BOARD OF ORDAINED MINISTRY

Approved June 5, 1979

Introduction

The Conference Board of Ordained Ministry is an arm of the Annual Conference to encourage, recruit and qualify persons for the ordained ministry within the bounds of the Central Texas Annual Conference of The United Methodist Church. The Board understands that it stands to assist a candidate to clarify his or her call to ministry through a consultative process through which the candidates' gifts and graces for ministry are examined in the light of the historic traditions of United Methodism. The Board is charged to interpret the ministerial needs of the Annual Conference so that there might be appropriate number to serve the clerical needs of the Annual Conference. The Board has responsibility to administer Ministerial Education Funds and Continuing Education Funds within the bounds of the Central Texas Conference.

The Board is grateful to Bishop Stowe for his pastoral leadership to our Board. We depend heavily on our district superintendents to assist us in bringing a deeper perspective as we go about the work of qualifying persons for ministry. A special word of thanks to Dr. Jack Riley, Cabinet Representative to the Board, for his sober judgment.

We take this time to give special thanks to Dr. William Stephenson for being so much a part of our Board's work. His thorough knowledge of the Discipline and his ability to interpret the Discipline and advise the Board as to its application, has been deeply appreciated.

Robert H. Briles, Chairperson

**Report 3
 Clergy Family Support System Committee**

To be alive is to experience stress. Constructively handled, it can spark creativity. Also, stress can be debilitating, robbing effectiveness and potential. Indeed, persons can be victimized. The clergy and their families are not immune from the effects of stress.

Therefore, a committee of five is constituted for the purpose to research and design a long term support system for clergy and their families that is both preventive and therapeutic.

To prioritize and amplify the stress factors, the District Superintendents are using the nominal group technique to consider the following:

- 1) Understanding dynamics of and coping with stress
- 2) Equipping probationers to relate to the itinerate system
- 3) Address the bouts with an inadequate self-image
- 4) Institute preventive maintenance through family model, "marriage enrichment" enterprises

- 5) Confront the tendency to fail seeking the Kingdom of God first.
 Consistent with the gospel, this emerging support system is a valid wholistic approach to the clergy's health, family and ministry.
 The Committee members are: James Abel, Chairman, Charles Rice, Robert Richmond, Richard Penna and John Loggins.

COMPOSITE REPORT OF THE DISTRICT SUPERINTENDENTS

Received June 4, 1979

During the Conference year just closing it has been my continuing and happy privilege to serve as the chairman of the Cabinet of the Central Texas Conference. As I have served as a superintendent along with the members of the Cabinet, I have learned that I am often challenged as I have spoken to them. I now have some guarded disquietude in attempting to speak for them.

The Discipline speaks of district superintendents, "although appointed to districts, as also being given conference-wide responsibilities. As all ordained ministers are first elected into the membership of an annual conference and subsequently appointed to pastoral charges, so district superintendents become through their selection, members first of a cabinet before they are subsequently appointed to service in districts. The cabinet under the leadership of the bishop is thus the corporate expression of superintending leadership in and through the annual conference. It is expected to speak to the annual conference and for the annual conference to the spiritual and temporal issues that exist within the region encompassed by the conference. The cabinet is thus also the body in which the individual district superintendents are held accountable for their work both for the conference and district responsibilities." (#526 sections 1-2-3, 1976 Discipline)

Annual Conference time once again finds us as a people standing upon a threshold. For some, a threshold gives an opportunity to take one more look at the surroundings and experiences through which one has come. For others, a threshold quickens the spirit in anticipation of what is about to begin with the hope for better times and more significant achievement as new days begin to dawn. The one beckons a backward glance as though to evaluate and analyze; the other spurs our imagination with an insistence that we get going into the future. Let us look both ways and hope to experience the renewing discovery of who we are and where we are going.

The year closing has been a good year. The statisticians have recorded the details that will be referred to countless times with a mixture of pride of achievement and again of disdain at opportunities that appeared and then were gone. A year ago this Annual Conference set out to its work at home and around the world under the banner that caught our imagination. "THE FUTURE WILL NOT WAIT," we declared. To that end we established far reaching goals that had us reaching out to new and lofty horizons as we envisioned our tasks in a world whose needs offered us challenging opportunities to serve. The reports from the many agencies and institutions of this Annual Conference will record the measure of our faithfulness.

There are many areas of concern, many significant achievements and multitudes of persons who have given faithful and unselfish service. Quite obviously these could not be recorded in such a document as this report. These concerns, achievements and persons are nonetheless important and are significantly part of the fabric of the life and character of the Central Texas Conference. Indeed, there is a sense of togetherness that makes us belong to each other and a part of the family of God's people at work in His world. The striking theme that has been chosen for this session of the Conference and the new year is our sincere

declaration to God, to each other and to the world. "I BELIEVE — I BELONG." The Committee on Strategic Planning reminds us that, "The Central Texas Conference is a basic body of the United Methodist Church, and, like the visible church everywhere, exists not for its own sake, but as the instrument for implementing the mandates of the Gospel, and for discharging faithfully the powers and duties assigned to it by the Constitution of the United Methodist Church."

Our History as a Conference may very well record that November, 1978 was a month in which far reaching action was taken. It was then that the Strategic Planning Committee mentioned above, was organized. Its membership includes Bishop Stowe, the seven district superintendents, the Conference Staff and members of the Committee on Research and Planning. Soon after the organization was perfected, the service of Mr. Matthew Brown, a planning specialist in the non-profit sector, was secured. Under his careful guidance efforts were begun to discover data from which adequate planning for the future of the Conference can be effected. Details of this process will doubtless be brought before this session of the Conference. Our mention of it within the context of this report is to affirm the kinds of effort that will involve persons all the way from the grass roots to the top level leadership. We believe that the dynamics of such an endeavor will enable us to reverse the trends of decadence and to re-discover our God-given tasks of redeeming both the times in which we live and the people for whom we are responsible and to whom we are called to minister.

One of the vital considerations of the Cabinet is involved in the area of Inclusiveness. During the year just closed the Cabinet has addressed this concern. In a paper prepared for presentation at the Celebration of Wholeness held at Texas Wesleyan College in April of this year distinct goals of the Cabinet were outlined:

1. We suggest that quotas guaranteeing fair ethnic representation in the membership of boards and agencies of the Conference are to be maintained.
2. We suggest that the ACCOM develop a program aimed at bringing about regular inter-ethnic conversation and other exchanges to facilitate the building of bridges of trust. This should be done by the 1980 Conference session.
3. We suggest that the ACCOM work through its Director and staff to develop a "Minorities Leadership Bank" that will make it possible for minority persons to chair boards, agencies and committees. This should be developed for use in the nominations to be made in the 1980 Conference session and thereafter.
4. The Cabinet is committed to open itinerancy and recommends the development of a Cabinet Guideline for Open Itinerancy in appointments by 1980. We rejoice in the pending appointment of Dr. Luther Henry Sr. to become the first black district superintendent in the history of the Central Texas Conference. We understand that we have a long way to go but at the same time we applaud this as a step in the direction we believe God is calling us to move.

In the area of the Missional Priorities the people of the Central Texas Conference have once again responded. Their responses will be reflected in other reports to this session of the Conference. Let us briefly say that in terms of financial support our people have made a good record in meeting the goals put before them this year. In all three of the Priorities there is solid evidence that these concerns are becoming part of our high level commitment to be caring people who intend to strengthen the Ethnic Minority Local Churches and to respond to the hungry people of the world. In evangelism our records for 1978 indicate a gain of 812 members. We have yet to turn the corner in the Sunday school since our records show a loss of 2619 persons in enrollment and of 1726 in average attendance. Amid this dirge of sadness about our record in the Sunday School, however, there is a brilliant ray of hope. It is reported from the districts that 59 new classes have been organized. Thirty-four of these are in the Fort Worth East District where a concerted effort was made around a district goal.

Reference has already been made to the Ethnic Minority Local Church Priority. In addition to the financial aspects of this concern, the Cabinet applauds the actions that have been taken that will lead to the first new Black United Methodist Church to be organized in our Conference in many years. The congregation, yet to be given a name, will be located in the Waxahachie District in the City of Corsicana.

As the Cabinet met on the morning of February 13, 1979, Dr. J. W. Sprinkle was present to make an announcement. His simple statement was that the people of the Central Texas Conference had once again completed 100% payment of all the financial obligations that were upon us for 1978. We rejoice in this achievement which is a bench mark upon the life and work of our people. We express our abiding gratitude for the faithfulness and trust of the more than 121,000 people of our Conference.

Traditionally this report has spoken of the happenings that have occurred in our parsonage families. There have been both joys and sorrows during this year. Appropriately the attention of the Conference will be called to remembrance of those who have departed from our midst in the Memorial Service.

There have been blessed and happy events that are to be shared:

New babies have been born:

Daniel Shelby to Gary and Eileen Lindley
 Deana Ruth to James and Phylis Burton
 Kevin Michael to John and Linda Miller
 Erica to Bruce and Carol Hay
 Michael Edwin to Ed and Sandy Wadsworth
 Wesley Ivan to Robert and Judy Holloway
 Erin Louise to Michael and Joan McKee

Marriage vows have been exchanged:

Frank Lester Shuler to Deborah Lanae Cowell
 Martin Neal Walton to Elizabeth Posthumus Meyjes
 Merrick Charles Walton to Julia Cunningham
 Courtney Bailey Duncan to Viann Owens
 Ricky Lee Reaves to Jacqueline Moothart
 Lynn Riley to Wayne Nichols
 Mercia Elliott to Gary Fitzgerald
 Susan Briles to Mark Reynolds
 Randal Alan Hunt to Annetta Ramsey

Since the year 1812 it has been the custom that the Episcopal Address has been heard on the opening day of the General Conference. This address is a review of the life and thought of the Church and its responsibility in contemporaneous life. The address is written by a bishop whom his colleagues choose by ballot. This address has unusual significance and is reviewed by the entire Council of Bishops until it expresses the deep convictions of that august body. The Fort Worth-Dallas Area is highly honored that our episcopal leader, Bishop W. McFerrin Stowe, has been chosen to prepare and deliver that pronouncement to the Church and the world at the 1980 session of the General Conference of the United Methodist Church on April 15, 1980 in Indianapolis, Indiana. We pledge to you, Bishop Stowe, our thoughtful prayers that the Eternal God to whom we look for guidance will surround you with His wisdom and grace as during these intervening months you will complete this glorious but challenging task.

In the Name of the Father, the Son and the Holy Spirit. Amen.

Respectfully submitted on behalf of the Cabinet,
 William M. Greenwaldt, Chairman

UNITED METHODIST WOMEN

Report 1

Received June 4, 1979

The Annual Meeting in October, 1978, was a highlight in the life of our conference. Our speaker was Theresa Hoover, Associate General Secretary of the Women's Division. During the meeting, we ratified the Women's Division Charter on Racial Justice Policies

and referred it to the districts and local units for study and ratification. By June 1 we expect reports on their study and implementation.

Although we believe there is an urgent and worldwide need for racial justice, such action seems remote to those of us in local churches. However, the Charter suggests some specifics which are applicable. For example, we affirm the statement "to support nomination and election processes which include all racial groups . . ." Since this is the year for elections to General and Jurisdictional Conferences, we urge you to join with us in voting for a delegation which is inclusive of race as well as of age and sex.

Another major event for us was the workshop on Financial Interpretation led by members of the Women's Division. We, along with the rest of the church, are concerned about the stewardship of life and possessions. Although we exceeded our Pledge to Missions by more than \$3000 in 1978, we do not take for granted the loyalty and generosity of our 10,740 members. With the many demands upon their resources, more and more women are inquiring where their money goes and what it does. This indicates an informed, responsible membership. Districts now are giving special emphasis to financial interpretation so that local women may have those answers.

The 1979 School of Christian Mission will be held at Texas Wesleyan College. Dates for the weekday School are July 11-13. The weekend School is July 14-15.

The topics of study sound like the headlines of today's newspaper: **Middle East Mosaic** — to inform North American Christians of the human complexities in the Middle East, foster constructive action toward human rights, peace, justice and development; **Human Rights** — to show that within the context of a one-world, global society, the matter of human rights is a priority concern for the international community, a complex issue with interlocking strands of political, economic, cultural and religious issues involved; **The Parables** — to enable each student to struggle with the meaning of the Kingdom of God which the Parables announced, to recognize the signs of the kingdom in experience, and to decide to obey the Lord who both announced and embodies the Kingdom.

Both Schools are in cooperation with the Board of Global Ministries. Persons with special responsibilities in mission are urged to attend. Child care is provided for all ages, infants through older elementary. Registrations should be made before June 26.

The newsletter, *Crossties*, sent to every local, district, and conference officer, has been a successful tool of communication. Others may subscribe by sending one dollar to the editor: Nellie Sheldon, 107 North 31st St., Gatesville, 76528.

Report 2

Received June 4, 1979

Each of you is invited to attend one of the Schools of Christian Mission at Texas Wesleyan College in July. You will find details on page 46 of the Pending Reports. It is an opportunity for men and women of faith to talk, being persons in mission to a world which becomes more complex with each passing day. Child care is available to families with children again this year. The 50 children who came last year had such a great time studying and playing together that they were reluctant to return home. Their study this year is on the parables of Jesus.

Since the early days when women organized for mission pledged their pennies and dimes to support missionaries, stewardship has been an important feature of our mission education. Women without independent income have often scrimped and saved on household expenditures to fulfill a pledge. A new resource on stewardship which we are using is the green booklet on your table titled, *Giving, a Biblical and Theological Perspective*. We are sharing it with you because of its adaptability to a variety of small groups within the local church. Bible references and techniques for extensive study are suggested in the booklet.

Developing a talent bank is an ongoing project with us. In a recent weekend, it was exciting to observe the eagerness of some 16 women under 35 who came together for a discussion of the structure of the annual conference and United Methodist Women. Needless to say, we look forward to seeing these persons in leadership roles soon.

Our most significant involvement this year has been the Charter On Racial Justice Policies which we ratified at the Annual Meeting of 1978. This Charter is before all conferences, districts and local units in the United States for study and implementation until March, 1980. Such charters are not new to United Methodist Women.

Two previous ones have been ratified in the two decades just past. This Charter defines racism as the belief that one race is innately superior to all other races. General Conference, by making the Ethnic Minority Local Church a priority for this quadrennium, and the Women's Division, by adopting this Charter, remind us that racism is an unresolved worldwide issue.

The questions raised within local units during this time of study and ratification reveal the need for creative planning on the part of the whole church to move us from tolerance to celebration of the ethnic diversity within the church. While many leaders of the church grow weary of such discussions, some local people have not yet experienced the forum where their questions are addressed. Let the church be that forum where we explore the differences which God has created in us. And let the church also be the forum where we hear the Gospel message and come together in the unity for which Christ prayed.

By ratifying this charter United Methodist Women have made a commitment to work for the elimination of racism in the church, the community, and the world. One action which the Charter suggests is to support nomination and election processes which include all ethnic groups. In this year when we from local churches elect delegations to both General and Jurisdictional conferences, we ask you, both clergy and laity, to join us in choosing a delegation which reflects the diversity of age, sex, and ethnic origin visible in this annual conference.

COMMISSION ON STATUS AND ROLE OF WOMEN 1979 Report

Received June 4, 1979

The Commission on Status and Role of Women was very active and alive for the year of 1979. We continued to work toward increasing the role and status of women in the Central Texas Conference by the following:

1. The Commission paid registration fees for six clergywomen and one laywoman to attend the National Consultation of Clergy Women in Dallas, Texas, January 2-5, 1979. The purpose of the Consultation was to provide avenues of communication between clergy women and traditional hierarchical structures, examine the appointment system, and mobility of clergy women in the United Methodist Church.
2. The Commission sent two representatives to a Regional Training Event sponsored by the National COSROW/Women Division in Denver, Colorado on February 2-4, 1979. The event was designed to prepare women for full participation in the 1979 Annual Conferences, 1980 General and Jurisdictional Conferences and the 1981-1984 quadrennium.
3. The Commission approved a recommendation to petition the Rules Committee to amend the following conference rules:

Rule 12.1 section 2, page 216 to read:

“The membership of the Commission shall consist of the following: three clergy, at least one of whom shall be a woman; three laymen; and three laywomen; two representatives from Conference United Methodist Women; six members at-large, two of whom shall be under 18; one representative from each district, and all selected for their interest, expertise and with concern for ethnic and age balance in representation.”

And Rule 3.1, section 5 to read:

"The District Council on Ministries shall be composed of the District Superintendent, the president of the district United Methodist Women, the district lay leader, a youth not over 18 years of age, the members of the Annual Conference Council on Ministries residing in the district, one laywoman, one layman, one clerical representative to each conference board, one district representative of the Commission on Status and Role of Women, and such other persons as the district council may determine . . ."

The request to amend these rules is based on the Commission's concern to increase the awareness of districts and local women in the church about COSROW and to provide additional information about opportunities for women.

The Commission plans to implement the following programs for the remainder of the year based on the proposed changes.

1. To develop a **Do-It Kit for Status and Role of Women**, including the following information:
 1. Purpose of the Kit with information on how to use other enclosures.
 2. A list of the books relating to the status and role of women which are available from the Conference Library.
 3. A list of the Audio Visual Resources available from the Conference Library which relate to women.

(In connection with No. 2 and No. 3, we suggest one member of the Commission be responsible for reading and viewing with funds provided to purchase additional books and audio visuals, with this information included in the monthly Newsletter.)

4. A list of Conference COSROW members and District SRW Representatives, including mailing address and telephone numbers.
5. A Talent Bank . . . a list of persons within the Conference who would serve as consultants to local churches, etc.
6. A suggested program on the Status and Role of Women to be used in the local church.
7. Publicity for the local church newsletter on Status and Role of Women.
8. A Monitoring Guide to be used at the District Seminar.

This kit will be designed for the District Representatives on the Status and Role of Women and/or District Superintendents to utilize at District Seminars to inform local women about the Commission and other related concerns of women.

In addition to keeping in line with our goal to develop additional opportunities for women in the church and model programs, the Commission is concerned about the increased number of divorces in clergy couples.

The Commission hopes to obtain and make available upon request, the current addresses of divorced spouses of clergy within our Conference, and develop a program to show our concern for their adjustment to a new role and life.

This will be accomplished by the following ways:

- a) That an article be published in *The Texas Methodist* requesting names and addresses of ex-spouses of the clergy — from any source.
- b) That a letter be written to each district president of the United Methodist Women, requesting assistance in obtaining the name and address of any ex-spouse of the clergy within her district — and perhaps asking she request this information from the local UMW presidents.
- c) That a permanent file be prepared from this information so obtained and kept in the Conference Office; and that a member of the Conference COSROW also have this information acting as liaison for our Commission.
- d) That each of these persons be contacted by our liaison person as soon as the proper address is obtained to express our concern and our willingness to accept each one as a person. Perhaps some brochures or suggestions for readjustment might be mailed at this time — or perhaps correspondence with our liaison person would reveal a specific need.

2. The Commission is encouraging each church of the conference to invite women to fill the pulpit in a major worship service at least once in 1979.

The National Commission on Status and Role of Women has requested conferences to designate one month of the year as "Women in the Pulpit Month." Central Texas Conference designated April 13, 1979 thru May 13, 1979. An article was placed in the Texas Methodist to promote the event, as well as letters to every District Superintendent, Local pastors, United Methodist Women District Presidents, the Conference Lay Leaders and District Lay Leaders. The names of the speakers and participating churches will be printed in early June.

3. The Commission will recommend to the ACCOM to determine whether or not there is an interest in implementing a study of salaries of lay personnel.

COMMISSION ON RELIGION AND RACE

Received June 4, 1979

Time has been very short the past two years serving the Commission on Religion and Race and it has been a challenge, rewarding, and found us as a Commission beginning work as a team in shallow water. But as time passed, we made accomplishments, but hope more will be done and accomplished. As the song is sung, "We've only just begun!"

I am proud to report that there was a Religion and Race Consultation Workshop held at Glen Lake Camp in December with Evelyn Fritz, General Associate Executive Director. More than 35 attended.

Representatives attended the inter-ethnic minority consultation in San Antonio, Texas; the BMCR (Black Methodist Church on Religion) in Detroit, Michigan; and the Religion and Race Jurisdictional Meeting in New Mexico.

Many local churches have had dialogue, worship services and/or some form of activity to display Religion and Race.

Through district secretaries, those churches that have not elected chairpersons on Religion and Race are asked to do so; district secretaries could serve as liaison persons to encourage such participation.

PROPOSALS FOR 1980

1. Commission on Religion and Race needs to go about the business of monitoring. The Commission will formulate a method whereby it can deal with issues in a constructive and positive way.
2. The Commission on Religion and Race will monitor the progress of the Local Church. The District Secretary of Religion and Race will serve as a liaison between the local church and the Commission, and work with Religion & Race Executive and/or Associate Director.
3. Commission on Religion and Race will meet with other organizations and/or Commissions to encourage ethnic minority (multi-racial) recruitment for the ordained and diaconal ministry.
4. The Commission on Religion and Race will encourage multi-racial dialogue at every level in the church through pulpit exchange, through worship services (fellowship) and study so as to encourage a better understanding of others.
5. The Commission on Religion and Race will present a Celebration of Wholeness — One Body . . . Many Members in April with emphasis on the inclusive church.
6. The Commission on Religion and Race will meet with minority ministers and laypersons to encourage dialogue on how to strengthen the local church.
7. The Commission on Religion and Race will encourage ethnic fellowship and cooperation between ethnic and multi-racial churches.
8. The Commission on Religion and Race will encourage ethnic or multi-racial representation at meetings of the General, Jurisdictional, and Annual Conference, and

District Levels; that these representatives can be used as resource persons in achieving the Commission's goals.

9. The Commission hopes to work with the Bishop and Cabinet toward an inclusive church in the Central Texas Annual Conference.

ETHNIC MINORITY LOCAL CHURCH MISSIONAL PRIORITY TASK FORCE

Received June 4, 1979

A total of \$23,800 was received for the combined Advance Special for the Ethnic Minority Local Church. \$11,900 was forwarded to the General Advance. The remaining \$11,900 was distributed as follows: Ethnic Minority scholarships, Perkins School of Theology, \$2,400; Eastwood UMC, Ft. Eighteen months of the Diaconal Internship program was completed with the end of 1978. Not only did the trainee receive a varied training and share in many experiences across the conference, but she was able to make important contributions in developing and leading leadership training events in black churches in the conference.

The goals of the task force are:

1. To awaken to the physical and spiritual needs of a growing ethnic minority population in this conference.
2. To develop an awareness of and sensitivity to the special concerns of ethnic minority groups.
3. To provide funding for buildings, new/renovated, for ethnic minority congregations.
4. To train more diaconal persons and identify persons interested in ministries on staffs of ethnic minority churches.
5. To face the issue of open itineracy and move in the direction of commitment to ethnic inclusiveness.
6. To provide continued financial commitment of support of the ethnic minority local church.

In light of these goals, the work of the task force for the rest of the quadrennium includes:

- Continued emphasis on education, information and the development of awareness/sensitivity.
- Emphasis on the role of ethnic minority persons, lay and clergy, in the leadership and decision making places in the conference.
- 100% participation by congregations of the conference in the Advance Special for this priority.

**AREA PASTORAL COUNSELING SERVICE
North Texas And Central Texas Conferences
Of The United Methodist Church**

Approved June 6, 1979

A new program of pastoral care and counseling for ministers and families in the Dallas-Ft. Worth Episcopal Area is now ready. It makes available a broader choice of counselors and more convenient geographical access through a panel of seven qualified counselors listed below. Two each are located in Dallas and Ft. Worth, one each in Waco, Brownwood and Sulphur Springs.

Eligibility

This service is available to ordained conference members (including diaconal and retired ministers) and persons serving full-time conference appointments, plus their spouses and dependent family members. In addition, ordained members and families of the Rio Grande Conference serving within the geographical boundaries of this episcopal area are eligible.

Cost

Two initial counseling sessions will be paid in full by the program. Thereafter, participants will be asked to pay a portion of the cost scaled to income, as follows:

If Family Income is:	Program Will Pay	Client Will Pay:
I Under \$14,000	90%	10%
II \$14,001-\$20,000	75%	25%
III \$20,001-\$25,000	50%	50%
IV Above \$25,000	25%	75%

Family income includes combined incomes of spouses, excluding housing or parsonage allowance. Therapists' fees will be set at their standard professional rates. Example: If your income is in Scale I and your counselor's fee is \$40, you will be fully covered for the first two sessions and will pay \$4 per session thereafter.

Confidentiality

Complete confidentiality and respect for privacy will be maintained. As a client, your name will be known only to your counselor, and no information about you will go to any other person without your written consent.

Trust will be vested in the integrity of the counselors, both to keep confidences with clients and to keep faith with the program by submitting accurate bills of service for payment. Such bills will list hours of service but no names.

Procedure

You may choose any counselor on the list and are not limited to one near you or in your conference. To make an appointment phone directly to the office of the therapist. No intermediary or other authorization is required, but you should be prepared to show, in your conference journal or equivalent, that you are an eligible client.

COMMITTEE ON COMMUNICATIONS AND INTERPRETATIONS

Received June 4, 1979

Communication and Interpretation is a multi-faceted task. Paul said: "I have become all things to all men, that I might by all means save some." There is a real sense in which we as a church use all means in order that we might reach some.

Audio — Through the use of the Airwaves we share in presenting **United Methodist Connection, The Protestant Hour** and many local church programs produced, planned and broadcast locally. Some are using this as a vital means of reaching into the community to touch those who can't or won't come.

Video — This is still another means wide open to use. First United Methodist Church of Fort Worth reaches across our nation with their message through Television. Yet this kind of outreach may not be possible for most of us.

There is another way however. One Church, First United Methodist Church in Coleman through use of Cable TV reaches out into the community, to the homebound, the hospitalized and the community at large with caring and sharing concern. **This kind of ministry is possible in a hundred other locations in our conference.**

A few Churches are beginning to use Closed-Circuit TV and Video-Cassettes as a resource within their church to bring the very best leadership available as a resource. This kind of possibility is open to every church in the conference. Some can buy the necessary equipment. It is available on loan from the Conference Resource Center for every church.

Printed Word — We affirm the importance of the Conference Page of the Texas Methodist as a means of communicating and interpreting the work and the mission of our church. We re-affirm the purpose of the Conference Page as follows:

"Based on the belief that the church has a story to tell, this newspaper is published to report the mission work of the people called United Methodist in Central Texas."

"The work of the church is important whether that work is being done on a conference, district or a local church level. The job of the newspaper is to report the story of that work wherever it is being done."

The Texas Methodist is of sufficient importance that every church not already doing so should consider sending it to every local official.

Every local church has another printed word communication means at their disposal through a local church Newsletter. At least one District has conducted a workshop on how to have a better local church newsletter. Others are being planned.

Books, brochures, leaflets and tracts all tell and interpret the work and concerns of the Church.

Films — both 35 mm strips and 16 mm movies allow one to share, to participate and feel the message being shared. Images can be projected, stories told, appeals made and understandings shared. Literally hundreds of items are available through the Resource Center.

New Items

A new **Resource Catalogue** is now available. This gives a complete listing of what is available and can be used. A few churches have really taken advantage of resources available, most have not. In far too many instances it would appear that those churches who need help the most are using available help the least. It's your Resource Center, to serve you.

A new **Video-Cassette-Player** has been received and is available on loan to every church in the conference. This machine opens up a whole new dimension in teaching, learning and interpreting the faith. This comes through the generosity of First UMC of Fort Worth and St. Luke's UMC of Houston. It is available, its usefulness is determined by our willingness to use it.

All these many avenues and vehicles and others are open as ways, means, possibilities to share and pass on the message of Christ. All can be used to share what the people called Methodist are doing in response to the call of Christ and in the face of the needs of the world.

None works unless used. No message is communicated unless it is shared. No care or concern is expressed until it is passed on.

That's our common task and calling, sharing the message and how we as a church are attempting to respond in faithfulness.

To that task we call you, leaders of the Central Texas Conference of the United Methodist Church.

BOARD OF DISCIPLESHIP

Committee On Camps And Assemblies Report 1

Approved as a whole June 5, 1979

REVIEW OF 1978 GOALS

Our primary concern at this point was to improve, repair and update the facilities at the Glen Lake UMC Camp.

To date, we have completed the Program Aids Package and most of the Office Package.

We are making improvements and repairs, using the priority list which was set up as a guideline, as monies are available.

As a result of concerns expressed at the Summer Events Evaluation and ensuing recommendations from the Committee on Safety, additional improvements have been made in lighting, roads, signs, ball diamond and barriers erected for safety.

GOALS FOR 1980

1. By December 31, 1980, the Camps and Assemblies Committee will present to the Board of Discipleship a written assessment of our present camp sites with projection of future facility needs for Christian Education out-of-doors.
2. By December 31, 1980, the Camps & Assemblies Committee will design a variety of promotional tools on Glen Lake and Rainbow Camps.
3. By the end of June, 1980, the Camps & Assemblies Committee will have presented a recommendation of a policy on summer camping curriculum to the Annual Conference.

4. The Camps & Assemblies Committee will recommend to the Board of Discipleship by February, 1980, an alternate access to the caretaker's home other than through the girls' cabin area.

5. By December, 1980, the Camps & Assemblies Committee will make a recommendation to the ACCOM after receipt of the report of a committee appointed to review and make a recommendation regarding policy, discipline, and a process for approval of trained camp leadership.

RATIONALE FOR 1980 PROGRAM GOALS

1. To evaluate the present facilities would be helpful in determining the need for future development of facilities at either camp.

We hope to have this done free of charge by a qualified person.

Determination of the best use of the information received will be made by the Committee.

2. To encourage increased usage of Glen Lake and the Rainbow Camps by Methodist groups, the laity and clergy need greater exposure to their facilities and versatility.

3. We support the Education in the Local Church Committee in its task of developing a curriculum plan for summer camping and feel that it should be presented by this date so that it can be implemented into the camping program as soon as possible.

The cost of this task is being met within the Committee on Education in the Local Church.

4. It is desirable that the caretaker have private access to his home.

5. Camp policy should be reviewed and updated as necessary. Camp policies regarding discipline need to be defined and emphasized with camp leadership. And, a tool for the evaluation of camp leadership needs to be developed, utilized and retained for reference in selecting leadership each year.

Additional funds are not necessary. Evaluation will be made by the committee.

Conference Council On Youth Ministries

1980 GOALS

1. By December, 1980, the CCYM will report to the Board of Discipleship its findings regarding a full-time conference youth coordinator position and will make recommendations as needed.

2. By February, 1980, the CCYM will have designed and set a date for a training session for all 1980 newly elected CCYM members.

3. By December, 1980, the CCYM will be printing and distributing a youth newspaper to Central Texas Conference youth.

4. By December, 1980, the CCYM will have sponsored a conference-wide YSF money raising day.

5. By December, 1980, the CCYM will have reviewed all its projects and made recommendations regarding programming needs for conference youth activities.

6. By December, 1980, the CCYM will have designed and implemented a program(s) to seek and assist those youth who are called to the ministry.

RATIONALE FOR CCYM 1980 GOALS

1. The CCYM wants to study the need for a staff position of Conference Youth Coordinator and will determine whether such a person is needed, what responsibilities would be, etc.

2. The CCYM needs to train its newly elected CCYM members in a more adequate manner and will do so by designing and holding a training event.

3. In order to get information to the youth of the Conference, the CCYM will begin publication of a youth newspaper — eventually designed to be mailed to all youth members of local churches and UMYF's.

4. In order to continue YSF (Youth Service Fund) training and education, the CCYM will sponsor a conference-wide YSF money raising day designed to get all local churches involved in YSF collection and fund raising.

5. The CCYM will review its projects, discover youth needs, and evaluate and discover what programs to sponsor in order to meet the needs of Conference youth.

6. The CCYM will work with the Board of Ordained and Diaconal Ministry and the Bishop to enable those youth who are interested in the ministry as a profession to discover information, receive support, etc.

Committee On Education In Local Church

REVIEW OF 1978 PROGRAM

1. Dr. Roy H. Ryan held a series of workshops and rallies on strengthening the church school throughout the conference in March, 1978.

2. To promote the use of the conference library, a new catalogue is being prepared.

3. Each district superintendent designated a liaison representative from his District Council on Ministries to be a linkage from conference through district to local age-level coordinators.

4. Wanda Russell and one other person will participate in the National Conference on Ministries with Children in Nashville in July, 1979.

5. Conference workshop on "Working with Volunteers in Church School Education" is scheduled for March 19-20, 1979 at Glen Lake. Rev. John Loggins and Jim Porter, who attended the training session at Scarritt, will lead this workshop.

6. Curricula for elementary, junior high and senior high camp at Glen Lake are being written.

1980 PROGRAM GOALS

1. Create, by December, 1980, a long-range plan for conference teachers' training, including expressed needs from local churches.

2. Develop, by December, 1980, promotional programs for all educational resources.

3. Provide, by December, 1980, linkage system between annual conference, district and local church leadership.

4. Have available, by January, 1980, summer curricula for all age levels. (Budget item includes paper for printing, stencils, cost of writers, and related expenses.)

5. Continue to develop and implement program for family, elementary, and trip camping.

6. Continue to promote training of church school teachers.

RATIONALE FOR 1980 GOALS

1. The committee believes that the committee and the Board of Discipleship need to institute a long-range plan for teacher training on the conference level. In order to insure that effective training does occur, the committee sees the need to establish such a plan.

2. The committee believes that more adequate promotion of educational resources (resources from the Conference Office, the National Board of Discipleship, Cokesbury, Discipleship Resources, etc.) needs to occur so that persons are aware of what items are available. The committee will establish a promotional program in order to get the information to local church leaders and pastors.

3. A continuing concern of the committee is how information and expressed concerns are communicated to districts and local churches from the Annual Conference Council and vice versa. The committee will continue to work on this concern.

4. The committee currently has a committee working to establish cyclical curriculum for elementary, junior and senior high summer camp programs. In 1980, the committee will be paying writers and printing the curriculum.

5. The committee has the responsibility for planning and implementing conference-wide family, elementary and trip camping.

6. The committee continues to promote the training of church school teachers by publicity, supporting the Committee on Leadership Development, etc.

Committee On Evangelism

1980 GOALS

We recommend:

1. That the Committee on Evangelism continue to promote and carry through on the Visitation Training Workshops under the auspices of L.E.A.D. Consultants, Inc.
2. That the Committee on Evangelism compile information, from a variety of sources, about successful methods churches have used to identify, cultivate, and win non-church people in their communities. Target date for completion — October 1980.
3. That the Committee on Evangelism seek out available programs and resources, that have been used successfully, in order to help local churches develop an ongoing program of evangelism that is composed of the right mixture of methods and strategies for them in their particular situation. This information should be in hand and available to Central Texas Conference Churches by October 1980.

RATIONALE FOR PROGRAM GOALS FOR 1980

1. One third of the average Protestant congregation is made up of people who were once active but have now become inactive. Extensive research shows why people leave, how to stop the drop-out cycle, and ways of getting those who have left to return to an active relationship.

A personal visitation program is the only effective method for reclaiming these persons. Special skills are needed. The Visitation Training Workshops, (conducted by leadership trained with L.E.A.D. Consultants) will train pastors and laity in these skills.

These same visitation skills are effective with prospective members as we endeavor to persuade them to become disciples of Jesus Christ and responsible members of the church. They are also effective in personal ministry with active members.

Beginning now and continuing through 1980 trained leaders are available in the Central Texas Conference to conduct Visitation Training Workshops in local churches.

The Committee on Evangelism will be responsible for evaluation of this program. Each participating church will be asked to keep accurate records of the calls that are made and the number of people visited who return to active participation in the church.

2. Many churches are highly successful in identifying, cultivating, and winning non-church people to Christian discipleship and responsible membership in the church. It would be helpful to all our pastors and churches to have descriptions of the various methods that have been used successfully. When a local church secures new members by transfer from other United Methodist Churches and/or from other denominations it is performing a vital function in the conservation of the Church of Jesus Christ, but it is only as we reach out and win non-church people that we cause the whole Church of Christ to grow.

3. Each local church needs to develop a continuing, ongoing program of evangelism. Since each local church and community are different, each needs to develop its own special mixture of methods of evangelism. There are probably no new evangelistic methods, but certain styles and strategies and combinations of methods are useful in one place whereas different methods and approaches serve better in another situation. All churches, however, would be stimulated and helped if a variety of successful programs could be known and studied.

Committee On Human Sexuality

GOALS FOR 1980

1. To help facilitate small churches or clusters of churches in planning and having human sexuality courses for youth and their parent(s).
2. To investigate relational methods the Task Force on Human Sexuality can be accountable to the Central Texas Conference Council on Ministries.

3. To continue training and certification of leaders. This includes certifying three Junior High Leaders and three Senior High Leaders.
4. To develop a human sexuality course for older elementary children and their parents.
5. To schedule a minimum of four junior high and two senior high courses during the year.
6. To hold six task force meetings.
7. To become an institutional member of the American Association of Sex Educators, Counselors and Therapists, if not in conflict with the official position of the United Methodist Church.

RATIONALE FOR 1980 GOALS

1. We believe it is important to include our smaller churches in our educational enterprises. Thus, we are providing financial support for these churches to schedule our courses.
2. We feel that there are other connectional lines of accountability that would be more advantageous to our task force and to the Conference Council on Ministries as well.
3. Because of the need for additional courses, we need additional Certified Leaders trained and available to facilitate these enterprises.
4. This goal is in response to local church requests for an older elementary human sexuality course for children and their parents.
5. During 1980 we anticipate many requests from churches for our courses. We, therefore, want to make sure that each of our Certified Leaders has adequate time to devote to an event.
6. To achieve a coordinated effort and to accomplish our goals, these are the minimum number of times we will need to meet.
7. Because of the need for knowledge of new resources in the area of human sexuality, for current training and educational methods, and the necessity to stay current with other sex educators we feel this membership is necessary for our task force.

Committee On Leadership Development**1980 GOALS**

1. By December 1980, encourage and provide resources to help districts to establish a two year leadership training program in their districts and local churches.
2. By June 1980, have made a feasibility study toward recommendation to the Board of Discipleship for paid (full or part time) age level staff persons.
3. By December 1981, sponsor a workshop for pastors to train them in skills needed to recruit, train, develop, and support lay leadership.
4. By May 1980, sponsor Camp Dean-Director training.
5. By December 1980, provide training scholarship funds.

RATIONALE FOR 1980 GOALS

1. The Committee thinks that effective church schools and local church programming does not "just happen" and that adequate training must occur in order that teachers and church leaders can do the best job possible for them. In order to enable such training to occur, the Committee sees a need to provide resources for and to enable each district to establish a two year training program for the district and local church leaders.
2. The Committee thinks that more adequate training of church school teachers and leaders might occur if there were hired persons responsible for various age levels. In order to study the concern and determine action that might be recommended to the Board of Discipleship, the Committee wants to establish the goal as stated.
3. Understanding that pastors are called to recruit, orient, and train leaders for all areas of the church's program and work, the Committee wants to sponsor a workshop designed to train pastors in skills needed to enable lay leadership in the church.
4. The Committee has sponsored the Camp Dean/Director Training for summer camp leaders and will continue this program in 1980 in order to insure that such persons understand their roles, what resources are available, what their job is, how they recruit and train volunteer camp counselors, etc.
5. The Committee sees the need to include monies in the travel pool designated for leadership training events for persons that otherwise would not be able to attend those events.

Committee On Stewardship**1980 GOALS**

1. By December, 1980, we will have conference wide workshop. All focusing on enriching the worship and music in the local church.

The pastors and worship committees need a fresh understanding of the rich Christian heritage of worship plus exposure to new experience in worship and music. As a result, they will be able to evaluate and respond to their congregations' needs and spiritual growth.

Basic expense to the conference would be for travel expense and honorarium for two nationally recognized and qualified leaders.

2. By Sept. 1, 1980, have mailed to three members in the local church, including the local chairperson of the Council on Ministries, the chairperson of the Administrative Board and Stewardship Chairperson a booklet describing connectional apportionments with a list o

resources and addresses of persons who can give personal dimension.

Information described in the booklet is a necessary part of developing a better understanding by the laity of connectionalism and stewardship responsibility.

By 1981, the Committee will have developed practical ways of helping local churches learn to relate goal setting and budget process.

3. There is a need for Education in the local church to budget according to goals rather than automatic inflationary increases.

Committee will evaluate the program.

HOMES FOR RETIRED MINISTERS
Report 1

Received June 4, 1979

Your Homes for Retired Ministers has completed another year of service as it has been doing since 1906. We still have 30 homes with 29 of them occupied.

Each home has been acquired by the conference with the understanding that it would be kept in liveable repair. Insurance and taxes must be paid. To provide funds for these expenditures a special offering is received in the churches each year in July. We want to thank the members of the churches in the conference for their offerings which amounted to \$11,715.19 this past year.

For the past four years the residents of the homes have been contributing monthly to our program and take care of minor repairs. Their gifts this past year amounted to \$7,503.00. Their support has helped tremendously.

Insurance this year cost	\$2,284.00
Taxes paid	5,798.49
Maintenance	6,144.28

We request a change of date in 1980 for our special offering. We would like to take the offering in September to coincide with Ministry Sunday emphasis.

The Trustees are: James H. Campbell (1980), Robert L. Robertson (1980), Frank L. Turner, Jr. (1980), Charles Hearn (1981), Eric Purnell (1981), Glenn C. Bowman (1981), E. J. Hughes (1982), Warren Fuller (1982), and William M. Greenwaldt (1982).

BOARD OF PENSIONS
Report 1

Received June 4, 1979

The sacred trust of affording leadership in provision of proper retirement support for Conference members is realized by the Board of Pensions. The Board has endeavored to move forward this year but we must confess we come to Conference with the realization that the value of money has depreciated more than the increased projection in annuity benefits. Regretfully, such is the present economic condition.

The Board believes we can safely provide an annuity rate of \$100 for each service year and this is our recommendation for the coming year. It is our hope that we might reach \$110 within two more years.

Three years ago the Conference shared in a Limited Capital Funds Campaign. The goal was \$1,500,000. We believe we will reach that goal upon the completion of the five year period contained in the pledges. We have now about sixty percent of the goal in cash receipts

and these have been applied toward the increase of pension benefits.

The Board feels it has the responsibility of helping provide information relative to individual provision for retirement. Because some would offer poor guidance, we have provided help and guidance from our own General Board. Recently Dr. Robert Yunker shared in such a workshop with many of the ministerial members of this Conference.

It is evident that the Central Texas Conference must provide a better foundation for future pension benefits. We must keep faith with those who have unselfishly given their lives to the Call of Christ in our church's ministry. The Board believes we must begin now to plan increased financial support for this important responsibility. To provide less than the increase in cost of living is in fact, to depreciate benefits for those who need them most.

Jack Payne, Chairman

Report 2

The following resolution is included for benefit of those retired ministers who qualify for income tax benefit by virtue of claiming the Parsonage Exclusion benefit as stated in Section 107 of the Internal Revenue Code. Each person, of course, is responsible for knowledge and conformity to requirements of the law.

RESOLUTION

WHEREAS, the United States Government has recognized in its income tax regulations monies designated as "allowance for a parsonage or a home" for a minister to be exempt from taxation,

AND WHEREAS, the United States Government has also recognized in its income tax regulations monies paid for utilities and upkeep of such "parsonage or home" of a minister to be exempt from taxes,

BE IT RESOLVED that the Central Texas Annual Conference, meeting in annual session June 3-6, 1979, does approve for this tax year an amount not to exceed \$6,000 of the amount received as a retired minister's compensation for past services be allowed for rental allowance.

BE IT FURTHER RESOLVED that an additional allowance of \$2,000 constitute an allowance for utilities and upkeep of the said minister's parsonage or home.

INTERCONFERENCE TASK FORCE ON MEXICAN-AMERICAN MINISTRIES

Received June 4, 1979

Our committee has not been able to organize and begin work as we had hoped, as we have had difficulties in relating with the Rio Grande Conference. We believe that we shall soon have the names of the persons who will be representing that conference following their annual conference session, and that then we will be able to meet and enter into dialogue in our area of work.

We have had representatives of our committee attend a meeting of the Commission on Mexican-American Ministry in El Paso last September, and also were represented at the Inter-Ethnic Conference in San Antonio.

One item of reporting that is related to our work is that through the co-operative efforts of the Ft. Worth Metropolitan Board of Missions and the Rio Grande Conference, a new Mexican-American church will be established in South Ft. Worth within this coming year. This is a much needed and important step forward in ministry within the Mexican-American community in our conference. Funding for the new church will come from the Metropolitan Board of Missions and First United Methodist Church, Ft. Worth. The new pastor who is being appointed to begin this work is Rev. Hector Gonzales, Jr. of the Rio Grande Conference. We give our support to this new venture and will follow its development with interest and prayer.

 5. To study the purpose of the Equitable Salary Fund.

6. To update and rewrite the guidelines for administration of the Equitable Salary Fund as needed.
 7. To evaluate the present method of providing sick-leave salary assistance to Annual Conference members.

 5. To interpret and support campus ministries in the Central Texas Conference, the Task Force on Goals for Growth in Campus Ministry will be continued with the following twofold purpose: Interpretive — What is Campus Ministry? Increase student awareness of United Methodist Campus Ministry.
 6. To express appreciation to local churches for their financial undergirding of campus ministry within the Central Texas Conference.
 7. To accomplish the above goals, the Committee requests an apportionment of 93¢ per member and figured from the total Conference membership, and apportioned to the districts on the decimal.

 2. Plan and execute means for giving aid in these two concerns — Strengthening Worship and Preaching.

Report 2 Committee On Clergy Benefits

Approved June 5, 1979

- A. **EQUITABLE SALARY SUPPORT**
1. We recommend that the 1980 minimum salary be set as follows: (Schedule to be continued on the basis of 1979 report)
 2. Paragraph (f) of the "Administrative Procedures" which pertains to the mileage remuneration for seminary students shall remain as stated in the 1976 Conference Journal.
 3. The Equitable Salary Support Program, 1978 Conference Journal, pg. 222, "Administrative Procedures," we recommend the deletion of paragraphs 8 and 9 since they are no longer applicable.
Thus, paragraph 10 on pg. 222 of the 1978 Conference Journal would become paragraph 8.
We recommend the inclusion into the Equitable Salary Support Program, 1978 Conference Journal, pgs. 221, 222, the following as the new paragraph 9.

The Equitable Salary Commission is granted permission to waive, when necessary, any of the rules 1 a., b., c. under "Administrative Procedures" of Equitable Salary Support Program.

4. Under Equitable Salary Support Program, 1978 Conference Journal, pg. 222, we recommend the deletion of the next to last paragraph, which reads:

"Three fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payments for the fourth quarter shall be made not later than May 15 of each year."

This paragraph is no longer applicable.

Please note that the total Equitable Salary Support Program is detailed in the Standing Rules Section of the Conference Journal.

B. MOVING EXPENSE FUND

1. We recommend that the benefits of the Conference Moving Expense Fund be changed to include a \$75 minimum on any move within the bounds of the Annual Conference or \$2 per mile allowance anywhere within the bounds of the Annual Conference, whichever is greater.
2. We further recommend that the procedure of filing correct forms along with verified moving receipts with the Conference Secretary/Treasurer be continued.
3. We do, however, encourage every receiving Charge in the Annual Conference to pay the moving expense of the new minister, if possible.

C. MINISTERS' HOUSING

1. We propose that the Bishop of the Central Texas Conference appoint a task force for the purpose of studying ministers' housing. This committee is to study the relative value of the Parsonage System versus housing allowance with special consideration given to the implications of each system on ministers' retirement housing.

We are concerned that the rapid increase of housing costs will make it impossible for more and more ministers in the Parsonage System to own a home for retirement, and that the demand on the Conference Homes for Retired Ministers exceed what this program can provide.

D. CONFERENCE HOSPITALIZATION, LIFE, ACCIDENT & DISABILITY GROUP INSURANCE

A study of this program is in progress and will be completed for presentation to the Annual Conference.

Group Insurance Proposal**

Approved June 5, 1979

After careful consideration of six proposals offered by such companies as Travelers, Ministers Life and Casualty Co., the General Board of Pensions of the UMC, and other self-insurance proposals, your committee recommends the plan submitted by Prudential.

Many factors were taken into consideration:

1. The escalating cost of hospital insurance.
2. The confidence we could have in claim payments.
3. The protection for the members from catastrophic losses due to rising cost of medical services.

We are confident that the plan proposed is the best that we can come up with and discharge our basic responsibilities to the membership of the CTC.

I. Life Insurance and 24 Hour Accidental Death and Dismemberment Insurance

Next: Plan will cover 80% of the next \$2500 of eligible charges

BOARD OF GLOBAL MINISTRIES

Committee On Ecumenical Affairs

Received June 6, 1979

1980 PROGRAM GOALS

1. To continue support of the Texas Conference of Churches and Texas IMPACT.
2. To contact ecumenical counterparts in our area.
3. To explore the possibility of non-metropolitan ecumenical parishes.
4. To continue to monitor the St. Barnabas ecumenical project in Arlington, and lend support for a parish in South Arlington with a pastor of the other denominations.
5. To request that the Central Texas Conference set aside \$10,000 from the Conference Operating Reserve Fund to be used to oppose any effort to legalize gambling in the state of Texas, should the need arise.
6. Using the coordinated mailing, to publish a report and review of the issues and decisions of the annual study session of the Texas Conference of Churches.
7. Participate in the Mt. Sequoyah School of Ecumenical Ministries.

**REVIEW OF THE WORK OF THE COMMITTEE ON
ECUMENICAL AFFAIRS, 1978**

After calling three committee meetings without any member attending, regardless of location, no additional meetings were attempted. Either replace the members or the chairman in 1980.

I met with Rev. Weldon Haynes, pastor of St. Barnabas Ecumenical Parish in southwest Arlington. We surveyed the growth of the church, the administrative complexities involved, the sociological considerations of the environment within a two mile radius and the status of their finances and building plans. The entire project is outstanding. Rev. Haynes has established an excellent rapport with the leaders, school personnel and businessmen in his area. The future will see St. Barnabas as an outstanding church, in both size and ministry.

During the fall, I attended the Texas Conference of Churches study retreat at Mo-Ranch, Hunt, Texas. The topic was Abortion and Genetic Ethics. The leaders were well informed. The conclusion found all denominations united in agreement at two points: the abortion statement in the Social Principles of the United Methodist Church, though not officially named, was the view held by almost all of the participants; genetic ethics is an increasingly complex and urgent field for Christian responsibility. The test-tube conception accomplished in England was the focal point demonstrating the urgency of developing genetic ethics.

Health And Welfare Committee

REVIEW OF WORK FOR 1978-79

In checking the goals we set for 1978 and for 1979, we are happy to report that much good has been happening in fulfilling our goals.

1. The World Hunger Priority has been supported very well by our Annual Conference. Realizing that well being involves both food for the body and the soul, we will continue to support the Task Force on Hunger in keeping up the support of our members.

2. A list of local Church and District Chairpersons for Health and Welfare has been compiled and sent to the agencies related to our committee.

3. The Waxahachie District held a workshop through which representatives of the agencies related to our committee presented the ministries they offer. We hope the other Districts will plan similar workshops so our local churches can be informed of the important work being done and of the need for increased financial support of these agencies.

4. Our committee has publicized the agencies through **The Texas Methodist**.

5. While our Committee has not followed through on plans to make persons aware of the needs for gifts to our agencies through wills, legacies, and gifts, we appreciate the continuing growth of the endowment fund for the Methodist Home in Waco and the fine work of Rev. Nick Kupferle which has brought needed new equipment to Harris Hospital — Methodist.

Committee On Health And Welfare

1980 PROGRAM GOALS

1. To encourage each local church to designate a Chairperson for Health and Welfare and each District to have such a person; and to send a new list to the agencies related to the Committee.

3. To continue to publicize the work of the agencies related to our Committee through **The Texas Methodist**, especially to call attention to the times when special offerings are to be received for their support. To lift the level of giving to these agencies to more than offset the problem of inflation.

4. To encourage all local churches to observe these special dates in telling the story of our institutions and to receive special offerings for them;

April for Golden Cross

May for Wesleyan Home

November for Methodist Mission Home of Texas

December for Methodist Home in Waco

HARRIS AND HURST-EULESS-BEDFORD HOSPITALS Annual Report — 1979

Our Ultimate Goal . . .

We, at Harris Hospital — Methodist, believe Fort Worth is truly a great city — great in educational facilities, cultural opportunities of every kind, and in future growth and development. The one element lacking in her role as a leading city in the Southwest is that of a Medical Center which will be known throughout the country as a center of medical technology, superior in its diagnostic abilities, surgical skills and every known specialized medical procedure.

Harris Hospital — Methodist, Fort Worth Medical Center is now assuming this role and, with the completion of the current twelve-million Phase V program, will have the full

capacity to become "A Great Medical Center For A Great City." With the full support of our community and our Conference, this most urgent and important dimension of our city's image can become a reality. Nothing is of greater importance to the welfare and future of Fort Worth and the surrounding counties than this medical achievement.

Even now we must begin looking to the future, setting goals and plans for the next fifteen years. With the ever-increasing technological advances, the growing demands on our medical center and its highly specialized services, there can never be a stopping place — a point of arrival. As long as there is disease to be conquered, suffering to be relieved, there must be ever new and larger goals in terms of medical programs and facilities to meet the health needs of all who seek help. The medical ministry to a suffering humanity is one that never "arrives"; of necessity, it must always be enroute.

The greatest opportunity and challenge that can come to any people is to be a part of this "medical frontier" and help to bring into reality the assurance of better health and longevity of life for our people. This is the most important mission in society, and to be a part of it is to invest our lives in that which will achieve the most for our Church and our Conference.

The Foundation Is Laid . . .

- Harris Hospital — Methodist, with 628 beds, is the largest in the County. The Medical Center is composed of six buildings and vast underground facilities.
- There are 502 Physicians on staff, half of whom are specialists.
- With 2100 employees, Harris Hospital — Methodist is the fourth largest employer in the County and, with a payroll in excess of \$20,000,000, is a major factor in the local economy.
- Harris Hospital — Methodist will celebrate its 50th anniversary in March, 1980.
- Harris Hospital — Methodist leads the way.

In Surgery . . . there were 15,176 surgical procedures performed last year.

In Radiology . . . there were 222,000 Radiological procedures last year, and the newest equipment — including the Head Scanner, Total Body Scanner, Ultrasound Scanner and Real Time Scanner — make the department capable of meeting every technical need.

In Cardiovascular Physiology . . . there are now two complete Cardiac Catheterization Laboratories, and Harris Hospital — Methodist performs 75% of these procedures in the County, and is the only hospital that performs pediatric catheterization procedures.

In Special Care . . . the entire second floor and a portion of the third floor are equipped to minister to the critically ill, with special wings designed to care for Coronary, Respiratory, Neurological and other patients requiring the finest in intensive care.

In Maternity . . . 4,780 babies were delivered last year, making Harris the leading maternity hospital in the County.

In Laboratory Procedures . . . last year 186 technicians and workers performed 1,615,706 laboratory tests with the aid of the finest equipment in the field.

In Emergency Medicine . . . there is full 24-hour Emergency Care, with a staff of thirteen Physicians — specialists in Emergency Medicine.

In Nursing Care . . . the Nursing Staff is outstanding, and there are 3.2 nurses per patient, the largest nurse-patient ratio in the County.

In Education . . . the education program is outstanding, with a Director and staff of fourteen. Classes are offered to the community in every field of patient care needs. These are continuing classes and are free to the public.

"The Opportunity Is Ours"

Fort Worth now has the opportunity of having a Medical Center that can care for the medical-surgical needs of any patient. No longer would our own citizens have to travel to distant cities for specialized medical care. Residents of other cities would look to Fort Worth as a major medical mecca to meet their every diagnostic and health-care need. This is an opportunity in which every concerned citizen should want to have a real part.

In the twelve-million dollar expansion and improvement program now under way, the great need is for the purchase of the finest and newest equipment in the field of medical technology. Therefore, every gift directed to the "Harris Hospital Development Fund" will be used for the acquisition of the equipment requirements in each of the thirty-one departments of the hospital.

We sincerely hope that you will give this urgent need priority in your plans for tax-deductible gifts this year. Major gifts and grants can be set up on a pay basis covering a period of several years. To create "A Great Medical Center For A Great City" will require the enthusiastic support of our entire Conference, both the business and private sectors. Great interest has already been evidenced in gifts totaling nearly three-million dollars in the past nineteen months.

Please, join us this year in putting this medical opportunity "first" in our thinking and our giving.

If at any time you have any questions concerning the giving program at Harris Hospital — Methodist or wish to discuss making a gift in any form to the hospital, please contact the Director of Development.

**GOLDEN CROSS SERVICE
Report 1**

October 1, 1977 — September 30, 1978

Harris Hospital's Golden Cross Service is the extension of the healing ministry of Christ to those who have no financial resources and whose physical condition required the specialized care of modern medicine. There is no greater expression of the spirit of Christ in today's world than to reach out to those who are sick and in need.

**METHODIST HOME
Report 1**

The year 1978 was a very busy year for Methodist Home in caring about and for 1,169 children and youth. A total of 540 children and youth from within the bounds of the Central Texas Conference were served through the Methodist Home umbrella of services. This past year signaled the end of a significant fourteen year tenure for Dr. Kennard B. Copeland as Methodist Home Administrator. An advocate for children, Bill Copeland provided distinguished services to Methodist Home and for the Church.

CURRENT AND FUTURE EMPHASIS

Methodist Home is committed to quality child care. We are constantly striving to improve the present program, develop new programs and plan for the future to meet children's needs.

I have seen the need for three major areas of emphasis at the present time.

- (1) Our current programs are strong and have been adequately developed. However, I feel a need to emphasize the strong points of the current program and to eliminate the weaknesses. In everyday language, I want to be sure that we are doing what we say we are doing and doing it in the most positive manner possible.

- (2) Methodist Home has developed a system that identifies problems and needs on a very strong individualized basis. We have a wealth of information on each child, and we develop a plan of service for each child. Let it be our goal to treat every child as an individual and make certain that we do not "warehouse" children. Let our program emphasize the individual within the group and not the group at the expense of the individual.
- (3) Most children do not stay at Methodist Home as long as they did in the past. It is our responsibility to make Methodist Home's program one that prepares a child for life when he leaves our care. To be sure, many times the child needs protection from those forces that destroyed his family and his world but we must prepare him to live in the same world. We must emphasize those aspects of care that guarantee survival and success in the real world. Our graduates must be confident that they are equipped to meet the challenges of society when their days of care at Methodist Home are over.

CONCLUSION

We have stated a philosophy for Methodist Home which is well grounded, which is challenging and which will accomplish our purpose for their needs. We will depend on those who support this philosophy to contribute financially to help us reach these goals. With your prayers and support, we will be able to face the world and confidently say, "The children of the Methodist Home are in good hands."

Board Of Global Ministries Request For Amendment To ARM Foundation By-Laws

Section 13, Executive Director

The Board of Directors of the ARM Foundation shall interview potential executive directors and make their recommendation to the Annual Conference as a part of their report. If the individual is a lay person, this will complete the process. If the individual happens to be a clergyperson, the choice will be referred to the Bishop for his determination as to whether or not he will be willing to appoint the individual.

METHODIST MISSION HOME

The Methodist Mission Home provides ministries for young women pregnant out of wedlock, and vocational rehabilitation services for young adults with hearing impairments. The Home also provides short and long term care for infant children, and places infants for adoption in homes approved by the Social Work Staff.

The ministry for maternity clients include counseling, medical care, provision for continuing education if in high school, and legal services when they desire to place their babies for adoption. The services for young adults with hearing impairments includes an individualized Adult Basic education program that helps train the clients in functional academic subjects and communication skills, vocational counseling and training, and ultimately job placement. It also includes personal social adjustment, medical care as needed, and planned semi-independent living experiences.

Consideration is given to those who cannot afford normal costs. Work scholarships are available for maternity residents, and grants for hearing impaired clients. Adoptive fees are reduced for hard to place children.

The present capacity for clients in the San Antonio office location is 30 for maternity clients, and 60 for the hearing impaired. Two satellite homes for maternity girls extend services through the Maple House in Nacogdoches, and the Permian Basin Maple House in Odessa. Staff also serves non-resident maternity clients desiring adoptive planning.

There is an ongoing need for funds for operational expenses. Reliance on public funds (grants), especially with the hearing impaired program, cannot be depended upon from year to year. Church congregations need to become more conscious of the unique services, and the needs of the Methodist Mission Home. November 4, or the month of November, has been designated as emphasis time for the Methodist Mission Home for 1979.

In 1978 the Methodist Mission Home served 660 persons in a direct way: 130 children, 192 maternity clients, 244 adoptive parents, and 94 clients in the Southwest Center for the Hearing Impaired.

The total invested in personal services to the clients at the Home during 1978 amounted to \$1,188,656. Divided among 24,311 resident days, \$48.89 was applied to meet the daily needs of each person. The Central Texas Conference gave \$13,870.90 which represented 57¢ per day for the people served at the Home, or provided care for one person for 284 days.

The Board of Trustees approved an Endowment goal of \$5,000,000 to be sought from individual and church sources for ongoing program of the Home.

LAURA EDWARDS CHRISTIAN COMMUNITY CENTER

The Laura Edwards Christian Community Center in Waco is a child care center serving a predominantly black residential area. It is a licensed facility which served approximately

115 children in the past year. More than half of the children live in the poverty income level. A new fee schedule based on ability to pay is now in effect.

The children were provided many learning experiences through field trips, films, talks from community helpers, participation in a neighborhood parade, and performing in a Christmas program. Leadership was provided by a new executive director, a dedicated inter-racial staff, and a number of volunteers on a professional level. Children going from our center kindergarten into public school excel in first grade work.

The size of the Board of Directors has been decreased to 28 members, including representatives from the community being served, the church, and the community at large. The board is inter-racial, reflecting the black, oriental and white sections of the population.

Financial support is sorely needed. Following is a brief summary:

UNITED COMMUNITY CENTERS, INC. Fort Worth

Annual Report — 1978

More than a half century ago the church recognized a need others did not see, and risked a new venture. Mainly through devoted Methodist women, church based community centers were begun. Wesley Center was organized in 1910, Bethlehem in 1943, Maddox in 1967, Englewood in 1975, and Westside in 1976.

A history-making event took place when the then three Methodist related centers (Wesley, Bethlehem and Maddox) consolidated officially in January, 1971, to form United Community Centers, Inc. The Fort Worth centers are among the few in the nation which have consolidated into a single united agency.

United Community Centers, Inc., understands itself to be a part of the church's ministry, motivated by Christian faith and social concern. It is committed to serving people and to the development of the communities where centers are located. Programs are varied and changing, geared to meet individual and community needs. Programs fall into four basic areas:

Group Work Services (Pre-School, School Age and Adults) focus on strengthening family life and individuals. All kinds of organized clubs, groups and classes are provided, as well as camping opportunities in the summer. Hopefully each participant will learn a useable skill and have an opportunity to develop leadership skills.

Community Service Programs concentrate on development of the communities served by each center. Some of the many programs include clean-up projects, special community forums and seminars, and leadership development. Emergency aid also falls in this category, where food and/or clothing is provided for those persons who occasionally need assistance because of unemployment, fire, illness or lack of income.

Health Programs provide free medical examinations for persons with no family doctor and for many who have never had a complete physical. Also included is medical counseling for family planning and clinics for newborn and well babies.

Building Space Provided to Agencies and Groups so that services of other agencies located too far away can be made available to residents of the centers' service areas. United Community Centers try to avoid duplication of services and therefore cooperates with agencies who can provide specialized services.

United Community Centers, Inc., is a project related to the Board of Global Ministries of The United Methodist Church and to the United Way of Metropolitan Tarrant County. The properties and facilities of Bethlehem, Maddox and Wesley Centers are owned by the Women's Division of the Board of Global Ministries of The UMC. The United Community Centers' Board of Directors is responsible to this organization.

In addition, United Community Centers is an approved Advance Special of the Central Texas Conference of The UMC. Local church support through Advance Specials is greatly appreciated and needed because it helps generate other money. When church giving is reduced, United Way giving is reduced proportionately. In 1978 thirty local churches from the Brownwood, Fort Worth East, Fort Worth West, Temple, Waco, and Waxahachie Districts sent United Community Centers Advance Special contributions.

WACO INNER CITY MINISTRY

With the support of the Central Texas Conference during 1978, Inner City Ministry continued its task of providing direct services and stimulating social concern in Waco and McLennan County. Our programs included the following:

1. **Senior Lunch and Activity Program** — 250 senior citizens participated daily at our five senior centers throughout the county. These persons were served hot lunches and took part in educational and recreational activities. The approximate yearly total of meals served was 63,400.

2. **Senior Citizen Transportation** — 1,200 senior citizens were transported monthly during the first eight months of 1978 with our eight vans. In September, a successful transfer of this transportation system was made to the City of Waco. Inner City Ministry continued to transport rural senior citizens only after that time. The approximate yearly total of rides provided was 45,000.

3. **Meals on Wheels** — 260 house-bound elderly persons were delivered hot lunches three days a week in the Waco area. Coordinating a Meals on Wheels program involving ten sites, our agency utilized volunteers and community support to cook and deliver approximately 40,500 meals during 1978.

4. **Summer Youth Camp** — 250 inner city children from the Waco community participated in either a residential or day camp co-sponsored by our agency and other agencies. Volunteers in sewing groups sponsored by Inner City Ministry worked year-round to prepare clothing for these campers.

The money contributed by the Conference to our agency enabled these valuable programs to operate in 1978. In the coming years, we pledge to continue this tradition of service and good stewardship of Conference resources.

Mark Randall Smith, Executive Director

LYDIA PATTERSON INSTITUTE

Received June 5, 1979

Lydia Patterson Institute, owned and operated by the South Central Jurisdiction through its several annual conferences, is completing its 66th year of service as part of our Church's concern for education. During the past year we acquired the last lot that enables us to own the entire city block.

This year we experienced a slight decrease in enrollment. Nevertheless we enrolled 579 in our regular day program. We feel the drop was the direct result of a most necessary increase in tuition. As it has been customary better than 80% of these students come from Juarez, Mexico, and because so many of them come from Mexico, where the rate of exchange in currency is so high, we must make every effort to keep tuition fees as low as possible.

Our Board of Trustees policy on Grant-in-Aid has a goal that 25% of our students be granted aid. This insures our activity in providing an education for students who otherwise could not afford to attend school. Presently, 77 students are on Grant-in-Aid (scholarship). Additionally, every student paying the established tuition of \$450 a year receives almost a 50% subsidy in terms of average actual cost.

Some outstanding things have taken place this year. The Board of Trustees have established an Endowment and Development Committee to ensure our future financial stability. We have already been recipients of wills and 160 acres (grazing land) in Southeastern New Mexico. Several conferences of the Jurisdiction have assured their "fair share" goal as a conference apportionment. This has greatly enhanced our financial base as it has given us a firm base heretofore unknown to us.

There has been also good things taking place in the academic arena. Through a special grant from the National Division of the Board of Global Ministries we have brought on a Coordinator of Religious Life Activities, whose efforts have already made a pronounced difference. Also, we have added a part-time counselor. His main thrust is in career development as well as assisting students in college placement. In addition to the above named we have made other excellent staff additions. Five United Methodist Colleges or Universities in this Jurisdiction have provided total scholarships for our graduates. These are McMurry, Southwestern, Lon Morris (Texas), Oklahoma City University (Oklahoma), Hendrix College (Arkansas).

We are fortunate to be in partnership with the Central Texas Conference. Through your representatives on our board, Bishop W. McFerrin Stowe, Rev. Michael Patison and Mr. Doyle Murray, II, we trust we can always address the needs of students who are attracted by what a church-related school offers. This will also take your help. With it we can help those who need us, and also train persons who can bear a positive influence in this international setting of which we are a part.

COMMITTEE ON RESEARCH AND PLANNING

Received June 6, 1979

The Committee on Research and Planning brings a progress report to the 1979 Annual Conference Session.

The first task of the 1978 Annual Conference Session was for individuals to mark a questionnaire entitled "Who Are We? Where Are We Going?" Those members identified areas of concern which are priorities for us as a conference. The following issues emerged as being the most critical:

- | | |
|------------------------------------|-----------------------------|
| 1. Membership Recruitment | 6. Teacher Training |
| 2. Strengthening Worship | 7. Membership Assimilation |
| 3. Spiritual Enrichment | 8. Preaching/Local Missions |
| 4. Stewardship | 9. Inactive Members |
| 5. Strengthening the Church School | 10. World Missions |

The 1978 Annual Conference Session also voted to embark on an ambitious research project consisting of a demographic study of the issues that the members identified as being our priorities. The demographic data is complete and selected portions are included in the STRATEGIC PLANNING COMMITTEE REPORT.

In November, 1978 a STRATEGIC PLANNING COMMITTEE was organized. Membership of this committee includes Bishop Stowe, the seven District Superintendents, the conference staff and members of the Committee on Research and Planning. Don Pike was elected Chairperson of the Strategic Planning Committee. We voted to contract with Mr. Matthew Brown, a planning specialist in the non-profit sector, to be our consultant.

Early this year the members of the 1978 Annual Conference Session were asked to come to District Conferences to further define those issues which were identified as being our priorities. Task groups involving seventy persons from across the conference have met and are planning position papers on each of the issues.

Our projected time line calls for the first five-year plan to be presented to the 1980 Annual Conference Session for consideration and approval. Members of that conference will be introduced to the plan at their local church administrative board meetings, through their pending reports and at their district conferences.

And then the process begins again. This should be just the first of annual progress reports from the Strategic Planning Committee. We expect to keep our plan "evergreen," that is, always planning five years into the future for effective ministry.

PENDING REPORT OF THE STRATEGIC PLANNING COMMITTEE

**Central Texas Conference
The United Methodist Church
April 1979**

Dr. Don Pike, Chairman

Received June 6, 1979

PERSPECTIVE

To understand the activity of the strategic planning committee in 1978-79 and during the months ahead, it is necessary to have an appreciation of the concepts of "strategy" and "strategic management."

Alfred D. Chandler, author of *Strategy and Structure: Chapters in the History of the American Industrial Enterprise*, states that strategy "is the determination of the basic long-term goals and objectives of an enterprise, and the adoption of courses of action and the allocation of resources necessary for carrying out those goals."

Don Schendel and Charles W. Hofer, editors of *Strategic Management*, state that strategic management "is a process that deals with organizational renewal and growth through developing and utilizing the strategy which is to guide the organization's operations."

The Strategic Planning Committee in the Central Texas Conference is being guided conceptually by those two definitions generally accepted in the field of strategic management at the present time.

SHORT-TERM OBJECTIVES

The Strategic Planning Committee (SPC) adopted eight objectives to complete before June 1979. Each of them will be completed on time. They are listed below:

- Adopt a mission statement for the Central Texas Conference
- Review and adopt a strategic planning model and begin implementation
- Commence disseminating strategic planning information to local churches
- Complete hearings in the districts to determine major strengths and weaknesses
- Identify and articulate critical issues from data collected at 1978 Annual Conference
- Recruit critical issues task forces and examine issues
- Prepare critical issues position papers
- Create a demographic and urban characteristics data base for the Conference

MISSION STATEMENT ADOPTED BY SPC 11-6-78

"The Central Texas Annual Conference is a basic body of the United Methodist Church, and, like the visible church everywhere, exists not for its own sake, but as the instrument for implementing the mandates of the gospel, and for discharging faithfully the powers and duties assigned to it by the constitution of the United Methodist Church."

THE STRATEGIC PLANNING MODEL ADOPTED BY THE SPC 11-15-78

A four phase planning model has been adopted by the SPC and is presently being implemented. It is outlined below:

- Phase One: Organization Completed 11/15/78
- Phase Two: Forecasting and Assessment Completed 3/14/79
- Phase Three: Planning Scheduled Completion June 1980
- Phase Four: Implementation and Evaluation Commence June 1980

THE CRITICAL ISSUES TO BE EXAMINED BY TASK FORCES

1. Membership recruitment and reviving inactive members
2. Strengthening worship and preaching
3. Spiritual enrichment and stewardship
4. Strengthening church schools/teacher recruitment and training
5. Local missions

CONFERENCE COMMISSION FOR LAY CONCERNS

Received June 6, 1979

We are in the process of reorganizing both the Conference and the District Commissions in light of the changes that have occurred in the conference in the past seven years since these commissions rose from the ashes from the Boards of Laity. The District Councils on Ministries are now viable and functioning units, making the original purpose of the District Commissions somewhat superfluous. There will emerge, we hope, by June of 1980 or sooner a new District Commission that will be designed to supplement and support the District Council on Ministries and the local churches in a more positive manner. There has been a concern raised that it be more directly involved with training of lay leaders, lay speakers, and providing some further link of communication with the local church. The Conference Commission is seeking to know its most effective way to support the enablement of the lay person in ministry. This will be done either by the support of the ACCOM programs or by instituting programs and events which are not cared for by other agencies. It will continue to serve as a forum for the sharing of concerns among the lay and clergy leadership as they come together. The commission will continue to seek after those persons that are capable of leadership roles and attempt to bring them to the forefront. The commission will continue to support lay speaking and other such leadership training to help the laity to be more effective in their ministry. In this light, the District Lay Leaders and Conference Lay Leaders have participated in several events around the conference and in the jurisdiction to help train leaders in local churches. Specifically, leading sessions on stewardship, lay leaders, pastor-parish relations committees, and other events.

The commission dealt with the possibility of a resource book that would be in each local church lay leader's hands. The purpose of the book was to make all avenues of the United Methodist church known to the various work areas. The committee reported back with the recommendation that we not proceed because of cost and problems of updating. They viewed the idea as feasible but not too workable given the present situation.

The commission will continue to support the efforts of the organized units of the laity as they function in the conference. We would urge your participation as Christian missionaries in the School of Christian Missions at TWC, the United Methodist Men's Rally at Glen Lake, and the youth camps at Glen Lake this summer as well as the training events planned for the fall. We will watch with interest as the Conference Council on Youth Ministries surveys the need and purpose for a full time staff member on the level. We support them as they offer leadership whose vision is not clouded by excuses.

We have recently encountered concerns which will be dealt with by the Commission as it comes together in the fall meeting. The need for intentional recruitment and training of ethnic minority leadership, the call from the conference task force on hunger for some type of conference wide rally to support this priority item, and the support of an evangelism workshop coming out of the task force on worship and preaching. These and other concerns that are lifted will be explored and appropriate groups will be encouraged to participate in them.

In the fall of 1979 and winter of 1980, we will be presenting and updating the document perfected by the Central Texas Conference in 1972 entitled Guidelines for Ministerial Relationships. After the document has been reworked to make the language current, it will then be once again, presented to the Pastor-Parish Relations Committees in district workshops for the purpose of reacquainting them with these guidelines which will help facilitate the functioning of the clergy within our conference.

CONFERENCE COUNCIL ON YOUTH MINISTRY Report 1

Received June 5, 1979

In giving this report I am concluding my duties as CCYM President. Personally, it has been a year of growth and advancement. On the Conference level it has been a year of numerous successes. Much of our advancement must be attributed to the district youth coordinators. These are the people you need to turn to if you have any questions pertaining to the youth. They are:

Bob Bowling	Brownwood
Gary Kindley	Ft. Worth East
Robert Herzig	Ft. Worth West
Sue Karkaska	Temple
Frank Long	Waco
Claus Rohlf	Waxahachie
Randy Wild	Weatherford

During this past year we attempted to increase the connectionalism of the youth and the UM Structure. We set about doing it in two different ways. One major point was the representation of youth on various boards and committees of the Conference. I feel that the fruit of our labor will be clearly visible in the coming year. Another way of doing this was by increasing our own effectiveness in our CCYM meeting. We studied structure, oriented new members and worked on the closeness of the council.

We re-evaluated the needs of the Conference youth and how we could better serve them. We added the Mid-Fall Training event in order to help youth workers understand youth, communicate to youth and reorganize or organize local UMYF groups.

The Sr. High and Jr. High Mid-Winters were reconstructed to one Sr. High and one Jr. High instead of the original two due to lack of attendance. In 1978 only 79 youth attended Sr. High Mid-Winter. In 1979 that number jumped to 324. Jr. High Mid-Winters found 284 youth in attendance. Both events were very successful.

The biggest disappointment of the year was the cancellation of AYC. AYC will be moved back to April in 1980 in order to re-establish that event.

Our closing event, the Youth Rally, was a large success with 750 youth attending. A very special thanks goes to Austin Avenue UMC, Waco District Youth and Frank Long for the effort they put in on this event.

I would like to refer you to the pending reports for our 1980 goals. I am implanting my dreams in these presently elected officers and look forward to their successes. The new officers are:

President Ronnie Schmidt
 Vice-President Lisa Sawyer
 Secretary Gina Chesser
 YSF Coordinator Gary Kindley

Respectfully submitted,
 Nancy Anglin

UNITED METHODIST MEN

The organization of United Methodist Men has gone forward in the past year. New charters have been issued; however, every church should have a chapter of United Methodist Men. Many churches have men's organizations with no charter.

The living prayer center at Nashville is the national project for the United Methodist Men. The number is 1-800-251-2468, which may be called at any time by any person who needs prayer assistance.

The Glen Lake Rally will be held on August 24 and 25. Dr. Gaston Foote will be the preacher and Gene Robertson will lead the singing. The theme of this year's rally is "Back to the Basics, Preaching and Singing." The attendance goal for this year's rally is 500. The Bishop, Cabinet and all clergy are urged to support this rally with their attendance.

YOUTH SERVICE FUND Report 1

Received June 5, 1979

Youth Service Fund, YSF, is a national youth mission project. It is money raised by youth, spent by youth, to benefit youth.

In 1978, the Central Texas Conference raised \$1,393.04, to be divided between our in conference project, the West Side Community Center in Ft. Worth, and our out of conference project, the Southwest Center for the Hearing Impaired in San Antonio.

Here is a list of contributing churches in 1978-79:

1978:	Mart First United Methodist Church	Hamilton, First
	Gatesville First	(Raised \$192.20 — our top
	Temple First	local contributing church)
	St. James, Temple	St. Andrew, Killeen
	Mt. Zion, Belton	Holland Methodist
	River Oaks, Ft. Worth	Lorena Methodist
	Temple District at Large	Memorial, Walnut Springs
	Waco District at Large	Kennedale Methodist
	Watts Chapel, Grandview	Comanche Methodist
	Dresden, Blooming Grove	Riverside, Ft. Worth
	Troy Methodist	Trinity, Ft. Worth
	Ferris Methodist	Alvarado, First
	Pilgrim Rest, Milford	Italy Methodist
	Carter Park, Ft. Worth	Osceola Methodist
	Milford, First	Britton, Midlothian

1979: Temple District at Large
 Belton First
 Ennis First (our second highest local church contribution — raised \$175.00)
 St. John, Georgetown
 Ft. Worth East District at Large
 University, Ft. Worth
 Troy Methodist

The Conference Youth rally raised \$740.20.

One of the Conference Council on Youth Ministries goals is:

By December 1980, the CCYM will have sponsored a conference-wide YSF money raising day.

We need Youth Service Fund because it enables us as youth to express the Christian commitment we made when we became members of the United Methodist Church.

We Believe! We Belong!

COMMITTEE ON EPISCOPACY

The committee is organized and functioning as set out in paragraph 733 of **The 1976 Book of Discipline**.

Although we have only met twice, the committee has developed a strong sense of community. It is rapidly becoming a forum for hopes, dreams and some frustrations to be shared. The committee is attempting to be a supportive group for Bishop Stowe where he is comfortable in sharing his hopes and dreams for the church in general and the Central Texas Conference specifically. At the same time, the committee is being open to discuss and assess conditions in the conference that affect our joint ministry. There has been an open exchange of ideas and opinions on a variety of subjects. Several specific requests have been made of Bishop Stowe and he has done all humanly possible to comply.

Bishop Stowe has asked for his study leave from June 7 to early September. You will be relieved to know that we approved it. He will be going to Canada to rest, study and write the 1980 Episcopacy address. There will be no Bishop acting for Bishop Stowe; he will be available to a telephone for that period of time.

Your committee takes its responsibility seriously and will be working with Bishop Stowe and the committee of North Texas to assure you of continued excellent leadership as we move toward that unfortunate time of Bishop Stowe's retirement. At this time, however, we look forward to another year of his excellent leadership and pledge ourselves to be at his side to support and counsel as any good Pastor-Parish Relations Committee would do.

Respectfully submitted,
 Pat Stroman, Ch.

COMMISSION ON ARCHIVES AND HISTORY

Received June 6, 1979

1. The Archives and History Commission invites you to visit our display. We have Central Texas Conference Journals and Methodist Disciplines from years past for any of you wishing to complete personal or church files of these.
2. Also we have lists of items we would like to receive from you for the conference depository located at Glen Lake. We have added some new cabinets to the room, filed and shelved all archival materials, and are ready for visitors. We know some of you have interesting and valuable items to add to the history collection of this conference, and we will be happy to receive them from you.
3. The Texas United Methodist Historical Society has announced the winners of the Kate Warnick local church history awards for 1978. Two awards are given each year — for the best small church (under 400 members) and large church entries written in 1978. Vernon G. Woolsey wrote the 1978 large church winner about the First United Methodist Church of Corpus Christi in the Southwest Texas Conference. The 1978 small church award went to James L. Turner for his book about Grace United Methodist Church of Bremond in the Texas Conference.
4. A proposal has been made by the Texas United Methodist Historical Society that a new history of Texas Methodism be written and published to be ready for distribution in 1984, the Bicentennial Year of the organization of American Methodism. Moneys for the

underwriting of this work will come from all of the Texas Conferences, and will be replaced as the books are sold following publication in 1984. We encourage you to support this new history of Texas Methodism project and to own a book for yourself in our Bicentennial Year.

5. You are invited to become a member of the Texas United Methodist Historical Society which meets annually on Thursday and Friday following Ministers' Week at SMU in Dallas. Applications for membership are available at the Archives and History Display.

"We are the fruition of a process that stretches back to star-dust. We are material in the hands of the Genius of the universe for a destiny that we cannot see in the everlasting rhythm of the world. Nothing happens but what somehow counts in the creative architecture of things. We fail and fall by the way, yet redeeming grace fashions us anew and eliminates our failures in the larger pattern, the transition to better things." John Elof Boodin, 1869-1950.

GLEN LAKE — RAINBOW CAMPS Trustee Report Report 1

Received June 6, 1979

Maintenance and Improvements

Under the able leadership of our camp director, Maurice Wise, the camps have been well maintained and many needed improvements have been accomplished during the past year. We are glad to report that all of our camp properties are in good condition.

Status of Tax Suit

There has been no further development in this matter. Our attorney has advised us not to press the issue, so we haven't.

Status of Encroachment on Glen Lake Property

Our attorney has recently advised us that he has finally secured the needed papers and is now ready to take proper court action.

Survey of Camp Properties

For some time we have been in the process of having all of our property boundaries surveyed and properly marked. This has been done and will probably necessitate the need for some minor adjustments of property lines in some areas.

COUNCIL ON FINANCE AND ADMINISTRATION Report 1

Approved June 6, 1979

1. The members of the Council on Finance and Administration once again thank the leaders and the members of the Conference for maintaining the standard of meeting all our obligations 100% in 1978. This year we are presenting for your approval a budget that represents less than 5% increase.
2. The Salary allowances for the District Superintendency shall be an amount equal to 110% of the average of the salary and allowances paid to pastors of the top twenty (20) churches of the Conference. It shall be computed on the basis of salaries approved by Charge Conference which appear on the Episcopal work sheets as of April 1 prior to the meeting of the Annual Conference. The figures will be compiled by the Administrative Assistant to the Bishop and transmitted to the Chairman of the Council on Finance and Administration and the Conference Secretary-Treasurer within five days.

The salary includes a housing allowance actually expended not to exceed \$1,500.00. The \$1,225.00 requested by the Board of Pensions for all members under appointment with annuity is added to the above figure.

The Council recommends to the Annual Conference that district committees on finance be authorized to draw up district budgets for presentation to the District Stewards for office operations and to travel allowances, provided the budgets will be submitted to the Council on Finance and Administration for approval if the total increase of the district fund exceeds 10% of the previous year's budget.

We recommend that District Stewards be authorized to apportion a Connectional Contingency Fund used in paying in full apportionment items which may fall short within the respective district. The apportionments will not include the traditional cushions. The Connectional Contingency Fund will be administered at the district level in the same means as the District Work Fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future apportionments will be reduced. Any adjustments for unusual local church situations will be made in the apportionment of the Connectional Contingency Fund only. All other apportionments will be distributed to every local church on the basis of the decimal.

We recommend the unified form agreed upon by the Cabinet for reporting district budgets.

3. In 1980 the Conference Claimants Fund is to be set at \$640,000.00. This covers all costs and expenses for the support of all obligations to the Retired Ministers, their wives and dependent children.

In 1980 the Connectional Ministers Fund will be \$259,311.00. Of that amount, the Episcopal Fund is \$42,234.00, and the District Superintendents Fund will be \$210,077.00.

4. The Council recommends the request from the Board of Higher Education and Ministry that the Texas Methodist College Association apportionment remain at \$1.50 per member. The Council recommends the Wesley Foundation Fund remain 85¢ per member. These funds to be apportioned to districts and local churches on the decimal authorized by the conference.
5. The Council on Finance and Administration does not have a recommendation for Conference Projects for 1980. Thus, the Council on Finance and Administration requests the following for 1980:

1. Conference Insurance Program	\$190,000
2. Texas Methodist College Association. . .	182,994
3. Wesley Foundation	113,697
4. Ministerial Education Fund	133,982
5. Black Methodist Colleges.	67,443

- | | |
|--|--------|
| 6. Missional Priority | 46,370 |
| 7. Mass Comm. for Evangelism | 6,745 |
| 8. Lydia Patterson Institute | 14,788 |
| 9. Southern Methodist University | 30,000 |
6. We recommend that the Equitable Salary Fund be drawn from monies deposited with the Texas Methodist Foundation.
 7. We recommend that the funds distributed to the Board of Global Ministries from the Central Texas Foundation be retained in the Foundation in order to build up the corpus. The amount of \$29,000 will be placed in the Board's budget by the Conference.
 8. We recommend that a \$20,000 figure be placed in the budget of the Board of Discipleship Camp Committee for Glen Lake Camp. Due to extensive storm damage incurred at Glen Lake we encourage every local church to emphasize the Glen Lake Special Offering in March.
 9. We encourage the support of the Advance Specials Program in every local church. Especially, we ask consideration for the goal of \$62,200.00 annually for Ethnic Minority Local Church and \$33,600.00 for the World Hunger Program.
 10. We recommend the appointment of Dr. J. W. Sprinkle as Secretary-Treasurer of the Central Texas Conference.

PRIORITY TASK FORCE ON WORLD HUNGER

Received June 6, 1979

The Task Force on World Hunger wishes to commend the churches of the Central Texas Conference for the faithful manner of responding to the suffering of a hungry world. Our fair share goal through the Advance for 1978 was \$33,600. The response from our churches resulted in gifts of nearly \$40,000.

The Task Force on World Hunger requests the Annual Conference to:

1. Call upon this task force for ideas, projects, ministries and information resulting in actual projects within the local church.
2. Designate Sunday, November 18, 1979 as "Thanksgiving Sunday" in the Central Texas Conference. Our goal is to give every United Methodist family the opportunity for participation in the suffering of a hungry world.
3. Consider our recommendation that during 1980, the Annual Conference will have some type of conference-wide rally, auction, talent-sharing event which could be the format for wider exposure and participation in this basic need of humanity.

James Shuler, Chairperson

Respectfully submitted,
James H. Campbell, Superintendent
Temple District, May 10, 1979

Whereas the membership of Putnam (115) UMC voted to disband and moved their memberships to other United Methodist Churches:

CENTRAL TEXAS CONFERENCE FEDERAL CREDIT UNION

Received June 6, 1979

The Central Texas Conference Federal Credit Union has had a good year and has grown in strength and areas of service. Membership has increased 10% to 691; Share deposits have increased to the highest level yet to \$582,034; and our assets now are at the \$625,505 mark.

This past year saw the money market going through many rapid changes and we did experience some members withdrawing their money to invest in homes, etc. Even with some sizable withdrawals, we were able to increase our Share deposits, completely pay off moneys we had to borrow in order to make loans, and still make all loans applied for. We sometimes had to work carefully in order to provide full service to our members, but feel we were able to give financial guidance and assistance.

We now offer "Share Certificates" to all members in order to enable you to get the best, and competitive, returns on your savings. Members must have a minimum of \$1,000 in their regular share account and then will be able to purchase Share Certificates for a minimum of \$1,000 or in multiples of \$250 above such amount at the time of purchase. The current rate of interest to be paid on such Share Certificates will be 1/4 of one percent above the quoted rates of Savings and Loan Associations. Share Certificates are available for 1, 2, 3, or 4 years and are insured as regular accounts up to an aggregate of \$40,000. Interest is computed quarterly and compounded. In the event of early withdrawal either fully or partially, there is a 90 day loss of interest and the rate of interest earned reverts to the last dividend rate declared by the Directors.

This past year, we paid 6% interest on regular share accounts and also declared a bonus dividend of 1/2 of 1%. We feel that our Share Accounts or Share Certificates are one of the best places any person can put their savings for the best return.

Since organization of the Credit Union, we have made loans totaling almost \$3,000,000 and have had to write off only \$3,731 in loans not collectable.

Your Credit Union remains one of the most competitive places you can find for investing funds, or in borrowing money for personal and auto loans. Our greatest problem is inactive members, ones who have made the initial deposit required to join and whose accounts are inactive. We ask all members to make their accounts active in some way, as it actually costs us more than the minimum \$5.00 account is worth to serve it each year.

This past year we have also transferred our recordkeeping onto computer and are now able to give much better accounting and recordkeeping service.

We commend Dr. J. W. Sprinkle, our Treasurer, for his work and guidance in the administration of the Credit Union.

COMMITTEE ON COURTESY AND RESOLUTIONS

Received June 6, 1979

From: The Committee on Courtesy and Resolutions

To: Bishop Stowe, Members of the Conference, Friends and Visitors

"Then the righteous will answer him, 'Lord, when did we see thee hungry and feed thee, or thirsty and give thee drink? And when did we see thee a stranger and welcome thee, or naked and clothe thee? And when did we see thee sick or in prison and visit thee?' And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brethren, you did it to me.'" (RSV Matthew 25: 37-40)

As compared to the Symphony of life, Replete with melodic progression of reports —
making each of us feel . . .

“I Believe — I Belong” “I do belong — I do Believe”

We would like to thank the many courtesies of:

All the delegates and visitors who attended the Conference,

Reverend H. F. Meier and his assistants for the gracious use of Austin Avenue United
Methodist Church,

All the choirs who have come and participated in our worship experiences,

All those who led devotions and gave us special music,

Mrs. Twila Stowe for her presence and her vitality,

All the Television, Radio and Newspaper coverage of the Conference,

All those who gave reports, and especially

Bishop Stowe for his great leadership and inspiring sermons.

With deep appreciation and special gratitude we hasten to a finale, a Christian experience
that has been ours to share —

With its “largos” and “allegros” moves everlasting;

onward in sweet memories.

So ends the music, but the melody lingers on through the work to be done.

Respectfully submitted for your approval,

Don Scroggs, Chairperson

Marc Childress

Rev. J. K. Brim

James K. Brim was one of ten children born to C. T. and Elizabeth of Turnersville, Texas. His date of birth was July 28, 1894 and he died as the Annual Conference was in session, June 6, 1978.

He attended Meridian College and during World War I, enlisted in the U.S. Navy. After four years service there, he returned home and taught in rural schools of Central Texas. In 1922, he married Thelma Puckett and to this union was born a daughter, Bobbie who is the wife of Rev. Bill Moody, pastor of the Oakdale United Methodist Church in Stephenville.

As he taught school, he continued his college education receiving his Bachelors degree from East Texas State Teachers College in 1932. During World War II, while serving as Superintendent of the Pottsville school district he again answered the call of his country and entered the naval service. At the close of the war he was discharged with the rank of Chief Petty Officer in the Navy Hospital Corps. For the next five years he was a civil servant working in rehabilitation of disabled veterans.

In 1949, past 50 years of age, J. K. Brim surrendered to the full time ministry and entered Perkins School of Theology to pursue his graduate degree in Theology. He was received on trial in the Central Texas Conference in 1951 and finishing his Seminary training, he was received into full connection and ordained an Elder in 1953. For many years prior to answering the call to the itinerant ministry, he had been a licensed Lay Preacher.

J. K. Brim served as pastor at Elm Mott, China Springs and Zephyr-Mullin before moving in 1960, to Arlington First Methodist where he continued to minister to the retirement age membership even after his retirement from Conference in 1962.

He died on June 6, 1978 after a lengthy hospitalization. Memorial services were held at First United Methodist Church, Arlington and interment was in Moore Memorial Gardens in that city. Officiating were Drs. Jack Payne, Verlis Bane and G. Alfred Brown.

Otis F. Brown

Otis F. Brown was born on August 23, 1903, in Comanche, Texas, the son of Mr. & Mrs. David Brown. He was married to Cressie Aline Dodson on November 23, 1924 at Cisco, Texas, and to this lovely couple seven children were born. Cressie preceded him in death on December 25, 1976.

Brother Brown faithfully and lovingly served the Lord on the Wayland Circuit, Pioneer, Olney Circuit, Mountain View, Mullin, Zephyr, Valera, Walnut Springs, Hutto, Coleman: Trinity, Bethel, Bangs, Moody, Italy, Avalon, Hico, Fairy, and Kerens. He retired from the active ministry in 1969, and moved to Graham. He and Mrs. Brown became active in First United Methodist Church where he taught a Sunday School Class and participated in other activities until ill health forced him into relative inactivity.

He died on July 20, 1978, in Temple, Texas, and memorial services were conducted in First Church, Graham with Eugene Robertson and Bob Weathers officiating.

He is survived by three daughters: Mrs. Janie E. Lowe of Arlington; Mrs. Geneva E. Ethridge of Lake Worth, and Mrs. Martha Cole of Bangs. Four sons, Travis D. of Rockwall, James W. of Stafford; Brit N. of Anchorage, Alaska; and Otis E. of Houston. Twenty grandchildren and one great grandchild.

Like Enoch, Otis Brown walked with God. The world and many of us are richer because he lived, worked, and died in the faith of the Lord Jesus Christ.

He has now itinerated to the eternal church and he lives in the hearts of those of us who loved him!

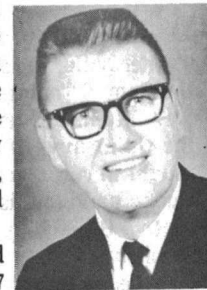

Eugene B. Robertson

James Walton Lane, the son of Mr. and Mrs. W. K. Lane, was born a few moments after midnight on January 1, the first baby born in the new year of 1934 in Ft. Worth, Texas. He was educated in the Ft. Worth public schools and graduated from Northside High School in 1951. He united with First Methodist Church in Ft. Worth and was an Eagle Scout in the church's boy scout troop, receiving the God and Country Award. He was graduated from Southern Methodist University, attended Perkins School of Theology, and graduated from Iliff School of Theology in 1961.

While in high school he attended Glen Lake Methodist Camp and made a decision to enter the ministry of the Methodist Church. In 1957 he was admitted to the Central Texas Conference on trial. He was ordained Deacon in 1958 and ordained Elder in 1961. He was united in marriage to the former Lenda Clardy of Brownwood in 1958 and soon afterwards moved to the Nebraska Conference. While there he was appointed to the Polk-Swede Plain, Brady-Banner, and Hay Springs charges. During the five years that he served the Banner Methodist Church, it received the Nebraska Rural Church of the Year Award for 1964. A lovely new church complete with sanctuary, fellowship hall, and Sunday School wings was built and almost paid for while he was in Hay Springs. In 1967, he returned to Texas for personal reasons and was appointed to the Lamar County Larger Parish in the North Texas Conference. During his ministry in the Central Texas Conference he served the following charges: Watauga, where he was given the Jaycee's Outstanding Citizen Award; Gordon-Santo; Frost-Irene-Mertens; and Newcastle-Crestview-Loving.

Wilford Virless Bane

Wilford Virless Bane was born in Lainville, Rusk County, Texas August 10, 1909. He was one of three sons and a daughter born to William B. and Mary Lou Bane.

After graduating from Rusk High School, he attended Stephen F. Austin State University from which he received his Bachelor of Science Degree. Bane became superintendent of the Ft. Worth East District and then following that, pastor at First, Temple. His final appointment was the Cleburne District which became the Weatherford District while he served it.

Dr. Bane was a long time leader of the Central Texas Conference. He served on many boards and in many high offices. For four years, from 1956 until 1960, he was a member of the General Board of Missions. He was elected delegate to General Conference twice and Jurisdictional Conference four consecutive quadrenniums.

Bro. Bane had an unusual capacity to inspire trust and confidence in the ministers with whom he served. He was a beloved local Pastor. He excelled as a superintendent and faithful shepherd of the district. He was blessed with a wife who was in every sense, a partner and helpmeet in the ministry.

Upon retirement the Banes returned to Arlington to live and to serve. For three years he was again a part of the life of First United Methodist Church until on January 7 after falling on ice covered pavement at his home a few days before, he slipped away in death.

Horace Poteet

Horace Poteet, the eldest son of W. A. and Mattie Poteet, was born on January 6, 1888, near Belton, Texas. He was a graduate of Thomas Arnold High School at Salado and of Southwestern University at Georgetown. He exchanged this physical body for life eternal on March 11, 1979.

He was married to Elizabeth Ulmer on December 22, 1918, in San Angelo, Texas. Three children came to bless their home and marriage.

In 1911 he went to Mexico to teach in the Methodist Mission School at Torreon. He remained there about a year until forced to leave by events surrounding the Pancho Villa led Revolution.

Upon return to the USA, Brother Poteet joined the ranks of the itinerant Methodist Ministry. He was admitted into the Central Texas Conference on Trial in November, 1913, at Temple, Texas, and was admitted into Full Connection in November, 1915, at Corsicana. He was ordained a Deacon by Bishop J. H. McCoy at Hillsboro in November, 1914. He was ordained an Elder by Bishop McCoy at Georgetown in November, 1917. Graveside services and burial was at Lawnhaven Memorial Gardens in San Angelo, Texas.

Brother Poteet had said the theme of his life was contained in the words of the hymn, now this is eternally true.

Ever since, by faith, I saw the stream
Thy flowing wounds supply,
Redeeming love has been my theme,
And shall be till I die.

Then in a nobler, sweeter song,
I'll sing Thy power to save
When this poor lispng, stammering tongue
Lies silent in the grave.

Leonard Radde

Margaret Todd Shugart

Margaret Todd Shugart was born in Cameron, Texas, April 19, 1896. Left an orphan at age five she moved to live with her grandmother in Greenville where she spent her youth and early adult years as an active member of Wesley Methodist Church and especially as a leader in the Epworth League of the district. After graduating with honors from the High School she attended Wesley College on a scholarship and then taught three years in the Greenville Public Schools, later employed for six years as bookkeeper of the Greenville Power and Light Company, continuing active also in youth work through the Epworth League of the district.

In 1926 Margaret was employed as full time secretary with Dr. Umphrey Lee at the newly built Highland Park Methodist Church in Dallas. Her responsibility in this growing congregation led gradually into ever larger areas of service to include bookkeeping, records, counselor of League and student work, assistant in promoting choir activities, helping to establish the work of Hubert Sone as a special missionary of the church. During the depression years with heavy load and limited resources the church staff consisted of Dr. Lee, Dr. L. F. Sensabaugh and Margaret Shugart.

In 1936 at the summer Pastors School at S.M.U. she renewed a friendship that dated back to Wesley Church days in Greenville where Rev. C. O. Shugart, now a widower, had been her pastor. A beautiful romance soon developed, culminating in their marriage on January 15, 1937, and she began a new church relationship as the minister's wife at First Methodist Church in Temple. Together they served in succeeding years these churches: First Church Temple, 4 years; Mexia, 4 years; Graham, 3 years; Meadowbrook, Fort Worth, 3 years. These had been 13 very rewarding and happy years. After retirement they moved to Dallas and he continued seven years as a visiting pastor at Lakewood Methodist Church. Margaret continued in active good works including two years as secretary to District Superintendent Dr. Harrison Baker. They had both renewed their affiliation with Highland Park Methodist Church and in time had developed an Archives and History file for the church. Margaret was preceded in death by her husband April 8, 1974. Her own health began to fail and then rapidly deteriorated until at last her earthly journey ended Thursday night, December 28, 1978.

In her personal notes this statement was found as a testimony: "I feel that I have much to thank God for day by day: memories of a husband whom I admired as well as loved; of a son and daughter and their children who have thought of me always as Mother or "Grand-Margaret"; a life surrounded by religious influences that have strengthened my faith. These are my lasting Blessings."

Survivors are a stepson, Thomas R. Shugart of Houston, a stepdaughter, Mrs. Mary Owens of Jackson, Miss., a brother, C. H. Todd of Shreveport, La., nieces and nephews.

Memorial services were held in Cox Chapel of Highland Park United Methodist Church by this writer, The Rev. Leslie W. Seymour and the Rev. Jim Dorff. Interment was in East Mount Cemetery at Greenville.

Mrs. R. T. Wallace

Florence H. Wallace was born March 1, 1886 at Holland, Texas. She was the daughter of Mr. and Mrs. J. C. Howse.

She attended Southwestern University, Georgetown, Texas. She taught school for several years.

She married Robert Tyler Wallace December 23, 1915. She served in the ministry with her husband for 37 years.

She was a life member of W.S.C.S. (United Methodist Women).

Two children: Mrs. Anita Byrom, Mesquite, Texas, and a son John Tyler Wallace, Aurora, Colorado. Six grand-children and seven great-grand-children.

Mrs. Wallace attended the Belton Church and supported its total ministries during the years of retirement with her husband and after his death. She maintained a spirit of enthusiasm and she was deeply committed to serving her Lord even to the end while she was so ill she could barely move about.

Ellie G. Cantrell

Ellie G. Cantrell was born September 17, 1887 near Montgomery, Alabama (Cellman County). She died on March 31, 1979 in Mineral Wells, Texas. Interment was in Fort Worth on April 2nd.

Mrs. Cantrell came to Texas in 1893 and settled near Hubbard in Hill County. She attended Texas Christian University when it was located in Waco. On September 6, 1905 at the Line Street United Methodist Church in Hillsboro she and Prince E. Cantrell were united in marriage. The marriage was blessed with five daughters, Eddie Waton of Mineral Wells, Geneva Sprinkle, Mary F. Hailey and Ruby E. Kimbrough of Fort Worth, who survive their mother; and Volta Kimbrough who preceded her in death. She was a devoted minister's wife and faithful church worker all her life.

Mrs. Oddie L. Shaw

Mrs. Oddie L. Shaw, the youngest of the late Files and Elizabeth Love, was born in Hammond, Robertson County, Texas, July 16, 1909.

She attended and graduated from the Booker T. Washington High School at Marlin, Texas. After graduating from high school, she attended Prairie View A and M College where she received her first and second degrees.

Early in her youth she joined the Bethlehem Baptist Church where she remained a faithful member by rendering her services as a choir member and Sunday School Class teacher.

In 1927, Mrs. Shaw was united in holy matrimony with the Reverend William L. Shaw. After their marriage, she joined the Methodist Church under the pastorate of her husband. With him she worked faithfully, and at one time or another, served in almost every capacity within the framework and organization of the church that can be named.

She was a productive woman indeed! For many years she helped to mold and shape the lives of girls and boys in and out of Robertson, Ellis and McLennan Counties as a public school servant. She served with honor and praise as an elementary school teacher and efficiently as an elementary school principal for a span of more than thirty years.

To be idle was not one of her characteristics. So, after her retirement from public school work she found her active place among those who serve in the community by way of the EOA Community Center, Council For Better Government, and City, County, State and National Precincts.

She was a woman of smiles, warmth and "doing." She worked in the scenes behind "the doors" to make others happy. These were not the "headlining" acts of the day; rather, they were real quiet-like; needed Christian duties that God complimented and headlined.

She was a devoted, faithful and obedient wife, a super friend, and a devout Christian.

To a mild, sudden and commanding voice, Sister Shaw answered the call of "Come hither" — a promotion that was well earned. Although she was loved by all who knew her, God loved her too and more. Since He is the Master Speaker, she submitted to His call on Wednesday morning about 7:20 a.m., November 8, 1978 at Providence Hospital.

She leaves to mourn her passing a loving and devoted husband, Dr. William L. Shaw; one sister, Mrs. Callie Williams of Los Angeles; one brother, Charles Love of Bremond, Texas, a number of nieces, nephews and a host of friends.

Mrs. Gilberta A. Long Gooden

Mrs. Gilberta A. (Long) Gooden was born May 12, 1907 in Falls County, Texas to Mr. and Mrs. Carlton Long.

On November 26, 1924, she was united in Holy Wedlock to Mrs. Andrew J. Gooden, who preceded her in death. To this union seven children were born.

The family later moved to Waco and united with the St. James United Methodist Church, where she remained a faithful member until health failed her.

On the morning of March 4, 1979 at 4:45 a.m. an Angel of silence called her from labor to reward.

She leaves to cherish her memories; five sons, James, Alton and Dalton, all of Waco, Melvin, Elcerito, Calif., and Milton, Dallas, Texas; two daughters, Mrs. Dorothy Collins, Waco, and Mrs. Lorene Hicks, Waco; two sisters, Mrs. Lillie Locklin, Fort Worth, and Mrs. Rosie Topps, Palmsdale, Calif.; one brother, Mr. Claud Long, Fort Worth, Texas; thirty-five grandchildren; eighteen great-grandchildren, a devoted friend, Mr. George Simmons and many other relatives and friends.

3. This shall not be a mandatory or automatic minimum, but a minimum standard toward which the local church and the Conference work together as indicated below:
Where the local church's pastor's salary is below the Conference minimum the Conference will pay 110% of the supplement paid for 1978 (provided the 110% does not raise the salary above the new minimum). Beyond that the Conference will add one dollar of supplement for each one dollar the local church increases the local pastor's salary up to the minimum salary set by the Conference.
 4. In addition to the above schedule and above limitation of aid, seminary students who are serving pastoral charges and receiving Equitable Salary Supplements, may receive \$1.00 per mile, one way, one time per year, for the distance from the seminary to the pastoral charge.  7. In cases of appointments, or changes of appointments, between the sessions of the Annual Conference, all above requirements are applicable and the District Superintendent shall file a new application for each charge concerned. Such salary supplements, if approved, shall be paid on a pro rata basis for the part of the year actually served.
 8. The District Superintendents shall be responsible for making the program effective in their respective districts, as in all other causes of the Church, and for the collection of the amounts apportioned to the churches in their respective districts and for the rearrangement of pastoral charges, as necessary, to provide that the salary for the pastor to be paid by the charges be not less than \$1,800.00 per year.
 9. Payments on the apportionment of the Churches shall be made at least quarterly to the Treasurer of the Annual Conference. The Commission shall make payments to those receiving the benefits of the Fund at the end of the first three quarters of the Conference year, namely, September 1, December 1, March 1, and payments for the fourth quarter of the year ending May 31st, shall be made on May 15th. All of these quarterly payments shall be made on the same percentage basis as that of which the funds shall come to the hands of the Conference Treasurer, without discrimination in any case, and if receipts of funds by the Conference Treasurer prior to the session of the Annual Conference are not sufficient to meet all commitments, the final settlement for the year shall be made after all remittances have been made to the Conference Treasurer.
 10. A complete financial statement shall be made at each session of the Annual Conference, showing all receipts from the Conference Treasurer during the year, all payments of those receiving the benefits of the Fund, and for all other purposes. This exhibit of receipts and disbursements shall be published each year in the Conference Journal.
- Expenses for work of the Commission, such as stationery, stamps, office supplies, necessary clerical work, etc., shall be allowed from the Fund, and the traveling expenses of the members of the Commission, together with the cost of meals enroute, to all meetings of the Commission except such as are held while the Annual Conference is in session shall be allowed. Traveling expenses shall be paid in accordance with the Standing Rules of the Annual Conference.

Three-fourths of the amount normally payable to those receiving the benefits of the Fund shall be allowed until the meeting of the Commission prior to the session of the Annual Conference, at which time if a sufficient amount of money has been realized from the apportionment, payments for the fourth quarter shall be made not later than May 15th of each year.

Emergency aid shall be limited to those whose total income does not exceed the minimum salary for their classification, and the amount granted shall not exceed ten (10) per cent of their classification.

Committee On Sustentation

Report No. 1

OPERATIONAL PROCEDURE FOR SUSTENTATION

Plan of Operation

1. There shall be a program of sustentation in the Central Texas Conference under the direction and management of the Executive Committee of the Board of Pensions.
This committee will have charge of and promote all the interests of the Sustentation program and shall be the determining factor in the final approval of any candidate for participation in this program.
2. We recommend that the amount of sustentation granted to an applicant shall be the amount of the current minimum salary.
3. We recommend further that the following shall be eligible for participation:
 1. All ministers of the Central Texas Conference who have been admitted on trial, or have been received into full connection, provided they have not reached the age of voluntary retirement, which is sixty-five (65) years of age.
 2. An approved supply pastor who shall have rendered not less than ten (10) years of full-time approved service as pastor of a charge in the Central Texas Conference.
 3. Any Minister, meeting the above requirements, who is relieved of his pastoral duties and granted a leave of absence from his charge by the Bishop and Cabinet any Conference year for physical or psychological reasons shall be eligible for sustentation for the portion of the year that remains until the next meeting of the Annual Conference.
4. We recommend the following procedure:
 1. The applicant shall make his desire known, in writing, to the Committee on Sustentation.
 2. The applicant must submit to a complete examination of the Clinic of The Harris Hospital in Fort Worth, Texas and the Certificate of Disability must be completed by the examining physician. Emphasis shall be placed upon question number eight (8) of the Certificate of Disability which asks: "Do you unreservedly feel that one year leave of absence would be conducive to restoration of health so that the claimant might continue in an effective ministry?"
 3. In extreme emergencies, the Committee will consider the diagnosis and recommendations of a duly qualified physician, but not the claimant's personal physician.
 4. When the applicant is approved by the Committee, the name of the applicant shall be submitted to the Committee on Conference Relations with a request that a leave of absence be granted for a period of one year. With the approval of the Committee on Conference Relations and the favorable action of the Annual Conference, the applicant shall be eligible for the benefits of this program.
 5. We unreservedly recommend that no person be eligible for sustentation funds for a period exceeding twelve (12) months running consecutively.
 6. All payments shall be made to the claimant monthly.
5. We recommend the following financial plan:
 1. The Committee shall be given authority to draw upon the Operating Reserve Fund of the Central Texas Conference such amounts as are necessary during any given Conference Year to meet the needs of the applicants in accordance with the above suggested practice.
 2. After the amount expended during a Conference Year has been determined, the Committee on Sustentation will make a request to the Council on Finance and Administration for the inclusion of that amount in the Conference Budget for the ensuing year. This procedure will be most practical for there is no way to actually determine the full amount which will be needed in any Conference Year, and if the plan is followed, there will be no possibility of having surplus or deficiencies in the money available for the Sustentation Committee.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS
FOR THE YEAR ENDED DECEMBER 31, 1978
TOGETHER WITH AUDITOR'S REPORT

CLAY & WILSON
CERTIFIED PUBLIC ACCOUNTANTS

March 26, 1979

Members of the Commission on World Service and Finance
CENTRAL TEXAS CONFERENCE of the UNITED METHODIST CHURCH
Fort Worth, Texas

We have examined the Summary of Cash Receipts and Disbursements of Dr. J. W. Sprinkle, Secretary-Treasurer, Central Texas Conference of the United Methodist Church, for the year ended December 31, 1978. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Central Texas Conference's policy is to prepare this summary on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present results of operations in conformity with generally accepted accounting principles, since such accounting principles require the accrual of income and expenses.

The Supplementary Information included in this report is presented for information only, since the status of these items are of interest to the readers of this report in conjunction with the various funds to which they are related. However, the scope of our examination was limited to a review on auditing procedures with regard to the Supplementary Information except to confirm the balances shown.

In our opinion, the accompanying Summary of Cash Receipts and Disbursements referred to above present fairly the recorded cash receipts and disbursements of the Conference Treasurer for the year then ended, on the basis described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.
