**Resolution Concerning Harris Hospital
Refinancing Present Debts And
Financing Modernization And Improvements**

1. Whereas, historically in America most critical hospital services have been provided by church sponsored non-profit, charitable hospitals; and
2. Whereas, the Methodist Church (now the United Methodist Church) has always been in

the forefront in sponsoring such services for ministering to the sick without regard to race or creed; and

3. Whereas, the Congress of the United States has for decades assisted the non-profit, charitable, church-sponsored hospitals by recognizing them as exempt charitable operations, exempt from payment of income tax and to which gifts and bequests are deductible for income and estate tax purposes, respectively; and

4. Whereas, the added importance of the availability of hospital services provided by such non-profit hospitals was further recognized by Congress some 25 years ago when Hill Burton Federal monies were provided for enlargement and improvement of such hospitals; and

5. Whereas, with the advent of Medicare and Medicaid the Federal Government has relied more and more on such hospitals to provide the hospital services directly and indirectly guaranteed to Senior Citizens and to the indigent by the Federal Government; and

6. Whereas, some six years ago the Treasury Department of the U.S. Government took the position that the furnishing of hospital services to the public by non-profit hospitals at cost constituted charitable operations, even if no "free" services were provided, and the U. S. Supreme Court later agreed; and

7. Whereas, for the last few years the Congress of the United States has been seriously considering various suggested forms of National Health Insurance, and most responsible organizations (including the American Hospital Association and the American Medical Association) now concede that within the near future we will have some form of National Health Insurance, and the Federal Government (and the public) will be even more dependent on church-related non-profit hospitals for hospital services for the public; and

8. Whereas, the present administration in Washington has indicated a request for what it calls a hospital "cost containment" law, or possibly H.E.W. regulations effectuating the same results, which is to place a ceiling on hospital charges, and if this is done hospitals with conventional loans (bearing higher interest rates) will probably be at a disadvantage as compared to hospitals with tax-free loans (bearing tax-free and hence lower interest rates); and

9. Whereas, Public Hospitals, like Hospital "Districts," have always enjoyed both the advantages of (1) taxing power, and (2) tax-free financing; and

10. Whereas, recognizing that non-profit hospitals, even though not government owned and operated, have been and are and increasingly will be performing a necessary public function and meeting a public need, the U. S. Treasury Department ruled (some three years ago) that if States would pass entity to actually issue the notes or bonds, that such non-profit hospitals could refinance their outstanding debts and could finance their future enlargements, improvements and/or modernization through tax exempt revenue notes or bonds, the same as has been permitted for public (government owned and operated) hospitals; and

11. Whereas, the Texas Legislature (like those of most other states) promptly passed the Hospital Project Financing Act permitting non-profit hospitals (even though church sponsored) to refinance their present debts and to finance their enlargement, improvements and/or modernization with tax exempt revenue notes or bonds to be approved by the Attorney General like other public notes or bonds, and to be issued by "Hospital Authorities" that the law in Texas had already provided could be created by any Texas county or by any Texas city (or group of Texas cities), the exact mechanism being to put technical title to the hospital property in the Authority at the time it issues the notes or bonds, for the Authority to contract with the hospital non-profit corporation to continue to operate the hospital and retire the notes or bonds as they mature out of hospital revenues, and for the title to then revert to the non-profit hospital corporation when the notes or bonds are paid; and

12. Whereas, most of the non-profit hospitals in most other states have been or are presently financing and refinancing their debts for past and future enlargements and improvements by like tax-free financing (the interest being free of income tax to the holder

such as are interest payments on municipal bonds and on public hospital bonds), which, in effect, constitutes a further federal (IRS) assistance to these hospitals; and

13. Whereas, Harris Hospital (which is the property of the Central Texas Annual Conference of the United Methodist Church in Fort Worth) has outstanding long term debts (both conventional and government guaranteed) totaling about eight million dollars (presently secured by deeds of trust and mortgage liens on its main hospital properties), and needs about thirteen million dollars of new and additional financing in order to modernize and comply with all present accrediting requirements and to provide the best possible hospital services to the people served by it; and

14. Whereas, at the request of Harris Hospital and other non-profit private (mostly church sponsored) hospitals in Tarrant County, the Commissioner's Court (the governing body) of Tarrant County has created the Tarrant County Hospital Authority for the primary purpose of enabling Harris Hospital and other non-profit tax exempt hospitals in Tarrant County to refinance their present long term debts and to finance their future enlargements and improvements with tax-free revenue bonds or notes as permitted by present U. S. Treasury Department rulings and under the Texas Hospital Project Financing Act; and

15. Whereas, such tax-free note or tax-free bond financing results in an interest rate some 2 to 3% below the interest rate that would be required by conventional financing, which, over a period of 20 years could mean a savings of some 5 to 6 million dollars in interest on the funds needed by Harris Hospital—savings to the hospital and hence savings to the patients; and

16. Whereas, the Board of Trustees (the Governing Board) of Harris Hospital has determined that such tax-free method of financing and refinancing is the preferable and the most desirable means of meeting the needs of the sick and maimed of the area served by such hospital; and

17. Whereas, bond counsel has advised that such bonds or notes; if issued in accordance with the Texas Hospital Financing Act will in fact and law be tax-free bonds or notes and the tax-free interest rate will be applicable, and that responsible brokerage firms have agreed to underwrite such issue if made by the Tarrant County Hospital Authority in behalf of Harris Hospital, and the Tarrant County Hospital Authority has agreed to issue such bonds or notes if so requested for the financing and improvement of Harris Hospital, and indications are that due to the fine record made by Harris Hospital in its operations over the years, such revenue bonds to be repaid by and under operation of Harris Hospital will receive a high rating (and hence a low interest rate) by the rating agencies; and

18. Whereas, the method (the legal steps) of such tax-free financing varies in form (but not in substance) from conventional financing (a conveyance of title with reverter when the debt is paid, as distinguished from a conventional deed of trust—a conveyance much like a mortgage to be cancelled or released when the debt is paid); and

19. Whereas, while only 21 million dollars is needed for the new financing and refinancing, but on a public issue like is contemplated an additional 3 million dollars of bonds is actually issued and sold, the proceeds of which excess is not spent, but held in escrow or reserve and invested as an additional security factor for early interest and early maturity safety purposes (actually the earned income on this invested reserve is expected to exceed the interest incurred on it), but the 21 million present limit by this Conference on Harris' long term debt will be technically exceeded by this additional excess which, though not to be spent, will be technically outstanding as long term debt; and

20. Whereas, Harris Hospital has guaranteed certain specific financing of the Hurst-Euleless-Bedford Hospital which is a non-profit affiliate of Harris Hospital, controlled by the Harris Hospital Governing Board and hence by this Annual Conference, which guarantee involves a million dollars of secondary liability only; and

21. Whereas, the Hospital's Board of Trustees has requested the Bishop to call a special meeting of the Conference to decide whether Harris Hospital will be permitted to follow this tax-free (interest) method to finance and refinance as above outlined since (1) the conveyance with reverter is technically different from a mortgage or deed of trust, and (2) the actual amount of bonds to be issued will technically exceed the present twenty-one

million limit heretofore set by the Conference, and the secondary liability mentioned in the preceding paragraph relating to the guarantee of specific H-E-B borrowings could also be regarded as long term debt involving up to another million; and

22. Whereas, the Conference has considered the matters above related and finds:

(a) that although the legal instruments constitute a different form than heretofore employed, the substance is the same—if the hospital pays off the bonds, its property will belong to it free and clear when they are paid under either the tax-free or the conventional method; but if the hospital defaults, it could lose its property under either method;

(b) that while there will be about twenty-four million dollars in bonds outstanding, yet the hospital will only receive twenty-one million with which to finance and refinance, and will really only have to repay a net of twenty-one million plus interest from its revenues, the three million reserve being held in escrow or reserve for safety as above related, and available to invest costing no net interest in the meantime;

(c) that the relationship between Harris Hospital and the Central Texas Annual Conference, after conveyance of title to such hospital authority, will remain unchanged as to election of trustees, management, operations or otherwise; and

(d) that the proposed lease contract between the Hospital Authority and the hospital should be approved, and that the Bishop should appoint a committee to negotiate such further minor changes or modifications of the lease contract, if any, as may be required;

23. **IT IS THEREFORE RESOLVED** that the method of financing and refinancing at tax-free interest rates above outlined and as recommended by the Harris Hospital governing board, involving a technical transfer of title to the Authority while the bonds are outstanding, be and the same is hereby approved, and that the long term debt limit be increased to an amount not to exceed twenty-five million dollars so as to accommodate the reserve or escrow requirements and the contingent liability above outlined; and

24. **BE IT FURTHER RESOLVED** that the proposed lease contract between the Hospital Authority and the Hospital be and the same is hereby approved and the Bishop is requested to appoint a committee to be available to approve any further minor changes or modifications should they be indicated; and

25. **BE IT FURTHER RESOLVED:**

(a) That the recognition by the Federal and State governments that church-related charitable hospitals are performing a necessary public function is to be applauded;

(b) that the prompt action by the Texas Legislature in permitting non-profit hospitals in Texas to reduce their cost of funds borrowed for hospital projects is appreciated;

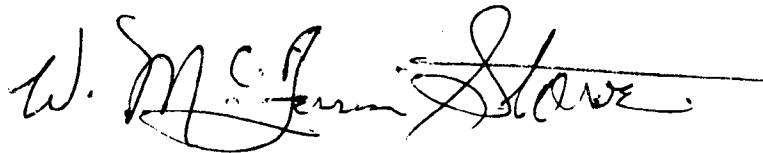

(c) That the cooperative action of the Tarrant County Commissioner's Court in creating a County Hospital Authority to assist the private non-profit hospitals of the County to finance and refinance their necessary expansion and improvements with tax-free borrowings and the appointment of knowledgeable leading citizens to comprise its Board is appreciated;

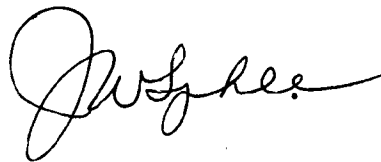

(d) That the cooperative action of the Tarrant County Hospital Authority in having expressed its willingness and intent to follow the required procedure and issue such bonds for the purpose of refinancing Harris Hospital's present long-term debts and providing funds for the enlargement and improvement of its hospital facilities is appreciated;

(e) That the stewardship, leadership, and judgment shown by the Harris Hospital Board of Trustees over the years in developing and guiding the largest hospital in Tarrant County to its present state, and in planning an even brighter future for it is appreciated.

**Recommendations To The Called Session
Of The Annual Conference
January 7, 1978**

1. We recommend that the Annual Conference combine the General Advance Special for Ethnic Minority Local Church and the Conference Advance Special for Ethnic Minority Local Church for the purposes of promotion, with monies to be divided equally between the two.
2. We further recommend that the Conference adopt a combined Advance Special for the Ethnic Minority Local Church in the amount of \$62,000 annually with the Conference portion of the monies received being allocated for salary supplement, for church development and extension, and for scholarships.
3. We recommend that the Committee on Education and The Advance of the Board of Global Ministries administer the funds. To secure funds, districts, local churches and/or Conference organizations should make application to the Committee on Education and The Advance.

Point of Personal Privilege — Michael Patison in summary, discussed the following:

Lydia Patterson Institute, it was pointed out, was established as a Mission of the church and that it never has been, nor should it ever be, expected to be self supporting. If it should be so considered, then the Mission programs in India, Sarawak, Brazil, Japan, Liberia and all other areas of the world should be expected to pay their own way.

The Administration of Lydia Patterson has shown itself to be prudent, able and committed to Christ and The Mission of United Methodism. Any implication that our conference and its local churches have done more than enough in the financial support of Missions is erroneous, for last year for every dollar we spent in benevolent causes we spent \$5.88 on our own churches and ministers. When we have reached near the bottom of all conferences of the Jurisdiction in financial support of Lydia Patterson we ought to be looking for what we can do rather than speaking of what we cannot do.

Area Counseling Committee — Robert Elliott, Area Counselor was presented to conference by H. F. Meier, Jr. He requested that the area counseling office telephone numbers be added to the Conference Journal. The numbers are 214/692-2013 and 214/369-2350.

BOARD OF ORDAINED MINISTRY Report No. 1

Received June 5, 1978

The Conference Board of Ordained Ministry is an arm of the Annual Conference to qualify persons for the ordained Ministry within the bounds of the Central Texas Annual Conference of the United Methodist Church. The Board understands that it stands to assist a candidate to clarify his or her call to ministry through a consultative process through which the candidates gifts and graces for ministry are examined in the light of the historic traditions of United Methodism. The Board is charged to interpret the ministerial needs of the Annual Conference so that there might be sufficient number to serve the pastoral needs of the Annual Conference. The Board has responsibility to Administer Ministerial Education Funds and Continuing Education Funds within the Bounds of the Central Texas Conference. Ministerial Education Funds are distributed on the basis of need and Continuing Education Funds are distributed on the basis of a formula that is included as a later part of the Board's report.

The Board is deeply grateful to Bishop Stowe and the Cabinet for their support and assistance in carrying out the responsibility that has been assigned to it. The Board considers its task as a sacred trust as it shares in the call of those in the process of ordination.

REPORT FROM COMMITTEE ON SEMINARY GUIDELINES

(Reprint from 1976 Report)

We recommend that the Board of Ordained Ministry of the Central Texas Conference of the United Methodist Church follow guidelines set forth in the **Discipline** by recognizing and approving those seminaries accredited by the University Senate. (para. 1614, **The Book of Discipline**, 1976).

We further recommend that all persons planning to seek admission into the Central Texas Conference be counselled to give primary consideration to United Methodist Seminaries for their theological education. In the event a non-United Methodist seminary is being considered, it is necessary that the candidate consult the District Committee on the Ordained Ministry and the Conference Board of the Ordained Ministry for approval.

Report No. 5

(Approved June 5, 1978)

The Probationer Year:

The task is to implement the decision of the 1976 Annual Conference calling for a 12-month internship for all candidates for ministry within the Conference, beginning with those entering theological studies in 1976.

The goal of the program is to facilitate the total maturation and integration of the **personal, spiritual and professional** agenda of each probationer, with the expectation that such persons will be able to provide more competent leadership to the several congregations.

It is estimated that in June, 1979, the first year of implementation, 6 to 8 persons will be in the program. Probationers who have completed a 2-semester Perkins internship or equivalent internship, are exempt from most of the program. However, there will be aspects in which their participation will be required. Persons in the conference internship program will serve the internship in the church to which they are appointed. In Cooperation with the Cabinet and the Bishop, the Board will enlist the participation of a necessary number of pastors with a high degree of competency in the office of pastor and who have personal and spiritual strength and resources to permit a good supervisory relationship. The pastor-supervisor's appointment should be geographically near by the probationer's appointment for maximum supervision with the least travel time.

Expectations of Pastor-Supervisor

The pastor-supervisor will provide supervision of all aspects of the probationer's tasks and relationships. In addition, it is expected that the supervisor will provide a supervisory session of 1-1½ hours every other week, dealing with a reflection document written by the probationer about an act of ministry in which he/she has been engaged. This can take the shape of a verbatim, process note, critical incident, or other if so agreed upon. The purpose of this paper is not to deal with abstract issues but to deal with the actual practice of ministry, bringing to bear insight into the dynamics involved as well as dealing with Biblical and theological issues. Great care is to be given to the inner feeling of the probationer. Of the 26 maximum supervisory sessions, a total of 20 must be completed for the probationer year.

To assist the pastor-supervisor in this supervisory process, the board committee will provide:

1. All supervisors who have not served as field instructors of the Perkins Intern Program an intensive 2-3 day introduction to supervision, possibly at Perkins.
2. All supervisors a one-day bi-monthly peer group of all probationer supervisors. This peer group, with a consultant, will discuss supervision in general and the supervision of the probationer. In this manner, supervisors will be aided in gaining further skills in supervision.

Expectations of the Probationer Congregation

A person serving his/her probationer year internship is in a critical period of personal and professional formation. To assist the formation process, the Pastor-Parish Relations Committee or a specially constituted committee of the congregation (6-8 in number) should devote themselves regularly to the probationer. Aspects of this relationship might be:

1. Assisting the probationer in the entry to the congregation.
2. Working with the pastor and probationer in negotiating the probationer's Covenant of Expectations, including a well-defined job description.
3. Members of the committee must make special efforts to familiarize themselves with the probationer as a person and in his/her functioning as a pastor.
4. The committee should meet at least monthly with the pastor-supervisor and probationer for feedback and consultative dialogue.
5. The committee must participate in the diagnostic evaluations in October. Both essay and prepared instruments will be used. This evaluation will include also the session's findings in conversation with consultant, pastor and probationer.
6. On the basis of the diagnostic findings, the committee will assist pastor-supervisor and probationer in renegotiating the Covenant of Expectations and the job description.
7. The Committee, with the pastor-supervisor and consultant, will conduct an oral examination of the probationer in March. The District Superintendent and Board of Ministry representative will be present for this process.
8. On the basis of the above, the chairman of the committee will write a report to the Board of Ministry on the probationer's year. This report will be one source of information which the Board or its respective committee will use in formulating its recommendation to the Annual Conference relative to election to full membership and elders' orders.

Expectations of the District Superintendent

The District Superintendent is encouraged to relate in every possible way to the probationer member. Since the probationer will be under episcopal appointment, the District Superintendent will have supervisory responsibility to the probationer as to every other pastor in the District. The probationer shall be expected to be in attendance at all District meetings. It is recommended that the probationer not be called upon for major leadership responsibility in the District. The District Superintendent is asked to explain the role and authority of the Pastor-Supervisor to the Pastor-Parish Relations Committee.

What Is Expected of the Probationer?

1. The probationer will serve his probationary year wherever the Bishop may appoint him/her. The probationer will be consulted but he/she may not have veto rights over the Cabinet decision. The executive committee of the Board or an appropriate probationer committee will be available for consultation with the Cabinet in making probationer appointments.
2. The probationer is expected to enter into his/her probationary year in good faith and apply him/herself fully. Such application will include:
 - a. the negotiation of the Covenant of Expectations and the job description.
 - b. the disciplined writing of clinical documents.
 - c. full participation in the supervisory sessions.

- d. regular participation in the peer group meetings with the consultant and such Conference leadership as may be determined.
- e. full entry into the relationship with the lay committee.
- f. full participation in the diagnostic feedback process.
- g. full participation in the oral examination at year's end.

Every effort will be made to facilitate the spouse of the probationer to learn how to function in a positive and creative manner as the spouse of a professional person in ministry. If possible, a spouse peer group may be created. Such a group may have various professional leadership at its disposal.

What Is Expected of the Consultant?

A consultant in human relations is to be provided for the probationer peer group and supervisors.

1. The consultant will meet with the probationers for a monthly 6-8 hour inclusive Interpersonal Relations Workshop. Such workshops are to focus also on feelings.
2. It is recommended that the consultant will meet for one day bi-monthly with the pastor-supervisors for supervision and skill training.
3. The consultant will participate in the October diagnostic process and the March oral examination.
4. The consultant will prepare a written recommendation to the Board as to the probationer's election to membership and elder's orders.

What Is Expected of The Board?

The Board will create a Probationer Committee of nine persons to provide overall management of the system. It is recommended that one of the Perkins Intern staff members or other qualified person, be retained as consultant to the committee.

The committee will consult with the Cabinet to reach agreement on pastor-supervisors.

The chairman or designated member of the committee, with the respective District Superintendents, will negotiate the participation of congregations and pastors.

The committee will contract with:

- a. Perkins or other qualified personnel, for new supervisor training.
- b. the consultant for probationer and supervisor peer processes as earlier defined.

The committee will be responsible for from three to five one-day seminars, perhaps in conjunction with probationer peer groups, at which times the probationers will receive thorough training and indoctrination on all aspects of the Conference's life and work. All probationers, including those who have completed their internship, while in seminary, and who are serving their final year before admittance into full conference membership, will participate in the seminars. Among the concerns may be:

- a. Seminar with the Bishop and Cabinet
- b. A seminar with the Conference Council staff on Conference program
- c. Seminars as needed on all of the institutional ministries of the Conference. Field trips may be desirable.
- d. C.C.F.A. orientation on all apportionments.
- e. Seminar with Board of Ministry, dealing with development of a continuing education program, sharpening of skills, as well as membership and orders.

A member of the committee should visit in each placement in early September to check out progress.

The committee should have a copy of the probationer's Covenant and job description (for each probationer).

A member of the committee should participate in both the diagnostic and oral examination procedures.

What the Perkins Staff Might Contribute

It is recommended that a Perkins Intern staff member or other qualified person, be retained by the Board as consultant to the committee. Such a consultant might:

- a. help the committee in conceptualizations and adaptations, as well as critical quality control factors
- b. be a trainer for the Counseling Elder in the managerial control responsibility
- c. participate in the diagnostic process
- d. be a consultant to the committee in consideration of individual decisions on probationers.

The material for the development of the probationer Covenant of Expectations and job description and the basic diagnostic instruments will be obtained from Perkins.

Committee on Enlistment and Recruitment

The work of this committee has been utilized in one primary event this past year. The event was the Bishop's Conference on Christian Ministries held at Glen Lake on March 11. With joint sponsorship with the Board of Diaconal Ministries, much emphasis was given to approximately one hundred young persons regarding the possibility of ministry for their lives. Both ordained and diaconal possibilities were lifted up and discussions were held for ten different areas of ministry. Dr. James Hares and Ms. Marjorie Power presented a biblical span of ministry dealing with the patriarchs in general and men and women in particular. Several colleges and seminaries presented their programs and Nelda Barrett presented an audio visual view of several diaconal ministers at work within the Conference. Bishop Stowe led the group in worship with an emphasis upon God's call in our lives.

One additional work of this committee has been the preparation and distribution of visual steps and requirements into both ordained and diaconal ministry.

REPORT OF THE PSYCHOLOGICAL TESTING COMMITTEE

The Psychological Testing Committee is very pleased about the way in which the psychological testing, interviewing, and evaluation of probationary candidates have been conducted. The three psychologists helping in this process are:

1. Dr. Richard Hunt - Southern Methodist University
2. Dr. Marcus Bryant - Brite Divinity School, T.C.U.
3. Dr. Will Pannabecker - Clinical psychologist in private practice - Waco, Texas.

We are indebted to these three men, who have been highly professional and supportive of our efforts.

This committee also wishes to thank the members of the Board of Ministry for the sensitivity and care with which they have used the psychological evaluations in the interviews with the candidates. They have kept the understanding of the use of psychological testing by seeing it as a way of better understanding the candidates strengths and weaknesses and potential for personal and professional maturing. The testing and evaluations process has not been used as a barrier preventing a person from the ministry.

This committee pledges itself to a continued strengthening of the psychological testing procedure in order to provide better nurturing of candidates.

Respectfully Submitted,
John W. Schaub, Chairman

BOARD OF DIACONAL MINISTRY**Report #1**

(Approved June 5, 1978)

The church is mission and ministry. This ministry is derived from the life of Jesus Christ. The Church and all its members have a part in this commitment to and responsibility for ministry in the life of the congregation and in the wider reaches of the world. Consecration to the Office of Diaconal Minister is the church's recognition of God's call, the individual's response to that call, and the authorization of such persons for designated service and ministry.

The Office of Diaconal Minister in the United Methodist Church has its origin in the biblical and historical Christian heritage, in the theological understandings of ministry, and in the outreach of the church beyond the local congregation. It is an integral part of the total ministry of the church with a recognized relationship to the Annual Conference and receives the appropriate benefits such a relationship makes possible.

The root meaning of the word "diaconal" is service — from the Greek word "diakonia." The diaconal minister is a serving minister — one who performs ministries of service — usually beyond the altar of the church. "Deacons" were the first order of "minister" to emerge in the early church and continued as a separate and distinctive office. The United Methodist Church has — in the tradition of the early church — returned to the original meaning of diaconal ministry and now offers a vehicle through which persons engaged today in a genuine ministry can be recognized.

This concept of ministry lends strength to an already vital mission. Through the joining of the diaconal and ordained ministries in a truly team effort the love of God as revealed in Jesus Christ will become an even greater reality in our communities. As the Apostle Paul reminds us, we do not all have the same gifts but all are needed. Just as ordained clergy cannot function in a vacuum, neither can the diaconal minister — and neither can be successful without the lay persons who make up the United Methodist Church.

The Board of Diaconal Ministry has responsibility for the persons who are consecrated into the Office of Diaconal Minister and those persons who are in process — persons that the church has recognized as having accepted God's call and has authorized to specialized diaconal ministries of love, justice, and service. It provides for those persons a support system, both personal and professional. The Board is also charged with the responsibility of assessing the needs of Conference for diaconal ministers as well as those needs of the church as a whole; to interpret and promote understanding of Diaconal Ministry and of the Office of the Diaconal Minister; to enlist and recruit persons for diaconal ministries; and to provide guidance and support for persons in preparation for Diaconal Ministry.

In 1977 the Registrar and the Board Interview Committee up-dated all records of those transferring into the Diaconal relationship from the status of Lay Worker, those in preparation, and those persons needing to renew certification. At this time the Conference Journal lists seventeen (17) persons as Diaconal Ministers. There are 10 other professionally certified, but not consecrated persons in the Conference and eight prospects in training for the diaconal relationship.

The Board has developed a policy for continuing education and a process for review of application for the funds that have been allocated for that purpose.

It is also important that the Board of Diaconal Ministry and the Board of Ordained Ministry maintain a working relationship at the Annual Conference level in order to provide the necessary support for all the professional ministries of the Conference. Particular areas of mutual responsibility for the two Boards should include interpretation, evaluation, support of the professional ministries of the church, relationships with the local church pastor on staff-parish relations or employing agencies, Conference relationships, continuing education, and employment support including salary, pension, insurance, and other benefits. The two Boards have met together to discuss areas of cooperative effort and mutual concern. They jointly sponsored the Conference on Ministry held at Glen Lake in March of 1978.

Diaconal Board Members as well as Diaconal Ministers themselves, have had opportunities to interpret the Diaconal Ministry to groups in local churches and on college campuses. The Board is now working on a brochure that will assist with interpretation.

The Committee on Support Systems is also vital not only so that persons working in the Conference are aware of benefits offered, but that the Conference continues to upgrade benefits in line with its obligations to professionals by working closely with pastor-parish committees or employing agencies concerning employment benefits, as well as entry and exit procedures.

The Board of Diaconal Ministry is pleased with the progress that we feel has been made. We would like to also thank the Central Texas Annual Conference for its support. As professionals in ministry we pledge you our support in return.

UNITED METHODIST WOMEN

Report No. 1

(Approved June 5, 1978)

As of January, 1978, membership in United Methodist Women of Central Texas Conference stood at 10,538 with a total of 228 local units. Funds sent to the Women's Division last year totaled \$146,711.

A conference newsletter sent to all local officers and included in the coordinated mailing is a new venture. The response to the first edition has been so positive that two additional issues are planned for 1978.

In March, members of the Executive Committee accompanied staff of the Women's Division on a six day itineration of the conference. The purpose was to talk with local women, some of whom never get to district and conference meetings. It was an opportunity to clarify our commitment to mission, to interpret the meaning of ministries to women and children, and to discuss points of controversy.

Because of our concern for the quality of mission education, we have searched for ways in which the School of Christian Mission can best meet the needs of this conference. That search has brought us to the decision to hold the School of 1978 in the locale where most of our constituency lives. It will be held on the campus of Texas Wesleyan College and Polytechnic United Methodist Church. The weekday session is July 12-14. The weekend session is July 15-16.

For the first time, child care is being provided the children of parents who attend. We are indebted to the staff of Polytechnic Methodist Church for making personnel and facilities available to us. Children from two months of age to those who have completed the fifth grade will be accepted. The program will provide supervision and lunch for all ages as well as study and field trips for older children.

Information on the school has been sent to every local officer and pastor. Further information will be available at the display at the site of Annual Conference and through the pages of the Texas United Methodist Reporter.

The three topics of study this year are:

Covenant Living in Times of Change — “. . . to understand ourselves as a covenant people in relation to the world but not of the world, set apart, yet servant.”

Revelation — “To examine Revelation in the cultural and religious context from which it came and to relate its content to contemporary culture and religion.”

Contemporary China — “To explore the significance of the China event in light of the Christian gospel and its concern for human welfare.”

To conserve energy, encourage fellowship, and meet the needs of those who do not wish to drive in Fort Worth, we suggest to persons and churches with vans or buses that they make known to neighboring churches the availability of such vehicles so that no one is deprived of the experience of School of Christian Mission for lack of transportation.

Attendance at our Annual Meeting of 1977 set a record for recent years. But we anticipate an even larger crowd next October 7, 1978, when we meet at Central United Methodist Church in Fort Worth. Our speaker will be the Associate General Secretary of the Women's Division, Ms. Theresa Hoover.

About 30 women of Central Texas will attend the Assembly of United Methodist Women in Louisville, KY, April 27-30. It is a quadrennial event bringing women from around the world together for worship.

COMMISSION ON STATUS AND ROLE OF WOMEN IN THE CHURCH

Report No. 1

(Approved June 5, 1978)

The Commission on Status and Role of Women continues to foster an awareness of issues, problems, and concerns related to the status and role of women with special reference to full participation of women in the total life of the church on all levels.

There has been publicity on audio-visuals available in the conference council office. Appropriate programs, seminars, workshops, and books which carry out the purpose of the commissions have been emphasized.

The seminar dealing with “Reality, Within Life Situations” which was cancelled due to bad weather has been rescheduled for September 9 at Glen Lake.

Support for outstanding work done by women in the conference has been noted.

At this time reports have been received that 30 churches have had women preaching in a major worship service. Some of these speakers were clergy women, lay speakers, and other capable dedicated women.

The goals for the 1978-1979 year are:

1. To do a survey to provide information on jobs and salaries of lay personnel in churches in the Central Texas Conference in order to develop guidelines for local church use.
2. To develop and initiate additional opportunities for women in the church, with organization based on needs and interest. Models and suggested programs could be provided, as well as resource persons to serve as consultants.
3. Continue to encourage invitations to women to fill the pulpit in a major worship service at least once in each church in 1979.

MISSIONAL PRIORITY TASK FORCE ON EVANGELISM

Report No. 1

(Approved June 5, 1978)

The "why" and "how to" of evangelism have received broad emphasis recently in publications and seminars. Leadership development events, mass rallies and specific training are scheduled frequently at all levels of the United Methodist Church. Some congregations are making significant progress toward understanding the tasks and possibilities which are theirs. Much of what has been accomplished has not yet become visibly evident nor statistically measurable, but this is sure to follow if our faithful efforts continue and increase.

Believing that most of us perform more carefully and more consistently when striving toward accepted objectives, the following challenges are proposed for the Central Texas Conference, all to be achieved by June 1, 1979.

- 1) Increase the total membership in local churches by 12,000; "4,000 by December 31, 1979; an additional 4,000 by December 31, 1980; and an additional 4,000 by December 31, 1981."
- 2) Receive 3,000 members into our churches by profession of faith.
- 3) Establish 400 new Sunday School classes in our congregations.
- 4) Attain 20% increase in Sunday School attendance.
- 5) Publish monthly progress reports in *The Texas Methodist*, listed by local churches and districts.

Each congregation is also urged to develop its own policies of discipling and timing, using whatever methods seem most suitable for meeting these challenges. Apparently no church is doing all within its power and potential to evangelize its community or city. This is our challenge for all of us to be much more intentional in our response to Jesus' great commission, "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you . . ." (Matt. 28:19,20).

ETHNIC MINORITY LOCAL CHURCH MISSIONAL PRIORITY TASK FORCE

Report No. 1

(Approved June 5, 1978)

Things are happening in the Central Texas Conference relating to the Ethnic Minority Local Church.

- The called session of the Annual Conference in January, 1978, adopted a combined General and Conference Advance Special in the amount of \$62,000, with the conference share being allocated to salary supplement, church development and extension, and scholarships.
- A diaconal trainee has been working/training with ethnic minority congregations.
- Parsonages have been pledged for ethnic minority churches.
- Districts are enabling minority local churches.
- New ethnic minority congregations are being supported as they seek to become stable and self-supporting.

—Heritage Sunday materials centering in our ethnically diverse roots as United Methodists were prepared and used in many churches, culminating in an offering brought to the Annual Conference for this priority.

—An awareness of the crises in the Ethnic Minority Local Churches is emerging over the conference.

For these, we are grateful . . . but much remains to be done!

Jim Porter, Secretary

ETHNIC MINORITY LOCAL CHURCH PRIORITY TASK FORCE

Addendum No. 1

(Approved June 5, 1978)

Although exciting and new things have been taking place in the Ethnic Minority Local Churches in our Conference, there is still much to be done.

As Central Texas United Methodists, we need to awaken to the physical and spiritual needs of a growing ethnic minority in our area. In Dallas-Fort Worth alone, there are some 20,000 Native Americans. Of that number, 3,000 live in the Fort Worth area and 50 families move in annually.

Also, with the increasing Chicano population in the Central Texas Conference, we need to develop awareness and sensitivity to their special concerns. We as a conference need to develop a trusting, working relationship with our sister conference — The Rio Grande Conference, always remembering that relationships take work and time to build. Relationships cannot begin with a paternalistic attitude that one conference is superior to another.

There is still a need for funds for building renovations. Even though some churches in urban areas have been renovated, there are churches in non-urban areas which need funds for renovations.

Ethnic minority churches in this conference have expressed the need for additional staff. One way of meeting this need is to train more diaconal people and identify persons who might be interested in other types of ministry.

As the United Methodist Church makes continued progress in the elimination of ethnic discrimination and racism within its organizational structures and institutions, the matter of "open itinerancy" seems to be one of the persistent unresolved issues. The question is, do we really believe in open pulpits? When we look around do we see an open system at work, or do we see men and women locked into or out of the appointive process? The issue must be faced. We must move in the direction of United Methodism's commitment to ethnic inclusiveness.

And finally, there is the need for a continued financial commitment of support of the Ethnic Minority Local Church. By supporting the Ethnic Minority Local Church through the Ethnic Minority Local Church Missional Priority and Advance, the Church can advance to the forefront of creative action and join together as the inclusive Body of Christ that we are meant to be.

THE COMMISSION ON RELIGION AND RACE

Report No. 1

(Approved June 6, 1978)

The Commission on Religion and Race in the Conference continues to foster an awareness of issues, problems, and concerns related to ethnic minority constituency of the Central

Texas Annual Conference. New guidelines set forth in the Discipline (paragraph 254 & 436) call for each local church to have a chairperson of Religion and Race and each District to have a secretary of Religion and Race, therefore the Commission of Religion and Race structured a questionnaire which was sent to every District Superintendent to ascertain if this was being done.

The Commission has met several times during this past Conference year to acquaint the membership with their representatives of the purposes and functions of the Commissions of Religion and Race as outlined in the discipline.

This event which was planned for early fall of 1977 which staff persons from the General Commission on Religion and Race were to be invited to the Central Texas area to provide consultation for all local Church Religion and Race Chairpersons and District Secretaries, as well as other concerned members of the Conference, was cancelled due to calendar conflicts; however, it is recommended to do this early fall of 1978.

The Commission on Religion and Race strongly recommends an annual Harry Hoosier extravaganza during the month of August or September.

The purpose of such a meeting would be in accordance with paragraph 2002 of the Discipline. The Commission on Religion and Race of the Central Texas Annual Conference was represented by two (2) members who represented the Commission on Religion and Race and the Central Texas Annual Conference at the annual meeting of Black Methodist Church renewal in Jackson, Mississippi. The Annual Conference of Religion and Race is attempting to train the membership of the Commission whereby they may be better able to serve the Methodist Church.

The goals for the new year are:

- (1) Harry Hoosier extravaganza in the summer of 1979.
- (2) An ethnic minority preaching in each church during a major worship service in 1978-1979.
- (3) The development of multi-racial fellowship in all churches.
- (4) To continue to provide a channel of assisting the ethnic and racial groups as they seek to develop programs of empowerment and ministry to their community.

BOARD OF CHURCH AND SOCIETY

Report No. 1

(Approved June 6, 1978)

During 1977, the Board of Church and Society's Committee on General Welfare worked on and finalized a resource seminar kit for local churches on **Divorce and Religion**, which was prepared in tape form with an accompanying script for use by the seminar leaders. The kit is available in the Conference Office to be checked out by local churches in the conference who might be interested in such a seminar. A letter was sent to each district superintendent requesting that the chairperson of the Committee on General Welfare be invited to each district preachers' meeting and Council on Ministries meetings to give any additional information relating to the seminar kit and its use.

In the planning stages, the Committee on General Welfare is laying ground work for a seminar on Pre- and Post-Retirement as a conference-wide event. Additional persons contacted to provide additional expertise on planning and other matters for such an event are: Rev. Billy Mack Patteson, Director of Foundation on Aging, and Dr. Alice W. Wonders, retired from Department of Religion, TWC.

The Board of Church and Society has outlined for its 1979 program goals the following:

1. Continue the planning of and possible implementation of an event for the conference on Pre- and Post-Retirement.
2. Initiate necessary research and study of what role the conference could and/or should

play in the continuing problem of illegal aliens in Texas.

3. Promote the use of the prepared seminar kit on **Divorce and Religion** in the conference and nationally.

4. Seek for support statements of local districts for the agriculture (farm) crisis in America.

5. Reactivate the task force on TV violence for development of recommendations relative to the information researched.

The above goals of the board are as presented by the committees of the board: Committee on Emerging Social Issues, Committee on General Welfare, and Committee on Human Relations.

HARRIS AND HURST-EULESS-BEDFORD HOSPITALS

Annual Reports

(Received June 6, 1978)

Harris Hospital-Methodist has, with the beginning of the Phase V construction program, adopted the theme: "A Great Medical Center For A Great City." While this is already a reality, the current and future plans of the Hospital will add tremendous dimensions to this great institution of healing.

THE CENTER . . .

Operating under the auspices of The Central Texas Annual Conference of The United Methodist Church, Harris Hospital-Methodist is governed by a 31 member Board of Trustees. The institution is a voluntary, charitable, not-for-profit corporation under the laws of the State of Texas; any excess of revenues over expenses must be reinvested in the Hospital and cannot be applied to an individual's gain.

In 1961, a significant event occurred at Harris Hospital-Methodist. The Hospital and neighboring Fort Worth Children's Hospital joined hands for sharing of services; and on March 26, 1963, they formed The Fort Worth Medical Center. Fort Worth Children's Hospital, a private, not-for-profit general hospital for children and young adults with over 100 beds, and Harris Hospital-Methodist exchange services as a means of eliminating duplication of buildings and equipment and as a means of providing better care for patients. A great medical center for one of the great cities of the State is now becoming a reality.

THE MAGNITUDE . . .

Harris Hospital-Methodist, Fort Worth Medical Center, is the largest health care facility in Tarrant County with 628 beds, 2100 employees and 502 physicians on the staff. We are the fifth largest employer in Tarrant County and our payroll returns some \$19,745,000 per year to our local economy.

THE SERVICES . . .

Harris Hospital-Methodist has become a highly specialized medical facility in family medicine, general surgery, neurosurgery, ophthalmology, otolaryngology, thoracic and cardiovascular surgery, orthopedic surgery, plastic and traumatic surgery, dental and oral surgery, internal medicine, pediatrics, dermatology, cardiology, radiology, neurology, obstetrics and gynecology, urology, anesthesiology, emergency medicine, and pulmonary medicine. These facilities are extended to all hospitals needing these services, and we are receiving referrals from thirteen which makes a total of some 2300 beds.

THE OUTREACH . . .

We have also launched a "satellite" program which is increasingly becoming a trend among the large hospitals of the nation. This plan aids and strengthens the small hospitals in outlying areas. The larger institution offers administrative guidance and expertise as well as specialized services, all of which greatly enhances their health care ministry in their respective communities. Harris Hospital-Methodist is now associated with two smaller hospitals — H.E.B. Hospital (Hurst-Euleless-Bedford) and E.M.A.S.H. Hospital (Eagle Mountain Area Suburban Hospital) of Azle. We are the only hospital in the Conference engaged in this new "medical frontier," and through it we hope to increase our medical services to an ever-increasing area of Central Texas.

The three hospitals combined have a payroll of \$23,200,000, a budget of \$47,600,000, a total of 2,500 employees and 767 beds.

THE FUTURE IS NOW . . .

Through the generosity of philanthropic sources the ever-increasing capital equipment needs of the Medical Center can be met each year, while the retirement of the revenue bonds can be achieved through the normal operating revenue. The capital needs of all hospitals have sky-rocketed. For example, in 1970, an estimated \$30,000 in assets per hospital bed was the national average. In 1975 this had increased to \$60,000 per bed. Thus, the hospital must continue to be dependent on the generosity of Foundations, Corporations and individuals for the full implementation of the care and services it extends to the community. It takes in excess of \$1,000,000 per year to replace equipment and acquire the new technological advances that keep Harris Hospital-Methodist equal to the growing health demands of Tarrant County and the surrounding communities. Every individual can play an important part in the great future of The Fort Worth Medical Center through their Special (tax exempt) Gifts.

GIFTS TO HARRIS HOSPITAL-METHODIST . . .

Current gifts are applied to the equipment and physical expansion needs and the educational programs and are not used for operating expanses unless specifically so designated. Such gifts enable the hospital to purchase needed equipment and provide educational opportunities which are not in the yearly operating budget of Harris Hospital-Methodist. This type of financial support makes possible the continuing medical progress at Harris Hospital-Methodist. In the forty-eight years since it has been founded, such support has enabled the hospital to expand in keeping with the demands of patient care. Harris Hospital-Methodist strives to provide the finest in hospital and health care through its well trained, compassionate and experienced personnel, its continuing effort to keep pace through a planned expansion of its physical facilities, and providing to the patients, physicians and employees the most modern and up-to-date equipment available.

Your gifts of cash, securities, real estate, deferred gifts such as life insurance, wills and trusts will all help to make "a great medical center for a great city."

The greatest opportunity and challenge that can come to the people of The Central Texas Annual Conference is to be a part of the great "medical frontier" of today. This is to invest in that which will achieve the most in and for our Conference.

PHASE V MODERNIZATION AND RENOVATION PROJECT OF HARRIS HOSPITAL-METHODIST:

Harris Hospital-Methodist received a certificate of need from the Texas Health Facilities Commission for renovation and modernization of floors 1, 2, 3, and 4 on the north wings of the Hospital. In addition, the basement of the Jones Building in the Radiology Department will also be modernized. In January, 1978, the Tarrant County Hospital Authority sold revenue bonds for \$23,230,000 for the purpose of financing this renovation and modernization project at Harris Hospital-Methodist. The Harris Hospital-Methodist bonds received an A+ rating. This financing had previously been approved by The Central Texas Annual Conference of The United Methodist Church at a special meeting called in January, 1978. The Hospital currently has an application in process for a total body computed tomographic scanner for the Radiology Department. Rangaire Building Corporation of Fort Worth, Texas, has entered into a construction management contract with Harris Hospital-Methodist and will be responsible for managing, supervising, and carrying out the construction of the Phase V project. Construction began in February of 1978, and will require some 25 months for completion.

HARRIS HOSPITAL-METHODIST DEVELOPMENTS:

During the fiscal year, several steps were taken to more efficiently deliver care and extend services to the patient population. The cost identification program which was instituted three years ago was used to develop the budget for the fiscal year and to closely monitor daily operating expenses in each department. Through a rigorous cost consciousness program instituted in this fiscal year, Harris Hospital-Methodist was able to increase its excess of revenue over expenses from \$97,253 in fiscal year 1976 to \$2,154,963 in fiscal year 1977. Harris Hospital-Methodist also renewed its efforts in nurse recruitment in order to increase the employment of professional nurses registered in Texas. This program includes a nurse internship program for recent graduates as well as recruitment activities on local nursing school campuses. Another program initiated during the past fiscal year at Harris Hospital-Methodist has been the rehabilitation team designed to evaluate and provide services to persons requiring particular rehabilitative programs during their period of recuperation.

HURST-EULESS-BEDFORD HOSPITAL DEVELOPMENTS:

Hurst-Eules-Bedford Hospital repeated its performance of last year as a fiscally stable institution with a reputation for quality care. The Hospital also embarked on a Phase III construction and modernization program. This program will result in an addition of 20 beds at the Hospital and will improve the auxiliary and administrative services at the Hospital. In January of 1978, the Hurst-Eules-Bedford Hospital Authority sold revenue bonds for \$5,285,000 for the purpose of financing the current construction program. The Hurst-Eules-Bedford Hospital bonds received an A rating. Rangaire Building Corporation is also the

construction manager at Hurst-Euleless-Bedford Hospital and has agreed to complete the project on a cost plus basis with a guaranteed maximum price. It is expected that the project will be completed by January, 1979.

MEDICARE:

The number of patient days covered by Medicare and Medicaid compared to total patient days for the period October 1, 1976, to September 30, 1977, was 37.9 percent at Harris Hospital-Methodist and 17.7 percent at Hurst-Euleless-Bedford Hospital. Approximately 32.7% of all Harris Hospital-Methodist revenues and 17.2% of Hurst-Euleless-Bedford Hospital revenues were from Medicare and Medicaid sources. Harris Hospital-Methodist was forced to discount Medicare patient bills 21.0% below normal billings, and Hurst-Euleless-Bedford Hospital was forced to discount Medicare patient bills 30.2% below normal billings. Harris Hospital-Methodist was also forced to discount Medicaid patient bills 9.5% below normal billings, and Hurst-Euleless-Bedford Hospital was forced to discount Medicaid patient bills 19.2% below normal billings.

Education For The Clergy

The Department of Pastoral Care has continued to provide educational opportunities for seminarians and the area clergy. On Mondays of each academic semester, students spend the day in seminars and visiting patients. They are given group and individual supervision

in the meaning and methods of ministry to people in crisis. Academic credit is received upon successful completion of a semester's work.

Education For Patients

A new and exciting form of ministry has begun. Video-taped programs created and sponsored by the Department of Pastoral Care, are broadcast daily, Monday - Friday, by means of the hospital's closed-circuit system (Channel 2). Twenty programs have been produced, divided equally between devotional and educational themes. The purpose of these programs is to increase the chaplains' availability to patients who are in need of spiritual ministry. The response of patients has been encouraging. This project is our first step in the direction of television as a form of ministry. It is also an innovative attempt to provide relevant patient education in the areas of emotional and spiritual adjustment to hospitalization and crisis.

METHODIST HOME — WACO

Report No. 1

(Received June 6, 1978)

A total of three hundred and ninety two (392) children and youth from Central Texas Conference comprised a part of the total 873 young people served by the Methodist Home last year.

Methodist Home, one of the nation's leading child care centers, provides a wide range of services to homeless, neglected, abused, and troubled children and their families. Emphasis is placed upon the development of the whole individual, and children are given the opportunity to grow educationally, spiritually, and physically within a caring Christian community. Methodist Home is owned and operated by the seven annual conferences of the United Methodist Churches in Texas and New Mexico.

Methodist Home — Report I — Services For Children And Youth

(The following seven sections are excerpts from the Administrator's Annual Report to the Methodist Home Board of Directors which provides a current update of our program)

1. RESIDENTIAL CARE

"In the spring of 1969 the Division System was developed for Methodist Home. Even with some apparent weaknesses, it is without question, a superior system for the care of children in a large residential care program. The campus is divided into four divisions, each division composed of 4-6 homeunits with a total of 50-70 children in each. Division staff form a team and are close to the child, so that problems are solved promptly and many times can be spotted before they become problems. The key factor in the whole system is that the worker is close to the child."

Budgeted Capacity: 200 Average Occupancy: 189
Average Cost per Day: \$23.00

2. THE FOSTER HOME PROGRAM

"Since 1966, the Foster Home Program has grown in numbers and significance. Any child or youth who needs the closeness of a foster home and it would appear his adjustment would be better in a foster home than he is placed there. Not all children can

do well in a foster home — our experiences tells us that. A poor foster home is just as devastating to a child or youth as is any other poor placement. The prevailing opinion held by many child care people in our state and nation that a foster home is better for a child than any group placement is a severe detriment to good child care in our country. After a child has been in six or seven foster homes and has not been able to adjust properly in any of them, then his problems have been compounded so severely by the many failures that it is most difficult for those in residential care to properly meet his needs. Our outpost offices in Dallas, Houston, San Antonio, Amarillo, and Albuquerque have enabled us to greatly expand our foster home capabilities.

Budgeted Capacity: 125 Average Occupancy: 119
Average Cost per Day: \$8.00

3. ADOPTION

“For many years Methodist Home has had an adoption program, but from the standpoint of numbers it has not been and is not now a large program. Through the years only five or six children have been placed for adoption each year, however in the last two years we have placed about fifteen children for adoption each year.”

4. CHILDREN'S GUIDANCE CENTER

“The next far-reaching step in program development came in 1971 with the opening of the Guidance Center. The five basic services of mental health offered by the Guidance Center have served effectively in meeting the needs of treatment for emotionally disturbed children and youth. Usually it is operating at near capacity. It is fully accredited as a psychiatric hospital for children and youth by the Joint Commission on Accreditation of Hospitals.”

Daily in-patient Budgeted Capacity: 42 Average Occupancy: 25
Daily outpatient Budgeted Capacity: 25 Average Daily: 19
Outreach: 229 contacts monthly

Average per Day Cost: \$51.00

5. BOYS RANCH

“Another relatively new program in the umbrella of services of Methodist Home is the Methodist Home Boys Ranch, in the process of development since 1971. Some boys and young men have certain problems and adjustments that life in group care on a campus or in foster homes cannot be met. These boys, some adjudicated by juvenile courts, some on the border of juvenile delinquency, can best be served in a rural setting working with livestock and machinery. Our Boys Ranch Program, in actual operation five years, has proven the truth of this statement. There is a constant demand for the services of the ranch and the success factor, measured in terms of good adjustment to living upon discharge is probably the highest of any of our programs.”

Budgeted Capacity: 36 Average Occupancy: 29

Average per Day Cost: \$23.00

6. HOWARD EMERGENCY SHELTER

“The Howard Emergency Shelter Program was begun on July 15, 1977. Its main purpose is to care for children and youth who have immediate and emergency need for short term placement until plans can be made for their more nearly permanent care. Fourteen days is the maximum time for placement. The Howard Emergency Shelter has been in operation long enough to demonstrate to us the effectiveness of this service. It was clearly shown that there was a pressing need for the service and our program is proving that the need can be met in this way.”

Budgeted Capacity: 12 Average Occupancy: 6

Average per Day Cost: \$29.00

7. FONDREN RECEPTION/EVALUATION CENTER

"The new Fondren Reception/Evaluation Center enables us to bring children to the Home on short notice, do most of the study while the child is in the Center and determine on the basis of his needs whether he should be admitted to one of the areas of service of Methodist Home or if he should be referred to some other agency. This gives us a whole new dimension in our total program of services."

Budgeted Capacity: 20 Average Occupancy: 11
Average per Day Cost: \$22.00

Methodist Home — Report II — Eligibility And Services Donated

1. ELIGIBILITY REQUIREMENTS FOR SERVICE

The Methodist Home serves children and youth regardless of race, creed, or financial circumstances of the family. Although families of children served are asked to contribute to their support, in fact, their total support constitutes less than 1% of revenues.

2. SERVICES DONATED

There were 140,882 days of child care provided last year through residential care, ranch living, foster care, psychiatric hospitalization and therapy. Approximately 900 children and youth received food, shelter, counseling, education, and spiritual enrichment in a Christian environment at Methodist Home.

3. SERVICES DONATED TO METHODIST HOME

Local hospital room-care is provided when a Methodist Home child needs hospitalization. Partial medical services are also available.

Methodist Home — Report III — Problems Faced And Problem Solving

1. PROBLEMS FACED

- Anti-institutional bias that has too many children inappropriately placed in local communities with other agencies. Thus, by the time the applicant arrives at Methodist Home the person is a severely damaged client requiring expensive trained personnel for treatment.
- Homeparent recruitment and retention
- Development of Group Homes in different areas of Texas and New Mexico.
- Admission Procedures
- Emergency care needs
- Anticipated loss of annual \$342,000 National Institute of Mental Health Grant

2. PROBLEM SOLVING

- Methodist Home is committed to work with the districts in the conference at the preventive level with churches and families utilizing Methodist Home staff.
- Methodist Home will continue to provide quality residential care in cottage style living on campus with efficient and effective supportive services and appeals for affirmative support of this quality of care to be communicated within our respective communities.
- Inservice training program established with additional Associate Degree Program for Child Care workers at McLennan Community College
- New Admissions process with establishment of Fondren Reception Center
- Howard Emergency Shelter established
- Involve key leadership of Annual Conferences to help realize Group Homes
- Continue to communicate cost needs toward increased financial support from local churches.

Methodist Home — Report IV — How Can Central Texas Annual Conference Help?

1. Increase financial support through December Christmas Offering for Methodist Home.
2. Awareness of complexity of caring for damaged children through district and local church involvement (visits, programs, and seminars.)

Since this will be my last report to the Annual Conference let me emphasize that as a Christian Institution serving children and youth, it is essential that we continue to be sensitive to the needs of child care in the two states which we serve and develop programs and facilities to meet those needs.

This is the most frustrating, fatiguing, wearisome, tiresome but gratifying work in the world. Indeed, this is the Lord's work. What could be more Christian than caring for children who need a home and a new direction in life. The Lord said, "Suffer little children to come unto me!" This is our work at Methodist Home. When the time comes for us to leave our work on these three hills, we will feel truly that we are leaving hallowed ground.

Respectfully submitted,

METHODIST MISSION HOME OF TEXAS

Report No. 1

(Received June 6, 1978)

THOUGH WE ARE 83 YEARS OF AGE AS AN AGENCY . . . we celebrate this month the Tenth Anniversary of moving onto our twenty acre Campus in 1968. The Fourth Annual Commencement Service on March 11 for our Southwest Center for the Hearing Impaired will incorporate recognition of this Tenth Anniversary, and of the Annual Conferences, which made it possible!

A SATELLITE MATERNITY HOME IN NACOGDOCHES . . . is now in operation because of the interest of the churches and advocate groups in that area. We are able to serve four residents at one time, as well as counsel out-patients. A similar service is being contemplated by the Methodist Mission Home in cooperation with interested persons in the Midland-Odessa area.

NEW DIRECTOR MR. DOUGLAS SLASOR OF INDIANA . . . who is deaf and oral, and a new Assistant to the Director, were hired for the Southwest Center for the Hearing Impaired in the past two months. The Center continues to refine its program and services.

NEW CAMPUS CLINIC IN OPERATION . . . In late 1977 our Campus Clinic was opened, with one section for obstetrical examination by the regular weekly visit of the physician, some infirmary rooms, as well as an examination room for the hearing impaired clients used by their physician who comes twice a week. We would be happy to receive a gift of this \$80,000 facility by any church or individual who would like to give it!

THE OLD CLINIC . . . (some 9,000 square feet) is being remodeled to better house some 30 hearing impaired male clients, as well as provide a social center for all the hearing impaired residents. This should be finished by May 1.

ADOPTIVE FEE TIED DIRECTLY TO CHURCH GIVING AND TO OTHER GIFTS . . . In November, 1977 the Board of Directors developed a minimum adoptive fee, which is in reverse proportion to the amount of gifts received through the Annual Conferences and individuals each year. As the churches increase their subsidy to the maternity-resident-baby-adoptive couple continuum of service, then the portion of the overall cost that the adoptive parents are asked to give will be reduced!

IN 1977 WE SERVED . . . 542 persons in need in a direct way; 146 Maternity Clients, 115 infants, 210 Adoptive Parents, and 71 Hearing Impaired Residents. Our total operational budget for 1978 is at one and one fourth million dollars, of which the churches will give about 12%. Our church giving for operating was at an all-time high this past year in the amount of \$155,000. Our total endowment is \$310,825.

WE INVITE YOUR SUGGESTIONS INTEREST CONCERN AND SUPPORT . . . Please feel free to call on us for any of our services . . . if we cannot help in a particular situation, we will try to direct you to the help which is needed.

COMMITTEE ON COMMUNICATION & INTERPRETATION

Report No. 2

(Approved June 6, 1978)

Three areas of concern that must be lifted up are:

Conference Resource Library

The Conference Resource Library is located at the Conference offices. Lee Vance, Resource Librarian, continues to give excellent leadership. A summary of resources available are:

- 116- 16 mm Sound Films
- 736- 35 mm Filmstrips
- 315- Audio Cassettes
- 50- Record Albums
- 40- Media Kits

over 500- Books

There is also a Master Copy File containing all Curriculum materials for 3-5 years and a check-out file of all current materials.

During the past year 152 churches have used the Resource Center at least one time. Over 1,000 individual items have been issued.

We encourage an even wider use of these resources. Let Lee Vance know your needs and help you plan. She can and will give invaluable assistance if she is asked to help.

Connection

The new United Methodist radio program **Connection** continues to be well received wherever it is heard. It is recognized as one of the most innovative and creative religious radio programs being produced today.

Ten percent (10%) of all placements of **Connection** nation-wide have been in the Texas-New Mexico area where our approach has been somewhat different from anywhere else.

Each of these placements was handled by a layperson or a local who made the contact and the necessary arrangements with the local radio station. This has proven to be the most effective method of placement. Many members of this Conference can do this same thing in their own community. Placement kits and detailed instructions are available from the Committee.

Local Church Communications Coordinators

The 1976 General Conference created the new position of **Local Church Coordinator of Communications**. The 1976 Discipline describes the duties of this Coordinator in Par. 261.5. This can be a key position and one of the most important in the local church.

We recommend the following:

1. That every local church name a Local Church Coordinator of Communications no later than January 1, 1978
2. That every District provide a training event for these Local Church Coordinators to train them in the "how-to" of their jobs.

Leonard Radde, Chairperson

COMMITTEE ON RESEARCH AND PLANNING

Report No. 1

(Approved June 6, 1978)

During 1976-1977, each local church was required by the Annual Conference action to do a self-study of the congregation and the community in which it functions. This study included the gathering of demographic data on which to base plans for the future.

In looking at the Annual Conference, and especially the work of the Annual Conference Council on Ministries, the Committee on Research and Planning feels that a similar kind of data gathering and assimilation is as necessary for an annual conference to plan effectively as for a local church. In order to have maximum effectiveness from our various personnel and our financial resources, it is necessary for us to gather, assimilate, evaluate and interpret existing data as it affects our conference. This hunch was reinforced in conversation with Lyle Schaller, who is on the staff of Yokefellow Institute, Richmond, Indiana, and a leading church planner; and Paul Geisel, Administrator of North Texas Council of Government; as well as other authorities in the fields of church and urban planning.

Therefore, we propose the following research project to be started as soon as possible, and no later than January, 1979.

We would gain access to available data, assimilate it, and define it in relation to such areas as (1) church growth and development, (2) church location and relocation, (3) parishing and shared ministries, (4) specialized ministry needs, (5) leadership training needs, (6) development of new ministries.

We would propose the following as a way of doing the job:

- 1) Although 1970 census data is outdated, more recent and adequate data exists — at least in regard to basic growth/decline/population shift, i.e.,
 - a. data available from COG's, utility companies, construction records, city and county planners, etc.
 - b. breakdowns by race, sex, age, income, etc., available in part.
- 2) Process would be to assemble data which exists, and, on basis of questions we want answered, reduce it to
 - a. historical commentary
 - b. graphs and charts
 - c. interpretive statements
- 3) This would require a consultant to "lay out the job," advise and assist in interpretation, and one knowledgeable person — not necessary to be trained in research — to do the data gathering and assimilation. This person would work under the general oversight of the Research and Planning Committee; under the day-to-day supervision of the Conference office.
- 4) Time required would be:
 - a. 2 months for gathering data
 - b. 2 to 4 months for assimilation and writing
- 5) For the process to have value, it would have to be integrated or juxtaposed with:
 - a. local church data — as per recent study
 - b. assessment of facilities and program capacities
 - c. missional design statement for the Annual Conference as a whole.
- 6) The latter (missional design) would require a long range planning Task Force, appointed by the Bishop, from the Conference, to assess, project and propose — and the counsel of an "expert" such as Schaller or Bob Harman, which will add another \$1,500 to total costs.

CONFERENCE YOUTH COUNCIL**Report No. 1****(Approved June 6, 1978)**

In the absence of last year's president, Mr. Gary Hernandez, I am pleased to present the Conference Council on Youth Ministries report for the past year.

Last year the Conference Council on Youth Ministries Supported and organized four annual events including Jr. High Mid-winters, Sr. High Mid-winters, Annual Youth Conference and the Annual Youth Rally. Participation in these events by our conference youth was very encouraging. Jr. High Mid-winters were held the second and fourth weekends of Feb. Two Sr. High Mid-winters were also scheduled for the first and third weekends of the same month. Due to bad weather the second Sr. High Mid-winter was cancelled but we are happy to announce that all registration fees were returned. Annual Youth Conference was held the last week of April on the 28 and 29. Youth elections for the Conference Council on Youth Ministries were held during Annual Youth Conference until the adoption of the new by-laws during the year of 1977. In reviewing the need and purpose of this Annual Youth Conference the presently elected CCYM voted to move Annual Youth Conference to the Saturday before the opening of Annual Conference. This event shall run through the Annual Youth Rally. Attendance at Annual Youth Conference will not be a requirement for participation in the Annual Youth Rally. In doing this we hope to enlarge the participation of youth in Conference wide events.

In addition to these events on October 21 and 22 of this year a leadership training event will be held. We hope to use this format in the future to relate to the needs of the local youth groups.

The Youth Service Fund is a major concern of the CCYM. Lydia Patterson and Glen Lake were our out of conference and in conference projects and will return as our projects again this year. Lydia Patterson received \$212.26 and Glen Lake received \$212.27.

Besides this money \$1,681.11 was sent to the Navajo Methodist Mission School in New Mexico. This money was raised several years ago by our youth for a van for the Oklahoma Indian Conference. By the time the money was raised the van for the Oklahoma Indian Conference was no longer needed or wanted. We felt that the Navajo Methodist Mission School could put the money to good use in increasing their library and visual aids departments.

This past year our conference was represented by three youth and one adult representative at Jurisdictional Youth Caucus. The youth were Gary Hernandez, Adolph Lopez, and myself. The adult representative was Hubert Owensby. During this Caucus Douglas Chee Vaughn was elected to a term to serve on the National Youth Ministries Organization (NYMO). We also had several members in attendance at Jurisdictional Youth Ministries Enterprise.

Last December the Ft. Worth East District sponsored a Conference-wide Christmas party. It is hoped that this will become an annual event. We are grateful to the Ft. Worth East district youth and their coordinator Hubert Owensby for the work put in on this event.

Our newly elected officers are:

President - Nancy Anglin

Vice-President - Ronnie Schmidt

Secretary - Lisa Sawyer

Conference Staff Person - Karen Greenwaldt

YSF Coordinator - Kent Marrs

Resolution

(Approved June 6, 1978)

The ACCOM Executive Committee affirms the worth & dignity of the Native American. We acknowledge their struggle for human dignity & recognize the official statements on their behalf passed by the 1976 General Conference. However, in response to their request for support in the opposition of bills now pending in both houses of our national legislative branch, we find the issues are too complex for us to make recommendations due to the brevity of time between the receipt of their request and this Annual Conference session. Therefore, we move the matter be referred to a duly designated segment of our Conference's Board of Church & Society for study and recommendations for action through channels that board deems appropriate, with the understanding that action be taken immediately.

ST. PAUL SCHOOL OF THEOLOGY

(Received June 6, 1978)

In June 1977 the seminary received full accreditation on the Doctor of Ministry program which began in 1972. Following the strongly affirmative 1976 Association of Theological Schools Evaluation, the full accreditation of the Doctor of Ministry (D.Min.) program is another recognition of Saint Paul progress in training future leaders of the church.

In last year's summary our search for full time black presence on the faculty was reported. As a result of affirmative action, we are happy to announce that Dr. Julius E. Del Pino will be joining the faculty as of July 1, 1978, as Assistant Professor of Church Administration and Field Education.

The seminary's enrollment for Fall 1977 was 184, compared with 171 last year, a 6% increase. There are 156 full time Master of Divinity students as compared with 143 last year. The first year class is considerably larger than last year, and the total number of applications for new admissions represented the highest number in this decade.

Beginning this year the Trustees will be meeting twice per year instead of annually, a step which represents one of several moves in the direction of greater participation and involvement. Additional At-Large Trustees are making possible a stronger and growing network of long-range support.

The October 1977 Board of Trustees approved a proposal that the 20th Anniversary observances of Saint Paul emphasize a three-year financial campaign for \$2 million. The campaign is to extend from the time of the Trustees meeting through December of 1980. The Trustees approved a plan by which approximately 2/3 of the funds raised would be for current operating expenses and 1/3 for future endowment needs.

During the past year the Reverend Mr. Jerrie Jones, a 1977 graduate of Saint Paul, joined our development staff on a half-time basis as he continued to serve The United Methodist Church in LaMonte, Missouri. In June 1978 he will become seminary's development staff.

I would like to express special appreciation for the outstanding Ministerial Education

Fund support during the past year. The responsiveness of the church is extremely heartening to those of us with direct responsibility for theological education. I cannot overestimate the significance of this sustaining support for Saint Paul School of Theology. The strong MEF response will be of major importance to our work in financing our existing ministry, and in considering further improvements in our service to the church. THANKS for a task superbly done!

In spite of inflation and small endowment we were able to operate in the black for the second consecutive year. However, our income over expenses can be deceptive unless it is noted that an unusual amount of income came from wills. The 1977-78 budget represents a 12% increase over the 1976-77 budget which in turn was a 12% increase over the 1975-76 budget. These increases represent a much needed step toward faculty and staff salary improvements, combined with overall inflationary costs.

In looking forward to our 20th anniversary in the fall of 1978, there is much for which to be grateful. Indispensable to our work is the strong and effective partnership of the local church in sending us students and providing dollars for dreams to be realized. The Saint Paul Lay Consultation Council continues to be a specific expression of this partnership. As we continue our best efforts for the great ministry of training men and women for leadership in the church, we do so in the belief that all our works are begun, continued, and ended in God's everlasting and unbounded love.

THE COMMISSION FOR LAY CONCERNS

Report No. 1

(Approved June 6, 1978)

This Commission, like so many other organizations, has been plagued by bad weather in the early part of the year in attempting to get its work done.

A 1977 decision to support the L.E.A.D. program under the Board of Discipleship's Committee on Evangelism has been carried out just ending prior to Annual Conference. You have heard and will hear more about the report of that activity from the Board of Discipleship on the reactivation of the apathetic and bored church member.

District Lay Rallies have been held in all the districts with excellent attendance and inspiration to the laity of those districts. New Lay Speaking materials have been received and are in the hands of the District Lay Leaders or Lay Speaking Directors. Work has begun in almost all districts on the new Lay Speaking program.

Future programs will involve the development of a resource manual for the local church lay leader. This manual will be designed and put together with the cooperation of the General Board of Discipleship in Nashville. This will be a manual including the sources of information on both the general church and Annual Conference church agencies and boards that will enable the Lay Leader to become the resource person in the local church for the purpose of keeping the line of communication open between all levels of church activity. This manual is in the process of design at this point and after a short period of time, will be placed in the hands of a committee to be finalized for content and training sessions for local church lay leaders early in 1978. Hopefully, this will be a useful tool that can enhance communication and thereby the ministry within the church.

This Commission along with other like organizations throughout the Southwest Jurisdiction is aware of the need to continually update and refine the job descriptions and roles of both the lay organization and the conference and district lay leaders. With that in mind, we will be involved in planning and implementing a Jurisdictional level retreat event

dealing with the redefining and clarification of the role and function of the lay leader, both on district and conference level. Additionally, we are in the process of tentatively planning a retreat type event for the District Lay Leaders and District Superintendents of this conference in an effort to clarify within our structure as an Annual Conference a specific nature of the roles of the District Commissions, the District Lay Leaders, as well as having the purpose of forming a closer relationship and awareness of the role of District Lay Leader and District Superintendent.

The Commission and its members continue in a supportive way to function throughout the conference attempting to live out the role of the laity in ministry in the church.

Respectfully submitted,
Pat Stroman, Chairman

BOARD OF PENSIONS

Report No. 1

(Approved June 6, 1978)

The Board of Pensions realizes it has a sacred responsibility to guide the program of retirement benefits for the ministerial members of the Conference to afford maximum financial undergirding in the retirement years. Recommendations it makes consider this responsibility and also the inherent responsibility of being fiscally responsible for wise and prudent decisions that will guarantee the economic security of its decisions.

The Board of Pensions recommends that the annuity rate for the new year be \$95 per service year. Furthermore, the Board has affirmed its goal that the increase during coming years be not less than \$2 per year until the annuity rate of \$100 per service year is reached. When financial condition of the account warrants it the Board's intention is that the annuity rate set be as high as possible. Realizing that under present conditions to raise annuity \$1 per service year requires approximately \$100,000 in increased deposits. This is the actuarial estimate for funding all ministers for their service years for a \$1 increase in benefits.

The Board is pleased to note that pledges to the Limited Capital Funds Campaign for pensions has reached \$1,430,000. At the end of the second year of this five year campaign money actually paid upon pledges was slightly more than \$600,000. We believe this is a demonstration of the concern of many of the people in our Conference that ministers be afforded a decent annuity. The faithful support of many lay persons of the Conference as well as ministers has enabled this \$1,500,000 goal to be within easy distance.

Throughout our great church, and indeed many other denominations, there has been a marked move toward providing a housing allowance to ministers in lieu of a furnished parsonage. This trend will likely continue, although it is met with deep concern by some and rejoicing by others. An impartial questionnaire mailed to each minister of the Conference provided valuable indication of the sentiment in this regard. It is the considered judgement of this Board that this Conference should request an appropriate study group or existing body to make a study of this matter, that congregations might have facts pro and con available should they desire them. The Board of Pensions, of course, takes no position on this matter but does request that the Conference provide an impartial study.

The following ministerial members of the Annual Conference have requested the retired relationship and the Board of Pensions recommends that the Conference grant that relationship. They are: J. Morris Bailey, Floyd A. Boulware, Lloyd Ferrell, Len Layne, E. C. Hewitt.

The Board has received no requests for sustentation for the coming year.

Proportional Payments

In accordance with Paragraph 734.4 of the 1976 Book of Discipline, we are pleased to report that no church or charge in the Conference is registered as delinquent. Apportionments on all required items have been paid in full.

HOMES FOR RETIRED MINISTERS

Report No. 1

(Approved June 6, 1978)

Since 1906 the Central Texas Conference has been providing homes for ministers who needed help at retirement. The need is as acute now as it has ever been and will in all probability become more so. We have 30 homes, all of them occupied.

Each home has been acquired by the conference with the understanding that it would be kept in liveable repair. In addition, insurance premiums and taxes must be paid. To provide funds for these expenses a special offering has been received each year in July. We want to thank the members of the churches in the conference for the offering this past year which amounted to \$12,438.00. We need your continued support.

Heretofore, most of the annual offering had to be used for insurance premiums, (\$2104.00 this year), and taxes, (\$7784.00 this year), leaving very little for upkeep and repairs. We spent \$9,010.65 this year on upkeep and repairs. For the last three years, the residents of the homes have been taking care of minor repairs and have been contributing monthly to our program. Their gifts this past year amounted to \$8,342.00. You can see that their support has been a great help to our program.

The Trustees are: E. J. Hughes (1979), Warren Fuller (1979), William M. Greenwaldt (1979), James H. Campbell (1980), Robert Robertson (1980), Frank L. Turner (1980), Charles Hearn (1981), Eric Purnell (1981) and Glenn C. Bowman (1981).

AREA HEADQUARTERS STUDY COMMITTEE

(Received June 6, 1978)

The North Texas Annual Conference and Central Texas Annual Conference both passed a resolution at their last Annual Session requesting that Bishop Stowe appoint a special feasibility study committee concerned with an area headquarters center. Bishop Stowe appointed this committee as a joint area committee consisting of fourteen persons, seven from each of the two annual conferences. William T. Stephenson was asked to chair the joint committee. The Committee met on two different occasions, first on September 21, 1977 and again on November 7, 1977. After a great deal of discussion in the two meetings plus having a great deal of information brought in for the Committee's consideration, it was determined that the Chairman report back to the two Annual Conferences that the Feasibility Study had been made as directed and that the Committee does not recommend an Area Headquarters as being feasible at this time.

This is the report that is brought to the Annual Conferences in their regular sessions for 1978.

WORLD HUNGER MISSIONAL PRIORITY TASK FORCE

Report No. 1

(Approved June 6, 1978)

1. In 1977, 250 Churches gave \$34,290.43 to World Hunger Advance Specials. This was our response to a goal of \$33,600.00. We would remind our Churches that this Priority is an "Advance Priority Special" and is not to be confused with other branches of the general Church which may have special food projects (such as UMCOR, CROP, etc.). Churches are requested to give special attention to instructions for mailing offerings as provided by our Conference Treasurer.
2. We recommend our Annual Conference's participation and non-financial support of WHEAT, the ecumenical channel for political and national information and influence.
3. The World Hunger Priority is a "two-way" street in that hunger is often near at hand. Churches which have food programs and nutritional ministries could be eligible for partial funding from this Advance Special. Information and applications are available from this Task Force.
4. In that Advance giving is "second mile" giving, and not part of our program, administrative, or general budget assessments; we are prepared to assist our Churches, Districts, and Annual Conference with information, ideas, and possible projects for reaching our Conference-wide goal of \$33,600.00. To aid in reaching this goal and give total opportunity to every member of our Annual Conference, we will provide each congregation with the outline, plan, and necessary materials for a Thanksgiving Offering for World Hunger based upon the idea of "Buy A Sack Of Groceries For A Hungry Family." Our goal is to complete this effort on November 19 — Thanksgiving Sunday.

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS

(Approved June 6, 1978)

The close of another conference year brings us to the midpoint in the Quadrennium and we attempt to reflect upon and assess our life together as a cabinet and as a conference.

We experience positive feelings about the present state of our conference and are happy to report that there is an unusually strong sense of unity in our midst. Generally, morale of ministers and laypeople is high. There is a growing sense of inclusiveness in our fellowship and an openness to the need for outreach ministries in the world. Committed lay people are giving strong leadership at every level.

The everpresent danger is that we will become self satisfied and stagnant in our outlook and efforts and turn a deaf ear to more stimulating and provocative ideas and endeavors. During the year ahead we will be marching under the banner, "The Future Will Not Wait." We must be more future oriented and allow our thought processes to move beyond mere institutional maintenance and look toward an aggressive and stimulating approach. We must be willing to move out and take more risks in our ideas and efforts. Special attention must be given to a clear understanding of the mission and purpose of the Annual Conference. Boards and agencies must plan and work with the fulfillment of the mission and purpose as the one major objective.

As a cabinet we feel that we are growing and improving in our life and work together. A unique sense of camaraderie and teamwork has developed. We are moving toward a better understanding of our task and its conference-wide responsibilities — especially in the

appointive process. The retreat with the North Texas Conference Cabinet in which Dr. Lyle Schaller gave leadership helped as we struggled for a better understanding of our task. Much time and effort was spent in the preparation of the statement on the appointive process. There have been many indications that it has been helpful.

Some of the high points in the districts' work during the past conference year are:

Brownwood: Church Growth Seminar, reorganization of District Commission on Lay Concerns, Lenten Rally on hunger, stewardship training, Lay Leader training, PPR Committee Consultation.

Fort Worth East: Lay Academy for training officers and teachers, district celebration, giving guidance and material in budget campaigns.

Fort Worth West: Missions Rally, preaching seminar, sub-district workshops for PPR Committees, Festival '78 with orientation sessions for local church officials, Christmas in July for benefit of United Community Centers, strong youth program.

Temple: Pastors' retreat, Epiphany Celebration with training for local church officers, Lay Concerns Banquet, VCS training.

Waco: Epiphany Celebration, leadership training, creation of personal relationships among ministers, churches and district superintendent, beginning of district and sub-district youth organization.

Waxahachie: local church leaders training, workshop for leaders with Lyle Schaller, continuing education events at meetings of pastors and spouses, training seminars for PPR Committees on how appointments are made.

Weatherford: development of a team spirit, two church growth seminars, three adult curriculum workshops, giving to general advance doubled, strong district commission on lay life and work, two youth curriculum workshops, led all districts in Texas and New Mexico in Methodist Home Offering.

Each of the districts has sought to respond to the Missional Priorities — Ethnic Minority Local Church, World Hunger and Evangelism. Various methods of informing the people have been employed.

The Ethnic Minority Local Church Advance has received gifts from 96 churches and the World Hunger Advance has received gifts from 250 churches. Reprioritizing in the conference and several of the districts has made funds available for the Ethnic Minority Local Church cause. We urge all our people to acquaint themselves with the crisis in the ethnic minority churches and to direct more support of every kind to this cause.

Real progress has been made in the area of evangelism. During 1977 increases were experienced in many churches:

- 130 churches had increases in membership
- 128 churches had increases in worship attendance
- 106 churches had increases in Sunday School attendance

We believe that we have turned a corner and that we are on our way. We regret that church school membership and participation continues to decline. Special emphasis on evangelism and the church school are mandates for us. A number of districts have had church growth seminars and evangelism rallies. Emphasis has been given in Charge Conferences and pastors' meetings. We must not let up in our efforts to enlist the unchurched, to activate the inactive and to have all our people involved in learning growing experiences.

The following marriages have taken place in our parsonage families this year:

- David Seilheimer and Kay Mehaffey
- T. Michael Young and Margaret Newby
- J. C. Skinner and Barbara Luker
- Larry Clayton and Janice Hodge

We celebrate with the families that have had new arrivals during the year:

- Wesley Freeman to Wilton and Alma Wynn
- Sarah Elizabeth to John and Diane Holbert
- Imani Dominique to Henry and Dianne Masters
- David Marshall to Jim and Donna Chandler

Noelle to Bill and Gail Boyd
 Carey Ann to Jim and Terrie Olney
 Mark David to Kenneth and Cynthia Edwards
 Erica Esther to Bruce and Carol Hay
 Todd Daniel to Dan and Cynthia Benton
 Stacey Nicole to Lewis and Terry Wilkerson
 Elizabeth Ann to John and Ann Loggins
 David Michael to Michael and Kathy Alexander
 Patrick Jordan to Don and Liz Scott
 Katie Ilene to Ben and Kathy Tibbs

Property has been upgraded to provide better facilities for church activities and more adequate homes for our ministerial families:

New church buildings at Bangs, William C. Martin in Bedford, New World and First in Arlington, First in Hurst, First in Waco, Coutts in Weatherford, and Acton.

Remodeled church buildings at Central in Brownwood, Cowan-McMillan in Fort Worth. First and Epworth in Arlington, Morningside in Fort Worth, St. John (new chapel) in Waco, First in Breckenridge, Palo Pinto, First in Weatherford, Olney and Jean.

New parsonages at St. Barnabas in Arlington, River Oaks in Fort Worth, First in Georgetown, China Spring, Brach Chapel in Waco, Mexia (Associate), Alvarado, Salem in Graham, Ranger, Calvary in Weatherford, and Harker Heights.

Redecorated and remodeled parsonages at Temple District, Round Rock, Reisel and U.T.A. Wesley Foundation in Arlington.

In reporting W. McFerrin Stowe's election to the episcopacy by "an astonishing ninety-five per cent of the votes cast" on the eighth ballot at the 1964 Jurisdictional Conference in Dallas, Ted Agnew, in his book, *The South Central Jurisdiction, 1939-1972*, says "He brought a commanding presence, a distinct administrative talent, a luminous sermon style, and a human warmth to the episcopacy." Much of our relish for the past and our confidence in the future is because we experience all of these and more in our episcopal leadership, for which we express our sincere gratitude.

Ours is a noble heritage. We can point with appreciation to the accomplishments of those who have gone before us and take some pride in our own accomplishments in more recent days. At the same time a myriad of human problems in the present day present opportunities for the effectuation of the ministry to which God calls everyone of us. Firmly rooted in a deep personal faith and wholly committed as followers of One who "came not to be served but to serve" we move on to be the church in a thrilling and exciting future.

CENTRAL TEXAS FEDERAL CREDIT UNION

Report No. 1

(Approved June 6, 1978)

The Central Texas Conference Federal Credit Union has had an excellent year, thanks to your participation in it. Its assets have risen \$120,990 to a total of \$629,609. If we continue at the rate we are now on, it will be only a couple of years until we pass the \$1,000,000 mark. Loans this last 12 month period have totaled \$606,269, amounting to an increase of \$107,690

over the same period a year ago. Share deposits now total \$565,728, an increase of \$154,689 in the past year. We are over the one-half million dollar mark for the first time in our existence in share deposits. Membership increased by 137 this past year, now totaling 632. Loans this past month (May) totaled \$65,571, a new record loan total for a one-month period.

Your credit union is still one of the best places to save money. Dividends of 6% are paid regularly which also included automatic share deposit insurance. We urge every minister who is not a member to seriously consider enrolling the entire family as members. Under-age children who become members will be able to remain members all their life. This can be a real advantage, as they may not have access to a credit union in their own profession.

The credit union is also an excellent place to borrow money, as long as we have the money to lend. It has a most competitive rate with any other financial institution and carries automatic death benefits on money borrowed at no extra charge. The true annual percentage rate is 9% if the loan is covered by share deposits, or 12% if it is not covered by share deposits.

We do wish that all of our members would be active members. We have a poor record of participation, as seen in that over 3/4 of our members hold less than 1/4 of our shares, and about 40% of our members have share balances of less than \$25.00. Our Credit Union will be only as great as its members want it to be.

We express our appreciation to Dr. J. W. Sprinkle, our treasurer, for the fine way he oversees the work of the Credit Union.

COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

(Approved June 7, 1978)

1. Local Church Histories

The Texas United Methodist Historical Society is sponsoring the Kate Warnick Award for the best United Methodist local church history written each year in the state. The cost of the project has been underwritten by a friend of hers who wishes to remain anonymous. Two awards will be given — one for a large church, and another for a small church. The awards will be presented at annual conference. Contact Dr. Robert Sledge at McMurry College for additional information.

2. South Central Jurisdictional Workshop on Archives and History

There will be a workshop on archives and history at Perkins School of Theology on October 6-7, 1978. The workshop will last from 1:00 p.m. on Friday until noon on Saturday. Bishop Stowe will be a featured speaker on Friday evening. Registration fee is only \$5.00, with additional information available from the conference office.

3. Texas United Methodist Historical Society

The Texas United Methodist Historical Society is now in its third year. Annual meetings are held during Minister's Week, and provide coaching time for local church historians and members of conference commissions. Interesting papers by competent persons are presented on aspects of Texas Methodist History. The Society is currently investigating the feasibility of sponsoring the preparation of a semi-scholarly but popularly written History of Texas Methodism.

Memberships are \$2.00 per year and may be obtained from Bob Sanders, 6041 Wonder Drive, Fort Worth, TX 76133.

4. Wesley's Chapel

The Dallas-Fort Worth Area raised more money for the restoration of Wesley's Chapel than any other area in Methodism. Many United Methodists will be interested in attending the re-opening ceremony on November 5, 1978. Brochures regarding the re-opening may be obtained from the conference office. Costs are reasonable.

A special order of worship entitled "Festival of the Open Door" has been prepared for use by every local church. Bishop Stowe comments, "In the Festival of the Open Door we will be joining Methodists around the world on November 5 in worship and in seeking a new spirit of dedication together. As we open our doors on this day, we reaffirm our commitment to proclaim the faith in our world today."

Copies of the insert may be obtained from The Upper Room, 1908 Grand Avenue, Nashville, Tenn 37023, at a cost of \$3.50 per 100, plus 50¢ handling and postage.

REPORT OF THE COMMITTEE ON RESOLUTIONS

(Approved June 7, 1978)

The Future is now.
Great day and how!
 We're tired of reports.
 Our feet are out of sorts.
 But with the Future, we are cohorts.

For the world, we'll spell it out,
So they may know what we've been about.

F is for the fun, food and fellowship of good old First,
Where Barry and his boys dipped into their purse.
 We've liked the ice cream,
 and the fiddles and strings.
Please accept the thanks
 that this report brings.

U is for a vote unanimous that Twila is superb,
And thanks for round-toed boots which gently prod a herd.
 We love you both,
 and are glad that you're ours.
Thanks a lot for leading us kindly
 during these long, toilsome hours.

T is for TV and the coverage they brought.
Without the media, who would know what's been wrought?
 Reporters and newsprint can be our best friend.
 Far and broad the message they send.

U is for uniqueness, understanding and unction.
As reports we have heard which explain how they function.
 The work load is staggering,
 the concepts gigantic.
But we'll shoulder our load,
 and we will not panic!

R is for renewal from a man named Handy.
When it comes to preaching, he's a jim-dandy.

From "Conferences, Conferences, Conferences" he beckoned
And with our real purpose, caused us to reckon.
 Such a prophet of God is always welcome here,
 Especially with Cokesbury check, which we do hold dear.

E is for everybody who paid all their asking
And sat through each session without even napping.
 Without you the Conference is nil
 Your faith and devotion astonish us still.

Whereas, the hour has come
 To be appointed and received,
Whereas, some are uptight,
 Others are relieved.

Therefore, let the letters come together
 As FUTURE they spell
 And be it resolved that in God's hands
 We be held.

For we've come this far by his loving grace
 We've done our best. And we now rest our case.

Amen!

NORTH TEXAS AND CENTRAL TEXAS CONFERENCES

United Methodist Church

(Approved June 7, 1978)

Report Of The Study Committee For The Area Counseling Program

A. Introduction

The 1977 Annual Conferences of the North Texas Conference and Central Texas Conference of the United Methodist Church recognized with special appreciation the eleven years of service provided by De Forrest Wiksten as Director of the Area Pastoral Counseling Service and accepted his resignation from that position at the time of his receiving a pastoral appointment in the North Texas Conference. The report of the Area Counseling Committee, received and approved by the two conferences (p. 199 North Texas Journal; p. 154 Central Texas Journal) concludes with the following recommendations:

- (1) That a study of the total support system for ordained ministers in the two conferences, including services now performed by the Area Counseling Office, be conducted during the next several months.
- (2) That an interim Area Counselor be named to continue basic functions of the Office and assist in conducting the study. It is understood that this interim Area Counselor shall be required to give less than full time to the Office, and that as needed, remaining funds already approved for the Area Counseling Committee's work be available to complete the study.
- (3) That the present Area Counseling Committee membership be enlarged for the purpose of this study, to include one representative from each Cabinet (named by the respective Cabinets); one representative from each Board of Ordained Ministry (named by the respective Boards); at least one ethnic minority member and one woman from each Conference (to be named by the respective Conference Nominating Committees). Others may be utilized as resource persons or consultants as determined by the Study Committee. Our intent is to continue to provide effective counseling guidance for ordained ministers and their families within the two conferences. We believe that this is an ideal time to carefully evaluate our procedures and, if necessary, to update services which are offered.

In response to the above instructions, the Committee has carried out the following:

1. Appointed Robert E. Elliott as Interim Director, on a part-time basis.
2. Has assembled as an expanded committee, with additional members from each conference, has undertaken a study of support needs in the two conferences, and presents the following report and recommendations:

B. Need

1. The Study Committee sees a clear need for continuing pastoral counseling services for clergy and families. Ministers and their families are subject to the troubles and hurts of other mortals, and in some ways are subject to unique stresses. It is essential that the conferences continue to provide for their members access to confidential and competent pastoral counseling, and perhaps other forms of counseling or therapy as well.

2. However, there is also a broad range of support needs for clergy and families, occurring at several transition points in the minister's life and career, from entry to departure, in which counseling may not be the most effective form of pastoral support. The counselor's value is that he stands outside the system; but there are many other appropriate forms of help, counsel, and guidance that can be more effectively implemented by one who stands inside the system. The Committee sees the need for such a person to serve as a system's facilitator, coordinating and expediting the present network of support services in the conference, in matters of recruitment, admissions, evaluation, insurance and pension programs, retirement, continuing education, and other concerns of professional ministry. Conference boards and agencies responsible for oversight of these matters have been given increasingly extensive and detailed tasks, calling for more time and energy than is reasonable to expect of volunteer personnel. The people charged with responsibility for those support services need the help of a system's coordinator and facilitator. Such a facilitator could minister more directly to many of the morals and pastoral identity concerns of clergy, before they develop into personality crises needing specialized counseling or therapy.

C. Director of Professional Ministries

1. We propose that the function of the present Area Counseling office be contracted to pastoral and professional counselors in each annual conference under the Direction of the present Study Committee for Area Counseling.

2. We further recommend that the present office of Administrative Assistant to the Bishop be expanded to form a new Area position to be known as the Director of Professional Ministries; and that Bishop W. McFerrin Stowe, in consultation with the new Area Committee on Professional Ministries, select and appoint by, or before, the 1979 Annual Conference, the Director of Professional Ministries at a salary at the average level of the District Superintendents of the two conferences.

3. We recommend that the source of funding for contracting Counseling Services and for the office of Director of Ministries shall not exceed the amount budgeted for the 1979 Central Texas Annual Conference positions of the Area Counseling Service and the office of the Administrative Assistant to the Bishop. (Passed by North Texas Conference, May 29, 1978)

D. Relationships

1. The Director of Professional Ministries (abbreviation DPM) will be responsible to:
 - a. The Bishop, and
 - b. A newly formed Area Committee on Professional Ministries, to be formed of the chairpersons of the following Boards or Councils:

CENTRAL TEXAS

Board of Ministry

Board of Pensions

Board of Higher Education & Ministry

NORTH TEXAS

Council on Prof. Ministries

Board of Ordained Ministries

Board of Prof. Support

plus two at-large clergy members from each conference, to be nominated by the respective Committees on Nominations.

2. The DPM will serve as a member of the two cabinets, except the making of appointments.

3. The DPM will serve as Executive Officer of all conference agencies responsible for ordained ministry.

4. The DPM will be the administrator of the Area Counseling Program(s).

E. Functions

1. The DPM is to be a systems facilitator, working to enable present professional support structures better to meet the needs of persons they are designed to serve.

2. The office will bear to conference pastoral support systems something of the relationship the office of Program Council bears to other conference program agencies, as resource and facilitator.

3. As **Executive Officer** of Boards and Counsels having to do with concerns of Professional Ministry, the DPM will not displace chairpersons or other officers, nor usurp their authority, but will assist them to implement and coordinate their work in such areas as:

- a. Recruitment
- b. Candidacy
- c. Admissions
- d. Continuing Education
- e. Evaluation of professional performance, including the maintenance of professional record files.
- f. Health and other insurance programs
- g. Retirement

4. The DPM will administer the Area Counseling Program in such a way as to maintain both quality and confidentiality of service. (See Paragraph I).

5. The DPM will perform some of the duties currently assigned to the Administrative Assistant to the Bishop.

F. Qualifications

A candidate for this position, if not a United Methodist minister him/herself, will need to know intimately both the United Methodist system and experience of United Methodist clergy. She/He will need to be "People-Oriented," although his/her work will be more with groups and structures than with individuals in one-to-one relationships. She/he will need to have consultant and management skills, and preferably counseling skills, although counseling may be a small part of the work. She/he will need to have the kind of standing and integrity that invites trust and confidence from persons at all levels of the system.

G. Tenure

The DPM will be appointed without limitation of tenure.

H. Budget

The DPM will be salaried at the average level of District Superintendents in the two conferences. A proposed budget:

Personal	
Salary and Allowances	\$31,000
Office	
Secretaries (1-1/2)	\$12,000
Rent	2,000
Other expense	2,000
	<u>\$16,000</u>
Area Counseling Program	\$25,000
	<u>\$72,000*</u>

*A possible source of this budget: Reallocation of funds presently assigned to the offices of Administrative Assistant to the Bishop and Area Pastoral Counselor.

I. Area Pastoral Counseling Program

The **Director of Professional Ministries** will have special responsibility for oversight of the Area Counseling Program, and will be in a position to help implement some options in the flexible design of that program.

1. Needs

- a. **Geography:** An obvious need is for wider geographical distribution of counseling resources, especially in relation to western and southern parts of Central Texas Conference.
- b. **Other Types:** Further thought should be given to the possible need for other

specialized kinds of counseling, such as psychiatric therapy, vocational counseling, etc.

- c. **Choice:** No one counselor, no matter how skilled, will be best for all clients; having a choice of counselors available can therefore be an advantage to conference members.

2. **Contract Services**

Therefore the Study Committee believes attention should be given to the plan of providing counseling through fee-for-service contracts with qualified persons, of whom there are a number in both conferences.

3. **Cost**

Such fee-for-service contracts, if carefully made, can maintain both quality and quantity of counseling services and be maintained at less cost than salary for a full-time person. A current estimate: \$25,000.

4. **Recommendations**

- a. That the present Interim Director of the Area Counseling Program and the present Area Counseling Committee continue their duties until such time as this report be adopted and implemented by the appointment of a Director of Professional Ministries.
- b. That the new Director of Professional Ministries, when appointed, and the new Area Committee on Professional Ministries, when formed, shall in consultation with other competent persons or groups prepare plans for contractual provision of pastoral (and perhaps other) counseling services for clergy and families of the two conferences.
- c. Among the issues to be considered in such plans:
 - (1) Types of counseling and counselors
 - (2) Qualifications for counselors
 - (3) Distribution and location of Offices
 - (4) Budget and cost for services
 - (5) Possible use of client fees and health insurance coverage to further reduce conference cost.
 - (6) Accountability, confidentiality, and referral procedures.

In a fee-for-service plan special care will be needed in the delicate balance of accountability and confidentiality in the counselor's work. The counselor must protect the anonymity and confidentiality of his/her work with clients, while at the same time making some responsible accounting of work for which she/he is being paid. Such a balance can be maintained if the Director of Professional Ministries and the counselors are selected wisely and establish good professional working relationships.

RESOLUTION ON LICENSED CHILD CARE IN TEXAS

(Approved June 6, 1978)

During the last Legislative Session in Texas, a strong challenge was raised against statutes that establish minimum standards for child care placing, under licensing by the State Department of Human Resources.

Several church-related agencies sought exclusion from the standards under the guise of alleged interference with the practice of religious education or worship. Though fully licensed, Methodist Mission Home, San Antonio, and Methodist Home, Waco, fully subscribe to the guidelines under which licensing maintains adequate standards of service to children, and witness that they have not experienced the difficulties reported by others.

Many might prefer fewer reviews and less scrutiny by State Officers, and we sometimes disagree over procedures and even principles. Nevertheless, we prefer this to a complete lack of standards. Licensed children's services provide competent, ethical, high-standard service to children.

Our principles stem from our basic goals: To insure that every child be given quality care and protection regardless whether such care is provided by a non-profit private agency with religious motivations and sponsorship, a state owned institution, or by a profit making business organization operated with corporate interests and goals in mind. Only when licensing and regulation is vested at a level remote from local interest and influence, can reasonable assurances of protection for children be expected.

Therefore, be it resolved that the Central Texas, New Mexico, North Texas, Northwest Texas, Southwest Texas, Rio Grande, and the Texas Annual Conferences of the United Methodist Church owning and operating the Methodist Home and the Methodist Mission Home affirm the defense and protection of rights and privileges of children needing care by other than their parents, and uphold the principle of licensing agencies, for purposes of caring and placing children, to protect minimum standards of care for every child in the care of other people.

COUNCIL ON FINANCE AND ADMINISTRATION**Report No. 1**

(Approved June 7, 1978)

1. The members of the Council on Finance and Administration wish to thank the Bishop, District Superintendents, Pastors and local church memberships for the excellent response that has enabled us to meet all our obligations 100% in 1977. This year we are presenting for your approval a budget that represents approximately 8% increase. We are grateful to all boards and agencies that have attempted to maintain a reasonable increase in light of an inflationary period.
2. The Salary allowances for the District Superintendency shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by Charge Conference which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. The figures will be compiled by the Administrative Assistant to the Bishop and transmitted to the Chairman of the Council on Finance and Administration and the Conference Secretary-Treasurer within five days.

The salary includes a housing allowance actually expended not to exceed \$1,500.00. The \$1,115.00 requested by the Board of Pensions for all members under appointment with annuity is added to the above figure.

The Council recommends to the Annual Conference that district committees on finance be authorized to draw up district budgets for presentation to the District Stewards for office operations and to travel allowances, provided the budgets will be submitted to the Council on Finance and Administration for approval if the total increase of the district fund exceeds 10% of the previous year's budget.

We recommend that District Stewards be authorized to apportion a Connectional Contingency Fund used in paying in full apportionment items which may fall short within the respective district. The apportionments will not include the traditional cushions. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work Fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionments will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.

We recommend the unified form agreed upon by the Cabinet for reporting district budgets.
3. We appreciate the progress of the Capital Fund Campaign sponsored by the Board of Pensions. The next three years will be extremely important and every effort should be made to keep the pledges up to date in order that the Reserve Pension Program will soon be fully funded and be releasing funds for other causes.

In 1979 the Conference Claimants Fund is to be set at \$640,000.00. This covers all costs and expenses for the support of all obligations to the Retired Ministers, their wives and dependent children.

In 1979 the Connectional Ministers Fund will be \$238,037.00. Of that amount, the Episcopal Fund is \$45,202, and the District Superintendents Fund will be \$192,835.00.
4. The Council recommends the request from the Board of Higher Education and Ministry that the Texas Methodist College Association apportionment remain at \$1.50

per member and that the Wesley Foundation Fund be increased from 75¢ to 85¢ per member. These funds to be apportioned to districts and local churches on the decimal authorized by the conference.

5. We concur in the request of the South-Central Jurisdictional Conference and its Council of Bishops and set the amount of \$14,788.00 for Lydia Patterson Institute and \$30,000.00 for Southern Methodist University in our budget to be distributed annually as authorized in the standing rules of the conference. Thus, the Council on Finance and Administration requests the following for 1979:
 1. Conference Projects \$ 35,000
 2. Conference Insurance Program 125,000
 3. Texas Methodist College Association 181,776
 4. Wesley Foundation 103,006
 5. Ministerial Education Fund 133,982
 6. Black Methodist Colleges 67,443
 7. Missional Priority 46,370
 8. Mass Comm. for Evangelism 6,745
 9. Lydia Patterson Institution 14,788
 10. Southern Methodist University 30,000
6. We concur with ACCOM to raise Conference travel from 8 and 10 cents to 10 and 15 cents per mile. We request Conference Standing Rules be changed in accordance.
7. We encourage the support of the Advance Specials Program in every local church. Especially, we ask consideration for the goal of \$62,200.00 annually for Ethnic Minority Local Church and \$33,600.00 for the World Hunger Program.
8. We recommend the appointment of Dr. J. W. Sprinkle as Secretary-Treasurer of the Central Texas Conference.

Report No. 2

(Approved June 7, 1978)

1. The Conference Council on Finance and Administration approves and recommends that the following offerings be taken in all local churches of the Central Texas Conference on or near the dates designated:
 - UNITED METHODIST STUDENT DAY, 2nd Sunday in June

3. We concur with ACCOM on their proposal to schedule program and budget. i.e. ACCOM Report
4. In keeping with the requirements of the Discipline, the apportionments for World Service and Conference Benevolences will be combined into one fund, namely, World Service and Conference Benevolences. This fund, along with Connectional Ministry, Conference Claimant's Fund, Conference Projects, Minister's Insurance, Texas Methodist College Association, Wesley Foundation, Ministerial Education Fund, Black Methodist College Fund, Missional Priority Fund, Joint Communication Council for Evangelism, Lydia Patterson, Southern Methodist University, will be apportioned to the Districts on the decimal figure, established annually, as authorized in the Standing Rules of the Conference.
5. The Conference Treasurer is authorized to distribute each month the receipts from local churches for World Service and Conference Benevolences among the funds included in the annual budget of the conference in proportion to their apportionments. Any deficit in remittances from the churches will be covered by payments from the Operating Reserve, upon approval by CFA.
6. All boards, commissions and other agencies shall have prepared in writing their detailed budget requests for the ensuing fiscal year by a date mutually agreed upon and announced by CFA and ACCOM. The program agencies shall present their requests to the Committee on Coordination and Budget by said date. The non-program agencies shall present their requests to the CFA by the same date.
7. No board or agency of the Central Texas Conference shall expend any money for any purpose which has not been included in the original budget, as amended and approved by CFA and the Conference and printed in the current Journal. Exceptions to this rule can only be made by CFA or its executive committee.
8. The fiscal year of all boards, commissions and other agencies operating through the Central Treasury shall begin January 1 and close on December 31.
9. The Conference Treasurer is authorized to pay from the Operating Reserve the following items.
 - a. Expenses of printing the Journal, which may exceed budget appropriation.
 - b. Expenses of the Conference Secretarial Staff.
 - c. Expense of Fidelity Bonds for the Conference Treasurer and others who handle Conference Funds, as determined by CFA.
 - d. Expenses of auditing the books of the Conference Treasurer, the treasurers of boards, commissions and other agencies of the Conference as may be ordered by CFA. Such audits are to be made by the Conference auditors, the firm of Clay-Wilson, C.P.A.
 - e. The moving expenses of ministers of the Conference as described in the 1973 minutes of the Conference Journal, Page 27. When the next Annual Budget is prepared the CFA is authorized to place the total amount in the budget to repay the Operating Reserve for past year spending.
 - f. Other expenditures as may be authorized by CFA. Such expenditures not to exceed \$500 may be authorized by the Executive Committee of the Council.
10. The Conference Treasurer is authorized:
 - a. To consolidate the various funds of the Annual Conference and of the agencies into one or more bank accounts.
 - b. To write all checks for the agencies of the Conference upon requisition by authorized officers of the agency and in keeping with the approved Conference

Budget. He is also authorized to transmit to the authorized treasurers all other funds that are raised by the local churches in response to General, Jurisdictional and Annual Conference askings that have been approved by the appropriate body.

- c. The Conference Treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions and other agencies of the Conference into the Operating Reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempt by CFA) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Conference Treasurer will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.
- d. To invest the funds of the Conference in Government Securities and Federally insured depositories up to and not exceeding insurability, and to borrow on and dispose of investments at or, prior to, maturity, and to deposit the proceeds from these investments in accounts of the Conference at his discretion and under the guidance of CFA.
- e. To deposit funds for specifically designated purposes in federally insured depositories under the joint control of the Central Treasury and the agency concerned, with the approval of the Executive Committee of the Conference Council on Finance and Administration.

The Reverend Dr. George Albert Fallon

At the June 1974 Central Texas Annual Conference, United Methodist Church, Dr. George Fallon was appointed by Bishop W. McFerrin Stowe to organize a new congregation in North Arlington. On June 19, 1974 the first worship service was held in the nearby Ramada Inn; 79 attended, and when Dr. Fallon issued the call to unite and help build a new church, 52 responded. Palm Sunday 1977 the congregation moved into their completed Sanctuary.

Dr. Fallon was born in England. He took his undergraduate work at Allegheny College, Meadville, Pennsylvania and at the School of Missions, Drew Theological Seminary. His graduate work was taken at Drew Theological Seminary and the School of Theology, Boston University, where he received his Bachelor and Master of Sacred Theology degrees. Allegheny and Baldwin-Wallace College in Ohio conferred on him the honorary degree of Doctor of Divinity.

After serving the Mt. Lebanon United Methodist Church in Pittsburgh, Pennsylvania, Dr. Fallon went to Wesley United Methodist Church in Worcester, Massachusetts, where in his ten years of service it became the largest Methodist church in New England.

In 1953 Dr. Fallon went to the Lakewood Church in Cleveland, Ohio. Under his eleven-year pastorate the Lakewood Church achieved an outstanding place in the nation because of the emphasis on Lay participation. During his ministry the Lakewood Church never received fewer than 100 members a year on Profession of Faith; 3,627 new members were received, making Lakewood then the largest Methodist Church in Ohio.

Dr. Fallon became the senior minister of Trinity Methodist Church in 1964, in Lafayette, Indiana, home of Purdue University. Here he ministered to students, university educators and lay people from all walks of life. Trinity, a downtown church, became a service center in the brief two years he was there. A Pastoral Counseling Center was established in the church with six clinically trained ministers as qualified counselors. A Planned Parenthood Clinic was started in the church, with a woman doctor as Director. Active in the Ecumenical movement, Dr. Fallon held the first Ecumenical services in Lafayette at Trinity Church. For the first time in its 97 year history, the church took on the support of two full-time missionaries.

Dr. Fallon was Assistant General Secretary for the General Board of Evangelism, Nashville, Tennessee (now the Board of Discipleship). With responsibility for the Field Services section, he developed the New Life Missions by adding the new phase of making personal and corporate commitments about specific involvement in the church and community. Under his direction were the Koinonia ministries which included Prayer Groups; Lay Witnessing was brought to the Board; Leisure Time ministries were established; Urban and Inner City work broadened; a bi-lingual department was added to serve the Spanish-speaking peoples; new programs were started for designated leaders of evangelism within the local church, district and conference levels. He preached continuously in various churches across the country and in England.

For sixteen years Dr. Fallon served as a member of the Executive Committee of the General Board of Evangelism of the Methodist Church. He was elected the first President of the National Council of Evangelism and served as president for six years. During his ministry he served on many national church boards. He was a delegate to several General and Jurisdictional Conferences of the Methodist Church. He was a delegate to the organizational meeting of the World Council of Churches in Amsterdam in 1948. He preached at many annual conferences including the Central Texas Annual Conference.

Dr. Fallon was married to Ruth B. Fallon, world traveller and lecturer. They had two sons; George J. Fallon lives in Maine, and Dr. Gary J. Bloomfield lives in Washington; and one little granddaughter, Kyla Bloomfield.

Charles Hermon Cole

A uniquely effective ministry began November 2, 1925. As Dr. Charles Hermon Cole often said, "That was when I took my one wife, my one son, my one dog, and my one suitcase, and putting this sum total of all my possessions in my one car, moved to become pastor of the McCurton and Kinta Methodist Churches in Oklahoma."

Licensed to preach in 1925, Dr. Cole was ordained a Deacon in 1927 in Muskogee, Oklahoma and was ordained an Elder at the Boston Avenue Methodist Church in Tulsa, Oklahoma in 1929.

During his six years as a pastor in Oklahoma he served at Allen, Fairland, Stilwell, and Afton. The Coles then moved to the Texas-New Mexico Conference where they served at Marathon, Fort Davis, and Wink.

In 1935 Dr. Cole transferred to the Central Texas Conference where he served with distinction for thirty four years. Some of the most important and strategic churches in the Conference are included in the list of those he served: Comanche, Winters, Fort Worth Highland Park (later named Carter Park), Graham First, Waco St. John's, Mineral Wells First, Waco First, and Weatherford First.

The quality of his ministerial leadership is emphasized by the fact that he served two full terms as District Superintendent, first in the Cleburne District and later in the Gatesville District. He was well known for his interest in and his outstanding ability to work with young people in their early ministry. Many pastors are indebted to him for his encouragement and for his wise, patient, and loving counsel.

Dr. Cole's academic record includes education in the Zephyr public schools, Daniel Baker College, School of Mines (Miami, Oklahoma), and an honorary Doctor of Divinity degree from Texas Wesleyan College.

The son of Robert and Julia Cole, Charles Hermon was born August 31, 1904 near Lancaster in Dallas County. The youngest of nine children, he moved with his family to a farm near Zephyr in Brown County when he was but a child. There he grew to manhood and married Miss Ozella Harshaw on November 2, 1924. Ozella was ever a faithful wife and mother and co-worker in every venture. In her own right she has been an outstanding leader in youth work and women's work.

Actively involved in the work of connectional Methodism, Dr. Cole was elected as a Conference delegate to Jurisdictional Conference, was Chairman of the Board of Trustees of Retired Ministers Homes, and on the Boards of Trustees of the Wesley Foundation, the Methodist Home in Waco, and the Methodist Mission Home in San Antonio.

Following his retirement in February of 1969, the Coles moved to McGregor where he continued to serve the Lord. He taught Sunday School in the Methodist Church there, and was always a supporter of the church's ministers and ministry.

Dr. Cole died January 15, 1978, fittingly a Sunday. He was interred at Waco Memorial Park on January 18 following a funeral service conducted by two of the many ministers who looked upon him as a spiritual father, J. Frank Turner, Jr., and Michael Patison. The choir for the service was composed of other ministers whose lives had been influenced by him.

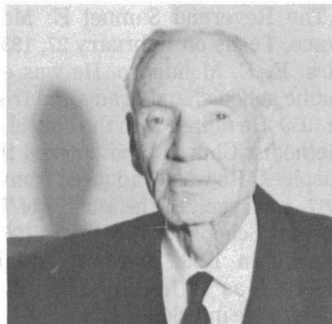

He is survived by his wife Ozella and his son Charles Hermon, Jr., both of McGregor; by two sisters, Mrs. Ernest Marable of Brownwood and Mrs. W. M. Hooper of Ennis; a brother, George Cole of Brownwood; two granddaughters, Mrs. Kenneth E. Griffin of Dayton, Ohio and Mrs. Derrell R. Helm of Azle, Texas; two great-grandsons, David Griffin and Brian Helm; and by a number of nieces, nephews, and friends.

“PERHAPS YOU SENT A LOVELY CARD,
OR SAT QUIETLY IN A CHAIR:
PERHAPS YOU SENT A FLORAL PIECE,
IF SO, WE SAW IT THERE.
PERHAPS YOU PRAYED A SINCERE PRAYER,
OR CAME TO PAY A CALL:
PERHAPS YOU SANG A CHEERFUL SONG,
IF SO, WE HEARD IT ALL.
PERHAPS YOU SPOKE THE KINDEST WORDS,
AS ANY FRIEND COULD SAY,
PERHAPS YOU WERE NOT THERE AT ALL,
JUST THOUGHT OF US THAT DAY.
PERHAPS YOU PREPARED A TASTY DISH
OR MAYBE FURNISHED A CAR
PERHAPS YOU RENDERED A SERVICE UNSEEN,
NEAR AT HAND OR FROM AFAR.
WHATEVER YOU DID TO CONSOLE OUR HEARTS,
BY WORD OR DEED OR TOUCH
WHATEVER WAS THE KINDLY PART,
WE THANK YOU, OH SO VERY MUCH.”

8. Annually, each board, or special interest, shall make request to the Council on Finance and

Administration through the Annual Conference Council on Ministries for any special day offering, except where set by the Book of Discipline. No such day shall be recommended to the Annual Conference for any agency, cause, or institution, nor shall such a day be listed on the printed conference calendar, unless such agency, cause, or institution has presented a full financial statement and audit, including current annual income and expense, together with its report to the appropriate board.

9. For the quadrennium 1976-1980, all boards, commissions, committees and councils of the conference shall allow ten cents per mile, or fifteen cents per mile when two or more members ride in the same car, for necessary travel to conference meetings.

VI. LOCAL CHURCHES

1. Each congregation shall annually give attention to its vacation policy, using as the guideline for its discussion the statement contained in the Pastor-Parish Relations Committee Manual as issued by the General Church.

VII. DISCONTINUED OR ABANDONED CHURCHES

1. When a local church has been discontinued or abandoned and the property disposed of as directed by the Book of Discipline in accordance with Paragraph 2441, the proceeds derived therefrom, if any, shall be first applied to the retirement of pension deficits, and the satisfaction of any claims against ministerial pension annuities which may have arisen out of failure of that church to make proportionate payment for ministerial support. The Trustees of the Conference shall recommend to the next session of the Annual Conference the disposition of any remaining proceeds.

EQUITABLE SALARY SUPPORT

Plan of Operation

There shall be a program of minimum pastoral support in the Central Texas Conference, under the management of The Board of Higher Education and Ministry and the Committee on Equitable Salary.

Duties and Responsibilities

The duties and responsibilities of the Commission shall be to have charge of and promote all of the interests of the Equitable Salary Support Program.

Administrative Procedure

1. The following conditions shall be met by a pastoral charge to become eligible for consideration by the Commission for a pastor to receive salary supplements from the Fund:
 - (a) The pastoral charge shall have conducted an Every Member Canvass for the local church budget of each of its churches during the previous conference year.
 - (b) The apportionment for World Service and Conference Benevolences shall have been accepted and paid in full for the previous conference year.
 - (c) The charge must pay a minimum of \$1,800 for pastor's salary and must have at least 100 members.
2. Persons of the following ministerial relationships (listed below) are eligible for consideration for salary supplements at the level indicated:

(a) Elder, Full Connection	9000
(b) Associate Member	7600
(c) Full Time Local Pastor	7000
(d) Probationary Member	
1. Non-Student Living on Charge	7600
2. Non-Student Living Away From Charge	5500
3. Student Living on Charge	6500
4. Student Living away from Charge	5500
(e) Student Local Pastors	
1. Living on Charge	6000
2. Living Away from Charge	5500
3. This shall not be a mandatory or automatic minimum, but a minimum standard toward which the local church and the Conference work together as indicated below:
Where the local church's pastor's salary is below the Conference minimum the Conference will pay 110% of the supplement paid for 1978 (provided the 110% does not raise the salary above the new minimum). Beyond that the Conference will add one dollar of supplement for each one dollar the local church increases the local pastor's salary up to the minimum salary set by the Conference.
4. In addition to the above schedule and above limitation of aid, seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, may receive \$1.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge. This extra allowance shall be computed by the Commission, and paid in one payment to the seminary student pastor serving the charge at the end of the third quarter of the Conference year.
5. Those ministers who are not eligible for salary supplement are:
 - (a) Those whose appointment is other than pastor of a charge within the Central Texas Conference.
 - (b) Those who receive salary aid from the General Conference Board of Missions.
 - (c) Those classified as part-time local pastors.
 - (d) Retired ministers who receive income from any other employment other than the regular work of the pastoral ministry.
 - (e) No pastor shall be eligible to receive salary supplements from this Fund who has been offered appointments with higher salary, but who persistently prefers for personal reasons to remain in

his present appointment.

- (f) The District Superintendent shall combine the salary, travel expense, and utility expense allowed as total salary when making a supplement request.
6. A prerequisite for consideration for salary supplements from this Fund shall be filing with the Commission a written application by the District Superintendent. This application shall indicate the classification of the pastor, the salary set by the charge, the amount of increase in pastor's salary to be matched by Salary Support, and shall contain the certifications by the District Superintendent whether or not the pastoral charge has met each of the requirements set forth above in Section 1, 2 and 3.
 7. In cases of appointments, or changes of appointments, between the sessions of the Annual Conference, all above requirements are applicable and the District Superintendent shall file a new application for each charge concerned. Such salary supplements, if approved, shall be paid on a pro rata basis for the part of the year actually served.
 8. The District Superintendents shall be responsible for making the program effective in their respective districts, as in all other causes of the Church, and for the collection of the amounts apportioned to the churches in their respective districts and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges be not less than \$1,800.00 per year.
 9. Payments on the apportionment of the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payments to those receiving the benefits of the Fund at the end of the first three quarters of the Conference year, namely, September 1, December 1, March 1, and payments for the fourth quarter of the year ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, the final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.
 10. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, all payments of those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.

Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission except such as are held while the Annual Conference is in session shall be allowed. Traveling expenses shall be paid in accordance with the Standing Rules of the Annual Conference.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payments for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

Committee On Sustentation

Report No. 1

OPERATIONAL PROCEDURE FOR SUSTENTATION

Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.
This committee will have charge of and promote all the interests of the Sustentation program and shall be the determining factor in the final approval of any candidate for participation in this program.
2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.
3. We recommend further that the following shall be eligible for participation:
 1. All ministers of the Central Texas Conference who have been admitted on trial, or have been

- received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
 3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.
 4. We recommend the following procedure:
 1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
 2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
 3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
 4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
 5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
 6. All payments shall be made to the claimant monthly.
 5. We recommend the following financial plan:
 1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.
 2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

SUPERANNUATE HOUSING ALLOWANCE

WHEREAS, The United States Government has recognized in its income tax regulations monies designated as "Allowance for the rental of a parsonage or home" for a minister to be exempt from taxation, and WHEREAS The United States Government has also recognized in its income tax regulations monies paid by a minister for utilities of such "parsonage or home" for a minister to be exempt from taxation; therefore, be it Resolved, By the Central Texas Conference of the United Methodist Church in annual session June 3-6, 1973 that Twelve Hundred Dollars (\$1,200.00) of the total annuity paid to each retired minister shall constitute a rental allowance paid as a part of the retired minister's compensation for past service, except that such allowance not exceed one-third ($\frac{1}{3}$) of the total annuity received as pensions funds from the United Methodist agencies, and be it further Resolved, that an additional allowance of Five Hundred Dollars (\$500.00) shall constitute a utility allowance for the minister's said "parsonage or home." Members of the Commission on World Service and Finance
Central Texas Conference of the United Methodist Church
Fort Worth, Texas

We have examined the summary of cash receipts and disbursements of Dr. J. W. Sprinkle, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1977. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expense.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review of cash receipts and disbursements of the various funds, and we performed no auditing procedures with regard to the Supplementary Information except to confirm the balances shown.

In our opinion, the accompanying summary of cash receipts and disbursements referred to above present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.
