## REPORT NUMBER 1

## COMPOSITE REPORTS OF THE DISTRICT SUPERINTENDENTS

Bishop Matthew W. Clair, Jr. and members of the Ninetieth Session of The West Texas Conference:

May the Gow of Hope fill you with all Joy and Peace in believing, that ye may abound in hope, through the power of the Holy Spirit. It is with profound gratitude, yet a deep sense of humility that we, your five District Superintendents, come to this solemn hour to submit this our annual report to this distinguished Ninetieth Session of our Annual Conference. Here we come with praise and gratitude to God and you for the victories which we have experienced during this year. We also come with humility, and even regrets, because of the defects and failures which we have sustained due to the fact that in our selfishness and pride we have hindered the grace of God.

When we remember the path over which we have come this year, we join in song with John Newton (that great Hymn writer), "Through many dangers, toils, and snares, I have already come, This grace hath bro't me safe thus far, and grace wil lead me home." On the other hand, anxious messages have followed messages hearing the sad tidings concerning many of OUR comrades. As tragedy darts the horizon, and many of our brethren over-powered by illness, are forced to sit on the side-line, we must say again, "surely the hand of affliction has been heavily upon us." Yet as followers of Christ the Crucified, and brethren of the Apostle Paul, we join him in saying, "We are afflicted, in every way, but not forsaken; struck down, but not destroyed."

### Huston-Tillotson College

We never tire of expressing our deep appreciation to the President, Dr. J. J. Seabrook; Dean, Dr. John T. King; Members of the Faculty; Bishop Noah W. Moore, Jr., and Trustees of Huston-Tillotson College, for the fine job being done. The college continues to suffer from grave growing pains, yet one need only to pay one visit to the college to discover that those growing pains are being cured; yes, additions and expansions to both girls and boys dormitories are now being made—yes to be sure there is a college down in Austin.

### The Austin-Victoria District

#### T. R. Watkins, District Superintendent

"The Austin-Victoria District has had an excellent year." In making this statement, we do not intend to imply satisfaction on our part. To the contrary, we are keenly aware that all quotas have not been raised in full; nor, have all goals been attained; although strenuous efforts have been made to do the complete task. Until this very desirable situation is obtained, we shall not be satisfied. However, in light of the notable progress made by a majority of the pastors and charges of the district in practically all areas of endeavour, we feel justified in terming this conference year, "an excellent year for the Austin-Victoria District."

The morale of the pastors, district officers, and laymen of the district is at a high point. Their dedication to the total program of Methodism is heartening and highly commendable. With such a fine spirit of loyalty and dedication prevailing, the Austin-Victoria District can be counted upon to do an increasingly better job for Christ and His Church.

### Illness and Death

The district has not escaped the ravages of two of man's most common enemies, illness and death. We are thankful, however, that in both categories, the statistics are comparatively low. The Reverends S. G. Pharms, Marshall Majors, and T. J. D. Simms, have been handicapped in their work because

of illness. Other pastors of the district have been hampered by illness, but not to the extent that their work suffered. Death claims Mrs. Mattie Goode, wife of Rev. J. W. Goode. Surely, we share his deep sorrow, and fervently pray for a complete restoration of health to our pastors who are ill.

#### **Promotion and Cultivation**

The program of the General Church has been vigorously promoted in the charges of the district. In many of the churches, **paper organizations** have become "flesh and blood," and are moving. The educational work of the church is being carried on in a fine way by the organizations charged with this responsibility. The district Woman's Society of Christian Service and Wesleyan Service Guild, under leadership of Miss L. B. Wilson and Miss Dora Smith, respectively, continue to function effectively. The same is true of the societies and guilds on the local church level.

#### **Numerical Growth**

Statistical reports of the pastors reveal increases in membership, especially in churches located in cities and larger towns. We have given considerable time and attention to churches in small towns and rural communities, with revitalization as a goal. We have had an appreciable measure of success in this effort.

#### **New Church Edifice**

Hearty congratulations to Rev. J. L. Houston and the good people of Jackson Chapel Methodist Church, San Marcos, Texas, for having given to the city of San Marcos, the Austin-Victoria District, the West Texas Conference, and to Methodism, **a brand new church building**. The building, erected at a cost of approximately \$12,000, is beautiful, modern and completely adequate for the needs of the congregation for a long time to come. One simply must see it, to fully appreciate what has happened in San Marcos for Methodism.

#### **District Parsonage**

The remodeling of the district parsonage has been one of the outstanding accomplishments of the year on the district. At the beginning of the conference year, the parsonage was small, run-down, and altogether inadequate. Through the untiring efforts and expert supervision of the district board of trustees, the Austin-Victoria District Parsonage is now a modern, beautiful, well appointed, very livable home, with bricked front, three bed rooms, two complete baths, larger living room - dining area, convenient halls, and adequate storage space. To the board of trustees: Rev. P. L. Woods, Dr. John T. King, Attorney Virgil Lott, Mr. Lloyd Stafford, Rev. Zan W. Holmes, Sr., Rev. J. D. Mooring, and Rev. Taylor Stewart; and to the district parsonage committee: Mrs. Clara Johnson, Miss Lillie B. Wilson, Mrs. Ruthie B. Henderson, Mrs. M. A. Bailey, and Mrs. Alberta Richardson; THANK YOU for a job - WELL DONE.

#### **General Improvements and Accomplishments**

Space allotted for this report is far too limited for me to give a detailed account of all improvements and noteworthy accomplishments of the pastors and their charges this year. The year's work of a majority of them might well be summed up by paraphrasing the last line of Longfellow's, The Village Blacksmith: "something attempted, something done, has earned . . . **a firm well done**." A brief account of a few of the "somethings attempted, something done", follows: P. L. Woods and Wesley, Austin: for the fourth consecutive year, paid all benevolence **quotas** in full; erected imposing outside bulletin, all indebtedness current, added members, exerted influence for good on the spiritual, civic, and social life of Austin. Wm. Ellison, Jr., and Simpson, Austin: effected "a new look" organization-wise; added new members, re-activated inactive members, erected outside bulletin, youth organization (second to none) a good job financially. M. C. Stone and St. Peters: All departments fully organized and working; added new members, paid off burdensome debts, revitalized spiritual life of the church, commendable job in area of finance.

J. D. Mooring and St. Mark, Lockhart: This most efficient pastor-administrator and his loyal congregation have, as was expected, done another magnificent job in every phase of the work of the church. Elmo Watson and La Grange Parish: An exceptionally good year; general improvements

made at every point of the parish, and an excellent report financially. Zan W. Holmes, Sr., and Webster Chapel, Victoria: Paid off indebtedness on pews, installed new organ, financial report fair. E. J. Tanner and Edna-Morales: Usual good job in every respect. C. J. Polk and Luling-Union Hill, H. T. Franks and El Campo Parish, Marshall Majors and Port Lavaca-Placedo, T. J. D. Simms and Goliad Parish, C. Finley and Sublime, S. D. Miller and Schulenburg Parish, E. M. Cooper and Dale-Smithville, Harold Ashurst and Altair Ct., J. T. Thomas and Martindale, Taylor Stewart and Oakland Ct., Edward Clark and Yoakum-Shiner, Charles W. Smith and Cuero-Yorktown: "something attempted, something done", has earned a "firm well done."

#### **Huston-Tillotson College and President J. J. Seabrook**

This report would be incomplete without a word concerning Huston-Tillotson College and President Seabrook. The Austin-Victoria District is proud indeed, that our beloved college is located within the bounds of our district. We are thrilled as we note its continuing growth and progress, and are deeply appreciative of the dignified and judicious manner in which President Seabrook administers its affairs. President Seabrook has given unstinted support to the district program of the church, notwithstanding the exceedingly heavy responsibilities placed upon him as President of a college. He has graciously provided free office space for the district superintendent on the campus of the college. Thank you, Mr. President.

#### **Bishop Noah W. Moore, Jr.**

Finally, to Bishop Noah W. Moore, Jr.: Thank you, for having given me the opportunity and high privilege of serving our great Church as district superintendent. The experience has greatly enriched my humble ministry, and your expressed confidence in me has inspired me to greater effort for Christ and His Church. I can only hope that my ministry has been in a small measure, at least, acceptable.

#### **Dallas District**

##### **T. M. Bruton, District Superintendent**

God's blessings have been in evidence upon us during the year. We have for the most part enjoyed good health. Brother Earl Goins, our pastor at Carver Heights (Dallas) became seriously ill and passed away during the first of the year. His widow was so loved by the little mission that they were happy to carry on under her guidance. Brother Foy, our pastor at the Trinity Church also in Dallas, Texas has had a long stretch of illness but he is much improved, and the work has moved on under his guidance, even at times from his sick room.

We have to the best of our ability looked after all matters concerning the church, both local and general. New members have been added to all of the churches except two (2), some have added as many as 200 or more. Brother Hodge, our pastor at Morningside (Ft. Worth), has had great success in adding members. Highland Hills, and Crest-Moore, both new Churches in (Dallas) have had fine growth. Each of these new projects have not only had additions to their memberships, but have been able to meet their obligations both with the General Board, and Conference-wise. Hamilton Park, under the dynamic leadership of Brother Holmes, has had one of its greatest years. During the year Brother Holmes has led his people in the building of one of our most modern Educational buildings. Here at Hamilton Park, we find both pastor and people happily working together. This church has in six years grown from a membership of 45, to more than 700 at this time. We are happy when we note that most of the churches in the Dallas District have had growth. The Dallas District has gained more than 1200 members during the six (6) years of my tenure. For this, I am grateful to all pastors who have served with us during these six years as district superintendent of the Dallas District.

During the six years we have with the help of the pastors and their good members been able to build, re-build, and buy out-right eleven (11) churches and educational buildings on the Dallas District. We have organized four new congregations with total membership of eight hundred (800) and each of these new churches is growing in membership each week. The churches on the Dallas District have been led on by such men as: J. L. Wattley, George Brewer, Saul A. White, C. W. Anderson, A. D. Minor, T. R. Lyons, B. T.

Adams, A. N. Johnson, Zan W. Holmes, Earl E. Allen, J. R. Carruthers, Marshall E. Hodge, J. B. Phoenix, L. L. Haynes, Glover Thomas, W. A. Webb, S. A. Keesee, R. L. Foy, J. G. Owens, W. V. Cade and C. C. Metcalf.

The above named ministers have all given great leadership to the people to whom they were assigned. As I come to this, my last year with you, I wish it were possible for me to find words with which to thank each of you personally for the many kindnesses shown me by you and your congregations.

The work of the Woman's Society has had its best year under the leadership of Miss L. C. Dunlap. Higher Education has been steadily kept before each of the churches in the district, and the work of Christian Education has done even better, though we were forced to change secretaries in the middle of the year. Brother Elliott has done well during his short tenure and we hope for him a great future in his work.

Other Building: Under the leadership of Brother I. B. Loud, pastor of our St. Paul Church (Dallas), there has now been completed what is called the Methodist West Apartments, at a cost of nearly a million dollars. This project is sponsored exclusively by the St. Paul Methodist Church in Dallas, Texas. In Fort Worth, Texas under the leadership of Brother L. L. Haynes, we shall soon have another of the Government financed apartments. This project is being sponsored by the Saint Andrews Methodist Church (Fort Worth, Texas). This project has already been approved by the Administration, and will soon be under construction.

I could not close this report without giving a word of thanks to Bishop and Mrs. Moore for kindness shown us during the four years it has been ours to serve under their leadership. We thank them for striving always to understand us, even when we tried and failed. Thanks, Thanks, Thanks.

### **San Antonio District**

#### **Robert S. Mosby, District Superintendent**

We close our work as District Superintendent of the San Antonio District with a deep sense of gratitude and obligation for the privileges and opportunities which have been ours in this great succession. There is ever the thrill and hope in Kingdoms work. We have done what we could.

We have been constantly conscious of the necessities. The needs and demands through our conference have been, for us reminders that we must ever look on the fields because the harvest is great.

World Service, Pensions, Education, Missions, Youth Work and Demands, Church Extension, Ministerial support, Evangelism, Lay Activities, the work with our women of the Woman's Society of Christian Service and Special Askings have all received our attention and services and support.

We have given special emphasis to the work of Social Concerns. We have attempted to understand and interpret the forces in our Social Order which are causing concern and developing the trends in our revolts.

Illness has come to some of our parsonages. Rev. O. B. Coe has had a vicious siege.

I express further my sincere thanks and acknowledge my obligations to the following ministers and their families and churches for giving of themselves in unstinted service: E. D. Alexander, W. L. Andrews, W. R. Brothers, J. H. Carruthers, O. B. Coe, Antone Dykes, J. S. C. Grattan, D. H. Hansboro, L. H. Haywood, L. A. Walker, A. C. Holden, Harvey Kinchelow, E. L. Spencer, E. C. Purnell, J. B. Richardson, C. J. Houston, S. M. Franklin, M. J. Walker, Leroy Welch, and Mart Fields.

We have been eagerly striving to help in the task of Recruitment for Christian Service. In our District Meetings we have presented this cause and earnestly endeavored to find some ways and means to help in this mighty challenge.

I say goodbye with a feeling of deep contentment. Although unworthy for so great a task, I have been blessed to work, been lifted in my ministry, and encouraged in my life.

**The Waco District**  
**C. D. Owens, District Superintendent**

At the conclusion of this Annual Conference session, the Superintendent of the Waco District ends his term of office.

A sincere thanks is expressed to the Annual Conference for the opportunity to have served in this capacity. Thanks also to the Ministers and Laymen with whom he has worked for their loyalty and support.

It has been an inestimable experience in personal growth, also the growth of the District is due to the courageous effort on the part of the fine members of the Waco District.

We have kept before the District the entire program of the church, Evangelism, Mission, Education, World Services, Pensions; all have received our careful attention; in each of these, progress has been made. Planning Conference, District Conferences, Workshops, Institutes, and Seminars have been held both of interest and profitable.

The Ministers of the Waco District are: Reverends J. W. Reagor, Lonnie R. Proctor, S. W. Curtis, S. M. Cleaver, Alexander Mason, Wilber Bledsoe, H. D. Hamilton, Roy E. Stanley, G. J. Goff, R. W. Johnson, Wm. L. Shaw, Albert Nichols, I. C. Greer, Z. E. King, Mitchell Champion, George L. Johnson, D. B. Baker, Lavallo Lowe, Jr., R. H. Hamilton, W. W. Baker, and H. E. Kuykendall. These men have given fine leadership to the District; thanks for your efforts. Reverends H. D. Hamilton and Z. E. King are on the sick list; we earnestly pray for their full recovery.

The Woman's Society of Christian Service has experienced another fruitful year under the un-tiring leadership of the President, Mrs. H. B. Thomas and her loyal workers.

During our six years of serving the Waco District, we have, with the fine help of the congregations and pastors, purchased a modern and comfortable District parsonage, twelve churches have been remodeled, five new churches have been built, with the Port Sullivan Church now debt free; thanks to Rev. I. C. Greer and that fine congregation. The new Wesley Church in Waco was bought from a white congregation, and it is growing by leaps and bounds. Rev. G. J. Goff is pastor. A Multi-Family Housing Project is sponsored by the four churches and pastors in Waco; Bracks, Mt. Zion, Wesley, and St. James, known as the River Oaks Methodist Projects.

This project was built at a cost of almost a million and a half dollars. This means better living conditions for a number of families. We are happy to announce that this project is completely integrated and without incidents; the races are living together in peace.

As I come to the close of my years in this capacity, a feeling of deep appreciation steals over me, for even though unworthy for all of these things, God has blessed our feeble effort.

And now again using Paul's words to Timothy, "The last drops of our own sacrifice are falling, our time to go has come, we have fought in the good fight."

**The Western District**  
**M. A. L. Freeman, District Superintendent**

Humanity on its long journey down the ages, has tested life at every point and has reached certain well-defined conclusions, which are available for those who are setting out on life's difficult way.

The ages assure us for example, that obligation is a fact. That the word "duty" stands for something essential to the right ordering of life.

Nothing can help us feel God's care and love more swiftly than the recollection of our blessings. God has guided us through fifty thousand or more miles of dangers, toils, and snares. He has enabled us to conduct the required meetings that are to be held on a District Level by the Methodist Church.

The District Superintendent, wishes to express his deep appreciation to

the following Ministers: Charles O. Espie, E. T. Fuller, Joel R. Harris, Albert S. Pitts, Robert T. King, M. T. Reed, J. L. Preciphs, E. A. Rogers, Mrs. Alma Bailey, R. L. Palmer, J. H. Carter, and Jim Sam Loud for a job well done.

The paramount meeting of the year was the Western District Institute. We are grateful to our brave and courageous Youth, who "let His train fill the Temple". Thanks to our Dean, M. T. Reed, and the Executive Secretary, John W. Elliott, Sr., for their contribution to the Institute.

The Woman's Society of Christian Service under the dynamic leadership of Mrs. T. L. Bell, President, and her co-workers, who have been very co-operative in every phase of the district work this conference year.

#### **Building and Improvement**

Under the leadership of Rev. Charles O. Espie, our Plum Street Church and Parsonage at Abilene, Texas, have been completely renovated. This church has an increase in membership and attendance.

#### **Church Debts**

Myrtle Avenue Church, El Paso; Hollowell Church, Midland; Wesley Church, San Angelo; St. Luke Church, Levelland; debts have been reduced substantially with no delinquencies.

Our work would not have been a success without the able leadership and guidance of Bishop and Mrs. Noah W. Moore, Jr., who have emphatically placed upon the hearts and minds of the ministers that every cause or asking is of great significance. With this type of leadership the West Texas Conference will go forward.

And now the God of Peace that brought again from the dead, our Lord Jesus, that great Shepherd of the sheep through the blood of the everlasting covenant; make you perfect in every good work to do His Will, working in you that which is well pleasing in His sight, through Jesus Christ, to Whom be glory for ever and ever.

Humbly Submitted:

### REPORT NUMBER 2

#### **REPORT OF COMMISSION ON WORLD SERVICE AND FINANCE 1964 - 1965**

Bishop Clair and members of the West Texas Annual Conference: We, your Commission on World Service and Finance have made a careful study of all Benevolent and Service causes claiming the attention of our Conference and have used every precaution to see that no cause, board, or commission be neglected. We are also mindful of the present economic status of our people and their willingness to share their material possession, that the Kingdom of God may be realized in our day. We feel that our budget is reasonable and we call upon our members to support it with their whole hearts.

The members who have heeded the call of our Lord to Tithing should see that a reasonable portion of their Tithe is set aside for the Benevolence of the Church.

Members who have not yet heeded the call of our Lord to Tithing should make a liberal pledge to the Benevolences of the Church. Some are blessed of God to give \$100.00, some \$50.00, others \$25.00. Even members of small incomes can give at least the minimum asking. All of us according to our financial abilities are called upon to give to the great Benevolence Program of the Church of Jesus Christ Our Lord.

If we will heed the call of Our Lord, His Kingdom will move forward

in the earth. Let us therefore rededicate our lives to the advancement of the Kingdom of Our Lord in the earth.

Respectfully submitted, your Commission on World Service and Finance:

S. A. Keesee, Chairman  
 D. H. Hansboro  
 G. J. Goff  
 M. C. Stone, Secretary  
 Mrs. Ludie Dukes  
 John T. King  
 Rayford Wilkins  
 Atty. Clifton Davis  
 C. H. Johnson  
 W. M. Ellison, Jr.

Mr. Chairman and Members of the Conference:

Your Commission on World Service and Finance is presenting for your consideration at this time two phases of the total report.

The World Service and Annual Conference Benevolence and Administration Budget and the recommendations pertaining to Ministerial Support.

Our Budget for the 1964-1965 Conference Year represents a decrease of \$1,400.00.

Our Budget for the 1963-1964 Conference Year was \$85,800.00.

Our Budget for the 1964-1965 Conference Year is \$84,400.00.

Your Commission is recommending that if and when the part of the total report we are now presenting for your consideration is adopted, that all other features of the total report remain the same for the 1964-1965 Conference Year as they were for the 1963-1964 Conference Year.

Respectfully,

Your Commission on World Service and Finance.

REPORT NUMBER 3

**REPORT OF  
THE BOARD OF EDUCATION  
AND THE COMMISSION ON CHRISTIAN HIGHER EDUCATION  
1964 - 1965**

**Executive Secretary's Report**

**Introduction**

The current topic of discussion in Methodist circles is the inclusive church. This is not an attempt to define the inclusive church but a look to see if it has any real meaning for us. The General Conference is in session now toiling to bring an atmosphere of goodwill to Methodism as they resolve to at least talk about an inclusive church and hope for its realization by 1968.

The inclusive church, to me, seems to stand opposed to a segregated church. It defies the idea of separate but equal. With all of these things in mind and many other areas of concern it is time for us to decide the kind of conference we will have, the quality of the educational enterprises we will offer, the degree to which we can support our program financially. When we decide these things in a positive way and see hope of entertaining the idea of an inclusive church this will not be the panacea for all of our ills.

Our Conference Board of Education in its most recent meeting declared that we need a broad base upon which to operate. This is a good declaration of intents. But "intents" is not enough. This office is desirous of finding a program based on the need of our churches.

If we need a broad base upon which to operate the Conference Board and develop and support a program; we need to establish what the base is. As a member of the Board of Education for eight years it seemed that we imagined that we had a base, that we accepted a base in principle and fact or we had no base at all. Either the Board has dealt with theological issues or the cause was lost. The Board assumed that it had an administrative body in the board's structure that co-ordinated the total education program of our Conference. Apathy and lack of understanding could truly be our prevailing problem.

Our broad base need not be so broad that it is dangerously weak at any point, our broad base should not be so thick that it cannot be flexible where flexibility is needed. It ought not be so high until no one sees its

goal. It ought not be so low until it is common.

This office exists primarily to satisfy or speak to needs educational in nature as they arise. There is always room for improvement and every church must come to realize this point of view. Accordingly, every church must project a program that supports itself within the dimensions of its own capabilities. Some churches will derive benefit from enterprises on the local level. Other churches may need to encourage or support enterprises on sub-district, district or conference levels, still other churches can profit from enterprises on the Inter-Conference, Jurisdictional, Regional or General Church level. Every church has to run the risk of discovering its potential by making available to its congregation the resources that are truly yours if you request them. You are your own judge.

As we begin to project a program for next year remember that responsibility needs to be defined, that our staff is not professional but volunteer and working with limited funds, that geographical distances keep us from being self-contained. The inclusive church should not frighten us but be an incentive for every church, sub-district or district within our Conference to be responsible for developing the best possible educational program that it can imagine.

The rest of my report will be by way of review and projection for next year in each area of work.

### **Children's Work**

The new curriculum for children has been the topic of discussion in our Conference for quite sometime. The topic is still vague and meets apathy on every hand. Only five churches in our Conference have sent in the estimated needs for the new curriculum.

This change is causing undue alarm and concern. This material will be used September 6 whether we are ready or not. This is all the Methodist Literature we will have. Our Conference Director of Children's Work has been in communication with all of the district directors.

Many of our churches had Vacation Church Schools. There were more schools than we received reports for I am sure.

### **Projection**

The Waco District is making plans for a District Workshop in the New Curriculum. Every District should move forward with great anticipation. There is a need for a city with more than one church to plan its own Workshop. In turn, it could furnish leadership in a Sub-district or district workshop.

In early summer plans will be made for our Vacation Church School Coaching Conference. This could be done at Gulfside as plans are made to show churches how to promote and establish Children's Work Councils in each local church.

Those churches desiring help should look to the Conference Director of Children's Work, their district director, this office or their Commission on Education. Unlimited resources will be shared at Gulfside. Every church that desires can send a representative to the class on Methodist Literature for Children. A limited number of people from our Conference can go to the Jurisdictional Leadership School at Mt. Sequoyah. One from each district can go to the Laboratory School on the New Curriculum in Ft. Worth this summer.

### **Youth Work**

The Youth of our Conference engaged in several activities. The five districts had their own institutes. The Western District is still sharing in a leadership enterprise that is interdenominational in nature. This has been a successful activity for several years.

Our Youth attended the Tri-Conference Officers Training School. 23 were in attendance of a total enrollment of 160 persons.

The Regional at Mt. Sequoyah was still the most arousing activity. Our youth usually showed signs of apathy when they returned home. But this year they are still enthusiastic about the potential and dynamic motivations projected at the Regional. Our youth are still in search of that something that they got a glimpse of in the Regional.

Some few of our youth play prominent roles in the United Christian

Youth Movement which meets in Brownwood each year. Eddie Edmons, our Conference Youth President, is Vice-President of the United Christian Youth Movement, which is now the Texas Ecumenical Youth Movement.

Eddie Edmons was in attendance at the National Conference of Methodist Youth, held annually for Presidents or a duly appointed representative. He was appointed a youth member of the General Board of Education.

### **Projection**

**District Institutes:** Every district is planning a district institute. Beginning next year the General Board of Education will train a team from each district if the districts approve. This is a three stage training program. The Themes: **The Great Belonging, Confronted with Life (New); The Meaning of Discipleship.**

Your response to this idea will be appreciated.

**Tri-Conference Leadership School:** It is anticipated that our largest delegation ever will go to the Officers Leadership School. It has proven itself worthy of our support.

### **Area Youth Convocation**

Our Area Youth Convocation will be held at Dillard University in New Orleans. Date: August 4-8. The Theme is **One Witness in One World.**

### **National Conference of M.Y.F.**

This meeting will be held at Purdue University in West LaFayette, Indiana. Date: July 23-27. Our present youth president will attend but not as our representative. We must have a representative.

### **National Convocation of Methodist Youth**

July 27-21 the National Convocation of Methodist Youth will meet at Purdue University in West LaFayette, Indiana. Our quota is eight youth and two adults. The deadline is already past but someone must represent us.

### **The M.Y.F. Regional**

August 14-21 is the date of the Regional. A team of youth and adults will represent our Conference at the Regional. Our Conference Program for beyond the local church will be projected.

All persons who have ever attended the Regional are being sought to help us promote a program for the M.Y.F. in our Conference.

### **The Texas Ecumenical Youth Movement**

The Texas Ecumenical Youth Movement, formerly the United Christian Youth Movement, belongs to the Texas Council of Churches. They will still hold their annual meeting in Brownwood.

Our youth have been moving along in the right direction. The Youth Movement lacks one thing, stability. Our youth grow up so fast until they are gone when we are ready for them. We are requesting that those young people who went to the Regional, National Conference of the M.Y.F. or National Convocation, Area Convocation a few years ago lend their support to the Youth Program as youth or in a leadership role as young adults. We need what you have to offer. Your experiences are invaluable as we try to do youth work. Therefore every charge must have a **Youth Activities Week.** Youth Activities could be in August or January.

This year Junior-High work will be projected. **Christian Adventure Week** and **Christian Adventure Camps** will be attempted.

### **Adult Work**

The structure for adult work in our Conference needs to be studied. Adult Work seems to be one broad category when in reality it could be divided in young, middle and older adult work. There are other categories or classifications the Conference Committee on Adult Work will give this area of work much consideration.

### **Projection**

In addition to the Tri-Conference Young Adult Assembly held with the Rio Grande and Southwest Texas Conferences we need to think seriously about an assembly or a convocation or workshop of our own. We must

think through a program for ourselves and project it.

These are the critical years when young adults, especially, feel like the church has forsaken them as they strive to raise families, buy homes and work hard to keep things running smoothly and maintain a sense of purpose and security. Too often this is done without a real awareness that the church has a ministry for them in their early marital life. Some of these needs can be met through the Children's Division of the Church School-Nursery, Home Visitor, Nursery and Kindergarten Programs. Family night at Church is a possibility.

### General Church School Work

The General Board of Education in its most recent meeting in Dallas, January, 1964 reported that our church schools are decreasing in membership. There is no single factor which accounts for this fact. However, one thing can be pointed out, local churches are losing their touch in winning pupils and keeping them in Church School.

In spite of the fact that most of our churches use Methodist literature our problems will be magnified this year as we begin to use the new literature for children.

September 6, 1964 will mark a new era in the Children's Division of our Church Schools. Each church must organize a Children's Work Council, get counseling teachers, define the responsibilities of the superintendents, lead teachers and counseling teachers. There is the need to become familiar with the names of the books in the New Curriculum.

These are the listing of the books:

- Christian Home - Monthly - \$.60 per Quarter
- Expectant Parents - Into Parenthood - \$1.00
- Nursery Home Visitor - The Methodist Teacher - \$1.00
- Nursery Infants and Nursery Toddlers - (More than four years before the first grade)

Every parent needs to subscribe to the Christian Home. Every child should have a Methodist Class Teaching Packet for individual use in particular classes.

The Commission on Education should provide teachers with:

**Workers With Elementary Boys and Girls**

**The Counseling Teacher and Christian Education of Children**

The Conference Staff, Children's Directors of each district and additional people will be projecting a program by September 6, 1964. They would have attended meetings in Gulfside, Mt. Sequoyah and Ft. Worth. These enterprises will be giving specific help with the new materials. Mt. Sequoyah offers a limited training experience to six people. The laboratory school in Ft. Worth will help ten people. Gulfside will accommodate as many as will go to the leadership school.

There will also be a Projected Activity for Divisional Superintendents and Church School Administrators.

### **Leadership Education**

The responsibility for leadership education belongs to the Conference Board of Education, the District Board of Education, the District Board of Education or the Commission on Education in the local church. In some areas of work Mt. Sequoyah has opened up, Educational Assistants, Directors or Ministers of Education, Directors or Ministers of Music, Evangelism, Christian Social Concerns, Children's Work, Youth Work, Adult Work, General Church School Work.

Our own leadership school offers some of these courses and other activities are offered under separate schedules and dates.

There are interconference projects for several years: a **Christian Workers School** has been held at Perkins School of Theology at S.M.U. It is planned for next year. The Nashville-Birmingham and New Orleans Area Leadership School is an inter-conference program sponsored jointly with the General Board of Education. Our Vacation Church School Coaching Conference is sponsored by our Conference and the Texas Conference.

### **Church Music**

There are five certified directors of Music in our Conference. Wesley, Austin, has two - Mr. Nathaniel Williams and Mrs. Marcet Hines King; St. Paul, San Antonio, has one - Mr. T. Lloyd Hines; St. James, Waco, has one, Mr. Dillard Warner; Hamilton Park, Dallas, has one, Mrs. Thelma Sparks.

It is desired that as many of our churches will get as many of its qualified people certified as quickly as possible by next Annual Conference

All of the musicians in our churches need to attend Music Institutes at Gulfside and Mt. Sequoyah. There should be District Workshops. They should have good periodicals made available to them, such as Music Ministry.

Two of our outstanding Music Workshops will be held:

July 6-11, 1964 - Mt. Sequoyah

August 3-8, 1964 - Gulfside

### **Rally Day**

OUR RALLY DAY GOAL IS \$1600. This is a minimum. When you see the proposed budget you will realize that a little money must go a long way. The people from your church will benefit from this as conference officers or a person representing our Conference in a special way. This office and the District Superintendents will make the goal for each church known by Planning Conference Time.

### **The Informer**

This is the title of our Newsletter. It will keep you informed of the dates, places, and time of all events pertaining to the work in our educational endeavors. It will keep you informed about the changes in curriculum. It will keep you in touch with all Conference or District Activities sponsored by the Board of Education.

**Report on Christian Higher Education**

To: Bishop Clair and Members of the 90th Session of The West Texas Annual Conference, The Methodist Church.

**Education for a Changing World**

(Facing the Unknown)

"The change that has swept the world in our century has altered the lives of nearly every person in it, or will soon do so. Unfortunately, it has not yet produced anywhere in corresponding magnitude the necessary adaptation in education. There has come into being a fateful lag between the circumstances of life in which men and women must live and their inner preparation to do so wisely and effectively."

"The most painful consequences of that lag may be in store for the United States, whose 190,000,000 people have been thrust by events into the vortex of world affairs. So great are the changes in perspective and the increases in knowledge required of us, that new approaches to learning are essential at every level from the elementary school to the continuing education of adults."

We should regard an intelligent understanding of our changing world as the basic ingredients of education today. We should understand that the dissemination of knowledge is not the whole business of education. More elusive elements must be included. The nature of the knowledge to be disseminated is qualified by the condition, "useful in the good life and in the maintenance and improvement of American Society." Both ethics and

the nature of American civilization are drawn into immediate and inescapable consideration. Knowledge alone does not present imperatives of conduct; nor kindle aspiration for the good life; nor necessarily exemplify it. Ethics is not a side issue with education but is a central concern - a concern that gives direction to the spread of knowledge. "The selection of knowledge to be disseminated and emphasis placed on courses of study are ethical choices, not categorical commands arising solely out of knowledge or out of studies hitherto pursued."

It has been said by many that the functions of educational institutions are not fully described by summary of programs, curricula, and methods. No written or spoken words do, or can, completely convey the real meaning of education as the day-to-day living force that it is in fact and may be—in the transactions of the classroom, in the relations of faculty and students, in the associations of student and student and in the experiences of the library and gymnasium. In the classroom, the auditorium, laboratory, and gymnasium, are in constant operation moral and cultural forces just as indispensable to civilization as knowledge or any material elements.

In classrooms, day by day, thousands of teachers come into contact with students of all sorts and conditions, religious and cultural backgrounds. From homes of every kind—those broken by disputes of parents, wracked by the uncertainties and distresses of poverty and unemployment, as well as those supplied by the means of material well-being. From homes poor in spirit, devoid of art, without books, without interest in things above the routine of living and the babble of gossip, thin in culture, beset by distempers of mind, no less than from homes which represent the best in American life. Thus, the institution is challenged with the responsibility of providing the inspiration and information necessary for success in this changing world.

The era which is upon us has been in a developmental process for some years. Each generation has been faced with demands and has had to meet the challenges wrought upon it. Each generation has had to prepare for the opportunities available to it and has expanded the sphere of these opportunities for the next generation so that its young people could peer just a bit farther into the unknown. The educative process has, of necessity, been modified to meet the needs and demands of the times. These modifications have helped students become aware of the revolutionary scale of the changes wrought in the world. Students must have a feeling for history and a capacity to project present trends into the future. They must know how to use historical knowledge to test their projections.

Students must also be made aware of the continuous interaction among peoples, cultures and communities of which he is a part. "When he understands the dynamics of interaction, history will become more meaningful, and he will gain new insight into how his world came into being."

Recent events in the world and especially in America have had an effect, not only on history, but on higher education as well. The "March on Washington in August, 1963," the Civil Rights Issue in the Congress, the President's War on Poverty, the involvement of young people in community affairs, the "bumper crop" of war babies now in college and the increase in international students—all of these have an impact upon present history and will surely bring about changes which will affect higher education in the ensuing years.

In order to prepare adequately for the many changes which are taking place and will take place in higher education, colleges and universities are enhancing curricula offerings, strengthening teaching faculties and staffs, improving student services, increasing and improving physical facilities. Huston-Tillotson College is moving to keep pace with the changing times. With its 586 students, many of whom are from states other than Texas and some of whom are from other countries—Uganda, Southern Rhodesia, Kenya, Nigeria, Saudi Arabia, and with a teaching faculty of 40 well qualified persons, the College is a part of the "tomorrow minded" group of institutions. The campus, buzzing with bull-dozers, trucks, and construction workers, is rapidly assuming a new look, for the dormitory complex for young women and the one for young men, each adds positively to the campus scene. Other buildings are in the offing for the College continues to solicit funds for a chapel and will consider plans for a Classroom-Administration Building soon. Unfortunately, these plans require money for buildings and continuous, annual support. The General Conference, at its 1964 Session, endorsed the continuance of the \$1.00 for colleges and universities and \$.50 for Wesley

Foundations, or **\$1.50 per member** annually as a goal for Higher Education. It is most vital that the West Texas Annual Conference continue to move toward a realization of this goal. As we begin our new Quadrennium, let us join hands and hearts in promoting the Cause for Christ and His Church in all that we do. To this end, Huston-Tillotson College, its Administration, Faculty and Staff, and Students pledge our enthusiastic support and complete cooperation.

The Commission and the College express gratitude to Bishop Noah W. Moore, Jr., our Resident Bishop, the five District Superintendents, the other ministers, and the laymen of our Conference for their great concern, understanding, and support of our work in Christian Higher Education. Through our combined efforts our College and Wesley Foundations will continue to grow and be productive. We solicit your continued support and your prayers.

#### REPORT NUMBER 4

### **FINANCIAL STATEMENT AND REPORT BY CERTIFIED PUBLIC ACCOUNTANTS July 1, 1964**

Reverend S. A. Keesee, Chairman  
Conference Commission on World Service and Finance  
The West Texas Conference of  
The Methodist Church  
2804 Prospect Street  
Fort Worth, Texas

Dear Reverend Keesee:

We have examined the books and records of The West Texas Conference of The Methodist Church for the period of July 15, 1963 through July 1, 1964. In connection therewith, we have examined recorded cash receipts, bank statements, cancelled checks and such other records that we considered necessary in the circumstances. We submit herewith our report.

In our opinion, the attached statements correctly reflect the recorded cash receipts and disbursements of the West Texas Conference for the period of July 16, 1963 through July 1, 1964 and the cash position at July 1, 1964, in conformity with generally accepted accounting principles.

#### **Accountant's Comments**

We were able to account for all transactions during this audit with a minor exception as indicated. This marked improvement in control over last year is mainly due to the efforts of Mrs. J. Garfield Owens.

The accounting and auditing problems inherent with your organization are not simple. There is a multiplicity of transactions generated each year involving a significant amount of money.

It is difficult for one not directly involved to realize what a great burden of responsibility that Mrs. Owens is taking in properly handling the day-to-day financial transactions of your conference. This is an area of responsibility that can easily be taken for granted.

We are obligated to inform you that if Mrs. Owens should be unexpectedly removed from the picture by sickness or otherwise, we are of the opinion that her absence could result in some serious and costly circumstances unless a substitute of equal calibre was immediately available.

Financial responsibility must be recognized as a major criterion for public judgement of any organization. The accounting records that you now have will insure your position in this respect. There is room for improvement, but we feel that the progress being demonstrated now will lead to very satisfying results in the future.

## REPORT NUMBER 5

**REPORT OF THE BOARD OF PENSIONS**

by T. B. Echols

**\$35 Minimum Pension Rate**

The General Conference in its 1964 quadrennial session established a Temporary General Aid Fund for the purpose of giving assistance where needed so that the minimum of \$35 annuity rate may be achieved by annual conference throughout the Church.

An Annual Conference shall be eligible for assistance from the Temporary General Aid Fund for minimum pension purposes if the annuity rate during 1964-1965 Conference year was less than \$35; provided, however, that the support from the Fund will be supplied for pension purposes only to the extent that such Conference provides its portion of the additional pension cost as outlined in the following schedule:

1. Period of distribution June 1, 1965 through May 31, 1967. The fund will provide a matching amount at the ratio of \$3.00 for each \$1.00 of the additional annual cost incurred in an eligible Annual Conference to increase the annuity rate from the 1964-1965 rate up to \$35.00.

2. The fund will continue to provide a percentage of the support given during the first period of distribution as follows:

- a. 2nd. Period of distribution—June, 1967 through May 31, 1969—80%.
- b. 3rd. Period of distribution—June 1, 1969 through May 31, 1971—60%.
- c. 4th. Period of distribution—June 1, 1971 through May 31, 1973—40%.
- d. 5th. Period of distribution—June 1, 1973 through May, 1975—20%.

3. The fund will discontinue its support of the program for pension purpose on May 31, 1975.

**\$3,000.00 Minimum Salary**

The Temporary General Aid Fund is also to assist in lifting the cash salaries of Conference members and approved supply pastors serving a pastoral charge full time to a minimum of \$3,000 annually, for those whose salaries are less than \$3,000; provided, however, that the support from the fund will be granted for minimum cash salary purposes—ONLY IF SUCH CONFERENCE MAINTAINS A MINIMUM CASH SALARY FUND AND TO THE EXTENT THAT IT PROVIDES ITS PORTION OF THE TOTAL ADDITIONAL COST AS FOLLOWS:

Beginning in the Conference year 1965-1966, the fund will provide a matching amount at the ratio of \$3 for each \$1 of the additional annual cost incurred in an eligible Annual Conference to increase the minimum salary level from the amount paid during the 1964-1965 Conference year up to \$3,000.

REPORT NUMBER 6

**REPORT OF THE BOARD OF EVANGELISM**

From the beginning the Christian community has felt an irresistible compulsion to publish its message to all mankind, under the conviction that this message was not of the Church's own devising: the church was created by the living Word uttered through it. Created so, the Christian community has a divine commission to be only and purely the humble servant of the Word, declaring unto the ends of the earth and until the end of time the

good news concerning the kingdom of God.

Wherever the church is authentically Christian the conviction yet lives that its sole reason for existence is to preach the gospel of the kingdom of Christ. The commission is there held to be still in force, the commission to "evangelize the world." But great are the difficulties in holding this conviction purely and firmly, and the difficulties multiply daily. Each day sees the task grown more complex, and the dangers grow with the complexities. Our world seems more deeply and systematically immunized against the gospel than ever before.

Yet as Christians we cannot let go of the evangelical commission. As people of this time we cannot hope to face and to fulfill its demands unless we grasp anew that actuality upon which our Christian existence is established and which constitutes the inner life of the church.

We would face up to the demands of the evangelical commission. Therefore, ministering to our time, we must reflect in all seriousness upon the fundamentals of christian existence. And this reflection must occur in the working and praying world.

We offer the following recommendations:

1. World-wide Methodism will observe Sunday, May 24 as Wesley Day. Let every Church of the West Texas Conference plan to share this observance. This day is also Ministry Sunday; and commemo-Aldersgate experience of John Wesley.
2. That small groups, for prayer study and witnessing be established in our churches as a means for greater evangelistic expression.
3. That the Conference Board of Evangelism cooperate with the Conference Board of Missions and other agencies in establishing new Congregations.
4. That the churches make greater use of Methodist evangelism materials such as the Upper-Room.
5. That workshops on Evangelism be held on the district and sub-district level.

## REPORT NUMBER 7

### REPORT OF THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Bishop Clair, District Superintendents, Ministers and Laymen:

The women of the West Texas Conference Woman's Society of Christian Service and Wesleyan Service Guild extend sincere greetings and warm welcome. It is indeed a challenge and a privilege to be chosen to share an account of our stewardship as we come to the close of the quadrennium. This report symbolizes the loyal cooperation of our conference officers, secretaries, District Presidents, District Superintendents, Ministers and members of the Conference Society and Guild. As we paused to look backward at our accomplishments, we recognize our many weaknesses and the challenge of this hour. Communication continues to be retarded in some areas, because of slow interpretation of technical terms, interrelationships and failure to report. The age old problem of insufficient finances to cultivate our vast geographical boundaries continues to plague us also.

The 1960 General Conference chose the General Church theme of "Jesus Christ is Lord", with the Board of Missions adopting "Our Mission Today", as the quadrennium emphasis. Hence the Woman's Societies and Wesleyan Service Guilds were challenged by the Board of Missions to wear a "big hat", of many features and feathers, promotion of the four emphases: The Faith That Compels Us, Factors That Comfort Us, The Frontiers That Call Us, The Program That Unites us in Witness and Service. Adorned with the feathers of the emphases and the symbol of the cross, the Woman's Division added another feather to the "big hat", by choosing "The Word in our Midst", for the 1960-'61 theme. The inspirational theme reflected "The Word

of God" has been spoken, but the Word has to be heard. May we draw apart in our busy lives and hear. Then may we even as we plan and present these programs, be channels through whom God may speak to others. Maybe through you, and through others inspired by you, He will speak to someone who will listen and who, hearing also the cries of a needy world, will answer, "Here am I, Lord; send me." "How we need workers at home and overseas to speak to people everywhere and to tell them that they are beloved children of God. Pray that the Word will be heard! Thus we were comforted with dedicating ourselves to fulfilling the task committed unto Methodist Women around the world to let the spirit of Christ radiate from our hearts as we are alerted to the many areas of darkness and need yet to be found in "Our Mission Today." "1960" yes, This is the year That Was," The Women's Society and Wesleyan Service Guild celebrated twenty years of united endeavor. Twenty years of such phenomenal growth in the membership program and finance, that is coveted throughout Methodism. The Woman's Division added another feather to our "big hat" with the choice of the 1961-'62 Program theme. "The Household of God": This challenging theme admonished Methodist women thusly: "Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; and are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief cornerstone; in whom all the building fitly framed together for an habitation of God through the Spirit. Ephesians 2:19-22.

Many Frontiers called us, as we cooperated with our total connectional Church program. We faced the realization that the church is confronted with its greatest challenge in history. Methodist Women are being chosen to lead in many areas because we are responsible for the work of the Woman's Division through our organization of the Woman's Society of Christian Service and Wesleyan Service Guild on all levels. We recognize the fact that we must submit ourselves to a thorough understanding, interpretation, and execution of our Christian Witness. We must evaluate our program constantly as we are called upon to recognize where we came from and where we are going without hesitation as well as what we are now doing. Christian friends, it behooves all of us to take a long look at "ourselves", beginning with programs of "Spiritual rededication, education, social action, including all areas where the Methodist Church is at work at home and abroad. The day for complacency is over. "Our Mission Today" is to make Him known to all nations as we combat Secularism, Resurgence of non-Christian Religions, Barriers of Race and Culture, Urbanization and Nationalism.

Methodist Women added another feather to the "Big Hat" in 1962-'63 with the program theme: "Called, Confronted, and Compelled." The exciting programs relate the quadrennial emphases of the Board of Missions. Factors That Confront Us (another feather for the big hat) reflect: Rapid Social Change, New Patterns of Family Life, Population Explosions, International Tensions, changing Trends of Missions. The very nature and validity of the Missionary enterprises of the Methodist Church requires thinking. Our Christianity is challenged daily at home and abroad, as our faith is questioned. This is indeed an opportune time for us to evaluate our beliefs as well as our purpose, and look at ourselves objectively as well as our world today. Our Mission Today is to make our Witness relevant to the emerging needs of the world in which we live, as we share in God's Mission to His people.

Methodist Women are Called, Confronted, and Compelled to continue to project these major emphases as we promote the total program of the Methodist Church. Someone has well said that the Woman-power of our great church is its lifeline. Within the structure of the Board of Missions, the Woman's Division of Christian Service promotes a challenging program around the world. Herein lies the most unique organization in the world, the Woman's Society of Christian Service and the Wesleyan Service Guild.

The last feather to add to our "big hat" the Program That Unites us in Witness and Service, the last part of the quadrennial Emphases as well as a follow-up of the 1963 summer School theme "Called to Serve".

Service is our primary reason for being an organization. This is evident in our very name. Woman's Society of Christian Service and Wesleyan Service Guild.

September 1964 will culminate twenty-five years of Methodist Women "Witnessing through Service", with historical records reflecting accomp-

ishments that are almost fantastic. Methodist Women have answered the challenging question "Where Shall We Witness?" as recorded in His Word, "You shall be My Witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth" (Acts 1:8 RSV). We shall begin our twenty-fifth anniversary celebrations. As we plan for this silver jubilee, let us be reminded of our rich heritage, as we proudly look at our accomplishments, and plan for greater Witness Through Service in the future.

The Woman's Society of Christian Service and Wesleyan Service Guild is a great organization in size and in accomplishment; although size does not always mean greatness, bigness is imposing, greatness is enduring. May our bigness mean more chances to be great.

The map of the world shows us at work in thirty-two countries. We have large investments in the physical realms of brick and mortar, but much greater investments in the people who move through the buildings. Our working force is not big enough but when we catch glimpses of our Missionaries and Deaconesses you know that their lives are multiplied. To paraphrase the late President Kennedy's famous statement "Ask not what the church can do for you, but what can I do for my church?" The Woman's Society of Christian Service and Guild offers great opportunities to women of all ages for Christian citizenship, international understanding, broadening of intellectual horizons, and a means of deepening our spiritual life. The Composite reports of the District presidents reflect increases in attendance at all meetings, pledges to Missions, Literature sales, and special askings.

Conference Highlights of significance for the Quadrennium are as follows: Pledge to Missions increased \$500.00. The sum of \$350.00 was awarded annually to five (5) girls who attend Huston-Tillotson College, a total of \$1400.00 for this quadrennium. The sum of \$954.00 was given to Huston-Tillotson College for the purchase of chairs for the girl's dormitory. Approximately 70 Special Memberships awarded. Miss Dorothy Barnette, a Field Worker of the Woman's Division itinerated our Conference twice. Mrs. L. H. Fields, Jurisdiction President was our inspirational quest at an annual meeting.

Conference delegates were present at all Jurisdiction meeting, the Sixth Assembly, National Seminar, and all other meetings of the Woman's Division as well as the General Church. The Charter on Racial Policies was ratified at our 1963 Annual Meeting. The Conference School of Missions has been a stellar attraction to many women and youth, as well as fraternal delegates across the jurisdictional lines. The interracial faculty and conference Officers have shared in maintaining an accredited School of quality and high standards, as well as experiencing a grand fellowship.

The Reverends L. L. Haynes, Sr., J. H. Carruthers, Prenza Woods, Lavalle Lowe, John Preciphs served graciously as faculty members, with full cooperation from Rev. W. J. Washington, Executive Secretary. The Youth School is a unique feature. Two of these youth have pledged themselves to "Full time Christian Service", one has obtained Local Preacher's license and serves his church as assistant to the pastor, although he is a Senior High School Student.

All Special Days have been observed including the 25th Anniversary on local and district levels. Official, participating membership in United Councils of Church Women is notable. Literature sales increased, with our Conference listed in the top six in sales for 1963, of Methodist Woman and World Outlook, in the special drive. 426 subscriptions to the Methodist Woman, 279 Combination, 26 World Outlook. \$1,003.30 total. Most of the Methodist Churches throughout the world are linked together in the World Methodist Council. The functions of this Council "Are fraternal and cooperative in nature, designed to draw the numerous branches of the Wesleyan Movement closer together in fellowship and devotion to their mutual heritage, and to promote among them evangelistic, educational, historical and other cooperative movements. The Council exercises no legislative power and exerts no control over any Methodist body. Thus we have a world wide Methodist fellowship although in many ways we are such a fragmented body. Wesley would be glad for any signs of increased understanding among his followers, for he heartily disliked anything that separated him from other Christians. He felt himself a brother to all true believers. "If you live and serve God, it is enough," he said; "I give you the right hand of fellowship. If we are to

become one in spirit with all Christians, then surely we should start in our own denomination.

As we approach the close of quadrennium 1960-64, we doff our "big hat" as we peek into a new quadrennium 1964-68. We don a small hat as the new theme is really a question mark, yet the 1964-65 Program theme "Summoned to a New Age" has been chosen by the Woman's Division. Newness and Change have become a part of our everyday lives. Drastic changes are taking place in church, in home and in society as a whole. A New Age is upon us. Christian women are summoned to take a creative part in the New Age; summoned to develop within themselves the spiritual resources for the living of these days; and summoned to evaluate their "Witness and Service" in these times.

Angela Morgan writes: To be alive in such an age! with every year a lightening page Turned in the world's great wonder-book Where on the learning nations look Where men speak strong for brotherhood For peace and universal good; when miracles are everywhere and every inch of common air Throbs a tremendous prophecy Of greater marvels yet to be Oh, Thrilling Age! When steel and stone and rail and rod Welcome the utterance of God A trump to shout his wonder through Proclaiming all that men can do. To be alive in such an age! To live in it! To give in it! Rise, soul, from thy despairing knees, What if thy lips have drunk the lees? The passion of a larger claim Will put thy puny grief to shame. Fling forth thy sorrow to the wind And link thy hope with human mankind; Breathe the world thought, do the world deed, Think highly of thy brother's need. Give thanks with all thy flaming heart, Crave but to have in it a part—Give thanks and clasp thy heritage—To be alive in such an age."

The Women's Division adopted January 18, 1964 "New Purpose for A New Age Approved by the 1964 General Conference. The new purpose of the Woman's Society of Christian Service unites the Society and Wesleyan Service Guild into one purpose.

The purpose of the Woman's Society of Christian Service and Wesleyan Service Guild shall be to help women grow in the knowledge and experience of God as revealed in Jesus Christ and to challenge them to respond to God's redemptive purpose in the world.

Toward realization of this purpose the Woman's Society and Guild shall provide opportunities and resources which will help women grow in understanding and spiritual power; increase their knowledge of needs in the world; and share in the witness, service, and outreach of the church. The Woman's Society and Guild shall enlist workers and secure funds for the fulfillment of their responsibility in the mission of the church at home and overseas.

Methodist Women of the West Texas Conference Central Jurisdiction view the 25th Anniversary. Goals and new purpose, the new program theme with mixed emotions and a feeling of deep concern as the following questions appear on the horizon: (1) How will we make the necessary adjustments required for an all inclusive church? (2) Are we aware of the structural changes that will ultimately affect the Woman's Society of Christian Service? (3) Have you heard that there will be no Secretaries of Youth, Children's and Student Work of the Woman's Society on any level after 1965? (4) Do you know that Eight Regional Schools of Mission in 1965 will replace Conference and Jurisdiction Schools? (5) Do you know that the West Texas Conference had been assigned to the Southwest Region School to be held in Denver, Colo. possibly? (6) Are we prepared to act intelligently after General Conference meets and acts and in the transition period thereafter? (7) Are we aware of the Spiritual as well as psychological preparation needed for this period of transition?

The Inez Elizabeth Ann Day Care Center, a continuing project of the Woman's Society of Christian Service and Guild located at Marlin is the only community serving that community for our children. The project need remodeling very badly. We have had suggested plans for a remodeling program for several years. Your help is greatly needed if these plans are to become a reality. Will you lend us guidance with your suggestions, contributions and prayers to bring to fruition a needed community service?

Our twenty four Annual Meeting held at St. Andrews, Ft. Worth, April 10, 11, and 12, 1964, culminated our quadrennial Emphases, The Program

Than Unites us in Witness and Service. Highlights include presentations by representatives of the Central and Southwest Conferences South Central Jurisdiction and United Church Women who shared in the National Seminar Report, Greetings, etc. Two dynamic messages by Miss Josephine Beckwith, Director, Bethlehem Center, Ft. Worth. The Prayer Breakfast and Service of Holy Communion conducted impressively by the host pastor, Rev. L. L. Haynes, ably assisted by the District Superintendent, Rev. T. M. Bruton, who delivered the Communion Meditation, setting the tone for the day, as he warmed our hearts with his glorious message of the hour. The sum of \$42.07 was given for the Alaska emergency, thus cooperating with the special appeal from Mrs. J. Fount Tillman, President of the Woman's Division.

Annual Reports from Officers, Secretaries and District Presidents, World Federation Luncheon, Recognition to our "Past Presidents" presented by Conference Historian, as she shared Historical Facts under each administration. Significant was the fact that all Past Presidents were present, Mrs. K. W. McMillan, Sr., 1940-48; Mrs. Wm. Ellison, Jr., 1948-52; Mrs. O. B. Coe, 1952-60. Two of our Scholarship Girls, Misses Clara Spencer and Joyce Rodgers brought inspirational messages on our Student's Witness directed by Dr. Carmen Lowry.

The following officers were elected for the 1964-68 Quadrennium: Mrs. I. C. McAlister, President; Mrs. R. B. Byrd, V. Pres.; Mrs. H. B. Thomas, Recording Secretary; Mrs. Wm. Ellison, Jr., Treasurer; Secretaries: Children's Work, Mrs. V. M. Taylor, Christian Social Relations, Mrs. L. L. Haynes, Literature Pub. Mrs. Katheryne Stanley, Missionary Educ. and Service, Mrs. F. Lyons Bell; Wesleyan Service Guild, Mrs. E. M. Gilbert; Youth Work, Miss L. C. Dunlap; and Historian, Mrs. C. B. Morgan. A tour of Bethlehem Center and a Silver Tea with a gift of \$25 raised for the Center. The 25th Anniversary was launched with a unique and impressive presentation. The Woman's Society of Christian Service and Wesleyan Service Guild participated. The District Presidents aided in the culmination of the 25th Anniversary launching by joining in a contest to enable the conference to make its first increase in finances. The Districts reported as follows: Dallas, \$150.00; Austin-Victoria, \$100.00; San Antonio, \$310.00; Waco, \$36.00; and Western, \$60.00 offering \$13.52 total \$669.52. Mrs. F. M. Hudspeth, President, San Antonio District, was crowned 25th Anniversary Queen at the magnificent 25th Anniversary Banquet. The Central Jurisdiction Crises was ably presented by our Conference Chairman of Christian Social Concern.

Special recognition was given to our Deaconesses and Missionaries. Personal "Love Gift" were given to them. The Conference Wesleyan Service Guild honored Dr. Lowry with a \$25 Special Membership Pin. The Conference Woman's Society honored Miss Dora Smith, retiring Wesleyan Service Guild Secretary, with a \$25 pin. The Dallas District Woman's Society of Christian Service honored Rev. T. M. Bruton with a \$25 pin, and Mrs. Neva Bates, retiring treasurer, with a \$100 Honorary Membership pin. Many other "Love Gifts" were extended. Our meeting closed on a high note with a challenging message from the host pastor. Each District increased its pledge at the closing Pledge Service.

As we are summoned to duty with Methodist Women in a New Age, we "Go Forward" with this motto: "With steadfast heart and true Go Forward on our way: God give us strength to do the duties of each day, So daily may this thought our hearts with courage fill, I can because I ought, and, by God's help I will."

As we share in the launching of the 25th Anniversary and implement the "Call" we are Confronted with the three major goals projected in the New Purpose,

1. Growth in understanding and spiritual power:
2. Increase in knowledge of needs in the world; and
3. Sharing through witness and service in the outreach of the church.

In deep humility we bow to this noble task as we are called to meet this greatest challenge of our times.

We appreciate the opportunity to share in these new opportunities of

Christian Witness Through Service. Hence, we join an endless line of splendor of Methodist Women who shared 25 glorious years, and we beg your prayers, and continued cooperation as we accept the challenging Summons to serve a New Age.

Humbly Submitted,  
Mrs. I. C. McAlister,  
Conference President

ATTENTION: Mrs. W. M. Ellison, Conference Secretary-Treasurer

Dear Mrs. Ellison:

**Subject: Annual Audit**

I have made an examination of the ledger, receipt books and the bank statements of West Texas Conference Woman's Society of Christian Service and Wesleyan Service Guild for the fiscal year beginning June 1, 1963 and ending May 31, 1964, and I submit my report which consists of the following:

- Bank Reconciliations (Exhibit A)
- Recapitulation of Receipts and Disbursements (Exhibit B)
- My Comments as follows:

**RECEIPTS** — The receipt book contained all monies remitted to the Secretary-Treasurer from the Districts, Individual Registration, Public and Special Offerings and etc. The monies were deposited in the American National Bank, at Austin, Texas, with the following exceptions:

1. Special Offering - Sixty-Five and 21/00 Dollars (\$65.21) which was donated in **cash** to the St. Andrews Methodist Church, Ft. Worth, Texas.
2. Reimbursement of supplies paid to Mrs. Myrtle Ellison, Secretary-Treasurer.
3. For dining room help paid to Mrs. Nettie McDonald.

Receipt No. 770 in the amount of Six Hundred Sixty-Four and 54/100 Dollars (\$664.54) (25th Anniversary) is a duplication of the total of Receipts Nos. 756-765 inclusive. Receipt No. 768 in the amount of One Hundred Eighty and No/100 Dollars (\$180.00) (Registration Annual Meeting) includes a duplication of Receipts Nos. 741-753 inclusive. The amount totaling to Twenty-Eight and No/100 Dollars (\$28.00). Receipt No. 693 is a duplication of Receipt No. 701 in the amount of Eighteen and 50/100 Dollars (\$18.50) (School of Mission Registration). Duplications of this sort, in the hands of sticklers, can lead to discord and distrust, and should by all means be eliminated.

**DISBURSEMENTS** — All disbursements made from the account were in accord with the usual functions of the Wesleyan Service Guild. The disbursements were by documented checks, with the following exceptions:

1. Special Offering - Love Gift to the St. Andrews Methodist Church, Ft. Worth, Texas.
2. Check No. 1242 payable to Mrs. Myrtle Ellison in the amount of Eighty-Eight and 10/100 Dollars (\$88.10) was cashed, and then marked void and stapled in the check book.
3. Check No. 1256 payable to Mrs. Nettie McDonald for the amount of Twenty and No/100 Dollars (\$20.00) was also cashed, marked void and stapled in the check book.
4. One returned check in the amount of Twenty-Five and No/100 Dollars (\$25.00) issued by the Waco District Woman's Society of Christian Service.

Check No. 1169 to State Council of Methodist for One Hundred and No/100 Dollars (\$100.00) dated January 2, 1962 was in the check book and marked not to be issued at the time of the audit last year. During this audit, this check appeared with a line drawn through the January date with the date July, 1963 written just above it. Even though the expenditure was a valid one, this check should have been replaced with a new one.

**RECOMMENDATIONS** — Again I strongly urge that a standard system

for remitting monies to the Secretary-Treasurer be incorporated.

It seems that it is imperative that a workshop or an institution be conducted for the District Secretaries and Treasurers for the purpose of instructing them to classify and remit monies to avoid discrepancies in the accounting of monies and proper credit.

It appears that the duplication of receipts and differences in the written amounts and figures on many receipts - all come about during registration. This indicates too many unnecessary interruptions and confusion at the place of registration. Therefore, immediate steps should be taken to eliminate them.

Every disbursement from the organization should be made by check which will give certified proof. However, when the need for cash expenditures arise, it should be handled thusly: A check for the correct amount to be expended should be written, just as any other check, and endorsed by the person to whom the money is paid. Then the Treasurer will retain the check and give the person cash in the amount of the check. This is a valid check, and should be deposited in the bank just as any check you may receive from anyone else. This will not only make sure that all expenditures are by check, but will also make sure that all monies receipted are deposited to the bank.

Check stubs Nos. 1281, 1282, 1283, 1284 and 1285 were dated November 22, 1963. But the checks were dated December 3, 1963. Care should be given to avoid such discrepancies.

The report of the Secretary-Treasurer at the close of the 1962-63 year showed a balance carried forward of Five Hundred Thirty-One and 37/100 Dollars (\$531.37). But upon reconciling the account, the correct balance was found to be One Thousand One Hundred Forty and 40/100 Dollars (\$1,140.40). The adjustment for Six Hundred Nine and 03/100 Dollars (\$609.03) is shown in the Secretary-Treasurer's 1963-64 report to equal the correct balance.

In conclusion, I wish to say that even though there are some minor discrepancies, the books showed no sign of fraud or mistrust. I commend you for this and for a big and important job well done. I also wish to express my appreciation to you for your splendid cooperation during this audit.

Sincerely yours,  
Vink J. Fowler, Auditor

REPORT NUMBER 8

#### REPORT OF THE CONFERENCE MISSIONARY SECRETARY

During the latter part of the 1960-64 quadrennial period The Methodist Church engaged in a study adventure to re-thing the nature and validity of the missionary enterprise of The Methodist Church. Three major topics formed the springboard for intensive study, evaluation, and concern:

- The Faith That Compels Us —
- The Factors That Confront Us —
- The Frontiers That Call Us —

The textbook for this study, **Our Mission Today**, by Tracey K. Jones, Jr., has had the highest sales record in the history of Methodist mission study books. The book has gone into its ninth printing, for a total of 230,000 copies. In addition, 49,000 copies of the **Leader's Guides** have been sold, and 40,000 copies of the reading book, **The Bible and God's Mission**, have been used. Some 12,000 filmstrips have been produced, and most of them sold. These statistics may have limited importance, but they do furnish some indication of the receptiveness of the Church to the study and the resources.

Dr. John R. Wilkins, director of the program, has stated—"At a deeper level, one of the encouraging signs out of the study has been the manifest uneasiness over the existing apathy in the Church, the tendency to conformity and the yearning for a positive Christian affirmation. It is my

judgement that the selection of the three basic areas of concern, "The Faith That Compels Us, The Factors That Confront Us and The Frontiers That Call Us." all forged out of hard thinking, also had Divine guidance. The time was ripe, the Church was ready for this adventure. The grass-roots quality of study was significant. Perhaps the true evaluation of the results of the Our Mission Today study must wait for three to five years. However, even now we can be confident that this study has disturbed, stirred and stimulated hundreds of thousands of Methodist people to: evaluate contemporary society with deeper perception; humbly seek for a more hopeful and victorious faith, in response to the Divine Spirit, and courageously face our new responsibilities and frontiers in the mission of the Church."

In our own West Texas Conference we have engaged to a commendable extent in this study adventure. Presentations have been made at District meetings, and several of the local churches have conducted study courses. Our "Team" leader, Rev. Z. W. Holmes, Jr., is to be commended for both leadership and direction in this area.

At the time of the annual meeting The Board of Missions voted to reorganize its structure and presented the necessary legislation to the General Conference. There is to be just one Division administering overseas, and just one Division administering work at home. The Joint Section will become the Joint Commission. Information regarding what this means for Annual Conference cooperation, cooperative work on the District level, and how this will affect the W.S.C.S., Advance Specials, etc., will be passed on to the Pastors and Commission on Missions Chairmen as soon as it has been received in final form by the Conference Missionary Secretary.

#### **World Missions**

The missionary staff numbers 1,113, an advance of 21 over the corresponding figure in 1962. There is a continuing call to secure missionary personnel. The complexity and difficulty of the missionary task is increasing each year. The finest men and women of our church are needed.

For the seventh consecutive year there was a modest increase in income to the Division through **Advance**, voluntary "over and above" giving. \$7,130,056 was received in this fashion, representing 57.2% of the total income of the Division.

Working in 46 countries, the Division of World Missions had a total income of \$12,459,046 — an increase of 2.4% over the previous year. It is pointed out that over half of this income came from Advance Specials and these gifts, to a large extent are designated for particular projects, programs, or missionaries. Complete support of World Service askings is sought since it undergirds the total program. Without World Service funds to get the missionaries to the fields they cannot be there to use the Advance gifts. One of the challenges is to stretch the World Service money and undesignated Advance Gifts to help supply the physical facilities needed by the missionaries to make a spiritual witness.

#### **National Missions**

For the year 1962-63 the Department of Advance and Special Gifts reported an increase over the previous year — a total income of \$1,591,669.46. This gives an indication of a growing awareness among many of our Methodist pastors and people that there is a mission field on our own doorstep as crucial and as urgent as any mission field on the other side of the world. Work in Alaska, Hawaii, Puerto Rico, Oklahoma Indian Mission, Rio Grande Conference, and Central Jurisdictional Projects have been promoted and advanced through this fund. Last year \$62,872.36 was spent on projects in the Central Jurisdiction.

In the area of Church Extension the movement has been steadily forward. This is true of new Church development and in the providing of adequate Church homes. The 1960 General Conference called the Church to establish 400 new churches each year of the quadrennium following. New churches are now being established at an average yearly rate of 200. In addition, 200 sites for new churches are purchased yearly.

In the Central Jurisdiction thirty-two donations totaling \$143,349.00 and 25 donations totaling \$471,750.00 have been made aiding 41 churches. Six of these were new congregations. The annual report of the Division of National Missions highlights two projects in our West Texas Conference — Highland Hills Church, Dallas, and Morningside Church, Fort Worth. Both of

these churches are located on the Dallas District. A photo of Rev. Marshall E. Hodge, pastor of Morningside Church is also a part of the report. Director Dr. D. R. Fletcher, states that there is an increase in inter-jurisdictional cooperation but that we cannot overlook that the future of the Central Jurisdiction has caused a lag in some areas. "Members of other jurisdictions fail to cooperate for one or two reasons: (1) It will be a perpetuation of the Central Jurisdiction. (2) Others do not feel the time is ripe for admission of the Central Jurisdiction in their annual conferences. The best policy to adopt is to develop a church wherever an opportunity is offered and when the Central Jurisdiction is dissolved it will bring into the new union as many members as possible."

The District Superintendents have indicated in their composite report the extent of church building and expansion on the five Districts. We appreciate their leadership in this area and herewith express our gratitude.

We call upon Pastors and District Missionary Secretaries — their responsibility to keep our people alert and sensitive to missions and church extension is a never ending responsibility. Through our Conference Board of Missions, District Missionary Secretaries, W.S.C.S. promotions, Missionary institutes, District and Conference, and local church Missionary Institutes let us keep informed. Materials are available and well-prepared publications. We must make wide and effective use of these materials. Our missionary responsibility must not be forfeited, and we must expect, because of our work, something to happen in the Name of Jesus Christ as we depend on God.

We have a story to tell — lets tell it. We have a work to do — lets do it. We have a Kingdom to build — lets build it.

P. L. Woods,  
Conference Missionary Secretary

The Methodist Church

## REPORT NUMBER 9

### **THE ANNUAL REPORT FROM THE BOARD OF MISSIONS OF THE WEST TEXAS ANNUAL CONFERENCE FOR THE YEAR JUNE 1, 1963 TO MAY 31, 1964**

To the President of our Conference, Members of the Cabinet, Fellow Ministers, Lay Members and Friends:

As we take a look across the turbulence and tragedies, unrest and disturbance, strife and emotions around the world, I am sure we thank God for the privilege of meeting together again to review our work, our limited successes and our failures.

In our endeavor to make Jesus Christ Lord of our lives and his world, and in our serious moments we feel that we have failed God and disappointed his children. The walls of partition are crumbling so fast and our world is shrinking with each satellite that is launched, and each missile that is fired — that we cry out "Show Us Thy Way O Lord" and lead us in a plain path.

This restless age and the impact of shifting populations makes it necessary for us to take a new look at our total missionary task. Our rural and small hamlets are dying while our industrial and metropolitan areas are exploding. We need more churches in the new communities that are springing up over night, we need more funds available for property and the maintenance of preachers. The membership of our churches must feel a greater sense of responsibility for the ongoing of the kingdom.

During the past two or three years our neighboring jurisdiction has been designating money for the conference to help lift the salaries of ministers in our smaller churches. At this point, only the pastors on our regular maintenance list can benefit by these monies. I am of the opinion that there are other pastors whose salaries are sub-standard who are not on our list because the funds are not available, this needs to be considered in the distribution of the monies received from the other jurisdiction.

Yours in Christ,  
J. H. Carruthers, Chairman  
Board of Missions

REPORT NUMBER 11

### REPORT OF THE BOARD OF SABBATH OBSERVANCE

Bishop Clair and Members of the West Texas Annual Conference:

It is a deep sense of humility and gratitude that the Conference Board of Sabbath Observance makes its report.

We are gravely concerned over the manner in which so many of our people observe the Sabbath. In spite of the fourth Commandment which charges us to "Remember the Sabbath Day, to keep it Holy," far too many Christians use the Sabbath as a day for various forms of recreation. Fishing parties, hunting trips, automobile rides, social events, etc., are deliberately scheduled on Sabbath days. As a result, in many instances church attendance has definitely fallen off, and the effectiveness of the church has been impaired.

Our greatest need is that a family altar be established in every Methodist home, Bible reading and prayer goes with family devotion, and regular church attendance for all of the family on the Sabbath day, with reverence to God for His goodness, in order to secure God's gifts for God's chosen people, it is the spiritual renewal of the individual that shall lead to the spiritual renewal of the family, and thence eventually to the church.

The Sabbath was made for man, and not "man for the Sabbath." Man needs the Sabbath. Living in a world fraught with clashing ideologies, fears, strife, tensions, and evils of all kinds, man sorely needs a day set aside for quiet meditation, prayer, and spiritual guidance. The Sabbath was made to fill this Special Need of man.

In Order that the cause of Spiritual Observance of the Sabbath might be enhanced, we submit the following recommendations:

1. That every local church, through its Commissions on Membership and Evangelism, participate in the World Wide Church Attendance Movement, and in other Attendance Campaigns of the Methodist Church.
2. That Sabbath Observance be vigorously taught in the Church Schools of every local Church.

3. That the several Special Days indicated in Paragraph 296 of the Discipline of the Church, be conscientiously observed.

Humbly submitted,
