THE COMPOSITE REPORT OF THE  
DISTRICT SUPERINTENDENTS

West Texas Conference Methodist Church

1946

To the Resident Bishop of the New Orleans Area, Members of the  
West Texas Annual Conference, and Friend:

It is with gratitude and much pleasure that we present this report representing the District Superintendents of Austin, Dallas, San Antonio, Victoria, and the Waco districts, for the year 1945-1946.

To begin with, we are grateful to our Heavenly Father for his love and extended grace as we have labored through this year. We are not unmindful of our lack of fitness for all the responsibilities that have been ours to shoulder, but God has strengthened us as we have gone forward with the task of leading as Superintendents of the Conference in the interest our our great Church.

The light of our God has always given us a chance even in the darkness and shadows of the task. The task has been a great one, but He has been and is a Great God to direct and lead us on.

Then not only are we grateful to God for his leadership, but we are recognizing the superb leadership that we have had in our Resident Bishop in promoting the work of the districts. He has given himself untiringly to this work of Kingdom building. He has eyes of an eagle, and his strength has been matchless because of his undying love and the warm heart that has been ours to touch and admire.

We have not had much chance to grow cold and indifferent to the work when it has been ours to touch as it were the hem of his garment.

We marvel at his capacity to serve the church and at the same time to give such painstaking attention to the needs of churches within the New Orleans Area. It has been evident that he has given us an example of spending oneself for the cause of the Christ and at the same time of finding renewal and refreshment of being at the Fountain of the living presence of God.

He has evidenced that he is among us to serve, and to serve unselfishly. In the meantime he has represented the dignity of the Episcopacy and has endeared himself as comrade at all times enjoying the fellowship of his brothers.

In him is represented that scripture which says: "He who would be greatest among you, let him be the servant of all."

And as the representative of the cabinet and my fellow brothers of the cabinet, I am saying that there has been no contention among us for great men and little men, but we have tried to live for the best interest of all the Conference. We have shared in the griefs and sorrows of all, we have held a helping hand to many and I am particularly indebted for the sympathy and interest they have had in me and in sharing their minds and the warmth of their hearts in bringing to you this Report.

Then, too, we would not forget the fine type of pastors and the splendid laymen who have helped us carry on and sometimes and in some instances they have urged us to carry on. They have cooperated in a beautiful way. They have endured as seeing Him who is invisible and have had the Patience of Job in some instances.

Here and there we have complaints coming from both pastors and laymen as to who is who and which is which, but like boys eating watermelon we still look at the meat and then the rind, and have taken some seed to plant another crop.

In some instances we have wanted the people, and in many instances the people have wanted their pastors—only here and there have we had any particular murmurings of pastors and the laymen as to the unfitness for the task.

Laymen are beginning to learn that Ministers have a right to object to certain types of laymen in the church as well as laymen objecting to certain types of Ministers. So we have covered our grief and sore spots and we have about decided that the least of us in some way is able to serve most of us.

## EVANGELISM

In this second step of the Crusade we have been untiring in our efforts to promote the interest of the Kingdom. Diligent in business, fervent in spirit in serving the Lord. Some of the pastors have had organization upon top of organization trying to outwit the "Devil", and in a measure we have done it.

Great Meetings have been held throughout all the districts for the ingathering of souls, and in a measure we have succeeded, in that we have measured up to the expectation of the church in bringing in our full quota to strengthen the membership of the churches. The Conference total for the districts is as follows:

Confession of faith—the goal was 1030, received 1234; by transfer—goal 803, received 1299; new churches organized, 8; gain in church school roll, 847; only 5 charges not having paid Crusade quota in full.

## WORLD SERVICE

Our world service giving has increased over the previous year. Last year we paid \$4,418; this year we have paid \$6,000. We are encouraged as we face the problems of rehabilitation and World Relief when we think of this gain in our giving. We again commend our ministers for the fine attitude and interest exercised in promoting this cause of the church.

## SAM HUSTON COLLEGE

We have all kept in mind the work of Sam Huston College. We have stressed larger attendance and increased giving for the work at the school. There has been evidence of interest of us all, for our giving has increased, and there has been substantial increase in the enrollment. We are happy for the way that President of the school has applied himself to the task.

## THE CENTRAL CHRISTIAN ADVOCATE

I am afraid the interest of the paper has not claimed our attention as heretofore. Our subscription lists have fallen off in some of the charges, and we are not reporting as large a number as in recent years. I think it has been due to the fact, however, that the Crusade with all its interests and responsibility has kept us thinking in terms of Salvation and building quotas to keep our place in the work of building the Kingdom on this line. But we are hereby urging that the pastors along with ourselves shall give ourselves to this task of perpetuating the church paper and keep our subscription list up to previous years. We are not willing that there shall be any lagging on our part.

## CHRISTIAN EDUCATION

We have discovered that the cause of Christian Education must be kept constantly before our congregations and we have endeavored to increase our giving to this cause.

We have deep appreciation for the work and life of Dr. Echols as our leader in this field, and we have endeavored to support his every effort that youth as well as adults might be lifted to a higher plane in this field and thereby increase their usefulness in the work of the church. There is evidence of fruit when we think in terms of Summer Institutes and Training classes in the local churches for the improvement of our workers. Institutes have been held in all the districts, camps for youth have been held for training, Vacation schools have been carried on in many of the churches throughout the districts. Dr. Echols has carried with him and under his leadership an efficient group of workers and he has been able to inspire others to serve in their local churches in promoting this activity of the church. There used to be a time when he alone had to carry on, but now he is able to command and mobilize others in the local churches to enlist as workers.

## MISSIONARY EDUCATION

Under the leadership of the Conference Missionary secretaries, our District Missionary leaders have held interesting Missionary Institutes, with some strong men to take the leadership in the topics and give such public addresses as would inspire our youth to larger district secretary, had a very outstanding meeting and interesting service and the adults to larger giving. Rev. Joel Jordan, as the program with Dr. Marshall Steel as the principal speaker. He was backed in this effort by Mrs. J. M. Moore, one of our Conference leaders in this field. And what the Dallas district has done, other districts have done under competent leadership.

Other districts are showing increased interest in the cause of Missions.

In some churches our missionary inclinations have resulted in the organization of local Boards of Missions and Church Extension. And in a remarkable way these Boards are active in their field. Even in our District Institutes, Missionary Education was stressed and a leader in this phase of the work solicited great support for the work of Missionary Education and giving.

We are believing that a Global Church must have a Global Mission and recognize a Global Christ.

## DEBTS AND IMPROVEMENT

Debts have been almost entirely liquidated in our work. We have had ambitions for new Churches or Church Houses, and we are spending ourselves in this line. Money is being raised for new building and now there is in process of construction two or three new houses. Some of the pastors are going forward with raising money for new buildings, and the remodeling of their present structures.

St. Luke in Dallas is on the way. Trinity Church has an interesting remodeling program, I mean they have money to build. St. Andrews in Fort Worth has increased its building fund from \$11,000.00 to \$18,000.00. Lots have been bought in Amarillo, Midland, and Colorado City for church building and these places have regular and ordained pastors serving as pastors with increases in their membership. Rev. G. F. Alexander has wrought valiantly in this Western Section. More than 50 members have been gathered in these new fields under his direction and leadership. Rev. Miles, Rev. C. L. King and Rev. E. C. Gibson have supplanted the supply pastors in these new fields and they have applied themselves to the work in a very effective way.

And what has been done within the Dallas district is being done in other districts, as follows:

## NEW CHURCHES OR HOUSES

AUSTIN DISTRICT—Brownwood, San Marcos, parsonage repaired; Smithville, Georgetown, in process of erection; Simpson, Dale, Smithville, Temple, money on hand to build or remodel.

## STEWARDSHIP

We would not close this report without some look into the future for the work that is ahead of us.

We realize that as chief pastors of the districts that our task will be multiplied with duties here and there, and particularly in training and teaching people when, what and how to carry on this great adventure of the church.

We are related to it in a peculiar way:

1. Utilize Quarterly Conferences

The District Superintendent has direct, personal contact with the leaders in every church school in the district. He can use the quarterly conference to increase church school enrollment and attendance by—

- a. Stressing importance of increase
- b. Showing how to secure increases
- c. Checking up on progress

2. Conduct District Clinics

Local church school officers and teachers need instruction in how to improve their work and secure increases. In cooperation with the executive secretary of the conference board of education, the district superintendent can conduct an all-day school or clinic to be attended by church school superintendents, teachers and leaders.

3. Hold Church School Rallies

Increases can be secured in our church schools if the masses of our people are inspired and encouraged. The district superintendent can with great profit hold church school rallies to be attended by the rank and file of the people.

4. Use Visiting Leaders

Every district has many successful church school superintendents who would be willing to visit and help neighboring church schools. The district superintendent can discover these leaders and arrange for them to make friendly, helpful visits to nearby church schools. The executive secretary of the conference board of education can help provide training for these visiting leaders.

5. Encourage Church School Superintendents

In many places help and encouragement have been given to workers with the three age groups, but the church school superintendent has been overlooked. The local superintendent oftentimes is discouraged and does not realize his responsibilities. The district superintendent can inspire and raise the morale of local church school superintendents by—

- a. Special recognition in Quarterly Conference
- b. Personal conversation and counseling
- c. Writing letters
- d. Holding meetings for local church school superintendents.

Discuss your plans with the executive secretary of your conference board of education.

## HEALTH

The health among the ministry has been fair. We would call attention to Rev. J. H. Strait, Rev. Esau Smith, Rev. W. B. Houston, Rev. B. F. Stewart, Rev. J. H. Brown, Rev. J. H. Dudley, Rev. R. A. Appling, Rev. M. C. Ellison, Rev. J. W. Maye—these have all been ill for the most part for the entire year. There has been some illness in our families, the wives of Rev. B. F. Lee, Rev. K. W. McMillan, Rev. D. B. Baker, Rev. C. W. Franklin and Rev. A. G. Russell.

In some of these cases we have sent as districts money to give some relief and encouragement during their hours of illness.

## WOMEN'S WORK

We would not conclude this report without a special word concerning the work of the W. S. C. S.

We pride ourselves in some of the things that have been ours to enjoy and enrich our minds as we have worked at the task this year. The School of Missions, etc.

We pride ourselves in the "Work Shop" that was carried forward as a thinking mind like Mrs. R. B. Brooks could bring to us. It was marvelous that she brought such a great group of speakers and planned in such a fruitful way the program.

The entire Conference has every reason to be proud of the leadership that she gave in this work and the great discussion carried on by the men and women who were programmed to serve.

Our word of tribute is that she may live long to do this type of work and during the year 1947, even before she goes abroad with the Bishop, bring another such program to our Conference. We pledge our heartiest endeavor to the execution of the same.

## CONCLUSION

Since we received our Commissions from you, Bishop Brooks, last October, we have both your blessing and the blessing of Almighty God. And we are not going to tell you today that the voyage has been smooth all the way. It has been an eventful crossing, if we have crossed billows since we last met.

We are able to describe the journey and the many problems that we have faced, but we close with this word of Edmund Burke:

Applaud us when we run,  
 Console us when we fall  
 Cheer us when we recover,  
 But let us pass on,  
 For God's sake let us pass on.

Humbly submitted,

## RECOMMENDATIONS

1. That each church in the Conference is requested to operate the Disciplinary Financial Program in the Local Church.
2. That each Local Church plan the Annual Budget in keeping with the Crusade for Christ emphasis on Stewardship.
3. That the Conference observe the following Special Days:
  - a. The Fourth Sunday in each month with a suitable program of Missionary Education with an offering for World Service to be divided on a 50-50% basis according to the 1944 Discipline.

- b. Student Recognition Day, December 22, 1946.
- c. Race Relations Day, February 9, 1947.
- d. Methodist Student Day, June 8, 1947, preceded by a Youth Activities week beginning the first week in June and directed by the Executive Secretary of Religious Education.
- e. Veterans' Day (25c per member) September 14, 1947, with a special offering for Conference Claimants that will average an amount equal to 25c per member in the Local Church.
- f. Rally Day, \$2,000, May 25, 1947, preceded by Religious Education Week beginning May 19, with a special offering of \$2,000 collected by the several Districts according to their share of the percentage.
- g. Overseas Relief.

All above mentioned funds shall be sent to the Conference Treasurer.

4. That \$42,000 be adopted as the 1946-1947 budget for General and Conference Benevolences, with reports being made on Christmas Day, 1946, Race Relations Day, 1947, and completed on Easter, 1947.
5. That the distribution ratio shall be:
  - 21.7% for General Conference Benevolences
  - 78.3% for Annual Conference Benevolences
6. That the Episcopal Fund shall be paid at the rate of one and three-fourth per cent of Pastor's cash salary, as voted by the General Conference.
7. That Conference Claimants Fund be paid at the rate of 10% of Pastor's cash salary; 7% for immediate distribution; 1% for Retired Accepted Supply Pastors; and 2% for the Permanent Fund.
8. In view of the alarming decrease in the ranks of our Ministers, and a growing number who serve only part-time, the Commission further recommends:
  - a. That our Resident Bishop and District Superintendents insist upon each pastor giving full time to his charge and that each charge receiving the full time of a minister, shall set as our minimum goal, \$1,000 annually.
  - b. That the Annual Conference shall provide a minimum support fund by collecting 1% of all salary paid to all preachers above \$1,200.
  - c. That there be a minimum increase of 10% on Pastors' salaries by each charge in the Conference.
9. That there shall be within the bounds of the West Texas Conference six Districts by the following names: Austin, Dallas, San Antonio, Victoria, Waco and Western. The charges for the various districts will be named by the President of the Conference according to the Discipline.
  - a. That the salaries and District Expense of five District Superintendents—Austin, Dallas, San Antonio, Victoria and Waco—be set by the District Stewards meetings of the several Districts.
  - b. That the salary of the Western District Superintendent be \$1,000, paid by the charges and subsidized by the Conference for the amount that will make the total salary \$2,000.
10. That the World Service and Conference Benevolences be apportioned to the several Districts according to the following percentages:
 

Austin .....	20%	\$ 8,400.00
Dallas .....	25	10,500.00
San Antonio .....	25	10,500.00
Victoria .....	11	4,620.00
Waco .....	11	4,620.00
Western .....	8	3,360.00
	100%	\$42,000.00

11. That total distribution for all apportionments from the Annual Conference be made to the charges by the District Superintendents of the several Districts.

NOTE: Each Church School in the Conference will remit Fourth Sunday offering monthly to Conference Treasurer. This amount will be over and above the budget of \$42,000. The Fourth Sunday item of \$1,600 in the budget will supplement the amount paid directly by Church Schools.

## AUDIT REPORT OF THE OFFICE OF THE TREASURER

West Texas Conference Methodist Church

### AUDITOR'S CERTIFICATE

To The West Texas Conference, Methodist Church:

We have audited the records of the Treasurer, and we certify that, subject to the comments incorporated in our report, the accompanying balance sheet and statement of profit and loss correctly present, in accordance with fair principles of accounting consistently maintained by the Treasurer during the year under audit, the financial position as of November 25, 1946, and the results of operations for the year ended that date.

December 12, 1946

West Texas Conference, Methodist Church  
Fort Worth, Texas

Gentlemen:

In keeping with your direction to make a detailed audit of the financial records and other business of the office of the Treasurer, we are submitting hereon below report covering same.

The fiscal period covered by this audit embraces the time between the dates of November 9, 1945, and November 25, 1946, both dates inclusive.

The beginning and ending cash balance was reconciled and verified by direct communication with the Fraternal Bank & Trust Company of Fort Worth, Texas, the official depository for the Conference.

A thorough checking of income sources was employed for the purpose of deriving true income. The control journal was cross-checked for comparison with individual items in duplicate receipt books and to provide an over-all verification. The following is a detail of the "Other Sources" account shown on the Income statement:

Board of Home Missions .....	\$5,070.00
Board of Extensions .....	1,350.00
Conference Donations .....	844.12
(Brownwood)	
Ministers' Wives .....	864.50
Mason Children .....	362.64
Board of Education .....	812.50
Mrs. M. E. Lott .....	175.30
(Permanent Fund)	
Chartered Fund .....	80.00
Board of Pensions .....	1,258.11

We have followed our usual procedure of itemizing all expenses thus eliminating the necessity for a "miscellaneous" expense account.

Total income for the period dropped to more than \$25,000.00 under that of the last audit period, amounting to \$64,191.43. Expenses for the same period totaled \$63,045.06, showing a net income of \$1,146.37 over expenses. Adding this net balance to the balance brought forward from 1945 of \$1,659.97, makes a total of \$2,806.34 to be accounted for on the balance sheet. The treasurer accounts for \$640.91 which is the reconciled bank balance and \$2,165.43, according to his advice, is cash-on-hand in process of deposit. Inasmuch as the deposit had not been made as of the ending date of this audit, it was impossible for this auditor to certify this figure in the report. However, it is being carried as a "cash on hand" item, and on production by the treasurer a duplicate deposit ticket, in this amount, bearing a date subsequent to the time of the audit period, will be sufficient verification of this asset.

A balance sheet liability of \$596.63 has been set up for the Mason Heirs Fund, which is \$217.64 more than the amount shown in the 1945 audit report. The increase in the fund was due to income for this purpose in the amount of \$362.64, minus disbursements of \$145.00.

Even though the total income was more than \$25,000.00 less this year than that of last, the actual unassigned surplus belonging to the Conference has increased from \$1,280.98 in 1945, to \$2,209.71 as of the close of this audit.

There were two outstanding checks as of the end of this audit period totaling \$188.90, one of which (check No. 398 drawn to J. H. Brown for \$100.00 under date of October 12) was mislaid by the payee, request was made for a duplicate check to be issued in December of 1946. This duplicate check has since been issued, and we are recommending at this point that a stop-payment order will be issued to the Fraternal Bank and Trust Company against check No. 398, so that if the check is found and presented to the bank for payment it will be dishonored.

All items except those that have been given special treatment in these comments, are considered self explanatory as shown in the schedules. We are including separate schedules in this report showing receipts by districts for informational purposes.

We should like to call attention to the recommendations which were made in the last audit report for the purpose of increasing the efficiency in the Treasurer's office, and enabling the records of his office to prove adequate for audit purposes. These recommendations are herewith repeated:

1. Separate receipt books will be used for each district to record the income therefrom.
2. Duplicate receipts will be left in tact in the receipt book until such time as the treasurer's office has been audited.
3. All income will clear through the duplicate receipt books and then into the treasurer's Control Journal.
4. The treasurer will record entries of income to the Control Journal only from the duplicate receipts.
5. Disbursements will be made only by check and entries evidencing same will be taken from check book stubs and finally verified by cancelled checks.

To these we should like to add this final recommendation:

6. Deposits should be made within a few days following the receipt of income from various sources, and in amounts which can be traced direct to the duplicate receipt books. This eliminates the necessity for large cash balances on hand at any one time.

We acknowledge with thanks the cooperation of Rev. K. W. McMillan, Treasurer of the Conference, during the conduct of this audit. If there is any further information which may be desired in connection with this report please feel free to call upon us.

Respectfully submitted,

GEORGE L. ALLEN & COMPANY

REPORT OF COMMITTEE  
ON TEMPERANCE  
TO THE  
WEST TEXAS CONFERENCE

Austin, Texas

September 24-29, 1946

We deplore the organized liquor traffic with its misleading advertisements which make their false bids to men, women and children, and especially the youth of America, without the advantages of religious instruction.

We deplore the salons whose open doors like giant hoppers of grist mills, are sucking in our boys and girls and grinding them into the husk of moral, social and degenerate wrecks.

We deplore the increased use of tobacco among our young men and women.

The home is the determining factor in the alcohol problem. The church can do little to create right attitudes, to develop good habits in children and youth, to bring about moral conviction and determined action on the part of citizenship of a community unless it can have the wholehearted cooperation of the home.

The Christian church is unalterably opposed to all forms of sin. Among the groups of sin and far up in the vanguard is the sin of intemperance.

More stress is needed to be laid upon teaching temperance to the children or it must be approached in an educational way.

This can be done in the local church and public schools by teaching the evil effects of alcohol upon the human body.

We urge an intensified educational program in this vitally important matter. The truth taught by the church concerning the physical, moral and social evils of alcohol has been clouded by the falsehood and cleverness of writers of publicity in magazines and newspapers, until millions do not know or realize the danger in all forms of alcoholic beverages. We call upon our churches to cease not in their declarations of the truth concerning liquor until its poison and destruction are clear in the minds of our people.

Therefore, we recommend:

1. That we organize in all of our churches a strong Temperance Committee, and encourage that Committee to promote a program of temperance education with the view of encouraging our people to become total abstainers.
2. That we most heartily commend the Conference composed of representative ministers from the Southeastern Jurisdiction which met at Lake Junaluska, August 6, 1946, for their strong denunciation against liquor. We heartily join with them in condemning the way of lawlessness in America, especially as it has manifested itself in recent lynchings.
3. That we combine our Temperance and Father's Day Program and urge our ministers to use this occasion for temperance emphasis.
4. That we endorse the action of the Area Council in accepting a quota of \$500 for the cause of Temperance from the New Orleans Area, and that this Conference pledge to raise its quota.

Respectfully submitted,

R. E. Palmer,  
James Russell,  
S. A. Keesee,  
Mrs. Ethel Leonard,  
F. J. Hutchinson,  
J. H. Marshall, Secretary.

## RESOLUTION

The New Orleans Area, under the matchless leadership of Bishop Robert N. Brooks, led the whole Church in the financial phase of the Crusade for Christ in 1945. This year the Area has reached its goal in the Evangelistic phase of the Crusade. In both of these efforts the West Texas Conference has manfully carried its share of the load. As a Conference, we should likewise do our part in the promotion and the practice of Christian Stewardship for the good of our Conference and our people, for the sake of humanity and for the glory of God.

If we are to measure up to our responsibility in the Stewardship phase of the Crusade, we must give serious attention to Stewardship cultivation and education; Therefore,

Be It Resolved, that we hold a conference-wide Seminar on Stewardship to plan the program of Stewardship for the Conference, and to train leaders to promote the work on a district and local church level, this meeting to be sponsored by the district superintendents and directed by the Area Secretary and the Conference Executive Secretary of Christian Education, and President of Board of Education, to be held at Austin, Texas, December 18-19, 1946.

The District Superintendent, the District Lay Leader, with the understanding that the Conference Lay Leader will represent the district on which he resides, and one pastor from each district will be official representatives.

We urge the District Woman's Society of Christian Service to send a representative, at the expense of the Woman's Society.

Other ministers and laymen are invited, at the expense of the local church, or otherwise.

Respectfully submitted,

Cabinet:

I. B. Loud,  
A. D. Holden,  
K. W. McMillan,  
A. G. Russell,  
J. H. Childs.

## RESOLUTION ON EVANGELISM

The work of Evangelism has gone on in the West Texas Conference in a forceful and effective way. We feel that every pastor and every District Superintendent and most of the local church Committees on Evangelism, and the officers and members of the church have, through the past year, taken the matter of Evangelism seriously.

Perhaps the newer idea of house-to-house Evangelistic visitation has proven itself worthy of continued use in our future Evangelistic efforts. Certainly we have experienced that personal house-to-house evangelism is more certain of definite results.

With a Conference quota of 3,000 and a resultant 3,011 accessions and conversions, our method of last year is exemplary. Your Commission on Evangelism recognizes the priority of the claims of stewardship for the present year of the Crusade. At the same time we know that Evangelism and Stewardship are yoke fellows and must work side by side. We recommend, therefore, that we accept a minimum quota of one-half our goals of last year as a guide for this year of activity of Evangelism.

Signed:

A. D. Holden,  
D. B. Baker,  
C. B. Langdon,  
J. H. Carruthers,  
G. Haven Caldwell,

Conference Secretary of Evangelism

WHEREAS, once again we have been blessed with the privilege of accounting to and sitting under the instruction, the masterly supervision and guidance of the able and beloved executive of the New Orleans Area, Bishop R. N. Brooks, and

WHEREAS, the host District Superintendent, the Reverend A. D. Holden and the Reverend F. D. Young, host pastor, and the loyal members and friends of Wesley Chapel Church brooked no effort to reveal the spirit of real hospitality and exemplary service, and

WHEREAS, the general church and the Area have made possible a timely injection of intelligence and inspiration into the blood stream of the West Texas Division of the Methodist army of the living God, through the presence and contributions of outstanding leaders and representatives, including the divinely charming first lady of the Area, Mrs. R. N. Broks.

WHEREAS, honorable guests and visitors have been attracted to the memorable session and their words like fresh fruit from the spiritual orchard have been passed among us, and

WHEREAS, hosts and hostesses including our own Dr. Karl E. Downs and co-workers of Samuel Huston College whose name fans West Texas delegates' pride into a veritable flame, have sheltered, comforted and entertained even strangers within their gates; therefore,

BE IT RESOLVED, that the West Texas Conference thus express its deepest appreciation, gratitude and respect for all contributions, known and unknown to the general success of the 73rd West Texas Annual Conference session and for all courtesies shown, while we labored and fellowshiped together in the name of the God of eternal ages.

Committee: F. D. Hudspeth, Mrs. O. L. Carson,  
Mrs. Elizabeth Coe, E. L. Spencer,  
W. M. Ellison, T. B. Echols

## REPORT OF BOARD OF MISSIONS

Bishop Robert N. Brooks and Brethren:

We, the members of the Annual Conference Board of Missions of the West Texas Conference, wish to submit the following report:

After a study of the needs of our ministers and congregations, we are asking:

1. That each local church organize an active Board in the church, and promote a missionary program in order that the local church may be educated in the work of our church.
2. That each district superintendent have on his district a competent district missionary secretary to promote the missionary
3. That no district superintendent will file application for the approval of this Board for less than \$100.00.

We recommend the name of Rev. I. B. Loud as Conference Missionary Secretary.

Signed,  
J. H. Carruthers, President

## REPORT OF COMMITTEE ON MEMOIRS

Bishop, Ministers, Delegates and Friends:

We, the Committee on Memoirs, beg leave to make the following report:

We find that the Parsonage family has been broken by three deaths among the women, viz.: Mrs. S. G. Graham, a retired minister's wife; Mrs. G. J. Goff, the daughter of Rev. R. M. Davis, a young woman, and wife of one of our coming young ministers; and Mrs. M. C. Caviness, one of the list of Conference widows. Mrs. Monroe C. Caviness was active in the early days of the West Texas Conference. In her we have a heritage of much for which we are justly proud. They are the builders of this great Conference along with the other stalwart heroes, many of whom are no more.

We were given the sad news of the passing of Rev. M. C. Ellison, a retired minister of the Conference, on Friday while the Conference was in session. He had been retired for only two or three years. He was a fine pastor with a record of seven years service at Hallettsville, and about the same at the great Edna Circuit.

Hence the picture stands:

The following four were called to go,  
From work below to another show,  
So it seems, then, God's choice to have been,  
So as Christian men, we bow and say farewell.  
Amen.

Mrs. S. W. Graham, Mrs. G. J. Goff, Mrs. M. C. Caviness  
and Rev. M. C. Ellison

Faithfully,

Committee on Memoirs:

W. W. Baker, I. H. Pierce, Mrs. Eugenia Mosley, Mrs. A. D. Holden, Mrs. F. D. Young, Rev. Joel S. Jordan, Rev. James Ross, Rev. J. H. Brown.

## Woman's Society of Christian Service

WESLEY CHAPEL METHODIST CHURCH

Austin, Texas

September 24, 1946

The Sixth Annual Meeting of the Woman's Society of Christian Service was opened with a carefully planned devotion service, conducted by Mrs. F. D. Young, Conference Secretary of Spiritual Life, assisted by Mrs. L. D. Lyons, Conference Treasurer, and Mrs. Clara Watkins, Conference Secretary of the Wesleyan Service Guild. Following the devotions the Conference President, Mrs. K. W. McMillan, was brought forward and presented, and took charge of the meeting. Having been ill during the summer, the President thanked all throughout the Conference who had remembered her with prayers, personal gifts and services. Some friends were given special mention for the many personal kindnesses they had done for her.

In order to spare the President any unnecessary exertion and to save time, the Society voted that reports would be handed in to the Secretary. Mimeographed copies of annual financial report were passed out by the Conference Treasurer (See Report). Souvenirs were given to all present by Mrs. Lyons, the Wesleyan Service Guilds of Wesley Chapel, Austin, and Cowen Chapel, Fort Worth, and the Austin District.

By request the Treasurer's report was read and discussed.

The President mentioned having received a telegram from Mrs. Bowen, Jurisdictional President, asking if the West Texas Conference would accept the next Jurisdictional Meeting next spring. Invitations were extended by Rev. G. H. Caldwell, St. Paul, Dallas, and Rev. R. S. Mosby, St. Paul, San Antonio. By a vote of 64 to 30 San Antonio was selected as the meeting place if the meeting is held within the bounds of the West Texas Conference.

Mrs. G. H. Caldwell mentioned a project of the North Texas Conference for opening a Bethlehem Center at St. Paul, Dallas. This Conference has deposited \$40,000 for a building and \$900.00 for immediate use. The Conference was asked to share in this project. This matter was discussed and referred to the Executive Committee.

Miss Carmen Lowry was presented and she in turn presented Miss Dorothy Hardway of Seguin, a student of Samuel Huston College. Miss Hardway thanked the Society for giving her the scholarship, making it possible for her to go through College.

Mrs. R. N. Brooks was presented and made a few remarks. Delegates who attended the Assembly were called on for reports. Mrs. Clara Watkins made many interesting and timely statements. Mrs. I. B. Loud mentioned many of the important events and displayed various souvenirs. Miss Cramen Lowry spoke briefly and said the meeting was one of inspirational unity for Methodist women. Along with other things, Mrs. Caldwell spoke of the 175 missionaries present and their combined number of 3,600 years of service in the mission fields. Mrs. A. J. Reed, Dallas District President, told many things of vital interest to Methodist women. In her remarks, Mrs. Brooks brought out the importance of supporting missionaries. Mrs. McMillan closed the reports of the Assembly by mentioning a few more important items, after which the hymn, "Come Peace of God," was sung.

Mrs. L. V. Williams, having moved out of the West Texas Conference, resigned, and Mrs. M. G. Jackson, San Antonio, was unanimously elected Recording Secretary.

As there was some time available at this point, Mrs. Mary W. Fowler, Conference Secretary of Christian Social Relations and Local Church Activities, was asked to make her report. A very good year's work was reported. Mrs. R. J. Irvin, Secretary of Student Work,, reported an excellent year's work in her field. Mrs. A. W. Crain, Conference Secretary of Supplies, read a splendid report and a letter from Bennett College thanking th Society for supplies which had been sent there. Miss Lowry was asked about needs at the Eliza Dee Hall and unbleached muslin for mattress covers was said to be badly needed.

In her report, Mrs. V. E. Curry mentioned the necessity of competent persons being placed in office and urged the members to elect those who are best qualified.

The time of meeting for afternoon was changed from 2:30 to 2:00 p. m.

Miss Lowry invited the Conference to the Eliza Dee Hall for a Fellowship Hour and Tea.

Adjournment.

Mrs. K. W. McMillan, President  
Mrs. L. V. Williams, Secretary

## Tuesday Afternoon

Devotions were led by Mrs. W. L. Smith, President of Waco District. For the sectional meetings, members were directed to the designated places by Mrs. F. D. Young. Financial reports were made to the treasurer, Mrs. Lyons, at the table in the main auditorium.

As pre-arranged groups re-assembled in the auditorium at the playing of the organ, the hymn, "Thou, My Everlasting Portion," was sung and the President took charge. Thanks were expressed to the local Society and Guild for the flowers in the church and the many courtesies throughout the day.

Adjournment.

Mrs. K. W. McMillan, Conference President  
Mrs. L. V. Williams, Recording Secretary

## EXECUTIVE MEETING

After adjournment the Conference officers met in executive session, Mrs. McMillan presiding.

The following things were decided upon:

1. Each district will make its budget and send it and quotas to Conference president.
2. Officers must not solicit for contributions throughout the Conference for expenses for trips. All money must be sent through the district treasurer to the Conference treasurer, thus systematizing matters.
3. Each district will make quotas over and above those given so as to provide for delegates' expenses.
4. The balance of the expense for Mrs. Irvin's trip to Oklahoma was paid.
5. Each district send at least \$25.00 to each of the Bethlehem Centers in Dallas and Fort Worth.
6. \$159.00 was appropriated to the Conference for supplies.
7. Mrs. C. S. Edmonds, Conference Secretary of Missionary Education and Service, made a special plea for the School of Missions. The School must have an accredited Dean and teachers for the accredited courses. Funds must be made available for this so an Endowment Fund was created and the quotas made for each district.
