CONFERENCE CORE TEAM REPORT

DAVID ALEXANDER

Bishop Lowry introduced Rev. David Alexander, who explained the purpose of the Core Team which is to implement the Exodus Project goals.

Leadership Development – we face a leadership crisis because we have failed to reach emerging generations. It is not simply providing warm bodies. It is the intentional development of new leaders. New leaders cannot be ill prepared to fulfill new roles. Clergy development includes formal training, coaching & mentoring and experiences. Growth happens in relationships and every leader needs experiences. Experiences lead to the most growth 70%, coaching & mentoring 20%, and formal training 10%.

Focusing disproportionately with the local church – “the coalition of the willing”.

Continue to invest - moving from a top down focus to the local church needs. Thinking in new ways.

Action Items: Split the work of the Bishop between the episcopal office and the Center for Leadership, Jeff Roper.

David Alexander placed this action before Bishop Lowry. (Page 34, line 16.)

JEFF ROPER & GEORGIA ADAMSON

Roberts Center for Leadership is the official name of the CTC center for leadership, which was dedicated in January 2016. Dr. Adamson asked all to turn to the lavender sheet and directed all to page 1. TUMCA was requested to be dropped and passed. Because universities and scholarships were already honored we would honor the first half of the year for 2016. She explained the process as it currently stands (page 1). Dr. Adamson then explained that (side 2) are the proposed changes and explained in detail how that would work. The second change is on the third bullet: what is currently approved is that the person may be required to work for the CTC for a specified period of time to be determined by the amount of the scholarship or have to repay the funds.

The motion to approve the changes explained on the lavender sheet was presented by Dr. Adamson. The motion passed.

Dr. Adamson then introduced Jeff Roper who shared that Leadership is critical to any organization and vital to the growth of the church, explaining that it takes both clergy and lay. Clergy development is not accomplished by training and seminars to develop leadership in our clergy. The focus will be on experiences & coaching/mentoring to develop effective leaders. Each individual will have a unique development plan that their DS will assist each clergy with. The clergy person must own their development plan. There will be pilot programs in place in each district with a limited number of clergy to begin with. Learning Agility the willingness to learn from each experience and to apply what you learn to new experiences.

- People agility: self-awareness-critically access your strengths and development needs. We all think we are above average!
- Communicate effectively with people
- Change ability: Not just the ability to change yourself but to lead others thru change
- Mental ability:
- Results ability: take all the challenges and still get things done
- Five Key Areas for Clergy Growth
- Emotional intelligence: self-awareness
- Giving and receiving feedback: critical
- Preaching Skills:
- Stress Management: self-health/mental health/spiritual health
- Staffing and Supervision: building an effective team
- Training will be offered and should be considered depending upon clergy's development needs.

Clergy Leadership Development: over 50 active elders in full connection are 60-72 years of age. Average retirement age from 2011-2016 is 64.9 years. Tells us that in 4-5 years at most all of the 50 plus clergy will be retired. A lot of leadership change is coming. We must stress leadership development.

Lay leadership development: Vital Leadership Academy– new or emerging leaders should consider this for developing new leaders. Four retreats, small groups and spiritual practices.

- Discovery: gifts inventory
- Development: how to be a leader
- Direction: UM structure, connection, resources
- Deploy: how to move forward, manage conflict
- A short video was shown on Vital Leadership Academy for all lay leaders.

D

Rev. Joseph Nader shared that helping young people balance long term thinking with short term decisions has prepared them for planning for the future church. Campus Ministry focusing on raising up a new generation of leaders for the church. A Long Obedience in the Same Direction by Peterson. The easy button and magic bullet are not the solution for our age gap. Create, prepare and send new disciples into the world. New to Campus Ministry this year: Paul Massengill –TCU; Zach Linger-Weatherford; Meredith Bell – Navarro College.

Ways to help Campus Ministry: connect your students to campus ministry, call your local campus ministry and get to know their ministry, when students are coming out of the campus and back out into the world, put them in places of leadership.

In spite of tremendous growth the church is shrinking in size. The challenge is we must continue to start new places for new people. Jarrod Johnson is currently at FUMC Arlington and will be beginning Path One at Union Coffee in Dallas. A unique and different way to do church and new ways to reach out to those in our communities. We also need to look at transformation in our established congregations. Helping them become more vital. Central Texas Conference Journal 2016

to repeal the Death Penalty in Texas on Page 188 of the preliminary report. The resolution is brought and the Bishop invited those who wish to speak on it. Bishop Lowry recognized the following to speak against the resolution: *Rex Hooten- Lay from Pidcoke UMC* - We should extend forgiveness but believes repeat offenders should be punished for violent crimes. *Velma Riddle – Lay from Gatesville* – Staying in prison is inhumane versus the death penalty. Conditions are bad. No closure the family of victims. Cost of keeping in prison/building more prisons. Use these resources to educate and save from going to prison.

Bishop Lowry then recognized the following to speak in favor of the resolution: *Gordon Johnson – Clergy- Retired Deacon* - Has a son serving life in prison for committing murder. His son is suffering the consequences of his actions. As Christians we believe in forgiveness. He appealed to our Christian charity hoping and praying that their spiritual life would be turned around. *Robert Flowers – Clergy- Grace/River Oaks* - Statistics show that the death penalty is part of a flawed system with many being wrongfully accused and the myth about the cost of maintaining versus exterminating is not founded. *Starr Bowen – Clergy Gordon/Santo* – The resolution is consistent with our Discipline. "Paragraph 164G of the Discipline. "The UMC opposes the death penalty."

Bishop Lowry then recognized the following to speak neither for nor against the resolution: *Joy Fattori Clergy TDCJ Extension Ministry* – The compassion of Christ should be extended. Bishop Lowry called Joy out of order.

Bishop Lowry then called for a standing vote on the Death Penalty resolution. The vote carried and was passed at 4:48pm.

Dr. Wild presented the remaining consent report. Bishop Lowry called for a vote. The vote carried and was passed.

CENTER FOR MISSION SUPPORT

DR. CHRIS HAYES

Bishop Lowry invited Chris Hayes to come forward. Dr. Hayes shared a sampling of the work of the Center for Mission Support. The goal is to equip the local church to do everything that you can to be the hands and feet of the local church. Kaitlyn Franz of FUMC Joshua, a CTC Serve intern shared the following statistic; 17% of people suffer from food insecurity. Hunger is a problem that can be eradicated. In one day CTC served 930 grocery bags this last year. Sept 11, 2016 will be this coming years "One Day Served". With people rather than for people. Kaitlyn invited the churches to register online to participate in eliminating hunger. Chris then stated that we have also experienced disasters this last year and each one has been addressed by our Disaster Response Team.

He invited Rev. Laraine Waughtal to share how we have assisted. She reminded all that we **ARE** UMCOR and thanked all for their service to make UMCOR work. She shared a video on Ovilla UMC (Joel Robbins) and Taylor UMC. The day after Thanksgiving a tornado raged thru North Texas that affected a large area of Ellis County. Taylor, Texas had flood over Memorial Day weekend. The small congregation at Tenth Street (Travis Summerlin) alongside UMCOR stepped up to the plate to meet the immediate needs of all of those affected with hands on help. Bishop Lowry stated that sometimes we miss the benefit of Connectional Giving and how it impacts all of us. Laraine reminded us that these are just two stories among many. There are still 3 other long term recoveries going on: flooding in progress right now. She referred all to Page 97 of the preliminary report for more details. We are partnering with an Indian conference to help them learn to better serve the people with needs outside our area. "Volunteers in Mission Training" is offered to all of our Conference. She congratulated all individuals and churches who have served UMCOR. Dr. Hayes gave God thanks for how we have been able to serve.

Jenna Reinke shared her appreciation for all that the CTC does to support the youth leaders of the conference, and updated what they do. All Youth Directors want the CTC to know: "We want to be co-creators of ministry with you, to empower the youth of our church" A short video was shown of the Mission Trip to Tanzania, Africa.

Patrick Turkett shared about a young adult Mission Trip to Waco, with the Texas the Missional Wisdom Foundation. They repaired a cottage. Dr. Hayes gave thanks for all the ways the youth contribute to the church.

Chris asked Bishop Lowry to share some details regarding the new ministry of Project Transformation. Three seeds: Children – Churches – connecting them with their local community – College Young Adults – leadership training, career

support and ministry exploration. Rev. Philip Rhodes shared how many clergy met to begin the work of this task force. He introduced to the CTC Julie Harding the new Executive director of Project Transformation. The mission ([SEE CTC WEBSITE](#)). She invited all to pray for those involved in this project and to support thru financial contributions. She thanked all for their support.

Dr. Hayes introduced a new program “Coaching for Children.” Amber Massingill expressed what an honor it has been to serve the CTC over the last year. **Faith Formation** among youth and adults is happening out there, where young people are in social gathering places. She shared a short video highlighting how they are shaping the lives of young children, taking them deeper into their faith. 21 churches are currently involved in this program setting forth a model of what we are called to do for our children.

Dr. Hayes reminded us that there are so many good programs for us to put into place to equip the local church. He encouraged all to use the resources to effectively show the love of Jesus Christ in our world.

He then introduced Glen Lake Camp's new Executive Director, Natalie Davidson. Natalie thanked all for inviting her to the CTC. She asked us to continue to partner with Glen Lake, come by their booth and visit and get to know each other. She shared a video showing highlights and options of ways to utilize the camp for different groups. We celebrate 77 years we have been in partnership.

Dr. Hayes introduced Molly Simpson, Director of Global Missions? She honored the 55 churches that completed their commitment and asked all members of those churches to stand. They were recognized individually, as well as those churches who contributed in other ways.

Dr. Hayes reminded us that we are to love the Lord your God and to Love your neighbor as yourself. So many of our churches are loving their neighbor as they love themselves through their generous giving.

Dawne Philips and Bishop Lowry celebrated the 5 star mission churches by presenting them a banner identifying them as a missional church. They meet the following:

- Pay 100% of connectional giving
- Develop a relationship with Methodist missionaries

morning, and then moved for the adoption of the report as a whole. Bishop Lowry presented for vote. The motion was approved. Bishop Lowry acknowledged Dr. Randy Wild and his supervision over all of these programs. He then released us to break.

COUNCIL ON FINANCE & ADMINISTRATION JOHN MCKELLAR

D Bishop Lowry called us to order with “Lord of All” music at 10:15am. Bishop Lowry invited Dr. John Keller of Council on Finance & Administration, who opened us in prayer.

Dr. McKellar presented the CF&A report (which was found on page 112 of the preliminary report) along with the updated 2017 budget that was presented on Monday. He reported that we are in good financial shape, enjoying our new offices at TWU, increased our monthly reserve funds and permanent reserve funds and CF&A has received accolades regarding our missions as a leading conference in the SCJ.

Two items to look at: our continued sponsoring of ESL classrooms at Lydia Patterson Institute in El Paso. Dr. Socorro Brito deAnda, President was introduced and reported that by the end of the summer they will be updated with the latest technology. 91 seniors graduated and 91 have been accepted to a college and university. 1.7 million in scholarships for a class of 91 students. She recognized Fort Worth FUMC, Hurst, Arlington FUMC and Meadowbrook UMC for their generosity and she shared a video highlighting the outstanding education that the institute provides.

Dr. Randy Wild shared that he visited the institute and has experienced the difference this makes in the life of child. Dr. Wild’s wife, Katy will be our representative to the Lydia Patterson Institute, appointed by Bishop Lowry. Dr. Wild encouraged all to give to this worthy cause by doing the following:

- Show the video that we viewed at their admin board meeting.
- Come up with an amount that they could give
- How will you raise the funds that you pledged?

Dr, McKellar directed all to the 2017 Budget. Conversations and questions have already taken place during the Q&A on Monday afternoon, Dr. McKellar then motioned for the 2017 Budget to be approved, allowing for changes that may need to be made due to Jurisdictional Conference in July. The motion was voted upon and passed at 10:36am.

Dr. McKellar recognized all members of CFA and conference staff that supports the CFA. And he thanked Dr. Wild for his leadership. We had a 96.65% of pay out of apportionments from our annual conference and he expressed a special thank you to the Central and South districts for their 100% pay out. Dr. Wild

Central Texas Conference Journal 2016

recognized Dr. John McKellar for his service in leading this conference. "We owe him a huge debt of gratitude for his years of service."

BOARD OF PENSION REPORT FRANK BRIGGS

Bishop Lowry invited Frank Briggs to bring his report. Frank Briggs directed all to the beginning of the report found on page 129 of the preliminary report. The two items to be reviewed are as follows: first report #7 – CPP on page 137. Frank Briggs Moved for adoption of report #7, motion was presented and passed. He then presented report #8 – benefit funding plan found on page 138. Frank explained that we carefully reviewed were the needs of all of the participants and the needs of the all local churches. The recommendation is to allow the current HealthFlex Exchange 2016 plan to remain in place for 2017 with the addition of a Bronze Plan. Frank then directed them to the handout that details the benefits of maintaining the plan currently in place. He then shared that some conferences have moved to a public insurance plan that resulted in increases in the individual premiums. A chart was shared that showed our clergy did their homework and chose the plan that best suited their individual needs.

Frank Briggs then moved for adoption of report #8. Bishop Lowry directed all to the printout titled CTC 2017 Comprehensive Benefit Funding Plan Summary. He asked that the delegates pass this sheet on to the treasurer and the PPR chair for their review. The applications for the family coverage waiver pilot program are due no later than September 15, 2016. Rev. Randy Scrivener asked the question as whether we know if there would be room for more than 10 churches wanting to participate in the pilot would be able to accommodate them.

Dr Randy Wild indicated that we have no sense of how many churches and/or pastors may want to take advantage of the pilot program.

Bishop Lowry opened the floor for discussion. *Rev. Rudy Rudewick - Godley* expressed his appreciation for the hard work the conference does in this arena. Bishop Lowry ruled Rudy's speech in favor of the motion.

Clint Jones – Hurst FUMC asked whether the waiver would have any implications to our plan as a whole. Randy Wild indicated that removing the 10 churches would not affect our overall plan that is currently in place.

Steve Holston – Ennis FUMC stated he has some experience in this matter. His family was unable to renew due to severe time crush with the government plan versus our conference plan. The PPO groups were no longer offered in Ellis County, which eliminated some children who could be included in the plan. This would have forced the use of three different insurance plans and still no participating doctors. Bishop Lowry ruled Steve Holston in favor.

Rev. Harvey Ozmer called for the question, it was seconded and approved.

Central Texas Conference Journal 2016

Frank Briggs addressed all concerns and assured all that the goal is to provide the best coverage possible for the body as a whole.

A motion was called to vote by Bishop Lowry, the motion was carried.

Frank Briggs recognized all of the conference board members, Shawn-Marie Riley and Dr. Randy Wild for all of their hard work.

INTERACTIVE QUESTION #5

BISHOP MIKE LOWRY

Bishop Lowry instructed us to question each other: "What are some of the barriers that keep you from sharing you faith?" To share with our neighbor the answer for one minute and then to switch.

Bishop Lowry released the body for a 15 min break from to reconvene at 11:45am.

GENERAL & JURISDICTIONAL REPORTS

TIM BRUSTER

Bishop Lowry reconvened the body at 11:45am. Don led us in music "Blessed Assurance". Bishop then introduced Tim Bruster FUMC Fort Worth who led the body in prayer. He expressed gratitude on behalf of the delegation for the honor of being our representatives at General and Jurisdictional conference. He showed slides of those serving at both conferences. He recognized those who attended General conference as well to be a part of conversations and to witness. He shared a slide presentation with the conference that included: Delegation values that guide our work, etc.; Theme for General was "Therefore Go" Matt 28:19-20. Tim explained that the General Conference body made up of 864 global delegates and that Bishop Lowry chaired one of the sessions at General Conference. Items that were covered at General Conference were, Human Sexuality as Rule 44 – after much debate the general conference rejected this rule. Then Rule 33 Consent Calendar – usually low opposition to the committee recommendation.

Tom Harkrider – Lay Leader presented some of the items that were included on the Rule 33: Approved sustainable investments; Rejected to divest from fossil fuels; Approved 5 more bishops for Africa; Updated resolution to welcome newly arriving immigrants; Announced a health initiative to reach one million children thru; Abundant Health, our Promise to Children; Raise awareness caused by sports teams using symbols regarding Native Americans; Approved a budget for the next quad; Learned about UMC Korean; Forged new relations with Arabian church; Authorized a new hymnal revision committee; Elected members to judicial council ; Tim Bruster was elected to serve; Sent out missionaries from 11 countries to serve in 16 different lands. In addition to which the following items were approved as they related to the following: Powerful worship and great sermons; Celebrated Recalled and lamented the Sand Creek Massacre.

Central Texas Conference Journal 2016

At this time Tom turned the microphone back to Tim Bruster who reminded us that people feel pain and demonstrated over the issue of human sexuality. The young people's conference called all Methodists to unity and grace. "Finding a Way Forward", the Bishop's Council video was played for the CTC body. Tim reminded us on page 189 we will find more information.

We have received two petitions before us. "A Resolution towards Gracefully Living Together in the Central Texas Conference" and one to be put on our tables during the lunch break. Due to time restraints and pre planned lunch meetings, Bishop Lowry instructed us that we will continue the discussion and reports after we return from lunch break. Kim Simpson has been elected to serve as Secretary for Jurisdictional Conference.

ADJOURNED FOR LUNCH

Randy Wild made announcements. Bishop Lowry confirmed that we did take the vote for the insurance. Dr. Wild prayed us out.

BUSINESS SESSION 6

WEDNESDAY AFTERNOON, JUNE 8, 2016

Bishop Lowry asked for everyone to be seated at 2:00pm with music provided by Don "This Little Light of Mine". Afternoon was then called to order at 2:06pm. Bishop Lowry asked Laraine Waughtal to come forward where she shared that Cokesbury will be donating 60-80 bibles. She reminded us to be sure to thank Cokesbury for the wonderful gift.

Sela Finau was introduced and explained that her upcoming move to a new church is now forcing her to put her trust not in herself but in God. She then sang "Blessed Assurance" in their native tongue inviting all to sing along in English. Sela opened us in prayer in her native tongue and translated to English for the benefit of the CTC body.

Bishop Lowry turned our attention to finishing the Reports of the General & Jurisdictional conferences and "A Resolution Towards Gracefully Living Together in the CTC" and "A Resolution Upholding the Discipline". A motion was made by Reed Justus Retired Clergy to suspend the rules and was seconded. Bishop Lowry instructed the body that a vote must be taken to suspend the rules to consider both petitions and carried by no less than 2/3 of the body.

Bishop Lowry announced that the standing vote was taken and the motion was laid aside.

David Alexander FUMC Mansfield questioned the laying aside of both motions. Bishop Lowry checked with the Parliamentarian regarding setting aside BOTH motions. Page 163 of the Preliminary Report states we need 60 days. *Doug Boston – Lay Colleyville* An extension was not implemented. Called for those who might abstain. *Chris Hayes – Clergy- Keller UMC* - Why were both motions taken together? Chris moved that the two motions be separated and considered

Central Texas Conference Journal 2016

individually. Bishop Lowry recognized *Rev. David Adkins – Retired Clergy* asked about Chris's motion and if he voted in the positive or the negative.

Bishop coached Chris that he (Bishop) was in error, it was not reconsideration, whereby Chris moved that the two items listed above be considered separate. The motion to separate the two motions was brought to a vote. A standing vote was taken and carried. *Darren Walker – Clergy - FUMC Belton* asked a question to clarify if each motion would then be voted on separately and was instructed by Bishop that was in fact correct. Kim Simpson Lay Leader for the CTC motioned to suspend the rules. The motion was seconded. The Bishop clarified due to some confusion as to what they were voting on so the Bishop cancelled the previous vote and another vote was taken regarding a suspension on the rules on Document 1 "A RESOLUTION TOWARDS GRACEFULLY LIVING TOGETHER IN THE CTC". (Requires a 2/3 majority only.) The motion was carried and the rules are suspended for Document 1.

Dr. Tim Bruster presented the first of the two Resolutions to the body. He stated it comes to us from our Delegation. The intent is to support the work of our Council of Bishops. He referred all to the document (third whereas) and read the last two paragraphs of the document to the body. What the delegation is doing is asking the annual conference to join in living in grace.

Jim Connor – asked to clarify if this issue is properly before us for vote. Point of question – does not understand the full issues. What are the practical implications of the document? Dr. Bruster stated it is our commitment to honor how we will live together.

FOR Mary Spradlin – served as a delegate and found the talks to be thoughtful, deep. She urged to vote for the resolution above all *grace*.

AGAINST Randy Scrivener – Concern about how there is no question about how we would live in grace and peace with each other.

FOR Madeline Welch – East District Youth Delegate Keller – We are called to live in grace and mercy but not called to agree with everyone. Please vote in favor so that we may all live together.

AGAINST Robert Warden–US Army Chaplain found the wording confusing. He is concerned with what it implies. What is meaning of the word "unity" as it appears within the document? It is what it doesn't say that concerns me.

FOR Megan Hale – Deaconess She feels that the language is harsh and not what she was brought up to believe the UMC stands for.

AGAINST Chris Spence – Laity –Georgetown feels confused and if things have not been explained fully. He thinks we should wait for the vote.

INQUIRY Clay Sawyer – Waco FUMC. Ruled out of order by Bishop Lowry.

POINT OF ORDER - Daniel So - Confused about the issue at hand.

Central Texas Conference Journal 2016

INQUIRY Louis Carr – Clergy -Harvest UMC Is it now time for Tim to share the final speech?

Carl Harkins Genesis called the question. Motion passed.

Dr. Tim Bruster responded to Mr. Spence that somehow the notion that we cannot trust one another and work in grace with each other. Unity does not mean unanimity. We do not have to be unanimous in all things. The truth is we have never been unanimous but we are united. The effect of the resolution does not have the effect of church law. We cannot call the people to act in any way to disregard the Discipline. He urged all to vote for the Resolution #1. The motion for Resolution #1 was taken by standing vote. The motion was passed.

Bishop Lowry directed all to the Resolution #2 “A Resolution Upholding the Discipline”. He instructed all to set other motion aside. Rev. Reed Justus motioned to suspend the rules and it was seconded. The motion to suspend the rules was denied and it was set aside. Bishop Lowry thanked Rev. Bruce Carpenter for bringing the Resolution #2 to our attention.

Discussion ensued, questions were asked and answered.

#8 Mary Spradlin – Clergy – Arlington FUMC If we don't have the proper signage for the Open Carry law how would designate the campus as required by the State of Texas. The local church sets their own policy at events on their campus. The Conference events will remain weapon free.

Laura – Lay -Salado UMC They prohibited open carry but not concealed carry. Does this eliminate the local church from hosting Conference events if we carry? Answer: Yes, the local church has some discretion if there will be children and youth involved the conference may intervene.

PART II PERTAINING TO ORDAINED AND LICENSED CLERGY

(Note: A (v) notation following a question in this section signifies that the action or election requires a majority vote of the clergy session of the annual conference. If an action requires more than a simple majority, the notation (v 2/3) or (v 3/4) signifies that a two-thirds or three-fourths majority vote is required. Indicate credential of persons in Part II: FD, FE, PD, PE, and AM when requested.)

17. Are all the clergy members of the conference blameless in their life and official administration (¶¶604.4, 605.7)? Yes, except those being reviewed by the appropriate bodies.

Central Texas Conference Journal 2016

Yes, to the best of our knowledge, with the exception of those who are involved in supervisory correction and/or Judicial or Administrative complaint processes. We, the bishop, conference lay leader, and cabinet members, take very seriously the call to moral excellence in the lives of pastors and conference leaders. We offer our signatures to answer this question, knowing that only by the grace of God can any of us be blameless in our life and official administration.

CONFERENCE CORE TEAM

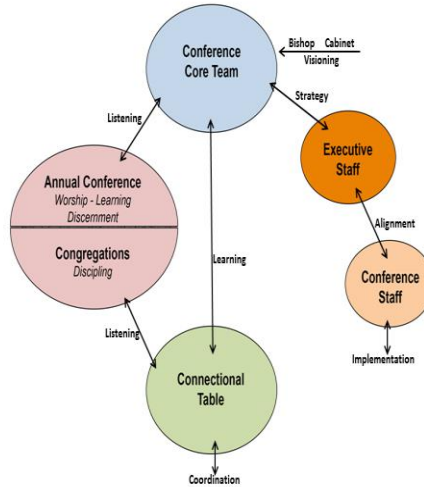

BISHOP MIKE LOWRY, CHAIRPERSON

WHAT DOES THE CONFERENCE CORE TEAM DO?

The Conference Core Team is charged with ensuring the work of the conference aligns with its mission, vision, values and core strategies. From a broad perspective, the Core Team reviews the conference budget, the deployment of resources, major policy issues and direction, and the outcomes produced by the three conference centers. In addition, the team leads long-range planning. The Core Team creates a culture of accountability against outcomes and directions laid out by the Annual Conference and the *Exodus Project: A Transformational*

Energizing & Equipping Local Churches to make

Disciples of Jesus Christ for the Transformation of the World

Roadmap for a Church in Transition and makes sure we are faithful to the *Book of Discipline* and the guiding principles of the Central Texas Annual Conference. It reviews and gives feedback to the Bishop and Executive Directors about any matters they wish to process with the group.

The 2015 Annual Conference directed the Core Team and Cabinet to review the findings from the Exodus Project evaluation and focus on key areas that have the potential to significantly leverage the changes laid out by the Exodus Project. The Cabinet and Core Team were instructed not only to identify next steps but to move forward in implementation. In the retreat led by Mike Bonem on June 17, 2015, both Cabinet and Core Team chose three of the seven recommendations from the Exodus evaluation around which to concentrate their efforts:

Central Texas Conference Journal 2016

1. Invest in leadership development.
2. Focus disproportionately on “selected” churches.
3. Develop a new process to guide programming decisions.

For the Roberts Center for Leadership, the need for improved clergy leadership development was seen as a critical driver for the future of the conference, due to the following:

- A high number of expected retirements over the next five to 10 years.
- Cabinet / Conference Center turnover expected over the next few years.
- A recognition that strong clergy leadership is a foundational element in the fruitfulness of a local church.

As a center we continued to strategize over the next three months how best to leverage this area of ministry. Earlier work we had done was expanded and presented to the Core/Cabinet Team in October.

G At the October 4, 2015 joint Core Team and Cabinet workshop, the Core Team asked Jeff Roper to lead a Task Force of the Core Team/Cabinet to develop an approach to clergy leadership development. On December 13, 2015, the Task Force presented a recommended approach. The process is ongoing and will be implemented throughout 2016 and 2017. When fully implemented, the approach will address:

- Clergy development plans, including coaching / mentoring to develop skills.
- A focus on clergy experiences as a key element of development plans.
- An intentional effort to ensure that clergy have developed their spiritual network.

Further, on December 13, 2015 (after the two previous joint meetings on June 17 and October 4), the Conference Core Team and Cabinet voted unanimously to ask Jeff Roper to leave the Core Team and join the staff of the Roberts Center for Leadership, as part-time Associate Executive Director. His role would focus on implementing the new emphasis and approach discussed with the Core Team and Cabinet. The Core Team and Cabinet also voted unanimously to recommend to the 2016 Annual Conference separating the executive director of the Roberts Center for Leadership position from the assistant to bishop functions, and creating a clergy assistant to bishop position. Both positions would remain cabinet level functions with Bishop Lowry as the supervisor. This would take effect immediately following the close of the 2016 annual conference. Bishop Lowry indicated he would continue Dr. Adamson in the assistant to bishop role until July 1, 2017. Jeff Roper would move from part-time associate executive director to part-time executive director of Roberts Center for Leadership. These changes are budget neutral to the 2016-2017 budget.

At its April 3, 2016 meeting, the Core Team reviewed and *approved* updates to Guiding Principles and Best Practices, corrections and updates to Annual

Central Texas Conference Journal 2016

Conference Organization, as well as some changes to specific Policies and Procedures of the Annual Conference. See other action items listed below. (see Guiding Principles & Best Practices on page 365.)

The Core Team met four times since Annual Conference June 2015 as a joint Core/Cabinet team to respond and take next steps in the Exodus Process. Additionally three task groups have met multiple times to continue the work on specific leverage points identified from the joint task force as well as other Core Team business:

1. Leadership development
2. Working with selective churches
3. Programming vs. resourcing

Recommendation requiring vote:

1. The Core Team and Cabinet voted (unanimously on December 13, 2015) to request the 2016 Annual Conference separate the executive director of the Roberts Center for Leadership position from the assistant to bishop functions, and create an assistant to bishop conference position. Both positions (assistant to bishop and part-time executive director of Roberts Center for Leadership) would remain cabinet level functions with Bishop Lowry as the supervisor. This would take effect immediately following the close of the 2016 annual conference. These actions are budget neutral to the 2016-2017 conference budget.

Bishop Lowry stated he would continue Dr. Adamson in the assistant to bishop role until July 1, 2017. Jeff Roper would move from part-time associate executive director to part-time executive director of Roberts Center for Leadership.

Additional work done:

1. The Core Team continued to receive updates from Dr. Randy Wild and executive staff concerning the progress of our new Conference Service Center (located at Texas Wesleyan University) and the relocation plans (packing, moving off site and eventually into the new facility) April 2015-August 2015. Open house held January 10, 2016. While difficult and stress-filled for all involved, it was a remarkably smooth transition.
2. The Core Team has reviewed the 2015 end of year financials. They also heard a report from the finance task force named by Bishop Lowry to strategize about further review and alignment of the 2017 budget towards our mission. With that information in mind they reviewed and affirmed the preliminary 2017 budget.
3. The Core Team met June 17, 2015 as a daylong retreat to begin work with Mike Bonem in next steps and strategy toward effective implementation of the Exodus Process, the next steps to the Exodus Project: A Transformational Roadmap for a Church in Transition, based on the recommendations of the formal evaluation. Both groups were charged with not only responding to the report but implementation of next steps. We now

Central Texas Conference Journal 2016

refer to on-going work as the Exodus Process (additional meetings October 4, December 13 and April 3, 2016).

4. The Roberts Center for Leadership shared plans on December 13th to bring a part-time executive director on staff to assist the current Executive Director with efforts in five areas: Conference Lay Ministry Team & Lay Leadership Development; Campus Ministry & Higher Education; Conference Nominations and Leadership Development; Clergy Leadership Development; and Roberts Center staff supervision. Jeff Roper began his work Jan. 1, 2016 and will introduce new plans throughout 2016-2017 conference year. We have prioritized use of his time around clergy leadership development as discussed above. Core Team unanimously affirmed this action.
5. The Core Team recommended separating the assistant to bishop and executive director of the Roberts Center for Leadership roles effective June 15, 2016. CTC has had the name (assistant to bishop) and functions but not the official position of assistant to bishop. This position would remain a cabinet level position and answer directly to the bishop. Change to this position is included in the 2016-2017 budget and is budget neutral. The assistant to bishop would serve as support and resource for: the bishop, CTC cabinet, Board of Ordained Ministry, Conference Core Team, Episcopacy Committee, Conference executive staff, Conference Communications/IT Team, carry the portfolio for complaints, work with the bishop and annual conference planning team to develop the agenda and coordinate guest preachers/teachers, work with recruitment, transfers, and leadership development issues, work closely with executive directors of the centers, as well as any special projects assigned by the bishop. The Core Team unanimously agreed.
6. The Core Team also heard discussion from a Task Force to address the need to focus on selected churches, including a general framework. The approach includes input from Center Executive Directors as well as District Superintendents. We will be developing and piloting this approach in 2016.
7. The Core Team has had discussion about the concepts of resourcing versus programming, including discussions of which types of programming and resourcing should be provided by the Conference Center. While this discussion continues, the Core Team has discussed that wording (resourcing v. programming) is not as relevant as good execution of the following:
 - a. Communication / coordination to avoid duplication of efforts.
 - b. Communication to churches to educate people on resources that are available, including feedback on local church needs.
 - c. A formal process to evaluate programs/resources to determine if they should be maintained, expanded, or stopped.
8. The Roberts Center for Leadership presented a PowerPoint on Inclusiveness in CTC appointments and leadership. Each year we review how we are doing. Core Team recommended this information be shared at annual conference and with our delegation.

Central Texas Conference Journal 2016

9. The Center for Mission Support has introduced a proposal to continue the movement to expand our Inclusiveness Umbrella Team (see *report on page 267) begun in the restructure and to expand representation on the Connectional Table. Core Team voted approval.
10. The Core team worked with Bishop Lowry to name the 2016 Annual Conference Planning Task Force. Annual Conference will be held at Waco June 5-8, 2016.
11. The Core Team recommended a formal evaluation of the next phase of the Exodus Project progress be done after the close of annual conference 2020 and results reported along with recommendations to the 2021 annual conference. We also request that funds for the evaluation be included in the 2020 and 2021 budgets. This was approved last year and appears here as a reminder.
12. The Core Team has received a report of the 2014 and 2015 Jubilee Year's membership loss; in 2014 we lost 13,273 people, and in 2015 we lost 7,143, for an approximate total of 20,416. This is a significant step in correcting our membership rolls.
13. Core Team heard recommendations from Dr. Randy Wild regarding 2017 & 2018 annual conference locations. Core Team recommends location for 2017 be First UMC Mansfield and 2018 Waco Convention Center.

Core Team affirmed the bishop's choice of the Methodist Children's Home as the 2016 annual conference offering.

CABINET REPORT

DR. BOB HOLLOWAY, DEAN OF THE CTC CABINET

The Central Texas Conference Cabinet continues to work together to live out the conference mission of energizing and equipping local churches to make disciples of Jesus Christ for the transformation of the world. In doing so, we follow Bishop Lowry's lead in recognizing Christ as the center of all that we do – most especially when approaching our focus areas of leadership development and local congregations. These comprise what we call the “big three” for the Cabinet. Our work this year on these “big three” has resulted in a year in which learning has been key and our foci on leadership development and the local congregation has been both increased and intentional.

As part of our learning together, we have collaborated with the Conference Core Leadership Team to respond to the Exodus Project evaluation presented at Annual Conference 2015. A key focus area for the Cabinet and for the Core Leadership Team has been in the area of leadership development as we all understand that leadership influences culture. To aid us in the area of leadership development, the Conference Service Center team welcomed Jeff Roper as the new associate executive director of the Roberts Center for Leadership. Jeff's role focuses on leadership development at all levels of the Conference, and he began 2016 with the goal of increasing our development of clergy leaders in ways that impact their ability to lead with grace and intentionality.

The Cabinet also continues to partner with the General Commission on Religion

Central Texas Conference Journal 2016

and Race (GCORR) to increase both the number and effectiveness of cross-cultural appointments in the Central Texas Conference. This began last year as we worked with Dr. Erin Hawkins and heard her report from Annual Conference about increasing our cultural competencies. In an ever-increasingly diverse society, this is key to the success of the church. From this, we invited Dr. Derrick Hodge, GCORR's Director of Research, to be in consultation with us. Dr. Hodge has begun engaging in conversation with laity and clergy in Central Texas about their experiences with cross-cultural appointments and will continue to be in consultation with the Cabinet about ways of increasing our capacity for making these appointments. We celebrate that our conference experienced a 233% increase in cross-cultural appointments in the last seven years. This percentage represents an increase from 18 pastors serving in 21 cross-cultural appointments in 2008 to 42 pastors serving in 36 cross-cultural appointments in 2015. The Cabinet looks forward to even more improvements in our capacity for implementing these appointments as we move into 2016 and beyond.

G The Cabinet also wants to extend its gratitude to Revs. Carol Woods and Don Scott and Dr. Virginia O. "Ginger" Bassford. Reverends Woods and Scott exit this annual conference year and enter into retirement having accumulated a combined 73 years of service. Dr. Bassford exits the Cabinet to continue serving in the local congregation at St. Barnabas United Methodist Church. Carol, Don, and Ginger have been invaluable voices on the Cabinet, bringing with them wisdom and poise. We are grateful for our time serving with them and look forward to God's work in their lives and ministries in these next spaces from which they serve.

Looking toward this Annual Conference year, we anticipate that we will continue to learn together as the Cabinet has added three new District Superintendents. Our earnest prayer as we move forward is that the actions we take as part of our learning together continue to result in fruitful ministry in our conference, that God's people participate in and tell God's story in all the places they can. We are grateful to serve in this time and space and place.

COMMITTEE ON EPISCOPACY

DR. JOHN MCKELLAR, CHAIRPERSON

Bishop Lowry continues to lead our Annual Conference with vision, passion, and an enduring sense of joy as we continue to meet the challenges of our day. Although 2015-16 has brought a different focus on ministry with the upcoming General Conference and Jurisdictional Conference, the Bishop remains steadfastly focused on strengthening and empowering local churches and reminds the Conference that each congregation is a mission field to spread the gospel.

The areas of focus for our Conference remain:

1. Vision: Keeping focused on the local church.

Central Texas Conference Journal 2016

2. Cultural Change & Transformation: Emphasis on core orthodoxy, high Christology, spiritual formation, and passion for evangelism.
3. Leadership Development: Building disciples through lay and clergy leadership development.

One of Bishop Lowry's great strengths is teaching, but he teaches in a way that is engaging, approachable, and inspirational. This approach means that he is welcomed and invited to congregations within our Conference as well as outside and in specialized settings. Over the past year, he taught the four-day High Octane preaching class to sharpen the art of preaching and leadership, preached in local congregations as invited and schedule permitting to participate, and taught a book study using John Stott's "Basic Christianity" for all interested clergy and laity, and served as guest presenter in other Conferences and UM Scholars on Christian Orthodoxy. These are just a few of the many activities our Bishop has been engaged in as he leads our Annual Conference.

At the General Church level, Bishop Lowry is a member of the Executive Committee, Congregational Vitality Leadership Team, and the Episcopal Tenure Task Force of the Council of Bishops, the SCJ Mission 21 Task Force on Conference boundaries, and serves on multiple committees for the UM Publishing House. In addition, he is one of the bishops serving on the Episcopal Leadership Team for the Rio Texas Conference in the interim prior to the assignment of a new Rio Texas bishop by the Jurisdictional Committee on the Episcopacy in July (effective Sept. 1). He is also serving as one of the lead bishops in organizing and implementing the US Extended Cabinet Summit to be held in Jacksonville, Fla. At General Conference, he will preside over one of the communion services, and at Jurisdictional Conference, he will give the Episcopal Address and preside over the Conference session one morning.

The Central Texas Conference is fortunate to have this exemplary leader guiding us with his wisdom, heart, and depth of spirit.

CONFERENCE CONNECTIONAL TABLE

DR. RANDY WILD

The creation of the Conference Connectional Table was a key piece of the Exodus Project approved by the special session of the Central Texas Annual Conference in November 2010. The purpose of the Connectional Table is to make sure that all voices are represented around the table and are heard in the conversation about the mission and ministry of the church. The group is inclusive in nature, collaborative in style, and while being efficient in the stewardship of resources it is also transparent, accessible and accountable in all relationships. It is a place for listening, learning, and coordination of Central Texas Conference ministries around the mission of 'making disciples of Jesus Christ for the transformation of the world.' It is organized as a forum for understanding and communication between/among the General Conference representatives, task forces, centers, annual conference, agencies, and other representational ministries.

Central Texas Conference Journal 2016

We continue to collaborate and offer input as to the direction of the annual conference along with a continued emphasis on the inclusiveness of the leadership and ministry of our conference. We are heartened by the great strides we have made in our inclusiveness and diversity while at the same time acknowledging that we still have a long way to go. The changes that we have been making in regards to new ways of monitoring, collaboration and conversation are making a difference.

The Connectional Table is where the representative areas required by the *Book of Discipline* reside. The membership of the Connectional Table includes:

- i. Conference lay leader
- ii. Associate conference lay leader
- iii. Archives and history representative
- iv. Conference board of pension and health benefits representative
- v. Conference board of trustees representative
- vi. Center executive leadership teams and boards
- vii. President of Conference United Methodist Women
- viii. President of Conference United Methodist Men
- ix. Conference council on youth ministry representative, age 12-18
- x. Council on finance and administration representative
- xi. Coordinator of Disaster Response/UMVIM
- xii. Division of Ministry with Young People Representative, age 12-30
- xiii. Emmaus board of directors representative
- xiv. Inclusiveness Umbrella Team representing:
 - 1) Health and welfare leadership team
 - 2) Church and society leadership team
 - 3) Christian unity and interreligious concerns leadership team
 - 4) Disability Concerns
 - 5) Native American
 - 6) GCORR
 - 7) Status Role of Women
- xv. Conference lay ministry team
- xvi. New Church Starts representative
- xvii. Renewal of Eastern Mexico Covenant representative
- xviii. Members of general and jurisdictional bodies who reside in the annual conference
- xix. Strategic groups invited by bishop or executive directors
- xx. Ex officio: assistant to the bishop and executive directors of the three centers

The Connectional Table will be convened by any of the center executive directors and meets as needed to fulfill its purpose.

Central Texas Conference Journal 2016

We realize there still is much work to do, but are confident we have made a strong beginning. The development of the three conference centers, appointment of new leaders and realignment of resources has enabled the progress.

CONFERENCE NOMINATIONS & LEADERSHIP DEVELOPMENT COMMITTEE

DR. GEORGIA ADAMSON, SECRETARY

Each person is called to ministry by virtue of his or her baptism, and that ministry takes place in all aspects of daily life, both in and outside of the church. The vitality of the Church as a whole depends upon the faith, abilities and actions of all who work together for the glory of God. As Bishop Robert Schnase reminds us in his book, *Seven Levers: Missional Strategies for Conferences*, the conference nominations process plays a critical role. Each of us is called to be a faithful participant in the *mission of the church*, which is to partner with God to **make disciples of Jesus Christ for the transformation of the world.**

As we begin a new quadrennial period, the conference nominations team has a prime opportunity to identify and live into some adaptive changes around the issue of new and emerging leaders. It is through constant identifying of new potential leaders and giving those leaders training opportunities and experience that we grow the pool of leaders and shape the next generation.

While the conference nominations team needs to form committees, teams, task forces, think tanks, etc. – taking into consideration expertise, interest and ability, with attention to gender, ethnic, age, geographical and lay/clergy diversity – it is not tied to any of those classifications as the sole reason for selection. More important qualities for all leaders include: openness to training, experience, beliefs, relative giftedness and attitude.

In terms of attitude in those who would be leaders among us, there are two key points that we highly prize. First, a leader must buy in to the Church's mission and values (and its core convictions of faith as well). Second, a leader must possess a servant's heart.

The Conference Nominations and Leadership Development Team provided in January 2016 a brief description of the upcoming leadership position openings. All district superintendents and lay leaders were provided this information, as well as the conference website hosting an online venue for viewing the information as well as the ability to self-nominate.

The Conference Core Team recommends to the Conference Nominations and Leadership Development Team the following changes:

- Slightly expanding the Core Team by expanding the number of at-large members named by the Bishop from four to seven.

Central Texas Conference Journal 2016

- Expanding the Conference Connectional Table by adding a conference board of pensions and trustees representative, center executive leadership teams and boards, the expanded Inclusiveness Umbrella Team, conference lay ministry team and strategic groups invited based on work being done/shared.
- Center for Mission Support recommended expanding the Inclusiveness Umbrella makeup by drawing in Church and Society, Christian Unity and Interreligious Concerns, and Health and Welfare. We and they believe this wider context is a better way of understanding inclusiveness and demonstrates a much broader bandwidth than we are currently modeling by managing our separate groups. This work will be overseen by Mission Support.

Have you ever dreamed of a different way of confronting the issues that face us as a society and a church? In the past, Religion and Race, Church and Society, Health and Welfare, Christian Unity, Native American Concerns, Status and Role of Women, disability, etc. have separately tackled issues that confront every one of us! It makes no difference the color of your skin or the side of the tracks you come from or any of the ways we have historically been divided. As that little song we learned in the first years of our life says . . . "We are ALL PRECIOUS in His sight!" In other words, the issues of society and the church can no longer be dealt with in isolation. What affects one of us affects all of us. Instead of separate groups meeting and working on one piece of the societal puzzle, this is a team approach to the age-old issues that confront us as human beings. The task for this team is to help us seek the full inclusion of all persons in an effort to energize and equip local churches to make disciples of Jesus Christ for the transformation of the world. To look at the issues of ecumenism, religion and race, Christian Unity, health and welfare and many other groups in a global perspective takes both courage and a new way of being. The team will attempt to build relationships across the lines that society sometimes tries to draw in order to focus on the care and wellbeing of all God's children. We will find ways of helping the local church be engaged in life-giving mission and ministry so that those closest to the mission field may be equipped to transform lives. It is through this kind of global approach that the Church is able to relate the gospel of Jesus Christ to the entirety of our communities, nation and world.

REPORT 2 STARTING NEW CONGREGATIONS

The Central Texas Conference continues its commitment to provide “New Places for New People.” In the past, starting a new church meant establishing a free-standing congregation that was expected to become self-supporting within three years, and ultimately to become chartered as a United Methodist congregation. While we will continue to use this model in some places, we know that in the unchurched culture today we must look at new and creative models for providing “New Places for New People.” Currently, we continue to support the following projects:

1. Genesis Fellowship: a multicultural congregation in Killeen.
2. Wesley UMC: a Ghanaian congregation in Arlington.
3. French Speaking Community: a church within a church, St Luke, Haltom City, reaching people from the Congo.
4. Our Manna: a church within a church, Korean Congregation meeting at Davis Memorial.
5. Life Church, Waco: a second campus of First Waco, multicultural congregation.
6. Mission Esperanza: a church within a church, Hispanic/Latino, meeting at Wesley in Arlington.
7. One Fellowship, a vital merger between Bracks and Mt. Zion churches in Waco, Texas.
8. Harvest, a vital merger between Thompson Chapel/Ridglea in Fort Worth.

Unfortunately not all new church plants are able to take root. In 2015, we had two new plants to close: First Seventh at First UMC, Fort Worth and Keller West, a campus of Keller UMC. An independent analysis of the two plants is being prepared. From this report we should be able to recognize the pluses and negatives in the plant, and grow in our ability to start unique ministries and multiple campuses. This report will be received by August 1, 2016.

For the past three years we have partnered with Path 1 in the Large Impact Residency Program. This program provides a potential new church start pastor, a residency at a large teaching congregation. Our 2015 Path 1 Resident, Jon Reeves, completes his residency with White’s Chapel this month. We are thankful to Dr. John McKellar and Dr. Todd Renner, and the White’s Chapel staff for their commitment to this ministry. Jon Reeves will be appointed July 1 to start a new church, The Oaks, in Hudson Oaks.

As we look to the future, the rapid population growth of the Annual Conference will continue. Walsh Ranch in Tarrant and Parker County will begin building homes this year. This will be the largest planned community in the nation. Development along the Chisholm Trail Parkway is starting. Growth in Williamson County will continue,

Central Texas Conference Journal 2016

especially in the Georgetown area. With this growth we will need to develop “New Places for New People.” The conference needs to start at least two new churches in 2017. One of the roadblocks to meeting our challenge is to identify and train pastors and laity who can start new faith communities. As we look forward, we need vital congregations and visionary leadership that will catch the vision of multiplying their ministry to reach more people for Christ. The Center for Evangelism and Church Growth can provide resources that can help a congregation to explore the possibility of developing a satellite congregation or to adopt a congregation, or to repurpose a church that is closing.

REPORT 3 HEALTHY CHURCH INITIATIVE

The Healthy Church Initiative (HCI) is a process designed to transform churches. As a Center, our aim is to provide resources and strategies to pastors, church staff, and laity so that they will be more equipped to reach new people for Christ; to more fully become the church God wants them to be in their community. Through a combination of shared learning experiences, consultation and coaching, HCI has three distinct phases:

PHASE 1 – SHARED LEARNING EXPERIENCE AND LEADERSHIP TRAINING

Transformation does not happen just by adopting a program, but rather it starts with the development of leadership. Leaders are made—not born. Therefore the first step in the HCI process revolves around the training of pastors and laity. Through Pastoral Leadership Development (PDL) and Lay Leadership Development (LLD) programs and Small Church Initiative Workshops (SCI), HCI trains individuals to become leaders that are truly mission-focused. This is the step that prepares pastors and laity for the consultation process where true change begins to occur. Since the fall of 2012, we have had the following take place:

- 300 laity from 63 churches have participated in LLD
- 85 clergy have participated in PLD
- 204 laity from 42 churches have participated in SCI workshops
- 49 clergy have participated in SCI workshops

To take part in a shared learning group, additional information and registration instructions can be found on the CTC website under Center for Evangelism and Church Growth. Fill out the registration forms or contact Tammy Lindley in the Center for Evangelism and Church Growth.

PHASE 2 – SELF-STUDY AND CONSULTATION

If a congregation were able to implement substantive changes on their own, they would have done it already. Recognizing that there are no “quick fixes” the HCI process offers coaching and consultants to help generate a ministry action plan with incremental steps toward revitalization. When a church

G

Reports – CFE&CG

Central Texas Conference Journal 2016

votes to proceed into consultation, the first step is for the church leadership to complete a thorough Self-Study. With the completion of this Study, an experienced team of coaches and consultants are then armed with solid data to address a church's current reality as well as raise awareness of the church's greatest strengths, assets and opportunities to fully live out The Great Commission.

An on-site consultation consists of interviews, focus groups and workshops. After completing these, the consultation team writes a comprehensive report outlining strengths, concerns and prescriptions. After this process is completed, the congregation will decide to accept or reject the prescriptions. This decision can truly alter the future of the church. Since our first consultation in April of 2013, we have conducted 33 local church consultations throughout the Conference.

Currently we have 11 Lead Consultants trained. We are identifying other clergy and laity to be trained as consultants.

For additional information about HCI visit the Conference website and then click on Center for Evangelism and Church Growth. The Center team will meet with congregations to explain the process and to answer questions.

PHASE 3 – IMPLEMENTATION WITH COACHING

Provided the congregation accepts the consultation report with prescriptions, experienced coaches then walk with the church for up to 18 months. Coaches are there to help church leadership stay on task, navigate any potential stumbling blocks, celebrate wins, and ultimately to fulfill the ministry action plan outlined in the prescriptions. Currently we have 13 Church Coaches trained. We are identifying other clergy and laity to be trained as coaches.

REPORT 4 TRANSFORMATIONAL COACHING

Dr. Jerry Roberson is the Consultant in Church Transformation. In addition to coaching churches engaged in the Healthy Church Initiative, he also works one-on-one with pastors and congregations. Currently Dr. Roberson is coaching:

1. Epworth, Arlington, with an emphasis on mission field alignment.
2. McMillan, Fort Worth, with an emphasis on mission field alignment.
3. St. Stephen, Arlington, with an emphasis on systems development.
4. Campus Drive, Fort Worth, with an emphasis on mission field alignment.
5. One Fellowship, Waco, with an emphasis on church launching and mission field alignment
6. Genesis Fellowship, Killeen, with an emphasis on church launching and mission field alignment.
7. St. Paul, Georgetown, with an emphasis on mission field alignment.

Central Texas Conference Journal 2016

8. Mt. Zion/Bracks, Waco, with an emphasis on merging churches, relocation, and mission field alignment.

REPORT 6 PARTNERS IN GROWTH SHARES

While it is important that we invest in transformation of local churches, we must continue to fund the development of new congregations and faith communities. For more than 30 years laity, clergy, Sunday School classes, youth groups, and congregations across the Central Texas Conference have given generously to support the development of “New Places for New People” through our SHAREHOLDER program. While many have continually purchased one or more SHARES (an annual pledge of \$60), others have purchased a portion of a SHARE. Every dollar is critically important as we plan for the rapid growth we are and will be

experiencing over the next 30 years! We are grateful to each person, church, church group and organization in supporting New Church Development.

Below is a report of the SHARE program for 2015. Please review your church's participation. If you have questions contact Tammy Lindley at the Conference Service Center. Prayerfully consider how your church can increase their participation in the coming year. Please see our website or contact Tammy Lindley in the Center for Evangelism and Church Growth for additional information on the SHAREHOLDER program.

CLERGY LEADERSHIP DEVELOPMENT

The review of the Exodus Project: A Transformational Roadmap for a Church in Transition, which we are now calling the Exodus Process, identified clergy leadership development as a key area of focus for the Conference. Strong, effective clergy leadership has been identified as the most important characteristic of effective churches. Effective clergy leaders are not born, they are created. They also come in all shapes and sizes. However, they share some similar characteristics:

- High, sustained performance across time in multiple challenging situations.
- A high degree of Learning Agility, defined as the willingness and ability to learn from experience and subsequently apply that learning to perform successfully across new situations. People with high Learning Agility display capabilities across these areas:
 - People Agility – Highly self-aware people who understand the value of getting things done through others and are exceptionally skilled communicators. Individuals with high People Agility see conflict as an opportunity rather than a problem.
 - Change Agility – “Tinkerers” who like to experiment and can manage the discomfort of change for themselves and their church. People with high Change Agility have a passion for ideas and are focused on continuous improvement.
 - Results Agility – Resourceful people who deliver results in first-time situations. Individuals with high Results Agility inspire people around them to achieve extraordinary results.
 - Mental Agility – Critical thinkers who enjoy complexity, examine problems carefully, and make unexpected connections. People with high Mental Agility can make their ideas and assessments easily understood to others.
- A “personal network” or “spiritual network” to help them guide their ministry and their personal life, including trusted advisors and spiritual disciplines.
- A plan for personal and career development that the leader owns, follows and regularly updates. The effective leader seeks feedback on the development plan to ensure it is realistic, to assess progress against the plan and to make adjustments as needed.

The Roberts Center for Leadership will be working with the Cabinet, local clergy and churches to share these ideas and assist the Cabinet and local clergy in creating development plans.

KIM SIMPSON, CONFERENCE LAY LEADER

The United Methodist Church recognizes that lay persons as well as ordained are called by God to lead the church. Our website states, "While clergy provide crucial leadership, laity offer essential talents and are uniquely positioned where the church intersects the world." The laity become the hands and feet of Jesus outside the church walls into the community mission field. I want to thank the people of the Central Texas Conference for serving Christ in and outside our churches.

G The Conference Lay Ministry Team has been working to help laity become better leaders in the following ways:

- Lay Servant Ministry classes continue to be listed on the website. Classes have been offered on a timely basis.
- The conference website **laity** section continues to be a valuable reference source for all at www.ctcumc.org/laity. Dr. Kevin Walters (CTC director of the Roberts Center for Leadership) makes sure the most up-to-date, relevant information is contained there. If you haven't visited it recently, you should!
- The handbooks for local church lay leader, district lay leader and district director of Lay Servant Ministries are continually updated for relevance by Dr. Walters.
- Eight persons are approved for the new classification of Pulpit Supply: Pat Broadstreet, Pam Dieckert, Bruce Hennie, Darold Hobbs, Bonita Horton, Pam Phinney, Carol Robinson and Sholonda Stone.
- The inaugural phase of the **Vital Leadership Academy** was completed in April. It was designed to identify, inspire, train and support new leaders. These leaders are to be in partnership with their clergy in guiding effective congregational change. This first year had some growing edges and bumps, helping us learn how to improve for the future. The approximately 30 participants in this venture are now prepared to help vision and implement greater effective service in their local churches and beyond. A big thank you is extended to Dr. Walters on his leadership in making this new VLA a successful venture. We anticipate the next VLA to be even better.
- This next year the district lay leader (DLL) will work in closer relationship with the district superintendent (DS). The DLL will be actively helping the local churches and pastors to recognize leadership potential in their congregations and then relate to the DS the progress of the churches. It is every lay person's responsibility to identify leaders within their congregations and help develop them.

Central Texas Conference Journal 2016

- Our conference will be hosting the South Central Jurisdiction Association of Conference Directors of Lay Servant Ministries in July. This will take place at FUMC Hurst.

Our goal is to cultivate a network of spiritually engaged laity who collaborate with pastors to make disciples of Jesus Christ for the transformation of the world. We will continue to seek quality, innovative, and relevant means of obtaining that goal. It has been a privilege to help guide the development of CTC lay leaders these past four years. I pray we will continue to positively impact our communities by sharing Christ's love.

DIRECTOR'S REPORT, ROBERTS CENTER FOR LEADERSHIP DR. KEVIN WALTERS

Our mission to make disciples of Jesus Christ for the transformation of the world requires effective leaders – both clergy and lay. My primary role is to help churches cultivate both new and existing leaders from among the laity of the Central Texas Conference.

Last fall, the conference lay ministry team launched the **Vital Leadership Academy** (VLA) – a new initiative designed to engage new people in local church leadership. In particular, the VLA seeks to connect with people who are active in a local church but who do not yet hold key leadership positions. The foundation of the initiative is a series of four, one-day retreats supplemented by three small-group meetings and a commitment to engage in personal spiritual disciplines. Topics discussed this year included identifying strengths, leading effectively, and conflict resolution. For example, Dr. Eric McKinney led a session on strategic planning at the February retreat. At the January retreat, Bishop Lowry led the closing worship service. I am also pleased to share that the VLA received a \$25,000 grant from the Hesta Stuart Christian Charitable Trust. It covers half the program expenses for the first three years.

Through the VLA, we seek to develop leadership potential. Gathered from across the conference, 28 people were part of the first VLA cohort (see list below). This group was diverse in many ways. In order to ensure that future cohorts continue to reflect diversity, pastors and church leaders are encouraged to invite young adults and those from groups underrepresented in current church leadership to apply (www.ctcumc.org/vla). The people for whom the VLA is designed will not know about it unless invited. Who do you know in your church who might have untapped potential for leadership?

The **Healthy Church Initiative** (HCI) is another important avenue for lay leadership development in the CTC (www.ctcumc.org/HCI). During the first phase, church groups of six to ten participate in seven, four-hour **lay leadership development workshops** (LLDs). Over the past year, I have rewritten the curriculum for these workshops, introducing some new resources while keeping the best of the old. I

Central Texas Conference Journal 2016

also tested the new curriculum with three church groups that met together for the workshops. By the end of the series, participants are both prepared and encouraged to help lead their churches down healthy and fruitful paths.

Lay Servant Ministries (LSM) continues to prepare lay people to minister in many ways in our conference (www.ctcumc.org/lsm). Under the leadership of Pam Dieckert, conference director, LSM courses are available in each district and are organized by the district director of LSM. Over the past year, we have sought to improve both the quality and quantity of the courses, so we can help more people discover their gifts and develop skills for ministry. This summer, our conference will host a jurisdictional gathering of conference and district directors of Lay Servant Ministries. This will be a great opportunity for our own directors to connect with those in similar roles in other conferences.

One challenge faced by laity in church leadership roles is finding helpful information and guidance. The laity section of the conference website is a continually updated hub that connects people to useful resources (www.ctcumc.org/laity). Through Twitter, I also regularly share about upcoming events and articles related to local church leadership (www.twitter.com/kwalters_21). I also encourage local church leaders to contact me directly with resource questions (kevinwalters@ctcumc.org).

As a relative newcomer, I have been encouraged as I have gotten to know more people in our conference. We have some great leaders, and many of our churches are engaged in meaningful ministries. To be sure, challenges remain, but we have a good foundation on which to build. God is calling us to greater things. It is my joy to walk alongside you as we seek to be faithful to our callings.

COMMUNICATIONS & INFORMATION TECHNOLOGY

VANCE MORTON, DIRECTOR

The last year proved to be an enlightening and affirming 12 months for the Central Texas Conference Communications & IT team as we stretched some project muscles not previously used during the move to the new Central Texas Conference Service Center. We also discovered and rose to meet a most welcome increased standard in the level of tools, technologies and service expected of our team, which served to affirm our efforts of the past four years and energize us to keep pushing the boundaries of what we can offer the local churches of the CTC in terms of efficient and easy-to-employ technologies.

Immediately following the adjournment of AC15, the team set its sights on making the long-anticipated move from 464 Bailey Ave. to the new Conference Service Center (CTCSC) at 3200 E. Rosedale across from the campus of Texas Wesleyan University in Fort Worth. This move needed to be as seamless as possible for the local churches and organizations served by the CTCSC teams, as well as for the team members themselves. Besides the myriad small, unanticipated details that come with any move, this one was somewhat unique as the team had to adapt its existing hardware, software, processes and security from a building limping along with 30-40 year old infrastructure and into a brand new, state-of-the-art facility. We also had to transform from being in our own IT environment – responsible and in control of all equipment, networking and security equipment and decisions – to being part of the Texas Wesleyan University system. The final curveball was thrown at the team when it became apparent that the staff would need to vacate the old building before the new facility would be ready for move-in. This required us to develop and implement communications and IT strategies that would allow the CTCSC staff to work remotely for a good chunk of the summer.

It would be pushing the Ninth Commandment beyond the breaking point to say that we were able to make the move without some angst and minor interruptions and delays. Still, all-in-all, thanks to the flexibility, hard work and talent of the Communications & IT team, the new building is up and running quite smoothly – and we are improving our capabilities almost weekly.

While the move to the new CTCSC commanded most of our focus during the summer of 2015, it was far from the only thing on our work plates. The Communications and IT team worked directly with CTCSC teammates, district colleagues, individuals and teams from other conferences, the South Central Jurisdiction and throughout the UMC connection on more than 200 initiatives in the past year (and those are just the ones for which we have an official record).

Here are just a few of the more high-profile projects that the team tackled in its efforts to energize and equip the local churches of the CTC.

- Moved to new CTCSC across from Texas Wesleyan University
 - Developed and implemented new CTCSC IT network
 - Installed a new security suite and data backup systems on CTC network.

Central Texas Conference Journal 2016

- Designed and installed CTCSC audio/visual capabilities and equipment
- Significant upgrade in tech capabilities – cameras, webcasting equipment
- Produced, live-streamed and edited downloadable videos of Bishop Lowry's second annual Brown Bag Bible Study.
 - An average of 30 people joined Bishop Lowry for five consecutive weeks in CTCSC's Laity Hall. Even more joined the study via live web streaming and/or by viewing or downloading edited "on-demand" videos and PowerPoint decks in small groups and Sunday school classes.
- Produced and posted General Conference prayer vigil.
- Worked with South Central Jurisdiction (SCJ) Mission 21 Task Force to create, distribute and evaluate survey on possible changes to the conferences of the SCJ.
- Led and collaborated with all SCJ conference communication teams to design and produce #WeAreMore - a communication plan for General Conference 2016 as requested by the SCJ College of Bishops.
- Initiated and captained a communications coalition consisting of the Central Texas, Northwest Texas, Rio Texas and Texas Conferences to share best practices, capabilities and staff to best report on General Conference 2016.
- Created and implemented Intentional Faith Development microsite.
- Produced unique leadership training resources for CTC Cabinet.
- Moved our finance database off an in-house server and onto a hosted solution.
- Refreshed the functionality and layout of the Central Texas Conference website.
- Supported the CTC Disaster Response Team with more than 40 updates so the local churches could know how to best help following tornadoes and flooding across the CTC.
- Reworked all Charge Conference, Checkout and End-of-Year forms into a new web-based format so that local churches could continue to easily and effectively complete and submit the required forms. (*Necessitated by Adobe decision to kill the platform employed by the conference since 2012.*)
- Partnered and consulted with several CTC churches seeking to upgrade their communications strategies, website and social media platforms and/or IT systems.
- Conducted technology reviews with all five district offices, ensuring their technology is up to date so they can effectively serve their churches.
- Aided district superintendents and assistants with technical support in preparation for charge conferences and other events as requested.

While we are pleased with the above and the many other efforts in support of the local churches and other CTC organizations, we are far from satisfied. We know there is much more to be done in support of our mission to make disciples of Jesus Christ. For the remainder of 2016 and the first half of 2017, we will continue to build

Central Texas Conference Journal 2016

upon that collaborative, cross-functional spirit as we shift our focus even more toward sharing the narratives that truly define who we are as a conference. Our prime focus will be on building and sustaining a long-needed social media communications model. And, since this is the beginning of a new quadrennium, there will also be much more focus on the church at large as we report from the General and South Central Jurisdictional Conferences.

Of all the projects undertaken in the past year, the ones the team enjoyed most were those that allowed for direct collaboration with the local churches. We'd like to thank all of you for your support and camaraderie, especially those with whom we worked side by side as those are the projects – the projects conceived and executed as part of a team effort with colleagues across the conference and connection – that truly serve to energize us.

The Communications & IT team is made up of J. Vance Morton, director of Communications & IT (vance@ctcumc.org); Julian Hobdy, digital media coordinator (julian@ctcumc.org); and Calvin Scott, IT coordinator (calvin@ctcumc.org). Please reach out to any or all of us at any time. We relish your suggestions, questions, comments, concerns and (most importantly) prayers.

CAMPUS MINISTRY REPORT

JOSEPH NADER, COORDINATOR OF CAMPUS MINISTRY

For the past two years, we have shared a strategic approach to campus ministry that we believe will help us reach the college campuses within the Central Texas Conference. We shared the strategy in this brief statement: "The primary strategy is focused on developing strong leadership and ministry on our four current four-year campuses (Baylor, Tarleton, TCU and UTA) and adjusting the models of ministry on our three two-year campuses (Hill, Navarro and Weatherford)." We have continued to work on this strategy in the 2015-2016 year and feel like we have made great gains toward accomplishing our task. The following are ways we are doing that:

The establishment of a bi-annual Campus Ministers Retreat has become a training ground for equipping campus ministers for their ministry on campus. For fall 2015 we brought in Tom Nisbett to train our campus ministers in development work. Mr. Nisbett focused on the importance of developing active, effective boards of directors and growing our donor bases to make room for the vital work on campus we are all called to do. During our 2016 spring retreat, Rev. Creighton Alexander provided key training on creating a ministry action plan, reaching out to campus and discipling students. These retreats have been helpful times of collegial learning and conversation that can only strengthen us in our missional work.

In 2015 the Hill College UCF/Wesley Foundation was handed to FUMC Hillsboro as a ministry of the church, with the understanding that a two-year school needs a different approach than the four-year models. The commuter-based, transitional schools have such quick student turnover, we feel like the local church's presence will be a more stable, more productive use of our resources. In this setting, local

Central Texas Conference Journal 2016

churches have a better grasp on the context of their community and therefore can work more closely with the campus located within it, and it is more directly in their mission field. As associate pastor at First Hillsboro and former campus minister at Weatherford College, Rev. Chris Rowe has done a wonderful job transitioning the ministry at Hill College. We look forward to watching as this continues to develop.

As missional outposts established to reach the campuses in our conference, we are grateful for the support and encouragement of the local churches. We are on the campus for the sake of the Kingdom, and for the future of the Church. In essence we are focused on creating disciples of Jesus Christ, preparing them to live their lives as citizens of the Kingdom of Heaven, and sending them into the world equipped to expand the work of the Kingdom, wherever God is leading them. Thanks for helping us to accomplish our mission of creating, preparing and sending.

BOARD OF ORDAINED MINISTRY

DR. JIM CONNER, CHAIRPERSON

G The Board of Ordained Ministry of the Central Texas Annual Conference exists to enlist, evaluate, equip and sustain leadership for the current and future ministries of Jesus Christ in The United Methodist Church. Our quadrennial focus continues to be clergy excellence.

This past year Local Pastor's Licensing School was moved to July 31 – Aug. 2 and Aug. 9-13. This change to a restructured format with a shorter residential component was well received. Twenty-five candidates attended this year's licensing school, including six from other annual conferences. The group of attendees for 2016 licensing school will be fewer due to the small number of candidates certified in January 2016.

The Orientation to Ministry Summit was held on Aug. 1, 2015 and was attended by 23 candidates. The Summit is an exploration and discernment event and the entry point to candidacy. The group learning environment has allowed candidates to feel connected, provided mutual discernment and created community among those going through the early stages of the candidacy process. Thirteen of the 23 were certified in January 2016.

In response to the Seven Levers Summit, the Board committed to reducing the size of the executive committee. After researching the makeup of other conferences' executive committees, it was decided to decrease the current ExCOM to 15 members. The restructure included the creation of a chair of spiritual formation, a chair of recruitment and a vocational discernment coordinator. The restructured executive committee had its inaugural meeting on Aug. 27, 2015 at the new Conference Service Center.

At the Sept. 24, 2015 meeting of the Board, Dr. Chris Hayes, chair of clergy excellence, proposed a change to the way that we conducted professional credentialing interviews. Instead of a candidate meeting with one team, the candidate would rotate to three different interview teams, each with a different focus

Central Texas Conference Journal 2016

area. The focus areas would be theology and emotional intelligence, practical ministry and polity, and preaching and teaching. The Board adopted this proposal and implemented it during the spring interviews held on March 7-9, 2016. The Board interviewed 42 candidates over the three-day period.

Texas Methodist Foundation hosted a South Central Jurisdictional BOM meeting which was held in Dallas Nov. 2-3, 2015. Several board members attended the meeting, which focused on Clergy Leadership for the 21st Century.

The Order of Deacons held a meeting on Nov. 16, 2015. Victoria Rebeck, director of deacon ministry development & provisional membership from GBHEM's Division of Ordained Ministry, was the guest speaker. Time was allotted to discuss General Conference legislation which would specifically impact deacons.

The 25 residents of the Central Texas Conference attended a preaching retreat in November led by Dr.'s Todd Renner and John McKellar, co-pastors of White's Chapel UMC. The residency retreat in February focused on evangelism.

The board office moved to its new location on Rosedale Street in 2015. The ongoing process of digitizing the records of our candidates for ministry continues with the Board moving to UMCARES Plus this fall. UMCARES Plus replaces the Pathways to Ministry system, and this new version will link to the GCFA UMCARES site.

Group mentoring continues to go well; we now use this type of mentoring for all candidates from Orientation to Ministry to commissioning. We are expanding phase 3 mentoring to include TMF-style accountability groups. We have also added group mentoring for licensed local pastors and supply pastors.

Rev. Chris Mesa, candidacy registrar, scheduled a meeting/training of district administrators, district superintendents and dCOM chairs at the Conference office on April 19, 2016. This meeting was to allow the districts to review the candidacy process and share best practices to ensure that we recruit and certify the best candidates.

For the first time, at Annual Conference 2015, our retirees were honored with video tributes. The video format allowed the retirees to recall their experience of ministry and offer reflections on the church's past and future. The videos, filmed in cooperation with White's Chapel UMC, were available to share with family and friends unable to attend the retirement service. Based on the success of the video tributes, we will continue with this tradition at Annual Conference 2016.

The Board of Ordained Ministry will launch a Clergy Prayer Partners effort for all appointed clergy, beginning at Annual Conference 2016. Additionally, two pilot clergy covenant discipleship groups will begin meeting in September of 2016. Clergy Time Apart will be in the spring of 2017 at Glen Lake Camp. The purpose of this event is to strengthen our Clergy Covenant through praying and playing together and will be built around the theme of Sabbath.

Central Texas Conference Journal 2016

GBHEM will sponsor quadrennial training for Boards of Ordained Ministry October 3-6, 2016 in Chicago. With the new quadrennium, GBHEM will provide training for newly elected board officers and provide presentations on any disciplinary changes that come out of General Conference. The Central Texas Board will be undergoing changes, as several individuals are scheduled to roll off as members of the class of 2016. I have been in consultation with Bishop Lowry, Dr. Georgia Adamson, and Dr. Chris Hayes to discuss nominations for board membership. As outgoing chair, I offer incredible thanks to the members of the Board for their faithful service, to the Annual Conference for the privilege of serving in this position, and to Kathy Ezell, associate director of the Board, without whom we could never fulfill our work.

CELEBRATING LEADERSHIP DEVELOPMENT & DISCIPLESHP GROWTH

THE BISHOP'S PREACHING EXCELLENCE AWARD

(Established by Bishop Mike Lowry in 2010)

G Proclaiming the Good News revealed in Jesus Christ was the beginning, middle, and end of John Wesley's entire life's work. He reminded others of this passion repeatedly. You have nothing to do but to save souls. Therefore be spent in this work.

Deeply biblical preaching proclaims a transcendent and divine Word from the Lord. In a secular world that believes it can live without God, preaching brings radical news about a bigger world, a new world, the real world. Christian preaching deals with profound, life-and-death matters that have eternal consequences. It is momentous.

Excellent preaching is biblical, authentic, contextual, and life-changing. By the power of the Holy Spirit, preaching moves from the text through the preacher into a specific situation toward the Gospel's goal. Preaching is always connected with the church but ultimately goes beyond the church itself and proclaims the kingdom rule of God over all things and the mission of God *"to reconcile to himself all things, whether on earth or in heaven"* (Col. 1:20).

The Central Texas Conference 'Bishop's Preaching Excellence Award' was established not as an award one could apply to receive. This award is in recognition of those pastors who have a demonstrated pattern of excellence as a communicator of the Gospel. Bishop Lowry, after consultation with the Cabinet, is the sole determiner of the person named to receive the award. There may be years in which no award is given.

Names of recipients are on a plaque which is displayed in the Central Texas Conference Service Center. The honorees also receive \$1,000 to be used as they see fit for further personal ministry development. In years when a recipient is chosen, the award is presented at Annual Conference.

Central Texas Conference Journal 2016

Rev. Ben Disney, senior pastor of Arborlawn United Methodist Church, Ft. Worth, received the award at Annual Conference 2016. He is the seventh recipient.

In 2010, the first recipient was Dr. Mike McKee, who at that time was senior pastor of First United Methodist Church Hurst and is now the Bishop presiding over the North Texas Conference.

In 2011, Dr. John McKellar, co-pastor of White's Chapel United Methodist Church, was our recipient. In 2012, the award went to Rev. Quinton J. Gibson, Sr., senior pastor of St. James/Kell's Branch UMC; in 2013, Rev. David Alexander, Pastor of First UMC Mansfield, was selected; in 2014 Dr. Will Cotton, Senior Pastor, St. Barnabas United Methodist Church, was our recipient. Rev. Estee Valendy received the 2015 award. She is co-pastor of Saginaw United Methodist Church.

THE FRANCIS ASBURY AWARD 2015

The Frances Asbury Award is a non-monetary award to recognize and encourage support of higher education and campus ministries within The United Methodist Church. The award offers recognition to individuals who have made a significant contribution to fostering the church's ministries in higher education at the local, district, or annual conference level of the church. It is named for Bishop Asbury and is based on his admonition to the people called Methodist to erect a school in the vicinity of every church. "We must," he said, ". . . give the key of knowledge to your children, and those of the poor in the vicinity of your small towns and villages."

In honor of his outstanding work in campus ministry, Rev. Joseph Nader was selected in 2015 as our conference's first recipient of the award. Joseph is director of campus ministry at the University of Texas at Arlington Wesley Foundation. He also serves in a leadership role as coordinator of campus ministry for the Central Texas Conference.

The individual must be:

1. A United Methodist.
2. Active in supporting, strengthening and promoting the church's work in higher education ministries.
3. Offering outstanding leadership, above and beyond basic responsibilities, to help bring heightened awareness to the significance of the church's higher education ministries.
4. Involved in efforts in agreement with the concerns of the annual conference board of higher education and campus ministry and the Division of Higher Education of the General Board of Higher Education and Ministry.

The award is given to one person selected by the annual conference board of higher education and ministry (or its equivalent). There may be years in which no award is given, as is the case for 2016.

MORRIS WALKER AWARD

IN MEMORY OF MORRIS DELANEY WALKER, 1909-1972

Pam Phinney, director of Lay Servant Ministries for the North District, is the recipient of the Morris Walker Award for 2016. She is a member of Saginaw United Methodist Church.

The Morris Walker Award was established in 1973 to recognize Morris DeLaney Walker's distinguished and exemplary service to The United Methodist Church as a conference lay leader. Mr. Morris was outstanding, not only in the way he worked tirelessly for the church, but in the standard he set as a role model for laity throughout the conference.

The original intent of the Morris Walker Award was to honor laypersons who exemplify the same kind of "above and beyond" service to their local church, community and conference as he did. Over the years, the award has gone to both clergy and laity. In 2014, however, the decision was made to reserve the honor for laity. The distinction includes a \$500 award for continuing spiritual education.

Mr. Walker credited his parents with teaching him to tithe his abilities, his time and his income for the benefit of the church. "I have found the opportunity of being some small service to the church most gratifying," he is remembered as saying. He had a jovial and delightful personality, and he played the role of encourager. He met life with twinkling eyes and a mischievous grin. Still today, people fondly recount their adventures with him.

Mr. Walker was president of the District Board of Missions and president of the Protestant Men's Council of Tarrant County. He was one of the initial 24 directors of the Metropolitan Board of Missions and one of its three incorporators. From the time of his youth, he was a member of Meadowbrook [United] Methodist Church. He served as lay leader, district lay leader for what was then known as the Fort Worth East District, and conference lay leader.

In the early 60s, he rarely missed Monday night visitation meetings in his church, in spite of carrying a full work load and serving in so many positions of leadership for the conference and beyond. He was an exemplary witness in his local church, even as his efforts extended farther afield. In 1963, Mr. Walker represented the Methodist Church in Denmark through a six-week United Nations cultural and spiritual exchange. He had the opportunity to meet Bishop Desmond Tutu when he was a Methodist representative to the United Nations Conference.

Also excelling in his professional life, Mr. Walker worked for Mrs. Baird's Bakery for 42 years, reaching the highest management level possible for an employee outside the Baird family. Mrs. Baird's fully supported him in his endeavors for the church. A true disciple of Jesus Christ, Mr. Walker left a legacy of faith and service.

MERIT AWARD

G These awards are funded by 10 percent of each annual conference's total receipts to the Student Day Offering for the previous year. Participating annual conferences of the UMC may award one or more scholarships to UM students who reside in the conference and who are or will be attending a UM-related college or university. The Central Texas Conference partners with the General Board of Higher Education and Ministry for this program. All applications are through GBHEM.

Stephanie Staton, a Perkins student whose home church is White's Chapel UMC, is the 2016 recipient of this award.

CTC MERIT AWARD

The Roberts Center for Leadership funded two additional scholarships for 2016. The recipients are:

- Joy Dister, a student at Perkins Seminary and also an associate pastor at Arborlawn United Methodist Church.
- Julian Hobby, a student at Texas Wesleyan University and also digital media coordinator and webmaster for the Central Texas Conference.

THE UPPER ROOM ACADEMY FOR SPIRITUAL FORMATION

DR. BOB HOLLOWAY, RETREAT LEADER

The Academy is an experience of intentional Christian community. The heart of the experience is the daily rhythm of worship: Morning and Evening Prayer and the Eucharist. Each day two persons known for their spiritual practices, knowledge, and experience share with the community. Each evening the participants form small covenant groups for sharing the meaning and impact of the day. One of the best teachers in the Academy is Silence. Spaces of silence throughout the day cultivate time for reflection and listening to God.

Central Texas Conference Journal 2016

Those who have been a part of the Academy have experienced renewal and rest. They also report an important awareness of God's presence and a new sense of both God's grace and call in their lives. One participant has said, "In the worship, I sensed a newness growing within my heart and mind." Another gave witness to the fact that in the rhythm of the week he gained important motivation for key decisions he was making. One person shared that she started out being frustrated in the silence, but over time has found it a necessary part of her life. As a result of being part of the Academy, people begin to create prayer teams in their churches, start new groups for prayer and discipleship accountability, or find new energy and direction for sharing their faith in missional outreach. Many people return to the Academy year after year for refreshment in keeping their daily rhythm of silence and prayer.

The Central Texas Conference Center for Leadership partners with the East District in sponsoring the North Texas Five Day Academy and Three Day Academy. In 2016, the Five Day presenters were Rev. Jerry Haas and Rabbi Chava Bahle. Participants in this week learned about developing a personal life of discipleship with Rev. Haas while Rabbi Bahle guided us through the Psalms.

The next Three Day Academy will be Feb. 9-11, 2017. Our faculty will be announced in the coming months. The Central Texas leadership team is comprised of Dr. Bob Holloway, Rev. Judy Holloway, Rev. Nancy Allen, Rev. Estee Valendy, Rev. Jason Valendy, Rev. Linda Keen (Rio Texas Conference) and Kristin Warthen. Information is online at www.upperroom.org or www.5daynorthtexas.com.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION

DAN E. SOLOMON, PRESIDENT

The mission of the Texas United Methodist College Association remains strong. Our total distribution to the TUMCA schools for their scholarship use reflects an increase over last year. It is important to note that TUMCA funds granted to SMU, Southwestern, Texas Wesleyan, and McMurry are restricted to scholarships for deserving students from United Methodist congregations in Texas. No funds can be used for bricks and mortar. Many TUMCA scholars are first generation college students.

Thanks be to God and The United Methodist Church for TUMCA'S privilege to serve at this remarkable intersection of faith and learning. John Wesley is surely smiling because of the way in which TUMCA has "united the pair so 'oft disjointed, knowledge and vital piety."

TUMCA students are profoundly grateful for these critical scholarship funds. Among the many letters from appreciative TUMCA scholars is this quote, "I am the first of my brothers and sisters to go to college. My desire to go to a United Methodist school would not have been realized without my TUMCA scholarship. I love my school! The professors are terrific, and chapel is really cool."

While the TUMCA apportionment is modest for any congregation, the impact of these funds is enormous. Beyond the financial assistance, the recipients of the

Central Texas Conference Journal 2016

TUMCA scholarships receive hope, affirmation, encouragement, and the development of leadership and servant ministry skills that will serve the church as future clergy, laity leaders, teachers, and responsible business and community leaders.

TUMCA is an extension of a congregation's mission beyond its walls, affirming to our youth that their congregation will partner with them in the next chapter of their educational journey.

**Our financial commitment to TUMCA ends June 30, 2016. Our new CTC Scholarship Recruitment Program begins July 1, 2016.*

WESLEY FOUNDATIONS

WESLEY FOUNDATION AT BAYLOR UNIVERSITY

WACO, TEXAS

MELISSA TURKETT, DIRECTOR OF CAMPUS MINISTRY

G

“The Wesley is a community oriented towards Christ, dedicated to calling others alongside of us, and passionate about drawing closer to the Kingdom of God.” Or in short, the Wesley is about: Community, Discipleship and Direction. The past year at the Wesley can be classified as a year of deepening relationships oriented around discipleship.

The Wesley continues to offer ways for students to deepen their discipleship with God and with neighbor. The main point of contact for the Wesley is on Tuesday nights, which begin with a free meal (often provided by a local UMC), followed by worship. Students are also engaged in small groups hosted by local churches (Monday night Covenant Group at First Waco UMC, Thursday night Crossfire at Austin Avenue UMC, and Sunday night Small Group at Central UMC). The Wesley has also instilled a culture of hangout; it is a place where students know they can come and study, watch TV, be present with friends or even take a nap. The community at the Wesley thrives around un-programmed opportunities to come live life together.

Each month the Wesley goes on a fun event and a mission event. The focus this year with events has been to expand the mission portion. Through student organization, the Wesley is engaged with a local mission once a month (Mission Waco, Caritas, My Brother's Keeper, the Susanna Wesley Epworth Project, Steppin' Out). The Wesley has continued the work of Hospitality Moments, where every other Thursday students gather in the Wesley's front yard to pass out breakfast and “something to make you smile” (such as bubbles). The result of Hospitality Moments has been one of establishing who the Wesley is in the Baylor community and reaching students that would otherwise never be willing to step through the doors of the Wesley. The Wesley has returned to East Prairie, Missouri to be in mission with the Susanna Wesley Family Learning Center.

Reports – CFL

Central Texas Conference Journal 2016

The Wesley offers opportunities for students at any point in their discipleship. This year the director has walked with two students through the path of discipleship, both of whom were baptized at birth but have never been engaged with their faith or the church. First Waco is sponsoring an intern at the Wesley whose role will be to continue to strengthen and deepen relationships with students. The Wesley continues to grow as a worshipping community. The Wesley serves as the intern site for the Baylor Ministry Internship Program, and has had two interns who are interested in full-time ministry. The Wesley has one student in the ordination process, and three discerning a call to full-time ministry. The Wesley continues to benefit from its collaboration in ministry with local churches and United Methodist College Ministries. Your prayers and support are always appreciated.

UCF WESLEY FOUNDATION AT NAVARRO COLLEGE

CORSICANA, TEXAS

MEREDITH BELL, DIRECTOR OF CAMPUS MINISTRY

The UCF Wesley continues to be a bright light on the campus of Navarro College. It sits just across the street from campus. It is a great location for students to enjoy lunch, Bible study and simply “hang out” together. Because our building is inviting, students know it is a place to enjoy between classes during the week.

In January, we launched the Christian Leadership Center. The purpose of the center is to attract and encourage students who are interested in deepening their faith as they explore career options. Fifteen students stepped out on faith to form our first cohort of the Christian Leadership Center. The program started with a weekend trip to Sky Ranch. While we were zip-lining and riding horses together, we had opportunities to learn more about each other. Our two nights around the campfire provided time to learn about each other’s church experiences and faith. Our theme for the weekend was “Find Your Swing.” (It was easy to talk about while we were on the “Giant Swing” swinging over the lake!) During the weekend, we played hard and built friendships.

The second part of the Christian Leadership Center is to help students explore their career interests. At the beginning of the semester, each student was placed in an internship at participating businesses in Corsicana. Included were Navarro Regional Hospital, Oil City Iron Works, Corsicana Animal Shelter, Lott Physical Therapy, Corsicana ISD, Corsicana Police Department, Uniquely Yours Tea Room, First United Methodist Church, Morgan Corporation, Heritage Oaks West, First Baptist Church, Trisun Care Center and Lakes Regional MHMR.

Finally, each week our group meets on Monday night to explore characteristics of Christian leadership, discover the Enneagram and hear from three community leaders about their understanding of Christian leadership. Our speakers have included Col. Keith Burres; Michael Stewart, CEO of Navarro Regional Hospital; and Dr. Barbara Kavalier, president of Navarro College. This experience for our students has been exciting. They have grown spiritually and individually. Two were baptized in a local lake. We look forward to continuing this ministry each semester.

Central Texas Conference Journal 2016

In addition to the Center for Christian Leadership, we continue to offer Bible study on Sunday nights with dinner. Our average attendance is 12 students. We offer a free lunch to students and faculty of Navarro College on Mondays. We serve anywhere between 30 to 70 people on Mondays. Two students joined the CTC Young Adult Mission Trip over the Christmas break. The community of Corsicana is blessed by Navarro College, and the UCF Wesley works to support and bless students each day.

WESLEY FOUNDATION AT TARLETON STATE UNIVERSITY

STEPHENVILLE, TEXAS

DAVID MCMINN, DIRECTOR OF CAMPUS MINISTRY

The purpose of the Wesley Foundation is to create a community of faith to develop students of Tarleton State University as disciples of Jesus Christ. We are creating leaders that are desperately needed in order to transform the church and the world. We do this by providing a community for the students, allowing them to determine their beliefs in a safe space and community so they can be more like Christ as they love God, serve others and live righteously.

This year we are focusing on sustaining the growth that the ministry has experienced. In 2012, the Wesley Foundation fed students twice a week for lunch with little further engagement. By the end of 2013, the community had 10 students (plus the free lunch ministry) worshipping and participating in small groups. As of today, we are averaging 45 in worship and 41 in our small groups. In addition, each month our students serve in the local community. Last year our students served over 1,800 hours in local, domestic and international missions. This year we are sending out 35 people on mission trips to Tennessee and to Belize. We have seen the Holy Spirit move through our students, and much of the growth is because of their leadership. We are truly raising up a generation of leaders that will change the world.

Another area that we are seeing transformation is the life decisions our students are making. One freshman, Charlotta, rededicated her life to Jesus at our weekly worship service, Logos. Many of our graduating seniors are choosing to integrate life and faith in their future careers. Several are considering seminary or jobs like Teach for America as a way to live out a life as a disciple and also follow their passion. We are also seeing 92% of our graduates integrate back into the local church, and several are already serving in leadership roles in their congregation. This past year we sent Thomas Borowski to Perkins School of Theology; he is our second graduate to attend seminary in the past three years. The staff, students and volunteers of the Tarleton Wesley are looking forward to what God has in store as we continue in 2016.

Thank you, members of the churches of the Central Texas Conference. Without your support we would not be able to fulfill our mission. It can be difficult to invest in a ministry that you don't see the immediate results in your local church. The students and leaders of the Tarleton Wesley express our sincere thanks that you

Central Texas Conference Journal 2016

have the faith in us to fulfill our mission to make disciples of Jesus Christ and raise up a new generation of leaders for the sake of the church and the world.

WESLEY FOUNDATION AT TCU

FORT WORTH, TEXAS

REV. PAUL MASSINGILL, DIRECTOR OF CAMPUS MINISTRY

The 2015-16 school year has been one of new beginnings and new excitement at TCU Wesley. Wednesday night worship numbers are up; participation in small groups has increased over past years; we have more students engaged in mission and service; and we sent more students on weekend retreats. Students are coming to Christ, growing in Christ, and exploring what it means to commit to serving Christ vocationally. TCU Wesley is alive and well, and God is at work in our midst!

There has been a significant emphasis at Wesley this year on growing community and deepening faith through small groups and Bible studies. One group read both *Mere Christianity* and *Not a Fan*; another group walked through the book of Acts over breakfast on Tuesday mornings; yet another group gathered Friday afternoons for theological conversation on subjects ranging from eschatology to evangelism to our response as Christians to evil in the world. In these and other small groups, students are learning Scripture and learning how to think, talk, and live out what it means to follow Jesus.

We also have a growing emphasis on reaching beyond our Wesley community to serve and share the love of Jesus on our campus and in the world. Our student leadership team is regularly asking, *"How are we reaching, impacting, and influencing our campus for Christ?"* We continue to serve the marching band each week by handing out popsicles and ice cream at the end of rehearsal, a practice that has introduced a significant number of students to Wesley. In the fall semester, we coordinated a "Homeless Awareness Week" which included sleeping outside overnight in the student commons; artistic displays in the student center depicting homeless stories and statistics; and hosting a screening on campus of a movie exploring the life of a homeless teen. In the spring semester, we coordinated "Rez Week," a series of on-campus activities encouraging prayer and reflection during Holy Week. One of our small groups this year focused exclusively on serving in our local community. And for spring break, nine of our students partnered with two local congregations – Arlington Heights UMC and University UMC – to build a home in Acuna, Mexico.

We are very grateful for the continued prayers and support of the Central Texas Conference – its pastors, laypersons, and congregations. Methodist presence and ministry at TCU does not happen without the support we receive from all of you. Parents and churches from all over Texas and all over the country are thankful for your commitment to provide a spiritual home away from home for their children and students!

On a personal note, I have been very grateful for the warm reception we have received here in Central Texas. It has been a significant year of transition for my

Central Texas Conference Journal 2016

family and me, moving from Miami and the Florida Conference to serve here in Fort Worth. We have genuinely appreciated the encouragement and support we have received from so many people. We are excited to be here and look forward to continuing to share life and ministry with the people of Central Texas!

WESLEY FOUNDATION AT UNIVERSITY OF TEXAS AT ARLINGTON

ARLINGTON, TEXAS

REV. JOSEPH NADER, DIRECTOR OF CAMPUS MINISTRY

G The 2015-2016 school year has been very encouraging in our Kingdom work on campus. After a couple of years of large graduating classes, we have had great growth in our reach on campus, particularly to the freshman class, and great spiritual growth in our students. This past year, we have focused on intentional discipleship of our leaders by hosting a discipleship group in our home on Monday nights. The focus of the meetings is to disciple them in the ways of Jesus, while teaching them how to disciple others. The expectation is that we are preparing them for work on campus, and for work in the local churches after they graduate. That is our mission: to make disciples of Jesus Christ and to raise up a new generation of leaders for the sake of the church and the world.

God continues to be faithful. We are seeing more serious disciples being grown from within our student population, and that is bearing fruit in our ministry toward the campus and the world around us. With the Tarleton and Baylor Wesley Foundations, we continue to serve the people of East Prairie, Missouri and Libertad, Belize. In East Prairie, we will continue our work with the Susanna Wesley Family Center in providing day camps for the local area. And, we will return to Libertad, Belize to work with Libertad Methodist School and missionaries Jamie and Lisa Williams.

As always, we are grateful for the support of the local churches of the CTC. We serve as a missional outpost to the UTA campus on your behalf, and we are grateful for support to fulfill our calling to this campus. Local churches have encouraged us with prayer for our ministry and our students, and provided meals for many of our events. Our partnership with the Missional Wisdom Foundation and their Arlington new-monastic house, the Paloma House, has continued to grow. The house is filled with four female students from the UTA Wesley Foundation. Their calling and focus is on serving the neighborhood around them, while also investing in the women of the Wesley. This is an intentional community designed to disciple and grow our students for living missionally with all of their lives.

Our main focus is the deeper discipleship and leadership development of our students to prepare them for a Kingdom-oriented life. Our success in doing this is beginning to be measured by the fruitfulness of our alumni. We ask whether or not they are living into the things that we have taught them. Some metrics that speak to our effectiveness include the fact that since Spring 2010: we have 10 alumni actively serving in professional ministry, we have trained seven ministry interns and

Central Texas Conference Journal 2016

sent them out to serve with the tools we have given them, and we currently have three alumni in seminary. Not to mention the majority of our alumni since Spring 2010 are serving actively as lay members in a local church, with many of them stepping into leadership roles within the congregation. Finally, it is important for us to see that in this same time period 11 people have claimed faith in Jesus!

In all of this, we feel like the Holy Spirit is working through our ministry and we are thankful that God has trusted us with serving this ministry to the UTA campus. We are very grateful to the Central Texas Conference for the support and encouragement that is given to our missional outpost on the campus of the University of Texas at Arlington.

WESLEY FOUNDATION AT WEATHERFORD COLLEGE

WEATHERFORD, TEXAS

ZACHARY LANGER, DIRECTOR OF CAMPUS MINISTRY

This school year has been a truly great one, marked by the rejuvenation of old programs and the beginnings of new ones. Our focus for the year has been on building a framework of programs around which a loving community can grow and thrive, encouraging an outward focus while also helping the students achieve the goals they have set for themselves.

As a two-year college, we continued to face the same challenges as previous years: students living away from campus, students with a large number of outside commitments and responsibilities, and students transferring to different schools. Many of our students commute in for class and hold jobs that limit their ability to return for evening or weekend activities, and many of our students juggle those jobs with their academic and family responsibilities. In order for us to meet the needs of those students then, we emphasize our flexibility and availability with regards to reducing their stress. The computers we have available are used daily for schoolwork and printing, our TV room is used for video games and socializing, and we often have people come in just to hang out with one another and enjoy a meal. We even have students who regularly exercise under our pavilion!

Our returning programs are still successful, with our weekly lunch drawing 50-60 students each week. This is a wonderful opportunity for local churches to show the students that they support them in a very tangible and immediate way, as well as an opportunity for those churches to see and participate in the ministry that is happening at Weatherford College. For the nursing students, the Tuesday lunch provides a brief respite in the midst of a stressful day, and some other students may not be able to eat lunch otherwise. With this in mind, our Tuesday lunch represents a responsibility of the church to feed the hungry and provide for those who need it.

The free lunch does not represent the full extent of our ministries by any measure, however, and we have created several new opportunities for students to be involved in the community. We hold a lunch Bible study each Monday afternoon which, after beginning during the fall semester, now regularly has six to eight in attendance. Everyone who comes brings a unique perspective, many from different theological

Central Texas Conference Journal 2016

or denominational backgrounds. This provides a chance for the students to dive into the scriptures and learn *together*, which is an integral part of the Church. We have also started a monthly “Barbecue and Books” study, meeting on the first Monday of each month. For this, Pat Noe (administrative assistant) and I prepare food, usually a slow-smoked meat (like brisket or pork ribs) and an assortment of sides. We offer a time of food and fellowship before shifting to a discussion about a Christian book. So far, we have been working through Donald Miller’s *Blue Like Jazz*. This event has been averaging 10 students in attendance.

Additionally, we have had several smaller gatherings, such as a Christmas party (featuring food, of course, and a white elephant gift exchange) and the imposition of ashes on Ash Wednesday with the help of Rev. Jon Reeves. These gatherings center around the church calendar, which has been a focal point for many of our discussions throughout the year.

The Wesley Foundation at Weatherford College sits in a unique place, both within the campus and among campus ministries. We reach students for whom there may not seem to be hope, students who have high hopes for the future, and students who aren’t sure yet where they want to be. Our students range in age and life conditions more than most other communities. Yet we are striving to build a community that brings those students together around something that supersedes such criteria, serving and growing as one body. We are always pursuing ways to better serve our students. This year has been a great one, and we’re looking forward to many more to come.

COLLEGES & SEMINARIES

AFRICA UNIVERSITY

MIUTARE, ZIMBABWE

JAMES H. SALLEY, ASSOCIATE VICE CHANCELLOR,
INSTITUTIONAL ADVANCEMENT

Africa University notes with gratitude and appreciation the unstinting support of the local congregations of the Central Texas Conference. Thank you, Central Texas United Methodists, for investing 100 percent of the asking to the Africa University Fund (AUF) apportionment in 2015. The Central Texas Conference was one of 32 annual conferences to achieve an investment of 100 percent or higher for the AUF last year. Thank you for so generously strengthening Africa University’s contributions to the higher education ministry of The United Methodist Church in sub-Saharan Africa.

Institutional Update: The United Methodist Church’s faithful investment to date, through the Africa University Fund apportionment and the World Service Special Gifts fund, has supported excellence in teaching, learning and community service and built first-rate campus infrastructure comprised of 45 buildings – all debt-free. The university’s permanent endowment now stands at more than \$64 million, due

Central Texas Conference Journal 2016

in large part to the generosity and prayerful affirmation of United Methodist congregations, agencies and individuals.

Enrollment: Currently, Africa University has a total enrollment of about 1,500 full-time students who represent 26 of Africa's 54 countries. An additional 770 students are gaining new skills and knowledge as they pursue undergraduate and graduate degrees on a part-time basis. Students choose among programs in theology, agriculture and natural resources, education, health sciences, humanities and social sciences, peace, leadership and governance, and management and administration. These areas reflect crucial skills gaps in the worldwide church, as well as in the public and business sectors of students' home countries.

Alumni: In June 2015, Africa University awarded degrees to its largest graduating class so far – 674 young people from 14 African countries. Africa University's alumni now number more than 6,200. Graduates are at work in at least 29 African countries as well as in Australia, Asia, Europe, Latin America, and North America. Many serve The United Methodist Church and their nations in senior and strategic roles within and beyond Africa. Africa University increasingly functions as an essential feeder institution, nurturing and sending forth leaders for new institutions and initiatives which expand the mission of our denomination in Africa. Africa University alumni include:

- A Liberian graduate, **Alfred Zigbuo**, serving as a Global Ministries-supported missionary and administrator in the East Congo Episcopal Area. He brings experience as the country director of Operation Classroom and expertise in post-conflict healing/institution building in Liberia to his new mission field, a recently formed and conflict-ravaged annual conference.
- **Clare Paidamoyo Katiyo**, a young mother who earned a degree in health services management with United Methodist scholarship support. She is now the district administrator overseeing a network of four large hospitals and 37 health centers in rural Zimbabwe. Her skills and commitment put her on the frontline of an ongoing national effort to improve health and save lives.
- **Ilda Guambe**, who was born in a remote rural village in Mozambique. She is the first woman in a family of nine to earn a degree. Her 2014 speech to the U.S. Africa Summit in Washington, D.C. was a powerful and moving invitation for African and American leaders to work together in reducing the number of early marriages and improving access to education for African girls. She continues to mentor and inspire young people in her country to stay in school to realize their God-given potential and their dreams.
- In the Democratic Republic of Congo, **Pastor Mujinga Mwamba Kora**, who serves as a lecturer and registrar of Kabongo Methodist University; and **Rev. Dr. Kimba Kyakutala Evariste**, president of Kabongo Methodist University, who also lectures at the Kamina Methodist University. They are both two-time graduates of Africa University and represent a growing number of alumni who lead United Methodist higher education institutions on the continent of Africa.

The United Methodist Church benefits greatly from the leadership of Africa University graduates at the general church level. These leaders include:

Central Texas Conference Journal 2016

- **Rev. Manuel João André** of West Angola and **Rev. Daniel Mhone** of Malawi, who serve as members of the United Methodist boards of Church and Society and Global Ministries, respectively; **Rev. Dr. Laishi Bwalya** of the Congo Central Conference, who serves on the Connectional Table; and **Rev. Dr. Kimba Kyakutala Evariste** of North Katanga, who is the secretary of the Standing Committee on Central Conference Matters.
- In the wider Methodist fellowship, **Rev. Olga Choto Ranchaze** of Mozambique, who serves on the World Methodist Council's Standing Committee on Education.

Increased and steadfast support for the Africa University Fund (AUF) apportionment and investment through the World Service Special Gifts fund over the next quadrennium are vital to Africa University's development and sustainability.

With the March 2015 installation of Professor Munashe Furusa as Africa University's fourth vice chancellor, the institution is focused on increasing its relevance and impact. The Africa University Board of Directors continues its strong leadership role. The directors, with Furusa's guidance, intend to champion key institutional priorities in the 2017-2020 quadrennium. These include increasing full-time student enrollment by about 60 percent; enhancing student quality of life; instituting robust academic program review and development; increasing fiscal accountability to incorporate cost-cutting/right-sizing; and increasing the focus on African donors for resource mobilization.

Looking ahead: Together with the Central Texas Conference, Africa University celebrates its progress as a world-class university for ethical and transformational leadership development. Please pray for Africa University. Thank you for giving so sacrificially to uphold our shared Wesleyan values and actively reach out to love God's people in word and deed. As you journey with Africa University, know that you are part of a ministry that equips Africans to do for themselves and grow the experience of God's promised abundance in the world. God bless and keep you all.

AFRICA UNIVERSITY: Changing Africa: Learning here. Living here. Leading here. Serving God. All the time. Everywhere.

HUSTON-TILLOTSON UNIVERSITY

AUSTIN, TEXAS

COLETTE PIERCE BURNETTE, ED.D., PRESIDENT & CEO

Huston-Tillotson University supports the Central Texas Annual Conference through our mission to provide the university's diverse student body with an exemplary education grounded in the liberal arts and sciences, balanced with professional development, and directed to public service and leadership. The university fosters spiritual and ethical development, preserves and promotes interest in the accomplishments and experiences of its historic constituents and evolving

Central Texas Conference Journal 2016

populations, creates and sustains supportive relationships that advance the Huston-Tillotson community and prepares students with the integrity and civility to thrive in a diverse society. We achieve our mission through the diversity of our student body, opportunities for spiritual growth and civic engagement, and the global perspective of our educational programs.

Huston-Tillotson University recorded 1,023 students enrolling in the fall of 2015. Our overall student population consisted of 444 males (43.4%) and 579 females (56.6%). The first-year, first-time freshmen population consisted of 82 males (56.1%) and 64 females (43.8%). After several years of a nearly equally balance, the university is experiencing higher male enrollment. The racial/ethnic composition of our student population is: Black, non-Hispanic, 67.5%; Hispanic, 22.1%; White, non-Hispanic, 5.9%; nonresident alien, 3.3%; Native American, 0.2%; Asian/Pacific Islander, 0.2%; multiracial, 0.3%; unreported, 0.6%.

Huston-Tillotson University's success is a result of discoveries, visions, and insights made 140 years ago. When George W. Richardson founded Samuel Huston College in Dallas and Jeffrey Tillotson founded Tillotson Collegiate and Normal Institute in Austin, they could only imagine the possibilities. Today, Huston-Tillotson University takes pride in a number of accomplishments, including its record enrollment of a diverse student body.

Highlights of the past year:

- Collette Pierce Burnette, Ed.D. became the institution's sixth president and chief executive officer on July 1, 2015. Dr. Burnette is the first female president of the merged Huston-Tillotson University and only the second female president in the institution's 140-year history.
- A Charter Day Convocation included a visit by Episcopal priest James David Richardson, the great-great-grandson of George Warren Richardson and keeper of family records documenting the origins of the institution.

SOUTHWESTERN UNIVERSITY GEORGETOWN, TEXAS EDWARD BURGER, PRESIDENT & PROFESSOR

As I complete my third academic year as president of Southwestern University, I am honored to turn one page of Southwestern's storied history and gaze upon the horizon of possibilities that is our next 175 years. Throughout this milestone year, we reflect on the expansive creativity, passionate pursuit of knowledge, and steadfast resilience of this University as a whole and as a composite of the many individuals who have contributed to Southwestern's success.

In August, Southwestern welcomed 423 entering students, bringing the total enrollment to 1,538. Highlights of this class include 15% from outside the state of Texas and 42% identifying as non-Anglo. I was pleased to have had the opportunity to visit personally with prospective students and their families at the 21 events hosted on campus this year.

On February 5, 2015, Southwestern University celebrated the 175th anniversary of its original 1840 charter in a big way! The day began by marking the 65th anniversary of the Lois Perkins Chapel with an organ concert and Chapel service followed by students, faculty, staff, alumni, trustees, and community members gathering on the Academic Mall to form a giant "175" captured in an aerial photograph. Finally, the crowd of nearly 1,100 enjoyed a huge birthday cake, live music by the SU Jazz Band, Congressional proclamations, the presentation by students of an empty time capsule that was filled and buried on February 5, 2016,

Central Texas Conference Journal 2016

and the announcement of Southwestern's largest-ever single gift of \$5.1 million from Margaret S. Odiorne, the widow of **Truman J. Odiorne '66**.

Last year marked the completion of our Phase I renovation of the Fondren-Jones Science Building, which will pave the way for a remarkable future for our students. Southwestern's annual Research and Creative Works Symposium, "From Every Voice," continues to yield a high level of participation and offers an undergraduate presentation experience that is second to none; and Paideia Connections invites our campus and local community to think, create, and connect ideas across disciplines in an exercise of reason and problem solving.

Southwestern also inaugurated the "President's Thinking Symposium on Living, Learning, and Leading." As part of my experimental course, "Effective Thinking and Creative Puzzle-Solving," my class hosted noted guests from around the country who described the "puzzles" of their professional careers and the practices of mind they use to resolve them. They led thought-provoking conversations on the meaningful and life-changing experiences that have shaped their lives. As I reflect on this past year, I am honored to bear witness to the power of Southwestern: a catalyst of creative thinking and experience that occurs when engaged minds come together.

CANDLER SCHOOL OF THEOLOGY

ATLANTA, GEORGIA
JAN LOVE, DEAN & PROFESSOR
OF CHRISTIANITY & WORLD POLITICS

For more than 100 years, **Candler School of Theology** at Emory University has prepared *real* people to make a *real* difference in the *real* world. Since our founding in 1914, over 10,000 students have graduated from Candler, where they have been shaped as Christian leaders who put faith and love into action, transforming the world in the name of Jesus Christ.

One of 13 official seminaries of The United Methodist Church, Candler is one of seven graduate professional schools of Emory University, a top-tier research institution offering extensive resources and a rich context for study. Our location in Atlanta provides a learning environment that reflects the highly diverse communities of the 21st century. Simply put, there is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

In order to keep pace with the needs of the church and the world, Candler now offers 17 degrees: seven single degrees and 10 dual degrees pairing theology with bioethics, business, development practice, law, public health, or social work. One

Central Texas Conference Journal 2016

of our newest degrees is a retooled Doctor of Ministry that is 90 percent online, so students can remain in their places of ministry as they study – and apply what they learn in real time. We've also partnered with the University of Georgia's School of Social Work to create an MDiv/MSW where students learn to maximize their effectiveness by combining pastoral skills, such as spiritual counseling with social work practices, such as family therapy and community assessment.

Our student body continues to reflect the diversity and breadth of the Christian faithful. 466 students are enrolled, with 48 percent women, 34 percent people of color (US), and a median age of 29. Students represent 44 denominations, with 51 percent coming from the Methodist family. 82 percent of students are seeking a degree to prepare them as ministry professionals.

Candler has a deep commitment to alleviating student debt and employs a multi-pronged approach to tackle this issue. In 2015-2016, we awarded nearly \$5.5 million in Candler scholarships, with 92 percent of MDiv students and 84 percent of all students receiving support. And our comprehensive financial literacy program teaches money management skills that serve our students now and will continue to serve them – and the churches they serve – well into the future.

At the end of the 2015-2016 academic year, Candler says goodbye and Godspeed to a handful of noted faculty as they retire: Barbara Day Miller, Luke Timothy Johnson, Steve Tipton, and Bishop Woodie White. Yet even as these legends take their leave after distinguished careers of scholarship and service, we look forward to welcoming a new crop of scholar-leaders who will join us in the coming months and grow with us in the coming years. We are especially pleased to welcome Bishop Larry Goodpaster, who will join the faculty as bishop-in-residence in the fall of 2016.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries in the world depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

DREW UNIVERSITY THEOLOGICAL SCHOOL

MADISON, NEW JERSEY

REV. DR. JAVIER A. VIERA, DEAN

A Cohering Vision: Curriculum, Community, Co-Curricular Initiatives

After much collaborative discussion, discernment and evaluation of the current state of theological education, those of us who lead, teach and support Drew Theological School have launched on an ambitious course. Nearly 150 years after our founding, we envision a future as bright as the best eras in our past. I am

pleased to share with you here the concrete steps we have taken – and are taking – to bring this future to light.

First, our efforts have been attentive to the history of Drew, in particular its Methodist roots, its long commitment to the Church and its ministries; and we draw from this wellspring for inspiration and direction. Also, we have honored our progress to achieve denominational, ethnic, gender and racial diversity in our faculty and student body. This rich diversity has become both a hallmark of Drew and an expansion of our wellspring. Forces beyond our campus – notably, that the reasons for pursuing a theological education and expected outcomes are shifting dramatically – further press the need for us to align our vision and its supporting systems with our communal reality.

Given this imperative, we are focused on the three “C’s” of our cohering vision: redesigning our *curriculum*, strengthening our *community* of learning, and deepening training through revived *co-curricular* initiatives. These three aspects of a Drew Theological School education will work together to enable us to empower creative thought and courageous action to advance justice, peace and love of God, neighbor and the earth – as well as uniquely position us to lead evolving expressions of Christianity.

Designing distinct pathways from curriculum to vocation

To remain meaningful and offer the greatest value to our students, each of the six degree paths that we offer must be as distinct as the ministry to which it leads. For example, our master of arts in ministry program, which forms students for the broadest spectrum of theologically-informed advocacy and ministry, or our DMin program, which has become the “new” terminal vocational degree, must be custom rebuilt for current and emerging student needs and outcomes. This also holds true for our master of arts, master of sacred theology, PhD, and, most critically, our master of divinity programs.

We have achieved our roadmap for curricular change through a period of intentional discernment, which included discussion with consultants and with colleagues at peer institutions, who led a curricular formation retreat with our faculty; through the discernment and guidance of our faculty, and with the generous financial support of the Jesse Ball duPont Fund. Our next steps include a comprehensive analysis of pedagogical and technological trends in theological education, enrollment and outcomes. Our redesigned curricular paths will be announced in the fall of 2017, concurrent with the 150th anniversary of the founding of Drew Theological School and the 500th anniversary of the Protestant Reformation.

Student experiences rooted in community

Despite the increase in students pursuing their education through evening classes and online enrollment, we remain committed to the on-campus experience of community. This begins with a student-centered educational experience that better attends to the scheduling needs of our students, offers broader course content and availability and more intentionally integrates vocational or career aspirations with coursework.

The success of these efforts is inextricably linked to scholarship support. Only by removing the financial barriers for students pursuing vocations can we hope to attract and retain the most promising students and free them to learn and grow in community. Related to tuition support is the need for more affordable and modernized housing for those students who choose to live on campus. Together, scholarship support and housing relief will also unburden our students from unsustainable debt.

Fostering innovation in ministry and the work of spirit-filled justice

To round out changes in our curriculum and on-campus learning experiences, we are also reviving co-curricular initiatives. The existing Center for Lifelong Learning will be recast as the new Center for Innovation and Leadership in Ministry and serve students, alumni, and others seeking to find creative and courageous approaches to revitalizing ministry. Here, programming will train pastoral leaders, in particular, for service in rapidly changing church environments, as well as position them to lead fearlessly and prophetically.

Our second co-curricular center will be an expansion of the current Communities of Shalom. This initiative will focus on action, advocacy, and social justice work in both pastoral and lay environments. Projects will range from student interns supporting the work of A Future with Hope in our home state of New Jersey, advancing social justice in non-profit settings across the country and around the world, initiatives which seek to transform and end systemic poverty, expansion of our Partnership for Religion and Education in Prisons (PREP) program, and teaching residencies at Drew for prophetic leaders.

Success so far through our *One and All Campaign*

As the 14th dean of Drew Theological School, I am deeply committed to continuing our long and distinguished legacy. To this end, our vision is innovative, forward-looking, and grounded in the practical needs of our students. We hope, too, that it is an inspiration to the various constituencies we serve. I fully subscribe to the inimitable words of Antonio Machado, that “we make the road by walking.” The road to this bright future we envision will be made by the dedication, determination, and generosity of those who love Drew and believe in its future.

Our vision is coming to light, in part, because of the generosity of our many alumni-donors and friends. Our *One and All* fundraising campaign has raised more than \$12 million to date for the Theological School and has seed-funded many of our burgeoning efforts.

Also, I encourage our alumni to embrace your power of influence to help grow philanthropic support for Drew Theological School. Many of our largest gifts have come from the influence of alumni, particularly pastors who serve in our church communities. Yes, the needs ahead are many, yet our hope is high for a bright future for Drew Theological School. The road is made by walking. Let’s walk it together.

LIFF SCHOOL OF THEOLOGY

DENVER, COLORADO

REV. DR. THOMAS V. WOLFE, PRESIDENT & CEO

Greetings from the Liff School of Theology in Denver, Colorado. We wish you blessings as together we share the work of strengthening the Church and offering a compassionate presence to the World.

The Liff School of Theology's commitment to the Wesleyan ethos of providing hopeful, intellectually alive and spiritually grounded theological education for each and every student over the course of their lifetime continues. Liff's identity is focused on educating leaders for three primary publics: the world, the church and the academy. At Liff, we refuse to choose between being a training home only for ministerial candidates, a center only for activists and scholar-activists, or a school only for academics. We believe all three are inseparable and enhance one another as we deliberately situate ourselves in the world and critically operate out of the world's complexities.

As such, we recognize that the world's religious landscape is changing and there is much at stake. Liff recently completed its strategic plan, revised its curriculum, transformed its library, and initiated new relationships with other institutions. In collaboration with the people of Africa, we've started a discussion with Africa University (AU) to foster an educational alliance that will benefit Liff and AU students. We have also joined a multi-institutional collaboration facilitated by the General Board of Higher Education and Ministry and the HANA Scholarship to create a pipeline for Hispanic students from United Methodist-related secondary schools and historically black colleges leading to graduate-level theological education.

Liff's enrollment continues to be strong with 365 students joining us this academic year, 60% female and 40% male, 35% Methodist – all actively engaged in a host of ministry contexts. Their interest continues to be strong in Liff's online and hybrid classes. A concerted move by Liff to reduce student debt and grow the ability of students to lead financially sound, engaged communities continues, with many MDiv students participating in the Spiritually-Integrated Financial Resiliency Program, funded by a \$250,000 grant from the Lilly Endowment.

Liff's numerous events for area clergy and supporters remains part of our foundation via forums and conferences on social justice, food justice, the role of faith in politics, environmental stewardship, theology and disability inclusion, and more. Campus speakers included Rev. Gerald Durley, nationally-known civil rights leader and this year's Jameson Jones Preacher; Heather Jarvis, student debt reduction advocate; and more. Our efforts were duly noted by McCormick Theological Seminary's Center for Faith and Service when we were named as one of the nation's "Seminaries That Change the World," and our master of theology program was ranked seventh in the nation by OnlineColleges.net.

Central Texas Conference Journal 2016

We welcomed two new scholars to our faculty this year: Rev. Dr. Jennifer Leath, assistant professor of religion and social justice and ordained in the African Methodist Episcopal Church; and Rev. Michelle Watkins-Branch, Gerald L. Schlessman Professor in Methodist Studies and assistant professor of theology and ordained in the United Methodist Church. We continue to look forward with a courageous theological imagination. We are sincerely grateful for your support of theological education and the Ministerial Education Fund. www.iliff.edu 1-800-678-3360

Perkins unveiled a new degree option, the **master of theology (Th.M.)**, which began enrolling students in the Fall 2015 semester. The Th.M. degree is a second master's and requires 24 term hours within one of four divisions of study: The Biblical Witness, The Heritage and Context of Christianity, The Interpretation of the Christian Witness and The Theology and Practice of Ministry.

Additionally, Perkins revealed it will begin offering a Spanish-language master of theology (Th.M.) degree beginning in fall 2017. The degree, the first of its kind among the 13 United Methodist-related schools of theology, will be a nonresidential program designed for experienced full-time pastors or church/academic leaders.

Perkins also announced the creation of a first-of-its-kind degree, the doctor of pastoral music, which will begin enrolling students in 2016. Areas of focused study will include liturgy, congregational song, worship leadership, performance skills and the theological basis of church music.

Perkins thanks our many colleagues, friends, and alumni/ae across the connection for generous support in many ways, including referrals of prospective students, as we continue our vital mission of preparing women and men for faithful leadership in Christian ministry.

May 31, 2015, marks my retirement as dean of Perkins School of Theology. It has been my privilege to serve in this capacity since 2002. In our mission to prepare women and men for faithful leadership in Christian ministry, the students who have passed through the halls of this school and into the world of ministry are the focus of our work. I am honored to have been a part of their journey.

UNITED THEOLOGICAL SEMINARY

DAYTON, OHIO

DR. KENT MILLARD, INTERIM PRESIDENT

United Theological Seminary in Dayton, Ohio continues to educate a significant number of pastors and local church leaders for the Central Texas Conference of the United Methodist Church.

United has always focused on developing faithful, fruitful, inspired and inspiring pastors and local church leaders. 83% of the 2015 graduates of United are now serving in local congregations. 53% of the 2015 graduates from all other seminaries affiliated with the Association of Theological Seminaries are serving in local congregations.

Furthermore, 44% of the current 449 students at United are African American, which makes United one of the most racially diverse seminaries in the United States. An average of 12% of the student body at most seminaries in the United States are African American. 43% of the students at United are female, compared to an average of 33% at other United States seminaries.

United is also in the process of leadership transition. In November, Wendy Deichmann resigned as president and, after a well-deserved sabbatical, will return to serving as a professor of history and theology. Under President Deichmann, United was listed as one of the 12 fastest growing seminaries in the United States largely because of the growing doctor of ministry program and our online degree programs. 44% of United's students are in the master of divinity program, 41% are in the doctor of ministry program and 15% are in other degree or certificate programs.

In January, the United Board of Trustees selected Dr. Kent Millard, former pastor at St. Luke's United Methodist Church in Indianapolis, as interim president while the search for a new president continues.

St. Paul wrote to his young friend Timothy these words of advice: "I remind you to rekindle the gift of God that is within you through the laying on of my hands." Second Timothy 1:6

United Theological Seminary, along with the other 12 United Methodist Seminaries in the United States, is committed to helping persons "rekindle the gift of God that is within" to provide educated, inspired and inspiring spiritual leaders for the United Methodist Church throughout the world.

WESLEY THEOLOGICAL SEMINARY

WASHINGTON, D.C.

DAVID McALLISTER-WILSON, PRESIDENT

Called. Answered. Sent.

Wesley Theological Seminary has been equipping and sending forth prophetic preachers, teachers and leaders into diverse ministries throughout the church and around the world. Near and far, our alumni point to God's love even as they join the Spirit in making disciples and shaping healthy communities.

- With more than 410 master's-level students preparing for leadership in the church and the world, Wesley remains one of the largest and most diverse theological schools in North America.
- The Lewis Center for Church Leadership informs more than 17,000 pastors and lay leaders on trends and ideas through its e-newsletter. The center has influenced more than 5,600 church leaders through leadership assessments, sexual ethics trainings, and fundraising trainings.
- The new Institute for Community Engagement is forwarding Wesley's mission of raising prophetic leaders in the public square through classes, partnerships, conferences, and resources.

Wesley Students Are Answering God's Call

Wesley provides more than \$2 million dollars annually in scholarships to our students, thanks to the consistent support of alumni, congregations and friends of the seminary. The Ministerial Education Fund and conference partners help us equip a broad range of students to serve the church as pastors and leaders. These include:

- Two master of divinity students exploring ordination in the UMC who have created outreach opportunities for people who ordinarily would not consider going into a church. Zach Spoerl and Matt Wilke, working with three United Methodist churches and Wesley, have started Pub Theology in downtown D.C., drawing spiritual-but-not-religious young adults into Christian community.
- Master of theological studies student Jane Adams is working with denominations and congregations on issues of poverty and hunger in the US. As an intern at the Center for Faith-Based and Neighborhood Partnerships at the US Department of Health & Human Services, she provides tools for building on charitable activities such as food pantries and backpack ministries. As a member of a United Methodist congregation, she's putting her knowledge to work in her local church and neighborhood, too.

Christian leadership must innovate for greater faithfulness and be able to engage the full diversity of people within our society even while holding true to the foundations of our faith and tradition. The people named above – as well as so many more of our students – exemplify these aims. Read more about our students at wesleyseminary.edu/stories.

Mourning the Loss of a Christian Leader

The Rev. Clementa Pinckney was a doctor of ministry student at Wesley in the leadership excellence track. He was working on a research project on the combined role of pastor and statesman when his life was taken along with eight others at Mother Emanuel AME Church in Charleston, S.C. Rev. Pinckney exemplified the spiritually powerful and prophetic leadership that is at the core of our mission.

To ensure his legacy continues, Wesley has established scholarships in his name for doctor of ministry candidates seeking to empower their congregations, engage their communities, and influence public discourse. Additionally, Wesley has developed a doctor of ministry track exploring the intersection between public life and church leadership. This degree focus amplifies Wesley's mission and location and, we hope, will raise up leaders to continue Pinckney's legacy. <https://www.wesleyseminary.edu/doctorofministry/>

Center for Mission Support

OUR FOCUS

The Mission Support Leadership Team has been instrumental in helping organize our center and to establish center responsibilities along with pursuing objectives and plans for the Center as a whole and for helping each staff person more fully understand and live-out their relationship to the vision and mission of the Annual Conference and its connection to the larger global church. This has been accomplished around a spirit of collaboration and collegiality that has resulted in a more cohesive approach to ministry.

We have focused our ministry through the areas of:

1. Risk Taking Mission and service;
2. Intentional Faith Development;
3. Engaging in Ministry with the Poor, and;
4. Global Health

The Center for Mission support serves as a resource to equip people and local congregations to make disciples for Jesus Christ for the transformation of the world to the glory of God.

In 2015-16, the Center staff and leadership team has collaborated to further the work at the district and local church levels. As you will read in the reports that follow, we have worked hard to provide effective training, partnering, resourcing, and avenues for reaching out to, and building relationships with, individuals and communities both locally and internationally, in witness to the Gospel of Jesus Christ which addresses the whole person in body, mind, and spirit and offers redemption and acceptance into the family of God regardless of a person's status in life or in the community.

This witness has been seen within the development of ministries of justice, including immigration and other social reform, community development, disaster recovery, compassion, advocacy, presence, proclamation, and care for the sick, the prisoner, the hungry and thirsty, the stranger, and those without adequate shelter, clothing, jobs, education, and access to public and social benefits. In this way, the Center seeks to invite, empower, and support the missional life of every pastor, lay person, and congregation as vital to what it means to be a Christian in this world both in our own local communities and around the world, so that all come to a saving knowledge of Jesus Christ and participate in God's abundance for all people and all of creation.

In 2016-17 we will continue our focus of connecting, resourcing and partnering with agencies, individuals and churches in order to more adequately offer the redemptive love of Jesus Christ.

- We invite you to dream with us by answering the following questions.....

Central Texas Conference Journal 2016

- How can we help you meet the ministry needs of your community?
- How can we help you connect with other individuals/churches/agencies to reach out?
- How can we partner with you?

We want to hear from you on how we might better serve you to be faithful in making disciples in your local mission field in 2017-18. Send your suggestions and needs to me at randywild@ctcumc.org. Thank you for your faithfulness in being the church in this time.

In a letter received in late April from Becky Harrell, Mission Advocate - South Central Jurisdiction (Missionary), it states with clarity the effect that our local churches mission emphasis is having within in our conference. While this is congratulating the CTC please understand we all know that the local church is the engine that makes all the ministry that we are being celebrated for happen!!

".....Please find attached the Summary of 2015 Giving through the Advance of the United Methodist Church for the South Central Jurisdiction, as well as a recap of each conference noting total giving by District.

Congratulations go out to the **Central Texas Conference** who had the only increase in project giving between 2015 and 2016 and the highest number of churches participating in giving as well in the entire SCJ.

In Missionary support **Central Texas Conference** led in giving increases. Also with Missionary support increases were **Louisiana, Missouri and Southwest Texas Conferences in 2015**.

Congratulations to the **Central Texas Conference** for overall increases in 2015, which they attribute in part to the number of churches hearing the missionary story from itinerating missionaries."

Below you will find just a smattering of the reports from various ministries that relate to the Center for Mission Support and how we have attempted, through partnering and resourcing, to energize and equip the local church within the bounds of the CTC. One of our foci in 2015-16 is to work with each of the districts to specifically target 30 churches develop a strategic plan of mission and ministry to reach the poor and needy of their community. In addition, it is quite evident that the mission field in our local church settings and across the conference are becoming more diverse. In 2016, we want to strategically follow up on the annual conference emphasis on diversity, inclusiveness, and being in ministry with those who are different than us by bringing resources to help the local church be more involved in ministry within their changing neighborhoods and communities.

UNITED METHODIST WOMEN

issues confronting us today are social justice issues. We are here to pray, to advocate, to be strong, to be informed and to work in the name of Jesus Christ, our Lord and Savior. Our goal is to put faith, hope and love into action.

United Methodist Women on all levels from the local organization to United Methodist Women National strive to live out our Purpose of being a community of women who yearn to know God through Jesus Christ, to creatively develop a supportive fellowship as we work in risk-taking missions both at home and abroad while developing strong leaders in the process.

Since last Annual Conference, we've traveled to UMCOR - Sager Brown, in Baldwin, Louisiana and assisted in their ministries of creating health and school kits, flood buckets, sewing school bags, working in the community and beautifying the grounds. We had wonderful leadership, worship and fellowship. We were even blessed with lovely weather in Louisiana for late June and early July.

In late July we celebrated learning at Mission "U" in 3 glorious locations, first at First UMC Killeen, then at Genesis UMC in Fort Worth and lastly at Glen Lake Camp. The studies were: The Pursuit of Happiness, Latin America and The Church and People with Disabilities. It was my privilege to lead the children's study on Latin America. We learned so much and celebrated in a great way the people, the histories and the countries of Latin America.

Be sure to attend Mission "U" this year at Glen Lake Camp August 5 – 7, 2016. The studies will be The Bible and Human Sexuality and Climate Justice.

Two of our United Methodist Women attended the 2015 National Seminar in Chicago in August. They attended workshops, worship, Bible study and had a day advocating to help keep the inpatient pediatrics unit open at the John H. Stroger Jr. Hospital of Cook County. They are even pictured in the United Methodist Women's mission magazine, response, on page 15 of the January 2016 issue.

Many of our churches celebrated United Methodist Women's Sunday either in September or on another date. This gave local United Methodist Women an opportunity to share some of what they know, love and appreciate about the organization with their congregations.

Austin Avenue UMC in Waco showered us with remarkable hospitality for the United Methodist Women's District Officer Leadership Development and the Annual Autumn Gathering October 2nd and 3rd. We had great singing, speakers, entertainment, an inspiring installation and took care of the business of the Conference United Methodist Women. We look forward this year celebrating September 30th and October 1st at First UMC Brownwood.

United Community Centers, the only mission institution of the United Methodist Church in our conference, is the conference UMW project for this year. Each local UMW organization collects "Pocket Change" for United Community Centers. The money collected in each District will go to different needs of United Community Centers. West District Change goes to Educational Enrichment Activities. East

Central Texas Conference Journal 2016

District Change goes to improve Technology. South District Change goes for Educational Supplies. North District Change goes for Food for the Food Pantry. Central District Change goes for Center Equipment. As President of the Conference United Methodist Women, it is a privilege to serve on the Board of United Community Centers. It's heart-warming to hear each month how the lives of those involved are enriched by the staff and work of United Community Centers.

December 8th was the Christmas Party for United Community Centers ACT III Youth. Everyone had a great time. We had food, entertainment, games, gifts, songs, a reenactment of the Christmas story and the wonderful cookie walk to end the evening. Thanks to all who baked or bought cookies and participated in the event.

The United Methodist Women's Legislative Event in Austin was January 24 – 26, 2016. It was an inspiring and informational event. The Legislative Priorities for 2016 include: Quality Education, Affordable Healthcare, Living Water and Religious Liberty.

First UMC Alvarado was the site of Sing-a-Rainbow February 20. The theme was "For Such a Time as This" and featured three inspiring speakers and great music. The topic was mass incarceration. Each of us learned so much about this topic.

March 11-12 was the Spiritual Growth Retreat at Camp Arrowhead. Rev. Marilyn Jones was the speaker for the event entitled "Replanted: A Truly Happy Person." Not only were our spirits lifted but we enjoyed hands-on mission activities and met new sisters in Christ.

For the South Central Jurisdiction Quadrennial meeting April 15 – 17 we traveled to Oklahoma City. There we elected new jurisdictional officers and directors for the Board of Directors of UMW National, experienced great worship, attended workshops, mission ministries and celebrated all things United Methodist Women. The theme was "A Fresh Wind Blowing."

First UMC Red Oak was the site of the Young Women's / Teen Event especially for ages 12 to 18. We had a great day of learning, fun and excitement.

It has also been my privilege to serve on the Wesleyan Homes Board in Georgetown. What a wonderful and sacred ministry for seniors. They're building and creatively planning to keep up with the new trends and directions for senior care.

The past four years have been an exciting time in my life getting to share so many experiences with the United Methodist Women of our conference. I thank each of you for allowing me the privilege and honor of serving as your president. The conference and district teams are here to help in any way possible. To learn more about United Methodist Women go to ctcumw.org. Blessings, Grace and Peace to each of you.

MISSIONARY COVENANT RELATIONSHIP AWARDS CENTRAL TEXAS ANNUAL CONFERENCE CALENDAR YEAR 2015

G

Congratulations to these fifty-five Central Texas Conference churches who fulfilled their covenant relationship with a United Methodist Global Ministries missionary in 2015, or participated in "In Mission Together". The covenant relationship commitment is a financial contribution of \$2500/year or \$5/member/year, whichever is less and an ongoing relationship of prayer and support during the year. The Central Texas Conference's total missionary giving for 2015 was \$123,955.

DISASTER RESPONSE

REV. LARAINÉ WAUGHTAL, DISASTER RESPONSE COORDINATOR
LARAINÉ@CTCUMC.ORG

The 2015 year was one like we have not ever seen as far as numbers of disasters. Our Early Response Teams (ERT's) responded to five different disasters within the conference, one in the Rio Texas Conference and one in the North Texas Conference.

Our first response was to the tornado/flooding in Eastland and Cisco in the spring. We had a number of teams respond to this area. Morgan Mill was hit next with a tornado hitting some of the community and mostly a large number of trees at the United Methodist Church. Fortunately, they have a large ER team and self-deployed to their own community and took care of their needs. We also sent two teams at this time to help with the massive flooding in Wimberley and San Marcos. Immediately following those floods came the flooding in Williamson County (mostly Taylor, TX currently 60 homes in process of repairs and rebuilds) and Navarro County (Corsicana, TX – Over 200 homes in process). Sadly, Corsicana flooded three times in 2015 with over 80" of rain. There was nowhere for the water to go.

Just when we thought we might have a break with winter time the unexpected tragedy of the Christmas tornadoes occurred. On December 26th, tornadoes hit Ovilla, Red Oak, Midlothian, and Waxahachie and a part of Glenn Heights within our own conference. We also, picked up the work for Dallas County Glenn Heights for the North Texas Conference since they were so busy with the large tornado disasters of their own in the Garland/Rowlett area. Our area involves 293 homes. As we continue to grow our teams and respond, this was our most well rounded responses to date. We managed 241 United Methodist Volunteers working 1,931 volunteer hours in one week. These numbers reflect volunteers from 13 United

~ 256 ~

Central Texas Conference Journal 2016

Methodist Churches within our conference. We also managed another 350 volunteers involving another 2,120 volunteer hours who showed up to help from other churches and organizations. Our Case Managers, Emotional and Spiritual Care Team members, Task Force members, church members from the local UM churches and others showed up to help to work in the debris field, visit and support with survivors, register them for help and manage donations. The Ovilla UMC opened their church to be the distribution center for donated supplies as well as housing the ER team supplies. They are now housing one of the local churches that was destroyed in the disaster while they rebuild.

We continue to provide Case Management in West for the final four homes. Our ending date was delayed due to the heavy rains slowing construction. We are almost there after three years in April! With not all reports being final here are our current numbers from West: Through our Case Management process the United Methodist church has been responsible for allocating funds totaling \$5,967,292.77 to date. These funds came from donations to West, UMCOR and YOU. We expect to be close to the seven million dollar mark once all of the files are closed. This money does not reflect all the other agencies who gave and supported the recovery through case management like the area churches, Salvation Army and Red Cross. We have touched the lives of 630 families in West.

We are now providing Case Management and Construction Coordinators and volunteers for Taylor, Corsicana, and Ellis County. You will read more about our UVMIM teams helping with the rebuilds in the UVMIM report.

We sent out a total of 35 teams in all of our new disasters this year. Many of these teams went out multiple times. We have held two trainings for Emotional and Spiritual Care Teams. Four trainings for new Early Response teams and four re-certification trainings for a total of 156 Early Response people trained in 2015. We also have had two trainings for Case Managers. We trained a total of 3 employees and 15 volunteer Case Managers.

The Central Texas Conference also received a grant from UMCOR to temporarily employ Nikki Leaverton, who is currently our Case Management Supervisor for all of our disasters and now also an UMCOR consultant, to help us further develop our Emotional and Spiritual Care training across the conference. She is also developing a new curriculum that we will be using to teach those who work with children and youth on how to help them when a disaster has occurred. This can be for anything from a school bus accident to natural disasters. We hope to be rolling this out in the summer and fall of 2016. We sent several people for advanced disaster training to the South Central Jurisdictional Academy which was held right in our own conference in Midlothian, and to the National UMCOR in Louisiana.

From our National Academy we were trained on a revamped/new program called Connecting Neighbors which comes in three different modules. This program will allow churches to receive materials for 1) Families on how to prepare for a disaster 2) How to prepare your church for a disaster within its own building and 3) How to respond to your own community in the event of a disaster. This program will be rolled out in the fall of 2016. The website for more information and registering for

REV. LARAINE WAUGHTAL, DISASTER RESPONSE COORDINATOR

LARAINE@CTCUMC.ORG

In 2015 we have had a busy year both at the church level and conference level with mission opportunities. Churches from across the conference are participating in mission trips across the United States and around the world. Churches are also taking advantage of our accident and medical insurance available for the low cost of \$2.67 per day per person. We have accident ONLY insurance available for United States trips for only \$1 per day per person. Please check our webpage at <http://www.ctcumc.org/missiontripinsurance> for more information.

G

We are also pleased that our mission partnership with the Oklahoma Indian Missionary Conference is complete. They are eager and ready to welcome team to come and help them with repairs on their camps and churches. They are also needing wheelchair ramps in a variety of places. This trip is nice and close and makes it easy travel for most of our conference. For more details please check our webpage at <http://www.ctcumc.org/oklahomaindianmissionconference> to find your application form to start your process. They have places for your groups to stay with wonderful kitchens. Three teams have already been and we are looking for many more to go!

We are also looking at a trip to Northeast Oklahoma where there is a large area that has no running water in their homes. We are talking to the conference about providing water filters for the families so they can have clean drinking water. Please watch for more details! Let us help our neighbors!

The conference also sponsored a mission trip to Sager Brown in Louisiana for our older adults to the UMCOR depot site where disaster supplies and kits are put together, stored and shipped when a disaster occurs. Everyone had a great time and we will be returning again in the fall. Sign up now because space is limited! The web location is <http://www.ctcumc.org/sagerbrownmissiontrip>. This year's dates are September 18-23rd.

In 2017, we are looking at possible mission trips to Haiti and Japan. The Haiti trip will be an invitation for multiple churches to send a couple of team members each so you can learn about leading missions overseas. Team members will be encouraged to come back and lead trips to Haiti themselves. This trip is very exciting and something most everyone can do. Clean drinking water is a huge issue still in Haiti. The team will raise money for water filters that can go to each family that will filter a million gallons of water! Each filter only costs about \$50 each. Be watching for more details.

In 2015, 6 UMVIM Leadership trainings were held across the conference training 55 new mission leaders. Participants have found this new four hour training to be extremely helpful as we guide you in how to plan a trip and budget, and what things to watch for, what to ask, and how to understand that mission is a journey. Seasoned veterans of missions have given high praise to this training, stating they learned things they never knew and are certain they will use the learnings. Central Texas Conference Youth Ministry

CLAIRE CONDREY, COORDINATOR OF YOUTH MINISTRIES

CLAIRECONDREY@CYCUMC.ORG

The 2015-2016 year has been a great one for the Conference Youth Ministry. Youth Workers from across our conference have been committed to not only their local church Youth Ministry, but also to supporting one another. Over the course of the year, Youth Workers have participated in the Youth Worker Sabbath, and Youth Worker gatherings and Accountability Groups.

Youth Worker Sabbath, held at Stillwater Lodge in Glen Rose provided a time for Youth Workers to recharge after busy summers of mission trips, spiritual retreats, and more. Rev. Margret Field and Rev. Leslie Byrd shared impactful lessons on self-care. Youth Worker gatherings were held across the conference. These informal gatherings provide a time of brainstorming and ministry support. Youth Worker Accountability Groups were held in the north, central, and southern part of our conference. Youth Workers attended these meetings for an intentional time of accountability and continuing education. Our conference is truly blessed by dedicated, caring and devoted Youth Workers who strive every day to follow the mission of our UMC and make disciples of Jesus Christ for the transformation of the world.

Our Conference Youth Ministry leadership teams worked incredibly hard in the 2015-2016 year. Mid-Winter 2016 had 467 participants during its two weekends and CTCYM had 1,603 participants during its two weeks. Following this you will see reports from our Conference Council on Youth Ministry President, Taylor Vaughn, and one of our CTCYM Advisory Task Force Team Members, T.J. Wilkins. Taylor is serving her second year on CCYM, and her first year as President. Taylor is a junior in high school and attends FUMC Grapevine. T.J. Wilkins is serving his second year on the ATFT. He is a sophomore at Oklahoma State University and a member at City Point United Methodist in North Richland Hills.

Central Texas Conference Council on Youth Ministry

TAYLOR VAUGHAN, CCYM PRESIDENT

CENTRAL TEXAS CONFERENCE YOUTH IN MISSION

The Central Texas Conference Council on Youth Ministry (CCYM) is a conference wide group of youth leaders that are dedicated to growing the faith of the youth in

Central Texas Conference Journal 2016

the Central Texas Conference. Over the past year, our CCYM team has grown; we are now a team of 30 youth and adults. Throughout the 2015-2016 year CCYM met once every three months to plan events and grow not only in our faith, but also in our leadership abilities.

Each year one of our biggest responsibilities is the planning and organizing of our conference wide youth spiritual retreat, Mid-Winter. Mid-Winter takes place at Glen Lake Camp in Glen Rose, TX during two separate weekends in February. At Mid-Winter, participants get an opportunity to worship and serve the Lord, and also play games and interact with youth and adults from different churches. The theme of Mid-Winter 2016 was "Rooted: God's Story. Our Story. My Story." In the morning and evenings, we spent time in worship with music from Bus Seven and messages from Reverend Melissa Turkett. Through small groups and Reverend Turkett's messages we explored how we each have our own story and still connected to one another. Our second weekend had a mission focus. On Saturday morning each small group was assigned a project on the Glen Lake campus. Some groups did yard work, some cleaned eyeglasses through a mission called VOLT, and others painted the Ellis Education building and built a new bench for the camp. Also at our second weekend, during Sunday morning closing worship, we had a special guest join us for communion. Bishop Lowry came and worshipped with us and consecrated communion. As the CCYM President, I was asked to help serve communion with Bishop Lowry. Being the age I am, it was quite a huge honor to get to serve alongside such a prestigious figure in our United Methodist Church. All of the attendees of this Mid-Winter were in complete amazement and very grateful that Bishop was able to come and spend the morning with us.

This year, we added a new leadership weekend for our CCYM called Mock Mid-Winter. CCYM met in January to film the rules video, pray intentionally for Mid-Winter Glen Lake and practice the Mid-Winter small group curriculum together. The CCYM youth had a lot of responsibility behind the scenes. They were assigned to different committees such as publicity, curriculum, worship and outreach. During these weekends, our CCYM youth led small groups for youth ranging from grades 7-12.

This year we are working towards building our Youth Service Fund, money raised by youth, for youth, for youth purposes. The CTC YSF helps to support the ministry of CCYM. To raise money for YSF, at Mid-Winter we sold bracelets from Threads of Hope. Half of the proceeds supported Threads of Hope, and the other half supported YSF. Threads of Hope is a non-profit ministry in the Philippines. Locals weave beautiful bracelets that are sold in the US and other places. The sales of these bracelets help to provide a livelihood in the Philippines.

CCYM has not only introduced me to new people that I would usually not have met, but it has also brought me the closest to God that I have ever been. As CCYM we enjoy meeting and working together with one common focus. We have youth ranging from 8th-12th grade and adults that work alongside us to bring new ideas and lots of fun to our meetings. We are grateful for the support of our amazing

Central Texas Conference Journal 2016

adults who have taught us what it means to be a true faithful follower and lover of Jesus Christ. We cannot wait to see where our next adventure will take us.

Report from the CTCYM Advisory Task Force

T. J. WILKINS, ADVISORY TASK FORCE MEMBER

This year is an extremely exciting time to be a part of the Advisory Task Force Team. We are very excited about CTCYM 2016! It has been amazing to see our plans come together as we prepare to head to Arkansas and North Texas this summer. Our theme "Now What?" allows us the opportunity to build off of last year's theme of "Do Good," while also serving those experiencing CTCYM for the first time. Many times we leave mission trip with a mountain top experience but often times don't know what our next steps should be. It's often easy to serve while on mission trip because you are surrounded by a spectacular group of people that share a common goal and mission. The idea behind this year's theme, is to supply participants with the tools, knowledge, and support to transfer what they learn and experience on CTCYM to the remaining 51 weeks of the year. We have received an enormous amount of excitement and enthusiasm from the communities we will be serving this summer, and are very eager to connect with their members and hopefully impact their lives as much as they will impact ours. We have partnered with fourteen incredible churches in Arkansas and five in North Texas that will serve as living centers for this amazing mission.

The CTCYM Advisory Task Force Team, ATFT, is responsible for the overall coordination of this mission experience. Over the past couple years, the amount of youth involvement within the team has been outstanding. I currently serve on the team as a young adult and it is extremely encouraging to see more youth getting involved, voicing their ideas and taking leadership roles. In many ways, I believe this has revitalized the team by allowing us to approach our planning from a different perspective. One that allows us to proactively plan for growth and improvement. The team has worked incredibly hard preparing for 2016, and we have already begun planning for not only 2017 but also 2018. In June of 2017, we will be serving the State of Oklahoma, and in July will be serving Central Texas. As we look to the future, we are extremely excited about the addition of a new state to our service area. For 2018, we will be serving the state of New Mexico. We have received great anticipation and open arms from the communities and churches in New Mexico regarding this decision, and are looking forward to expand our mission opportunities to a neighboring state. We are excited about our theme for 2017 and cannot wait to unveil it at our 2016 closing worships.

JUSTICE FOR OUR NEIGHBORS

The Central Texas Conference is pleased to have continued our budgetary support for JFON for 2015 at \$36,000 and to be contributing that amount again in 2016. Through the use of the Peace with Justice offering proceeds, funds were made available to resource partnerships with Justice for our Neighbors and local church

learning and ministry and a \$5000 matching grant was provided for contributions from new donors.

SAGER BROWN OLDER ADULTS MISSION TRIP

REV. GORDON JOHNSON, TRIP LEADER

A team of older adults from the Central Texas Conference spent the week of September 7-11, 2015 at Sager Brown Depot, Baldwin, Louisiana. Twenty-six folks from Poolville UMC, Wellspring UMC, New World UMC, First UMC Midlothian, Trinity UMC (Arlington), and Brock UMC made up the team.

During our stay our members put together three thousand school kits and an unknown number of layette kits. We kept running out of diapers! Besides working at the Depot putting together emergency kits, team members also put in time at the local women's shelter sorting clothes and building shelving. Members of the team also help prepare beds and shelves for the new dormitory which will be opened soon.

Our next older adult mission to Sager Brown Depot is scheduled for September 18-23, 2016.

ENGAGING IN MINISTRY WITH THE POOR

MISSION BACKPACK

Mission Backpack is an initiative designed to energize and equip local churches to be involved in ministry with the poor in their local communities by partnering with their neighborhood schools to provide weekend food for children with food insecurity. In 2015, two new backpack ministries were started in the Central Texas Conference communities, making a total of seventeen new starts since the initiation of this ministry opportunity. Through the Christ-centered love of these congregations, backpacks of food were delivered to children with food insecurity, relationships were built between local congregations and community schools, and disciples grew in their understanding of transforming the world, one hungry child at a time. During 2016-2017, we will be working with churches to expand the connection they have with local school with the goal of expanding backpack ministries to include more opportunities for relationship building. To apply for a Mission Backpack grant or inquire about other ministry opportunities with local schools, contact Rev. Dawne Phillips at dawne@ctcumc.org.

ROSEDALE NEIGHBORING INITIATIVE

With the move of the Central Texas Conference Service Center to the Rosedale location came the new opportunity to represent Christ in our new neighborhood. To work toward accomplishing this goal Bishop Lowry and the Cabinet appointed Rev. Tomeca Richardson in a part-time capacity as a Community Development Missioner. Much of Rev. Richardson's preliminary work has focused on getting to

Central Texas Conference Journal 2016

know the neighborhood surrounding the Service Center and building relationships with the community ministries that exist in the area. Our first community endeavor was our conference Christmas party: a Christmas “block party” serving chili and desserts in the Service Center parking lot to approximately 200 neighbors. In addition, the CTC Service Center staff provided over \$1000 in gift cards for four students with exceptional need selected by Polytechnic High School guidance counselors. In spring, 2016, the CTC Service Center partnered with the Idea Youth Center to provide backpacks of personal hygiene items to 20 at-risk young men age 14-18 who are served by this local ministry. Rev. Richardson continues to research ways churches can partner with agencies serving the Rosedale neighborhood.

BEYOND THESE WALLS LEARNING OPPORTUNITY

The Center for Mission Support provided scholarships opportunities for mission leaders from The Central Texas Conference to attend the “Beyond These Walls” mission conference in Atlanta, Georgia in January, 2016. Thirteen mission leaders from Central Texas participated in this learning opportunity, four of whom received a partial scholarship from The Center for Mission Support. Those who attended are serving in an advisory capacity in the development of a conference-wide missional learning opportunity in late 2016 or early 2017.

CTC SERVE

The idea for CTC Serve began in late 2014 with a desire to promote a conference wide service day. Texas Hunger Initiative and the Central Texas Conference began collaborating to create this service day with a focus on eradicating hunger in our own area of Central Texas. CTC Serve was announced at Annual Conference 2015 and throughout the summer, visits with different churches were made to help in brainstorming about what their CTC Serve day might look like, and how this project could eventually turn into ongoing ministry.

A county guide was created, consisting of the hunger relief organizations with their contact information in the counties that were represented by churches who had signed up to participate in CTC Serve. On September 13th or throughout the month of September, Central Texas Conference churches served their communities in a number of ways, including food drives, planting community gardens, holding cooking classes, and engaging in community meals with clients of preexisting ministries.

Over 90 churches signed up to participate in CTC Serve, and we heard back from over 45 churches about their efforts. Every district was represented, and 2,413 people were out serving their community. A total of \$32,253, including \$9,500 of grant money, was spent on projects for the day. Some examples of outcomes include the following:

- 2,348 pounds of food and 936 grocery bags of food were collected
- 12,096 meals for Kids Against Hunger were packaged
- 24,828 meals were given to the hungry

Central Texas Conference Journal 2016

A total of 5,339 hours of service work were put into projects and building relationships with people of the local communities. In the evening of September 13th, five generous churches donated their time and resources to hold a closing worship throughout the conference, held at Austin Avenue, St Luke, Bedford, Acton, and Troy.

In one of the world's richest countries, we are sometimes surprised at the enormous need for something as simple as food. St. Andrews of Fort Worth went out to feed people dinner, and "I tell you it was heartwarming. They were so appreciative. This was the first time some of our members had the opportunity to go into the community, and they were overwhelmed." Bedford FUMC experienced new relationship building when they had "many people from different races and faith coming for food. We had a group of young Muslim women coming in for groceries. They were nervous coming through the door, but now they know that we are able and willing to help". This day allowed churches to serve in new ways because of the increase of awareness for their members and, as Epworth UMC experienced "It was great to witness one of our guests who doesn't financially give to the church become inspired enough to rally her family to donate 200 food items to the cause." According to FUMC Florence, "After this event, there was a renewed excitement in the congregation about our service and mission in our local community. I am excited to see where God takes us from here."

We hope CTC Serve was able to spur excitement in your congregations for hunger relief in your communities and have continued its ministries with hunger throughout the year. We look forward to **another great CTC Serve on September 11th, 2016!** To get connected, visit www.ctcumc.org/ctcserve or e-mail CTC Serve Intern Kaitlyn Frantz at kaitlyn@ctcumc.org.

PROJECT TRANSFORMATION CENTRAL TEXAS REV. PHILIP RHODES, CORE LEADERSHIP TEAM CHAIR

We are thrilled to announce that Project Transformation has approved the opening of a new chapter in the Central Texas Conference! The mission of Project Transformation is to engage young adults in purposeful leadership and ministry, support underserved children and families, and connect churches to communities in need.

Project Transformation began in the North Texas Conference in 1998, and has been successfully replicated in Oklahoma, Tennessee, and San Antonio. The effort to open a new chapter in our conference began with a visioning meeting in October 2015. At this gathering Bishop Lowry opened us with a call to prayerfully consider how God is moving in our conference and whether Project Transformation might be a part of that work.

From the visioning meeting we found volunteers eager to serve on the leadership team as we work together to launch the program in the summer of 2017. Each summer the college aged interns live in community, and we are excited that Texas Wesleyan University will be partnering with us to provide housing. We will also be

Central Texas Conference Journal 2016

partnering with Tarrant Area Food Bank to provide meals for the children in the program each day.

Partnerships are crucial to the success of Project Transformation. As we prepare for next summer we will actively build partnerships with churches who would like to be sites as well as those who can provide volunteers, financial contributions, and prayers.

We are grateful for the support of the Central Texas Conference as they have provided us with guidance, leadership, funding, and support as we bring this amazing ministry to the people of our conference. Please join us in prayer for:

- The leadership team - that they would be united in the spirit of Christ.
- The executive director.
- Site churches – prepare their hearts for the transformation God has planned for them. Pray that they will welcome the interns and children with a spirit of love.
- Partner churches to commit their prayers, time as volunteers, and financial gifts.
- The interns to be ready to humbly serve God.

INTENTIONAL FAITH DEVELOPMENT

REV. AMBER MASSINGILL,
ASSOCIATE DIRECTOR FOR FAITH FORMATION

MINISTRY SAFE

MinistrySafe was approved at Annual Conference 2014 as the official resource equipping churches in The Central Texas Conference to develop and implement a foundational safety system for ministry with children and youth with a target date of Annual Conference 2015 for compliance. CTC MinistrySafe policies for children and youth were approved at Annual Conference 2015. Two trainings were held in Fall, 2015 regarding the screening processes involved in MinistrySafe compliance: the volunteer or staff application, reference checks, interviews, on-line training and background checks. The CTC MinistrySafe Oversight Committee continues to meet quarterly or more frequently if necessary to answer questions or secure additional clarification or training on particular issues. In addition, the oversight committee has implemented a monthly Ministry-Safe newsletter for local church Safety System Administrators with additional information on particular topics of interest and opportunities for local churches to ask questions or share best practices. Together, we continue to grow into our vision that our churches are informed and prepared for ministry with the best safety practices available.

CHILDREN'S MINISTRY COACHING

The Central Texas Conference partnered this year with Rev. Dr. Leanne Hadley and the Texas Methodist Foundation to bring this innovative pilot program to our local churches. Thanks to a generous grant from Texas Methodist Foundation, 21 CTC congregations will be working with Dr. Hadley for three years to develop

Central Texas Conference Journal 2016

children's leaders and implement spiritual formation practices in their children's ministry.

The goal of the coaching program is to help congregations develop a vision and resources for children's ministry beyond Sunday school lessons; to help hurting children and families; and to enable children to be a vital part of the church's mission in the world.

CONFIRMATION CELEBRATION

Confirmation classes from around the conference came together on April 2nd, 2016 at FUMC Cleburne to learn how to be fully engaged in the community of God with their Prayers, Presence, Gifts, Service, and Witness. Thank you to the breakout leaders who lead workshops in these five areas of Christian commitment, to our worship leaders- the youth praise band from Methodist Children's Home, and especially to Bishop Mike Lowry for his wisdom and blessing upon the Confirmands.

BISHOP'S BIBLE CAMP FOR KIDS

The Central Texas Conference partnered with Glen Lake Camp this year to bring together 3rd & 4th graders for Bible Camp. Over 100 participants came together from all 5 Districts of the Conference to ignite a passion for reading scripture in our young people. This year 3rd & 4th Grade Bible Camp will be held at Glen Lake on September 16-17.

BISHOP'S BIBLE CAMP FOR ADULTS

Approximately 65 participants joined together in September, 2015 discussing NT Wright's study on Romans with Bishop Mike Lowry.

YOUNG ADULTS

The Central Texas Conference sponsored two Young Adult mission trips this year in an effort to grow future leaders and provide missional engagement for our Young Adults through the UMVIM program.

Africa: a group of 8 young adults travelled to Tanzania during the summer of 2015 to work for a week with the Angel House secondary school and orphanage. The team provided after-school enrichment, Bible study, and practical help around the campus like painting.

Waco, TX: a group of 12 young adults spent a week in January 2016 in Waco, helping build a guest house at the Susannah Wesley house and participating in Mission Waco. The Susannah Wesley house is an intentional Christian community of adults supported by Missional Wisdom Foundation, a UM related ministry.

Both teams participated in UMVIM training and received grants from the Central Texas Conference for leadership development in the area of Missions and Young Adult faith formation.

STEPPING STONES FOR INTENTIONAL FAITH DEVELOPMENT

We are excited to lift up 7 Stepping Stones to help local churches deepen their disciple-making ministries. These life-transforming practices are not new, but they can be neglected as life and ministry in the 21st century grows more complex.

We believe these 7 Stepping Stones are foundational to becoming a mature disciple. They can be experienced separately, or used together to create even deeper spiritual growth. Whether they are used in small groups, adult classes, mission trips, youth group, etc., these Stepping Stones can help churches provide deeper Discipleship opportunities and foster life-long faith development.

2015 CTC ANNUAL CONFERENCE MONITORING

Fifteen volunteers conducted monitoring of the 2015 Central Texas Conference Annual Conference June 7-9, 2015. These monitors reflected diversity in gender, age, and racial/ethnic background. Eight of the volunteers were lay representatives and seven were clergy. Each session was monitored for inclusive language and behavior. The monitors were asked to answer the following questions for each session they monitored:

- Was there comparable treatment of all people? If not, please explain, giving specific examples.
- Did you see any examples of accommodations for people with disabilities? If not, what could be done to improve the experience for people with disabilities?
- Were there any examples of “exclusivity” that you’d like to call to our attention? Please be specific.
- In what ways is our conference working to be more effectively engaged in ministry with the diverse and growing demographic groups?
- Additional comments.

Central Texas Conference Journal 2016

The questionnaires were anonymous, but monitors was asked to provide their racial/ethnic identity and gender to determine if there were any trends in responses from different racial/ethnic or gender groups. No variances were noted.

FINDINGS: The responses reflect an overall inclusiveness in all meetings. There were numerous affirmations of comparable treatment of all people. It was noted hearing impaired interpretation was available as well as accommodations and preferential seating for wheelchairs. However, there are still areas for improvement.

OBSERVATIONS: The following improvements to this year's conference were noted:

- The training and preaching emphasized inclusiveness.
- Meeting room setup included numerous screens to assist in viewing visuals.
- Attention was brought to the entire body several times that signing and handicapped seating was available. Signer was placed in a position easily assessable to the hearing impaired.
- There was well marked seating in all sessions for those with wheelchairs and walkers. Special attention was given to a candidate to accommodate her mobility challenges. There were plenty of handicapped seating and parking spaces.
- Worship included some multi-cultural choirs singing in different languages.
- Youth participation was noted in several areas.
- There was continued encouragement for churches to reach out into their local missional field to improve the inclusiveness of our membership. Their emphasis on inclusiveness will be reflected in a more diverse lay representation at the Conference.
- There were no instances of non-inclusive language.
- Numerous examples that our Conference is evolving into a more inclusive and diverse community were noted
 - Two churches joining to become a multi-cultural community
 - Waco new-start church helping African American community
 - ❖ There was an increase in minority/gender representation in leadership positions. An African American was named the leader of our Elder fellowship. A female clergy was recognized for her exceptional preaching skills.
 - ❖ HCI emphasizes ministries WITH diverse communities rather than FOR them.
 - ❖ Local churches are taking more responsibility in reaching out for the diverse ethnic groups in their mission fields.
 - ❖ Continued emphasis on extending Campus Ministry in different ways was evident.

RECOMMENDATIONS: To continue to improve inclusiveness, it is recommended that we strive for the following:

- Review all visual presentations prior to conference to ensure they can be easily read from a distance.
- Continue to train in the usage of non-discriminatory vocabularies.

Central Texas Conference Journal 2016

- Strive for more diverse worship leaders and speakers at Annual Conference.
- Continue to identify clergy gifts and graces to place them in churches which maximize the fruits of their labors.
- Communion was logistically difficult for those with physical difficulties. More concern should be given to the process of serving those with special needs
- Continue to include the monitoring form in the Preliminary Report so any attendee can comment on their observations.
- Consider equal representation of scholarship awardees.

GLEN LAKE CAMP & RETREAT CENTER

NATALIE DAVIDSON, EXECUTIVE DIRECTOR

It has been an adventure at Glen Lake Camp over the past year. God is inspiring the staff through a renewed mission to make disciples of Jesus Christ for the transformation of the world. The mission is guiding our work and strategic planning as we reflect on last year and move into 2016.

The last year brought us several new staff members as ministry needs were evaluated and open positions were filled. Mike Ford's contribution to Summer Camp and the full time staff was immeasurable. Mike helped the staff gain confidence and was instrumental in helping revitalize the team's passion for camping and retreat ministry.

Sara Lattimore joined our team with experience in Christian program development and implementation. Sara tackled her first summer at Glen Lake by adopting an already planned intense dual camp schedule. She trained and supervised a summer staff of over 40. The summer proved to be a success in offering multiple options to all campers. Sara has provided the same options for Summer 2016 with a combination of age group offerings.

D'Ann Christian joined our team in a new role as Still Water Lodge Hostess. D'Ann has connected with retreat groups and has developed an incredible hospitality experience at SWL. She is optimizing all that SWL has to offer groups during their stay. D'Ann is committed to our mission to make disciples of Jesus Christ through her genuine hospitality.

Daran Miller joined our team in November as the Director of Recreation. Daran brings over 7 years of experience in camping ministry. Daran will be evaluating and assessing all of our recreation options for Summer Camp and retreat ministries. Daran is also helping Glen Lake rebuild a volunteer program. Summer Camp and work team volunteers help Glen Lake fulfill our ministry goals and diversify our ministry. Daran is working to get connected to our conference members and help them get plugged into camp and retreat ministry.

It has been exciting to spend four months with a complete staff. The team is tackling the strategic plan the Board of Directors approved at beginning of 2015. Each area

G

Reports - CFMS

Central Texas Conference Journal 2016

of ministry has been impacted by the plan and evident in not only group participation and retention, but in revenue. Glen Lake had an additional 245 campers attend Summer Camp 2015. This increase in camper numbers reflects the end of a six-year decline. The goal for 2016 is an additional 250 campers. As programs, food service, facilities, recreation, and overall hospitality are being updated and innovated, Glen Lake is recognizing an excitement from guest groups. The Glen Lake staff's hope is to exceed group and camper expectations!

Glen Lake Camp is fully committed to the mission to make disciples of Jesus Christ through camping ministry! We are fulfilling that mission by serving over 265 groups this year at the camp location and Still Water Lodge. We are also beginning to reach to our local and surrounding communities to connect with campers in order to fulfill our mission. Our hope is to connect campers back to a local UM church in their area. We hope to partner with CTC churches to be able to offer them resources for their ministries, but also partner to connect our outreach efforts back to the local churches.

G It is an exciting time at Glen Lake! We are reflecting on the history, traditions, and legacy of this ministry. Camping ministry has an incredible impact on our current culture. Glen Lake is embracing its counterculture and values the privilege of offering an encounter with the living God at this holy place. We invite you to come out for s'more fun at Glen Lake soon!

While things are certainly happening at GLC, Stillwater Retreat Center (SRC) has provided us with some anxiety. After several years of sustained financial loss at SRC the GLC Board believes it is time to reassess our adult retreat/camping ministry and business model for SRC. We ask Bishop Lowry to appoint a task force (including members of the GLC Board, CFA and other conference leaders) to study the issues pertaining to our conference's adult retreat/camping ministry at SRC and bring any recommendation to the 2017 annual conference. The charge to the task force would be to evaluate the CTC adult retreat/camping ministry, the viability of continuing the SRC facility and other options.

Visit www.glenlake.org to become an essential part of our future ministry in Jesus Christ—at Glen Lake.

COMMISSION ON ARCHIVES & HISTORY

ED KOMANDOSKY, CHAIRMAN

The Commission on Archives and History delayed its late fall 2015 meeting and met in January 2016 at the nearly-renovated archives facility in Arlington. Completion of this much larger facility with appropriate security and archival conditions has been the main focus of this commission for the past year.

When it became apparent that the new conference service center on the Texas Wesleyan University campus would not include room for the extensive archives and history collection currently stored in the TWU's West Library, a conference annex for Archives and History was secured at the Wesleyan UMC in Arlington. And after

Central Texas Conference Journal 2016

much delay, expenditures and work by commission and CTC staff members, it is expected that the CTC archives and history collection will be moved to the new facility sometime this summer.

Among the 2016 goals approved by the Commission on Archives and History are:

1. Continue to fulfill the potential of our new facility;
2. Provide basic training for local church historians; and
3. Encourage district representatives to visit local churches to explain the importance and significance of preserving local archives and cornerstones.

It is anticipated that the move to the new archives and history center will be completed this year (2016) and that appropriate ceremonies will be held to commemorate this event in the CTC.

Several members of the commission also are planning to attend the South Central Jurisdictional Archives and History meeting in Lubbock in October.

CALVIN SCOTT, CENTRAL TEXAS CONFERENCE ARCHIVIST

In a change of pace, the archivist report isn't focused solely on things of history. In fact, the Central Texas Conference Archives spent a considerable amount of time in the past year working on something new...as in our new home.

While the work of cataloging and collecting is still and always first and foremost, the relocation of the archives from Texas Wesleyan in Fort Worth, to Arlington (2201 East Park Row, Arlington, TX 76010), was the centerpiece of this year's activity. I still managed to answer around 50 requests and catalog 4 collections this year. A great amount of work went into preparing the new building for the archives; including repairing the foundation, completely remodeling the facility inside and out, and installing all new shelving. The result was well worth the effort though as the new building more than doubles the space we had at Texas Wesleyan, which is fantastic since we were pretty much busting at the seams with archival content. This new space provides other upgrades, such as

- Actual space for researchers to peruse materials,
- A meeting area capable of sitting 10 people comfortably, and
- (My favorite) a kitchen area for snacks.

The move of our collection and accession storage to the new archives building was completed in the spring. We then immediately began the process of reorganizing our collection to accommodate this new space. Once the new building is organized and presentable, we will have an open house event for all of you to come and see our home. I would like to take some time to thank Jean Traster for all the help she has provided during this past year.

If you have a question or suggestion regarding the Central Texas Archives. Please contact me at calvinscott@ctcumc.org.

The proposal is to use relocation funds (previously collected in CMG funds) to take care of the entire increase in the 2017 CTC Budget of \$351,431. These funds are the result of two (2) items:

1. Three (3) successive years of above average giving of CMG by our local churches; and
2. Not needing as much as we budgeted in the relocation process for our new Conference Service Center. The net effect for 2017 would be a \$0 increase in the amount that we would need to apportion. ***This does not mean every church will show a \$0 increase in their individual church CMG.*** The CMG is figured using the decimal formula that is approved by the Annual Conference. A church CMG might increase or decrease year to year depending on the various factors that make up the formula.

DETAILS SUPPORTING THE 2017 BUDGET

1. These are final numbers for General Conference Apportionments approved by legislation enacted at the 2016 General Conference.
2. These are final numbers for Jurisdictional Conference Apportionments approved by legislation enacted at Jurisdictional Conference in July 2016.
3. Increase due to Cabinet turnover and additional team building.
4. Increase is for consulting/coaching for Learning Agility (\$25K). Conflict Management (\$25K), and Targeted Coaching (\$50K).
5. Final shift of funds from Texas United Methodist College Association (TUMCA).

In addition, the increase of almost 4,000 sq. ft. in ministry space of our new Conference Service Center has increased insurance, utilities, telephone/internet services, maintenance, janitorial, etc.
8. It has been 6 years since our last increase to the ministry budget of Glen Lake. They are taking on an even greater investment in preparing young leaders for our local churches and conference.
9. The last several years our Disaster Response and Volunteers in Mission (VIM) team have been hard at work helping individuals, families and

communities put their lives and communities back together after the devastation of floods, tornadoes, fires and explosions. To name just a few of the areas that have been assisted, Glenn Heights, West, Williamson County, Ellis County, Acton, Granbury, etc. These increases will assure us that the training and resources are available for the next disaster.

10. Project Transformation is a nationally recognized ministry through which leaders emerge, communities change, and lives transform.

Project Transformation provides two key services:

- i. Leadership development and career/ministry exploration opportunities for college age young adults through summer and one-year service terms.
- ii. Community-oriented after-school and summer day camp programming for children and youth from low-income neighborhoods.

Its ministry addresses 3 challenges:

- I. How to meet the academic, physical, and spiritual needs of children from low-income communities.
- II. How to provide meaningful ways for college students to explore ministry opportunities and develop as young adult leaders for the church and the world. and,
- III. How to help revitalize struggling urban churches.

Our plan is to introduce this ministry in Tarrant County in the summer of 2017. In subsequent summers we hope to expand into other urban settings in our conference.

11. This money is earmarked to provide adequate funding for the liabilities associated with our various clergy benefits (Health and Pension). Currently this funding is earmarked for our Retiree Health liability. The latest valuation audit found us with funding for 12% of our \$8,000,000 liability. We have reduced the asking amount for this fund over the last 3 years by \$500,000. As the last of these benefit liabilities becomes adequately funded we will further reduce this amount.
12. By action of the 2012 Annual Conference and beginning with the 2013 budget we annually deposit \$100,000 into an equity fund. The intent of the fund is to allow the conference to have a substantial amount of money secured for whatever the needs of the conference in its next phase of growth.
13. By action of the 2007 Annual Conference and in adherence with ¶ 626 of the 2012 *Book of Discipline* a sustentation fund was established as part of the benefit program through the Annual Conference Board of Pension and Health Benefits. The fund is to provide resources and temporary financial assistance to clergy and to assist local congregations in times of clergy transition. The funds are underwritten with an amount of .25% of the total Annual Conference plan compensation collected from CTC churches through the connnectional ministry budget. You may find further information in "Report" 11 in the Conference Board of Pension and Health Benefits Report.

COUNCIL ON FINANCE & ADMINISTRATION (CF&A)

DR. JOHN MCKELLAR, CHAIRPERSON

JMCKELLAR@WHITESCHAPEL.COM

REPORT No. 1

The churches of the Central Texas Conference are to be congratulated on another excellent payout on Connectional Mission Giving (CMG) shares (a.k.a. apportionments)! Even with all the financial challenges we have faced as a nation, in our annual conference and congregations, the churches of the Central Texas Conference had the following total payout percentages:

2010	93.39%	2011	94.78%	2012	93.14%
2013	98.01%	2014	96.26%	2015	96.65%

G In 2015 we achieved the 4th highest percentage payout total since 1999. That is indeed a very strong response, three years in a row, from our churches!! It is certainly an indication of the faithfulness of Central Texas United Methodists and the strength, vitality and pride of the churches of the Central Texas Conference!

In addition to the above-average CMG, our churches also gave over \$145,587 to Special Day offerings, \$244,106 to missionaries and advance special projects, and \$10,367 to other ministries to help others.

The CTC churches contributed a total of \$9,709,100 for CMG while 263 churches (12 of these churches did not pay out last year) out of 287 churches, over 91%, paid 100% of their share amounts in full. (For a full listing of each local church and their percentage paid you may log on to the conference web site www.ctcumc.org and highlight finance and click the link to Connectional Mission Giving.

This past year we had a record number (3) of our Districts paying out with 100% of their connectional mission giving (CMG) amounts.

Central	100.01%	Rev. Don Scott, District Superintendent
South	100.00%	Dr. Clifton Howard, District Superintendent
New Church	100.00%	Rev. Gary Lindley, District Superintendent
West	99.53%	Rev. Carol Woods, District Superintendent
North	98.19%	Dr. Ginger Bassford, District Superintendent
East	92.97%	Dr. Bob Holloway, District Superintendent

We commend all of the pastors and churches in the CTC for your faithfulness!!! We are especially aware that several pastors and churches truly went the extra mile to achieve these results and we are deeply grateful to all who made extraordinary efforts. We are also vividly aware that all these percentages, numbers and amounts while fun to measure, they don't tell the whole story nor even the most important part of the story...for they are merely a form of measuring, truly what can't be fully measured except by God..... our mission and ministry, the lives touched and transformed and the potential to touch even more lives during 2016.

Central Texas Conference Journal 2016

The CFA continues to expect 100% payout of our connectional obligations and urges every church to take seriously the recommended ten-month payout plan in which 10% of the annual CMG amount is remitted monthly. Without doubt, making monthly payments beginning in January or February is an important step in paying your connectional mission opportunities in full.

¶ 622 of the 2012 *Book of Discipline* states that the Board of Pension and Health Benefits amounts, the Episcopal Fund, the District Superintendents Fund, and Equitable Compensation are apportioned funds which are to be paid on the same schedule as the pastor's base compensation is paid. The Cabinet joins the Council in reminding each church to adhere to this mandate monthly.

The Council, the Executive Director of Mission Support and the Conference Comptroller/Treasurer are making special efforts to provide the information conference leaders and members expect in a more open and transparent way. The Council takes seriously its fiduciary responsibility and is working with conference leaders to insure the continued faithful and effective stewardship of all conference funds. Log on to the Conference web site www.ctcumc.org and highlight the Finance tab and click on the "Connectional Mission Giving" (CMG) tab for the most current information.

1. Compensation for the District Superintendents and Executive Center Directors is determined by the following formulas:
 - a. Salary: The District Superintendents and Executive Directors salaries will be adjusted annually by the percentage change in the CTC Conference Average Compensation (CAC) formula calculated by the General Board of Pension and Health Benefits (GBOPHB). The 2017 salary will be \$129,596.
 - b. Housing Allowance: At the District Superintendent and Executive Director level, the formula will be 20% of salary rounded to the nearest thousand. The percentage will be reviewed every four years. The next review will be in 2017. The Housing Allowance for 2017 will be \$26,000.
2. There may be amounts set to provide for the District Superintendents' and Executive Directors' expense for conference meetings and additional ministerial expenses in an accountable reimbursement plan, the district superintendent's portion of the conference health benefits plan premium, for an amount requested by each district superintendent or executive director to be excluded from salary and added to the district (or conference) contribution toward housing allowance, and each district superintendent and executive director's salary. The line item amount for each of these is to be determined in consultation with and approved by the Council on Finance and Administration. It is required that the accountable reimbursement plan for the district superintendent and executive director's expense for conference meetings and additional ministerial expenses be established in accordance with Sec. 62 of the Internal Revenue Code (IRC). Also, any Housing Expense Set-aside, as desired by each district superintendent or executive director shall be established in accordance with Sec. 107 of the IRC in like

Central Texas Conference Journal 2016

manner. Further, the cost of the Clergy Retirement Security Program, billed directly to the conference, will be an apportionment to the districts. An additional amount for voucher, reimbursed expenses related to each executive director's office is also a part of the respective council's or commission's budget.

3. The district committees on finance are authorized to prepare budgets for presentation to the district stewards. An amount up to 10% of the support and compensation for the district superintendent may be included in the district budget to defray the utility costs of the district parsonage. In addition, an amount up to 10% of the support and compensation may be included in the district budget for the purpose of voucher reimbursement of travel and business-related expenses. District budgets shall not include a discretionary fund, but may include a District Operations Expense item. The district budget shall be submitted to the Annual Conference Council on Finance and Administration for approval each year. The district stewards are authorized to apportion a Connectional Contingency Fund to be used for paying in full at the district level apportioned items, which may fall short within the respective district. The Connectional Contingency Fund will be administered at the district level in the same manner as the District Work Fund. It is understood that if a portion of the Connectional Contingency Fund is not used in any given year, it will remain in the fund and future connectional mission giving funds will be reduced. Any adjustments for unusual local church situations will be made in the CMG of the Connectional Contingency Fund only. All other necessary funds will be distributed to every local church on the basis of the decimal.
4. At the end of each fiscal year unexpended unrestricted operation/budget funds, less the amount needed to cover deficits in conference budget accounts, shall be transferred into the operating reserve and an accounting of all operating reserve funds shall be made at each Annual Conference.
5. Each year the use of the unspent Contingency Fund shall be reviewed by the Council on Finance and Administration and the Bishop to decide if any amount should be used for Conference, Jurisdictional and General Church apportionments before going into the Operating Reserve.

REPORT No. 2

Central Texas Conference Journal 2016

- b. Write all checks for the agencies of the conference upon requisition by authorized officers of the agency and in keeping with approved conference budget. The Treasurer is also authorized to transmit to the authorized treasurers all other funds that are raised by the local churches in response to General, Jurisdictional and Annual Conference askings that have been approved by the appropriate body.
- c. The conference treasurer, after the close of the fiscal year, shall transfer from the accounts of all boards, commissions, and other agencies of the conference into the operating reserve all unexpended balances of the annual appropriations for the year just closed (excepting only items specifically exempted by CFA) making allowances for all outstanding checks. This procedure is recommended with the understanding that the Executive Director for Mission Support will honor the requisitions for all necessary expenses of the new fiscal year within the limits of the appropriations.
- d. Invest the funds of the conference in government securities and federally insured depositories up to and not exceeding insurability, and/or with the Texas Methodist Foundation and to borrow on and dispose of investments at, or prior to, maturity, and to deposit the proceeds from these investments in accounts of the conference under the guidance of the Council on Finance and Administration.
- e. Deposit funds for specifically designated purposes in federally insured depositories up to and not exceeding insurability, and/or with the Texas Methodist Foundation under the joint control of the Central Treasury (Conference Council on Finance and Administration) and the agency concerned, with the approval of the Executive Committee of the Conference Council on Finance and Administration.

REPORT No. 3 RESERVE FUNDS

In order to establish a better system of accountability, the Council on Finance and Administration, following action of the 1991 Annual Conference, implemented the following management procedures for reserve funds beginning 1/1/92:

1. The operating system is no longer treated as a contingency fund but as a cash flow fund.
2. A separate contingency fund has been set up to cover unbudgeted expenses with accounting of these expenditures to be made to the Annual Conference.
3. A contingency fund of \$50,000 has been established from the operating reserve.
4. The contingency fund will be replenished at the beginning of each year by the interest earnings on both the contingency fund and the operating reserve. Any interest earnings over and above that necessary to replenish the contingency fund to a balance of \$50,000 will go into the operating reserve.

Central Texas Conference Journal 2016

5. The goal is a permanent operating reserve fund of 10% of the current budget to be used strictly for cash flow.
6. The operating reserve will be replenished by funds unused by the conference at the end of the year.
7. The authority for the administration of these funds rests with the Council on Finance and Administration pursuant to the *Book of Discipline* of the United Methodist Church and the Guiding Principles and Best Practices of the Central Texas Conference.

CONTINGENCY FUND POLICY

1. Expenditures will be made from the Contingency Fund under one of two (2) circumstances:
 - a. Unforeseen circumstances, unpredicted, unplanned for, emergency situations that could not have been foreseen by reasonable people and reasonable committees.
 - b. Failure of expected income to support a budgeted expenditure.
2. The conference treasurer may authorize up to \$250; the CFA executive committee may authorize up to \$5,000 either in a meeting or by phone; those over \$5,000 must be authorized by the full board either in meeting or by phone.
3. No disbursement will be made without the authorization signature of either the conference treasurer or the chair of CFA.

REPORT No. 4 MILEAGE REIMBURSEMENT

The accountable mileage reimbursement for conference staff shall be the IRS rate. All others shall be reimbursed at 25 cents per mile for one to six persons in a car, and 35 cents per mile when seven or more members ride in the same car for necessary travel on conference business. Due to the fluctuation of gasoline prices, the CFA is authorized to change the mileage rate between sessions of the Annual Conference if deemed necessary. This reimbursement rate will be effective at the close of this Annual Conference.

REPORT No. 5 ACCOUNTABILITY

The Council on Finance and Administration, through the Executive Director of the Center for Mission Support, shall monitor monies received through the apportioned funds and keep those Boards and Agencies receiving funds from the conference advised of possible shortfalls to enable them to adjust their expenses where at all possible in order for expenditures not to exceed actual income for the year. CFA will seek to work with Boards and Agencies to allow the maximum funding of ministries and programs without creating a deficit situation in the Conference Budget.

REPORT No. 6 NEXT YEAR BUDGET

At Annual Conference, CFA will present a budget which is comprised of the major ministry components of the Conference. When the Conference approves the budget, it will be voting on the figures of those components and the composite total. If occasion arises to meet unforeseen and unusual expenses, or to provide for emerging ministries that could not be known at the time of budget preparation, a request may be made to CFA for approval to shift monies from one major ministry component to another major ministry component of the budget. In faithfulness to the Financial Best Practices this procedure will not be used simply because a ministry area anticipates some funds will not be spent.

REPORT No. 7 CHURCH INCORPORATION RECOMMENDED

G

In these days when churches are more vulnerable to being sued than they were in the past, and for a far wider list of causes, it is imperative that each local church be incorporated. Failing to be incorporated puts each of the members of the church in jeopardy. In addition to being incorporated each church must review its property and liability insurance coverage with consideration for areas of liability not only between church staff and members or guests, and not only between the church as an entity and whomever might happen upon the premises, but also for the area of liability of employer versus employee.

REPORT No. 8 NEWLY CHARTERED CHURCH CONNECTIONAL MISSION GIVING

Each newly chartered church shall be apportioned 25% of what would be its connectional mission giving, under Annual Conference Financial Procedures point C., for its first year after records are available, 50% its second year, 75% its third year and 100% its fourth year and thereafter.

REPORT No. 9 CONFERENCE TREASURER

CONFERENCE PLEDGE TO LYDIA PATTERSON INSTITUTE (LPI)

For 100 years LPI has responded to the need to provide a quality education for Hispanic students in the El Paso region. It is a bilingual, cross-cultural academic education for underprivileged students who might otherwise not attend high school or have an opportunity for higher education. The program, offering grades 9-12, is fully accredited. The academic standards are strictly enforced and students are challenged to pursue academic excellence.

- 99% of students meet the federal poverty guidelines
- 98% of LPI students enroll in a higher education institution
- Last year the 76 LPI graduates were awarded over \$1.6 million in scholarships from UM schools

2014 LPI expanded the educational opportunities for students and implemented a fully accredited 7th and 8th grade Middle School with concentration on ESL and asked various annual conferences for help. The Central Texas Conference was one of the very first conferences to pledge to sponsor a cluster of four (4) ESL classrooms within the new middle school wing with a donation of \$300,000. This gift would allow LPI to further the mission of preparing young men and women with a rigorous college preparatory education while being nurtured in Christian values.

If you'll remember the action taken at the 2014 Annual Conference was....."that the Central Texas Conference pledge \$300,000 to the "Second 100 Year" Capital funds campaign to sponsor a cluster of four (4) ESL classrooms within the new Middle School wing at Lydia Patterson Institute in El Paso."

Dr. Scott Youngblood will lead our conference capital funds campaign task force to help ensure that LPI continues to be one of the nation's most unique multi-cultural educational institutions that help to prepare young men and women with a rigorous college preparatory education, while being nurtured in Christian values. If you would like to serve in this effort please contact Dr. Youngblood or Mavis in the Conference Center for Mission Support.

REDIRECTION OF TUMCA SCHOLARSHIP FUNDS

We affirm the decision by the 2014 Annual Conference to redirect funds scholarship program of the Texas United Methodist College Association (TUMCA) to the Central Texas Conference Scholarship program. By vote of that conference we have redirected \$50,000 in the 2016 budget and will redirect the remaining \$50,000 in the 2017 budget.

REPORT No. 13 ONE APPORTIONED FUND

In the local church mission and ministry is best funded with a unified budget. Similarly, the Conference office has tried to more efficiently fund its mission and ministry budget by reducing the number of apportioned funds. In 2012 the number of apportioned funds was reduced from twenty-two to three. Directed by the vote of the 2014 annual conference, starting in July of 2015, the number of apportioned funds was further reduced from three (General Church, Jurisdiction, and Conference) to one (Connectional Mission Giving [CMG]). The change was a huge success. The move to one fund proved to be successful and achieved its purpose of further simplifying the process of accounting for remittances from 300 local churches, and gave greater flexibility to the Conference in the timing of support for the connectional mission of the Conference budget.

COMMISSION ON EQUITABLE COMPENSATION & CLERGY BENEFITS

SUSAN BARRETT, CHAIRPERSON
BARRETT.SUSAN@SBCGLOBAL.NET

REPORT No. 1

The commission has met as needed and has carried out its responsibilities of overseeing the Minimum Compensation program for the Annual Conference with its primary purpose focused on assisting local churches in moving from part-time to full-time pastoral positions. The Equitable Compensation Funds are meant to be used as transitional funds and are not to be considered long-term subsidies. We intend to keep working with local churches, district superintendents, and the cabinet to set time frames and benchmarks to help a church move from part-time to full-time. This transition can usually be accomplished by a three year commitment. To continue to receive Equitable Compensation funds a transitional church shall pay 100% of their connectional mission giving shares. The commission is therefore willing to not only provide financial assistance, but also provide educational assistance to help all equitable compensation entities with the tools and help to rise above the minimum compensation levels for their clergy.

The Central Texas Conference also has a history of supporting missional churches where full-time pastors may need to be appointed for special purposes for which the congregation is unable to pay a full-time salary. In these missional cases, continued effective communication is essential with the pastor, congregation, District Superintendent, and Executive Center Directors of the CTC to ensure these congregations continue to be effective in reaching others, transforming lives, and sharing the gospel of Jesus Christ in the identified mission field.

The commission seeks to be responsible to the churches of the Annual Conference in not requesting more than is needed and at the same time to provide adequately

Central Texas Conference Journal 2016

for the program. We also realize the balancing act between the need to raise the minimum salary for our clergy while at the same time respecting the financial constraints among our churches that produce the need for equitable compensation in the first place. Therefore this past year we did research into the correlation between higher minimum salaries and more effective pastorates. What our research showed is that there seemed to be no correlation between higher salaries and more effective pastorates. In fact almost the opposite was true.....the more effective pastorates were those who were placed in missional settings at less than full-time who were fully invested in the community and in effect many times coming from the community themselves. And in an unexpected yet related finding, the higher the minimum salary the lower the average conference salary as more churches tend to migrate toward the minimum.

We recommend that the Equitable Compensation levels for all categories of supplements be the amounts in the categories from the chart below for 2017. Additionally, we recommend that the 2017 budget for Equitable Compensation be \$75,000.00 in Salary Compensation/Interim Pastoral Support, and \$90,000 in the Moving Expense Fund.

The Equitable Compensation Commission of the Central Texas Conference will offer to participate with those churches receiving equitable compensation in obtaining workers' compensation insurance for lay and clergy employees through the Conference-wide insurance program, up to \$250.00 per policy.

REPORT NO. 2 EQUITABLE COMPENSATION FUND

There shall be a program of equitable compensation support in the Central Texas Conference under the management of the Commission on Equitable Compensation and Clergy Benefits. This program shall be patterned after ¶625 of the 2012 *Book of Discipline*. Based on these guidelines, the following paragraphs shall compose the operating procedure for the Equitable Compensation Program for all the clergy members of the conference members in full connection, associate members and provisional members of the Central Texas Conference serving full time for 2016-2017 conference year.

1. A prerequisite for consideration of salary supplements from the Equitable Compensation Fund shall be the filing with the Commission of a written application (Form EQ1/2017) by the District Superintendent each January 1 or anytime an appointment change occurs in an Equitable Compensation appointment. The District Superintendent shall certify classification of the clergy and the salary (using Pastoral Support & Compensation Worksheet figures) set by the charge.
2. Salary grants shall be made for a calendar year with payments made monthly. In cases of appointment changes at or between Annual Conference sessions, the District Superintendent shall file a written request with the Commission. Approved supplements shall then be paid on a pro-rata basis

Central Texas Conference Journal 2016

for the part of the year actually served.

3. A church/charge is eligible to receive equitable compensation benefits for a maximum of three (3) years; a one year extension may be granted by the Cabinet if the charge exhibits progress and potential.
4. The following conditions must be met by the pastoral charge before it can become eligible for consideration to receive supplements from the Equitable Compensation Fund:
 - a) The pastoral charge shall have conducted a stewardship campaign for the local budget of each of its churches during the previous calendar year. This shall be an every member campaign. The Commission will assist in such a campaign upon written request from the charge pastor or district superintendent.
 - b) All connectional mission giving (CMG) items shall have been paid in full by the local church for the previous calendar year.
 - c) The charge must have at least 100 members.

In unusual situations the Commission on Equitable Compensation and Clergy Benefits may waive any or all of these conditions.

5. The Commission on Equitable Compensation and Clergy Benefits will pay any amount up to 1/4 of the minimum salary set by the Annual Conference for each applicant according to his/her ministerial classification. If any exception under paragraph 3 or 4 is sought, the request must be endorsed by a 2/3 vote of the Cabinet before it can be considered by the Commission.
6. Recognizing the growing strain on our smaller churches in providing a full time clergy that even at minimum equitable compensation the total cost to a local church can run up to \$65,000 annually, we recommended no change in the minimum equitable compensation for 2016. However we feel as though an increase for 2017 is warranted. Therefore a 2% increase in all categories is recommended which will result in the following amounts as the minimum equitable salary and compensation for 2017:

1 - 1 - 2017

a. Elder in Full Connection --	\$41,148
b. Provisional member (1992 Disc.) or Provisional Elder (2000 Disc.)	
. Non-student --	\$35,899
. Student --	\$33,176
c. Associate Member --	\$35,899
d. Full-time Local Pastor --	\$33,176

7. Rates for adjustment will be considered annually by the commission and reported to the annual conference. The amounts reflected include the following 6 items found on the pastor's support and compensation form (PSCF):
 - a. Base salary (Part 3.1),
 - b. Utilities (Part 2), which shall be provided with payments made by the local church or reimbursed when paid by the pastor.

Central Texas Conference Journal 2016

- c. Vouchered travel reimbursement (Part 4.e or a portion of 4.a), which shall be reimbursed at the IRS rate with appropriate records and documentation provided to the church,
 - d. Dependent premium (Part 4.b) payments made by the local church,
 - e. Dependent premium supplemental payments paid by the conference at the discretion of the District Superintendent, and
 - f. Other conference subsidies received, but excluding any reimbursement for Annual Conference expenses.
8. Housing shall be provided in a church-owned parsonage or provided for with a monthly allowance. Exclusive of parsonage considerations or a housing allowance. In calculating equitable compensation payments, no more than 25% may be deducted from total compensation as a housing allowance (even if the housing allowance actually constitutes more than 25% of the total compensation). Exception to this rule may be made for missional considerations.
9. Pastors who are appointed to less than full-time service as addressed in the 2012 *Book of Discipline*, (§ 338.2) shall be eligible to receive salary supplements from the Equitable Salary Fund. The amount of salary supplement for which the pastor is eligible will be determined by the Cabinet's interpretation of time actually spent in serving the charge. For example, if the pastor is deemed as serving 1/4 of full time, his/her minimum salary eligibility would be 1/4 of the minimum of his/her conference relationship classification. The categories of 1/4, 1/2, and 3/4 will be followed in determining less than full-time eligibility for salary supplements from the Equitable Salary Fund.
- a. Ministers who are not eligible for salary supplements are:
 - i. Those whose appointment is other than pastor of a charge.
 - ii. Those classified as part-time local pastor.
 - b. Retired ministers.
 - c. No pastor shall be eligible to receive salary supplements from this fund who has been offered appointments with a higher salary, but who persistently prefers for personal reasons to remain in a present appointment.
 - d. Associate Pastors
10. The Commission is studying ways in which Equitable Salary funds may be used to supplement unusual situations beyond the Conference minimum scale to provide assistance for pastors who remain in churches for missional purposes at the request of the Cabinet. We continue in dialogue with the Cabinet about such a policy.

HOMES FOR RETIRED MINISTERS

MAVIS HOWELL, SUPERINTENDENT

It is a tremendous privilege to be a part of the Homes for Retired Ministers (HRM) program of the Central Texas Conference. This year numerous repairs have been made to the homes, new shed, new coat of paint, several other minor repairs. I enjoy visiting with the residents, and look forward to serving their needs in the coming year.

As it is the policy of the HRM Board of Trustees to sell homes as they become vacant and hold the funds in reserve to purchase a home as the need arises. In the past year we have had three (3) inquiries regarding this program. If you know of a retired clergy or surviving spouse that might be in need, please have them contact me at mavis@ctcumc.org.

This year, Homes for Retired Ministers has 2 homes in our ministry as of April 1, 2016. Both homes have residents and they are as follows:

Houses and their residents are as follows:

REPORT No. 2 2016 COMPREHENSIVE BENEFIT FUNDING PLAN SUMMARY

INTRODUCTION

The 2012 *Book of Discipline* ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBPHB).

This document is only a summary of the information contained in the actual signed funding plan and does not contain all the information required for a comprehensive view of the conference's benefit obligations. You may request the full contents of the 2017 comprehensive benefit funding plan from your conference benefit office.

CLERGY RETIREMENT SECURITY PROGRAM (CRSP) DEFINED BENEFIT (DB) & DEFINED CONTRIBUTION (DC)

Program overview:

The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The program is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which had previously replaced the Pre-82 Plan for service rendered prior to January 1, 1982. CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to The United Methodist Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by the annual conferences.

Current funding plan information:

The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2015 is \$1.271 billion, while total plan assets are \$1.407 billion, resulting in a current plan funded ratio of 111%. The Central Texas Conference portion of the liability is 1.3069% with a 2017 contribution of \$1,442,824. The conference anticipates that the amount will be funded by Direct Billing each local church and conference entity their eligible persons pension costs. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Central Texas Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2017.

Effective January 1, 2014 the CRSP-DC plan was reduced from a 3% to a 2% of

Central Texas Conference Journal 2016

plan compensation non-matching contribution. Clergy have the opportunity to earn up to an additional 1% CRSP-DC contribution by contributing at least 1% of their plan compensation to UMPIP; therefore, if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013. The 2017 CRSP-DC contribution is anticipated to be \$368,330 and will be funded by direct billing each local church and conference entity their eligible persons costs.

MINISTERIAL PENSION PLAN (MPP)

Program overview:

Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when the funds are to be distributed. The remainder may be rolled over to UMPIP, into an IRA or another qualified plan, or it may be paid out as a lump sum.

Current funding plan information:

The Ministerial Pension Plan (MPP) annuities' total liability as of January 1, 2015 is \$3.122 billion, while total plan assets are \$3.509 billion, resulting in a current plan funded ratio of 112% and no required contribution for 2017. The Central Texas Conference's portion of the total liability is .9588%. Future MPP annuitants have a total account balance of \$4.145 billion and the Central Texas Conference's portion of that balance is \$50,833,747 or 1.23% of the total.

PRE-1982 PLAN

Program overview:

Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-1982 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-1982 Plan was replaced by MPP effective January 1, 1982. If a clergy person retires within the Conference (and does not terminate), the minimum benefit payable is based on two factors: 1) years of service with pension credit and 2) the Conference pension rate. Years of service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and *The Book of Discipline*. The pension rate, also called the Past Service Rate (PSR), is the dollar amount chosen by the Conference as the amount payable for each approved year of service with pension credit. The pension rate may change from year to year. The number of years of service with pension credit is multiplied by the pension rate, and the product is the minimum annual benefit payable to those clergy eligible for Pre-1982 Plan benefits. In certain situations, the benefit received from the Pre-1982 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined

G

Reports - CFMS

Central Texas Conference Journal 2016

contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life based benefit and, at that point, the clergy's benefit is the greater of the PSR or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; but the DBSM based benefit does not change.

Current funding plan information:

The 2017 PSR recommended to the Central Texas Conference will be \$688.00, representing a 1.03% increase from the 2016 rate. The conference expects future increases to be approximately 1.00%. In the past we have not had a formal policy regarding increases to the PSR. We are currently exploring all options in an effort to bring a policy to the conference for adoption that both exhibits our love, respect and thank you to and for our retired clergy while maintaining a sustainable plan to control costs for our local churches.

The contingent annuitant percentage is recommended to remain at the 75% level. Based on the final actuarial valuations from the General Board of Pension and Health Benefits as of January 1, 2015 for 2017, the portion of the Pre-1982 liability and assets attributable to the Central Texas Conference and its related funded status are as follows:

Funding Plan Liability	\$(25,075,950)
Assets, including In-Plan and Outside	<u>31,837,762</u>
Funded Status	\$6,761,812
Funded Ratio	126.97%

ACTIVE HEALTH BENEFIT PROGRAM

Program overview:

The Central Texas Conference offers the following active health benefit to its active eligible participants:

Self Funded-HealthFlex.

Current funding plan information:

The total cost of the program for 2017 is anticipated to be \$4,119,139 and will be funded by premiums that are direct billed to the local churches and conference entities for the cost of their personnel. It is anticipated that increases for future years will average 2.0% - 5.0% based on the assumption that the health insurance industry will remain unstable until all aspects of the ACA are implemented.

- ***Additional Conference Sponsored Coverage***

The Central Texas Conference has elected to provide health benefits coverage to the following groups during periods where, without conference funded premiums; the participants would not be provided coverage or benefits (all figures as of 12/31/2015):

Central Texas Conference Journal 2016

Category:	Number of Participants	Estimated Cost
1. Clergy and/or lay participants on disability	5	\$114,600
2. Surviving spouses and/or children of deceased clergy and/or lay participants	2	\$73,344

POST-RETIREMENT MEDICAL BENEFIT PROGRAM (PRM)

Program overview:

The Central Texas Conference post-retirement medical program currently offers a stipend.

Current funding plan information:

The conference's expectation for 2017 is to offer the following benefits: Extend Health-HRA Stipend. For those eligible clergy and their spouses, the conference will fund an HRA up to a maximum of \$75 per month per person for early and full retirees based on their years of ministerial service in the UMC. Surviving spouses of deceased clergy are eligible for the HRA as long as they are a covered participant at the time of death. A new spouse, acquired by a retiree or surviving spouse after retirement, is not eligible for retiree benefits through the conference. The following are the qualifications and eligible annual amounts based on years of service:

0-9.....\$0;	10-19.....\$300;
20-29.....\$600;	30 and above.....\$900.

For those eligible clergypersons and their eligible spouses who retired before January 1, 2008, the Conference will fund the HRA at the maximum amount per person.

The funding obligation for 2017 is anticipated to be \$150,000. The costs will be funded by apportioning an amount to each local church to cover these costs. On a longer term basis, the conference intends to ensure funding by growing our account assets and investing additional funds.

Based on the most recent PRM valuation dated 12/31/2014, the following is the funded position of the post-retirement medical benefits:

1. Expected Post Retirement Obligation (EPBO) or net conference cost	\$12,691,748
2. Accumulated Post Retirement Obligation (APBO) or net conference cost	\$8,946,881
3. Assets designated for PRM	\$1,568,299
4. Service Cost (SC) or net conference cost	\$0

As a preview of the 2018 CBFP requirement, a new PRM Funding Contribution requirement will be mandatory for conferences requesting a full favorable CBFP

opinion. This year the calculation for informational purposes only is as follows:

1. Funded Status, [3. – 2.]	\$(7,378,582)
2. Number of Annual Payments	20
3. Portion of Funded Status Payable [5. / 6., but zero if 5. is positive]	\$368,929
4. PRM Funding Contribution, Informational purposes only [4. + 7.]	\$368,929

These values are based on a 3.70% long term discount rate, a 4.0% long-term expected rate of return on assets, and a current medical trend rate of 7.0% with an ultimate medical trend rate of 5.0%, beginning in 2019.

COMPREHENSIVE PROTECTION PLAN (CPP)

Program overview:

G The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include full-time appointment with plan compensation equal to or greater than 60% of the Denominational Average Compensation (DAC) or the Conference Average Compensation (CAC), whichever is less.

Current funding plan information:

The Central Texas Conference has made the following elections: 1.14% of appointed clergy have mandatory participation under special arrangements, while 0% of appointed clergy have optional participation under special arrangements.

For 2017, the Central Texas Conference has an expected required contribution to the Comprehensive Protection Plan of \$575,000, which is anticipated to be funded by direct billing each local church for their eligible personnel costs. The anticipated average increase in future years is expected to be 2.50% per year which is a result of increased salary of eligible clergy members.

UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP) FOR LAY AND CLERGY

Program overview:

The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations.

Participants may make before-tax, Roth and/or after-tax contributions through payroll deductions. Participant contributions, various optional plan sponsor

Central Texas Conference Journal 2016

contributions and investment earnings comprise the individual's retirement account balance.

Current funding plan information:

Conference office lay employees working an average of 30 hours per week or more are eligible for a plan sponsor funded pension contribution of 3% of salary. Lay employees are encouraged to make contributions toward their retirement through payroll deductions to the UMPIP and up to a 3% matching of any personal contribution. The estimated contribution for the Central Texas Conference is anticipated to be \$60,247 and will be funded via apportionment.

The Central Texas Conference, as of January 1, 2017 is planning on sponsoring the UMPIP for clergy serving full-time and are eligible for a pension contribution of the equivalent of the combined DB amount and 3% DC of salary. The estimated contribution for the Conference is anticipated to be \$56,999 and will be funded via apportionment.

OTHER CONFERENCE BENEFIT OBLIGATIONS: DEVINDE CONTRIBUTION (DC) TYPE

Program overview:

The Central Texas Conference currently offers the following DC benefit(s): Moving Expense Fund - DC Type. The funding obligation for 2017 is anticipated to be \$90,000 with the funding sources to be apportioned to each local church. The anticipated average increase in future years is expected to be 0% per year due to the conference not experiencing as many moves as was anticipated and the clergy moving have been very diligent about taking advantage of the savings that we worked out with our preferred movers. At the present time, funding from apportionments is more than adequate to cover expenses.

CONCLUSION

The 2017 Comprehensive Benefit Funding Plan and the above Summary document incorporates, to the best of our understanding, the Central Texas Conference's obligations and funding requirements of the benefits provided to the clergy and laity of the Central Texas Conference.

Central Texas Annual Conference

This funding plan incorporates, to the best of our understanding, the conference's obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the conference still has a liability (obligation) and potential future contribution due to the plan.

REPORT No. 3 PENSIONS

In accordance with the changes in the 2012 Book of Discipline ¶1506, which outlines the requirements for the Past Service Rate (PSR) for those clergy with pre-1982 service years who qualify for annuity, the Conference Board of Pensions recommends that the PSR for 2017 be \$688, which represents a 1.03% increase. There is much changing in the pension world from Mortality tables showing we are living longer to decreases in the past several years, the board has been researching the PSR since 1982. In light of this research, the board will be monitoring the annual PSR with the eventual goal of having the annual PSR change recommendation based on a rationale which will both honor our retirees and make the liability demands on the conference sustainable.

REPORT No. 4 CLERGY RETIREMENT SECURITY PROGRAM (CRSP)

The Clergy Retirement Security Program (CRSP), effective January 1, 2007, is the pension program for all eligible United Methodist Clergy.

CRSP offers a two (2) component benefit design:

Central Texas Conference Journal 2016

1. **Core Defined Contribution (DC)** – promises a defined amount that is deposited into an active clergyperson's account with monthly deposits. This benefit distributed at retirement is the accumulated amount plus earnings (losses) in the individual's account.
2. **Core Defined Benefit (DB)** – promises a specific dollar amount at retirement regardless of market conditions or investment performance. The amount is based on a formula that specifies a monthly retirement benefit to eligible clergy for the remainder of their lives.

Plan provisions effective January 1, 2016:

- Clergy who are appointed ¼ time are not eligible to earn CRSP benefits.
- Provides a monthly retirement benefit using 1.25% of the Denominational Average Compensation (DAC) at retirement multiplied by years of service from January 1, 2007 to December 31, 2013. The multiplier is reduced to 1% for years of service beginning January 1, 2014.
- The defined contribution (DC) component of CRSP is 2% of compensation with a match for participant contributions to the United Methodist Personal Investment Plan (UMPIP) – up to 1% of compensation. Therefore, if a participant contributes at least 1% of compensation to UMPIP, his or her CRSP DC contributions will be 3%.
- The initial dollar amount of the benefit paid to a married participant is reduced to offset the value of spousal benefits. Please note: This change only applies for benefits based on service on or after January 1, 2014. Benefits earned under CRSP prior to January 1, 2014 are not affected. Participants may designate a disabled adult child as a secondary contingent annuitant. After the participant and her or her spouse die, the disabled adult child would continue to receive DB benefits for life. The initial participant benefit would be reduced to pay for this extra benefit.

2015 FUNDING PLAN

By action of the 2012 General Conference the percentage amount required for the plan was amended and the following information is the result of implementing the "new" CRSP.

The 2016 financial obligation of CRSP required of the Central Texas Conference is:

- a. Core Defined Contribution – 2% of participant plan compensation plus a matching 1%.
- b. Core Defined Benefit -- \$1,430,632

The cost of participation in CRSP will remain the same as in 2015 and will continue to be direct billed to the local church for the two (2) core components: (Defined Benefit & Defined Contribution).

Central Texas Conference Journal 2016

- a. Defined Contribution – 3% of each eligible clergyperson’s plan compensation.
- b. Defined Benefit --
- | | |
|------------------|------------|
| Full-time Clergy | \$6,100.00 |
| ¾ time Clergy | \$4,575.00 |
| ½ time Clergy | \$3,050.00 |

The Conference Board of Pension strongly recommends that churches with a clergy appointed ¼ time sponsor the United Methodist Personal Investment Plan (UMPIP) with a 12% contribution level for their clergy.

REPORT NO. 5 FUNDING FOR THE ACTIVE HEALTH CARE PLAN

We will continue to direct bill the total active health insurance/dental premium to the local church/Conference sponsored agency for the entire year.

2016 Defined Contribution Yearly Amounts:

Active Clergy/Lay	\$9,156
Pre-65 Retirees on Active Plan	\$1,000
Surviving Spouse	\$4,578

- We will direct bill the total active health insurance/dental premium or the defined contribution amount for active clergy/lay, whichever is greater, to the local church/Conference sponsored agency for the entire year.
- The entire defined contribution amount for full-time clergy appointed to local churches within the Conference is to be paid by the local church or the salary paying unit as a benefit (line item in the budget). This includes all Elders, Provisional Elders, Associate Members, and Full-time Local Pastors appointed to local churches in the Conference, as well as those for whom the Conference is the Plan sponsor for the Pension program such as District Superintendents, Conference staff appointees, and Campus Ministers. In addition, this will also apply to Elders appointed at least one-half time and Student Local Pastors.
- The defined contribution amount for full-time lay staff participating in the plan may be cost shared at the discretion of the local church or salary paying unit.
- Any amount above the defined contribution amount is the responsibility of the appointee/staff person.
- An optional agreement may be made between the church or salary paying unit and the appointee/staff person for the church or salary paying unit to pay the amount or portion of the amount over the defined contribution.
- The Conference will pay the defined contribution amount for the lay employees of the Annual Conference. Any above the defined contribution is the responsibility of the employee.

REPORT No. 6

PENSION AND BENEFIT ARREARAGE REPORT

The Conference Board of Pensions recommends that it continue to actively pursue the issue of pension arrearage utilizing a very fair but stringent examination of each situation to determine what steps need to be taken to assure the integrity of the affected minister's future pension benefits and as such recommends the following procedure for dealing with current and future pension contributions:

1. Each January we will review a report of the accounts showing arrearage for the past year. Letters will be sent to the following lay leaders of the churches involved: Administrative Board/Council Chair, Pastor/Staff Relations Committee Chair, Finance Committee Chair, and Treasurer. The pastor and the District Superintendent will also receive the letter. The letter will emphasize the importance of this issue and urge them to bring their contributions current by sending their check or making other payments arrangements with the Service Center at Central Texas Conference, 3200 E. Rosedale Street, Fort Worth, TX 76105.
2. Each church which does not meet its obligation will report this fact to its Charge Conference and give an explanation. The District Superintendent will keep a record of this action.

The local churches are reminded that pension benefits are in reality deferred ministerial compensation which should carry the same urgency in terms of payment as the monthly salary itself. Failure to pay this pension could result in reduced pension benefits. The Board feels strongly that if a local church is not able to pay the pension dollars there is a serious question as to whether that church remains a financially viable congregation. In fact, we consider it irresponsible for a congregation to "use" a pastor but are unwilling to assure his or her retirement receipts. As of December 31, 2015, we had 4 churches/salary paying units in pension arrears and 3 churches/salary paying units in health premium arrears for a total arrearage of \$31,794.88.

¶639.4 of the 2012 Book of Discipline requires the Conference Board to keep a permanent record of defaults of the churches in the Conference in paying their pension and benefit amounts in full. According to our Conference Treasurer and Benefits Administrator, the following churches were in default by more than 60 days at the end of 2015:

Salary Paying Unit	Pension/CPP	HealthFlex/Café Plan	Total
McMillan	\$14,070.02	\$ 695.00	\$14,765.02
Mt. Zion, Waco	\$ 1,944.08	\$2,085.00	\$ 4,029.08
St. Andrew's, Arlington	\$ 5,266.64	\$4,584.00	\$ 9,850.64
Tongan First	\$ 3,150.14	\$ 0.00	\$ 3,150.14
			\$31,794.88

We have been diligently working with churches who are chronically behind on their benefit payments to strategize how they might best move forward in ministry, up to and including a covenant plan to forgive their past arrearage if they will stay current with their benefit payments.

REPORT No. 7 COMPREHENSIVE PROTECTION PLAN (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if the conference or salary-paying unit sponsors the plan and they are able to satisfy the eligibility requirements which include full-time appointment with plan compensation equal to or greater than 60% of the Denominational Average Compensation. The Central Texas Conference has elected to make CPP eligible clergy appointed 100% have mandatory participation, while 50% appointed eligible clergy have optional participation under special arrangements.

Proposed Changes to CPP Eligibility / Plan Design

The General Board of Pension and Health Benefits (GBPHB) has submitted a legislative petition to General Conference 2016 to revise the Comprehensive Protection Plan (CPP). Revisions include eligibility and plan design. Eligibility for the long-term disability plan would be streamlined so that plan sponsors may choose to cover three-quarter time ordained clergy and local pastors at a lower premium cost than current special elective arrangement premiums. Additionally, although clergy in half-time and quarter-time appointments would no longer be eligible for CPP coverage, churches would be offered the option to become plan sponsors and provide coverage to certain clergy through fully-insured, long-term disability and death benefit plans through UMLifeOptions. Coverage during certain types of leaves would be simplified and standardized. The petition would eliminate minimum benefits for new claims, which would allow the plan to provide benefits at a uniform percentage of compensation. All long-term disability benefit determinations will continue to be coordinated with (i.e., reduced by) benefits from the Social Security Administration, with reduction offsets imputed for participants who have opted out of Social Security. Additionally, the petition would eliminate the 24-month limitation on certain mental and nervous conditions and instead focus continuing benefits on the disability industry "appropriate standards of care" for all mental and physical diagnoses. **If approved at General Conference 2016, these changes will go into effect January 1, 2017.**

REPORT No. 8 CONFERENCE ACTIVE GROUP HEALTH INSURANCE PROGRAM

G

The Central Texas Conference is now in our thirteenth year of providing medical and pharmacy benefits through HealthFlex, sponsored by the General Board of Pension and Health Benefits of the United Methodist Church and administered by BlueCross BlueShield of Illinois and Optum RX, and we continue to be very satisfied with the program. In 2016, to align with the changing health care landscape, we entered **HealthFlex Exchange**. HealthFlex Exchange, a private exchange, gave participants greater choice across more HealthFlex plans with varying designs and premium costs. When combined with comprehensive online and telephonic support resources, HealthFlex Exchange gives flexibility to choose coverage that best fits the participant's health needs, financial needs, and financial situation. HealthFlex Exchange encourages greater accountability by participants for health care costs and utilization, while retaining the valued HealthFlex benefits and wellness opportunities that participants have come to expect.

The Central Texas Conference Board of Pensions designated a non-taxable defined contribution (DC)—a fixed dollar amount for each HealthFlex participant. Participants used the allocated DC amount to “shop” for a health plan and pay for some or all premiums for the HealthFlex plan of their choice. The DC appeared as a “credit toward purchase” when choosing a HealthFlex plan from all available HealthFlex plan designs. Participants who chose plans costing *less than* their defined contribution credit amount are “banking” the overage, the unspent DC balance is credited by HealthFlex to the participant's health reimbursement account (HRA) or health savings account (HSA), depending on the health plan selected. The annual overage amount (i.e., unspent DC balance) is not credited in a lump sum; rather, it is available on a *prorated, monthly basis* over the plan year. Internal Revenue Code (IRC) limits for annual HSA contributions apply. Participants who chose plans costing *more than* the defined contribution credit amount are seeing a

monthly cost, which may commit them to paycheck deductions from their salary-paying unit (SPU) to cover the cost difference between the DC amount they receive and their higher actual cost for monthly premiums (i.e., the participant's share of the premium cost).

ACTIVE HEALTH PLAN ELIGIBILITY

Our health insurance plan will continue to be a mandatory program administered according to the HealthFlex rules for mandatory conference programs.

Those clergy for whom the program is mandatory are:

- Elders, Provisional Elders and Associate Members (appointed at least ½ time).
- Full-time Local Pastors appointed to local churches in the Conference.
- Student Local Pastors.
- Those for whom the Conference is the Plan sponsor for the pension program such as District Superintendents, Conference staff appointees, and Campus Ministers.

Those clergy for whom the program is optional are:

- Deacons serving at least ½ time are eligible for coverage at the Salary-Paying Unit (local church) level under a Sub-Adoption Agreement, but are not mandated.

Clergy not included in the plan (and thus not allowed insurance through the Conference):

- Elders, Provisional Elders and Associate Members appointed less than ½ time.
- Ministers of Other Denominations.
- Those appointed to extension ministers other than those named above.
- Part-time Local Pastors.

The Conference Board of Pensions reserves the right each year to choose the optional categories of appointments to be selected to best serve the needs of the Conference. Where a clergyperson in a mandatory category chooses to waive the program, the church/charge served by that clergyperson will be assessed a minimum contribution equal to the defined contribution (DC) amount for the year to be paid monthly. This is to insure the stability of the program so it will be in place for other clergy who will serve that church/charge.

Medical Reimbursement Accounts (MRA), Dependent Care Reimbursement Accounts (DCA) and Health Savings Accounts (HSA) are offered as a benefit through HealthFlex. Only those enrolled in the HealthFlex health plans may participate.

Central Texas Conference Journal 2016

VOLUNTARY AND INVOLUNTARY LEAVE

Those clergy on Voluntary Leave have the option to remain covered on the active health plan for a period of one year and then, upon termination, they can elect to stay on the Continuation Plan for one additional year. Those on Involuntary Leave lose eligibility for coverage immediately but may elect to stay on the Continuation Plan for one year. Both categories of leave will be directly billed to the individuals, who will be responsible for payment, at the full premium rate.

LAY EMPLOYEES

Lay employees normally scheduled to work 30 hours or more per week may be eligible for coverage at the Salary-Paying Unit (local church) level under a Sub-Adoption Agreement if Risk Pool requirements are met. The Risk Pool Rules apply to lay employees on an employer-by-employer basis. Surviving spouses and dependents of covered lay employees deceased on or after January 1, 2009 may be eligible for coverage as long as they are a covered participant at the time of death and that option is elected by the Salary-Paying Unit and will be responsible for the entire premium. A new spouse acquired by a surviving spouse, lay or clergy, is not eligible for benefits through the Conference.

ACTIVE HEALTH PLAN RATES

The Conference health plan ended the 2015 plan year with a claims loss ratio of 111% which means that the cost of claims paid in 2015 exceeded the premium dollars collected by 11%. Here is a look at the loss ratio for the last few years:

2015	111%
2014	101%
2013	124%
2012	110%.

Rate setting is based upon a 25-month look back so an unfavorable claims history resulting in a loss ratio that exceeds 100% affects rates for the next several years. Our history of poor loss ratios is realized in the rates we received from HealthFlex for 2017.

2017 LOCAL CHURCH WAIVER OF OPTIONAL FAMILY COVERAGE

As a further means of determining the impact of the Affordable Care Act (ACA) on our clergy, their families and their participation in the HealthFlex Exchange, we are initiating a pilot program in 2017 (up to a maximum of 10 churches) to enable the local church (and our Annual Conference) to experience the use of alternative health coverage options for clergy families. Participation in the pilot program requires the agreement of the Conference Board of Pension and Health Benefits (CBOPHB), the Cabinet, the local church Pastor-Parish Relations Committee

Central Texas Conference Journal 2016

(PPR) and the approval of the Church Council or equivalent church administrative body.

1. Beginning July 1, 2016, the administrative body of a local church may make a request of the CBOPHB, in the form of a waiver, to be exempt from offering family coverage for health care. The CBOPHB, at its discretion, will decide the appropriateness of each request. **Note to the Local Church:** Exemption from offering family coverage would exempt **ALL** clergy and lay employees, of a church sponsored health plan, from family coverage, not just those in HealthFlex.
2. Any church interested in participating in the pilot program may request an application from the Conference Benefits Officer (CBO). All completed applications, requesting the waiver, must be received no later than September 1, 2016.
3. The decision of the CBOPHB will be made by September 15, 2016 in order to allow all those affected to make adequate plans prior to Charge Conference and Annual Enrollment in November.
4. All waivers granted will become effective January 1, 2017.
5. Under no circumstances does this exempt those eligible clergy or a local church from being enrolled in the mandated conference health plan.

REPORT NO. 9

RETIREE & MEDICARE ELIGIBLE HEALTH BENEFITS

The Conference shares the funding of the Retiree Health Benefit Program for eligible retired participants with the retired clergy and spouses. The Conference Retiree Health Benefit Program assumes participation in Medicare Parts A and B and is designed to extend certain benefits beyond what Medicare pays.

SERVICE REQUIREMENTS FOR CLERGY RETIREE HEALTH BENEFITS

The Conference will provide access to coverage to the clergy retiree and his/her eligible spouse if the following service requirements have been met (these rules are in effect for any clergyperson who retires after Annual Conference June, 2002).

At the time of retirement, the clergyperson must:

- Have been working in at least ¾ time appointment as a Full Member of the Central Texas Conference or as a Full Time Local Pastor eligible for retirement per the *Discipline* and the rules of the Annual Conference.
- Be a member of the Central Texas Conference, serving in a local church or one of its "Conference Responsible" agencies.
- Have at least five (5) years of ministerial service in the Central Texas Conference and ten (10) years of service in the United Methodist Church. A waiver of the five (5) year requirement for service in the Central Texas Conference may be considered by the Central Texas Conference Board of Pensions upon recommendation of the Cabinet.

Central Texas Conference Journal 2016

Surviving spouses of deceased, retired clergy are eligible as long as they are a covered participant at the time of death. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for retiree benefits through the Conference.

RETIREE/MEDICARE ELIGIBLE HEALTH PLAN 2017

Effective January 1, 2013, the Central Texas Annual Conference and the General Board of Pension and Health Benefits began partnering with One Exchange to provide plan advice and enrollment assistance in choosing Medicare supplemental health coverage and prescription drug plan in the open market. Through this arrangement the participant is responsible for paying premiums, but are assisted with premium and out of pocket expenses by the Central Texas Annual Conference through a Health Reimbursement Account (HRA) funded specifically for the participant. Retirees and spouses must be a participant in the Conference health plan at retirement to continue with Conference health benefits after retirement.

G

RETIREE/MEDICARE ELIGIBLE HEALTH PLAN FUNDING 2017

For those eligible clergypersons and their eligible spouses, the Conference will fund a Health Reimbursement Account (HRA) up to a maximum of \$900 per year/per person for early and full retirees based on their years of ministerial service in the United Methodist Church. Surviving spouses of deceased clergy are eligible for the HRA as long as they are a covered participant at the time of death. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for retiree benefits through the Conference.

Years of Service (full years)	HRA Amount (per year per person)
0-9	\$ 0
10-19	\$300
20-29	\$600
30 or above	\$900

For those eligible clergypersons and their eligible spouses who retired before January 1, 2008, the Conference will fund the HRA at the maximum amount per person.

PRE-65 RETIREE FUNDING – 2016 & 2017

If, at the time of early or full retirement, the eligible clergyperson or spouse is less than 65 years of age and has been covered under HealthFlex for the five consecutive years just prior to retirement, they are eligible to remain on the active plan. A Defined Contribution (DC) amount of \$1,000.00 per year (pro-rated for a partial year) will be provided by the Conference to offset the cost of the active health plan premium. The premium, less the DC amount, will be direct billed to the retiree.

Reports - CFMS

Central Texas Conference Journal 2016

A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for retiree benefits through the Conference.

OPTING-OUT AT RETIREMENT

If, at the time of retirement, a retiree has Other Employer-sponsored Group Health Coverage (e.g. through a spouse's employer), he/she may decline retiree coverage and retain the ability to receive retiree health benefits at a future date. If the retiree loses his or her coverage, it is the retiree's responsibility to notify the Conference within 30 calendar days of loss of other coverage. If this 30-day requirement is not met, the retiree will forfeit the ability to receive retiree health benefits through the Conference at a future date. If an eligible retiree without Other Employer-sponsored Group Health Coverage declines coverage at the time of retirement, the retiree will forfeit the ability to receive retiree health benefits through the Conference at a future date.

G

MEDICARE SECONDARY PAYER – SMALL EMPLOYER EXCEPTION

Beginning January 1, 2009, the Central Texas Conference elected the exception that allows a multiple employer plan to exempt certain individuals from the Medicare secondary payer rules for the working aged. This election helps reduce costs incurred by the Conference and the overall HealthFlex program. This exception applies to clergy, lay employees and spouses who are 65 years of age or older, entitled to Medicare due to their age, and have coverage under the HealthFlex program through an employer (local church or Conference sponsored entity) who employs fewer than 20 employees. For those individuals affected by the exception, Medicare will be the primary payer of their claims beginning the first day of the month they attain age 65 (or the first of the month following approval from Medicare), even if still an active employee, and the participant will no longer be eligible for coverage under the active plan. Eligible lay employees and spouses, 65 years of age or older, will be moved from the active plan to the open market with access to One Exchange. Due to the Affordable Care Act limitations, the Conference is unable to offer a Health Reimbursement Account (HRA) to accompany this plan effective January 1, 2015. Participation in the Medicare supplemental policies through One Exchange satisfies the requirement of Conference health plan participation for retirement benefit purposes.

LAY RETIREE/MEDICARE ELIGIBLE COVERAGE

Beginning with a retirement date of January 1, 2009 or later, a lay employee whose active service has ended and who has completed a minimum of five years of continuous and uninterrupted coverage in HealthFlex immediately preceding the date of retirement and is less than 65 years of age at the time of retirement, may continue on the active plan if so elected by their salary paying unit on the Sub-Adoption Agreement. This will also apply to any eligible family members covered at the time of retirement. The lay employee will be responsible for the entire premium. Surviving spouses of retired, deceased lay employees are eligible for

Central Texas Conference Journal 2016

coverage as long as they are a covered participant at the time of death and are responsible for the entire premium. A new spouse acquired by a retiree or surviving spouse after retirement is not eligible for benefits through the Conference. Lay retirees/spouses who are 65 years of age or older will have access to One Exchange to assist in the move out into the open market but they will be responsible for their entire premium. Lay retirees are not eligible for an HRA.

OPTING OUT OF SOCIAL SECURITY

We continue to have a concern for clergy who may have opted out of the Social Security system. It is imperative that those persons be Medicare eligible when they turn 65, or they likely will not be able to obtain any medical insurance. Some who have opted out may have this eligibility through a spouse, or through enough previous employment. However it should also be noted that eligibility for Social Security disability payments differs from the requirements for retirement and Medicare benefits. If a pastor is considering this course, they should investigate these matters very carefully.

REPORT NO. 10 SUSTENTATION FUND

By action of the 2007 Annual Conference a sustentation fund was established as part of the benefit program through the Annual Conference Board of Pensions and Health Benefits. The fund represents a tangible expression of a collegial relationship among clergy under appointment in the Conference to provide transitional aid. The fund is to provide needed resources and temporary financial assistance to clergy and to assist local congregations in times of clergy transition.

In order to maintain confidentiality, resources from the Sustentation Fund may be used with the recommendation of the Cabinet for:

- Vocational counseling for clergy exiting ordained ministry.
- Temporary salary and/or benefit support for clergy under suspension or exiting ministry.
- Special assessment and intervention strategies to restore clergy to effectiveness.
- Provision of interim ministry supply.
- Support of a crisis response team for congregation/church staffs in times of crisis.
- Other unique needs to support clergy effectiveness/clergy families.

In the case of clergy going on Leave of Absence, the Cabinet, Executive Committee of the Board of Ordained Ministry and/or the clergy session of members in full connection in accordance with ¶354.1 may approve resources from the Sustentation Fund for use.

In the case of clergy taking Honorable Location or Administrative Location, resources from the Sustentation Fund may be used upon recommendation of the Board of Ordained Ministry in accordance with ¶359.1 and ¶363.3 (b)(4), respectively. The Board of Ordained Ministry or its Executive Committee may also make a request to the Cabinet for the use of Sustentation Fund resources in other situations to provide resources or transitional support for clergy.

The Sustentation Fund is included in the 2015 presented to Annual Conference. As a point of information, the funds are underwritten with an amount of .25% of the total Annual Conference plan compensation collected from CTC churches through the connectional ministry budget of the Conference.

REPORT No. 11

GRANT SUPPORT FUND FOR CLERGY

A Support Fund has been established to provide grant money to clergy, and surviving spouses of clergy to assist with catastrophic, unanticipated medical expenses.

1. Grant monies may be available to clergy and surviving spouses of clergy from the Conference Board's Consolidated Grant Fund, as well as other available resources. Clergy with unanticipated medical expenses may also qualify for assistance from the Farmers Fund with the General Board of Pension and Health Benefits. Conference grant application forms can be obtained from the Conference Benefits Administrator and should be sent to the Conference Benefits Officer at the Conference Service Center.
2. Grant funds and earnings on deposit in the Retiree Health Benefits account with the General Board of Pension and Health Benefits shall be restricted for providing clergy benefits programs and funding retiree benefits.

GUIDELINES FOR THE CONFERENCE SUPPORT FUND GRANT APPLICATION

The following guidelines shall be used in reviewing and approving a Support Fund Grant application:

- An individual may receive one grant in a calendar year.
- A grant will only be approved for a one-time emergency¹ situation due to catastrophic, unanticipated medical expenses.
- A grant will not be approved if a previous grant was made for the same emergency situation.
- Distressed clergy members of the Central Texas Annual Conference, their spouses or surviving spouses are eligible to apply for a grant. The term "clergy member" is interpreted to mean both active and retired conference members.
- A grant should only be requested to supplement health care insurance if all other resources have already been utilized. This also applies to requests to cover deductibles or co-payments.
- An application must be completed by the participant or a person authorized² to act on the participant's behalf.
- The Central Texas Conference Board of Pension and Health Benefits shall review the application.
- The grant amount will be a maximum of \$3,000 per individual request. Each request will be reviewed on an individual basis based on need.

¹ An emergency is defined as an "unforeseen combination of circumstances or the resulting state that calls for immediate action; a pressing need."

Central Texas Conference Journal 2016

² Authorized: Power of attorney or agreement between participant and conference officer, or a court appointed guardian.

NOTE: Support Fund Grants received from the Central Texas Conference Board of Pension and Health Benefits may be considered taxable income due to the relationship between the clergy person and the annual conference.

See Grant Support Fund Balance in Report 1 above.

REPORT No. 12

VOLUNTARY TRANSITION PROGRAM (VTP) FOR CLERGY

A program authorized by the 2012 General Conference and being offered by the General Board, is called the Voluntary Transition Program (VTP). The General Conference action was taken as a result of a comprehensive Church Systems Task Force which recognized that for some of us, it's probable that we feel that we have fulfilled the mission to which we felt God had called us. And because of this, our season for ministry should naturally now transition away from Conference membership and to another vocation where we can continue to fulfill God's calling on our lives.

The Task Force encouraged General Conference to recognize that it is detrimental to the lives of individuals who feel they must remain in ordained ministry because of the system that we have in place, and that when some individuals recognize that they would like to transition out of the ordained ministry, a means to accomplish this should be provided.

The VTP has been implemented and will be in effect until the end of 2020. It is available to Clergy with a minimum of 5 years of full connection, in good standing, and they have to be an active CPP participant 5 years immediately preceding separation and must not be within 2 years of eligible retirement. Additionally the Conference leadership must approve their request and at the completion of the process the individual must surrender her or his credentials.

With the VTP there is a Severance Benefit that is calculated using two weeks of a Participant's Plan Compensation for every full year of continuous service. As an example, an Elder, aged 45 with 10 years of continuous service, and a plan compensation of \$65,000 (\$2500 per 2 weeks) would receive a lump sum payment of \$25,000. This is obviously just one example but it shows you the effort our General Board is giving toward helping anyone who wants to take advantage of this opportunity to move out of ordained ministry in our Connection, to a new season of life. Additionally, during the transitional period our Conference would continue to pay the employer portion of your Health Benefits. There are other additional benefits you can find on the GBOPH website (gpophb.org). There are links to the VTP program on the home page of the GBOPH website. You'll find the description under the Comprehensive Protection Plan and if you type this address into your browser it will take you there, <http://www.gbophb.org/assets/1/7/3097.pdf>.

REPORT No. 14 INVESTMENT COMMITTEE

In an attempt to better manage and evaluate the risk of our invested fund we have set up an Investment Committee. The committee will assist the Board of Pensions in clearly defining the purpose and financial requirements of our conference BOP and develop investment goals and strategies, funding policy and other operational guidelines in an effort to better maximize the investment potential of our funds. The committee is made up of persons with a wide variety of funding and investment experience.

BOARD OF TRUSTEES

MIKE HALL, PRESIDENT

CONFERENCE RELATED STRUCTURES/ENTITIES INSURANCE

The Board of Trustees takes seriously its responsibility to verify that the Conference Insurance coverage is current. To that end, a review of all the Conference insurance policies has been completed, and we are satisfied that the Conference insurance coverage's are adequate. The Conference insurance broker of choice continues to be Bart Tucker of Roach, Howard, Smith, and Barton in Fort Worth at 1-800-295-6607. We encourage all conference churches to annually review their insurance coverage to make sure that it meets their current needs and periodically to examine their local church coverage and get a review and rate quote.

CONFERENCE ELECTRIC AGGREGATE PLAN

Electric utilities in the state of Texas were deregulated effective January 1, 2002. Deregulation offered the opportunity for the churches of the Central Texas Conference to join together to purchase electricity. All of the churches of the conference have been invited to participate in this effort. To date approximately 300 CTC entities have enrolled and the program continues to be beneficial with the benefits of achieving scale, the ability to anticipate costs in budgeting, and protection against the volatility of natural gas prices and future cost increases. Since our first contract that began in 2008 our price of electricity per kilowatt hour (kWh) has decreased. You can see by the following chart how our group program has benefitted our churches with each successive contract implementing decreases in electrical costs.

<u>Contract Term</u>	<u>Per kWh Hour</u>
2008 - 2013	0.0749
2013 - 2015	0.0588
2015 - 2016	0.0566
2016 - 2018	0.0499
2018 - 2021	0.0408

Central Texas Conference Journal 2016

The current contract for .0566 cents per kWh concludes June 30, 2016. Our next contract begins July 1, 2016 at 0.499 and a 3 year extension beyond that at a further reduced rate of .0408 cents per kWh.

Remember there are 2 factors that determine your monthly billing:

1. Energy Charges. This charge is the deregulated part of your bill and was negotiated through a competitive bid process conducted by the CTC service center. This charge is noted on your bill as "ENERGY" and is calculated by multiplying your kWh usage for a particular month times the Conference contract rate which is 0.0566.....0.0499 beginning July 1, 2016.
2. Transmission, Distribution, Utility (TDU) charges. These charges are the regulated part of your bill. These are set by the Public Utility Commission of Texas (PUCT) and are non-negotiable. These charges are referred to as "pass through" charges and are the same no matter the name of your Retail Electric Provider (REP). The conference REP is Hudson Energy. However, they have no control over these regulated charges. Hudson simply passes along the bill that is sent to them by ONCOR who is the TDU Company.

There are many components that make up this TDU part of your bill. However, the one that is by far the largest is the "DEMAND" charge. Demand is defined as the total number of watts that hit your meter at any point in time. So, for instance, on Sunday morning to turn all your lights and air or electric heat at the same time that will be for most the highest demand. This could affect your bill for the next 12 months. Each month you will be billed the higher of your current month Demand reading or 80% of your highest demand reading over the past 12 months. For example if you hit 150KW on the hottest Sunday in August and that was the highest Demand reading over the past 12 months then you will be billed \$5.00 times 150 = \$750.00. Now suppose that in Jan, Feb, Mar, and Apr you hit between 50 and 75 KW demand each month. For each of those months you will be billed 80% of the last twelve months peak which in our example would be $150 \times 80\% = 120$. $120 \times \$5.00 = \600.00 .

As you can see if you reduce your peak Demand permanently you can reduce your demand charges for all the remaining months. (For more detailed information please call the conference service center.)

BUILDING COMMITTEE STEVE MCIVER, CHAIRMAN

With moving completed in August of last year and the Service of Dedication on January 10th of this year the committee has finished the assignment. Thank you to everyone who helped make this project go as smoothly as a building project could possibly go.

LANDMARK POLICY

Pursuant to the 2012 *Book of Discipline* ¶2512.7, the “Establishment of Annual Conference Policy with Regard to Government Landmark Efforts to Designate Church Owned Property as Landmarks”, policy was approved at the 2011 Annual Conference Session. It can be found in the 2012 Conference Journal beginning on page 274.

MINISTRYSAFE

MinistrySafe continues to be the official resource equipping churches in The Central Texas Conference for abuse prevention with children, youth and vulnerable adults. All churches have received the opportunity for training in the foundational elements of Ministry Safe as well as in the specific pieces of the screening processes involved in being compliant with the Five (5) Point Safety System:

1. Volunteer or staff application;
2. Reference checks;
3. Interviews;
4. On-line training, and;
5. Background checks.

Current ways to connect with various needs your church might encounter or questions you might have can be found through the contact and resource information below:

1. The CTC MinistrySafe Oversight Committee meets quarterly or more frequently if necessary to answer questions or secure additional clarification or training on particular issues. Any church with a question for the MinistrySafe Oversight Committee should contact Rev. Amber Massingill, CTC Associate Director for Intentional Faith Development at ambermassingill@ctcumc.org.
2. In addition, the oversight committee has implemented a monthly Ministry-Safe newsletter for local church Safety System Administrators. It includes additional information on particular topics of interest and provides opportunities for local churches to ask questions or share best practices. The link to the newsletter can be found here: <http://www.ctcumc.org/ministrysafe>
3. To find MinistrySafe policies and steps for implementation are found here on the CTC website: <http://www.ctcumc.org/ministrysafe>.

Together, we continue to grow into our vision that our churches are informed and prepared for ministry with the best safety practices available.

CHURCH INSURANCE COVERAGE

Conference policy requires that each church in the charge carry adequate property, liability and Workers' Compensation Insurance on pastors and

Central Texas Conference Journal 2016

other employees. If a pastor (or other worker) receives a work-related injury, health insurance will not pay on what should be a worker's compensation claim. In addition, regular liability insurance will not pay or protect a church against such a gap in coverage. Please, if you do not have workers' compensation coverage, check with our Conference agent, Roach, Howard, Smith and Barton (1-800-295-6607) in Fort Worth, or any agent of your choosing.

We encourage churches to survey the insurance coverage that they now have and compare it to the minimum coverage standards (listed below) we feel are imperative for your church to minimize risk. Certainly there may be good reasons for your church to carry a different amount than the minimum. As always consult with your local church insurance agent or call the Conference Service Center for more information. We also encourage you to routinely shop your insurance needs and compare it with new policies and new carriers. We remind churches that a required part of Charge Conference reporting is a report from the Trustees, which lists insurance coverage and deed recordings.

G For help in determining whether your local church insurance is adequate please use the following link to the General Conference Finance and Administration (GCFA) web site for a worksheet.

CENTRAL TEXAS ANNUAL CONFERENCE Local Church Minimum Insurance Recommendations

The 2012 *Book of Discipline* ¶2533.2 requires local church trustees to annually review and report on the adequacy of local church property and liability insurance coverage "to ensure that the church, its properties, and its personnel are properly protected against risks." Since 1797, the *Book of Discipline* has provided that the property and assets of local churches are held in trust for the benefit of the denomination. Inadequate insurance puts local church property and assets at risk, including the denomination's trust therein. Therefore, Trustees of the Central Texas Conference, representing the denomination's trust interest, have adopted the following minimum insurance requirements for local churches:

Commercial Package Policy, to include the following minimum limits:

❖ Buildings, Organs & Contents	Insured to Replacement Value, "Risk of Loss" aka "All Risk" Coverage			
❖ Fine Arts	\$25,000			
❖ Comprehensive General Liability	Occurrence	\$1,000,000	Aggregate	\$2,000,000
❖ Pastoral Counseling Liability	Occurrence	\$1,000,000	Aggregate	\$2,000,000
❖ Hired and Non Owned Auto Liability	Occurrence	\$1,000,000		
❖ Employee Benefits Liability (EBL)	Occurrence	\$1,000,000	Aggregate	\$1,000,000
❖ Medical Payments	\$10,000			
❖ Sexual Misconduct Liability	Occurrence	\$1,000,000	Aggregate	\$1,000,000
❖ Crime/Employee Dishonesty	Occurrence	\$25,000		

Central Texas Conference Journal 2016

Directors & Officers (D&O) Policy, to include the following minimum limits

- ❖ Directors' & Officers \$1,000,000
- ❖ Employee Practices Liability (EPL) \$1,000,000 (including Sexual Harassment)

Workers' Compensation Policy, including supply clergy

- ❖ Bodily Injury by Accident Each Accident \$1,000,000
- ❖ Bodily Injury by Disease Policy Limit \$1,000,000

Umbrella Policy (Excess Liability) – An Umbrella policy is suggested, but not required

This excess policy must extend over Commercial General Liability, Pastoral counseling, Employee Benefits Liability, Owned Auto, Hired & Non-Owned Auto and Workers Compensation. A higher per occurrence limit may be appropriate based on specific risk characteristics such as church size and/or scope of operations and ministries

- ❖ Per Occurrence Limit \$1,000,000 (minimum) Aggregate \$1,000,000

As always there may be good reasons to have different amounts of coverage.

Please consult with your insurance agent or call the Conference Service Center 817/877-5222 with any questions.

THE TEXAS OPEN CARRY FOR CONCEALED HANDGUN HOLDERS & CTC MINISTRY RECOMMENDATIONS

The Open Carry Law for Concealed Handgun Holders (“Open Carry Law”) became effective January 1, 2016. This law authorizes an individual who possesses a concealed handgun license issued by the state of Texas or by a state that Texas recognizes to carry the handgun in plain view in a public place as long as the handgun is carried in a shoulder or belt holster.

Property owners may prohibit the entrance onto their property by a person licensed to openly carry a handgun by providing verbal or written communication of the prohibition. The written communication may be a card, document or sign posted on the premises of the owner. The sign would be required to: (1) include in English and Spanish the statutory warning prescribed in the Texas Penal Code, (2) have contrasting colors with block letters at least one inch in height, and (3) be displayed in a conspicuous manner clearly visible to the public at each entrance to the property.

Examples of signs which meet the statutory requirements for prohibiting both concealed and openly carried handguns are shown below. Signs can be purchased on line or can be “homemade” as long as they meet the statutory requirements.

¶3426.11 in the Book of Resolutions states, “reflecting the traditional role of The United Methodist Church that has been one of safety and sanctuary, every United Methodist Church is officially declared a weapon-free zone.” Believing that the open carry of handguns on church property is inconsistent with an atmosphere of prayer and worship, safety and sanctuary, it is the recommendation of the

Central Texas Conference Journal 2016

Conference Board of Trustees that oral and/or written notice be given in accordance with the statute prohibiting the “Open Carry” of handguns in churches of the Conference. We make no recommendation regarding the prohibition of concealed handguns on church property and suggest that this be left up to individual congregations. It is our further recommendation that, in addition to whatever normal security churches provide during worship services and other activities occurring on church campuses, trained personnel, whether ushers or others, be designated as persons to assist in the event of a disturbance or an apparent violation of the notices the churches have posted with regard to the presence of guns on the property.

In addition, recognizing that the church is not a building, the church is the people and the ministry that we undertake both within the church building and outside in the mission fields of our communities and world. We further recommend that for all ministries sponsored by the Central Texas Conference, (i.e. CTCYM and conference children and youth events, mission trips, disaster response and VIM events, etc., (these are not meant to be the exclusive/exhaustive list of ministries but are examples) that we declare these events be a weapon free zone.

RESOLUTIONS

RESOLUTION TO WORK TOWARD REPEAL OF THE DEATH PENALTY IN TEXAS

WHEREAS, The United Methodist Church, according to its Social Principles (¶164. G.), believes "the death penalty denies the power of Christ to redeem, restore, and transform all human beings," and "opposes the death penalty and urge(s) its elimination from all criminal codes," and

Central Texas Conference Journal 2016

WHEREAS, in the state of Texas:

- ♦ 537 persons have been put to death since the state resumed executions in 1982;
- ♦ according to the Texas Department of Criminal Justice, more than 20% of the 290 inmates on Texas' death row are diagnosed with some type of mental illness; among the persons executed since 1982 at least nine were developmentally disabled;
- ♦ among those executed since 1982, thirteen were juveniles when their crimes were committed;
- ♦ race appears to play a significant role in application of the death penalty; of states with more than 10 people on death row, Texas (70%) has the largest percentage of minorities on death row; among those executed since 1982, eighty-three African Americans were put to death for crimes against white victims, and only one white person was executed for crimes against African Americans;
- ♦ thirteen persons sentenced to die have later been proven innocent and removed from death row;
- ♦ the cost of an average death penalty case is nearly three times higher than imprisoning someone in maximum security for forty years; and
- ♦ the use of the death penalty throughout the state is fraught with inefficiency and inequality,

THEREFORE, BE IT RESOLVED, that the 2016 Annual Conference of the Central Texas Conference of the United Methodist Church meeting in Waco, Texas:

- ♦ call upon all clergy members of the Annual Conference to sign the Clergy Sign-On Letter sponsored by Texas Coalition to Abolish the Death Penalty;
- ♦ call upon all local churches and lay members of the Annual Conference to pressure their local and state representatives to work toward the abolition of the death penalty in Texas;
- ♦ call upon the Texas Legislature either to abolish the death penalty completely or to stop executions in the state until such time as all capital cases can be tried in a completely equitable way;
- ♦ call upon the Texas Pardon and Parole Board and the governor to commute the sentences of persons currently on death row to life in prison without parole or to life in prison;
- ♦ encourage the Bishop of the Central Texas Conference to attend the press event on the steps of the Capitol during Faith Leader Lobby Day on the Death Penalty, to be held at the next regular session of the Texas Legislature in 2017; and
- ♦ instruct the secretary of the Annual Conference to have copies of this resolution sent immediately to all candidates for, and members of, the Texas Legislature; to each member of the Pardon and Parole Board; to the Governor of Texas; to Sharen Wilson, District Attorney of Tarrant County; to Texas Impact, and to the Texas Coalition to Abolish the Death Penalty.

This resolution is presented by Advocates for Social Justice (a group within FUMC Arlington).

AFFILIATED INSTITUTIONAL REPORTS

ALDERSGATE ENRICHMENT CENTER

EARLY, TEXAS

MICHELLE THOMAS, EXECUTIVE DIRECTOR

First and foremost, I would like to thank the members of the Central Texas conference for all your prayers, love and support shown our amazing ministry. In 1994 Mike Pinson stood before this conference and said, "If you want to see God at work, come to Aldersgate." That statement holds just as true today as it did 22 years ago. We find ourselves humbled as we take a moment to reflect on all that God has done in our ministry in 2015. Aldersgate Enrichment Center underwent a makeover with an entire rebranding campaign. Our ministry has spent the last few years on a "walk of faith" rebuilding in physical, emotional, and spiritual strength. With our financials on the rise and our programs flourishing, we felt it was time for us to put our best foot forward. So, with a new logo, new website and strengthened social media platforms, we are ready to show the world our new selves and the work that God has done in this city on a hill in central Texas!

Central Texas Conference Journal 2016

In the past year our campus has really come alive and begun to grow. Our Chapel Project is set for completion in May after funding was graciously received from our supporters. When this project is completed, we will have the ability to conduct our morning devotions, prayer gatherings and other events in a beautifully designed chapel area. The chapel will also give us a revenue generating opportunity as a venue rental space. This, along with The Gathering Place (honoring the late Dr. Leonard and Ann Radde), our recently remodeled event space, will offer the perfect setting for weddings, birthday parties and company retreats.

We are also in the midst of a large, multi-building expansion for our Vocational Program. We have recently secured two very lucrative contracts with nationally known companies. These contracts will require us to utilize 36,000 sq. ft. of warehouse space as a storage and reproduction facility. Construction has also begun on a 7,500 sq. ft. state-of-the-art Manufacturing Facility. This facility will be the powerhouse of our campus, as it will be the home of our contract production. With the comfort of our associates and production efficiency in mind, this facility is expected to increase production and streamline our current operation.

Additionally, our Residential Program is as strong as ever with both assisted living facilities at full capacity. Recognizing that a group home would need to house at least 12 individuals to be financially self-sufficient the executive board has recently approved the addition of a fourth wing to the Hamrick allowing this facility to operate with a financial gain! That project is set to begin in late fall and will be completed by the close of 2016. With our current waiting list of potential residents, we anticipate no problem filling these three additional bedrooms.

After one of our most beloved associates, Tod Bishop, passed away this past December, the need for physical and therapeutic activity was put in the forefront of our minds. Tod was called home to his Father in Heaven after suffering sudden heart failure. This tragedy helped us to realize that our associates and residents lack an area in their lives for physical activity and leisure time. With that, a vision of a recreational facility was born. After a gracious gift from Tod's parents, we have begun the planning stages of what will be a 6,000 sq. ft. recreational facility on our campus. This facility will include a theater, a gymnasium, an indoor pool, locker rooms and a monitored weight room. We believe that this facility will help to enrich the lives of our associates and our residents by giving them the opportunity for physical exercise and leisure time. Many studies have shown that 30 minutes of physical exercise per day will lead to much healthier and fuller lifestyles. Our mission is to establish and maintain an innovative and family-oriented, Christian community that provides opportunity in ALL aspects of life for adults with special needs. We feel that this facility will help cover a very important aspect of our associates' lives.

As a part of the rebranding campaign, Aldersgate saw itself as the host of two major events in the past year: The Clays & Praise Classic Skeet Shoot and the Aldersgate Easter Eggstravaganza. The Clays & Praise Classic consisted of a dinner banquet with guest speaker and a silent auction as well as a morning of skeet shooting hosted by the Texas Tech Trap & Skeet Team. It was an extremely fun event that

G

Reports - CFMS

Central Texas Conference Journal 2016

allowed participants to see the beauty of our campus. The Easter Eggstravaganza consisted of a 3-mile obstacle course run and a specially designed Easter egg hunt for children with special needs. The event was a great success and something that we look forward to becoming an annual tradition. One of the most important things to come from the Eggstravaganza was a healthy working relationship between Aldersgate, the ARC of Brown County and The Center For Life Resources. It was an event in which together multiple organizations that share a heart for adults with special needs were brought together.

As we closed the book on 2015, it was refreshing to see that all of the hard work and dedication that the Aldersgate family put in throughout the past couple of years had begun to pay off. Our annual giving report showed that our 2015 contributions came in at almost 25% more than 2014. To us, this number means more financial gain it was proof that as people continue to learn about our ministry, they believe in what we are doing here at Aldersgate. People see what is happening and how God is working in the lives of the staff and associates on this side of our gates and they support it! But, we would be nowhere without the grace of our beloved Father. Proverbs 3:5 says, "Trust in the Lord with all your heart and lean not on your own understanding." That is what we have spent the past few years doing here at Aldersgate. There have been moments when we didn't understand God's direction for us, but we trusted and followed anyway.

In 2015 alone, Aldersgate was blessed to have touched the lives of thousands of individuals. From our residential program that is filled to capacity, to our vocational program that is flourishing, we were able to reach over 250 individuals alone. Recently, Aldersgate established a Disaster Relief program. This program utilizes a non-profit organization relationship with such companies as The Home Depot and Bed Bath & Beyond. Aldersgate has partnered with these companies to receive slightly damaged, returned, and discontinued items. We then sort, catalog, and store these items to be used to help those in need. To date, we have been able to send new bedding and building supplies to victims of disasters such as the explosion in West, TX, fires in Bastrop, TX, tornadoes in Arkansas, flood victims in Virginia and Houston, less fortunate tribes in Uganda, multiple domestic violence shelters, our local Humane Society and many more. We have also been able to rebuild homes for a homeless gentleman in Lubbock, TX and a single father of three autistic boys here in Brownwood, TX.

We would like to thank ALL of our supporters for their continuous prayers, contributions, and encouraging words. We continue to seek support from those organizations and individuals alike who have a heart for adults with special needs and whom God moves to become a part of our ministry in one fashion or another. As we continue our growth and expansion, we gratefully welcome support in prayer, financial contribution, gifts-in-kind, or volunteer labor. God is busy in our ministry and the fruits of His labor are evident on our campus and in the 250 people that our ministry has touched in the past year. So, it's no wonder that Mr. Pinson's words have now become the tagline of our ministry: If you want to see God at work, come to Aldersgate!

LYDIA PATTERSON INSTITUTE EL PASO, TEXAS SOCORRO BRITO DEANDA, PRESIDENT

It is with great respect and gratitude that I bring you a report from your institution on the US-Mexico border, Lydia Patterson Institute.

The past few years have been a time of change and preparation for the next 100 years. Since the celebration of Lydia Patterson's Centennial Celebration, the Board of Trustees, teachers and staff, students and parents and our committed supporters have been busy at work assuring that the next 100 years of "La Lydia" be even greater than the first. We commit to see Lydia Patterson continue to be a model ministry of the South Central Jurisdiction of the United Methodist Church.

We began with the kick-off of a capital campaign for the renovation of its facilities and the development of programs to meet the needs of the 21st Century. Phase I of the plan has been completed, and 14 classrooms have been renovated and equipped with the latest state-of-the-art infrastructure and technology. We have added a middle school with a unique program (ELPILearn) developed by our own staff and consultants in the field. The ELPILearn is designed to prepare the students to compete in a changing world of technology, math and science. It provides a sophisticated method of teaching English resulting in students learning twice as fast. The ELPILearn was carried forward to the 9th and 10th grades this year, and in the final phase, it will be introduced in the 11th and 12th grades next year.

Lydia Patterson is about touching lives. It takes students of very limited resources and with very little hope for a good education and provide them with the tools just described to become well prepared for a better life. Lydia Patterson is about serving. Students are prepared to serve their communities, the church, and their neighbor. Students in the Lay Ministry Program are serving in internships throughout the country. Many have chosen to go to seminary and others are already serving as local pastors.

Challenges never cease to exist at LPI. Just as we bounced back from a slight drop in enrollment due to crime and violence across the border and changes in the student visa regulations, we are now faced with the daily devaluation of the Mexican peso. Parents struggle to meet tuition, and we depend on the generosity of our Methodist community to provide financial assistance through scholarship giving so students can remain in school.

I wish to offer a word of appreciation for your apportionments paid for the daily operations of the school. Your support of our capital funds campaign will enable us to continue our service to those less fortunate and to the church in general for another century. Students travel for 2-3 hours from their homes to walk over the international bridge and walk to the school every day. If we manage to send 98% of these students to college, I believe the return on our investment is pretty high.

Central Texas Conference Journal 2016

At Lydia Patterson we are doing what the church has asked. We are forming bilingual, bicultural leaders and disciples of Jesus Christ for the transformation of the world. We are changing 435 lives daily, all for the glory of God. Thank you for being a part of this redemptive ministry.

METHODIST CHILDREN'S HOME

WACO, TEXAS

TIM BROWN, PRESIDENT/CEO

Greetings from Methodist Children's Home (MCH) and the children, youth and families we serve. Our ministry is possible thanks to the support of our many benefactors and friends, including those from the Central Texas Annual Conference. I am honored to report to you that MCH continues to be in compliance with and, in many cases, exceed best practice standards for childcare established by the states of Texas and New Mexico as well as the Council on Accreditation (COA), an international accrediting organization of child welfare, behavioral health, and community-based social services.

I invite each member of the annual conference to visit our website at www.MCH.org to view our strategic plan, annual report or explore in more detail our mission. Guided by our core values of Christian Principles, Relationships, Responsibility, Growth, Service and Hope, MCH provides the services, programs and talented individuals needed to positively impact the lives of children, youth and families throughout Texas and New Mexico. This is happening every day through residential programs on our historic Waco campus and Boys Ranch, located just outside of Waco, as well as through 12 MCH Family Outreach offices, including North Richland Hills and Waco. We will soon open a new outreach office to serve the Killeen area.

The reasons children and youth arrive in our care are unique to each individual. They range from extreme trauma or a sudden change in the family structure to school issues or poor choices in a difficult and ever-changing world. Our collaboration with Texas Christian University's Institute of Child Development to incorporate Trust-Based Relational Intervention (TBRI) as well as other best-practices into our daily programs keeps MCH on the cutting edge of childcare. These proven and tested techniques and methods of interacting with children are impacting families in positive ways. Our vision remains to share what we learn in serving the children and families from "hard places in life" with pastors, youth ministers and concerned family members in the local church because MCH knows you are encountering similar situations as well. The lessons we are learning, coupled with spiritual development opportunities for all children in our care, make MCH a unique ministry of the United Methodist Church.

Throughout the past year, MCH marked our 125th anniversary of ministry by commemorating the past, celebrating the present and creating the future. As we look back and see how far we have come since 1890, we are grateful for the clear way

Central Texas Conference Journal 2016

God has led MCH through these years in our mission to "offer hope to children, youth and families in a nurturing, Christian community."

Through the generosity of our benefactors, the prayers of our friends and supporters, and the commitment of a skilled community of MCH employees, here are some of the things you helped MCH accomplish for God's glory and those we serve:

- Celebrated 125 years of ministry through a number of special events, highlighted by our anniversary celebration on October 10 in Waco. Special guests Chip and Joanna Gaines, elected public officials, Board members, volunteers, alumni, staff, young people, and benefactors came together to honor the work God has done through MCH since 1890.
- Completed a bold five-year strategic plan that has helped chart a bright future for this ministry. Our leadership team is working on a new plan to further challenge MCH to serve the needs of more children, youth and families from Texas and New Mexico.
- Started building the first new home on our Waco campus in more than 50 years.
- Earned a four-star rating from Charity Navigator, their highest rating available. This designation comes as the result of our close oversight in areas of our fundraising, operations and financial management.
- Assisted 25 young men and women in graduating from our University of Texas – University Charter School on the Waco campus and other public school systems. Thanks to our many friends who made annual gifts to our general scholarship fund or designated monies from their estates for scholarships, approximately \$500,000 was available to assist more than 100 MCH alumni in pursuing advanced education degrees and certificates.
- Announced plans to open new MCH Family Outreach offices in Killeen and Bryan/College Station, Texas, and Las Cruces, N.M.
- Enjoyed a great year for our athletic programs, Ag Science/FFA and Environmental Studies programs and other extracurricular activities. Our MCH Bulldog football team reached the state finals and we enjoyed one of our best years on record at the Heart O' Texas Fair & Rodeo. We believe these extracurricular activities are powerful ways to help teach our young people responsibility and enable them to gain a sense of belonging in our nurturing, Christian community.

Our achievements in the past, and those yet to come, are directly related to the men and women who give their time, talents and resources to bless our children. The following individuals from the Central Texas Annual Conference serve on the MCH Board of Directors:

Dr. Jeff Clark, Temple
Rev. Steve Ramsdell, Waco

2016 Nominee: Rev. Clifton Howard, Temple

Central Texas Conference Journal 2016

MCH would like to say a special thank you to Bishop J. Michael Lowry who faithfully represented to the Resident Bishops from Texas and New Mexico. Bishop Lowry rotated off our Board after nine years. His service is a reminder of the thousands of children who are blessed by the work of volunteers and those passionate about our mission. We celebrate great leaders from the Central Texas Conference, both past and present, and look forward to the next generation of individuals who will connect and partner with MCH.

These individuals, along with other Board members, MCH Commissioners and benefactors, enable our ministry to achieve its mission. On behalf of Methodist Children's Home, thank you for sharing our story in your churches and communities. If you would like to schedule a speaker, arrange a tour or request resources to help promote an offering, contact our development office by e-mail at development@MCH.org, by phone at (254) 750-1213 or (800) 853-1272, or by mail at 1111 Herring Avenue, Waco, Texas 76708.

G I again encourage you to visit our website at www.MCH.org to download stories; identify resources to help educate your congregation on our ministry; view a transparent listing of our financial resources and services delivered; find out how you can refer a child for placement; or learn more about a call to serve our ministry as a home parent, foster parent or in another capacity as we seek to offer hope to those in our care.

This year MCH asks the Annual Conference to once again review the content of our Statement of Covenant Relationship. This document is included at the end of this report. It defines how MCH and the Annual Conferences of Texas and New Mexico operate independently but also toward a common mission. MCH has a policy instituted by our Board of Directors requiring that we review the Statement of Covenant Relationship every four years. The only changes involve the realignment in the number of Annual Conferences from Texas and New Mexico which resulted in our Board membership decreasing by one member. The document also reflects the new name of the Rio Texas Conference.

As we now celebrate our 126th year of ministry, MCH knows our service to children and families is possible because of God's amazing grace and our generous benefactors. Thank you for your trust and support of our ministry. May God continue to bless you, the ministries of the Central Texas Annual Conference and Methodist Children's Home.

G

Reports - CFMS

Central Texas Conference Journal 2016

Should any of the patronizing Conferences at any time desire to withdraw as such, then such patronizing Conferences shall cease to elect representatives as members of the Board of Directors and shall no longer be included in the definition of "patronizing annual conference" for purpose of the Statement of Covenant Relationship. The total number of Directors shall decrease accordingly and the affairs of MCH shall be governed and managed by the remaining members of the Board.

G

III. RELATIONSHIP

Methodist Children's Home is related through a common religious heritage and a common commitment to Christian service to The Conference. The Conference, recognizing this shared commitment, annually authorizes and promotes a special offering in each local church for the support of MCH. The Conference assumes no other financial responsibility for MCH. In return for the encouragement of financial support for MCH by the Conferences, MCH submits an annual audit to The Conference. Any time a gift is given directly to MCH and the gift is designated for credit to a local church, MCH shall forward notice to the Conference treasurer's office to ensure proper recording of the gift.

The Conference supports the mission of Methodist Children's Home by approving directors to serve on the MCH Board of Directors. The Conference does not exercise any ownership or control over MCH and does not accept any legal or financial responsibility, other than the above-mentioned special offering, for MCH. MCH's Board governs and manages MCH on the basis of MCH's best interests. MCH does not exercise any ownership or control of the Conference and does not accept any legal or financial responsibility for the Conference.

To keep the Conference informed about activities at Methodist Children's Home, MCH presents an annual report at the Annual Conference to be published in the Conference Journal, provides updates and presentations at conference and district meetings, prepares appropriate news releases, publishes the Sunshine magazine, and encourages tours of MCH facilities by local church groups and appearances in local churches by MCH staff members and residents.

MCH seeks accreditation of its program by outside accrediting bodies in order to assure the Conference of the quality of its program. Currently MCH is accredited by the Council on Accreditation of Services For Families and Children, Inc., and is licensed by the Texas Department of Family and Protective Services.

Reports - CFMS

Central Texas Conference Journal 2016

Should Methodist Children’s Home be dissolved, the assets would be distributed as set forth in the Distribution of Assets on Dissolution in ARTICLE XII of the Bylaws of MCH, revised, November 6, 2015, as follows:

In conformity with the provisions of ARTICLE NINE of the Second Restated Articles of Incorporation of Methodist Children’s Home, all assets of the corporation are pledged for use in performing the corporation’s charitable functions, and upon discontinuance of the corporation by dissolution or otherwise, the assets that remain after the satisfaction of all liabilities and obligations shall be divided proportionately among the Annual Conferences of the United Methodist Church that are patronizing Annual Conferences of Methodist Children’s Home at the time such distribution is made, and are also recognized as charitable organizations under Section 501(c)(3), Internal Revenue Code of 1986, as amended, such distribution to be based upon the membership of each conference at the last annual report preceding the dissolution. Any assets so distributed shall be dedicated for use by each patronizing Annual Conference for the charitable care and ministrations for children. Provided, however, that if any patronizing Annual Conference is not, at the time of such distribution, an organization that is qualified as a charitable organization under Section 501(c)(3), Internal Revenue Code of 1986, as amended, then its share of such assets shall be distributed to one or more charitable organizations, recognized under Section 501(c)(3), Internal Revenue Code of 1986, engaged in child care or ministrations and affiliated with the United Methodist Church.

The future is bright:

Mount Sequoyah has written commitments to provide facilities and pursue a partnership with UA Wesley ministries through December 31, 2019. The goal is to

Central Texas Conference Journal 2016

solidify a relationship with college age people and expand that relationship across the jurisdiction, making Mount Sequoyah's facilities a destination for religious training and spiritual formation.

Mount Sequoyah completed an intensive review of its mission and future potential conducted by United Methodist Elders, Pamela J. Harris and Garrie F. Stevens of Run River Enterprises, a consulting firm. The review process included three-two day work sessions that were well attended by staff and Trustees. As a result Mount Sequoyah has undertaken the task of refocusing its purpose and mission in an effort to identify unique areas in which it can develop training programs to equip clergy and laity with the tools, technology and skills that will be necessary to reach the mission fields twenty or thirty years in the future and required to resolve conflicts likely to be faced by our clergy and within our churches.

The future is secure:

Mount Sequoyah is financially secure. In exchange for negotiated price increases, Mount Sequoyah orally committed to provide our largest corporate client training facilities, food service and housing through the year 2017 with full expectation to continue into 2018. The rents are fixed through 2017.

A \$550,000.00 payment is due from American Tower for a 30-year cell tower site lease.

Fayetteville Cottage is leased from August 1, through December 31, 2019 and 1011 Skyline (former District Superintendent's House) is leased through January 2017 with a verbal commitment to extend through January 2018.

Three Host Family houses are leased through May 31, 2017.

A \$100,000.00 increase in events and programming revenue and an increase of \$75,000.00 in contributions are projected for 2016. A Development Officer has been hired.

Long-term debt is \$275,000.00 and the Line of Credit is currently \$105,000.00. Cash equivalent assets of \$300,000.00 are held by the United Methodist Foundation of Arkansas.

Mission accomplished:

Witnessing through our actions, our words, and our presence, that is what Radical Christian Hospitality is all about.

Mount Sequoyah extended Radical Christian Hospitality to Christian motorcycle groups, including two groups from Texas, attending Fayetteville's Annual Bikes, Blues, and Barbecue Festival. The Faith Riders shared the gospel with 1063 persons and prayed with 90 persons who asked for forgiveness and to receive Christ as their Lord and Savior.

By extending Radical Christian Hospitality to youth, Mount Sequoyah touched the lives of over 700 youth who participated in swimming lessons, swim teams, tennis lessons and tennis teams, Kanakuk KampOut, youth mission camps, and group events.

Central Texas Conference Journal 2016

Radical Christian Hospitality cemented a partnership between Mount Sequoyah and UA Wesley Ministries resulting in making our campus a second home to college students from across the South Central Jurisdiction. Our unprecedented family environment attracted over 200 parents from Texas as overnight guests while visiting.

Radical Christian Hospitality celebrated the marriage of thirty-two couples as they pledged their lives and hearts to each other on our beautiful campus under the Lord's ever-watchful eye.

Radical Christian Hospitality welcomed 30,052 guests for overnight stays and provided 18,378 delicious meals prepared by our own chef. Included in the numbers were 61 different Church groups, 13 family reunions, and 29 groups from regional colleges and universities.

G Radical Christian Hospitality, coupled with our Christian Education and Spiritual Formation Coordinator, a United Methodist Diaconal Minister, and produced religious education programs and workshops that attracted jurisdiction wide participation and a Lay Servant Academy praised because of its structure and skilled presenters.

Radical Christian Hospitality was the catalyst to reestablish our in house food service. Chef Curt Harcourt received rave reviews from all guests. Some refer to our Dining Hall as "Curt's on the Hill" a take-off on a well-known local restaurant, the "Inn at the Mill".

Radical Christian Hospitality resulted in year-end positive cash flow for the past three years and the receipt of over \$710,000.00 in contributions during said period to remodel and upgrade facilities.

Radical Christian Hospitality resulted in groups seeking Mount Sequoyah as a designation of choice resulting in events and programs already booked throughout the years 2017, 2018 and even one event in 2019.

Closing:

The future looks bright as Mount Sequoyah plants seeds that, with God's blessings, will in the near future transform the world for Jesus Christ.

PROVIDENCE PLACE

(FORMERLY METHODIST MISSION HOME)

SAN ANTONIO, TEXAS

JUDITH BELL, INTERIM PRESIDENT & CEO

BILL AVERA, CHAIR, BOARD OF TRUSTEES

On behalf of our Board of Directors, staff, and those on our campus who are working hard to achieve their own personal levels of success, I thank you – Bishop Mike Lowry and the members of the Central Texas Annual Conference – for your dedication in partnership with the ministry of Providence Place. By God's grace, we

Central Texas Conference Journal 2016

celebrated our 120th anniversary in 2015 thanks to the committed support from individual donors and United Methodist Churches.

Providence Place provides a safe haven for those who have felt excluded. We offer adoption services to women who are in crisis and facing an unplanned pregnancy, as well as those who are looking to open their hearts and homes to a child in need of a forever family. We also have our Center for Higher Independence (CHI), which is a transitional program for young adults with cognitive or physical disabilities. Here, we offer independent living and vocational training to students who may not have realized their full potential and capabilities, believing that they will find themselves accomplishing things they never thought were possible.

The past year has been a year of transitions for Providence Place. From a transition in leadership to transitions throughout our programs, we see God's hand at work. For example, we have transitioned our expectant mothers to an off-campus apartment around the corner for a more private and comfortable experience. We have seen a rise in post adoption inquiries, with past clients wanting to piece together their life story. The curriculum has been expanded in the CHI classrooms, with more vocational training tracks being offered to help students realize where they can excel. Texas state licensing standards requirements have changed so that there is now a lower instructor-to-student ratio, which allows for much more personal and specialized lessons. In June of 2015, twenty-six young adults graduated from CHI and begin applying all they had learned while either continuing to live here in San Antonio or after moving back to their hometown – 80% of those students had found employment at the time of their graduation.

A need to review our Mission, Vision and Core Values was felt across the campus. There was a calling to begin this ministry over 120 years ago, and I feel these accurately describe the way in which we wish deliver hope to those we connect with. I would love to share them with you now:

Mission Statement: Providence Place is a non-profit and for-purpose organization fostering opportunities. We empower adults with disabilities and people on the adoption journey by supporting independence and building bright futures with endless possibilities.

Vision Statement: Imagining possibilities and eliminating barriers in an ever changing world.

Core Values: Grace, Wholistic Care, Authentic Presence, Openness of Spirit and Value of Human Capital.

In January of 2016, we introduced our new Chaplain, Carrie Land, to our Providence Place family. Carrie is currently on track to become an Elder in Full Connection in the United Methodist Church. She has worked with Providence Place in the past through her previous position as a DARS (Department of Assistive and Rehabilitative Services) Counselor, where she would refer young adults with disabilities to our program. Carrie has great plans for the spiritual community here

Central Texas Conference Journal 2016

on campus, with her first being to revitalize a worship service that welcomes all expectant mothers, students and staff during the week. We are beyond thrilled to have her join our team.

I would also like to take the time to recognize those from the New Mexico Conference who give of themselves, their time and resources to serve on the Providence Place Board: **Honorary Board**, Mr. Robert Garrett, Weatherford.

I invite you to schedule a tour of our beautiful 23 acre campus, coordinate a volunteer mission trip, arrange a speaker for your congregation or church group, or request offering materials for an annual congregational offering, contact our Development Office at (210) 696-2410 or at info@provplace.org. Please visit our website at www.provplace.org to learn more about this special ministry and to hear first-hand stories from those we have served.

TEXAS HEALTH RESOURCES

ARLINGTON, TEXAS

BARCLAY E. BERDAN, CHIEF EXECUTIVE OFFICER

The history of Texas Health springs from the healing ministries of the United Methodist Church and the Presbyterian Church (USA). From our origins in the vision of the Central Texas Conference and Grace Presbytery, Texas Health has grown to one of the nation's largest faith-based, nonprofit health systems. Though we have expanded along with the population we serve in North Texas, our faith-based heritage and traditions remain at the heart of everything we do.

We care for our patients' body, mind and spirit with confidence in medicine, science and the healing power of faith. We serve a diverse population, and respect and welcome all faiths that are represented by our patients, employees, physicians and volunteers. Our support of patient-centered care is demonstrated through the faithful stewardship of resources entrusted to us to serve about 1.7 million people annually. In all we do, we give back to our communities. In 2014, Texas Health provided nearly \$652 million in charity care and community benefit. That's almost \$1.8 million a day.

To better fulfill our Mission of improving the health of the people in the communities we serve, we are continually focused on enhancing our capabilities through improvements in facilities and services. To give just a flavor of the energy within Texas Health as we grow to serve our communities:

- Early this year, we broke ground on the Texas Health Residential Treatment Center in Mansfield. The center, which will open in May 2017, will offer long-term treatment for adults and adolescents with drug and alcohol addiction problems. Access to behavioral health services, with an emphasis on well-being, is critical to building health across the continuum of care.
- In 2015 we opened Texas Health Neighborhood Care & Wellness Willow Park, an integrated health campus in eastern Parker County. On the other

Central Texas Conference Journal 2016

side of our service area, we broke ground on Texas Health Neighborhood Care & Wellness Prosper. That facility will open its doors this fall.

- We also expanded access to primary care for our medically underserved senior population in 2015 through launching a new clinic model called the Texas Health Your Health Center. Staffed with advanced practice registered nurses under the supervision of a Texas Health Physicians Group physician, three clinics now serve patients in Arlington, Burleson and Plano.

And something you will be hearing much more about is our agreement with UT Southwestern Medical Center to form Southwestern Health Resources. This integrated network blends the strengths of Texas Health and of UT Southwestern to better serve North Texas residents, from preventive care to the most advanced interventions. Comprising 27 hospitals and more than 2,000 physicians, the network has the scale and scope to provide leading-edge technology, research and education. This means broader access to exceptional, quality care for patients in our 16-county service area.

To help address well-being and community health from an innovative and holistic perspective, we continue to work enthusiastically with the City of Fort Worth, the Fort Worth Chamber of Commerce and other community groups and sponsors to support development of the Fort Worth Blue Zones Project™. This communitywide well-being initiative, the largest of its kind in the country, is all about making the healthy choice the easy choice in every aspect of life. As a strong demonstration of our commitment, Texas Health is working to become a Blue Zones Project® Approved™ worksite. Watch for the Blue Zones Project faith-based pledge for faith communities. Fort Worth is the first Blue Zones community to work with churches in this way.

We were also honored in 2015 to be recognized for the first time as one of the *Fortune* 100 Best Companies to Work For®. We made the list again this year, moving up to No. 46

In addition to the overall ranking, Texas Health in 2015 was subsequently honored by *Fortune* as the No. 1 health care company to work for in the United States. The magazine also recognized us as a top workplace for women, diversity and millennial generation workers. The national recognition is a testament to the work of every member of the Texas Health family. It speaks to the way we take care of and support each other, which is undoubtedly reflected in the compassion and care we show our patients.

Being faith-based continues to be our strength and hallmark. To further enhance our connection with our heritage, Rev. Dr. Eric Smith was promoted from senior chaplain for the former Harris Methodist Health System to vice president of Faith and Spirituality Integration for Texas Health Resources. Chaplain Smith now provides oversight systemwide to Pastoral Care, Clinical Pastoral Education, the Attending Clergy Association and Faith Community Health. Currently approximately 150 people are involved in these areas, including full-time and part-time chaplains and students, on-call clergy and volunteers. Additionally, 218 registered nurses

Central Texas Conference Journal 2016

serve the needs of congregations in our hospitals' communities as Faith Community Nurses — and that number continues to grow.

We anticipate that our Clinical Pastoral Education program will expand to include an additional center at Texas Health Presbyterian Hospital Plano, as well as offering parish-based training in communities served by our smaller, more rural, hospitals. We also plan to develop our Attending Clergy Association program at each of our former Harris Methodist Health System facilities. This will enhance clergy education and support, as well as promote greater engagement with congregations through our Faith Community Health nursing and advocates programs.

In a determined effort to enhance our relationship with the Central Texas Conference, the North Texas Conference and Grace Presbytery, we established the Faith Traditions Advisory Council. The council includes representatives from each of these bodies. This group meets periodically with Chaplain Smith to provide insight and encouragement, and help ensure the vitality of our ministry programs.

As always, our efforts are inspired by the strength of service that we derive from our faith-based heritage and our desire to improve individuals' well-being – body, mind and spirit.

TEXAS METHODIST FOUNDATION

TOM LOCKE, PRESIDENT

TMF is committed to helping individuals, families, congregations, and organizations steward their potential in order to achieve lasting change that will help create a better world. We ended 2015 with approximately \$505 million in assets under management. The measure of success, however, for all of our services – investments, loans, leadership ministry, strategic discernment, grants ministry, stewardship services, and legacy giving, including gift planning and church endowments – is in how effective they are at helping individuals and congregations fulfill God's purpose, as together we work to make Christ's love visible in the world.

Eric McKinney, TMF Area Representative for the Central Texas Conference, is the primary point of engagement between congregations (clergy and laity) and TMF and will continue to connect Central Texas Conference constituents to resources relevant to their unique goals for missional growth in their congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

Within the Central Texas Annual Conference:

- Loans from TMF to churches in the Central Texas Annual Conference totaled \$63.2 million at the end of 2015.

Central Texas Conference Journal 2016

- Churches, agencies, and individuals within the Central Texas Annual Conference had \$59.2 million invested with TMF's Methodist Loan Fund/Individual Fund.

Throughout Texas and New Mexico:

- As of December 31, 2015, total assets under management by the Foundation were approximately \$505 million.
- Methodist Loan Fund investments ended the year at \$323 million, and our loan portfolio at \$314 million.
- TMF's Undesignated Endowment grew from \$29.9 million to \$31.8 million.
- Our Leadership Ministry Endowment grew from \$5.6 million to \$5.8 million.
- TMF's **Leadership Ministry** seeks to increase the effectiveness of church leadership by helping leaders gain a better perspective of their potential. The primary method by which we do this work is through facilitating transformational conversations; some take the form of on-going peer groups and others as stand-alone conversations around an adaptive issue. During 2015, TMF hosted 14 peer learning groups, involving 255 lay and clergy leaders, and has plans for at least four new groups in 2016. These groups include gatherings of the South Central Jurisdiction Bishops, District Superintendents, key cabinet leaders, Boards of Ordained Ministries, and groups focused on ministry with the poor, music in worship, senior pastors recently appointed to their first large church, transitions of leadership in tall steeple churches, as well as groups for Executive Pastors, tall steeple pastors and targeted groups to develop the next generation of leaders. In addition, TMF and the active Bishops of the South Central Jurisdiction hosted The Forum on Wesleyan Potential, a three-day conversation amongst leaders from different fields of experience and generations about the future of faith communities, a dialogue "less constrained by what is, and more encouraged by what could be."
- In 2015, TMF **Grants** continued efforts to identify and invest in financially sustainable ministries that are creating measurable, systemic change. New questions and conversations explored institutional and entrepreneurial ministries and how we can help grant applicants address key issues, such as strategic planning, funding sources, and methods for measuring outcomes and effectiveness. During 2015, TMF made grants totaling approximately \$1.2 million. Of that total, an estimated \$956,000 came from unrestricted endowments and \$260,000 from TMF operations. The Grants Committee of the TMF Board of Directors determines distribution decisions for these discretionary funds. In 2015, 34% of grant funds were allocated to outreach ministries targeting systemic change; 27% targeted ministries which systemically benefit families living in poverty, particularly children; 27% of funds were granted to evangelism, especially those ministries connecting with segments of the population the church is not effectively reaching today; and the remaining 12% were used for scholarships.
- TMF distributed approximately \$1 million from **permanent endowments**, predominantly to United Methodist causes.

WESLEYAN HOMES, INC. CHRIS SPENCE, PRESIDENT

Greetings from Wesleyan Homes, your Central Texas Annual Conference ministry for senior adults since 1962. I am pleased to offer this report on the ways in which Wesleyan Homes is providing comfort and care for senior adults.

As is evident in our churches and organizations, Texas is aging. The U.S. Census Bureau projects that the number of Texans age 60 and above, which was 3.7 million in 2010, will nearly double by 2030. In general, we are also living longer and healthier lives. For a ministry like Wesleyan Homes, that means we have to prepare to serve greater numbers of senior adults in ways that respond to ever changing needs while providing affordable and charitable care. Currently, within our community of care, we offer independent living, assisted living, skilled nursing and rehabilitation, memory care, home health and hospice for nearly 800 residents and patients a year.

As more for-profits rapidly expand within the senior living industry, faith-based non-profit communities like Wesleyan Homes increasing offer a rare blend of quality services and healthcare combined with compassion, personal relationships and genuine love and respect for the oldest among us. One of our residents recently told us how much she loves her home and feels like the light of God is shining directly on our community. A comment like that reminds us of what a privilege it is to serve people in the later stages of life.

Central Texas Conference Journal 2016

I'm very proud of the Wesleyan Homes staff who constant reach out to the community, design new programs and services and generously attend to the individual needs of residents, patients and their families.

In 2016, with the help and support of The Central Texas Conference, individual donors and churches, Wesleyan Homes will complete expansions of our independent living and assisted living communities - nearly doubling our capacity at independent living and increasing the number of apartments in assisted living by more than a third.

Finally, we want to thank the individuals and congregations that support the Wesleyan's Benevolent Fund. Because of you, Wesleyan Homes residents know that their place with us is safe. Since Wesleyan Homes was established, your gifts have helped ensure that no resident has had to leave our care because he or she exhausted their financial resources. That is a great gift to those in need.

Thank you for supporting Wesleyan Homes and our ministry. You enable us to provide compassionate care to those who once cared for us.

Married in 1936, they moved to Texas for his studies at SMU's Perkins School of Theology, and settled into their first parsonage in rural Aubrey. Maxine taught school there and, by night, the couple were custodians at a bank to pay for his tuition.

Guiding Principles & Best Practices

GUIDING PRINCIPLES & BEST PRACTICES

INTRODUCTION

In order to make our organization more nimble and adaptive, the 2011 Annual Conference session adopted the following 3 reports, “Guiding Principles and Best Practices”, Annual Conference Organization and a Policy and Procedures manual.

The “guiding principles and best practices” are foundational to the understanding of our mission and ministry. They represent our new understanding and way of doing ministry as flexible and adaptive. Our annual conference and the individual churches are in a time of transition, we must continually be on the move, initiating, facing, and adapting quickly to changing realities. The “guiding principles and best practices” require a two-thirds vote of the annual conference to amend or suspend.

The Annual Conference Organization and the Policy and Procedure manual are administrative in nature and changes are to be handled at the appropriate organizational level.

The intent is that each document continues to be more organic and less institutional. They are living and breathing organism that adapt and change as necessary to do the work of God in the world.

GUIDING PRINCIPLES OF THE CENTRAL TEXAS ANNUAL CONFERENCE

- We embrace and celebrate the mission of the United Methodist Church of “making disciples of Jesus Christ for the transformation of the world.”
- We believe that the churches of our conference are “mission stations,” outposts for the work of God in the world.
- We believe that mission at all levels of the church should be well defined, laser focused, with measurable outcomes.
- We believe that the Conference and its local congregations are called to be good stewards of the resources God provides for our work.
- We believe that we are called to be faithful to the five core values of Evangelism, The Wesleyan Tradition, Spiritual Growth, Mission, and Inclusiveness.
- We embrace the four focus areas of the United Methodist Church of: 1) Developing principled Christian leaders for the church and the world, 2) Creating new places for new people by starting new congregations and renewing existing ones, 3) Engaging in ministry with the poor, and 4) Stamping out killer disease by improving health globally.
- We believe that each local church can become a “Fruitful Congregation” by practicing Radical Hospitality, Passionate Worship, Intentional Faith Development, Risk-Taking Mission, and Extravagant Generosity.
- We believe in the inevitability of change, that it’s God’s gift, and it is our task to manage change in efficient and creative ways.

ANNUAL CONFERENCE BEST PRACTICES

- The Central Texas Conference shall be organized according to the current Book of Discipline of the United Methodist Church. In accordance with the Discipline, it shall meet annually at a time appointed by the Bishop at the location chosen by the Annual Conference. - The procedures for handling matters to be presented to Annual Conference that were not in the Preliminary Report can be found in the Policy and Procedure Manual of the Annual Conference.
- Any of the Best Practices and Guiding Principles of the Annual Conference may be amended or suspended by a two-thirds vote of those present and voting at a session of the Annual Conference provided that any such motion to amend the Best Practices must be laid on the table at least one day before the Conference can vote to amend.

2. Conference Budget Preparation Procedure

After careful consideration of all financial responsibilities of the Annual Conference, the Council on Finance and Administration, and the Executive Center Directors shall recommend all funding levels for the major categories in the total Conference program. If for any reason the Conference benevolence budget needs to be changed, CFA shall adjust the allocation and refer it back to the three Conference Centers for adjustments of the itemized appropriations in the Conference benevolence budget. Should any Conference Center agency feel its cause has been neglected or excluded, it shall have the opportunity to represent its cause before the Council on Finance and Administration (*the Book of Discipline* ¶614).

3. Conference Budget based on Local Church Decimal

All Conference items allocated to the local churches of the Conference shall be based on the decimal arrived at by the following formula: Determine Conference total expenditure by adding the total of the following Table II statistical items:

- 46 Total amount paid by the local church for all direct-billed clergy non-health benefits (pension payment and CRSP)
- 48 Total amount paid in base compensation to pastor
- 49 Total amount paid in base compensation to all associate pastors assigned by the bishop
- 50 Total amount paid to/for pastor and associate(s) for housing and utilities and/or related allowances
- 52 Total amount paid to pastor and associate(s) for any other cash allowances (non-accountable)

Central Texas Conference Journal 2016

- 53 Total amount paid in salary and benefits for Deacons
- 54 Total amount paid in salary and benefits for Diaconal Ministers
- 55 Total amount paid in salary and benefits for all other church staff
- 56 Total amount spent for local church program expenses
- 57 Total amount spent for other local church operating expenses

Add the above ten (10) expenditures for each local church to get the “local church total expenditure.” Divide each “local church expenditure” by the “Conference total expenditure” to arrive at the local church decimal. (Each decimal is rounded to five decimal places.) Multiply the local church decimal by Conference Apportionment allocation to get the Local Church Apportionment. (Each apportionment is rounded to the nearest dollar, with each church being apportioned at least one dollar for each apportionment.)

4. Council on Finance and Administration Duty

It shall be the duty of the Council on Finance and Administration to compute the decimal annually using the latest statistics (corrected, if necessary), and furnish the table of apportionments to the Districts for distribution.

5. Items for Distribution

All items to be distributed under the formula are included in the Conference budget: all General Church Apportionments, all Jurisdictional Church Apportionments, and Annual Conference Administration and Ministries. Others can only be added by action of the Annual Conference.

6. Special Day Offering

Any Special Day Offering, except where set by *the Book of Discipline*, must first be annually presented and approved by the Council on Finance and Administration. No such day shall be recommended to the Annual Conference for any agency, cause, or institution, nor shall such a day be listed or printed on the Conference calendar, unless such agency, cause, or institution has presented a full financial statement and audit, including current annual income and expense, together with its report to the appropriate Conference Ministry Center.

PROCEDURES FOR MINISTRYSAFE

RESOLUTION TO ADOPT MINISTRYSAFE SAFETY SYSTEM

Be it resolved, that the Central Texas Annual Conference establish the MinistrySafe Safety System as the official resource equipping churches to develop a foundational safety system for children, youth and vulnerable persons¹.

Be it further resolved, that in the Fall – 2014, each District will host a MinistrySafe Safety System training event on the processes and procedures for our conference local churches to become adequately informed and trained.

Be it further resolved, that between January 1 and June 30, 2015, every District and local church will enlist their volunteers in receiving the MinistrySafe on-line training offered and adopt their own MinistrySafe Policy.

Central Texas Conference Journal 2016

Be it further resolved, that the MinistrySafe abuse prevention policy will be implemented for all Conference and District Events and enacted in all congregations within the geographical bounds of the Central Texas Conference, effective July 1, 2015 and further that in each local church charge conference in the fall of 2015 the church Board of Trustees will provide a copy of their church policy.

Be it further resolved, that a MinistrySafe Task Force be created for the purpose of:

1. Overseeing the implementation and establishment of procedures for MinistrySafe Awareness and Training for all staff and volunteer adult leaders of children, youth and vulnerable persons.
2. Bringing a Conference MinistrySafe policy back to the 2015 Annual Conference for adoption.

And, finally, **be it further resolved** that this policy is adopted in the Central Texas Annual Conference.

¹ One definition of “vulnerable persons” is one who because of physical or mental infirmity or emotional disability or other physical, mental or emotional dysfunction may be vulnerable to maltreatment. Vulnerable persons are those who serve and can be in a position where accusations of abuse could mistakenly arise; or who have been abused either as a child or an adult.

POLICY FOR BEING DECLARED A WEAPON FREE ZONE & CTC SPONSORED MINISTRY

¶3426.11 in the Book of Resolutions states, “reflecting the traditional role of The United Methodist Church that has been one of safety and sanctuary, every United Methodist Church is officially declared a weapon-free zone.” Recognizing that the church is not a building, the church is the people and the ministry that we undertake both within the church building and outside in the mission fields of our communities and world. We recommend it be the policy for all ministries sponsored by the Central Texas Conference, (i.e. CTCYM and conference children and youth events, mission trips, disaster response and VIM events, etc., (these are not meant to be the exclusive/exhaustive list of ministries but are examples) that we declare these events be a weapon free zone.

POLICIES ON ETHICS

Adopted by the Executive Committee of the Board of Ordained Ministry
& Cabinet March 19, 2013

Our Life Together: Living Into God's Highest Ideals The Central Texas Conference of the United Methodist Church

Central Texas Conference Journal 2016

To be set apart for ministry and appointed or assigned to serve as clergy and church leaders in the Central Texas Annual Conference of the United Methodist Church is to be given a sacred trust, which requires the highest standard of ethical behavior in all relationships.

I Timothy 4:8-16 CEB – Train yourself for a holy life! While physical training has some value, training in holy living is useful for everything. It has promise for this life now and the life to come. This saying is reliable and deserves complete acceptance. We work and struggle for this: “Our hope is set on the living God, who is the savior of all people, especially those who believe.” Command these things. Teach them. Don’t let anyone look down on you because you are young. Instead, set an example for the believers through your speech, behavior, love, faith, and by being sexually pure. Until I arrive, pay attention to public reading, preaching, and teaching. Don’t neglect the spiritual gift in you that was given through prophecy when the elders laid hands on you. Practice these things, and live by them so that your progress will be visible to all. Focus on working on your own development and on what you teach. If you do this, you will save yourself and those who hear you.

Ordination and membership in an annual conference in The United Methodist Church is a sacred trust. Sexual harassment, sexual misconduct and/or sexual abuse are incompatible with biblical teachings, prohibited by *the Book of Discipline* and a violation of this sacred trust. The Conference is committed to the eradication of this conduct if it should occur and to the creation of an environment of hospitality for all persons. When such conduct is alleged, the Conference is under obligation to investigate, to protect all parties, to discover the truth, and to respond in ways that are consistent with our “highest ideals.”

The following policy is offered to the conference with the prayer that it will contribute to the goal of bringing our practice and accountability into conformity with our “highest God given ideals.”

We give thanks to the West Ohio, Louisiana, Texas and Virginia Annual Conferences for their discussions and models, which have helped us to focus and develop our policy.

As clergy and church leaders within the Central Texas Conference we will be guided by the following:

1. **In our personal and professional relationships, we will:**
 - a. Be above reproach in all that we do.
 - b. Practice habits that encourage and promote the physical, emotional and spiritual health of our families and ourselves.
 - c. Serve the members and constituents in our current appointment and mission field. We do not provide ministerial services in other UM churches unless a consultation between the former pastor/retired pastor and pastor under appointment determine that it is for the health and in the best interest of the congregation.

Central Texas Conference Journal 2016

- d. Nurture a healthy relationship between active and retired ministers; retired ministers accepting responsibility for the performance of any ministerial function only upon direct invitation of the appointed pastor.
 - e. Keep appropriate confidences and privileged information.
 - f. Avoid communicating (verbal, written and electronic) negatively about a colleague, especially our predecessor or successor.
 - g. Avoid the appearance of impropriety in visitation and counseling sessions.
 - h. Maintain a healthy emotional and social balance and maintain boundaries between pastoral identity and self-identity, private and community life, self and others.
 - i. Take care that attire and grooming do not detract from ministry effectiveness.
 - j. Keep faith with loved ones, giving to them the time and attention needed for a healthy marriage and family.
 - k. Separate our ministerial role from our personal lives by not dating those directly served by our ministry.
 - l. Encourage the congregation in the care and upkeep of the parsonage, leave the church and parsonage clean and in good condition and accept financial responsibility for damage to the parsonage beyond normal wear and tear (see Conference Parsonage Policies).
- 2. In issues of integrity we will:**
- a. Be fiscally responsible;
 - b. Be honest;
 - c. Properly represent the polity, doctrine and history of the United Methodist Church;
 - d. Properly represent the mission, vision, values and core strategies of the Central Texas Annual Conference (can be found on conference website);
 - e. Diligently care for our souls and minds through Spiritual Formation in retreats, prayer, Biblical study, small groups and educational opportunities;
 - f. Acknowledge sources for preaching and in written material; we will not plagiarize another's work;
 - g. As clergy and church leaders we will complete/attend the BOM approved training, addressing clergy sexual ethics and other boundary issues each quadrennial period in the designated time. Failure to complete this mandatory training will result in (a) referral to Executive Committee BOM for possible Administrative Complaint and (b) may have consequences affecting future appointments;
 - h. As full time clergy, we will not accept employment outside of the appointed charge. Any deviation from this must be brought to the District Superintendent, BOM and Cabinet approval prior to acceptance (§ 338.1).
 - i. Maintain the highest ethical standards regarding the use of any modern technology, avoiding even the perception of inappropriate use of the internet and understanding that e-mail and text messaging are not a private domain and should not be treated as such;

- j. Provide pastoral services for weddings, baptisms and funerals to church members without charge; the receipt of honoraria is acceptable;
 - k. Seek no gifts, bequests or material benefits for self or family members from any organization or individual;
 - l. As an act of faith and concern, refrain from gambling and the use of pornography (the UMC is opposed to all forms of pornography) and strive to minister to those victimized by those practices (Social Principles page 155-163 ,¶ page 516-517);
 - m. We commit ourselves and our churches to engage in continued dialogue and reflection on the UMC Social Principles in order to shape our personal and community life.
- 3. In regard to power issues we will:**
- a. Be aware of the power that is inherent in our various roles and use that power to maximize ministry opportunities that communicate worth, mutuality and collegiality;
 - b. Provide ministerial services in order to build up the body of Christ;
 - c. Welcome regular feedback and evaluation in order to enhance pastor's fruitfulness; being responsive to constructive feedback and humbly committed to improvements;
 - d. Nurture loyalty and trust among paid staff and volunteers;
 - e. Establish clear, appropriate boundaries with anyone with whom we have a ministerial, business, professional or social relationship;
 - f. Not use our ministerial status, position, relationship, our authority to abuse, misguide, negatively influence, manipulate or take advantage of anyone.
- 4. In areas where there might be a conflict of interest we will:**
- a. Advise and refer persons to other clergy or other professionals such as: lawyers, doctors, counselors, etc. when appropriate; being aware that our judgment can be impaired by prior dealings, by becoming personally involved, or by becoming an advocate for one party against another;
 - b. Absent ourselves at an appropriate time from discussion and decision when there is an actual or potential conflict of interest in matters affecting ourselves, our family or our financial interests;
 - c. Never take advantage of anyone to whom we are providing services in order to further our personal, religious, political, financial or business interests or those of our family;
 - d. Use discretion concerning the acceptance of or return of gifts for ourselves or our family;
 - e. Avoid using the congregation as a captive audience for products or services created or provided in a non-clergy role;
 - f. Make a commitment that the more important the conversation, or the more personal the matters, we will communicate with the person(s) directly;
 - g. Not accept or confer an office, position, assignment or receive compensation, which may present the appearance of favoritism or a conflict of interest.
- 5. *The Book of Discipline***

Central Texas Conference Journal 2016

- a. The *Discipline* is the instrument for setting forth the laws, plan, polity, and process by which United Methodists govern themselves. In all matters pertaining to church law it is the decisive word.

If more detailed interpretation is needed you may contact your District Superintendent, a member of the Executive Committee of the Board of Ministry or a Cabinet member. Contact information can be found on the conference website.

SEXUAL ETHICS POLICY FOR PROFESSING MEMBERS

Updated policy regarding harassment of clergy by a professing member of a local church

*Adopted by Executive Committee Board of Ordained Ministry
March 19, 2013*

Statement of Policy

A Professing Member of the Central Texas Conference of The United Methodist Church shall not engage in harassment, including but not limited to sexual and/or gender harassment of clergy (§§ 605.9 and 2702.3 in the 2012 *the Book of Discipline*).

Theological Foundation

All persons are created by God. God intends all persons to have worth and dignity in their relationships. We are one connected body, and when one part of the body is injured physically, emotionally or spiritually, the entire body is rendered less than God intended. Misconduct of a sexual nature of any kind violates a person's wholeness and is an unjust use of status and power and a sinful behavior against God and one another. The Scripture witnesses to a God who brings about justice, mercy and grace. The Church is called to express God's love in concrete actions of compassion and healing for all people.

Definitions

1. **Sexual Harassment:** Sexual harassment is a form of sexual misconduct and is defined in the *Social Principles* as "any unwanted sexual advance or demand, verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment destroys community. "Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue" (2012 *the Book of Discipline*, ¶ 161.1). Sexual harassment of clergy includes, but is not limited to, the creation of a hostile or abusive environment, which undermines the ministry of the clergy person serving within the appointment (2012 *the Book of Discipline*, ¶ 2702.3). Behaviors considered sexual harassment can include "unwanted sexual jokes, repeated advances, touching, displays or comments that insult, degrade, or sexually exploit women, men, elders, children or youth" (2012 *Book of Resolutions*, page 136). Sexually harassing

Central Texas Conference Journal 2016

behaviors may be in person, by phone, e-mail, texting and/or social networking sites.

2. **Power:** Clergy are generally considered to be in positions of power due to their professional role as spiritual leaders within a church. There are however, situations in which professing members of a church have the power to create a hostile or abusive environment which undermines the ministry of the clergy person serving within the appointment to the local church. Some of those situations are related to gender, race, age, wealth, education and status within the community.
3. **Sexual Abuse:** Sexual abuse means unwanted physical conduct of a sexual nature, sexual contact or sexualized behavior and may include, by example, touching, fondling, other physical contact and sexual relations.
4. **Sexual Misconduct:** The 2012 *the Book of Discipline* identifies sexual misconduct as a chargeable offense for clergy (§2702.1) and for lay (§2702.3).

Making a Complaint

Clergy and other persons who have knowledge of a possible violation of this policy by a Professing Member may report the same to the chairperson of Staff/Pastor Parish Relations Committee and the District Superintendent. Upon receipt of any complaint, the Staff/Pastor Parish Relations Committee with the guidance of the Conference Consultant and District Superintendent will investigate, consider any response and take action to seek a just resolution.

PROCEDURE FOR REPORTING, INVESTIGATING & RESOLVING VIOLATIONS OF THE SEXUAL ETHICS POLICY FOR PROFESSING MEMBERS

The clergy person who feels harassed by a lay person is encouraged to use the following procedures. If the offending behavior and complaint is sexual abuse or sexual misconduct then the immediate procedure is a formal complaint as outlined in the 2012 *Book of Discipline* § 2703.3. Identifying sexual or gender harassment depends on a determination of what a reasonable person would perceive as unacceptable. It is important to resolve complaints confidentially and, if possible, informally.

Initial Resolution Process

1. Clergy are responsible for establishing and maintaining clear boundaries of professional conduct.
2. Therefore, a clergy person should respond immediately and clearly to the harasser that such behavior is unwelcome and uncomfortable
3. If the behavior continues:
 - a. Avoid being alone with the harasser.
 - b. Keep accurate records of the harassing behavior.

Central Texas Conference Journal 2016

- c. May contact the Chair of the Staff Parish Relations Committee (if the Chair of SPRC is the harasser then contact the District Superintendent directly).
- d. Notify the District Superintendent.

Informal Resolution Process

1. In all cases, the pastor or District Superintendent should take pastoral steps to resolve any complaints.
 - a. The purpose is to determine if the complaint is valid or a miscommunication and a misunderstanding exist.
 - b. Ask the accused to make an appropriate written statement to the clergy person. The written response may include explanation of the behavior resulting in a misperception of intent, an apology and a promise not to repeat the behavior.
 - c. If the clergy person finds the response satisfactory then the complaint will be considered as resolved.
 - d. If the response of the accused is not satisfactory or the accused refuses to respond, then the complaint will move to the formal process.

Formal Resolution Process

1. If the District Superintendent determines that the process outlined above has been followed and the complaint is not resolved, then the district superintendent and district lay leader may appoint a committee on investigation according to ¶ 2703.3 in the *2012 the Book of Discipline*.
2. The final decision of the committee will be communicated in writing to the clergy person and the accused. Should this not be resolved, it then moves to ¶2704.4 in the *2012 Book of Discipline*.

POLICY FOR CLERGY CONTINUING EDUCATION & SPIRITUAL FORMATION

*Adopted by Executive Committee Board of Ordained Ministry
& Cabinet March 19, 2013*

The Central Texas Conference is committed to being a learning community and so we believe the life of the clergyperson is a journey of renewal and excellence in Jesus Christ. The apostle Paul gives us the essence of this journey in Philippians when he invites us to focus on spiritual disciplines and to focus on the things of excellence as we journey. Through this focus we can live out our calling in the balance God desires for us called “shalom.” This policy is designed for every clergyperson under Episcopal appointment.

Spiritual Formation is the intentional lifelong pursuit of the nourishment and renewal of the soul through the Holy Spirit in the use of the spiritual disciplines in order to center their lives in Christ.

Central Texas Conference Journal 2016

Continuing Education is the intentional development of the professional identity of the clergyperson through education and instruction that enhances the effectiveness and excellence of the clergyperson's methods of work and self-awareness so that the clergyperson can better equip congregations to make disciples of Jesus Christ for the transformation of the world.

Each year, effective clergypersons work collaboratively with S/PPR committees and District Superintendents to select and participate in 20 continuing education contact hours (2.0 units) and 10 spiritual formation contact hours (1.0 units), which help them stay centered in Jesus Christ and hone skills needed to continue equipping congregations. Clergypersons are expected to report continuing education and spiritual formation contact hours annually by Dec. 1. These are reported in three places; as part of the charge conference process, to their District Superintendent and to the Administrative Assistant of the CTC Board of Ordained Ministry (BOM). Their District Superintendent/Supervisor will use the information as part of their supervisory interview. The BOM will use as part of their faithfulness to the covenant of our life together and for consideration if a person is in process towards commissioning or ordination. Churches should ensure that every pastor has adequate time and financial support to participate. In addition to vacation time, a minimum of 10 days each year is considered essential for a full-time clergyperson's study, retreat and renewal.

Benefits of Continuing Education and Spiritual Formation

- ✓ Improvement of some specific ministry skill, such as preaching, administration, time management, conflict management
- ✓ Increased spiritual maturity and commitment to Christ
- ✓ Life increasingly centered in Christ
- ✓ Increased self-awareness
- ✓ Calmer spirit
- ✓ Increased understanding of the scriptures, Christian history, theology
- ✓ Development of new innovative programs, missions or other ministry forms

Types of continuing Education and Spiritual Formation

1. Professional skills/knowledge development.
2. Personal assessment and life planning.
3. Self-care and personal growth.
4. Increasing faith and commitment through spiritual formation.

Approved Events and "Contact Hours"

There is no approved list of Continuing Education and Spiritual Formation events. Instead of naming an "approved list" of events, each clergyperson is responsible for choosing growth producing, transforming and formative events in collaboration with the S/PPRC and District Superintendent and for determining the appropriate number of "contact hours" to report for each event. A "contact hour" is the actual time of learning or transformation – usually the actual hours of lecture, instruction, group discussion or individual study. Hours for travel, meals, sleep, fellowship and group discussion of issues outside the study topic are not considered contact hours.

Central Texas Conference Journal 2016

If the event does not offer a CEU, a letter identifying the number of contact hours will be sufficient.

For online continuing education, the sponsoring agency shall offer an official CEU.

Forms of Continuing Education and Spiritual Formation

Actual contact hours (hours of lecture, instruction, group discussion or individual study) during the following activities are forms of Continuing Education and Spiritual Formation:

1. Supervised activities such as degree programs, credit courses, pastor's schools, clinical training, etc.
2. Short term events such as seminars and workshops
3. Peer study
4. Short study leaves
5. Sabbatical leaves
6. Carefully chosen travel and work experiences
7. Provisional and Board of Ordained Ministry work
8. Continuing Education and Spiritual Formation retreats or events

Some Examples of Continuing Educations and Spiritual Formation events

1. Minister's Week, SMU and Brite
2. UMW School of Christian Missions
3. District/Conference workshops, retreats, seminars
4. Spirit Streams (Three Day Academy of Spiritual Formation)
5. Five Day Academy of Spiritual Formation
6. Upper Room Two-Year Academy for Spiritual Formation
7. Clinical Pastoral Education
8. Elder's, Deacon's or Local Pastor's Retreat
9. Doctor of Ministry Programs or other degree programs that instruct ministry
10. Silent or Guided Retreat

What is not considered Continuing Education or Spiritual Formation?

1. List of books read for sermon preparation
2. Classes taught by the clergyperson
3. Study trips without contact hours
4. Mission trips

Self-Directed Continuing Education

Spiritual Formation may be self-directed each year, but the clergyperson must be willing to produce evidence of the work, such as:

- ✓ A selection from a journal of what is learned
- ✓ A schedule for the spiritual or silent retreat

Part-time Clergy

Clergypersons in less than full-time appointments should participate in Continuing Education and Spiritual Formation in accordance with the percentage of their status.

Central Texas Conference Journal 2016

(For example, a half-time pastor should complete half of the full-time requirements or 10 continuing education hours and 5 spiritual formation hours).

Accountability and Reporting (See the *2012 Book of Discipline*, ¶ 351.2, ¶ 351.5, ¶ 258.2.g.8)

The clergyperson is responsible for devising a plan for Continuing Education and Spiritual Formation in collaboration with the S/PPRC and District Superintendent, implementing the plan and reporting the plan's completion by Dec. 1 of each calendar year.

The plan will be used as part of your supervisory meeting with the District Superintendent, meeting charge conference requirements, and disciplinary requirements monitored by the CTC Board of Ordained Ministry, specifically through the Orders and Fellowship of Local Pastors. When necessary the Orders and Fellowship of Local Pastors chairs may bring a recommendation for action (regarding a clergy) to the Executive Committee of BOM.

A Continuing Education Unit certificate is not required. If an event is not fully attended, a portion of the event may be counted if the attendance is enough to receive the benefit of the event. For example, if a Clergy Gathering includes 10 Continuing Education contact hours and a clergyperson leaves after 5 hours of attendance, he/she should report 5 hours of CEU or .5 credits.

Clergy in extension ministries and beyond the local church report continuing education and spiritual formation on their annual report form.

Pastors who have completed the Course of Study or seminary are still required to undertake continuing education, which benefits the disciple-making ministry of the local congregation.

Funding

Each church should ensure their pastor(s) have adequate funds for all required Continuing Education and Spiritual Formation contact hours. We recommend a minimum of \$1,000 be available for those in full-time appointments.

There are also Ministerial Education Funds available for those who are Full Members, Associate Members, or Permanent Local Pastors. Currently \$800 per quadrennial period is available through an application process with BOM (found on the BOM website). Often the event itself will have some scholarship funds, which might be awarded. Each clergyperson is responsible for continuing education and spiritual formation funds.

Our appreciation goes out to the Texas Annual Conference, the Virginia Annual Conference and others for their discussions and contributions to this document.

**POLICY FOR DISCONTINUED
OR ABANDONED CHURCH PROPERTY**

PROCEDURES FOR DISCONTINUED OR ABANDONED CHURCH PROPERTY

Any property abandoned in the past or that shall be abandoned in the future and the property disposed of as directed by the 2012 *Book of Discipline* in accordance with ¶ 2549, the proceeds derived there from, if any, shall be first applied to the retirement of pension deficits, and the satisfaction of any claims against ministerial pension annuities which may have arisen out of failure of that church to make proportionate payment for support. The remaining proceeds are to be transferred to the Center for Evangelism and Church Growth.

In the event of a church closure or abandonment, the official and historical records of the closed or abandoned church will be transferred directly to the Archives Depository of the Central Texas Conference by the District Superintendent of the District in which the closed or abandoned church is located.

In the event of two or more churches merging, the official and historical records of the churches being merged shall be transferred to the Archives Depository of the Central Texas Conference by the District Superintendent of the District in which the churches are located. The records shall be transferred to the Archives Depository no later than three months following the merger.

Central Texas Conference Journal 2016

new churches and faith communities under the direction of the Center for Evangelism and Church Growth, Inc.; now therefore be it

RESOLVED, that the Central Texas Conference hereby designates the Executive Director of the Center for Evangelism and Church Growth, Inc., as its Property Manager, Trustee and Agent for the sale of closed and/or abandoned church properties.

POLICIES FOR LOCAL CHURCHES REGARDING PASTORAL VACATIONS, HOUSING, UTILITIES & MOVES

Each congregation shall annually give attention to the vacation policy, using as the guideline for its discussion the policy found in this Manual.

Each congregation shall annually give attention to the housing policy, using as the guideline for its discussion the policy found in this Manual.

Parsonage utilities should be in the name of the church, i.e., the deposit paid by the church. If the parsonage utilities are not paid by the church, the departing pastor must have arranged in advance of his/her departure to have the meters read on moving day, or on the day of departing the parsonage.

The departing pastor is responsible for the bills up to that time.

In the event of death of a clergy or diaconal minister residing in a church owned residence, the family of the deceased clergy or diaconal minister will be allowed ninety days to find other housing and vacate the church owned residence, or such other time as deemed appropriate by the Cabinet and by the local church pastor-parish relations committee.

The effective date for Annual Conference moves and clergy retirements will be July 1. The official move day will be the Wednesday after the last Sunday in June, with the first Sunday at the new appointment being the first Sunday in July.

Salaries of clergy moving at Annual Conference shall be paid through June 30 by the former charge and from July 1 by the receiving charge.

No pastor is allowed to claim reimbursement for more than ½ of the Pastor's accountable reimbursement Plan between January and June without recommendation of the PPR/SPR Committee and approval by the Administrative Board.

VACATION POLICY

United Methodist ministers are in a unique position in their role as pastors of a local church. Their membership and relationship is primarily to the Annual Conference

Central Texas Conference Journal 2016

as they serve under the appointment of the Bishop. At the same time their salary-paying unit is the local church. They are called to accountability for effective ministry both by the Bishop through the appointive system and by the local church through the Pastor-Parish Relations (PPR) Committee. In vacation policy and similar matters it should be remembered by all that a pastor is not the employee of the local church. On the other hand, the 2012 *Book of Discipline* ¶258.2 gives to the PPR Committee a consultative role in such matters. Ministers are also asked to serve in various conference responsibilities and camps, these duties should not be considered as vacation. However, pastors and Pastor-Parish Relations Committees should work out a satisfactory balance of time rendered between conference and district duties, local church needs, and personal outside activities by the pastor. In all matters there must be an on-going dialogue between the needs of the pastor and his/her family and the PPR committee and the needs of the church so there is no misunderstanding.

Conference Relationship	Years of Service **	Vacation Time
Provisional Members serving student appointments, OR Full Time Local pastors in process of four-week Course of Study	Minimum six months (after consultation with district superintendent and PPR Committee)	Two Weeks Paid
Full Time Local Pastors having completed Course of Study, OR Associate Members, OR Provisional Members serving full time appointments, OR Full Conference members	Less than five years	Two Weeks Paid
	5-9 years	Three Weeks Paid
	10 or more years	Four Weeks Paid

** Years of service refer to years served as a full-time United Methodist commissioned minister, probationary member, diaconal minister, local pastor, associate member, deacon in full connection, or elder in full connection under appointment in an Annual Conference, not to years of service in the local church to which a pastor is appointed. In computing a person's "years of service," time spent in all categories shall be cumulated and all shall count toward the person's total "years of service."

NOTE: In addition to the above guidelines, the PPR Committee should be sensitive to a pastor's need for time off from the pastoral duties, and should encourage the pastor to take regular days off each week.

NOTE: Our *Book of Discipline* states that, "a clergy member's continuing education and spiritual growth program should include such leaves at least one week each year and at least one month during one year of every quadrennium. Such leaves shall not be considered as part of the minister's vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and annual conference continuing education committee." ¶351.2 *2012 Book of Discipline*.

CLERGY HOUSING & PARSONAGE STANDARDS

The church today demands the clergy to be not only a preacher, as was the early circuit rider, but a resident pastor and responsible citizen in the community. In order to meet these felt needs, and to call men and women to a dedicated ministry, the church must provide living conditions that will establish an adequate base from which to operate. It is the privilege and responsibility of the members of each congregation to provide the physical setting which will give the parsonage family the maximum comfort and convenience in order that the energies of the pastor may be more concentrated on his/her task and willing service in the Church of God. Because the parsonage, like the church building, reflects upon the congregation and the pastor, it should be in such condition that all concerned can be justifiably proud of it. Likewise, pastors should exercise the same diligence in caring for the parsonage as they would if it were their own property; mindful that they are stewards for those who will live in the parsonage after them.

In this section on Housing Standards for Elders in Full Connection, including Housing Allowances and Parsonage standards, the word “clergy” means “elders in full connection.” The standards on Housing Allowances and parsonages apply to those churches that have elders in full connection and that are not receiving an equitable salary support.

The size and make-up of clergy families, and the size, location, and type of housing provided for clergy families by local churches is a major factor in the well-being of clergy families. As such, it has an impact on the effectiveness of clergy.

Although it is clear that no one single provision for housing will completely satisfy all the needs of every clergy family and every local church, the goal is to best satisfy the needs of all.

DEATH OF OR UNEXPECTED CIRCUMSTANCES OF A CLERGY MEMBER WHILE LIVING IN A PARSONAGE

In the event of the death of a clergy person or a set of unexpected circumstances involving a clergy person which results in an immediate need of a change in pastoral appointment and which involves a clergy family occupying a parsonage, a grace-filled arrangement should be determined through a conversation with the local church Pastor Parish Relations committee, the District Superintendent, and the Cabinet. In each case the intent is to allow a period of time (recommended not to exceed sixty days) for a spouse and family to make new living arrangements.

HOUSING ALLOWANCES

While parsonages have been the traditional means of providing housing for clergy families, there are those local church settings and situations where a housing allowance can be an effective and efficient means of providing housing for clergy families. However, it must be understood that if a house is purchased by a clergy

Central Texas Conference Journal 2016

family, there is the potential for financial hardship and difficulties related to the sale of a house when an appointment change is made.

It must also be understood that a housing allowance will have no effect on the tenure of a pastor, neither increasing nor decreasing the potential length of a pastorate.

1. If a housing allowance is provided by a local church, the amount shall be sufficient to allow for the rental\lease\purchase of housing that meets the parsonage standards of the annual conference. (The conference uses a figure of 20% of salary while the General Board of Pension uses 25% in its pension computation.)
2. A utility allowance may be paid in addition to the housing allowance.
3. The amount of the housing allowance and of the utility allowance shall be reviewed on an annual basis to ensure that the amount is adequate.
4. The District Superintendent, in consultation with the pastor and the Pastor-Parish Relations Committee, shall be responsible for ensuring that these standards are met.

UNUSED PARSONAGES

Whenever, by choice, a clergy chooses not to reside in a parsonage provided by a local congregation for their residence, no clergy member shall have any claim on the "fair market value" or the rental proceeds from the unused parsonage. The use or non-use of the parsonage may be considered in the setting of the compensation of the pastor in conversation with the District Superintendent and the Pastor/Staff Parish Relations Committee.

PARSONAGE STANDARDS FOR LOCAL CHURCHES

The following Parsonage Standards were put in place and approved at the 1973 Central Texas Annual Conference, and have appeared in our Journals since that time. Therefore, parsonages built or purchased prior to December 31, 1973 may not meet all of the recommendations in Sections I and II, but are subject to requirements in Sections III – V. Parsonages built/purchased after January 1, 1974 are subject to all recommendations and requirements listed below in Sections I–V.

SECTION I: LOCATION

The location of a new parsonage is a matter of extreme importance. It should provide for the safety, convenience and privacy of the parsonage family. For this reason, we recommend that a new parsonage not be located adjacent to the church facilities.

SECTION II: SIZE OF BUILDING & LIVING AREAS

The new or remodeled parsonage should be large enough to accommodate the pastor's family. It should provide adequate space for the entertainment of guests. It should be remembered in selecting a parsonage that the present parsonage family is not the only one who will live in that parsonage and that the house should be adaptable for a variety of family sizes and situations. Also, care should be given that facilities should be fully accessible for those with handicapping conditions meeting standards of the 2012 *Book of Discipline* ¶2544.3.b.

Central Texas Conference Journal 2016

Recommendations:

1. 1800 square feet minimum living space.
2. At least 3 bedrooms, preferably 4.
3. At least 2 bath, preferable 2 ½ with adequate linen closet.
4. Family and dining areas adequate for entertaining.
5. Preferably a separate area (living, sitting or office) that could be used for visiting or study.
6. Adequate closet and storage space. Closet space in each bedroom and other storage space well distributed throughout the house.
7. Laundry area (see Section III.B.7)
8. Adequate garage or carport space (preferably 2-car attached garage)
9. Adequate outside living area with fenced yard.

SECTION III: REQUIRED EQUIPMENT

A. Health & Safety

1. Adequate supply of hot and cold water in bathrooms, kitchen and laundry.
2. Proper sewage disposal according to the standards of local and/or State Department of Health.
3. Fire extinguisher in kitchen with yearly inspection.
4. Automatic central heating and air conditioning.
5. Bathroom heating and hot water heaters should be protected and if not electric should be properly vented.
6. Provide smoke detectors for kitchen, living, laundry, and bedroom areas.
7. Provide carbon monoxide detectors, unless parsonage is completely electric.
8. Recommend that a Lead Paint Disclosure be provided for parsonages built before 1978.

B. Kitchen with Well-Planned Work Area

1. Cooking area complete with range or built-in cooking units, counter space, hood and exhaust fan.
2. Sink area complete with modern double bowl sink with disposal and drain space.
3. Large automatic refrigerator with freezer unit.
4. Required code electrical outlets for every room.
5. A well-equipped kitchen with adequate storage for dishes, utensils and food pantry.
6. Built-in dishwasher.
7. Laundry room with properly vented washer/dryer.

C. Furnishings

1. Effective January 1, 2011, all living, family, dining and bedroom furnishings become the responsibility of the resident parsonage family.
2. Window coverings, drapes, curtains, and blinds, adequate for privacy, is the responsibility of the church.
3. Internet/cable ready.
4. If the parsonage family is expected to maintain the lawn, the church will supply lawn tools, weed eater, mower (self-propelled or riding) as

Central Texas Conference Journal 2016

appropriate for size of yard. In addition the church will provided water hoses, ladder, and garbage receptacles.

SECTION IV: MAINTENANCE

1. **Decoration** - Both the interior and exterior of the parsonage should be kept in such a state of decoration as to preserve not only its physical condition but its aesthetic value as well. Decorating and/or any remodeling should be done in consultation with the parsonage family.
2. **Repair and replacement** - An annual budget item will enable the Trustees and Parsonage Committee to have a consistent, rather than haphazard program of maintenance and improvement that will be less costly in the long run. There should be an annual budget item for repair and replacement of appliances and equipment.

SECTION V: MISCELLANEOUS

1. **Parsonage Book** - It is recommended that the parsonage committee prepare and keep up-to-date a record in which are placed all guarantees, repair parts lists, and the instructions for use of equipment belonging in the parsonage. The record should also indicate when and from whom purchased and whom to call for service. Also this book may well contain a list of whom to call for various reasons, where to find various items, when and by whom various improvements were made, and other information helpful to an incoming minister.
2. **Insurance** - The trustees should be certain that the church-owned house and contents are insured for at least 80% of replacement cost against fire, wind, and other hazards. Public liability insurance should be carried on parsonage property. Tenant Homeowners insurance is available for all ministers who desire to cover personal possessions and liability. ***IT IS THE RESPONSIBILITY OF THE PASTOR TO INSURE PERSONAL PROPERTY BELONGING TO THE PASTOR AND FAMILY.***
3. **Utility Deposits** - Should be made in the name of the church.
4. **Gifts to Parsonage** - Before a gift is received, care should be given to consult with the parsonage family, trustees and/or parsonage committee regarding the needs of the gift. If received, the gift should be designated specifically if it is to remain in the parsonage or is to be the personal gift for the parsonage family. In the event it is to remain in the parsonage, the trustees and/or parsonage committee must approve it. A Gift/Donation Policy by the Trustees and/or parsonage committee of the church should be in place to insure clearly understood policies of acceptance, receipt and acknowledgement of any gifts.
5. **Pastor's Office/Study** - The Office/Study should be located in the Church Building and adequately furnished and equipped. Some pastors may choose to also maintain an office in the parsonage and be responsible for its furnishings in addition to the official church Office/Study.
6. **Parsonage Furnishings** - Since we have transitioned to parsonage families being responsible to have their own furnishings, when furniture still exists in the parsonage, we encourage an open dialogue between the parsonage family, PPR committee, and Board of Trustees and/or Parsonage committee

Central Texas Conference Journal 2016

concerning the issue of whose furnishings are to be used. We highly recommend, when in the doubt, that the parsonage family furnishings be used to furnish the parsonage.

Adequate parsonage facilities, based on the above minimum standards insure that a pastoral appointment can be made based on the needs of the charge, rather than the ability of the parsonage to receive the family assigned. An annual review of the church-owned parsonage, to ensure proper maintenance, will be conducted by the chair of the board of trustees or the chair of the parsonage committee, if one exists, the chair of the committee on pastor-parish relations, and the pastor (§2533.4, 2012 *Book of Discipline*).

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED, DISABLED, MINISTERS ON INCAPACITY LEAVE OR FORMER CLERGY PERSONS OF THE CENTRAL TEXAS CONFERENCE

The Central Texas Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation; and

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as an appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED: that an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the period January 1, 2017 through December 31, 2017, by

Central Texas Conference Journal 2016

each active, retired, terminated, or disabled Clergy person who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergy person; and

THAT the pension, severance, or disability payments to which this rental/housing allowance designation applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergy person rendered to this Conference or that an active, a retired, a terminated, or a disabled Clergy person of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergy person to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such an active, a retired, a terminated, or a disabled Clergy person's pension, severance, or disability plan benefit as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergy person's gross income in any year for federal (and, in most cases, state) income tax purposes is limited under Internal Revenue Code section 107(2), and regulations thereunder, to the least of: (a) the amount of the rental/housing allowance designated by the Clergy person's employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (b) the amount actually expended by the Clergy person to rent or provide a home in such year; or (c) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. Each clergy person or former clergy person is urged to consult with his or her own tax advisor to determine what deferred compensation is eligible to be claimed as a housing allowance exclusion.

MOVING ALLOWANCE

Our Conference Moving Policy has two options: (a) Self-Move and (b) Commercial Move. The total expense of either choice will not exceed \$2,500 to the Conference. All documentation must be submitted to the Conference Treasurer within sixty (60) days of the effective date of the appointment.

- **Self-Move** – The Self-Move plan will normally consist of the pastor paying the initial bill and being reimbursed the actual expenses up to a maximum of \$2,500. Proper documentation of receipts for the cost of van rental, gasoline, boxes, tape and packaging material and \$2.00 per mile must be submitted to the Conference Treasurer before receiving reimbursement.
- **Commercial Move** – Whether you interview and hire your own commercial moving company, pay the bill and turn in receipts for reimbursement or use one of the commercial movers from the list we supply that will bill the Conference, makes no difference. Upon receiving the invoice from the moving company or receiving the receipts from you, the Conference will pay for the commercial move up to a maximum of \$2,500 of actual moving expense. The Commercial Move includes the cost of the movers and cost for boxes, tape and packaging material not to exceed the total of \$2,500.

Central Texas Conference Journal 2016

In either case any expense above the maximum of \$2,500 will be the responsibility of the pastor.

In no case will the Conference pay more than the actual expenses incurred, up to a maximum of \$2,500 for a move.

METHOD OF PAYMENT

A list of movers that will bill the Annual Conference is found in the Moving below. All expenses that are within the Annual Conference Allowance will be billed directly to the Annual Conference by those moving companies. If a moving company is used that will not bill the Annual Conference directly or the clergy chooses a self-move, then the moving clergy/family is responsible for the bill and will be reimbursed by the Annual Conference for all documented expenses that are within the Annual Conference Allowance. Any documented expenses paid by the moving clergy/family are to be submitted to the Annual Conference Treasurer with a completed moving expense form within sixty (60) days of the appointment. The Conference Treasurer shall issue payment to the moving company or the entity that incurred the expense.

EXCEPTIONS

1. Exceptions to any of the above may be approved or denied by the Central Texas Conference Treasurer in consultation with the previous and receiving District Superintendents.
2. Appeals of any decision by the Conference Treasurer may be directed to the Commission on Equitable Compensation and Clergy Benefits. The Commission on Equitable Compensation and Clergy Benefits shall have final authority to interpret the moving policy and make decisions.

MOVING PROCEDURES

1. **Receiving DS** gives to the clergy the Moving Packet which includes moving companies that will bill the Annual Conference, and other pertinent moving information.
2. **The Pastor/Staff Parish Relations Committee of each charge which is receiving a new pastor** will appoint one of its members to serve as Moving Coordinator who will coordinate the move with the incoming pastor and work to facilitate the easiest and most pleasant move possible. At the introductory meeting between the Pastor/Staff Parish Relations Committee and the new pastor, the Moving Coordinator will be present in order to be introduced to the pastor.
3. **The Clergy.....if using a commercial mover**, should get estimates from at least two moving companies of his/her choice and chooses the one he/she wishes to use. The clergy contracts with the company of choice to move them and send the bill to the Annual Conference Treasurer. If the estimate is over \$2,500 the clergy will send a check to the Conference Treasurer for the amount over the \$2,500 limit with a copy of the original estimate and the completed reimbursement form. If the company is one that will not send a bill to the Conference for payment, he/she can work out payment with the Annual Conference by having the mover call the Conference Treasurer at 817-877-

Central Texas Conference Journal 2016

5222 or pay the moving company and submit the completed reimbursement form and documentation of expenses for reimbursement.

4. **The Clergy.....if choosing a self-move**, keeps all their receipts for the cost of van rental, gasoline, boxes, tape, packaging material and \$2.00 per mile and turns in the completed reimbursement form and required documentation to the office of the Central Texas Annual Conference Treasurer within sixty (60) days of the effective date of the appointment for reimbursement.

INTERIM PASTORAL SUPPORT POLICY

1. The purpose of this policy is to assist member churches in the event a clergy person appointed to 50%, 75% or 100% service to a local church of the Central Texas Conference is unable to perform the duties of their appointment due to a documented medical disability when the duration of the disability exceeds 30 days, but is anticipated to be less than 180 days.
2. The duration of the disability is not the date reported, but the date the clergy person became unable to perform his or her duties because of the disabling condition. This provision is applied in order to coordinate with the provisions of the long term disability plan under the Comprehensive Protection Plan (CPP). Under no conditions will this policy apply to a clergy person whose disability qualifies for a benefit under the provisions of the CPP.
3. Disability in this context is defined as being under a doctor's care and unable to perform one or more essential duties for more than thirty (30) days as certified by a physician.
4. When a disability within the above definition occurs, a request for assistance can be initiated by the clergyperson, the District Superintendent, or the Pastor/Staff Relations Committee. There must be immediate notification to the Central Texas Conference Benefits Officer and to the District Superintendent. The request should provide a description of the situation and appropriate documentation. Before any benefit is paid, there must be a physician's certification that the clergy person's condition meets the parameters of this policy.
5. The Joint Committee on Medical Leave will be the body that approves the grant request. The approval will be on the basis that two (2) criteria have been met: 1) there is a certification by a physician and 2) the district superintendent has verified the need for interim clergy service funding and has consulted with the Pastor/Staff Parish Relations Committee concerning its provision. No further medical evidence will be evaluated beyond the Physician's Certification.
6. The benefit provided consists of reimbursement of part of or all of the costs of providing interim clergy services during the period of the pastor's disability covered under this policy (30 days to 180 days). The pastor continues under appointment to the charge and the charge continues to provide full compensation to the appointed clergy person.
7. The provision of interim clergy services will be arranged by the District Superintendent and the Cabinet in consultation with the Charge's Pastor/Staff Parish Relations Committee.

Central Texas Conference Journal 2016

8. If the member church, in consultation with the District Superintendent, elects to obtain interim clergy services for clergy disability past 30 days, the District will make arrangements to pay the interim clergy and the Central Texas Conference will reimburse the district for the actual expense of the interim clergy up to an amount equal to one half of the total of the last approved clergy compensation package of the disabled clergy person (which includes salary, housing, pension and health).
9. When due to illness or injury for a disabling condition that has an expected duration of more than 180 days, this policy is not applicable.
10. In order to obtain reimbursement for interim clergy services approved under this policy, the District must provide documentation of expenses for the interim clergy services to the Central Texas Conference Benefits Officer.

This policy does not address maternity or paternity leave which is covered under the *Book of Discipline* ¶356. If a medical condition related to pregnancy or childbirth is determined, then this short term disability policy could apply.

AUDITS

The audits for the Central Texas Conference Service Center, Glen Lake Camp and Retreat Center, and the five district offices are posted on the Service Center's website, <http://www.ctcumc.org>. All audits received favorable opinions, and have been moved to the website solely as a cost-saving measure.

“Blessed is the person who obeys the law of the Lord. They don’t follow the advice of evil people. They don’t make a habit of doing what sinners do. They don’t join those who make fun of the Lord and his law. Instead, the law of the Lord gives them joy. They think about His law day and night.”

~ Psalm 1:1-2

Among the great teachings of Jesus are the words from the Gospel of John, 15th chapter, verse 5: "I am the vine; you are the branches. If you remain in me and I in you, then you will produce much fruit." This year's statistical tables are designed to help energize and equip local churches in producing fruitful and faithful ministry as we seek together to make disciples of Jesus Christ for the transformation of the world. They reflect the five categories by which congregational vitality is assessed and correspond not only to the five vows of Methodism but also to the five practices of fruitful congregations. Should you desire the full statistical layout contained in the General Council of Finance and Administration year-end reports, those reports are available at <http://www.ctcumc.org/news/detail/270> by typing in the word "audit" into the search box.

Comments:

*The LORD is my shepherd;
I shall not want.*

*He maketh me to lie down in green pastures:
he leadeth me beside the still waters.*

*He restoreth my soul:
he leadeth me in the paths of righteousness for his
name's sake.*

*Yea, though I walk through the valley of the shadow of
death, I will fear no evil:
for thou art with me;
thy rod and thy staff they comfort me.*

*Thou preparest a table before me in the presence of
mine enemies:
thou anointest my head with oil;
my cup runneth over.*

*Surely goodness and mercy shall follow me all the days
of my life:
and I will dwell in the house of the LORD forever.*
