PUBLISHING BOARD

Marlin, Texas, November 9, 1934.

Your committee on publishing conference journal report as follows:

We have had printed this year 500 copies in miniature style for the sake of economy at a cost of \$62.00. This amount has been paid by the districts.

In addition to this amount we have collected \$69.00 balance on note made in Austin nearly six years ago endorsed by McMillan, Childs, and Davis for the settlement of the old account at Baldwin and Son.

There is now a balance due Masonic Printing Company at Ft. Worth \$220.00. Of this amount the manager proposes to cancel at least \$50.00 of this amount if paid by February 1.

There is a balance also at Dallas due Gaston Printing Company of \$300.00. This amount is long past due as well as the Ft. Worth account. No concessions have been made on the debt in Dallas but we have reasons to believe that much might be done in this way if solicitations are made.

There is a total balance due on printing for previous years \$499.00.

This amount has been allocated to the districts as follows:

Austin District	-----	\$ 85.00
Dallas District	-----	125.00

The Board in its meeting November 10, Marlin, Texas, approved the above action of the call session and elected the following officers for the ensuing year: C. E. Whitaker, president; T. H. Wyatt, vice president; Miss Agnes Littles, treasurer; Mrs. D. N. Swann, secretary.

Signed

C. E. WHITAKER, President
 MRS. D. N. SWANN, Secretary.

CHURCH SCHOOLS

We are grateful for the work already done by the Department of Church schools, and we feel the need of better trained Christian workers.

We go on record as endorsing the entire program of Religious Education as is now being offered by our great church, adopting the best of its literature, joining in the Institutes and Vacation Schools.

Resolved that we extend thanks to the Area Council and Bishop Jones for the appointment of Dr. T. B. Echols as the leader for the Area in the great educational program of the church and we do hereby renew our fealty and pledge our hearty support to the Rally Day Offering.

Signed: L. L. STRAIT.

EPISCOPAL FUND

The Episcopal Fund is justified in being a bit anxious to see us loyal who possess just pride in the fact that we have two members of our race and group—hence we feel called upon to do our full share in meeting the Episcopal quotas for this annual conference. We pledge anew our interest and to do our best for increases in our giving that this cause may be met in full.

Signed: J. WALT MOORE.

EVANGELISM

Whereas Evangelism is an individual as well as a group task, and since its major task is to lift life to a higher realm of Christianity, consecrated to Christ and His church, may we personally consecrate ourselves to Christ.

Resolved that we teach Evangelism in our churches, everywhere and practice by doing the task of bringing them in.

Signed: R. W. ALLEN.

WOMAN'S FOREIGN MISSIONARY SOCIETY

We realize that we face a dearth of workers in the church in carrying the gospel to the ends of the earth, and yet we have the crying need of workers.

Resolved, therefore that we encourage workers by giving and sharing with them our earnings and our cooperation in preaching and teaching all nations.

Resolved further that whatever our quotas are in our charges, that we pay at least two thirds by June 1, 1935, and at which time, urge attendance at the meeting in Austin, during the month of June, 1935.

Signed:

MRS. C. S. WILLIAMS

MRS. G. A. DESLANDES.

HOSPITALS AND HOMES

Since it has been established that the health status of the people is of great importance, even from an economic point of view, and since Jesus set such a beautiful example of ministry to the sick and the poor and our church has such an enobling plan for this work through its Board of Hospitals and Homes.

Resolved that we give in a whole hearted way our monies and life if need be that men might be rescued from disease and death, and Resolved further that we stand by Flint Goodrich Hospital in a larger way and encourage our girls to go there for nurse training that they may serve others and help others to better health.

Signed:

S. N. HARVEY

L. L. STRAIT

LADIES AID SOCIETY

The Ladies Aid Society of the Methodist Episcopal Church is a great factor in the promotion of financial interest of the church and in helping the pastors in their building projects as well as in matters personal.

Resolved that we organize and cause to be organized in every charge a Ladies Aid Society.

Signed:

A. M. MASON
J. B. PHOENIX.

LAYMAN ASSOCIATION

In the interest of better work we pledge ourselves to see to it that so far as is in our power, that there shall be more cooperation with the pulpit in carrying on the work of the church and the building of the kingdom; we pledge ourselves to work for a more cooperative spirit throughout the membership in the interest of making advances in the work of the church.

We further pledge our support to the New Orleans Area Institute under the leadership of Bishop Jones and Dr. T. B. Echols, in organizing Young People's Clubs to help the support of the program. We theretore recommend that as near as possible to have one church official in this delegation. We ask also that a copy of this report be handed to the pastors of each local church.

Signed:

S. L. BROWN
E. M. COOPER
MRS. E. L. B. RICHARDSON.

MOVING PICTURES

Since we are under the present day influences almost driven mad in social indulgencies, and since facts attest that 85 per cent of one's education is through the "eye-gate," and since the young life of Christianity is vitally affected by the presence of the "movie corporations."

Resolved that we as a conference register our protest against the present practice of showing scenes that are indecent.

Signed:

J. W. MAYE
H. O. McCUTCHEON.

PENSIONS AND RELIEF

Each year many of those who are on the Pension Roll are left without funds to carry on, and since this is deplorable and we ourselves are headed for this roll. Be it resolved that we urge larger giving and that the 5 per cent basis be observed in reporting our funds to the annual conference sessions for the support of our widows and men in the retired rank.

Signed:

W. B. LOTT
D. B. BAKER.

PERIODICALS

Religion is being attacked and questioned on every hand nowadays and the church has such a fine line of literature that would help in the defense of our polity and faith. Resolved that we buy and read such literature as we put out, thereby blessing our church and ourselves in this kind of investment in making ready to meet the demands of the hour.

Signed: FRED YOUNG.

PROHIBITION AND PUBLIC MORALS

To-day the enemies of prohibition are urging war on those who are in opposition in their views. We are called upon to show renewed courage and support of convictions to this great moral issue.

Therefore we resolve to go on record as a conference pledging our faith and support to the program of the Board of Prohibition and Public Morals.

Signed:

Z. W. HOLMES
T. M. BRUTON.

CHURCH SCHOOLS

In view of the fact it is now permissible to hold a rally day service and take a rally day offering and receive World Service credit for the same, Resolved that we observe general rally day and that we will take an offering and forward the same to the Board of Education for support of the Director of Religious Education, Dr. T. B. Echols.

Signed:

C. E. WHITIKER
J. H. R. DUDLEY.

SABBATH OBSERVANCE

There is much carelessness in keeping the Sabbath holy and in some cases buying and selling on the Sabbath is very much in evidence. We violate in many ways the rules that govern the keeping of the Sabbath.

We resolve and recommend to follow a course of sane Christian conduct as relates to Sabbath observance. We recommend that each will do his part in establishing a Sabbath for man.

Signed:

H. O. McCUTCHEON
M. A. FREEMAN.

STATE OF THE CHURCH AND COUNTRY

These are unsettled times we are passing through. Much that disturbs. There are about twenty millions on relief and welfare boards. The whole country remains in a quandary as to its future.

The recent elections indicate that the present administration is to be further intrusted with the rulership of affairs politically. President Roosevelt is bent on helping the needy. His passion to help the fellow lowest down should receive the endorsement of the churches.

The crime wave is distressing. With kidnapings, homicides, banditry and murders going almost daily unpunished, and this augmented by the new outbreak of lynchings, our Christian civilization seems to be almost on the verge of breaking down.

May we not take too lightly our share in these matters, but strive to produce men who take the teachings of Jesus Christ seriously. Some predict the passing of our present social order. Can it pass without serious consequences to the church? The church needs present day prophets as the church had of old, some one to tell us of our needs.

There was a bright spot in our church life when the Sesquicentennial meeting recently where Methodism vindicated her past and looked forward to the future when Methodist should be one—a glorious anticipation. May we express ourselves in cordial agreement. Our very earnest desire, however is that the United Church be one in which members of all racial groups may find a congenial Christian home.

Signed: WILLIS J. KING.

STEWARDSHIP

Stewardship divides into three parts: Possession, Personality, and Prayer. God is the Sovereign owner of all things. Man is a steward to acquire and administer God's possessions as a sacred trust.

Personality: God is the supreme person in the world of persons and God invites every person to become a partaker of the divine nature.

All authority has been given unto Jesus Christ. Prayer is a stewardship of authority intrusted by Jesus to His friends.

Since by faithfulness in these three our works are not in vain, but we enjoy the fellowship of the spirit in our work of kingdom building,

Be it resolved that we go to our great task assigned us by the Master of the vineyard and work with faithful hands to bring in His kingdom.

Signed:

J. W. WARREN

J. WALT MOORE.
