board and a very efficient Class Leader. After one year of faithful service he entered the Christian Ministry. To better prepare himself for the ministry he studied at Wiley College and completed the four year Conference Course of Study at Gammon Theological Seminary.

He served the following pastorates in the West Texas Conference: Carver Heights in Dallas (which he organized); St. Luke, Dallas; Milford-Italy Circuit in the Central Texas Conference; Hillsboro and Belton where he completed two years June 1975.

The Rev. Glover Thomas was a quiet, unassuming man — faithful in every task he had — loved by the people he served.

Survivors: widow, Mrs. Alberta Thomas of Dallas; six sisters and three brothers: Mrs. Geneva Hickman, Mrs. Esther Faulkner, Mr. Earl Smith of Dallas; Mrs. Ettro Mae Joiner, Mr. Herman Thomas of Palestine, Texas; Mrs. Fay Clark of Temple, Texas; Mr. William Thomas, Mrs. Jean Blair of Los Angeles, California; Mrs. Leora Johnson of Seattle, Washington; a host of nieces and nephews; other relatives.

MRS. T. H. BURTON

Mrs. T. H. (Sara) Burton was born in McLennan County, Texas on November 4, 1884 the daughter of Henry Clayton and Sara LouVana Massengale. Sara Burton died on January 13, 1976 after a prolonged illness. The last eight months of her life were spent in a hospital bed where she suffered several strokes and underwent major surgery. Sister Sara was a blessing to all who knew her for she met each day with a smile and a prayer.

Funeral services were held in the Littlepage Funeral Home of Mart with Rev. A. J. Wormwood bringing the memorial message. Interment was in the cemetery at Riesel, Texas alongside the body of her beloved husband.

Sara Massengale married T. H. Burton on July 18, 1902, and together they answered God's call to the ministry when he received his license to preach on July 21, 1911. Four daughters and one son were born to this family and all of these children, Mrs. Evelyn Burton, Mrs. Claude Hallmark, Mrs. J. I. Read, Mrs. Brent Williamson, and Travis Burton survive Mrs. Burton.

Sara made her home in Mart at 205 N. Smyth Street and was cared for by her daughters until such time as she required more medical attention than they were capable of rendering.

Mrs. Sara Burton's life was one of dedication to God, to her husband, and to her children. She was a faithful partner in the ministry of the church and a living example of God's grace in action. Many peoples lives has been enriched because of her life.

MRS. GEORGE M. MATTHEWS

Mrs. Elmora Messer Matthews was born August 15, 1925, in Temple, Texas to Mr. and Mrs. Neal Messer. On October 24, 1944, she was married to George M. Matthews with whom she shared the ministry of the Gospel until the time of her death on January 22, 1976.

Together George and Elmora served the people at Colleyville, Rogers, Burleson, Bangs, Dawson, Salado, Evant, Oglesby and Flat, Round Rock and Hutto, Taylor 10th Street, Beaukiss and Lawrence Chapel.

A unique disciple of her own right, she was a graduate of Temple high school and had a BA in sociology from N.T.S.U., an MA from Peabody Teacher's College, and a PhD from Vanderbilt University. She was a member of the sociology faculty at the University of Texas in Austin from 1962 through 1969. She was the author of three books: "Neighbor and King," "A Kinship in the Bible," and "Field Notes in Animal Sociology." She was still working on the manuscript of a book at the time of her death.

All who knew Elmora, and her acquaintance was legion, loved her. She was a living example of the Christian virtues, as committed to ministry as her husband. She had a calm, unshakable faith in Jesus Christ which ten years of suffering only enhanced. She radiated the joy she had in the Lord. She was warm in her support of others, always interested in other people, ceaseless in her good works, and unflinching in her good humor.

The Matthews' three sons are Neal of Schertz, Texas, Bruce of San Marcos, Texas, and Cort of Eureka, California. It is not surprising that two of the three, Neal and Bruce, have committed their lives to the United Methodist Ministry.

Elmora is survived by her husband, her three sons, her parents, and a sister, Mrs. Jack Caesar of Temple.

Memorial services were held on February 1, 1976 at Lawrence Chapel. Rev. Michael Patison officiated, and participants included her husband George, sons Neal and Bruce, children of the Lawrence Chapel and Beaukiss churches, members of the Tenth Street church, and all those who were gathered for the service.

Ten years of progressive illness and continual pain only deepened her sensitivity to others, and this expressed itself in her final act of dedicating her body to be used in medical research. She indicated that when people dedicate their lives to their fellows they don't let death put an end to that commitment.

Jesus' words have been exemplified in Elmora Matthews: "Greater love has no man than this, that a man lay down his life for his friends."

MICHAEL PATISON

Mrs. Page is survived by two daughters, Mrs. Clara Lyerla, Mrs. Mildred Culpepper, one son, Earl Page.

Being a Christian was the most important purpose of her life. Those who knew her realized her faith was lived completely in the home, the community, and in the Church. She was always available at the right time with the proper gift. Her spirit lingers to encourage and give strength to all.

LLOYD COKER

MRS THOMAS STERCK

Betty Marie Trent Sterck, daughter of the late William Dixie Trent and Mary Elizabeth Faught, was born on January 6, 1895 in Dallas, Texas. She attended public schools in that city and was a graduate of Bryan High School in Dallas.

The granddaughter of a Methodist Minister, it seemed that it was Marie's destiny to always be closely related to the Methodist Church. She joined the Ervay Street Methodist Church in Dallas at the age of fourteen. Several years later, she became a member of the newly-organized Kessler Park United Methodist Church. It was there that she met Thomas Sterck, who, along with the Rev. Mr. Hubert Allen, was instrumental in the formation of the Kessler Park Church. On July 1, 1927, Marie and Tom Sterck were married, the first wedding to be held in the Kessler Park Church, and Marie had taken another step along the way in the fulfillment of her destiny.

From that moment until her death, she bore proudly the name of Mrs. Thomas Sterck, and she contributed greatly to his success as a minister. She worked while he attended SMU, served with him at several appointments in the North Texas Conference, and then moved with him to Fort Worth in 1940 when he was appointed to Matthews Memorial Methodist Church. There they served faithfully together until his retirement in 1964. Marie not only helped Tom by being a supportive and loving wife, but she also contributed greatly as a church school teacher and participant and leader in the various women's organizations.

Marie and Tom had two children, David Trent Sterck and Nancy Tom Sterck. David preceded his Mother in death, dying in June, 1972. Nancy resides with her husband, Douglas Vaughan, and their two children, Thomas Douglas and David Malcolm, in Fort Worth.

Marie also was preceded in death by Thomas Sterck who died in December 1971; Marie died at home on March 14, 1976. A service of celebration commemorating her life was held in University United Methodist Church (formerly Matthews Memorial) at 2:00 p.m. on March 16, 1976, with Rev. Warren Oliff and Rev. James Ansley officiating.

Though Marie loved being Mrs. Tom Sterck, she was a companion and not a shadow to her beloved Tom. With his encouragement, she developed her skill as a writer and pursued his and her genealogical history. The result was a comprehensive genealogical history of both Tom and Marie published in 1973 under the title, **Many Footprints**. Appropriately, the title symbolizes the many 'footprints' that this couple left on this earth as they jointly served the Master. Truly, Marie could say with the Psalmist, "My footsteps have held fast to thy paths, my feet have not slipped." Psalms 17:5

WARREN OLIFF

MRS. RUTH EDWARDS

Mrs. R. C. (Ruth) Edwards was born November 19, 1896, in Kansas City, Missouri, of Henry Preston and Grace Spellman Byars. She was married to the Reverend Robert C. Edwards on November 9, 1916, beginning a partnership in ministry which endured and prospered until his death in 1959.

Together they shared a life of serving God and the church while Dr. Edwards was Chaplain of Veterans Hospital in Fort Bayard, New Mexico, pastor in Fort Stockton and First Church, Roswell. In Texas he was District Superintendent of the Georgetown District, pastor of First Church, Graham, San Marcos, Mexia, Ranger, Arlington, Hillsboro, Weatherford, Stephenville, Cisco, and Fort Worth Meadowbrook.

Throughout these pastorates and his numerous positions of leadership in the Central Texas Conference, Ruth was a steady and loyal partner, offering support and affirmation to him and his ministry in a way that made it her own. She often worked with youth and played the organ when she was needed.

She was loved and appreciated for the contributions she made throughout her life to churches and individuals who knew that the house of "Bob and Ruth" was a welcome haven of understanding and counsel for them.

Ruth had lived in Georgetown since 1959 where she had been an active member of First United Methodist Church and United Methodist Women. She had been a resident of the Wesleyan Home for several years prior to her death on June 4, 1976.

Funeral services were conducted June 6, 1976, by the Reverend Tom Graves, Dr. Durwood Fleming, and Dr. Wayne Reynolds with burial in Capital Memorial Gardens near Austin. Pallbearers were Basil Phillips, Dean Burr Clifford, Dean Bill Swift, Dr. Bill Jones, Dr. Ed Steelman, and Dr. Connie Venable. Honorary pallbearers were Grady Anderson, Dr. John Score, the Reverend Howard Long, J. D. Whitcomb, Dr. Frank Luska, Dr. John Richards, Dean Henry E. Meyer, Dr. Sherman Lesesne, and Dr. Harvey **Watts**.

All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, the final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.

COMMITTEE ON SUSTENTATION

Report No. 1

Operational Procedure for Sustentation

Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.

This committee will have charge of and promote all the interests of the Sustentation Program and shall be the determining factor in the final approval of any candidate for participation in this program.

2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.

3. We recommend further that the following shall be eligible for participation:

1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have

not reached the age of voluntary retirement, which is sixty-five (65) years of age.

2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.
4. We recommend the following procedure:
 1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
 2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
 3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
 4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
 5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
 6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
 1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.
 2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

SUPERANNUATE HOUSING ALLOWANCE

WHEREAS, The United States Government has recognized in its income tax regulations monies designated as "Allowance for the rental of a parsonage or home" for a minister to be exempt from taxation, and WHEREAS The United States Government has also recognized in its income tax regulations monies paid by a minister for utilities of such "parsonage or home" for a minister to be exempt from taxation; therefore, be it Resolved, By the Central Texas Conference of the United Methodist Church in annual session June 3-6, 1973 that Twelve Hundred Dollars (\$1,200.00) of the total annuity paid to each retired minister shall constitute a rental allowance paid as a part of the retired minister's compensation for past service, except that such allowance not exceed one third ($\frac{1}{3}$) of the total annuity received as pensions funds from the United Methodist agencies, and be it further Resolved, that an additional allowance of Five Hundred Dollars (\$500.00) shall constitute a utility allowance for the minister's said "Parsonage or home." Whereas the United Methodist Church in Granger, Texas, which was a part of the former West Texas Conference prior to its merger with the Central Texas Conference has had no services of worship and no congregation for several years, and whereas a search now is underway to ascertain whether this property still is the possession of the United Methodist Church.

Therefore be it resolved that the aforesaid Church be declared abandoned and that if this property is discovered to be the property of the United Methodist Church it be conveyed by the Trustees of the Central Texas Conference to the Temple District Board of Missions for the purpose of church extension.

GLEN LAKE-RAINBOW CAMPS**STATUS OF GLEN LAKE AND RAINBOW TAX SUIT****Approved June 8, 1976**

There have been no direct changes concerning the status of our tax suit. This report will deal with action that at the present time relates indirectly with Glen Lake and Rainbow Camps but can have direct bearing on the outcome of our tax suit.

In April, 1974, Hood County brought suit in the 29th Judicial District Court against Camp Crucis, property of the Episcopal Diocese of Dallas, for purpose of taxation. The court ruled that only a very small portion of the camp was exempt and that the remainder of the 155 acre camp was subject to taxation.

The Texas Conference of Churches has taken an interest in the case and has instructed its attorney, William B. Hilgers to work with Mr. Doren R. Eskew, our attorney, in working up and presenting before the Supreme Court of Texas an Amicus Curiae (friend of the court) concerning the District Court's ruling on the Camp Crucis matter. A favorable hearing was given by the Court and the matter is now in the hands of the Supreme Court.

Mr. Eskew believes that a decision is due within a few weeks and that it will be a favorable one. He further believes that a favorable decision will close the tax suit at Glen Lake and Rainbow. If, however, a favorable decision is not rendered we will continue our efforts to resolve the problem.

ENCROACHMENT UPON GLEN LAKE PROPERTY

Approved June 8, 1976

At the 1975 Annual Conference we reported (Journal, P. 108) that Mr. Roy Purnell, a Glen Rose real estate agent had sold a portion of Glen Lake property along with a parcel of his own land to a third party who was building a home there.

The report states that Mr. C. E. Recer, surveyor from Cleburne, had run a survey and determined that the home was squarely on the property lines. Mr. William R. Anderson, Jr., attorney from Cleburne was employed to give us legal direction in the matter.

Since the time of the report our attorney and surveyor have had opportunity to examine additional deeds, surveys, plats and field notes. In light of these findings a new survey was run which revealed that there was some variance in the property line and the building was not on our property.

However, there is still some dispute concerning the rest of the property which the party has fenced in and has improved. Our attorney is in the process of filing a Trespass to try Title Suit and hope to do this within the next two weeks.

COMMISSION ON ARCHIVES AND HISTORY

Approved June 8, 1976

Local Church History and Bi-Centennial Celebrations

For many years local churches have been urged to preserve materials relative to their history and to write a meaningful, accurate, up-to-date history. As a part of the Bi-Centennial year this should be a goal of our conference — that every church complete a written history.

Many churches, city-wide groups and districts have planned and participated in significant Bi-Centennial celebrations during the first five months of this year. This summer, July 4 is on a Sunday and is an excellent opportunity for a Bi-Centennial celebration.

Texas United Methodist Historical Society

A Texas United Methodist Historical Society was organized in Dallas during Minister's Week, with representatives of each Texas Annual Conference participating. Charter membership will remain open during the summer months. We hope that all persons with any interest in history will become a part of this organization. A membership application is a part of this report.

Wesley's Chapel

United Methodist in the United States have been asked to raise \$875,000 for the restoration of Wesley's Chapel. The fair share for the Dallas-Fort Worth Area to raise has been determined to be \$23,697.00. Of that amount some \$8,945 has already been stnt, leaving \$14,752 still to be raised in North Texas and Central Texas Conference this year.

Bishop Stowe has announced that an unidentified lay person of the Area has offered to match us dollar for dollar if we reach our goal and raise our share. We hope you will accept this challenge to save this historic church for posterity.

Work has begun. Work on the foundation has been completed and work is now being done on the roof. Your gifts will help complete the task.

BOB SANDERS, Chairman

COMMISSION ON STATUS AND ROLE OF WOMEN IN THE CHURCH**PROPOSED PROGRAM FOR 1977**

Approved June 8, 1976

Goal: To reinforce and develop a better understanding of using women who are knowledgeable skilled and available in all areas of ministry and administration in the United Methodist Church on local church, district and conference levels. To help boards, committees, district and local church groups discover responsible women willing to serve.

Various kinds of seminars, workshops, training and worship ideas will be suggested for districts, local churches or clusters of churches.

—optional subjects, purposes will be offered

—commission members will be available if requested to assist as resource persons or consultants.

Promotion in Texas Methodist, coordinated mail and special news letters will highlight women who are effectively fulfilling meaningful and responsible roles in the United Methodist Church.

1976 Fall Seminar — September 17-18 at Texas Wesleyan College, **Freedom for Persons in the Family: All Were Meant to Be**, dealing with — interpersonal relationships, communications, interrelatedness and worthfulness of each family member, and all kinds of family groups.

**RESOLUTION OF GRATITUDE OF
THE CENTRAL TEXAS ANNUAL CONFERENCE**

Approved June 9, 1976

When in the course of human events it becomes necessary for a community to separate for distinction those among its members who are worthy of praise, propriety requires a just listing of those actions which constitute their accomplishments.

Therefore, may The Central Texas Annual Conference know by these presents that, whereas:

Bishop and Mrs. W. McFerrin Stowe have given themselves unreservedly to this Annual Conference with but one thought in mind, that they should not ask what the Annual Conference could do for them, but what they could do for the Annual Conference,

And, whereas, Bishop W. Kenneth Pope equitably presided during a discussion which proved that the Wesley Foundations so conceived and so dedicated can long endure,

And, whereas, Rev. Robert Turner, his committee members, and all his singers, instrumentalists, and dramatic personnel brought again to our consciousness that America and United Methodism are made up of persons who have been to the mountain top, who have seen a vision and who share a common dream,

And, whereas, Dr. Ronald Sleeth inspired us with the redemptive Word that through the presence and work of the Lord Jesus Christ this nation, under God, infused with new life shall not, indeed, need not disappear from the face of the earth,

And, whereas, the Bishop's address on the State of the Church provocatively indicted us with the charge that unless we reach out to the leprous among us, and to the leprous which is within us, we shall continue to fail to take those small steps of man which are necessary to effect a great leap for mankind,

And, whereas, Rev. Bob Briles touched the hem of the garments of those who, by death, have just left us to join that great crowd of triumphant witnesses with which we are surrounded and thanked God for having shared their lives with us,

And, whereas, Dr. Virgil Sexton confronted us with the fact that the opportunities of the Church are not lost with a bang, but with the whimper of ministers and laity who have failed to do their statistical research and to apply it analytically to their understanding of ministry,

And, whereas, Mike and Carolyn McShan, Miss Mersha Elliot, Rev. Homer Kluck, Mrs. Jean Cummings, the instrumentalists, the choirs of Richland Hills UMC, Polytechnic UMC, First Church Mineral Wells, and Trinity UMC of Arlington rang the liberty bell of music without a crack and sent its joyous peals echoing even yet,

And, whereas, Dr. Alice Wonders, Rev. Jim Porter, Rev. Nancy Murray, and Rev. B. C. Dugger commandeered us from the lethargy of reports-as-usual, and made us stand at attention for the roll call of public worship,

And, whereas, the Covenant Players showed our patriarchal society that the only thing we have to fear is fear itself,

And, whereas, Dr. Ervin Gathings, our host pastor, and staffs of Austin Avenue UMC, St. John's UMC, and the Methodist Home provided their facilities, fully aware that among the inalienable rights given to United Methodists by their Creator is the right to congregate and to celebrate,

And, whereas, Dr. Bob Robertson, KWTX and KWTX-TV, KCEN, WACO, KEFC, KRZI, KKIK, The Waco Tribune Herald, The Fort Worth Star-Telegram and the Waco Citizen helpfully sounded our alarm that in this new age of revolution it is not the Redcoats whose coming we must fear, but the presence of those who have two coats, or more, and who will not share one with the world,

And, whereas, Dr. J. W. Sprinkle and the Annual Conference secretarial staff have just begun to fight in order to meet the deadline for publishing the Journal,

And, whereas, the Waco Convention Center staff, because of their knowledge that the influence of old conferences never dies, nor even fades away, has met our every need,

And whereas, Dr. H. Brown Loyd, the Waco District Superintendent, has successfully hosted this Annual Conference without violating his forty-two year old pastoral commitment to walk softly and carry a big stick,

Therefore, be it resolved by the members and friends of the Central Texas Annual Conference of The United Methodist Church, that nowhere else in the course of celebrating the bicentennial shall this Annual Conference owe so much to so few; yet even so, there is no one else to whom any of us shall ever owe as much, as we do to Him whose grace hath brought us safe thus far, and whose grace shall lead us home.

We have examined the summary of cash receipts and disbursements of Dr. J.W. Sprinkle, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1975. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Analysis of Investments included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review of cash receipts and disbursements of the various funds, and we performed no auditing procedures with regard to investments except to confirm the balances shown.

In our opinion, the accompanying summary of cash receipts and disbursements presents fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year ended December 31, 1975.
